ROLL CALL

AWARD CONTRACT FOR RENOVATION, LECTURE CENTER F, CHICAGO

Action: Approve Award of Contract for Renovation, Lecture Center F,

Funding: Academic Facilities Maintenance Fund Assessment Fund and Institutional Funds Operating Budget

In January 2009, the Board approved the \$3.2 million project to renovate the main corridors and four 2,000 square foot lecture rooms (Rooms F1, F3, F4, and F6) of Lecture Center F. This project also includes upgrades to and replacements of the building's primary mechanical, electrical, and plumbing systems. The work will renovate the classrooms and preparations rooms with new finishes, furniture, and state-of-the-art audio-visual equipment and technologies to support 21st century learning pedagogies. Additional work is also needed to correct problems in the building's mechanical equipment room and to bring the lecture center into compliance with Americans with Disabilities Act standards. In May 2009, the Board approved employment of architect/engineer DeStefano and Partners, Ltd., Chicago, IL.

Bids for the construction work have been solicited; and in order for the project to proceed, the Chancellor at Chicago with the concurrence of the appropriate

administrative officers recommends that the following contract¹ be awarded.

Competitive bidding procedures in accordance with the Illinois Procurement Code were followed; and the award is to the lowest responsible bidder on the basis of its base bid plus the acceptance of indicated alternates.²

Division I – General Work
