ROLL CALL

APPROVE PROJECT FOR WEST RENOVATION, DAVENPORT HALL, URBANA

Action: Approve Project for West Renovation, Davenport Hall

Funding: Academic Facilities Maintenance Fund Assessment Fund and Institutional Funds Operating Budget

The Davenport Hall West Renovation project will give a much-needed renewal to the interior of this highly visible, high-student-use building and will complement a recently completed exterior renovation project. This project proposes to renovate the west wing of Davenport Hall, including upgrades to the twelve general assignment classrooms. Teaching and office spaces, as well as adjacent corridors, will also be upgraded. New high-efficiency heating, ventilation and air conditioning systems will be included, as well as, new electrical service equipment, elevator upgrades, and life safety systems in the affected areas. This project will renovate 16,772 gross square feet with a \$6,100,000 project budget.

Accordingly, the Chancellor, University of Illinois at Urbana-Champaign, and Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that the West Renovation for Davenport Hall be approved with a budget of \$6,100,000.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Funds for this project are available from the Academic Facilities Maintenance Fund Assessment Fund and institutional funds operating budget of the University of Illinois at Urbana-Champaign.

The President of the University concurs.
