

2022 CDBG Capital Improvement/Demolition and Economic Development Project Application

FORM B: ESTIMATED MATCHING FUNDS CERTIFICATION

Matching funds are defined as any local, county, state, federal (other than CDBG) or private funds used in conjunction with CDBG funds to implement or construct a proposed project. This form must be filled out to document matching funds entered on the project budget (page 10-11). **Please note** that the use of special assessments against property owned and occupied by low- and moderate-income persons is prohibited.

In the event that the proposed project is funded at a lesser amount than requested, the matching funds will be reduced in the same proportion. For example, if you request \$100,000 with a \$30,000 (30%) match, and actually receive \$50,000 in block grant funds, your required match will be \$15,000 (30% x \$50,000).

Subrecipients are urged to use matching funds whenever possible.
