DESIGNATE ALICE CAMPBELL ALUMNI CENTER, URBANA

Action: Approve Designation of Alice Campbell Alumni Center, Urbana

Funding: No Funding Required

The Interim Chancellor has recommended that the building currently known as Alumni Center be renamed Alice Campbell Alumni Center in recognition of Robert and Alice Curtis Campbell's \$5.0 million dollar gift which has provided the anchor funds for this facility. The center will be located adjacent to the Hallene Gateway Plaza, just east of the new Admissions and Records building. The building, which will become the corporate offices for the Alumni Association, is designed to complement the brick-and-limestone Georgian architecture that predominates on the Urbana campus. The three-story building will comprise 54,000 square feet, with a reception gallery, library, conference rooms, lounges, administrative offices, and a patio for outdoor activities.

It is fitting that the new facility now known as Alumni Center be renamed Alice Campbell Alumni Center in recognition of Robert and Alice Campbell's many contributions to the University as well as their generous support of the University of Illinois Alumni Association.

The board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*,

The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The Vice President for Academic Affairs concurs.

The President of the University recommends approval.
