In May 2009, the Board approved the project for Stanley O. Ikenberry Commons – Residence Hall No. 2, Phase E, and Forbes Hall Demolition, Phase G with a budget of \$78.1 million. In September 2009, the Board approved the employment of FGM architects of Oak Brook, IL, to provide professional services for this project.

This new minimum LEED Silver-certified facility will offer approximately 480 beds in suites or semi-suites configured rooms. In addition to student living spaces, floor lounges, public meeting spaces, professional staff apartments, laundry, mailroom facilities appropriate storage, and staff offices will also be provided. The project will provide approximately 180,000 gross square feet (\$296 construction cost per gross square feet) of residence hall.
