

ROLL CALL

APPROVE DESIGN FOR ADDITION AND RENOVATION, CHEMISTRY ANNEX
BUILDING, URBANA

Action: Approve Design for Addition and Renovation, Chemistry Annex Building

Funding: Academic Facilities Maintenance Fund Assessment Fund, Institutional
Funds Operating Budget, Gift Funds

In May 2012, the Board approved the Addition and Renovation of the Chemistry Annex building with a budget of \$22.9 million, and in January 2013, the Board approved employment of architect/engineer Harley Ellis Devereaux Architects, Chicago, IL. The proposed addition and renovation will provide 52,000 gross square feet of new state-of-the-art laboratory instructional areas and associated support spaces within the existing 40,000 square foot facility and 12,000 square feet of addition. Included within the addition, the project will address life safety and accessibility issues as well as office collaboration and classroom spaces.

In order for the project to proceed, it is necessary to approve the design. The design meets all campus building standards, including Americans with Disabilities Act accessibility and applicable State and federal standards and is within the approved budget.

Accordingly, the Chancellor, University of Illinois at Urbana-Champaign and Vice President, University of Illinois with the concurrence of the appropriate administrative officers recommends that the design be approved.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Funds for the project are available from the institutional funds operating budget of the Urbana-Champaign campus, gift funds and Academic Facilities Maintenance Fund Assessment Fund.

The President of the University concurs.
