(1) To: Barbara J. Wilson

As you prepare to complete your distinguished service as Interim chancellor at Urbana-Champaign, the Board of Trustees wishes to honor you and express its deepest gratitude for sharing your talents and leadership at such a pivotal time in the history of the University of Illinois System. The interim role is often regarded as just a caretaker who bridges the gap between administrations. However, circumstances demanded much more of you than this, and you ably rose to the call. You have been a profile in courage on many fronts, successfully engaging with and resolving issues above and beyond the usual command of the interim, something for which we are forever grateful. You have led Urbana-Champaign through a host of challenges with poise, wisdom, and integrity. Your calm, insightful approach has been invaluable in leading this great University forward, including your exemplary work in helping develop our new strategic framework, and your capacity to listen and communicate has inspired so many. Along with the members of the Urbana-Champaign community who benefitted from your expertise, a new University president was aided by your advice, counsel, and support.

As a mentor to your colleagues, you have led with a generous, thoughtful, and unselfish grace, and your quiet dignity has been a steadying presence throughout the year. The Board of Trustees and the officers of the University of Illinois wish to extend heartfelt thanks to you, your husband John Lammers, and your family as you return to the College of Liberal Arts and Sciences.

Approve Multiyear Agreement with Head Varsity Coach, Football, Urbana

On March 16, 2016, the Board of Trustees approved the appointment of Lovie L. Smith, as head varsity coach, football, Division of Intercollegiate Athletics, Urbana-Champaign. The Board approved hiring Mr. Smith for a six-year term through January 31, 2022. The Board also approved Mr. Smith’s anticipated total annual compensation for each year of the term, including a description of Mr. Smith’s base salary and an annual increment for television, radio, education, public relations, and promotional activities. Following additional review of coaching compensation structures within the Big Ten Conference and at other peer institutions, as well as the desire of Mr. Smith and the University to re-emphasize a mutual commitment to the success and
stability of the football program, the interim chancellor, University of Illinois at Urbana-
Champaign, and interim vice president, University of Illinois, recommends that Mr.
Smith’s base salary and annual increment in years five and six of the term be reduced
while making correlating upward adjustments in the base salary and annual increment
during years two and three of the term.

While Mr. Smith’s total compensation for the contract term and other
principal terms of employment previously approved by the Board remain unchanged, it is
recommended the distribution structure of Mr. Smith’s total compensation during specific
years of the term be as shown in the table below.

Revise Funding for the University of Illinois Deloitte Foundation Center for Business Analytics, College of Business, Urbana

At its meeting on July 23, 2015, the Board of Trustees approved a proposal from the College of Business to establish the Deloitte Center for Business Analytics in Accountancy. The Board then approved a name change at its meeting on May 19, 2016, to the University of Illinois Deloitte Foundation Center for Business Analytics. The interim chancellor, University of Illinois at Urbana-Champaign, and interim vice president, University of Illinois, now recommends approval to revise the funding arrangements for the center.

The funding for the center has now been changed and will be established through a $5.0 million gift from Deloitte. The center was to be funded through the establishment of a $7.5 million gift from Deloitte and its principals, which was to be a combination of a $6.5 million endowment and $1.0 million in current-use funds; however, funding for the project has not met the original projections.

The College of Business and Deloitte are still in agreement with the center’s naming and scope of support. The objectives will remain unchanged from what was originally approved in July 2015. The center will create, disseminate, and continue to refine model curricula providing accounting students with a comprehensive education
in business analytics and will provide education resources to support business analytics education.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The interim vice president for academic affairs-designate concurs with this recommendation.

The president of the University recommends approval. This action is subject to further report to the Illinois Board of Higher Education.

On motion of Ms. Holmes, seconded by Ms. Smart, this recommendation was approved. (Mr. Fitzgerald asked to be recorded as not voting on this item.)

Appoint Authorized Representative of the Board of Trustees of the University of Illinois for the University of Illinois Liaison Office in New Delhi, India

(14) By resolution at its July 26, 2015, meeting, the Board of Trustees appointed a University alumnus, Dr. Vivek Damle of Mumbai, India, to serve as its authorized representative in connection with the establishment of a Liaison Office in New Delhi, India. The representative must have authority to sign various documents to be filed with the Indian government and to accept service of process on behalf of the University.
The University recently was advised that a new resolution, dated after the establishment of the Liaison Office, is needed so that the authorized representative has continuing authority to sign and file documents with various government offices.

The interim chancellor, University of Illinois at Urbana-Champaign, and Interim Vice President, University of Illinois, recommends that the Board approve the proposed resolution authorizing Dr. Vivek Damle, as the authorized representative for the Liaison Office, to sign and file documents as required by law in India.

The Board action recommended in this item complies in all material respects with applicable state and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

The president of the University concurs.

(A biosketch is on file with the secretary.)

On motion of Ms. Holmes, seconded by Ms. Smart, this recommendation was approved.

By consensus, the Board agreed that one roll call vote would be taken and considered the vote on agenda item nos. 15 through 21 inclusive as listed below. The recommendations were individually discussed but acted upon at one time.

Approve Academic and Administrative Appointments for Contract Year 2016-17
On May 19, 2016, the Board of Trustees approved a Preliminary Operating Budget for Fiscal Year 2017. Recommendations for academic and administrative appointments beginning August 16, 2016, have been completed within the funds available to the University reflected in the preliminary operating budget.

Accordingly, the president of the University recommends approval of the document entitled *Academic Personnel, 2016-17* (copy filed with the secretary of the Board for record), and requests authorization, in accord with the needs of the University and the equitable interests involved, and within total budgeted income: (1) to accept resignations; (2) to make such additional appointments as are necessary and to approve the issuance of notices of non-reappointment, subject to the provisions of the University of Illinois Statutes, *The General Rules Concerning University Organization and Procedure*, and *Policy and Rules*; and (3) to make such other personnel adjustments as needed, such adjustments to be covered in periodic reports to the Board of Trustees (Secretary’s Report).

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

On motion of Ms. Hasara, seconded by Mr. Fitzgerald, this recommendation was approved and authority was given as recommended by the following vote: Aye, Mr. Cepeda, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes,
Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Schumock, Ms. Smart; No, none; Absent, Governor Rauner.

(The student advisory vote was: Aye, Mr. Hall, Mr. Hoffman.)

Certificates of Participation (Refunding), Series 2016

(16) The Board, at its meeting on July 21, 2016, delegated authority to the vice president/CFO and comptroller and authorized a number of actions leading toward the issuance of one or more series of Certificates of Participation (the “Certificates”). The Certificates will refund and/or restructure all or a portion of the Series 2004, Series 2007A, Series 2007B, and Series 2009A certificates of participation. Subject to any modifications deemed necessary or desirable by the comptroller in connection with the marketing of the Certificates, it is anticipated that the Certificates will be issued in four separate series: the Series 2016A with a final maturity on August 15, 2021; the Series 2016B with a final maturity on October 1, 2027; the Series 2016C with a final maturity on October 1, 2020; and the Series 2016D with a final maturity on October 1, 2027.

Actions leading toward the issuance of the Certificates have been completed including: retention of Katten Muchin Rosenman LLP as bond counsel; retention of Freeborn & Peters LLP as special issuer’s counsel; retention of Public Financial Management, Inc., as financial advisor; retention of Morgan Stanley & Co. LLC as the managing underwriter; retention of The Bank of New York Mellon Trust Company, N.A. as trustee; and retention of Grant Thornton LLP as verification agent.
Now, the vice president/chief financial officer and comptroller recommends that the Board approve the Resolution Authorizing the Issuance and Sale of University of Illinois Certificates of Participation (Refunding), Series 2016 (the “Resolution”) ³ to authorize the issuance of Certificates in an aggregate original principal amount not to exceed $146.0 million (not including original issue discount or premium). The maximum rate of interest on any of the Certificates shall be 6.50 percent per annum and the true interest cost of any Series of Certificates at the time of issuance shall not exceed 7.00 percent per annum.

All legal matters incidental to the authorization and issuance of the Certificates will be approved by Katten Muchin Rosenman LLP, Chicago, Illinois, bond counsel, and Freeborn & Peters LLP, Chicago, Illinois, special issuer’s counsel.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois Statutes, The General Rules Concerning University Organization and Procedure, and Board of Trustees policies and directives.

Funding will be available from the proceeds of the Certificates and institutional funds.

Establish Concentrations in Archaeology and in Human Evolutionary Biology, College of Liberal Arts and Sciences, Urbana

The Urbana-Champaign Senate has approved a proposal from the College of Liberal Arts and Sciences to establish two concentrations within the Bachelor of Arts in Liberal Arts and Sciences’ major in Anthropology. Students in the Anthropology major can currently choose either a general concentration that spans the four fields of Anthropology (biological anthropology, cultural anthropology, linguistic anthropology, and archaeology) or a concentration in Sociocultural and Linguistic Anthropology. Establishment of these two additional concentrations makes available to students two areas of departmental strength, archaeology and human evolutionary biology. The new concentrations reflect ways in which the field of anthropology itself is changing and utilizing new technologies. They also embrace new research and faculty strengths in our department.
