

Board Meeting
March 26, 2008

ROLL CALL

AWARD CONTRACT FOR SOUTH CAMPUS SANITARY SEWER EXTENSION,
PHASE IIA, URBANA

Action: Approve Award of Contract for South Campus Sanitary Sewer Extension,
Phase IIA, Urbana

Funding: Institutional Funds Operating Budget

This \$810,000 project has been approved to extend the sanitary sewer connecting the area north and east of South First Street and Windsor Road to the Urbana-Champaign Sanitary District's South First Street pump station. New building construction and planned development created a need for a new public sanitary sewer.

The Chancellor at Urbana with the concurrence of the appropriate administrative officers recommends that the utility site work contract for the sanitary sewer extension be awarded. Competitive bidding procedures in accordance with the Illinois Procurement Code were followed; and the award is to the lowest responsible bidder on the basis of its base bid plus the acceptance of indicated alternate¹.

Division 34 – Utilities Site Work

Stark Excavating, Inc.,	Base Bid	\$545,500
Champaign, IL	Alternate 1	<u>6,450</u>
TOTAL		\$551,950

¹Description of Alternate: Alternate 1 provides for cutting through and subsequent repair of the copper grounding cables for the WILL radio tower.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and the Board of Trustees policies and directives.

Funds are available from institutional funds operating budget.

The President of the University concurs.

A schedule of the bids received has been filed with the Secretary of the Board for record.

(Construction will begin in April 2008 and is scheduled to be completed in September 2008.)
