The UIC School of Public Health is dedicated to excellence in protecting and improving the health and well-being of the people of the metropolitan Chicago area, the State of Illinois and the nation, and of others throughout the world.

The School achieves this mission by:

• educating scientists, professionals and the public;
• conducting research to develop solutions to public health problems;
• providing public health service; and helping shape public health policy.
History

• 1970  School of Public Health established
• 1972  Fully accredited; first class of 38 students admitted
• 1975  Relocated from St. Mary’s Convent to 2121 W. Taylor
• 1992  Organized into program divisions
• 2001  Relocated to 1603 W. Taylor
Quick Facts

• Only fully accredited school of public health in Illinois
• 95 Faculty (50 tenure system, 45 non-tenured)
• 348 Staff
• 4000 Alumni
• 619 Students
  – 72% Female
  – 23% Underrepresented minorities
• 3 masters degrees, 2 doctoral degrees, 18 concentrations, 1 undergraduate degree, 8 certificates
The School of Public Health has global presence through its research, service and educational programs.

Applicant Trends 2006-2010

UIC SPH has experienced an increase in applications consistent with that of comparative schools of public health.
MPH Applicants 2010

UIC SPH’s male/female applicant ratio is consistent with that of all U.S. schools of public health.
The UIC SPH acceptance rate (45.6%) indicates higher selectivity among comparative schools (average, 50%).

UIC SPH has a higher enrollment rate after admission offer acceptance (47%) than most comparative schools (average, 43%).
MPH Student Access to Financial Aid AY10

Did Not Receive Aid: 30%

Received Aid: 70%

Average Loan Indebtedness: $23,097
UIC SPH’s male/female student ratio is consistent with that of all U.S. schools of public health.
Between 2006-2010 UIC SPH experienced a 13% increase in enrollment compared to a 9.5% average increase among comparative schools.
Total Student Enrollment by Ethnicity 2010

Comparable School Average, 2010
- 9.15% Race Unknown
- 1.88% Two or More
- 4.35% Hispanic/Latino
- 0.52% American Indian/Alaskan Native
- 14.87% Asian
- 9.11% Black or African-American
- 0.17% Native Hawaiian/Pacific Islander
- 59.96% White

UIC SPH, 2010
- 7.41% Hispanic/Latino
- 13.62% Black or African-American
- 15.17% Asian
- 3.45% Race Unknown
- 3.45% Two or More
- 56.90% White
21% of UIC SPH’s total enrollment is comprised of underrepresented minority students compared to the comparative institution average of 14.1%
Between 2005-2010, the number of graduates from UIC SPH increased by 17% compared to the comparative school average increase of 13%.
Urban Health & Diversity Programs

UHDP provides academic enrichment programs and public health traineeships for K-12, College, Graduate students and Professionals to increase the representation of Under Represented Minorities (URM's) within the field of public health.
