SP.20.05

Revision to the *Bylaws*, Part D.8 – Senate Committee on Educational Policy and *Standing Rule* 13 – Formation, Termination, Separation, Transfer, Merger, Change in Status, or Renaming of Units

# **BACKGROUND**

Responding to the May 14, 2019 report of the Eighth Senate Review Commission (XSR.19.01) and a request from the Senate Executive Committee (SEC), a task force of the Senate Committee on Educational Policy (EP) met in 2019-2020 to consider sections of *Bylaws* and *Standing Rules* pertaining to EP. Proposals outlined significant revisions in the Bylaws as well as recommended elimination of *Standing Rule* 13. That Rule had been created in 1993 and amended in 2006, 2014, and 2017 to describe processes to be followed regarding the formation, termination, or other change in status of units.

The current proposed language, which originated with EP in 2020, was then modified by the Senate Committee on University Statutes and Senate Procedures (SP) to incorporate important aspects of *Standing Rule* 13. That synthesized language was nearly complete in early 2021, and it clarified the roles performed by EP on behalf of the Senate to fulfill the Senate's legislative functions under the *Statutes*, Article II, Section 1. Importantly, those proposed revisions also included a new "Committee Process" section (D.8.b), in order to highlight aspects of how EP handles the proposal intake and review process and to spell out how EP may act as various proposals are considered.

In Spring 2021, the SEC directed EP and SP to consult with the Council of Deans and the Office of the Provost to obtain input and hear concerns with the language that had been synthesized by EP and SP. EP subsequently prepared a new draft version which was transmitted to SP at the beginning of Fall 2021, when it became the basis of the current proposal. SP continued throughout Fall 2021 to work on this new language with continued extensive consultation and collaboration with EP.

The resulting proposed revisions clarify the Senate's charge to EP and consolidate *Standing Rule* 13 into the *Bylaws*. The new opening provisions regarding "legislative jurisdiction" provide clear statutory references supporting the purview of EP. The "duties" of EP (D.8.b) have been itemized and grouped by type to better guide EP and stakeholders who engage with the Senate on educational policy matters. A new section, "process" (D.8.c) has been crafted to spell out the range of EP's activities and some contingencies that might arise as EP considers various proposals. Finally, EP's membership has been updated to include the Assistant Provost for Educational Innovation as an *ex officio* member. The resulting charge to

EP has thus been expanded to make clear previously tacit elements of the charge to the committee, while also clarifying EP's authority via references to the University Statutes. The revised charge now incorporates key provisions of Standing Rule 13 recognizing the importance the Senate had attached to procedures mandated in the original adoption and revisions of this rule.

Because this proposed language would eliminate one of the Senate's Standing Rules, SP recommends that the Senate follow the previously adopted convention (per SP.20.03) of retaining the Rule number and title in our Senate documentation, followed by "Struck by the Senate on [date] by SP.20.05."

#### RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is struck through and text to be added is <u>underlined</u>. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate. SP also recommends the Senate follow the previously adopted convention of retaining the Rule number and title in our Senate documentation, followed by "Struck by the Senate on [date] by SP.20.05."

department, school, college, as applicable) shall be taken and recorded by vote of the
faculty. Voting shall be as provided in the bylaws of each unit. The vote shall be reported to

#### UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

COMMITTEE ON UNIVERSITY STATUTES AND SENATE PROCEDURES (Final; Action)

SP.21.09 Revision to the *Bylaws*, Part F.5

#### **BACKGROUND**

At its November 12, 2020 meeting, the University of Illinois Board of Trustees approved a package of revisions to the *Statutes*, ST-77, which included revisions to Article I provisions that govern the review of University Chancellors, specifying a periodic "formal review" process distinct from the routine annual review of the chancellors.

At its February 8, 2021 meeting, the Senate approved SC.21.08, a resolution designed to address this new formal review step and provide for future formal reviews of the Chancellor: "The Senate Executive Committee shall serve as the review committee for the current (2020-2021) Review of the Chancellor and the Senate Committee on University Statutes and Senate Procedures shall be directed to recommend revisions to the Senate *Bylaws* to articulate the mechanism, consistent with the recently amended *Statutes*, for the Senate to use in future formal reviews."

The proposed revisions below build on the current language in the *Bylaws* F.5 that provides for the Senate's input in the appointment of a new chancellor, establishing a parallel model for the new "formal review" process. In addition, SP offers a proposed revision to the same section, revising the final sentences to clarify how campus constituencies may participate in these processes. Finally, F.5 has been given a title, in keeping with F.1-4, each of which are titled.

# **RECOMMENDATION**

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is struck through and text to be added is underlined. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate.

## UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

COMMITTEE ON UNIVERSITY STATUTES AND SENATE PROCEDURES (Final; Action)

SP.21.10 Revision to the *Bylaws*, Part D.1.c – Senate Executive Committee, Membership

# **BACKGROUND**

Responding to the Report of the Eighth Senate Review Commission (XSR.19.01), the Senate Executive Committee (SEC) examined its charge and composition as provided in the *Bylaws*, Part D.1. During its deliberations, SEC considered its membership, duties, eligibility restrictions on the SEC Chair and Vice-Chair positions, and language regarding *ex officio* representatives. SEC did not ultimately propose any changes to its membership, but did recommend proposed language about the SEC Chair and Vice-Chair and the *ex officio* representatives to the Committee on University Statutes and Senate Procedures (SP).

SP presented a version of these changes as SP.20.06 at the July 13, 2020 Senate meeting. SP.20.06 was returned to committee, modified, and passed by the Senate on September 21, 2020. SP also presented SP.21.01 to reinstate some text that had been inadvertently struck by a floor amendment to SP.20.06; SP.21.01 was passed by the Senate on November 16, 2020.

During the Senate's deliberations on SP.20.06, it was noted that the Senate would benefit from a Committee of the Whole discussion on the membership of SEC to gather Senate input about whether SP should pursue any changes to the membership of SEC, as provided in the *Bylaws*, Part D.1.c.1.

SP gathered input on this matter via a Committee of the Whole discussion by the Senate at its April 26, 2021 meeting. Generally, there was a consensus that both the chair of the Committee on Academic Freedom and Tenure and the chair of the Committee on Diversity, Equity, and Inclusion should be added to the membership of SEC. In addition, the discussion indicated that SP should consider whether the pool of student representatives could be expanded to four (at least one undergraduate and at least one graduate or professional student) and whether committee chairs who are members of SEC could designate members of their committees to attend on their behalf.

The proposed changes specify seats for both the chair of the Senate Committee on Academic Freedom and Tenure and the chair of the Committee on Diversity, Equity, and Inclusion; specify seats for the Student Body Vice President and the Speaker of the Senate of the Illinois Student Government as well as two other student seats (for a total of four students on SEC); clarify the role of the representative to the University Senates Conference; and move elections language to a new section.

#### RECOMMENDATION

The Senate Committee on University Statutes and Senate Procedures recommends the approval of the following revisions to the *Bylaws*. Text to be deleted is struck through and text to be added is underlined. Adoption of amendments to the *Bylaws* requires a two-thirds vote of the Senate.
