## APPOINT VICE CHANCELLOR FOR INNOVATION, CHICAGO

**Action:** Appoint Vice Chancellor for Innovation

**Funding:** State Appropriated Funds

The Chancellor, University of Illinois at Chicago, and Vice President, University of Illinois recommends the appointment of Anthony (TJ) Augustine, formerly Interim Vice Chancellor for Innovation, as the Vice Chancellor for Innovation, non-tenured, on a twelve-month service basis, on 100 percent time, at an annual salary of \$255,000, beginning March 16, 2020.

On November 15, 2018, Dr. Augustine was appointed to serve as the inaugural Vice Chancellor for Innovation. The Office of the Vice Chancellor for Innovation was established to develop and implement a comprehensive strategy for UIC that integrates all innovation and entrepreneurial initiatives and creates a forward-looking culture. The Vice Chancellor for Innovation provides strategic guidance and oversight for UIC's online education programs through UIC Extended Campus and works collaboratively with the Deans, Provost/Vice Chancellor for Academic Affairs, and the Vice Chancellor for Health Affairs to extend the offerings in this area to increase the impact of UIC among nontraditional student populations. The Vice Chancellor for Innovation manages UIC's involvement in strategic innovation and technology

commercialization initiatives, such as the Discovery Partners Institute, within the University of Illinois System, as well as in other similar opportunities with external partners. The Vice Chancellor for Innovation serves as the point of contact for UIC's engagement with other technology commercialization and innovation assets across the University of Illinois System, such as the Office of Technology Management and the Health Technology Incubator. The Vice Chancellor for Innovation is responsible for providing strategic leadership in identifying potential public-private partnerships and enhancing connections among internal and external stakeholders. The Vice Chancellor for Innovation must leverage resources to enhance strategic alliances with private and public sector partners looking to innovate, enhance knowledge translation leading to commercialization of innovative technologies, and influence the development of government policies that have broad societal impact.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedures*, and the Board of Trustees policies and directives.

The President of the University recommends approval.
