Secretary Kies explained that the appointments of faculty, administrative and professional staff, and intercollegiate athletic staff recommended in this item have been thoroughly reviewed at the appropriate levels within the college, department, or unit, and that this item appears regularly on the Board’s agenda.

**Appoint Interim Dean, College of Architecture, Design and the Arts, Chicago**

Dr. Kaufman then provided information regarding the recommended appointment of Dr. Robert E. Somol as interim dean of the College of Architecture, Design and the Arts, and stated that Dr. Judith Russi Kirshner, who served as dean since 1997, returned to the faculty on January 1, 2013. Dr. Kaufman reported on the recommendation to rename the Department of Pharmacy Administration, College of Pharmacy, Chicago, as the Department of Pharmacy Systems, Outcomes, and Policy in the College of Pharmacy. Approve Proposed Amendments to the University of Illinois Statutes and the General Rules Concerning University Organization and Procedure

President Easter reported on the recommendation to approve proposed amendments to the University of Illinois Statutes and The General Rules Concerning University Organization and Procedure. He stated that these amendments propose the reversal of the order of titles from Vice President/Chancellor to Chancellor/Vice President. He said this would signify that each chancellor has primary responsibility for the campus while
also serving the University. He reported that he has consulted the University Senates Conference regarding the proposed amendments and that the amendments reflect some language recommended by members of the University Senates Conference.

Approve Tuition Rates, Academic Year 2013-2014

Dr. Pierre stated that the recommendation regarding tuition rates for Academic Year 2013-2014 would be presented to the Board the following day at its meeting. He said the recommended tuition rates conform to policies set by the Board to increase tuition at a rate that is equal to or less than the rate of inflation, and he discussed some considerations that were relevant to the recommendation. Ms. Hasara confirmed that all trustees in attendance were familiar with the policy regarding tuition rates and that there were no objections to the policy. No one expressed any objections or concerns. She then referred to the State appropriation and said there may be instances when it is necessary to deviate from this policy in response to factors such as a decrease in the State appropriation to the University. There were no comments or questions about this.

Approve Tuition and Fee Increases, Cost Recovery, and Aviation Programs, Academic Year 2013-2014
Dr. Pierre discussed the item recommending tuition and fee increases for programs that are offered on a full cost recovery basis at Urbana and stated that these programs are self-supporting. He also discussed proposed tuition and fee increases for courses in the Institute of Aviation.

He explained that while the percentage increase is higher at Springfield than it is at the other two campuses, the total cost of the proposed fees and assessments at Springfield is lower than the cost at Urbana or Chicago.

Rate Changes for University-Operated Housing Facilities, Urbana, Chicago, and Springfield, Academic Year 2013-2014

Dr. Pierre then discussed the recommended room and board rates for undergraduate housing at each campus for Academic Year 2013-2014 and stated that the proposed rates for average room and board reflect a 3-percent increase at Urbana, a 2-percent increase at Chicago, and a 4.2-percent increase at Springfield. He provided additional information regarding the increase at Springfield.

There were no objections to moving these items forward to the full Board.
Discussion regarding tuition rates for Executive MBA programs at peer institutions followed, and Dr. Ghosh stated that the tuition for the Executive MBA program at the University of Illinois is average compared to similar programs in the Chicago area. Mr. Estrada stated that it would be helpful to see a comparison of tuition rates at peer institutions when tuition is being discussed. Dr. Pierre reported that tuition rates for the MBA program at Urbana is within the range of tuition rates for other MBA programs in the Big Ten, and President Easter commented that professional programs are often cost-recovery programs, while State support is provided for undergraduate education.
