APPROVE STUDENT FEES FOR URBANA, CHICAGO, AND SPRINGFIELD, ACADEMIC YEAR 2019-2020

**Action:** Approve Student Fees for Urbana, Chicago, and Springfield, (Student Services, Transportation, Health Services, Academic Facilities Maintenance Fund Assessment, Library/IT Assessment, General Fees and other special purpose and student initiated fees), Academic Year 2019-2020

**Funding:** No New Funding Required

The Chancellors/Vice Presidents at each university have recommended student fee levels for Academic Year 2019-2020 to support auxiliary operations, student programs and activities, and student health services. The fees help to meet continuing necessities (salaries and wages, utilities, goods and services), student programs, and operating costs including debt service as well as repair and replacement programs of facilities that comprise the Auxiliary Facilities Systems.

The Academic Facilities Maintenance Fund Assessment (AFMFA) is a student charge that goes toward repair and renovation of academic facilities. The AFMFA rate is set based on the current and anticipated needs for deferred maintenance of academic facilities at each university; on the availability of revenues from other sources to fund such deferred maintenance; and on overall student affordability.
