TRANSFER OF CENTER FOR ECONOMIC EDUCATION, CHICAGO

Action: Approve the Transfer of the Center for Economic Education, Chicago

Funding: No New Funding Required

The Interim Chancellor at Chicago with the advice of the Chicago Senate, the Graduate College, the College of Business Administration, and the College of Liberal Arts and Sciences, recommends the transfer of the Center for Economic Education from the College of Business Administration to the College of Liberal Arts and Sciences.

In June, 2008 the Department of Economics and its associated programs, including the Doctor of Philosophy in Economics, the Master of Arts in Economics, the Minor in Real Estate, and the Minor in Labor Markets and Workforce Development, were transferred from the College of Business Administration to the College of Liberal Arts and Sciences. The Center for Economic Education, currently housed in the Department of Economics, was not included in the June 2008 transfer of programs. As a result, the Center seeks to transfer its activities and faculty and staff affiliations in order to align itself correctly within the Department of Economics within the College of Liberal Arts and Sciences.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The Vice President for Academic Affairs concurs with this recommendation. The University Senates Conference has indicated that no further Senate jurisdiction is involved.

The President of the University recommends approval. This action is subject to further review by the Illinois Board of Higher Education.
