Change Orders

Report to the Board of Trustees November 13, 2014

On September 23, 2010, the Board of Trustees delegated the authority to the Comptroller to approve change orders to University contracts and purchase agreements. Change orders related to medical center operations that exceed 25 percent of the original Board approved contract or purchase agreement and change orders that are not related to the medical center operations that exceed 5 percent of the original Board approved contract for construction or professional services or original Board approved purchase agreements for supplies or equipment will be reported to the Board at its next scheduled meeting.

The intent of this report is to provide the Board of Trustees a review of those changes germane to the respective projects which have occurred.
