AMEND THE UNIVERSITY OF ILLINOIS STATUTES

Action: Amendments to University of Illinois Statutes,
Article IX, Section 6
Article IX, Section 12
Article X, Section 1.a and 1.a(5)-(7)

Funding: No Funding Required

Attached are proposed revisions to the University of Illinois Statutes
(Article IX, Section 6; Article IX, Section 12; and Article X, Section 1.a and 1.a(5)-(7))
that would provide for multi-year contracts for certain non-tenure-track academic staff
not currently eligible for contracts longer than one year; the proposed revision also would
establish appropriate dismissal for cause procedures and notice of non-renewal
procedures for persons holding such multi-year contracts. Formal consideration of such
multi-year contracts began in February 1998 at the request of the Vice President for
Academic Affairs, following recommendations from the campuses. Since that time, a
number of drafts were considered by the campus senates and the University Senates
Conference (USC). Consensus was reached by the campus senates and the USC in April
of this year.

The proposed amendment to Article X authorizes the University at its
discretion to enter into contracts of three years or less when making appointments in any
of the following ranks:
The proposed amendments to Article IX provide for terms for dismissal with cause prior to expiration of the contract for persons (in the above specified categories) appointed to contracts with terms of more than one year.

Non-tenure-track academic staff on term appointments are employed throughout the University. For example, most of the teachers at University High hold the rank of teaching associate and currently are eligible for one-year renewable contracts only. At Urbana, the Colleges of ACES, Business, and Education, among others, also appoint a significant number of lecturers, research associates, and research and clinical professors. At Chicago, the Colleges of Medicine, Dentistry, Business Administration, and Education, among others, have a significant number of lecturers, research associates, and research and clinical professors.

Nine of the eleven Big Ten institutions already offer multi-year contracts to non-tenure track academic staff. The deans of various academic units on the campuses have expressed their concern that educational needs cannot adequately be satisfied with one-year contracts for such staff. The uncertainty of one-year contracts encourages potential appointees to seek more stable and certain employment elsewhere. As a result, institutions that depend on non-tenure track academic staff to assist in meeting changing academic needs cannot predict whether they will have appropriate personnel in place. Moreover, departments are hampered in attracting minorities and women to fill these
positions because of the limited commitment represented by a one-year contract, when contrasted with multi-year appointment offers at peer institutions.

Each campus will develop more detailed, campus-specific implementation procedures for the use of multi-year contracts, including issues such as eligibility and review and approval processes. Each campus will set a campus-wide ceiling that limits the number of multi-year non-tenure academic staff. The campus-specific procedures will be developed by each campus and submitted to the campus senate for review and approval prior to adoption.

These amendments to the University of Illinois Statutes have the support of the Interim Vice President for Academic Affairs, the campus senates, and the University Senates Conference.

The President of the University recommends approval.
