DESIGNATE BOBBIE AND MARVIN FINK FAMILY LIVER CLINIC IN THE
OUTPATIENT CARE CENTER, CHICAGO

Action: Approve naming of the Bobbie and Marvin Fink Family Liver Clinic in the Outpatient Care Center, Chicago

Funding: No New Funding Required

The Chancellor at Chicago has recommended the naming of Rooms 1156 and 1156A in the Outpatient Care Center, located at 1801 West Taylor, as the Bobbie and Marvin Fink Family Liver Clinic in recognition of their \$200,000 pledge toward this project. These funds will be used towards the renovation of rooms 1156 and 1156A, which were left unfinished during the original construction of the Outpatient Care Center. The clinic will house patient treatment rooms, patient/physician consultation rooms, and a general waiting area.

The Bobbie and Marvin Fink Family Liver Clinic will enable the Chicago campus to accommodate the increased clinical volume in the liver and diabetes programs and provide a uniformly high standard of patient amenities in this very active and visible clinic.

The total cost associated with the renovation for the clinic is estimated at \$706,500. In addition to the \$200,000, another \$75,500 in gifts has been pledged for this

project. The remainder of the funding will be covered by other philanthropic sources and the Medical Center's Fiscal Year 2006 capital budget.

The board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The President of the University concurs.
