REVIEW OF RECOMMENDED BOARD ITEMS
FOR THE MEETING OF THE BOARD OF TRUSTEES
OF THE UNIVERSITY OF ILLINOIS ON SEPTEMBER 10, 2020

Mr. Estrada introduced the recommended items within the purview of this committee on the Board’s agenda at its meeting on September 10, 2020. All recommended items discussed at the meeting are on file with the secretary.

² Per 5 ILCS 120/7(e), all votes are conducted by roll call.
Appointments to the Faculty, Administrative/Professional Staff, and Intercollegiate Athletic Staff

Mr. Estrada asked Mr. Knott to comment on the recommended appointments to the faculty, administrative/professional staff, and intercollegiate athletic staff. Mr. Knott explained that the appointments recommended in this item are thoroughly reviewed at the appropriate levels within the college, department, and unit, and he asked that members of the committee contact him with any questions.

Approve Academic and Administrative Appointments for Contract Year 2020-2021

Mr. Estrada asked Dr. Wilson to report on the recommendation to approve academic and administrative appointments for contract year 2020-2021. Dr. Wilson stated that this item appears before the Board on an annual basis and is part of the annual reappointment process for faculty, academic professionals, and some other members of the staff and is commonly known as the “Gray Book.” She said there was no merit salary program this year, and that 80 percent of appointments do not reflect a salary increase. Dr. Wilson said 18 percent received an increase due to promotions or terms mandated by labor contracts. She told the committee that 10 percent of appointments show a voluntary 10 percent salary reduction due to COVID-19.

Delegate Authority to Modify Compensation in Multiyear Employment Agreements
Dr. Wilson then discussed the recommendation to delegate authority to modify compensation in multiyear employment agreements. She explained this would give chancellors the flexibility to facilitate voluntary and temporary salary reductions for certain employees with multiyear contracts. Mr. Dale asked if these are voluntary or if employees are being asked to do this, and Dr. Wilson confirmed it is voluntary. Dr. Jones added that most of these voluntary reductions are from staff in the Division of Intercollegiate Athletics, and he said the director and head coaches committed to taking voluntary reductions. Ms. Bravo inquired about the use of these funds, and Dr. Wilson and Dr. Ghosh indicated they would be added to a student emergency fund at each university.

Approve President, Prairieland Energy Inc.;

Mr. Estrada asked Mr. Michael B. Mr. Bass read the recommendations and asked if there were any questions, of which there were none.

He said that Dr. Walsh testified before a subcommittee of the U.S. House of Representatives on the impact of COVID-19 on the research enterprise. Mr. Weinberger discussed a new student advocacy campaign and noted the impact of the pandemic on students. President Killeen remarked on the role that scholarship and leadership played in creating opportunities nationally and internationally, and he said the University is staying grounded in its mission for public good. He provided some information about SHIELD Illinois, which is working with entities within the State, and Shield T3, which is pursuing opportunities beyond Illinois.
