

Board Meeting
March 26, 2008

ROLL CALL

APPROVE STUDENT CENTER ADDITION TO NEWMARK CIVIL ENGINEERING
BUILDING, URBANA

Action: Approve Student Center Addition to Newmark Civil Engineering Building, Urbana

Funding: Gift funds and Institutional Funds Operating Budget

The proposed \$9.0 million Student Center Addition to the Newmark Civil Engineering Building provides for approximately 22,500 gross square feet of new classrooms, student design labs, offices, and lecture hall. This addition will house the Department of Civil Engineering and Environmental Engineering faculty offices and classrooms in the same building.

Accordingly, the Chancellor at Urbana with the concurrence of the appropriate administrative officers recommends that the Newmark Civil Engineering Building Student Center Addition project be approved with a budget of \$9.0 million. The construction cost per gross square foot is \$280.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Funds for this project are available from gift funds and institutional funds operating budget of the Urbana campus.

The President of the University concurs.
