

SECOND DAY'S SESSION.

The Board met at 9:50 o'clock A. M. Present as before.

The committee on a communication from Judge Smith, in regard to the manufacture of a certain article in the University shops, was continued.

Professors Weber and Scovell's report on Sorghum experiments was received, and referred to the Regent, Recording Secretary and Executive Committee, with direction to have it published in such form as deemed desirable.

The following preamble and resolutions were adopted :

WHEREAS, the Board of Trustees have heretofore, by their action in the premises relative to secret organizations, expressed the opinion that they are of a doubtful utility, and may be the source of much injury, we deem it best to reaffirm the former action of the Board; therefore, be it

Resolved, That the Board of Trustees deem the organization and existence of secret societies among the under-graduates of the University unwise, and detrimental to the best interests of the institution.

Resolved, That the Regent and Faculty be and they are hereby directed to take such measures as may be needful to secure the abandonment of such societies, if any exist, now or hereafter.

The report of the Business Agent was received and placed on file.

URBANA, ILL., September 13th, 1881.

JOHN W. BUNN, *Treasurer.*

It was voted that Cecil H. Peabody be engaged as Assistant Professor of Mechanical Engineering and Physics, at a salary of \$90 per month for ten months, to begin September 1, 1881.

The following resolution, by Mr. Millard, was adopted:

Resolved, That the Regent and President of the Board be and they are hereby authorized to employ such person or persons as they may deem advisable, to correspond for and in the interest of the University with the press of the State: that the Faculty be, and they are hereby requested, to prepare and furnish such correspondent with a report of all experiments and matters of public interest pertaining to the University.

Resolved, That a sum not exceeding \$200 be appropriated for such purpose.

In regard to a request from Mrs. Larned and Miss Sickles, the Secretary was instructed to inform the petitioners that it is deemed inexpedient to re-establish the School of Domestic Science.

Mr. McLean offered the following resolution, which was adopted:

Resolved. That the heads of the several departments of the University shall hereafter make full and detailed statements of all sums of money expended by them in their several departments, under direction and by authority of the Board of Trustees, setting forth to whom and for what purpose the same has been expended; and that regular pay-rolls shall be made out, showing the number of days' labor and amount per diem, together with the receipts of such sums of money for labor so expended, duly signed by the persons so named in said pay-roll.

Adjourned.

EMORY COBB, *President.*

E. SNYDER, *Secretary.*
