

Tuition, Fees, and Room & Board Academic Year 2015-2016

UNIVERSITY OF ILLINOIS

URBANA-CHAMPAIGN • CHICAGO • SPRINGFIELD

**Board of Trustees Meeting
January 15, 2015**

AY 2015-16 Tuition Rate Recommendation

- No increase in base tuition rate for new Illinois resident undergraduate students for academic year 2015-16
- Inflation-related increases for non-Illinois undergraduate students, and for graduate and professional programs
- Modest increases in differential tuition in five UIC undergraduate programs, with other differentials unchanged

Proposed AY 2015-16 Guaranteed Tuition, Fees, Room & Board Rates

- Rates are per academic year for new Illinois-resident undergraduate students
- Tuition rates for these students remain constant for four years

Fees include refundable fees. *Transportation fees and health insurance are at AY14-15 rates

Modest increases in differential tuition in five UIC undergraduate programs

Conclusions

- First zero % increase in more than 20 years
- Follows two consecutive annual tuition increases of 1.7%, the lowest tuition rate increases in nearly two decades
- Helps us remain competitive with peer institutions
- Aims to address the financial challenges facing Illinois students and families
- Demonstrates commitment to providing educational opportunity for Illinois residents
