ROLL CALL

DISCLOSE CERTAIN MINUTES OF EXECUTIVE SESSIONS PURSUANT TO OPEN MEETINGS ACT

Under the Open Meetings Act passed by the General Assembly, public bodies subject to the Act that conduct business under exceptions specified in the Act must, at least every six months, determine whether the need for confidentiality still exists with respect to each item considered under such exception.

Items from November 1999 through November 2018 that have been heretofore unreleased are recommended for release at this time.

The University Counsel and the Secretary of the Board, having consulted with appropriate University officers, recommends that the following matters considered in executive session for the time period indicated above be made available to the public at this time.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The President of the University concurs.

Purchase or Lease of Real Property for the Use of the University

At 9:18 a.m., Dr. Koritz called for a discussion of the proposal to purchase property located at Lake Springfield for use of the University. Mr. Walter K. Knorr, comptroller (and vice president/chief financial officer), and Mr. Michael B. Bass, senior associate vice president and deputy comptroller, entered the room. Mr. Bass provided an introduction and overview of the proposed plan for the property. Mr. Knorr noted that this consultation comes to the Board per the Board’s directive in 2000 because the property is not included in the master plan for the University. Mr. Bass outlined the particulars of the plan for the property, and Dr. Koch added that it will be developed into a multiuse facility covering educational, research, and recreational use for students and faculty across various disciplines. During discussion, Board members asked about capital
expenditures and associated operational costs. Dr. Koch replied that they are working on
final projections and indicated that she would follow up with a report to the Board.

of Illinois at Chicago, and vice president, University of Illinois; Mr. Walter K. Knorr, comptroller (and vice president/chief financial officer); and Mr. Michael B. Avijit Ghosh, interim vice president and chief financial officer/comptroller; and Mr. Michael B. Bass, senior associate vice president and deputy comptroller, joined the meeting at this time.
