

Board Meeting  
July 23, 2009

## REPORT OF ACTIONS BY THE EXECUTIVE COMMITTEE

The following actions have been taken by the Executive Committee since the last meeting of the Board. These actions are now reported to the Board as a whole.

### Appoint Interim Dean, College of Nursing, Chicago

(1) The Chancellor at Chicago has recommended the appointment of Mi Ja Kim, currently Professor of Biobehavioral Health Science, and Director of the Academy of International Leadership Development, College of Nursing, University of Illinois at Chicago, as Interim Dean of the College of Nursing, non-tenured, on a twelve-month service basis, on 100 percent time, at an annual salary of \$175,000, with an annual administrative increment of \$10,000, for a total salary of \$185,000, beginning July 16, 2009.

Dr. Kim will continue to hold the rank of Professor of Biobehavioral Health Science, College of Nursing, on indefinite tenure, on a twelve-month service basis, on zero percent time, non-salaried, effective July 16, 2009; and Director of the Academy of International Leadership Development, College of Nursing, non-tenured, on a twelve-month service basis, on zero percent time, non-salaried, effective July 16, 2009.

Dr. Kim will replace Joan L. Shaver, who is resigning to accept a position as Dean of Nursing at the University of Arizona, Tucson on July 15, 2009.

The Board action recommended in this item complies in all material aspects with applicable State and federal laws, University of Illinois *Statutes, the General Rules Concerning University Organization and Procedure*, and the Board of Trustees policies and directives.

This recommendation is made with the advice of the faculty and the Executive Committee of the College.

The Vice President for Academic Affairs concurs with this recommendation.

The President of the University recommends approval.

On motion of Dr. Carroll, seconded by Mr. Vickrey, this recommendation was approved by the following vote of members of the Executive Committee: Aye, Dr. Carroll, Mr. Shah, Mr. Vickrey; no, none.

#### Approve Tuition Rates, Academic Year 2010

(2) The University's resource needs are shaped by overarching priorities growing out of the University's strategic plan: develop the Urbana campus into the nation's preeminent public research university; develop the Chicago campus into the nation's premier urban public research university; position the University of Illinois Medical Center and health sciences colleges for the next quarter century; and develop the

Springfield campus into one of the nation's top five small public liberal arts universities. Securing the resources to achieve these strategic priorities for the University of Illinois will depend on the relative strength of each component within the partnership of the Compact, including the State of Illinois, students and their families, private benefactors, and University leadership and faculty.

At their meeting on September 11, 2008, members of the Board of Trustees discussed in detail the University's resource needs for Academic Year 2010 and approved the University's Budget Request for Fiscal Year 2010. The request focused on three major areas: (1) strengthen academic quality (including faculty and staff salary competitiveness); (2) address facility operations needs; and (3) meet inflationary and other essential cost increases.

Consistent with the Compact and to help provide the financial resources to achieve the University's goals, it will be necessary to increase tuition levels in Academic Year 2010 as well as redirect a significant portion of existing funds to high-priority activities. These high-priority expenditures include making strategic investments, paying for continuing cost increases, increasing financial aid to ensure access for low-income students, and providing competitive salaries to retain our most productive faculty and staff.

Following extensive reviews and recommendations from the Provosts and the Chancellors at each campus in consultation with the President and Vice Presidents of the University, faculty, and students, the Vice President for Academic Affairs and the Vice President/Chief Financial Officer recommend approval of the following increases in

the guaranteed levels for undergraduate students: \$121 per semester at the Urbana-Champaign campus; \$106 per semester at the Chicago campus; and \$6.25 per credit hour at the Springfield campus. These tuition increases apply to students who are enrolled in the general undergraduate degree programs. The tuition rates for new students with guaranteed tuition who enroll after the spring 2009 semester will not increase for four years to comply with the tuition guarantee legislation, Public Act 93-0228. This legislation ensures that an incoming student will pay a fixed tuition rate for four years. The Guaranteed Tuition program provides predictability in tuition costs with a four-year annual increase of 1.0 percent which is lower than students experience at many other institutions competing with the University of Illinois.

At the graduate and professional levels, tuition increases are recommended for several specific programs. All tuition recommendations are summarized in the attached table. The new tuition rates become effective during the fall semester 2009, but apply to the cohort of new students who enter in May of 2009 or after.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The President of the University concurs.

Approve Tuition and Fee Increases,  
Cost Recovery, Off Campus, On-Line, and Aviation Programs,  
Fiscal Year 2010

I

(3) The Urbana-Champaign campus provides several academic programs on a “full cost recovery” basis, i.e., all costs are met through a combination of tuition and fee charges. Tuition and fee requirements for each of these programs are reviewed and adjusted annually to ensure that adequate revenues are available to operate each program.

For Fiscal Year 2010, the following actions are proposed for Cost Recovery Programs:

The **Executive MBA Program** is a five-semester program including one summer. Thus the tuition increase recommended for FY 2010 will affect only the students in the entering class of 2010. Total tuition revenue available for FY 2010 will be sufficient to cover all projected academic program costs.

The **Policy Economics, Finance, Business Administration, and Accountancy** programs are specially designed, intensive programs of study leading to a Master of Science degree in a business related discipline. They are intended for promising international administrators in government and private institutions who need additional training in areas of economic analysis and quantitative techniques. Additional funds are required in FY 2010 to provide for normal cost increases for these programs.

## II

The unique costs associated with instructional requirements in the **Institute of Aviation** are addressed by specific charges for individual courses. Charges differ based upon the type of equipment required, the frequency of its use, the instructional mode (classroom, flight simulator, aircraft, etc.) and so on. Annual reviews of aircraft and simulator operating expenses and other equipment training needs are conducted along with projected wage requirements for the next year. Corresponding adjustments are then made in course charges. For the academic year 2010, current rates have been adjusted for materials, labor, insurance, fuel prices, and flight time.

Aviation course charges proposed for FY 2010 are specified below:

Course	FY 2009	Proposed FY 2010	FY 2010 Increase
Avi 090	\$3,145	\$3,289	\$144
Avi 101	3,701	3,882	181

The Board action recommended in this item complies in all material aspects with applicable State and federal laws, University of Illinois *Statutes, the General Rules Concerning University Organization and Procedure*, and the Board of Trustees policies and directives.

These changes have been reviewed and are recommended for approval by the Chancellors and by the Vice President for Academic Affairs and the Vice President/Chief Finance Officer.

The President of the University concurs.

On motion of Dr. Carroll, seconded by Mr. Vickrey, this recommendation was approved by the following vote of members of the Executive Committee: Aye, Dr. Carroll, Mr. Shah, Mr. Vickrey; no, none.

#### Purchases and Change Orders

(4) The president submitted, with his concurrence, a purchase recommended by the director of purchases at the Chicago campus and the vice president for administration.

The purchase was from institutional funds. The term designates funds received by the University under contracts with the United States government, private corporations, and other organizations; grants from foundations, corporations, and other donors; and University revolving funds authorized by law.

The amount of the purchase was \$495,171.

The purchase with supporting information (including the quotations received) was sent to each member of the Board in advance of the meeting. A copy is being filed with the secretary of the Board for record.

On motion of Dr. Carroll, seconded by Mr. Vickrey, the purchase recommended was authorized by the following vote of members of the Executive Committee: Aye, Dr. Carroll, Mr. Shah, Mr. Vickrey; no, none.
