WELCOME FROM THE CHANCELLOR AT URBANA

Next, Mr. McMillan asked Dr. Wilson to provide a welcome from the Urbana campus. Dr. Wilson referred to this first Board meeting of the academic year and said the Urbana campus is delighted to be hosting. COMMITTEE REPORTS

Report from Chair,
Audit, Budget, Finance, and Facilities Committee

At 10:48 a.m., Mr. McMillan, chair of the Audit, Budget, Finance, and Facilities Committee, asked Mr. Cepeda to give a report from that committee. Mr. Cepeda stated that he serves on the committee with Mr. McKeever, Mr. McMillan, Mr. Montgomery, Mr. McClinton, Mr. Hall, and Mr. Wilson. Mr. Cepeda reported that the committee met on August 31, 2015, and that that several presentations, including those related to Board items, were provided. Mr. Cepeda told the Board that Dr. Pierre reported on the recommended Academic and Administrative Appointments for Contract Year 2015-2016; Mr. Michael B. Bass, senior associate vice president and deputy comptroller, provided background information on recommended capital and real estate items; Mr. Richard D. Elmore, assistant vice president for procurement services, reported on purchase recommendations; and Ms. Julie A. Zemaitis, executive director of University audits, gave a summary of fourth quarter internal audit activity and presented the Office of University Audits annual report. Mr. Cepeda reported that Mr. Knorr discussed a recommendation to purchase health insurance for certain contingent employees and gave a legislative, budget, and financial update. Mr. Cepeda said that the committee reviewed the recommended items within the purview of the committee on the Board’s agenda, and he listed those items. He announced that the next meeting of the committee is scheduled for Monday, November 2, 2015, at 1:00 p.m.
Report from Chair,
Governance, Personnel, and Ethics Committee

Next, Mr. McMillan asked Mr. Fitzgerald to provide a report from the Governance, Personnel, and Ethics Committee and noted that Mr. Fitzgerald is chair of the committee and serves with Ms. Holmes and Dr. Koritz. Mr. Fitzgerald stated that the Governance, Personnel, and Ethics Committee met on August 27, 2015, via videoconference at the Urbana, Chicago, and Springfield campuses. He reported that they reviewed the items within the purview of the committee on the Board’s agenda, and he listed those items.

Mr. Fitzgerald stated that the committee approved the minutes of the meeting that was held on July 9, 2015. He reported that Ms. Maureen M. Parks, associate vice president for human resources, gave a presentation on the University’s proposed background check policy. Mr. Fitzgerald stated that this proposed policy applies to the gathering of information and does not dictate hiring decisions. He announced that the next meeting of this committee is scheduled for October 29, 2015, at 1:00 p.m.

Report from Chair,
University Healthcare System Committee

Next, Mr. McMillan asked Dr. Koritz, chair of the University Healthcare System Committee, to provide a report from that committee. Dr. Koritz stated that the committee met on August 27, 2015, and that he serves on the committee with Mr. Estrada and Mr. Fitzgerald. Dr. Koritz reported that they reviewed the recommendation to purchase pharmaceutical drug products, and he provided some information about this
recommended purchase. He said the committee also received an update on the search for a vice chancellor for health affairs at Chicago, and he told the Board a decision should be made in October 2015. He referred to a presentation on rightsizing wound angiogenesis by Dr. Luisa A. DiPietro, Center for Wound Healing and Tissue Regeneration, College of Dentistry, Chicago, and Dr. Hyunjoon Kong, Department of Chemical and Biomolecular Engineering and Carl R. Woese Institute for Genomic Biology, Urbana, which highlighted collaboration between the Urbana and Chicago campuses. Dr. Koritz then highlighted aspects of the report given by Dr. Avijit Ghosh, chief executive officer of the University of Illinois Hospital. Dr. Koritz announced that the next meeting of this committee is scheduled for October 29, 2015, at 2:15 p.m.

Report from Chair, Academic and Student Affairs Committee

Mr. McMillan asked Ms. Hasara, chair of the Academic and Student Affairs Committee, to provide a report from that committee. He noted that Ms. Hasara serves on the committee with Mr. Cepeda, Mr. Estrada, Ms. Holmes, Mr. McClinton, Mr. Hall, and Mr. Wilson. Ms. Hasara reported that the Academic and Student Affairs Committee met the previous day on September 9, 2015, and that they approved the minutes of the meeting of July 22, 2015. She said that the committee reviewed the agenda items within the purview of the committee on the Board’s agenda, and she listed those items. Ms. Hasara reported that the committee heard presentations by Dr. Pierre; Dr. Gislason; Dr. Lynn Pardie, vice chancellor for academic affairs and provost, Springfield; and Dr. Feser on academic unit
review dashboards, and she told the Board that these dashboards show key indicators of teaching and research productivity and departmental quality and financial health. Ms. Hasara stated that these reviews have already led to reallocations and/or savings of several million dollars for the University and have significantly differentiated budget allocations to administrative units and colleges. She stated that the committee also received a report on Fall 2015 enrollments, and she asked Dr. Pierre to give a summary of that report.

Dr. Pierre stated that Fall 2015 enrollment broke several records across the University and increased 2.1 percent over the previous year. He reported that 76,166 students are enrolled at the University and said that figure will likely exceed 79,000 when online students are included. Dr. Pierre said it is the largest ever freshman class and that freshman enrollment is 10.2 percent higher than the previous year, with enrollment of graduate and professional students also higher than the year before. Dr. Pierre referred to increases in the freshman classes at Urbana and Chicago and said freshman enrollment at Chicago increased by 15 percent over the prior year, breaking all previous records. He discussed increases in enrollment of underrepresented minority students; African American students at Urbana; and in-state students at Chicago and Urbana. Dr. Pierre also commented on an increase in enrollment of graduate students at Springfield. He said these record enrollments represent a significant turnaround and that the tuition freeze, increased financial aid, enhanced recruitment and retention activities, and an improved application process are critical factors that contributed to this success. Dr. Pierre thanked the provosts and their teams for their hard work.
Ms. Hasara stated that the next meeting of the committee will be held on November 11, 2015.

Discussion followed regarding increases in enrollment, and Mr. Montgomery asked for enrollment percentages of African American students at each campus. Dr. Pierre reported that 5.4 percent of students at Urbana are African American, with 8.1 percent at Chicago and 19.5 percent at Springfield. Dr. Pierre said these figures are not high enough but are moving in the right direction. Dr. Koritz inquired about timing of admissions decisions, and Dr. Wilson commented on this, noting that the yield at Urbana increased this year despite a delay in the notification of admissions decisions. She explained that notification of admission at Urbana occurs on a single day. She indicated that efforts will be made to announce admissions decisions slightly earlier this year. Dr. Koch and Dr. Gislason also commented on the process for announcing admissions decisions at their campuses. Mr. Estrada commended all involved for the increase in enrollment of underrepresented minority students. Mr. Montgomery referred to a program at the City Colleges of Chicago that may increase enrollment of underrepresented minority students at Chicago. President Killeen said that while these figures reflect good progress, there is still work to be done, and he commented on access and affordability. Mr. McMillan commented on recruitment from southern Illinois.

PUBLIC COMMENT

Mr. McMillan announced that there were no requests to speak during the public comment session.
At 11:20 a.m., Mr. McMillan asked Dr. Burbules to give a report from the faculty (materials on file with the secretary). Dr. Burbules reviewed ideas of interest to the University Senates Conference (USC) that were discussed at the Board’s retreat that took place in July 2015, and he emphasized the role of the USC in the development of a strategic plan for the University. He referred to the revisions to the University of Illinois Statutes and The General Rules Concerning University Organization and Procedure, and he commented on enhancements to the USC committees, noting that these were made to more closely mirror the committees of the Board.

Discussion followed regarding the University’s role in preparing students for success, particularly at the K-8 level. Dr. Koritz, Mr. Fitzgerald, and Mr. McMillan referred to the USC committees and said the faculty liaison, as well as any other faculty members, are welcome to attend Board committee meetings, noting that these meetings are also open to the public. Mr. Fitzgerald indicated it would be beneficial to find ways to work together, and President Killeen commented on engagement with the faculty. Dr. Burbules stated that the USC is a conduit for conversation between the faculty and the Board.

AGENDA

At 11:43 a.m., Mr. McMillan announced that the agenda for this meeting would now be considered. All Board members recorded as present at the start of the meeting were in
attendance. Mr. McMillan explained the items for which a voice vote of the Board is requested would be first, and that the secretary would read the titles of these items. He noted that several Board members had previously discussed concerns with President Killeen and other staff members regarding these items, and he said that he would welcome further discussion at this time.

By consensus, the Board agreed that one vote would be taken and considered the vote on each agenda item nos. A1 through 10 inclusive. The recommendations were individually discussed but acted upon at one time. Mr. Montgomery asked what changes have been made to the faculty appointment process, and President Killeen gave a brief overview of this process. Dr. Pierre stated that the appointment process has been modified so that start dates begin after scheduled Board meetings at which appointments would be approved. Mr. Fitzgerald referred to a discussion that was had at the Governance, Personnel, and Ethics Committee meeting regarding provisions in coaches’ contracts in the event a coach serves less than the full term. Mr. Bearrows confirmed that a mitigation provision is included in the contracts for the recommended appointments for coaches on the Board’s agenda. Mr. Fitzgerald also commented on the proposed background check policy and discussed the employees who would be covered by the proposed policy, noting that the policy needs to be revisited by January 2016 to include graduate students and other types of employees. Mr. McMillan referred to the recommendation to “Amend Student Health Insurance Benefit for Chicago Campus,” and Dr. Koritz indicated he would vote against this recommendation on the basis of ethics and concern regarding potential malpractice risks. Mr. Cepeda and Mr.
McMillan agreed. Mr. Montgomery said the Board previously approved the coverage of the procedure and that this recommendation reflects a business decision of where money is spent on the procedure. He said that there is no evidence of an increased litigation risk and that feelings about the procedure should not cloud this decision. Mr. Fitzgerald agreed with Mr. Montgomery’s comments.

(The record of the Board action appears at the end of each item.)

Amend Student Health Insurance Benefit for Chicago Campus

(8) In 2004 the Chicago campus proposed and initiated a self-funded student health benefit plan, CampusCare, to help improve student health benefits and control costs. The campus consults extensively with student advisory groups to establish both the premium rate and the portfolio of benefits provided by CampusCare. Students may choose not to participate in the student health insurance program by providing evidence of comparable insurance coverage from other sources.

At its May 29, 2013, meeting, the Board of Trustees approved the addition of gender reassignment surgical costs as a new benefit for enrollees, to be available only as an out-of-network benefit. As an out-of-network benefit students cannot obtain the services at the University of Illinois Hospital and Health Sciences System.

The Chancellor, University of Illinois at Chicago, and the Interim Vice President, University of Illinois and the Interim Vice President for Health Affairs now
recommend approval of a benefit under the plan to permit gender reassignment surgery both as an in-network and out-of-network benefit. The addition of a surgeon qualified to perform gender reassignment surgery will make it possible to offer this procedure as an in-network benefit. All other benefits offered through the plan are available both in- and out-of-network.

The proposed amendment, which will be effective immediately upon approval of the Board of Trustees, will benefit students by eliminating the additional cost of obtaining medical services out-of-network. It also reduces the cost incurred by CampusCare to provide this service. No changes to the premium or other benefits offered by the plan are being recommended at this time. The benefit will be available to students 18 years or older who have been diagnosed with gender identity disorder.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The Vice President/Chief Financial Officer and Comptroller concurs with this recommendation.

The President of the University recommends approval.

On motion of Mr. Wilson, seconded by Ms. Holmes, this recommendation was approved. (Mr. Cepeda, Dr. Koritz, and Mr. McMillan asked to be recorded as voting “no” on this item.)
The Chancellor, University of Illinois at Chicago, and Vice President, University of Illinois recommends the appointment of Steven McClain, formerly Associate Head Coach at Indiana University Bloomington as Head Varsity Coach, Men’s Basketball, Department of Intercollegiate Athletics, Chicago, beginning September 14, 2015.

The term of the contract is 3 years and 6 months, beginning September 14, 2015, and ending on March 31, 2019, subject to early termination. Mr. McClain is currently serving as Interim Designate Head Men’s Basketball Coach, whose appointment was effective on March 24, 2015. This appointment follows a national search. A search committee provided advice to the Chancellor after a review of resumes and interview of candidates.  

The multi-year employment contract provides for a service basis of twelve-months. The initial annual base salary is $375,000, which will be prorated for the period of September 14, 2015 through March 31, 2016. Mr. McClain’s base salary is funded by the Restricted Funds Operating Budget of the Department of Intercollegiate Athletics and Corporate Contracts.

3 James Schmidt, Director, Intercollegiate Athletics, Chair; Tonya McGowan, Senior Associate Athletic Director; Richard Harrigan, Associate Athletic Director; Eric Philips, Associate Athletic Director; Dennis Wills, Alumni Relations Director; Richard Grinage, Director of Camps and Clinics; and William C. Merchantz, Life Director, University of Illinois Foundation and alumnus.
Steven McClain will be eligible for a merit increase to his base salary based upon a performance evaluation. An evaluation will be conducted annually in March with a salary increase (if applicable) effective April 1 each year of the contract. The employment contract also provides for incentive payments for reaching certain performance objectives, such as Horizon League, NCAA, and National Invitational Tournament (NIT) competition.

Mr. McClain will succeed Howard Moore.

The Board action recommended in this item complies in all material respects with applicable State and Federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and the Board of Trustees policies and directives.

The President of the University concurs.

(A biosketch is on file with the secretary.)

Approve University Policy on Background Checks

Currently, background checks are conducted on security sensitive positions only (e.g., working with minor children; direct patient care; access to University accounts or large amounts of cash; working with controlled substances; etc.) at the time of hire. In an effort to provide a safe and secure environment for all students, employees, and visitors at the University of Illinois; to safeguard the
University’s reputation, property, and resources; and to promote sound hiring decisions, a University Policy on Background Checks is recommended to the Board of Trustees for adoption. Under the proposed policy, background checks, including criminal background checks, will be conducted on new hires and employees transferring into security sensitive or critical positions, regardless of whether the individual is seeking a position as a faculty member (tenure track, non-tenure track, specialized faculty, or other academic), staff member (academic professional, civil service, extra-help, retiree, or academic hourly), or medical resident. Background checks also will be conducted with respect to individuals (including University personnel, graduate and undergraduate employees, fellows, volunteers, and contractors) who are subject to the University of Illinois Protection of Minors Policy or who may be assigned to a security sensitive position, as defined by the University. A background check generally will not be conducted with respect to graduate or undergraduate student employees, fellows, volunteers, individuals appointed to non-paid positions, contractors or other individuals employed by another entity who are not subject to the University of Illinois Protection of Minors Policy or who will not be assigned to a security sensitive position, as defined by the University.

This policy was developed by a University-wide committee consisting of representatives from University human resources, campus human resources, UIC hospital human resources, campus offices of equal opportunity/access and equity, University counsel, and student employment, with input from a variety of University constituents including faculty, staff, and administrators. The development and implementation of the
procedures to conduct background checks will be the responsibility of each campus and University administration central human resources office.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The Vice President/Chief Financial Officer and Comptroller, and the Vice President for Academic Affairs recommend approval of the University Policy on Background Checks set forth in the attached document (on file with the secretary).

The President of the University concurs.

On motion of Mr. Wilson, seconded by Ms. Holmes, this recommendation was approved.

By consensus, the Board agreed that one roll call vote would be taken and considered the vote on agenda item nos. 11 through 16 inclusive as listed below. The recommendations were individually discussed but acted upon at one time.

Approve Academic and Administrative Appointments for Contract Year 2015-16

(11) On May 7, 2015, the Board of Trustees approved a Preliminary Operating Budget for Fiscal Year 2016. Recommendations for academic and administrative appointments beginning August 16, 2015, have been completed within the funds available to the University reflected in the preliminary operating budget.
Accordingly, the President of the University recommends approval of the document entitled *Academic Personnel, 2015-16*, and requests authorization, in accord with the needs of the University and the equitable interests involved, and within total budgeted income: (1) to accept resignations; (2) to make such additional appointments as are necessary and to approve the issuance of notices of non-reappointment, subject to the provisions of the University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and *Policy and Rules*; and (3) to make such other personnel adjustments as needed, such adjustments to be covered in periodic reports to the Board of Trustees (Secretary’s Report).

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

On motion of Mr. Montgomery, seconded by Dr. Koritz, this recommendation was approved by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Wilson; No, none; Absent, Ms. Smart, Governor Rauner.

(The student advisory vote was: No, Mr. McClinton; Absent, Mr. Hall.)

Approve Project for Design Center Facility, Urbana

(12) The proposed new Design Center will be a facility used by students from every discipline and background. It will serve both as a physical and intellectual hub,
layering across the undergraduate experience a range of informal and formal opportunities and offerings to engage students in multi- and trans-disciplinary collaborations. This project will meet Illinois’ vision for multi-disciplinary design-and-doing, while fostering a culture of student-led problem solving. The building will be an incubator of talent where students master skills by tackling real and pressing problems that lend themselves to design-based solutions. The highly visible center will connect a breadth of perspectives, spaces, and resources.

The proposed $48.0 million construction project will provide approximately 60,000 new gross square feet of flexible collaborative learning and idea generating, meeting, prototyping, digital imaging, and flexible display/gallery spaces. This new facility is to be located on the west terminus of the Military Axis on Fourth Street in Champaign.

Accordingly, the Acting Chancellor, University of Illinois at Urbana-Champaign, and Acting Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that the Design Center Facility be approved with a budget of $48.0 million.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

Funds for this project are available from institutional funds operating budget of the Urbana-Champaign campus and gift funds.
The President of the University concurs.

On motion of Mr. Montgomery, seconded by Dr. Koritz, this recommendation was approved by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Wilson; No, none; Absent, Ms. Smart, Governor Rauner.

(The student advisory vote was: Aye, Mr. McClinton; Absent, Mr. Hall.)

Increase Project Budget and Amend Professional Services Consultant Contract for Gas Boiler Replacement Phase 2, Abbott Power Plant, Urbana

In May 2014, the Board approved the $9.5 million Phase 2 project to remove boiler 2 and replace with a new gas boiler and associated systems. Replacement of the existing gas boilers is being phased to maintain continued reliable steam service to campus during construction. In December 2014, the University received approval from the Environmental Protection Agency (EPA) to replace the old gas boilers (2, 3, and 4) at Abbott Power Plant, all of which are well beyond their expected life.

The phase one project is currently underway and includes the removal of two existing gas boilers and installation of one new higher efficiency gas boiler and associated systems and is expected to be complete in September 2015. The second phase project was originally planned to install one new gas boiler. This request includes expanding the scope of the phase two project to include the installation of the third new gas boiler within the time duration the EPA requires. Combining the installation of two new boilers within the phase two project will also provide capital cost savings due to
increased construction phase efficiencies and expedite operations of the more efficient new boilers.

The cost to successfully complete this project, including the addition of a second boiler and associated systems, as well as, upgraded cost information received, will require a budget increase of $13.0 million.

Accordingly, the Acting Chancellor, University of Illinois at Urbana-Champaign, and Acting Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that the Board approve the increase in project budget for this project to $22.5 million, an increase of $13.0 million.

In order for the project to proceed, it is necessary to amend the Professional Services Consultant contract for the required professional services. The selection of the Professional Services Consultant for this project was in accordance with the requirements and provisions of Public Act 87-673 (Architectural, Engineering and Land Surveying Qualifications-Based Selection Act).

Accordingly, the Acting Chancellor, University of Illinois at Urbana-Champaign, and Acting Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that Affiliated Engineers, Inc., of Champaign, IL, continue to be employed and their contract amended for the professional services required for the construction documents, bidding, and construction administration phases of the project. The firm’s fixed fee will be $1,411,160; for on-site observation on an hourly basis not to exceed $136,890; for warranty phase on an hourly basis not to exceed $10,000; for other supplemental services on an hourly basis not to
exceed $269,928; and for authorized reimbursable expenses estimated at $80,460.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

Funds for this project are available from institutional funds operating budget of the Urbana-Champaign campus.

The President of the University concurs.

On motion of Mr. Montgomery, seconded by Dr. Koritz, this recommendation was approved by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Ms. Hasara, Ms. Holmes, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Wilson; No, none; Absent, Ms. Smart, Governor Rauner. (Mr. Fitzgerald asked to be recorded as not voting on this item.)

(The student advisory vote was: Aye, Mr. McClinton; Absent, Mr. Hall.)

Increase Project Budget for Renovation, Natural History Building, Urbana

In December 2011, the Board approved the $70.0 million project to modernize and repurpose approximately 148,000 gross square feet (gsf) of instructional, research laboratory, and office space, while also infilling 6,000 gsf of open courtyard space with new multi-story areas for building infrastructure. In March 2014, the Board approved a $3,435,091 budget increase to the project for improvements and upgrades to infrastructure including plumbing, laboratory exhaust, electrical systems, code compliant
facility requisites, and energy efficient mechanical (heating, ventilation, and air conditioning) systems. Subsequently, as the project has proceeded through construction, extensive unforeseen conditions have been encountered in this more than 120-year-old historic facility, including structural damage from previous fires, unstable frozen concrete floors, unexpected wall penetrations, and hazardous material containing cinder fill. Consequently, in order to complete this project, additional construction contingency must be added, increasing the budget by $3.0 million.

Therefore, in order to proceed with the project, it is necessary to increase the project budget to cover these additional costs. With the additional funds, the project cost has been estimated at $76,435,091 (including contingencies and escalation).

Accordingly, the Acting Chancellor, University of Illinois at Urbana-Champaign, and Acting Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that the Board approve the increase in project budget for this project to $76,435,091, an increase of $3.0 million.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

Funds for this project are available from institutional funds operating budget of the Urbana-Champaign campus, Academic Facilities Maintenance Fund Assessment Fund, and gift funds.

The President of the University concurs.
On motion of Mr. Montgomery, seconded by Dr. Koritz, this recommendation was approved by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Wilson; No, none; Absent, Ms. Smart, Governor Rauner.

(The student advisory vote was: Aye, Mr. McClinton; Absent, Mr. Hall.)

Increase Project Budget for Upgrade and Expansion, Educational Laboratory, Talbot Laboratory, Urbana

(15) The College of Engineering is requesting a major upgrade and expansion to Talbot Laboratory Building, located at 1308 West Green Street, Urbana, IL. This request was made jointly by both, the Aerospace Engineering Department, and the Nuclear, Plasma, and Radiological Engineering Department. Their joint goal is to upgrade and expand the instructional laboratories of the two departments by providing an addition at the southeast corner of the building and remodeling adjacent spaces as required. This expansion of instructional laboratories will maintain similar office and support spaces and also renovate existing first floor and second floor restrooms. The originally proposed $3.2 million renovation project was approved as an interior infill. The additional modifications are to allow the mechanical testing facility and associated income stream be retained. The $5.8 million proposed addition and renovation project will provide an additional 9,150 gross square feet of instructional laboratories at Talbot Laboratory.

Accordingly, the Acting Chancellor, University of Illinois at Urbana-Champaign, and Acting Vice President, University of Illinois with the concurrence of the
appropriate administrative officers recommends that the Board approve the increase in project budget for this project to $5.8 million, an increase of $2.6 million.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

Funds for this project are available from institutional funds operating budget of the Urbana-Champaign campus.

The President of the University concurs.

On motion of Mr. Montgomery, seconded by Dr. Koritz, this recommendation was approved by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Wilson; No, none; Absent, Ms. Smart, Governor Rauner.

(The student advisory vote was: Aye, Mr. McClinton; Absent, Mr. Hall.)

(Mr. Fitzgerald and Ms. Holmes asked to be recorded as not voting on this item.)

(17) The following action has been taken by the Executive Committee since the last meeting of the Board. This action is now reported to the Board as a whole.

On August 6, 2015, Chancellor Phyllis M. Wise submitted her resignation as Chancellor, University of Illinois at Urbana-Champaign, and Vice President, University of Illinois effective August 12, 2015, which has been accepted subject to approval by the Board or Executive Committee.

In order to clarify the terms for Dr. Wise’s transition to the faculty, a Revised Employment Agreement (attached hereto) was drafted and executed, which includes a twelve-month sabbatical leave and service as a faculty member thereafter.

It is hereby resolved that the Board accepts Dr. Wise’s resignation as Chancellor, University of Illinois at Urbana-Champaign, and Vice President, University of Illinois, effective close of business on August 12, 2015, and further approves the Revised Employment Agreement.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

On motion of Mr. Montgomery, seconded by Ms. Hasara, this recommendation was not approved by the following vote: Aye, none; No, Ms. Hasara, Mr. McMillan, Mr. Montgomery.
