MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 15, 16, 1957

The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Tuesday, July 16, 1957, beginning at 10:30 a.m., Central Daylight Saving Time. Meetings of Committees of the Board were also held in the Illini Union Building on Monday, July 15, beginning at 8:00 p.m., and on Tuesday, July 16, beginning at 9:00 a.m.

The following members of the Board were present at all sessions: Mr. Cushman B. Bissell, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Wirt Herrick, Governor William G. Stratton, and Mr. Timothy W. Swain were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Gordon N. Ray, Vice-President and Provost-elect, Dr. H. E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Dean C. C. Caveny of the Chicago Undergraduate Division, Professor Norman A. Parker, Chairman of the Building Program Committee; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary. Mr. Donald E. Dickason, Director of Nonacademic Personnel, and Mr. C. E. Flynn, Director of Public Information, were present at the Board meeting on Tuesday.

MEETING OF COMMITTEE OF THE WHOLE

A meeting of the Board of Trustees as a Committee of the Whole was held in the Illini Union Building, on Monday, July 15, 1957, beginning at 8:00 p.m., Central Daylight Saving Time. The members and officers of the Board and officers of the University, as recorded above, were present at this Committee meeting.

The Committee considered the following matters of business.

PARSONS LIBRARY COLLECTION

President Henry reported to the Committee that the private library of Edward Alexander Parsons of New Orleans, Louisiana, considered to be one of the finest private libraries in the United States, has been offered for sale. The collection consists of 40,000 books (many of them being rare books) and 8,000 manuscripts. Its acquisition by the University would add materially to the resources and greatly enhance the prestige of the Library. Vice-President and Provost Larsen and Vice-President and Provost-elect Ray also commented on this proposal.

At a meeting of the Board of Directors of the University of Illinois Foundation held on July 12, 1957, the Directors voted to authorize the acquisition of this collection as a Foundation project for which the Foundation will raise the funds with the assistance of the Director of the Library and other University officials. No action by the Board of Trustees is required or requested and this matter is being reported simply for information of the Board.

OPERATING BUDGET FOR 1957-58

President Henry, Vice-President and Provost Henning Larsen, and Vice-President and Comptroller H. O. Farber presented the University's internal operating budget for the fiscal year beginning July 1 and the academic year beginning September 1, 1957. Copies of the budget had previously been sent to each member of the Board. The presentations and recommendations of the President and the Vice-Presidents are set forth in a document, "Condensed Analysis and Summaries," copies of which had also been sent to the Trustees in advance. The President also supported his presentations with a memorandum on salary increases and a list of promotions recommended. Copies of all of these documents were filed with the Secretary of the Board for record.

Following these presentations, President Livingston, Chairman of the Committee of the Whole, called for a discussion in which all members of the Board present participated.

Mr. Johnston, Chairman of the Committee on General Policy, reported that his Committee had held a meeting earlier in the evening and recommends to the Board that the salary of the President of the University be increased by $6,000.

On motion of Mr. Johnston, seconded by Mr. Bissell, the Committee of the Whole voted to amend the budget as presented by the President of the University in accordance with the recommendation of the Committee on General Policy.

The Committee of the Whole recessed until 9:00 a.m., July 16, 1957.

MEETING OF EXECUTIVE COMMITTEE

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Illini Union Building on Monday, July 15, 1957, beginning at 10:30 p.m. The following members of the Committee were present: Mr. Park Livingston, Chairman, Mr. Wayne A. Johnston, Mrs. Frances B. Watkins. Also present were other members of the Board of Trustees, officers of the Board, and officers of the University as recorded at the beginning of these minutes.

The Committee considered the following recommendations from the President of the University.

Recommendations of the University Patent Committee

The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, the following recommendations relating to inventions by members of the staff.

1. Semen diluent and processing method permitting storage and preservation of spermatozoan fertility at widely fluctuating temperatures above freezing by

saturation with carbon dioxide gas and use of ampules — N. L. VanDemark, Professor of Dairy Cattle Physiology, U. D. Sharma, former Assistant in Dairy Science, and G. W. Salisbury, Professor and Head of the Department of Dairy Science, inventors. This method permits the storage and preservation of spermatozoan fertility at widely fluctuating temperatures above freezing. This is accomplished by combining the semen with certain chemicals, antibiotics, and egg yolk to form a diluent which is then combined with carbon dioxide and immediately sealed in small ampules. The fertility of the semen can then be maintained at room temperatures for a considerable period of time. Since present methods for the preservation of semen are effective for only a short time, this discovery may be extremely important in the breeding of animals. Because of the commercial possibilities of this invention, it seemed wise to apply immediately for a patent, and accordingly the Patent Committee authorized the University of Illinois Foundation to make such an application, which has been filed with the United States Patent Office.

Due to the possibility of wide interest in animal husbandry circles no recommendation is being made at this time as to whether the holder of the patent, if issued, should be the University or the Foundation. Because of the support which the farmers' cooperatives in the state of Illinois have given to these programs, it is the recommendation of the Department of Dairy Science that free use of this idea be granted to any farmer or cooperative for use in the breeding of their own farm livestock. The Patent Committee concurs in this policy and therefore recommends that the following policy statement be approved by the Board of Trustees, in connection with any patent issued on this invention:

> "That the holder of any patent issued on a semen diluent and processing method in which the University of Illinois has an interest grant a royalty-free nonexclusive license for the use of the semen preserving process to any organization or person who would combine the necessary ingredients and prepare the diluent process in the breeding of their own farm livestock and to charge a royalty to an organization or person who would sell the diluent to others for use in the breeding of any animal."

Confirmation of the action of the Patent Committee in requesting the Foundation to apply for a patent and approval of the above policy statement in the administration of such a patent, if issued, is recommended.

2. Automatic temperature compensated storm warning system — Erwin K. Weise, Research Associate Professor of Engineering, inventor. This device converts into electrical signals changes in atmospheric pressure in such a manner as to indicate approaching storms. This idea came to the inventor in his own home after reading reports on tornado damages. No financial support has been given to this invention by the University, and no University facilities were used in its development. For these reasons the Patent Committee recommends the outright release of this invention to the inventor. (The Secretary of the Committee has advised the inventor that if this invention is released to him by the Board of Trustees, he will be free to take it to the Foundation for further consideration as to development if he so wishes.)

3. Method of preparing pre-dried potato chips — Ogden C. Johnson, Research Associate in Food Technology, and Fred A. Kummerow, Associate Professor of Food Chemistry, inventors. This method embodies the dehydration of potato chips during the frying operation, with a resulting potato chip with lower fat content than normal potato chips. The Patent Committee has requested the University of Illinois Foundation to approach the sponsor of the research under which this was developed, the Continental Baking Company, with the possibility of further support for development work and possible patent application if this appears to be warranted.

4. Thermionic emitter — Robert J. Maurer, Professor of Physics, inventor. This device produces the thermionic emission of electrons from a solid at or near room temperature. The inventor conceived the idea of this device during a physics colloquium. No University funds or facilities have been used in its conception or development. The Patent Committee recommends its outright release to the inventor.

5. Elevated temperature resistant ceramic structural adhesives and methods for bonding metals with them — Dwight G. Bennett, Research Professor of Ceramic Engineering, Richard M. Spriggs and Henry G. Lefort, Research Assistants in Ceramic Engineering, inventors. This invention relates to certain ceramic materials and to methods of preparing and applying them for use as structural adhesives in the bonding of metal to metal to produce joints possessing high shear strength at temperatures up to 1000° F. or more. It is the opinion of the inventors and the Head of the Department of Ceramic Engineering that because of former art in forming ceramic to metal cells, an attempt to secure a patent would lead to extensive litigation, which would not be justified by any financial gain. Accordingly, the Committee recommends that this invention be released to the agency sponsoring the research program under which it was developed, the United States Air Force.

6. Instrument for measuring fluorescence decay of pigments with excitation life times of the order of millimicroseconds — Seymour S. Brody, Research Associate in Botany, inventor. The Committee seriously doubts that this invention is patentable, since it is a combination of well-known elements which have been improved by others so as to enable the experiment referred to, to be developed successfully. The Committee was also of the opinion that there was no significant commercial application of the invention and therefore recommends that it be released to the Office of Naval Research, the agency supporting the research under which it was developed.

7. Sense gate separate channel averaging radio direction finding system — Albert D. Bailey, Associate Professor of Electrical Engineering, and Albert J. Wavering, Research Assistant in Electrical Engineering, inventors. This is a radio direction finding system using a bearing shifter in the operation of a bearing computer. The inventors and the Head of the Electrical Engineering Department are of the opinion that this invention has little or no commercial value and have recommended its release to the sponsoring agencies of the research under which it was developed, the Bureau of Ships and the Office of Naval Research of the United States Navy. The Patent Committee concurs in this recommendation.

8. Perspiration inhibitor using malonate salts — A. Rostenberg, Jr., Professor of Dermatology in the College of Medicine, inventor. This idea consists of the inhibition of perspiration by the application of malonate salts. The malonate ion inhibits the enzyme, the activity of which is apparently necessary for the production of perspiration. It is the opinion of the Head of the Department of Dermatology that this idea may have definite commercial application. Accordingly, the Patent Committee recommends that this invention be released by the University to the University of Illinois Foundation, with the understanding that an application for a patent will be filed if conditions seem to justify such action. This recommendation is made with the condition that if the invention proves to be commercially desirable any distribution of income shall be approved by the Board of Trustees of the University upon recommendation of the Patent Committee.

9. A new high-melting plastic — Carl S. Marvel, Research Professor of Organic Chemistry, and R. D. Vest, Research Assistant in Chemistry, inventors. This is a plastic which can be melted at approximately 340° C. to give a clear melt which resolidifies to a glass-like material by the polymerization of a pure dialkyl α, α'-dimethylenepimelate. The Head of the Department of Chemistry and Chemical Engineering and the inventors state that while the invention appears to be patentable, it will not be a money-making invention because the material will be expensive and it will be limited to military use. Accordingly, the Patent Committee recommends that the rights of the University in such invention be released to the United States Air Force.

10. Method of cleaning gases with electrostatically charged particles — H. F. Johnstone, Research Professor of Chemical Engineering, inventor. This invention pertains to the use of electrostatically charged pellets of glass or plastic as a "dry scrubber" to remove pollution from streams of air. Such an invention may have very important commercial possibilities in view of air pollution over many urban areas.

Dr. Johnstone is an eminent authority in this field and has worked on these problems since he came to the University in 1928. During World War II, as a result of his work with defense agencies, he had the opportunity of studying these

problems from the standpoint of meteorological conditions, which was continued after the war, with the support of several industrial concerns. In 1948, the Atomic Energy Commission requested him to become a member of a committee to make recommendations on stack effluents from atomic energy plants, and he has continued this membership to date. At the same time, the Atomic Energy Commission requested him to direct work in the studies of the fundamental properties of aerosols, with a contract to the University from that agency, which, with renewals, has been in force since that date. These contracts, by federal law, must carry the following provision:

> Whenever any invention or discovery is made or conceived by the University or its employees in the course of, in connection with, or under the terms of this contract, the University shall furnish the Commission with complete information thereof; and the Commission shall have the sole power to determine whether or not and where a patent application shall be filed, and to determine the disposition of the title to and rights under any application or patent that may result.

Authority to enter into contracts carrying this provision was granted by the Board of Trustees on July 21, 1948, minutes page 7.

It is the opinion of the Patent Committee and the Legal Counsel that the University is legally bound to release any patent issued on this invention to the Atomic Energy Commission if so instructed by that agency. Because of the lifetime of effort put into this field of study by Dr. Johnstone, which resulted in this invention, and because of the significant support by the University, the Patent Committee has negotiated with the Atomic Energy Commission in an attempt to secure some recognition of these contributions. As a result, the Atomic Energy Commission has offered to the Committee one of these alternatives, although it has insisted that title to any patent vest with that agency:

(1) If the University agrees to underwrite the costs of obtaining a patent, which would perhaps entail substantial expenditures for development work, the Atomic Energy Commission will grant to the University a nonexclusive license to use any patent which might issue, with a further right to sublicense.

(2) The Atomic Energy Commission will itself apply for a patent and assume all necessary costs. In that event, the University will be granted a nonexclusive license, without the right to sub-license, and would then be in the same position as any other applicant for such a license. (It is the policy of the Atomic Energy Commission to grant a nonexclusive, royalty-free license to any agency which applies for it.)

The only advantage to the University that could accrue from (1) would be that other inventions might result from the necessary developmental work, which would thus belong outright to the University and would give the University a preferred position in this field. The rights to sub-license might be an advantage, but this can not be evaluated at this time. The disadvantages to accepting (1) are that the cost of the necessary developmental work and application can not be determined at present but might amount to a substantial sum; and furthermore some work has been done in this area at another educational institution, and there is the possibility of an interference developing if an attempt is made to secure a patent. Dr. Johnstone has been consulted at all times in these negotiations, and it is his opinion that the University should not pursue alternate (1). Such opinion is important since he would have to direct this effort.

For these reasons the Patent Committee and the Engineering Experiment Station recommend that alternate (2) be approved by the Board of Trustees and that the University advise the Atomic Energy Commission that it is prepared to cooperate fully with that agency in applying for a patent, under the conditions that the Atomic Energy Commission will pay all costs in connection therewith, and that the University will receive no preferential treatment in any patent that may issue.

I concur in these recommendations.

Mr. Bissell, as Chairman of the Board Committee on Patents, recommended approval.

On motion of Mrs. Watkins, the Executive Committee approved the recommendations of the University Patent Committee.

Employment of Special Counsel to Assist in Acquiring Property Situated in Urbana-Champaign

It is necessary for the University to acquire a number of privately owned residence properties and other properties in the cities of Urbana and Champaign as parts of sites of a new Men's Residence Hall, a Residence Hall for Single Graduate Students, and for the Student Services Building.

In connection with the acquisition of these properties, legal services in examining the present titles thereto and ascertaining the present ownership thereof, in assisting University officers in conducting negotiations with the present owners for the purchase of the properties from them, and in preparing to institute condemnation suits to acquire such of the properties as can not be purchased at a reasonable and proper price will be needed. Because of the time element involved, and the volume of work pending in the Legal Counsel's Office, this work can not be done as promptly as is desirable and necessary by the Legal Counsel and his assistants. For this reason, the employment of special counsel to do this legal work, with the assistance and subject to the supervision of the Legal Counsel, is highly desirable. Funds for the employment of such special counsel can be made available from the present appropriation to the University for land acquisition.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Legal Counsel request authorization to employ local attorneys in Urbana and Champaign as special counsel to assist in the legal work necessary in connection with property acquisitions.

I concur.

On motion of Mr. Johnston, authority was given as requested.

The Executive Committee adjourned.

ADJOURNED SESSION OF THE COMMITTEE OF THE WHOLE
July 16, 1957

On Tuesday, July 16, 1957, Committees of the Board of Trustees resumed their meetings, beginning at 9:00 a.m., Central Daylight Saving Time.

COMMITTEE ON GENERAL POLICY

Chicago Undergraduate Division

Mr. Johnston, as Chairman of the Committee on General Policy which has been operating as a Special Committee on the Development of the Chicago Undergraduate Division, and President Henry reported on the outcome of the several bills introduced in the Seventieth General Assembly of Illinois relating to the future development of the Chicago Undergraduate Division, all of which failed, with the exception of the provisions in the University's building program. The appropriations made for 1957-59 include $600,000 for the acquisition of land and $400,000 for site studies and building plans. No legislation was enacted specifying the location of, or restricting the University in the selection of, a permanent site for the Chicago Undergraduate Division.

The Committee reviewed the various sites which have been considered, including Miller Meadow in the Forest Preserve District in Cook County. At this point Mr. Johnston presented a letter from Representative Paul Randolph. President Henry was authorized to reply to the letter along the lines of the discussions of today's meeting and to make public announcement of the reply. Copies of this correspondence were subsequently filed with the Secretary of the Board.

Mr. Johnston recommended that the Board adopt as a declaration of its policy regarding the site question: "Miller Meadow continues to be the first choice as a site but the Board, through its Committees and with the assistance of University officials, is proceeding to consider alternate sites and to determine their relative desirability." This declaration of policy was adopted.

Mr. Johnston then recommended that the Committee on General Policy be authorized to explore the possibility of acquiring the Gage Farm and to negotiate with the city of Chicago officials regarding its acquisition; and that the Committee also be authorized to explore the possibilities of acquiring the Riverside Country Club or Irving Park.

Mr. Williamson moved that the Board accept the report and recommendations of the Committee on General Policy, and that this Committee be authorized to explore sites, to conduct negotiations with owners, and to make further recommendations to the Board; and that in recognition of the undesirability of premature public announcement of specific sites under consideration, the members of the Board refrain from discussing such matters publicly and that all official announcements on this matter be made by the Chairman of the Committee on General Policy and/or President of the University.

This motion was unanimously adopted.

COMMITTEE ON BUILDINGS AND GROUNDS

The Committee on Buildings and Grounds met at 10:00 a.m. and at 1:30 p.m. for consideration of the following matters of business.

Acquisition of Land in Will County, Illinois, for Agricultural Experiment Station Purposes

The Department of Agronomy and the Agricultural Experiment Station request authorization of application to the United States Government for approximately 160 acres of land, which has been declared surplus, in Will County for experimental purposes. This land can be acquired without cost to the University. A complete report on this matter, with his recommendation, was presented by the President of the University and a copy is filed with the Secretary of the Board for record.

On motion of Mr. Johnston, the Committee on Buildings and Grounds approved the filing of an application with the appropriate government agency for the acquisition of this property.

Request of Apartment Owners Association of Champaign County for a Hearing

The President of the Board of Trustees received a request from Mr. L. O. Hartman, 602 Haines Boulevard, Champaign, Illinois, President of the Apartment Owners Association of Champaign County, that the Board of Directors of this organization be given a hearing by the Board of Trustees on questions which have been raised concerning the University's program for the construction of housing facilities for married students. This request was presented to the Board of Trustees on May 28 and was referred by the Board to the Committee on Buildings and Grounds.

The Chairman of the Committee authorized the Secretary to inform Mr. Hartman that the Committee will give his group a hearing at 1:30 p.m. on July 16, following the Board of Trustees meeting and after the luncheon recess. The Chairman invited all members of the Board to participate in this hearing.

Naming of University Buildings

The Chairman called attention to the following items on the Committee's agenda of unfinished business:

A request from the Director of University Bands that the new Band Building be named "Harding Hall."

A request from the Housing Division that the Men's Residence Halls Additions 3 and 4 be named for the late Mr. Carl Stephens and Mr. William L. Pillsbury.

The Dean of Women has also suggested that the Lincoln Avenue Residence Addition be named Louise C. Allen Residence. Louise C. Allen (Gregory) was the wife of John Milton Gregory (the first Regent of the University of Illinois). She was Professor of Domestic Science and Preceptress at the University of Illinois from 1878 to 1880; and Instructor and Preceptress, 1874-78.

A request from the faculty of the College of Law and from the officers of the College of Law Alumni Association that the new Law Building be named "Harno Hall."

The Chairman suggested that since two members of the Committee are not present at today's meeting, no action on these items be taken at this time.

The Committee adjourned.

The Secretary stated that he will file with the records of the Board meeting of July 16 complete reports of the meetings of the Committee of the Whole, the Committee on Buildings and Grounds, and the Committee on General Policy.

On motion of Mr. Johnston, the Committee of the Whole adjourned.

MEETING OF THE BOARD OF TRUSTEES

July 16, 1957

The Board of Trustees convened at 10:30 a.m., Tuesday, July 16, 1957, for its regular July meeting. The members of the Board, officers of the Board, and University officials as recorded at the beginning of these minutes were present.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees of April 18 and May 28, 1957, press proof copies of which have been sent to all members of the Board in advance.

On motion of Mr. Johnston, these minutes were approved as printed on pages 339 to 429, inclusive.

HOSPITAL-MEDICAL-SURGICAL INSURANCE FOR STUDENTS AND STAFF

The Board of Trustees on June 20, 1957, referred to the Executive Committee, with power to act, a recommendation for the award of a contract to the Bankers Life and Casualty Company of Chicago for hospital-medical-surgical insurance for students and staff for 1957-58. The Executive Committee has inquired into the questions raised at the Board of Trustees meeting concerning the ability of the Bankers Life and Casualty Company to fulfill all requirements under the proposed contract on the basis of its low bid of $461,610. The Committee finds that the Company is financially capable of handling the University's program, and its payment of claims record has been good. The Company has agreed in writing to permit the University to decide which claims will be paid and the amount of such claims and to permit the University to draw drafts on the Company in the settlement of the claims.

In view of these findings the Committee has approved the award of the contract to the Bankers Life and Casualty Company on its bid of $461,610 and the terms previously reported to the Board of Trustees.

This report was received for record.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

INTERNAL OPERATING BUDGET FOR 1957-58

(1) The University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1957, for academic and administrative appointments beginning September 1, 1957, and for nonacademic personnel appointments beginning July 1, 1957, is submitted herewith. This budget has been prepared by the Vice-President and Provost and the Vice-President and Comptroller in accordance with policies recommended by the University Budget Committee and procedures approved by the President. The University Council has also been consulted regarding budget policies and distribution of funds.

In this budget new minimum academic salaries are proposed, effective September 1, 1957, for all assistants, and for all new appointments and promotions in other ranks as follows:

	Nine Months' Service	*Eleven Months' Service*
Professor	$8 400	$10 300
Associate Professor	7 000	8 550

Assistant Professor	5 600	6 850
Instructor; Research Associate	4 400	5 370
Assistant	3 600	4 400

In the case of present staff, other than assistants, a part of the adjustment to the new minima is being deferred until the 1958-59 budget.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1957, be approved; and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, (a) to accept resignations, (b) to make such additional appointments as are necessary, subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed, all such changes to be covered in the Vice-President and Comptroller's quarterly financial report or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring expenditures in excess of $2,500 shall be presented to the Board of Trustees for prior approval.

President Livingston reported that members of the Board of Trustees, working as a Committee of the Whole at a meeting held on July 15, 1957, reviewed the budget in detail in consultation with the President, the Vice-President and Provost, and the Vice-President and Comptroller of the University, and that this Committee supports the budgetary recommendations with certain amendments which the Committee made on its initiative.

President Henry reviewed the presentations he had made to the Committee of the Whole based on the "Condensed Analysis and Summaries" submitted to the Board along with the detailed budget in advance of the meeting. Copies of all supporting documents are being filed with the Secretary of the Board for record.

Following full discussion in which all of the Trustees present participated, on motion of Mr. Johnston, the budget was adopted, the schedule of minimum academic salaries was approved, the President of the University was authorized to take the actions specified above, and the necessary appropriations were made as recommended.

This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1957-58

(2) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1957-58 which is summarized as follows with comparative figures for the preceding year:

	1956-57	*1957-58*
Income	$1 083 650	$1 148 500
Appropriations	1 074 691	1 137 540
Excess of income over appropriations	$ 8 959	$ 10 960

The budget has been examined and approved by the Vice-President and Provost and the Vice-President and Comptroller.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptance of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

On motion of Mr. Nickell, this budget was approved and authority was given as recommended.

APPROPRIATIONS FOR BUILDINGS AND OTHER PERMANENT IMPROVEMENTS

(3) The Seventieth General Assembly of Illinois has appropriated funds for the biennium 1957-59 for the following buildings and permanent improvements:

For permanent improvements at Urbana-Champaign:

For completion of a Biology Building, with fixed equipment installed, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	$ 675 000
For construction of an Art and Architecture Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	1 700 000
For construction of a Physics Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	1 880 000
For an addition to the Library, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	775 000
For an addition to the Power and Heating Plant, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	1 855 000
For construction of extensions to the general University utilities distribution systems, including plans and specifications and all other necessary costs and charges incident to the completion of the work	2 020 000
For rehabilitation and remodeling of the Stock Pavilion, including plans and specifications and all other necessary costs and charges incident to the completion of the work	250 000
For plans and specifications for an Agronomy Unit of a Plant Sciences Building	180 000
For land at Urbana-Champaign	855 000

For permanent improvements at Chicago:

For construction of a Medical Research Laboratory, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	1 235 000

For permanent improvements at Urbana-Champaign and Chicago:

For rehabilitation and remodeling of and minor additions to existing buildings at Urbana-Champaign and at the Chicago Professional Colleges, with fixed equipment installed, including plans and specifications, and all other necessary costs and charges incident to the completion of the work	1 160 000
For land — acquisition of land for the establishment of a permanent division of the University of Illinois in Cook County	575 000
For building and site studies, plans and specifications for a division of the University of Illinois in Cook County	375 000
For equipment at Urbana-Champaign and Chicago	30 000
For contingencies to cover expenditures for purposes for which the amount specified in any of the above items enumerated is, or becomes, insufficient	710 000

Any of the foregoing appropriations may be assigned as matching funds for any grants made by the federal government for such purposes and in addition to such grants.

The sum of $3,700,000 or so much thereof as may be necessary and as remains unexpended at the close of business on June 30, 1957, from an appropriation made for such purposes by "An Act making certain appropriations and reappropriations to The Board of Trustees of the University of Illinois" approved June 15, 1955, is

reappropriated to the Board of Trustees of the University of Illinois from the General Revenue Fund, for the purposes and in the amounts set forth as follows:

For permanent improvements at Urbana-Champaign:

For construction of a Biology Building and related field laboratories, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....$3 335 000

For equipment at Urbana-Champaign and Chicago..... 200 000

For construction of addition to present hospital..... 165 000

The Appropriation Act (Senate Bill 526) provides that no contract shall be entered into or obligation incurred for any expenditure from any appropriation made in Section 1 until after the purpose and amount of such expenditure has been approved in writing by the Governor.

I recommend that these funds be appropriated for the projects and purposes indicated. Recommendations for awards of contracts and for other expenditures from these appropriations will be submitted to the Board of Trustees in accordance with the usual procedure.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

ADMINISTRATION OF HEALTH SERVICES

(4) Dr. Lester M. Dyke, Professor of Hygiene and Director of Health Services, has requested that for personal reasons he not be reappointed as Director of Health Services at the expiration of his present administrative appointment on August 31, 1957, and that he be continued in his academic appointment as Professor of Hygiene on indefinite tenure. I have approved his request, and also that he be scheduled to take his earned vacation from July 1 to September 1, 1957.

I have requested Professor Charles H. Bowman of the College of Law to take the responsibility of the administration of the Health Services, as Acting Administrator, and have also asked Dr. Glen W. Doolen, Assistant Professor of Hygiene and Medical Adviser in the Health Services, to serve as Acting Medical Director, reporting to the Acting Administrator, for the months of July and August, each at a salary based on an annual rate of $15,000 (the salary of the former Director). In Professor Bowman's case this salary would be in addition to that being paid him during the academic year 1956-57, including the 1957 Summer Session, as Associate Professor of Law. Both have accepted these assignments, and I request confirmation of this action.

As a continuing interim arrangement I recommend the following appointments:

CHARLES H. BOWMAN, Acting Administrator of the Health Services, from September 1 through December 31, 1957, in addition to his appointment as Professor of Law, at an additional salary of $680 a month.

GLEN W. DOOLEN, Acting Medical Director of the Health Services, for one year from September 1, 1957, at a salary of $15,000 on "Y" basis, and as Assistant Professor of Hygiene and Medical Adviser in the Health Service for two years, beginning September 1, 1957. The salary as Acting Medical Director will include service as Assistant Professor during 1957-58.

LESTER M. DYKE, Professor of Hygiene on indefinite tenure, beginning September 1, 1957, at a salary of $12,300 on "A" basis.

In honoring Dr. Dyke's request that he be relieved of his administrative assignments, I wish to record that University officials recognize that he has worked very hard in the administration of the programs of the Health Services and that a number of important accomplishments will be identified with his administration during the past years.

On motion of Mrs. Watkins, the actions of the President were confirmed, and these appointments were approved.

On motion of Mr. Williamson, these certificates were awarded.

COMMITTEE ON ACCOUNTANCY

(9) The regulations adopted by the Board of Trustees for the administration of the Illinois Accountancy Law provide that the University's administrative functions shall be performed by a Committee on Accountancy appointed by and responsible to the President of the University. The Committee consists of the Dean of Admissions and Records or his deputy and two other members of the University faculty. In 1954 a plan was set up and reported to the Board of Trustees for periodical changes in the personnel of the Committee which provides for the appointment of the Dean of Admissions and Records as an *ex officio* member and the other two members for six-year terms. Subsequently this was amended by the Board to provide for the appointment of the Dean of Admissions and Records, or his deputy, *ex officio,* and two other members of the faculty.

The present personnel of the Committee is Professor H. M. Gray of the Department of Economics, Chairman, Associate Professor Charles H. Bowman of the College of Law, and Dean C. W. Sanford with Mr. D. A. Grossman, Examiner in the Office of Admissions and Records, serving as his deputy and as Secretary of the Committee. The term of Professor Gray will expire August 31, 1957. Professor Bowman, whose term expires August 31, 1960, has asked to be relieved of his duties as a member of this Committee. I have approved his request and have appointed Professor J. Nelson Young of the College of Law for a term of six years from July 1, 1957, and have reappointed Professor Gray for a term of three years which will fill the unexpired term of Professor Bowman.

Appointments to this Committee do not require approval of the Board of Trustees, but I am reporting my action for record.

This report was received for record.

CHANGES IN REGULATIONS GOVERNING ADMINISTRATION OF ILLINOIS ACCOUNTANCY LAW

(10) Under the Illinois Accountancy Law, the University of Illinois has the responsibility of examining candidates for certificates of Certified Public Accountant in this State. The Board of Trustees has adopted regulations for the administration of the University's responsibilities under the law. The Committee on Accountancy recommends that these regulations be amended to take into account recent changes in the law and actions of the Board of Trustees. The following regulations are recommended. (For the most part, they are merely additions or omissions to bring the rules in agreement with the changes in various sections of the Accountancy Act.)

The Committee is recommending that the fee for the Certified Public Accountant examination be increased from $25 to $50 as authorized in the Act. Also that the fees for partial examinations under the Condition Rule be increased in proportion, the $20 fee be increased to $40 and the $15 fee to $30. The Committee feels that this increase in fees is essential to assure sufficient income from the fees to cover the increased cost of operating the examination including cost of questions, supplies, grading services, and the University's part in the administering of the examination.

I recommend adoption of these revised regulations to supersede those currently in effect.

On motion of Mr. Johnston, the following revised recommendations were adopted, to become effective as of July 1, 1957.

THE UNIVERSITY REGULATIONS ADOPTED BY THE BOARD OF TRUSTEES FOR ADMINISTERING THE ILLINOIS ACCOUNTANCY LAW

The University Committee on Accountancy

1. The administrative functions of the University of Illinois under the Accountancy Act of 1943 as amended shall be performed by a Committee on Accountancy responsible to the President of the University. The Committee shall consist of the Dean of Admissions and Records or his deputy and two other members of the University staff, to be appointed by the President.
2. This Committee shall receive all applications for examinations under the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall issue to approved applicants cards of admission to the examinations; and no candidate shall be examined who does not present to the Board of Examiners, at the time and place of examination as advertised, such card of admission, signed by the Secretary of the Committee.
3. This Committee shall designate the times and places of all examinations under the Act, shall advertise the same according to the provisions of the law, and shall supervise the conduct of such examinations.
4. This Committee shall receive from the Board of Examiners, hereinafter referred to, the questions to be used at all examinations and shall arrange for an adequate supply of these examination questions to be delivered to the examining Board in time for use at the examinations as advertised.
5. The Committee shall receive the reports of the grades of all candidates who have taken the examinations under this Act from the Board of Examiners and shall certify to the President the names of the candidates who attain passing grades and who satisfy the other qualifications prescribed by the Act.
6. This Committee shall receive all applications for the C.P.A. certificate filed under Section 5 of the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall certify to the President those applicants who comply with the provisions of this Section.
7. This Committee shall receive and certify all statements of expenses and fees of the Board of Examiners.

The Board of Examiners

Established under Section 2 of the Act

8. The Board of Examiners for the examination of candidates for the certificate of Certified Public Accountant under Section 2 of the Act shall consist of three members.

9. The members of this Board of Examiners, having the qualifications as specified in Section 2 of the Act, shall be nominated by the President of the University and approved by the Board of Trustees and vacancies shall be filled in like manner.
10. The term of office of examiners under Section 2 of the Act shall be three years.
11. Each member of the Board of Examiners appointed under Section 2 of the Act, who conducts examinations, shall send to the University Committee a statement of the time so spent, with a statement of his necessary traveling expenses. Each member of the Board shall be entitled to compensation at the rate of $25.00 a day for such services.

Applications and Fees

12. Applicants for the C.P.A. certificate under the Act shall file their applications with the Committee on Accountancy at Urbana, Illinois, together with the necessary proofs to establish their eligibility. The proper fee must accompany the application. A fee of $50.00 is prescribed for each examination or re-examination except as indicated under Rule 25.
13. Forty dollars of the prescribed fee may be returned to applicants who have been admitted to the examination under Section 2 of the Act, and who notify the University Committee before the examination that they will not be present thereat, and are not present.
14. The fee shall not be returned to an applicant who has been admitted to and presents himself at the examination under Section 2 of the Act, and withdraws after the opening of the examination.
15. Forty dollars of the prescribed fee may be returned to applicants whose credentials have been presented and examined but who are found not qualified under the Act to take the examination.

Preliminary Education Requirement

16. Section 3 of the Act specifies the preliminary education required of candidates seeking the certificate under Section 2. The Committee will accept as evidence of such education:

The High School Requirement

a. A certificate of graduation from a four-year accredited high school in Illinois, or a certificate of graduation from a four-year high school in another state whose graduates are admitted to the University of Illinois by certificate.
b. Credentials from principals or superintendents of four-year accredited high schools or accredited secondary schools showing the completion of fifteen units of high school work.
c. A certificate of admission without condition to any college that is accredited by the University or by one of the regional accrediting agencies.
d. A certificate of graduation from any state normal school in the United States.
e. A certificate showing that the applicant has passed examinations on the subject matter of a four-year high-school course under the supervision and direction of educational bodies whose certificate would be accepted for admission to the University of Illinois.
f. The passing of examinations set for admission to the accountancy examination by the University.

The Study of Accounting and Related Subjects

a. Official credentials indicating the successful completion of the required number of semester hours of residence or correspondence study in the specified subjects in institutions acceptable to the University. Credentials of schools which specialize in business training are acceptable provided satisfactory proof is presented that at least fifty per cent of their courses in accounting are taught by certified public accountants.
b. Passing examinations in college subjects offered by the University.

17. The Dean of Admissions and Records of the University is authorized to conduct four sets of examinations in high-school and college subjects per year in

Chicago, in March, June, August, and December, to which applicants for the C.P.A. examination may be admitted upon the payment of a fee of $5.00 for each examination giving one unit* of high school credit and $5.00 to $6.00 for each college subject.

18. A candidate seeking to meet the preliminary education requirement in part or in whole by these examinations should first submit to the Secretary of the University Committee official credentials covering his formal education above the eighth grade. These will be evaluated and a program of examinations necessary to complete the preliminary education requirements will be outlined for him. The Committee can not accept as satisfactory evidence of educational attainments statements from private tutors or certificates of examinations conducted by private individuals or by school officials acting in a private capacity. Neither is the Committee authorized to accept business experience or life experience of any kind in lieu of the educational requirements specified in the Act.

Examinations

19. Examinations as prescribed in the Act shall be held by the respective Boards of Examiners at the times and places determined by the University Committee. The time and place of holding examinations shall be advertised, for not less than three consecutive days in one daily paper published in each of the places where the examinations are to be held, not less than thirty days prior to the date of each examination.
20. Examinations shall take place as often as may be deemed necessary by the University Committee, but not less frequently than once each year.
21. The examination shall be in the subjects prescribed in the Act.
22. The time allotted to the examination in each subject shall be determined by the University Committee, on the advice of the appropriate Board of Examiners, and shall be printed on the examination questions.
23. The Board of Examiners shall establish and maintain a uniform procedure for the preparation and grading of examinations to be given to candidates for certificates as Certified Public Accountants, and for this purpose may employ the services and assistance of any persons or organizations skilled in the subjects on which the examinations are given, such as the services and facilities of the American Institute of Accountants, upon such conditions and rules relative to the use of such services as may be prescribed from time to time by the University Committee on Accountancy, provided, however, that all examinations given by said Board shall be adopted and approved by the Board and that the grade or grades given to all persons taking said examinations shall be determined and approved by the Board.
24. The examination papers shall be graded on the scale of 100. The passing grade in each subject is 75. Grades shall be certified by the respective Boards of Examiners to the University Committee. The list of successful candidates shall be certified to the President of the University by the University Committee.
25. A candidate under Section 2 of the Act who passes in Theory of Accounts and Practical Accounting† and fails in one or both of the other examination subjects, Auditing and Law, with a grade not lower than 60 in the subject or subjects failed, or a candidate who passes in Auditing and Law and fails in Theory of Accounts and Practical Accounting,† with a grade not lower than 60, shall be credited with the subject or subjects in which he has received passing grades and may upon application and payment of the required examination fees (see note below) present himself for re-examination in the subject or subjects in which he failed at any three of the six semi-annual examinations next succeeding the examination at which he qualified for such partial re-examination. Whenever a candidate presents himself for re-examination he must write on all subjects in which he then has failing grades.

    If on re-examination, the candidate passes in the subjects in which he has failed, he shall be eligible for the C.P.A. certificate; if he fails to do so, he

* By the word "unit" is meant the amount of ground ordinarily covered in any single subject in one year of work in a standard high school.

† The examination in Theory of Accounts and the two sessions of the examination in Practical Accounting are considered as one subject in administering this rule.

shall revert to the status of a new applicant who is required to write the entire examination.

The time limitation within which a candidate is required to pass subjects under this rule shall not include any period during which the applicant serves in the armed forces of the United States.

Fees for each examination written under Rule 25 are as follows:

For candidates writing Theory of Accounts and Practical Accounting.....$40 00

For candidates writing Auditing or Commercial Law or a combination of Auditing and Commercial Law..... 30 00

26. A candidate under Section 2 of the Act whose grades are such that he is required to write in all subjects may not present himself for re-examination until at least one examination shall have intervened following his last examination or re-examination, and then only upon presentation of satisfactory evidence that he has made further preparation in the interim. A fee of $50.00 shall be paid for such re-examination.

Awarding of C.P.A. Certificates

27. Each candidate who satisfies all the requirements and is duly certified as above required, shall receive a certificate designating him as a Certified Public Accountant (C.P.A.). This certificate shall be issued in the name of the University, and shall be signed by the President of the University, the Secretary of the Board of Trustees, and members of the Board of Examiners when required.

Records

28. The Dean of Admissions and Records shall keep the records of all successful candidates for the certificate. These records shall set forth the time and place of the examination at which each candidate met the requirements for the certificate, the grades obtained on the examination, the number of the certificate issued, and the date of its issue.
29. The fees from applicants shall be deposited with the Comptroller of the University, who shall keep a separate account of all receipts and expenditures under the law.
30. The University Committee shall keep examination papers of candidates on file for a period of three years.

Revocation and Restoration of the Certificate of Certified Public Accountant

31. The University, on receipt of notice from the Department of Registration and Education of the cancellation of the Public Accountant registration of a person, shall revoke, without further proceedings, the C.P.A. certificate of said person as prescribed in Section 22 of the Act.
32. On receipt of notice from the Department of Registration and Education that the registration of a Public Accountant has been restored the University may, without examination, restore the certificate of Certified Public Accountant of any person whose certificate had been revoked.

AMENDMENT OF NONACADEMIC POLICY AND RULES

(11) The Merit Board of the University Civil Service System of Illinois has considered certain recommendations submitted to it by the Civil Service Employees Advisory Committee, representing employees of all institutions in the System, and by collateral recommendations from the Faculty Administrative Advisory Committee of the University Civil Service System, representing the administrations of the several institutions in the System, for changes in the employees' benefit program. These proposals have also been considered by the Board of Trustees Committee on Nonacademic Personnel. The Merit Board has approved, with certain minor variations, the recommendations of these two advisory committees and recommends to the Board of Trustees of the University of Illinois that they be adopted effective July 1, 1957. These changes would involve the following amendments, in the sections and paragraphs indicated, of the "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees" adopted by the Board of Trustees of the University of Illinois as the code for its employees.

Present Policy

IV. HOURS

6. C. By mutual agreement between a department and an employee, with the approval of the Director, the employee may work overtime with equivalent time off at straight time (in lieu of cash payment), such time off to be taken at some mutually agreeable time:

1. Provided that this does not conflict with local prevailing practice.
2. Any time thus allowed must be used in the vacation year as defined in Section VII-1-B.

VII. VACATIONS

2. The University recognizes vacation plans, as follows:

B. 1.

b. For those employees with 10 or more years of service: Vacation shall be three work weeks in each year of service, except that in the prevailing rate groups vacations shall be two work weeks in each year of service unless under prevailing practice in their respective employee classifications a longer period of vacation is provided, in which case prevailing practice shall be followed as to that classification.

VIII. DISABILITY BENEFITS

2. Each employee shall accumulate disability leave with full pay at the rate of one working day for each month of service until total accumulation is 45 working days. Amount of leave accumulated at the time when any disability begins shall be available in full and additional leave shall continue to be earned while an employee is using that already accumulated. After an employee has accumulated a total of 45 working days his rate of accumulation shall be reduced to one work day for each two months of service. There shall be no limit in the amount which may be accumulated at this rate thereafter. If use of available leave thereafter reduces the total to less than 45 days, the accumulation will again be at the rate of one day per month until a new total of 45 days is reached.

2. B. Disability leave may be used when it is necessary for an em-

VII. VACATIONS

2. The University recognizes vacation plans, as follows:

B. 1.

b. For those employees with 10 or more years of service, vacation shall be three work weeks in each year of service.

(This proposed change became effective on July 1, 1957, in the State Civil Service. The Merit Board had previously recommended that the change be adopted as of July 1, 1957, subject to the acceptance of this policy by the State for its service.)

VIII. DISABILITY BENEFITS

2. Each employee shall accumulate disability leave with full pay at the rate of one working day for each month of service. Amount of leave accumulated at the time when any disability begins shall be available in full and additional leave shall continue to be earned while an employee is using that already accumulated. There shall be no limit in the amount which may be accumulated.

ployee to be absent from work because of illness in his immediate household or family.

The Director of Nonacademic Personnel recommends adoption of the above amendments, and in addition he also recommends a change in:

III. METHODS OF DETERMINING RATES OF COMPENSATION

Present Policy	*Proposed Policy*
4. A. The starting salary in every classification where the compensation lies between stated minimum and maximum rates instead of being a single fixed rate shall be determined by the Director of Nonacademic Personnel. In all those classifications where the maximum rate is $300 per month or less, there shall be automatic increases at least once a year until the midpoint of the range of the classification is reached.	4. A. The starting salary in every classification where the compensation lies between stated minimum and maximum rates instead of being a single fixed rate shall be determined by the Director of Nonacademic Personnel. In all those classifications where the maximum rate is $350 per month or less, there shall be automatic increases at least once a year until the midpoint of the range of the classification is reached.

The Board of Trustees Committee on Nonacademic Personnel has considered and is prepared to support these changes, and I concur.

On motion of Mrs. Holt, these amendments were adopted.

HOUSING POLICY FOR SINGLE UNDERGRADUATE WOMEN AT THE CHICAGO PROFESSIONAL COLLEGES

(12) The Director of Housing and the Dean of Student Affairs at the Chicago Professional Colleges recommend adoption of the following policy governing housing of women students enrolled in the Chicago Professional Colleges:

1. All single undergraduate women students who during their enrollment are not living in their parents', relatives', or guardian's homes shall be required to live in approved housing unless special permission to live elsewhere has been granted in writing by the Director of Housing.
2. Subject to the approval of the Vice-President in charge of the Chicago Professional Colleges, the Dean of Student Affairs at the Chicago Professional Colleges shall establish written policies and procedures regulating issuance of special permission to live elsewhere, and shall judge cases referred to him by the Housing Division or by an individual student.
3. Undergraduate women students who presently live in housing which would not fulfill the requirements for special permission to be granted shall be required to give adequate notice to the landlord and transfer to the University Residence Hall or to other approved housing.
4. The Director of Housing shall be responsible for assigning space in the University Residence Hall and in any other University-owned and operated housing facilities.

For the purposes of implementing the above policy it is further recommended that single undergraduate women students be defined as those who have completed less than four years of college-level work. All such students shall be informed that after September, 1957, they should not enter into any contractual agreement, oral or written, which constitutes an exception to the above policy unless special permission in writing has been granted. It is the intent of the Housing Division to give priority in room assignments to present occupants and to undergraduate women students who occupied the Residence Hall during 1956-57 if their applications are received before a deadline specified by the Housing Division.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Vice-President in charge of the Chicago Professional Colleges join in this recommendation.

With the advice of the University Dean of Students, I concur.

On motion of Mr. Bissell, these regulations were approved.

ADMISSION OF PATIENTS AND HOSPITAL CHARGES IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(13) Admissions and charges at the Research and Educational Hospitals are administered in accordance with policies and standards approved by the Board of Trustees. The present policies and schedule of charges were adopted by the Board of Trustees on May 27, 1947, and February 29, 1948. To follow changes in costs and to achieve improvements in procedure, it is recommended that new rates be established and certain procedures clarified.

The Medical Director of the Research and Educational Hospitals, the Dean of the College of Medicine, and the Executive Committees of the Hospitals and the College of Medicine have accordingly recommended adoption of a revised statement governing admission and charges to patients in the Research and Educational Hospitals as shown in Sections I and II of the Policy and Procedure Governing Admission of Patients, Policy Governing Hospital Charges, and Suggested Revision of Schedule of Charges.

The Vice-President in charge of the Chicago Professional Colleges endorses these proposals and recommends that they be made effective August 1, 1957, with the exception of the charge for each outpatient clinic visit. It is recommended that this latter charge be instituted at such time as facilities and procedures for handling billing and collections have been developed as determined by the Vice-President in consultation with the Medical Director.

It is further recommended that authorization be given for minor revisions to be made in the schedule of charges, as needed, on the recommendation of the Medical Director, the Vice-President in charge of the Chicago Professional Colleges, and with the approval of the Vice-President and Comptroller.

I concur. The Trustees Committee on the Chicago Departments has also considered these recommendations and is prepared to support them.

On motion of Mrs. Watkins, the following revised statement of policy and procedure and schedule of charges were approved.

UNIVERSITY OF ILLINOIS RESEARCH AND EDUCATIONAL HOSPITALS

Policy and Procedure Governing Admission of Patients

The Research and Educational Hospitals are operated and maintained by the University of Illinois for the advancement of medical education and research.

Primary consideration in selecting patients for admission is given to the teaching or research value of the clinical findings. Residence in the state of Illinois for at least one year prior to admission is required. Although admissions are not necessarily confined to those in the lower income bracket, if the medical factors of the case meet the primary consideration for selection, this group is given preference.

The Hospitals offer two types of service — inpatient and outpatient (clinic). The Hospitals reserve the right to assign patients to either, depending upon the characteristics of the case and facilities available at the time. The plan for teaching within the various departments limits the number of cases of any one particular type which may be accepted during a given period. The length of time that the patient is in the hospitals or clinic is necessarily limited. Patients are discharged at the discretion of the department to which they are assigned.

Application forms for the admission of a patient to the Research and Educational Hospitals and Clinics may be obtained from the Office of the Director of Admissions and Clinics. Information which is required includes name, address, age, sex, brief history, physical findings, pertinent laboratory values, and tentative diagnosis. Information regarding the financial status and resources of the patient are most helpful.

A statement from the physician is necessary if, in his opinion, the patient is physically unable to be cared for in the clinics on an ambulatory basis.

All applications for admission are reviewed by the Director of Admissions and referred to the appropriate department. Disposition of the applications will be made on the basis of teaching and/or research value. The referring physician will be informed as to the decision of the department.

Emergency cases, requiring immediate attention or admission to the Hospitals, should be handled by telephone. The referring physician should call the service within the Hospitals which, in his opinion, is most appropriately involved. The service will be able to give an immediate answer as to whether facilities are available for the case in question and, if not, what alternative arrangements might be made.

Policy Governing Hospital Charges

Charges, which are related to costs, are assessed for rooms (including meals, general nursing care, and some commonly used medications) and ancillary services. The latter are applied both to hospital patients and patients in the clinics. In every instance the charges are made in accordance with the resources of the patient and his ability to pay. In evaluating the patient's ability to pay, benefits from hospital prepayment plans are regarded as assets and patients will be required to assign these benefits to the Hospitals.

Three general categories of financial eligibility are recognized:

1. Indigent (unable to pay for own care and no agency responsibility apparent).
2. Part pay (medically indigent). The amount of payment toward hospital care or outpatient services is adjusted in accordance with ability to pay.
3. Full pay.

No distinction in the type of facilities or the character of the patient care will be made in relation to the financial coding of the patient.

No charges are made for any medical services. Essential services, which are supported by revolving funds, such as the Blood Bank, will receive priority in crediting payments from patients. Payments made by individual patients in excess of the amount needed to cover services furnished through revolving accounts will be regarded as general University income.

AGREEMENT WITH THE WOMAN'S AUXILIARY OF THE CHICAGO PROFESSIONAL COLLEGES FOR SERVICES IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(14) Discussions have been carried on between representatives of the University at the Chicago Professional Colleges and the Woman's Auxiliary of the Chicago Colleges related to a proposed agreement with the Auxiliary under which it would furnish certain needed services in the Research and Educational Hospitals.

The Woman's Auxiliary of the Chicago Colleges is organized to be of service to the Chicago Colleges of the University. It has been especially helpful in assisting the Research and Educational Hospitals. The Auxiliary has supplied materials which were not otherwise available. Its activities have promoted the welfare of patients in the Hospitals.

It has become a well recognized practice in hospitals where an auxiliary exists for the auxiliary to operate a canteen or gift shop to supply certain things not ordinarily available to patients in the hospital and to patients' visitors. The materials supplied through such a canteen consist primarily of items which contribute to the comfort of the patient and to his well being but are not available within the hospital. In the Research and Educational Hospitals a burden has been carried by the nursing and orderly staff when they have acceded to requests to secure such items for patients.

Funds derived by the Auxiliary from the operation of a gift shop as proposed will ultimately find their way back to the University in the form of items purchased by the Auxiliary and given to the Hospitals for use in various wards and other areas in the Hospitals. In the past the Woman's Auxiliary has also supplied funds for research work and nursing scholarships.

The Vice-President in charge of the Chicago Professional Colleges and the Vice-President and Comptroller endorse the recommendation of an *ad hoc* Gift Shop Committee, headed by the Medical Director of the Hospital, that the University enter into an agreement with the Woman's Auxiliary whereby the Auxiliary will furnish certain services needed by the Hospitals, the agreement to embody the following principles:

1. The University will make space available in the Research and Educational Hospitals to the extent of three hundred square feet at this time for the activity.
2. No structural alterations will be made within the space without the written approval of the University.
3. The cost and installation of any equipment needed by the Auxiliary will be at Auxiliary expense. Any such equipment will not be installed without prior written approval of the University and will be removed by the Auxiliary at its expense at the termination of the agreement. The Auxiliary will stand the cost of maintenance and repair of such equipment and any repairs or restoration necessary to the building because of the removal of such equipment.
4. The services furnished by the Auxiliary will be supplied during such times and at hours satisfactory to the University. The services furnished will not be services deemed by the University to be contrary to its best interests.
5. Any personnel employed by the Auxiliary will be in accordance with personnel policies of the University so far as compensation and working conditions are concerned.
6. The Auxiliary will be responsible for its own operations in furnishing such services and shall carry on such functions as accounting, purchasing, maintenance of inventory, and similar matters separate and distinct from any University records.
7. The Auxiliary will supply at its own cost all insurance deemed necessary by the administration of the University.
8. Any necessary licenses or permits needed by the Auxiliary to carry out its obligations will be secured by the Auxiliary at its own expense.
9. The Auxiliary shall pay to the University rent in an amount to cover heat, electricity, janitorial service, and similar items which the University will supply.
10. The agreement entered into shall specify that it will remain in effect until terminated, with either the University or the Woman's Auxiliary having the right to terminate any agreement entered into upon ninety days' notice.

I concur and recommend that the Vice-President and Comptroller be authorized to enter into an agreement embodying the above principles, such agreement to be approved by the Legal Counsel.

On motion of Mr. Williamson, authority was given as recommended.

PAYMENT OF CLAIMS OF DOROTHY MAE BRYANT AND WILLARD E. TRINKLE

(15) On March 12, 1957, I presented to the Committee on General Policy a report from the University Committee on Accident Compensation, which hears claims presented by University employees under the Workmen's Compensation Act, of two claims filed after the one-year period provided by the statute of limitations but which the Committee advised should nevertheless be acknowledged as valid and paid due to mitigating circumstances. These are the cases of Willard E. Trinkle who is employed as a driver for the Physical Plant warehouse, Urbana, and Mrs. Dorothy Mae Bryant (nee Dorothy Mae Hicks) who was employed as a janitress in the Physical Plant Department, Chicago Professional Colleges. Both of these employees sustained injuries while engaged in their University work. I have authorized payment of these claims as follows: Willard E. Trinkle, $4,100, and Dorothy Mae Bryant, $918; and request confirmation of my action.

As a matter of further information on these cases, I submit a report prepared by the Legal Counsel, a copy of which is filed with the Secretary of the Board for record. The receipts and releases of the two claimants have also been filed with the Secretary.

This report was received for record.

CHANGES IN SCHEDULES OF SPECIAL FEES

(16) The Committee on Fees and Scholarships recommends the following changes in special fees:

Child Development Laboratory School. An increase in the tuition fees from the present fees of $12.50 per semester and $8.00 for the summer session to $25.00 per semester and $15.00 for the summer session, effective September 1, 1957. The present fee is not adequate to cover the cost of materials used by the children, e.g. paint, clay, paste, drawing papers. The proposed fee is reasonable in the light of services to parents and children (there being no other charge) and is consistent with the recent increases in tuition fees charged University students.

Fees for Use of University Recreational Facilities. The University of Illinois Statutes authorize the President of the University to permit use of its recreational facilities by individuals not students or members of the faculty under such conditions and terms as he may prescribe. Each year a number of persons (such as Chanute Air Force Base personnel, local business and professional men, wives of members of the faculty, and husbands of nonacademic personnel) are permitted the use of recreational facilities under this authorization and are charged fees. The present schedule of such fees was adopted in 1940. The Dean of the College of Physical Education has recommended, and the Committee on Fees and Schedules concurs, that the following revised schedule of fees be authorized:

Recreational sports fee for visitors, per semester	$12 00
Recreational sports fee for visitors, for the summer term	6 00
Recreational sports fee for wives (or husbands) of members of the faculty, graduate students, and undergraduate students, per semester	6 00
Recreational sports fee for wives (or husbands) of members of the faculty, graduate students, and undergraduate students, for the summer term	3 00

Present separate charges of $1.00 for locker, $.50 for towels, and $1.00 deposit for padlock to be discontinued as the charges for these services have been included in the new basic fee.

I recommend approval of these revisions.

On motion of Mr. Johnston, these changes in fees were approved.

INSTITUTE FOR SUPPLEMENTARY TRAINING OF SECONDARY SCHOOL MATHEMATICS TEACHERS FOR THE ACADEMIC YEAR 1958-59

(17) The Department of Mathematics has prepared a proposal to the National Science Foundation requesting $269,158 to continue an institute for the supplementary training of fifty secondary school mathematics teachers during the academic year 1958-59. The receipt of $86,700 for this purpose for 1957-58 was reported to and its acceptance was confirmed by the Board of Trustees on November 28, 1956. Subsequently, two additional grants of $4,100 and of $64,800 were made for this program for a period of approximately ten months beginning on or about August 15, 1957, which I now report for record.

The participants will receive stipends of $3,000 each plus dependency, travel, and book allowances. Tuition and fees, direct costs to the University in conducting the institute, and indirect costs computed in accordance with the National Science Foundation policy, are also included in the amount requested.

This proposal has been approved by the Dean of the College of Liberal Arts and Sciences, the Dean of the Graduate College, the Vice-President and Provost, and the Vice-President and Comptroller.

I recommend that the Board authorize continuation of this program and an application to the National Science Foundation for additional funds as indicated above.

On motion of Mr. Hughes, authority was given as recommended.

LEGAL SERVICES IN CHICAGO

(18) The Legal Counsel was authorized to employ Mr. Prentice H. Marshall, an Associate of the law firm of Thompson, Raymond, Mayer, Jenner, and Bloomstein, Chicago, on a retainer basis for a trial period from July 1, 1956, to render such legal services as might be required of him, including representing the University in minor litigation, and advising University officials in Chicago. This arrangement has not eliminated entirely the necessity of employing other counsel in matters requiring the services of legal specialists, such as bond counsel and others, but has proved very satisfactory and helpful to the Legal Counsel.

On his request I recommend that the Board authorize continuation of the existing arrangement.

On motion of Mr. Williamson, this recommendation was approved.

APPROPRIATION FOR LEGAL SERVICES OF SPECIAL COUNSEL

(19) Because of the illness of the University Legal Counsel at that time, and pursuant to authority granted by the Board of Trustees at its January, 1957 meeting (minutes, page 185), Mr. Albert E. Jenner, Jr. and Mr. Prentice H. Marshall of the firm of Thompson, Raymond, Mayer, Jenner, and Bloomstein of Chicago, were engaged as special counsel for the University in connection with the appeal taken by Stephen and Betty Turkovich and Dahlen's Drug Stores, Inc. to the Supreme Court of Illinois from the decree of the Circuit Court of Sangamon County dismissing their suit to enjoin the University, the State Auditor of Public Accounts, and the State Treasurer from expending for the operation and maintenance of the University's educational television station any of the funds appropriated to the University by the Sixty-ninth General Assembly.

Holding that the University possesses legal authority and power to maintain and operate its educational television station for the purposes for which it was established, that the appropriations made to the University by the Sixty-ninth General Assembly to meet the University's ordinary and contingent expenses during the biennium which began June 1, 1955, included an appropriation of funds available for the operation of the station, and that the act appropriating said funds to the University was sufficiently itemized and in such form as to meet all constitutional requirements, the Supreme Court recently affirmed the decree of the Circuit Court of Sangamon County and its decision has become final. This litigation has resulted, therefore, in a complete victory from the standpoint of the University.

Mr. Jenner has presented a statement to the Legal Counsel showing that there is due his firm as its fee for its services to the University in this matter the sum of

$6,875. Those services included, among others, a careful examination of the entire record in the case, the briefs filed in the trial court, the appeal papers, and the abstract of record and briefs filed in the Supreme Court by the plaintiffs; conferences with the University Legal Counsel and with Professors Russell N. Sullivan and Rubin G. Cohn who had assisted the Legal Counsel in the trial court; the preparation and filing of additional appeal papers, of an additional abstract of record, and of the University's brief in the Supreme Court; and the oral argument of the case in the Supreme Court.

The case presented several issues of great importance to the University; the decision of the Supreme Court in it is very gratifying and will prove very helpful and beneficial to the University in numerous respects; and the charge made by Mr. Jenner's firm for his and Mr. Marshall's services in the case is proper and reasonable having due regard to the importance of the case, the results obtained, and the time and work they were required to devote to it. It, in fact, constitutes appreciably less than is usually charged by their firm for services which consume as much time and are of comparable difficulty and importance.

Accordingly, the Legal Counsel and the Vice-President and Comptroller recommend that an appropriation of $6,875 be made to the Legal Counsel's office from the General Reserve Fund and that they be authorized to pay for the services of Mr. Jenner and Mr. Marshall in this case with and from the same.

I concur.

On motion of Mrs. Holt, payment for these services was authorized, as recommended, and the appropriation requested was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(20) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve for the following purposes:

1. Department of City Planning and Architecture, equipment	$ 4 500 00
2. College of Liberal Arts and Sciences, improvements and redecorating in Lincoln Hall Theatre	7 575 00
3. College of Education, expenses of the Allerton House Conference on Education	4 800 00
4. Department of Civil Engineering, alterations in Talbot Laboratory and Civil Engineering Hall to provide additional office space and purchase of equipment	30 000 00
5. Department of Mechanical Engineering, re-equipment of rooms in Mechanical Engineering Building for use as classrooms and drafting rooms	3 095 20
6. Department of Theoretical and Applied Mechanics, alterations in Talbot Laboratory	5 145 00
7. College of Physical Education, purchase of bus for physically handicapped students	12 378 00
8. Department of Psychology, partitioning of rooms on the fourth floor of Gregory Hall	9 660 00
9. Establishment of a new Safety Division; office equipment and library	5 000 00
10. Remodeling and minor additions at Champaign-Urbana	200 000 00
Relocation of Stenographic Bureau	
Relocation of University Press	
Remodeling in the Administration Building	
Relocation of offices for the College of Commerce and Business Administration	
Relocation of art studios in the Law Building basement	
Relocation of Visual Aids from Illini Hall-Arcade Building to the Bevier Hall basement	
Relocation of Elementary Laboratory School, now in the Parade Ground Units	

11. Chicago Undergraduate Division, equipment for office of Liberal Arts and Sciences 4 524 00
Total $286 677 20

I concur.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

APPROPRIATION FOR OFFICE OF NONACADEMIC PERSONNEL

(21) An appropriation of $5,000 was approved by the Board of Trustees (February 14, 1957) for advertising cost for nonacademic personnel for the two Chicago Campuses.

The recruitment of staff continues to be difficult. The situation may be eased somewhat because of the higher salary rates possible in the 1957-58 budget, but there is a total shortage of qualified applicants as compared to the total needs of the Chicago area. Hence, it will be necessary to continue the advertising program if the University is to obtain the help it needs.

The Director of Nonacademic Personnel requests an appropriation of $5,000 for advertising costs on the two Chicago Campuses. The Vice-President and Provost and the Vice-President and Comptroller concur in this recommendation, as well as the executive officers at those campuses.

I recommend approval.

On motion of Mrs. Holt, this appropriation was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

APPROPRIATION FOR REMODELING FOR SCHOOL OF SOCIAL WORK

(22) The academic and administrative staff of the School of Social Work requires office space in Chicago. The clinical aspects and field work of their program are mainly there. Heretofore, space has been provided at the Chicago Undergraduate Division but it is not adequate for the School of Social Work and is needed for other purposes.

Space has been assigned the School by the Vice-President in charge of the Chicago Professional Colleges in the East Dentistry-Medicine-Pharmacy Building, which location will permit closer coordination of the program of the School of Social Work with that in medical social work. An acoustical ceiling and some movable partitions are required to make the space usable. The estimated cost is $6,000.

The Vice-President and Provost and the Vice-President and Comptroller recommend an appropriation of $6,000 for this purpose.

I concur.

On motion of Mr. Johnston, this appropriation was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

REASSIGNMENT OF FUNDS FOR ARCHITECTURAL AND ENGINEERING SERVICES

(23) The Board of Trustees on October 22, 1956, made assignments of $156,000 for architectural services on buildings in the 1957-59 building program and of $40,000 for the engineering services on the Abbott Power Plant addition and Utilities Distribution System, both from the General Reserve Fund, so that building studies and design work on these projects could be started as soon as feasible.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the unexpended balance of approximately $164,000 in these assignments of funds be reappropriated and made available for architectural and engi-

neering services on projects and campus plan studies in the 1959-61 building program as well as for projects in the 1957-59 program. They also recommend that the estimated expenditure of $13,000 for campus plan studies and consulting services by Ambrose M. Richardson and Associates, on which there is a separate recommendation to the Board of Trustees, be paid from this reassignment of funds.

I concur.

On motion of Mr. Bissell, these funds were reappropriated and reassigned, as recommended, by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

APPROPRIATIONS BY ATHLETIC ASSOCIATION

(24) The Board of Directors of the Athletic Association has approved deficiency appropriations, totaling $12,000, for the 1956-57 fiscal year as follows: basketball, $3,000; gymnastics, $1,000; personnel, $2,000; publicity, $4,000; wrestling, $1,200; and concessions, $800.

The deficit in publicity and concessions resulted primarily from a greater volume of sales of programs and concessions than anticipated, thus requiring further purchases, but this of course, resulted in increased income from those sources. Most of the other deficiencies are in traveling expenses.

These adjustments in the Athletic Association budget are reported for confirmation.

On motion of Mr. Bissell, these adjustments were confirmed.

ADDITION TO CONTRACT WITH AMBROSE M. RICHARDSON AND ASSOCIATES FOR ARCHITECTURAL SERVICES

(25) On July 25, 1956, the Board of Trustees authorized award of a contract to Ambrose M. Richardson and Associates for design work on the Women's Residence Hall, Men's Residence Hall, Fine Arts Center, campus plan studies, and for consulting services on other buildings, on a cost-plus basis, with a maximum of $37,000. The amount of work requested of Mr. Richardson's firm has been greater than anticipated and the Director of the Physical Plant and the Vice-President and Comptroller recommend increasing the contract to a maximum of $42,300.

Funds are available in appropriations for the projects on which services will be performed.

I concur and recommend that the Comptroller be authorized to execute the requested increase in the contract.

On motion of Mrs. Watkins, the Comptroller was authorized to execute this change in the contract.

ARCHITECTURAL SERVICES ON NEW BUILDINGS

(26) The Committee on Buildings and Grounds at a meeting held on June 20, 1957, considered recommendations for the employment of architects on new building projects as shown below. The recommendations were supported by reports from the Director of the Physical Plant presenting the scope and nature of each project, the criteria set up for each, and the architectural firms considered qualified in terms of these criteria. The following recommendations for employment of architects are submitted with the concurrence of the Committee on Buildings and Grounds:

Student Services Building — Perkins and Will, Chicago

This firm proposes to provide complete architectural and engineering services for a fee of 6 per cent of contracts with the understanding that:

They are not to be paid more than $22,500 if the project does not proceed beyond the study stage.

If the project is stopped prior to completion of studies, they are to be paid drafting room salaries plus 100 per cent, or

If the project is stopped after studies are completed, they are to be paid the

$22,500 for studies, plus drafting room salaries, plus 100 per cent for the work done thereafter, also

No payments above the $22,500 are to be made prior to August 1, 1957.

Housing Building at Robert Allerton Park—Smith, Kratz, and Associates, Urbana

This will be a low cost twelve-unit motel type of one-story lodging building adjacent to Allerton House, and so located that an additional unit may be added at a later date.

The firm of Smith, Kratz, and Associates has designed many projects in collegiate Gothic, Classical, and Georgian styles. They propose to employ engineering consultants for such incidental mechanical services as may be necessary. This firm has proposed a standard fee of 6 per cent of construction costs for complete services, with the understanding that the firm will be reimbursed for all travel expenses and will not provide a clerk-of-the-works type of superintendence, only periodic visits to the project as may be necessary. The estimated cost of this project is $40,000.

Architectural Consultant and Designer — Ambrose M. Richardson of Ambrose M. Richardson and Associates

The University had a contract with this firm during the year 1956-57 for the following services:

a. Building studies on a women's residence hall with a capacity of approximately 1,000.
b. Building studies on the first unit of a new Fine Arts Center.
c. Campus plan studies at Urbana-Champaign.
d. Completion of services on the men's residence halls project to be constructed on the Parade Ground area.
e. Consultative services on the building design of the Plant Sciences Building, family housing project, Central Food Stores Building, Illini Union Addition.

In addition, Mr. Richardson has constributed substantially to the design of the Physics Building, the Residence Hall for Unmarried Graduate Men, and the Digital Computer Laboratory.

The services of his firm have been highly satisfactory, and it is proposed that the firm be employed for another year beginning August 1, 1957, for the following services:

a. Building studies for men's residence halls with a capacity approximately 1,000 (Residence Halls for Single Undergraduate Men, Stage 4, scheduled for completion in 1960-62).
b. Building studies on a women's residence hall with a capacity approximating 750 (Residence Halls for Single Undergraduate Women, Stage 3, scheduled for completion in 1961).
c. Continuing services on projects on which Mr. Richardson has already presented building designs (Fine Arts Center, Men's Residence Halls, Stages 2 and 3, and Women's Residence Halls, Stage 2).
d. Continuation of campus plan studies at Urbana-Champaign.
e. Consultative services on the design of projects on which plans and specifications will be prepared by other architects.

Compensation for these services will be as follows:

a. Men's Residence Halls — $21,000 — to be advanced from funds available to the Housing Division and ultimately reimbursed from borrowed funds on construction.
b. Women's Residence Hall — $13,000 — to be advanced from funds available to the Housing Division and ultimately reimbursed from borrowed funds on construction.
c. Continuing services on housing projects and Fine Arts Center — $1,500 — to be charged against the funds available for construction.
d. Campus plan studies and consultative services — $13,000 — to be financed from a nonrecurring appropriation.

I concur.

On motion of Mr. Johnston, the foregoing recommendations were approved, and the Comptroller and the Secretary of the Board were authorized to execute the necessary contracts.

ENGINEERING SERVICES FOR UTILITIES DISTRIBUTION SYSTEM

(27) On October 22, 1956, the Board of Trustees authorized an agreement with Sargent and Lundy, Consulting Engineers, Chicago, for complete engineering services on two phases of the utilities distribution system program at Urbana-Champaign (an extension of the tunnel and piping plus the construction of a new kva load center).

The proposed capital appropriations for 1957-59 include funds for extensions of the utilities distribution system on which the design and engineering services of Sargent and Lundy are needed. The construction and installations, estimated to cost approximately $2,118,000, will include:

Extension of steam conduit from Mathews Avenue tunnel to Davenport Hall and Chemistry Annex.

Construction of steam tunnel from present tunnel on the north side of the Library east to tunnel along the east side of Smith Music Hall.

Extension of Goodwin Avenue steam tunnel from the south side of the Student-Staff Apartments to north side of Green Street and east of the Physics Building.

Installation of a six-inch return main in present tunnel on Mathews Avenue from Illinois Street to Smith Music Hall.

Construction of a new 13.8 kva substation in the Biology Building with 5,000-volt transformer and with switchgear in Abbott Power Plant, with normal and reserve feeder cable, supervisory controls, and batteries.

Construction of a new 4.16 kva load center in or adjacent to the Natural History Building to be powered from the new substation in the Biology Building to supply power for the new Physics Building.

The Director of the Physical Plant and the Vice-President and Comptroller recommend an addition to the present contract with Sargent and Lundy to provide for engineering services for the construction and installation listed above, subject to the availability of funds in the state appropriations for 1957-59. Charges for these services will be:

Current Expense Charges — Engineering and drafting at actual salary and wages plus 50 per cent; stenographic and clerical expense, travel expense, and miscellaneous expense at actual cost to Sargent and Lundy.

Fixed Fee Charge — One and one-half per cent of the mutually agreed upon estimate of the cost of the project to completion (exclusive of Sargent and Lundy's current expense charges, and the University's engineering, supervisory, and overhead costs).

Resident Field Engineer — Services of a resident field engineer to be on the basis of actual salary, plus 15 per cent, plus travel and field expense.

These terms are the same in the present contract approved by the Board of Trustees October 22, 1956.

The estimated cost of these additional engineering services is $62,500.

I concur and recommend that the Comptroller be authorized to execute this addition to the Sargent and Lundy contract.

On motion of Mr. Hughes, the Comptroller was authorized to execute this change in the contract.

CONTRACT FOR NEW COOLING TOWER FOR ABBOTT POWER PLANT ADDITION

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for $76,245 to the Fluor Products Company, Oak Park, for the purchase and erection of a new cooling tower at the Abbott Power Plant addition (unit 6).

Funds are available in the state appropriations to the University for 1957-59 for buildings and other permanent improvements, subject to release by the Governor.

After careful review of three proposals received for this work, Sargent and Lundy, consulting engineers for this project, reported that the proposal from the Fluor Products Company is the only one that fully complies with the bid documents, and that all factors considered it will provide the lowest over-all cost to the University.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to release of funds.

On motion of Mr. Johnston, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same, subject to release of funds. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

CONTRACTS FOR EQUIPMENT FOR ABBOTT POWER PLANT ADDITION

(29) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for items of equipment and structural steel for the Abbott Power Plant addition (unit 6) as follows, the award in each case being to the lowest bidder:

Turbine Generator Unit and Electrical Equipment (Division "7-B")

	Base Bid	*Maximum Cost*
General Electric Company 840 South Canal Street Chicago 80, Illinois	$631 000 Subject to 10 per cent escalation	$694 100
Condensing Equipment (Division "7-C")		
Worthington Corporation 400 West Madison Street Chicago 6, Illinois	80 700 Subject to 10 per cent escalation	88 770

All bids on the turbine generator unit and electrical equipment, and on the condensing equipment are subject to adjustment upward or downward for changes in labor and material costs at the time shipments are due (balance due after the date of shipment is adjusted as of the date of shipment), a provision generally adopted by the industry. Bid prices are f.o.b. Abbott Power Plant.

Structural Steel (Division "7-D")

	Unit Prices per Pound for		
Hansell-Elcock Company 485 West 23rd Place Chicago 16, Illinois	Structural Steel Members 35 tons $.165	Bracing Members 4 tons $.2065	Column Anchor Bolts 0.2 tons $.30

All of these prices are firm for the structural steel furnished and are f.o.b. Abbott Power Plant.

Based on the bid prices per pound and the estimated quantities of structural steel required, the total cost will be approximately:

Structural Members, 35 tons	$11 550
Trusses and Bracing Members, 4 tons	1 652
Column Anchor Bolts, 0.2 tons	120
Total	$13 322

The quantities of the various classifications of structural steel are based on preliminary estimates of requirements and the total tonnage to be purchased may vary from those established by 10 per cent or more when detailed drawings are developed.

Sargent and Lundy, Chicago, consulting engineers for this project, have reviewed all bids received and report that the proposal of the lowest bidder in each case is in line with estimates of costs and complies with bidding requirements in all respects.

Funds for this equipment and installations are available in the state appropriation "For an addition to the Power and Heating Plant, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work," subject to release by the Governor.

I recommend that the contracts be awarded, as recommended, subject to release of funds. A schedule of the bids received and a memorandum explaining the operation of the escalation provision are attached.

On motion of Mr. Nickell, these contracts were awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

CONTRACT FOR LAUNDRY SERVICE AT THE CHICAGO PROFESSIONAL COLLEGES

(30) The Business Manager of the Chicago Professional Colleges and the Vice-President and Comptroller recommend award of a contract for $51,761.76 to the Great Western Laundry Company, 2125-47 West Madison Street, Chicago, the lowest bidder, for laundry service at the Chicago Professional Colleges.

This service will include pickup and delivery at approximately sixty-five departments of the Chicago Professional Colleges requiring laundry service. The contract is for one year from July 1, 1957, with a provision that it may be renewed for one additional year at the rates quoted if mutually satisfactory to the University and the Great Western Laundry Company. The contract may also be cancelled by either party upon thirty days' written notice.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Williamson, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

CONTRACT WITH OZARK AIR LINES FOR USE OF UNIVERSITY OF ILLINOIS AIRPORT

(31) The Ozark Air Lines has had a contract with the University Airport which has provided for the two-year period ended June 30, 1957, and the Ozark Air Lines paid to the University the following charges:

1. Landing fees $360 per month or two per cent of the "on line" revenue, whichever is greater, for up to fifteen flights daily.
2. Rental of office space at $75 per month.
3. Payment of the salary of a lineman at $335 per month.
4. Gasoline sales at cost plus a handling charge of four cents per gallon.

This contract expired as of June 30, 1957. In view of the possibility that a new Administration Building may be constructed at the University Airport, the Director of the Institute of Aviation recommends that the present contract terms with one change be continued on a month-to-month basis until the University is in a position to negotiate a contract which will be based upon the new facilities. The change is an increase to $390 for the salary of the lineman. Ozark Air Lines has indicated their agreement to this procedure with the understanding that they may wish to discontinue the services of the lineman later in the year.

Accordingly, the Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the present contract arrangements be continued on a month-to-month basis until the plans for the new Administration Building are more definitely known, but not to be continued for more than a year on this basis.

On motion of Mr. Bissell, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

ADDITION TO CONTRACT FOR ELECTRICAL WORK ON BAND BUILDING

(32) Pursuant to authorization of the Board of Trustees, and on recommendation of the Vice-President and Comptroller, I have approved an increase of

$8,864 in the contract with Fedco Electrical Contractors, Inc., for the electrical work on the construction of the new Band Building to provide for wiring installations for sound recording equipment. The built-in conduit required was included in the building, but the installation of the wiring was not included in the plans and specifications since they could not be drawn until after the sound recording equipment had been selected and purchased. This was deferred until provisions were made for other necessary construction and installations, and it was known that sufficient funds would be available in the appropriation for the building. When it was determined how much money could be used for recording equipment, it was selected and Consulting Engineering Service of Urbana was employed to design the wiring for the equipment. Specifications were then submitted to the Fedco Electrical Contractors, Inc., and a proposal received for the completion of the additional wiring. Consulting Engineering Service and the University Architect's office have checked this proposal and find the estimate of the cost reasonable.

On motion of Mrs. Holt, the action of the President was confirmed.

CANCELLATION OF BOILER INSURANCE

(33) On January 13, 1949, the Board of Trustees approved a recommendation of the Finance Committee for the adoption of broad principles governing the University's insurance practices. Section II, Subsection (3) states: "Casualty insurance coverage is not recommended on University risks except where it is expedient to have competent inspection service for the prevention of accidents." Under this provision, boiler and machinery insurance has been purchased to obtain the inspection services offered by insurance companies under this type of policy.

In the budget for 1957-58, an appropriation for a Safety and Fire Protection Board is proposed. The new staff can provide the inspection service desired. The Director of the Physical Plant and the Vice-President and Comptroller recommend that boiler and machinery insurance be terminated as soon as the necessary staff can be employed. They also recommend that Section II, Subsection (3) of the University insurance practices be rescinded, and that the University set up its own safety inspection program for boiler and machinery equipment.

I concur.

On motion of Mr. Johnston, this amendment of the University's policy governing insurance practices was approved.

GRANTS FOR INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS BUILDING

(36) The Trustees of the William Green Memorial Fund (the Green Fund was established in memory of the late President of the American Federation of Labor) approved a grant of $50,000 to the University to finance in part the construction of a building for the Institute of Labor and Industrial Relations. This grant, which was secured with the assistance of President Reuben Soderstrom of the Illinois State Federation of Labor, has been made contingent upon the raising of additional funds by July 1, 1959.

The International Executive Board of the United Steel Workers of America at a recent meeting made a grant of $50,000 to the University for this same project. In fact, President David J. McDonald of the United Steel Workers of America has sent the University, through Director R. W. Fleming of the Institute of Labor and Industrial Relations, a check for this amount. The money has been deposited in the Business Office in a special trust account for this project.

This report was received for record.

STATE LEGISLATION AFFECTING THE UNIVERSITY OF ILLINOIS

(37) There is presented for the information of the Board a list of the Acts of the Seventieth General Assembly of Illinois in its regular session of 1957 directly affecting the University, including the appropriations to the University, and a copy is hereby given to the Secretary of the Board for record.

This report was received for record.

RESOLUTIONS

At this point President Livingston announced that three members of the Board had resolutions they desired to present.

Mrs. Watkins offered the following resolution and moved its adoption:

To Josef F. Wright

The Board of Trustees of the University of Illinois expresses its grateful appreciation of your services in the public information work of the University in the thirty-eight years from 1919 to 1957.

After serving for one year as assistant to President David Kinley you were appointed as the first person to devote full time to keeping the University before the people. Pioneering in this field, you made a significant contribution by improving relations between the University and the people of Illinois. Your loyal service in bringing to the attention of the State and the Nation the teaching resources of the University and its research accomplishments has brought recognition and distinction to this institution.

The President and other administrative officers of the University join the members of the Board of Trustees in extending best wishes to you and Mrs. Wright for the years to come.

The Board directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official record and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

This resolution was unanimously adopted.

Mr. Johnston offered the following resolution and moved its adoption:

Henning Larsen

When Professor Henning Larsen joined the faculty of the University of Illinois in 1939 he brought to the Department of English the mature distinction of his scholarship in philology, and contributed significantly and constructively to the administration of that Department as its Head from 1945 to 1947.

He served faithfully, wisely, and well the College of Liberal Arts and Sciences as its Dean during the trying and dramatic period of expansion following World War II, from 1947 to 1953.

As Vice-President and Provost of the University, he has been called upon almost daily to render decisions, many of them difficult and vexing, and he has discharged these responsibilties with exemplary fairness and firmness.

In his eighteen years of service to the University of Illinois, he has contributed not only scholarship and teaching of the highest quality but administrative expertness, always with complete dedication to the best interests of the University.

Now, therefore, be it and it is hereby resolved by the Board of Trustees of the University of Illinois, that, as his retirement nears, the Board of Trustees in this wholly inadequate but most sincere measure expresses its gratitude to Doctor Henning Larsen for his faithfulness, his steadfastness, and for his complete devotion to the University which for these past eighteen years has been privileged to serve as the instrument for his distinguished contributions to higher education.

This resolution was unanimously adopted.

Mr. Bissell offered this resolution and moved its adoption:

To Governor William G. Stratton

During the past year members of the Board of Trustees and the President of the University of Illinois have again had the privilege of consulting with you regarding the University's problems and its future development in serving the people of Illinois. On all of these occasions you have received them graciously and have given their presentations statesman-like consideration. The principal appropriation measures, along with other items of legislation important to the welfare of the University, which have been passed by the General Assembly and approved by you will enable the University to eliminate many of the present deficiencies and approach its new tasks with optimism.

Important as are all of these material measures for faculty and student morale, your understanding, your vision, and your good will are a source of strength for the Trustees and the University in working for the solution of problems that still lie ahead.

The Board of Trustees is deeply grateful for your leadership in all the issues affecting the University of Illinois, and herewith records its appreciation in the belief that the people of Illinois, too, will feel a sense of gratitude for the progress in the State's meeting its responsibilities for higher education. The program which you have sponsored and which the General Assembly has adopted indicates that Illinois is not only aware of the problems confronting all colleges and universities within its borders but is prepared to deal effectively with them.

This resolution was unanimously adopted.

Mrs. Watkins moved that the Secretary be instructed to have suitable copies of all three resolutions prepared, and to send them to Messrs. Wright, Larsen, and Stratton.

This motion was adopted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations, cancellations, and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1957-58

(Approved by the Board of Trustees July 16, 1957, page 510)

EXPLANATORY NOTES

This budget consists of three volumes:

I. Summaries of all divisions; Urbana-Champaign divisions and general University administration — academic and administrative salaries, wages, expense, and equipment.

II. Chicago Professional Colleges (including Division of Services for Crippled Children) and Chicago Undergraduate Division — academic and administrative salaries, wages, expense, and equipment.

III. Nonacademic salaries, all divisions.

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1957.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used to hire employees temporarily engaged to do the work contemplated by the position upon proper authorization of the Bursar or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of time provided by the position. Student employees may not be charged directly against salaries.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense, and Equipment." Transfers may be made between "Salaries" and "Wages, Expense, and Equipment" upon approval of the Vice-President and Provost, except that transfers between salaries and wages may be made by the Vice-President and Comptroller to the extent of the full-time equivalence of the salary positions. All requests for transfers should be submitted through the Vice-President and Comptroller, with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments for equipment or minor remodeling projects, merely upon notice to the Accounting Division, except that any assignment of more than $1,000 must first be approved by the Vice-President and Provost.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1957. All balances and overdrafts in regular appropriations will be carried forward to 1958-59 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds, and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

1. The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions not indicated as "Y," services are required only during the academic year of two semesters (three terms in Chicago Professional Colleges). Summer session teaching, if required, will be covered by an additional appointment with salary.

2. Services of the nonacademic staff are in accordance with Civil Service regulations.

Tenure Symbols (a number following indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September, 1957, payable in twelve installments.

D — One year, payable in twelve installments from September 1, 1957.

E — The academic year 1957-58, payable during nine months from September 16.

F — One year from effective date indicated (other than September 1).
G — For the period indicated (less than one year and not on "Y" status).
N — In accordance with Civil Service regulations, effective July 1, 1957, with payments on a monthly basis.
NS — Same as N, except work week is five and one-half days.
H — In accordance with Civil Service regulations on an hourly basis.
P — At prevailing rates. Amount indicated is estimated annual salary based on normal number of hours.
Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
Z — Indicates person's name appears in two or more budgets.
R — On retirement annuity from University Retirement System.
RA — Receiving retiring allowance from the University (old system).
In the College of Agriculture, additional symbols are used to designate fund, as explained in the Agriculture Summary. In Engineering, "C" and "S" indicate College and Station.

Perquisite Designation
Perquisites University — Perquisites for the convenience of the University.
Perquisites Employee — Perquisites for the convenience of the employee.
In Chicago Nonacademic budgets, "M's" are used to designate meals and "R" room for convenience of the employee; "X" is used for meals for convenience of the University. Dollar amounts do not include any perquisites for the convenience of the University.
