RENAME THE WILLIAM L. EVERITT LABORATORY OF ELECTRICAL AND
COMPUTER ENGINEERING, URBANA

Action: Rename the William L. Everitt Laboratory of Electrical and Computer Engineering

Funding: No New Funding Required

In November 1987, the Board approved the naming of the William L. Everitt Laboratory of Electrical and Computer Engineering to honor the late William L. Everitt, who served as the Dean of the College of Engineering between 1949 and 1967. In 2014, the Electrical and Computer Engineering department relocated to its new home, the Electrical and Computer Engineering Building. Between 2016 and 2018, Everitt Laboratory underwent a major renovation, and became the new home for the Department of Bioengineering.

In order to better align the building name with its current academic purpose, the Chancellor, University of Illinois at Urbana-Champaign, and Vice President, University of Illinois recommends for approval the renaming of the William L. Everitt Laboratory of Electrical and Computer Engineering to the William L. Everitt Laboratory.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of

Trustees policies and directives.

The President of the University concurs.
