ROLL CALL

AWARD CONTRACT FOR ELEVATOR RECONSTRUCTION, EYE AND EAR  
INFIRMARY, THE LAFLIN STREET WAREHOUSE, AND THE PHYSICAL  
EDUCATION BUILDING, CHICAGO

**Action:** Approve Award of Contract for Elevator Reconstruction in the Eye and Ear Infirmary, the Laflin Street Warehouse, and the Physical Education Building, Chicago

**Funding:** Institutional Funds Operating Budget and Certificates of Participation (Academic Facilities Projects), Series 2006A

This \$1,807,000 project has been approved for rebuilding the elevators in the Eye and Ear Infirmary, the Laflin Street Warehouse, and the Physical Education Building. This project consists of three traction elevators in the Eye and Ear Infirmary Building, one hydraulic freight elevator in the Laflin Street Warehouse, and one passenger elevator in the Physical Education Building. The work involves replacement or installation of new cabs, motors, controllers, and doors; the Laflin Street Warehouse elevator also requires a new piston and is nearly a complete replacement. Due to the age of these elevators, many of the parts necessary for continued maintenance are unavailable, and the original manufacturers no longer provide maintenance support. The Laflin Street Warehouse elevator is original to the building and inoperable.

The Chancellor at Chicago with the concurrence of the appropriate administrative officers recommends that the elevator/vertical transportation contract for

the reconstruction work be awarded. Competitive bidding procedures in accordance with the Illinois Procurement Code were followed; and the award is to the lowest responsible bidder on the basis of its base bid plus the acceptance of indicated alternates.<sup>1</sup>
