*Preliminary data **2007 figures do not include patent reimbursement – 2006 YTD were adjusted

IllinoisVENTURES, LLC

Highlights

- Total funding to-date now approximately \$15.9 million with over 10:1 “leverage” of third-party investor and grant funding.
- Majority of companies in the IETF now post-revenue, one third of portfolio have or are projected to attain profitability this year.
- Developmental progress for existing portfolio companies continued:
 - **Phoenix Coal** – Completed additional acquisitions, attained operational profitability in 1Q 06.
 - **Semprius** – Completed \$4M Series A equity financing led by ARCH Venture Partners and Intersouth Partners
 - **Chromatin** – Completed major collaboration agreement with Monsanto, includes substantial initial and milestone economics
- New projects launched or funded during period included:
 - Developmental funding provided for a new project involving a sleep apnea therapeutic, based on the work of Dr. David W. Carley, Professor of Medicine, Nursing, Pharmacology, and Bioengineering, and Dr. Miodrag Radulovacki, MD, PhD, Professor of Medicine and Pharmacology, both of UIUC.
 - Three **iVentures10** student product development projects were launched in association with Technology Entrepreneurship Center at UIUC, including a travel social network aimed at the Asian market, a location-based tagging system aimed at the Korean market, and a mobile device-based comparative shopping engine.

Summary		Total
		(Since January 2003)
Clients:	Engaged Consultatively	674
	Receiving Developmental Funding	48
*Funding:	Dollars Approved	\$17,470,000
	Dollars Funded*	\$15,860,000
	Additional 3 rd Party Co-Investments	\$152,750,000
	Grant Funding Secured by Above	\$13,814,000

*Funding typically lags approval due to closing process, sequential execution of activities or failure to reach agreement on terms

Chicago Technology Park
