

ROLL CALL

APPROVE DESIGN FOR RENOVATION AND EXPANSION, CIVIL ENGINEERING
HYDROSYSTEMS LABORATORY, URBANA

Action: Approve Design for Renovation and Expansion, Civil Engineering
Hydrosystems Laboratory

Funding: Institutional Funds Operating Budget, Academic Facilities Maintenance
Fund Assessment Fund, and Gift Funds

In January 2015, the Board approved the \$12,012,500 Civil Engineering Hydrosystems Laboratory Renovation and Expansion project. Subsequent to project approval by the Board, a conceptualization study was completed which revealed extreme challenges faced in achieving the desired program with 15,000 new and 32,000 renovated square feet in space. In March 2017, and in July 2017, the Board approved budget increases bringing the current project budget to \$33,570,000.

In order for the project to proceed, it is necessary to approve the design. The design meets all campus building standards, including the American with Disabilities Act, accessibility and applicable State and Federal standards; and is within the approved budget.

Accordingly, the Chancellor, University of Illinois at Urbana-Champaign, and Vice President, University of Illinois with the concurrence of the appropriate

administrative officers recommends that the design be approved.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, the Board of Trustees policies and directives.

Funds for this project are available from the institutional funds operating budget of the University of Illinois at Urbana-Champaign, Academic Facilities Maintenance Fund Assessment Fund, and gift funds.

The President of the University concurs.
