

Reported to the Board of Trustees
January 23, 2014

University of Illinois Board of Trustees Meeting
January 23, 2014

University of Illinois Hospital,
part of the University of Illinois Hospital & Health Sciences System

Medical Staff Credentialing Report

The Joint Commission (TJC) requires that the Board of Trustees receive a report on the credentialing of members of the University of Illinois Hospital medical staff on an annual basis. The Credentials Committee of the Medical Staff reviews every application for privileges to determine if appropriate standards are met. The recommendations of the Credentials Committee are passed on to the Medical Staff Executive Committee during the monthly Medical Staff Executive Committee Meeting. If approved, the recommendations from the Medical Staff Executive Committee are then passed along to the University Healthcare System Committee of the Board of Trustees for review and approval. The Joint Commission requires active involvement of the Board of Trustees as the entity to which the health system reports.

In 2013, there were 139 new members admitted to the Medical Staff. Individuals who join the medical staff are required to have a Focused Professional Practice Evaluation (FPPE). This is completed in conjunction with the clinical department.

During 2013, there were 114 resignations from the medical staff. Also during 2013, there were 394 members reappointed. Individuals who are on the medical staff and applying for reappointment are required to undergo Ongoing Professional Practice Evaluation (OPPE). These reviews are completed in conjunction with the clinical department.

No members were expelled.

Credentials Committee Report: 2013 Annual Summary

Initial Appointment Applications

Department	Name	Recommendation
Anesthesiology	Apollon Haygood, APN	Approved
Anesthesiology	Danielle Nakhshin, APN	Approved
Anesthesiology	Gretchen Fox, MD	Approved
Anesthesiology	Jacqueline Galvan, MD	Approved
Anesthesiology	Luz Rojas-Aguirre, MD	Approved
Anesthesiology	Polina Voronov, MD	Approved
Anesthesiology	Sabine Kreilinger, MD, PhD	Approved
