<u>Undergraduates Entering in AY13-14, AY14-15 and AY15-16: Tuition Is Unchanged</u>

Undergraduate Notes:

- *Guaranteed tuition rates will also apply to new undergraduate students admitted in Summer 2016.
- Comparable increases are proposed for extramural, GIS, part-time, non-resident and students not eligible for the tuition guarantee, including phase in of rates, consistent with existing policies. Entering international students at UIUC will be assessed an additional \$422 per semester tuition surcharge in all colleges except business and engineering where the assessment will be \$1,489 and \$2,560 per semester respectively. UIUC international students, that fall into the category of students who are not, or no longer eligible for the tuition guarantee, will begin being assessed an international tuition differential, consistent with current practices, now that these differentials have been phased in to all other international undergraduate students. UIUC non-degree undergraduate exchange students will be assessed an International Student fee of \$35 per semester. Beginning in fall 2015, all on-campus international transfer students at UIS will be assessed a one-time, new student international orientation fee of \$175 to provide services necessary for successfully integrating new students. Beginning Fall 2016, UIC entering international students will be assessed an additional \$500 per semester tuition surcharge above the non-resident rate and will implement a UIC Grant non-resident rate which is 50% higher than the resident rate. The UIC Grant rate will be available to US residents that meet certain academic or skill qualifications. Summer rates at UIUC and UIC may be assessed on a per credit hour basis.
- Students enrolled in UIUC programs leading to P-12 certification will be assessed a \$790 clinical experience fee. Juniors in the Human Development and Family Studies program in the College of ACES at UIUC will be assessed a \$1,095 practical experience supervision fee.
- 3) Students at UIUC entering Fall 2010 or later will be assessed an additional \$300 per course tuition for a series of courses within the School of Molecular and Cellular Biology (MCB), unless they are already paying differential tuition during the term of course enrollment. These courses are often taken to meet pre-medicine requirements and include MCB 250, MCB 251, MCB 252, MCB 253 and MCB 450.
- 4) Students at UIUC entering Fall 2016 or later will be assessed an additional \$750 internship supervision fee for SOCW 298. Students entering prior to Fall 2016, will be assessed up to \$750 for SOCW 298 depending on prior year assessments.
- 5) Beginning summer 2014, undergraduate students enrolled only in zero-credit internships, ACCY290, BUS299, CHBE202, CHBE210, CHEM293, CHEM295, ENG202 or ENG310, will be assessed course tuition of \$200 in lieu of program-based tuition.
- 6) UIUC Engineering related includes programs in the College of Liberal Arts and Sciences (Chemical Engineering; Math and Computer Science; Statistics and Computer Science; Physics; Teaching of Computer Science; Computer Science and Anthropology; Computer Science and Astronomy; Computer Science and Chemistry; Computer Science and Linguistics) and the College of ACES (Agriculture & Biological Engineering: ABE). Students in a pre-engineering program in the Division of General Studies may be assessed at a rate equal to or less than the UIUC Engineering related rate, but not less than the base rate.
- 7) E-Tuition, BSLAS at UIUC, BS in Nursing RN Completion and Bac. of Business Admin. Degree Completion at UIC are per credit hour rates.
- 8) Per credit hour charge at UIS. Additional Capital Scholars Honors fee of \$350 per semester for full-time students, \$250 per semester for students entering prior to Fall 2014.
- 9) The College of ACES tuition differential applies to the department of Animal Sciences (ANSC), the department of Food Science and Human Nutrition (FSHN) and the Technical Systems Management program (TSM).
- 10) The College of ACES tuition differential applies to the department of Crop Sciences (CPSC) and the department of Natural Resources and Environmental Sciences (NRES) and Horticulture (HORT).
- 11) The College of ACES tuition differential applies to the department of Agriculture and Consumer Economics (ACE).
- 12) Excludes Art History beginning in Fall 2015.
- 13) Students are assessed an additional \$50 per credit hour administrative fee.
- 14) Full cost-recovery program.
- 15) This section of rates is for informational purposes only. Rates were previously approved by the Board of Trustees in compliance with Public Act 93-0228.
