FORM B: ESTIMATED MATCHING FUNDS CERTIFICATION

Matching funds are defined as any local, county, state, federal (other than CDBG) or private funds used in conjunction with CDBG funds to implement or construct a proposed project. This form must be filled out to document matching funds entered on the project budget (page 10-11). Please note that the use of special assessments against property owned and occupied by low- and moderate-income persons is prohibited.

In the event that the proposed project is funded at a lesser amount than requested, the matching funds will be reduced in the same proportion. For example, if you request $100,000 with a $30,000 (30%) match, and actually receive $50,000 in block grant funds, your required match will be $15,000 (30% x $50,000).

Subrecipients are urged to use matching funds whenever possible.
