ELIMINATE THE MASTER OF SCIENCE IN THE TEACHING OF KINESIOLOGY,
COLLEGE OF APPLIED HEALTH SCIENCES AND THE GRADUATE COLLEGE,
URBANA

Action: Approve Elimination of the Master of Science in the Teaching of Kinesiology, College of Applied Health Sciences and the Graduate College

Funding: No New Funding Required

The Interim Provost/Chancellor at Urbana with the advice of the Urbana-Champaign Senate recommends approval of a proposal from the College of Applied Health Sciences and the Graduate College to eliminate the Master of Science in the Teaching of Kinesiology.

The Department of Kinesiology and Community Health no longer supports the Master of Science in the Teaching of Kinesiology. There are no students currently enrolled and former students who wish to complete the program will be allowed to do so on a petition basis. Eliminating the program helps to alleviate confusion given that the Illinois State Board of Education does not certify graduates of this program to teach.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The Vice President for Academic Affairs concurs with this recommendation. The University Senates Conference has indicated that no further Senate jurisdiction is involved.

The Interim President of the University recommends approval. This action is subject to further review and approval by the Illinois Board of Higher Education.
