

# University of Illinois Hospital & Clinics

**An Agenda for the Future**

# **Our Agenda is Driven By Our Vision**

**To be a Preeminent Academic Health Center  
known for**

- **Improving health and wellness of communities,**
- **Innovative, cost effective models of care,**
- **Developing health care leaders, and**
- **Advancing knowledge.**

**With a mission to care for the underserved and promote health equity**

**Healthcare Industry is at a Crossroad:  
The Days of Business As Usual Are Over!**

**Just as healthcare is changing  
so are we**

# Strategic Transformation

**Traditional  
Safety Net  
Academic  
Medical  
Center**

**Fee for  
Service**

**From episodic care  
to managing  
population health**

**Integrated  
Academic  
Health  
Center of  
the Future**

**Value based  
payments**

# Two Pronged Approach

Provide comprehensive care for enrolled population

Work with MSHC and other outpatient sites to manage care across the continuum

Serve as the regional “hub” for tertiary and quaternary care

Work with network of referring hospitals and contracted services for managed care groups

Implement multidisciplinary models of care

# Leveraging Research and Teaching

**Population Health**

**Regional Specialty  
Care Center**

**Health Sciences Research**

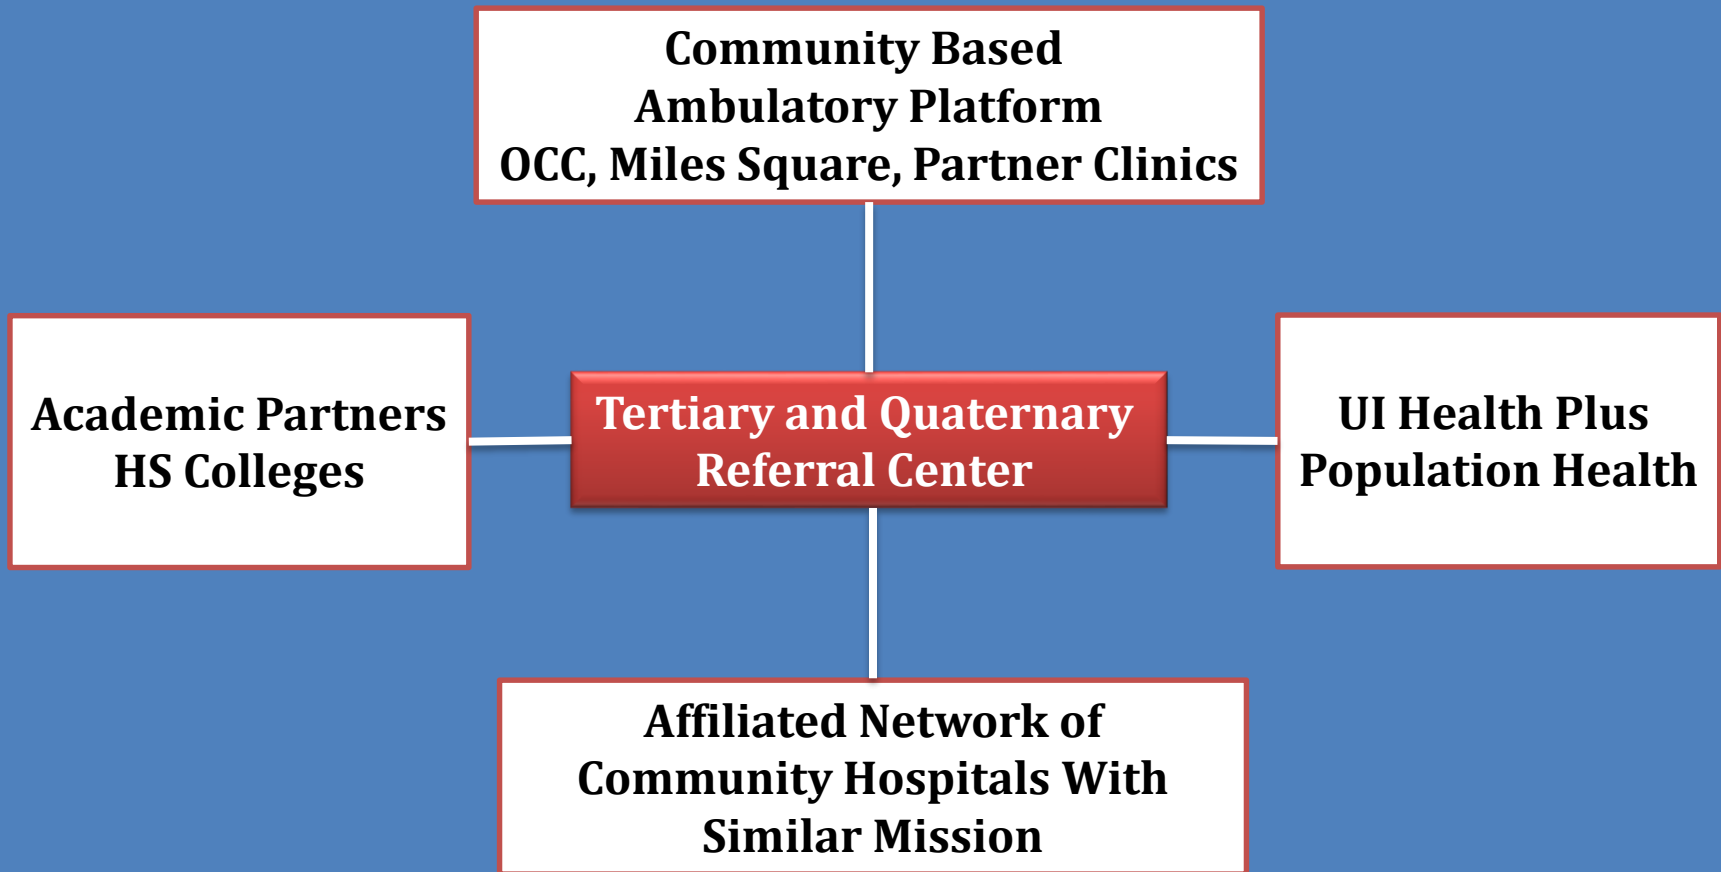

**New Care Delivery Models  
Managing Chronic Diseases  
Community Based Care Models  
Mobile Health**

**Clinical Sciences Research**

**Clinical Trials  
Personalized Medicine  
Diagnostic Technologies  
Advanced Treatment Protocols**

Comprehensive research platform for advancing knowledge

# An Integrated Network

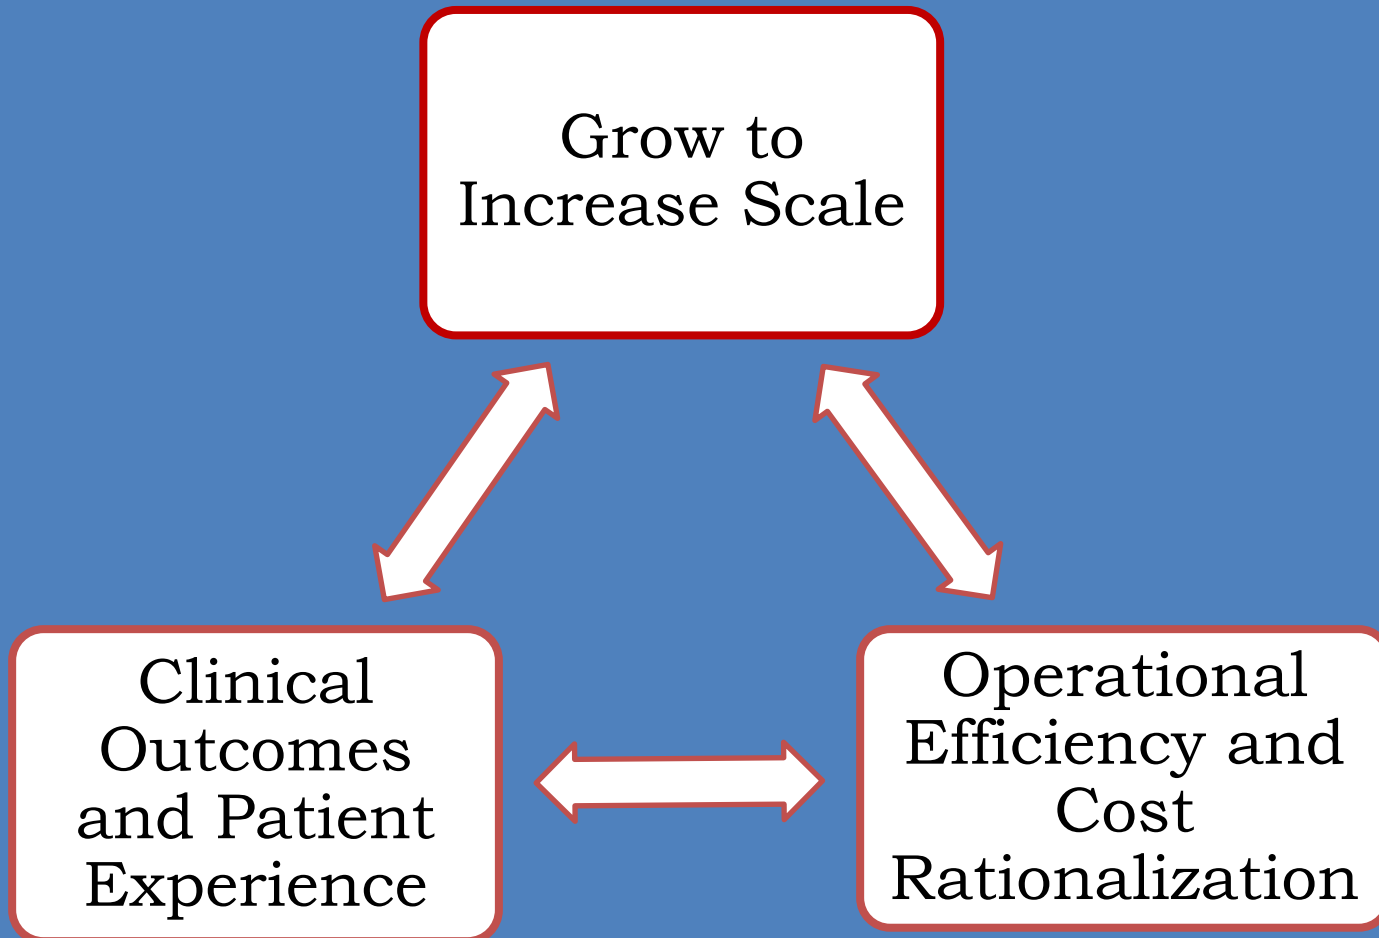

Participate in IMD led initiatives

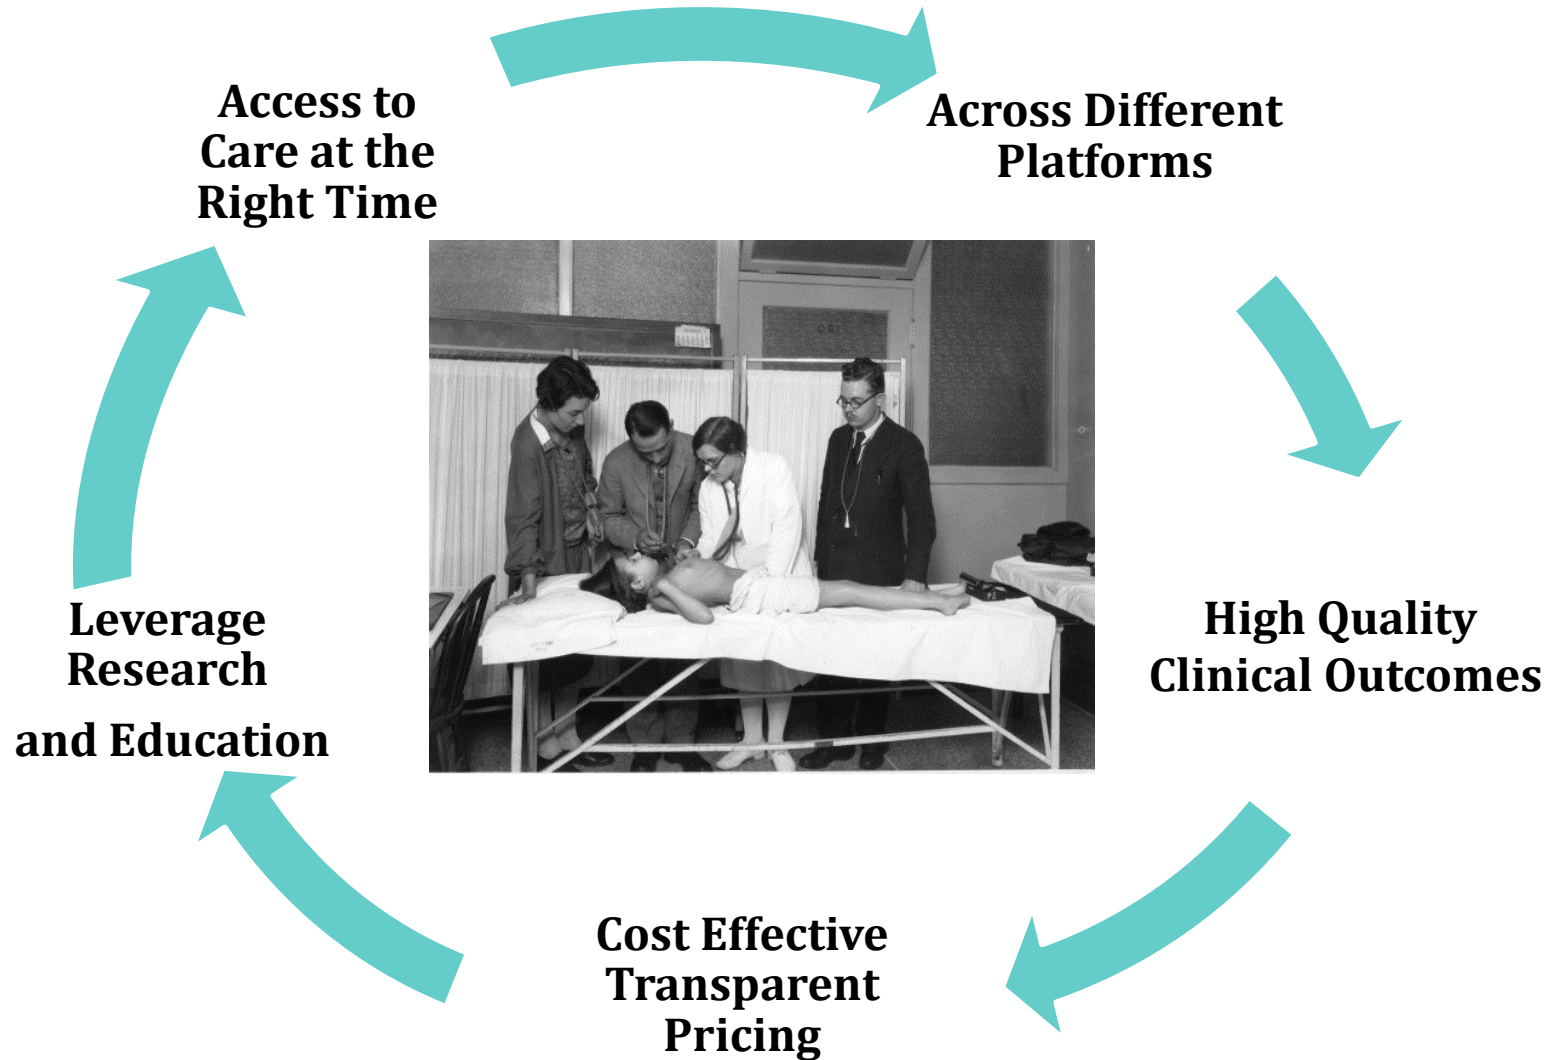

**To Implement Our Strategy We Are  
Improving Hospital Operations**

# Triple Aim

# Always Keeping the Patient at the Center

# Moving Forward Will Require

- **Ability to Invest**
- **Creating Shared Service Operations**
- **Forming Partnerships and Affiliations**
- **Nimbleness**
- **Organizational Models for Collaboration**

**Our Success is Not Pre-Ordained  
We Must Earn it  
Through Our Diligent Efforts**
