Non-resident rates at UIUC will increase 1.8%. Entering international students at UIUC will be assessed an additional \$430 per semester tuition surcharge in all colleges except business and engineering where the assessment will be \$1,497 and \$2,568 per semester respectively. UIUC international students, that fall into the category of students who are not, or no longer eligible for the tuition guarantee, will be assessed an international tuition differential, consistent with current practices. All on-campus international transfer students at UIS will be assessed a one-time, new student international orientation fee of \$175 to provide services necessary for successfully integrating new students. Entering international students as well as students in the non-guaranteed cohort at UIC will be assessed an additional \$750 per semester tuition surcharge above the non-resident rate.
