

Presentation to Board of Trustees

July 22, 2010

Charles V. Evans

Associate Vice President for Academic Affairs

Director, University Outreach and Public Service

Benefitting Illinois Citizens: The University's Statewide Presence

Oak Brook Education Center

- Serving I-88 Research and Development Corridor
- Established over 20 years ago, initially as the Center for Advanced Education & Research
- 10,000 sq. ft. state-of-the-art education center with classrooms, conference rooms, computer labs and video conferencing capabilities
- Operated by University Outreach and Public Service to the benefit of all three campuses

Programming at Oak Brook

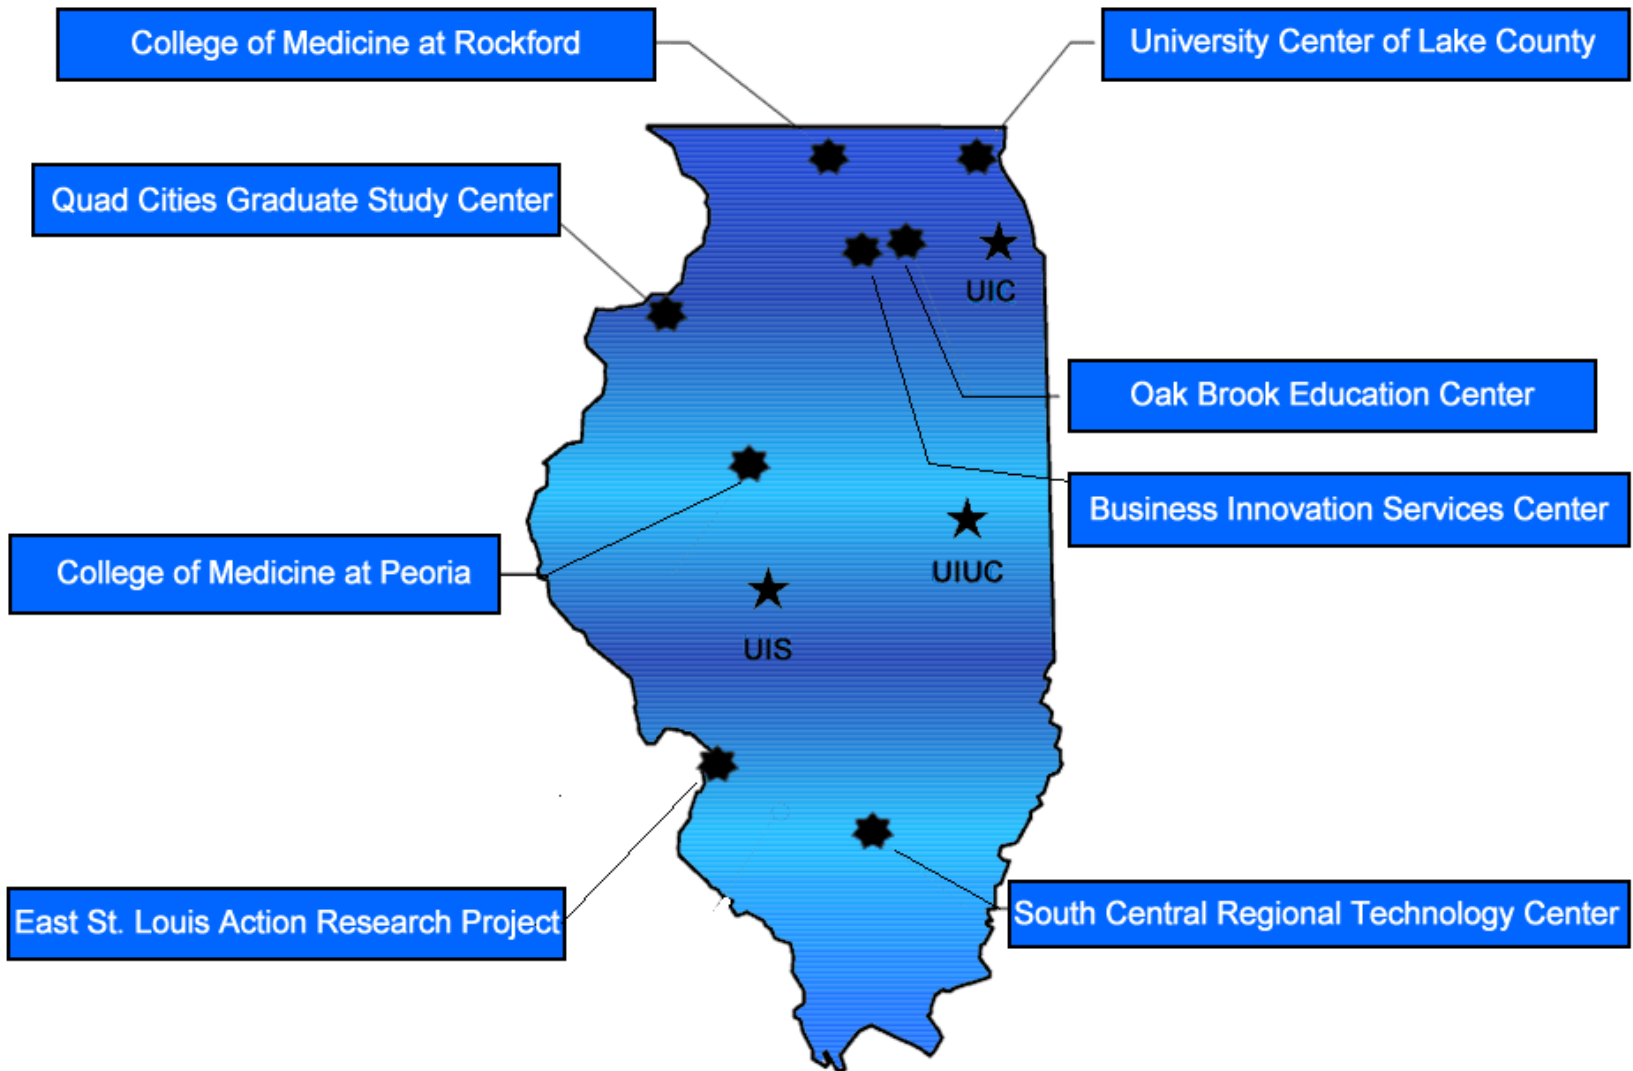

- Courses and programs offered by all three U of I campuses
- SIU, NIU and EIU also provide programming
- A total of 132 courses and 2,238 enrollments were reported for AY 2010 (112 courses and 1,722 enrollments from U of I campuses)
- Examples of programs available include
 - Doctor of Education in Educational Administration
 - Master of Education in Educational Administration and Leadership
 - Certificate in Business Administration, Institute of Entrepreneurial Studies

The University of Illinois – Campus Presence

The University of Illinois – Statewide Presence

Quad-Cities Graduate Study Center

- Created 40 years ago as a collaborative model for graduate program delivery from Illinois and Iowa institutions
- Funded by Illinois and Iowa; University of Illinois was a charter member of the Grad Center
- Representatives from Deere & Co., ALCOA, The Rock Island Arsenal, Iowa-Illinois Gas and Electric and the Quad Cities Development Group
- Over 100 different graduate programs can be completed in the Quad Cities

Quad-Cities Graduate Study Center

- Total enrollments of all member universities (and for the University of Illinois) over the past five years

YEAR	TOTAL ENROLLMENTS	UNIV. ILLINOIS
2009-10	10,317	326
2008-09	10,714	308
2007-08	11,045	280
2006-07	10,361	278
2005-06	10,814	234

University Center of Lake County

1996 - 2001 – Organized and built by University of Illinois on campus of College of Lake County.

1998 - IBHE conducted comprehensive regional needs assessment and developed University Center as successor to a Multi-University Center.

2000 - 2001 – IBHE appointed independent governing board.

2005 – 91,000 sq. ft. facility opened

2010 – 18 member institutions, including three UI campuses, offering over 90 baccalaureate completion, graduate level and certificate credit programs.

FY 10 Enrollment:

- 5,907 (Overall)
- 549 (U of I)

FY 09 appropriation: \$2.9 million GRF

East St. Louis Action Research Project

College of Fine and Applied Arts, UIUC

- Partners with community-based organizations in the East St. Louis metro area through service learning and action research.
- For over 20 years, faculty, staff and students from diverse campus units have worked on community and neighborhood projects in:
 - Student Learning
 - Neighborhoods and Planning
 - Design Assistance & Construction
 - Community Information & Technology
 - Organizational Capacity Building
 - Parks and Open Space
 - International Collaboration

South Central Regional Technology Center

- University of Illinois was a key partner in FY 04 effort to open and promote the South Central Regional Technology Center.
- Created to support the workforce and economic development of south central Illinois.
- **Mission** - To assure technology education, training and expertise in the region's business and industry, schools and organizations.
- **Partners:**
 - University of Illinois
 - Eastern Illinois University
 - Kaskaskia and Rend Lake Colleges
 - Southern Illinois University
 - Crossroads Workforce Investment Board
 - Illinois Department of Commerce and Economic Opportunity
 - Illinois Department of Transportation
 - Regional Office of Education #13

University of Illinois Peoria Center (UIS)

- Located in the Illinois Central College Perley Building
- Created over 30 years ago
- Courses offered in major and elective areas
- Weekend MBA program
- Bachelor degree programs in Accountancy, Criminal Justice and Management

University of Illinois College of Medicine Facilities

- “Serving Illinois as the principal educator of health science professionals and as a major healthcare provider to underserved communities.”
- Provides Illinois with one out of every six of the state’s physicians
- Degree programs and continuing education programs offered by College of Medicine, College of Nursing, College of Pharmacy and School of Public Health at these facilities.
- Physician-professors and medical students benefit their communities

University of Illinois College of Medicine at Peoria

- Teaches 150 medical students, 200 residents in 10 residencies (adding an 11th in Psychiatry) and a Cardiology fellowship.
- Recent recipient of \$25 million gift from grateful patient donor to build simulation and education center.
- 90 UICOMP patient care providers (MD's/APN's) in the Medical Practice Plan. Will generate about \$16.8 million in MSP revenue in FY 10.
- Strong basic science research focus in Cancer Biology. Soon breaking ground on a new 20,000 sq. ft. cancer research center.
- Developing Center for Health Outcomes Research to promote more clinical research through its network of rural hospitals, single community wide IRB, stable community population and supportive partner hospitals.

University of Illinois College of Medicine at Rockford

- Teaches 160 medical students each year, 1,500 since 1972. Required section in the M-2 year provides service for 20 non-profit agencies.
- The RMED (rural medicine) program started in 1993, with 140+ graduates, most staying in rural Illinois communities.
- Family Medicine program trains more family physicians for the state of Illinois than any other program; 75 practice within 50 miles of Rockford.
- New Master's degree in Medical Biotechnology and Physician Assistant fellowship training in nephrology, orthopedics and urology.
- UIC Regional College of Pharmacy will begin with 50 students this fall.
- **Patient Care:** Medical Service Plan has about 90,000 annual patient visits.
- **Research:** Small but vibrant basic research unit. Shared cancer and immunology research unit with COP. New Health Policy and Social Science research unit.

University of Illinois College of Nursing Presence

Rockford

Peoria

Quad Cities

Urbana

University of Illinois College of Nursing Impact

- The Bachelors of Science in Nursing program is offered at the Urbana campus. The four regional sites offer graduate programs such as nurse midwifery, pediatric, adult, family nurse practitioner and nursing administration.
- 123 Undergraduate Students
- 144 Continuing Graduate Students
- 56 New Admission Graduate Students for Fall
- Urbana-Champaign and Peoria locations in existence 36 years
- Quad-Cities location celebrates 30th anniversary this year
- Rockford location will celebrate 20th anniversary in 2012

Business Innovation Services Center – Naperville (UIUC)

- **Mission:** To help organizations increase global competitiveness and create jobs.
- Provides top quality training and consulting to improve efficiency, build export capability and develop new innovative products, business models and markets.
- Each year, U of I BIS typically serves 350 - 400 different companies and 4,000 – 5,000 employees.
- **Partners:** UIUC Colleges of ACES, Business and Engineering plus the Chicagoland Chamber of Commerce
- U of I BIS is completely self-funded through customer fees and grants.

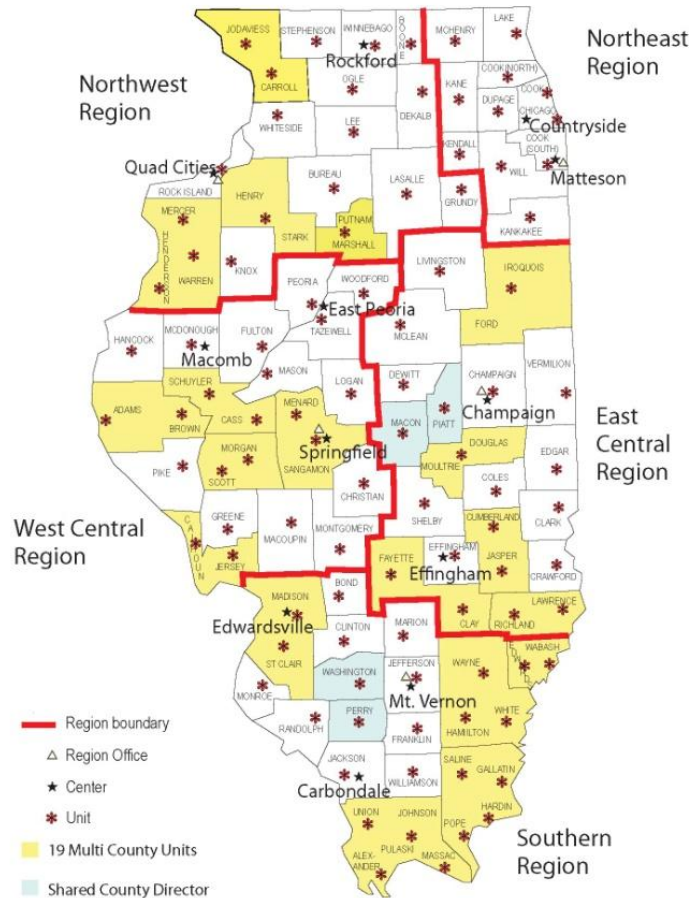

University of Illinois Extension

- Provide programs in each of the 102 counties in Illinois
- Over 2.7 million educational event contacts on average per year
- More than 268,000 youth involved in 4-H development programs
- Delivering education and staff expertise related to sustainable energy, water quality and financial management
- Collaborated with local, state and federal agencies to develop disaster migration plans for flood-stricken communities

Conclusion

- The needs of the State of Illinois are multi-dimensional and complex
- Outreach and service to the citizens and communities of Illinois remain a vital component of the University's mission
- The University of Illinois responds to emerging needs in evolving and innovative ways, fostering collaboration and resource sharing between the three campuses and communities throughout the state of Illinois
