Questions?
Areas Meeting or Exceeding Expectations

• UIS is attracting an economically diverse student body
• Average debt of UIS students is lower than students at its peer institutions
• UIS financial assistance has kept pace with increased educational costs
• UIS has increased scholarship awards
Accomplishments

• UIS continues to increase the enrollment of students from under-represented groups many of whom are first generation and economically disadvantaged

• Strategic packaging of financial aid continues to enhance affordability and accessibility

• UIS tuition remains highly competitive compared to private university peers

• UIS has implemented a new on-campus student employment program that provides additional employment opportunities
Areas Needing Improvement

• Staffing in the Office of Financial Assistance
• Student financial literacy
• Need-based scholarships
Strategy to improve Staffing in the Office of Financial Assistance

• Action:
  – Add two staff positions
Strategy to improve

Student Financial Literacy

• Action:
  - Financial Literacy Workshops are being provided from orientation through graduation for students and parents
Strategy to improve
Need-based Scholarships

• **Actions:**

  – Strategically award need-based financial aid
  – Increasing scholarships remains a top priority of the Development Office
Areas we are watching

• Tuition and fees compared to other public universities in Illinois and peer private institutions
• Student debt and fees compared to other public universities in Illinois
• Student employment
