UIS	\$10,700	\$10,750	\$50	0.5%

Rates shown are per Academic Year

UIS includes Gold meal plan.

Conclusions

- ▶ We are committed to making a U of I education as affordable as possible to Illinois students by making our tuition rates competitive with those of our peers.
- ▶ We are committed to continuing to increase our advancement targets for student financial aid.
- ▶ Can we continue to have 0% or small tuition increases if the State reduces its support significantly for FY16 and future years?
