Research and Scholarship with *Impact*

- Culture of discovery, entrepreneurship, and thoughtful risk-taking
- Solutions to grand socio-technical challenges for our times
- Brilliant collaborative faculty
- World-class innovation
- Students as colleagues – full participants and partners
- Deep scholarship *and* multi-disciplinary vitality

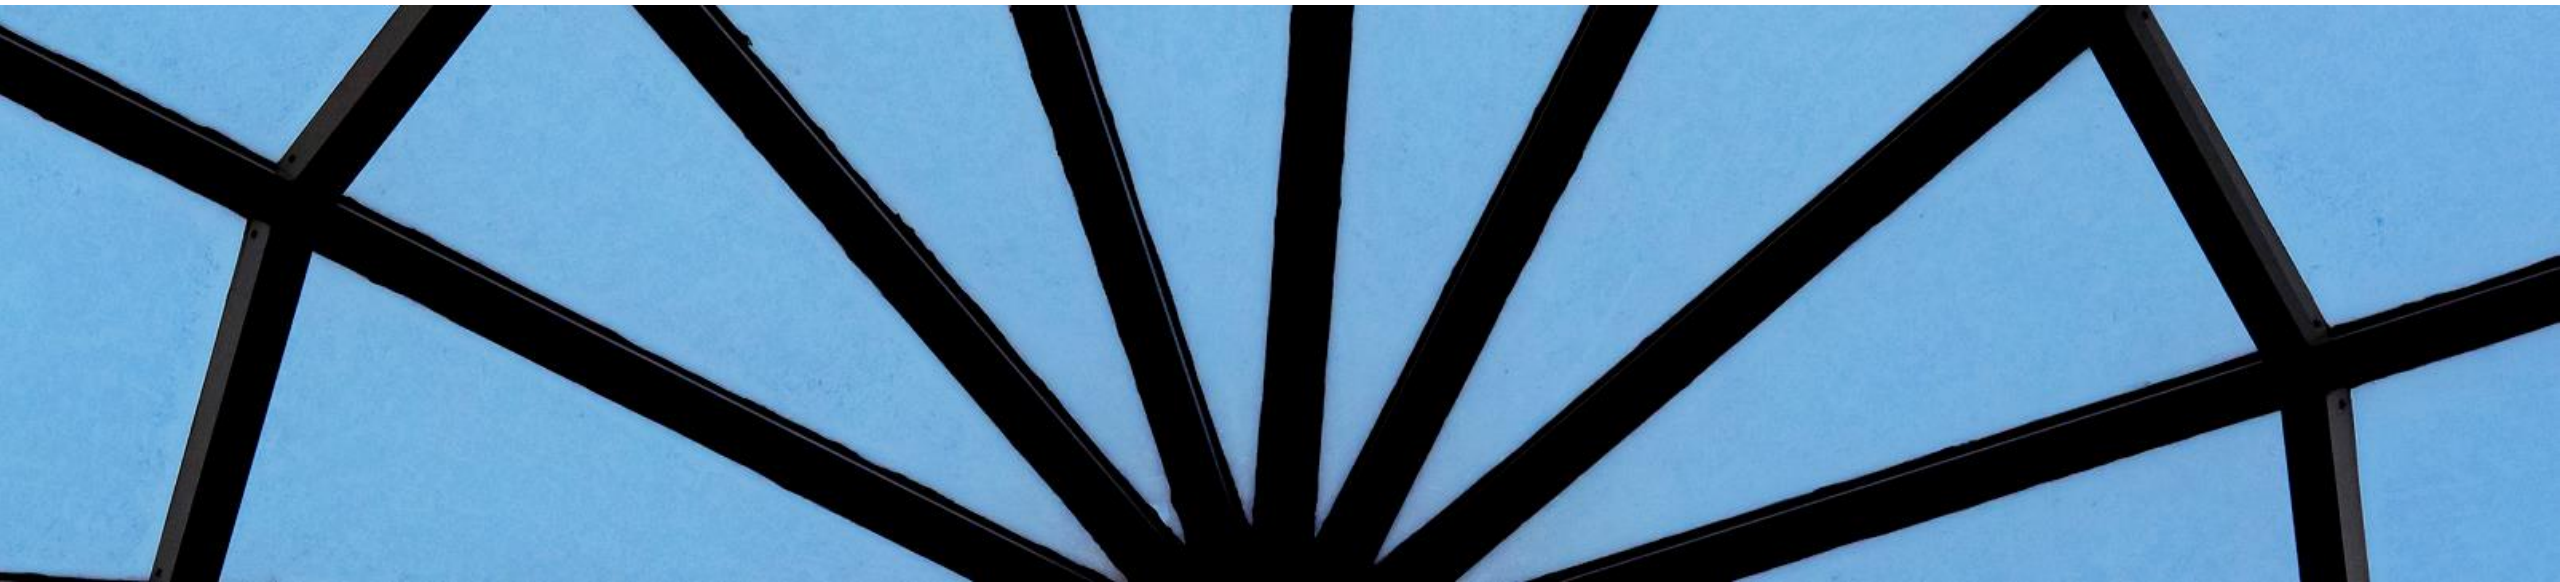

A Healthy Future for *Illinois*

- Next generation workforce
- Powerful public/private research & development partnerships
- Bedrock commitment to civic engagement
- Presence throughout the state - revitalizing regional economies
- Vibrant connections with educational institutions in Illinois
- Innovative and responsible *compact* with the state

Tomorrow's University *Today*

- *World-class* access, affordability, completion & success for students
- Innovative technology to enhance learning and discovery
- Deep, life-long engagement with alumni worldwide
- Sustainable environmental practices everywhere
- Distinctive identities for each of the universities
- Intense collaboration across disciplines and with partners
- Excellence, efficiency, integrity, and stewardship everywhere and always

We are...

a **SYSTEM** of universities

UNIVERSITY OF ILLINOIS
URBANA-CHAMPAIGN • CHICAGO • SPRINGFIELD

We are...

the PUBLIC'S UNIVERSITY:
Optimizing impact for the public good

The framework is ...

an **AUTHENTIC VOICE**
of the U of I system

Next Steps

Start implementation
in July
at board retreat

Identify early
priorities from the
framework

Our commitment
to the framework:
A LIVING DOCUMENT
