**Undergraduates Entering AY15-16: Tuition guarantee expires and students will move to the "Undergraduates Entering AY16-17" cohort**<sup>16</sup>

**Undergraduates Entering in AY16-17, AY17-18 and AY18-19: Tuition Is Unchanged**

Undergraduate Notes:

\*Guaranteed tuition rates will also apply to new undergraduate students admitted in summer 2019.

- 1) Comparable increases are proposed for part-time students, non-degree, certificates, and students not eligible for the tuition guarantee, including phase in of rates, consistent with existing policies. Beginning in fall 2019, students who fall into the non-guaranteed cohort at UIUC will be assessed 90% of the incoming base rate plus 100% of any applicable program differential. This will simplify the tuition assessment and is consistent with the methodology used at UIC.
- 2) Entering international students at UIUC will be assessed an additional \$437 per semester tuition surcharge except for majors in liberal arts and sciences, business, and engineering differential rate programs. The assessment will be \$1,187 per semester for majors in liberal arts and sciences who are not assessed the engineering international differential, \$1,504 per semester for majors in business, and \$2,609 per semester for engineering differential paying programs. UIUC international students, that fall into the category of students who are not, or no longer eligible for the tuition guarantee, will be assessed an international tuition differential, consistent with current practices. Summer rates at UIUC may be assessed on a per credit hour basis.
- 3) Students enrolled in UIUC programs leading to P-Age 21 licensure will be assessed a \$790 clinical experience fee. Juniors in the Human Development and Family Studies program in the College of ACES at UIUC will be assessed a \$1,095 practical experience supervision fee. Juniors in the Social Work program at UIUC will be assessed a \$750 experiential learning fee. Students enrolled in the Illinois in Washington program will be assessed a \$1,000 experiential learning fee.
- 4) Students at UIUC will be assessed an additional \$300 per course tuition for a series of courses within the School of Molecular and Cellular Biology (MCB), unless they are already paying differential tuition during the term of course enrollment. These courses are often taken to meet pre-medicine requirements and include MCB 250, MCB 251, MCB 252, MCB 253 and MCB 450.
- 5) Undergraduate students enrolled only in zero-credit internships, ACCY290, BUS299, CHBE202, CHBE210, CHEM293, CHEM295, ENG310, MCB 198, MATH 399, or LAS 289 will be assessed course tuition of \$200 in lieu of program-based tuition.
- 6) UIUC Engineering related includes programs in the College of Liberal Arts and Sciences (Chemical Engineering; Math and Computer Science; Statistics and Computer Science; Physics; Teaching of Computer Science; Computer Science and Anthropology; Computer Science and Astronomy; Computer Science and Chemistry; Computer Science and Linguistics, Computer Science and Philosophy, Computer Science and Economics, Computer Science and Geography and Geographic Information Science), the College of ACES (Agriculture & Biological Engineering (ABE); Computer Science and Crop Sciences), the College of Fine and Applied Arts (Computer Science and Music), the College of Media (Computer Science and Advertising), and the pre-engineering program in the Division of General Studies.
- 7) The College of ACES tuition differential applies to the department of Animal Sciences (ANSC), the department of Food Science and Human Nutrition (FSHN) and the Technical Systems Management program (TSM).
- 8) The College of ACES tuition differential applies to the department of Crop Sciences (CPSC) and the department of Natural Resources and Environmental Sciences (NRES).
- 9) The College of ACES tuition differential applies to the department of Agriculture and Consumer Economics (ACE).
- 10) BSLAS at UIUC is per credit hour assessment. Students enrolled prior to fall 2018 are assessed \$50 administrative fee as approved by the BOT.
- 11) Summer rates at UIC may be assessed on a per credit hour basis. Beginning summer 2019, UIC will no longer charge a non-resident rate in summer terms; all students will be assessed the resident rate of \$402 per credit hour. Entering international students as well as students in the non-guaranteed cohort at UIC will be assessed an additional \$791 per semester tuition surcharge above the non-resident rate. A UIC Merit rate, available to US residents that meet certain academic or skill qualifications, will be assessed at approximately 55% higher than the resident rate.
- 12) Excludes Art History. Beginning in fall 2018, a differential is no longer assessed to undeclared students.
- 13) E-Tuition, BS in Nursing – RN Completion, Bac. of Business Admin. Degree Completion and LAS Pathways at UIC are per credit hour rates. BS in Nursing – RN Completion, Bac. of Business Admin. Degree Completion, and LAS Pathways are full cost-recovery programs.
- 14) All are per credit hour charge at UIS. Capital Scholars Honors students pay a fee of \$350 per semester, \$250 per semester for students who entered prior to fall 2014. New on-campus international students at UIS will be assessed a one-time, new student international orientation fee of \$175 to provide services necessary for successfully integrating students. A one-time \$175 orientation fee is also assessed to new non-international transfer/first time freshman.
- 15) UIS students are assessed an additional online academic support fee of \$45 per online credit hour.
- 16) Informational purposes only. Rates were previously approved by the Board of Trustees in compliance with Public Act 93-0228.

Notes:

- 1) Comparable increases are proposed for part-time students, non-degree courses, and certificates, including phase in of rates, consistent with existing policies. International graduate students at UIUC will be assessed an International Student fee of \$35 per semester. New on-campus international graduate students at UIS will be assessed a one-time, new student international orientation fee of \$175 to provide services necessary for successfully integrating students. Summer rates at UIUC and UIC may be assessed on a per credit hour basis.
- 2) Students enrolled in UIUC programs leading to P-Age 21 licensure will be assessed a \$790 clinical experience fee.
- 3) Students in Food Science and Human Nutrition (FSHN) in the college of ACES will be assessed an additional Practical Experience Fee of \$1,100 per semester while enrolled in the Dietetic Internship.
- 4) Students enrolled in self-supporting or cost-recovery programs may be assessed an additional \$250 tuition per ESL 592 or ESL 593 course and/or \$500 tuition per all other ESL 500 level courses. These English as a Second Language (ESL) service courses are taken to assist students with their English language skills and include courses within the ESL rubric.
- 5) Differential will be assessed to students who entered fall 2015 or after.
- 6) New rates apply to students entering fall 2019 or after.
- 7) Prior to fall 2019, UIUC students enrolled in the on-campus MENG in Bioengineering were assessed a program fee of \$1,000 per semester. Beginning in fall 2019 the program fee will be rolled into tuition. For a total cost comparison, the fall 2018 rate has been adjusted to include the program fee.
- 8) All first year UIUC MBA students will be assessed a \$500 orientation fee. New rates apply to students entering summer 2019 or after, continuing students will be assessed the tuition and program fees initially assessed when entering the program.
- 9) Prior to fall 2019, Master of Science in Business Administration (MSBA) students, Master of Science in Financial Engineering (MSFE) students and Master of Science in Management (MSM) students were assessed program fees in addition to tuition. Beginning in fall 2019 the program fees will be rolled into tuition for all three programs and for total cost comparisons, the fall 2018 rates have been adjusted to include the program fees. Non-degree students in the MSFE program will be billed at a per credit hour rate based on the current MSFE rate. New MSFE rates apply to students entering fall 2019 or after, continuing students will be assessed the combined tuition and program fees initially assessed when entering the program. New MSM rates apply to students entering summer 2019 or after, continuing students will be assessed the combined tuition and program fees initially assessed when entering the program.
- 10) UIUC professional part-time MBA is a 7 term program (3 spring, 2 fall and 2 summer terms). Summer term assessment for residents of \$4,577 and non-resident of \$6,870.
- 11) Professional Science Masters (PSM) students are required to enroll in an internship course. Should a student enroll in credit bearing summer courses, the tuition charged for those credits may be in addition to the tuition required for the internship course.
- 12) Master of Engineering in Bioinstrumentation is a three term program (fall, spring, summer) with a summer tuition assessment of \$7,850. Effective fall 2017, this program is no longer accepting new students.

Notes:

- 1) Comparable increases are proposed for part-time students, including phase in of rates, consistent with existing policies. International professional students at UIUC will be assessed an International Student fee of \$35 per semester. Summer rates may be assessed on a per credit hour basis.
- 2) All Veterinary Medicine students will be assessed a \$100 per semester activity fee. All first-year Veterinary Medicine students will be assessed a \$200 imaging fee.
- 3) New rates apply to students entering fall 2019 or after, continuing students will be assessed their existing cohort rates. Includes graduate programs in the College of Law, except the JSD, LLM and MSL programs separately listed in the graduate tuition table. All JD students are also assessed \$12.50 per semester to fund the Loan Repayment Assistance Program which assists with loan repayment for graduates who participate in public interest legal work.
- 4) All first year medical students in the Carle Illinois College of Medicine begin enrollment with the summer term and as such, rates approved annually will always become effective in the summer and not the fall term. Summer tuition assessment is 1/3<sup>rd</sup> of the AY (fall + spring) rate.

Notes:

- 1) Comparable increases are proposed for part-time students, including phase in of rates, consistent with existing policies. Summer rates may be assessed on a per credit hour basis.
- 2) DDS/DMD students are assessed the same tuition rate regardless of term (fall, spring, summer). DDS/DMD students will also be assessed an additional Clinic Infrastructure Assessment of \$3,977 per term.
- 3) Restructuring of programs by reducing rates and extending the number of semesters with equal assessments in all terms.
- 4) The DMD Advanced Standing Degree Program (formerly DDS International Dentist Program) is a program for dentists trained outside the United States who wish to practice dentistry within the United States. Summer term tuition will be assessed at the same rate as the fall/spring term rate. Prior to fall 2019 all students were assessed a single rate regardless of residency. Beginning in fall 2019, new non-residents students will be assessed a different rate.
- 5) Summer term tuition for residents entering prior to fall 2017 is \$11,000 and for non-residents is \$23,491.
- 6) Students will be assessed tuition over eleven academic terms during the MD program with equal assessments in fall, spring and summer terms as contrasted to the existing structure of assessment over ten academic terms and lower tuition assessments in summer terms.
- 7) Non-resident students at the Quad Cities, Peoria, Rockford, Springfield and Urbana campuses who are residents in the neighboring states of Iowa, Wisconsin, Indiana, Missouri, or Kentucky will be assessed the in-state tuition rate.
- 8) Beginning with AY16-17 and subsequent years, all first-time, entering students enrolling in the Pharm-D program at the Rockford campus will be assessed the in-state tuition rate. Does not apply to students who entered prior to AY16-17.
- 9) Per credit hour assessment of \$1,200 for resident students and \$1,500 per credit hour assessment for non-resident students.

Notes:

- 1) Comparable increases and rates will be assessed for off-site programs, certificates, and non-degree students, including phase in of rates, consistent with existing policies.
- 2) Students enrolled in self-supporting or cost-recovery programs may be assessed an additional \$250 tuition per ESL 592 or ESL 593 course and/or \$500 tuition per all other ESL 500 level courses. These English as a Second Language (ESL) service courses are taken to assist students with their English language skills and include courses within the ESL rubric.
- 3) For-credit courses, certificates and programs offered in partnership with Coursera or other educational partners, besides those listed above, will be offered at a rate equal to or less than the base + differential rate.
- 4) EDM-Special Education Program is assessed a flat tuition rate of \$1,000 per course.
- 5) The College of Education has partnered with Chicago Public Schools (CPS) to offer a special rate of \$349 per credit hour for certificates, endorsements, and master's in programs in Education. A minimum total enrollment (across the 4 programs) is required for the CPS teachers to receive the discounted rate.
- 6) Program differential is assessed based on the campus approval process and takes into account things such as cost of delivering the program, market analysis, etc.
- 7) Prior to fall 2019, students were assessed program fees in addition to tuition. In fall 2019 these fees will be rolled into tuition and fall 2018 has been restated to include the program fees for comparison purposes.
- 8) Program offered in partnership with Coursera. Beginning fall 2019, the Coursera ID verification fee, previously collected by Coursera, will be rolled into tuition and collected by the University. Fall 2018 rates have been adjusted to include the fee for comparison purposes.
- 9) Full cost-recovery program.
- 10) Full cost-recovery program. The tuition assessments are per credit hour. Tuition assessments are capped at 12 credit hours/\$15,000 per semester.
- 11) UIS students are assessed an additional online academic support fee of \$45 per online credit hour.

Notes:

- 1) Students enrolled in self-supporting or cost-recovery programs may be assessed an additional \$250 tuition per ESL 592 or ESL 593 course and/or \$500 tuition per all other ESL 500 level courses. These English as a Second Language (ESL) service courses are taken to assist students with their English language skills and include courses within the ESL rubric.
- 2) This program is not enrolling new students at this time.
- 3) Program is priced competitively and below other EMBA programs in the Chicago market. Costs includes overnight accommodations on required weekends, international trip, career coaching, and meals on class weekends. Students will be assessed the campus general fee and the student health insurance fee.
- 4) Students will be assessed all campus fees.
- 5) Total costs are for the three-term program (fall, spring, and fall). New rates apply to students entering fall 2019, continuing students will be assessed the combined tuition and program fees initially assessed when entering the program. Should a student enroll in credit bearing summer courses, tuition charged for those credits may be in addition to the tuition required for the program.
- 6) MSPE students will be assessed the general graduate non-resident tuition rate, preliminary until general graduate rate is passed. MSPE program fees will be assessed in the fall and spring terms only (\$1,350 per term).
- 7) Total costs are for the three-term program beginning with the summer term. Students will be assessed the same tuition for each of the three terms (summer 2019, fall 2019 and spring 2020). Students will be assessed the campus general fee and student health insurance fee.
