## ROLL CALL

### AWARD CONSTRUCTION CONTRACTS FOR MILE SQUARE HEALTH CENTER, CHICAGO

**Action:** Award Construction Contracts for Mile Square Health Center

**Funding:** Federal Grant, Institutional Funds Operating Budget and Restricted Funds  
Operating Budget

In January 2011, the Board approved the project and increased the budget in December 2011 and July 2012. The \$42.0 million project consists of the construction of a Mile Square Health Center in the Illinois Medical District which will provide health care to a far greater volume of patients in need of primary care. The project is currently a five-story building. Three shelled floors will be built-out as tenants are identified. Scope of work includes building out the tenant space on the first floor to provide an urgent care clinical area, a pharmacy, medical laboratory, administration space, and the entrance lobby. The second floor tenant improvements will be for a physician's family practice, including 43 exam rooms, a mental health room, and tele-health rooms. Exterior improvements include a permeable paver parking lot and landscaping. The project is pursuing U.S. Green Building Council LEED Silver Certification.

For the project to proceed, the Vice President, University of Illinois, and Chancellor, University of Illinois at Chicago with the concurrence of the appropriate

administrative officers recommend that the following contracts be awarded. Competitive bidding procedures in accordance with the Illinois Procurement Code were followed; and the award is to the lowest responsible bidder on the basis of its base bid plus the acceptance of indicated alternates<sup>1</sup>:
