PRESIDENT'S REPORT ON ACTIONS OF THE SENATE

Redesignate the M.A. Environmental Studies Concentration in Environmental Policy, Planning and Administration to be a Concentration in Environmental Planning and Management, Department of Environmental Studies, College of Public Affairs and Administration, Springfield

The Springfield Senate has approved a proposal from the College of Public Affairs and Administration to redesignate the M.A. Environmental Studies concentration in *Environmental Policy, Planning and Administration* to be a concentration in *Environmental Planning and Management*.

The curriculum for this concentration has been updated to better prepare students who will be pursuing careers in environmental planning and management. The redesignation to *Environmental Planning and Management* better reflects the composition of the revised curriculum.

Redesignate the M.A. Environmental Studies Concentration in Natural Resources and Sustainable Development to be a Concentration in Sustainable Development and Policy, Department of Environmental Studies, College of Public Affairs and Administration, Springfield

The Springfield Senate has approved a proposal from the College of Public Affairs and Administration to redesignate the M.A. Environmental Studies concentration

in *Natural Resources and Sustainable Development* to be a concentration in *Sustainable Development and Policy*.

The curriculum for this concentration has shifted from one that focuses on natural resources and sustainable development to one that emphasizes the multiple dimensions of sustainable development and the policies inherently important for an integrated approach to protecting the environment. *Sustainable Development and Policy* better reflects the revised curriculum.
