

TWENTY-FOURTH REPORT

(Seven Annual, Seventeen Biennial)

OF THE

Board of Trustees

OF THE

UNIVERSITY OF ILLINOIS

URBANA, ILLINOIS

FOR THE TWO YEARS ENDING SEPTEMBER 30, 1908

SPRINGFIELD:
ILLINOIS STATE JOURNAL CO., STATE PRINTERS
1908.

UNIVERSITY OF ILLINOIS,
URBANA, NOV. 1, 1908.

Honorable Charles S. Deneen, Governor of Illinois:

SIR—I have the honor to submit to you herewith, in compliance with the law, the twenty-fourth report of the Trustees of the University of Illinois, for the two years ending September 30, 1908.

I am, very respectfully, your obedient servant,

WILLIAM L. PILLSBURY,
Corresponding Secretary.

BOARD OF TRUSTEES.

Ex-Officio.

CHARLES S. DENEEN, *Governor of Illinois*, Springfield.

GEORGE H. MADDEN, *President of the State Board of Agriculture*,
Mendota.

FRANK G. BLAIR, *Superintendent of Public Instruction*, Springfield.

Term of Office Expires in 1909.

MRS. LAURA B. EVANS, Taylorville.

LEWIS L. LEHMAN, Mattoon.

Term of Office Expires in 1911.

WILLIAM L. ABBOTT, 139 Adams Street, Chicago.

DR. CHARLES DAVISON, 1010, 103 State Street, Chicago.

MRS. MARY E. BUSEY, Urbana.

Term of Office Expires in 1913.

MRS. CARRIE T. ALEXANDER, Bellville.

FRED L. HATCH, Spring Grove.

Officers of the Board.

WILLIAM L. ABBOTT, 139 Adams Street, Chicago, *President*.

WILLIAM L. PILLSBURY, Urbana, *Secretary*.

HELGE A. HAUGAN, State Bank of Chicago, Chicago, *Treasurer*.

PROFESSOR S. W. SHATTUCK, Champaign, *Comptroller*.

Executive Committee.

WILLIAM L. ABBOTT, *Chairman*; LEWIS L. LEHMAN,

MRS. CARRIE T. ALEXANDER.

ADVISORY BOARDS.

SCHOOL OF PHARMACY.

W. K. FORSYTH, Chicago; W. H. GALE, Chicago; SAMUEL COFFINBERRY, Peoria; FRANK THOMAS, Cairo; H. W. GIESE, Bloomington.

AGRICULTURAL EXPERIMENT STATION.

College Section: A. P. GROUT, President Illinois Live Stock Breeders' Association; A. V. SCHERMERHORN, President Illinois State Farmers' Institute; E. E. CHESTER, President Illinois Corn Growers' Association; L. N. WIGGINS, President Illinois State Dairymen's Association; GEORGE F. FOSTER, President State Horticultural Society.

Live Stock Section: A. P. GROUT, Winchester; L. H. KERRICK,* Bloomington; JOSEPH FULKERSON, Jerseyville; JACOB ZEIGLER, Clinton; JOHN H. KINCAID, Athens.

Crop Section: E. E. CHESTER, Champaign; C. A. ROWE, Jacksonville; JOHN R. CLISBY, Arcola; J. H. COOLDGE, Galesburg; S. W. STRONG, Pontiac.

Soil Section: RALPH ALLEN, Delavan; A. N. ABBOTT, Morrison; F. I. MANN, Gilman; J. P. MASON, Elgin; B. F. WYMAN, Sycamore.

Orchard Section: ARTHUR BRYANT, Princeton; J. F. JOLLY, Olney; F. D. VORIS, Neoga; H. A. ALDRICH, Neoga; J. W. STANTON, Richview.

Dairy Section: F. A. CARR, Aurora; LOUIS LATZER, Highland; C. F. MILLS, Springfield; JANE ADDAMS, Hull House, Chicago; J. P. MASON, Elgin.

ENGINEERING EXPERIMENT STATION.

Conference Committee on Fuel Tests of Illinois Coals: H. F. BAIN, Urbana, for State Geological Survey; A. BEMENT, American Trust Building, Chicago, for Western Society of Engineers; EDWIN H. CHENEY, 1712 Marquette Building, Chicago, for Building Managers' Association of Chicago; F. H. CLARK, C. & B. & Q. Railway, Chicago, for Western Railway club; ADOLPH MUELLER, Decatur, for Illinois Manufacturers' Association; CARL SCHOLZ, Old Colony Building, Chicago, for Illinois Coal Operators' Association; A. V. SCHROEDER, Decatur, for State Electric Light Association; WILLIAM L. ABBOTT, 139 Adams street, Chicago, for Board of Trustees, University of Illinois; L. P. BRECKENRIDGE, Urbana, for Engineering Experiment Station.

Conference Committee on Electric Traction Tests: WM. L. ABBOTT, Chief Operating Engineer Chicago Edison Company, and Trustee of the University of Illinois, 139 Adams street, Chicago; L. E. FISCHER, Vice President and General Manager Illinois Traction System, Danville; T. P. GAYLORD, General Manager Westinghouse Electric Company, 171 La Salle street, Chicago; B. E. SUNNY, General Manager General Electric Company, Chicago; L. P. BRECKENRIDGE, Director of the Engineering Experiment Station, University of Illinois; MORGAN BROOKS, Professor of Electrical Engineering, University of Illinois; EDWARD C. SCHMIDT, Associate Professor of Railway Engineering, University of Illinois.

DEPARTMENT OF CERAMICS.

A. W. GATES, Monmouth; W. D. GATES, 602 Chamber of Commerce, Chicago; F. W. BUTTERWORTH, Danville; J. W. STIPES, Champaign; D. V. PURINGTON, Chamber of Commerce, Chicago.

* Deceased.

OFFICERS OF ADMINISTRATION.

PRESIDENT: EDMUND J. JAMES, PH.D., LL.D. Office Library Building.
SECRETARY AND REGISTRAR: WILLIAM L. PILLSBURY, A.M. Office,
Library Building. Office hours, 2:00 to 5:00 p. m.
COMPTROLLER: SAMUEL W. SHATTUCK, C.E. Office Library Building.
Office hours, 3:00 to 5:00 p. m.

COUNCIL OF ADMINISTRATION.

EDMUND JAMES JAMES, PH.D., LL.D., President. President's House, University Campus, U.*

THOMAS JONATHAN BURRILL, PH.D., LL.D., Vice-President, and Professor of Botany. 1007 West Green Street, U.

DAVID KINLEY, PH.D., Dean of the Graduate School, Director of the Courses in Commerce, and Professor of Economics. 1101 West Oregon Street, U.

EUGENE DAVENPORT, M.AGR., LL.D., Dean of the College of Agriculture and Professor of Thremmatology. 805 South Wright Street, C.

OLIVER ALBERT HARKER, A.M., Dean of the College of Law and Professor of Law. 1010 West California avenue, U.

WILLIAM EDWARD QUINE, M.D., Dean of the College of Medicine and Professor of the Practice of Medicine and Clinical Medicine. 103 State street, Chicago.

THOMAS ARKLE CLARK, B.L., Dean of Undergraduates and Professor of Rhetoric. 928 West Illinois street, U.

WILLIAM FREEMAN MYRICK GOSS, D.ENG., Dean of the College of Engineering, Director of the School of Railway Engineering and Administration, and Professor of Railway Engineering. 611 West University avenue, C.

EDGAR JEROME TOWNSEND, PH.D., Dean of the College of Science and Professor of Mathematics. 510 John street, C.

EVARTS BOUTELL GREENE, PH.D., Dean of the College of Literature and Arts and Professor of History. 1011 South Wright street, C.

GEORGE WASHINGTON COOK, B.S., D.D.S., Dean of the College of Dentistry and Professor of Bacteriology, Pathology, and Therapeutics. Corner 47th street and Kenwood avenue, Chicago.

LILY GAVIT KOLLOCK, PH.D., Dean of Women. 1002½ West California avenue, U.

OTHER OFFICERS.

FRANCIS KEESE WYNKOOP DRURY, A.M., B.L.S., Assistant Professor, Acting Librarian. 1105 West Oregon street, U.

NATHANIEL HAY, Purchasing Agent. 917 West California avenue, U.

OREN ELMER STAPLES, Chief Clerk. 606 East Green street, C.

JOSEPH MORROW, Superintendent of Buildings. 601 E. Springfield avenue, C.

EVELYN ATKINSON, Superintendent of Grounds. 1305 West Clark street, U.

JOHN GUY WILSON, A.B., LL.B., Chief Clerk in the President's Office. 1001 South Fifth street, C.

*U. stands for Urbana, C. for Champaign.

SENATE.

(The members of the Council of Administration are also members of the Senate.)

SAMUEL WALKER SHATTUCK, C.E., Professor of Mathematics. 208 West Church street, C.

NATHAN CLIFFORD RICKER, D.ARCH., Professor of Architecture. 612 West Green street, U.

IRA OSBORNE BAKER, C.E., D.ENG., Professor of Civil Engineering. 702 West University avenue, C.

STEPHEN ALFRED FORBES, PH.D., Professor of Zoölogy. 1209 West Springfield avenue, U.

CHARLES WESLEY ROLFE, M.S., Professor of Geology. 601 East John street, C.

DONALD MCINTOSH, V.S., Professor of Veterinary Science. 511 West Park street, C.

ARTHUR NEWELL TALBOT, C.E., Professor of Municipal and Sanitary Engineering. 1011 West California avenue, U.

SAMUEL WILSON PARR, M.S., Professor of Applied Chemistry. 919 West Green street, U.

HERBERT JEWETT BARTON, A.M., Professor of the Latin Language and Literature. 406 West Hill street, C.

CHARLES MELVILLE MOSS, PH.D., Professor of the Greek Language and Literature. 806 South Mathews avenue, U.

DANIEL KILHAM DODGE, PH.D., Professor of the English Language and Literature. 806 West Green street, C.

LESTER PAIGE BRECKENRIDGE, PH.B., Professor of Mechanical Engineering. 1005 West Green street, U.

ALBERT PRUDEN CARMAN, ScD., Professor of Physics. 908 West California avenue, U.

GEORGE THEOPHILUS KEMP, M.D., PH.D., Professor of Physiology. 112 West Hill street, C.

ARTHUR HILL DANIELS, PH.D., Professor of Philosophy and Secretary. 913 West Illinois street, U.

*EDWIN GRANT DEXTER, PH.D., Professor of Education.

ISABEL BEVIER, PH.M., Professor of Household Science. 805 South Lincoln avenue, U.

CYRIL GEORGE HOPKINS, M.S., PH.D., Professor of Agronomy. 1001 South Wright street, C.

EDMOND GUSTAVE FECHET, Lieutenant-Colonel U.S.A. (Retired), Professor of Military Science and Tactics. 507 West Washington street, C.

MORGAN BROOKS, PH.B., M.E., Professor of Electrical Engineering. 1012 West Oregon street, U.

FREDERICK LOCKE LAWRENCE, Director of the School of Music. Professor of Piano. 604 Lincoln avenue, U.

HERBERT WINDSOR MUMFORD, B.S., Professor of Animal Husbandry. Experiment Station Farm, U.

GEORGE A. HUFF, Director of the Department of Physical Training. 511 West University avenue, C.

JOSEPH CULLEN BLAIR, B.S.A., Professor of Pomology. 810 West Oregon street, U.

WILBER JOHN FRASER, M.S., Professor of Dairy Husbandry. 1003 South Wright street, C.

THOMAS EDWARD OLIVER, PH.D., Professor of Romance Languages. 912 West Illinois street, U.

HARRY SANDS GRINDLEY, Sc.D., Professor of Animal Chemistry. 918 West Green street, U.

†GUSTAF E. KARSTEN, PH.D., Head of Department of Modern Languages, Professor of German. 804 West Green street, U.

STEPHEN SHELDON COLVIN, PH.D., Professor of Psychology, and Acting Director of the School of Education. 910 West Oregon street, U.

JAMES WILFORD GARNER, RH.D., Professor of Political Science. 902 West Oregon street, U.

*On leave.

†Died Jaquary 29, 1908.

HORACE ADELBERT HOLLISTER, A.M., Assistant Professor, High School Visitor. 106 East Green street, C.

THOMAS WELBURN HUGHES, LL.M., Professor of Law. 307 South Wright street, C.

NEWTON ALONZO WELLS, M.P., Professor of Architectural Decoration. 803 West Oregon street, U.

JAMES MC LAREN, WHITE, B.S., Supervising Architect, Professor of Architectural Engineering. 716 West University avenue, C.

MAURICE HENRY ROBINSON, PH.D., Professor of Industry and Transportation. 906½ West California avenue, U.

GEORGE MYGATT FISK, PH.D., Professor of Commerce. 201 South Elm street, C.

FREDERICK GREEN, A.M., LL.B., Professor of Law. 1002½ West California avenue, U.

GEORGE LUTHER CLARK, A.B., LL.B., Professor of Law. 917 Nevada street, U.

EDWARD JOHN LAKE, B.S., Assistant Professor of Art and Design, Acting Head of Department. 703 West Park street, C.

EDWARD BARTOW, PH.D., Professor of Sanitary Chemistry, Director of the State Water Survey. 1007 West Oregon street, U.

GUY STANTON FORD, PH.D., Professor of Modern European History. 805 South Goodwin avenue, U.

GEORGE ABRAM MILLER, PH.D., Professor of Mathematics. 907 Nevada street, U.

WILLIAM ALBERT NOYES, PH.D., Professor of Chemistry, Director of Chemical Laboratory. 1005 Nevada street, U.

CHESTER NOYES GREENOUGH, PH.D., Professor of English. 1109 West California avenue, U.

BARRY GILBERT, A.B., LL.B., Professor of Law. 108 East Green street, C.

ERNEST RITSON DEWSNUP, A.M., Professor of Railway Administration. 713 West Elm street, U.

EDWARD CAREY HAYES, PH.D., Professor of Sociology. 906 West California avenue, U.

ALBERT S. WILSON, A.M., Director of Library School. 605 West California avenue, U.

GENERAL FACULTY.

(Which includes also the Council and the Senate.)

EDWARD FULTON, PH.D., Associate Professor of Rhetoric. 1008 West Oregon street, U.

EDWARD CHARLES SCHMIDT, M.E., Associate Professor of Railway Engineering. 903 West California avenue, U.

ELLIOTT JUDD NORTHRUP, A.B., LL.B., Associate Professor of Law. 907 West California avenue, U.

DAVID HOBART CARNAHAN, A.M., PH.D., Associate Professor of Romance Languages. 617 South Wright street, C.

GEORGE ALFRED GOODENOUGH, M.E., Associate Professor of Mechanical Engineering. 607 West Elm street, U.

FRANK SMITH, A.M., Associate Professor of Zoölogy. 913 West California avenue, U.

OTTO EDWARD LESSING, PH.D., Associate Professor of German. 906 Gregory Place.

ERNEST JULIUS WILCZYNSKI, PH.D., Associate Professor of Mathematics. Hotel Beardsley, C.

EDWARD CHAUNCEY BALDWIN, PH.D., Assistant Professor of English Literature. 1006 West Nevada street, U.

CHARLES FREDERICK HOTTES, PH.D., Assistant Professor of Botany. 915 West California avenue, U.

*HENRY LAWRENCE SCHOOLCRAFT, PH.D., Assistant Professor of History.

GEORGE HENRY MEYER, A.M., Assistant Professor of the German Language and Literature. 905 West Green street U.

*On leave.

- *NEIL CONWELL BROOKS, PH.D., Assistant Professor of German.
JOHN WILLIAM LLOYD, M.S.A., Assistant Professor of Olericulture. 1005 South Wright street, C.
- NATHAN AUSTIN WESTON, PH.D., Assistant Professor of Economics. 601 East Daniel street, C.
- FRANCES SIMPSON, M.L., B.L.S., Assistant Professor of Library Economy, Reference Librarian. 1008 West Green Street, U.
- CHARLES SPENCER CRANDALL, M.S., Associate Professor of Pomology. 1106 West Oregon street, U.
- OSCAR ADOLPH LEUTWILER, M.E., Assistant Professor of Machine Design. 511 West Green street, U.
- CHARLES TOBIAS KNIPP, PH.D., Assistant Professor of Physics. 913 West Nevada street, U.
- JEREMIAH GEORGE MOSIER, B.S., Assistant Professor of Soil Physics. 907 West Illinois street, U.
- FLOYD ROWE WATSON, PH.D., Assistant Professor of Physics, Assistant to the Dean of the College of Engineering. 503 South Coler avenue, U.
- HENRY LEWIS RIETZ, PH.D., Assistant Professor of Mathematics. 907 West California street, U.
- AZARIAH THOMAS LINCOLN, PH.D., Assistant Professor of Chemistry. 1014 West Oregon street, U.
- JOEL STEBBINS, PH.D., Assistant Professor of Astronomy. 1013 Nevada street, U.
- *HARRY G. PAUL, A.M., Assistant Professor of the English Language and Literature.
- RICHARD SYDNEY CURTISS, PH.D., Assistant Professor of Organic Chemistry. 612 South Coler avenue, U.
- ANNA MAY PRICE, A.M., B.L.S., Assistant Professor of Library Economy. 903 Busey avenue, U.
- ALANSON PHELPS WYMAN, B.S.A., Assistant Professor of Landscape Gardening. 17 East Van Buren street, Chicago.
- JOHN WATROUS CASE, B.S., Assistant Professor of Architectural Design. 17 Davidson Place, C.
- FRANK OLIVER DUFOUR, C.E., Assistant Professor of Structural Engineering. 113 Davidson street, College Place, C.
- JOHN PASCAL BROOKS, M.S., Assistant Professor of Civil Engineering. 1105 West California avenue, U.
- SUSANNAH USHER, B.S., Assistant Professor of Household Science. 1007 West Illinois street, U.
- CHARLES NELSON HASKINS, PH.D., Assistant Professor of Mathematics. 907 West California avenue, U.
- WILLIAM SHIRLEY BAYLEY, PH.D., Associate Professor of Geology. 1104 West Oregon street, U.
- THOMAS EDMUND SAVAGE, M.S., Assistant Professor of Structural Geology. Coler and Oregon streets, U.
- JAMES HERBERT GILL, M.E., Assistant Professor of Machine Construction. 410 West Illinois street, U.
- JOHN CHARLES THORPE, M.E., Assistant Professor of Steam Engineering. 407 East Main street, U.
- HARRY FOSTER BAIN, PH.D., Lecturer in Economic Geology. 907 West California avenue, U.
- CLARENCE WOLWORTH ALVORD, A.B., Assistant Professor of History. 1101 West California avenue, U.
- JOHN WALLACE BAIRD, PH.D., Assistant Professor of Psychology. 901 South Busey Avenue, U.
- CHARLES WESLEY MALCOLM, B.S., C.E., Assistant Professor of Structural Engineering. 705 South Sixth street, C.
- *JAMES HARVEY PETIT, PH.D., Assistant Professor of Soil Fertility.
- WILLIAM DIETRICH, M.S., M.S.A., Assistant Professor of Swine Husbandry. 701 West California avenue, U.
- CARL EMIL LEE, B.S., Assistant Professor in Dairy Manufactures. 510 West Healy street, C.

FRED HENRY RANKIN, Assistant Professor, Superintendent of Agricultural Extension. 1012 West California avenue, U.

LOUIE HENRIE SMITH, PH.D., Assistant Professor of Plant Breeding. 604 Daniel street, C.

HERBERT FISHER MOORE, B.S., M.M.E., Assistant Professor of Theoretical and Applied Mechanics. 710 West Hill street, C.

ELLERY BURTON PAINE, M.S., E.E., Assistant Professor of Electrical Engineering. 1003 West California avenue, U.

GUY TAWNEY, PH.D., Assistant Professor of Philosophy. 1001 West California avenue, U.

ALBERT VICTOR BLEININGER, B.S., Assistant Professor of Ceramics. 904 South Sixth street, C.

PHILIP BOVIER, HAWK, PH.D., Assistant Professor of Physiological Chemistry 1106 West Illinois street, U.

EDWARD HARDENBERGH WALDO, A.B., M.E., Assistant Professor of Electrical Engineering. 713 West Elm street, U.

ASSOCIATES.

CHARLES RICHARD CLARK, B.S., Associate in Architectural Construction 105 Chalmers street, C.

EDGAR ISAAC WENGER, B.S., Associate in Railway Engineering. 604 West Elm street, U.

JUSTUS WATSON FOLSOM, SC.D., Associate in Entomology. 207 South Elm street, C.

FRANK WILLIAM SCOTT, A.M., Associate in English. 617 South Wright street, C.

STUART PRATT SHERMAN, PH.D., Associate in English. 707 West California avenue, U.

LAURENCE MARCELLUS LARSON, PH.D., Associate in History. 1117 Euclid street, C.

ERNEST MILTON HALLIDAY, A.B., LL.B., Associate in English. 1103 West Oregon street, U.

THACHER HOWLAND GUILD, A.M., Associate in English. 617 South Wright street, C.

HARRIE STUART VEDDER JONES, PH.D., Associate in English. 608 West California avenue, U.

ARTHUR ROMEYN SEYMOUR, PH.D., Associate in Spanish. 1017 West Oregon street, U.

LAWRENCE GILBERT PARKER, B.S., C.E., Associate in Civil Engineering. 705 South Sixth street, C.

JOHN MYRON BRYANT, B.S., Associate in Electrical Engineering. 506 West Illinois street, U.

HERBERT LUCIUS WHITTEMORE, B.S., Associate in Applied Mechanics. 920 West Green street, U.

CHARLES HERSCHEL SISAM, PH.D., Associate in Mathematics. 609 South Busey avenue, U.

AMOS WILLIAM PETERS, PH.D., Associate in Zoölogy. 1008 West Green street, U.

ALBERT NASH HUME, M.S., Associate in Crop Production. 711 West Illinois street, U.

LOUIS DIXON HALL, M.S., Associate in Animal Husbandry. 111 Chalmers street, C.

RUFUS CHAUNCEY OBRECHT, M.S., Associate in Horse Husbandry. 1016 Nevada street, U.

CASSIUS CLAY HAYDEN, B.S., Associate in Dairy Husbandry. 904 West California avenue, U.

WALTER CASTELLA COFFEY, B.S., Associate in Sheep Husbandry. 610 West Oregon street, U.

JOHN HANCOCK McCLELLAN, PH.D., Associate in Zoölogy. 808 West Illinois street, U.

LOUIS JOHN PAETOW, PH.D., Associate in History. 905 West Green street, U.

ROY VICTOR ENGSTROM, B.S., Associate in Theoretical and Applied Mechanics. 1016 West California avenue, U.

CARLOS LENOX MCMASTER, C.E., Associate in General Engineering Drawing. 105 East Green street, C.

HAMILTON FORD ALLEN, PH.D., Associate in the Classics. 514 East Daniel street, C.

CLARENCE WILLIAM BALKE, PH.D., Associate in Chemistry. 809 West Hubbard avenue, U.

WILLIS B. HOLMES, PH.D., Associate in Chemistry. 1003 South Fifth street, C.

EDWARD JOSEPH FORTIER, A.B., Associate in Romance Languages. 606 West California street, U.

INSTRUTORS.

MRS. JENNETTE CARPENTER LINCOLN, Instructor in Physical Training for Women. 1018 West Oregon street, U.

MARTHA JACKSON KYLE, A.M., Instructor in English. 805 South Lincoln avenue, U.

ERNEST WILLIAM PONZER, M.S., Instructor in Mathematics. 708 South Fourth street, C.

DAISY LUANA BLAISDELL, A.M., Instructor in German. 912 West California avenue, U.

FLORENCE NIGHTINGALE JONES, PH.D., Instructor in Romance Languages. 912 West California avenue, U.

MARION BALLANTYNE WHITE, PH.B., Instructor in Mathematics. 716 West University avenue, C.

DAVID LEONARD SCROGGIN, Instructor in Machine shop. 703 West Washington, street, U.

MRS. MARY EMORY BRENNEMAN, Instructor in Vocal Music. 1010 West California avenue, U.

FRED RANDALL CRANE, B.S., Instructor in Farm Mechanics. 802 South Mathews avenue, U.

ALVIN CASEY BEAL, M.S.A., Instructor in Floriculture. 805 South Sixth street, C.

ISABEL ELIZA JONES, Instructor in Art and Design. 302 West Church street, C.

MRS. CONSTANCE BARLOW SMITH, Instructor in Sight Singing and Ear Training, and in charge of Public School Methods. 606 South Lincoln avenue, U.

CHARLES GIDEON DAVIS, PH.D., Instructor in German. 905 West Green street, U.

CHARLES FRANCIS BRISCOE, A.M., Instructor in Botany. 608 South Busey avenue, U.

ARTHUR LLEWELYN ENO, A.M., Instructor in English. 702 West High street, U.

FREDERICK WALTON CARPENTER, PH.D., Instructor in Zoölogy. 1013 West California avenue, U.

SAMUEL C. CLARK, B.S., Instructor in Chemistry. 1002½ West California avenue, U.

CLIFFORD WILLIS, M.S., Instructor in Soil Physics. 503 West High street, U.

HENRI JACOBUS VAN DEN BERG, Instructor in Piano. 110 West Hill street, C.

FRANK GARDNER WILSON, B.S., Instructor in Electrical Engineering. 608 West California avenue, U.

CLAUDE MALLORY GARLAND, B.E., Instructor in Mechanical Engineering. 505 West Green street, U.

EDGAR THOMAS LANHAM, Instructor in Forge Shop. 309 North Race street, U.

WINIFRED FORBES, Instructor in Violin. 1209 West Springfield avenue, U.

BERTHA ISADINE HOWE, Instructor in Music. 907 Gregory Place, U.

GEORGE MCPHAIL SMITH, PH.D., Instructor in Chemistry. 708 South Fourth street, C.

LEWIS IRVING NEIKIRK, PH.D., Instructor in Mathematics. 1010½ West California avenue, U.

TANSY RADFORD AGG, B.S., Instructor in Theoretical and Applied Mechanics. 1110 West Springfield avenue, U.

JAMES ALBURN CHILES, M.A., LL.B., Instructor in German. 1011 West Oregon street, U.

ALBERT AUSTIN HARDING, Instructor in Band Instruments. 308 Daniel street, C.

GEORGE FOSS SCHWARTZ, A.B., B.M., Instructor in Violin. 607 West Healy street, C.

FREDERICK ELLIS, Instructor in Wood Shop. 511 West Illinois street, U.

PERCY HAZEN HOUSTON, A.M., Instructor in English. 1005 West Illinois street, U.

HENRY WILLIAM HACHMEISTER, B.S., Instructor in Aquatics. 208 East Green street, C.

ALFRED RITTSCHER BENCH, B.S., Instructor in Mechanical Engineering. 706 South Second street, C.

SHIELDS CASPER, Instructor in Foundry. 1007 North Walnut street, C.

HENRY ALLAN GLEASON, PH.D., Instructor in Botany. 511 East John street, C.

DANIEL OTIS BARTO, B.S., Instructor in Agriculture. 919 Nevada street, U.

HARRY FREDERICK GODEKE, B.S., Instructor in Mechanical Engineering. Laboratory. 1206 West Springfield avenue, U.

WILLIAM VAN DUNKIN, B.S., Instructor in Machine Design. 607 West High street, U.

EDWIN VICTOR LAWRENCE, Instructor in Art and Design. 611 West Stoughton street, U.

OTIS ORION STANLEY, M.S., M.D., Instructor in Physiology. 604 South Mathews avenue, U.

HARVEY ELLISON MURDOCK, M.E., Instructor in Municipal and Sanitary Engineering. 805 West Oregon street, U.

RALPH BETHUEL SLIPPY, C.E., Instructor in Civil Engineering. 1006 West Main street, U.

CARROLL CARSON WILEY, B.S., Instructor in Civil Engineering. 624 South State street, C.

EDWIN LEE NORTON, PH.D., Instructor in Education. 617 South Wright street, C.

MARY MINERVA WETMORE, Instructor in Art and Design. 511 West Church street, C.

LEO GREGORY HANA, Instructor in Physical Training. 311 East Green street, C.

ORLO DORR CENTER, B.S., Instructor in Crop Production. 510 Daniel street, C.

CHARLOTTE MITCHELL GIBBS, A.B., Instructor in Textiles. 1007 West Illinois street, U.

JOSEF WIEHR, PH.D., Instructor in German. 905 West Green street, U.

STEPHEN FAUNCE SEARS, A.M., Instructor in English. 1005 West Illinois street, U.

HENRY BERNHARD DIRKS, B.S., M.E., Instructor in Mechanical Engineering. 706 South Second street, C.

CHARLES BAYARD GIBBONS, B.S., M.E., Instructor in General Engineering Drawing. 1017 West Illinois street, U.

SHERWOOD HINDS, B. S., Instructor in General Engineering Drawing. 706 South Second street, C.

CARL RANKIN DICK, B.S., Instructor in General Engineering Drawing. 405 East John street, C.

ELMER HOWARD WILLIAMS, A.M., Instructor in Physics. 203 South Busey avenue, U.

WALDEMAR MATTHAEUS STEMPEL, A.M., Instructor in Physics. 406 West Railroad street, U.

ARTHUR ROBERT CRATHORNE, PH.D., Instructor in Mathematics. 1113 South Fourth street, C.

HARRY ORSON ALLISON, B.S., Instructor in Animal Husbandry. 503 East Green street, C.

BETHEL STEWART PICKETT, M.S., Instructor in Pomology. 1005 South Wright street, C.

BERTHA ELLA ROYCE, B.L.S., Instructor in Library Economy. 1016 Nevada street, U.

JAMES ELMO SMITH, B.S., C.E., Instructor in Civil Engineering. 608 South Mathews avenue, U.

GERTRUDE E. MOULTON, A.B., Instructor in Physical Training for Women. 915 South Goodwin avenue, U.

HELEN ISHAM, PH.D., Instructor in General Chemistry. 907 Gregory Place, U.

GEORGE WELLINGTON PICKELS, JR., B.C.E., Instructor in Civil Engineering. 1101½ West California avenue, U.

JOHN JEFFERSON RICHEY, B.S., Instructor in Civil Engineering. 1016 West California avenue, U.

GEORGE RAWSON WADE, Instructor in Voice, in charge of Vocal Department. 1017 West Nevada street, U.

LOIS D. MCCOBB, Instructor in Vocal Music. 910 West California avenue, U.

MELVIN HORENIUS ENGER, B.S., Instructor in Theoretical and Applied Mechanics. 211 East Green street, C.

ROBERT LACEY BORGER, PH.D., Instructor in Mathematics. 306 East Healy street, C.

SARAH DELANO MORTON, Instructor in Piano. 1002½ West California avenue, U.

JOHN GIFFIN THOMPSON, PH.D., Instructor in Economics. 1101 West Oregon street, U.

JOHN TERREL VAWTER, B.S., Instructor in Architecture. 805 South Second street, C.

MAY ELIZABETH FLOYD, Instructor in Piano. 711 West Green street, U.

CHARLES MARSHALL POOR, PH.D., Instructor in German. 709 West High street, U.

WALTER CLARK PHILLIPS, A.M., Instructor in English. 1005 West Illinois street, U.

JACOB ZEITLIN, PH.D., Instructor in English. 702 West High street, U.

RUFUS MATHER BAGG, PH.D., Instructor in Geology. 108 South Romine street, U.

VIRGIL R. FLEMING, Instructor in Applied Mechanics. 209 East White street, C.

GEORGE CONRAD HABERMEYER, B.S., Instructor in Municipal and Sanitary Engineering. 508 West High street, U.

FRED KUHLMANN, PH.D., Instructor in Psychology. 1001 West Illinois street, U.

FRANK WALTER REED, PH.D., Instructor in Astronomy. 1103 West Oregon street, U.

RAY THOMAS STULL, E.M., Instructor in Ceramics. 918 West Illinois street, U.

LABORATORY AND OTHER ASSISTANTS.

HARRY GILL, Director of Track Athletics. 510 West High street, U.

ALICE VIRGINIA FLATHER, Assistant in General Chemistry. 712 West Oregon street, U.

LOMA WILLIAM GOBEN, Assistant in Machine Shop. 401 East Elm street, U.

CLYDE WILBUR EMMONS, A.B., Assistant in Mathematics. 508 East Healy street, C.

ORVAL LEE GEARHART, B.S., Chief Assistant in Blue Printing and Photography. 107 West Springfield avenue, C.

JAMES MERION DUNCAN, Assistant in Wood Shop. 710 South Walnut street, U.

RUBY THORNE DEMOTTE, A.M., Assistant in Botany. 803 West Oregon street, U.

ADAM ALBERT HUMMEL, B.S., Assistant in Botany. 910 South Third street, C.

GRANT TRAUER DAVIS, A.B., Assistant in Chemistry. 915 South Goodwin avenue, U.

ARTHUR WYNNS GREGORY, B.S., Assistant in Agricultural Chemistry. 901 West Illinois street, U.

RALPH BARNARD HOWE, B.S., Assistant in Pomology. 802 South Mathews avenue, U.

MARY EDITH WILLIAMS, A.M., Assistant Instructor in Woman's Gymnasium. 901 South Busey avenue, U.

WILLIAM CHARLES HILMER, A.M., Assistant in German. 914½ California avenue, U.

HUGH PRATT KEAN, A.B., Assistant in Mathematics. 905 West Illinois street, U.

WILLIAM GEORGE ECKHARDT, B.S., Assistant in Soil Fertility. 506 South Mathews avenue, U.

LEONARD HEGNAUER, B.S., Assistant in Crops. 1007 West Clark street, U.

HENRY ALBRIGHT MATTILL, A.M., Assistant in Chemistry. 605 Chalmers street, C.

MRS. MARY E. FAWCETT, A.B., Assistant in English. 1007 West Illinois street, U.

CARL CLINTON VAN DOREN, A.B., Assistant in English. 712 West Oregon street, U.

CARL A. HELLMAN, B.S., Assistant in Physics. 706 South Second street, C.

WILLIAM WARREN STIFLER, A.B., Assistant in Physics. 310 East Green street, C.

JOSEPH EVANS DUNIPACE, A.M., Assistant in Quantitative Chemistry. 107 East Green street, C.

THOMAS REUBEN ERNEST, A.B., Assistant in Chemistry. 605 East Springfield avenue, C.

ROBERT MAURICE MATHEWS, A.B., Assistant in Mathematics. 1001 West Green street, U.

JESSIE ELEAINE MORROW, B.S., Assistant in Household Science. 511 East John street, C.

BERNICE MARGARET BRADFORD, A.B., Assistant in Public Speaking. 905 West California avenue, U.

OTTO STUHLMANN, JR., A.B., Assistant in Physics. 312 East Green street, C.

HERFORD HOPE, Assistant in Ceramics. 1009 South Wright street, C.

GEORGE ERNEST CARSCALLEN, A.B., Assistant in Mathematics. 1007 West Railroad street, U.

WILLIAM WELLS DENTON, A.B., Assistant in Mathematics. 609 South Busey avenue, U.

NELSON WILLIAM HEPBURN, B.S., Assistant in Dairy Manufactures. 1105 West California avenue, U.

CLYDE BESTOR COLEMAN, B.S., Assistant in Dairy Husbandry. 924 West Illinois street, U.

HELENA MAUDE PINCOMB, B.S., Assistant in Household Science. 1003 West Oregon street, U.

MARY ELIZABETH NUCKOLES, Assistant in Physical Training for Women. 701 West Washington street, U.

FRANCIS MARION PORTER, B.S., Assistant in General Engineering Drawing. 908 West Green street, U.

WILLARD ALFRED KNAPP, B.S., Assistant in Civil Engineering. 910 West Illinois street, U.

ODDGEIR STEPHENSEN, A.B., Assistant in Electrical Engineering. 905 West Illinois street, U.

CHESTER HUME FORSYTHE, Assistant in Mathematics. 1001 West Illinois street, U.

HARRY GRAY HAKE, B.S., Assistant in Electrical Engineering. 1004 West California street, U.

JOHN BARBER COOK, Assistant in Forge Shop. 108 East Green street, C.

JOHN W. TARFLINGER, Assistant in Foundry. 409 West California street, U.

SADA ANNIS HARBARGER, A.B., Assistant in English. 1003 West Oregon street, U.

EVERETT B. MURRAY, Instructor in Fencing. 401 John street, C.

ROSA LEE GAUT, Assistant in Woman's Gymnasium. 405 East Green street, C.

FLETCHER LANE, A.B., Assistant Instructor in Gymnasium. 917 West Green street, U.

GEORGE CHAUNCEY OLMSTEAD, Instructor in Military Science and Tactics. 306 East Green street, C.

FRANK LOUIS COOK, Instructor in Military Science and Tactics. 313 East John street, C.

HOWARD CHANDLER WILLIAMS, Instructor in Military Science and Tactics. 402 East John street, C.

WILLIAM HENRY SCHULZKE, Instructor in Military Science and Tactics. 401 John street, C.

CLARENCE GEORGE DERICK, B.S., Lecturer and Research Assistant in Chemistry. 809 West Hubbard avenue, U.

LEONARD VAUGHAN JAMES, B.S., Assistant in Electrical Engineering. 701 South Third street, C.

LENORE LATZER, M.S., Research Assistant in Bacteriological Chemistry. 507 East Green street, C.

MAURICE COLE TANQUARY, A.B., Assistant in Zoölogy and Entomology. 402 East Stoughton street, C.

WILLIAM EDWARD WASCHER, Assistant in Wood Shop. 510 East Washington street, C.

JOHN TILDEN NUTTALL, B.S., Graduate Assistant in Chemistry. 607 South Sixth street, C.

EARL V. MANUEL, B.S., Graduate Assistant in Chemistry. 505 South Babcock street, U.

JEROME STANLEY ROGERS, B.S., Graduate Assistant in Chemistry. 914 West Illinois street, U.

RURICK CREEGAN ROARK, Graduate Assistant in Chemistry. 301 East Springfield avenue, C.

W. H. LEVERETT, Graduate Assistant in Chemistry. 310 East Green street, C.

CARL F. KNIRK, Student Assistant in Geology. 908 West Green street, U.

ARTHUR JACKSON ELLIS, Student Assistant in Geology. 1015 West Illinois street, U.

GEORGE CASE BARTELLS, JR., Student Assistant in Chemistry. 905 South Fifth street, C.

CHARLES FOSTER DIETER, Student Assistant in Chemistry. 509 South Fourth street, C.

FELLOWS.

MILLCENT STEBBINS, A.B., German. 1013 West Nevada street, U.

HANS JACOB HOFF, A.B., German. 501 South Market street, U.

ADELINE MIRIAM JENNEY, A.B., English. 1003 West Oregon street, U.

CLARENCE EDWIN CARTER, A.M., History. 606 South Race street, U.

MAY ALLINSON, A.M., History. 211 East Green street, C.

HOWARD GRAY BROWNSON, A.M., Economics. 1002 South Sixth street, C.

EDWARD BEATTIE STEPHENSON, A.M., Physics. 1103 West Oregon street, U.

CHARLES KENWORTHY FRANCIS, PH.B., Chemistry. 705 West High street, U.

ALFRED W. HEMBERGER, A.B., Chemistry. 508 Daniel street, C.

ERNEST REYNOLDS, A.M., Botany. 705 West High street, Urbana.

M. A. LANE, B.S., Physiology. 914 West Illinois street, U.

SCHOLARS.

CARL HENNINGER, A.B., German. 701 West Washington street, U.

PAUL EBERHARD WERCKSHAGEN, German (Seheredt Gymnasium). 915 West Illinois street, U.

ETHEL CLARA FORBES, A.B., Romance Languages. 1209 West Springfield avenue, U.

MARY ELIZABETH H. OWEN, A.B., Romance Languages. 1201 West Springfield avenue, U.

CARL JOHN STRAND, A.B., Economics. 1004 South Fourth street, C.

SELDEN GALE LOWRIE, A.B., Political Science. 1103 West Oregon street, U.

BLAINE FREE MOORE, A.B., Political Science. 910 West Oregon street, U.

LUTHER EWING PETTY, A.B., Mathematics. 910 West Illinois street, U.
 ELIZABETH RUTH BENNETT, A.B., Mathematics. 104 East John street, C.
 HARRY CLEVELAND MORRISON, A.B., Mathematics. 1004 West California
 avenue, U.
 L. S. DANCEY, A.B., Physics. 905 South Wright street, C.
 ROSA DREW, A.B., Botany. 1006 West Oregon street, U.

COLLEGE OF MEDICINE.

COLLEGE OF PHYSICIANS AND SURGEONS OF CHICAGO FACULTY.

EDMUND JANES JAMES, PH.D., LL.D., President. Urbana.
 WILLIAM EDWARD QUINE, M.D., LL.D., Dean and Professor of Medicine and
 Clinical Medicine. 103 State street.
 DANIEL ATKINSON KING STEELE, M.D., LL.D., Actuary and Professor of
 Clinical Surgery. 103 State street.
 OSCAR A. KING, M.D., Vice-Dean and Professor of Neurology, Psychiatry, and
 Clinical Medicine. 70 Madison street.
 HENRY PARKER NEWMAN, A.M., M.D., Professor of Gynecology and Clinical
 Gynecology. 100 State street.
 BAYARD HOLMES, B.S., M.D., Professor of Surgery and Clinical Surgery. 92
 State street.
 G. FRANK LYDSTON, M.D., Professor of Genito-Urinary Surgery and Vene-
 real Diseases. 100 State street.
 JOHN ERASMUS HARPER, A.M., M.D., Professor of Ophthalmology and Clinical
 Ophthalmology. Masonic Temple.
 JAMES M. G. CARTER, M.A., Sc.D., Ph.D., M.D., Professor Emeritus of Clini-
 cal Medicine. First National Bank Building.
 HENRY TURMAN BYFORD, A.M., M.D., Professor of Gynecology and Clinical
 Gynecology. 100 State street.
 WILLIAM ALLEN PUSEY, A.M., M.D., Professor of Dermatology and Clinical
 Dermatology. 70 Madison street.
 THOMAS ARCHIBALD DAVIS, M.D., Professor of Surgery and Clinical Surgery.
 979 Jackson boulevard.
 WILLIAM AUGUSTUS EVANS, M.S., M.D., Professor of Pathology. 103 State
 street.
 FRANK BRECKENRIDGE EARLE, M.D., Secretary and Professor of Pediatrics
 and Clinical Pediatrics. 903 West Monroe street.
 FRANCIS ROBERTA SHERWOOD, M.D., Professor of Surgery. 100 State street.
 ADOLPH GEHRMANN, M.D., Professor of Hygiene and Bacteriology. 103 State
 street.
 ARTHUR HENRY BRUMBACK, M.D., Professor of Physical Diagnosis. 100
 State street.
 WILLIAM MCINTYRE HARSHA, A.B., M.D., Professor of Operative and Clinical
 Surgery. 103 State street.
 MAURICE LOUIS GOODKIND, M.D., Professor of Clinical Medicine. 2326 Cal-
 umet avenue.
 FRANK ELDRIDGE WYNEKOOP, M.S., M.D., Professor of Biology, Histology
 and Embryology. 1583 Monroe street.
 CARL BECK, M.D., Professor of Surgical Pathology. 92 State street.
 GEORGE PETER DREYER, A.B., Ph.D., Professor of Physiology, and Physi-
 ological Chemistry. 1872 Gladys avenue.
 HARRIS ELLETT SANTEE, PH.D., M.D., Professor of Anatomy. 770 Warren
 avenue.
 JOHN LINCOLN PORTER, M.D., Professor of Orthopedic Surgery. 92 State
 street.
 ALBERT JOHN OCHSNER, B.S., F.R.M.S., M.D., Professor of Clinical Surgery.
 710 Sedgwick street.
 ALEXANDER HUGH FERGUSON, M.B., C.M., F.T.M.S., M.D., Professor of Clin-
 ical Surgery. 100 State street.
 ARTHUR MILLS CORWIN, A.M., M.D., Professor of Physical Diagnosis. 1670
 West Monroe street.

CHARLES SUMNER BACON, A.M., Ph.B., M.D., Professor of Obstetrics. 426 Center street.

EDWARD FRANKLIN WELLS, M.D., Professor of Clinical Medicine and Associate Professor of Medicine. 4744 Woodlawn avenue.

CHARLES SPENCER WILLIAMSON, B.S., M.D., Professor of Clinical Medicine and Associate Professor of Medicine. 103 State street.

BERNARD FANTUS, M.D., Professor of Materia Medica and Therapeutics, and Assistant Professor of Clinical Medicine. 443 Marshfield avenue.

WILLIAM LINCOLN BALLENGER, M.D., Professor of Laryngology, Rhinology and Otology. 103 State street.

ELMER DEWITT BROTHERS, B.S., LL.B., Professor of Medical Jurisprudence. 159 LaSalle street.

BERTHA VAN HOSEN, A.M., M.D., Professor of Clinical Gynecology. 100 State street.

RACHELLE S. YARROS, M.D., Professor of Clinical Obstetrics and Associate Professor of Obstetrics. 100 State street.

FREDERICK TICE, M.D., Professor of Diseases of the Chest and Associate Professor of Medicine. 70 State street.

JEAN MOTTRAM COOKE, M.D., Professor of Microscopical and Chemical Diagnosis. 615 East 46th street.

CHARLES DAVISON, M.D., Professor of Surgery and Clinical Surgery. 103 State street.

THOMAS JONATHAN BURRILL, Ph.D., LL.D., Professor of Botany. 1007 West Green street, U.

GEORGE THEOPHILUS KEMP, M.D., Ph.D., Professor of Physiology. 112 West Hill street, C.

HARRY SANDS GRINDLEY, Sc.D., Professor of Animal Chemistry. 918 West Green street, U.

SANGER BROWN, M.D., Professor of Clinical Neurology. 100 State street.

WILLIAM FULLER, M.D., Professor of Operative Surgery. 100 State street.

JOSEPH MCINTYRE PATTON, M.D., Professor of Clinical Medicine. 34 Washington street.

TWING BROOKS WIGGIN, M.D., Professor of Physical Diagnosis. 100 State street.

HERBERT BERTRAM WENTZ, M.D., Professor of Chemistry. 242 South Robey street.

CHARLES CLAYTON O'BYRNE, M.D., Associate Professor of Pathology. 1336 Washington boulevard.

LEE HARRISON METTLER, A.M., M.D., Associate Professor of Neurology. 100 State street.

RICHARD HUNT BROWN, M.D., Associate Professor of Clinical Laryngology, Rhinology and Otology. 70 Madison street.

MARCUS PATTEN HATFIELD, A.M., M.D., Associate Professor of Clinical Pediatrics. 42 Madison street.

STEPHEN GANO WEST, M.D., Adjunct Professor of Gynecology. 103 State street.

WILLIAM ELLIOTT GAMBLE, B.S., M.D., Adjunct Professor of Ophthalmology and Clinical Ophthalmology. 103 State street.

CHANNING WHITNEY BARRETT, M.D., Adjunct Professor of Gynecology and Clinical Gynecology. 100 State street.

EDWARD H. OCHSNER, B.S., M.D., Adjunct Professor of Clinical Surgery. 710 Sedgwick street.

EDWARD MILTON BROWN, M.D., Adjunct Professor of Clinical Surgery. 254 Ashland boulevard.

AIME PAUL HEINECK, M.D., Adjunct Professor of Clinical Surgery. 872 South Trumbull avenue.

ARTHUR EDGAR PRICE, A.B., M.D., Adjunct Professor of Clinical Anatomy. 65 West Van Buren street.

EDWIN GRAFFAM EARLE, M.D., Adjunct Professor of Medicine. 92 State street.

DANIEL NATHAN EISENDRATH, A.B., M.D., Adjunct Professor of Surgery and Clinical Surgery. 103 State street.

CLARENCE BRUCE KING, M.D., Adjunct Professor of Neurology, and Psychiatry. 987 Jackson boulevard.

MAXMILIAN KUZNIK, LL.B., M.D., Adjunct Professor of Anatomy. 429 Oak street.

MARY JEANETTE KEARSLEY, M.D., Adjunct Professor of Medicine. 5641 Ohio street, Austin, Ill.

EDWARD LOUIS HEINTZ, PH.G., M.D., Adjunct Professor of Materia Medica. 624 West Chicago avenue.

JOSEPH BECK, M.D., Adjunct Professor of Larynology, Rhinology and Otol-ogy. 92 State street.

CHARLES NELSON BALLARD, B.S., M.D., Adjunct Professor of Gynecology and Clinical Gynecology. 100 State street.

J. BROWN LORING, M.R.C.S., C.M., M.D., Adjunct Professor of Clinical Oph-thalmology. 103 State street.

HERBERT GILLET HARRIS, M.D., Adjunct Professor of Clinical Medicine. 279 Warren avenue.

JOHN J. QUIRK, M.D., Adjunct Professor of Venereal Diseases. 103 State street.

LUDWIG SIMON, PH.B., M.D., Assistant Professor of Obstetrics. 103 State street.

CHARLES EDWARD HUMISTON, M.D., Associate Professor of Surgery. 136 North Central avenue.

HARRY OSCAR WHITE, M.D., Adjunct Professor of Anatomy. 396 South Halsted street.

STELLA M. GARDNER, M.D., Adjunct Professor of Microscopical and Chemical Diagnosis. 5641 Ohio street.

CHARLES E. M. FISCHER, F.R.M.S., M.D., Adjunct Professor of Biology, Histology and Embryology. College.

GOTTFRIED KOEHLER, M.D., Adjunct Professor of Clinical Pediatrics. Twenty-sixth and Indiana avenue.

ALBERT A. LOWENTHAL, M.D., Adjunct Professor of Clinical Neurology. 103 State street.

HENRY HARTUNG, M.D., Assistant Professor of Surgery. 1402 Wrightwood avenue.

ULYSSES GRANT DARLING, M.D., Assistant Professor of Neurology and Psy-chiatry. 72 Madison street.

LUCY WAITE, A.M., M.D., Clinical Professor of Gynecology, *Extra Mural*. 100 State street.

WILLIAM LINCOLN NOBLE, M.D., Associate Clinical Professor of Ophthal-mology, *Extra Mural*. 100 State street.

RALPH SHERMAN MICHEL, M.D., Associate Professor of Medicine, *Extra Mural*. 689 North Robey street.

WILLIAM A. FISCHER, M.D., Professor of Clinical Ophthalmology, *Extra Mural*. 103 State street.

AZARIAH THOMAS LINCOLN, PH.D., Assistant Professor of Chemistry. 1018 West Oregon street, U.

RICHARD SYDNEY CURTISS, PH.D., Assistant Professor of Organic Chemistry. 612 South Coler avenue, U.

MATHIAS JOSEPH SEIFERT, M.D., Assistant Professor of Operative Surgery. 171 Eugenie street.

WALLACE McMURRAY BURROUGHS, M.D., Instructor in Surgery. 807 North Fairfield avenue.

WALDEMAR EBERHARDT, B.S., M.D., Instructor in Clinical Medicine. 586 West Polk street.

FRANCES MORTON ALLEN, A.B., M.D., Instructor in Pediatrics. 100 State street.

VANDY FRANK MASILKO, M.D., Instructor in Pediatrics. 2170 West 26th street.

ROBERT ARNOT SEMPILL, M.D., Instructor in Dermatology and Venereal Diseases. 133 Clark street.

JOHN MICHAEL LANG, M.D., Instructor in Gynecology. 658 West Polk street.

JOHN WEATHERSON, C.E., MD., Instructor in Senior Medicine. 103 State street.

WILLIAM DAVID McDOWELL, B.S., M.D., Instructor in Senior Medicine. 71 DeKalb street.

MARY GILRUTH McEWEN, M.D., Instructor in Clinical Gynecology. Evanston, Ill.

RACHEL HICKEY CARR, M.D., Instructor in Surgery. 324 East 51st boulevard.

JOHN RALPH BALLINGER, M.D., Instructor in Neurology. 680 West Division street.

HENRIETTA GOULD, M.D., Instructor in Clinical Laryngology, Rhinology and Otology. 103 State street.

EPHRAIM KIRKPATRICK FINDLAY, C.M., M.D., Instructor in Clinical Ophthalmology. 100 State street.

FRANK ALBERT PHILLIPS, M.D., Instructor in Clinical Ophthalmology. 100 State street.

GEORGE LAWRENCE McDERMOTT, M.D., Instructor in Senior Medicine. 2071 Lexington street.

ASA NATHAN DeVULT, Ph.G., M.D., Instructor in Clinical Laryngology, Rhinology and Otology. 70 State street.

EMANUEL O. BENSON, A.B., M.D., Instructor in Pediatrics. 1916 Evanston avenue.

CECIL V. BACHELLE, M.S., M.D., Instructor in Obstetrics. 268 E. North avenue.

FRED DURY HOLLENBECK, M.D., Instructor in Obstetrics. 183 Rush street.

THOMAS GRANT ALLEN, A.M., M.D., Instructor in Pediatrics. 5661 Washington avenue.

PHILLIP HENRY HOLMES, M.D., Instructor in Senior Medicine. 103 State street.

LOUIS FERDINAND ALRUTZ, M.D., Instructor in Obstetrics. 2131 Monroe street.

ROBERT H. MORRIS, M.D., Instructor in Senior Medicine. 103 State street.

GEORGE ALBERT GARDNER, M.D., Instructor in Medicine. 1038 Jackson boulevard.

CHARLES HERBERT PFIFER, M.D., Instructor in Medicine. 3658 Wentworth avenue.

SOLOMON EISENSTAEDT, B.S., M.D., Instructor in Medicine. 4619 Vincennes avenue.

SUSANNE ORTON, A.B., M.D., Instructor in Gynecology. 604 East 46th street.

ULYSSES GRANT WINDELL, M.D., Clinical Instructor in Surgery, *Extra Mural*. 966 West Lake street.

SVENNING DAHL, M.D., Clinical Instructor in Surgery, *Extra Mural*. 622 North Hoyne avenue.

ARTHUR HERBERT BEEBE, M.D., Instructor in Clinical Laryngology, Rhinology and Otology. College.

FREDERICK BAUMANN, M.D., Instructor in Dermatology and Venereal Diseases. 103 State street.

ANNA ROSS LAPHAM, M.D., Instructor in Surgery. 4256 Langley avenue.

WALTER C. JONES, A.M., M.D., Instructor in Surgery. 1352 Dakin street.

CORNELIUS LARSEN LENARD, B.S., M.D., Instructor in Clinical Surgery. 989 West 20th street.

FREDERICK WALTON CARPENTER, Ph.D., Instructor in Zoölogy. 1013 West California avenue, U.

CHARLES FRANCIS BRISCOE, A.M., Instructor in Botany. 604 South Basey avenue, U.

FRED CARL ZAPFFE, M.D., Instructor in Clinical Surgery. 1764 Lexington avenue.

JOHN EDDY HASKELL, M.D., Instructor in Materia Medica. 4643 Prairie avenue.

GEORGE JOHN LORCH, M.D., Instructor in Materia Medica, and Clinical Medicine. 490 West Chicago avenue.

HENRY EUGENE IRISH, M.D., Instructor in Materia Medica and Therapeutics. 627 Grand avenue.

CHARLES HUMPHREY TREADWELL, M.D., Instructor in Electro Therapeutics. 361 45th street.

CARL WESTMAN, M.D., Instructor in Medical Gymnastics. 92 State street.

HOWARD O. SHAFER, M.D., Instructor in Gynecology. 448 North Clark street.

IRVING HERBERT EDDY, M.D., Instructor in Gynecology. 1205 Wrightwood avenue.

GEORGE GINDE ZOHRLAUT, M.D., Instructor in Gynecology. 220 Cass street.

BERNARD MONTROSE CONLEY, M.D., Instructor in Neurology. Wilmette, Ill.

SAMUEL JOSEPH RUSSELL, M.D., Instructor in Neurology. 31 Washington street.

WILLIAM F. BERNART, M.D., Instructor in Venereal Diseases. 42 Madison street.

LESTER MILES STEARNS, M.D., Instructor in Anatomy. Oak Park, Ill.

ERIC JACOB DANEK, M.D., Instructor in Materia Medica and Therapeutics. 1517 Lincoln avenue.

JAMES G. CARR, M.D., Instructor in Senior Medicine. 989 West 22nd street.

EGON WALTER FISCHMAN, M.D., Instructor in Senior Medicine. College.

J. MEYERS, M.D., Instructor in Senior Medicine. College.

GEORGE LUDWIG ALT, M.D., Instructor in Medicine. 546 North Clark street.

M. LEUERSON, M.D., Instructor in Neurology and Diseases of the Chest. College.

SIEGFRIED JACKSON, M.D., Instructor in Medicine. 279 East North avenue.

ARTHUR K. STANGLAND, M.D., Instructor in Senior Medicine. College.

JACOB LEONARD ALBRIGHT, M.D., Instructor in Senior Medicine. 4467 Fifth avenue.

WILLIAM H. CREDE, M.D., Instructor in Diseases of the Chest. 2293 North Hermitage avenue.

MILO TRIPP EASTON, M.D., Instructor in Diseases of the Chest. Cook County Hospital.

G. H. GARRETY, M.D., Instructor in Diseases of the Chest. College.

FRANCIS DEACON, M.D., Instructor in Physiology. 100 State street.

MARK TWAIN GOLDSTEIN, M.D., Instructor in Obstetrics. 100 State street.

FREDERICK HAMILTON BLAYNEY, M.D., Instructor in Clinical Surgery. 576 West Madison street.

GEORGE H. VAN DYKE, M.D., Instructor in Clinical Gynecology. 185 Hastings street.

GILBERT L. BAILEY, M.D., Clinical Instructor in Orthopedic Surgery. College.

THOMAS P. LYMAN, M.D., Clinical Instructor in Orthopedic Surgery. 1968 West Madison street.

WILLIAM GRAY ALLEN, M.D., Assistant in Anatomy. 1427 Roscoe street.

MINA McEACHERN, M.S., M.D., Assistant in Anatomy. 4731 Ashland avenue.

MATTHIAS J. MOES, M.D., Assistant in Obstetrics. Cook County Hospital.

ANNIE BARRON, M.D., Assistant in Clinical Obstetrics. 179 West 12th street.

SETH WICKS, M.D., Demonstrator in Biology. 457 Douglas boulevard.

ERNEST SISSON MOORE, PH.D., M.D., Demonstrator in Pathology. Dunning, Ill.

FRANCIS MARION HARREL, M.D., Demonstrator in Anatomy. 2615 Indiana avenue.

FRANK ABBOTT DWIGHT, M.D., Assistant Demonstrator in Anatomy. 580 West Madison street.

COLLEGE OF DENTISTRY.

FACULTY.

EDMUND JANES JAMES, PH.D., LL.D., President, Urbana.

GEORGE WASHINGTON COOK, B.S., D.D.S., Professor of Bacteriology, Pathology and Therapeutics. Corner 47th street and Kenwood avenue.

DONALD MACKAY GALLIE, D.D.S., Professor of Operative Dentistry and Operative Technic. 100 State street.

FINIS EWING ROACH, D.D.S., Professor of Prosthetic Dentistry and Porcelain Art. Trude Building.

GEORGE WALTER DITTMAR, D.D.S., Professor of Clinical Operative Dentistry and Superintendent of Infirmary. College.

CHARLES ERWIN JONES, B.S., D.D.S., Professor of Materia Medica and Therapeutics. College.

THOMAS L. GRISAMORE, PH.G., D.D.S., Professor of Dental Chemistry and Metallurgy. Heyworth building.

FREDERICK B. MOOREHEAD, B.A., D.D.S., M.D., Professor of Oral Surgery. Chicago Savings Bank building.

JAMES ALFRED BURRILL, D.D.S., Professor of Orthodontia. 1104 Masonic Temple.

OSCAR A. KING, M.D., Professor of Neurology. 70 State street.

DANIEL ATKINSON K. STEELE, M.D., LL.D., Consulting Surgeon. Columbus Memorial building.

HARRY OSCAR WHITE, M.D., Professor of General and Regional Anatomy. 396 South Halsted street.

JACOB F. BURKHOLDER, M.D., Professor of Physiology. Reliance building.

FRANK E. WYNEKOOP, M.D., Professor of Histology and Microscopy. 1583 West Monroe street.

ELMER DEWITT BROTHERS, B.S., LL.B., Professor of Dental Jurisprudence. National Life building.

MATHIAS JOSEPH SEIFERT, M.D., Professor of Physical Diagnosis and Anesthesiology. 103 State street.

HERBERT BERTRAM WENTZ, M.D., Professor of Chemistry. 833 West Lake street,

LOUIS E. BAKE, D.D.S., Associate Professor of Porcelain and Operative Technology. 4255 Indiana avenue.

SPECIAL LECTURERS AND CLINICIANS.

WILLIAM M. HARSHA, M.D., Oral Surgery and General Anesthetics. Columbus Memorial building.

GEORGE THOMAS CARPENTER, M.D., D.D.S., (Stomatology). Trude building.

SETH E. MEEK, M.S., Ph.D., Comparative Anatomy. Field Columbian Museum.

CHIEF DEMONSTRATORS.

GEORGE WALTER DITTMAR, D.D.S., Operative Dentistry.

LOUIS E. BAKE, D.D.S., Porcelain Department—Operative Technic.

SCHOOL OF PHARMACY.

[Michigan Avenue and Twelfth Street.]

FACULTY.

EDMUND JANES JAMES, PH.D., LL.D., President, Urbana.

FREDERICK MARION GOODMAN, PH.G., Dean of the Faculty, Professor of Materia Medica and Botany. School.

CARL SVANTE NICANOR HALLBERG, PH.G., Professor of Theoretical and Practical Pharmacy. School.

WILLIAM AUGUST PUCKNER, PH.G., Professor of Chemistry. 103 Dearborn avenue.

WILLIAM BAKER DAY, PH.G., Secretary of the Faculty, Professor of Historical Botany. School.

HENRY HORACE ROGERS, PH.B., M.D., Lecturer in Physiology. Highland Park.

EDMUND NORRIS GATHERCOAL, PH.G., Instructor in Pharmacognosy. School.

ALBRET HENRY CLARK, PH.G., Instructor in Chemistry. School.

CLYDE MASON SNOW, PH.G., Instructor in Pharmacy. School.

ACADEMY.

INSTRUCTORS.

CHARLES MAXWELL MCCONN, A.M., Acting Principal, Instructor in English. 1002½ West California avenue, U.*

MARGARET ANNIE SCOTT, Instructor in German and French. 805 South Lincoln avenue, U.

CELIA ANNE DREW, PH.B., Instructor in English. 1016 West Nevada street, U.
 HARRY THOMAS NIGHTINGALE, PH.B., Instructor in History. 1108 West Oregon street, U.
 FRANK WATERS THOMAS, A.B., Instructor in Latin and Greek. 901 West Illinois street, U.
 CLAUDE WILLIAMSON SANDIFUR, A.B., Instructor in Physics. 710 West Stoughton street, U.
 JOHN PHILO GILBERT, A.M., Instructor in Biology. 1205 West Stoughton street, U.
 GEORGE MERIT PALMER, Instructor in English. 603 East Stoughton street, C.
 FRED CROSBY KEELER, A.B., Instructor in History. 311 East Healy street, C.
 ADOLPH GORE, A.B., Instructor in Mathematics. 411 East Green street, C.
 ALVA JAY HILL, A.B., Instructor in Mathematics. 1302 West Stoughton street, U.
 AVA D. STEELE, A.M., Instructor in English. 712 West Oregon street, U.
 CHARLES MANFRED THOMPSON, Instructor in Mathematics. 512 East Stoughton street, C.

PROCEEDINGS

OF THE

BOARD OF TRUSTEES

OF THE

University of Illinois

FOR THE

YEAR ENDING AUGUST 31, 1907

Meeting of September 25, 1906.

The Board of Trustees of the University of Illinois met at the University at 9:00 o'clock a. m., September 25, 1906.

The members present were Messrs. Abbott, Bullard, Davison, Kerrick, Lehman, McLean and Mrs. Alexander, Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Messrs. Bayliss and Barber. President James was present.

A telephone message was received by the secretary from Governor Deneen stating that he had planned to attend the meeting of the board at this time but that he had been unexpectedly detained in Springfield.

The secretary presented the minutes of the meeting of the board held June 11, 1906, and of the special meeting held June 27, 1906. These were approved as presented.

MATTERS PRESENTED BY PRESIDENT JAMES.

President James announced that the following persons had been appointed a committee on revision of rules governing the use of the Woman's building: Deans Greene and Clark and Mrs. Daniels. (See minutes of meeting June 27, 1906.

President James made announcements as to the attendance in the several departments of the University.

He also announced that the fire department of the University had on the occasion of two recent alarms shown great efficiency. The loss in each case was very slight.

On motion of Mr. Kerrick it was voted that the Committee on Students' Welfare inquire as to the healthfulness of the waters used by the students of the University, both as to the general public supply and that from other sources; and that said committee be empowered to have proper tests made to the end that our students may be assured that the waters they are using are safe and free from impure germs or impurities, or duly warned against their use if found impure and unsafe.

REQUESTS FROM CHAMPAIGN CHAMBER OF COMMERCE.

1. A request from the retail merchant members of the Champaign Chamber of Commerce, Champaign, Illinois, to have the privilege of access for their rating committee to the registrar's records of the University, in order to get a better credit rating record of the members of the student body than has heretofore been available.

Voted that the board regrets that it cannot see its way clear to granting this request. There seems to be considerable doubt as to whether it would have the authority to grant the same.

Also a request from the secretary of the Champaign Chamber of Commerce asking the Trustees of the University to have restored to all letter-heads and publications the name Champaign in giving the address of the University, the address to be Urbana-Champaign, Illinois.

With regard to this Dr. Davison offered the following resolution:

Resolved, That the University place the names Urbana-Champaign, Illinois, upon the letter-heads of the University when it has been arranged with the post office department and telegraph companies for free delivery of mails and telegrams to the University, its officers, teachers, and students living in Urbana when these are addressed to Champaign, Illinois, and when bus, cartage, and express charges to the University, its officers, teachers, and students be made equal whether to Champaign or Urbana.

This resolution, together with the communication from the Chamber of Commerce and other allied matters, was referred to a special committee, consisting of the president of the board, President James and Mrs. Busey, for investigation and report.

AUDITORIUM.

2. A report from Mr. C. H. Blackall, architect of the Auditorium building, on the present condition and future prospects of the building.

Voted that the report be printed in the minutes of the board.

CHAMPAIGN, ILLINOIS, September 12, 1906.

President E. J. James, University of Illinois.

DEAR SIR: I have just completed a very careful and detailed examination of the work in progress for your new Auditorium, and beg to report as follows:

When the work was begun last spring, I worked out a detailed schedule of dates at which the various portions of the work should be completed in order that the entire building should be ready for your use within the time set by your contract. The work was really started too soon, considering the great amount of material which had to be prepared at considerable distances, consequently during the first few months the building seemed to drag unnecessarily. On the first of September, however, the work as a whole was

fully up to the condition determined by my schedule, with the exception of the steel work for the balcony and dome, all of which is much behind in deliveries. This part of the work was let by English Brothers to Thatcher A. Parker, of Terre Haute. I had a long interview yesterday with his representative in charge of the work, who came on to meet me at my request, and have received from him satisfactory assurance that his part of the work will be pushed more rapidly and in such manner as not to delay the further progress of the building. I shall not rely entirely on his promises, however. Dean White and I have arranged to send Mr. Bevis to Terre Haute two or three times each week, to hasten shipments and to encourage Parker, until the whole order is filled. I received word this morning that two car loads, containing all of the gallery girders and cantilevers but four, had just arrived at Urbana, and that another carload was on the way. I do not anticipate any further delay in the steel that would interfere with completing the building on time.

The parts of the building now in place include all of the foundations, the cellar piers, the steel beams of first floor, and all of the exterior walls up to the level of balcony corridors. The exterior granite is all in place and is of excellent quality. The granite finally selected by me is a firm, close grained rock from Mt. Airy, North Carolina. It has been used with satisfactory results in the Land Title, and other large buildings in Philadelphia. Before making the selection I had a sample analyzed and tested at the Massachusetts Institute of Technology and was assured of its durability. The limestone used is best New York grade buff Bedford Indiana. Practically all of the stone for the Auditorium has been delivered at the site. All the blocks have been carefully inspected and a few have been rejected. These are being properly replaced by English Brothers. The stone carving has been done from models prepared in Boston under my personal direction, and is quite satisfactory.

The brickwork is fully up to my requirements. The contractor has, however, adopted an expedient of which I cannot wholly approve. At frequent intervals he has built into the inner faces of the walls blocks of wood to which the finish will later be nailed. This is not considered good practice in some parts of the country, but I am informed that it is the universal custom in Illinois and that in all first class constructions such wooden blocks are used. I should be loth to interfere with a local usage which is considered all right, and while my judgment is against it, I am willing to pass it as it does not materially impair the stability of the building as a whole.

Excepting as above the brick work seems to be perfectly satisfactory as to both workmanship and material. The style of face work was something with which the individual mechanics were not very familiar, but they have given careful attention to it. The brick selected is quite rough, requiring really more care on the part of the brick layer than a more even pressed brick. The appearance of the walls is exactly what I wanted.

The copper cresting, or cheneau, which in various forms carries entirely around the building, is a very important feature of the exterior design. I had full size plaster models of all of this work prepared under my personal direction in Boston and sent to the sub-contractors in Chicago who are to do the work for English Brothers. I shall tomorrow visit the factory and shall now and later keep close watch of the work as it progresses. This copper work will not be needed at the building for several months.

In the light of what we can now count upon for the steel work I have worked out with English Brothers and Parker, a schedule as follows:

Last of all steel work except roof and dome to be shipped Sept. 23d.
 All structural steel of every description to be shipped not later than Oct. 21st.
 All exterior brick and stone work to be completed by Nov. 1st.
 All steam and plumbing pipes, all fireproof floors, all flat roofs, in place by Dec. 1st.
 Dome complete and all roofs tight by Jan. 1, 1907.
 All floors in, rough plastering partly under way, electric wiring done by Feb. 1st.
 Plastering completed and building dried out by March 10th.
 Balcony floorings, terrazzo floors, all steam and plumbing work, bases and door frames finished by April 1st.
 All work finished ready for use May 1, 1907.

To carry out this program will require good will on the part of the contractor and close, helpful supervision. I am quite satisfied we have the first in abundant measure. To aid in the second I propose personally to visit the work at Champaign and in the shops at Terre Haute about once a month

from now on until the building is at least ready for plastering. This is in addition to the daily supervision which will be given by Dean White and Mr. Bevis.

There are some things that call for early action by the University. We shall require steam heat in the building about December first. Consequently your service tunnel should be extended to the Auditorium and steam mains carried into the new building. This work is to be done by the University outside of English Brothers' contract, and can not be started too soon if delays later are to be avoided. Also the contracts for electric wiring should be placed as soon as possible. Sealed bids for this work are now in the hands of Mr. Pillsbury. These bids are based upon specifications and plans prepared by me in consultation with Professor Brooks. At your suggestion I provided for illuminating the exterior of the dome, a highly desirable feature, which, however, should be done in a desirable, thorough manner. I have asked for a separate bid for this illumination, in order that you may know exactly what it will cost. Contracts for the electric work should be awarded before October first.

The contract calls for inscriptions cut on the frieze of the cornice. This work can be done in the spring, from a swing stage, at a slight extra expense. I understand you have not as yet decided upon the exact wording of these inscriptions.

It would be well for the University to arrange for the finished grading of the approaches to the Auditorium and for building the road up to the front so that this work can be at least roughed out by not later than November first. Otherwise the surroundings of the building can not be properly finished and planted by May first. In this subject is involved the question of whether or not you build the terraces and steps in front of the building, which in my judgment are quite essential to the ultimate completion of the general effect. This work has never been included in any contract, on account of the limited appropriation at your command. Temporary grading can at slight expense make the surroundings fairly presentable, but I trust your board will not be satisfied with anything short of the ultimate completion of the entire scheme of approaches as shown by me in the preliminary studies presented to your board, including the balustrade work, the broad steps leading down onto the lawn, and in the center the pedestal and statue of "Alma Mater welcoming her sons and daughters."

Electric fixtures for the interior of your building should be contracted for not later than January first. I will prepare designs for these and submit same to you at an early date.

According to the contract the floor of the cellar under your Auditorium is left without any concrete, as a matter of economy. It should be drained and concreted as soon as you feel justified in appropriating the money for the same.

In conclusion, I wish to express my appreciation of the manner in which your contractors are endeavoring to carry out all of my requirements, and of the good will they have made manifest. I do not anticipate any further delays in the progress of the work.

Respectfully submitted,
C. H. BLACKALL.

MEDICAL EXAMINER IN MILITARY DEPARTMENT.

3. A request from the head of the Military Department, Colonel E. G. Fehét, that the position of medical examiner to the military department of the University of Illinois be created, and the position be filled by the appointment of a physician of standing.

Voted that the consideration of the request be deferred until later in the session.

ACADEMY.

4. Mr. Frank Hamsher, principal of the Academy, has resigned his position to accept the principalship of Smith Academy of Washington University at St. Louis. I have appointed Mr. Charles M. McConn, a member of the

teaching staff of the Academy, acting principal until further notice, and I recommend that his salary during the time he is acting principal shall be fixed at the rate of \$1,500.00 per year.

Mr. W. S. Ballard, instructor in biology in the Academy, has resigned since the last meeting of the board. I have appointed Mr. J. P. Gilbert in his place at the same salary, namely, \$950.00 per year, beginning Sept. 1, 1906.

In order to relieve Mr. McConn of one class, so that he could take up the work of acting principal, I have appointed Mr. Carl VanDoren as assistant in English in the Academy at a salary of \$40.00 per month, to begin Sept. 1, 1906.

Voted that the action of the president in these matters be approved.

THE SPALDING SUIT.

5. A communication from O. A. Harker, Esq., in the matter of a suit of Charles W. Spalding versus the University of Illinois.

Voted that the communication be printed in the minutes of the board.

Sept. 24, 1906.

In re. Charles W. Spalding	}	Bill for an accounting.
vs.		
University of Illinois and others,		

To the President of the University of Illinois:

The above entitled cause was commenced in the circuit court of Cook county by the complainant for the purpose of compelling an accounting of funds realized from the sale of certain property, real and personal, conveyed and transferred by Spalding to the University trustees by deed of trust on the 14th of April, 1897, to secure a deficit of \$231,367.98 in the accounts of Spalding as treasurer of the University. The bill charges that the property so turned over was worth \$415,000. An accounting and decree is sought against the University, the State of Illinois, the State Auditor and the several State Treasurers that have been in office since the date of the deed of trust. The property covered by the deed of trust consisted of real estate in Chicago, lands in Idaho, city bonds of cities in Iowa and Washington and other securities.

In view of the legislative relief granted by the General Assembly to cover the Spalding defalcation and the action taken by the University trustees in turning over the property in question to the State authorities to discharge the trust contained in the deed I do not think the University is legally liable in the suit. I shall, therefore, file an answer, disclaiming any interest in the subject matter of the litigation, and contend that all responsibility for a faithful discharge of the trust shifted to the State.

I am in communication with the Attorney General, who represents the State and the State officers, and if the court will not give me a favorable preliminary ruling on my answer of disclaimer he and I will act together in the defense.

Respectfully submitted,

O. A. HARKER,

Counsel for the University.

GEOLOGICAL DEPARTMENT.

6. Professor C. W. Rolfe, head of the department of Geology, recommends that Dr. H. Foster Bain, Director of the State Geological Survey, be appointed University Lecturer in Geology. This recommendation is approved by the Dean of the College of Science.

It is understood that no compensation is connected with this lectureship, but that Dr. Bain, whose duties as Director of the Geological Survey require his presence most of the year in Urbana, will kindly consent to give a few lectures without compensation which will be of value to the department and to the University.

Professor Rolfe recommends that an allowance of \$150 be made to Mr. R. C. Purdy for extra work during the past summer.

Voted that the above recommendations be approved.

The sum of \$4,000 is requested by Professor Bayley for additions to the equipment in the Department of Mineralogy. Professor Rolfe and Dean Townsend approve the request. I find on inquiry that this sum may be distributed, half for the current year and half for the following, without materially injuring the work of the department.

Voted to defer the consideration of this item until later in the session.

7. An arrangement was made under authority given me by the Board of Trustees by which Mr. R. C. Purdy and Mr. Krehbiel of the Department of Ceramics were to give certain service to the Geological Survey. This service has been rendered and the Geological Survey has paid over the sum which is allowed for this work, amounting to \$855.00. I recommend that this sum be applied to the use of the Department of Ceramics, and that similar funds in the future be assigned to the same department.

Voted that this recommendation be approved.

DEPARTMENT OF ART AND DESIGN.

8. Professor F. F. Frederick, head of the Department of Art and Design, has resigned his position since the last meeting of the board, to accept the principalship of the School of Industrial Arts at Trenton, N. J.

I am not at present prepared to make any recommendation for the headship of this department.

I have asked Mr. E. J. Lake to act as head of the department for the present year, and have appointed Mr. E. V. Lawrence as instructor in the department for the present academic year, beginning Sept. 1, 1906, at a salary of \$1,000.

Voted that the action of the president in these matters be approved.

It was also voted that the matter of employing another person in this department be left with the president with power to act.

The board then took a recess until 1:30 o'clock p. m.

Afternoon Session, September 25, 1906.

After the recess the same members were present as in the morning, and further matters were presented by the president.

CO-OPERATION WITH UNITED STATES GEOLOGICAL SURVEY, ETC.

9. I presented to the board in an informal way at a previous meeting a proposed scheme of coöperation during the period of twelve months from July 1, 1906, between the United States Geological Survey, the State Water Survey, the Engineering Experiment Station and the State Geological Survey to provide for a comprehensive survey to determine the character and applicability of the natural waters of the State. The plan, which seemed at first likely to fail on account of the failure of appropriations to the United States Geological Survey, has been finally worked out in all its details, and I submit the agreement which was signed by the different parties to the same, for approval and record in the minutes of the board.

Voted that the agreement be approved and printed in the minutes of the board.

This agreement, made and entered into this first day of July, 1906, between Charles D. Walcott, director, for and on behalf of the United States Geological Survey, of the first part, Edward Bartow, director, for and on behalf of the State Water Survey of Illinois, of the second part, L. P. Breckenridge, director, for and on behalf of the Engineering Experiment Station of Illinois, of the third part, and H. Foster Bain, State Geologist, for and on behalf of the State Geological Survey of Illinois, of the fourth part.

WITNESSETH: It is hereby agreed that there shall be conducted in the State of Illinois a coöperative survey to determine, as hereinafter provided, the character and applicability of the natural waters of said State, during a period of twelve months from July 1st, 1906, and that the parties hereunto subscribed shall contribute to the support of said survey as follows:

By the Party of the First Part.....	\$3,000
By the Party of the Second Part.....	3,200
By the Party of the Third Part.....	1,000
By the Party of the Fourth Part.....	1,000
Total.....	\$8,200

1. That all work performed under this coöperative agreement shall be confined to the determination of the mineral and organic constituents in the surface and ground waters of said State, their applicability for use for industrial and domestic purposes, and their pollution by sewage, together with certain experimental work—*a*, upon the effectiveness of sewage purification, plants now installed within the State; *b*, upon the reaction of different types of water in the production of steam in boilers, with studies of boiler scale corrosion and foaming; *c*, upon a comparative study of methods for the prevention of the growth of crenothrix and in addition thereto such special studies as may be determined upon by the Board of Control hereinafter designated.

2. That the work performed under this coöperative agreement shall be under the direction of a Board of Control composed of representatives designated by the parties hereunto and until further action by the parties shall be as follows:

For the Party of the First Part—M. O. LEIGHTON;
 For the Party of the Second Part—EDWARD BARTOW;
 For the Party of the Third Part—L. P. BRECKENRIDGE,
 ARTHUR N. TALBOT, and
 SAMUEL W. PARR;
 For the Party of the Fourth Part—H. FOSTER BAIN.

It is hereby understood and agreed that in case of a division of opinion in the Board of Control with reference to the disposition of any of the matters over which said board is placed in control under the terms of this agreement, that each of the parties to this agreement shall be entitled to but one vote.

3. That Edward Bartow is hereby designated as Administrative Director of the investigations provided under this agreement, and shall have in charge the approval of accounts for disbursement, and shall, with the approval and consent of the Board of Control, engage the services and fix the compensation of such assistants as are required for the carrying on of the work herein provided, with the exception of those assistants especially appointed under this agreement.

4. That a member of the staff of the United States Geological Survey, duly classified by the United States Civil Service Commission, shall be designated to carry on a part of the work provided under this agreement, the nature of which shall be determined upon by the Board of Control, and that said official shall be paid the sum of fourteen hundred dollars (\$1,400) a year for such services.

5. That the three thousand dollars contributed by the party of the first part to the support of the work provided under this agreement shall be expended, so far as it is possible, for the salary of the member of the staff of the United States Geological Survey, and those of such other assistants as may be designated by the Board of Control, the total amount of such salaries not exceeding the contribution by the party of the first part, and that all accounts to be paid by the party of the first part shall be prepared and audited in accordance with the rules and regulations of the United States Geological Survey and of the United States Treasury Department.

6. That the thirty-two hundred dollars contributed by the party of the second part and the one thousand dollars contributed by the party of the third part shall be expended for assistance, traveling expenses, clerical work,

supplies and equipment, and such other incidental purchases and expenses as may be determined on by the Board of Control with the approval and consent of the representatives of said parties.

Proviso:—In view of the fact that the State Board of Health has furnished a bacteriologist, at a salary of \$1,000 per year, whose services are available for the proposed coöperative investigation, and has agreed that the Sanitary Engineer of the State Board of Health will collect samples from sewage disposal works, and that the medical inspector will collect water from suspected supplies, the contribution by the party of the second part is made with the understanding that the party of the second part shall be free to make for the State Board of Health, bacteriological and chemical examinations of suspected water and of sewage, not to exceed 500 in number.

7. That the one thousand dollars contributed by the party of the fourth part shall be expended as follows: (1) Seven hundred dollars to be expended by and under the direction of said party of the fourth part in conference with the administrative director of these investigations; of which five hundred and fifty dollars shall be devoted to a study of the ground waters of the East St. Louis district, and one hundred and fifty dollars to the collection and transportation of samples of well waters from selected points throughout the State, and to preliminary studies of the water horizons of the State. (2) Three hundred dollars of the money contributed shall be expended by said administrative officer for salaries, chemicals, or incidental expenses of this investigation as he shall deem best.

8. That the party of the second part shall provide a suitably equipped laboratory for chemical and bacteriological work, and that in case it shall be necessary to provide extra equipment for the purposes of the investigations herein specified, the cost of such additional equipment shall be paid from any moneys remaining in the fund not otherwise allotted.

9. That there shall be established along the rivers and at points designated by the Board of Control sampling stations from which there shall be sent daily samples to the laboratory of the State Water Survey at Urbana, such samples to be sent by mail in four-ounce bottles, under the authority of the party of the first part and with the franking privilege accorded to such party by law. That these samples shall be stored for definite periods in such laboratory, and analyses of the composite from each sampling station shall be made at intervals to be determined by the Board of Control. That the determinations to be made upon such composite samples shall be determined by the Board of Control and when not otherwise specified shall be the following:

- Silica
- Iron
- Alumina
- Calcium
- Magnesium
- Sodium
- Potassium
- Sulphur Trioxide
- Chlorine
- Carbon Dioxide
- Turbidity (U. S. Geological Survey Standard)
- Suspended matter and
- Dissolved solids,

such determinations to be expressed in parts per million and in ionic form.

10. That samples of ground waters from points designated by the Board of Control shall be sent to the above designated laboratory for mineral analysis, the determination and expression of results to be the same as that described in the foregoing section of this agreement, and in addition thereto shall be made such other special determinations for defined purposes as may be agreed upon and directed by the Board of Control.

11. That there shall be carried on special experiments upon the effect of various Illinois waters upon steam producing boilers which shall include a study of the types of such waters with reference to their reaction in boilers, the methods of analysis and the methods of installation of steam apparatus indicated by the various chemical processes revealed and also the corrosion

caused by steam waters together with experiments to show the relation between the composition of the water and its tendency to corrode, foam or cause scale, and such other special work as may from time to time be directed by the Board of Control.

12. That samples shall be collected from the public water supplies of the State for the sanitary analysis, for the purpose of determining the potability of such supplies. Such analyses shall include the determination of bacteria and the presence or absence of *bacillus coli communis*, according to standard methods promulgated by the American Public Health Association. That similar analysis shall be made of the river water at chosen distances below points of pollution to determine the persistence of contaminating matter, the specific determinations to be made in connection with these investigations to be based upon the special problem in each case and to be designated by the Board of Control. Such investigations shall be extended to private water supplies whenever in the opinion of the Board of Control such analyses are desirable. It is understood and agreed that the work indicated in this section shall apply both to surface and to ground waters.

13. That there shall be maintained a series of experiments upon the best methods of treating water supplies subject to pollution of various kinds and to the disorders due to microscopic organisms such as crenothrix, these investigations to be designated as "Experimental Work upon the Treatment of Water," and the extent of the work and the character of the tests shall be determined by the Board of Control.

14. That the provisional allotments for the various investigations herein provided shall be made according to the following schedule, it being understood and agreed that in case experience shall show that a change in such allotments will be of advantage to the work, such change may be made by the Board of Control.

Mineral Analyses—

Surface waters.....	\$1,830 00
Ground waters.....	1,800 00
Boiler waters.....	1,600 00

Sanitary Analyses—

Surface waters.....	1,000 00
Ground waters.....	900 00
Experimental work upon treatment of water.....	1,000 00
Incidentals and equipment.....	570 00

Total \$8,200 00

15. That in case it shall be found previous to the close of the term of this contract that the expenses incurred under this agreement will be greater than the total amount of the fund provided, retrenchment shall be made by suspension, according to the decision of the Board of Control.

16. That in case the expenses of the work outlined in this agreement should not be as great as the fund provided, adjustment shall be made in the last month of the term of the contract by paying salaries and expenses from the various allotments in such a way that the expenditures of each party hereunto subscribed shall be an equal proportion to the amount contributed by each to the fund.

17. And, be it understood and agreed that the original notes and records of the work performed under this contract shall be kept in the custody of the administrative director and copies thereof issued to the several parties to this agreement upon demand. That each of said parties shall have the right to use any part of the results as may be of value in its special line of work for purposes of publication, but that the publication of the results of the entire series of investigations as a whole shall be reserved to the party of the first part. In the publication of said reports by the party of the first part, the relationship of each party to the report shall be clearly stated, and

each party shall be provided with an equitable number of copies thereof to be distributed according to the provisions of any statutes by which either party may be governed.

In Testimony Whereof, we have hereunto set our hands the day and year first written herein.

CHARLES D. WALCOTT,

Director U. S. Geological Survey, for and on Behalf of the Party of the First Part.

EDWARD BARTOW,

Director State Water Survey of Illinois, for and on Behalf of the Party of the Second Part.

L. P. BRECKENRIDGE,

Director Engineering Experiment Station of Illinois, for and on Behalf of the Party of the Third Part.

H. FOSTER BAIN,

State Geologist, Illinois State Geological Survey, for and on Behalf of the Party of the Fourth Part.

COLLEGE OF AGRICULTURE.

10. A communication from the dean of the College of Agriculture:

URBANA, ILL., Sept. 22, 1906.

Edmund J. James, LL.D., President, University of Illinois:

DEAR SIR—I have two or three matters requiring action by the Board of Trustees at this time.

1. The following is a copy of the minutes of the Live Stock Advisory Committee at its meeting on July 27. Matters touched upon in this report were thoroughly discussed and I take pleasure in forwarding the various recommendations with the request that they be endorsed:

Live Stock Advisory Committee met in Professor Mumford's office at 9:30 a. m., Dean Davenport, Professor Mumford, Mr. Kerrick, Mr. Kincaid and Mr. Fulkerson being present. Mrs. Busey and Mrs. Alexander, who with Mr. Kerrick, constitute the Agricultural Committee of the Board of Trustees, were also present.

Dean Davenport addressed the Agricultural Committee on the object and work of the Advisory Committee, after which the question of investigating the cuts of meat with a view to preparing a bulletin on the subject was brought up and discussed. Moved by Mr. Fulkerson, seconded by Mr. Kincaid, that a representative of the Animal Husbandry department be sent to Chicago for the purpose of investigating the different grades of meat with a view to preparing and publishing a bulletin. Motion carried.

Moved by Mr. Kerrick, seconded by Mr. Kincaid, that the department take up the study of the market grades and classes of horses and sheep and prepare and publish bulletins on each. Motion carried.

Moved by Mr. Kincaid, seconded by Mr. Kerrick, that the department conduct an experiment in fattening horses for market, according to outlines submitted. Motion carried.

Moved by Mr. Fulkerson, seconded by Mr. Kincaid, that the department conduct an experiment in lamb feeding, according to outlines submitted. Motion carried.

Moved by Mr. Kincaid, seconded by Mr. Fulkerson, that the breeding investigations now being conducted be extended to include a herd of Angus as outlined by the department and that a Shorthorn herd be developed along dual purpose lines. Motion carried.

Moved by Mr. Fulkerson, seconded by Mr. Kincaid, that the department purchase two more Percheron mares and three more standard bred mares to cost approximately \$1,700 in all. Motion carried.

Moved by Mr. Kincaid, seconded by Mr. Fulkerson, that the department construct a suitable slaughtering place for handling small lots of stock for experimental work of the College and Station. Motion carried.

J. R. FULKERSON, *Secretary.*

Urbana, Ill., July 27, 1906.

2. The following communication from Professor Blair, it seems to me, raises an important question:

Professor E. Davenport, Dean and Director, College of Agriculture:

DEAR SIR: In view of the fact that our University forestry must be fenced so as to prohibit the general public from frequenting the same, excepting possibly on special occasions when the gates may be thrown open for special reasons; in view of the fact that there has been considerable criticism from various sources because many people who love to frequent a nature-like retreat such as the forestry affords are thereby deprived of such an enjoyment, and in view of a general demand, expressed or unexpressed, for information as to what varieties of trees or shrubs will or will not do in Illinois, I beg to recommend that the University authorities turn over to the Department of Horticulture, temporarily, a tract of land lying immediately west of the forestry (and outside the platted lands) constituting possibly 15 or 20 acres which may be used by the Department of Horticulture for such length of time as the University may care to have the ground so occupied. This tract would be used by the Department of Horticulture for developing a park-like area which would be artistic as well as exhibit,

for the benefit of students and the general public, the various trees and shrubs which may be thought desirable for such purposes. It would, therefore be an area not only essentially park-like, but an arboretum where woody ornamental plants may be studied and to which would naturally be added an herbaceous garden comprising such varieties as should be grown for the courses in floriculture. It is my thought that the whole scheme should be an educational one and furnish information of very great value to central Illinois in regard to the hardiness and adaptability of certain varieties to this region. In this latter respect it may be considered an experimental area. If such a scheme as this meets with your approval, I should be glad to talk the matter over more in detail and to have you take the matter up with the President and Board of Trustees at once, to the end that the work can be put under way without delay.

It has caused me no little regret that certain people within our University circles should seek to misrepresent the department's position in regard to the fencing of the forestry and if the above scheme should be carried out, I am sure it would not only serve the purposes indicated above, but be a reminder that we are doing our best to encourage every one in the study of natural objects and especially beautiful plants and plantings.

Yours respectfully,

Sept. 19, 1906.

J. C. BLAIR.

Several times in the past Professor Blair has made an attempt to have provided for students and others somewhere on the campus a place where nature lovers may stroll among trees and shrubs. For one reason or another his suggestion has never been adopted. You are of course familiar with the almost savage attitude of the students and some others over the question of fencing the forestry. This is the reason Professor Blair again raises the question of providing a place where people may be free to stroll.

Aside from the fact that the forestry has been a resort for disreputable character, for many years, it is necessary for its own protection that the action ordering it to be fenced should stand. It has been several times set on fire by picnic parties and by students, and hundreds of trees have been killed by the cutting of names on the bark. The forestry plantation is not a public park, and cannot be used for this purpose if the forestry experiment is to continue. That matter has already been settled by the Board of Trustees and I assume the action will stand.

This suggestion of Professor Blair's is a attempt to provide a real park for strollers. I gladly endorse it and hope it will receive serious consideration by the Board of Trustees.

3. The farm mechanics building is nearing completion. May I ask that the formal acceptance of the building be placed in the hands of a committee or such other arrangements be made that will enable us to occupy and use the building at once.

4. By some oversight the estimates for the Animal Husbandry department in the Experiment Station seem not to have gotten to your hands at the time the other estimates were sent over. Professor Mumford's following distribution I think covers the needs of the department better than any other:

Live Stock Investigations.....		\$25,000 00
Beef Cattle.....	\$14,500 00	
Horses.....	3,000 00	
Sheep.....	1,000 00	
Swine.....	6,500 00	

Respectfully yours,

E. DAVENPORT,

Dean and Director.

Voted that the action of the Live Stock Advisory Committee at its meeting of July 27th, so far as reported in the above communication, be approved;

That the consideration of the communication from Professor Blair in regard to an ornamental planting immediately west of the forestry be deferred;

That the Buildings and Grounds Committee be authorized to accept the Farm Mechanics building when the proper formalities have been complied with;

That the assignment of funds for live stock investigation be approved.

11. The request from Mr. Tow Ching for a scholarship exempting him from the payment of his matriculation fee and incidental fee for the period of four years:

Voted that such scholarship be granted.

12. That Dr. Guy Stanton Ford is hereby nominated to a professorship in European history at a salary of \$2,500, beginning September 1, 1906.

Voted that Dr. Guy Stanton Ford be elected to such professorship at the salary mentioned.

13. The secretary of the University of Illinois Club of the East, desires me to extend, on behalf of that club, an invitation to the members of the Board of Trustees to attend the annual dinner of the club in New York City on Saturday, Dec. 8, 1906.

The secretary was directed to acknowledge the receipt of the invitation.

LIBRARY.

14. It was found necessary to make several changes in the list of instructors in the Library School and assistants in the library, owing to the resignations of certain members. I have made the following appointments:

Mr. Philip Goulding was appointed catalog librarian at a salary of \$1,200.00; Anna D. White assistant cataloger at a salary of \$720.00; Josie B. Houchens loan desk assistant at a salary of \$720.00; Bertha M. Royce instructor in library economy at a salary of \$800.00; Grace Derby reference assistant at a salary of \$600.00.

The librarian urgently repeats her request now for the third time for an additional general assistant for twelve months at a salary of \$720.00. It seems to me that this assistant is very much needed, and I recommend that such a position be created and the president be authorized to make an appointment for the coming year.

That there be an appropriation of \$10,000.00 for books and binding for the academic year 1906-07. The special appropriation has been fully assigned and there are outstanding orders to cover the assignment. Of this \$10,000.00 special appropriation it is proposed that \$5,000.00 be expended for periodicals, continuations and binding and \$5,000.00 for additional books.

Voted that the above appointments be confirmed and that the appropriation of \$10,000.00 for books and binding be made.

While the appropriation was under discussion the comptroller's report was received and referred to the Finance Committee.

Matters relating to the Snyder loan fund and the Michigan telephone bonds were referred to the Finance Committee with power to act.

Appropriations were made as requested in *Paper I*. For the report see page 15.

15. Owing to a considerable increase in the number of students taking physiology I recommend that the appropriation made by the board at the last meeting of \$400.00 for assistance be increased to \$750.00, the money to be distributed by the professor in charge, subject to the approval of the president, in the manner best adapted to secure the most efficient help.

I recommend that Mr. O. O. Stanley be appointed instructor in physiology, to be paid by the hour out of the sum appropriated for assistance.

Voted that the recommendation of the president be approved.

I recommend that the salary of Dr. A. W. Peters, instructor in entomology, be increased by \$100.

Voted that the recommendation of the president be approved.

16. Mr. Van den Berg, instructor in piano in the Music School, requests the assistance of the University in the publication of an annual to be known as the Music Lover's Calendar.

Voted that the request be referred to the Committee on Publication for consideration.

The director of the Music School requests the appointment of an assistant in piano at a salary of \$400 and recommends Miss Irene Parsons for such appointment.

Voted that the president be authorized to make such appointment.

17. The comptroller recommends that the salary of Mr. W. B. Day, actuary of the School of Pharmacy, be increased from \$900 to \$1,200.

I think that Mr. Day should have such increase. I do not think, however, as matters are now that the University would be justified in appropriating from its general funds to the support of the School of Pharmacy, and it does not appear that the funds of the school for the coming year will justify such increase. I recommend, therefore, that this matter be reserved for consideration another year, when the funds of the school will probably be larger, or the Legislature may have made a special appropriation for the support of the School of Pharmacy.

Voted that the recommendation of the president be approved.

The board then took a recess to meet at the Beardsley hotel at 6:30 p. m.

Evening Session, September 25, 1906.

When the board met at the evening session, the same members were present as in the morning.

FENCE ON LINE OF SOUTH FARM.

Mr. Kerrick from the Committee on Agriculture made the following motion, which was adopted:

Moved that the Agricultural Department proceed to build a fence on south line of University farm next the Sullivan land, following the line occupied by the old fence recently removed.

FEES DUE FROM STUDENTS.

The registrar presented statements of fees and deposits due from students of the University, as follows:

University and academy students for the second semester of the year 1905-1906; summer session students for the summer of 1906;

Students of the College of Medicine (including the School of Dentistry) for the year ending June 1, 1906, and of the summer session of 1905;

Students of the School of Pharmacy for the year ending April 26, 1906.

The report was referred to the Finance Committee.

TREASURER'S REPORT.

The secretary presented the treasurer's report, which was referred to the Finance Committee.

TREASURER'S REPORT.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,
JUNE 30, 1906.

	<i>Dr.</i>		
1906

COMPTROLLER'S REPORT.

For action taken on this report see page 12.

UNIVERSITY OF ILLINOIS, Sept. 25, 1906.

S. A. Bullard, *President of the Board of Trustees of the University of Illinois:*

DEAR SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations June 30, 1906.

Paper B is a statement of the State appropriations June 30, 1906.

Paper C is a statement of the United States fund June 30, 1906.

Paper E is a statement of the United States Agricultural Experiment Station appropriations June 30, 1906.

Paper F is a statement of the School of Pharmacy appropriations June 30, 1906.

Paper G is a statement of the College of Medicine appropriations for June 30, 1906.

PAPER A—CURRENT APPROPRIATIONS.

	Appropriated.	Expended	Balance.
June 30, 1906.			
Salaries for instruction	\$ 20,000 00	\$ 15,924 02	\$ 4,075 98
Salaries for services	5,000 00	4,163 24	836 76
Buildings and grounds	2,000 00	1,605 84	394 16
Heat and light	2,000 00	937 55	1,062 45
Academy	10,484 87	10,484 87	
Stationery and printing	1,000 00	517 96	482 04
Agricultural college	16,090 99	16,090 99	
Departments	8,000 00	6,827 47	1,172 53
Laboratories	17,000 00	15,950 28	1,049 72
Library and apparatus	1,000 00	254 79	745 21
Incidentals	4,000 00	3,382 97	617 03

Paper A—Concluded.

	Appropriated.	Expended	Balance.

Paper M is a list of the general University vouchers presented for audit, being Nos. 5901 to 8500, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 232 to 345, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit, being Nos. 202 to 248, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 1009 to 1353, inclusive.

Paper R is a statement of the Edward Snyder Loan Fund to June 30, 1906.

Respectfully submitted,

S. W. SHATTUCK,
Comptroller.

MATTERS PRESENTED BY THE PRESIDENT—*Continued.*

CHEMISTRY DEPARTMENT.

18. The professors in the Department of Chemistry have signed a request which is approved by the dean of the College of Science, that the University secure the services of Dr. W. A. Noyes, of Washington, D. C., as head of the Department of Chemistry and director of the chemical laboratory.

Voted that the president be authorized to offer the position of professor of chemistry, head of the Department of Chemistry and director of the Chemical Laboratory to Dr. W. A. Noyes, at a salary of \$4,000 per year, with the understanding that Dr. Noyes may defer, if necessary, the actual taking up of the work of the post until Sept. 1, 1907, and that the salary may begin when he takes up work at the University.

APPOINTMENTS.

19. The following persons have been appointed instructors since the last meeting of the board:

- H. L. Whittemore, instructor in mechanics (vice Hurd) \$1,000.00.
- Ernest M. Halliday, instructor in rhetoric, (vice J. Q. Adams) \$1,200.00.
- H. E. Murdock, instructor in theoretical and applied mechanics, (vice La-Motte, \$800.00.
- H. W. Gray, instructor in applied mechanics, (vice Cronin) \$850.00.
- R. B. Slippy, instructor in civil engineering, (vice Webber) \$1,000.00, ten months.
- C. C. Wiley, instructor in civil engineering, (new) \$900.00.
- E. L. Dodd, instructor in mathematics, (vice Mr. Crathorne) \$1,100.00.
- Charles Sisam, instructor in mathematics, (vice Dr. Coar) \$1,300.00.
- Edwin Lee Norton, instructor in education, (vice Mr. Sisson) \$1,200.00.
- Carrol Wegemann, assistant in geology, (vice J. C. Jones) \$750.00.
- Josef Wiehr, assistant in German (vice Miss Schumacher) \$900.00.
- Charles William Hilmer, assistant in German, (vice Miss Layton) \$500.00.
- Arthur P. Bumstead, shelf assistant (vice F. M. Bumstead, resigned), \$200.00.
- Hugh Pratt Kean, assistant in astronomy (vice Mr. Fath) \$400.00, (half time).

E. W. Hope, instructor in classics (vice K. P. R. Neville), \$1,000.00.

Voted that these appointments be confirmed.

20. The following persons have been appointed to the respective positions at the salaries indicated:

Allen E. Rogers, acting professor in the School of Law for one year at a salary of \$2,000.00, beginning Sept. 1, 1906.

Mrs. Eunice D. Daniels, head of woman's hall and advisor of women, for one year, at a salary of \$1,200.00, beginning July 1, 1906.

Voted that these appointments be confirmed.

ALUMNI RECORD.

21. Copies of the Alumni Record are herewith submitted, together with a communication from the editor of the work:

URBANA, ILL., Sept. 24, 1906.

President E. J. James, President University of Illinois:

DEAR PRESIDENT JAMES—I wish to report that the Alumni Record which the board of trustees commissioned me to prepare has been published and distributed to subscribers. The book is a volume of 710 pages, plus five inserts. It contains 31 pages of annals of the University, the biographies of 2,540 baccalaureate, 26 graduates and 32 honorary alumni; of 284 members of the faculty, past and present, not graduates of the University of Illinois, of 77 members of boards of trustees of this institution, and the names and addresses of 374 students who were given degrees in 1906. It contains further a directory of alumni associations of the University of Illinois, a geographical and biographical index.

Fifteen hundred copies of the book were issued, 1,300 bound in cloth, 200 in paper covers. Of these approximately 1,100 in cloth have been sold at \$1.50 each, and 170 in paper covers at \$1.00 each. The 1,270 orders were received in reply to the one notice sent to the graduates.

In compiling the book more than 10,000 circular letters and 650 personal letters were sent out. Of the alumni who have thus far remitted for the record nearly one-half have sent commendatory notes, and I am receiving from them, daily, notice of changes of address and occupation, lists of alumni in various cities, and in two instances, of intention to organize alumni clubs. These things indicate a gratifying amount of lively interest among the alumni, and are, I believe, a sufficient justification of the work which has now for the present been completed.

Very respectfully yours,

FRANK W. SCOTT, *Editor*.

SUMMER SESSION.

22. The report of Dean Clark as director of the summer session is herewith submitted:

URBANA, ILL., Sept. 24, 1906.

President Edmund J. James, University of Illinois:

MY DEAR SIR—According to your request, I am writing you with regard to the work of our summer session.

There were registered during the session 523. On account of sickness or unexpected changes only 502 of these remained to take the work for which they were registered, and this number will appear in our next catalog.

We do not make a record which discriminates between teachers and others, but so far as I can determine from going over the lists 370 of those registered were teachers in the State.

The scholarships which we offered were taken advantage of by 171, representing eighty counties. I give below the list of these counties, with the number of teachers from each. This list will show that the distribution was wide, and that even from some remote counties in the State we have several representatives.

Many of the students who are regularly enrolled at the University also are teachers, so that it is safe to say that more than three-fourths of those who came to our Summer Session have taught, or are teaching in the state.

The various departments in which work was offered, and the total number of single registrations in each are given below:

Art and design	45
Astronomy	22
Botany	58
Chemistry	63
General engineering drawing	23
Economics	48
Education	107
English literature	238
Entomology	31
French	37
German	85
Greek	6
History	95
Household science	7
Latin	85
Manual training	60
Mathematics	198
Theoretical and applied mechanics	24
Mechanical engineering	74
Philosophy	26
Physics	81
Physical training	110
Psychology	130
Rhetoric	161
Zoölogy	46

Courses were offered in violin and in the history of music, but these were not elected by any one.

The number registered in physical training for women includes all students who regularly exercised in the gymnasium. Those mentioned in the report for men were simply the ones who registered for instruction and took it regularly.

It will be seen from the examination of the registration that the special things which we sometimes feel will attract students most widely, were not particularly popular. This is true of household science, and, omitting those women who simply took exercise in the gymnasium, of physical training for women. Students elect most widely those courses which we give regularly and which they can count toward a degree. As we can increase the offerings in our regular courses we will appeal to a greater number of teachers and students.

In addition to the regular courses which we gave, we offered also a number of lectures. Dr. William J. Rolfe of Cambridge, Massachusetts, was with us for three weeks and lectured daily on Shakespeare, and other topics connected with English literature. Professor Forbes, of the University; Dr. Ernst Flagg Henderson, of Cambridge, Massachusetts; Professor Charles A. McMurry, of California, Pennsylvania; President Livingston C. Lord, of the Eastern Illinois Normal School; Professor Charles A. Bennet, of Bradley Polytechnic Institute; and Professor Charles T. Baker, of Columbia University; each lectured daily for a week. In addition to these lectures several were given by members of our own faculty. This list included Professor Oliver, Professor Hottes, Professor Cannan, Professor Stebbins, Professor Hollister, Dean Greene, Professor Barton, Professor Kemp, Professor Frank Smith, Professor Sisson, and Dr. Stearns.

The surprising part about it to me was that each one of these lectures had a good attendance and seemed to arouse interest. I had a feeling at the beginning of the session that we were probably overdoing the matter of lectures, but I was convinced later that this was not so.

Mr. Adams in his public speaking classes presented a feature that seemed to please everybody in working up a play which was given near the close of the session in the open air.

Mr. Schwartz also worked up a good chorus which gave a concert at close of the season.

All these special features, I think, added interest and attracted attention.

The attendance at the summer session seems to be growing very satisfactorily. If it is continued it will bring us more and more teachers, and I see no reason why we should not soon have a thousand here in the summer. We shall thus be doing a service of incalculable value to the State of Illinois. I feel strongly that the money which we put into the session is well expended.

Very respectfully yours,

THOMAS ARKLE CLARK,

Director.

The board has already voted that the summer school for next year be conducted along essentially the same lines as last year. I recommend that the sum of \$15,000 be appropriated for the expenses of the summer session, to be disbursed as hitherto, on the approval and order of the president.

Voted that the report be printed in the minutes of the board, and the consideration of the appropriation be deferred until the next meeting of the board.

23. There will be need of two or three additions to handle the increase in the attendance. It is not yet clear just where this addition to the force may be most needed. English, Mathematics, and Economics seem to be the departments most in need of help. I recommend that the President of the University be authorized to appoint such additional instructors in the departments named to the number of three, at salaries not to exceed \$1,000 per year, if in his judgment circumstances should make it necessary.

Voted that the recommendation of the president be approved.

STENOGRAPHERS.

24. I recommend that the salaries of the following stenographers and clerks be fixed as indicated:

Grace J. Maxwell, \$65 per month.

Mae Manspeaker, \$45 per month.

Mrs. Jennie Morse Laffin, \$70 per month.

Eva L. Niles, \$65 per month.

Jessie A. Smith, \$70 per month.

Florence Wilson, \$45 per month.

Tabitha Broadhurst, \$45 per month.

Elmer C. Harris, \$65 per month.

M. E. Thompson, \$50 per month.

Albert Lee, \$700 per year.

J. G. Wilson, \$1,200 per year.

In accordance with the authority given me by the board, I have reappointed the other stenographers and clerks at the salary of last year, or in the case of resignations I have filled the positions at the same or lower salaries.

Voted that the recommendations and the action of the president in this matter be approved.

PURCHASES FOR COLLEGE OF MEDICINE.

25. A communication from the purchasing agent explains itself.

Voted that the communication be printed in the minutes of the board.

UNIVERSITY OF ILLINOIS, Sept. 22, 1906.

President Edmund J. James:

MY DEAR SIR—At the request of Mr. Bullard, I have taken up the matter of purchases of the College of Medicine at Chicago. The expense to the University will be in printing a triplicate form of requisitions for their use and my expense to Chicago, say, semi-monthly.

The office of purchasing agent is badly in need of space for the transaction of its business. Besides the regular furnishings of the office, we should have space for a fairly complete stock of office supplies for the different departments. This I am satisfied, would amount to the saving of quite a sum of money in the course of a year to the University.

There is also the ever-present question of furniture. Experience with the State Board of Prison Industries goes to show that their work is very unsatisfactory. They do not seem to be able to complete any job correctly even when furnished with complete specifications and blue-prints. Some cases just received from them for museum purposes is a sample in point. I am of the opinion that much of this work could be done better and more cheaply in our own shops. I suggest this for your consideration.

In conclusion, I am, very sincerely yours,

N. HAY,
Purchasing Agent.

SCHOLARSHIPS FOR FILIPINO STUDENTS.

At the request of Mr. W. A. Sutherland, superintendent of Filipino students for the United States Bureau of Insular Affairs, it was voted to give free scholarships to eleven Filipino students during the ensuing year. It was also voted to give a scholarship for the ensuing year to M. E. Bono, a Filipino.

POSTAL TELEGRAPH-CABLE COMPANY.

The following communication was received from the manager of the Postal Telegraph-Cable Company in Champaign:

CHAMPAIGN, ILLINOIS, Sept. 22, 1906.

President E. J. James, University of Illinois:

DEAR SIR—Believing that it would be for the advantage of the University community, both faculty and students, to have an office of the Postal Telegraph-Cable Company conveniently situated in the University buildings, I request in the name of my company the assignment of desk room for the establishment of a telegraph office. It would, of course, be understood that the University would reserve the right to terminate any such arrangement at any time, with reasonable notice. It is proposed to make the office hours of such office conform to University practice, the hours from 7:45 a. m. to 5:45 p. m., with intermission for lunch, being suggested as suitable.

I would also request the use of a telephone connected with the University telephone system, and if it be found necessary to install an additional telephone for such purpose, my company will pay the cost of such installation.

Very respectfully,

H. E. ROBINSON,
Manager.

With this recommendation was a letter from Professor Morgan Brooks of the Electrical Engineering Department approving the same, and also a statement that after consultation with Vice-President Burrill and Miss Sharp it has been agreed to recommend that the company be allowed to have space under the stairs at the southwest entrance to the Library building.

The request was approved, and it was ordered that the installation of the office should be under the supervision of J. E. Morrow, superintendent of buildings.

BIDS FOR WIRING THE AUDITORIUM.

Mr. Abbott from the Committee on Buildings and Grounds stated that bids had been asked for for wiring the Auditorium for electric light, and reported that bids had been received as follows:

CONTRACTORS.	Exterior and interior.	Interior.
National Electric Co.	\$3,182 00	\$1,272 00
Champaign Gas & Electric Co.	2,210 00	1,120 00
Twin City Electric Co.	2,900 00	1,600 00
Marrs-Tanner Co.	2,210 00	1,190 00
F. E. Newberry & Co.	4,150 00	1,950 00

It was voted to accept the bid of the Champaign Gas & Electric Co. to do the exterior and interior wiring for \$2,210.00.

COAL BIDS—WATER FOR MOUNT HOPE CEMETERY.

The secretary presented the following communication from W. L. Abbott, chairman of the Committee on Buildings and Grounds:

Aug. 11, 1906.

Mr. W. L. Pillsbury, Secretary, University of Illinois:

DEAR SIR: The Committee on Buildings and Grounds met at the Library building July 25, and transacted business as follows:

The following bids for a supply of coal for the University for the following year were received:

SPRINGFIELD COAL MINING COMPANY:

For fuel for the coming year, ending Aug. 31, 1907, we propose to furnish you our No. 2 nut coal (being same coal furnished you during the past year) from our mines in the Springfield and Taylorville districts, to the extent of your requirements, which we understand to be about 15,000 tons, at price of \$1.55 per net ton of 2,000 pounds, f. o. b. Wabash tracks, Urbana; subject to strikes, lockouts, and other causes beyond our control.

O'GARA COAL COMPANY:

We quote you the following prices for contract for your entire fuel requirements from date to Aug. 1, 1907:

Harrisburg, Saline County, Ill.

Screenings	\$.80 per ton, f. o. b. cars mines
No. 3 nut ($1\frac{1}{4} \times \frac{3}{4}$)	1.10 per ton, f. o. b. cars mines
No. 2 nut ($2 \times 1\frac{1}{4}$)	1.25 per ton, f. o. b. cars mines
No. 1 nut (3×2)	1.40 per ton, f. o. b. cars mines
Mine run	1.00 per ton, f. o. b. cars mines
$1\frac{1}{4}$ lump	1.25 per ton, f. o. b. cars mines

The freight rate $92\frac{3}{4}$ cents.

J. D. WHITE:

I offer to furnish for the University of Illinois, as needed by it for heat, light and power purposes, between Sept. 1, 1906, and Aug. 31, 1907, fifteen thousand (15,000) tons, more or less, of best Illinois unwashed coal of the size known as "pea" coal, screened free of all large lumps, dust and dirt, to be delivered at the power house of said University, on a switch track from the line of the Danville, Urbana and Champaign Railway Company or on a side switch track from the switch track now being used by the University Test Car at the price of "one

dollar and fifty-five cents" per ton on cars or for "one dollar and sixty cents" in the receiving hopper of the coal bunkers. Said coal to be delivered at the option of the University from the Grape Creek mines of the Kelley Coal Co., or from the Oakwood mine of the Oakwood Coal Co.

Should you find it expedient to let a portion of the contract to separate parties, I agree to furnish one-third, one-half or two-thirds of the amount needed at the price quoted.

(This proposition made contingent upon permission of University to construct such switch tracks as are mentioned as necessary.)

I offer to furnish for the University of Illinois, as needed by it for light, heat, and power purposes, between Sept. 1, 1906, and Aug. 31, 1907, on board cars in Urbana, fifteen thousand (15,000) tons, more or less, of the best Illinois unwashed coal, to be of the size known as "pea" coal, screened free from all large lumps, dust and dirt, for one dollar and fifty cents (\$1.50) per ton. Said coal to be delivered at the option of the University from the Grape Creek mines of the Kelley Coal Co., or from the Oakwood mine of the Oakwood Coal Co.

Should you find it expedient to let a portion of the contract to separate parties, I agree to furnish one-third, one-half or two-thirds of the amount needed, at the price quoted.

Final action on these bids was deferred until the next meeting of the Committee to afford an opportunity for investigation of the relative values of the coal bid on.

It was decided that the Mt. Hope Cemetery Association should be given the privilege of taking water from the University mains on condition that they furnish a satisfactory water meter, pay the expense of making the connection, and pay for the water used at the regular city rates. This privilege to be granted subject to the conditions stated in their petition of June 20th, 1906: The water pipe connecting to the University main shall not be larger than 1½ inch. This permission also to be revokable at any time by the University.

August 7th, the Buildings and Grounds Committee met in the Library building and awarded the coal contract to J. D. White for Oakwood or Westville pea coal, which would pass over a ¾-inch screen and through a 1½ inch screen, with the privilege of taking one-half the required supply of coal in 1½ inch screenings. The price of these two kinds of coal delivered in the receiving hopper at the University boiler room is \$1.50 per ton for pea and nut, and \$1.25 per ton for screenings. The contractor to furnish a satisfactory bond in the sum of \$6,000.00 for the fulfillment of his contract. The contract will also be guaranteed by the Illinois Traction Company, who are to have the privilege of installing and maintaining during the life of the contract a switch from their track to the University boiler room.

The committee authorized an expenditure of \$600.00 for repairing, decorating and ventilating Morrow Hall in the Agricultural building to be paid for from any funds of the Agricultural Department which the comptroller may approve. The work to be in charge of Prof. J. M. White.

The committee authorized an expenditure of \$250.00 for the installation of two standpipes in the Woman's building, and six lines of hose. Also one stand pipe and two lines of hose in the Mechanical laboratory. The architect, together with the purchasing agent, are authorized to provide and install the apparatus.

Yours very truly,

W. L. ABBOTT,

Chairman.

The report of the action of the committee with regard to coal contract for the year 1906-1907 and water for Mount Hope Cemetery was received for record.

The expenditures on Morrow Hall and for stand-pipes and hose in the Woman's building and Mechanical laboratory were also approved.

COMMITTEE ON LEGISLATIVE ASKINGS.

It was voted that the president appoint a Committee on Legislative Askings, the president of the board to be a member of the committee. The following were appointed: Messrs. Kerrick and Abbott, Mrs. Busey, and Messrs. Davison and Bullard.

The Committee on Finance made the following report:

CHIEF CLERK'S BOND.

URBANA, ILL., Sept. 25, 1906.

To the Board of Trustees of the University of Illinois:

Your Finance Committee recommends that the offer of the Illinois Surety Company to furnish a bond for O. E. Staples, Chief Clerk, in the sum of \$20,000.00 at a premium of \$60.00 for the year from Oct. 1, 1906, be accepted, and the premium be paid by the University.

Respectfully submitted,

ALEXANDER MCLEAN,

Chairman.

The recommendation of the committee was approved.

The board adjourned.

W. L. PILLSBURY,

Secretary.

S. A. BULLARD,

President.

Meeting of December 11, 1906.

Upon request of many members and by direction of the President of the Board, the regular quarterly meeting of the Board of Trustees of the University of Illinois was called to meet at the Palmer House in Chicago at 9.00 o'clock a. m., Tuesday, December 11, 1906.

The members present pursuant to this call were Governor Deneen, Messrs. Abbott, Blair, Bullard, Davison, Kerrick, Lehman, and McLean, and Mrs. Alexander, Mrs. Evans, and Mrs. Busey; absent, Mr. Barber. President James was present.

The secretary presented the minutes of the meeting of September 25, 1906, and these were approved as presented.

MATTERS PRESENTED BY PRESIDENT JAMES.

1. Two letters: one from the President of the University to Dr. W. A. Noyes of the Bureau of Standards, Washington, D. C., dated October 19, 1906:

URBANA-CHAMPAIGN, ILL., October 19, 1906.

Dr. W. A. Noyes, Bureau of Standards, Washington, D. C.

MY DEAR DOCTOR NOYES—I am writing to know whether you will accept the position of Professor of Chemistry, Head of the Department of Chemistry, and Director of the Chemical Laboratory in the University of Illinois at a salary of four thousand dollars (\$4000) per year, your salary to begin when you take up work at the University, with the understanding that if you deem it necessary you may defer the actual taking up of the work of the post until September 1, 1907.

In case you would accept such an offer, I should like to present your name to the Board of Trustees for election to the position under these terms and announce your name in our circulars as director of the Chemical Laboratory, on leave of absence until September 1, 1907, or such earlier time as we might agree upon between us.

In case you should be elected I should desire you to visit the University once or twice between now and September 1, 1907, for purpose of conference with the other members of the department and with me as to future policy, appropriations for the laboratory, etc., etc. I should be glad to have as early a reply as may be convenient to you.

Faithfully yours,

EDMUND J JAMES.

The second from Dr. W. A. Noyes to the President of the University under date of October 25, 1906 :

DEPARTMENT OF COMMERCE AND LABOR, BUREAU OF STANDARDS.

WASHINGTON, October 25, 1906.

President Edmund J. James:

I shall be pleased to have you present my name for the position of Professor of Chemistry in the University of Illinois in accordance with your letter of October 19th, with the understanding that, if elected, I shall have leave of absence till September 1, 1907. It is understood further that a research assistant, at \$800 a year, is to be provided, in accordance with the suggestion last spring. If elected to the position, I shall expect to organize the work of the department in such a manner that I shall not be unnecessarily burdened with details which can be equally well cared for by others, in order that a considerable portion of my time and energy may be devoted to research. To this end I shall expect proper provision to be made for clerical and other assistance in the department.

For the proper development of the work of the department I consider that it is absolutely essential that the files of chemical journals shall be placed in a room in the chemical laboratory. If action of the trustees is required before this can be done, I would respectfully ask that such action be taken.

If elected, I can probably arrange to visit the University at some time during the winter for consultation with yourself and the other members of the department, as you suggest. In such a case I should, however, expect the University to pay my expenses.

If I am elected, Dr. Stratton would be glad to have the announcement deferred as long as possible.

Yours sincerely,
W. A. NOYES.

Voted that the President of the University be authorized to assure Professor Noyes that a research assistant will be allowed the head of the laboratory, at a salary not to exceed \$800 per year; further, that in addition to the present stenographic service for the chemical laboratory, as long as the work of the laboratory includes the present scope of work, a clerk who shall act as stenographer at a salary not to exceed \$60 per month will be allowed for the office of the director of the laboratory; further, that the files of chemical journals shall be placed in a room in the chemical laboratory, provided that proper assurance of protection from fire can be secured and the necessary space can be found.

2. A letter from Edward Tilden, Esq., Chicago, in which he stated that the American Meat Packers' Association will be glad to assist in the proposed investigation by the University into the effect upon the human body of the saltpetre used in curing meats, to the extent of fifteen thousand dollars (\$15,000) or more if necessary, and approving a plan which had been submitted to him by the president of the University for the conduct of such investigation.

3. A letter from Professor S. A. Forbes asking for leave of absence without pay from University duties from the first of January for the remainder of the college year, in order to complete and get ready for the press a report on the ichthyology of the State.

Voted that such request be granted.

STATE LABORATORY OF NATURAL HISTORY.

4. A report from Professor S. A. Forbes upon the work of the State Laboratory of Natural History.

The report was received and ordered printed in the minutes.

ILLINOIS STATE LABORATORY OF NATURAL HISTORY.

URBANA, ILLINOIS, U. S. A., Dec. 7, 1906.

To the Board of Trustees of the University of Illinois:

The State Laboratory of Natural History has just now in hand three principal enterprises: the completion of the report on the fishes of the State; a systematic survey of the bird life of Illinois; and a study of the plant and animal life of peculiar situations, such as the sand areas of certain parts of the State and the bog region of northern Illinois. We are also engaged this winter in one of our regular distributions of Illinois insects to public high schools, and in the preparation of systematic lists of Illinois insects as a study in the geographical distribution of species.

The report on Illinois fishes is now all in manuscript form, except three chapters of the introduction, the materials for which have been collected and arranged. The descriptive part of the text is in its final form for all the species, but the general discussions of the species are in a preliminary form only, and will require my revision and completion. Fifty-five colored plates have been made ready for printing, and I have colored drawings for twenty-two others. I have also photographs and black and white drawings for eighty-five illustrations additional, and about 140 maps of the State, showing the distribution of our collections and the exact distribution within the State of all our Illinois species.

The preparation of this report has involved the critical study of 1,800 collections made from 450 Illinois localities, distributed through ninety-six counties. These collections are contained in 13,000 tanks, bottles and jars, and number about 200,000 specimens, every one of which has been handled and determined as to species. We have also scanned and abstracted the whole literature of American ichthyology, including articles in fishing and sporting journals and other miscellaneous sources of information.

I particularly wish to bring this work to completion, ready for the press, because I am impatient to enter energetically upon the preparation of the next volume of the series of biological reports, which I propose shall be devoted to the economic entomology of the State. A very great amount of material has been made ready for this latter report, which I hope to make a comprehensive and amply illustrated treatise on the whole subject of Illinois insects in relation to all phases of human welfare.

Our statistical investigation of bird population of Illinois will add to our knowledge of ornithology, an element which is now wholly wanting, and for lack of which it has been im-

possible to form even an approximate estimate of the significance of birds in the general system of life and in their relation to man. Two expert ornithologists, traveling always 100 yards apart, and making a detailed record of all distances traveled over and each kind of crop or other vegetation, note the species, numbers and precise situation of all birds flushed on the strip between them or passing over it within 100 yards of their front. They are thus traversing the various parts of the State in various directions, and are to continue at this work for a full year. The data thus obtained will enable me to compute the average numbers per acre and per square mile of each species of bird, and of birds in general, for all parts of the State, for each season, for each crop, and for each class of situation. These assistants likewise note all other ornithological facts, of either scientific or merely practical interest, which come under their observation. They are thus accumulating a mass of data concerning the bird life of Illinois such as has never been brought together for any other region. This new method of field ornithology was tested by us last year by several months work of a similar kind on the 400 acre farm of the University, and the value and interest of these preliminary results led to this broader application of it.

The most important laboratory publication of the current year is a catalogue of the mil-lusks of the State, based in part upon a study of our collections and prepared by F. C. Baker, curator of the Chicago Academy of Sciences. Two additional articles of the seventh volume of our Bulletin are now in press, one by Mr. C. A. Hart, of my laboratory staff, and Dr. H. A. Gleason, of the University Department of Botany, on the peculiar plant and animal life of the sand areas of the State, and another by myself on the local distribution and biological relationships of a family of Illinois fishes. I am now preparing a paper on the local distribution and the associate relationships of the fishes of the Wabash valley in Illinois, and a list of Illinois Orthoptera by Mr. Hart is well advanced in preparation.

I have had in hand for some time the manuscript for a second volume on the plankton work of the biological station—a continuation and completion of Dr. Kofoid's report on that subject—the first volume of which was printed in 1903. This manuscript is sufficient to make another volume of about 500 pages, but the funds available for publication have been insufficient to enable me to print it. This is a unique and important piece of work of a very high scientific value, and I greatly regret that the Appropriation Committees of the Legislature declined to provide for its printing at the last legislative session.

The laboratory staff comprises, at the present time, C. A. Hart, systematic entomologist, R. E. Richardson and F. E. Wood, assistants in the biological survey; A. O. Gross and H. A. Ray, field ornithologists; Mary J. Snyder, secretary; Grace O. Kelley, librarian; and W. G. Hummel, accountant.

The appropriations for the State laboratory amount to \$9,500.00 per annum, of which \$8,000.00 is for the expenses of the natural history survey, \$500.00 for the supply of natural history specimens to the public schools, and \$1,000.00 for the publication of bulletins and reports. The unexpended balance December 1st was \$6,317.29, of which \$4,803.99 is in the natural history survey fund, \$323.15 in the fund for the supply of natural history specimens, and \$1,190.15 in the publication fund.

Permit me finally to call your attention to the fact that the State biological survey—although it is, for historical reasons, separately organized and independently managed—is, under existing conditions, and to all intents and purposes, a research department of the University, and that three of its four research assistants are students or graduates of the University of Illinois, while it has on its pay-roll each year a long list of undergraduate students temporarily employed in its service. Its library especially is constantly and extensively used by the University zoologists, entomologists, botanists, and physiologists, and is frequently resorted to by members of other departments. I venture to hope, consequently, that the State Laboratory of Natural History, which is essentially a part of a fully developed university department of zoology, may have its due share in the rapidly growing interest manifested in the development of research and graduate work at the State University.

Respectfully submitted,

S. A. FORBES,
Director of Laboratory.

ACCOUNTANCY MATTERS.

5. A letter from the chairman of the University Committee on Accountancy calling attention to the fact that the case of Eric J. Everett, applicant for the diploma of certified public accountant, has not yet been concluded by the board of trustees.

On motion of Mr. Abbott, the report of a special committee on the Everett case was taken from the table.

Voted that the case of Eric J. Everett be referred to the University Committee on Accountancy and the board of examiners for further report, together with a copy of the opinion of the Attorney General and the report of the board of trustees' committee appointed to consider this matter, presented at the June meeting.

An application of Oliver Coxon for the certificate of certified public accountant was also presented, and the case was referred to a special committee consisting of Messrs. Abbott and Davison.

Voted also that the president of the University be authorized to

introduce a bill in the Legislature relieving the University of this duty of conducting examinations for certified public accountant.

6. A letter from the editor of University Studies calling attention to the fact that no appropriation was made during the past year for the continuation of the Studies, and asking that \$1,200.00 be appropriated for this purpose.

Voted that such appropriation be made.

7. A letter from the editor of University Studies asking for authority to print a bulletin prepared by Professor Grindley on Methods of Roasting Meat, including therein four colored plates. The expense of printing the bulletin, including the making of the plates for an edition of 1,000 is estimated at \$430.00.

Voted that the editor of University Studies be authorized to include such bulletin as a number of the Studies.

8. A report from the Council of Administration on a set of rules regarding the use of Woman's Hall.

Referred to the Committee of the Board of Trustees on Student Welfare, for consideration and report at this meeting.

9. A letter from Professor Rolfe in regard to the appropriation of \$4,000.00 which was asked from the board of trustees at the last meeting for the Department of Geology, the consideration of which appropriation had been postponed.

Voted that an appropriation of \$2,000.00 be made for the purpose of equipment in the Department of Geology.

10. A request from Dr. N. C. Brooks, assistant professor of German, for leave of absence during the coming year for the purpose of study in Europe.

Voted that said request be granted on the usual terms.

11. A letter from Dr. C. F. Newcomb, of Champaign, Ill., in regard to a board of medical examiners to determine the circumstances under which students may be excused from military drill.

Voted that the president of the board of trustees appoint a regimental surgeon to whom all applicants for exemption from military drill shall be referred, the applicant paying the fee for examination.

12. A communication from W. B. Day, actuary of the School of Pharmacy, calling attention to the fact that Albert E. Ebert, for many years a member of the board of pharmacy of the University, had died since the last meeting of the board.

Voted that the following resolutions be adopted:

WHEREAS, It has pleased an all-wise Providence to remove from the scene of his earthly labors our friend and co-worker, Albert E. Ebert; and

WHEREAS, Mr. Ebert's untiring devotion to his profession and his almost life-long interest in the School of Pharmacy are worthy of our greatest respect; be it

Resolved, That the trustees and officers of the University of Illinois recognize in Mr. Ebert's death the loss of an unselfish worker and a faithful friend, and be it further

Resolved, That these resolutions be spread upon our minutes as a mark of our respect, and that copies be sent to the School of Pharmacy and to the Chicago Veteran Druggists' Association.

13. A letter from Professor H. A. Hollister calling attention to the fact that the balance of the appropriation made last year for the expenses of the high school conference had lapsed in July, before the bill for printing the report of the conference could be obtained from Pontiac, and a request that this amount be re-appropriated for the present year.

Voted that the said amount of \$112 be reappropriated for the expenses of the Committee on the High School Conference.

14. A letter from Dr. C. F. Newcomb of Champaign, protesting against the use of University halls by the Christian Science Association.

Voted that said protest be referred to a special committee, and President Bullard appointed on this committee Messrs. McLean, Ker-rick and Abbott.

The board then took a recess until 2:00 o'clock p. m.

Afternoon Session, December 11, 1906.

When the board convened after the recess, the same members were present as at the morning session.

INSTRUCTION IN BANKING.

The following letter from Mr. William George, president of the Illinois Bankers' Association, was presented by President James, and was referred to be considered in connection with the report on legislative appropriations.

AURORA, ILL., Nov. 27, 1906.

Mr. S. A. Bullard, President Board of Trustees, Springfield, Ill.

MY DEAR SIR—At the last convention of the Illinois Bankers' Association, an organization which numbers among its members practically all of the 1300 bankers of this State, there was unanimously adopted a resolution authorizing the appointment of a committee to urge upon the Legislature the appropriation of an adequate sum for the maintenance of a business course in the University, including a banking course. I had the honor of being appointed chairman of that committee, and in behalf of the committee, and The Bankers' Association of Illinois, I wish to suggest that your board of trustees include in its budget of requirements, \$25,000 for work in business education.

More and more do business men of this generation believe that the University should furnish a training specifically fitting them for business life; that the University should offer a training along the lines of the average vocation. Some of us believe that many of the irregularities in the insurance world, in the railway circles, and in the banking profession would be averted had there been more men in these lines properly trained.

Permit me to say further, if the committee can be of any service to you in the matter of securing needed appropriation, we shall be pleased to have you command us.

Yours truly,

WILLIAM GEORGE.

Mr. Abbott, Chairman of the Committee on Buildings and Grounds, submitted the following statement:

I have authorized the following expenditures from the funds of the Engineering College as emergency necessities, and request that the board formally approve the same.

Rewire physical laboratory and provide more efficient lamps and fixtures.....	\$175 00
Equip second floor of wood shop with light and steam heat to provide room for an increased number of students.....	200 00
Improvements and alterations in blue print room.....	75 00
Total.....	\$500 00

Also the expenditure of \$200 from the funds of the Engineering Experiment Station for the purpose of building a shed for the storage of test coal. This shed to be located by the side of the University coal track, and near the Engineering Experiment Station building.

The expenditure was approved, and the amounts called for, \$500 and \$200, were appropriated from the funds named.

EXHIBIT OF RAILWAY TESTING CAR AT ELECTRICAL TRADES EXHIBITION.

The Committee on Engineering presented the following recommendation which was approved, and the appropriation made as asked for.

CHICAGO, Dec. 10, 1906.

Hon. S. A. Bullard, President Board of Trustees, University of Illinois:

DEAR SIR—To enable the Electrical Engineering department to exhibit its railway testing car at the Electrical Trades exhibition to be held in Chicago in January, 1907, the Engineering Committee recommends that an appropriation of \$500 be made for this purpose.

This money to be appropriated from the following named funds:

From the electrical engineering department.....	\$150 00
From the railway engineering department	150 00
From the general fund.....	200 00

Total	\$500 00
-------------	----------

Respectfully submitted,

W. L. ABBOTT,

Chairman Committee on Engineering.

Bills for services as appraisers of the buildings of the College of Physicians and Surgeons were presented by Dr. Davison, and were ordered paid:

The bill of W. Carbys Zimmerman for \$100.00 and the bill of Beers & Beers, architects, for \$100.00.

TREASURER'S REPORT.

The secretary presented the treasurer's report for the year ending Sept. 29, 1906. The report was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,
SEPT. 29, 1906.

BOND FOR ADDITIONAL RIFLES.

The secretary presented a communication from Colonel Fechet stating that he has procured two hundred and forty additional rifles to the value of \$4,766.40, for which a bond must be given by the University to the United States in amount \$9,532.80.

Ordered that the president of the board of trustees, Mr. S. A. Bullard, prepare and execute such bond.

AGRICULTURAL COLLEGE AND EXPERIMENT STATION.

President James presented a communication from Dean Davenport making recommendations concerning the expenditure of the Adams fund.

This matter was postponed for future consideration.

Also recommending that certain requests for appropriations be made of the Legislature in the general bill.

These were considered in connection with the report of the Committee on Legislative Askings.

Also a recommendation for the preparation and publication of a biography of Professor J. B. Turner.

This was referred to the Committee on Publication for consideration and report.

Also a statement with regard to the Armour scholarships as follows:

THE ARMOUR SCHOLARSHIPS.

Mr. J. Ogden Armour of Chicago has pledged a fund of \$5,000.00 annually for the endowment of twenty scholarships to be awarded to worthy students desiring to pursue courses of study in agriculture, the same to take effect next year.

I quote from the official plan under which these scholarships will be awarded: "—the scholarships to be divided among the colleges whose teams do the most efficient work in the students' judging contest, as follows:

For best work on—

Horses.....	1
Cattle.....	1
Sheep.....	1
Hogs.....	1
Corn.....	1
Grains and feed and forage exhibit.....	1

For the college whose teams do the most efficient work in all the classes, one, thus providing for seven of the scholarships.

It was then agreed to distribute the remaining thirteen scholarships on the basis of cash prizes won by the colleges in the open classes for International Exposition money only, and the money of the exposition that is won on the grain and forage exhibit not to be counted in this item.

It was then agreed to restrict the number of scholarships that any one school could be allotted to 40 per cent of the whole.

It will be noted that these scholarships are to be awarded first to institutions, rather than to men; that a certain number (7) are to go to those institutions whose "teams" make the best record in the student judging contest at the International Live Stock Exposition, but that the larger number (13) are to go to those institutions that win most in the competitive exhibits in the regular classes of live stock.

This puts the whole matter on the competitive basis and forces the institution that desires to secure a portion of the benefits of this fund for its students to do so by organizing and coaching a team of students for the judging contests or to enter live stock in the regular classes in competition with breeders or with each other for money, and the intention evidently is that they shall do both.

Both students judging contests and competitive exhibits with private breeders and between institutions have been customary in the past, but never upon so large a scale as is now contemplated, and our college and station are on record against both propositions.

We have held:

1. That experience has shown the judging contest to be surrounded by all the evils that usually attend such competitive struggles, with some disagreeable features peculiarly its own.

2. That an agricultural course is not a form of sport but a serious business proposition covering many subjects, and that the introduction of the factor of contest in certain favorable subjects breeds strife at the expense of sound scholarship in all lines of work, and leads the student to measure his strength with another's rather than with the limitations of the subject itself.

3. That the organization and coaching of such a team in the midst of a university year not only raises the study of external form out of its relative rank in the study of animal production but it greatly disturbs the more serious work of the department and distorts values generally in the eyes of the student.

As to the direct competition in the show ring on the part of the institution we have held:

1. That to compete against private stockmen in the show ring is not a legitimate field for college and station endeavor, because these institutions are not naturally producers of live stock in the ordinary sense nor should they become so in order to try conclusions with the private stockmen who will laugh at them if they fail to win over him, and hate them if they beat him. So it is that in the long run the colleges and stations have everything to lose and nothing to gain in show ring contests with the private breeder. When they win men will say, "of course you ought to win with the State behind you;" and it will not be long until the stockmen will grow tired of paying taxes to support institutions for this purpose. He will learn to say that he pays taxes to be benefitted thereby, not to be beaten in his own show ring.

2. That for colleges and stations to compete with one another is even more objectionable. These institutions are organized and supported for instruction and for research, and it is inconsistent and unacademic that they should devote their resources and their energies, which are supported at public expense and for public service, for a mere tug of war for securing prizes in the show ring.

3. That much of the legitimate equipment of a college or station is peculiarly suited to exhibition but that from the nature of the case it is not sufficiently comparable with that of others to be shown in competition. For example, how can Dr. Hopkins' work in corn breeding be compared with Professor Hays' experiments in wheat improvement? Yet this very thing has been attempted. And how could Dr. Armsby's investigations in animal nutrition be compared with Professor Mumford's work in classification?

4. For the colleges and stations to organize or bring together an equipment solely or primarily with a view to competitive exhibit is a diversion of public funds and a perversion of the purpose for which these institutions were organized.

Of course there are arguments on the other side, and space is too brief to exhaust the discussion here. The only one that has been strongly advanced on the student judging contest is that it will arouse interest in the study of agriculture. The great argument for the competitive exhibit is that it puts the colleges and stations on their mettle and the success they are certain to achieve will win the respect of the stockmen.

We have held that the greatest need of colleges and stations is not popularity, but a reputation for actual service, and that for the reasons here briefly outlined contests and competitive exhibitions are closed against us, but that we should be always ready and glad to exhibit anything we might have that is educational, but not for prize money or other valuable consideration.

I think we have been supported in this position by the judgment of the better stockmen, who have thought the matter out to its conclusions; but we certainly have been in the minority among the institutions in the middle west, though signs are not wanting that an increasing proportion of farmers and institutions are leaning our way.

The matter is by no means settled, however, and the Armour scholarships have raised the question again in proportions larger than ever before. This being true, I am unwilling that my personal convictions, while still unaltered, should seem so to settle an important matter of institution policy as possibly to stand in the way of the best development of the animal husbandry interests of the University. This feeling is fully shared by Professor Mumford, head of the department, and although our position as outlined above is the result of full discussion with all our departments, we both feel that the matter has assumed proportions such that the highest University authority should go fully into the situation and declare what our policy should be hereafter.

Only one stipulation should be made. If we are to reverse our policy and try conclusions on the competitive basis we expressly request that we be allowed to put money and energy enough into it to clean up the situation to the satisfaction of its most earnest advocates.

It is not that we fear the outcome, but rather that we know it will be at the sacrifice of our better work and of our larger service to agriculture. I should like, too, if we go into it that a plain statement be made in advance to protect us against what seems to be an almost inevitable reaction.

I sincerely regret this long discussion, but it seems necessary to the proper presentation of what is really a very great issue in educational policy, and I earnestly request that the president and trustees review the entire situation and either reverse our position or affirm it to the end that our policy for the future may be the product of the highest University judgment. Further information will be gladly furnished.

The course pursued by the College of Agriculture in not entering competition at the Live Stock Exhibition was approved and it was voted that the department should stay out of such competitions for the future, and also should not compete for the Armour scholarships.

It was directed that the Agricultural Department should state publicly its reasons for the course pursued in this matter.

COMPTROLLER'S REPORT.

The comptroller presented his report, which was referred to the Finance Committee:

UNIVERSITY OF ILLINOIS, URBANA, ILL., Dec. 25, 1906.

Hon. S. A. Bullard, President, Board of Trustees, University of Illinois:

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations Sept. 30, 1906.

Paper B is a statement of the State appropriations September 30, 1906.

Paper C is a statement of the United States fund September 30, 1906.

Paper E is a statement of the United States Agricultural Experiment Station appropriations September 30, 1906.

Paper F is a statement of the School of Pharmacy appropriations September 30, 1906.

Paper G is a statement of the College of Medicine appropriation September 30, 1906.

Paper H is an estimate of the receipts and expenses for the nine months ending June 30, 1907.

Paper I is a list of the appropriations the board is requested to make at this time.

Paper L is a report of the receipts by the chief clerk for the three months ending September 30, 1906.

PURCHASE OF COLLEGE OF PHYSICIANS AND SURGEONS.

The following report was received from the Committee on the College of Medicine, which was directed to confer with a committee of the College of Physicians and Surgeons with regard to terminating the contract now existing between the University and the College of Physicians and Surgeons by purchasing the property of the college.

The report was received for record and, after hearing Drs. Steele and Pusey of the College of Physicians and Surgeons, the recommendation with regard to the purchase was referred for consideration in connection with the report of the Committee on Legislative Askings.

December 11, 1906.

To the Board of Trustees of the University of Illinois:

The Committee on the Medical College appointed with President James to investigate at what price the property of the College of Physicians and Surgeons could be acquired in the near future by appropriation by the Legislature, without waiting for the present contract to expire, met a committee from the corporation of the College of Physicians and Surgeons. It was mutually agreed by the committees to recommend:

1. That the present contract should be abrogated and annulled.
2. That the notes given by the college corporation to the University under the contract, amounting to \$19,600, be cancelled.
3. That the University purchase the property of the College of Physicians and Surgeons at a price to be determined by appraisal of the actual of the tangible property by capable disinterested appraisers.

By mutual agreement the appraisers were selected as follows:

1. To value the buildings: W. C. Zimmerman, State Architect, and architect of the high school building; Beers, of Beers & Beers, architects.
 2. To value the land: J. A. Wendall, of J. A. Wendall & Co., real estate.
- To value the equipment: George T. Kemp, Professor of Physiology, University of Illinois; George P. Dryer, Professor of Physiology, College of Physicians and Surgeons.

The itemized valuation of these appraisers is as follows:

Medical building.....	\$152,000 00
Dental building.....	61,000 00
Land, medical school.....	35,000 00
Land, dental school.....	22,200 00
Equipment, medical school.....	98,156 50
Equipment, dental school.....	17,157 75
Total.....	\$385,514 25

Respectfully submitted,

CHARLES DAVISON,
Chairman.

REPORTS OF EXECUTIVE COMMITTEE.

Mr. Bullard as chairman of the Executive Committee reported that the committee had authorized the payment of \$1,540.12, on account of the *Alumni Record*, and the action of the committee was confirmed.

Mr. Bullard also reported that the Executive Committee, at the request of the Committee on Publication, had authorized an expenditure of \$400.00 in the nature of a loan to aid in publication of *The Music Lovers' Calendar*. But he stated that since the first contract had been cancelled the amount had not been expended, and the committee therefore recommended that the board appropriate the \$400.00 in payment of bill of R. R. Donnelley & Sons' Company for printing the *Calendar*.

The money was appropriated as recommended.

VETERINARY COLLEGE AND RESEARCH LABORATORY.

Drs. W. A. Evans, J. B. Murphy and O. E. Dyson were heard in behalf of the proposed veterinary college and research laboratory and an appropriation for the maintenance of the same.

The request with regard to an appropriation was referred for consideration together with the report of the Committee on Legislative Askings.

Dr. Murphy also spoke urging strongly that the University acquire the property of the College of Physicians and Surgeons.

MICHIGAN TELEPHONE BONDS AND STOCK.

The Finance Committee made the following report:

CHICAGO, Dec. 11, 1906.

To the Board of Trustees of the University of Illinois:

Your Committee on Finance submits the following report with regard to the sale of the Michigan State Telephone bonds and stock held in the Snyder fund:

WHEREAS, there were numerous applications from students for relief from the Snyder fund until, in fact, the fund was temporarily overdrawn; and

WHEREAS, this matter was presented to the board at its meeting on Sept. 25, 1906, and the question of the sale of the bonds and stock was referred to the Committee on Finance with power to act, your committee has proceeded as follows:

The treasurer of the University, Mr. H. A. Haugan, was directed to place the same on market, and, as will be seen by the communication received from the treasurer, inserted below, the bonds and a part of the stock have been sold, and it is probable that the rest of the stock will be sold soon. The amount of the sale will be approximately \$3,600.00, which is nearly \$500.00 more than the original cost.

Mr. Haugan's letter is as follows:

CHICAGO, Dec. 3, 1906.

S. W. Shattuck, Esq., Comptroller, University of Illinois, Urbana, Ill.:

DEAR SIR—Referring to your valued favor of Nov. 30th, I now beg to inform you that I have sold the \$2,500.00 Michigan State Telephone Company bonds at 97 and interest, receiving therefor \$2,466.82. I have also disposed of the ten shares preferred stock at 86%, which will realize \$897.50, and am now negotiating for the sale of the remaining six shares common stock. I expect the total proceeds will be about \$3,600.00, including interest.

In making the delivery of these stock certificates, however, I shall have to furnish the buyers with a certified copy of the resolutions or authority by the Board of Trustees, authorizing me to endorse these certificates. You will, therefore, kindly obtain and send me two

separate certified copies of such resolutions. The certificate for ten shares preferred stock is No. 1724, and for the six shares common stock, No. 1551, both being in favor of Helge A. Haugan, Treasurer, Board of Trustees, University of Illinois.

Yours very truly,
H. A. HAUGAN,
Treasurer.

In accordance with the request made by Mr. Haugan for authority to endorse the certificates of stock, your committee recommends the passage of the following resolution:

Resolved, that Helge A. Haugan, Treasurer of the University of Illinois, be and is hereby given authority to transfer the ten shares of the preferred stock of the Michigan State Telephone Company, now the property of the University, the certificate being No. 1724, and to endorse the same in the name of the University.

He is also authorized to transfer the six shares of common stock, certificate No. 1551, and to indorse the same in the name of the University.

Respectfully submitted,
ALEXANDER MCLEAN,
W. L. ABBOTT,
L. L. LEHMAN,
Finance Committee.

The report of the committee was approved and the resolution offered by the committee was adopted.

LEGISLATIVE APPROPRIATIONS.

The special Committee on Legislative Askings made the following report which was received for consideration:

URBANA, ILL., Nov. 27, 1906.

To the Board of Trustees of the University of Illinois:

Your special Committee on Legislative Askings, appointed at the September meeting of the board, met at the University Nov. 27, 1906, all the members of the committee being present.

Of the other members of the board, all of whom had been invited to meet with the committee, Messrs. Lehman and McLean, and Mrs. Alexander and Mrs. Evans were present.

President James was also present.

At the suggestion of President James the deans of the several colleges were invited to state the wants and conditions of their respective departments.

Dean White being away, Professor Breckenridge was heard with reference to the needs of the College of Engineering, the Engineering Experiment Station, and the heating plant.

Professor Brooks was heard with reference to the needs of the electric lighting and power plant.

Dean Davenport was heard with reference to the needs of the Agricultural Department.

Professor Forbes spoke of the needs of the Department of Physiology and the desirability of establishing a course in human anatomy.

Miss Sharp represented the Library.

Dean Townsend was heard with reference to the College of Science.

Dean Greene spoke of the College of Literature and Arts.

Dean Harker spoke for the College of Law.

The following proposed law, making appropriations for buildings, presented by President James, was considered, but no formal action was taken thereon.

PROPOSED LAW MAKING SPECIAL APPROPRIATIONS FOR BUILDINGS.

WHEREAS, the University of Illinois has grown with such great rapidity as to outrun all the facilities in building and equipment which have been thus far provided; and

WHEREAS, the trustees have urgently represented that they need now for the present work of the institution, among others, the following buildings, costing approximately the sums set opposite the same, amounting to about \$1,750,000, namely,

Physical Laboratory.....	\$250,000 00
Addition to Natural Science Hall.....	250,000 00
Administration Hall.....	150,000 00
Addition to University Hall.....	250,000 00
Armory.....	100,000 00
Addition to Library building.....	100,000 00
Music and Art building.....	150,000 00
Enlargement of Engineering buildings.....	150,000 00
Law Library stack (fire proof).....	50,000 00
Museum building.....	250,000 00
Total.....	\$1,700,000 00

AND WHEREAS, the trustees of the University have urgently requested that at least the sum of \$1,000,000 be appropriated by this Legislature as a special grant for this purpose in addition to the other grants for the running expenses and support of the various departments of the University.

Therefore, be it enacted that the sum of \$1,000,000 be and is hereby appropriated for the ensuing biennium for the erection of the following buildings:

Physical Laboratory.....	\$250,000 00
Addition to Natural Science Hall.....	150,000 00
Administration building.....	150,000 00
Armory.....	100,000 00
Addition to University Hall.....	250,000 00
Addition to Library building.....	100,000 00

One-half of said sum of \$1,000,000 shall be available July 1, 1907, and one-half July 1, 1908.

The following draft of askings for the years 1907-1909 was considered and approved:

DRAFT OF ASKINGS OF ILLINOIS LEGISLATURE.

1. Payment of salaries, for the care of buildings and grounds, and for ordinary operating expenses, per annum.....	\$425,000 00	\$850,000 00
2. For material for shop practice, per annum.....	5,000 00	10,000 00
3. For increase of historic, scientific, and artistic cabinets and collections, per annum.....	2,000 00	4,000 00
4. For additions to the library, per annum.....	35,000 00	70,000 00
5. For additions to apparatus and appliances, per annum.....	3,000 00	6,000 00
6. For fire protection, per annum.....	1,500 00	3,000 00
7. For laying pavements and walks, per annum.....	3,000 00	6,000 00
8. For maintenance and extension of Engineering College and expense of the Engineering Experiment Station, per annum.....	100,000 00	200,000 00
9. For painting and repair on buildings and improvement to grounds, per annum.....	10,000 00	20,000 00
10. For carrying on State water survey, per annum.....	6,000 00	12,000 00
11. For draining, fencing and repairs on experimental farms, per annum.....	5,000 00	10,000 00
12. For the maintenance of the department of social and political science and industrial economics, including instruction in banking, insurance and railway administration, etc., per annum.....	25,000 00	50,000 00
13. For maintenance of School of Music, per annum.....	3,000 00	6,000 00
14. For providing additional teachers in the College of Agriculture, and also to enable the college to meet the demands for instruction of the farmers' institutes, per annum.....	6,000 00	12,000 00
15. For further equipment and support of the Law School, per annum.....	25,000,00	50,000 00
16. For equipment and maintenance of the Chemical Laboratory, per annum.....	10,000 00	20,000 00
17. For equipment and maintenance of the School of Pharmacy, per annum.....	10,000 00	20,000 00
18. For the maintenance of graduate school.....	50,000 00	100,000 00
	\$724,500 00	\$1,449,000 00
<i>Appropriates various sums for addition to plant—</i>		
1. For the additional equipment of the water station.....		\$3,000 00
2. For increasing the telephone exchange.....		1,500 00
3. For enlarging the general heating plant.....		15,000 00
		\$1,468,500 00

It was voted also to ask for a special amount as should be necessary for the purchase of the forty-acre tract of farm land for which the Legislature was asked to make an appropriation two years ago.

Dr. Davison, from the Committee on the College of Medicine, stated that a conference had been had with a committee appointed by the College of Physicians and Surgeons, and that the committee had agreed to recommend to the University, and to the College of Physicians and Surgeons, that the existing contract between them be terminated by the payment of \$385,000.00 by the University for the property of the College of Physicians and Surgeons, which is the subject of the existing contract.

No formal action was taken with regard to this matter.

Respectfully submitted,

L. H. KERRICK, *Chairman*,
W. L. ABBOTT,
MARY E. BUSEY,
CHARLES DAVISON,
S. A. BULLARD,

Committee on Legislative Askings.

President James explained at some length the desirability of asking for appropriations as indicated in the foregoing report. After a full discussion, during which a recess was taken until 7:30 o'clock, it was voted to ask for appropriations as follows:

PROPOSED LAW MAKING APPROPRIATIONS FOR BUILDINGS.

WHEREAS, the University of Illinois has grown with such great rapidity as to outrun all the facilities in building and equipment which have been thus far provided; and

WHEREAS, the trustees represent that they need now for the present work of the institution, among others, the following buildings and equipment, costing approximately the sums set opposite the same, amounting to two million, three hundred and fifty thousand dollars, namely:

Physical laboratory	\$ 250,000
Addition to natural history hall	250,000
Administration building	150,000
Addition to university hall	250,000
Armory	100,000
Addition to library building	150,000
Music and art building	150,000
Enlargement of engineering buildings	250,000
Law library stack (fire proof)	50,000
Museum building	250,000
Housing of medical school	500,000

Total

\$ 2,350,000

AND, WHEREAS, the Trustees of the University have urgently requested that at least the sum of one million dollars be appropriated by this Legislature as a special grant for this purpose, in addition to the other grants for the running expenses and support of the various departments of the University;

Therefore, Be it enacted, that the sum of one million dollars be and is hereby appropriated for the ensuing biennium for the erection and equipment of the following buildings, costing not to exceed the sums set opposite the same:

Physics Laboratory	\$ 250,000
Addition to natural science hall	150,000
Administration building	150,000
Armory	100,000
Addition to university hall	250,000
Addition to library building	100,000

Total

\$1,000,000

One-half of said sum of one million dollars shall be available July 1, 1907, and one-half July 1, 1908.

DRAFT OF A PROPOSED LAW FOR ACQUIRING A MEDICAL SCHOOL.

WHEREAS, The University of Illinois has conducted for some years the work of medical education in buildings owned by the College of Physicians and Surgeons of Chicago; and

WHEREAS, It seems in the interest of instruction and research in the field of medicine that the University should own its own buildings and equipment, therefore;

Be it enacted, That the sum of \$386,000 is hereby appropriated to the trustees of the University for the purpose of erecting or acquiring suitable buildings and equipment for the conduct of its medical department.

Provided, That in case the trustees should see fit to purchase the property and equipment of the College of Physicians and Surgeons, they shall not pay for the same a sum to exceed the actual value of the tangible property of said institution.

DRAFT OF ASKINGS OF ILLINOIS LEGISLATURE FOR MAINTENANCE AND EQUIPMENT
1907-1909.

1. Payment of salaries, and for ordinary operating expenses, per annum	\$450,000 00	\$900,000 00
2. For material for shop practice, per annum	5,000 00	10,000 00
3. For increase of historic, scientific and artistic cabinets and collections, per annum	2,000 00	4,000 00
4. For additions to the library, per annum	35,000 00	70,000 00
5. For additions to apparatus and appliances, per annum	3,000 00	6,000 00
6. For fire protection, per annum	1,500 00	3,000 00
7. For laying pavements and walks, per annum	3,000 00	6,000 00
8. For maintenance and extension of Engineering College and expense of the Engineering Experiment Station, per annum	100,000 00	200,000 00
9. For painting and repairs on buildings and improvements to grounds per annum	28,690 00	57,380 00
10. For carrying on State water survey, per annum	6,000 00	12,000 00
11. For draining, fencing and repairs on experimental farms, per annum	5,000 00	10,000 00
12. For maintenance of the Department of Social and Political Science and Industrial Economics, including instruction in banking, insurance, railway administration, etc., per annum	25,000 00	50,000 00
13. For maintenance of School of Music, per annum	3,000 00	6,000 00
14. For agricultural extension and also to enable the college to meet the demands for instruction at the farmers' institutes, per annum	6,000 00	12,000 00
15. For equipment and support of Law School, per annum	25,000 00	50,000 00
16. For equipment and maintenance of the chemical laboratory, per annum	10,000 00	20,000 00
17. For equipment and maintenance of School of the Pharmacy, per annum	10,000 00	20,000 00
18. For maintenance of Graduate School, per annum	50,000 00	100,000 00
19. For maintenance of Veterinary College, per annum	30,000 00	60,000 00
	\$798,190 00	\$1,596,380 00
<i>For Additions to Plant—</i>		
1. For additional equipment of water station		\$ 3,000 00
2. For increasing the telephone exchange		1,500 00
3. For enlarging the general heating plant		50,000 00
4. For purchase of farm land		11,600 00
		\$1,662,480 00

15. A recommendation that \$15,000.00 be appropriated for the expenses of the summer session for the year 1907.

Voted that said appropriation be made.

16. A recommendation that the balance of the lecture fund appropriated for last year, which lapsed on the first of July, be reappropriated for the present year.

Voted that such reappropriation be made.

17. A recommendation that the sum of \$100.00 be appropriated to the department of Psychology for scientific investigation.

Voted to make the appropriation.

18. A recommendation that the salary of Mr. John G. Wilson, chief clerk in the president's office, be increased by \$100.00 for the present year.

Voted that said increase be made.

19. A suggestion from the comptroller that a permanent appropriation be made for the expenses of the office of the dean of undergraduates. They have thus far been defrayed from the appropriation made for services, but the items have reached such a figure that it is better to incorporate them in a formal way in the budget.

Voted that the sum of \$600.00 per year be appropriated for this purpose.

20. A communication from Dean White of the College of Engineering in regard to a deficit of \$64.70 in the accounts of last year's Technograph.

Voted that said deficit be paid by the University on the conditions indicated in the letter from Professor Ira O. Baker accompanying the dean's recommendation.

AUDIT COMPANY'S REPORT.

The Finance Committee presented the report of the Audit Company with reference to the business office and the treasurer's office for the six months ending June 30, 1906.

THE AUDIT COMPANY OF ILLINOIS,

CHICAGO, SEPT. 24, 1906.

Alexander McLean, Esq., Chairman of Finance Committee, Board of Trustees, University of Illinois, Urbana, Ill.:

DEAR SIR—In accordance with your instructions, sent us through Professor S. W. Shattuck, the business manager, we have examined the books and accounts of the business office, for the period January 1 to June 30, 1906, and submit herewith the following statements:

Exhibit A—Showing trial balance at beginning of period, with the cash and warrant entries during the period, and statement of trial balance at end of period.

Exhibit B—Statement of cash receipts and disbursements January 1 to June 30, 1906.

Exhibit C—Reconcilement of chief clerk's cash book balance of June 30, 1906, brought down to Sept. 19, 1906, P. M. (end of audit.)

Exhibit D—Reconcilement of balance of Mr. H. A. Haugan, treasurer.

Schedule 1—List of vouchers showing errors and omissions.

Schedule 2—List of outstanding warrants not presented to the treasurer for payment.

We checked the vouchers on file for all warrants issued during this period for the following departments: General University, School of Medicine, School of Pharmacy, and the Agricultural Experiment Station. With the exception of those shown as per schedule 1, we found vouchers on file agreeing in amounts, properly receipted for by the payees, and all duly approved by the comptroller or business manager. We did not go into the correctness of the distribution of the various amounts, that being more properly within the province of the various heads of departments, as well as the comptroller. We satisfied ourselves as to the correctness of the total disbursements.

We checked and followed these disbursements as entered and distributed through the journal, verifying all footings and postings into the general ledger accounts.

We checked all footings and postings into ledger from the general cash book, and found them all correctly entered. We were not instructed to trace the receipts as shown in the cash book to their source. We would not have had

time to do this, even if so instructed, owing to the limited time at our disposal; but we would strongly recommend that your honorable board instruct us to do this, as the amount of cash received during the period would fully warrant this work. In this connection, we would suggest a few changes that would relieve the business office of a vast amount of work that has the tendency to congest the work in a short space of time at different periods of the school year, causing errors which are vexing, and without any material gain to the University. We would mention:

First—The deposits made for laboratory supplies by students, which have to be taken in, and then later rebates made for unused deposits. One voucher alone represents \$2,917.11, being rebates made to over 1,200 students, which of course represents twice that number of transactions in and out.

Second—The receiving of money on deposit—practically a savings bank department—which at close of business Sept. 19, 1906, amounted to \$2,970.61, this amount being included in the cash on hand, although not showing on the books in any way, and constituting a heavy risk, to say nothing of the extra work involved. We would recommend the transfer of this money to some bank in your city, which would welcome the accounts that now mean a responsibility on your part.

We would also recommend the adoption of a different form of voucher for cash disbursements, that would provide for blank approval spaces, to be signed by officers as authorized by your board, so that when they are audited the accountant can satisfy himself that each voucher has been approved and certified to, as instructed by your board. We attach a form of voucher for your approval, trusting it may embody some points that will meet with your approval as being correct in principle; the form, of course, is open to corrections that may readily occur to you. We would also suggest the auditing of the vouchers at least every three months, thus reducing greatly the time required in making the audit, especially where the report is wanted in a short time, as was the case in this particular instance. The checking of vouchers alone required seven days, and if our suggestion as to the checking of the cash receipts should be followed, that would require much more time, if periods of six months each be followed in the future.

We verified the cash book balance of June 30, 1906, bringing same up to date, counted the cash on hand and found something in excess of the book balance, being represented, we believe, by receipts of fees, etc., which were overlooked and not credited on the cash book. These errors could be detected should you authorize this work done in future audits.

We reconciled the account of Mr. H. A. Haugan, treasurer, finding same to agree with your balance to within 10 cents after taking into consideration the items as shown on our Exhibit D, which we will adjust at our next audit.

We regret that the time allowed us has been somewhat limited, and trust that our report as submitted will be satisfactory, and that the recommendations as submitted will meet with your approval.

Yours very truly,

C. W. KINSELY, C. P. A.,

President.

**EXHIBIT C—RECONCILEMENT OF CASH BOOK BALANCE TO CLOSE OF BUSINESS
SEPT. 19, 1906 (END OF AUDIT).**

Balance as per cash book of E. O. Staples, chief clerk, June 30, 1906.....			\$ 13,332 15

The Committee on Students' Welfare made the following report, which was adopted, and appropriations were made for attendance in order that the University Library and the social rooms of Woman's Hall might be kept open from 2:00 to 6:00 Sunday afternoons.

CHICAGO, December 11, 1906.

To the Board of Trustees of the University of Illinois.

Your Committee on Students' Welfare reports that it has consulted with Professor Bartow with regard to the water supply at the University, the city water supply, and to some extent the water in wells from which drinking water is obtained. Professor Bartow states that as the result of careful analysis, made by him, the water in all cases has been found of a satisfactory degree of purity.

OPENING OF LIBRARY SUNDAY AFTERNOONS.

Your committee recommends, after consulting with Miss Sharp, head librarian, that the University Library be open in accordance with the following regulations:

1. That the University Library be open every Sunday afternoon from 2:00 to 6:00 during the University year.
2. That the books be drawn from the stack for use in the library only.
3. That reserve books be allowed to remain out over Sunday.
4. That periodicals be not allowed to remain out over Sunday.
5. That fifty cents an hour be paid for the Sunday service of attendants.

OPENING SOCIAL ROOMS IN WOMAN'S HALL SUNDAY AFTERNOONS.

Your committee has had so little time to consider the proposed revision of rules with regard to Woman's Hall that we do not feel ready to pass upon the whole, and ask for further time, but we do approve and recommend that the board approve this provision with regard to opening the rooms for social purposes during certain hours Sunday afternoon, as follows:

If provision can be made for an attendant, we recommend the opening of the club rooms to women students only on Sunday afternoon from 2:00 to 6:00.

Respectfully submitted,

MARY E. BUSEY,

Chairman of Committee.

The board adjourned.

W. L. PILLSBURY,
Secretary.

S. A. BULLARD,
President.

Meeting of January 22, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at the University in Urbana, Jan. 22, 1907, pursuant to the following notice which was sent out by the secretary Jan. 11, 1907:

Upon the call of Mr. S. A. Bullard, president of the board, there will be a meeting of the Board of Trustees of the University of Illinois, Tuesday, Jan. 22, 1907, at 9:00 o'clock a. m., in the Library building at the University, for the purpose of considering legislative askings, communications from the president, and any other business which may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Blair, Bullard, Davison, Kerrick, Lehman and Mrs. Alexander, Mrs. Evans and Mrs. Busey. Absent—Governor Deneen and Messrs. McLean and Madden. President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

1. A letter from Dean White relating to the phraseology of the item in the general appropriation bill referring to the Engineering College and Experiment Station.

During the discussion which followed, a committee from the Campaign Commercial Club was heard with regard to the postoffice designation of the University.

Afterwards Dean White and Professor Breckenridge were heard as to the item in question.

Mr. Abbott moved to change this item so as to read the same as in the appropriation bill of 1905.

Mr. Lehman moved to amend by leaving the phraseology the same as approved at the December meeting of the board and increasing the amount of the appropriation to the amount of \$150,000.00 per annum.

The board took a recess until 2:00 o'clock in the afternoon.

Afternoon Session of January 22, 1907.

When the board met after the recess, the same members were present as in the morning except Mr. Blair.

The secretary asked that Mr. Ernest Reckitt be appointed a member of the Board of Examiners under the C. P. A. law for the term ending June 30, 1907, the formal appointment not having been made at the time when he was nominated for the position at the June meeting of 1904.

The appointment was made.

Further consideration of the matter under discussion in the forenoon was postponed until later.

DEAN OF WOMEN.

2. A suggestion with regard to a Dean of Women was referred to the Committee on Students' Welfare.

REGIMENTAL SURGEON.

A committee of physicians from Champaign was heard with regard to the appointment of a surgeon for the regiment.

HOME TELEPHONE COMPANY.

Mr. Abbott from the Committee on Buildings and Grounds presented the following communication from the Home Telephone Company:

THE HOME TELEPHONE COMPANY OF CHAMPAIGN COUNTY

CHAMPAIGN, ILL., Jan. 19, 1907.

W. L. Abbott, Esq., Chairman of the Buildings and Grounds Committee of the University of Illinois:

DEAR SIR—The Home Telephone Company of Champaign county, hereby makes application for a permit to cross the University campus with a line of underground conduit, connecting the conduit work now being completed by the company in Champaign and Urbana. The work will be similar in character to the conduit work put through the campus by the Bell Company under a permit granted about a year ago, except that our conduit lead will be placed near the south line of White street so that it passes through the campus between the football and baseball grounds, interfering with neither.

We are rebuilding our entire system in both cities, and when completed it will be what is known as cable construction in both cities. In connection with it we shall install the latest automatic equipment. As the University now has that system, with some changes we believe it could be connected with ours in such manner as to give very satisfactory service from and to the University from both Champaign and Urbana. We therefore make you this proposition that we will furnish the necessary equipment needed at the University to make satisfactory connection with ours both in Champaign and Urbana and furnish service for the following remuneration: We to receive the sum of two dollars per year for each University telephone connected with our system, for the first year. The sum of two dollars and fifty cents each per year for the second year, and the sum of three dollars per phone per year the third year and thereafter. It being agreed that not less than seventy-five telephones shall be connected at the University.

Yours truly,

THE HOME TELEPHONE CO., OF CHAMPAIGN COUNTY,
Per MANFORD SAVAGE, *President*.

With regard to this the Committee on Buildings and Grounds made the following report:

January 21, 1907.

Mr. S. A. Bullard, President Board of Trustees, University of Illinois, Urbana, Ill.

DEAR SIR—The Home Telephone Company of Champaign County recently made application to the Buildings and Grounds Committee for permission to cross the University campus between the football and baseball grounds. Together with this request was a proposition for giving the University telephone Exchange connection to the exchange of the Home Telephone Company. This proposition was later confirmed in the letter written by Mr. Manford Savage, president of the Home Telephone Co. on January 19th, submitted herewith.

The Buildings and Grounds Committee recommends that the proposition of the Home Telephone Company be accepted and the permission to cross the campus be granted, on the condition that all of the work which they propose to do be done under the direction and to the satisfaction of Professor Morgan Brooks, who will act on this work as inspector for the University; and on the further condition that the Home Telephone Company agree to remove its wires and conduits from the University campus when given six months' notice by the board of trustees to do so.

Respectfully submitted,

W. L. ABBOTT,

Chairman Buildings and Grounds Committee.

The board voted to adopt the report of the Committee on Buildings and Grounds, but directed that the route to the tunnel from the conduit should be fixed by the president of the board.

The board adjourned to meet at 9:00 o'clock Wednesday morning.

Forenoon Session of January 23, 1907.

When the board met pursuant to the adjournment the same members were present as Tuesday afternoon except Mr. Abbott.

ADDITIONAL MATTERS PRESENTED BY PRESIDENT JAMES.

TELEPHONE PAY STATIONS.

3. The following letter from Professor Morgan Brooks in regard to erecting telephone pay stations in the hallways of the several University buildings was presented:

URBANA, ILL., January 16, 1907.

President Edmund J. James, University of Illinois:

DEAR SIR—This afternoon Mr. Upham, manager of the local office of the Central Union Telephone Co., spoke to me about the possible erection of telephone pay stations in proper booths in the hallways of the several University buildings, saying that his company was ready to do this in every important building on the campus, if permitted.

Some time ago I urged upon the attention of the previous Central Union Co. manager the advisability of doing this very thing, but without response. Such facilities, assuming that a 5-cent rate would be given in the twin cities, and regular rates for toll messages, would, I believe be appreciated by the students, although I am not prepared to say that the results would be very satisfactory to the telephone company. However, they ask no guaranty at all, and I desire through you to ask the board of trustees to permit the experiment to be tried, there being no expense to the University. I think it might be possible to obtain some free service for strictly University business over such phones, which would be of some utility especially in such buildings as the Law Building, where there is now no Bell connection. I understand that the company would like permission to place the booths where they would be conveniently accessible to the students at all hours.

If the matter is placed in my charge, I will consult the custodian of each building to be equipped as to the proper location of a booth.

Yours very truly,

MORGAN BROOKS,
Professor of Electrical Engineering.

The communication was referred with power to act to a committee consisting of the chairman of the Committee on Buildings and Grounds, Vice President Burrill, Professor Morgan Brooks and in general of each building in which it is proposed to place such a telephone, the curator of the building.

CHEMISTRY OF FLESH.

4. A statement in regard to the research work of Professor H. S. Grindley.

Voted that until further notice the sum of \$2,000 per annum be appropriated from the funds of the Agricultural Experiment Station towards Professor Grindley's experiments in the chemistry of flesh.

Voted further that until further notice an additional sum of \$2,000 per annum be appropriated for the same purpose from the funds assigned to the maintenance of the chemical laboratory.

ACCOUNTANCY MATTERS.

5. A communication from the Illinois Society of Public Accountants, asking the board of trustees to continue to administer the law providing for the certification of public accountants.

ILLINOIS SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS,
CHICAGO, Jan. 10, 1907.

Dr. Edmund J. James, President University of Illinois, Urbana, Ill.:

DEAR SIR—We are advised that it is the desire of the trustees of the University of Illinois that the University be relieved of the duty of conducting the examination of candidates for the degree of Certified Public Accountants, and that the board feels disposed to solicit the present Legislature to amend the law so as to afford the relief above referred to.

At a meeting of the directors of the Illinois Society of Certified Public Accountants, held on January 8th, it was unanimously voted that the president and secretary be instructed to communicate with you and to make plain the desire of the society that the University continue to discharge the duties prescribed in the law providing for the certification of public accountants, and we therefore now address you to express the earnest desire of our society that the University shall continue to act in the capacity of administrator of the law above referred to.

We are aware that this law places upon the University duties which heretofore have been unpleasant in nature, and also places upon the University responsibilities out of proportion to the advantage gained by bearing same, but we feel confident that the law will hereafter work smoothly and that much of the annoyance and many of the disagreeable features of its administration will disappear, and that the connection of the University with the administration of the law will soon begin to redound to the advantage of the University, and that in time the sacrifices heretofore made will afford a substantial return.

The Illinois Society of Certified Public Accountants, composed of public accountants, who have been granted a decree by the University, consists of about fifty men, all of whom stand ready at any time to be of any service possible to the interests of the University.

We are enclosing herewith a resolution passed by our society at its last meeting, which shows the interest taken by the members in the success of the plans of the University, especially so far as the same relate to an extension of the business courses of its School of Finance, Commerce and Accounts.

We are preparing to secure the coöperation of numerous organizations in Chicago in inducing the Legislature to grant appropriations to be asked for by the University. It is our purpose to continue these efforts and to do all that is possible to bring them to a successful conclusion.

We have already brought the matter to the attention of the Chicago Commercial Association and have received from its Ways and Means Committee a very favorable expression, and believe that within two weeks we will be able to communicate to you a resolution of the Chicago Commercial Association endorsing the plans that have been made for the extension of the University business courses.

The members of our society stand ready to assist the University in the direction of supplying lectures upon accounting subjects, or in any other direction where their services can be of use. In view of this attitude of the Illinois Society of Certified Public Accountants toward the University, and in view of the efforts we are making to be of assistance to the University, we respectfully request that the board of trustees be made acquainted with our position in the matter, and be asked to favor the continuance of the University authorities in the administration of the law providing for the certification of public accountants.

With best wishes for the University, and with assurances of our high esteem of its board of trustees, we remain,

Yours truly,
ILLINOIS SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS,
EDWARD C. GORE,
President.
R. S. BUCHANAN,
Secretary.

(b) A communication from Dean David Kinley indorsing strongly the request from the Illinois Society of Certified Public Accountants that the trustees should continue to administer the law providing for the certified public accountants.

January, 17, 1907.

President E. J. James, University of Illinois:

DEAR MR. PRESIDENT—I desire again, as a result of my visit in Chicago yesterday, to urge very strongly that the University do not withdraw from its position as accountancy examiner. Our work here, although irksome, has made some strong influential friends; and I would think it would be a mistake to drop the work at present.

Moreover, all the waiver clause cases will be disposed of very soon now, and there is little likelihood that the trustees will have any cases before them in the future. All the appeals and all the troubles have arisen from the waiver clause cases. So far as I can foresee only one new case of this kind is likely to come up and that of Mr. H. Dinninger. This, with the cases of Mr. Oliver Coxon and Mr. Eric Everett will, I think, finish the list of annoying appeals.

Very truly yours,
DAVID KINLEY.

Voted to continue such administration for the present.

(c) A communication presenting a set of resolutions passed by the Illinois Society of Certified Public Accountants in favor of legislative appropriations

for instruction in finance, commerce and accounts, and asking that the trustees request the Legislature to appropriate \$10,000 a year for the establishment of a night school in such subjects in the city of Chicago.

ILLINOIS SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS.

CHICAGO, Jan. 10, 1907.

WHEREAS, The University of Illinois has established a school intended to provide for the higher education of men in the sciences of finance, commerce and accounts; and

WHEREAS, The said University is desirous of extending its courses of instruction in this school to the end that that the same may be more complete and productive of more beneficial results to its students, and

WHEREAS, The Illinois Society of Certified Public Accountants is fully advised of the aims, purposes and accomplishments of the said University in the school above referred to; therefore, be it

Resolved, That the Illinois Society of Certified Public Accountants, in meeting assembled, heartily endorses the methods of the University of Illinois in the conduct of its said School of Commerce, Finance and Accounts, and that said society will use its best efforts to secure from the General Assembly of the State of Illinois, at its next session, an appropriation of \$25,000.00 per annum for the use of said University in extending its courses of instruction on business subjects; and be it further

Resolved, That the Illinois Society of Certified Public Accountants favors an additional appropriation by the General Assembly for the use of said University of \$10,000.00 per annum for the establishment and maintenance of a night school of commerce, finance and accounts in the city of Chicago, the same to be wholly under the jurisdiction and control of said University of Illinois; and be it further

Resolved, That the members of the Illinois Society of Certified Public Accountants pledge themselves to do all in their power to secure action in favor of the appropriations above stated by the various social and commercial organizations of the city of Chicago.

We hereby certify that the foregoing resolutions were unanimously adopted at a meeting of the members of the Illinois Society of Certified Public Accountants, held on the 27th day of December, 1906.

EDWARD C. GORE, *President*.
R. S. BUCHANAN, *Secretary*.

Voted that the president of the University extend to the Illinois Society of Certified Public Accountants the thanks of the University for its endorsement of the asking of funds to extend courses of instruction in business subjects, and also suggest to the society that the establishment and maintenance of a night school of commerce, finance and accountancy in the city of Chicago and asking an appropriation therefor would, in the opinion of the board, be better presented in a separate bill.

(d) A communication from the Committee on Public Accountancy recommending a change in the University regulations for the conduct of examinations for certified public accountants, namely; that rule 5, page 8, of said regulations be changed by striking out the word "one" in the first line and inserting the word "accountant" so that the rule shall read, "after July 1, 1904, no accountant shall be appointed a member of this board," etc.

Voted that such recommendation be approved.

The secretary presented correspondence with regard to certain accountancy matters which by direction of President James he had had with the Attorney General.

URBANA, ILL., Sept. 29, 1906.

Hon. W. H. Stead, Attorney General, Springfield, Illinois:

DEAR SIR—The Board of Trustees of the University of Illinois desires your interpretation of two points in the accountancy law with regard to which questions have been raised.

Several applications have been made this year under the waiver clause (Section 3, p. 282, Sess. L. Ill., 1903.) That clause provides that a certificate may be issued to any applicant with the proper qualifications "who shall have had five successive years' previous experience as a public accountant previous to the date of application, who shall apply in writing within one year after the passage of this act, and who shall have been practicing in this State as a public accountant, on his own account, for a period of not less than one year prior to the passage of this act, also to any person who shall have been actively

in practice as a public accountant for not less than five years next prior to the passage of this act, outside of the State of Illinois, who shall have passed an examination equivalent, in the opinion of the University of Illinois, to the examination to be held under the provisions of this act."

The applicants in question, think that under the second half of this clause, they are eligible. The point is whether the words "who shall apply in writing within one year after the passage of this act," apply to those who have been practicing in Illinois as public accountants and who are described in section 3, by the words before the semicolon; or whether they apply also to those described in the second half of the paragraph immediately following, beginning, "also to any person."

The second question relates to the interpretation of "place for the regular transaction of business * * * in the State of Illinois." Some of the applicants are members of firms with headquarters in New York City and offices in Chicago. These applicants may, probably, at times come to Illinois on the business of the firm in accountancy matters; but, for the most part, spend their time and practice their profession in the head office or elsewhere than in Illinois.

Is the requirement of the law that the applicant shall have a regular place for business in Illinois satisfied if the applicant be a member or employé of a firm practicing under the circumstances noted above?

The board will be greatly obliged to you for your opinion of these questions.

Very truly yours,

W. L. PILLSBURY,

Registrar.

STATE OF ILLINOIS, OFFICE OF ATTORNEY GENERAL,
SPRINGFIELD, October 9, 1906.

W. L. Pillsbury, Esq., Registrar, University of Illinois, Urbana, Ill.,

DEAR SIR:—I beg to acknowledge the receipt of your favor of the 29th ult. You state that some of the applicants for certificates as certified public accountants are members of firms with headquarters in New York City and offices in Chicago; that these applicants may probably at times come to Illinois on the business of the firm in accountancy matters, but for the most part spend their time and practice their profession in the head office or elsewhere than in Illinois, and you ask if the requirement of the law that the applicant shall have a place for the regular transaction of business as a professional accountant in the State of Illinois is satisfied if the applicant be a member or employé of a firm practicing under the circumstances noted above.

Section 1 of chapter 110-a, Hurd's Revised Statutes, provides:

"That any citizen of the United States or person who has duly declared his intention of becoming such citizen, having a place for the regular transaction of business as a professional accountant in the State of Illinois, * * * and who shall have received from the University of Illinois a certificate of his qualifications to practice as a public expert accountant as hereinafter provided, shall be styled and known as a "Certified Public Accountant," etc."

It will be seen that the persons who may avail themselves of the benefits of this act are not confined to those who are residents of the State of Illinois, but that "any citizen of the United States," having a place for the regular transaction of business as a professional accountant in the State of Illinois, may do so.

It is therefore my opinion that applicants who are members of firms with headquarters in cities outside of the State of Illinois, but have offices for the regular transaction of business within the State of Illinois, are eligible for such certificates.

In regard to your other inquiry, I will state that section 3 of said act provides as follows:

"The University of Illinois may, in their discretion, under regulations provided by their rules, waive all or any part of the examination of any applicant possessing the qualifications mentioned in section 1 who shall have had five successive years' previous experience as a public accountant previous to the date of application, who shall apply in writing within one year after the passage of this act, and who shall have been practicing in this State as a public accountant, on his own account, for a period of not less than one year next

prior to the passage of this act; also to any person who shall have been actively in practice as a public accountant for not less than five years next prior to the passage of this act, outside the State of Illinois, who shall have passed an examination equivalent, in the opinion of the University of Illinois to the examination to be held under the provisions of this act."

This section provides for a waiver of examination for two different classes of applicants. The first embraces those who shall have had five years' previous experience as public accountants previous to the date of application, and who shall apply in writing within one year after the passage of the act, and who shall have been practicing in this State as a public accountant, on his own account, for a period of not less than one year prior to the passage of the act. This class embraces only those applicants who have been practicing in this State as public accountants for a period of not less than one year prior to the passage of the act. Such applicants must apply in writing within one year after the passage of the act in order to secure the privilege of a waiver of examination. The second class refers to those persons who have been actively in practice as public accountants for not less than five years prior to the passage of the act outside the State of Illinois.

The provision applicable to the first class above mentioned, that they must make their application within one year after the passage of the act, does not apply to applicants coming under the second class. No such condition is prescribed for applicants embraced in the second class.

It is therefore my opinion that applicants who have been actively in practice as public accountants for not less than five years next prior to the passage of the act, outside of the State of Illinois, and who shall have passed an examination equivalent, in the opinion of the University of Illinois, to the examination to be held under the provisions of said act, are not limited in making their applications to within one year after the passage of said act, but may make their applications at any time.

Yours truly,
W. H. STEAD,
Attorney General.

6. A statement from the Dean of the College of Agriculture that Professor J. M. Trueman intends to resign his position as Instructor in Dairy Husbandry, and proposes to ask for premission to leave some time during the month of April.

Voted to refer the matter to the president with authority to accept the resignation.

7. A communication from the secretary of the University of Illinois School of Pharmacy that the persons named below were nominated by the State Pharmaceutical Association to the board of trustees from among whom the trustees are to appoint one to succeed W. K. Forsyth of Chicago on the advisory board of the University of Illinois School of Pharmacy, Mr. Forsyth's term having expired in July, 1906, namely: W. D. Duncan of Ottawa, William Barrow of Olney, H. W. Giese of Bloomington, and George M. Bennett of Urbana.

A further communication from the secretary of the University of Illinois School of Pharmacy suggesting that Mr. W. K. Forsyth be appointed to take the place of Mr. A. E. Ebert, lately deceased, for the unexpired term on the advisory board of the School of Pharmacy.

Voted that H. W. Giese, of Bloomington, Illinois, be appointed in place of Mr. W. K. Forsyth of Chicago upon the advisory board of the University of Illinois School of Pharmacy for the term beginning July, 1906.

Voted that W. K. Forsyth of Chicago be appointed to A. E. Ebert's unexpired term.

8. A statement in regard to a clerical mistake made in fixing the salary of J. M. Lindgren, assistant in chemistry in the State Water Survey.

Voted that the necessary correction be made, and that Mr. Lindgren's salary from the first of January, 1907, be so adjusted that his salary for the term of twelve months, beginning September 1, 1906, be \$75 a month.

9. A communication from Assistant Professor H. L. Schoolcraft asking for leave of absence on half pay for the academic year 1907-08.

Voted that such leave of absence be granted.

10. A communication from Dean David Kinley concerning certain research work now carried on by Professor S. W. Parr with a request endorsed by Director H. Foster Bain of the Geological Survey for an appropriation of five hundred dollars for the conduct of such work.

Voted that such appropriation be made, subject to the approval of the general plan of such research work by the President of the University.

FELLOWSHIPS IN ENGINEERING EXPERIMENT STATION.

11. A recommendation from the director of the Engineering Experiment Station that ten research fellowships be created in the Station at an annual stipend of \$500.

URBANA, ILLINOIS, June 11, 1906.

Dr. Edmund J. James, President University of Illinois,

DEAR SIR:—After careful deliberation concerning the subject of Research Fellowships for the Engineering Experiment Station, I desire to state that:

WHEREAS, Under the present University regulations provision is made for fellowships at a stipend of \$300 a year, at the expiration of which time other conditions being fulfilled the fellow is granted his master's degree; and

WHEREAS, Work for the master's degree *in absentia* requires three years, often four or five; the candidates usually being engaged in practical work at an average salary of \$1000 a year; and

WHEREAS, It is impossible to obtain superior investigators as fellows at \$300 a year:

Therefore, It seems wise and just that the Engineering Experiment Station should be enabled to offer research fellowships at \$500 a year, on a basis of a two years' acceptance of the fellowship; and

Therefore, After due consultation with the members of the staff now present, I recommend the following:

(1) That ten research fellowships be offered in the Engineering Experiment Station at a stipend of \$500 a year.

(2) That these fellowships be assigned only to graduates of technical schools of approved standing, and that they be accepted for two collegiate years, at the expiration of which period, after compliance with all the requirements of the Graduate School, the fellows shall be granted their master's degree.

(3) That the Station Staff of the Engineering Experiment Station be authorized to recommend suitable candidates for these fellowships, and that the appointments may be made upon the approval of the faculty of the Graduate School and of the President.

Respectfully submitted,

L. P. BRECKENRIDGE,

Director of the Engineering Experiment Station.

Voted that said fellowships be established and the necessary money be appropriated from the funds assigned to the use of the Experiment Station.

THE AUDITORIUM.

12. Certain letters from C. H. Blackall, architect of the Auditorium:

December 21, 1906.

DEAR SIR:—I visited the Auditorium Monday, December 10. I found the steel setters at work on the dome trusses and the walls carried for the most part up to the level of the spring of the roof. I went over the work very carefully with Mr. English, the contractor, and subsequently with Mr. English and Dean White. There were a few minor points which require attention, which Mr. English assured me would be set right at once. In the main I consider the work has been carried out very carefully as Mr. English has given constant attention to it, and I have very little to find fault with. The mosaic work which is going in the upper panels above the cornice is coming out very satisfactorily indeed, and I visited with Mr.

English the shops in Chicago where the copper cheneau work is being prepared and found that they were following exactly my models and drawings and the work gives every promise of being perfectly satisfactory. There are a few points, however, to which I wish to call your attention.

English Brothers have built into the inner face of the brick walls, wooden laths, at intervals of three or four feet in height, these laths being continuous for long distances horizontally. These are to be used to afford nailings for the furring strips. In my previous report I called your attention to this as being a custom of which I did not approve. In the east the walls are bored and blocked with wood to afford nailings instead of being cut off horizontally in the manner I have just described in your walls. The margin of strength is ample, but it is construction of which I cannot approve. On the other hand, Mr. English, Mr. White, and Mr. Bullard all have told me that this is the common practice in the west and is considered all right. If it is satisfactory to you of course I have no objection, but it would not be satisfactory to me in the east. I should be glad to have your definite instructions as to whether I shall observe the local practice in this respect or insist upon it being carried out in the eastern manner.

Also, I notice that English Brothers have used floor timbers which are considerably under the sizes specified. I called for 2x12 timbers and under that specification I should expect to get sawn lumber, instead of which the timbers are all dressed to a size about 1 1/2 to 1 3/4 inches thick and 11 1/2 inches deep. As far as I can ascertain the lumber as supplied by English would be fully as expensive as what I had specified and the margin of strength is amply sufficient to give you all the stiffness of floors you require. I consequently merely call your attention to the fact that these are not the full size provided by the specifications though they are what is technically known as 2 inches thick. I should not advise any change in this respect.

The work is in such shape that I can receive no assurance from English Brothers that they can carry out the provisions of their contract as to time. The equipment on the building is not such as would enable them to carry out the work with dispatch. I cannot feel that either English Brothers or Parker, the sub-contractor for steel work, are equipped to do this thing promptly. The cause of the whole delay is with the steel contractor. He does business in a small way and had more work on hand last summer than he could attend to with the consequence that he neglected your work. English Brothers tell me they cannot undertake to get the work completed before August. If the work were taken away from them and entrusted to others who were better equipped to hurry it I believe the building could be pushed to completion so you could have your May festival in it, but this would involve, I am quite sure, a considerable added expenditure. The very fact that English was able to figure so low as he did was due to his not being equipped for large and rapid work. The University is getting the benefit of his low price and will unfortunately have to stand the corresponding delay. The question of damages is of course something that will have to be taken up later and fought out with him and with his sub-contractors. The one consoling fact in the situation is that English Brothers are not slighting the work in either personal attention, nor in material nor in quality of workmanship.

President E. J. James, University of Illinois.

Yours very truly,
C. H. BLACKALL.

December 22, 1906.

MY DEAR DR. JAMES—There is one item in connection with the Auditorium which I want you to think about. The plastering of the domed ceiling is specified to be entirely on wooden lath. I asked English to give me a price for substituting metal lath in place of this. If at some future time you should decide to have extensive mural decorations it would be rather a pity to have such expensive work applied to wall plastering over wooden lath. I think this item was talked of when the contract was made but the University at that time did not feel like spending the money. I call your attention to it now so that you will appreciate that you are not to have a metal lathing.

Yours very truly,
C. H. BLACKALL.

President E. J. James, University of Illinois.

January 12, 1907.

MY DEAR DR. JAMES—I am in receipt of your letter enclosing letter from Dr. Davison, which I return herewith. I have written to Dean White and to English Brothers that I cannot accept the wood strips which they have built into the wall, and that these must be removed, the joints properly filled with cement and the furring nailed to blocks properly inserted in the wall. I quite agree with Dr. Davison and I feel quite convinced that the method Mr. English took, while a local usage, is not sanctioned by good practice anywhere.

Yours very truly,
C. H. BLACKALL.

President E. J. James, University of Illinois.

PRACTICE SCHOOL.

13. A resolution passed by the State Teachers' Association requesting the establishment of a practice school for the training of high school teachers at the State University.

Adopted by the Illinois State Teachers' Association, Dec. 28, 1906.

CAROLINE GROTE,
Secretary.

As the State University must always be one of the important sources of supply of adequately prepared teachers for the public high schools of the State, we urge that its trustees be asked to consider the question of the establishment of a practice school as an important factor in the preparation of such teachers.

SCHOOL OF RAILWAY ENGINEERING.

14. A communication from the Dean of the College of Engineering in regard to the establishment of a School of Railway Engineering and Administration.

URBANA, ILL., January 22, 1907.

President E. J. James, University of Illinois.

DEAR SIR—At the meeting of the Board of Trustees on January 30, 1906, a recommendation was approved creating a Department of Railway Engineering and Administration in the College of Engineering. On October 8th at a meeting of the advisory committee on this course, held in the senate room, at which you were present, the organization of the new department was fully discussed, it being agreed that we would recommend the establishment of a School of Railway Engineering and Administration. It seems to me that it would therefore be desirable to present again the matter to the trustees, as we now have some literature ready for the press. Will you not therefore recommend:

That the action of January 30, 1906, creating a Department of Railway Engineering and Administration in the College of Engineering be reconsidered and that a School of Railway Engineering and Administration be established which shall include in its organization a department of railway engineering in the College of Engineering offering three railway courses, and a course in railway administration in the department of economics in the College of Literature and Arts.

In the description of courses for the new catalog we have outlined the three courses in railway engineering, though they are almost identical with our regular courses up to the senior year, so that they are really options for seniors, differing from the straight courses by from 12 to 22 semester-hours in each case.

Yours very truly,

JAMES M. WHITE,

Dean of the College of Engineering.

Voted that said recommendation be adopted.

15. A communication from Sergeant Post requesting an increase of salary.

Voted that the president report upon the expediency of granting this request at the next meeting.

DEDICATION OF THE AUDITORIUM.

16. A plan as to the dedication of the new Auditorium to the service of music in the autumn of 1907.

It is proposed to dedicate the Auditorium in the autumn of 1907 first to the purposes of music, second to the purposes of oratory, third to the purposes of science. These three purposes may be achieved at once, or they may be separated into distinct occasions as subsequent experience may make desirable.

In connection with the dedication of the hall to the purposes of music, it is suggested that the most distinguished American musician be invited to superintend a production of his works in the new Auditorium, and that after such a successful production, a tablet containing the name of the composer and the date of the production of his works be placed upon the walls of the memorial vestibule or in the panel of the gallery or some other suitable place within the building.

In order to ascertain which of our American musicians may be considered worthy of such honor, it is proposed to take a poll among the competent musical authorities of the country in order to ascertain, if possible, the name of the man, who by common consent, ranks first among living American musicians.

It is suggested that at least once a year in successive years a leading musician, in this or other countries, be invited to superintend in a similar way the production of his works and that on such occasion a similar tablet be erected so that in the course of years, around this hall, which is destined to

be one the great music halls of the country, a worthy tradition may be gathered, heightening the interest of the public in the musical work of the University and heightening the interest of our student body in the subject of music.

Voted that said plan be approved.

17. (a) The report of the advisory committees in the Agricultural College and Experiment Station concerning appropriations to be asked for from the next Legislature.

AGRICULTURAL APPROPRIATIONS; ADAMS FUND.

Voted that the President of the University and the committee of the board on the College of Agriculture and Experiment Stations confer with the advisory committees further on this subject.

(b) Recommendation of the Dean of the College of Agriculture and the Director of the Agricultural Experiment Station as to the use of the additional funds granted by the so-called Adams bill for the use of the Agricultural Experiment Station.

The following recommendations as to appropriations from the Adams fund were approved:

(a) Researches in heredity and correlation by the statistical method especially in corn, \$1,000.

(b) Investigations concerning the effects of inbreeding first upon pigs, second upon corn, \$4,000.

(c) Experiments to determine whether varieties ordinarily propagated by grafting or budding may be permanently improved by selection, standard varieties of apples to be used in experiments, \$2,000.

(d) Experiments to determine the differences in the efficiency of the descendants of different individual cows for the purpose of beef production as regards both quantity and quality, \$4,000.

APPOINTMENTS.

18. I submit for record the following statement of appointments made since the September, 1906, meeting of the board:

T. L. Kelly clerk and stenographer in the office of the Dean of the College of Science at a salary of \$55 a month from October 1, 1906, until further notice.

Deane Burns, assistant in chemistry in place of Mr. Gardner at \$20 a month for nine months from October 1, 1906.

Dr. J. C. Hemmeon instructor in political economy at \$100 a month for the nine months beginning October 1, 1906.

Edith Williams assistant in the woman's gymnasium at \$30 a month for ten months from September 1, 1906. Miss Williams takes the place of Miss Gillespie.

Anna M. Davison second assistant in the woman's gymnasium at a salary of \$20 a month for ten months from September 1, 1906. Miss Davison takes the place for which Miss Williams had been appointed.

Norman Cabot tool room attendant at a salary of \$40 a month from December 1, 1906, to July 1, 1907. Mr. Cabot takes the place of Mr. Alley, resigned.

Beulah Agnes Burroughs library stenographer at \$50 a month.

Burton R. Herrick assistant in chemistry in the Agricultural Experiment Station at the rate of \$600 a year, for the year ending August 31, 1907, salary to begin when he reports for duty.

D. M. Craig assistant in general engineering drawing \$30 a month for nine months from October 1, 1906. Mr. Craig is to give his afternoons to this work.

Ward R. Robinson assistant in Engineering Experiment Station, department of applied mechanics, at a salary of \$75 a month for eight months from November 1, 1906.

C. M. Black instructor in general engineering drawing a salary of \$80 a month from October 23, 1906, to June 30, 1907.

Earl T. Strong mechanician in the physics department as a salary of \$75 a month for eight months from November 1, 1906. Mr. Strong takes the place of Mr. Hays, resigned.

Sabra L. Nason general assistant in the library at a salary of \$60 a month from November 1, 1906, until further notice.

Mary M. Wetmore instructor in the department of art and design from January 16, 1907, to June 16, 1907, her pay for the service to be \$500.

V. H. Kadesh assistant in chemistry at \$60 a month for eight months from November 1, 1906. Mr. Kadesh takes the place of Mr. Woods, resigned.

Agnes Carroll stenographer and assistant in the office of the High School Visitor at \$50 a month from October 6, 1906, until further notice.

Rosalie Parr assistant in general chemistry at \$60 a month from September 17, 1906, to July 1, 1907.

H. A. Mattill assistant in chemistry at the rate of \$60 a month from October 15, 1906, to July 1, 1907.

I also report for record that C. P. A. diplomas have been issued as follows: Harold Bennington, F. W. Menzies, A. K. Todd, and George E. Fawcett.

These diplomas have been issued in accordance with the decision of the Attorney General which is presented today for record.

I have reappointed—

Katherine McCullum McIntyre, secretary, \$1200 a year.

Olive Faith Saxton stenographer in the office of the Dean of Undergraduates at \$65 a month.

Sue Wilson Ford clerk and stenographer in the College of Engineering at \$75 a month.

ACQUIRING LAND BY CONDEMNATION.

It was voted that the University request from the present Legislature the passage of a law giving the University authority to acquire land by condemnation proceeding which may be needed for University purposes, and that Dean Harker be asked to draw said bill.

To the President and Trustees of the University of Illinois:

May the University of Illinois condemn private property for the use of the University?

My opinion is asked on the above question.

The right by which private property is taken for public use is called the right of eminent domain. While the right is generally conceded to be an attribute of sovereignty, it is uniformly held by the courts in this country that the right remains dormant until the terms and conditions under which it is to be exercised have been prescribed by appropriate legislation. The exercise of the power is a strictly legislative function, and, subject to the rights of the courts to determine whether the use for which property proposed to be taken is a public one and whether the condemnation proceedings have been conducted according to law. The Legislature is made the exclusive judge of the necessity justifying the exercise of the power.

Our State Constitution does not attempt to limit the persons or corporations who may exercise the power. It simply provides that "Private property shall not be taken or damaged for public use without just compensation. Such compensation, when not made by the State, shall be ascertained by a jury, as shall be prescribed by law." (Ar. 2, Sec. 13.) The framers of the Constitution left it to future legislators to determine who should exercise the power and the manner in which it should be exercised, with the single limitation that compensation for the property taken should be ascertained by a jury.

The Legislature has by enactments, passed from time to time, granted the power to counties, cities, villages, school directors, railroads, canal companies, and other corporate bodies, but has not granted the power to the University of Illinois. I am not advised that any attempt has ever been made to have it do so.

The question has been asked, Why may it not be exercised under the general provision of the free school act which allows school directors to institute condemnation proceedings for land wanted for a school house site where the

owner and the directors cannot agree? The answer is found in the general doctrine so frequently announced by our courts that a power granted by legislative enactment will not extend beyond the persons named in the act. In cases where the particular power under discussion has been before the Supreme Court of Illinois the rule has been uniformly stated substantially as follows: In the exercise of the power of eminent domain, which takes the property of the citizen away from him without his consent, the limitations prescribed by the Constitution should be strictly observed, and the statutes passed in pursuance thereof should be strictly complied with and not extended by implication. I am therefore of the opinion that the University cannot, under the law as it now exists, condemn private property for the use of the University.

Although I was only asked for my opinion on the legal question involved, I do not think it out of the way for me to suggest that some legislation should be procured that will enable the University and other educational institutions belonging to the State to condemn. If the president and members of the board desire me to do so I will open correspondence at once with the Attorney General and the heads of the different normal schools, which shall have in view the securing of such legislation. I make no doubt those schools would be glad to join with us.

Respectfully submitted,

O. A. HARKER,
Counsel for the University.

AUTHORITY TO ISSUE PERMITS TO CROSS UNIVERSITY GROUNDS.

It was voted that the trustees request the present Legislature to pass a law giving to them authority to issue permits to cross the University grounds to street railways, telephone, and telegraph companies, and that Judge O. A. Harker be requested to draw said bill.

The secretary was directed to send a vote of thanks to the members of the Urbana Commercial Club for their courtesy in entertaining the board of trustees by a banquet Tuesday evening.

REPORT ON ATHLETICS.

The special committee appointed to examine into the condition of athletics made the following report, which was received for record.

To the Board of Trustees.

Your special committee appointed with instructions to examine into the condition of athletics in the University desire to report.

Your committee made its examinations to determine the facts which exist in the University pertaining to athletics along the following lines:

- (1) By whom is athletics controlled?
- (2) Can the danger of injury be removed from the rough games?
- (3) How far is money or favor used to recruit men for athletics?

In order to obtain the information which the committee desired the principal men who have to do with the control and direction of athletics here were invited to come before the committee. The answers given by these men were taken stenographically for the use of the committee and copies of constitution and by-laws of the Athletic Association were submitted. The persons examined were:

Professor H. J. Barton, a member of the Board of Control.

Mr. George A. Huff, director of Athletics.

Professor G. A. Goodenough, chairman of the Council Committee of Athletics.

Mr. W. J. Carey, president of the Athletic Association.

Mr. W. J. Healy, manager of the baseball team.

Mr. C. T. McCully, manager of the track team.

Mr. C. J. Moynihan, captain of the football team.

Mr. J. M. Lindgren, coach of the football team.

Mr. C. W. Vandagriff, captain of the baseball team.

In relation the first inquiry, it was found that there is among the students an organization known as the Athletic Association of the University. Any teacher, student, graduate, or former member of a recognized athletic team of the University may become an active member; anyone may become an associate member. The fees are dues of \$2 a year. The object of this association is to promote and direct athletics and conduct contest games with other institutions of learning.

The officers are the usual officers which organizations have, and a board of control is charged with the active conduct of all details of the work of the association. Its membership is composed of three members of the faculty who are appointed by the president of the University, three alumni of the University who are not members of the corps of instruction, one of whom shall be a resident of Chicago, and one of either of the cities at the seat of the University and all shall be chosen by the association, the graduate manager of the athletic teams and four undergraduates, namely, the president of the association, the managers of the football team, baseball team and track team. In addition to these persons the following named persons are associate members of the board of control, but have no right to vote—the captains of the recognized athletic teams and the inter-scholastic manager. The board of control elects the graduate manager and treasurer.

Coaches and team managers are chosen by the board. Captains are chosen by the teams under certain restrictions. Games are arranged with other institutions by the director of athletics. He decides upon the institutions, the dates of games and upon the division of the gate receipts. Instruction in the game devolves upon the coach of the team, the study qualifications and general conduct of the men upon the team manager, and the direction of the men during the game upon the captain.

The sources of revenue are from dues, admissions to games, to special features and sometimes by subscriptions of individuals. All moneys go directly to the treasurer. Moneys are paid out only on appropriations by the board of control and all bills are itemized, approved by the director of athletics, and then paid by check drawn by one of the faculty members of the board to be designated by the board.

Items of expense are salaries of coaches, trip expenses of teams, sweaters, blankets, etc., for team use and help at games. Money at times has been spent on improving the athletic field and building bleachers. No salaries are paid to others than coaches.

No financial report is made further than a general one through the medium of the papers.

Your committee did not learn of any loss of funds or of funds misused in any way and the financial management seems to be conducted in an honest and efficient manner.

In relation to the second point of inquiry it was learned that roughness was charged principally to football of the regulation or Rugby style. What is known as "association football" was not objected to on the score of danger.

The chief danger in football is in tackling, that is, where one man is running with the ball and another attempts to throw him down. Mass plays look to a spectator very brutal, but they are not so unless it is intentional on the part of the players. Intentional injury to a player is called slugging and by the rules is barred from the field. Such outlawed work is more easily hidden in mass plays. The new rules of this year makes possession of the ball by one side less valuable to that side than the old rules did and will cause fewer mass plays and more open plays and kicking. To reduce the hazard in playing is to reduce the interest in the game, both to players and spectators. There were few or no suggestions by the persons examined that would make the game less dangerous and more attractive. It was thought by some that fewer contest games would relieve the players of the continued hard strain and exercise. The efforts of the players in a football game unfit them for study for the remainder of the day and evening.

It was thought that the new rules and the reduction in the number of contest games would relieve to some extent the drain on the vitality of the team players.

In reference to the third point of inquiry, it was learned that the players on all athletic teams were obtained upon announced call for such players to present themselves on trial with others for such positions. After trials in which each man is given an opportunity to do his best, the players on the University teams are chosen by the several managers and the director of athletics. Many contestants for positions always appear. No money, offer of scholarships, payment of fees, laxness of examinations, or free expense are offered to any one to induce men from the secondary schools who have abilities as athletes to attend the University in order to have them become members of one or another of the teams. A training table has been operated but those using it are required to pay their regular portion of the expense which amounts to near the same charge as at a club boarding house with the same number of patrons.

A few instances were mentioned where men desiring to go to colleges but without ample means to do so and who were good athletes, were offered places not in the University where they could earn by services a part of their college expenses. Most of such cases had not proved to be successful, either for the reason that studies, service, and athletics are too great a draft upon a student and he had to quit one of them; or the student felt that his service was unimportant and rendered it indifferently and was therefore discharged from it, and with that quit school. And this method of obtaining students had fallen into disuse.

It was found that no society, fraternity, or personal influence, or "pull" was allowed to dictate the choice of a player on teams, but rather his ability to play and take training, his standing in his classes, and his companionableness as a man.

In making a summary of the findings of your committee the following statements are made:

(1) The management and control of athletics in the University are exercised by a satisfactory organization.

(2) The funds which have been received and paid out in past years have been properly and honestly accounted for.

(3) No improper influences have been used to obtain players in teams or to win contest games with other educational institutions.

(4) That the general practice of the several forms of athletics by the great body of students of the University, induced largely by the interest developed among the students through the great college and inter-college games, is a good far outweighing the harm resulting from the contest games with other institutions.

Your committee makes the following recommendations:

(1) That the treasurer of the Athletic Association annually make to the president of the University an itemized report of his financial receipts and disbursements for the previous year, the said report to be examined and approved as correct by the finance or auditing committee of the board of control. If in his judgment it may be desirable the president may present the said report to the board of trustees together with any recommendations which he may think advisable.

(2) That as large a number of the students as possible be encouraged to take regular athletic exercise of some form.

Respectfully submitted,

S. A. BULLARD,

Chairman Committee.

The board adjourned.

W. L. PILLSBURY,

Secretary.

S. A. BULLARD,

President.

Meeting of March 12, 1907.

The regular annual meeting of the Board of Trustees of the University of Illinois was held at the University in Urbana, March 12, 1907.

When the board met, the following members were present: Messrs. Abbott, Blair, Bullard, Davison, Kerrick, Lehman, Madden and Mrs. Alexander, Mrs. Evans, and Mrs. Busey; absent, Governor Deneen and Mr. McLean. President James was present.

The minutes of the meetings of December 11, 1906 and January 22, 1907 were presented by the secretary and approved as printed.

Mr. Bullard, the retiring president, then withdrew.

W. L. Pillsbury, secretary, called the board to order. He announced that Mrs. Alexander and Messrs. Hatch and Lehman, who had been elected members of the board at the regular election in November, 1906, had taken the prescribed oath of office and stated that the first business in order was the election of a president for the ensuing year.

Mr. Abbott nominated Mr. Kerrick for president, and, there being no other nominations, the secretary was directed to cast the ballot of the board for Mr. Kerrick. This was done, and Mr. Kerrick took the chair.

W. L. Pillsbury was elected corresponding and recording secretary and registrar for the ensuing year, on motion of Mrs. Busey.

Mr. Helge A. Haugan was elected treasurer for the ensuing two years, and it was voted that his bond should be fixed at one million dollars, the same to be approved by the Finance Committee.

On motion of Dr. Davison, Mr. Lehman and Mrs. Alexander were elected to constitute with the president of the board the Executive Committee.

President E. J. James was elected president of the University for the ensuing two years.

Professor S. W. Shattuck was elected comptroller for the ensuing year.

Mr. O. E. Staples was elected chief clerk in the business office for the ensuing year, at a salary of \$1600. His bond was fixed at \$20,000, the same to be approved by the Finance Committee and paid for out of University funds.

RESOLUTION REGARDING MR. BULLARD.

Mr. Kerrick offered the following resolution, which, after remarks by the members of the board and President James, was adopted:

WHEREAS, By the expiration of his term of office Hon. Samuel A. Bullard retires from our councils; therefore be it

Resolved, That we record our high appreciation of his eighteen years of faithful, strenuous, and valuable service to the University; that as a fellow-worker, as president of the board, and as a friend and companion he has fairly won our lasting esteem and friendship; that his unselfish labors in upbuilding this University entitle him to the gratitude of every citizen of Illinois and of the laborer everywhere in the cause of education; that our good will goes with him and will follow him for aye.

MATTERS PRESENTED BY PRESIDENT JAMES.

1. Dr. C. G. Hopkins, head of the department of Agronomy, requests the appointment of Mr. E. K. Nelson as assistant in chemistry at the Experiment Station, with a salary at the rate of \$1,000 a year, work and salary to begin immediately. This request is made with the understanding that if Mr. Nelson's work is successful he will be recommended for the academic year beginning September 1, 1907, at a salary of \$1,200 a year. The director of the Experiment Station approves the request of Dr. Hopkins.

Voted that the president be authorized to make such appointment, if in his judgment it seem best.

2. The University Council begs to submit the following draft of proposed regulations concerning University purchases. These regulations are in pursuance of an action of the board requiring all purchases to be made through the purchasing agent.

Voted that said regulations be referred to the Finance Committee of the board for full consideration and report.

3. The Dean of the College of Science submits certain recommendations for the establishment of a department of bacteriology in the College of Science.

Voted that the full consideration of this matter be postponed until after the legislative appropriations have been made for the coming biennium.

4. Professor W. A. Noyes recommends that Mr. Clarence G. Derick be appointed research and lecture assistant to the Director of the Chemical Laboratory for the year 1907-8 at a salary of \$800 a year, work and salary to begin September 1, 1907.

Voted that the president of the University be authorized to make such appointment, if in his judgment it seem best.

5. The Dean of the College of Science submits a proposed course in sanitary science, approved by the College of Science and the University Senate.

Voted that the full consideration of this matter be postponed until after the appropriation bills for the ensuing biennium have been passed.

STATE WATER SURVEY.

6. Dr. Edward Bartow, director of the State Water Survey, submits a report of the work of coöperation between this survey and the United States Geological Survey.

Voted that said report be printed in the minutes of the board.

URBANA, ILL., January 31, 1907.

Mr. M. O. Leighton, Chief Hydrographer, United States Geological Survey, Washington, D. C.

DEAR SIR—In reply to your letter of January 9, 1907, to Mr. W. D. Collins, I beg to submit a report of the work of the Illinois Coöperation during the first half of the present fiscal year, a statement of expenditures to January 1, 1907, having been already submitted.

Referring to that part of the contract which indicates the general object of the coöperation work, I will say that:

(Paragraph 9). Twenty-six stations have been established on rivers in Illinois. For their location see page 25, Annual Report of State Water Survey. Daily samples have been received from these stations and 300 analyses of composite samples made by Mr. Collins and assistants.

(Paragraph 10). Twenty-three samples of water from the East St. Louis district, extending from Alton on the north to Belleville on the south, have been sent in by the State Geological Survey and mineral analyses have been made by the same. Six samples from the Eldorado District, collected by Mr. DeWolfe, and two samples from Peoria, collected by Mr. J. A. Udden, have been sent in by the State Geological Survey and have been analyzed. In addition 51 analyses of the mineral content of waters, mostly from deep wells, have been made.

(Paragraph 11). Very little work has been done on boiler water experiments. This work is now under way and will be carried on during the next six months.

(Paragraph 12). Examinations of water from public water supplies have been made according to standard methods of the American Public Health Association. A series of analyses was made of water in the valley of the Vermilion river, of wells of different depths in Chicago, of various wells in Joliet, and of samples collected along the shore of Lake Michigan from Waukegan to Lake Forest.

Following our preliminary investigation at Waukegan, a report of which has been sent to you, the Corn Products Refining Company has taken up some experimental work in the disposal of waste from their plant. An experimental plant has been erected, which will be ready for test about February 1. Our own experiments would indicate that the waste products which are being passed into the Lake might be profitably treated by the company.

(Paragraph 13). Through the Illinois Coöperation and through the courtesy of Mr. Kellerman of the Bureau of Plant Physiology of the Department of Agriculture, three reservoirs have been treated for algae. One at Bloomington and one at Danville have been treated with entire success, and one at Galesburg with partial success. Complaint as to taste in the water at Kankakee led to investigation of the water from the river which was found to contain *Synura*. This protozoan was traced up the Kankakee river above Mokence. It is our belief that it comes from a recently drained district in northern Indiana; but owing to high water which removed the taste we were compelled to discontinue the investigation. There were also carried on some scientific investigations, of which one, entitled "Chemical Examination of Water Bacteria," has been forwarded to you, and which is to be published in the Proceedings of the American Public Health Association.

(Paragraph 7). Mr. I. Bowman and Mr. C. A. Reeds have made a study of the occurrence and quality of the water in the East St. Louis Quadrangle. Their report is ready, illustrations are being prepared, and it will be issued soon.

Besides the above, 795 sanitary-chemical, and 457 bacteriological analyses have been made in this laboratory.

Very truly yours,

EDWARD BARTOW,

Director State Water Survey.

LABORATORY OF PHYSIOLOGICAL CHEMISTRY.

7. Professor Mumford, head of the department of Animal Husbandry in the Agricultural Experiment Station, submits the following recommendations:

URBANA, ILLINOIS, March 11, 1907.

Dean and Director Eugene Davenport:

DEAR SIR—I recommend that there be established a Laboratory of Physiological Chemistry in the department of Animal Husbandry.

That the Laboratory should have charge of the chemical work naturally arising in the Animal Husbandry department and such other investigations as it may seem wise for the department to undertake.

That Dr. H. S. Grindley be appointed chemist of this Laboratory dating from September first next, with a salary of \$2,750 the first year and \$3,000 thereafter; and that his official title be Chief in Animal Chemistry in the Agricultural Experiment Station and Professor of Animal Chemistry in the College of Agriculture.

That there also be created in this Laboratory the following positions: (1) Assistant Chief of Physiological Chemistry in the Experimental Station and Assistant Professor of Physiological Chemistry in the College, to be filled by the same person at a salary of \$2,000; (2) A Bacteriologist in the College of Science to be paid from the funds of the Experiment Station at a salary of \$1,200 to \$1,800 a year; (3) First Analyst in the Experiment Station at a salary of \$1,200.

Trusting that these recommendations may meet your approval, I am

Very respectfully yours,

HERBERT W. MUMFORD,
Professor of Animal Husbandry.

Voted that said plan be approved in general, and that Professor Grindley be appointed to said professorship at the salary indicated; and that the president of the University be authorized to submit nominations for the other positions created by this act.

Voted further, that the president of the University be authorized to nominate a successor to Professor Grindley in the department of chemistry in the College of Science.

8. Professor Rolfe, head of the Department of Ceramics, recommends that Mr. A. V. Bleininger, assistant professor of ceramics in the Ohio State University, be appointed assistant professor of ceramics in the University of Illinois at a salary of \$2,000 a year, work and salary to begin September 1, 1907.

Voted that such appointment be made.

BASEBALL GRAND STAND.

9. Mr. George Huff, director of physical training, asks for permission to erect a baseball grand stand on Illinois Field. The stand will be located north and east of the baseball diamond. It is planned to erect a wooden L-shaped structure, which will be approximately 150 feet in length and 60 feet in depth. The cost will be approximately \$5,000.

Voted that such permission be given.

10. Professor John M. Truman has submitted his resignation as assistant professor of dairy husbandry in the University of Illinois, to take effect April 1, 1907.

Voted that said resignation be accepted.

CONNECTING UNIVERSITY AND BELL TELEPHONE EXCHANGES.

11. Professor Morgan Brooks recommends that the offer herewith submitted from the Central Union Telephone Company to make a working connection with our University automatic exchange be accepted.

Voted that the same be referred to the Committee on Buildings and Grounds with power to act.

CHAMPAIGN ILL., March 6, 1907.

Professor Morgan Brooks, Urbana, Illinois:

DEAR SIR—Confirming my several conversations with you relative to connecting your branch exchange with the Bell exchange, will say that our rate schedule is \$3.50 per month per line for this class of service. In lieu of your furnishing any automatic equipment, coils, etc., needed in addition to the Bell equipment, we will furnish you five (5) trunk lines at \$3 per month each—total \$180 per year.

Trusting that this will meet your approval and that we can soon connect your exchange up to our system on these rates, I am

Yours truly,

WM. UPHAM,
Manager.

URBANA, ILL., March 9, 1907.

W. L. Abbott, Esq., Chicago:

MY DEAR MR. ABBOTT—I enclose copy of offer from the Central Union Telephone Company (the Bell Company) proposing a connection with our automatic exchange for \$180 a year, over five trunk lines, which we estimate to be adequate for present needs. As the only office of that company is the one at Champaign, less time is taken in making local connections than would otherwise be the case. The only question I have in regard to the adequacy of five trunk lines lies in the extended use of long distance lines, which hold a trunk busy for some time.

I am sending the original offer to President James, with a strong recommendation for the trustees to accept the offer. It is so very favorable, that I can only think it due to the desire on the part of the new management of

the Bell Company to do what they can to prevent losing custom upon the inauguration of the new automatic exchange of the Home Telephone Company.

If the offer be accepted, as I hope it will be, all present Bell telephones might be discontinued, as soon as the new service is properly established, but I recommend that the telephone in the president's office be retained, as an independent means of reaching the Bell office, especially in view of the large amount of long distance business transacted from the president's office. Our present payments to the Bell Company for local service amounts to \$258 per year, and their proposal, together with retaining the president's office would be \$234, a saving of \$24, together with the extension of the service to all present or future stations of the University private exchange. Of course if we extend materially, more trunk wires would be needed, but as practically all of important offices are now connected, additional telephones would be of the nature of inter-department service rather than any great extension of the down-town business.

This offer does not exclude our connecting with the Home Company's automatic, although the Bell manager wanted to make this restriction. I believe in as full telephone service as possible, and it will certainly be a great convenience to have but a single instrument on one's desk for communication with both companies. I do not know of any other place where this is allowed. As a trustee's meeting is to come next Tuesday, I hope this may be passed then.

Very truly yours,

MORGAN BROOKS,
Professor of Electrical Engineering.

The board then took a recess until 2:00 o'clock p. m.

Afternoon Session, March 12, 1907.

When the board met after the recess the same members were present as in the morning.

PRESIDENT'S SALARY.

On motion of Mr. Abbott it was voted that the president's salary be made \$10,000 a year with the same allowance as heretofore; to-wit, the use of the president's house, with heating, light, and water, also the keeping of three horses.

President Kerrick stated that he must be at home for the night, and withdrew, having first asked Mr. Abbott to take the chair for the rest of the meeting.

TREASURER'S REPORT.

The secretary presented the treasurer's report, for the quarter ending December 31, 1906, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,
DEC. 31, 1906.

REPORT OF AUDIT COMPANY.

Mr. Lehman, of the Finance Committee, presented the Audit Company's report and it was received for record.

THE AUDIT COMPANY OF ILLINOIS.

CHICAGO, MARCH 9, 1907.

Alexander McLean, Esq., Chairman of Finance Committee, Board of Trustees, University of Illinois, Urbana, Illinois.

DEAR SIR—We have examined the books and accounts of the comptroller's office for the period July 1 to December 31, 1906, and submit the following statement:

Exhibit A—Showing trial balance at beginning of period, with cash and warrant entries during the period, and trial balance at end of period.

Exhibit B—Showing cash receipts and disbursements, July 1 to December 31, 1906.

Exhibit C—Reconcilement of chief clerk, cash balance of December 31, 1906, down to February 28, 1907, p. m. (end of audit.)

Exhibit D—Reconcilement of balance of H. A. Haugan, treasurer.

Exhibit E—List of vouchers showing errors and omissions.

We verified the cash book balance of December 31, 1906, bringing same up to date, counted cash on hand, and found same still in excess of book balance.

Owing to the late date we commenced this audit, we found that we would not have sufficient time to check the tickets of the registrar with cash books of chief clerk for the semester beginning October 1, 1905.

Yours very truly,

C. W. KINSELY, C. P. A.,
President.

REPORT OF STUDENTS' FEES.

The registrar's report of students' fees was presented as follows:

1. Of fees for the summer session of the College of Medicine, 1906.
2. Of fees of University students at Urbana for the first semester, 1906-7.
3. Of fees of Academy students for the same semester.

The report was referred to the Finance Committee.

RUNNING TRACK IN GYMNASIUM.

Mr. Abbott, of the Committee on Buildings and Grounds, reported that the weakness in the running track in the gymnasium referred to in Mr. N. S. Spencer's letter received at the meeting of June 12, 1906, (p. 143) had been satisfactorily remedied so that the track might now be safely used for seating spectators.

PETITION FOR EASTER RECESS.

A petition from many students asking for a recess at Easter was referred to the council with the request that it be granted if it can be done consistently.

FURTHER MATTERS PRESENTED BY THE PRESIDENT.

PHYSICS LABORATORY BUILDING.

12. As it appears reasonably certain that the University will obtain an appropriation from the present Legislature for the construction of a physics laboratory, it is desirable that the question of location, general plan of building, etc., be taken up as soon as convenient.

Voted that the president of the board appoint a commission similar to that which was appointed in the case of the Auditorium, consisting of members of the board and members of the faculty and representatives of the alumni, to make a report to the board upon the proper location of the physics laboratory, the general plan for the building, and to submit such other recommendations in regard to this matter as may seem to them wise.

13. Professor Baker, chairman of the executive committee of the Alumni Association, submits a communication, asking for an appropriation in support of the Alumni Quarterly.

Voted that the consideration of said communication be postponed until a later date.

14. Mr. B. W. Breneman, Assistant Professor in the School of Music, requests leave of absence for two years for the purpose of prosecuting further the study of music in Europe.

The director of the music school states that in view of the changes which may take place in such length of time and because of the many contingencies which may arise in connection with the continued growth of the school, it seems to him unwise to grant this request.

Voted that the board cannot see its way clear to granting this request.

15. Mr. Stephen S. Gregory is hereby nominated to the board of trustees as a member of the board of examiners in accountancy.

Voted that such appointment be made.

16. The following persons are nominated for University fellowships for the year 1907-8:

In Economics, H. D. Brownson.

In German, Miss Gertrude Jaeck.

History, Clarence E. Carter.

Voted that these appointments be made and that the president be authorized to fill the other University fellowships by appointing persons recommended by the faculty of the graduate school.

COMPTROLLER'S REPORT.

The comptroller, Professor Schattuck, made the following report, which was referred to the Finance Committee:

UNIVERSITY OF ILLINOIS, URBANA, ILL., March, 12, 1907.

President, Board of Trustees, University of Illinois:

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations December 31, 1906.

Paper B is a statement of the State appropriations December 31, 1906.

Paper C is a statement of the United States fund December 31, 1906.

Paper E is a statement of the United States Agricultural Experiment Station appropriations December 31, 1906.

Paper F is a statement of the School of Pharmacy appropriations December 31, 1906.

Paper G is a statement of the College of Medicine appropriations December 31, 1906.

Paper H is an estimate of the receipts and expenses for the six months ending June 30, 1907.

Paper I is a list of the appropriations the board is requested to make at this time.

Paper L is a report of the receipts by the chief clerk for the three months ending December 31, 1906.

PAPER A—CURRENT APPROPRIATIONS.

Paper M is a list of the general University vouchers presented for audit, being Nos. 2251 to 5400, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 92 to 175, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit, being Nos. 47 to 138, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 264 to 662, inclusive.

Paper R is a statement in regard to the amount and price of gas used.

Paper S is a statement of the unpaid obligations of Dr. L. Blake Baldwin.

Respectfully submitted,

S. W. SHATTUCK,

Comptroller.

APPROPRIATIONS.

The board made appropriations as scheduled in Paper I above.

LEASE TO DR. BALDWIN.

The communication with regard to the lease of a part of the Pharmacy Building to Dr. Baldwin was referred back to Professor Shattuck with power to act.

COST OF GAS.

The question raised by Professor Shattuck's Paper S with regard to the price paid for gas was referred to Mr. Hay, purchasing agent, for investigation and report.

President James stated that in case the appropriation for the maintenance of a veterinary college be made, he would later ask the board for authority to make a tour of inspection of the leading veterinary colleges of this country and Europe during the coming summer.

The board adjourned.

W. L. PILLSBURY,
Secretary.

L. H. KERRICK,
President.

Meeting of March 19, 1907.

The startling information came to the University the morning of the 13th inst. that Hon. L. H. Kerrick, who had the day before been elected president of the board of trustees, had just been found dead in his bed.

The necessity for a special meeting of the board was at once evident, and later in the day four members who were still in Urbana, and Mr. Lehman, with whom he talked by telephone, instructed the secretary to issue the following call:

Upon the call of five members of Board of Trustees of the University of Illinois there will be a special meeting of the board at the University at 9:00 o'clock a. m., Tuesday, March 19, inst., to elect a president and transact other business presented.

At a conference held by those members of the board who attended the funeral of Mr. Kerrick at Bloomington, Saturday, the 16th inst., it was ascertained that it would not be possible for a quorum of the members to attend the meeting at the University on the 19th, and that it was probable if the meeting were adjourned to Chicago that a quorum would attend, and it was agreed that this course should be taken. Members of the board not present at Bloomington were notified by the secretary of the change in plans.

Accordingly when the time named in the call came there were present, at the usual place of meeting at the University, only Mrs. Busey and the secretary, Mr. Pillsbury.

The meeting was duly called to order by the secretary.

On motion of Mrs. Busey the board adjourned to meet at the Palmer House in Chicago, at 9:00 o'clock a. m. Wednesday, March 20, 1907.

W. L. PILLSBURY,
Secretary.

Adjourned Session, March 20, 1907.

When the board met at the Palmer House in Chicago, pursuant to adjournment, there were present Messrs. Abbott, Blair, Davison, Madden and Mrs. Alexander, Mrs. Evans and Mrs. Busey; absent Governor Deneen and Messrs. Hatch, Lehman and McLean. President James was absent.

The secretary, Mr. Pillsbury, called the meeting to order, and stated that, as the board was now without a president, the first thing in order was to elect one to fill the vacancy.

Mrs. Evans nominated Mr. Abbott, and there being no other nominations the secretary was instructed to cast the vote of the board for Mr. Abbott; this was done. Mr. Abbott was declared elected, and took the chair.

On motion of Dr. Davison, Mr. Abbott was appointed a member and chairman of the standing Committee on Buildings and Grounds, the other members to be appointed by the president of the board.

IN MEMORY OF MR. KERRICK.

On motion of Mrs. Alexander a committee was appointed to prepare and present a minute in memory of Mr. Kerrick. The president appointed on this committee Mr. Blair, Mrs. Alexander, and Mrs. Evans.

The following minute reported by the committee was adopted:

In the death of Leonidas H. Kerrick the Board of Trustees of the University of Illinois has lost one of its most faithful and useful members. At its annual meeting on March 12, 1907, the board showed its appreciation of his services and its confidence in his ability by making him its unanimous choice for president of the board. His sudden and unexpected death came as a great shock to his associates, and they wish to express by these words their feeling that his death has deprived them of an earnest, influential co-worker and the University of one of its best friends.

It is our further desire to extend to his mother and wife and daughter the heartfelt sympathy of this board of trustees.

F. G. BLAIR,
MRS. CARRIE T. ALEXANDER,
MRS. LAURA B. EVANS,
Committee.

DEAN OF WOMEN.

On motion of Dr. Davison the Committee on Students' Welfare was requested to look for suitable persons to fill the place of Dean of Women in the University, and to refer to President James the names of any whom they may deem worthy of consideration.

ANNUAL REPORTS.

The secretary was instructed to dispose of surplus reports.

METHOD OF TRANSACTING UNIVERSITY BUSINESS.

The secretary was instructed to ascertain and report to the board in what way business is conducted in other Universities, especially in the making of purchases.

LIBRARY AND WOMAN'S HALL OPEN SUNDAYS.

Mrs. Busey, from the committee of Students' Welfare, reported that the Library had been open Sunday afternoons since the end of the holiday recess, and that the attendance had been quite large.

She also reported that the opening of Woman's Hall Sunday afternoons was delayed somewhat on account of the diphtheria scare, and that since it had been open the attendance had been small, though increasing somewhat of late.

STANDING COMMITTEES.

President Abbott has reported to the secretary the following list of standing committees for the ensuing year:

Agriculture—Fred. L. Hatch, chairman; Mrs. Mary E. Busey, George H. Madden.

Buildings and Grounds—William L. Abbott, chairman; Mrs. Carrie T. Alexander, Mrs. Laura B. Evans, Lewis L. Lehman, George H. Madden.

Finance—Alexander McLean, chairman; George H. Madden, Lewis L. Lehman.

Instruction—Frank G. Blair, chairman; Mrs. Mary E. Busey, Dr. Charles Davison.

Publication—Mrs. Laura B. Evans, chairman; Frank G. Blair, Dr. Charles Davison.

Library—Mrs. Carrie T. Alexander, chairman; Frank G. Blair, Fred. L. Hatch.

Student's Welfare—Mrs. Mary E. Busey, chairman; Mrs. Carrie T. Alexander, Mrs. Laura B. Evans.

School of Pharmacy—Dr. Charles Davison, chairman; Alexander McLean, William L. Abbott.

College of Medicine—Dr. Charles Davison, chairman; William L. Abbott, Alexander McLean.

Engineering—Lewis L. Lehman, chairman; William L. Abbott, Fred L. Hatch.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of April 25, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, April 25, 1907, pursuant to the following notice which was sent out by the secretary April 16th:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago at 9:00 o'clock a. m., Thursday, April 25, 1907, to authorize the granting of diplomas to those to be graduated that day from the School of Pharmacy, and to transact such other business as may be duly presented.

When the board met pursuant to this call, the following members were present: Messrs. Abbott, Davison, Lehman, McLean, Madden and Mrs. Alexander, Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Hatch. President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. A communication from Professor Townsend requesting that the University contribute the sum of \$50 toward the expense of publishing the transactions of the American Mathematical Society for the year 1907-8.

Voted that such appropriation be made.

2. A statement that certain complaints had been made by different people of the manner in which the University was administering the law providing for the certification of public accountants, but that, in his opinion, these statements were not justified.

Voted that no action was called for at present.

3. A communication from Professor Grindley giving an account of the first meeting of a Commission for the Study of Problems Relating to Human Nutrition, appointed by the University of Illinois. The meeting was held at the Fifth Avenue Hotel in New York City, Saturday, March 30, 1907; present, Professors J. J. Abel of Johns Hopkins University, R. H. Chittenden of Yale University, A. P. Mathews of Chicago University, and H. S. Grindley of the University of Illinois. The commission was organized by the election of Professor J. J. Abel as chairman and H. S. Grindley as secretary.

In accordance with the recommendation of the commission, Professor Theobald Smith of Harvard University has been invited to become a member of it, and has accepted.

A statement that five thousand dollars had been received by the comptroller from the American Meat Packers Association toward the expense of the nutrition investigation, and that this had been credited to the nutrition investigation fund.

Voted that the said \$5,000 be appropriated for the purposes of the work of the commission.

Voted that the American Meat Packers Association should be asked to assume all responsibility for possible damage suits arising from supposed injuries in connection with the feeding experiment.

4. A communication from Miss Katharine L. Sharp resigning her position as head librarian in the University, and director of the Library School, to take effect September 1, 1907.

URBANA, ILL., April 1, 1907.

President Edmund J. James, University of Illinois.

DEAR PRESIDENT JAMES: It is with mingled feelings that I announce to you my decision to withdraw from active library work at the end of this college year and ask you to accept my resignation as professor of library economy, head librarian, and director of the Library School, the resignation to take effect September 1, 1907.

I ask you to express to the board of trustees my deep appreciation of their unfailing generosity and support of my work during the past ten years, and I wish to thank you personally for the continued freedom which you have allowed me during your administration.

If at any time I can serve the library, the library school, or any other interests of the University, I hope that you will grant me the privilege.

I notify you thus early that you may not be embarrassed in your appointments, but I trust that public announcement may be deferred to the close of the year.

Respectfully yours,

KATHARINE L. SHARP,
Head Librarian and Director of Library School.

Voted that the resignation be accepted. Mrs. Alexander and President James were appointed to prepare resolutions regarding the resignation.

[The resolutions will be printed with the minutes of the next meeting of the board.]

5. A communication from Vice President Burrill relating to the expenses connected with the attempt to cope with the outbreak of diphtheria in the University during the past winter.

Voted that said expenses, approved by Dr. Burrill, be paid.

6. A letter from Dean J. M. White in regard to chairs suitable for the seating of the Auditorium.

7. A recommendation that Mr. N. Hay be appointed purchasing agent in the University for the year beginning July 1, 1907, at a salary of \$1,800 a year.

Voted that the consideration of this matter be postponed to the next meeting of the board.

8. A letter from Mr. George Huff resigning his position as director of physical training in the University.

Voted that said resignation be accepted to take effect May 1, 1907, and that Mr. Huff be given leave of absence until that date.

Voted that Mr. Leo G. Hana be made acting director of the gymnasium and custodian of the building until further notice.

Voted that Mr. E. W. Ponzer be appointed acting graduate manager from the present time to July 1, 1907, and that he be paid \$100 for this service.

9. A request from Assistant Professor H. G. Paul for leave of absence without salary, during the coming academic year, for the purpose of further study.

Voted that such leave of absence be granted.

10. A recommendation from Professor Thomas Arkle Clark, chairman of the committee of the English Department in the College of Literature and Arts, that Mr. Stuart Pratt Sherman of Northwestern University be appointed associate in English at a salary of \$1,500 for the academic year beginning September 1, 1907.

Voted that the recommendation be approved.

GRADUATES OF SCHOOL OF PHARMACY.

11. A recommendation from the faculty of the School of Pharmacy that the persons named in the first list below receive the degree of graduate in pharmacy at the coming commencement; and that the persons named in the second list receive a certificate of having completed the course in the School of Pharmacy.

DEGREE OF GRADUATE IN PHARMACY.

Voted that the president of the University be authorized to confer the degree of graduate in pharmacy upon the persons so recommended by the faculty, and give a certificate to the persons recommended by the faculty for said certificate.

TREASURER'S BOND.

Mr. Henry S. Henschen, of the Chicago State Bank, presented the bond of Mr. H. A. Haugan, treasurer elect, and it was referred to the Committee on Finance for examination and report.

The following resolutions were adopted:

AUTHORITY TO ISSUE REQUISITIONS.

Resolved, That the president and secretary be directed to draw upon the Auditor of Public Accounts such requisitions as the law requires in order that he may issue to the treasurer of the University his warrants upon the State Treasurer for the sums of money appropriated by the Legislature to the University of Illinois, or to any of its departments.

AUTHORITY TO RECEIVE MONEYS.

Resolved, That the treasurer of the Board of Trustees of the University of Illinois is hereby authorized to receive and receipt for all moneys, and to endorse all orders, drafts and checks due and payable to the said board of trustees, or to the said University of Illinois, and especially all drafts drawn by the Treasurer of the United States, payable to the said board of trustees, or to the said University of Illinois, on account of the Agricultural Experiment Station of the said University.

APPOINTMENTS.

The secretary reported the following appointments made by President James pursuant to authority given him by the board of trustees:

Marcia B. Clay, catalog assistant in the library from January 1 to July 1, 1907, at \$60 a month.

Christina Denny, reviser in cataloging in the library for three months beginning February 18, 1907, at \$50 a month.

Blanche E. Phillips, stenographer and clerk in the office of the High School Visitor, from January 14, 1907, until further notice, at \$50 a month.

Clarence E. Derick, lecturer and research assistant to Professor Noyes, in the Department of Chemistry, for the year beginning September 1, 1907, at a salary of \$800 a year.

E. K. Nelson assistant in chemistry in the Agronomy department of the Agricultural Experiment Station, at a salary of \$1,000 a year, salary and service to begin as soon as he reports for duty.

Lois A. Reed to succeed Marcia B. Clay, catalog librarian in the library, from April 1 to August 1, 1907, at a salary of \$60 a month.

He also reported that the president had notified him of the resignation by Julius F. Krehbiel of his position as instructor in Ceramics, to take effect April 1, 1907.

NAMES OF STUDENTS IN RECORDS, CATALOGS, AND DIPLOMAS.

The following resolution was adopted:

Resolved, That the practice of giving the full names of students in the records of the University and in the catalog, and of writing the full name in each diploma is approved, and should be followed in the future.

CONNECTING TELEPHONE EXCHANGE WITH BELL 'PHONE EXCHANGE.

The chairman of the Committee on Buildings and Grounds has filed with the secretary the following letter (see meeting of March 12, 1907):

April 1, 1907:

Prof. Morgan Brooks, University of Illinois, Urbana, Ill.

DEAR SIR: Referring to the proposition of Wm. Upham, manager of the Champaign Bell Exchange, dated March 6th, and to your letter of March 9th on the same subject, I hereby authorize you to accept Mr. Upham's proposition to connect with five trunk lines to the University telephone exchange at a rental price of \$180 per year for the entire service. This is on the condition that such a connection will not interfere with our arrangement with the Home Telephone Company.

Very truly yours,

W. L. ABBOTT,

Chairman Buildings and Grounds Committee.

COMMISSION ON PHYSICS BUILDING.

Pursuant to the order of the board (see meeting of March 12, 1907), President Abbott appointed April 9, 1907, the following members on the commission:

Dr. Edmund J. James, Chairman; Lewis L. Lehman, W. L. Abbott, Fred. L. Hatch, T. J. Burrill, Vice-President; Dean David Kinley, Dean E. B. Green, Dean J. M. White, Dean E. J. Townsend, Prof. A. P. Carman, Prof. L. P. Breckenridge, Prof. C. W. Rolfe, C. H. Blackall, Lorado Taft, Samuel A. Bullard, Samuel W. Stratton.

THE AUDITORIUM.

The following report from the Committee on Buildings and Grounds was received and approved.

URBANA, ILL., April 6, 1907.

To the Board of Trustees of the University of Illinois:

Your committee reports that at a meeting held at the University April 6th to consider matters relating to the Auditorium, the following described extras were authorized, amounting to \$3,098.54:

1. Substituting 24-gauge Mahoning expanded metal lath for wood lath on the ceiling of the audience room to balcony floor level, for the sum of one thousand four hundred and thirty-two dollars and thirty-nine cents (\$1,432.39).
2. Using same lath as specified above on memorial vestibule walls and ceilings throughout the entire length for the sum of eight hundred and seven dollars and ninety-five cents (\$807.95).
3. Lowering the ceilings of the southeast and southwest stair halls and putting in an independent floor above the ceiling for the sum of three hundred and seventy dollars (\$370).
4. Building two stairs to the basement for the sum of three hundred and thirty-eight dollars (\$338).
5. The substitution of hard plaster for common plaster for wainscoting in portions of the vestibules and corridors for the sum of sixty dollars (\$60).
6. A wire circuit for the stereopticon lantern, forty dollars (\$40).
7. Footlights, fifty dollars (\$50).

Very truly yours,

W. L. ABBOTT,

Chairman Com. on Buildings and Grounds.

The secretary called the attention of the board to the action taken at the meeting of the board October 17, 1905, referring a deed for land purchased in southern Illinois to the Committee on Agriculture, stating that the deed was still in his hands and had never been recorded, since the committee had not reported. The secretary was directed to call the attention of the chairman of the Committee on Agriculture to this deed.

GRADUATES OF THE COLLEGE OF DENTISTRY.

President James was authorized to confer the degree of Doctor of Dental Surgery upon such persons as should be recommended by the faculty of the College of Dentistry for graduation therefrom at the commencement of the college, May 31, 1907.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of June 4, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at the Auditorium Annex in Chicago, Tuesday June 4, 1907, pursuant to the following notice which was sent out by the secretary May 28, 1907:

Upon the call of the president of the board, Mr. W. L. Abbott, there will be a meeting of the Board of Trustees of the University of Illinois at 9:00 o'clock a. m., Tuesday, June 4, 1907, at the Auditorium Annex in Chicago, for the purpose of granting authority to confer diplomas on those to be graduated that day from the College of Medicine of the University, and to transact such other business as may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Davison, Hatch, McLean, Madden, and Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Lehman and Mrs. Alexander. President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

INVESTIGATION OF NUTRITION PROBLEMS.

1. Report of the second meeting of the National Commission for the Investigation of Nutrition Problems.

The second meeting of the Commission for the Investigation of Nutrition Problems was held at the University of Illinois, Urbana, Illinois, May 10th and 11th. Present, the chairman, Prof. J. J. Abel of Johns Hopkins University, Professor R. H. Chittenden of Yale University, Professor Theobald Smith of Harvard University, Professor A. P. Mathews of the University of Chicago, Professor H. S. Grindley of the University of Illinois. The commission took up in detail the plan of the squad experiments which had been prepared by Professor Chittenden and the secretary of the commission, in accordance with the request of the commission at its first meeting. Action was taken as reported in the minutes of the meeting which have been filed with the secretary of the board. The following is an opinion from Professor O. A. Harker, counsel for the University, in regard to the legal liability of the University involved in the carrying out of the squad experiments, including the proposed pledge of the subjects of the hygienic table:

Professor H. S. Grindley:

SIR—I am unable to find in the published reports of courts of last resort in this country that there has ever been any adjudication on a question likely to arise in carrying on food experiments under any plan resembling the one proposed for the University. We have in our law library all the published reports of the United States Supreme Court and Circuit Courts and all the published reports of courts of last resort in all of the states of the Union excepting Alabama, Arkansas, Delaware, and Louisiana. I can find in none of these reports any adjudication or even discussion of a question that is at all likely to arise under the plan that you submit to me. An opinion on your 'plan' must necessarily be, as we lawyers express it, 'an opinion of first impression.'

I am unable to see how any liability can attach to the University or any of its officers engaged in the proposed experiments under the 'Pledge of the Subjects of the Hygienic Table' as framed with the changes suggested by me. As I said to you, however, the precaution should be exercised of notifying each subject of the particular material on which the test is to be made in the food used. The precaution should be taken, also, of ascertaining that the subject is above the age of 21 years. If some one under the age of 21 years desires to become a subject, the pledge of his parents or guardian should be obtained.

Respectfully submitted,
O. A. HARKER,
Counsel for the University.

PLEDGE OF THE SUBJECTS OF THE HYGIENIC TABLE.

I hereby agree, on my honor, to follow implicitly the rules and regulations governing the hygienic table of the laboratory of 'Physiological Chemistry of the University of Illinois, during the time that I am a member thereof. I agree, during my attendance at the table of observation, to use no other food or drink than that which is provided for me, with the exception of water, and that any water not used at the table will be measured and reported daily as a part of the ration. I further agree that I will continue to be a member of the hygienic table for a period of at least 12 months from unless prevented by some illness, accident, or unavoidable absence. I agree to continue the regular habits of my life, to indulge in no unusual excess of labor or exercise, and if tobacco be used it shall be used at such times and in such amounts as will be agreed upon between myself and the chief of the Laboratory of Physiological Chemistry.

I further agree, in consideration of the board, lodging, and \$100 to be paid to me by the University of Illinois during the 12 months I shall continue as a member of the hygienic table, that I will not hold the University of Illinois, nor any person connected therewith or connected with the Commission for the Study of Problems Relating to Human Nutrition—appointed by the University of Illinois, responsible for any illness or accident that may occur by reason of my following the rules and regulations governing said hygienic table. Further it is understood that the object of the tests to be made in this connection is to determine the influence on the health of man of meat products cured by or containing saltpetre. Further, I hereby solemnly state that there is not at present and that there will not be during my connection with this hygienic table, any one dependent upon or supported by me, in any way, shape, or form.

(Signature of the Subject)
(Signature of Parents)
(In case subject is under 21.)

OATH.

Subscribed and sworn to before me by the above named person, to me personally known, this day of, 190., at Urbana, County of Champaign and State of Illinois.

(Signature of Officer)
(Official Impression Seal.)
(Official Title)

OFFICE OF SUPERVISING ARCHITECT.

2. The time has arrived, in my opinion, when the interests of the University demand a considerable share of the time and attention of a competent architect in the work of supervising and keeping up to date the buildings and permanent plant of the University.

I recommend, therefore, that the position of Supervising Architect be created in the University with the following duties:

He shall be custodian in general of all the University buildings and other structures above and under ground, including fire alarms and fire protection apparatus, sub-ways, tunnels, electric wiring, conduit, all steam, water, gas, and compressed air pipes, all light posts, etc., etc. He shall make regular inspections and report to the president of the University at least once every quarter upon the structural and sanitary conditions of the buildings and other structures belonging to the University; and shall make recommendations from time to time as to repairs and improvements. Upon the request of the president of the University he shall examine and report at any time upon any subject relating to said buildings or structures.

No alteration shall be made in any of the buildings or other structures of the University or in the fixtures pertaining to the same without a written permit from the office of said supervising architect specifying exactly what may be done and the manner in which it shall be done.

The said architect shall have the supervision of all alterations, reconstructions and repairs to be made in the University buildings and other structures, and no bill shall be paid for work or materials used in such repairs until it has been submitted to said architect for his approval. Said architect shall be the superintendent for the University of all buildings erected on the campus unless some other person shall be especially selected for that work, and he shall be advisor to the president and board in all matters relating to the plans for the erection of buildings.

Voted that said position be created and the president requested to make nominations for the same.

TRANSMISSION OF REPORTS OF DEANS.

3. From remarks made by different members of the board at the last meeting, I infer that there may be some misunderstanding as to the action of the board of trustees concerning the transmission of certain reports from the deans of the University to the members of the Board, in advance of board meetings.

In order to make this perfectly clear, I beg to submit the following minutes taken from the Proceedings of the Board on June 8, 1903.

[Report from President Draper] "December 19, 1899, the board adopted the following resolutions touching the transmission of certain reports to the members of the board, in advance of meeting, viz.:

REPORTS OF DEANS.

'19. (a) To insure more intelligent action on the part of the Trustees, typewritten copies of such reports of the deans of the several colleges as are made shall be sent from the office of the president of the University to each member of the board five days before the quarterly meeting.

(b) These reports shall be confined strictly to the internal affairs of the several colleges and to their immediate needs in respect to the facilities for instruction. At the meeting of the board the president shall present his approval or otherwise of any suggestions in these reports, which shall be considered the first official recognition of their existence.'

(c) These typewritten copies shall be prepared in the offices of the Deans and sent to the President with the original report.'

[Adopted December 19, 1899.]

"I felt at the time that there were certain elements in this legislation which unintentionally invaded the executive freedom of the president of the University, but I did not care to seem to be a stickler for prerogative, unnecessarily, and said little about it. I have happily lived long enough to know that with people who have no end save the right in view the right is made clear in the course of time, and no great wrong is suffered by the trial of experiment.

"The purpose of the board in adopting the resolutions was, as it was declared to be, to secure information in advance which would aid intelligent action upon business to be submitted at an approaching meeting. But the result is much more than that. It tends unmistakably to nothing less than a lessening of respect for the office of president of the University, and a change in the character of the reports. Officers speak of their reports to the board of trustees, and to the public, when they are not expected to report to anyone but the president; and they introduce recommendations touching matters concerning which they have no responsible authority, with the evident expectation that they will be specifically approved or disapproved by official action. Under the operation of the resolution information upon confidential matters reaches persons personally interested, in advance of lawful action, and produces unnecessary and hurtful discussions throughout University circles, and sometimes outside of them.

"No one can expect to meet, justly and rationally, the responsible duties of president of this University, in the proportions which the University has

now attained, unless his office is amply fortified and sustained, and his executive freedom is kept intact. Policies must be pursued which keep all officers and teachers at the matters for which they are responsible, and promote exactness rather than confusion in administration.

"It seems to me there is no difficulty about the matter, and that all that the board had in mind when it adopted the resolutions may be easily attained by a request that the president, in his discretion, send such reports and papers to members of the board in advance of meetings as will be of aid to them and promotive of the best interests of the University. This, I am constrained to say, after full experience and reflection, and with no purpose to magnify my own importance, is as far as the board may safely go with security to the interests which are committed to my official care in advance of a meeting of the board. In a board meeting all the president knows and all the papers of his office are at the disposal of the board.

"Therefore, I recommend that the resolutions referred to, be rescinded and that the following be adopted:

"*Resolved*. That the president of the University be requested, in the exercise of his free discretion, to send to members of the board of trustees in advance of meetings such reports as may be made to him by the deans or other officers of the instructional force, or any other papers, when such early distribution will be likely to aid trustees in the better understanding of matters to come before the board, and not be incompatible with what the president conceives to be for the best interests of the University."

"I could doubtless work my way along to the end of my administration without any very serious difficulty over this matter, but I never can hope to transmit my office to another with its functions unimpaired and its freedom assured without making this request, and the remainder of my administration will be made smoother and the future will be more secure if you will give it your favorable consideration."

"It was moved to adopt the recommendations with regard to reports, and the motion prevailed."

It seems to me that the recommendation of President Draper was an eminently proper one, and in the absence of any action of this board to the contrary, I shall follow the orders of the board as indicated at that time.

DEGREES.

4. The senate of the University makes the following recommendations concerning degrees;

1. In view of the fact that the approaching commencement is the twenty-fifth anniversary of the class with which Mr. Frank B. Maltby would have graduated had he continued in the University, and in view of his experience since leaving and of his present position in immediate charge of the construction of one-half of the Panama Canal with a rank next to that of the Assistant Chief Engineer, the senate recommends that Mr. Maltby be granted the degree of Bachelor of Science in civil engineering, and that he be given rank as a member of the class of 1882.

2. The University senate recommends to the board of trustees for the honorary degree of Doctor of Laws, Professor George C. Comstock, director of the Washburn Observatory and Professor of Astronomy in the University of Wisconsin.

3. The senate recommends to the board of trustees that the honorary degree of Doctor of Laws be conferred at the approaching commencement upon the Hon. James Bryce, British Ambassador to the United States.

4. The council recommends to the trustees that the degree of Master of Arts, *honoris cause*, be granted to Miss Katharine Sharp, head librarian and director of the School of Library Science in the University of Illinois.

Voted to suspend the rule requiring nominations for honorary degrees to be presented to the board at the March meeting, and voted that the above recommendations of the senate be approved and that the president be authorized to confer the above degrees at the approaching commencement.

CHANGE IN LAW ON ACCOUNTANCY.

5. Notice is hereby given to the board that an act passed by the last legislature affected the law relating to granting the diploma of certified public accountant in the following manner, namely: that at the examination to be held in May, 1908, and also in May, 1909, the requirement of preliminary education in the case of persons who have practiced accountancy for five years shall be waived.

APPOINTMENTS.

6. The dean of the College Literature and Arts recommends that Dr. Chester N. Greenough of Harvard College be elected professor of English in the University of Illinois, work and salary to begin September 1, 1907.

Professor Greenough is willing to accept said position at a salary of \$3,000 per annum, on condition that if his work is satisfactory during the year 1907-08, he shall be made head of the department of English or chairman of the committee in management of the department, as the president may recommend; and his salary, beginning September 1, 1908, be increased to \$3,500 per annum. If this recommendation is approved, it is with the understanding that such a statement may be made on behalf of the board of trustees to Dr. Greenough.

Voted that said appointment be made on the terms indicated.

7. The dean of the College of Literature and Arts recommends that Professor Campbell Bonner of the Peabody Normal College, Nashville, Tenn., be elected Assistant Professor of Classical Philology at a salary of \$2000 per annum, work and salary to begin September 1, 1907.

Voted that said appointment be made.

8. In place of Assistant Professor Brooks, absent on leave for the coming year, I recommend that Dr. Otto E. Lessing be appointed Associate Professor of German for the academic year 1907-08 at a salary of \$2,250, work and salary to begin September 1, 1907.

Voted that said appointment be made.

9. I recommend the appointment of Mr. D. O. McGovney as instructor in the Law School for the academic year 1907-08, at a salary of \$1,800.

Voted that said appointment be made.

10. The Dean of the College of Literature and Arts recommends that Dr. Lawrence M. Larson be appointed Associate in History in the University of Illinois for the term of two years beginning September 1, 1907, at a salary of \$1,500 per year.

Voted that said appointment be made.

11. The Dean of the College of Literature and Arts recommends that Mr. E. M. Halliday be appointed associate in English for the period of two years beginning September 1, 1907, at a salary of \$1,500 per year.

Voted that said appointment be made.

THE RESIGNATION OF DIRECTOR GEORGE A. HUFF.

12. The board of trustees accepted the resignation of Director George A. Huff, at the last meeting, to take effect May 1, 1907.

After conference with Director Huff, he expressed a willingness to withdraw his resignation and return to the University, I took the liberty of authorizing such action, subject to the approval of the board of trustees. Director Huff was absent some ten days, which may, I presume, be considered an absence on leave.

Voted that the action of the president in permitting Mr. Huff to withdraw his resignation be approved.

ALUMNI QUARTERLY.

13. I desire to submit the following communication from Professor Ira O. Baker, chairman of the Executive Committee of the Alumni Association:

"I am directed by the Executive Committee of the Alumni Association to ask you to recommend to the board of trustees the appropriation of \$1,000 for the publication of the *Alumni Quarterly*. The reasons for this request are as follows:

The first number of the *Alumni Quarterly* issued in January, has met with so considerable an amount of favor with the alumni that the usefulness of the publication seems unquestionable. The present lack of close organization in the association seems to show the necessity of the magazine itself in order that the alumni may be more closely united, and their interests in the institution and themselves be more thoroughly awakened; and also that some kind of financial basis must be furnished in order that the *Quarterly* may be successfully published until such time as the interest which it will arouse shall furnish a list of subscribers sufficient to make the magazine self supporting.

The Executive Committee, therefore, requests that the Trustees of the University be asked to set aside \$1,000 a year for the use of the *Alumni Quarterly*, to be paid in quarterly installments at the time of publication. In return for this the publication committee agrees to give the following returns for the money:

First, to carry the one page of advertising on the back of the magazine.

Second to send at least one copy a year to every alumnus.

Third, to publish the Annual Alumni Association report.

Fourth, to keep up to date the records and mailing lists of both graduates and non-graduates, as far as possible, and to make these lists available for all official University purposes.

This request we consider worthy of favorable action of the trustees for the following reasons:

First, Other institutions support similar publications in a similar way. The University of Michigan pays \$2,000 a year to the *Michigan Alumnus* for a somewhat similar return.

Second, This enables the University to reach the alumni directly and regularly, something which has not been possible in the past.

Third, The amount asked for is moderate. At present the trustees are paying about \$250 a year to have the Alumni Association report printed and distributed, and considerable sums of money in printing, mimeographing, and postage which could be saved by this arrangement.

The committee believes that at the end of one year, the *Quarterly* can be put into such a condition as to make it possible with the same sum of money to extend its influence and become a constantly increasing factor in the effort to amalgamate the alumni into a useful and tangible body.

Very truly yours,

IRA O. BAKER,

Chairman Executive Committee Alumni Association.

Voted that the desired appropriation of \$1,000 for the year 1907-08 be made.

14. The librarian submits a request for an appropriation of \$294 for the purchase of catalog trays to take care of the library cards from the Library of Congress.

Voted that said appropriation be made.

CREDITS FOR STUDENTS NOT IN RESIDENCE.

15. The council of administration recommends that if an undergraduate who is not in residence at the University desires to receive credit toward graduation, he must first register at the University and pay the registration fees. He may then receive such credits under the same conditions as do other students.

Voted that said recommendation be approved.

16. Assistant Professor B. W. Brenneman tenders his resignation as instructor in the University to take effect at the close of the present academic year.

Voted that said resignation be accepted.

HARRY GILL, ASSISTANT IN PHYSICAL TRAINING.

President Abbott presented a letter from Mr. F. J. Postel, secretary of the University of Illinois Alumni of Chicago, with reference to Mr. Gill Assistant Director of Physical Training.

The letter was referred to President James.

COMPTROLLER'S REPORT.

The comptroller presented the following report:

UNIVERSITY OF ILLINOIS, URBANA, ILL., June 4, 1907.

Wm. L. Abbott, Esq., President Board of Trustees, University of Illinois:

SIR—I have the honor to transmit herewith several papers for the information of the board:

1. Financial statement of the College of Medicine for the year ended May 1, 1907.

RECEIPTS AND EXPENDITURES OF THE COLLEGE OF MEDICINE FOR THE YEAR ENDED APRIL 30, 1907.

Collections, Medical Department.....	\$79,914 88	
Collections, Dental Department.....	23,747 38	
		\$103,662 26
Less deficit of last year.....		3,989 24
		\$ 99,673 02
Balance.....		
Expenditures, Medical Department.....	\$80,702 70	
Expenditures, Dental Department.....	18,970 32	
		\$99,673 02

The above statement shows that there were no net earnings for the past two years.

Respectfully submitted,

S. W. SHATTUCK,
Comptroller.

D. A. K. STEELE,
Actuary.

2. Statement of Henri J. Van den Berg on the publication of the Music-lovers Calendar. This report indicates that there will be no money returned to the University from the appropriation of \$400 made in support of the publication.

3. Letter of D. A. K. Steele and others transmitting certain bills for valuation of property, amounting to \$65.00, for which the board is requested to make appropriations.

4. Letters of Fred Kauffman asking that his contract for furnishing the cadet uniforms be continued for the second year. It is the opinion of Lieut. Col. Fechet that the best interests of the University will be served by so doing. I agree with this opinion. The board is requested to take some immediate action in the matter.

Respectfully submitted,

S. W. SHATTUCK,
Comptroller.

The matter of the loan to Mr. Van den Berg was referred to the Finance Committee.

The bills referred to in item 3 of the comptroller's report were approved and ordered paid.

CADET UNIFORMS.

The comptroller was directed to advertise for bids for furnishing the cadet uniforms for the next two years, and was given authority to contract on the lowest and best bid, requiring a satisfactory bond for the performance of the contract not less than \$2,000 in amount.

DEED TO FARM LAND.

The comptroller was directed to take necessary steps for the purchase of forty (40) acres of land for which an option is held in accordance with the terms of a lease between William I. Saffell and K. E. Ford, using therefor the money appropriated by the General Assembly.

GRADUATES FROM THE COLLEGE OF MEDICINE.

Authority was given the president to confer the degree of Doctor of Medicine upon these persons who were recommended therefor by the faculty of the College of Medicine.

LIST OF SENIOR STUDENTS 1906-1907.

Francis Earl Briggs	Otto Albert Gahl
Calvin Edgar Brown, M. D.	Walter Bertram Gerhard
Robert Herman Buck, D. D. S.	James Graybeal
Arthur Jefferson Buckner	Holland Todd Ground
Charles Oliver Bulger	William Parker Gunn
Chester John Challenger, M. D.	Silas Van Hageman
Frank Chauvet	Oscar Amadeus Hansen, M. D.
John Kendall Chorlog, A. B.	Robert Rochester Hansen
Fred B. Clarke	J. Glen Harbison, M. D.
John Edward Clark	Esther Alice Hart
Charles Frazier Clark	Martha Hayward
John Golder Cogswell, B. S. Ph. G.	Maurice Charles Hecht
Ada Scott Conner [M. D.]	Thomas Jerome Henneberry
Alfred Woodham Conner	Robert Asa Hills
Charles Larkin Conroy, A. B.	John Herman Holm
William Henry Conser	Clyde Switzer Horton
Martha Marilla Crofut	Ross Huston
William McKee Crosier	John Knox Jamieson, M. D.
Joseph Louis Cunningham	Hilerd Enno Jenkins
Joseph Swisher Cunningham, M. D.	Earl Bowen Jewell
William J. Demorest Curtis	Johannes Johnson

Willis Elmer Keith	George Alexander Schneider, M. D.
Herman Buchanan Kingsbury	Edwin Frederick Schroeder
Herman Armin Klein, M. D.	Alfred John Charles Schwartz
Albert Garfield Koch	Alvin Rufus Scott, M. D.
Melville Charles Korb, M. D.	Charles Segal
Arthur Louis Kusske	Charlotte Margaretha Sekler
John H. Leebens	Clara Pauline Seipple
Phillip Leicht	Henry Hulse Seibert
John Taggart Lemmel	Ansly Thomas Shearer
Frank Emil Lindahl	Samuel George Sher
Fred Jackson McComb	Myron A. Sherper
Duncan Brown McEachern, LL. B.,	Frank Siedenburg, Ph., G.
Robert David McKay [M. D.]	James Evert Derreckson Silcox
John Douglas MacKeller, M. D.	George Mortimer Smith
John A. Maguire	Hiram Jay Smith
George John Mautz, A. B.	Wilbert A. Staley
Maurice Elias Mesirow	J. Carl Steiner, M. D.
Max Meyerovitz	Leo Steiner, M. D.
Salvador Francis Joseph Mirabella	Eli Nathan Stenn
Joseph Henry Mitchell	Edward Walter Thuerer, B. L.
DeCou Carpenter Moulding, M. D.	John Joseph Toeller
James Edward Earle Nelles	Julius Arthur Toran
Nels. Christian Nelson	Charles P. Unger
Betty Augustina Nilsson	Walter Van de Erve, M. D.
Olof Adolphus Olson	Robertus Lubert Van Dellen, M. D.
James Henry Oughton	Robert Lavern Wade
August Walter Pearson	Earl P. Wagner, Ph. C.
Axel Emanuel Peterson	William Bard Wakefield
Nelson Chancellor Phillips, A. B.	George Nathan Wassom
Irwin Augustus Port	Robert Weber, Ph. G.
Roy Clyde Pynn	Joseph Hall Whiteley, Ph. G.
Bertram Arthur Richardson	John Emerson Whitehill
Herman A. Rigterink	Pitt Stevens Wilson
Wilber Berry Roads	Frank Joseph Wochos
Arthur Matthew Rodermund	Jay Thomas Wood
Cameron Alfred Rose	Maurice Benjamin Wolinsky
Jesse Eugene Russ	Rose Emma Zalesky
Hans Schiffbauer	

GRADUATES OF THE COLLEGE OF DENTISTRY.

The degree of Doctor of Dental Surgery was conferred upon these persons May 31, 1907, as ordered at the meeting of April, 25, 1907.

Thomas Anthony Ashwerth	Joseph Elmer Jacobs
Walter Edward Becker	Maurice Lasker
Ezra T. Clark	Samuel A. Levin
Carleton Cleveland	Bradley Franklin Lockwood
Benjamin Bicknell Cronk	George Ernest Lyons
William John Dierks	Maynard Maine Marquis
Ralph Burt Driver	Thomas James McCarthy
Joseph Atwood Dunn	James Steele McCreight
Dorsey Boatman Davis	Lawrence Bernard Murphy
Leo J. Fels	Waleryan Waclaw Nowacki
Clarence L. Foley	LeRoy Henry Phifer
David A. Frankel	Alexander A. Shere
Henry A. Frey	Joel Ischar Singer
Abraham Nathan Halperin	Harry Thomas Spangler
Aaron Bloom Harris	Johanne C. Thompson
William B. Hendricks	George William Wheeler
Thomas Ellsworth Hoover	Anthony John Zimmonth

The board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting of June 10, 1907.

The regular quarterly meeting of the board of trustees of the University of Illinois was held at the University beginning at 9:00 o'clock a. m., Monday, June 10, 1907.

The members present were Messrs. Abbott, Davison, Hatch, Lehman and McLean and Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Madden and Mrs. Alexander. President James was present.

The secretary presented the minutes of the regular meeting of March 12, 1907, and the special meetings of March 19, 1907, and April 25, 1907.

TREASURER'S BOND.

URBANA, ILL., June 10, 1907.

To the Board of Trustees:

Your Finance Committee presents the bond of the treasurer, Mr. Helge A. Haugan, and recommends its acceptance and that it be filed with the secretary.

The committee has thoroughly examined into the responsibility of the treasurer and his sureties and has found the bond satisfactory.

ALEXANDER MCLEAN,
GEORGE H. MADDEN,
LEWIS L. LEHMAN,

Committee on Finance.

The report of the committee was adopted and the bond approved.

KNOW ALL MEN BY THESE PRESENTS, That we, Helge A. Haugan, as principal, and George E. Rickords, William A. Peterson, Hauman G. Haugan, Theodore Freeman, and John R. Lindgren, as sureties, are held and firmly bound unto the University of Illinois, of Urbana, in the County of Champaign, State of Illinois, in the sum of One Million Dollars (\$1,000,000.00) good and lawful money of the United States, for the payment of which, well and truly to be made, we bind ourselves and our heirs, executors and administrators, jointly, severally and firmly by these presents.

WITNESS our hands and seals this twenty-third day of April, A. D. 1907.

The condition of this obligation is such that whereas the above bounden Helge A. Haugan was on the twelfth day of March, A. D., 1907, duly elected to the office of treasurer of the University of Illinois, for a period ending on the tenth day of March, A. D., 1909, or until his successor shall be appointed and qualified, and is about to assume the duties of said office:

Now, if the said Helge A. Haugan shall well and truly perform and faithfully discharge the duties of treasurer of said University of Illinois during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such treasurer during his term of office, and at the expiration of his term of office shall pay

over to his successor in office, or to any other person duly authorized by the board of trustees of said University of Illinois to receive the same, all moneys, bonds, securities or other property received by him as such treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office or other person appointed to receive the same, the property, books, papers and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener if thereunto requested by the board of trustees of said University of Illinois render a just and true account of his doing as such treasurer, then this obligation to be void; otherwise to remain in full force, effect and virtue.

(Signed)

HELGE A. HAUGAN	[Seal]
GEORGE E. RICKCORDS	[Seal]
WILLIAM A. PETERSON	[Seal]
HAUMAN G. HAUGAN	[Seal]
THEODORE FREEMAN	[Seal]
JOHN R. LINDGREN	[Seal]

STATE OF ILLINOIS, }
COUNTY OF COOK. } ss:

I, Frank I. Packard, a notary public in and for said county, in the State aforesaid, do hereby certify, that Helge A. Haugan, George E. Rickcords, William A. Peterson, Hauman G. Haugan, Theodore Freeman, and John R. Lindgren, who are personally known to me to be the same persons whose names are subscribed to the foregoing instrument, appeared before me this day in person and acknowledged that they signed, sealed and delivered the said instrument as their free and voluntary act, for the uses and purposes therein set forth.

Given under my hand and notarial seal this twenty-third of April, A. D., 1907.

(Signed)

FRANK I. PACKARD,
Notary Public.

TREASURER'S REPORT.

The secretary presented the treasurer's report, for the quarter ending March 30, 1907, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS.

REPORT OF THE COMPTROLLER.

The Comptroller, Professor S. W. Shattuck, made the following report, which was referred to the Finance Committee:

URBANA. ILL., June 10, 1907.

W. L. Abbott, *President Board of Trustees, University of Illinois:*

DEAR SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations March 31, 1907.

Paper B is a statement of the State appropriations March 31, 1907.

Paper C is a statement of the United States fund March 31, 1907.

Paper E is a statement of the United States Agricultural Experiment Station appropriations March 31, 1907.

Paper F is a statement of the School of Pharmacy appropriations March 31, 1907.

Paper G is a statement of the College of Medicine appropriations for March 31, 1907.

PAPER A—CURRENT APPROPRIATIONS.

Paper M is a list of the general University vouchers presented for audit, being Nos. 5401 to 8350, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 176 to 250, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit, being Nos. 139 to 209, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 663 to 1019, inclusive.

Paper R is a statement of the receipts and expenditures, School of Pharmacy, for the year ending April 30, 1907.

RECEIPTS AND EXPENDITURES, SCHOOL OF PHARMACY, FOR THE YEAR ENDED APRIL 30, 1907.

Receipts.....	\$16,530 13
Expenditures.....	16,485 47
Balance.....	\$44 76

There was due from the Dearborn Medical College May 1st, 1907, \$1,651.99; \$1,500.00 of this, when collected, should be applied in the payment of the maximum salaries of the faculty. Of the fees reported by the registrar as due for the year, \$453.16 remains uncollected. This is a smaller amount than usual.

Paper 8 is a budget of the College of Medicine 1907-08.

Respectfully submitted

S. W., SHATTUCK,
Comptroller.

APPROPRIATIONS.

Appropriations were made as recommended by the comptroller in paper I above.

COLLEGE OF MEDICINE.

The paper submitted by the comptroller with regard to the College of Medicine was left over for future consideration.

Dr. Davison submitted a report to the board of trustees, made by Dr. D. A. K. Steele, president of the College of Physician and Surgeons, containing

1. An official list of the stockholders of the College of Physicians and Surgeons May 6, 1907.
2. An official list of the bond-holders of the College of Physicians and Surgeons June 6, 1907.
3. An official report of the treasurer of the College of Physicians and Surgeons May 9, 1906.
4. An official report of the treasurer for the year ending May 13, 1907.

This document was filed with the secretary.

COMMUNICATIONS SUBMITTED BY PRESIDENT JAMES.

1. I ask authority to confer degrees and certificates upon the persons recommended for degrees and certificates by the proper authorities of the University.

Authority was given as asked.

DEGREES CONFERRED JUNE 12, 1907.

COMMUNICATIONS SUBMITTED BY PRESIDENT JAMES.

COLLEGE OF LITERATURE AND ARTS.

STREET RAILWAY CROSSING THE CAMPUS.

Mr. W. B. McKinley presented a copy of a resolution passed by the General Assembly purposing to give the street railway company the right to cross the University campus and a blue print showing the company's proposed route.

After hearing Mr. McKinley and discussing the matter at length the questions involved were referred to a special committee consisting of the chairman of the Committee on Buildings and Grounds, Mr. Abbott, and President James for investigation and report. The committee was directed to confer with Judge Harker as to the legal propositions involved.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president presented the following matters for consideration:

APPROPRIATIONS FOR THE NEXT BIENNIUM.

1. I have received from the Secretary of State certified copies of three acts passed by the last Legislature making appropriations for the University. The first is "An Act to extend the equipment and increase the instruction in the College of Agriculture and provide for the extension of the Agricultural Experiment Station and make appropriations therefor." In this act the following appropriations have been made:

	Per Annum.	Per Biennium.
College of Agriculture.....	\$50,000 00	
Feeding experiment.....	25,000 00	
Experiments in methods of producing corn and wheat.....	15,000 00	
Examination of soils.....	25,000 00	
Orchard investigations.....	15,000 00	
Dairy investigations.....	15,000 00	
Floriculture investigations.....	7,500 00	
Total.....		\$305,000 00

The second act is an act entitled "Making appropriations for the University of Illinois." Under this act the following appropriations have been made:

	Per Annum.	Per Biennium.
Salaries and ordinary operating expenses.....	\$450,000 00	
Materials for shop practice.....	5,000 00	
Increasing cabinets and collections.....	2,000 00	
Purchase of books, etc., for library.....	25,000 00	
Additions to apparatus and appliances.....	3,000 00	
Fire protection.....	1,500 00	
Maintenance and extension of Engineering College and equipment of Engineering Experiment Station.....	75,000 00	
Repairs on buildings and improvements to grounds.....	14,345 00	
State Water Survey.....	6,000 00	
Draining, fencing, etc., on experimental farms.....	5,000 00	
Maintenance of department of social and political science.....	25,000 00	
Maintenance of School of Music.....	3,000 00	
Agricultural extension and instruction at farmers' institutes.....	6,000 00	
Equipment and support of Law School.....	15,000 00	
Equipment and maintenance of Chemical Laboratory.....	10,000 00	
Equipment and maintenance of School of Pharmacy.....	5,000 00	
Maintenance of Graduate School.....	50,000 00	
Maintenance of Veterinary College.....		\$ 30,000 00
Maintenance of School of Household and Domestic Science.....	10,000 00	
Additional equipment to the water station.....		3,000 00
Increasing telephone exchange.....		1,500 00
Enlarging general heating and lighting plant.....		35,000 00
For purchase of farm land.....		11,600 00
		\$1,502,790 00

The third act appropriates to the University of Illinois the money granted by the acts of Congress approved August 30, 1890, and March 4, 1907.

The fifth act, a copy of which I have not received, appropriated in the form in which it reached the Governor, the sum of \$550,000.00 for the erection of buildings on the campus at Urbana. I understand that the sum \$250,000.00 for the physics laboratory was approved, and the sum of \$150,000.00 for the addition to Natural History Hall.

The bill appropriating the sum of \$386,000.00 for the housing of the medical school passed both Houses, but was vetoed by the Governor.

2. Recommendation in regard to choosing architect for the physics laboratory and the addition to the Natural History Building.

Voted to refer to the Buildings and Grounds Committee for report.

3. Recommendation that Mr. F. K. W. Drury be appointed acting librarian for the coming year with the rank of Assistant Professor, at a salary of \$1,600.00.

Voted that said appointment be made.

RECOMMENDATIONS CONCERNING THE GRADUATE SCHOOL.

4. I submit the following recommendations relating to the organization of the graduate school.

1. That provision be made as rapidly as practicable in the various departments of instruction organized in the University so that the University may properly offer the advanced degrees of master and doctor in as many departments as possible.

2. That for the present the following subjects be accepted as majors for the degree of doctor of philosophy on terms prescribed by the executive faculty of the graduate school, namely:

Agriculture	Modern Languages
Botany	Ancient Languages
Chemistry	History
Economics	Mathematics
Engineering	Physics
English	Zoölogy

3. That the following subjects, in addition to those named in the list given under II, be accepted for the present as minors for the degree of doctor of philosophy, namely:

Astronomy	Household Science
Geology	Education
Philosophy	Politics
Physiology	Psychology

4. That all the subjects accepted as minors for the degree of doctor of philosophy be accepted as majors for the master's degree.

5. The faculty of the graduate school shall consist of instructors who offer courses accepted for advance degrees.

The executive faculty of the graduate school shall consist of the dean of the graduate school and one professor representing each of the departments of instruction offering subjects accepted as majors for the doctor's degree, said professor to be appointed for one year by the president of the University.

The recommendations for advanced degrees shall be made to the Senate of the University by the executive faculty of the graduate school.

The executive faculty of the graduate school shall determine what courses shall be accepted as qualifying for the advanced degrees.

The dean and the executive faculty of the graduate school shall have the same authority in all matters pertaining to the graduate school as is exercised by the dean and faculty of other school and colleges.

6. That the sum of \$20,000.00, or so much thereof as may be necessary be assigned for the academic year 1907-08 for the establishment of fellowships and scholarships in the graduate school. The president of the University may appoint such persons to said fellowships and scholarships as may be recommended therefor by the executive faculty of the graduate school.

Voted that said recommendations be adopted.

5. I submit herewith the resignation of Professor Charles C. Pickett as professor of law in the University of Illinois, to take effect August 30, 1907.

Voted to accept said resignation.

6. I nominate Professor Barry Gilbert of the State University of Iowa, as professor of law in the University of Illinois at a salary of \$2,000.00 per annum, work and salary to begin September 1, 1907.

Voted that said appointment be made.

RECOMMENDATIONS OF SENATE IN RE THE SCHOOL OF EDUCATION.

7. At a meeting of the University Senate held June 8th the following report of the committee on the development of the Department of Education was approved as a recommendation to the Board of Trustees:

1. That a professional degree in education or pedagogy be established by the University. (Adopted by the Senate June 3d.)

2. That the course leading up to this degree be at least one hundred thirty semester hours. (Adopted by the Senate June 3rd.)

3. That admission to the course be the same as for admission to the College of Literature and Arts, or the College of Science, provided that at least two units of foreign language be required. (Adopted by the Senate June 3d.)

4. That the degree granted on completion of the course be Bachelor of Science in Education.

5. That the faculty of the school be composed of the following:

a. Appointees in the Department of Education, which shall be administratively a department of the School of Education.

b. Of members of other departments of the University assigned to the faculty of the School of Education, these assignments to be made by the director of the School of Education, the heads of the departments and college deans concerned, upon nominations made by heads of departments, and the approval of the president.

6. That the certificate of qualification to teach be withdrawn

7. That practice work be established as it best may be under our conditions.

8. That such appointments be made in the Department of Education and elsewhere as in the judgment of the president and director of the School of Education are necessary to carry out the plan here submitted.

9. That the policy of the University with reference to the work of the School of Education be unequivocally declared and emphasized in each issue of the University catalog, with regard to these two points:

a. That scholarship in the preparation of teachers is of primary importance.

b. That students be encouraged to enroll in one of the undergraduate colleges in addition to the School of Education, and get both bachelors' degrees.

10. That the School of Education be reorganized in accordance with these recommendations.

Respectfully submitted,

ARTHUR H. DANIELS,

Secretary.

FOOD INVESTIGATIONS.

8. I submit to be filed with the secretary a letter concerning the investigation of the effects of saltpetre used as a preservative of meat products, in which a further fifteen thousand dollars is guaranteed (in addition to the guarantee of Dec. 7, 1906) toward the expense of this investigation.

ELEVATOR IN UNIVERSITY HALL.

Mrs. Busey, Chairman of the Committee on Students' Welfare, reported that the committee recommended putting an elevator for the use of women in University Hall, and moved that the question be referred to the Committee on Buildings and Grounds for report as to plans and cost. The motion was passed.

The board took a recess to 9:00 a. m. Tuesday.

Session of Tuesday, June 11, 1907.

When the board met pursuant to adjournment, President Abbott being absent, Mrs. Busey was chosen president *pro tempore*.

The secretary presented to the board a cordial invitation from Professor Baker, Chairman of the Executive Committee of the Alumni Association of the University, to attend the public meeting and the banquet of the association, and the invitation was accepted.

The board then took a recess to 9:00 a. m. Wednesday.

Session of Wednesday, June 12, 1907.

The board met pursuant to adjournment and, without the transaction of further business, adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of the Executive Committee.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University at 9:00 o'clock a. m., June 28, 1907.

Messrs. Abbott and Lehman were present. Mrs. Alexander, who was ill, was absent. President James was present and also other members of the board, Dr. Davison, Mr. McLean, Mrs. Evans and Mrs. Busey.

CROSSING THE CAMPUS BY THE STREET CAR COMPANY.

After a discussion of the question relating to the crossing of the campus with the street car company in consultation with Judge Harker, the Executive Committee adopted the following:

Resolved, That the chairman of the Executive Committee be authorized and instructed to take such steps as may be necessary to protect the interests of the University in the matter of laying a street car line across the University grounds.

The following resolution was adopted:

AUTHORITY TO ISSUE REQUISITIONS.

Resolved, That the president and secretary of the Board of Trustees of the University of Illinois be directed to draw upon the Auditor of Public Accounts such requisitions as the law requires, in order that he may issue to the treasurer of the University his warrants upon the said treasurer for the sums of money appropriated by the Legislature to the University of Illinois or to any of its departments.

CHAIRS FOR THE AUDITORIUM.

The committee voted to recommend to the board the purchase of the "New York" chair at \$2.07, the chairs to be set up and adjusted to the floor of the audience room.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president of the University presented the following matters for consideration:

1. Budget of the Medical School.

Referred to the Medical Committee for consideration and report.

2. Suggestion from Professor Forbes that \$500.00 of his salary be charged to the University account, as head of the department of Zoölogy and \$1,250.00 to the State Laboratory for the year 1907-08.

Approved.

3. That the President be authorized to appoint Chester G. Vernier instructor in the Law School at a salary of \$1,200.00 a year, beginning September 1, 1907.

Approved.

4. That the President be authorized to appoint Roy Caston Flickinger associate in the classics for the term of two years beginning September 1, 1907, at a salary of \$1,500.00 a year.

Approved.

5. That the president be authorized to appoint Dr. Fred Kuhlman instructor in Psychology for the academic year beginning September 1, 1907, at a salary of \$900.00 per annum.

Approved.

6. That the president be authorized to appoint Professor E. J. Wilczynski of the University of California associate professor of Mathematics in the University of Illinois at a salary of \$2,400.00 a year, work and salary to begin September 1, 1907.

Approved.

7. That the president be authorized to appoint Professor Ernest R. Dewsnup of the University of Chicago professor of Railway Administration in the University of Illinois at a salary of \$3,000.00 a year, work and salary to begin September 1, 1907.

Approved.

8. That the president be authorized to appoint Mr. Robert M. McCurdy Order Librarian at a salary of \$1,000.00 per annum, work and salary to begin September 1, 1907.

Approved.

9. That the president be authorized to appoint Professor W. F. M. Goss dean of the Engineering College at a salary of \$5,000.00 a year, work and salary to begin September 1, 1907.

Referred to board of trustees with recommendation that it be adopted.

REPORT ON ACCOUNTANCY.

The president submitted the following report of the University Committee on Accountancy:

June 8, 1907.

President E. J. James, University of Illinois:

DEAR SIR—We hereby submit the annual report of the University committee charged with the supervision of accountancy matters.

CERTIFICATES ISSUED.

On the whole, the work of the committee has gone smoothly during the year. Since the report of candidates submitted to you June 15th last, the following have received certificates:

Harold Benington, 801 Marquette building, Chicago, who received diploma No. 99, October 27, 1906.

F. W. Menzies, 429 Monadnock block, Chicago, who received diploma No. 100, October 27, 1906.

A. K. Tod, 429 Monadnock block, Chicago, who received diploma No. 101, October 27, 1906.

George E. Fawcett, 429 Monadnock Block, Chicago, who received diploma No. 102, October 27, 1906.

James Marwick, 189 LaSalle st., Chicago, who received diploma No. 103, April 4, 1907.

These certificates were issued under that part of the waiver clause which applies to applicants who have C. P. A. certificates of other states.

EXAMINATIONS.

The annual examination required by law was given in Chicago at the rooms of the School of Pharmacy, May 6, 7, and 8, last. Twenty people had applied for admission to the examination. Of these, two were refused admission on the grounds that they did not fulfill the preliminary educational requirements fixed by law, and their fees, in accordance with our custom, were returned. The two did not appear at the examination; one on account of illness, and the other on account of pressing business engagements out of the city. Their fees also have been returned. One, who had four times previously entered for examination and in each case had withdrawn (three times without appearing and once after appearing and staying, I think, less than a quarter of an hour) again withdrew, towards noon of the first day of the examination. Another withdrew on account of the difficulty of the examination.

RECOMMENDATIONS CONCERNING FEES.

The irregularities just now related seem to indicate that it will be necessary to adopt a more definite policy with regard to the return of all fees. Your committee has been accustomed to return the fees to all applicants for admission to the examination if they were not admitted, for the reason that the University was at no direct expense in these cases, since the University committee receives no pay for its services. In order that the procedure may become a matter of record we would accordingly recommend:

1. That the board of trustees approve the practice of the committee in returning the fees of applicants for admission to the C. P. A. examinations if they are not admitted to the examinations.

2. That five dollars of the fee be retained in the case of applicants who are duly admitted to the examinations, but notify the committee before the examinations that they are unable to be present thereat, and are not present.

3. That the fees be not returned to applicants who are duly admitted to the examinations and present themselves thereat, but withdraw after the opening of the first examination.

The reason for the second of these recommendations is that those who apply and are duly admitted, should, in fairness, bear part of the expense of the preparation for the examinations. If, for example, all applicants should withdraw at the last minute, the University would have been at the expense of printing the examination papers and paying the board of examiners for preparing the questions for those applicants without any charge.

The reason for the third recommendation is perhaps obvious enough. It is conceivable that a candidate might present himself at successive examinations until he found one which he could pass. There would be no obstacle to his doing so if his fee were returned whenever he withdrew from examination that he thought he could not pass.

BOARD OF EXAMINERS.

Several names have been considered by the committee, most of them being names that were first presented in 1903. After careful investigation of the matter, it is the opinion of your committee that it would be wise to appoint Mr. Robert Buchanan, Certified Public Accountant, of the firm of Buchanan, Walton, Joplin & Company, 189 LaSalle street, Chicago. Mr. Buchanan, we understand, is now president of the Illinois Society of Certified Public Accountants. He is acceptable to all its members, and is highly commended by a considerable number of business men. Accordingly, we recommend him to you for nomination to the board of trustees as a member of the board of examiners in accountancy, if in your judgment, that is best.

RECEIPTS AND DISBURSEMENTS.

It has not been the custom of your committee to make a financial report, inasmuch as that matter is in the hands of the comptroller. From a statement received from the chief clerk, dated June 1, 1907, it appears, however, that the balance on July 1, 1906, was \$1,596.45; that the receipts from fees to May 4 inclusive were \$500.00, making a total of \$2,096.45. The expenditures from July 20, 1906, to May 20, 1907, inclusive, were \$192.58. There are other bills still unpaid, so that the July balance will be considerably less than appears from these figures. It is evident, however, that we have a handsome surplus on hand.

Respectfully submitted,

DAVID KINLEY,

MAURICE H. ROBINSON,

W. L. PILLSBURY,

Committee on Accountancy.

CADET UNIFORMS; LAND PURCHASE.

The comptroller, Professor S. W. Shattuck, made the following report with regard to making the contract for cadet uniforms for the two following years:

UNIVERSITY OF ILLINOIS, URBANA, ILL.

June 26, 1907.

W. L. Abbott, Esq., *President of the Board of Trustees, University of Illinois*

DEAR SIR—According to the directions of the board given June 4th I inserted the attached advertisement in two of the local papers. In answer to it the following bids, for furnishing the cadet uniforms for the years 1907-8 and 1908-9 were received:

	Commiss- ioned officers complete.	Cadet and non-commiss- ioned officers complete.	Band complete.
E. A. Armstrong Mfg. Co., Chicago.....	\$23 30	\$18 80	\$19 05
J. H. Hirsh & Co., Chicago.....	21 00	15 50	15 50
Fred Kaufman, Chicago.....	20 75	14 50	15 00

I have notified Mr. Kaufman that he will be awarded the contract.

Soon afetr the board meeting of June 4th I notified W. I. Saffel and K. E. Ford that the University expected to purchase the N. W. $\frac{1}{4}$ of the N. E. $\frac{1}{4}$ section 19, township 19, range 9 east of 3rd principal meridian, and requested that they furnish an abstract of title. This has been received but is not considered satisfactory in some respects; steps have been taken to make it so.

Respectfully submitted,

S. W. SHATTUCK,
Comptroller.

The committee adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of July 6, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at the Auditorium Annex in Chicago July 6, 1907, pursuant to the following notice which was sent out by the Secretary June 26th:

Upon the call of the president of the board, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Auditorium Annex in Chicago, at 9:00 o'clock a. m., Saturday, July 6, 1907, to take action upon matters submitted for consideration, by President James, and to transact such other business as may be duly presented.

When the board met pursuant to this call, the members present were Messrs. Abbott, Davison, Hatch, Lehman, McLean and Mrs. Evans and Mrs. Busey. Mr. Madden came in a little later. President James was present.

The minutes of the meeting of the Executive Committee held June 28, 1907, were considered. See p. 135.

The resolution giving the chairman of the Executive Committee authority to take such steps as might be necessary to protect the interests of the University in the matter of laying a street car line across the University was confirmed.

A suggestion in regard to Professor Forbes' salary was confirmed.

Also the authority given the president to appoint Messrs. Vernier, Flickinger, Kuhlman, Wilczynski, Dewsnup and McCurdy.

The recommendation with regard to Professor W. F. M. Goss was adopted.

The recommendation with regard to fees of applicants for admission to the C. P. A. examination was adopted.

Mr. Robert Buchanan was appointed a member of the board of examiners which examines candidates for certified public accountants for the term of three years from July 1, 1907.

The contract for furnishing cadet uniforms for the years 1907-8 and 1908-9 reported by the Comptroller, Professor S. W. Shattuck, was confirmed.

MATTERS PRESENTED BY PRESIDENT JAMES.

STREET CAR LINE ACROSS CAMPUS.

1. An opinion from Judge O. A. Harker, Counsel for the University, as to the right of the Urbana and Champaign Railway, Gas and Electric Company to operate a car line over the campus of the University of Illinois, also a copy of a resolution relating to this same matter, passed by the last Legislature.

Ordered to be printed in the minutes of the board.

As to the right of the Urbana and Champaign Railway, Gas and Electric Company to operate its car line over the campus of the University of Illinois.

I can find no record of a specific permission allowing the street railway company to cross the campus at any point. I do find, however, that at a

meeting of the board of trustees held in December, 1883, the Executive Committee reported that Dr. Peabody, Regent, was given authority "to sign on behalf of the University the requisite petitions to secure a street railway in front of the property of this University on Wright street and Green street, the condition of the petition to be such that the track of such railway shall be so constructed as not to disfigure the street and shall be kept in good order with road bed full and level so as to form no obstruction to carriage crossing at any point opposite the University land; and no depot building shall be erected opposite the University buildings without the consent of the board of trustees; the construction and conditions above to be embodied in the ordinance and a guarantee that sufficient cars shall daily run on the proposed line to accomodate the needs of the travel to and from the University."

I can find no record showing that Dr. Peabody ever acted under the authority above mentioned.

Although the record does not show a specific permission to that effect I make no doubt that at some time permission by the board was given to the company to lay its track and operate its road through the campus along Green street. Such permission was granted probably some time during the administration of Dr. Peabody. At all events, it has been repeatedly recognized by the board in official communications to officers of the company and by resolutions indicating the manner in which the permission should be exercised since his time. There is nothing to show, however, that the board ever contemplated permission to operate for any definite period. The view entertained by the board is quite well shown by a resolution passed at its September meeting, 1895, to the effect that the company had no permission to occupy the grounds of the University "except as a tenant at will." Moreover, in the light of the present legislation and the title by which the grounds of the University are held, the board has never had legal authority to make a higher grant than one "by sufferance."

The title to the grounds is held by the board in its corporate capacity for educational purposes. I speak, of course, of the legal title. In an equitable point of view, the State owns the property and has the right to control it in any way consistent with the original grant. The board is without power to divert it from the purposes of the grant. In my opinion, no grant of a right-of-way to a street railway company over the grounds could be made without authority of the State so to do. Furthermore, I am of the opinion that such authority can be granted only by legislative enactment.

With regard to the contention that the action of the board in opening up Green street over the grounds and allowing its free use by the public amounts to a dedication for street purposes, I am of the opinion that no such construction legitimately follows. Nor can lapse of time, with user, be construed to establish, as against the University, a prescriptive right to use the land as a street; for in reality, the State owns the land and through the board of trustees has the right to control it. The authorities uniformly hold that right by prescription cannot be gained by adverse possession against the State. It follows, then, that the city of Urbana has no authority to give to the railway company any right to operate its line on any part of Green street not dedicated to the public before the University acquired the ground.

By virtue of a deed, executed by Drusilla G. Preble on October 6th, 1863, right to operate a road over grounds now occupied by the University was given, and in accordance therewith a track was laid along the route now used by the "Interurban" between the mechanical engineering wood-shops and the metal shops. Over that route a road was operated until sometime in 1891 or 1892, when the company ceased to run cars over it and subsequently removed most of the iron. By virtue of a provision in the Preble deed, to the effect that if the railroad company should at any time cease permanently to use and occupy said road as constructed, or abandon the same, the premises should revert, the company thereby lost its right to the strip and the University became invested with it. An arrangement was subsequently made, however, which allowed the laying of "interurban" tracks, the details of which I have not been able to ascertain.

In obedience to instructions from the Board of Trustees, made some months ago, I drafted a bill, to be introduced in the last General Assembly, giving to educational boards of State institutions the power to grant rights-of-way over grounds controlled by them. The bill was not introduced for the reason that I was assured by members of that body that it could not pass. It was urged that there was a strong disposition on the part of legislators to restrict rather than enlarge the powers of educational boards. I was informed, however, that the same thing could be accomplished by joint resolution of the House and Senate, and at the suggestion of Senator Gardner, although I questioned the legality of the proceedings, I drafted a joint resolution authorizing the board of trustees, under certain restrictions, to grant a right-of-way to the railway company to cross the grounds on a direct line from Daniel street in Champaign to California avenue in Urbana. Copies of the resolution, with a "blue print" showing route of the proposed line, etc., I furnished to Senator Gardner and other members who assured me the resolution would pass. Subsequently, however, without any intimation to me as counsel for the University or anyone else authorized to represent the University in the matter, a resolution was introduced and passed the Senate granting to the railway company a right-of-way from Oregon street in Urbana across the grounds to John street in Champaign. In addition to the objectionable feature that the resolution took out of the board of trustees any authority to grant a right-of-way, as contemplated by the original resolution, the route proposed was very objectionable in that it passed diagonally through the square of ground immediately south of the Library Building and west of University Hall.

A resolution was finally passed, in both bodies of the General Assembly, which granted to the railway company a right-of-way across the campus from California avenue in Urbana to Daniels street in Champaign. The route proposed by this resolution allows a curve upon a radius of one hundred (100) feet at the intersection of California avenue with Mathews avenue in Urbana, and a curve upon a radius of one hundred (100) feet at the intersections of Wright street with Daniels street and of Wright street with John street in Champaign. I call attention to the fact that the resolution does not allow the board of trustees to grant the right-of-way, but purports to make a direct grant from the State. The right of the State by mere resolution of the Legislature to grant right-of-way over ground in which the State holds title is to my mind questionable. I am not prepared to say positively that it has not such right. I feel quite sure, however, in view of the facts by which title to the University grounds was acquired and is now held, that rights-of-way over the campus cannot be legally granted by mere joint resolution of House and Senate. I do not believe that power and control of the board of trustees over its grounds can be taken away in such manner. I may say, however, that a concurrence in the action of the Legislature in passing the resolution by the board's acting under it would doubtless put the railway company in the same position that it would be in provided the State held legal title to the grounds. What I mean is this: *If as a matter of legal authority*, the General Assembly may, by *joint resolution*, grant a right-of-way over lands in which the State holds legal title, then, although the State does not hold legal title to this land, a concurrence by the board of trustees would give the railway company full and complete right to construct and operate its railroad across the campus in accordance with the resolution.

Respectfully submitted,

O. A. HARKER,

Counsel for the University.

JOURNAL OF THE SENATE

[May 11]

HOUSE JOINT RESOLUTION NO. 30.

Resolved, By the House of Representatives, the Senate concurring therein, That permission and authority are hereby granted to the Urbana and Champaign Railway, Gas and Electric Company, for itself, its successors and as-

signs, to enter in, along, upon and across the grounds now occupied by the University of Illinois, for the purpose of constructing a single track railway, the same to be constructed and operated upon a strip of land twenty-five feet wide extending from the east line of the property now occupied by the said University of Illinois to the west line thereof, and being more particularly described as a strip of land twelve and one-half feet on each side of a line within the boundaries of the property now occupied by the said University of Illinois, along a line to be approved by the board of trustees of the University of Illinois connecting with the track or tracks of the said street railway company at the west end of Oregon street, thence along Mathews avenue in the city of Urbana, Illinois, thence across the grounds of said University north of the site of the present Agricultural building, to a point on the west line of the property of said University, and thence on Wright street in the city of Champaign, Illinois, so as to connect with the railway of said railway company at the intersection of John street with Wright street in the city of Champaign, Illinois. Said railroad to be constructed and maintained on a surface grade to be approved by said board of trustees, and wherever necessary to construct a curve or curves in said railway on said University grounds, said curve or curves be on a radius of one hundred feet. Upon the completion of the construction of said railway the land upon each side thereof shall be restored to its original condition as far as practicable without expense to said board of trustees. Said railway may be operated by electricity or any other motive power except steam, and the board of trustees of the University of Illinois shall have power and authority to regulate the speed and operation of cars while in and upon said premises, and the rights and privileges hereby granted shall continue and remain in full force and effect for a period of twenty years from then and after the passage of this resolution; *Provided, however*, that unless the railway hereby authorized shall be completed and in operation within two years from the date of the passage of this resolution, all rights hereby granted shall cease and determine.

Adopted by the House, May 11, 1907.

B. H. McCANN,

Acting Clerk of the House of Representatives.

The foregoing message from the House of Representatives was taken up for consideration and read.

And the question being, "Shall the Senate concur with the House of Representatives in the adoption of the resolution?" it was decided in the affirmative.

TINTING WALLS OF AUDITORIUM.

2. The report of the Committee on Buildings regarding the tinting of the walls of the Auditorium, with recommendation that the contract be granted to English Brothers, in accordance with the proposition herewith submitted:

CHAMPAIGN, ILL., June 20th, 1907.

Dean James M. White:

DEAR SIR—We will furnish all labor and material necessary to complete the tinting of the walls of the Auditorium using a glue, soap and alum size for the sum of eight hundred seventy-five dollars; we will use a hard oil size for thirty-five dollars additional.

We will paint the plaster under balcony one coat size and two coats of white lead and oil in colors to suit owner for the sum of one hundred eighty-five dollars.

Trusting that this will be satisfactory, we are yours truly,

ENGLISH BROS.

Per E. C. E., Jr.

I recommend hard oil size and oil colors under balcony.

JAS. M. WHITE.

Voted that the recommendation of said committee be approved:

APPOINTMENTS AND SALARIES.

3. These recommendations as to appointments and salaries:

1. That the following persons be appointed to the positions indicated; wherever the salary is increased the increase is indicated; or in the case of new appointments the full salary is given.

	Increase.
T. J. Burrill Vice-President of the University	\$1,500
David Kinley Dean of the Graduate School	1,000
Eugene Davenport Dean of the College of Agriculture	
E. J. Townsend Dean of the College of Science	500
O. A. Harker Dean of the College of Law	
E. B. Greene Dean of the College of Literature and Arts	500
W. E. Quine Dean of the College of Medicine	
G. W. Cook Dean of the College of Dentistry	
T. A. Clark Dean of Undergraduates	500
L. P. Breckenridge Director of Engineering Experiment Station ...	500
N. Hay Purchasing Agent	
J. M. White Supervising Architect	500
F. L. Lawrence Director of the School of Music	200

2. That the following be promoted to full professorships:

J. W. Garner Professor of Political Science	1,200
S. S. Colvin Professor of Psychology	500
G. A. Miller Professor of Mathematics	500

3. That the following be promoted to Associate professorships:

J. P. Brooks Associate Professor in Civil Engineering	250
W. S. Bayley Associate Professor in Geology	500
C. S. Crandall Associate Professor of Pomology in the College of Agriculture and Chief in Plant Breeding in the Agricultural Experiment Station	600

4. That the following be promoted to Assistant professorships:

C. W. Alvord Assistant Professor in History	200
J. W. Baird Assistant Professor in Psychology	500
C. W. Malcolm Assistant Professor in Structural Engineering...	200
P. F. Trowbridge Assistant Professor in Chemistry	550
J. H. Pettitt Assistant Professor in Soil Fertility in the Uni- versity and Assistant Chief in Soil Fertility in the Agricultural Experiment Station	400
William Dietrich .. Assistant Professor of Swine Husbandry in the University and Assistant Chief in Swine Hus- bandry in the Agricultural Experiment Station	400
C. E. Lee Assistant Professor in Dairy Manufactures in the University and Assistant Chief in Dairy Manu- facture in the Agricultural Experiment Station	400
Fred H. Rankin ... Superintendent of Agricultural College Exten- sion; rank of Assistant Professor	300

5. That the following be promoted to the rank of Associate:

T. H. Guild Associate in English	\$300
H. S. V. Jones Associate in English	500
Arthur Seymour Associate in Spanish	200
L. G. Parker Associate in Civil Engineering	150

	Increase.
J. M. BryantAssociate in Electrical Engineering	\$300
W. L. Whittemore .Associate in Municipal and Sanitary Engineering	400
Chas. SisamAssociate in Mathematics	100
A. W. PetersAssociate in Zoölogy	200
A. N. HumeAssociate in Crop Production in the University and Assistant Chief in Crop Production in the Agricultural Experiment Station	400
L. D. HallAssociate in Animal Husbandry in the University and Assistant Chief in Animal Husbandry in the Agricultural Experiment Station	200
R. C. ObrechtAssociate in Horse Husbandry in the University and Assistant Chief in Horse Husbandry in the Agricultural Experiment Station	400
C. C. HaydenAssociate in Dairy Husbandry in the University and Assistant in Dairy Husbandry in the Agri- cultural Experiment Station	400
W. C. CoffeyAssociate in Sheep Husbandry in the University and First Assistant in Sheep Husbandry in the Agricultural Experiment Station	600

6. That the following increases in salary, not mentioned in the preceding list, be made in the case of persons ranking as associates or above:

	Increase.
E. J. LakeAssistant Professor of Art and Design; Acting Head of the Department	\$200
M. H. Robinson ..Professor of Industry and Transportation	250
N. A. WestonAssistant Professor of Economics	500
Edward Fulton ...Associate Professor of Rhetoric	200
E. C. BaldwinAssociate Professor of English Literature	200
D. H. Carnahan ...Associate Professor of Romance Languages.....	200
G. H. MeyerAssistant Professor of German Language and Literature	200
G. E. KarstenProfessor of German Language and Literature ..	500
A. H. DanielsProfessor of Philosophy	500
N. C. RickerProfessor of Architecture	500
N. A. WellsProfessor of Architectural Decoration	250
J. W. CaseAssistant Professor of Architectural Design	200
C. R. ClarkAssociate in Architectural Construction	100
Ira O. BakerProfessor of Civil Engineering	500
Morgan Brooks ...Professor of Electrical Engineering	400
F. O. DufourAssistant Professor of Structural Engineering ..	200
G. A. Goodenough . Associate Professor of Mechanical Engineering ..	200
O. A. Leutwiler ...Assistant Professor of Machine Design	200
J. C. ThorpeAssistant Professor of Steam Engineering	100
J. H. GillAssistant Professor of Machine Construction	200
V. T. WilsonAssistant Professor of General Engineering Draw- ing	200
A. N. TalbotProfessor of Municipal and Sanitary Engineering	500
R. H. SlocumAssociate in Municipal and Sanitary Engineering	200
E. I. WengerAssociate in Railway Engineering	200
A. P. CarmanProfessor of Physics	500
C. T. KnippAssistant Professor of Physics	300
F. R. WatsonAssistant Professor of Physics	300
Joel StebbinsAssistant Professor of Astronomy	300
C. F. HottesAssistant Professor of Botany	300
A. T. LincolnAssistant Professor of Chemistry	100
S. W. ParrProfessor of Applied Chemistry	500
C. W. HaskinsAssistant Professor of Mathematics	300
H. L. RietzAssistant Professor of Mathematics and Statisti- cian in Agricultural Experiment Station	300
C. W. RolfeProfessor of Geology	500

	Increase
T. E. SavageAssistant Professor of Geology, Second Semester, -entire salary	\$750
George T. Kemp ...Professor of Physiology	200
Frank SmithAssociate Professor of Zoölogy	200
J. W. FolsomAssociate in Entomology	100
L. H. SmithAssistant Professor of Plant Breeding in the Un- iversity and Assistant Chief in Plant Breeding in Agricultural Experiment Station	600
H. W. Mumford ...Professor of Animal Husbandry and Chief in Animal Husbandry in the Agricultural Experi- ment Station	500
J. C. BlairProfessor in Pomology and Chief in Horticulture in Agricultural Experiment Station	500
J. W. LloydAssistant Professor in Olericulture in University and Assistant Chief in Olericulture in Agricul- tural Experiment Station	600
Isabel BevierProfessor of Household Science	400
Susannah Usher ...Assistant Professor of Household Science	200
H. S. Grindley ...Professor of Animal Chemistry in the University and Chief in Animal Chemistry in Agricultural Experiment Station	500
Frederick Green ..Professor of Law	500
G. L. ClarkProfessor of Law	300
E. J. Northrup ...Associate Professor of Law	100
Edward Bartow ...Professor of Sanitary Chemistry and Director of State Water Survey	500
H. A. Hollister ...High School Visitor, Assistant Professor	200
W. L. Pillsbury ...Secretary and Registrar, from July 1, 1907	500

7. That the following be appointed instructors and assistants for ten or twelve months as indicated, at the salaries indicated.

	Mos.	Salary
E. V. Lawrence ...Instructor in Art and Design	10	\$1,000
Mary M. Wetmore ..Instructor in Art and Design	10	1,000
Isabel JonesInstructor in Art and Design	10	900
E. L. NortonInstructor in Education	10	1,200
A. L. EnoInstructor in Rhetoric	10	850
Martha J. KyleInstructor in Rhetoric	10	1,000
P. H. HoustonInstructor in English	10	900
M. C. BatesInstructor in Rhetoric and English	10	900
Mary E. Fawcett ...Assistant in Rhetoric	10	350
Carl Van Doren ...Assistant in Rhetoric	10	350
L. F. SearsInstructor in Rhetoric	10	1,000
Florence N. Jones ..Instructor in Romanic Languages	10	1,000
Daisy L. Blaisdell ..Instructor in German	10	1,000
C. G. DavisInstructor in German	10	1,000
J. A. ChilesInstructor in German	10	950
Josef WiehrInstructor in German	10	1,000
C. H. HilmerAssistant in German, half time	10	600
R. B. SlippyInstructor in Civil Engineering	10	1,200
C. C. WileyInstructor in Civil Engineering	10	1,100
F. G. WilsonInstructor in Electrical Engineering	10	1,250
D. L. ScrogginInstructor in Machine Shop	10	1,100
L. W. GobenAssistant in Machine Shop	10	950
Frederick Ellis ...Instructor in the Wood Shop	10	1,100
James DuncanAssistant in the Wood Shop	10	800
Shields CasperInstructor in the Foundry	10	800
E. T. LanhamInstructor in the Forge Shop	10	950
Alfred R. BenchInstructor in Mechanical Engineering	10	1,000
W. V. DunkinInstructor in Machine Design	10	1,200
C. M. GarlandInstructor in Mechanical Engineering	10	1,100
H. F. GodekeInstructor in Mechanical Engineering Labor- atory	10	1,000

		Mos.	Salary
A. A. Stanley	Mechanician	12	\$1,200
H. B. Dirks	Instructor in Mechanical Engineering	10	1,200
D. A. Abrams	Assistant, Engineering Experiment Station	12	1,320
Ward R. Robinson	First Assistant in Department of Theoretical and Applied Mechanics; Engineering Experiment Station	12	1,200
T. A. Amrine	First Assistant in the Department of Electrical Engineering; Engineering Experiment Station	12	1,080
Roy W. Rutt	Secretary and Assistant to the Director of the Engineering Experiment Station	12	1,600
T. B. Ford	First Assistant in Applied Chemistry; Engineering Experiment Station	12	1,080
A. B. Cooke	Assistant in the Department of Mechanical Engineering; Experiment Station	12	840
R. B. Otis	Instructor in General Engineering Drawing	10	1,000
C. L. McMaster	Instructor in General Engineering Drawing	10	1,000
C. B. Gibbons	Assistant in General Engineering Drawing, half time	10	350
C. R. Dick	Instructor in General Engineering Drawing	10	700
T. R. Agg	Instructor in Theoretical and Applied Mechanics	10	1,100
H. W. Gray	Instructor in Applied Mechanics	10	1,100
H. E. Murdock	Instructor in Theoretical and Applied Mechanics	10	1,000
D. O. Barto	Instructor in Secondary School Agriculture	10	1,500
E. T. Strong	Mechanician	12	900
E. H. Williams	Instructor in Physics	10	900
H. Weeks	Tool room Attendant	12	360
W. M. Stemple	Instructor in Physics	10	800
C. A. Hellman	Assistant in Physics	10	700
W. W. Stiffler	Assistant in Physics	10	700
C. F. Briscoe	Instructor in Botany	12	1,000
Ruby T. DeMotte	Assistant in Botany	10	750
H. A. Gleason	Instructor in Botany	10	1,200
Adam Hummell	Assistant in Botany, half time	10	400
S. C. Clark	Instructor in Chemistry	10	800
G. T. Davis	Assistant in Chemistry	10	700
W. M. Dehn	Instructor in Chemistry	10	1,000
Alice V. Flather	Assistant in Chemistry	10	600
E. O. Heuse	Assistant in Chemistry	10	600
W. A. Redenbaugh	Instructor in Chemistry	10	1,200
G. M. Smith	Instructor in Chemistry	10	1,100
H. A. Mattill	Assistant in Chemistry	10	650
M. T. Lindsey	Store Keeper Chemical Laboratory	10	400
Joseph E. Dunipace	Assistant in Chemistry	10	600
T. R. Ernest	Assistant in Chemistry	10	400
L. I. Neikirk	Instructor in Mathematics	10	1,100
E. W. Ponzer	Instructor in Mathematics	10	1,100
C. W. Emmons	Assistant in Mathematics	10	750
Marion B. White	Instructor in Mathematics	10	1,000
Arthur R. Crathorne	Instructor in Mathematics	10	1,200
R. M. Matthews	Assistant in Mathematics	10	500
H. P. Kean	Assistant in Mathematics	10	500
P. F. Edinger	Assistant in Geology	10	900
C. F. Knirk	Student Assistant in Geology	10	350
A. J. Ellis	Student Assistant in Geology at 35c per hour not to exceed		200
W. A. Clark	Instructor in Physiology	10	1,200
O. O. Stanley	Instructor in Physiology, half time	10	700
F. W. Carpenter	Instructor in Zoölogy	10	1,200

		Mos.	Salary
F. R. Crane	Instructor in Farm Mechanics	10	\$1,500
Clifford Willis	Instructor in Soil Physics in the University and First Assistant in Agricultural Experiment Station	12	1,500
J. E. Readhimer	Superintendent Soil Experiment Fields in the Agricultural Experiment Station	12	1,500
O. D. Center	Instructor in Crop Production in the University and First Assistant in Crop Production in the Agricultural Experiment Station	12	1,400
Andrew Ystgard	First Assistant in Chemistry in Agricultural Experiment Station	12	1,200
W. G. Eckhardt	Assistant in Soil Fertility in the University and Assistant in Soil Fertility in the Agricultural Experiment Station	12	1,000
A. F. Kidder	Assistant in Soil Physics	12	1,000
A. N. Gregory	Assistant in Agricultural Chemistry	12	840
L. Hegnauer	Assistant in Crops in University and Assistant in the Agricultural Experiment Station	12	1,200
E. K. Nelson	Assistant in Chemistry in the Agricultural Experiment Station	12	1,200
Ernest VanAlstine	Assistant in Chemistry in the Agricultural Experiment Station	12	720
C. H. Myers	Assistant in Chemistry in the Agricultural Experiment Station	12	720
H. O. Allison	Instructor in Animal Husbandry in the University and Assistant in Animal Husbandry in the Agricultural Experiment Station	12	1,200
J. M. Barnhardt	Assistant Chemist in Dairy Husbandry in the Agricultural Experiment Station	12	1,000
A. C. Beal	Instructor in Floriculture in the University and First Assistant in Floriculture in the Agricultural Experiment Station	12	1,800
R. B. Howe	Assistant in Pomology in the Agricultural Experiment Station	12	1,200
B. S. Pickett	Instructor in Pomology in the University and First Assistant in Pomology in the Agricultural Experiment Station	12	1,400
Charlotte Gibbs	Instructor in Textiles	10	800
Jessie E. Morrow	Assistant in Household Science	10	500
Ruth Wardall	Instructor in Household Science	10	1,200
J. T. Barrett	Assistant in Botany in the Agricultural Experiment Station	12	1,200
Fanny R. Jackson	Periodical Assistant and Instructor in Public Documents in the Library	12	900
Bertha M. Royce	Instructor in Library Economy	10	800
Helen V. Calhoun	Order Assistant in Library	12	720
Anna D. Swezey	Binding Assistant in the Library	12	780
Emma R. Jutton	Loan Desk Librarian	12	900
Josie B. Houchens	Loan Desk Assistant	12	720
Sabra L. Nason	General Assistant in Library	12	720
P. S. Goulding	Catalogue Librarian	12	1,200
Stella Bennett	Catalogue Assistant in the Library	12	720
Lois A. Reed	Catalogue Assistant in the Library	12	720
Frances Feind	Loan Desk Assistant	10	600
H. J. Van den Berg	Instructor in Piano	10	1,700
Constance B. Smith	Instructor in Sight Singing and Ear Training and in charge of Public School Music	10	1,100
May E. Breneman	Instructor in Vocal Music	10	900
Bertha I. Howe	Instructor in Music	10	900
Winifred Forbes	Instructor in Violin and Theory	10	850
Mae I. Norris	Instructor in Piano	10	850

	Mos.	Salary
A. A. HardingDirector of Band and Instructor in Band Instruments	10	\$500

9. That the following additional appointments be made:		
E. Atkinson	Superintendent of Grounds	12 \$1,300
O. L. Gearhart	Photographer	12 1,000
J. A. Morrow	Superintendent of Buildings	12 1,800
10- That the following positions be authorized and the President requested to make nominations for the same:		
.....	Professor of Education and Director School of Education	12 3,000
.....	Professor of Education (new)	12 2,500
.....	Professor of Secondary Education (new)	12 2,500
.....	Professor of Sociology (new)	12 2,500
.....	Professor of General Economics (new)	12 3,000
.....	Professor of Accountancy (new)	12 3,000
.....	Courses in Journalism (new)	12 1,200
.....	Instructor or Assistant Professor in Insurance and Statistics (new)	12 2,000
.....	Assistant Professor in the Department of Mechanical Engineering; Engineering Experiment Station	12 1,800
.....	Professor in Classics	12 3,000
.....	Professor in Classics	12 2,500
.....	Associate or Assistant Professor in Physics (new)	12 1,500
.....	Assistant Professor in Electrical Engineering	12 1,700
.....	Professor of General Chemistry	12 2,500
.....	Assistant Professor of Music	12 1,700
.....	Private Secretary to the President	12 2,000
.....	A Dean of Women	12 1,500
.....	Associate in Classics	12 1,500
.....	Associate in History (new)	12 1,300
.....	Associate in Theoretical and Applied Mechanics	12 1,400
.....	Associate in Chemistry	12 1,200
.....	Instructor in Economics	10 1,000
.....	Instructor in English (new)	10 1,000
.....	Assistant Professor in Romanic Languages	12 2,000
.....	Instructor in German	10 1,000
.....	Instructor in Philosophy (new)	10 1,500
.....	Instructor in Political Science (new)	10 1,000
.....	Instructor in Architecture (new)	10 1,000
.....	Instructor in Architecture	10 1,200

		\$218,500 00

Voted to refer the proposed increase of salary for Professor Fraser and also the one for Professor Mosier to the Committee on Agriculture, and that the rest of the salaries submitted be approved.

Voted further that the budget as submitted by the Executive Faculty of the Medical School and approved by the Medical Committee of the board be approved.

Voted further that the budget of the School of Pharmacy be referred to the Committee on the School of Pharmacy for further report. Voted also that the balances due the instructors of the school on salaries of 1906-7 be paid.

Voted that the list of departmental appropriations be made in accordance with the recommendations submitted.

On motion of Mrs. Busey it was voted that appointments to the corps of instruction for the ensuing year be made so far as practicable at the March meeting.

FLORICULTURE.

4. A communication from the Director of the Agricultural Experiment Station as to the action of the Florist's Advisory Committee concerning the expenditure of the appropriation made for floriculture at the last Legislature.

URBANA, ILL., June 29, 1907.

President E. J. James, University of Illinois:

DEAR MR. PRESIDENT—I beg to advise you that the Florist's Advisory Committee has had a meeting under the new law providing for investigations in floriculture and gardening under glass. It was agreed in conference with this committee to make the following recommendations:

1. That studies be made of the actual conditions in commercial greenhouses, particularly concerning the enemy known as thrips, and to some extent other greenhouse pests.

2. That \$3,000.00 of the first year's appropriation be set aside as a building fund for the erection of a portion of a commercial greenhouse plant, to be used for experimental purposes.

The approval of these recommendations by the board of trustees is necessary before the work can be undertaken, and I would be glad if you will bring the matter to the attention of this body at its coming meeting.

I may say that a resolution was presented asking the trustees to appropriate \$5,000.00 for the erection of greenhouses for experiments under this law. I informed the members of the committee that I could not join them in such a request, and that if they desired to take such action it would have to be taken as an independent action. You may hear from them at a later date. I, of course, informed them that the University expected each line of work to provide for its own expenses, and I felt that such a request was against University custom and policy.

Respectfully yours,

E. DAVENPORT, *Director.*

Voted that the recommendation of the committee be approved.

The request for an appropriation of five thousand dollars from the general fund for the erection of a greenhouse was denied.

STATE LABORATORY OF NATURAL HISTORY.

5. Report of the Director of the State Laboratory of Natural History.

Voted that it be printed in the minutes.

June 25, 1907.

To the Board of Trustees of the University of Illinois:

The most important present operation of the State Laboratory of Natural History is the accumulation of statistical data for an enumeration and analysis of the bird life of Illinois, reference to which was made in my last report. Two observers beginning August 28, 1906, had traveled on foot 1,139 miles up to May 29th of the present year, collecting exact information as to the bird population of 22,374 acres in Illinois, distributed in all parts of the State from the extreme northern boundary to the southern extremity, and from the Indiana line to the Mississippi River.

The entire number of birds identified for this area is 22,824—an average distribution of 721 birds per square mile, or $1\frac{1}{8}$ per acre. The lowest average thus far found was 266 per square mile for central Illinois in December; and the highest average was for extreme southern Illinois during the period of the fall migrations in the early days of November, when 3,271 per square mile were found in the country between Cairo and Anna.

The product of one of the early trips of these observers, covering a distance of 191 miles between the Indiana line beyond Danville and the Mississippi river at Quincy, has been thoroughly worked up and published by me as an article in the Bulletin of the Illinois State Laboratory of Natural History under the title "An Ornithological Cross-Section of Illinois in Autumn."

A mathematical assistant is engaged in making the necessary computations from the field data of these observers, putting the subject into form for further study and report. The two observers referred to, Mr. A. O. Gross and Mr. H. A. Ray, are under engagement until September 1st.

Studies on the entomology of the State, made with reference to the Natural History Survey, are so interwoven with the work of the State Entomologist's office that it is difficult to give a separate account of them. No opportunity is missed by the economic assistants to add to the knowledge of our entomological species or to their distribution and life histories, whether these are of economic significance or not, provided that such general observation may be made without serious interference with economic investigation. The work of Mr. Hart and one or two assistants during the last year has been mainly in the line of faunal entomology, and he has now nearly finished, with the aid of an undergraduate student, a complete list of the orthopterous insects of the State.

Another assistant, Mr. F. E. Wood, is studying the mammals of Illinois with the view to the preparation of a bulletin containing an account of all our species. He has studied this spring an extraordinary and serious injury to corn in Morgan county, due to the work of moles.

The distribution of insects to Illinois high schools was continued during the past winter, each of fifty-eight sets being accompanied by an illustrated descriptive pamphlet, and much material has been accumulated for the preparation of sets of economic species of Illinois insects for all the high schools on our list.

Work on the State fish report has been considerably delayed by an unusually strenuous legislative campaign and by the necessity of finding additional assistants and organizing new work in consequence of enlarging appropriations made to the entomologist's office.

The State Laboratory of Natural History receives, during the coming two years from the Legislature, appropriations identical with those made at the preceding session. A request for an addition to our printing fund sufficient to enable me to issue a second volume on the plankton work of the Biological Station and to print also the report on the fishes of the State was not granted by the Appropriations committees, and I shall consequently be

obliged to make other provisions for this printing. I see no better way than to ask the University to join me in this matter, the State Laboratory returning an equivalent to the University in the form of teaching and part payment of salaries for two instructors—a proposition which I have presented in full in a separate communication to President James.

Respectfully submitted,

S. A. FORBES,

Director of Laboratory.

FEES IN GRADUATE SCHOOL.

6. Request of the faculty of the Graduate School that assistants and instructors employed in the University and registered in the Graduate School should be permitted to take work without the payment of incidental fees, when it is of a grade to count for a higher degree.

Voted that said request be granted.

7. Request of the Tennis Association that the University take care of the tennis courts at its own expense.

Voted that the president be authorized to have the requisite attention given to these courts.

8. A communication from Professor Edwin G. Dexter resigning his position as Professor of Education in the University.

URBANA, ILL., July 3, 1907.

To the Board of Trustees of the University of Illinois:

I hereby tender my resignation as Professor of Education and Director of the School of Education in the University of Illinois, to take effect September 1, 1907. It is not without many regrets that I take this action, the seven years of my association with the University having been uniformly marked by fair and courteous treatment on your part and that of the other officers of the University with whom I have been associated. President Roosevelt has, however, offered me the Commissionership of Education in Porto Rico and it is to make possible the acceptance of that position that I am tendering my resignation.

With best wishes for the future of your great University and making bold to express the hope that the particular interests which I am laying down be more fully emphasized under my successor than they have ever been under me, I am

Yours very truly,

EDWIN G. DEXTER.

Voted that indefinite leave of absence without pay be granted to Professor Dexter to act for the federal government as United States Commissioner of Education in Porto Rico.

9. A request from the Director of the Agricultural Experimental Station for an appropriation of \$5,500.00 or so much thereof as may be necessary to erect a house and barn for an attendant on the south farm in connection with the dairy investigations, to be charged to the special appropriation for dairy investigations.

Voted to approve such recommendation.

FUNDS ASSIGNED.

10. A recommendation that the funds granted by the Legislature for the biennium 1907-09 be assigned to the various purposes indicated in the law, subject to the usual appropriation acts by the Board of Trustees of the University.

Voted that such recommendation be approved.

ASSIGNING SPECIAL ENGINEERING FUNDS.

11. A plan for assigning and appropriating the special funds granted for the enlargement and improvement of the Engineering College and equipment of the Engineering Experiment Station.

Appropriations 1907-1909.

For maintenance and extension of College of Engineering and equipment of the Engineering Experiment Station \$75,000.00 per annum.

ITEMS.	Two years	Amount.
1 Reserved for future assignment.....		\$25,000 00
2 Research fellowship.....		8,000 00
3 Expenses Engineering Experiment Station—		
a Salaries and labor.....	\$44,000 00	
b Special equipment and materials.....	4,000 00	
c Bulletins and printing.....	7,000 00	
d General and office expenses.....	4,000 00	59,000 00
4 Departmental Expense, maintenance, and extension. 70% (\$40,600 00) to be available 1907-08—

h Theoretical and applied mechanics.....	9,000 00	
i College in general and general engineering drawing.....	2,000 00	58,000 00
		\$150,000 00

Voted that such assignment and appropriation be approved.

12. A recommendation that the sum of five hundred dollars be paid to Judge O. A. Harker for his services as counsel for the University up to September 1, 1907, and the same amount for the year ending August 31, 1908.

Voted to approve said recommendation.

RECESS.

During the consideration of matters proposed by President James a recess was taken until 2:00 o'clock. When the board met after the recess the same members were present as at the morning session except Mr. Madden.

Professor Goss was given leave of absence until November 1, 1907, on full pay.

RAILWAY ACROSS THE CAMPUS.

It was voted that the route for crossing the south campus proposed by the joint resolution passed by the General Assembly was not satisfactory, and the special committee to which the matter was referred (see minutes June 10, 1907) was directed to confer with Mr. McKinley with regard to its modification, and with regard to other matters which should be settled at the same time that the permit to cross is granted.

It was ordered that the plat which had been prepared showing the property lines of the University and street lines for a portion of the campus should be printed in the minutes.

AUDITORIUM.

It was voted to accept the bid of English Bros. to complete the tinting of the walls of the Auditorium, using hard oil size for \$910.00, and to paint the plaster under the balcony one coat of size and two coats of white lead in colors to suit for \$185.00.

The Committee on Building and Grounds was given authority to extend the tunnel to the building, and to contract for wiring for lights and for drainage.

President Abbott, President James, and the Supervising Architect, Mr. White, were given authority to get chairs for the Auditorium at a cost not exceeding \$2.20 a chair.

ADVISORY COMMITTEES.

On motion of Mr. Lehman, the secretary was directed to inquire of the Attorney General as to how far the power of the board of trustees is affected by the provisos in the act making appropriations for the College of Agriculture and the Agricultural Experiment Station appointing advisory committees.

APPROPRIATIONS FOR STATE ENTOMOLOGIST'S OFFICE.

A communication from Professor Forbes making certain requests with regard to the State appropriation for the State Entomologist's office, was held for further information with regard to the appropriation.

COMMERCIAL GREENHOUSES.

The question of site for commercial greenhouses was referred to the Committee on Buildings and Grounds for investigation and report to the board.

REPAIRS.

The making of necessary repairs to University buildings was referred to the Committee on Buildings and Grounds with power to act.

ELEVATOR IN UNIVERSITY HALL.

The Committee on Buildings and Grounds, to which had been referred the question of an elevator in University Hall, was given power to act as it might deem best in the premises.

DEAN OF WOMEN.

After discussions as to whether it were better to appoint an Advisor of Women for the ensuing year or to appoint now a Dean of Women, it was decided that a Dean of Women should be appointed, and the President was given authority to appoint Dr. Lily E. Kollock at a salary not to exceed \$2,000.00.

STUDENT'S FEES.

The secretary presented his report of fees due from students as follows:

1. Of fees for the year 1906-7 of students of the College of Medicine.
2. Of fees for the year 1906-7 of students of the College of Dentistry.
3. Of fees for the year 1906-7 of students of the School of Pharmacy.
4. Of fees for the second semester for the year 1906-7 of University students at Urbana.
5. Of fees for the second semester for the year 1906-7 of Academy students.

These were referred to the Finance Committee.

COAL, 1907-8.

The Committee on Buildings and Grounds was directed to advertise for bids for proposals for coal for the year beginning September 1, 1907, and for hauling the same, and was authorized to contract for coal and hauling if satisfactory bids were received.

The board adjourned to meet at the University at 2:00 p. m. Friday, July 12, 1907.

Adjourned Session.

JULY 12, 1907.

When the board met pursuant to adjournment, there were present Governor Deneen and Messrs. Abbott, Blair, Davison, Hatch, McLean, and Mrs. Evans, and Mrs. Busey. President James was present.

STREET RAILWAY ACROSS SOUTH CAMPUS.

The secretary was directed to ask the Attorney General as to the legal effect of the joint resolution of the Forty-fifth General Assembly purporting to give the Urbana and Champaign Railway, Gas and Electric Company authority to cross the grounds of the University of Illinois. The following resolution was adopted:

Resolved, That the proposition of the Street Railway Company with regard to crossing the University campus as presented to the board by President McKinley is unsatisfactory.

Upon the nomination of President James, Mr. Ellery B. Paine was appointed Assistant Professor of Electrical Engineering at a salary of \$2,000.00 a year from September 1, 1907.

SELECTION OF ARCHITECT FOR NEW BUILDINGS.

The board considered in committee of the whole the question of the selection of an architect. Mr. Abbot was chairman of the committee and Mr. Pillsbury secretary.

The committee rose and reported that it was advisable that there be a consultation with regard to the matter between the President of the

University, the President of the Board and the State Architect, Mr. Zimmerman, and also that the Attorney General be inquired of with regard to the possibility of the University employing an architect independent of the State Architect.

The report of the committee was approved.

SITE OF NATURAL HISTORY BUILDING.

It was decided that the site of the new Natural History Building should be directly south of the present Natural History Building, and that it might take such form as should be determined later.

SITE OF PHYSICS LABORATORY.

There was some discussion of the site of the Physics Laboratory but the board did not arrive at a decision.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of July 20, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at 139 Adams street, Chicago, July 20, 1907, pursuant to the following notice which was sent out by the secretary July 15, 1907:

Upon the call of the president, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at 2:00 o'clock p. m., Saturday July 20th, at 139 Adams street, Chicago—The Edison Building—to consider committee reports and other business duly presented.

When the board met pursuant to this call, the following members were present: Messrs. Abbott, Davison, Hatch, Lehman, McLean and Mrs. Evans; absent, Governor Deneen and Messrs. Blair and Madden, and Mrs. Alexander and Mrs. Busey. President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. The board of trustees created at its last meeting a professorship of Sociology in the University at a salary of \$2,500.00 a year.

I desire to nominate Dr. Edward C. Hayes of Miami University, Oxford, Ohio, to this position, work and salary to begin September 1, 1907. Dr. Hayes is a bachelor of Bates College, and a doctor of the University of Chicago; has been for six years past professor in Miami University, Oxford. He is highly recommended by his associates and seems unusually well qualified for the proposed work.

Voted that Edward C. Hayes be elected professor of Sociology in the University of Illinois at a salary of \$2,500 a year, work and salary to begin September 1, 1907.

2. I nominate to the position of associate in History, created at the last meeting of the board of trustees, Dr. Louis J. Paetow, of Milwaukee, Wis., at a salary of \$1,300.00 a year. Dr. Paetow is twenty-seven years of age and a native of Wisconsin. He received his bachelor's and master's degree at the University of Wisconsin in 1902 and 1903 respectively, his doctorate at the University of Pennsylvania in 1906. He held a fellowship in the University of Pennsylvania during the years 1904-06; has also traveled and studied abroad, chiefly at Paris.

Voted that Dr. Paetow be appointed to said position.

3. I recommend that Mr. R. V. Engstrom be appointed associate in Theoretical and Applied Mechanics at a salary of \$1,400.00 a year, to take the place made vacant by the resignation of L. E. Moore, who goes to the Massachusetts Institute of Technology as assistant professor of civil en-

gineering, work and salary to begin September 1, 1907. Mr Engstrom is a graduate of the University of Illinois and was instructor in Theoretical and Applied Mechanics in the University in 1904-05; in 1905-06 Mr. Engstrom held a position in the structural materials testing laboratory of the United States Geological Survey, and since May 1906 he has been with the Brayton Engineering Company of St. Paul on design and construction.

Voted that said nomination be approved.

SCHOOL OF PHARMACY.

4. I present the following recommendations for appointments in the School of Pharmacy, these recommendations having been considered by the committee of the School of Pharmacy and approved by it. The appointments and the salaries are made conditional upon the persons concerned being willing to extend their services over an additional period necessary to inaugurate and carry on the course for the degree of pharmaceutical chemist which it is recommended shall be established.

List of appointments for the academic year 1907-08:

F. M. Goodman	\$1,200
C. S. N. Hallberg	1,800
W. A. Puckner	1,800
W. B. Day	2,000
Assistant	500
Assistant	500
Assistant	500
H. H. Rogers	120
P. Messeck, janitor	780
Hattie Erickson, stenographer	540
Engineer	600
Total	\$10,340

The faculty of the school recommends the establishment of an additional course in the School of Pharmacy for the degree of pharmaceutical chemist:

Aim—To offer a course of higher grade for such students of pharmacy as desire a more extended preparation than is afforded by the course now offered for the degree of Graduate in Pharmacy. Especially for those who intend to afterward engage in pharmaceutical industries where a more thorough knowledge of pharmaceutical chemistry is desirable.

Scope—To cover all of the work now included in the Ph. G. course with a large amount of laboratory practice added, and some additional courses, viz: Food and sanitary analysis, commercial microscopy, bacteriology, etc.

Admission Requirements—Graduation from an accredited high school or institution of equal standing; attainment of 17 years of age.

Length of Course—Two school years of 36 weeks each, beginning about September 24th and closing about June 3rd.

Hours—The attendance of the student is required on five days each week, the amount of instruction comprising about 32 hours weekly. (This compares favorably with the Ph. G. courses offered by the Northwestern University and the University of Michigan.)

Requirements for Graduation—The successful completion of the course as outlined above. No drug store experience to be required.

Degree—Pharmaceutical chemist, Ph. C.

Fees—Matriculation fee \$5.00, tuition \$125.00, laboratory deposit \$15.00.

The above course will add considerably to the class-work of the members of the faculty. It is planned to have both Ph. G. and Ph. C. students attend the same lectures during the 28 weeks of the Ph. G. course, but the laboratory work would be given separately. The class hours of Professor Goodman and Dr. Rogers would not be changed or increased, but Professor Puckner and Mr. Clark would have their class hours doubled, while Professor Hallberg, Mr. Snow, Mr. Gathercoal and Mr. Day would have at least 50 per cent more hours of class instruction next session, if the proposed course is given.

Besides the additional salaries there will be the expense of equipment of a special chemical laboratory, for which we have a suitable room. I estimate this as follows:

Fitting up desks for 20 students with gas, water, sink, and cupboards for apparatus, etc.	\$400
Special apparatus, reference books, etc., for this laboratory	500
Supplies of drugs and chemicals	100
Advertising the course by special circular or announcement	150
Total	\$1,150

This expense would be in addition to the itemized estimate of expenditures already furnished for next year based on the present course.

Revenues from this Course—It is difficult to say what success might be expected the first year in enrolling students for such a course. Probably not more than ten students could be enlisted for the first term, which would bring in a revenue of about \$1,400.00. Undoubtedly the new course would be of assistance in improving the shorter course as well. The higher course when fully established, would be an excellent means of strengthening the school in all departments.

The appointments were made as recommended.

The course in pharmaceutical chemistry was approved as proposed, and also the expenditure of \$1,150.00 for fittings.

It is further voted that of the State appropriation for the School of Pharmacy \$3,000.00 should be returned to the general University fund to reimburse the fund for the amount previously contributed from the fund toward the expenses of the School of Pharmacy.

Mr. George W. Gere's bill of \$20.00 for examination of the title to the forty acres of land purchased of W. I. Saffel and L. E. Ford was approved.

The matter of appropriations for the State Entomologist was referred to the president of the board with power to act.

The Committee on Buildings and Grounds made the following report which was adopted.

CHICAGO, ILL., July 20, 1907.

To the Board of Trustees of the University of Illinois:

GENTLEMEN—The Committee on Buildings and Grounds begs to report as follows concerning various matters which were referred to it:

ELEVATOR IN UNIVERSITY HALL.

The committee has considered the advisability of the installation of an elevator in University Hall for the use of the women students, and finds that about two-thirds of the traffic which such an elevator would carry would be between the main floor and the floor next above, and that the remaining one-third of the traffic would be to the floor next above that. The committee also finds that the cost of maintenance, operation, depreciation, etc., would amount to about \$2,000.00 a year.

In view of these facts the committee recommends that the elevator be not installed at this time.

FEES FOR SUPERVISING ARCHITECT.

The following letter from Professor James M. White was referred to the committee:

URBANA, ILL., July 3, 1907.

President Edmund J. James, University of Illinois:

MY DEAR SIR—I enclose section 9 of the law pertaining to the licensing of architects in the State of Illinois.

I wish to recommend that, in case the supervising architect of the University of Illinois be asked to prepare working drawings for structures which under this law must be designed by a licensed architect, the University shall meet all expenses of preparing such plans, and shall in addition pay to the supervising architect one per cent on the cost of the building in addition to his regular salary. This should apply only in cases where said supervising architect prepares the complete plans and specifications necessary for the awarding of contracts for new buildings.

I do not think it is desirable for the supervising architect to do much of this work; but my past experience shows that there will be instances when it may be advisable to have the plans for minor buildings prepared in this way. I think it very desirable that there should be an understanding in advance with regard to the compensation for such services.

Yours truly,

JAMES M. WHITE,

Dean of the College of Engineering.

The committee recommends that when the supervising architect is required to prepare plans and specifications for a building which is to cost more than \$10,000.00 he be allowed a fee of one per cent on the cost of the building, in addition to his regular salary as supervising architect.

REPAIRS AND NEW CONSTRUCTION.

The committee has authorized repair work amounting to \$16,500.00 as follows:

Repairs to buildings	\$10,000
Repairs to electrical equipment, heating apparatus, and pumping station ..	6,500
Also the following described new work for the Auditorium:—	
Lighting fixtures, tunnel for and including steam main and lighting cables	10,000
Sewerage extension	3,500
Total	\$30,000

FENCE FOR THE FORESTRY LOT AND FOR THE HORTICULTURE LOT.

About two years ago an appropriation of \$2,500.00 was made for this purpose. The Agricultural department finds this amount not adequate for the style of fence which it desires to erect. The committee, therefore, recommends that the appropriation for this purpose be increased to \$4,000.00.

SITE FOR A HOUSE AND BARN FOR DAIRY EXPERIMENTAL PURPOSES.

The committee has approved a site southeast of the cemetery and near the old rifle range.

SITE FOR FLORICULTURAL GREENHOUSE.

The committee recommends a site south of the farm buildings, to be agreed upon between the Dean of the College of Agriculture and the President of the University.

Respectfully submitted,

COMMITTEE ON BUILDINGS AND GROUNDS.

W. L. ABBOTT, *Chairman.*

DEED TO LAND IN SOUTHERN ILLINOIS.

Mr. Hatch returned the deed to a tract of land which had been purchased in southern Illinois with the recommendation that the deed be recorded, that Mrs. Kate Carter, of whom the land had been purchased, be paid \$5, and that the back taxes be paid, these expenditures to be charged to the special funds for the department of Agronomy of the College of Agriculture.

STREET RAILWAY ACROSS THE SOUTHERN CAMPUS.

The special committee, to which was referred the matter of the street railway company crossing the south campus, made the following report:

CHICAGO, ILL., July 20, 1907.

To the Board of Trustees of the University of Illinois, Urbana, Illinois:

GENTLEMEN—Your committee appointed to confer with the representative of the Urbana and Champaign Railway, Gas and Electric Company, regarding the request of that company for permission to cross the University south campus, had a conference July 13th, with George A. Mattis, assistant treasurer of that company.

The committee agreed with Mr. Mattis to recommend to the board the following described route which Mr. Mattis agreed to accept:

Starting from Oregon street the car track will curve to the north on Mathews avenue and run north in the west parkway of Mathews avenue next to the curb to a point east of the north end of the Agricultural Building, from which point the line will turn west with a curve of 100-foot radius and run directly across the campus on the line of the center of Daniel street, produced, to a point 73 feet east of the east curb line of Wright street. From this point it will turn north on Wright street with a curve of 75-foot radius and run in the paved portion of Wright street next to the curb to a point east of the Y. M. C. A. House, from which point it will turn west in John street with a curve of 65-foot radius.

The granting of this right of way to be contingent on the part of the University upon the agreement of the railway company to remove their tracks from Green street as soon as the crossing on the south campus is completed. The acceptance of this route on the part of the railway company is contingent upon their being able to secure the frontage consent of the property owners on Wright street to their petition for permission to lay their track in that street.

Since the conference above referred to, an opinion has been received from the Attorney General regarding the validity of the resolution adopted by the Legislature granting permission to the Urbana & Champaign Railway to cross our campus. The last paragraph of the Attorney General's opinion reads as follows

"I am of the opinion, therefore, that said joint resolution is without operative force to confer any irrevocable rights upon the City Railway Company and is not binding upon the Board of Trustees of the University of Illinois."

While the resolution above referred to is not therefore binding upon this board, your committee, recommends that, for the good of the University, and as a matter of public policy, the tentative agreement entered into between your committee and the representatives of the Railway Company be confirmed by the board.

Respectfully submitted,

E. L. JAMES,
W. L. ABBOTT.

The board adopted the following resolution with regard to the report:

Resolved That the report of the committee in conference with the street railway company meets with the general approval of the board subject to the reduction of the curve on entering the campus from the east to 75-foot radius and that the center of the track adjoining Mathews avenue on the west be not more than five feet from the curb line, and that the said committee have full power to complete an agreement in all details.

The secretary presented an opinion of the Attorney General given in response to the request of the board.

W. H. STEAD,
Attorney General.

STATE OF ILLINOIS,
OFFICE OF ATTORNEY GENERAL,
SPRINGFIELD.

July 17, 1907.

EDUCATIONAL INSTITUTIONS.

W. L. Pillsbury, Secretary of the Board of Trustees of the University of Illinois, Urbana, Ill.:

DEAR SIR—I have your favor of the 13th inst., in which, in referring to the joint resolution of the Forty-Fifth General Assembly purporting to give the Urbana & Champaign Railway, Gas and Electric Company authority to cross the grounds of the University of Illinois, you ask my opinion as to the legal effects of said joint resolution, and to what extent it is binding upon the trustees of the University of Illinois.

House Joint Resolution No. 30, entitled, "Resolved by the House of Representatives, the Senate concurring therein," grants permission and authority to the Urbana & Champaign Railway, Gas and Electric Company for itself, its successors and assigns to enter into, along, upon and across the grounds of the University of Illinois, for the purpose of constructing a single track railway over the land specifically therein described. Such railway is to be constructed and maintained at a grade to be approved by the board of trustees. Said railway may be operated by electricity or any other motive power except steam, and the board of trustees have power and authority to regulate the speed and the operation of cars,

"And the rights and privileges hereby granted shall continue and remain in full force and effect for a period of twenty years from (then) and after the passage of this resolution. *Provided, however,* that unless the railway hereby authorized shall be completed and in operation within two years from the date of the passage of this resolution, all rights hereby granted shall cease and determine."

On August 6, 1905, in a letter to Hon. S. A. Bullard, President of the Board of Trustees of the University of Illinois, in answer to a question, among others, as to whether or not the Board of Trustees of the University of Illinois had the power to grant the right to a street railway to cross the grounds of said University, I said:

"The Supreme court has held that the real property of the Illinois Industrial University, now the University of Illinois, is not subject to taxation for the reason that the real estate belongs to, and is under the entire control of the State. Nowhere in the act creating the Illinois Industrial University, or in any act amendatory thereof, is there found any provision which authorizes or empowers the board of trustees to alien or convey the real estate, or any portion thereof, which belongs to the University. On the other hand, the State has reserved to itself the power to alien and convey said real estate. * * * These several things (among others, granting a right to a street railway to cross the grounds) can be done only by the State itself."

This joint resolution purports to grant to the Urbana & Champaign Railway, Gas and Electric Company a right of way. The only question is, is such joint resolution operative to confer any irrevocable rights upon the street railway company or to impose any duties upon the Board of Trustees of the University of Illinois.

If the joint resolution confers any irrevocable rights to the street railway company, it must be because the joint resolution has the force of law. If said joint resolution imposes any duties upon, and enlarges the powers of the board of trustees, it must be because it is an act of the General Assembly. If it is binding on the board of trustees, it must be because it is a statute.

It is a legislative prerogative to deal with and dispose of the property of the State. This can be done only by an act, not by a resolution. The State exercises its sovereign will not by resolution, but by statute. The will of the people is crystallized into law in the manner provided in the Constitution. Any resolution, bill or proceeding given the force of law is an act. Is this resolution, therefore, a statute?

It will be noted that this joint resolution does not have a title. It has no enacting clause. The journals of the House and Senate do not show that it was read at large upon three different days in each house. The journals do not show that upon its final passage the yeas and nays were called. It was not presented to the Governor nor was it approved by him. It is well settled that under the Constitution of this State, the constitutional requirements as to the mode of passage of a law or mandatory and must be observed before a bill, resolution or other proceeding can have the force and effect of a statute law. Our court has held that a joint resolution is not a law.

Burritt v. Commissioners of State Contracts, 120 Ill., 322.

Other states having similar constitutional provisions hold in accordance with the Illinois court.

Mullen v. State, 114 Cal., 578

Collier Lithographing Co. v. Henderson, 18 Col., 259.

Mayor v. Rice, 91 Ind., 546;

Boyer v. Crane, 1 W. Va., 176;

Rice v. State, 93 Ind., 33.

I am of the opinion, therefore, that said joint resolution is without operative force to confer any irrevocable rights upon the street railway company and is not binding upon the board of trustees of the University of Illinois.

Very respectfully,

W. H. STEAD,

Attorney General.

The president of the board was authorized to sign petitions for franchises to be granted to the street railway company when all arrangements as to the crossing have been satisfactorily concluded by the committee.

ARCHITECT FOR NEW BUILDINGS.

The committee on the question of an architect for new buildings reported progress and was given further time.

It was voted to appoint a Committee on Legislation, consisting of the President, President Abbott and Mr. Lehman, to take into consideration the question of the State Architect in relation to the State University.

ADVISORY COMMITTEES.

The secretary has just received and inserts here the Attorney General's opinion on the question of the effect of the provisos in the agricultural appropriations bill with regard to the appointment of advisory boards.

W. H. STEAD,
Attorney General.

STATE OF ILLINOIS
OFFICE OF ATTORNEY GENERAL,
SPRINGFIELD, July 20, 1907.

EDUCATIONAL INSTITUTIONS—UNIVERSITY OF ILLINOIS.

W. L. Pillsbury, Secretary of the Board of Trustees, of the University of Illinois, Urbana, Illinois:

DEAR SIR—I have your favor of the 18th inst., in which you state that the Board of Trustees of the University of Illinois desire the opinion of this office as to how far the power of said board is limited by the provisos in the various sections of an act entitled,

“An Act to extend the equipment and increase the instruction in the College of Agriculture of the University of Illinois and to provide for the extension of the Agricultural Experiment Station, and to make appropriations therefor,”

Approved June 4, 1907, in force July 1, 1907.

Section 1 of said act makes it the duty of the College of Agriculture to give thorough and reliable instruction in the economic production of crops, etc., and appropriates \$50,000.00 annually for the years 1907 and 1908 to carry out the provisions of the section. By a proviso of said section it is provided that the disposition of the funds shall be made along lines agreed upon by the dean of the College of Agriculture, and an advisory committee consisting of the presidents of the several state agricultural organizations.

Section 2 makes it the duty of the agricultural experiment station to conduct investigations calculated to develop the beef, pork, etc., producing interests of the State, etc., and appropriates \$25,000.00 annually to carry out the provisions of the section.

“*Provided*, that the work undertaken and outlined in this section shall be carried out on lines to be agreed upon by the director of the Agricultural Experiment Station and an advisory committee of five to be appointed by the Illinois Live Stock Breeder's Association.”

Section 3 makes it the duty of the Agricultural Experimental Station to conduct experiments to discover the best methods of producing corn, wheat, etc., and appropriates \$15,000.00 annually to carry out the provisions of the section. By a proviso, the work outlined in this section is to be carried out on lines agreed upon by the director of the Agricultural Experiment Station and an advisory committee of five to be appointed by the agricultural societies.

Section 4 makes it the duty of the Agricultural Experiment Station to make chemical and physical examinations of the various soils of the State, etc., and to carry out the provisions of this section \$25,000.00 annually is appropriated. By a proviso it is enacted that the work outlined in this section shall be carried out on the lines to be agreed upon by the director of the Agricultural Experiment Station and an advisory committee of five, to be appointed by the Illinois Farmers' Institute.

Section 5 makes it the duty of the Agricultural Experiment Station to discover and demonstrate the best methods of orchard treatment, etc., and appropriates \$15,000.00 annually to carry out the provisions of this section, and by a proviso it is enacted that the work outlined in the section shall be carried out on lines to be agreed upon by the director of the Agricultural Experiment Station, and an advisory committee of five, to be appointed by the Illinois State Horticultural Society.

Section 6 makes it the duty of the Agricultural Experiment Station to investigate the dairy conditions of the State, etc., and appropriates \$15,000.00 to carry out the provisions of this section, and by a proviso it is enacted that the work outlined in this section shall be carried out on lines to be agreed upon by the director of the Agricultural Experiment Station and an advisory committee of five to be appointed by the Illinois State Dairy-men's Association.

Section 6½ makes it the duty of the Agricultural Experiment Station to demonstrate the best methods of producing plants, etc., and appropriates \$7,500.00 annually to carry out the provisions of this section. By a proviso it is enacted that the work outlined in this section shall be carried out on lines to be agreed upon by the director of the Agricultural Experiment Station and an advisory committee of five to be appointed by the Illinois Florist's Association.

Section 7 makes it the duty of the several committees to meet at such times and places as may be designated by the dean of the College, or by the director of the Agricultural Experiment Station, and said committees are required to make reports to their respective associations of the work and progress under the provisions of this act.

Section 8 provides how the money can be drawn from the State Treasury.

Section 8 then continues:

"Nothing herein contained shall be deemed to take away from the Board of Trustees of the University of Illinois the usual authority conferred by law over the expenditure of moneys appropriated to said University. The recommendations of the committee herein provided for shall be advisory; but the use of the moneys herein appropriated shall rest in the discretion of said board for the purpose herein set forth, and said board shall account therefor."

I am of the opinion that the duties of the several committees provided for in the various sections of the act are purely advisory. The final disposition of the moneys therein appropriated, and the manner of carrying into effect the various sections of the act rest in the discretion of the Board of Trustees of the University. Their discretion is not limited or controlled by the creation of such committees. It was doubtless thought by the Legislature that the subject with which the trustees would be dealing in the expenditure of the money was somewhat technical. In order that the best methods might be adopted, and that the money might be expended most wisely, it was no doubt thought that the trustees would welcome the advice, counsel and co-operation of men of scientific learning and practical experience. The law, therefore, created committees of such men of learning and experience to formulate lines of investigation to be pursued in carrying into effect the various sections of the act. While the recommendations of these committees would be entitled to the respect and consideration of the trustees, yet the Legislature by section 8 of the act was particularly careful to say that the usual power and authority of the Trustees of the University of Illinois over the expenditure of money is not in any way limited or controlled. With the Board of Trustees of the University of Illinois rests the ultimate power to decide as to the proper expenditures of the moneys appropriated by said act.

Very respectfully,

W. H. STEAD,
Attorney General

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of August 21, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at 139 Adams street, Chicago, August 21, 1907, pursuant to the following notice which was sent out by the secretary, August 16, 1907:

Upon the call of the president, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at 1:00 p. m., Wednesday, August 21, 1907, at 139 Adams street, Chicago, for the purpose of receiving reports of committees and to take action on such matters as may be properly presented.

When the board met pursuant to this call, the following members were present: Messrs. Abbott, Hatch, Lehman, McLean, Madden, and Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Mr. Blair, Dr. Davison and Mrs. Alexander.

President James was absent; Vice President Burrill was present.

COAL BIDS.

An informal report with regard to the coal bids and bids for hauling the same was made by Mr. Abbott, chairman of the Committee on Buildings and Grounds. A complete report will be made at the next meeting.

BRONSON BLOCK.

President Abbott reported an interview with Mr. Bronson with regard to the purchase of the block at the southwest corner of Mathews avenue and Illinois street.

Mr. Lehman moved that the board offer Mr. Bronson \$25,000.00 for the block, and that if the offer were refused the attorney for the board, Judge Harker, be instructed to commence legal proceedings for the condemnation of the block, so that it might be used for the site for the new Physics Laboratory; provided, that in his judgment such proceedings would be safe and legal.

The question was divided, and the proposition to offer \$25,000 for the lot was carried.

It was moved to postpone action on the proposition with regard to condemnation until the next meeting of the board. The motion was lost, and the second proposition was then adopted.

PRESIDENT'S HOUSE—ADDITION TO CERAMICS BUILDING.

CHICAGO, ILL., August 20, 1907.

To the Board of Trustees of the University of Illinois:

The Buildings and Grounds Committee at a meeting August 15th approved a request of President James to have alterations made to the president's house at an estimated cost of \$250.00. It also approved a request of Professor Rolfe to have an addition built to his present kiln house at an expense of about \$100.00.

This last item payable from the ceramics fund.

Very truly yours,
W. L. ABBOTT.

The board approved the action of the committee in ordering the addition to the Ceramics building.

It also approved, on motion of Mr. Hatch, the action of the committee in ordering the change in the president's house. Mrs. Busey voted no on this motion.

PLANS FOR NEW BUILDINGS.

President Abbott recommended that on account of difficulties in the way of employing an outside architect to prepare plans for the new buildings, the State Architect be requested to prepare the plans at once.

On motion of Mr. McLean, it was voted that the State Architect, Mr. W. Carbys Zimmerman, be requested to prepare plans for the buildings. The secretary was directed to write Mr. Zimmerman telling him of this action of the board.

FIXTURES FOR LIGHTING AUDITORIUM.

It was ordered that a contract for electric fixtures be made with the Chicago Gas & Electric Fixture Company. An additional amount of \$303.50 was appropriated for this purpose.

CHAIRS FOR THE AUDITORIUM.

The special committee (page 160) which was instructed to purchase chairs for the Auditorium reported that the "New York" chair had been purchased of the Superior Manufacturing Company of Muskegon, Michigan, at \$2.07 a chair adjusted and set in place upon the floor of the Auditorium.

FENCES ON THE HORTICULTURAL GROUNDS.

A communication from Professor Shattuck with regard to a contract for fencing on the horticultural grounds was referred to the Committee on Agriculture for investigation and report.

Action on another communication from Professor Shattuck was postponed until the September meeting.

Upon recommendation of Vice President Burrill, Mr. J. E. Smith was appointed instructor in Civil Engineering in the University for the ten months beginning September 1, 1907, at a salary of \$110.00 a month.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

*Financial Statement of the University of Illinois for the twelve months
ending June 30, 1907.*

PROCEEDINGS
OF THE
BOARD OF TRUSTEES

OF THE
University of Illinois
FOR THE
YEAR ENDING AUGUST 31, 1908.

Meeting of September 10, 1907.

The regular meeting of the Board of Trustees of the University of Illinois was held at the University in Urbana, September 10, 1907.

When the board met the following members were present: Messrs. Davison, Hatch, Lehman, and McLean and Mrs. Alexander, Mrs. Evans, and Mrs. Busey; absent, Governor Deneen, and Messrs. Abbott, Blair, and Madden. President James was present.

President Abbott being absent the board was called to order by Mr. McLean, who was elected president *pro tem*.

The Secretary presented the minutes of the special meeting of June 4, 1907; of the regular meeting of June 10, 1907; of the meeting of the Executive Committee of June 28, 1907; of the special meeting of July 6, 1907; of the adjourned session of the same held July 12, 1907; of the special meeting of July 20, 1907; and the special meeting of August 21, 1907. These minutes were approved as presented, except that it was ordered that the yeas and nays vote taken on the proposition to condemn the Bronson block (see page 172) should be entered of record as follows: Yeas, Messrs. Abbott, Lehman, and Madden and Mrs. Evans. Nays, Messrs. Hatch and McLean and Mrs. Busey.

APPROPRIATIONS FOR STATE ENTOMOLOGIST.

The secretary stated that the Auditor of Public Accounts had decided that money appropriated for the State Entomologist's office would properly be paid into the treasury of the University and disbursed under the direction of the Board of Trustees of the University. He said that some \$5,000 of this appropriation had already been transmitted to the treasurer of the University.

The plan for the administration of the fund presented from Professor Forbes at the meeting of July 20th (see page 165) is as follows:

July 19, 1907.

To the Board of Trustees of the University of Illinois:

I respectfully request that the following assignments be made from appropriations made by *An Act to provide for the office of the State Entomologist, to define its duties, and to extend its equipment*, passed by the State Legislature at its last session.

For expenses incurred by the State Entomologist under *An Act to Prevent the introduction and spread in Illinois of the San Jose scale and other dangerous insects and contagious diseases of fruits*, \$5,000.00.

For an addition to the insectary wings of the State Entomologist's building on the University campus, \$500.00.

Also the following allowances for salaries of assistants for the year beginning July 1, 1907:

Charles A. Hart, \$1,000.00; an additional \$500.00 of his salary to be paid from the funds of the State Laboratory of Natural History.

James A. West, \$1,200.00.

John J. Davis, \$1,100.00.

For the salaries of additional assistants, for furniture and equipment, for the expenses of field, laboratory, and office operations, and for the preparation, publication and illustration of bulletins and reports, the sum of \$4,100.00 for the quarter ending September 30, 1907.

Respectfully submitted,

S. A. FORBES,
State Entomologist.

The secretary was directed, on motion of Dr. Davison, to ask the Attorney General for an opinion as to the disbursements of this fund.

TREASURER'S REPORT.

The secretary presented the treasurer's report, for the quarter ending June 30, 1907, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,
JUNE 30, 1907.

Respectfully submitted,
H. A. HAUGAN, *Treasurer.*

EXAMINATION OF THE ELECTRIC PLANT.

President Abbott, in a communication to the board, stated that in his judgment the recent fatal accident in which Mr. L. H. Carter lost his life, made it desirable that there should be a thorough examination of the electric plant and asked that an appropriation of \$50.00 be made for that purpose, and that he be authorized to appoint the inspector of the Edison Company, in Chicago, to make the examination.

Authority was given and an appropriation of \$50.00 was made.

SITE FOR PHYSICS LABORATORY.

The secretary also presented a communication from President Abbott with regard to the site of the physics laboratory, recommending that no steps be taken to condemn the Bronson block and that the Y. M. C. A. lot be chosen for the site.

At this time the secretary was excused from further attendance at the meeting of the board in order that he might look after registration affairs which were pressing.

Mr. Lehman was appointed secretary, *pro tem*.

President Abbott's recommendations were both adopted on motion of Mr. Lehman.

NEW BUILDINGS.

On motion of Dr. Davison it was voted that no further steps be taken in the erection of the new buildings until after the adjourned meeting of the Legislature.

On motion of Dr. Davison it was voted that the Board of Trustees of the University shall request the Legislature to grant exemption from the operation of the law regarding the State Architect, and his duties, and that the special committee appointed at a previous meeting of the board on legislation be instructed to urge this matter upon the Legislature.

MATTERS PRESENTED BY PRESIDENT JAMES.

FENCING HORTICULTURAL GROUNDS.

1. At a previous meeting of the Board the question of fencing the horticultural grounds was referred to the Committee on Buildings and Grounds with power to act. Through a misunderstanding Professor Blair, upon the authority of the president of the University, gave directions to close a contract for the purchase of said fence for the sum of \$4,569.65. The board at its meeting on July 20th appropriated for this purpose only \$4,000.00.

Dr. Davison moved that the matter be referred to the Agricultural Committee with power to act. On motion a consideration of the matter was postponed until the afternoon session.

NUTRITION INVESTIGATIONS.

2. I present herewith for printing in the minutes a brief report from Professor H. S. Grindley in regard to the progress of the nutrition investigations: *President Edmund J. James, University of Illinois*:

Sir—I respectfully submit herewith a report of the progress of our nutrition investigations for the last two months.

Detailed plans for the curing of all the meats used in the saltpeter investigation have been perfected. The plans so devised meet the approval of the best practical authorities in the country on the subject, and the plans have also received the approval of the commission appointed by yourself to assist in this work. We have already with the assistance of Mr. L. D. Hall of the animal husbandry department cured 1,500 pounds of meat products in our own cold storage rooms here with success. The meats so cured are to be used in our experiments.

The details for the medical examination, the bacteriological work, and the chemical investigations have been worked out in full, and they have been duly approved by the members of the commission.

Houses numbers 1106 and 1108 Illinois street have been rented, and are now being overhauled and furnished in a cheap but substantial way for the housing of the twenty-four men of the Nutrition Club. These quarters when equipped will be excellently well suited to our purpose, since they give us ample room and are so close to the Chemical Laboratory and Agricultural Building, where the scientific studies connected with this research will be made.

At present we are busy attempting to select from the seventy-five men who have made application to become members of the Nutrition Club, a club of twenty-four men of average health and development. It is our present intention to be able to select these men finally by the 17th to 20th of September, and as fast as they are finally selected they will be given rooms in the above houses. However, it will not be possible actually to start the boarding of these men until probably about the first of October.

We have arranged to have a matron in charge of the houses and a chef in charge of the kitchen. In addition, three or four of the men connected with the management of the investigation will room and board at the Nutrition Club, in order that the work may be carried on with the greatest degree of accuracy.

Yours very truly,
H. S. GRINDLEY.

It was ordered that the report be printed in the minutes.

3. Professor J. H. Pettit of the College of Agriculture and the Agricultural Experiment Station requests leave of absence without pay from the University for the year beginning October 1, 1907, for the purpose of studying in Germany.

Voted that such leave be granted.

4. The board at its meeting on July 6th authorized the appointment of an associate in philosophy at a salary of \$1,500.00. After extensive canvassing of the field it was found that by increasing the title from associate to that of assistant professor, the services of Dr. Guy Tawney could be secured for this sum. I have therefore offered the position of assistant professor of philosophy at a salary of \$1,500.00 to Dr. Guy Tawney, subject to the approval of the board.

On motion of Mrs. Evans this recommendation was concurred in.

5. Professor S. A. Forbes requests that the Trustees shall make an appropriation of \$1,000.00 to enable the State Laboratory of Natural History to print its accumulated bulletins and reports. In return for this grant the State Laboratory of Natural History will assume a portion of the salary of Professor Frank Smith to the extent of \$500.00 per annum for the present and the succeeding academic year, namely: from September 1, 1907, to August 31, 1909. Professor Smith will do certain investigation work for the Natural History survey.

On motion of Mrs. Alexander the recommendation was approved.

SUMMER SESSION, 1907.

6. I present a brief report of the work of the summer session by the director:

President Edmund J. James, University of Illinois:

SIR—I wish respectfully to submit below a report of the work of the summer session for 1907:

In December, 1906, the Board of Trustees made an appropriation of \$15,000.00 for the conduct of the summer session. They voted, also, to award free scholarships to all high school teachers in Illinois, and to all other teachers in the State who could matriculate in the University. Of the amount appropriated something over \$12,000.00 has been used. This amount has been divided approximately as follows:

Salaries for instruction	\$10,000 00
Special lecturers	800 00
Circulars, bulletins, postage, etc.....	1,300 00

The general plan and arrangement for the conduct of the session was under the control of a committee, consisting of Professors Barton, Hollister, Barto, Dexter and myself as chairman. This committee decided upon the departments to be represented in the session, and the amount of money to be expended in each. Twenty-five departments were this year represented, and 119 courses were offered by fifty-seven instructors. Daily lectures were offered by prominent men outside of the University during the first six weeks, and a series of twelve special lectures was given by members of our own faculty. The total registration was 555. About 350 of these were teachers of whom 273 availed themselves of the free scholarships, and practically every county in Illinois was represented. This year about twenty-five teachers from the Chicago schools were in attendance, which has not occurred before. The registration in the various departments is indicated below:

Agriculture	12
Art and Design.....	48
Botany	33
Chemistry	61
General Engineering Drawing.....	29
Economics	74
Education	86
English and Rhetoric	441
French	78
German	118
History	99
Household Science	12
Latin	55
Manual Training	23
Mathematics	218
Theoretical and Applied Mechanics	54
Mechanical Engineering, shop	30
Music	48
Philosophy	13
Physics	69
Physical Training	147
Political Science	52
Psychology	36
Spanish	11
Zoölogy and Entomology	85

It is interesting to note the very large registration in mathematics, modern languages and English. There is an indication, also, that we might very well increase the work offered in history, economics, and political science.

I believe that more *esprit de corps* was shown by the members of the summer session than ever before. The literary societies held regular meetings Saturday evenings; there was an interest manifested in all kinds of athletics; and the social and intellectual energy shown was unusual. Every teacher to whom I talked expressed himself as thoroughly well pleased with the University and the work that was offered.

In think we might enlarge our influence if it seemed advisable to offer scholarships to all teachers who could matriculate, whether they come from Illinois or not.

Very respectfully yours,

T. A. CLARK,
Director.

The report was ordered to be printed in the minutes.

AGRICULTURAL COLLEGE.

7. Recommendations from Dean Eugene Davenport.

(a) That Mr. A. C. Beal be made first assistant in floriculture in the Experiment Station at a salary of \$1,600.00 for one year.

On motion of Mr. Hatch this recommendation was approved.

(b) That Professor Leonard Hegnaur's time be divided between his present duties and extension work.

On motion of Mr. Hatch this recommendation was approved.

(c) That Mr. A. J. Bill be engaged as a lecturer in the extension work.

Voted to postpone the consideration of this item.

(d) That the president be authorized to appoint a successor to Miss Ruth A. Wardall, resigned, in the department of domestic science.

On motion of Mrs. Evans this recommendation was approved.

(e) That five deputy sheriffs be appointed for the protection of University property and that the expense of the bonds amounting to \$7.50 be paid by the University.

On motion of Mrs. Busey this recommendation was approved.

(f) That the temporary employment of Mr. J. K. Plummer as assistant in the Experiment Station in the place of E. K. Nelson, resigned, be authorized.

This recommendation was approved.

8. Prof. Victor T. Wilson and Mr. R. B. Otis, both of the department of General Engineering Drawing, have resigned since the last meeting of the board. It is necessary, therefore, to reorganize this department. The dean of the College of Engineering makes the following recommendations: That Mr. C. L. McMaster be appointed associate in charge of the department at a salary of \$1,200.00 per annum, work and salary to begin September 1, 1907; that Mr. C. B. Gibbons be appointed instructor at \$800.00 per annum; that Mr. C. R. Dick be appointed instructor at \$800.00; Mr. Sherwood Hinds, instructor at \$900.00 per annum; and Mr. F. M. Porter, assistant, at \$750.00 per annum.

On motion of Mrs. Busey this recommendation was concurred in.

9. Letter from the Registrar recommending Miss Hulda C. Witte for a University scholarship.

On motion of Mrs. Alexander, Miss Witte and Francis A. Cline were granted scholarships for one year; and it was voted that hereafter attendance at the summer session shall be considered attendance at the University.

10. Request from Professor Shattuck for an increase in salary.

On motion of Mrs. Evans Prof. Shattuck's salary was increased by \$500.00.

Recess until 2 p. m.

Afternoon Session, September 10, 1907.

When the board met after the recess the same members were present as in the morning.

The following resolution offered by Mr. McLean was adopted:

Resolved, That all matters referred to a committee of this board shall be fully set forth and that they shall report in regular form their action, said report to be signed by the members of such committee agreeing thereto.

The following resolution offered by Mr. McLean was adopted:

Resolved, That our records hereafter shall show by whom any motion was made and action had thereon.

FENCE ON HORTICULTURAL GROUNDS.

The Committee on Agriculture reported as follows:

The Committee on Agriculture report that they do not approve of committees letting contracts without authority from the board and they make no recommendations as to what shall be done with the fence contracts.

FRED L. HATCH.

MARY E. BUSEY.

On motion of Mr. Hatch the sum of \$569.65 was appropriated to cover the cost of the fence around the horticultural grounds, Mrs. Busey voting no.

MATTERS SUBMITTED BY PRESIDENT JAMES.

11. The opportunity of purchasing a good working classical collection for the library at a reasonable price is now offered to the University. The library of the late Professor Doctor Dittenberg of the University of Halle is offered to the University by Rudolph Haupt, a bookseller of Leipsic, for the sum of 10,000 marks. The bookseller offers to pack and ship the books at the expense of the University. This may cost \$500.00 more. Deans Kinley and Greene and Professors Moss and Barton unite in recommending that this library be purchased.

On motion of Mrs. Alexander it was voted that \$2,500 or so much thereof as may be necessary be appropriated for the purchase of this collection.

12. The following persons have been recommended by the faculty of the Graduate School upon the nomination of the Director of the Engineering Experiment Station for appointments as research fellows, for the academic year beginning September 1, 1907:

Department of Architecture, Clarence Noerenberg.

Department of Physics, Willard L. Egy.

Department of Applied Chemistry, Charles K. Francis.

On motion of Mrs. Busey the nominations were approved.

13. Dr. T. J. Burrill requests an appropriation of \$1,400.00 for expenses in the department of botany.

On motion of Mr. Hatch this amount was appropriated.

14. Professor S. A. Forbes asks for an appropriation of \$585.00 for laboratory assistance in the department of zoölogy.

On motion of Mr. Hatch this sum was appropriated.

15. Request from the editor of *University Studies* for an appropriation of \$1,200.00 per annum for the expense of preparing and printing said *Studies*.

On motion of Mrs. Evans this sum was appropriated.

16. At its meeting on July 6th the board authorized the appointment of an instructor in the Woman's Gymnasium at a salary of \$800.00. I found that it would be necessary to pay \$850.00 to Miss Gertrude Moulton, whom we desired to obtain. I offered her, therefore, the sum of \$850.00, being an increase of \$50, subject to the approval of the board.

On motion of Mr. Lehman this action was approved.

17. The dean of the Engineering College recommends that Dr. F. R. Watson be appointed assistant to the dean of the College of Engineering, in addition to his present duty as assistant professor in the department of physics, his remuneration as assistant to the dean being at the rate of \$300.00 a year, beginning September 1, 1907.

On motion of Mr. Hatch this recommendation was concurred in.

18. I recommend that the following assignment of funds appropriated for the maintenance of the Graduate School be made:

Incidental expenses in the office of the Dean of the School, \$1,000.00. Expenses for special investigations and research work, to be assigned on approval of the president of the University, \$5,000.00

On motion of Mr. Hatch this recommendation was concurred in.

APPOINTMENTS.

19. List of appointments by the President of the University in accordance with the authority given him by the University Board of Trustees since July 20, 1907.

Dr. Helen Isham, Instructor in Chemistry, ten months from September 1, 1907, at \$80.00 a month.

W. A. Knapp, Assistant in Civil Engineering, ten months from September 1, 1907, at \$70.00 a month.

G. W. Pickels, Jr., Instructor in Surveying, ten months from September 1, 1907, at \$100.00 a month.

J. J. Richey, Instructor in Civil Engineering, ten months from September 1, 1907, at \$130.00 a month.

George L. Dobyns, Storekeeper for the Physics Department, twelve months from September 1, 1907, at \$50.00 a month.

G. Rawson Wade, Instructor in Voice and in charge of the Vocal Department of the Music School, for a year beginning September 1, 1907, at \$1,600.00 a year.

Lois D. McCobb, Instructor in Voice, ten months from September 1, 1907, at \$85.00 a month.

Sarah Delano Morton, Instructor in Piano, ten months from September 1, 1907, at \$90.00 a month.

Oddgier Stevenson, Assistant in Electrical Engineering, half time, for the academic year 1907-8, at \$35.00 a month.

J. T. Nuttall, Graduate Assistant in Chemistry, for the academic year 1907-8, at \$200.00 for the year.

G. C. Bartells, Senior Assistant in the Department of Chemistry for the academic year 1907-8, at \$100.00 for the year.

C. F. Dieter, Senior Assistant in the Department of Chemistry, for the academic year 1907-8, at \$100.00 for the year.

C. V. Manual, Graduate Assistant in the Department of Chemistry, for the academic year 1907-8, at \$400.00 for the year.

Rosa Sophie Drew, Scholarship in Botany in the Graduate School, for the academic year 1907-8, at \$250.00 for the year.

John G. Thompson, Instructor in Economics, for ten months from September 1, 1907, at \$100.00 a month.

Alfred William Homberger, Fellowship in Chemistry, for the academic year 1907-8, at \$300.00 for the year.

Bruce McGill Harrison, Scholarship in Zoölogy, for the academic year 1907-8, at \$250.00 for the year.

Harry Gray Hake, Assistant in Electrical Engineering, for ten months from September 1, 1907, at \$70.00 a month.

J. B. Cook, Assistant in the Forge Shop, for ten months from September 1, 1907, at \$70.00 a month.

Jerome S. Rogers, Graduate Assistant in Chemistry, for the academic year 1907-8, at \$400.00 for the year.

H. D. Laube, Scholarship in Political Science, for the academic year 1907-8, at \$250.00 for the year.

Blaine F. Moore, Scholarship in Political Science, for the academic year 1907-8, at \$250.00 for the year.

James E. Smith, Instructor in Civil Engineering, ten months from September 1, 1907, at \$110.00 a month.

Gertrude Moulton, Instructor in Physical Training for Women, ten months from September 1, 1907, at \$85.00 a month.

J. T. Vawter, Instructor in Architecture, ten months from September 1, 1907, at \$140.00 a month.

Edith Leonard, Curator of Library and Collections in Department of Architecture, ten months from September 1, 1907, at \$50.00 a month.

Francis M. Porter, Assistant in General Engineering Drawing, ten months from September 1, 1907, at \$75.00 a month.

John Tarflinger, Assistant in the Foundry, ten months from September 1, 1907, at \$70.00 a month.

Charles Manfred Thompson, Instructor in Mathematics in the Academy, ten months from September 1, 1907, at \$80.00 a month.

Adeline M. Shoop, Scholarship in Classics, for the academic year 1907-8, at \$250.00 for the year.

May E. Floyd, Instructor in Piano, ten months from September 1, 1907, at a salary of \$800.00.

Dr. Charles M. Poor, Instructor in German, ten months from September 1, 1907, at a salary of \$1,000.00.

Dr. H. F. Allen, Associate in Classics, September 1, 1907, at a salary of \$1,500.00.

Walter Clark Phillips, Instructor in English, September 1, 1907, at a salary of \$1,000.00.

Jacob Zeitlin, Instructor in English, September 1, 1907, at a salary of \$900.00.

Lida Harbarger, Assistant in English, September 1, 1907, at a salary of \$350.00.

Dr. Clarence W. Balke, Associate in Chemistry, September 1, 1907, at a salary of \$1,400.00.

Dr. Willis B. Holmes, Associate in Chemistry, September 1, 1907, at a salary of \$1,400.00.

R. C. Roark, Graduate Assistant in Chemistry, September 1, 1907, at a salary of \$300.00.

On motion of Mrs. Alexander these appointments were confirmed.

20. Nomination of Mr. Albert S. Wilson as Director of the Library School at a salary of \$1,800.00 a year, work and salary to begin September 1, 1907.

On motion of Mrs. Evans this recommendation was concurred in.

LOST MONEY.

Request of Mr. F. K. W. Drury, Acting Librarian, for a refund of \$9.15 stolen from his order desk in the library on June 10, 1907. It appears that this money was paid by professors to the librarian for books which had been ordered for them by the librarian.

Voted that the trustees do not consider themselves responsible for funds of this sort, and that any money so accepted by the librarian or paid by professors is entirely at the risk of the parties concerned.

DEATH OF LEIGH H. CARTER.

I submit a brief statement from Dean Eugene Davenport concerning the death of Leigh H. Carter, a student in the Agricultural College.

URBANA, ILL., September 9, 1907.

Edmund J. James, President University of Illinois:

DEAR MR. PRESIDENT—I beg leave to report the circumstances connected with the death of Mr. Leigh H. Carter at the University creamery on the afternoon of August 27th.

Mr. Carter was engaged in cleaning a chandelier in the engine room. The ceiling was high and a ladder was placed against a beam to enable him to reach the upper portion of the work. He had been at work upon the ladder for considerable time, when about 4:30, Mr. Potter, working in another portion of the same wing, heard a cry of distress and hurrying to the engine room found Mr. Carter standing upon the engine, leaning heavily against the chandelier which had been pushed against the ladder by his weight. Mr. Potter, fearing an electric shock, pushed the ladder to one side, intending to catch the body as it fell. This he only partially succeeded in doing, and the body struck heavily upon the cement floor, face down. It seemed rigid at the time of the fall. Mr. Potter thinking perhaps Mr. Carter had fainted dashed some water in his face, and started for help. Drs. Stanley and Bain were upon the ground in a few minutes, and Dr. Lindley of Urbana, a short time afterwards. The doctors worked upon the body for an hour and half, using every known means of restoration of life, but without effect. He neither spoke nor made any noise after the first cry.

The cause of this sad death seems shrouded in mystery. The verdict of the coroner's jury was substantially that Mr. Carter met his death by coming in contact with a live wire while in discharge of his duties; but the physicians would not commit themselves as to the cause of his death. It is true the chandelier was torn from its fastenings, but the test made immediately afterward under the direction of Dean White showed a current of but 236 volts: It is significant that Mr. Carter was standing on the same spot on the engine and doing the same work that had been done many times before, and that he, himself, had done the afternoon previous. The current of the chandelier is turned on and off by a wall button, and of course there is no positive evidence as to the condition of this switch at the time of the accident, though no lights were burning. The engine was unused and had no connection with electric power. He fell from a position of at least four feet above the floor, and the shock in falling must have been severe, for the head which struck first the distance must have been much further.

It is significant in this connection that while the voltage of the lighting system in this building is 220, the highest voltage on the University ground, even for power purposes outside the electrical laboratory is 440.

Respectfully yours,

E. DAVENPORT.

REPORT OF THE COMPTROLLER.

Comptroller Shattuck presented and explained his report on the condition of appropriations and expenditures which was referred to the Finance Committee.

UNIVERSITY OF ILLINOIS.

URBANA, ILL., September 10, 1907.

W. L. Abbott, President Board of Trustees, University of Illinois:

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations June 29, 1907.

Paper B is a statement of the State appropriations June 29, 1907.

Paper C is a statement of the United States fund June 29, 1907.

Paper E is a statement of the United States Agricultural Experiment Station appropriations June 29, 1907.

Paper F is a statement of the School of Pharmacy appropriations June 29, 1907.

Paper G is a statement of the College of Medicine appropriations June 29, 1907.

PAPER A—CURRENT APPROPRIATIONS.

Paper M is a list of the general University vouchers presented for audit, being Nos. 8351 to 11500, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 251 to 420, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit being Nos. 210 to 257, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 1020 to 1329, inclusive.

Paper R is a statement of the Edward Snyder fund as of September 1, 1907. This shows that there is now on hand for new loans to students \$2,498.32. With the approval of the Board legal steps will be taken for the collection of loans No. 61 and 71, as it has been impossible to otherwise collect interest or principal on them.

I have to report that the purchase from W. I. Saffell and L. E. Ford of the N. W. $\frac{1}{4}$ of the N. E. $\frac{1}{4}$, 19, 9 E. 3d P. M. has been completed and that the abstract and deed for the same are now on file with the Secretary of the Board.

Respectfully submitted,
S. W. SHATTUCK,
Comptroller.

On motion of Mr. McLean the comptroller was authorized to sue debtors of the Snyder fund at any time delinquent.

On motion of Mrs. Evans the regular quarterly appropriations asked for by the comptroller, paper I above, were voted.

AUDITORIUM.

The secretary has been asked to print here a statement of action taken by the Committee on Buildings and Grounds.

At a meeting of the Building and Grounds Committee held the evening of September 10th bids were opened for the tunnel from the Agricultural Building to the Auditorium and for the extension of storm water and sanitary sewers. The bids were as follows:

BIDS ON SEWER WORK.

	Storm Water.	Sanitary.
W. L. Stewart.....	\$1,915 00	\$650 00
English Brothers.....	2,222 00	907 00
Thomas Henson.....	1,920 00	806 00
R. O. Lovett.....	2,001 75	713 00

BIDS ON TUNNEL.

	Brick.	Brick and concrete.	Concrete.
English Brothers.....	\$3,760 00	\$3,760 00	\$4,574 00
John B. Bennett.....	3,276 00
Freeman & Brooks.....	3,494 44	3,700 00
*R. O. Lovett.....	4,949 00

*Estimated. Bids as submitted was the price per foot.

On motion of Mr. Lehman, Mr. W. L. Stewart was awarded the contract for the storm water sewer, Mr. Thomas Henson the contract for the sanitary sewer, and Mr. John B. Bennett the contract for the tunnel at the figures scheduled above.

CARRIE T. ALEXANDER.

LAURA B. EVANS

LEWIS L. LEHMAN.

The board adjourned.

ALEXANDER MCLEAN,

President *pro tem*.

L. L. LEHMAN,

Secretary *pro tem*.

W. L. PILLSBURY,

Secretary.

Meeting of October 19, 1907.

A special meeting of the Board of Trustees of the University of Illinois was held at Urbana, October 19, 1907, pursuant to the following notice which was sent out by the secretary, October 12, 1907.

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at 9:00 o'clock a. m., Saturday, October 19, 1907, at the University, to consider communications from the president and other business duly presented.

When the board met pursuant to this call, the following members were present: Messrs. Abbott, Davison, Hatch, Lehman and Mrs. Evans, Mrs. Alexander, and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Madden. A letter was received from Mr. Blair stating that owing to a previous engagement he would be unable to be present at the meeting.

President James was present.

ALEXANDER McLEAN.

President Abbott spoke of the death of Mr. McLean and appointed Mr. Hatch, Mrs. Alexander, and Dr. Davison a committee on resolutions.

A memorandum concerning Mr. McLean's connection with the board was presented by President James and referred to the committee.

The report of the committee presented later and adopted was as follows:

ALEXANDER McLEAN.

DIED AT MACOMB, ILLINOIS, OCTOBER 11, 1907.

Alexander McLean was appointed a member of the Board of Trustees of the University of Illinois by Governor Shelby M. Cullom for the term of six years beginning with the annual meeting in March, 1877.

He was appointed at the expiration of this term in 1883 for a second term of six years by Governor John M. Hamilton.

By action of the General Assembly, the members of the Board of Trustees, except the *ex-officio* members were made elective in 1887, and Mr. McLean

was one of the three members elected for a term of six years at the election in 1888, and took his seat in accordance therewith at the March meeting in 1889, at the expiration of his second term. He was re-elected in 1894, 1900, and 1906, and completed his fifth term of service with the March meeting in 1907. At the time of his death he had served for seven months on his sixth term. This term of service, thirty years and six months, is longer than that of any other one who has been a member of the board.

Immediately after becoming a member of the board, Mr. McLean was made chairman of the Building Committee and was thus in charge of the erection of the old Chemical Laboratory, now the Law Building. He continued at the head of this committee for ten years, and subsequently from time to time has been for several years one of its members.

In 1889 he was elected President of the Board of Trustees, and succeeded himself the next year, in 1890. He was also elected president in 1899, and succeeded himself in the following year, 1900.

He was chairman of the Finance Committee of the Board for the years 1893, 1894, and 1898; also from 1903 until the time of his death.

The services Mr. McLean rendered, during all these years, in this growing institution, in which there were no old precedents to guide those who were at the head, revealed a patience and energy and general excellence which won the regard of all those associated with him.

Too much credit cannot be given to his untiring watchfulness and care during more than a quarter of a century of the upbuilding of this University.

Therefore, be it Resolved, That we, the members of the Board of Trustees, in behalf of the University, deeply deplore his death, and bow to the decree of fate, yet mourn the loss of the friend and associate gone from among us.

Resolved, That the Board of Trustees tender their most sincere condolence to his sons upon his death, but ask to share with them in the inheritance of the memory of such a father.

FRED L. HATCH,
CARRIE T. ALEXANDER,
CHARLES DAVISON,
Committee.

COAL CONTRACTS, 1907-8.

The Committee on Buildings and Grounds made the following report with regard to contracts for the coal supply and hauling of the same for the year beginning September 1, 1907. The report was received for record.

URBANA, ILL., October 19, 1907.

To the Board of Trustees of the University of Illinois, Urbana, Ill.:

At the board meeting of July 6th, the Buildings and Grounds Committee was instructed to contract for a supply of coal for the University for the year beginning September 1, 1907. Pursuant to these instructions, the following advertisement was inserted in "Fuel," one of the coal papers:

PROPOSALS FOR COAL:

The Committee on Buildings and Grounds of the University of Illinois will receive sealed proposals until 12 o'clock, noon, August 15, 1907, for 15,000

tons, more or less, of Illinois coal for the University of Illinois. The coal will be of the size known as pea coal, and shall be delivered between September 1, 1907, and August 31, 1908, as needed by the University for heating, lighting, and power purposes. Bids for one-half or a third or two-thirds of the whole, more or less, will be entertained. If such fractional proposals added together will equal the amount of coal wanted, such proposals will be acceptable to the University, and separate contracts will be made with the several companies for the amount of their proposals. Quality, price, and ability to fulfill the contract will be considered in awarding the contracts. A bond to the amount of one-fourth of the contract will be required of the successful bidder or bidders conditioned on the faithful performance of the contract.

Bids will be received (a) for coal delivered on track at Urbana or Champaign and (b) for coal delivered in the University Boiler House.

The University reserves the privilege of buying, outside of this contract, up to 1,000 tons of coal for experimental purposes.

The right is reserved to reject any and all proposals.

Proposals are to be sent to W. L. Abbott, Room 63, 139 Adams street, Chicago, and shall be sealed in an inner envelope marked "Proposals for coal for the University of Illinois."

Further information may be obtained from W. L. Abbott, at the above address, or James M. White, 300 Engineering Hall, Urbana.

WILLIAM L. ABBOTT,

Chairman of Committee.

August 15th the committee met at No. 139 Adams street, Chicago, and opened the bids which had been received in response to the advertisement. They were as follows:

Crear, Clinch & Co., 1½ in. Franklin Co. screenings delivered in Champaign	\$1.50
Danville Consumers Coal Co., 1¼ in. Danville screenings delivered in University Boiler House	1.45
Sage & Co., 1¼ in. Linton Screenings delivered in Urbana.....	1.60
Christian Co. Coal Co., 1¼ in. Taylorville screenings delivered in Urbana	1.22

Also a bid was received from Pearl Adams for hauling coal from railroad team tracks to the boiler room for the following prices:

First—From cars of the Wabash or Big Four at Station in the City of Urbana at the rate of 17c per ton.

Second—From cars of the Wabash or Big Four at Station in the City of Champaign at the rate of 19c per ton.

Third—From the cars of the Illinois Central at Station in Champaign City at the rate of 18c per ton.

The committee deferred further consideration of these bids until August 21.

August 21st the committee met and decided to award the coal contract to the Christian County Coal Company, and September 2d a contract was closed with this company to furnish coal to the University for the year beginning September 2, 1907.

This contract with bond for \$5,000.00 conditioned upon a fulfillment of the contract, also bearing date September 2d, has been duly signed and filed with the secretary.

A contract also has been made with Pearl Adams to haul the coal, and the contract with bond of \$1,000 has been duly signed and filed with the secretary.

Respectfully submitted,

W. L. ABBOTT,

Chairman.

APPROPRIATIONS FOR STATE ENTOMOLOGIST'S OFFICE.

The secretary presented the following communication from Attorney General Stead with regard to the responsibility of the Board of Trustees in handling the appropriations made for the State Entomologist's office. (See minutes of meeting of September 10, 1907, p. 380.)

STATE OF ILLINOIS, OFFICE OF ATTORNEY GENERAL.

SPRINGFIELD, ILL., September 25, 1907.

Mr. W. L. Pillsbury, Secretary University of Illinois, Urbana, Illinois,

DEAR SIR—I have your letter of September 23, in which you state that section 4 of the Act making the appropriations for the office of the State Entomologist, passed by the last session of the General Assembly, page 50 Session Laws of 1907, placed the custody of the appropriations for the State Entomologist in the Board of Trustees of the University of Illinois. You further state that under the charter of the University money can be drawn from its treasurer only upon the order of the Board of Trustees, signed by the president and secretary. Heretofore, the Board of Trustees of the University has had no relation whatever with the State Entomologist. You ask the opinion of this office as to whether this putting the money into the custody of the Board of Trustees of the University of Illinois imposes upon the board any powers or duties with regard to the State Entomologist and his operations.

Section 4 of said act is as follows:

"The Auditor of Public Accounts is hereby authorized and directed to draw his warrant on the State Treasurer for the sum herein appropriated, upon the order of the chairman of the Board of Trustees of the University of Illinois, countersigned by its secretary, and with the corporate seal of said University, and no installment subsequent to the first shall be paid by the treasurer, nor warrant drawn therefor, until detailed accounts showing expenditures of the preceding installments have been filed with the Auditor of Public Accounts."

The other portions of the Act specify the duties of the State Entomologist and outline his work. Section 2 of the Act provides that the work outlined in the Act shall be carried out on lines agreed upon by the State Entomologist and an advisory committee, to consist of the Directors of the Agricultural Experiment Station, two members to be appointed by the Illinois Farmers' Institute, and two members to be appointed by the Illinois State Horticultural Society.

It will be noted that said section 4 does not expressly confer upon the Board of Trustees of the University of Illinois any powers of supervision over the work or operations of the State Entomologist. Inasmuch as the act itself defines the duties and lays down the work of the State Entomologist, and to some extent provides for an advisory board to supervise his work, any inference that the Board of Trustees of the University is made a board of supervision over the work and operations of the State Entomologist by said section 4 is precluded.

I am therefore of the opinion that said section 4 does not confer upon the Board of Trustees of the University the authority to supervise the work and operations of the State Entomologist.

Very respectfully,

W. H. STEAD,
Attorney General.

MATTERS SUBMITTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. A request from Dean Davenport that a change be made in the plan approved by the board for the construction of a special fire proof vault for the use of the agronomy department, suggesting that experience had shown during the summer that it would perhaps be a better plan to turn over the large vault in the office of the Agricultural College for the use of the agronomy department and build a smaller one on the other side of the room for office use, using some of the funds that would be saved in this way for the division of the main office into smaller rooms.

Voted on motion of Mrs. Evans that the communication be referred to the Committee on Agriculture with power to act.

MOVING STREET RAILWAY POLES ON GREEN STREET.

2. A request from the Urbana and Champaign Street Railway Company to move the iron trolley poles located along the street railway track across the campus of the University along the line of Green street extended one foot further back from the track in order to avoid accidents.

Voted on motion of Mrs. Busey that said request be granted but that the changes be carried out under the direction of the supervising architect of the University and in such a way as not to injure the University property in any manner, and in accordance with plans submitted by the street car company and approved by the supervising architect of the University.

USE OF AUDITORIUM BY CHRISTIAN ENDEAVOR SOCIETY.

3. A request from the Christian Endeavor Society for the use of the Auditorium July 9, 1908.

Voted that the president of the University be requested to present a recommendation as to the proper policy of the University in regard to the use of the Auditorium and other University buildings for such purposes.

VETERINARY COLLEGE.

4. A statement that the people interested in the establishment of a veterinary college by the University of Illinois in the City of Chicago desire to know whether the University will be willing to undertake the establishment and conduct of a veterinary college on the terms already suggested, namely a suitable site within the grounds of the Union Stock Yards, fronting on Halsted street and running south from Forty-second for a distance of two hundred and fifty feet, together with the sum of two hundred and fifty thousand dollars (\$250,000.00) for the erection and equipment of buildings.

Voted on motion of Mr. Lehman that the Board of Trustees will undertake to establish and conduct such a college on the terms mentioned as far as special appropriations may be made by the Legislature for this purpose.

5. A request from Dr. Charles S. Bacon of the Medical School that the President of the University participate in the organization of a society in Chicago to aid the University Maternity Hospital.

Voted on motion of Dr. Davison that the president may take such steps in this matter as seem to him wise.

PURCHASE OF BAND INSTRUMENTS.

6. A communication from Dr. Burrill recommending that the University purchase instruments for the use of the University band and submitting a preliminary estimate as to the cost of said instruments.

Voted on motion of Dr. Davison that an appropriation not to exceed three thousand five hundred dollars (\$3,500) be made for the purchase of such instruments, which shall be purchased under the supervision of a committee of the board appointed by the president of the board for that purpose. These members were appointed as the committee: Dr. Davison, Mrs. Alexander, Mr. Lehman, Mrs. Busey, and Mr. Hatch.

For the consideration of a matter presented at this time the board went into Committee of the Whole.

When the Committee of the Whole rose, Secretary Pillsbury reported that the committee had organized by the election of Mr. Abbott as chairman and Mr. Pillsbury as secretary. The secretary reported that the committee had made progress in the discussion of the subject under consideration, and that it asked for further time.

The report was accepted and further time given.

USE OF AUDITORIUM.

7. A statement of the president that he had given permission to Mr. Harding to give a Kubelik concert in the Auditorium on the evening of November 28th on condition that the management would make a popular low price for seats for the advantage of the student body of the University, and that in return for this concession no charge would be made for the use of the hall.

The president desired the board to adopt a formal rule in regard to the policy of the University in such matters.

Voted that the president be requested to propose a recommendation on this subject.

WATER SURVEY BUDGET.

8. A statement from Edward Bartow, Director of the State Water Survey, concerning the estimate of expense for the State Water Survey for the year ending June 30, 1908.

URBANA, ILL., September 26, 1907.

Professor E. J. Townsend, Dean College of Science, University of Illinois:

DEAR SIR—I hereby submit a statement concerning the water survey for the coming year. Since I have had no reply to my letter of May 15th, asking for additional assistance from the University funds I have made my estimates accordingly. There was available July 1st

Balance Water Survey receipts	\$ 834 63
Appropriation	6,000 00
Allotment from the State Board of Health.....	1,000 00

Total	\$7,834 63
-------------	------------

Estimated expenses July 1, 1907, to July 1, 1908:

SALARIES.

Director	\$2,417 66
Chemist (Lewis I. Birdsall)	720 00
Student Asst. (P. J. Hanzlik)	300 00
Clerical Work (Lulu Gardner)	435 00
Clerical Work (Opal Lockwood)	330 00

Labor in Laboratory (Robert Myers)	300 00
Equipment	200 00
Printing	300 00
Express	200 00
Traveling Expenses	200 00
Postage	150 00
Miscellaneous	103 34

Total	\$6,055 00
Acting Bacteriologist (C. K. Calvert)	300 00
Acting Bacteriologist (S. E. Target)	375 00
Student Asst. (Frank Bachmann)	375 00

Total	1,050 00
Funds available for summer assistance and extras during the biennium	729 63

Total\$7,834 63

In explanation of the above will say that Mr. Birdsall has already been appointed by the trustees. That Messrs. Calvert and Target are registered as students in the University and will devote part of their time to the work in water bacteriology, and will be appointed acting bacteriologists to the State Board of Health. Their salary will be paid from the State Board of Health funds.

Mr. Hanzlik will carry on mineral water work, and Mr. Bachmann will assist in the sanitary chemical work. I am forwarding information blanks giving the training of these student assistants.

I would respectfully request that Mr. L. I. Birdsall be given the additional title of Assistant in Chemistry. Owing to the increased number of students taking water analysis, it will be necessary for me to ask him to devote a part of his time to instructional work.

Following is a summary of the instructional work to be given in water analysis during the coming year:

	Hours.	Students.
Chemistry 10a Sanitary Water Analysis	2	8
Chemistry 10b Sanitary Water Analysis for engineers.....	2½	7
Chemistry 11 Thesis in College.....	...	1
Chemistry 107 Research for graduates.....	...	1

In addition to this Mr. Birdsall has registered in Chemistry 107 and Messrs. Calvert and Hanzlik, in Chemistry 11, and Messrs. Target and Bachmann will do special work, which Professor Parr suggests, to be called Course 10c.

Respectfully submitted,

EDWARD BARTOW,
Director, State Water Survey.

Voted on motion of Mrs. Alexander that the proposed budget for the Water Survey for the year ending June 30, 1908, be approved.

FINANCIAL REPORTS BY STUDENTS' ORGANIZATIONS.

9. A recommendation from the Council of Administration that in the future all managers of student organizations shall be required to submit to the council through its auditing committee a sworn statement of their receipts and expenditures, and that the notary connected with the office of the Registrar be authorized to take the affidavits of such managers without expense to the student organizations concerned.

Voted that said recommendation be approved.

APPOINTMENTS.

10. A list of appointments made by the president of the University in accordance with the authority given him by the board, since the last meeting of the board.

Edward Berbaum, Assistant in the Machine Shop Tool Room, for the twelve months beginning September 1, 1907, at a salary of \$30 a month.

Frank L. Busey, M. E., First Assistant in the Department of Mechanical Engineering in the Engineering Experiment Station, the appointment to date from October 1, 1907, to July 1, 1908, at a salary of \$90.00 a month.

Mabel E. Condé, stenographer, assigned to work in the office of the Director of the Library School, half time, beginning September 20, 1907, at a salary of \$25.00 a month.

Mary E. Cooley, Clerk in the Mechanical Engineering Department, beginning November 1, 1907, at a salary of \$60.00 a month.

Neva E. Dolson, Stenographer in Professor Parr's office, beginning September 19, 1907, at a salary of \$40.00 a month.

A. D. Emmett, Research Assistant in Animal Chemistry in the Laboratory of Physiological Chemistry, for ten months beginning October 1, 1907, at a salary of \$100.00 a month, to be charged to the funds of the Agricultural Experiment Station.

Earl D. Finch, Stenographer to the Dean of the College of Law, beginning September 11, 1907, at a salary of \$15.00 a month.

V. R. Fleming, Instructor in Applied Mechanics, for the ten months beginning September 1, 1907, at a salary of \$110.00 a month.

Edward J. Fortier, Associate in French, for the two years beginning September 1, 1907, at a salary of \$1,500.00 a year.

G. C. Habermeyer, Instructor in Municipal and Sanitary Engineering, for the ten months beginning September 1, 1907, at a salary of \$130.00 a month.

P. E. Howe, Assistant Analyst in the Laboratory of Physiological Chemistry, for eleven months beginning October 1, 1907, at a salary of \$75.00 a month, salary to be paid from the Nutrition Investigation fund.

L. V. James, Assistant in the Electrical Laboratory, for the ten months beginning September 1, 1907, at a salary of \$50.00 a month.

Dr. Lily G. Kollock, Dean of Women, work and salary beginning September 1, 1907. The salary is at the rate of \$1,500.00 a year.

Agnes McGurty, Stenographer, assigned for work in Dean Townsend's office, beginning September 1, 1907, at a salary of \$50.00 a month.

H. H. Mitchell, Assistant Analyst in the Laboratory of Physiological Chemistry, for eleven months beginning October 1, 1907, at a salary of \$75.00 a month, salary to be paid from the Nutrition Investigation Fund.

H. C. Moran, Clerk of the Moot Court in the Law School, beginning October 21, 1907, at a salary of \$15.00 a month.

J. B. Peterson, Assistant Analyst in the Laboratory of Physiological Chemistry, for eleven months beginning October 1, 1907, at a salary of \$75.00 a month, salary to be paid from the Nutrition Investigation Fund.

Blanche Phillips, stenographer, assigned for work in Professor Hollister's office, beginning September 1, 1907, at a salary of \$55.00 a month.

F. W. Reed, Instructor in Astronomy, for the ten months beginning September 1, 1907, at a salary of \$100.00 a month.

Mayme L. Smith, stenographer, assigned for work in Professor Noyes' office, beginning September 1, 1907, at a salary of \$50.00 a month.

Lida E. Voigt, clerk and stenographer in the office of the Dean of the Graduate School, at the rate of \$55.00 a month, her salary to be charged to the appropriation of \$960.00 made for stenographic and clerical help in Dean Kinley's office.

E. H. Waldo, Assistant Professor of Electrical Engineering, for the academic year beginning September 1, 1907, at a salary of \$1,700.00.

R. T. Stull, Instructor in Ceramics, for the ten months beginning September 1, 1907, at a salary of \$140.00 a month.

It has been found necessary to make certain readjustments in the list of library employes owing to the resignation of three or four people and the transfer of certain persons from one position to another. I beg to call attention to the following changes in the salary list:

Elizabeth Forrest has been appointed reference assistant for ten months at \$60.00 a month, or total \$600.00.

I have appointed Helen V. Calhoun order assistant in place of Fanny R. Jackson, resigned, for a period of twelve months at a salary of \$65.00 a month, total \$780.00.

I have appointed Edith L. Spray loan desk assistant in place of Josie B. Houchens, transferred, for the period of twelve months at \$60.00 a month, total \$720.00. Miss Houchens I have appointed general assistant in place of Sabra L. Nason, with no change in salary.

The position to which Miss Forrest was appointed was authorized at the board meeting on July 6th, and Miss Derby was first appointed to that position, but subsequently resigned. At the same meeting a shelf assistant in library for twelve months at \$480.00 was authorized. It has been found desirable to divide this amount between two assistants on half time. I have, therefore, appointed Elmer A. Leslie as shelf assistant on half time for twelve months at \$20.00 a month, or total \$240.00, and Lea M. Western shelf assistant on half time for twelve months at the same remuneration.

I report here for record the scholarships and fellowships which have been granted in the Graduate School:

Elizabeth Ruth Bennett, \$250.00 scholarship in Mathematics.
 Lloyd Slote Dancy, \$250.00 scholarship in Physics.
 Anna Edith Day, \$250.00 scholarship in Classics.
 Rosa Sophia Drew, \$250.00 scholarship in Botany.
 Ethel Clara Forbes, \$250.00 scholarship in Modern Languages.
 Bruce Magill Harrison, \$250.00 scholarship in Zoology.
 Carl Henninger, \$250.00 scholarship in Modern Languages.
 Mabel C. Johnson, \$250.00 scholarship in Modern Languages.
 Seldon Gale Lowrie, \$250.00 scholarship in Political Science.
 Blaine F. Moore, \$250.00 scholarship in Political Science.
 Harry Cleveland Morrison, \$250.00 scholarship in Mathematics.
 Mary E. H. Owen, \$250.00 scholarship in Modern Languages.
 Luther Ewing Petty, \$250.00 scholarship in Mathematics.
 Adaline M. Shoop, \$250.00 scholarship in Latin.
 Carl John Strand, \$250.00 scholarship in History.
 Isabel M. Wait, \$250.00 scholarship in Modern Languages.
 Paul E. Werckshagen, \$250.00 scholarship in German.
 May Allison, \$300.00 fellowship in History.
 Howard Gray Bronson, \$400.00 fellowship in Economics.
 Clarence Edwin Carter, \$500.00 fellowship in History.
 Alfred Wilhelm Homberger, \$300.00 fellowship in Chemistry.
 Emma Gertrude Jaek, \$300.00 fellowship in German.
 Adeline M. Jenney, \$300.00 fellowship in English.
 M. A. Lane, \$500.00 fellowship in Physiology.
 Katherine A. W. Layton, \$500.00 fellowship in German.
 Ernest Shaw Reynolds, \$300.00 fellowship in Botany.
 Millicent Stebbins, \$300.00 fellowship in German.
 Edward Beattie Stephenson, \$300.00 fellowship in Physics.

NUTRITION INVESTIGATIONS.

11. Report from Professor Grindley regarding the present status of the investigations connected with the Nutrition Club and the plan of the nutrition experiments as revised by Grindley, Hawk, and MacNeal:

LABORATORY OF PHYSIOLOGICAL CHEMISTRY.

October 17, 1907.

President Edmund J. James, University of Illinois:

MY DEAR PRESIDENT JAMES—I hereby wish to make the following report regarding the present status of the investigations connected with the Nutrition Club. The two houses which were rented for the purposes of these experiments have been neatly and cheaply furnished in a sanitary manner. The houses have been fairly well fitted up for the purposes of the club. In connection with the club we have a matron and a good chef. The routine work of keeping the houses clean and in running condition and the work connected with the kitchen and the serving of meals is done almost exclusively by students of the University; who are deserving and in part working their way through the University.

The club of twenty-four University students has been completely formed, and the experiment has been launched in a manner which promises much for the future. At present the twenty-four men are all rooming in the houses. They are also being fed upon the diet which was determined upon and selected by the Commission. The men selected for the work vary in age from 19 to 31 years. They average in weight 141 pounds. The students are distributed between the classes as follows: Four seniors, five juniors, eleven sophomores and four freshmen. They were given a fairly rigid medical examination by the methods approved by the Commission and outlined in detail in another communication which I am submitting herewith. I am convinced that by the aid of Doctors MacNeal, Chapin, and Rutherford, a very desirable group of young men has been selected, considered from the standpoint of studentship, intelligence and physical condition. All of the men apparently are earnest in their endeavors to carry out the work which we have in hand, and most of them, if not all of them, are interested in the industry. We have had no trouble in getting our full quota of men. We have had eighty-five volunteer applications for the club. We have given the medical examination to forty-three men and from these we have selected the twenty-four men which now form the club. The men who were given the medical examination and not accepted were in one way or another subject to chronic irregularities which would probably interfere with their being subjects continuously for a period of ten months as desired for the purpose of our experiments. The men are given their rooms and board for acting as subjects. They receive no further compensation except the training and discipline which they necessarily get as a result of being connected with the undertaking. All of the foods supplied each individual of the club will be accurately weighed and carefully and very completely analyzed. All of the excreta of each member of the organization will be collected and weighed and exhaustively examined chemically, microscopically, and bacteriologically.

The details of the various lines of work connected with the investigation which has been thoroughly planned are proving on application to work well. The scientific data which result from such a large undertaking are accumulating at present rapidly, and it is quite apparent that our investigations will yield results of unusual importance and of far reaching significance in this field of scientific investigation. The laboratories which are used in connection with this work, namely, the chemical, bacteriological, physiological, and medical, have been somewhat improved and added to at the expense of the University for this special work. They now are quite well fitted for our purposes.

The investigation is an unusually large undertaking. It differs from all similar investigations mainly in five points. In the first place, a much larger group of men is taken for the study than has ever been taken before in such work. In the second place, the experiment is to continue for a much greater length of time than any previous experiment of this nature. In the third place, a more thorough and extensive study is to be made upon the foods used, upon the excretory products and upon the subjects of the experiment than has yet been made. In the fourth place, the men are served their food under conditions entirely similar to those used in everyday life. Such has

not been the case in previous experiments of this kind. In the fifth place, the medical examination is much more complete and thorough than it has been in previous experiments.

The best way to give an idea of the extent of the undertaking is to say that there is at present a force of thirty people not including the twenty-four members of the club, working in connection with the research. Their investigation has now progressed far enough to demonstrate clearly that it can be brought in every respect to a successful termination. That being true, the investigation will probably necessitate that all future experiments of the character of this which we are doing at the University of Illinois will have to be done upon as broad and as rational a basis if they are to be given due credit and received with confidence. Further, the successful termination of our present investigation will undoubtedly, it seems to me, necessitate that experiments done previously to this one will have to be repeated upon a basis at least as rational as that being carried out here at present in order that the results of the earlier work may be duly verified.

Yours very truly,

H. S. GRINDLEY.

RAILWAY TEST CAR OPERATION.

12. A communication from Dean White as to the operation of the railway test car upon the lines of the Illinois Traction System:

URBANA, ILL., October 8, 1907.

President E. J. James, University of Illinois:

DEAR SIR—Dean White has asked me to give you a statement of the facts concerning the refusal of the Illinois Traction System officials to continue to operate our electric test car.

Tuesday, October 1st, Mr. Wenger went to Danville to try to arrange for a series of tests. He applied for this purpose, as usual, to Mr. Connor, Superintendent of Transportation, who informed him that he had had from Mr. Johnson, General Superintendent, orders not to operate the car.

Mr. Johnson was then interviewed and explained that he had received from the General Manager, Mr. Fischer, a letter which stated simply that the test car was no longer to be operated, no reasons for the order being stated. This order was issued to Mr. Connor about September 23d.

After consultation with Dean White, I sent Mr. Fischer a letter, a copy of which is attached. His reply was received this morning and is enclosed.

EDWARD C. SCHMIDT,

Associate Professor of Railway Engineering

URBANA, ILL., October 4, 1907.

Mr. L. E. Fischer, Gen. Man. Illinois Traction System, Danville, Ill.:

DEAR SIR—Upon applying Tuesday to Mr. Johnson and Mr. Connor for permission to begin operating our electric test car for the instructional work of the year, we learned that orders have been issued that the car be not now allowed upon the road.

May I ask whether this order applies only temporarily, and, if so, when and under what circumstances we may again be permitted to have the car operated?

If the order is to apply permanently I should be glad to know whether anything in the conduct of these tests hitherto has so inconvenienced you as to make the change necessary. If this is the case I am confident that we could remedy such conditions.

Very truly yours,

EDWARD C. SCHMIDT,

Associate Professor of Railway Engineering

(File E. C. S. 520).

DANVILLE, ILL., October 7, 1907.

Prof. Edward C. Schmidt, Associate Professor of Railway Engineering, Urbana, Illinois:

MY DEAR SIR—Referring to your letter of October 4, your File E. C. S. 520: I suggest that the matter of moving the test car over our rails be taken up regularly with us by your Board of Trustees. We will be very glad to consider any request they may have to make.

Very truly yours,

[Signed] L. E. FISCHER,
General Manager.

VISITORS IN CLASSES.

13. A recommendation from the Council of Administration that the following rule be adopted with reference to attendance upon University classes by persons not regularly registered as students.

Permission to attend classes regularly as listeners only, may be given to persons who are not registered in the University, on the following conditions:

1. They must first secure the consent of the instructors concerned and of the dean of the college in which the courses are given.

2. They must pay a semester fee of \$7.50 for each course attended.

3. No instructor shall admit any such listener to any of his classes except on presentation of a written certificate showing that he has complied with the above conditions. This certificate, when properly signed, shall be filed with the dean of the college.

It is understood that this privilege is to be extended only so far as may be consistent with the interests of regular University work and may be withdrawn at any time, after due notice, when, in the judgment of the University authorities, the presence of such listeners would be detrimental.

Voted that the said recommendation be approved.

SCHOOL OF PHARMACY.

14. A letter from Professor Goodman in regard to new quarters for the School of Pharmacy.

Voted on motion of Mrs. Alexander to refer the same to the Committee on the School of Pharmacy with a request for a report.

INVESTIGATION OF DAIRY MATTERS IN OTHER COUNTRIES.

15. A communication from Dean Davenport indorsing a recommendation from Professor Fraser in regard to sending Mr. C. C. Hayden to make a study of dairy matters.

COLLEGE OF AGRICULTURE, October 15, 1907.

President E. J. James, University of Illinois:

DEAR MR. PRESIDENT—I am in receipt of the enclosed communication from Professor Fraser, head of the department of Dairy Husbandry.

This is the first request from the head of one of our departments for permission to dispatch a man to make systematic investigation of the agricultural conditions in other and competing countries.

I most heartily endorse Professor Fraser's recommendation. We need this information, and we should secure it at first hand by a competent man. It will, of course, cost some money to send Mr. Hayden to these places, but I believe it is one of the most rapid and certain means of advancing these interests. It is understood that this trip would be in the interest of experiment station work and not college work.

Hoping that our recommendation may meet your judgment and that of

Respectfully yours,
E. DAVENPORT.

COLLEGE OF AGRICULTURE,
URBANA, ILL., October 11, 1907.

Dean E. Davenport, College of Agriculture, University of Illinois:

DEAR DEAN DAVENPORT—Owing to the advance in land valuation and the increased interest in the dairy industry, it is of the utmost importance that we learn how to produce the maximum amount of milk per acre. In order to make the demonstration already begun on the University twenty-acre dairy farm of still greater value, comparative data should be obtained from those countries where the most intensive dairying is practiced. In Denmark, Holland, The Channel Islands, and parts of Scotland, dairying is carried on almost exclusively and made profitable on land valued at from \$400.00 to \$1,000.00 an acre. From these countries much can be learned along the line of economic milk production that will be beneficial to dairy operations throughout the country. I would suggest that the coming summer Mr. Hayden be sent over to visit these countries for the purpose of investigating economic milk production and securing data that will assist us in this problem here.

Mr. Hayden has had much experience in dairying and is scientific, careful and conscientious. During the entire four years that he has been connected with the University he has availed himself of only two months' vacation.

If definite action could be taken upon this matter soon, much time and expense might be saved by formulating plans for the investigation through correspondence.

Very truly yours,

W. J. FRASER.

Voted on motion of Mrs. Evans that said recommendation be referred to the Committee on Agriculture with a request for a report.

THESES; INSTRUCTORS OF GRADUATE COURSES.

16. Two recommendations from the executive faculty of the Graduate School:

1. Candidates for the doctor's degree must print their thesis and deposit one hundred copies of the printed thesis with the Dean of the Graduate School, for deposit in the library, not later than five o'clock of the first Monday in June. If the thesis is not printed and deposited by the time above named, the candidate must deposit, at that time, with the comptroller a bond acceptable to the comptroller and the Dean of the Graduate School, for the cost of printing his thesis.

2. No one who has not received a higher degree, or has by his publication shown his qualification for the work, may take charge of the major work of candidates for an advanced degree without permission of the executive faculty of the Graduate School, and the approval of the president.

Voted that said recommendation be approved.

ASSIGNMENTS OF FUNDS.

17. A request from the comptroller that the balance of the sums appropriated by the Legislature for specific purposes be now assigned by the board to said purposes, and that the balance of sums already appropriated by the board for salaries from these specific appropriations but which may not be used during the present year owing to the fact that the positions may not be filled, be appropriated for the same purposes.

Voted that said appropriation be made.

CHEMICAL LABORATORY.

18. A request from the Director of the Chemical Laboratory that four thousand dollars be appropriated to the Department of Chemistry for the present academic year, in addition to the ten thousand dollars already as-

signed from the special legislative appropriation for the support of the chemical laboratory and the eight thousand dollars estimated as the income from the laboratory fees. The appropriation for salaries will show a balance of about this amount, owing to our inability to make recommendations of candidates for certain positions.

Voted on motion of Mr. Lehman that said appropriation be made.

WOMAN'S HALL.

On the recommendation of the Committee on Students' Welfare and on the motion of Mrs. Alexander, one thousand dollars was appropriated for Woman's Hall, to be expended under the supervision of the Committee on Students' Welfare.

STUDENTS' FEES AND REPORTS OF THEM.

Mr. Pillsbury presented two matters with regard to the registrar's office, especially concerning students' fees and reports of the same to the board. He was directed to take up these matters with the Committee on Finance in order that a report might be made to the board at its next meeting.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of December 10, 1907.

The regular meeting of the Board of Trustees of the University of Illinois was held at the University in Urbana, December 10, 1907.

When the board met the following members were present: Messrs. Abbott, Blair, Davison, Hatch, Lehman and Mrs. Alexander, Mrs. Evans, and Mrs. Busey; absent, Governor Deneen and Mr. Madden.

President James was present.

The secretary presented the minutes of the meeting of September 10, 1907, and of the special meeting of October 19, 1907, and these were approved as presented.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. The department of grounds made a request, approved by Dr. Burrill, for an appropriation of four hundred and fifty (\$450.00) dollars for the purchase of a team to be used in the care of the grounds.

Voted on motion of Mr. Blair that this request be referred to the Committee on Buildings and Grounds with power to act, adding to the committee, for the purpose of considering this item, Mr. Hatch.

2. The Illinois Pharmaceutical Association at its annual meeting in Galesburg last June, selected a list of three men from which the University under the agreement with the Illinois Pharmaceutical Association, is to choose one as member of the advisory board of the School of Pharmacy in place of Mr. Walter H. Gale, whose term of office expired July 1, 1907. The names of the following persons are presented for the consideration of the board:

Walter H. Gale, Chicago.

Edward S. Patten, Carbondale.

G. N. Cunningham, Champaign.

Voted on motion of Dr. Davison that Mr. Gale be elected as member of the advisory board of the School of Pharmacy for a term of five years from July 1, 1907.

3. Professor White, Supervising Architect, requests that the Board of Trustees authorize some committee to accept the auditorium chairs, the lighting fixtures, the heating and plumbing fixtures, and the tunnel connecting the heating plant with the auditorium, in order to close out these contracts.

Voted on motion of Mr. Blair that the Committee on Buildings and Grounds be authorized to accept the work done under these contracts as soon as it is completed satisfactorily, and close the contracts.

4. The Military Commandant requests that the trustees shall establish a first prize to be given to the winner of the annual individual competitive drill to be known as the University of Illinois gold medal; further that the Hazleton gold medal which under the conditions made by the donor, is to be worn by the winner only during the school year immediately following the date on which it was won, be awarded to the cadet winning second place in the individual competitive drill.

Voted that this matter be referred, with power to act, to the President of the University, the Military Commandant, and the president of the board.

5. Dr. Dexter resigned his position as Director of the School of Education in the summer. I found it necessary to ask Professor Colvin to assume the duties of director of the school. He has been performing these duties faithfully and will continue them during the present academic year. They have constituted a very serious addition to his burdens. I think he should be remunerated for this extra work.

Voted on motion of Mr. Blair that the same remuneration be given him as was given Dr. Dexter, namely five hundred dollars (\$500) for the academic year 1907-08.

LIBRARY; OFFICES.

6. One of the most serious situations now confronting the University is the equipment and housing of our University library. We have obtained from the legislature an appropriation for the extension of our collections. The stack room in the library is now full. The reading rooms during the busy hours of the day are practically crowded so as to admit no additional students. Some definite plan ought now to be adopted looking toward an adequate provision for the immediate future.

The Council of Administration has considered this matter and makes the following recommendations.

1. That the senate room be provided with book shelves to the height of seven feet or more around the room; that the Dittenberger library be immediately unpacked and housed in these shelves and that if this library should not require the entire shelving, the rest shall be assigned to the department of English or history as circumstances may make most desirable.

2. That the stack room of the library be immediately completed by adding two stacks in the present Library School room.

3. That the offices of the President, the Registrar, the Comptroller, the Purchasing Agent and the Dean of Undergraduates be provided for temporarily in one or the other or both of the new buildings now to be erected.

4. That the Library School be provided for in the rooms thus vacated and that any rooms not thus required for the Library School be converted into seminar rooms, in accordance with the original plans of the library.

I believe that if this recommendation of the Council be followed and these arrangements be completed within a year or fifteen months it will be possible to get the necessary relief from immediate pressure.

Voted on motion of Mr. Lehman that said recommendations of the council of administration be approved and that the president be directed to take the necessary steps toward carrying them into effect, and the money needed for the shelving in the Senate room was appropriated.

7. A report upon the work done by Professor Parr in his coal investigations.

8. The Dean of the College of Engineering, requests that William C. Bradford be appointed as additional assistant in the machine shop from December 1, 1907 to July 1, 1908, at a salary of eighty-five (\$85) per month.

Voted on motion of Mr. Lehman that said appointment be made.

9. Mr. Charles E. Sargent has presented to the University a gas engine possessing more than ordinary value. The University will have to supply a foundation for the engine and will probably have to meet the cost of transportation. The Dean of the College of Engineering recommends that this gift be accepted and that the Trustees express their appreciation therefore to Dr. Charles E. Sargent.

Voted on motion of Mrs. Alexander that the gift be accepted and that the secretary of the board write a formal letter of acknowledgment to Mr. Sargent.

LABORATORY OF NATURAL HISTORY.

10. The report of the Director of the State Laboratory of Natural History.
URBANA, ILLINOIS, DECEMBER 9, 1907.

To the Board of Trustees of the University of Illinois:

The work of the State Laboratory of Natural History in progress at the present time comprises the elaboration and discussion of the data of a year's continuous statistical investigation of the bird life of the State; a study of the mammals of the State, to which the time of one assistant is devoted; the preparation of a list of the *Orthoptera* of the State, now nearly completed; the preparation of a report on the distribution of Illinois fishes; the publication of a second report on the plankton of the Illinois and its adjacent waters, now in process of printing, and the collection and preparation of economic insects for distribution to the public schools.

Two assistants, Mr. A. O. Gross and Mr. H. A. Ray, engaged for the year ending August 23, 1907, in the collection of numerical data for a determination of the average bird population of the State, traveled on foot 1,592 miles, and recognized and listed 30,570 birds belonging to 157 species, the actual bird population of 44.24 square miles. This was an average for the year of 691 birds per square mile for the whole State, equivalent to a population in Illinois of about 39,000,000 birds. These observers crossed the State four times in the course of their observations, once in northern, twice in central, and once in southern Illinois, and travelled the greater part of its length three times, once through the center of the State and once each on its eastern and western borders. They also spent the three summer months in local travel and observation in the three divisions of the State—northern, central and southern, for a determination and enumeration of the summer resident birds. I am now concluding a paper giving the results of these mid-summer observations; and we have nearly completed the mathematical work for the data of the entire year.

Mr. F. E. Wood, engaged in a study of Illinois mammals, made a special investigation last spring of the damage done by moles to newly planted corn near Jacksonville, collecting material for a determination of the actual food of these animals, and studying their habits and operations in the field. He has also done extensive collecting work in Champaign and adjacent counties, and has made trips to the peculiar sandy region of Mason county and to the extreme lake region of northern Illinois. He will go, during the winter, to extreme southern Illinois for a collection and study of the mammals of that district. He has prepared many skins and other specimens of all the species encountered, and has thoroughly indexed the literature of his subject for convenient reference.

I have completed this fall, and have ready for publication, a paper on the general and local distribution of Illinois fishes, containing the results of a careful analysis of our collections made during the last thirty years. The distribution of each species in the State has been accurately mapped, and the different sections and river systems of the State; and its different geological areas, have been brought into comparison with each other in respect to their fish population. The Illinois species have likewise been compared and classified with reference to their distribution outside of the State in a way to show

how our fish fauna is related to that of the country at large. The manuscript of my general report on Illinois fishes is now being typewritten for the printer, and will follow in press closely upon the plankton bulletin now being printed.

I am planning next to enter upon a department of survey work not heretofore undertaken by us, in which, however, a considerable and rapidly increasing interest is manifested by the public at large. The law establishing the State Laboratory of Natural History at the State University provides that the director of the laboratory "shall conduct a natural history survey of the State, giving preference to subjects of educational and economic importance." A subject of special economic importance is the maintenance and increase of the supply of our forest products, and the necessary foundation of an intelligent practical program to that end is a survey of our present forest area, and particularly of those parts of it little likely to be eventually cleared for agricultural use. I propose, consequently, to begin, during next year, a piece of forestry survey work in the hill-lands of southern Illinois, to lead to the publication of a bulletin on the subject next fall, and hope to have the cooperation and assistance of the United States Forestry Department in this preliminary work. With such a beginning I should expect to be able to interest the State legislature in a suitable provision for its continuance and expansion according to its present and prospective importance.

Respectively submitted,
S. A. FORBES,
Director of Laboratory.

NUTRITION INVESTIGATIONS.

11. From Professor Grindley a report of the progress in the matter of nutrition investigation.

LABORATORY OF PHYSIOLOGICAL CHEMISTRY.

December 10, 1907,

President Edmund J. James, University of Illinois,

DEAR PRESIDENT JAMES—I submit herewith a report of the progress of the nutrition investigations. The work in all lines has been thoroughly organized, and the complete details involved in the original plans are being at present carried out. The investigation grows rapidly as we proceed with it. The undertaking is even much greater than we had anticipated. Notwithstanding this fact as yet we are able to manage the work successfully. To accomplish this is requiring much help, and the expense attending the entire investigation is large. The people connected with the researches last month not including the Nutrition Club itself numbered 50 and the pay roll amounted to \$1,461. Of course a considerable number of these helpers devoted only part of their time to the work. It will be necessary for us to add two or three more analysts in the very near future. The experimental data including the analytical, clinical, medical, and bacteriological, are at present accumulating rapidly and forming a very valuable collection of information. The members of the Commission, namely, Professors Chittenden, Abel, Smith, and Mathews, will meet in conference here at the University Friday afternoon and Saturday, December 27th and 28th. The detailed plans of the various lines of work have been placed in their hands some time ago, and at the coming meeting these will be thoroughly gone over and the members will be shown in full the laboratories and the equipment which we are using in carrying out the work. At the same time we will put before them as far as possible the data at that time available. If my report to you of October 16th was not presented to the Trustees, I should think it desirable that this should be done, since it would place clearly before them the condition of the work at that time. If you deem desirable, we should be pleased to have a committee of the Trustees or the entire Board inspect the work in so far as they desire. I enclose herewith copies of the detailed methods which were sent the Commission some time ago.

Yours very truly,
H. S. GRINDLEY.

12. A request from the committee of the class of 1908 that the said class be permitted to erect a bronze memorial tablet in the Auditorium as a gift to the University.

Voted on motion of Mrs. Alexander that the President of the University may accept such gift upon the recommendation of a committee appointed by him to pass upon its artistic merits and to recommend the exact place of its erection in the Auditorium.

PURCHASE OF BAND INSTRUMENTS.

URBANA, ILLINOIS, December 10, 1907.

To the Board of Trustees of the University of Illinois:

Your special committee on purchase of musical instruments recommends that the Purchasing Agent secure the band instruments, selecting them from the attached bids after consultation with the President of the University and representatives from the School of Music, the whole purchase price not to exceed the appropriation.

Respectfully submitted,

CHAS. DAVISON,
LEWIS L. LEHMAN,
FRED L. HATCH,
MARY E. BUSEY,
Committee.

Dr. Davison moved the adoption of the report. Mrs. Alexander moved that the report be recommitted. This motion was lost, and the motion to adopt was then passed.

SCHOOL OF PHARMACY.

Dr. Davison from the Committee on the School of Pharmacy reported progress, and asked for further time, which was granted.

COLLEGE OF MEDICINE.

Dr. Davison from the Committee on the College of Medicine reported progress, and asked for further time, which was granted.

COLLEGE OF AGRICULTURE.

Mr. Hatch from the Committee on Agriculture presented the following report, and moved its adoption:

URBANA, ILL., November 25, 1907.

To the Board of Trustees of the University of Illinois:

In behalf of the Committee on Agriculture, to which certain questions have been referred, I beg to report as follows:

1. The matter of changes in the general offices of the Agricultural Building was referred to this committee with power and it reports that such changes have been authorized as per the plans presented. For this purpose the committee requests an appropriation of \$1,500 to cover the estimates of the supervising architect.

2. The question of dispatching a member of the dairy department to the dairy regions of northern Europe was referred to this committee for recommendation. It appears that in connection with the experiments in progress in intensive dairying it is well to secure all the information possible of processes now in vogue in northern Europe. The information needed is not of the character which a teacher would be expected to possess himself; it is

rather of that particular nature involved in research work. It appears to your committee that it is not only wise to secure all such information possible in connection with definite experiments, but that it would be an oversight not to do so. We therefore recommend that a suitable member of the dairy department be authorized and directed to visit the intensive dairy regions of northern Europe, and the President of the University is authorized to appoint said man. The committee further recommends that the sum of \$700, or so much thereof, as may be necessary, be appropriated out of the funds for dairy investigation to cover the expenses of this trip.

3. The method of making purchases for the University by requisition is not well adapted to the ways in which live stock must be bought. That is to say the requisition follows the actual purchase. It is only a question of time when this will lead to great embarrassment for somebody. We therefore recommend that the board of Trustees provide a special method for making live stock purchases, by giving direct authority to certain individuals to make such purchases without a requisition, always under appropriations previously made by the board of Trustees.

4. In the progress of investigations with soils and with crops there is coming to be a need for a few long-time leases, and the occasional purchase of land. The nature of the business is such that well-defined methods of procedure ought to be provided. We therefore recommend that all leases running ten years or less, may be signed by the head of the department interested on behalf of the University; that leases running for longer than ten years should be signed by the comptroller, who may also sign contracts for purchases when necessary to practically close the deal before the purchase can actually be made by the Trustees themselves, provided that all leases are made with the privilege of the board of Trustees of the University to terminate any lease at the end of any biennial period, and that contracts for sales shall be made subject to the action of the Trustees.

5. The committee finds that because of dispute the University is without a south line fence on the portion of the farm assigned to the dairy department. The records show that on September 25, 1906, the Trustees ordered a fence built on the old line. This was done but the owner of the land adjoining has torn it down. The committee therefore recommends that Dean Harker, who has the legal aspect of the case in hand, be directed to exact the consent of Mr. Sullivan, the owner of the adjoining land, for the erection of the fence upon the old line or else, without further delay, to throw the case into the courts to determine where the line shall be.

All of which is,

Respectively submitted,

FRED L. HATCH.

It was decided to consider the several items of the report separately.

On motion of Mrs. Alexander the recommendation with regard to changes of offices in the Agricultural Building was approved, and the appropriation of \$1,500 was made.

Mr. Hatch moved the adoption of the second item of the report and the appropriation of \$700.00. The motion was adopted.

Mrs. Busey asked for a roll call, but the president of the board decided that, as the request for a roll call was not made until after the vote had been announced it was out of order.

Mrs. Alexander appealed from the decision of the president, and the appeal was not sustained.

Mrs. Busey asked to be recorded as voting no on the original motion and it was so ordered.

After some discussion the third item with regard to purchases of live stock was withdrawn by Mr. Hatch.

The fourth item with regard to leases and purchases was laid on the table on motion of Dr. Davison, and the President of the University was asked to consult with Judge Harker with regard to the proper procedure in making such leases and purchases.

Mr. Hatch moved the adoption of the recommendation with regard to the south line fence, and the motion prevailed.

ELECTRIC LIGHTING; FIRE PROTECTION.

The secretary presented the following recommendation from the Chairman of the Committee on Buildings and Grounds.

CHICAGO, ILL., Dec. 6th, 1907.

Mr. W. L. Pillsbury, Secretary University of Illinois, Urbana, Illinois.

DEAR SIR: Attached is a report of the inspection of the electric light and power wiring in the University building made by Mr. H. B. Gear upon the order of the chairman of the Buildings and Grounds Committee.

After receiving this report I sent a copy of it to the Supervising Architect of the University, directing him to have our entire electric system gone over, and the faults which were pointed out in the report corrected.

This report, which comprises eight type written pages, was very thorough, and while many criticisms of the existing conditions were made these criticisms related, for the most part, to minor matters or to a style of work which was acceptable years ago before the art had developed to its present standard.

The last paragraph of the report reads as follows:

"In general I may say that the condition of the electrical equipment of the University buildings, as a whole, is rather better than in the average group of buildings of its size, and compares favorably with any similar group used for either commercial or educational purposes, with which I am acquainted."

As there is no insurance upon the University buildings, and as the loss by fire of one or more of our buildings would fall ultimately on the State, but primarily on the University, I am of the opinion that it should be the policy of the board, which is responsible for the safety of these buildings to have careful inspections made by disinterested inspectors at least once a year, and, carrying out this idea, I recommend that an appropriation of \$50.00 be made to cover the cost of a careful inspection of our fire protection apparatus, and of the general condition of the property as regards fire risks.

Very respectfully submitted,

W. L. ABBOTT,

Chairman Building and Grounds Committee.

The recommendation with regard to an inspection of the fire protection apparatus and the condition of property as regards fire risks was adopted, and the appropriation of \$50.00 for the inspection this year was appropriated.

The board adjourned to meet at the Palmer House in Chicago at 3:00 o'clock p. m. Thursday, December 12, 1907.

Adjourned Session, December 12, 1907.

When the board met at the Palmer House in Chicago pursuant to adjournment there were present Messrs. Abbott, Davison, Lehman, Madden and Mrs. Evans, Mrs. Alexander, and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Hatch. President James was present.

TREASURER'S REPORT.

The secretary presented the treasurer's report, for the quarter ending September 30, 1907, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,

Treasurer.

FINANCE COMMITTEE.

The secretary reported that the president of the board had notified him of the appointment of Mr. Lehman as Chairman of the Committee on Finance in place of Mr. McLean, deceased, and of the appointment of Mrs. Busey as a member of the committee.

STUDENT'S FEES.

The registrar presented a statement of the fees due from students attending the University summer session in 1907 and the College of Medicine summer session in 1907. These reports were referred to the Finance Committee.

The following report of the Finance Committee was adopted on motion of Mr. Lehman:

URBANA, ILLINOIS, December 10, 1907.

To the Board of Trustees.

Your Committee on Finance recommends—

1. That the registrar be authorized to give students leaving the University for good reason, before the middle of the semester, rebate checks for half of any incidental fees paid, or of fees paid as special or conditioned students, provided such rebates are asked for before the end of the semester.
2. That a student entering the University after the middle of the semester be charged but half the incidental fee, and but half of the condition or special fee, if he be a special or conditioned student.
3. That adjustments of fees for any semester shall, after the close of the semester, be made by the business office.

Respectfully submitted,

LEWIS L. LEHMAN,
GEO. H. MADDEN,
MARY E. BUSEY,
Finance Committee.

FILIPINO STUDENTS.

It was voted that the Filipino students in attendance at the University by direction of the Government, to the number of twelve, be granted exemption from the payment of tuition fees.

BOND FOR RIFLES.

The secretary presented a letter from Colonel Fechet asking for the execution by the University of a bond in the penal sum of \$216.00 to cover the issue to the University by the War Department of six gallery practice rifles, and it was voted, on motion of Mr. Madden, that the president of the board be authorized to execute such a bond.

AUDIT COMPANY'S REPORT.

Mr. Lehman presented the Audit Company's report for the six months ending June 30, 1907:

THE AUDIT COMPANY OF ILLINOIS.

CHICAGO, AUGUST 13, 1907.

Alexander McLean, Esq., Chairman of Finance Committee, Board of Trustees, University of Illinois, Urbana, Illinois.

DEAR SIR—Agreeably with your instructions, we have examined the books and accounts of the comptroller's office for the period January 1, 1907, to June 30, 1907, and submit the following statements as reflecting their condition:

Exhibit A—Trial balance January 1, with cash, warrant and transfer entries to June 30, with trial balance at June 30, 1907.

Exhibit B—Statement of cash receipts and disbursements, January 1, to June 30, 1907.

Exhibit C—Reconcilement of chief clerk's cash balance.

Exhibit D—Reconcilement of treasurer's cash balance.

Exhibit E—Vouchers missing.

Exhibit F—Differences between records of registrar and chief clerk, first semester 1906-1907.

Exhibit G—Differences between records of registrar and chief clerk, second semester 1906-1907.

Exhibit H—Errors on records of chief clerk.

Exhibit I—Students' fees and deposits shown on registrar's sheets, for which no receipts are shown by chief clerk.

Exhibit J—Students' fees and deposits unpaid, first semester.

Exhibit K—Students' fees and deposits unpaid, second semester.

The vouchers for all disbursements were carefully examined and compared with warrant register, and found to have been properly made out and entered and were all duly authorized for payment with one exception as noted on our exhibit E, which exhibit also gives a list of vouchers which were not on file at date of this audit.

The receipts for students' fees and deposits, for first and second semesters of 1906 and 1907, were compared with the records of the registrar and were also checked against the cash book entries, the exceptions and errors being noted on our exhibits F, G, H and I.

At the commencement of our audit we found the chief clerk's cash \$719.28 in excess of the balance called for by the cash book.

This surplus in cash was reduced to \$93.12 and this amount charged up on the cash book August 2d to balance cash on hand with cash book balance. (See exhibit C.)

We would suggest in this connection that the cash be balanced every day. In this manner errors could be promptly detected, while at present the cash differences keep increasing and causing a considerable amount of worry and work to adjust.

We would suggest that a new form for students' fees and deposit receipts be used.

As outlined to your chief clerk, Mr. O. E. Staples, this receipt should be made with two stubs, one to remain in the receipt book, thus retaining the alphabetical arrangement of students' names; the second stub to be detached and become the record for the daily cash receipts.

In this manner, each day's receipts can be proven with the cash book entries, obviating the necessity of checking five thousand receipts in order to detect an error.

The labor entering warrants in the warrant register could be materially lessened by making one entry for the aggregate of each pay roll, instead of entering in detail the names appearing on each roll.

These suggestions are made to minimize the possibility of error and to lessen the clerical labor of your accounting force.

Yours very truly,

C. W. KINSELY, C. P. A.,
President.

REPORT ON UNIVERSITY EXPENDITURES.

The comptroller presented copies of reports made to Governor Deneen by F. D. Whipp, Department and Institution Auditor.

On motion of Mr. Lehman it was voted to return to the State Treasury the unused balance of the appropriation made for payment of taxes on Minnesota lands.

On motion of Mr. Madden it was voted to return to the State Treasury the balance of appropriations made for the support of a vaccine laboratory, \$2,429.73.

It was also voted that the comptroller prepare a uniform blank to be used for expense reports.

Mr. Whipp's reports and the accompanying papers were then referred, on motion of Mr. Lehman, to the Committee on Finance.

BUSINESS ORGANIZATION AND METHODS.

The president of the board presented the following communication :

CHICAGO, December 12, 1907.

To the Board of Trustees of the University of Illinois.

The existing business organization and methods of the University were, in a great measure, fixed by regulation and by custom long before the business of the University attained anything like its present magnitude, and while these methods may have been satisfactory at one time, their inefficiency in some respects at the present time is made manifest by numerous complaints and criticisms which have come both from within and from without the University organizations regarding the practical operation of our present system.

This board could, from time to time, make changes in these regulations which would effect an improvement in some directions, but I am of the opinion that better results and more immediate relief would be obtained by referring to a special committee, appointed for the purpose, the whole question of revising our business organization and regulations; the committee to make a thorough examination of our methods and report to the board a recommendation for a complete system of organization and rules governing same.

I, therefore, recommend the appointment of such a committee, consisting of the President of the Board, the Chairman of the Finance Committee, the President of the University, the Secretary of the Board and the Comptroller of the University; and that an appropriation of \$250.00, or so much thereof as may be necessary, be placed at the committee's disposal for the purpose of employing expert advisers, or for any other purpose which may properly come within the scope of the proposed investigation.

Very truly yours,

W. L. ABBOTT,

President, Board of Trustees.

The recommendation of the president was approved, and the appropriation made on motion of Dr. Davison.

REPORT OF THE COMPTROLLER.

The comptroller presented the following report, which was referred to the Committee on Finance:

URBANA, ILLINOIS, December 10, 1907.

W. L. Abbott, President Board of Trustees, University of Illinois.

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriation September 30, 1907.

Paper B is a statement of the state appropriation September 30, 1907.

Paper C is a statement of the United States fund September 30, 1907.

Paper E is a statement of the United States Agricultural Experiment Station appropriations September 30, 1907.

Paper F is a statement of the School of Pharmacy appropriations September 30, 1907.

Paper G is a statement of the College of Medicine appropriations September 30, 1907.

Paper H is an estimate of the receipts and expenses for the twelve months ending June 30, 1908.

Paper I is a list of the appropriations the Board is requested to make at this time.

Paper L is a report of the receipts by the Chief Clerk for the three months ending September 30, 1907.

Paper M is a list of the general University vouchers presented for audit, being Nos. 1 to 2650, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 1 to 92, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit, being Nos. 1 to 70, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 1 to 264, inclusive.

Paper R is an inventory of books, apparatus, equipment, supplies, etc., as of July 1, 1907.

Respectfully yours

S. W. SHATTUCK,
Comptroller.

APPROPRIATIONS.

On motion of Mr. Lehman appropriations were made as recommended by the comptroller in paper "I" above.

BY-LAWS OF THE BOARD; STATUTES.

On motion of Mr. Lehman it was voted that a committee be appointed to revise the by-laws of the board and also the University statutes. President Abbott appointed on this committee Messrs. Lehman and Hatch and Mrs. Evans, President James, and Mr. Pillsbury.

LAWS REGARDING THE UNIVERSITY.

On motion of Mrs. Busey the secretary was directed to prepare a new edition of the United States and State laws with regard to the University.

ELECTRIC TEST CAR.

On motion of Mrs. Busey, the Committee on Engineering was directed to see about getting the use of interurban tracks by the University test car.

RULES WITH REGARD TO THE WOMAN'S BUILDING.

Mrs. Busey from the Committee on Student's Welfare reported that it was advisable to make some changes in the rules regarding the use of the Woman's Building. She therefore moved that the present rules with regard to the use of the building be suspended, and that the Committee on Students' Welfare, with the Dean of Women, be authorized to revise said rules, and the motion was adopted.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

COLLEGE OF AGRICULTURE.

1. A recommendation from the dean of the College of Agriculture and director of the Agricultural Experiment Station that the comptroller be authorized to draw a warrant of five thousand dollars (\$5,000) against the State college fund in favor of the funds for dairy investigation, in order to reimburse the latter fund for expenditures incurred by the expenditure on the house and barn authorized for experiments in intensive dairying on the south farm.

Voted on motion of Mr. Lehman that said recommendation be approved.

2. A recommendation from the live stock advisory committee that Professor Mumford, head of the department of animal husbandry, be authorized and directed to visit other beef producing regions, especially South America, and to make upon the ground the most exhaustive study possible of conditions both present and prospective, under which these countries are producing or are likely to be able to produce meats to compete with American beef, and that the sum of three thousand dollars (\$3,000) or so much thereof as may be necessary be set aside for this purpose out of the funds for live stock investigation.

Voted on motion of Mrs. Alexander that said recommendation be referred to the Agricultural Committee of the board for report.

3. A recommendation from the dean of the College of Agriculture that the sum of one thousand dollars (\$1,000) be appropriated from the special appropriation for domestic science made by the last legislature for the purpose of fitting up two rooms in the basement of the household science wing as a kitchen, primarily for the use of the school for housekeepers in January, and a further recommendation that one thousand dollars (\$1,000) be appropriated from the same fund for equipment in the way of fabrics and other illustrative materials, charts, models, tables for drafting and cutting, sewing machines, etc.

Voted on motion of Mrs. Alexander that said appropriations be made.

4. A request from the animal husbandry department, approved by the dean of the College of Agriculture, for authority to purchase one or two Shire mares at from five to six hundred dollars, the same to be used for class room purposes in the teaching of judging draft horses.

Voted on motion of Dr. Davison that said recommendation be approved and the necessary appropriation made.

AUDITORIUM.

5. A recommendation from the University architect that two or more dressing rooms be constructed under the stage of the Auditorium. The plan involves concreting that portion of the basement under the stage of the Auditorium, the erection of a corridor running from one door to the other, and the construction of dressing rooms opening into this corridor. It was also recommended that the corridors running around the Auditorium building in the basement be concreted. The estimate of expense is between four and five hundred dollars.

Voted that said recommendation, with power to act in the premises, be referred to the Committee on Buildings and Grounds.

GRADUATE SCHOOL.

6. It is proposed to hold a formal opening of the graduate school of the University during the first week in February and at that time to hold a conference of educators and experts to discuss the subject of the best organization of graduate school work. It is recommended that the University invite certain heads of colleges in the State of Illinois to attend this conference at the expense of the University.

Voted that said plan be approved and the sum of two hundred dollars (\$200.00) be appropriated for the traveling expenses of said heads of colleges.

OFFICERS FOR REGIMENT.

7. The University regiment has reached such a size that it is impossible for a single officer to do the necessary work connected with efficient military instruction and drill. I recommend that the President of the University be

authorized to ask the war department to detail two additional officers as assistants to the commandant. This will involve a certain amount of expense. We are paying at present the sum of four hundred and twenty dollars (\$420) a year as quarters to the commandant. Some similar payment might be necessary in the case of other officers.

Voted that the recommendation of the president be approved.

8. The salary of Miss Sue W. Ford, clerk in the college of engineering, was fixed by the Board at its session in the summer, at nine hundred dollars (\$900) for twelve months. Miss Ford was offered a considerable increase of salary to leave the University for another position, and I assured her that I would recommend to the Board that her salary be increased by one hundred dollars (\$100) for the year. I therefore make said recommendation.

Voted on motion of Mrs. Evans that the recommendation of the president be approved.

NEW BUILDINGS; ARCHITECT.

9. The Board of Trustees at a previous meeting voted that the preparations necessary for the erection of the two buildings for which money was granted by the last legislature be postponed until after the adjournment of the present session of the legislature.

It looks now as if this adjournment might be delayed indefinitely. The University stands in great need of these buildings and I recommend, therefore, that the state architect be requested to proceed with the preparation of plans for the physics laboratory and for the addition to the natural history building and in consultation with the President of the University and the Committee on Buildings and Grounds prepare and submit plans for these buildings to the Board of Trustees for their approval as soon as possible.

Voted that said recommendation be approved.

DAIRY BUSINESS.

Mrs. Alexander moved that the Committee on Agriculture investigate and report to the board the commercial aspects of the dairy business as conducted by the University, and the motion was adopted.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of January 25, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, January 25, 1908, pursuant to the following notice which was sent out by the secretary, January 16, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago, at 9:00 o'clock a. m., Saturday, January 25, 1908, to consider such subjects as may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Blair, Davison, Hatch, Madden and Mrs. Evans, Mrs. Alexander and Mrs. Busey; absent, Governor Deneen and Mr. Lehman.

President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. The list of leases thus far made on behalf of the University by Professors Hopkins and Blair.

Voted that an abstract of said leases be printed in the minutes of the board. [For subsequent action see p. 420.]

2. A request from the acting librarian for an addition to the library staff for the rest of the present year as follows:

One student paging assistant for sixteen hours a week at ten dollars a month for eight months from February 1, 1908; two student shelf assistants on half time, twenty-four hours a week, at twenty dollars each a month, for six months, from February 1, 1908; one order assistant for typing and book-keeping at fifty dollars a month for eight months from February 1, 1908; one cataloguer to help on current work, at sixty dollars a month for eight months from February 1, 1908; one cataloguer for the Dittenberger library at seventy-five dollars a month for eight months from February 1, 1908.

Voted on motion of Mr. Blair that the appointment of said members of the library staff at the remuneration indicated be approved.

3. A request from the head of the department of domestic science for authorization to employ Miss Pincomb from February 1st, for her full time at a remuneration of seventy-five dollars (\$75) per month, until July 1st; further that Miss Morrow be given additional work from February 1st and receive additional remuneration of ten dollars (\$10) a month from February 1st to July 1st; third, that Miss Caroline Busey be appointed laboratory assistant for four months from February 1st at a salary of thirty-five dollars (\$35) a month.

Approved on motion of Mr. Blair.

4. A request from Assistant Professor E. J. Lake that he be granted leave of absence from September 1, 1908, for one year on half pay, for the purpose of studying in Europe in preparation for future University service.

This request is in accordance with the rule adopted by the Board except in one point. The rule adopted by the board provides that persons of professorial rank who should have served seven years may, if consistent with the interests of the University, be given leave of absence for one year on half pay for purposes of further study in Europe. Mr. Lake has been assistant professor for five years only, but was instructor for the four years preceding his appointment of five years as assistant professor, so that he has been in continuous service for nine years, has done excellent service and is willing to agree to remain with us for three years after his return, in accordance with the provisions contained in the rule of the board. It will be necessary to appoint an instructor for the year to take care of Professor Lake's work.

Voted on motion of Mrs. Alexander that Professor Lake be given leave of absence as he requests, provided the president can make suitable arrangements for his work during his absence.

5. A communication from R. C. Obrecht is regard to the purchase of a team suitable for use on the grounds.

Voted that the matter be referred to the Committee on Buildings and Grounds with power to act.

6. A request from Professor L. P. Breckénridge, Director of the Engineering Experiment Station, that John M. Snodgrass be appointed assistant in the Engineering Experiment Station, department of mechanical engineering, with the rank of associate at a salary of eighteen hundred dollars (\$1,800) per year, to date from January 1, 1908,

Voted on motion of Mr. Blair that such appointment be made.

7. A request from Professor William A. Noyes, director of the chemical laboratory, approved by E. J. Townsend, Dean of the College of Science, for the appointment of Dr. M. H. Bedford of Paris, Ky., as assistant in the laboratory at a remuneration of four hundred dollars (\$400) for the five months beginning February 1, 1908.

Voted on motion of Mr. Hatch that such appointment be made.

8. A statement from the Dean of the College of Agriculture and Director of the Experiment Station, that if Professor H. W. Mumford is to be sent to South America for the purpose of studying market conditions, it will be necessary for him to leave early in February and that consequently action upon this matter is much desired.

This matter has been referred to the Committee of the Board on Agriculture and they will doubtless present a recommendation. [See p. 421.]

9. A request from the Dean of the College of Agriculture and Director of the Experiment Station, that Professor J. G. Mosier's salary be fixed at twenty-four hundred dollars (\$2,400) for the current academic year, beginning September 1, 1907,

This matter has been referred to the Committee of the Board on Agriculture and they will doubtless report upon it at this meeting. [p. 421.]

10. A recommendation from the Dean of the College of Agriculture and Director of the Experiment Station, that Professor W. J. Fraser's salary be fixed at three thousand dollars (\$3,000) for the current academic year, beginning September 1, 1907.

This was referred to the Committee of the Board on Agriculture and they will doubtless make a report upon it at this meeting. [p. 421.]

11. A request from the Department of Household Science, that authority be given for undertaking certain work as outlined in a memorandum presented on this subject.

This matter has been referred to the Committee on Instruction and they will doubtless report upon it later. [p. 421.]

ATHLETIC POLICY.

12. The University Senate, in accordance with the authority vested in it by the Board of Trustees, has determined from time to time the general policy of the University in regard to athletics, leaving to the athletic board the management of administrative details under the supervision of the University Council.

The so-called Big Nine conference, including representatives from the Universities of Illinois, Michigan, Chicago, Northwestern, Wisconsin, Minnesota, Iowa, Purdue, and Indiana, adopted a year ago certain so-called reform rules relating to training table, number of intercollegiate games, eligibility of freshmen, etc. An attempt was made to alter these rules for the coming year. The Senate of the University of Illinois has voted to stand by the present rules until further notice.

At the request of certain students I called a mass meeting of the student body, inviting the members of the Senate to attend, and gave the students an opportunity to express their desires in the matter through speakers selected by representative student bodies.

This meeting was held in the Auditorium and six students presented the desires of the student body upon this subject.

I have asked the Senate to reconsider their action upon the subject in the light of the representation by the student body. The matter will be taken up again in the near future for further consideration.

I take this occasion to express my gratification at the good record which Illinois has made in the matter of intercollegiate athletics. It has not always won games by any means, especially in football, but it has maintained a consistently clean record for honesty and fairness and sportsman-like conduct in the best sense of that term and a faithful observance of the agreements made with other institutions. And the men who have had charge of athletics, including students as well as professors, and especially the Director of Athletics, Mr. Huff, certainly deserve credit for the time and attention which they have given to the many vexing problems connected with this subject, and for their persistent determination to maintain high standards and high ideals.

FIRE ESCAPE; IMPROVEMENTS.

The Committee on Buildings and Grounds made the following report, which was adopted, and the appropriations asked for were made:

CHICAGO, ILLINOIS, January 25, 1908.

To the Board of Trustees of the University of Illinois:

Your Committee on Buildings and Grounds approves recommendations made by the Supervising Architect, Professor White, as follows:

1. The erection of a fire escape on the west side of University Hall.
2. The construction of a bath in the beef cattle building, at an expense not to exceed \$60.
3. Equipping the sash on the south side of the University greenhouse with apparatus for raising and lowering the sash, at an expense not to exceed \$125.
4. Putting in heating apparatus at the Observatory, at an estimated expense of \$350.

Respectfully submitted,

W. L. ABBOTT,
Chairman.

REVOCATION OF C. P. A. DIPLOMA.

The secretary presented a formal request for the revocation of C. P. A. diploma No. 70 issued to William H. Roberts, October 27, 1904. He was directed on motion of Mr. Madden, to confer with Dean Harker with reference to the form of procedure to be followed in such case.

The secretary presented a notice that Mr. Hay's bond as purchasing agent would expire February 12th, and it was ordered that the bond be renewed for the present amount, \$15,000, and that the premium of \$25 be paid.

REPORT OF EXECUTIVE COMMITTEE.

URBANA, ILL., Dec. 27, 1907.

To the Board of Trustees of the University of Illinois:

At a meeting of your Executive Committee, held at the University today, the following communication was received from the Committee on Buildings and Grounds:

AUDITORIUM.

The following extras, which have been recommended by the supervising architect, were approved by the committee:

For the Auditorium—

Matting.....	\$ 53 65
Additional lighting fixtures.....	30 00
Extra on tunnel.....	82 50
A lantern circuit.....	40 00
Stair enclosure in attic.....	30 00
Additional hardware.....	100 00

For University Hall—

Window ventilators, amount to be expended at the discretion of the supervising architect.....	100 00
---	--------

Respectfully submitted,

W. L. ABBOTT,

Chairman Committee on Buildings and Grounds.

The Executive Committee approved the recommendation of the Committee on Buildings and Grounds for expenditures as follows:

\$336.15 as extra for the Auditorium.

\$100.00 for ventilators in University Hall.

It also appropriated \$500.00 as an incidental fund for use by Professor White in connection with the Physics Building.

The committee also ordered that \$25.00 be given the Urbana fire department because of a run made by the department December 21st in response to a fire alarm.

Respectfully submitted,

W. L. ABBOTT,

Chairman of Executive Committee.

The report of the Executive Committee was approved for record.

A motion made by Mrs. Alexander, advising the appointment of a standing committee on the College of Science, was referred to the special committee on the revision of the By-laws of the board and the University statutes.

PURCHASES AND LEASES OF LAND FOR THE AGRICULTURAL EXPERIMENT STATION.

The question of leases and purchases of land for the use of the Agricultural Experiment Station, with a list of those already made, was referred to the Committee on Agriculture for examination and report.

The board took a recess until 2:30 o'clock p. m.

When the board convened after the recess the same members were present as before.

HOUSEHOLD SCIENCE DEPARTMENT.

Mr. Blair, Chairman of the Committee on Instruction, made the following report and moved its adoption. The motion prevailed.

CHICAGO, January 25, 1908.

To the Board of Trustees of the University of Illinois:

Your committee has read and considered the "Plan for the Further Development of the Household Science Department" and makes the following recommendations:

1. We recommend the further development of the extension work "in connection with high school instruction in household affairs; in the form of farmers' and teachers' institute addresses and a winter school for house-keepers."

2. We recommend strongly the plan for the preparation of teachers in these subjects for colleges and high schools and supervisors for this work in the elementary schools, provided that in no case shall the teacher's diploma be granted until the candidate has earned the college degree.

3. We recommend a course of lectures and demonstrations by some member of the faculty of some nurses' training school of good standing connected with some metropolitan hospital.

4. We recommend the establishment of research work in foods and that such work be offered by the Graduate School.

5. We recommend that the expense incurred in carrying out these recommendations be paid out of the special appropriations for instruction in household science.

Respectfully submitted,

FRANK G. BLAIR,
CHARES DAVISON,
MARY E. BUSEY,
Committee.

SENDING PROFESSOR MUMFORD TO THE ARGENTINE REPUBLIC.

The Committee on Agriculture made the following report:

CHICAGO, ILL., January 25, 1908.

To the Board of Trustees of the University of Illinois:

Your Committee on Agriculture recommends that Mr. Mosier's salary be made \$2,400 from September 1, 1907.

Your Committee also recommends that Mr. Fraser's salary be made \$3,000 from September 1, 1907.

Your Committee reports back the recommendation of the Advisory Committee on Animal Husbandry and the Dean of the College of Agriculture that Professor Mumford be sent to the Argentine Republic to investigate the present conditions and future prospect of the beef interests there without recommendation.

Respectfully submitted,

FRED L. HATCH,
GEORGE H. MADDEN,
MARY E. BUSEY,
Committee on Agriculture.

The recommendations with regard to Mr. Mosier and Mr. Fraser were severally adopted, on motion of Mr. Hatch.

It was also voted, on motion of Mr. Hatch, that Professor Mumford be sent to the Argentine Republic to make the investigation proposed, and that \$1,500 be appropriated to cover his expenses.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of March 10, 1908.

When the board was called to order there were present Messrs. Abbott, Davison, and Hatch, and Mrs. Alexander, Mrs. Evans, and Mrs. Busey. Mr. Lehman came in a little later. President James was present.

President James called the attention of the board to communications from Dr. Kemp, Professor of Physiology, copies of which had been given to the members of the board.

Dr. Kemp had asked for a hearing by the board and President James stated that he wished to have Dr. Burrill, Professor Forbes and Dean Townsend heard also; and as it was found that Dr. Burrill and Professor Forbes were to go away at 11:00 o'clock it was decided to have the hearing at once.

The hearing lasted until noon, and without action upon the questions raised a recess was taken until 2:00 p. m.

By action of the Board of Trustees of the University of Illinois taken at its meeting of September 29, 1908, changes were made in the minutes as follows:

At the end of the first line of the second paragraph above, the words "the following" were inserted.

In the second line of the same paragraph the word "communications" was changed to "communication."

For the paragraph "the hearing lasted," etc., the following was substituted:

Dr. Kemp made a brief preliminary statement after which he was excused with the understanding that he would be called again.

The hearing of these gentlemen and the consequent discussion lasted until noon, when a recess was taken until 2:00 o'clock p. m.

AFTERNOON SESSION.

When the board convened after the recess the same members were present as in the morning.

PHYSICS BUILDING.

Plans for the Physics Building were presented by the architect, Mr. Zimmerman, and were adopted on motion of Mr. Lehman.

The building is to have a frontage of 178 feet on Green street, is U-shaped in plan, with wings 125 feet long, and three stories, basement and attic high. The exterior will be of local red brick (as in the Woman's Hall and laid as in that building) with stone trimmings and slate or tile roof.

It was ordered that the architect should prepare plans and specifications and advertise for bids as soon as practicable.

NATURAL HISTORY BUILDING.

The architect also showed plans for the new Natural History Building and these were adopted.

The architect was told to prepare plans and specifications and to call for bids for this building at the same time as for the Physics Building.

The regular order of business was then taken up, and the secretary presented the minutes of the regular meeting of December 10, 1907, and of the special meeting of January 25, 1908, which were approved as presented.

ELECTION OF OFFICERS.

Mr. W. L. Abbott was elected president of the board for the ensuing year. Mr. W. L. Pillsbury was elected corresponding and recording secretary and registrar for the same term.

The Executive Committee, of which the president of the board is *ex-officio* chairman, was completed by the election of Mr. Lehman and Mrs. Alexander to be the other two members.

COMMUNICATION FROM THE SUPERVISING ARCHITECT.

President James presented a letter and accompanying papers from Professor White, Supervising Architect, and action was taken on the matter referred to as stated below.

URBANA, ILL., March 10, 1908.

President Edmund J. James, University of Illinois,

I submit herewith various matters which should receive consideration by the Trustees at an early date.

Very truly,

JAMES M. WHITE,
Supervising Architect,

EXTENSION OF UNIVERSITY HEAT, LIGHT, AND POWER PLANT.

We have enough boiler capacity to carry us through next winter, but we must have additional draft facilities, and the coal conveyer must be rebuilt or replaced by a better method of handling coal.

Before we can furnish heat and light for the new buildings it will be necessary to have, in addition, more boiler and generator capacity.

A special committee should be appointed, consisting of the Chairman of the Buildings and Grounds Committee, the Professor of Mechanical Engineering, the Supervising Architect, and possibly others, to recommend the most feasible plan to the Board.

We hoped the entire \$35,000.00 appropriated would be available for this extension.

Referred to the Committee on Buildings and Grounds for investigation and report.

SIDEWALKS.

Additional walks are needed on the south campus and around our shops and laboratories.

A reputable firm of contractors has agreed to lay walks in exchange for cinders on the basis of 75 cents a load for cinders and 10 cents a square foot for the walks, if we furnish the foundation.

I recommend the acceptance of their proposition and the appointment of a committee on walks with the power to act, said committee to include the Chairman of the Buildings and Grounds Committee, the Vice President of the University, the State Architect, the Supervising Architect, and others.

It may be possible to complete the approach to the Auditorium out of concrete including a terrace wall and steps.

Referred to the Committee on Buildings and Grounds with power to act.

LIGHTNING RODS.

I believe all our buildings should be protected by lightning rods. The shops and laboratories are well guarded by the rod on the Power Plant chimney.

The Chemical Laboratory, Agricultural Building, Woman's Hall, and the Auditorium are not protected.

We had two fires from lightning before any rods were put on the buildings and we have had none since.

One of the platinum points on University Hall has been melted off, showing that it must have received a heavy charge.

I advise the placing of rods on the Auditorium, because if fire should start in the roof it would be impossible to save the building because the steel trusses are unprotected. I recommend rodding on all the buildings if funds are available but I feel it unwise to delay in the case of the Auditorium. The cost will probably be \$140.00.

Referred to the Committee on Buildings and Grounds with power to act.

A WAREHOUSE.

There is need of a place to store inflammable material which we no longer allow in our buildings.

A building 22x50 feet can be built for about \$500.00 but I am at a loss to know where to advise locating it.

Referred to the Committee on Buildings and Grounds with power to act.

HORTICULTURAL GREENHOUSES.

Plans for the experimental greenhouses are ready to be submitted to the contractors.

The location should be settled and authority given the Buildings and Grounds Committee to award contracts.

Referred to the Committee on Buildings and Grounds for investigation and report.

THE 1908 MEMORIAL.

The senior class is having a bronze tablet modeled typifying the tribe of the Illini.

It is 29 x 40 inches, which is the same as the MacDowell tablet.

They ask that a location be assigned it in the auditorium.

Mr. Blackall suggests that all tablets be located in the walls of the circular corridors.

Mr. Daehler, chairman of the Class Committee, has been requested to present the design for approval at this meeting.

It was voted that the class committee be requested to submit its design to a committee appointed by the board, and that the committee report to the board upon the design.

Miss Wetmore, Professor Lake, and Professor Ricker were appointed upon the committee.

REPAIR BUDGET.

"I submit herewith a summary and also a detailed statement of building repairs. It is not absolutely necessary that all these be made this summer, for not knowing how much money may be available I have included many items that are desirable but not essential.

"I have not included the finishing of the space in the Auditorium under the Memorial Vestibule, which would cost about \$900.00."

The budget was referred to the Committee on Buildings and Grounds for investigation and report.

AUDITORIUM.

On motion of Mrs. Alexander, it was voted to pay English Brothers \$15,000 on account, on their contract for the erection of the Auditorium.

On motion of Mrs. Evans it was voted to pay John O'Neil & Sons \$685.00 in full satisfaction of their contract for heating the Auditorium.

REPORT OF THE EXECUTIVE COMMITTEE.

URBANA, February 5, 1908.

To the Board of Trustees of the University of Illinois.

At a meeting of the Executive Committee, held at the University February 5, 1908, at which the Chairman, Mr. Abbott, and Mr. Lehman of the Executive Committee were present, also Mr. Blair and Mrs. Busey, members of the board, and President James, the following business was transacted:

IN MEMORY OF DR. KARSTEN.

President James called attention to the death of Professor Gustave E. Karsten, Head of the Department of Modern Languages and Professor of German in the University. It was voted to continue the salary of Professor Karsten until the next meeting of the Board of Trustees in March and make it payable to his widow.

It was voted that the President of the University make the necessary provision for Professor Karsten's courses during the current semester.

It was also voted that the President prepare an obituary notice for the minutes of the Board of Trustees.

Also that the President be given authority to look for a successor to Professor Karsten.

It was also voted on nomination by President James that Dr. W. C. Bagley, teacher in the State Normal School at Oswego, New York, be appointed Professor of Education at a salary of \$2,500 a year, work and salary to begin September 1, 1908, with the understanding that Professor Bagley will render service in the Summer Session of the University in return for the usual professor's remuneration of \$300.

It was voted that the President be authorized to print a pamphlet containing the proceedings connected with the opening of the Graduate School and the installation of Dean Goss.

Respectfully submitted,

W. L. ABBOTT,
Chairman Executive Committee.

The report of the committee was confirmed.

URBANA, March 10, 1908.

To the Board of Trustees of the University of Illinois.

Your Committee on Buildings and Grounds recommends that of the \$250,000 appropriated by the General Assembly for the Physics Building, \$40,000 be reserved for the furniture, furnishings, special wiring and plumbing, architects' fees and superintendence, and incidental expenses; that the remaining \$210,000 be assigned for the general contract including heating, lighting and plumbing.

The Committee recommended that from the \$40,000 above mentioned the sum of \$500 be placed at the disposal of the Supervising Architect to be used at his discretion for incidental expenses in connection with the planning and erection of this building.

Respectfully submitted,

W. L. ABBOTT.
Chairman Committee on Buildings and Grounds.

The recommendations of the committee were adopted.

STUDENT'S FEES.

The secretary presented the registrar's report of fees due from the students of the University at Urbana for the semester ending January 29, 1908.

Also of the fees due from students of the Academy for the same semester.

These reports were referred to the Finance Committee.

TREASURER'S REPORT.

The secretary presented the treasurer's report, for the quarter ending December 31, 1907, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS
DECEMBER 31, 1907.

Respectfully submitted,

H. A. HAUGAN,

Treasurer.

President James presented a letter from Professor Hopkins which had been sent to him by Dean Davenport, accompanied by a lease in triplicate for a tract of land which the Agronomy Department desired to lease for its purposes.

These papers were referred to the president of the board.

EXPERIMENT STATION WORK AWAY FROM THE UNIVERSITY.

President James presented a letter from Dean Davenport with regard to advances of moneys from University funds to defray the expenses of persons at work on experiments carried on by the University away from Urbana.

This letter was referred to the Finance Committee on motion of Mr. Hatch.

President James presented a request from Professor Ricker, approved by Dean Goss, for the appointment of L. H. Provine, Instructor in Architecture, at a salary of \$150 a month from the time when he commences work until the 30th of June.

The appointment was made.

REPORT OF THE COMPTROLLER.

The Comptroller, Professor S. W. Shattuck, made the following report, which was referred to the Finance Committee:

URBANA, ILL., March 10, 1908.

W. L. Abbott, President Board of Trustees, University of Illinois:

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations December 31, 1907.

Paper B is a statement of the State appropriations December 31, 1907.

Paper C is a statement of the United States fund December 31, 1907.

Paper E is a statement of the United States Agricultural Experiment Station appropriations December 31, 1907.

Paper F is a statement of the School of Pharmacy appropriations December 31, 1907.

Paper G is a statement of the College of Medicine appropriations December 31, 1907.

Paper H is an estimate of the receipts and expenses for the six months ending June 30, 1908.

Paper I is a list of the appropriations the Board is requested to make at this time.

Paper L is a report of the receipts by the chief clerk for the three months ending December 31, 1907.

Paper M is a list of the general University vouchers presented for audit, being Nos. 2651 to 6500, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 93 to 179, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit, being Nos. 71 to 166, inclusive,

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 265 to 538, inclusive.

Paper R is a letter from W. B. Day, Actuary, with papers in regard to the erection of a fire escape.

Respectfully submitted,
S. W. SHATTUCK,
Comptroller.

APPROPRIATIONS.

Appropriations were made as recommended in paper "I" on motion of Mr. Lehman.

FIRE ESCAPE ON PHARMACY BUILDING.

It was ordered that an additional fire escape be put on the Pharmacy Building in Chicago.

BOILER INSPECTION AND INSURANCE.

A bill for inspection and insurance of the boilers, \$250.00, for inspection and insurance to the amount of \$25,000.00 for three years was ordered paid on motion of Mr. Hatch.

STANDING COMMITTEES.

President Abbott has reported to the secretary the following list of Standing Committees for the ensuing year:

Agriculture—Fred L. Hatch, Chairman; Mrs. Mary E. Busey, George H. Madden.

Buildings and Grounds—William L. Abbott, Chairman; Fred L. Hatch, Lewis L. Lehman, Mrs. Laura B. Evans, Mrs. Carrie T. Alexander.

Finance—Lewis L. Lehman, Chairman; Mrs. Mary E. Busey, George H. Madden.

Instruction—Frank G. Blair, Chairman; Mrs. Mary E. Busey, Dr. Charles Davison.

Publication—Mrs. Laura B. Evans, Chairman; Frank G. Blair, Dr. Charles Davison.

Library—Mrs. Carrie T. Alexander, Chairman; Fred L. Hatch, Frank G. Blair.

Students' Welfare—Mrs. Mary E. Busey, Chairman; Mrs. Laura B. Evans, Mrs. Carrie T. Alexander.

School of Pharmacy—Dr. Charles Davison, Chairman; William L. Abbott, Mrs. Laura B. Evans.

College of Medicine—Dr. Charles Davison, Chairman; William L. Abbott, Mrs. Laura B. Evans.

Engineering—Lewis L. Lehman, Chairman; William L. Abbott, Fred L. Hatch.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of April 3, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, April 3, 1908, pursuant to the following notice which was sent out by the secretary, March 26, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois Friday, April, 3, 1908, at the Palmer House in Chicago, at 9:30 o'clock a. m., to receive reports of committees, to consider the communication of Professor Kemp, and to act upon any other matters which may be regularly brought before the Board.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Blair, Davison, Hatch, Lehman, and Mrs. Evans, Mrs. Alexander, and Mrs. Busey. Mr. Madden and Governor Deneen came in a little late.

President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president submitted the following matters for consideration:

1. The President of the University read his annual address to the Board of Trustees in which he set forth at considerable length the working out of the plan for the development of the University which had been submitted to the Board of Trustees and approved by them June 2, 1905, and sketched out the general line of further development.

After the reading of this address the trustees on motion of Mrs. Alexander went into executive session for the consideration of the address.

By vote of the board of trustees of the University of Illinois at its meeting held September 29, 1908, the following changes were made:

In the first line of paragraph numbered one the words "his annual" were changed to "an."

There was added at the end of this paragraph—"and recommended that the Board of Trustees of the University of Illinois hereby re-affirm their approval of the general University policy thus far developed by the President of the University."

The following paragraph was then added:

Mr. Blair moved the adoption of the recommendation of the president.

The paragraph beginning "after the reading," etc., was changed to read as follows:

The Trustees on motion of Mrs. Alexander went into executive session for the consideration of the recommendation.

At the close of the executive session a recess was taken until 2:00 o'clock, p. m.

AFTERNOON SESSION.

When the board convened after the recess the same members were present as in the morning.

The two following resolutions were presented to the Secretary for official record in the minutes as having been adopted by the unanimous vote of the trustees in executive session:

1. Voted that the Board of Trustees of the University of Illinois hereby reaffirm their approval of the general university policy thus far developed by the President of the University.

2. The Board of Trustees of the University of Illinois desires to record by formal vote at this time their high appreciation of the present President of the University, Dr. Edmund J. James, and to express in this way the high value they place upon his sound judgment, unwearied industry, and absolute devotion to the interests of the University.

VETERINARY COLLEGE.

2. Mr. Edward Tilden has sent me a letter informing me that the gentlemen in Chicago who were interested in the establishment of the veterinary college and research laboratory, for which the last Legislature appropriated \$30,000, are now ready to advance the money as it may be needed for the erection and equipment of the necessary buildings. The manager of the Union Stock Yards assures me that the Union Stock Yards Company is ready to make a lease of the site upon which these buildings are to be erected.

Although the legal formalities have not been as yet entirely complied with it is necessary to take up in earnest the question of organizing and putting into operation this important department of the University.

I desire authority from the Board of Trustees to make a tour of inspection of veterinary colleges and research laboratories in this country and in Europe preparatory to making a report upon the organization of the new department, the expenses to be charged to the appropriation for the veterinary college and research laboratory made by the last Legislature.

I should expect to make this trip during the summer vacation, though it might be necessary to run over somewhat into the autumn in order to make the inspection satisfactory.

Voted on the motion of Mr. Blair that the recommendation of the president in this matter be approved.

3. The Executive committee at its meeting in February decided to continue the salary of Professor Karsten for the month of February to his widow, and referred to the Board of Trustees the question whether the salary should be continued to the end of the present academic year. The board at its last meeting deferred action on the subject until this meeting.

Voted on motion of Mr. Lehman that the Attorney General be asked whether the University would have authority to make such a grant.

4. Dr. Kemp has made certain charges against the administration of the University which he desires shall be heard. A hearing was given at the last meeting of the board and final action was postponed until the present meeting. Dr. Kemp has submitted a further communication, a copy of which was sent to the president of the University and the president of the board. I understand that he desires to be heard further upon the same subject.

As Dr. Kemp for some reason did not appear, the further consideration of this question, after considerable discussion, was postponed on motion of Mr. Lehman until the next meeting of the board.

At a meeting of the Board of Trustees of the University of Illinois held September 29, 1908, it was voted to substitute for the paragraph numbered four and the following paragraph this:

The matter of Dr. Kemp's communication which had been left as unfinished business from the last meeting was called up. Dr. Kemp was not present, not having been notified.

After considerable discussion of the case, on motion of Mr. Lehman a further consideration of the question was postponed until the next meeting of the board.

5. The position of assistant professor in the classical department has been vacant for a year. We have been in patient search of a suitable candidate. We are now ready to make a recommendation. I desire authority to offer an assistant professorship in the classics in the University of Illinois to Dr. David M. Robinson of Johns Hopkins University at a salary of two thousand dollars per year, work and salary to begin Sept. 1, 1908. I recommend that this matter be referred to the committee of instruction with power to act.

Voted on motion of Mr. Blair that the recommendation be approved.*

IMPORTATION OF CHEMICALS.

6. Professor Noyes requests authority for the Purchasing Agent to give an order for the importation of chemicals. His estimates were not completed until within two days and it is necessary to give the order as soon as possible so that the chemicals may be on hand for the coming year. The order amounts to about eight thousand five hundred dollars.

Voted on motion of Mr. Lehman that the purchasing agent be given such authority.

THE FORTIETH ANNIVERSARY.

7. On the afternoon of Thursday, April 30th, we propose to hold a University convocation in honor of the fortieth anniversary of the opening of the University of Illinois.

The committee in charge of this occasion have felt that it would be a very desirable thing to give it somewhat the form of a tribute to Dr. Burrill, and they suggest that the University cause a gold medal to be struck in commemoration of this occasion and of Dr. Burrill's long connection with the University.

Voted on motion of Dr. Davidson that the President of the University be given authority to have such medal prepared and struck.

GRADUATE SCHOOL

8. The Board set apart last year from the Graduate School fund \$20,000 for fellowships and scholarships for the present year in addition to the University fellowships—eight in number—to the annual value of \$300 per year, and the fellowships established in the Engineering Experiment Station already provided for.

The executive faculty of the Graduate School recommend the same appropriation for the present year and that the following persons be appointed to the fellowships and scholarships at the stipends set opposite their names; and that the President of the University be given authority to appoint to the fellowships and scholarships which may become vacant and to the fellowships which have not been filled, upon the recommendation of the executive faculty of the Graduate School.

* At a meeting of the Committee on Instruction held immediately after the adjournment of the board meeting, his appointment was authorized.

Voted on motion of Mr. Blair that these recommendations be approved and the requisite appropriations made.

9. The department of agriculture requests that Dr. Herman B. Dorner be appointed instructor in floriculture in the College of Agriculture and assistant in the Agricultural Experiment Station at a salary of \$1,200 a year, work and salary to begin as soon as Dr. Dorner can reach us, which will not be far from April 1.

Voted that the said recommendation be approved and that Dr. Dorner be appointed to said position at the salary indicated.

10. The Dean of the College of Engineering approves a request of Professor Carman that the work of the department of physics be extended by the appointment of an associate professor of mathematical physics; further that the position be tendered to Dr. Max Abraham, at present professor extraordinary of the mathematical physics at the University of Gottingen; and that the appointment be for the term of two years from Sept. 1, 1908, the salary during this term to be \$2,000 a year and to begin when Dr. Abraham reports for work.

Voted on motion of Mr. Blair that said recommendation be approved.

JOURNAL OF ENGLISH AND GERMANIC PHILOLOGY.

11. A recommendation from Dean Kinley of the graduate school that the *Journal of English and Germanic Philology* which was conducted by the late Professor Gustaf E. Karsten be taken over by the University and that the publication of this Journal be continued by the University. He recommends that \$1,200 or such part thereof as may be necessary in addition to the receipts from the publication, be appropriated from the funds of the Graduate School to publish this journal during the University year 1908-09; the receipts from publication to be turned over to the Comptroller as received, and credited to the Graduate School fund on account of publication.

Voted on motion of Mrs. Alexander that the recommendation be referred to the Committee on Publication with power to act.*

LABORATORY DEPOSITS.

12. A communication from the Council of Administration calling attention to the somewhat varying practice with regard to students' deposits, and asking authority to regulate this practice in the interest of uniformity.

Voted on motion of Mrs. Alexander that the Council of Administration be authorized to prepare a set of rules governing such deposits, to be submitted to the Board of Trustees for their approval.

PAYMENT OF FEES.

13. A communication from the Council of Administration recommending that the following rules should be adopted with reference to the payment of University fees.

All University fees shall be paid each semester in advance.

On arrival each year the first duty of the student, old or new, is to present himself for enrollment and to pay the regular fees for the current semester, after which he shall be entitled to submit his study list for approval, and to enter classes.

Second semester fees shall be paid before the close of the first semester, and every student who has not paid his fees before the opening of the second semester shall be excluded by order of the Comptroller's office, directed to the Dean of the College in which the student has been registered until such time as said fees may have been paid.

*The Committee on Publication at a meeting held immediately after the adjournment of the Board meeting approved the recommendation of Dean Kinley.

The rule was adopted.

14. A request from Dr. T. J. Burrill, Professor of Botany, for an appropriation of sixty dollars for additional student assistance in the department of botany until the close of the year. This request is asked on account of the unexpectedly large increase in registration.

Voted that said appropriation be made.

UNIVERSITY GOLF CLUB.

15. The executive committee of the University Golf Club desires authority from the Board of Trustees to erect a small club house on the University golf links.

Voted on motion of Mr. Blair that permission to erect such house be given with the distinct understanding that it is at any time subject to removal by order of the Board of Trustees and that the house be erected in accordance with plans prepared or approved by the University Architect.

16. A request from the building committee of the Young Men's Christian Association that in return for certain services which the said association will render the University through its new club house, the lighting, and heat necessary for said club house be furnished by the University free of charge.

Voted on motion of Mrs. Alexander to refer said application to the Committee on Buildings and Grounds for consideration and report.

17. A letter from Professor Davenport, Dean of the College of Agriculture, concerning the location of the new greenhouses required for the work of the department in floriculture.

Voted on motion of Mr. Lehman that the recommendation be referred to the combined Committees on Agriculture and Buildings and Grounds, together with the State Architect, with a request for a report.

18. The Dean of the College of Agriculture recommends that Professor J. C. Whitten of the University of Missouri be called to the University of Illinois as Professor of Floriculture and head of the new work in floriculture, authorized by the special appropriation from the last legislature.

I recommend that the President of the University be authorized to engage Professor Whitten at a salary not to exceed thirty-five hundred dollars a year.

Voted on motion of Mr. Blair that said recommendation be approved.

19. The executive faculty of the Graduate School makes the following recommendations:

That no tuition charge be made to scholars, fellows, assistants, or instructors for courses on their study lists approved by the heads of the departments and by the dean of the school as necessary or desirable for the proper completion of the student's work for the degree.

That no charge or deposits for laboratory materials be required from scholars, fellows, or from members of the corps of instruction.

Voted that said recommendations be approved for members of the Graduate School.

SCHOOL OF PHARMACY, TAXES AND RENT.

Dr. Davison from the Committee on Pharmacy submitted a letter from Professor Day calling attention to a notice of taxes due on the property occupied by the School of Pharmacy. It also called attention to the fact that the rent due from Dr. Baldwin was still delinquent.

It was voted, on motion of Dr. Davison, that both the matter of the taxes and the rent be referred to Judge Harker for an opinion as to whether the board might be relieved from the payment of taxes, and also as to whether or not the surety on Dr. Baldwin's lease should be notified month by month of the delinquency in payment.

ADVANCES OF MONEY.

CHICAGO, April 3, 1908.

To the Board of Trustees:

Your Committee on Finance submits the follownig letter from Professor Shattuck, Comptroller:

UNIVERSITY OF ILLINOIS, April 2, 1908.

Lewis L. Lehman, Esquire, Chairman of Finance Committee, Board of Trustees, University of Illinois, Urbana, Illinois:

DEAR SIR: In the matter of advances of money from the University funds to defray the expenses of persons at work on experiments on account of the University away from Urbana, which was referred to your Committee by the Board, I beg leave to make the following suggestion:

That all persons who receive this advance of funds be required to give a guaranty bond to the University of Illinois to the amount of the funds so advanced.

I hand you herewith such a bond executed by Prof. Hopkins to the amount of \$1,500.00. If this course is approved by your Committee will you please see that it is authorized by the Board at its next meeting as the funds are needed for use at once.

Yours truly,
S. W. SHATTUCK,
Comptroller.

Your committee concurs in the suggestion of the Comptroller, and recommends its adoption by the Board. Professor Hopkins's bond is submitted herewith, executed in conformity with the recommendations of the Comptroller.

Respectfully submitted,
L. L. LEHMAN,
GEORGE H. MADDEN,
MARY E. BUSEY,
Committee on Finance.

The report of the committee was approved, and it was directed that the bond be filed with the secretary.

The secretary called attention to the fact that there should have been elected at the March meeting of the board a comptroller and chief clerk.

The board thereupon elected Professor S. W. Shattuck, comptroller, for the year ending the second Tuesday of March, 1909, and Mr. O. E. Staples chief clerk, for the same term.

APPOINTMENTS.

The president reported appointments as follows:

Since the report made October 19, 1907, of appointments made under authority given me, appointments have been made as follows:

Rufus M. Bagg, Instructor in Geology, salary of \$100 a month from October 11, 1907, to June 30, 1908.

William S. Chapin, Clinical Assistant in Laboratory of Physiological Chemistry, salary of \$1,000 for the twelve months beginning October 1, 1907, salary to be charged to the Nutrition Investigation funds.

W. C. Maddox, to a research fellowship in the Engineering Experiment Station, from November 1, 1907.

Alice M. Paddock, Order Assistant in the Library, salary of \$55 a month for eight months from November 1, 1907, in place of Miss Calhoun transferred.

Andrew Clifford Wilkins, Clerk and Stenographer in the office of the State Water Survey, in place of Lulu Gardner resigned, salary of \$50 for the month of January and \$55 a month from February 1st until July 1st, 1908.

A. P. Kratz, Assistant in the Department of Physics, salary of \$50 a month beginning January 1, 1908, for the term of six months.

M. E. Baxter, Student Assistant on half time in General Engineering Drawing, from February 1st to July 1, 1908, at a salary of \$30 a month.

F. Howard Swits, Shelf Assistant in the Library, on half time, at \$20 a month for six months from February 1, 1908.

O. E. Pence, Shelf Assistant in the Library, on half time, at \$20 a month for six months from February 1, 1908.

H. W. Denio, Cataloger of the Dittenberger Library, at \$75 a month for eight months from February 1, 1908.

Adah Patton, Cataloger in the Library, at \$60 a month from February 1 to July 1, 1908.

Florence R. Curtis, Instructor in the Library School, to succeed Bertha Royce, resigned, at a salary of \$80 a month from February 1 to July 1, 1908.

Mary Helen Clark, Catalog Reviser in the Library School, for three months from February 12, 1908, at a salary of \$50 a month.

Rose N. Goldberg, Order Assistant in Library for typing and bookkeeping, at \$50 a month, to begin when she begins work and to continue if her work is satisfactory until August 31, 1908.

Henry J. Kesner, to a Research Fellowship in the Engineering Experiment Station, Department of Theoretical and Applied Mechanics, for the two academic years beginning September, 1908, the stipend to be \$500 a year.

A. P. Bumstead, Shelf Assistant in the Library, on half time, at \$20 a month from April 1 to August 1, 1908, in place of F. S. Swits.

The Committee on Buildings and Grounds made the following report which was received for record:

URBANA, March 21, 1908.

To the Board of Trustees of the University of Illinois.

A meeting of your Committee on Buildings and Grounds was held upon the call of the Chairman at the University this day, and there were present Mr. Abbott, Mrs. Alexander and Mrs. Evans.

In the matter of the sidewalks, which was referred to the Committee with power to act, it was decided to accept Welch & Hawley's proposition. The Buildings and Grounds Committee will ask the Vice President of the University, the State Architect and the Supervising Architect to assist in deciding the location of walks.

The Committee instructed the Supervising Architect to put a lightning rod on the Auditorium.

The Committee has asked the Professor of Mechanical Engineering and the Supervising Architect to assist in forming plans for the extension of the boiler house, including the additional equipment and such changes in the coal and ash-handling machinery as seem desirable.

The Committee instructed the Supervising Architect to submit an estimate of the cost of the construction of a general University warehouse.

The Committee recommends that \$1,000 be appropriated annually to meet such expenses of the office of the Supervising Architect as cannot be charged to specific appropriations.

Respectfully submitted,

W. L. ABBOTT,
CARRIE T. ALEXANDER,
LAURA B. EVANS,

Committee on Buildings and Grounds.

The board adjourned.

W. L. PILLSBURY,
Secretary.

W. L. ABBOTT,
President.

Meeting of April 23, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, April 23, 1908, pursuant to the following notice which was sent out by the secretary, April 17, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago, at 9:00 o'clock a. m., April 23, 1908, to authorize conferring degrees upon those to be graduated that day from the School of Pharmacy and to consider such other subjects as may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Blair, Hatch, Lehman and Mrs. Evans, Mrs. Alexander, and Mrs. Busey; absent, Governor Deneen and Dr. Davison. Mr. Madden came in a little later.

President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The President of the University submitted the following matters for consideration:

SCHOOL OF PHARMACY GRADUATES.

1, The following named persons have been approved by the faculty of the School of Pharmacy for graduation in pharmacy and to receive certificates.

DEGREE OF GRADUATE IN PHARMACY.

Fred Kramer Anderson, White Sulphur Springs, Mont.
Harold Dudley Baldwin, Hampton, Iowa.
Amar Nath Banerjee, Benares City, India.
Wayne Crawford Denson, Minok, Ill.
Raleigh Earel, Quincy, Ill.
Bruce Carr Frantz, Pekin, Ind.
Auburn Seth Kisner, Brownsville, Ill.
George Ferdinand Knick, Hutchinson, Minn.
Newman Kohn, Chicago, Ill.
Herbert Ernst Kraft, Chicago, Ill.
Henry August Langenhan, Ableman, Wis.
William Darrel Mottar, Chicago, Ill.
Alvrado Benson Owens, Savanna, Ill.
Adolph Vaclav Pavlicek, Chicago, Ill.
James Patrick Renaud, Chicago, Ill.
Charles George Sells, Chicago, Ill.
Frank Edmund Shipman, Paris, Ill.

Roy Mont Soult, Fredonia, Pa.
 Frank Bengal Stromer, Chicago, Ill.
 Rexford De Tompkins, Mount Sterling, Ill.
 Steward Franklin Voss, Assumption, Ill.
 Stanley Ballenger Webster, Winslow, Ill.
 Wyley Porter Williamson, Marietta, Ohio.
 Frank James Zuck, Rockford, Ill.
 Frank Alexander Crawford (Class of '06) Oklahoma City, Okla.
 Rudolph George Mrazek (Class of '06) Chicago, Ill.
 Martin Schupmann (Class of '06) Chicago, Ill.
 Claude Enoch Tilton, (Class of '06) Fairmount, Ill.
 Karl Elliott Anderson (Class of '07) Menomonie, Wis.
 Tisdale E. P. Furman (Class of '07) Chicago, Ill.
 George Julius Langheim (Class of '07) Charlotte, Iowa.
 Frank John McCabe (Class of '07) Chicago, Ill.
 Henry Pfaff, Jr., (Class of '07) Chicago, Ill.
 Edwin Theodore Schumm, (Class of '07) LaPort, Ind.

CERTIFICATES.

Joseph Arnold Blait, Chicago, Ill.
 Leslie Ray Crawford, Nachusa, Ill.
 Walter William Doerr, Chicago, Ill.
 Otto August Fett, Chicago, Ill.
 Delmar Nelson Fidler, Watseka, Ill.
 Otto John Lorenz, Chicago, Ill.
 Edward Emil Luken, Chicago, Ill.
 Fred James Lyons, Grand Junction, Mich.
 Eugene Lester Miles, Chicago, Ill.
 James Strachen Miller, Chicago, Ill.
 Herman Lawrence Rauschert, Lake Mills, Wis.
 William Emanuel Ruesch, Joliet, Ill.
 Harry Garrison Skinner, Yates City, Ill.
 Carl Frederick Stark, De Kalb, Ill.
 John Joseph Staszak, Chicago, Ill.
 John Joseph Urban, Chicago, Ill.

Voted on motion of Mrs. Alexander that the President of the University be authorized to confer the degrees and certificates upon the candidates who are recommended for the same by the faculty of the School of Pharmacy.

AUDITORIUM; ARCHITECT'S BILLS.

2. Bill and statements from the architect of the Auditorium building, Clarence H. Blackall, which have been approved by the supervising architect of the University.

20 Beacon st., BOSTON, March 23, 1908.

UNIVERSITY OF ILLINOIS, To C. H. BLACKALL, DR.

To eighth payment on account of commission, being a part payment on a total of \$1,110.04, as per enclosed statement (see Statement A)	\$750 00
Traveling expenses as per enclosed statement (see Statement B) ..	688 30
	<hr/>
	\$1,438 30

STATEMENT A.

UNIVERSITY OF ILLINOIS, To C. H. BLACKALL, DR.

Professional services, Auditorium building, Champaign, Ill.; commission estimated at 5 per cent on total cost as follows:

English Brothers	\$100,459 62
The Carson-Payson Co	1,942 55
John O'Neill & Sons	2,185 00
Champaign Gas & Electric Supply Co	2,440 00
Chicago Gas & Electric Fixture Mfg. Co	3,698 50
Superior Mfg. Co	4,458 55

\$115,184 22

Five per cent

Credit—by payment—

Feb. 10, 1906	\$1,000 00
April 11, 1906	1,000 00

Sept. 28, 1907	555 03

4,649 17

\$1,110 04

(Approved). JAS. M. WHITE.

STATEMENT B.

UNIVERSITY OF ILLINOIS, To C. H. BLACKALL, DR.

To traveling expenses incurred in connection with the Auditorium building, Champaign, Ill.:

Sept. 10, 1905; Jan. 30, 1906; March 9, 1906; May 4, 1906; Sept. 3, 1906; Dec. 10, 1906; March 21, 1907; June 10, 1907; Nov. 1, 1907; March 10, 1908. 10 visits, at \$68.83	\$688 30
---	----------

(Approved). JAS. M. WHITE.

Voted on motion of Mrs. Busey that said bill and statements be referred to the Committee on Buildings and Grounds with power to order payment of the same when audited and approved by the committee.

ADMINISTRATION OF THE LIBRARY AND LIBRARY FUNDS.

3. Report of the Senate committee upon the method of assignment of library funds, and the organization and administration of the library.

URBANA, Feb. 19, 1908.

To the Senate of the University of Illinois:

The committee appointed in October, 1907, to consider and report upon the method of assignment of library funds, and to make suggestions on the whole matter of library organization and administration, respectfully presents the following report:

The committee has had six meetings since it was appointed and has reached the following conclusions which it now unanimously recommends for consideration and adoption,

It recommends, first, that the following officers be constituted a committee on the apportionment of library funds for the purchase of books, periodicals and binding.

1. The President.
2. The Librarian, the Deans of the Colleges of
3. Agriculture,
4. Engineering,
5. Law,
6. Literature and Arts,

7. Science, and the
8. Graduate school.

It recommends, secondly, that there be constituted a senate standing committee on library administration and policy, consisting of seven members representing the following interests:

1. Agriculture.
2. Engineering.
3. Science.
4. Graduate school.
5. Library.
6. The languages, the literatures and the arts.
7. The philosophical and social sciences.

Among the duties of this committee shall be:

1. To prepare for the use of the committee on apportionment prior to its assignment of the funds, detailed estimates of the library needs of the various colleges, schools and departments.

2. To consider and determine the methods of library administration and policy, such as—

Administration and policy.

Ordering and accessions.

Exchange of University publications.

Classification and cataloging.

Shelving, storing and caring for books.

Admittance to the stack.

Home use, or the loan of books.

Reference use.

Reserve books.

Seminary libraries.

Departmental libraries.

Inter-library loans.

Relations with the library school.

3. To have stated meetings, the dates to be regularly and publicly announced.

It recommends, thirdly, that these recommendations, if adopted, become effective immediately.

Respectfully submitted,

CHESTER N. GREENOUGH,
STEPHEN S. COLVIN,
F. K. W. DRURY.
GUY STANTON FORD,
EDW. C. HAYES,
GEO. T. KEMP.

Committee.

Approved by the University Senate, April 13, 1908, Arthur H. Daniels, Secretary.

Voted on motion of Mr. Lehman to refer to the Committee on the Library for consideration and report.

HONORARY DEGREES.

4. Recommendation from the senate of the University that the honorary degree of Doctor of Laws be conferred at the approaching commencement upon Professor Franklin J. Turner, University of Wisconsin, President Henry C. King of Oberlin College, Ex-Governor William Demster Hoard of Wisconsin.

The rule requiring recommendations for honorary degrees to be reported at the annual meeting was suspended and it was voted upon each of said recommendations that it be approved and that the President of the University be authorized to confer said degree.

5. Recommendation from the senate that the degree of Bachelor of Science be given Mr. Frank Brewer Long as of the class of 1887.

Voted on motion of Mrs. Busey that said recommendation be approved and the President be authorized to confer said degree at the approaching commencement.

LOCATION OF GREENHOUSES.

6. A communication from Professor J. C. Blair, approved by Dean Eugene Davenport, concerning the location of the new greenhouses, the cost of which is provided for by the appropriation for the support of floriculture, made by the last legislature:

URBANA, ILL., April 22, 1908.

Professor Eugene Davenport, Dean and Director,

DEAR SIR—I transmitto you herewith a blue print of the University grounds upon which I have indicated the proposed location for our new greenhouses. This location is southwest of our present horticultural building in what is known as Plat "C" of our horticultural grounds. We propose to face it north with its center seventy-five feet south and one hundred seventy-five feet west of the southwest corner of the horticultural building. This location is west of the apple orchard which faces Wright street in the southeast corner of our grounds. The location is not ideal as the ground now lies but, with a fill of some 900 cubic yards of earth which can be taken from the plat at the west, can be made entirely satisfactory. The main reason for this location is that it is within reasonably easy reach of sewerage and water connections—two important items for such a structure. Again, there is no place that we could select upon the grounds where our present horticultural plantings would be so little disturbed.

I trust that this proposed location will meet the approval of the Board so that work can be started without further delay.

Yours very truly,
J. C. BLAIR.

I join in the above recommendation.

E. DAVENPORT.

Voted that the communication be referred to the combined Committees on Agriculture and Buildings and Grounds for report. After a short recess, upon a verbal report from the committees made by Mr. Hatch, and upon his motion, the proposed location was approved.

SOUTH FARM LINE FENCE.

7. A statement in regard to the construction of the line fence on the south farm.

It was voted that Judge Harker be requested to bring suit for damages against Mr. Sullivan for tearing down a line fence, unless a satisfactory agreement with regard to the line be made with him.

STATE UNIVERSITIES ON CARNEGIE FOUNDATION.

8. A statement concerning the probable placing of the State universities upon the list of institutions accepted by the Carnegie Foundation for the Advancement of Teaching as an institution, the members of whose faculties will be given the privilege of retiring allowances under the rules of the board.

For action taken later with regard to this matter see page 450.

COMMUNICATIONS FROM DR. KEMP.

9. Professor George T. Kemp is present and desires to be heard upon the subject of his recent communications to the President of the University and to the President of the Board of Trustees.

Dr. Kemp asked whether or not there were any charges on file against him, and was answered by the president of the board that no charges had been made against him.

Dr. Kemp took exception to the statement in paragraph number four on page 449 of the minutes of April 3, 1908, and was given leave to file with the board a statement of his objections.

Dr. Kemp then made a statement with regard to the communications which he had sent the president and the board.

After this statement he said that he had asked certain persons who were familiar with his work at the University of Illinois to make statements with regard to the same and requested that they be heard by the board.

On motion of Mrs. Evans it was voted that the persons named by Dr. Kemp be asked to tell of Dr. Kemp's work as Professor of Physiology in the University of Illinois and of the Department of Physiology.

Mr. E. R. Hayhurst, Dr. O. O. Stanley, Dr. J. H. McClellan, and Mr. F. A. Sager were heard.

After the hearing of these persons and a further statement by Dr. Kemp, President James made a statement with regard to the questions raised by Dr. Kemp's communications, and offered the following for consideration by the board:

WHEREAS, Dr. George T. Kemp, Professor of Physiology in the University of Illinois, has addressed certain communications to the Board of Trustees of the University and to President of the University in which he has set forth at length certain complaints and grievances as to the treatment accorded him by the administration of the University, and

WHEREAS, the Board of Trustees have given due and ample consideration to this matter in three separate sessions held on different days over an interval of more than six weeks, and

WHEREAS, the said Board of Trustees have given Professor Kemp a personal hearing at two distinct sessions of the Board;

Therefore, Be it voted that said Board of Trustees do not recognize that Professor Kemp has any real cause for grievance against the administration of the University.

Mr. Madden moved that this be adopted by the board. The yeas and nays being called for, the vote thereon was as follows: Yeas, Messrs. Madden, Blair, Abbott and Lehman; nays, Mrs. Alexander, Mrs. Evans, Mrs. Busey and Mr. Hatch, and the motion was lost.

Mr. Lehman gave notice of a motion to reconsider.

THE UNIVERSITY ON THE CARNEGIE FOUNDATION.

With regard to the communication by the president relative to putting the University on the Carnegie Foundation (see paragraph number eight, page 448), the following was adopted:

Voted that the President of the University be authorized to request the Board of Trustees of the Carnegie Foundation to place the University of Illinois upon the list of institutions to whose professors retiring allowances may be granted under the rules of the foundation.

Voted further that the Governor of the State and the Legislature of Illinois be requested to approve the application thus made by the Board of Trustees of the University of Illinois to the Carnegie Foundation.

The Board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting of May 2, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, May 2, 1908, pursuant to the following notice which was sent out by the Secretary, April 25, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago, at 9:00 o'clock a. m., Saturday, May 2, 1908, to consider unfinished business and such other business as may be duly presented.

When the Board met pursuant to this call the following members were present: Messrs. Abbott, Blair, Davison, Hatch, Lehman and Mrs. Evans, and Mrs. Busey; absent, Governor Deneen and Mrs. Alexander. Mr. Madden came in a little later.

President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The President of the University submitted the following matters for consideration:

OFFICE OF DEAN OF UNDERGRADUATES.

1. Communication from Dean Clark as to the duties of the Dean of Undergraduates and the consequent necessity of more adequate provision for doing the work.

Voted on motion of Mr. Blair:

1. That the President be authorized to appoint an Assistant Dean of Undergraduates whose duties will be to assist the Dean of Undergraduates in such ways as he may determine, at a remuneration of not to exceed five hundred dollars.

2. That such rearrangement of the Office of the Dean of Undergraduates be made as shall give the Assistant Dean a suitable place to do his work.

3. That the President of the University may appoint a regular clerk to the Dean of Undergraduates on half or two-thirds time to have general charge of the office at a remuneration of not to exceed five hundred dollars for twelve months.

APPOINTMENTS.

2. I recommend that James Ingersoll Wyer be appointed University Librarian and Director of the Library School at a salary of three thousand dollars per annum, work and salary to begin September 1, 1908.

Voted that such appointment be made.

3. That Dr. Raymond Weeks. Professor in the University of Missouri, be appointed Professor of Romance Languages and head of the Department of Romance Languages in the University of Illinois at a salary at thirty-five hundred dollars a year, work and salary to begin September 1, 1908.

Voted that such appointment be made.

4. That Dr. Julius F. Goebel be appointed Professor of German and Head of the Department of Germanics in the University of Illinois at a salary of three thousand dollars a year, for the term of two years, work and salary to begin September 1, 1908.

Voted that such appointment be made.

5. That Charles H. Mills be appointed Director of the School of Music in place of Mr. Lawrence, resigned, for the year 1908-09, at a salary of twenty-two hundred dollars a year, work and salary to begin September 1, 1908.

Voted that such appointment be made.

6. That J. L. Litman of the University of California be appointed Associate in Commerce, for the term of two years, beginning September 1, 1908, at a salary seventeen hundred dollars a year.

Voted on motion of Mr. Blair that the President be authorized to make this appointment if he should see fit to do so.

7. RECOMMENDATIONS AS TO APPOINTMENTS AND SALARIES.

That the following persons be appointed to the positions indicated for the year 1908-09:

Thomas J. Burrill, Vice-President of the University.
 David Kinley, Dean of the Graduate School.
 Eugene Davenport, Dean of the College of Agriculture.
 E. J. Townsend, Dean of the College of Science.
 O. A. Harker, Dean of the College of Law.
 E. B. Greene, Dean of the College of Literature and Arts.
 W. E. Quine, Dean of the College of Medicine.
 Thomas A. Clark, Dean of Undergraduates.
 Lily G. Kollock, Dean of Women.
 L. P. Breckenridge, Director of the Engineering Experiment Station.
 J. M. White, Supervising Architect.

That the salaries of the above be fixed as for the present year, except that the salary of the Dean of Women be increased to two thousand dollars.

In the following lists, *unless otherwise stated*, the terms of appointments and of salary changes, begin September 1, 1908, and continue as follows: for professors, without limit; for associates, for two years or the unfinished term; for instructors, and assistants in instruction, ten months; for all others, twelve months.

A. R. Bench.....	Instructor in Mechanical Engineering.....	1,000
H. E. Murdock.....	Instructor in Theoretical and Applied Mechanics... ..	1,100
R. B. Slippy.....	Instructor in Civil Engineering	1,200
C. C. Wiley.....	Instructor in Civil Engineering	1,100
H. B. Dirks.....	Instructor in Mechanical Engineering.....	1,200
E. H. Williams.....	Instructor in Physics	1,000
W. M. Stempel.....	Instructor in Physics	900
M. L. Enger.....	Instructor in Theoretical and Applied Mechanics... ..	1,100
J. J. Richey.....	Instructor in Civil Engineering	1,300
J. E. Smith.....	Instructor in Civil Engineering	1,200
G. W. Pickels, Jr.....	Instructor in Civil Engineering	1,100

J. T. Vawter.....	Instructor in Architecture	\$1,400
V. R. Fleming.....	Instructor in Applied Mechanics	1,100
G. C. Habermeyer...	Instructor in Municipal and Sanitary Engineering .	1,400
F. M. Porter	Instructor in General Engineering Drawing.....	900
.....	Instructor in Architecture	700
.....	Instructor in Civil Engineering	1,200
.....	Instructor in Municipal and Sanitary Engineering .	1,000
.....	Instructor in Railway Mechanical Engineering ...	1,000
.....	Instructor in General Engineering Drawing	900
.....	Instructor in General Engineering Drawing	800
L. W. Goben.....	Assistant in Machine Shop.....	1,000
Charles R. Clark...	Associate in Architecture	1,500
Edgar I. Wenger...	Associate in Railway Engineering.....	1,500
J. M. Duncan.....	Assistant in Wood Shop.....	850
W. W. Stifler	Assistant in Physics	800
C. A. Hellmann	Assistant in Physics.....	750
O. Stuhlmann, Jr. .	Assistant in Physics.....	500
W. A. Knapp.....	Assistant in Civil Engineering	700
H. G. Hake	Assistant in Electrical Engineering.....	800
L. V. James	Assistant in Electrical Engineering.....	800
J. B. Cook	Assistant in Forge Shop.....	700
J. Tarflinger.....	Assistant in Foundry	700
W. C. Bradford ...	Assistant in Machine Shop.....	900
.....	Assistant in Physics.....	500
.....	Assistant in General Engineering Drawing.....	700
.....	Assistant in General Engineering Drawing (part time)	500
.....	Student Assistant in Electrical Engineering	350
.....	Student Assistant in General Engineering Drawing (half time).....	150
.....	Clerk in Dean's office.....	1,000
.....	Stenographer in Dean's office.....	540
.....	Stenographer in Dean's office.....	600
.....	Curator in Architectural Library.....	500
.....	Clerk in Electrical Engineering Department	350
.....	Clerk in Mechanical Engineering Department.....	720
.....	Mechanician, M. E. Laboratory	1,200
.....	Mechanician, Physics Laboratory	900
.....	Storekeeper, Department of Physics	600
.....	Attendant, Mechanical Engineering Department...	360
.....	Attendant, Mechanical Engineering Department...	360
.....	Attendant, Mechanical Engineering Department...	360
.....	Assistant Dean.....	2,700

COLLEGE OF LAW.

Barry Gilbert.....	Professor of Law (increase in salary).....	2,300
D. O. McGovney...	Instructor in Law.....	1,800
.....	Secretary of Faculty	100
.....	Stenographer in Dean's office	200
.....	Clerk of Practice Court	100
.....	Law Library Custodians	300

LIBRARY AND LIBRARY SCHOOL.

F. K. W. Drury....	Assistant Librarian	1,800
Buelah Burroughs	Stenographer to the Librarian	600
Josie B. Houchens	General Assistant	720
Robert M. McCurdy	Order Librarian.....	1,000
Helen V. Calhoun..	Order Assistant	780
Alice M. Paddock..	Order Assistant	660
.....	Order Assistant	600
.....	Order Assistant (new).....	720
Philip S. Goulding	Catalog Librarian.....	1,200
Stella Bennett	Catalog Assistant	720

Lois A. Reed.....	Catalog Assistant	\$ 720
Adah Patton.....	Catalog Assistant	720
.....	Student Assistance.....	540
Frances Simpson...	Reference Librarian and Assistant Professor of Library Economy (increase in salary)	1,600
Elizabeth Forrest..	Reference Assistant.....	720
.....	Reference Assistant (10 months) (new).....	600
Emma R. Jutton..	Loan Librarian	1,000
Frances M. Feind..	Loan Assistant.....	720
Edith L. Spray ..	Loan Assistant.....	720
.....	Shelf Assistant	480
.....	Shelf Assistants, Students (half time), (10 months) .	400
.....	Sunday attendant, for the year	72
Anne D. Swezey ..	Binding Assistant.....	900
.....	Cataloger	900
Albert S. Wilson..	Assistant Director of Library School	1,800
Florence R. Curtis.	Instructor in Library School	800
.....	Reviser in Cataloging (3 months)	150

SCHOOL OF MUSIC.

May E. Breneman..	Instructor in Vocal Music.....	900
Winifred Forbes ..	Instructor in Violin and Theory.....	850
May E. Floyd.....	Instructor in Piano	900
A. A. Harding	Director of Band and Instructor in Band Instru- ments.....	500
Bertha I. Howe....	Instructor in Music	900
Lois D. McCobb....	Instructor in Vocal Music.....	850
Sara D. Morton....	Instructor in Piano	900
Constance B. Smith.	Instructor in Sight Singing, Ear Training, and in charge of Public Music.....	1,200
G. F. Schwartz....	Associate in Musical Theory	1,500
H. J. Van den Berg.	Instructor in Piano	1,700
G. R. Wade	Instructor in Voice and in charge of the Vocal De- partment	1,700

ACADEMY.

C. M. McConn.....	Acting Principal (12 months).....	1,700
Celia A. Drew.....	Teacher of English	900
H. T. Nightingale..	Teacher of History.....	1,000
J. P. Gilbert	Teacher of Biology	1,100
F. W. Thomas	Teacher of Latin and Greek	1,000
Margaret A. Scott..	Teacher of French and German	900
C. W. Sandifur....	Teacher of Physics.....	1,000
Adolph Gore	Teacher of Mathematics	850
G. M. Palmer	Teacher of English	950
Ava D. Steele....	Teacher of English	900
F. C. Keeler	Teacher of History	850
A. J. Hill	Teacher of Mathematics	950
C. M. Thompson...	Teacher of Mathematics	850

DEPARTMENT OF HIGH SCHOOL VISITOR.

H. A. Hollister....	High School Visitor (increase in salary).....	2,500
Blanche E. Phillips.	Stenographer in Office of High School Visitor.....	660

MILITARY DEPARTMENT.

E. G. Feché, L. Col.		
U. S. A. (retired) ..	Professor of Military Science and Tactics.....	576
Frederick Post....	Armorer (12 mos. from July 1, 1908).....	660
E. V. Lawrence....	Instructor in Military Science.....	24
.....	Five instructors in Military Science, each.....	100

PHYSICAL TRAINING.

Harry Gill.....	Assistant Director of Physical Training (12 mos.)...	\$1,500
Leo. G. Hana.....	Assistant Director, Gymnasium (12 mos.).....	1,400
H. W. Hachmeister.....	Instructor in Aquatics	700
Fletcher Lane.....	Instructor in Gymnasium	400
.....	Instructor in Fencing.....	200
Gertrude E. Moulton.....	Instructor in Physical Training.....	900
Edith M. Williams.....	Assistant Instructor in Physical Training.....	600
Rosa Lee Gaut.....	Assistant in Physical Training.....	200
Frances Leonard.....	Student Assistant in Physical Training.....	200
Jeannette C. Lincoln.....	Director of Physical Training for Women (12 mos.)..	1,200

* COLLEGE OF AGRICULTURE.

Clyde H. Myers....	Assistant in Chemistry in the Agricultural Experiment Station (12 mos.).....	840
Ernest Van Alstine.....	Assistant in Chemistry in the Agricultural Experiment Station (12 mos.).....	840
A. F. Gustafson....	Assistant in Soil Physics in the College of Agriculture and in the Agricultural Experiment Station (12 mos.).....	1,000
.....	Assistant in Chemistry in the Agricultural Experiment Station (12 mos.).....	1,000
Leonard Hegnauer.....	Instructor in Crop Production in the College of Agriculture and Assistant in Crop Production in the Agricultural Experiment Station (12 mos.)...	1,500
O. D. Center.....	Instructor in Crop production in the College of Agriculture and First Assistant in Crop Production in the Agricultural Experiment Station (12 mos.)	1,600
W. G. Eckhardt....	Assistant in Soil Fertility in the College of Agriculture and in the Agricultural Experiment Station (12 mos.).....	1,200
J. E. Readhimer....	Superintendent of Soil Experiment Fields (12 mos.).....	1,500
Clarence C. Logan.....	Assistant in Soil Physics in the Agricultural Experiment Station (12 mos.).....	720
Arthur Lumbrick ..	Assistant in Crop Production in the College of Agriculture and Assistant in Crop Production in the Agricultural Experiment Station (12 mos.).....	720
.....	Assistant in Chemistry in the Agricultural Experiment Station (12 mos.).....	840
Ora Stanley Fisher.....	Assistant in Soil Fertility in the Agricultural Experiment Station (12 mos.).....	720
Earl A. White.....	Assistant in Agricultural Mechanics in the College of Agriculture (10 mos.).....	750
.....	Assistant in Agricultural Mechanics.....	720
....(Vice Crane).....	Assistant Professor of Farm Mechanics (10 mos.)...	1,800
H. O. Allison	Instructor in Animal Husbandry in the College of Agriculture and Assistant in Animal Husbandry in the Agricultural Experiment Station (12 mos.).....	1,200
W. J. MacNeal.....	Assistant Chief in Bacteriology in the Laboratory of Physiological Chemistry (12 mos.).....	2,000
F. W. Gill	First Analyst in the Laboratory of Physiological Chemistry in the Agricultural Experiment Station (12 mos.).....	1,700
C. B. Coleman.....	Instructor in Dairy Husbandry in the College of Agriculture and First Assistant in Dairy Cattle in the Agricultural Experiment Station (12 mos.)..	1,000
N. W. Hepburn.....	Assistant in Dairy Manufactures in the College of Agriculture and in the Agricultural Experiment Station (12 mos.)	1,000

R. E. Brand	Assistant in Dairy Husbandry in the College of Agriculture and in the Agricultural Experiment Station (12 mos.)	\$ 840
R. B. Howe	Assistant in Pomology in the Agricultural Experiment Station (12 mos.)	1,200
B. S. Pickett	Instructor in Pomology in the College of Agriculture and First Assistant in Pomology in the Agricultural Experiment Station (12 mos.)	1,400
O. S. Watkins	Assistant in Chemistry in the Agricultural Experiment Station (12 mos.)	1,200
...(Vice Trueman)	Assistant Professor of Dairy Husbandry in the College of Agriculture and in the Agricultural Experiment Station
I. S. Brooks	Assistant in Olericulture in the Agricultural Experiment Station (12 mos)	900
Anna R. Van Meter	Assistant Professor of Household Science	1,500
Susannah Usher	Assistant Professor of Household Science (increase in salary)	1,500
Helena M. Pincomb	Instructor in Household Science for Secondary Schools	1,500
Charlotte Gibbs	Instructor in Textiles	1,200
Jessie E. Morrow	Assistant in Household Science (half time)	400
T. J. Barrett	Assistant in Botany in the Agricultural Experiment Station (12 mos.)	1,200
.....	Stenographer (part time) (12 mos.)	270
D. O. Barto	Instructor in Secondary School Agriculture (12 mos.)	1,500
.....	Professor of Human Nutrition	2,500
F. H. Rankin	Superintendent of Agricultural College Extension (12 mos.)	2,500
Donald McIntosh	Professor of Veterinary Science in the College of Agriculture and Veterinarian in the Agricultural Experiment Station	2,500
Catherine M. McIntyre	Secretary to the Agricultural Experiment Station (12 mos.)	1,500
.....	Stenographer in office of Director of Experiment Station (12 mos.)	780
W. L. Pillsbury	Editor for Agricultural Experiment Station (12 mos.)	300
H. L. Rietz	Statistician for Agricultural Experiment Station (12 mos.)	700
S. W. Shattuck	Business Manager Agricultural College and Experiment Station (12 mos.)	200
Addie F. Wilson	Stenographer (12 mos.)	300

ENGINEERING EXPERIMENT STATION.

(All appointments in this department are for twelve months beginning July 1, 1908.)

Herbert F. Moore	Theoretical and Applied Mechanics with rank of assistant professor	2,000
John M. Snodgrass	In Mechanical Engineering with rank of associate	1,800
Duff A. Abrams	Theoretical and Applied Mechanics with rank of associate	1,380
Thomas H. Amrine	First Assistant in Electrical Engineering	1,140
Ward R. Robinson	First Assistant in Theoretical and Applied Mechanics	1,260
Franklin W. Marquis	First Assistant, Railway Engineering	1,260
Kenneth G. Smith	Engineering Experiment Station Extension, with rank of Assistant Professor of Mechanical Engineering, September 1, 1908 to August 31, 1909	1,800

Roy W. Rutt.....	Assistant to the Director.....	\$1,600
Elizabeth A. Swift.....	Secretary	1,200

ADMINISTRATIVE OFFICES.

<i>President's Office—</i>		
D. Walter Morton	(Vice Wilson)	Chief Clerk, beginning June 1st or as soon there- after as he may report for work
		1,500
		Stenographer in President's Office
		720
Jessie A. Smith	Clerk	1,000
A. R. Lee	Assistant Clerk	900
Burt E. Powell	Private Secretary to the President, beginning as soon as he reports for work	2,000
<i>Business Office—</i>		
E. C. Harris	Clerk	960
G. L. Weinrich	Stenographer and Clerk in Purchasing Agent's Office	900
O. E. Staples	Chief Clerk	1,600
M. E. Thompson	Clerk	840
<i>Registrar's Office—</i>		
L. A. Boice	Clerk	1,100
Tabitha Broadhurst	Stenographer	660
Eva I. Saxton	Stenographer	900

OTHER APPOINTMENTS.

E. Atkinson.....	Superintendent of Grounds	1,400

Lida E. Voigt.....	Clerk and Stenographer in the Office of the Dean of the Graduate School	660
Addie F. Wilson	Stenographer in the Office of the Vice-President...	300
Agnes McGurty	Stenographer in the Office of the Dean of the Col- lege of Science.....	660

After the reading of the foregoing recommendations the board took a recess until 2:00 o'clock, p. m.

AFTERNOON SESSION, MAY 2, 1908.

When the board met after the recess the same members were present as in the morning.

Mr. Blair, Chairman of the Committee on Instruction, reported that the committee had been over the recommendations and approved them as presented above and moved their adoption, and the motion prevailed.

7. A request from Professor Baker that he be granted leave of absence on half pay for the academic year 1908-9,

Voted on motion of Mrs. Busey that said request be granted.

UNASSIGNED BALANCE OF APPROPRIATION FOR ENGINEERING COLLEGE.

8. That salaries in the College of Engineering to the amount of twenty-five thousand dollars be charged against the unassigned balance of the special appropriation for the support and extension of the Engineering College.

Voted on motion of Mr. Lehman that said recommendation be approved.

FILLING VACANCIES.

Voted on motion of Mr. Madden that the President of the University be given authority to fill such vacancies on the staff of the University as may occur between now and the opening of the academic year 1908-09.

DR. KEMP'S COMMUNICATIONS; RESIGNATION.

Mr. Lehman offered for adoption the following:

WHEREAS, Dr. George T. Kemp, Professor of Physiology in the University of Illinois, has addressed certain communications to the Board of Trustees of the University and to the President of the University in which he has set forth at length certain complaints and grievances as to the treatment accorded him by the administration of the University, and

WHEREAS, the Board of Trustees have given due and ample consideration to this matter at the last three sessions held on different days over an interval of more than six weeks, and

WHEREAS, the said Board of Trustees have given Professor Kemp a personal hearing at two distinct sessions of the Board;

Therefore, Be it voted that said Board of Trustees do not recognize that Professor Kemp has any real cause for grievance against the administration of the University.

After the discussion Mrs. Evans moved that further consideration of this motion be postponed to some future meeting when all members of the board should be present.

This motion was lost by the following vote: Yeas, Mr. Hatch and Mrs. Evans, and Mrs. Busey; nays, Messrs. Madden, Blair, Abbott, Davison and Lehman; absent, Governor Deneen and Mrs. Alexander.

The original motion was then adopted by the following vote: Yeas, Messrs. Madden, Blair, Abbott, Davison and Lehman; nays, Mr. Hatch, Mrs. Evans and Mrs. Busey; absent, Governor Deneen and Mrs. Alexander.

Dr. Davison offered the following, which was adopted:

WHEREAS, Dr. G. T. Kemp has presented to the Board of Trustees his resignation of the Professorship of Physiology in the University to take effect Sept. 1, 1908; therefore

Resolved, That the resignation be accepted.

TRANSFER OF THE JOURNAL OF ENGLISH AND GERMANIC PHILOLOGY.

The secretary presented the following transfer by Mrs. Eleanor G. Karsten of the Journal of English and Germanic Philology to the University of Illinois, and it was ordered that the transfer be printed in the minutes and filed by the secretary:

For the sum of one dollar, in hand received, and other good and valuable consideration, I, Eleanor G. Karsten, do hereby sell, convey and assign to the University of Illinois all my rights, claims and title in and to the publication known as the *Journal of Germanic Philology*, and later as the *Journal of English and Germanic Philology*, founded and hitherto published by my husband, the late Gustaf E. Karsten, including therein all moneys and credits now in my hands to the account of said *Journal* on all numbers subsequent to volume VI; all moneys and credits now or in the future due for

advertisements or subscriptions or any other indebtedness whatever on account of said *Journal* subsequent to volume VI, including also all copies of numbers of said *Journal* hitherto issued and not yet distributed or sold, including all manuscripts relating to said *Journal* and all other property of every kind connected with the publication of said *Journal*, and including also the right to continue publication of the same.

In testimony whereof, I hereto set my hand and seal, this twenty-second day of April in the year of our Lord, one thousand nine hundred and eight, at Urbana, Illinois.

[L. S.]

[Signed]

ELEANOR G. KARSTEN.

Signed, sealed and delivered in the presence of

LIDA E. VOIGHT.

REPAIRS AND IMPROVEMENTS.

The Committee on Buildings and Grounds made the following report, which was adopted on motion of Dr. Davison, the appropriations recommended therein being made:

To the Board of Trustees:

At a meeting of the Committee on Buildings and Grounds called at the University April 11, 1908, the following business was transacted:

Repairs on various buildings, amounting to \$4,190.00 were authorized as follows:

Armory.....	\$ 175 00
Gymnasium.....	179 00
Engineering Hall.....	170 00
Library.....	305 00
Main Hall.....	1,200 00
Law Building.....	120 00
Natural History.....	275 00
Chemical Laboratory.....	1,248 00
Women's Building.....	170 00
Agricultural Building.....	135 00
Observatory.....	113 00
Horticultural Building.....	40 00
Agroonomy.....	60 00

Total..... \$4,190 00

Voted to approve and recommend the adoption of the plan of Professor Breckenridge for the extension of boiler plant as follows:

Extension of boiler house.....	\$10,000 00
Induced draft apparatus.....	3,000 00
Coal and ash handling apparatus.....	12,000 00

Total..... \$25,000 00

Voted to furnish hot water, electric light, and steam heat to the Young Men's Christian Association Building at the cost of this service to the University, and charge to be based upon a flat rate for steam heat, and a meter charge for water and for electric light. The expense of installing the connections between the Y. M. C. A. Building and the University service to be borne by the association, and to be put in under the supervision of the Supervising Architect of the University.

Professors Breckenridge and White were requested to furnish the committee with an estimate of the cost to the University of the service which it was proposed to render.

Supervising Architect White recommended that the location of the walk and drive directly in front of the Agricultural Building, and leading to the Auditorium be altered to correspond with the campus plan prepared by Olmstead. Recommendation adopted.

Voted to recommend that \$1,000 00 be appropriated for enclosed fire escape for University Hall.

Voted that changes recommended by Professor White in academy rooms in University Hall be made at an expense of \$350.00.

The folling repairs were authorized:

<i>Heating:</i>	Changing the return from the buildings north of the power plant into the large return tanks.	\$ 85 00
	Changing the return main in south tunnel.	372 90
	Changing in steam main in Chemical Building, necessary on account of unsatisfactory operation of heating system, due to connections to return main being too small and the unsatisfactory arrangement of steam valves.	136 20
	Repairs to boilers, engines, pumps, steam mains, etc.	400 00
	General repairs in heating system.	600 00
<i>Gas Main:</i>	The 4-inch gas main now in the south tunnel should be changed to a ditch on the outside on occount of the expansion of the gas before it passes through the meters, due to the heat of the tunnel. It will also make room for an additional heating return main in tunnel, as the present main is to small to carry the return in cold weather. If we make this change the present 4-inch main can be used for return main from a point in tunnel opposite Law Building to Power House.	376 15
<i>Pipe Machines:</i>	Valve reseating machine.	90 00
		<hr/> \$2,059 35

Respectfully submitted,

WILLIAM A. ABBOTT,
FRED L. HATCH,
LEWIS L. LEHMAN,
LAURA B. EVANS,
CARRIE T. ALEXANDER,

Committee on Buildings and Grounds.

REVOCATION OF C. P. A. CERTIFICATE.

With regard to the form of procedure to be followed in the revocation of a C. P. A. certificate (see minutes of board meeting of January 25, 1908), the Secretary presented the following opinion from Judge Harker:

It appears from a petition presented to the Board of Trustees by John Everett, asking for the revocation of a certificate issued to William H. Roberts on September 26, 1904, as a Public Accountant under the legislative act of 1903, that Roberts in his application for such certificate, furnished false and fraduent statements as to his previous experience as a public accountant. It is charged that because of such statements the University Committee on Accountancy was imposed upon and without them the certificate would not have been granted.

The fifth section of the Act of 1903 provides that "the University may revoke any certificate issued under the provisions of this act for unprofessional conduct or other sufficient cause, provided that written notice shall have been previously mailed to the holder of such certificate twenty days before any hearing thereon, stating the cause for such contemplated action and appointing a date for a full hearing thereof by the University." The term "other sufficient cause" is broad enough to authorize a revocation for conduct before as well as after the date of the certificate. Moreover, if a certificate is obtained by fraud the University may treat it as voidable *ab initio* and revoke on satisfactory proof of the fraud.

The act provides that the University may determine the qualifications of persons applying for certificates, shall make rules for examinations and shall appoint three examiners whose duty it shall be at stated periods to conduct examinations. It also gives to the University large discretion through established regulations, in waiving parts of examinations to applicants with five successive years' experience as public accountants.

Early after the act went into force the board of Trustees authorized the appointment of a committee to which was given general supervision of all matters relating to the appointment of examiners, the mode of conducting examinations, certifying to the President of the University the names of applicants passing the required examinations, etc., etc. In the enumerated powers delegated by the board of Trustees to this committee the authority to revoke was not mentioned. I think it advisable, therefore, for the board of Trustees to refer the matter against Roberts to the committee with the power to hear testimony and either grant or deny the petition of Everett. When that is done the committee can give the required statutory notice and, on the date named for hearing, take proofs and pass on the case.

Its decision should be certified to the board of Trustees for approval.

Respectfully submitted,

O. A. HARKER,

Counsel for the University.

It was voted, on motion of Mr. Hatch, that the Committee on C. P. A. matters appointed by the Board of Trustees, consisting of Dr. David Kinley, Chairman, Professor M. H. Robinson, and W. L. Pillsbury, be authorized to proceed with regard to the petition of John Everett for the revocation of the C. P. A. certificate held by William H. Roberts in accordance with the opinion outlined by Judge Harker.

The board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting of May 29, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, May 29, 1908, pursuant to the following notice which was sent out by the Secretary May 22, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago at 9:00 a. m., Friday, May 29, 1908, to authorize conferring degrees upon those who are that day to be graduated from the College of Dentistry, and to transact such other business as may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Davison, Hatch and Mrs. Evans and Mrs. Busey, absent, Governor Deneen and Messrs. Blair, Lehman and Madden and Mrs. Alexander.

President James was present.

MATTERS PRESENTED BY PRESIDENT JAMES.

The president presented the following matters for consideration:

DEGREES FOR COLLEGE OF DENTISTRY GRADUATES.

1. A recommendation that the President of the University be authorized to confer the degree of Doctor of Dental Surgery upon the following named persons recommended for the same by the faculty of the College of Dentistry.

Voted on motion of Dr. Davison that said authority be given.

Carl Frederick Bandelin
Frank Joseph Bernard
Clyde Alvin Budworth
William Theo. Burke
Chester Walter Daye
Frederick Edward Ebert
William Francis Early
George Theodore Ehrlich
Noah Z. Feldsher
Jacob E. Green
Michael Francis Hough
Hugh Hopkins
Harry Lysander Jones
Francis LeRoy Joyce
Henry Joseph Kaufman

Edward Frederick Klumb
Harry Melvin Korshak
James Andres Larsen
Walter Theron Mitchell
Melvin E. Pontius
Francisco Ponce-y-Collantes
Paul Harold Ramsey
Reuben Alexius Stone
Elmer Bovee Stoughton
Edwin Paul Swatek
Harry Karl von der Heydt
Clyde Herbert Warner
Maud Muriel Warner
Henry Lyman Willcox

DEGREES FOR COLLEGE OF MEDICINE GRADUATES.

2. A recommendation that the President of the University be authorized to confer the degree of doctor of medicine during the approaching commencement upon the candidates recommended by the faculty of the College of Medicine for said degree.

Voted on motion of Dr. Davison that said recommendation be approved.

APPOINTMENTS.

3. A recommendation by Professor A. P. Carmen, approved by Dean Goss, that Dr. William F. Schulz be appointed assistant professor of physics in the University of Illinois at a salary of fifteen hundred dollars a year, salary and service to begin September 1, 1908.

Voted on motion of Mrs. Evans that said recommendation be approved.

4. A recommendation by Professor J. W. Garner, approved by Dean Evarts B. Greene, of the College of Literature and Arts, that Thomas Reed Powell be elected associate in political science at a salary of eighteen hundred dollars a year for a term of two years, work and salary to begin September 1, 1908.

Voted on motion of Mrs. Evans that said recommendation be approved.

5. A recommendation by Dean E. J. Townsend that John Wesley Young be appointed assistant professor of mathematics at a salary of eighteen hundred dollars a year, work and salary to begin September 1, 1908.

Voted on motion of Mrs. Busey that said recommendation be approved.

6. A request from Dr. C. H. Sisam, associate in mathematics in the University, for leave of absence without pay for the coming year, with the understanding that he return to his present position at the same salary for the succeeding year, at which time his term as associate will expire.

Voted on motion of Mr. Hatch that said request be granted on said terms.

SENIOR CLASS MEMORIAL.

Report from the committee appointed to pass upon the artistic merits of the senior class memorial that the memorial tablet is lacking in artistic qualities.

Voted that the board cannot recommend the acceptance and placing of it as it now is in the auditorium.

The board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting of June 8, 1908.

The regular meeting of the Board of Trustees of the University of Illinois was held at the University, beginning at 9:00 o'clock, a. m., Monday, June 8, 1908.

The members present were Messrs. Abbott, Hatch and Lehman, and Mrs. Evans, Mrs. Alexander, and Mrs. Busey; absent, Governor Deneen, Dr. Davison, and Mr. Madden. Mr. Blair came in a little later. President James was present.

The Secretary presented the minutes of the regular meeting of March 10, 1908, and of the special meetings of April 3, 1908, April 23, 1908, May 2, 1908, and May 29, 1908. The approval of the minutes was deferred.

MATTERS SUBMITTED BY PRESIDENT JAMES.

President James presented the following matters for consideration:

1. I ask for authority to confer degrees and certificates upon the persons recommended for degrees and certificates by the proper authorities of the University.

Authority was given as asked and the lists follow:

DEGREES CONFERRED JUNE 10, 1908.

COLLEGE OF LITERATURE AND ARTS.

DEGREE OF BACHELOR OF ARTS.

In Specialized Courses, Thesis Required.

Edwina Eunice Abbott
Deborah Chase Akers
Albert Allen
Winnina Ella Brownson

Mary-Gertrude Doherty
Robert Edward Garnett
Egbert George Gesell
Edward Leverich Hall

In General Courses.

George Herbert Anderson
Annie Mary Applegate
Winifred Agnes Bannon
Edna Pearl Barnhart
Fred Parker Benjamin
Stella Bennet, B. L. S., 1903
Hazel Besore
Lee Ross Blohm
Nellie Matilda Bredehoft
Florence Louise Brundage
Louis Buenger

The secretary presented the following committee reports:

FLORICULTURE GREENHOUSES.

CHAMPAIGN, ILL., June 6th, 1908.

Mr. W. L. Pillsbury, Secretary Board of Trustees, University of Illinois.

DEAR SIR: A joint meeting of the Committee on Agriculture and the Committee on Buildings and Grounds was held in Chicago May 29th to receive and open bids for the proposed Floriculture Greenhouse. At this meeting the following bids were received for the superstructure:

The Lord & Burnham Co.

A. Dietsch & Co.

Hitchings & Co.

The bid of A. Dietsch & Co was not accompanied by a certified check when opened, and before such a check was furnished the bid was raised about \$400.00. The committee took no action on the bids at the Chicago meeting, but adjourned to meet at the University June 6th, at which meeting bids for a service building for the greenhouse were received and opened.

The committees rejected the bid of A. Dietsch & Co., for the irregularity above noted and then voted to recommend, with one exception, that the contracts for greenhouse and service building be awarded to the low bidders. The one exception noted was Showers & Loper, who bid on brick instead of concrete for foundation.

Following is a tabulation of the bids as received and recommended for acceptance:

Work.	Bidder.	Bid.	Low Bid.
Greenhouse—Superstructure.....	Lord & Burham Co.....	\$4,706 00
do.....	Foley Mfg. Co.....	3,083 00	\$3,083 00
do.....	A. Dietsch & Co.....	2,890 00	(Rejected)
do.....	Hitchings & Co.....	4,997 00
General Contract—Service building.	English Brothers.....	6,167 00
do.....	Showers & Loper.....	5,790 00	5,790 00
Masonry—Service building.....	English Bros.....	1,033 00
do.....	Showers & Loper.....	946 00
do.....	Champaign Cement Block Co.....	1,009 37
do.....	Welch & Hawley.....	975 00
Contracts to be awarded.....	\$9,848 00

The supervising architect estimates that in addition to the above other contracts for this building will be necessary as follows:

Grading and tiling..... \$ 679 00
 Heating, plumbing and lighting..... 3,000 00

Total..... \$3,679 00

making the total cost of the floriculture greenhouse \$13,527.00.

The committees beg to call the attention of the Board to the fact that for these structures the Board has thus far appropriated only \$3,000.00

Respectfully submitted,

FRED L. HATCH,

Chairman Joint Committee.

Mr. Hatch moved the adoption of the recommendation and that the joint committee be authorized to enter into contracts for the floriculture greenhouse and service building at a cost not to exceed \$14,000.00, the cost of these buildings to be defrayed from the following funds:

Already appropriated from floriculture and horticulture fund..... \$3,000 00
 From general Agricultural College fund..... 5,000 00
 From horticultural department fund..... 2,000 00
 From State appropriation for floriculture (1908-9)..... 4,000 00

Total..... \$14,000 00

The motion was adopted.

FENCES—MILK ROUTE—LEASES OF LANDS.

CHAMPAIGN, ILL., June 6, 1908.

Mr. W. L. Pillsbury, *Secretary Board of Trustees, University of Illinois*:

DEAR SIR:—The Committee on Agriculture held a meeting in the library June 6 to consider various matters which had been referred to it by the Board, and begs to report as follows:

Line Fence.—In the matter of the controversy with Mr. Sullivan, the owner of land adjoining the University farm on the south, regarding the location of the line fence between the two properties, Judge Harker reported that he had arranged with Mr. Sullivan for a new survey of the line by neutral surveyors and that both parties had agreed to abide by the decision.

Judge Harker's acts in the matter so far, were approved and he was authorized and directed to proceed along the lines he indicated, to a conclusion.

Fences Around Horticultural Grounds.—Dean Davenport has requested that an iron fence similar to the one now around the horticultural plat on the north farm, be built around the new orchard plats on the south farm.

The committee recommended that such a fence be constructed at a cost not to exceed \$2,600.00, and to be paid for out of the State appropriation for fencing.

Fence Around Soil Experiment Plats.—Dr. Hopkins has requested that an iron fence similar to the one in front of the horticultural building be built around the soil experiment plat directly south of the Astronomical Observatory.

The committee recommends that the fence be built as requested at a cost not to exceed \$2,125.00, and that it be paid for out of the State appropriation for fencing.

University Milk Route.—The committee was directed to investigate and report upon the commercial features of the milk route now operated by the dairy department.

The committee has directed its chairman to ask the advisory committee of the State Dairymen's Association for a recommendation regarding the advisability of continuing the University milk route, and pending a reply to this request your committee asks for further time.

Leases of Experiment Lands.—The committee finds the following leases in force at the present time:

Name.	Acres.	Location.	Rental.	Expiration.
John Eggleston.....	30	Clay county	\$185 00	1911
John F. Jolley	10	Richland county	100 00	1912
W. M. Gussion, Jr.	10	Johnson county	75 00	1912
A. N. Abbott	20	Whiteside county	120 00	1908
W. N. Sunderland	10	50 00

The above leases are signed on the part of the University by professors connected with the experiment station without authority from the board, so far as the committee is aware.

The committee recommends that the board approve the above leases, but that the Director of the Experiment Station be advised that in the future all similar leases and all purchases of land should be signed by the proper officers of the board.

Respectfully submitted,

COMMITTEE ON AGRICULTURE,
FRED L. HATCH, *Chairman*.

With regard to this report was taken as follows:

Judge Harker's course concerning the line fence was approved.

The recommendation with regard to fence around horticultural grounds was approved and the appropriation therefor made.

With regard to the fence around soil experiment plats the board voted to refer the matter back to the committee with instruction to see whether or not a fence like that on the tennis courts near by would not be sufficient, and if this were found to be so, whether or not the other experiment plats further east might be similarly fenced and to report to the board.

The committee was given further time to investigate the report upon the milk route.

The recommendation of the committee with regard to leases and purchases of experiment lands was adopted.

MATTERS PRESENTED BY PRESIDENT JAMES.

The President of the University submitted also the following matters for consideration:

1. I recommend that the degree of Doctor of Laws be conferred at commencement on His Excellency Wu Ting-fang, His Imperial Chinese Majesty's Envoy Extraordinary and Minister Plenipotentiary to the United States of America.

On motion of Mrs. Evans it was voted that the degree be conferred.

2. The request is made for free tuition at the Summer Session for Filipinos brought to this country by the government for education.

The request was granted on motion of Mr. Hatch.

3. Recommendations from the Dean of the College of Agriculture:

(a) That Mr. Horace Fairchild Major be appointed assistant in landscape gardening in the College of Agriculture for one year beginning July 1, 1908, at a salary of eight hundred and forty dollars for twelve months.

(b) That Mr. Walter Lee Gaines be appointed assistant in dairy husbandry in the Agricultural Experiment Station for the year beginning July 12, 1908, at a salary of eight hundred and forty dollars for twelve months.

(c) That Miss Pincomb's appointment made at a previous meeting of the Board shall be on the twelve month basis, the same as other members of the experiment station.

(d) That Mr. I. S. Brooks' title shall be assistant in pomology, and that his salary shall be fixed at eight hundred and forty dollars instead of nine hundred dollars as printed in the preceeding minutes, while Mr. C. C. Logan's salary shall be eight hundred and forty dollars instead of seven hundred and twenty.

(e) That Joseph P. Aumer be appointed assistant in chemistry in the Agricultural Experiment Station at a salary of seven hundred and twenty dollars for twelve months from September 1, 1908.

Voted on motion of Mr. Hatch that said appointments be made.

USE OF DYNAMOMETER CAR.

4. A recommendation from the Dean of the College of Engineering that the department of railway engineering be authorized to grant the use of its dynamometer car during the summer vacation to railway companies desiring it, and that the department be authorized to receive the money on account of the University for the use of said car, said money to be paid to the Comptroller of the University. All uses of the car and all accounts growing out of its use to be subject to the approval of the Dean of the College of Engineering.

Voted on motion of Mrs. Busey that said recommendation be approved.

5. A recommendation from the Dean of the College of Literature and Arts that Mr. Joel R. Moore be appointed assistant in economics at a remuneration of \$450 for the academic year, 1908-9, work and salary to begin September 1, 1908.

Voted on motion of Mrs. Busey that said recommendation be approved.

ACOUSTICS OF AUDITORIUM

6. A request from Professor Carman, approved by the Supervising Architect, for an appropriation of \$250 for the purpose of making an investigation into the acoustics of the auditorium.

Voted on motion of Mrs. Evans that said appropriation be made.

BUDGET OF SCHOOL OF PHARMACY.

7. The following statement concerning the income and expenditures of the School of Pharmacy and the proposed budget for the academic year 1908-09:

ESTIMATED RECEIPTS, 1908-09

Based on an estimated attendance of 200 students.

Tuition	\$15,000 00
Laboratory deposits	2,000 00
Diploma fees	300 00
	<hr/>
	\$17,300 00

ESTIMATED EXPENDITURES, 1908-09

Rent	\$ 5,000 00
Heat and light (and ashes)	1,100 00
Salaries for instruction	7,220 00
Salaries for services	3,310 00
Apparatus	1,200 00
Repairs	900 00
Supplies, drugs and chemicals	1,000 00
Advertising	1,200 00
Printing and postage	200 00
Library	100 00
Water rent	75 00
Telephone	60 00
Laboratory refunds	400 00
Incidentals	350 00
	<hr/>
	\$22,115 00

Deficit of \$4,815 covered by annual State appropriation of \$5,000.

SALARIES

For Instruction—

C. S. N. Hallberg	\$1,800 00
W. A. Puckner	1,800 00
F. M. Goodman	1,200 00
W. B. Day	800 00
A. H. Clark	500 00
C. M. Snow	500 00
E. N. Gathercoal	500 00
H. H. Rogers	120 00
	<hr/>
	\$7,220 00

For Services—

W. B. Day, actuary	\$1,200 00
R. Meseck, janitor	780 00
H. Erickson, office assistant	540 00
Engineer	550 00
Student assistants (two)	150 00
Window washers	90 00
	<hr/>
	\$3,310 00

Voted on motion of Mrs. Busey that said budget be approved.

The board adjourned to meet at 9:00 o'clock, a. m. Tuesday.

SESSION OF TUESDAY MORNING.

When the board met pursuant to adjournment the same members were present as on Monday.

MATTERS PRESENTED BY PRESIDENT JAMES.

1. A recommendation from the Dean of the College of Agriculture that Dr. Nellie E. Goldthwaite be appointed research assistant in the department of domestic science for the term of twelve months at a salary of fifteen hundred dollars a year, work and salary to begin September 1, 1908.

Voted that said recommendation be approved.

2. A recommendation from the Dean of the College of Literature and Arts that J. C. Duncan be appointed assistant professor of accounting in the University at a salary of two thousand dollars per annum, service and salary to begin September 1, 1908.

Voted that said appointment be made.

UNIVERSITY BENEFICIARY OF MRS. VOODRY'S WILL.

President Abbott presented an official notice from the county clerk of McLean county to the effect that by the will of Mrs. Anna J. Voodry, the Trustees of the University of Illinois were made beneficiaries, and that there would be a hearing in the county court at 2:00 o'clock, p. m., July 3, 1908.

It was voted that Judge Harker be requested to attend and represent the interests of the University at the hearing.

LIBRARY AND LIBRARY FUNDS.

URBANA, ILLINOIS, June 9, 1908.

To the Board of Trustees of the University of Illinois.

Your Committee on the Library to which was referred a communication from the University Senate begs leave to report that it recommends the adoption of the proposed plan for the management of the library and library funds with certain changes. The plan with changes is as follows:

First, that the following officers be constituted a committee on the apportionment of library funds for the purchase of books, periodicals and binding:

1. The President.

2. The Librarian.

The Deans of the Colleges of:—

3. Agriculture.

4. Engineering.

5. Law.

6. Literature and Arts.

7. Science, and the

8. Graduate School.

Second, that there be constituted a senate standing committee on library administration and policy, consisting of the President and the Librarian and seven members representing the following interests:

1. Agriculture.

2. Engineering.

3. Science.

4. Graduate School.

5. Library.

6. The languages, the literatures, and the arts.

7. The philosophical and social sciences.

Among the duties of this committee shall be:—

1. To prepare for the use of the committee on apportionment, prior to its assignment of the funds, detailed estimates of the library needs of the various colleges, schools, and departments.

2. To consider and recommend to the Trustees the methods of library administration and policy, such as:

Administration and policy.

Ordering and accessions.

Exchange of University publications

Classification and cataloging.
 Shelving, storing, and caring for books.
 Admittance to the stack.
 Home use, or the loan of books.
 Reference use.
 Reserve books.
 Seminary libraries.
 Inter-library loans.
 Relations with the Library School.

3. To have State meetings, the dates to be regularly and publicly announced.

Your Committee also approves the following recommendations made by Mr. Lake and the Librarian and referred to the Committee by President James.

A recommendation from Mr. Lake the curator of the art collection housed at present in the basement of the library building, that the objects there collected be distributed part of them in the auditorium building and part of them in the rooms of the department of art and design.

A recommendation from the librarian that newspaper shelving be placed in the room in which the art collection is now housed, sufficient to take care of the bound volumes of newspapers which we have at present and some slight provision for the regular additions in the next year or two.

Your Committee recommends further that the sum of twenty-five hundred dollars be appropriated for the purchase of newspaper racks in accordance with the plans submitted. This action is taken on condition that it is feasible in the opinion of the Supervising Architect and the library board to protect the volumes properly from the effect of dampness in said room.

Respectfully submitted,

CARRIE T. ALEXANDER, *Chairman*.

The report of the Committee on the Library was approved and the appropriation was made.

TREASURER'S REPORT.

The Secretary presented the Treasurer's Report, for the quarter ending March 31, 1908, which was referred to the Finance Committee.

H. A. HAUGAN, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS,

REPORT OF THE COMPTROLLER.

The Secretary presented the Comptroller's report which was referred to the Finance Committee:

URBANA, ILL., June 8, 1908.

W. L. Abbott, *President Board of Trustees, University of Illinois.*

SIR—I have the honor to hand you herewith the following financial statements and papers:

Paper A is a statement of the current appropriations March 31, 1908.

Paper B is a statement of the State appropriations March 31, 1908.

Paper C is a statement of the United States fund March 31, 1908.

Paper E is a statement of the United States Agricultural Experiment Station appropriations March 31, 1908.

Paper F is a statement of the School of Pharmacy appropriations March 31, 1908.

Paper G is a statement of the College of Medicine appropriations March 31, 1908.

Paper H is an estimate of the receipts and expenses for the six months ending June 30, 1909.

Paper I is a list of the appropriations the board is requested to make at this time.

Paper L is a report of the receipts by the chief clerk for the three months ending March 31 1908.

Paper M is a list of the general University vouchers presented for audit, being Nos. 6501 to 10075, inclusive.

Paper O is a list of the United States Agricultural Experiment Station vouchers presented for audit, being Nos. 180 to 328, inclusive.

Paper P is a list of the School of Pharmacy vouchers presented for audit being Nos. 167 to 226, inclusive.

Paper Q is a list of the College of Medicine vouchers presented for audit, being Nos. 539 to 938, inclusive.

Respectfully submitted,

S. W. SHATTUCK, *Comptroller.*

ALUMNI MEETING AND DINNER.

An invitation was extended by the Executive Committee of the Alumni Association to the members of the Board of Trustees to attend the public meeting of the Alumni Association and the dinner.

The board then adjourned to meet at 4:30 o'clock in the afternoon.

AFTERNOON SESSION JUNE 9, 1908.

When the board met pursuant to adjournment the members present were Mrs. Alexander and Mrs. Busey. On motion of Mrs. Busey Mrs. Alexander was made president *pro tempore*.

Board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting, June 20, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago, June 20, 1908, pursuant to the following notice which was sent out by the Secretary, June 15, 1908:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Palmer House in Chicago at 9:00 o'clock a. m., Saturday, June 20, 1908, to consider matters submitted by President James and such other matters as may be duly presented.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Davison, Hatch and Lehman and Mrs. Alexander and Mrs. Busey; absent, Governor Deneen and Messrs. Blair, Madden and Mrs. Evans.

President James was present.

REPAIRS IN UNIVERSITY HALL.

Mr. Abbott presented a recommendation for the appropriation of an additional sum of two hundred dollars for repairs in University hall made by Dean Greene and endorsed by the Supervising Architect Mr. White.

The recommendation was approved and the amount named appropriated.

SCREENS FOR LIBRARY BUILDING.

The recommendation for screens on the Library building at a cost of \$350.00 approved by the Supervising Architect, Mr. White, was presented by Mr. Abbott, and was referred on motion of Mrs. Alexander to the Committee on Buildings and Grounds with power to act.

REPAIRS ON PRESIDENT'S HOUSE.

A recommendation from the Supervising Architect, Mr. White, that an appropriation be made as follows for repairs on the President's house, was referred on motion of Mrs. Busey to the Committee on Buildings and Grounds with power to act:

Washing exterior of house and painting porches	\$72 65
Interior varnishing, including first-story floors and those of second-story hall and two bedrooms and in southeast room on first floor....	60 00
Painting walls in southeast room, first floor	11 34
Rehanging loose burlap in other first-floor rooms	5 00
Refinishing walls in 2 bathrooms	12 00
Refinishing walls of the 2 east bedrooms.....	40 80

Total\$201 79

MATTERS PRESENTED BY PRESIDENT JAMES.

BUDGET OF COLLEGE OF MEDICINE.

1. A recommendation that the budget of the Medical School as submitted by the medical faculty for the academic year 1908-09 be approved.

Approved on motion of Mrs. Busey.

<i>Medical Department—</i>

Total for both departments		\$35,870 00

LUNETTES DONATED BY THE FIELD MUSEUM.

2. The Field Museum of Natural History of Chicago offered to present to the University two lunettes by Millet and Earle which were painted for the Chicago Exposition and which are now in its possession. After consulting with Professors Wells and Professor White I accepted this gift subject to the approval of the board. It is the opinion both of Professor Wells and Professor White that these lunettes have considerable artistic value and that they may very properly be added to our collections or possibly be placed in the auditorium as one of the decorative features.

Recommend, further, that the lunette representing the return of Ulysses be placed upon the back wall above the stage in the auditorium and that a recommendation as to placing the lunette representing the origin of Ceramics be requested from a committee consisting of the Supervising Architect, Professor Wells, Professor Lake and Professor Ricker.

Voted on motion of Mr. Hatch that the donation by the Field Museum of Natural History of the two lunettes of Millet and Earle be gratefully accepted and that the Secretary acknowledge the same to the museum.

Voted on motion of Mr. Hatch that the recommendation with regard to the placing of these lunettes be adopted.

CIVIL ENGINEERING DEPARTMENT.

3. Recommendation from the Dean of the Engineering College that Professor Baker's administrative duties in the department of civil engineering for the coming year be assigned to Associate Professor Brooks, and that Professor B. Sanborn of Tufts College be appointed assistant professor of civil engineering for one year from September 1, 1908, at a salary of \$1,750 for the year.

Voted on motion of Mrs. Alexander that the recommendation with regard to Professor Brooks be approved and that Professor Frank B. Sanburn be appointed for the term and at the salary named.

4. A recommendation from the Dean of the College of Engineering that Shelby S. Roberts be appointed for one year assistant professor of railway civil engineering in the University of Illinois at a salary of \$2,000, service and salary to begin September 1, 1908.

Mr. Shelby S. Roberts was appointed as recommended on motion of Mrs. Alexander.

AGRICULTURAL COLLEGE AND STATION FUNDS.

5. Recommendations for departmental appropriations in the College of Agriculture and in the Agricultural Experiment Station.

a. The Director of the Agricultural Experiment Station and the Dean of the College of Agriculture presents the following statement of appropriations requested and funds available to meet the estimates of the academic year 1908-09:

From College Funds—

For Department of Agronomy.....	\$14,000 00
For Department of Animal Husbandry.....	14,000 00
For Department of Dairy Husbandry.....	14,000 00
For Department of Horticulture.....	14,000 00
For Department of Household Science.....	16,000 00
Department of Veterinary Science.....	3,000 00
Farm Mechanics.....	3,500 00
College Extension.....	8,000 00
Office and miscellaneous.....	8,000 00
Drainage, fences and repairs.....	5,000 00
Greenhouse construction.....	5,000 00

<i>From State Station Funds—</i>		
Investigations in Animal Husbandry.....	\$25,000 00	
Investigations in Dairy Husbandry.....	15,000 00	
Investigations in Orchards.....	15,000 00	
Investigations in Soils.....	25,000 00	
Investigations in Farm crops.....	15,000 00	
Investigations in Floriculture and completion of greenhouse...	7,500 00	
<i>From Hatch Fund as follows:</i>		
Department of Agronomy.....	\$1,750 00	
Department Animal Husbandry.....	1,750 00	
Department Dairy Husbandry.....	1,750 00	
Department Horticulture.....	1,750 00	
Department Botany.....	3,500 00	
Office.....	4,500 00	
<i>From Adams Fund:</i>		
Experiments in Inbreeding.....	\$2,000 00	
Horticultural Experiments.....	2,800 00	
Nutrition Experiment.....	4,000 00	
Statistical work.....	2,200 00	
<i>The following funds are available to meet the above estimates—</i>		
<i>College Funds:</i>		
U. S. Funds, interest on endowment, approximately.....	\$16,000 00	
U. S. Funds, one-half second Morrill bill.....	12,500 00	
U. S. Funds, one-half Nelson amendment.....	5,000 00	
From State Funds, general purposes.....	50,000 00	
From State Funds, teachers and institutes.....	6,000 00	
From State Funds, drainage, fences, and repairs.....	5,000 00	
From State Funds, Household Science.....	10,000 00	\$104,500 00
<i>Station Funds:</i>		
U. S. Funds, Hatch bill.....	\$15,000 00	
U. S. Funds, Adams bill.....	11,000 00	
State Funds, for live stock experiments.....	25,000 00	
State Funds, crop experiments.....	15,000 00	
State Funds, soil experiments.....	25,000 00	
State Funds, dairy experiments.....	15,000 00	
State Funds, orchard experiments.....	15,000 00	
State Funds, floriculture experiments.....	7,500 00	
		\$128,500 00

Appropriations made on motion of Mr. Lehman.

RECEIPTS FROM EXPENDITURES.

b. He further recommends that all receipts arising from the expenditure of these funds be hereby appropriated for the same purposes as the original amount.

Voted on motion of Mr. Hatch that receipts be assigned to the department producing them for reappropriation by the board from time to time.

On motion of Mr. Lehman, \$4,000.00 of the receipts from the dairy experiments was appropriated for carrying on the dairy milk route for the quarter ending September 30, 1908.

TUBERCULOSIS IN DAIRY HERDS.

6. A communication from the Dean of the College of Agriculture and the head of the dairy department in the matter of tuberculosis in the dairy herd.

UNIVERSITY OF ILLINOIS, June 8, 1908.

Edmund J. James, L. L. D., President of the University of Illinois:

DEAR MR. PRESIDENT: I am transmitting a letter from Professor Fraser making certain recommendations concerning tuberculosis.

So far as the herd is concerned the procedure indicated is the only logical and sensible one. Any other would not only destroy the herd but would contribute nothing to knowledge. The disease is so common among cattle that few herds are free from it. Herd owners generally find it when they begin looking for it, and our course should be such as to be instructive to the State in the matter of handling an infected herd. This whole subject is certain to engage public attention at a very near date, and when that time comes we shall be stronger if our course has been consistent and constructive, not panicky and destructive. On this point therefore, we shall assume to proceed without special instructions.

So far as the public health is concerned, we are brought face to face with the largest fact in human disease. This is the spot where the methods of agriculture most intimately concern the public. If cow's milk cannot be furnished free from disease germs the infant mortality will continue to be frightful and the physical wreckage will not grow less. Infected milk is without doubt one of the most, if not the most dangerous source of human disease and death, and the public milk supply will before long engage the attention not only of boards of health, but of legislatures in this State as it has already engaged their attention in others.

This department has suffered no little criticism in the past, and has incurred no little disfavor, because of its effort to forestall an epidemic of sensation which is bound to come unless dairymen generally "clean up." It is extremely significant that we got this disease originally through cows purchased from among the largest commercial dairies of the State; all of which indicates that our duty now is to leave no stone unturned to contribute our share to the knowledge and influence necessary to an improved state of affairs concerning sanitary milk and especially the danger of transmitting tuberculosis from cows to human beings. If there were ever doubt about the advisability of the University milk route that doubt would now be dispelled, because present conditions put this question out of debate.

I, therefore, most heartily endorse Professor Fraser's recommendation, being careful to emphasize that these researches should proceed along the strongest lines and be conducted by men of such note that the conclusions will stand the test of scientific method and afford a working basis for public protection. The department of bacteriology is at work in this matter and will continue to make determinations sufficient to protect the supply. Manifestly the perfection of a working organization for the larger things will be a matter of months and I heartily join in the request that full power be given the President to approve plans and make appointments to the extent of the funds that can be turned in this direction the coming year, which, according to Professor Fraser's statement is \$5,000, and may be increased to \$6,000.

Respectfully yours,

E. DAVENPORT,
Director.

UNIVERSITY OF ILLINOIS, June 8, 1908.

Dean E. Davenport, College of Agriculture:

DEAR DEAN DAVENPORT: It is customary frequently to test our University dairy herd for tuberculosis, and we have generally found a few cases of the disease. At the last test, made recently, an unusually large number of animals reacted, indicating incipient tuberculosis.

This fact gives rise to two questions of policy, one relating to the herd, the other to the matter of public health.

The Herd.—A hasty course would be to destroy all reacting animals, and this course is sometimes pursued, but it is unnecessarily drastic and extremely expensive.

The present University dairy herd means twelve years of careful and successful breeding, which ought not to be sacrificed. Professor Weld, of the dairy division of the United States Department of Agriculture, said upon his recent visit here, after inspecting the records of our cows, that from the standpoint of economic milk production we had bred the best herd at any university from the Atlantic to the Rocky Mountains. Such a herd is too valuable to be destroyed unnecessarily.

Two facts we well know: One is that tuberculosis is not transmissible except by infection; the other is that healthy progeny can be secured from reacting cows. This indicates that the sensible course is to isolate all affected animals, destroying only those that appear to be yielding to the disease, thus spreading the infection, and continue breeding operations, resorting frequently to the test, and in this way free the herd from the disease without sacrificing the results of long continued and successful breeding. Many herds have been "cleaned up" in this way and this course we are pursuing here. Upon this point there is really no room for difference of opinion.

Public Health.—The more serious question and the one calling for recommendation and action arises out of considerations of public health.

Our best authorities tell us that one-seventh of the human race die of tuberculosis. The disease is so widespread that it is called "The great white plague." Much is said and written about its prevention and cure and the precautions necessary to prevent its spreading.

Prominent men in bacteriology say that bovine tuberculosis is not transmissible to man, while others of equally high authority, both in medicine and bacteriology, believe that a large part of human infection comes through the milk supply. The matter of a pure milk supply, particularly for infants and invalids, who are especially susceptible to disease, is therefore a question of vital importance, and if it be true that bovine tuberculosis is transmissible to man, it makes the question a serious one to consider, for we know that a large number of our dairy herds are badly infected. I believe that at the present time there is no subject in the University of greater importance, affecting, as it does, *human life*.

The question of the State's duty and responsibility in this particular matter, should certainly come up before the legislature in the immediate future, and it is upon us to be able to furnish at the proper time both definite and trustworthy information upon the subject. Some states have very stringent laws in regard to tuberculously infected herds, not allowing animals to enter their state without a certificate showing that they have successfully passed the tuberculin test. These laws have unquestionably already seriously affected the dairy interests of Illinois, and there is danger of the future results being even more serious if some action is not taken soon, because there is good evidence that neglected and diseased animals are shipped into our state and sold to our dairymen, who almost universally resort to purchase to keep up their herds. It is exceedingly significant that out of ten cows purchased from herds of Illinois for experimental purposes nine reacted.

Our herd affords a great opportunity for a most thorough investigation of the subject. This work requires the best man obtainable either in this country or Europe, whose entire time should be devoted to this research. Bacteriological examination should be made to determine the extent to which the milk and excrement may be infected, both with the University herd and herds throughout the State. Experiments should be conducted upon hogs and guinea pigs; veterinary examinations should be made of each cow to determine if any external symptoms of the disease can be found; and if possible determinations should be made as to whether and to what extent bovine tuberculosis is transmissible to man. The whole subject opens up a vast field for scientific research. The problems are many and difficult, and cannot be solved in a day or a year, but will require long and patient work, as well as large sums of money to carry forward the investigation. Anything but the best scientific labor is absolutely worthless in an investigation of this kind, and every effort should be made to secure the best talent obtainable.

Since tuberculosis is receiving such widespread attention at the present time, and so many institutions and sanitariums for the study and care of the disease are being established, and an international congress upon the subject of tuberculosis is to be held in Washington this autumn, and since there are so many vital questions in dispute, it would seem that this is an opportune time for the University to take hold of this question and so thoroughly investigate it as to be considered and recognized as one of the best authorities upon the subject in the United States, if not in the world; indeed, I believe it is not only our opportunity but our duty.

In view of the facts mentioned, I believe it is of the utmost importance that the plans of the Department of Dairy Husbandry be changed to a certain ex-

tent the coming year, in order to take up this work of tuberculosis investigation at once. This means the suspension of certain other important work of the department, and by so doing a fund of five or six thousand dollars will be available for the purpose of making a most thorough and careful investigation of the question of tuberculosis and its attendant evils among dairy cows. By doing this the matter can be carried on temporarily, but if as much is done as ought to be done, will finally require larger funds than can be devoted to this work at the present time.

I would therefore suggest that the president be given full authority to authorize and appoint sufficient men to carry on this work in the strongest manner possible.

Very truly yours,

W. J. FRASER,
Chief in Dairy Husbandry.

On motion of Dr. Davison, \$6,000.00 from the dairy husbandry funds was appropriated for investigation as suggested by the foregoing letters.

7. Professor A. T. Lincoln tenders his resignation as assistant professor of chemistry to take effect September 1, 1908.

On motion of Mrs. Alexander the resignation was accepted.

8. That George A. Huff be reappointed director of physical training for the year 1908-09, at a salary of \$2,500 per year.

On motion of Mrs. Alexander the appointment was made.

MILITARY COMPANIES AND SCHOLARSHIPS.

9. A recommendation from the military department that three additional companies be organized in the University regiment, and that nine additional scholarships be provided for the officers necessary to man these companies.

On motion of Mr. Hatch the recommendation was approved and it was ordered that the three additional companies be organized and that the military scholarships be established.

The board took a recess until 2:30 p. m.

AFTERNOON SESSION JUNE 20, 1908.

When the board convened after the recess, the same members were present as during the morning session.

REPORT OF ACCOUNTANCY.

10. Report of the University committee on accountancy. Said committee recommends that Mr. W. A. Chase of McGregor, Chase & Co., Chicago, be appointed member of the board of examiners for the three years beginning July 1, 1908.

The report was received for record, and Mr. Chase was appointed as recommended.

June 8, 1908.

President Edmund J. James, University of Illinois.

DEAR SIR—The University committee on accountancy wishes to submit its annual report upon the administration of the law relating to the certification of public accountants in the State of Illinois.

CERTIFICATES ISSUED.

Since the report submitted to you June 3d, 1907, the following have received certificates:

L. R. Acton, Gunn, Richards & Co., First National Bank building, Chicago, diploma No. 104, June 13, 1907.

C. F. A. Dellschaft, Jones Caesar & Co., Tribune building, Chicago, diploma No. 105, June 13, 1907.

Eric J. Everett, 145 LaSalle St., Chicago, diploma No. 109, June 10, 1907, (waiver.)

Paul Johnson, 1409 Tribune building, Chicago, diploma No. 106, June 13, 1907.

Henry G. Philipps, 609 First National Bank building, Chicago, diploma No. 107, June 13, 1907.

S. A. Scheites, 2233 Washington Bd., Chicago, diploma No. 108, June 1907.

H. J. Jackson, 59 Dearborn St., Chicago, diploma No. 113, December 18, 1907.

A. J. Steveling, 189 LaSalle St., Chicago, diploma No. 114, December 18, 1907.

C. A. Macdonald, 543 Postal Telegraph building, Chicago, diploma No. 111, December 18, 1907.

John Mahony, 1607 Ashland Blk., Chicago, diploma No. 112, December 18, 1907.

G. B. Buist, Wilkinson, Reckitt & Will's, 975 Washington boulevard, Chicago, diploma No. 110, December 18, 1907.

EXAMINATIONS.

Two examinations have been held during the year, as follows: The December examination, December 2, 3, 4, 1907; the May examination, May 4, 5, 6, 1908. At the May 1907 examination, the returns for which were received by the committee since the last annual report, 15 candidates were examined. Of these, four failed to hand in papers; of the remaining 11, 5 were successful and received their certificates. At the December, 1907, examination, 9 candidates were examined, of whom 5 received the required marks and were duly granted certificates. At the May, 1908, examination, candidates were admitted in accordance with the amendment to the law, without the educational requirement specified in the original enactment. On this account, it was deemed proper by the committee to hold examinations in Chicago and additional examinations in Peoria, Urbana, and East St. Louis, provided five candidates should apply for examination at any of the above places. It was also thought proper to advertise the examination, somewhat widely, and accordingly, notices calling attention to this examination were inserted in newspapers having the widest circulation in the following places, namely: Bloomington, Danville, Springfield, Quincy, Decatur, Cairo, and Rock Island. Very few inquiries were received from candidates away from the immediate vicinity of Chicago, and no applications were received for examinations at any of these outside points. At this examination, 62 candidates were admitted. The returns for this examination are not yet in. Of the 62 candidates, 12 appear on their applications to have had a full high school education; of the remaining 50, 10 state that they have had an equivalent. As your committee was not required to investigate the educational qualifications, it is probable that some of the latter class would not have been able to qualify under the provisions of the original law.

BOARD OF EXAMINERS.

The term of Mr. C. W. Knisely as a member of the Board of Examiners expires July 1, 1908. Mr. Knisely was appointed in 1903 as a member of the first board of examiners, under the C. P. A. law. He was re-appointed in

1905 for a term of three years. Mr. Knisely has met the trying conditions under which the board of examiners has worked, especially in the administration of the laws relating to the waiver clause, with great satisfaction to your committee. It is, therefore, with regret, that your committee deems it wise to follow the established precedent, and recommend that his successor be appointed from outside those who hold positions on the present board. Your committee, however, wishes to express its appreciation of Mr. Knisely's services during the two terms in which he has served the University.

The rule adopted by the board of trustees, provides that at least two of the board of examiners must be "skilled in the practice of accountancy and actively engaged therein in the State of Illinois." As one of the present members of the board, Mr. S. S. Gregory, is a practicing lawyer, it is therefore necessary that the successor to Mr. Knisely should fulfill the above requirement.

D. KINLEY,
W. L. PILLSBURY,
MAURICE H. ROBINSON, Secy.,
Committee on Accountancy.

DISTRIBUTION OF ART OBJECTS.

11. A recommendation that a committee consisting of the Supervising Architect, Professor J. M. White as chairman, Professor Wells, Professor Lake and Professor Ricker, be authorized, if they deem best, to determine the distribution and location in other university buildings of the art objects now housed in the basement of the library building, and that the supervising architect be directed to place the said objects in the position selected by the committee.

Recommendation adopted on motion of Mr. Hatch.

APPOINTMENTS.

12. Recommendation from the Dean of the College of Agriculture, that Jay Boardman Park be appointed assistant in chemistry in the agricultural experiment station at a salary of \$720, beginning September 1, 1908.

John Willard Calvin be appointed to a similar position with similar salary, beginning at the same time.

J. M. Barnhart be appointed assistant in the dairy department at a salary of \$1,000 from September, 1908.

All these for twelve months.

Professor J. H. Pettit be given leave of absence without pay, for the year beginning September 1, 1908.

On motion of Mrs. Busey the appointments were made as recommended and Professor Pettit was given a further leave of absence without pay.

BUDGET OF THE GRADUATE SCHOOL.

A recommendation that the following budget be approved for the Graduate School for the academic year 1908-09:

Special research	\$5,000.00
Incidentals	1,200.00
Office help	250.00
Special library equipment	5,000.00

On motion of Mrs. Alexander the recommendation was adopted.

WAER SURVEY BUDGET FOR THE YEAR BEGINNING JULY 1, 1908.

13. A recommendation that the following budget for the Water survey be approved for the year beginning July 1, 1908.

Director	\$2,500 00
Cnemist, L. I. Birdsall, 12 months.....	900 00
Bacteriologist, Frank Bachman paid for part of the year.....	615 00
Janitor, 12 months.....	420 00
Clerical work and laboratory assistance.....	1,140 00
Traveling expenses	300 00
Express	100 00
Postage	150 00
Printing	300 00
Equipment	200 00
Supplies	200 00
Incidentals	175 00
Laboratory assistance with classes.....	400 00
Platinum dishes	300 00
Incubator	120.00
Constant temperature apartment.....	50 00
Furniture	80 00
Annual report	400 00

The budget was approved on motion of Mr. Hatch.

HOUSE LABRATORY FOR HOUSEHOLD SCIENCE DEPARTMENT.

14. Recommendation from the head of the department of household science approved by the dean of the Agricultural College, that the sum of \$5,000.00 be appropriated for the equipment and management of a house laboratory. This would involve the renting of a house at an approximate cost of \$500.00, and the rest of the money would be used in equipping and running the house as a practical laboratory in domestic science.

The recommendation was adopted and appropriation made on motion of Mr. Hatch by the following vote: Yeas, Messrs. Abbott, Hatch, Lehman and Mrs. Busey; nays, Dr. Davison and Mrs. Alexander.

15. Recommendation that the detail of Colonel E. G. Fechet as professor of military science for four years from August 1, 1908, be accepted to continue in effect until further notice.

Recommendation adopted on motion of Mr. Hatch.

EQUIPMENT FOR COLLEGE OF ENGINEERING.

16. The dean of the College of Engineering requests that the following appropriations be made for special equipment in the Engineering College:

1. Incidentals and general expenses of the college and its departments, \$5,000.00.

2. That for the extension and equipment of the forge room and for the transfer and equipment of the locker and wash room which joins the present room, the sum of \$2,800.00 or such portion thereof as may be necessary be appropriated.

3. That the sum of \$4,000.00 be appropriated for the purchase and installation of one Standard Master Car Builders' Drop Testing Machine for the department of railway engineering.

4. That the sum of \$6,000.00 be appropriated for the design and construction of a Master Car Builders' Brake Shoe Testing Machine for the department of railway engineering.

These requests with Dean Goss's report were referred to the Committee on College of Engineering with power to act.

ENGINEERING EXPERIMENT STATION.

17. Recommendation from the director of the engineering department station that \$3,000.00 be appropriated for the expenses of the engineering experiment station in addition to the appropriation made one year ago.

Further, that Wilford F. Wheeler be appointed first assistant in the Engineering experiment station, department of chemistry, at a salary of \$115 a month, for the term of twelve months, salary and service beginning July 1, 1908.

Further, that F. L. Busey be re-appointed as first assistant in the engineering experiment station department of mechanical engineering for the term of one year, beginning July 1, 1908, at a salary of \$100.00 a month.

Recommendation with regard to the appropriation was referred to the Committee on the College of Engineering with power to act.

Messrs. Wheeler and Busey were appointed as recommended on motion of Mr. Lehman.

ASSISTANT DEAN IN THE COLLEGE OF LITERATURE AND ARTS.

18. The dean of the college of literature and arts requests that Professor George H. Meyer be appointed assistant dean of the college of literature and arts with a compensation of \$250.00 a year.

On motion of Mr. Hatch the appointment was made as requested.

DEPARTMENT OF PHYSIOLOGY.

19. A recommendation that Dr. John H. McClellan be appointed assistant professor of histology and embryology in the University of Illinois for the year 1908-09, at a salary of \$2,000.00, having charge of the instruction in physiology, service and salary to begin September 1, 1908.

The recommendation was adopted on motion of Mr. Lehman.

Mrs. Alexander moved that Dr. Kemp be asked to withdraw his resignation and in case that he does so, that he be given leave of absence for one year on half pay.

On motion of Mrs. Busey, the further consideration of the question was postponed until the next meeting of the board.

ROOM FOR ALUMNI QUARTERLY.

Mr. Abbott presented a recommendation from Professor White, endorsed by Dr. Burrill and Dean Goss that a room be fitted up in Engineering hall for the Alumni quarterly, at an expense of \$100.00.

The recommendation was referred to the Committee on Buildings and Grounds with power to act, on motion of Mrs. Alexander.

The board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

Meeting of the Executive Committee, of the Board of Trustees of the University of Illinois, June 20, 1908.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Palmer House in Chicago at 5:30 o'clock, p. m., June 20, 1908. Messrs. Abbott and Lehman of the Committee were present, Mrs. Alexander was absent.

President James was present. Mr. W. L. Pillsbury acted as Clerk of the Committee.

APPOINTMENTS IN THE DEPARTMENT OF PHYSIOLOGY.

Upon recommendation of Dean Townsend, Dr. Otis O. Stanley was appointed instructor in the department of physiology at a salary of \$700.00 for the ten months, beginning September 1, 1908.

Authority was also given to appoint two laboratory assistants, one at a salary of \$750.00, and one at a salary of \$250.00, also a student assistant at a salary of \$150.00.

SALARIES INCREASED.

Upon the recommendation of the President the salaries of the following professors were increased to the sum of \$3,000.00 each from September 1, 1908:

Herbert J. Barton,
Charles M. Moss,
Daniel K. Dodge,
Arthur H. Daniels.

APPOINTMENTS MADE SINCE MAY 2, 1908.

President James reported for record the following statement of appointments made to fill vacancies since the meeting of the board held May 2, 1908:

Assistants in English: Vida Lucille Collins, ten months beginning September 1, 1908, half time, \$35 a month.

John Clark Jordan, ten months beginning September 1, 1908, half-time \$35 a month.

Winifred Almina Perry, ten months beginning September 1, 1908, half-time \$35 a month.

Arthur Ray Warnock, ten months beginning September 1, 1908, \$80 a month.

Arthur Gerald Tietje, ten months beginning September 1, 1908, \$80 a month.

T. C. Pease, assistant American history for ten months beginning September 1, 1908, at \$30 a month.

Drury L. Weatherhead, scholarship in chemistry in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Raymond C. Kotz, scholarship in chemistry in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Joseph L. Sloanaker, scholarship in chemistry in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Annabel R. Harrison, scholarship in classics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Robert N. Haig, scholarship in economics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

John A. Stevenson, scholarship in English in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Frederick A. Schrader, scholarship in history in the graduate school, ten months beginning September 1, 1908, \$25 a month.

George J. Balzer, fellowship in physics in the graduate school, ten months beginning September 1, 1908, \$40 a month.

J. C. Rietz, scholarship in physics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

John N. Lowrie, scholarship in political science in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Gwendolyn Stewart, university fellowship in household science in the graduate school, ten months beginning September 1, 1908, \$30 a month.

Dr. E. C. Eckleman, instructor in German for ten months beginning September 1, 1908, \$100 a month.

Louis Imbert, assistant in romance languages, for ten months beginning September 1, 1908, \$90 a month.

John W. Hornbeak, scholarship in mathematics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Shichiro Kikuchi, scholarship in mathematics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

John Kostalek, fellowship in chemistry in the graduate school, ten months beginning September 1, 1908, \$30 a month.

David N. Inglis, fellowship in romance languages in the graduate school, ten months beginning September 1, 1908, \$35 a month.

Mark Skidmore, university fellowship in romance languages in the graduate school, ten months beginning September 1, 1908, \$30 a month.

Guy Conrey, graduate assistant in chemistry, ten months beginning September 1, 1908, \$30 a month.

Warren Knapp, senior assistant in chemistry, ten months beginning September 1, 1908, \$10 a month.

Fred Cressman, senior assistant in chemistry, ten months beginning September 1, 1908, \$10 a month.

L. F. Nickel, senior assistant in chemistry, ten months beginning September 1, 1908, \$10 a month.

O. C. Stanger, senior assistant in chemistry, ten months beginning September 1, 1908, \$10 a month.

Earl K. Strachan, graduate assistant in chemistry, ten months beginning September 1, 1908, \$30 a month.

L. H. Provine, instructor in architectural engineering, ten months beginning September 1, 1908, \$150 a month.

Charles Fabens Kelley, instructor in art and architecture, ten months beginning September 1, 1908, \$100 a month. Half time to be devoted to instruction in architecture in the college of engineering and the other half to instruction in art and design in the college of literature and arts.

George R. Jackson, assistant in English, ten months beginning September 1, 1908, \$35 a month.

Arthur Leslie Owen, assistant in romance languages, half time, ten months, beginning September 1, 1908, \$50 a month.

Albert H. Daehler, assistant in English, ten months, beginning September 1, 1908, \$35 a month.

Lee I. Knight, assistant in botany, ten months beginning September 1, 1908, \$100 a month.

William Brooks Scott, research fellowship in the engineering experiment station two years, beginning September 1, 1908, \$500 a year.

Proctor Knott Smiley, research fellowship in the engineering experiment station, two years beginning September 1, 1908, \$500 a year.

John Albert Switzer, instructor in theoretical and applied mechanics, ten months beginning September 1, 1908, \$100 a month.

H. J. Thal, stenographer to the dean of the law school, beginning June 1, 1908, \$15 a month.

Margaret Hutchins, reference assistant in university library, for ten months beginning September 1, 1908, \$60 a month.

Julius C. Herbstman, custodian of the law library, until further notice at 15 cents an hour on monthly statements.

Thomas C. Angerstein, custodian of the law library, until further notice at 15 cents an hour on monthly statements.

William Rock Fagan, shelf assistant in the university library, for twelve months beginning September 1, 1908, \$40 a month.

Rachel M. Jarrold, scholarship in history in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Paul C. Phillips, fellowship in history in the graduate school, ten months beginning September 1, 1908, \$35 a month.

Theodore D. Belote, fellowship in history in the graduate school, ten months beginning September 1, 1908, \$50 a month.

Orrin H. Smith, scholarship in physics in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Raymond Robinson, university fellowship in mechanical engineering in the graduate school, ten months beginning September 1, 1908, \$25 a month.

Eugene V. Camp, university fellowship in railway engineering in the graduate school, beginning September 1, 1908, \$30 a month.

Louis McDonald, assistant in civil engineering, ten months beginning September 1, 1908, \$70 a month.

Dr. G. E. Wahlin, instructor in mathematics, ten months beginning September 1, 1908, \$100 a month.

C. R. Dick, instructor in general engineering drawing, ten months beginning September 1, 1908, \$90 a month.

Arthur M. Elan, assistant in general engineering drawing, ten months beginning September 1, 1908, \$70 a month.

C. C. Allbright, instructor in civil engineering, ten months beginning September 1, 1908, \$110 a month.

W. F. Washburn, graduate assistant in chemistry, ten months beginning September 1, 1908, \$30 a month.

Jessie Baldwin, assistant in Botany, ten months beginning September 1, 1908, \$65 a month.

Rose A. Goldberg, order assistant in the University library, twelve months beginning September 1, 1908, \$50 a month.

Frances Feind, loan assistant in the university library, during the summer session from July 1, 1908 to August 12, 1908, inclusive, six weeks, \$15 a week.

Elizabeth Forrest, reference assistant in the university library, during the summer session from July 1, 1908 to August 12, 1908, inclusive, six weeks, \$15 a week.

C. L. McMaster, assistant to the dean of undergraduates, ten months beginning September 1, 1908, \$30 a month.

Grace Maxwell, stenographer in the office of the dean of the college of literature and arts, twelve months beginning September 1, 1908, \$65 a month.

THE FOLLOWING APPOINTMENTS IN THE COLLEGE OF ENGINEERING—TERM OF SERVICE TO BEGIN SEPTEMBER 1, 1908.

Sue W. Ford to succeed herself as clerk in dean's office, 12 months, \$1,000.

L. Mae Manspeaker to succeed herself as stenographer in dean's office, 12 months, \$600.

Marjorie V. Asche to succeed herself as stenographer in dean's office, 12 months, \$540.

Edith Leonard to succeed herself as curator of architectural library, 10 months, \$500.

Mary P. Cooley to succeed herself as clerk in M. E. department, 12 months, \$720.

A. A. Stanley to succeed himself as machanician, M. E. department, 12 months, \$1,200.

E. Berbaum to succeed himself as tool-room attendant, M. E. department, 12 months, \$360.

Harry Weeks to succeed himself as tool-room attendant, M. E. department, 12 months, \$360.

Wm. Wascher to succeed himself as tool-room attendant, M. E. department, 12 months, \$360.

E. T. Strong to succeed himself as mechanician, department of physics, 12 months, \$900.

George L. Dobyns to succeed himself as storekeeper in physics department, 12 months, \$600.

DEPARTMENTAL APPROPRIATIONS.

On recommendation of President James, the following departmental appropriations were made:

University General—

Administrative offices	\$ 1,000 00
Woman's hall	500 00
Misscellaneous fund	1,000 00
High school oratorical contest.....	400 00
Public school drawing exhibit	50 00
Editing catalogue and circulars.....	500 00
University lectures	5,000 00
Summer session	15,000 00
University studies	1,200 00
Alumni quarterly	1,000 00
One-half time for stenographer for editor of catalog.....	300 00

Academy—

Equipment	500 00
Incidentals	300 00

High School Visitor's Office—

Traveling expenses and incidentals.....	900 00
High school conference	750 00

College of Literature and Arts—

Assistant Dean	250 00
College general	400 00
Art and design	300 00
Classics	100 00
Debating and oratory	400 00
Modern languages	100 00
Rhetoric-Theme reading	500 00
English	50 00
History	50 00
Psychology	500 00

School of Education—

Lecture courses and incidental expenses.....	2,000 00
Salary of director	200 00
Publication of monographs	200 00

Astronomy—

Maintenance and equipment	500 00
---------------------------------	--------

Chemistry—

Maintenance and equipment in addition to special appropriations and students' fees.....	6,000 00
---	----------

<i>Geology—</i>	
Special work on collections.....	\$ 200 00
Additional equipment	500 00
<i>Mathematics—</i>	
Incidentals	150 00
Models and computing machine	300 00
Transactions of the American Mathematics Society.....	50 00
<i>Botany</i>	1,300 00
<i>Physiology—</i>	
Additional apparatus equipment.....	1,000 00
<i>Zoology—</i>	
Additional equipment and apparatus.....	1,400 00
<i>College of Science—</i>	
General	300 00
<i>School of Music—</i>	
Incidental expenses	600 00
<i>Library School—</i>	
Incidental expenses and lectures.....	1,000 00
One-half time of stenographer.....	300 00
<i>Library—</i>	
Incidental expenses.....	500 00
<i>Physical training—Men—</i>	
Incidental expenses	500 00
Additional lockers	500 00

President James' bill of \$1,520.30 for traveling expenses on University business from September 1, 1906, to June 15, 1908, was approved and ordered paid.

The committee adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

Chairman.

Meeting of July 3, 1908.

A special meeting of the Board of Trustees of the University of Illinois was held at the University's School of Pharmacy in Chicago, July 3, 1908, pursuant to the following notice which was sent out by the Secretary, June 27, 1908:

Upon the call of the President Mr. W. L. Abbott, there will be a special meeting of the board of trustees of the University of Illinois at the Illinois Pharmacy building, at 12th street and Michigan avenue, Chicago, at 10:00 o'clock a. m., Friday, July 3, 1908, for the purpose of opening and considering bids for the physics building and the natural history building, and for the consideration of such other matters as may be brought before the board.

When the board met pursuant to this call the following members were present: Messrs. Abbott, Davison, Hatch and Lehman, and Mrs. Evans, Mrs. Alexander, and Mrs. Busey; absent, Governor Deneen and Messrs. Blair and Madden.

Vice-President Burrill was present.

BIDS FOR PHYSICS AND NATURAL HISTORY BUILDINGS.

Bids for the Physics and Natural History buildings were opened and read in the presence of such of the bidders or their representatives as chose to attend.

For a schedule of bids, see pages 507 and 508.

After the opening of the bids, the board adjourned to meet at the Palmer House in Chicago, at 2:00 o'clock p. m.

AFTERNOON SESSION JULY 3, 1908.

When the board met after adjournment, the same members were present as during the morning session.

REPORTS OF THE COMMITTEE ON BUILDINGS AND GROUNDS.

The Committee on Buildings and Grounds reported on matters referred to it at the meeting of the board held June 20, 1908, as follows:

Screens for Library Building.—That screens for the Library building had been ordered at a cost not to exceed \$250.00.

Repairs on President's House.—That repairs on the President's house had been ordered as recommended by the Supervising Architect, at a cost of \$201.79.

Room for Alumni Quarterly.—That an order had been given for the fitting up of the room in Engineering hall for the Alumni quarterly at an expense of \$100.00.

Equipment for College of Engineering.—That the requests of the Dean of the College of Engineering for special equipment in the college had been ordered as follows: Incidentals, etc., \$5,000.00; extension and equipment of forge room, etc., \$2,800.00; drop testing machine, \$4,000.00; brake shoe testing machine, \$6,000.00.

FIRE ESCAPES ON UNIVERSITY HALL.

It was ordered that in the northeast and northwest angles of the court on the south of University hall there be constructed stairways from the top story to the balcony and that each stairway be protected by a wall of brick extending out far enough to shut off any flames that might, in case the main inside stairways were on fire, burst out of the windows.

One thousand dollars had been appropriated for these fire escapes at the meeting of May 2, 1908.

ASSIGNMENT OF FUNDS.

President Abbott presented the following from President James:

A recommendation that the balance of the sums appropriated by the legislature for specific purposes be now assigned by the board to said purposes, and that the balance of sums already appropriated by the board for salaries from these specific appropriations but which may not be used during the present year owing to the fact that the position may not be filled, be appropriated for the same purposes.

The recommendation was adopted.

ADVANCE FOR PRESIDENT JAMES' TRAVELING EXPENSES.

President Abbott presented a request from President James that \$1,000.00 be advanced to him towards expenses of the tour he is undertaking to inspect Veterinary Colleges and Research Laboratories in this country and Europe.

The advance was authorized on motion of Mr. Lehman.

PETITION FOR REVOCATION OF C. P. A. CERTIFICATE.

The Committee on Accountancy made the following report with regard to the petition which had been referred to it by the board:

URBANA, ILLINOIS, July 1, 1908.

To the Board of Trustees, Chicago, Illinois.

LADIES AND GENTLEMEN—Your committee on accountancy, pursuant to your instructions as given at your meeting of May 2, 1908. (Minutes pages 463,) has held a hearing on the petition of John Everett for the revocation of the C. P. A. certificate of William H. Roberts.

In accordance with section 5 of the law twenty days' notice of this hearing was given to all parties concerned. The hearing was held in the building of the school of pharmacy beginning at 2:00 o'clock p. m., Wednesday, June 17th. There were two sessions; the first continued until 5:30 o'clock Wednesday afternoon, the second was held next morning in the same place. Your committee was represented by the chairman and secretary, Professors Kinley and Robinson, and they were accompanied by Dean Harker as counsel. Mr. Gregory of the board of examiners came in for a while and also gave the committee the benefit of his advice on some points.

The petitioner and the respondent were both represented by counsel and various witnesses were heard. The evidence was taken down in shorthand by Mr. E. A. Eulass, court reporter, and a transcript, filling two hundred odd typewritten pages was made and sent to the committee.

After reviewing the evidence your committee is of the opinion that respondent, William H. Roberts, did not make fraudulent statements concerning the duration of his experience as a practicing public accountant; and that there is not sufficient ground for the revocation of his certificate. Your committee herewith submits its opinion and decision for approval.

DAVID KINLEY,
MAURICE H. ROBINSON,
W. L. PILLSBURY.

University of Illinois, before University Committee on Accountancy. In matter of petition for the revocation of the certificate of William H. Roberts, Certified Public Accountant.

OPINION OF DAVID KINLEY, CHAIRMAN.

This is a proceeding instituted by John Everett for the purpose of having revoked Certificate Number 70, which was issued to the respondent, William H. Roberts, of Chicago, of date September 26, 1904. The certificate was issued under the waiver clause contained in section 3 of an Act of the legislature to regulate the profession of public accountants, approved May 15, 1903.

The petition charges that Roberts furnished false and fraudulent information in his application for the certificate in regard to the length of time which he had successively practiced as "Public Accountant." It charges that Roberts had not had five successive years experience as a "Public Accountant" previous to the date of his application, and that is the question for decision. In his sworn application made on the 20th of January, 1904, Roberts stated that he had practiced as a "Public Accountant" in the city of Chicago ten or twelve years. He also stated that he had been engaged in managing and liquidating building and loan associations and matters incidental to legal, real estate, and lending work.

The evidence submitted upon the hearing showed that Roberts for a longer period than five successive years did practice as a "Public Accountant" in the city of Chicago. The evidence does not show that that was his exclusive business, nor is the committee of the opinion that it is incumbent upon an applicant so to show. In the opinion of the committee it is sufficient for an applicant to show that he held himself out as such an accountant for a period of five successive years and that he did a reasonable amount of work from time to time covering the period, although he may have been engaged in other lines of business. The evidence so shows.

The committee is therefore of the opinion that the charges contained in the petition of John Everett are not sustained, and his petition is dismissed.

M. H. Robinson and W. L. Pillsbury, committeemen, concur, July 1, 1908.

On motion of Mrs. Alexander, the report of the committee was approved and its conclusions adopted.

ARCHITECT ZIMMERMAN'S BILLS OF EXPENSES.

Itemized bills for expenses, with vouchers, were submitted by Architect Zimmerman amounting to \$2,579.16, for the Physics building and to \$1,700.04, for the Natural History building, and these were ordered paid on motion of Mrs. Alexander.

The Secretary, Mr. Pillsbury presented the following:

CHICAGO, July 2, 1908.

Mr. W. L. Pillsbury, Secretary, Board of Trustees, University of Illinois, Urbana, Ill.

DEAR SIR—Kindly submit the following matters to the next meeting of the board:

Boiler House—

The plans for the extension to the boiler house, which have been prepared by Professor Breckenridge and Supervising Architect White, are nearly ready for bidders. I recommend that this matter be referred to the Buildings and Grounds Committee, with power to approve the plans when satisfactory and award contracts for the work.

Building Inspection—

An inspection of University buildings last December disclosed in several buildings conditions which were more or less of fire hazards. The hazardous conditions pointed out by the inspector were corrected, but I consider it prudent to have such inspections made from time to time, to be sure that the property is kept up to the high standard of safety. I, therefore recommend that \$50.00 be appropriated for another inspection, and that the president of the board be authorized to have an inspection made for that sum.

Y. M. C. A. Service—
As directed by the board, the Buildings and Grounds Committee obtained from Professors White and Breckenridge an estimate of the lowest price at which the University can furnish water, steam heat, and electric light to the Y. M. C. A. building without loss. These prices are as follows:

1. Electric current-metered service 1½c per K. W. H.
2. Water-metered service..... 5c per 1000 gals.
3. Steam heat during the heating season.....\$500 00 per year

I recommend that these prices be adopted, and that the managers of the Y. M. C. A. building be so notified.

Coal Contract—

Heretofore it has been the practice of the University to contract for its coal by the year, but it is doubtful if this method insures for the University any better prices than it could get by buying its coal on the market as required. I, therefore, recommend that the Buildings and Ground Committee be authorized to contract for a supply of coal for the ensuing year if, in its opinion, it is the proper thing to do; otherwise to authorize the purchasing agent to buy coal as needed.

Very truly your,

W. L. ABBOTT,

Chairman, Buildings and Grounds Committee.

With regards to these items the following action was taken.

*Boiler House—*Approved on motion of Mrs. Alexander.

*Building Inspection—*Approved on motion of Mrs. Alexander.

Water, Heating and Lighting for Y. M. C. A. Building—Approved on motion of Mrs. Busey.

Coal Contract—Approved on motion of Mrs. Busey.

DR. KEMP'S RESIGNATION.

Mrs. Alexander called up the motion with regard to Dr. Kemp's resignation (see page 500 minutes of meeting of June 20, 1908) consideration of which had been postponed until the next meeting.

President Abbott ruled that the motion was not in order inasmuch as Dr. Kemp's resignation had been received and accepted by the board.

Mrs. Alexander appealed from the decision of the chair and the chair was sustained by the following vote: Yeas, Messrs. Abbott, Davison, Hatch and Lehman; nays, Mrs. Alexander and Mrs. Busey; not voting, Mrs. Evans; absent, Governor Deneen, Messrs. Madden and Blair.

Petitions with regard to the resignation were received from the Champaign County Medical Association, a number of citizens of Champaign and Urbana, and former students of Dr. Kemp's.

After the petitions had been read, Mrs. Alexander moved that they be printed in full in the minutes of the board.

This motion was lost by the following votes: Yeas, Mrs. Alexander, Mrs. Evans and Mrs. Busey; nays, Messrs. Abbott, Davison and Lehman; absent, Governor Deneen, Messrs. Blair, Hatch and Madden.

CONTRACTS FOR NEW BUILDINGS.

On motion of Mrs. Evans it was voted that the Architect be directed to prepare contracts with V. Jobst & Sons of Peoria, for the erection of the Physics building and the Natural History building in accordance with the proposals this day received and that the officers of the board be authorized to enter into said contract.

On motion of Mrs. Evans it was voted that authority to order changes leading to extras or credits on the Physics and Natural History buildings be vested in the Architect, who shall report such changes with the amounts involved to the Supervising Architect; provided that this authority extends only to changes involving the structural integrity of the contract.

It was voted on motion of Mr. Lehman that in view of the low bids on the Physics and Natural History buildings, the Architect, with the approval of the Committee on Buildings and Grounds, and the Supervising Architect, be authorized to contract for additional finish and equipment which had been omitted to reduce the expense; provided such extras did not exceed \$10,000.00 on the Physics building and \$5,000.00 on the Natural History building.

Upon the recommendation of Architect Zimmerman, Mr. James A. Cole was appointed Superintendent of Construction on the Physics and Natural History buildings at a salary of \$35.00 a week.

LOCATION OF PHYSICS BUILDING.

Upon recommendation of Supervising Architect White it was voted on motion of Mrs. Evans that the Physics building be located so that the center of the west entrance be on the axis of the east entrance of Engineering hall, and that the main walls of the two buildings be fifty-eight feet apart.

FINANCIAL REPORT, COLLEGE OF MEDICINE, 1907-1908.

The Comptroller presented the following report which was received for record.

URBANA, ILL., July 2, 1908.

Mr. W. L. Abbott, President, Board of Trustees, University of Illinois.

DEAR SIR—I transmit herewith the financial statement of the college of medicine of the University of Illinois for the year ended May 15, 1908, also a request from Dean Davenport for the appropriation of receipts for the quarter ending September, 1908, in the Agricultural College.

Respectfully yours,

S. W. SHATTUCK, *Comptroller.*

Financial statement of the college of medicine, University of Illinois, for the year May 15, 1907, to May 15, 1908.

June 12, 1908.

S. W. SHATTUCK, *Comptroller.*

APPROPRIATION OF AGRICULTURAL FUNDS.

The Comptroller presented the following letter from Dean Davenport:

URBANA, ILL., July 1, 1908.

Professor S. W. Shattuck, Comptroller.

DEAR SIR—The appropriation of the following amounts is requested on account of receipts either on hand or estimated for the respective interests during the coming quarter:

AGRICULTURAL COLLEGE.

Agronomy	\$ 1,500 00
Animal husbandry	1,500 00
Dairy husbandry	7,000 00
Horticultural	1,500 00
Household science	500 00
	<hr/>
	\$12,000 00
State station soil examination.....	700 00
State station corn experiments	4,000 00
State station dairy investigation.....	2,000 00
U. S. station, Hatch fund.....	1,500 00
State station treatment of orchards.....	1,000 00

The \$7,000 mentioned in dairy husbandry includes the \$4,000 which you asked for at the last meeting, and this is \$3,000 additional.

Very truly yours,
S. W. SHATTUCK, *Comptroller*.

July 1, 1908. Approved, E. DAVENPORT.

The appropriations were made as requested on motion of Mrs. Evans.

COMMUNICATIONS FROM VICE-PRESIDENT BURRILL.

Vice-President Burrill made the following recommendations:

1. I recommend that a small cistern be made at the University greenhouse to provide soft water for washing decorative plants; this with pump will cost about \$30.00. Also that a larger supply pipe for watering the tennis courts south of Springfield avenue be put in; this will cost for one and one-half inch pipe from the main on Springfield avenue about \$65.00.

The appropriation was made as recommended.

2. I recommend that \$200.00 be appropriated towards twelve prizes of \$25.00 each (the balance to be made up from funds on hand belonging to the oratorical association) for the men chosen to represent the University in the four intercollegiate debates for next year; also that \$75.00 be appropriated for one prize of \$50.00 and one prize of \$25.00 to be awarded for the contestants for the Northern Oratorical League, this to take the place of the same sum heretofore provided for the Hamilton contest which has been discontinued.

The recommendation was adopted on motion of Mrs. Busey.

3. I recommend that F. W. Carpenter be appointed associate in Zoölogy at the salary of \$120 a month for the two years beginning September 1, 1908. Dr. Carpenter was last year instructor in zoölogy at this same salary, but his reappointment was evidently overlooked.

The appointment was made on the motion of Dr. Davison.

4. I recommend that the report with regard to deposits, when approved by the council of administration, be referred to the Committee on Finance with power to act.

The recommendation was approved on motion of Mrs. Evans.

PURCHASING AGENT APPOINTED.

On recommendation of the Comptroller, Professor Shattuck, and on motion of Mrs. Evans, Mr. N. Hay was re-appointed Purchasing Agent at a salary of \$1,800.00, for the year beginning July 1, 1908.

TUNNEL TO PHYSICS BUILDING.

On recommendation of Supervising Architect, Professor White, it was voted that \$500.00 or as much thereof as may be necessary, be appropriated from the appropriation for the Physics building for the tunnel and steam connection to the building and that the Supervising Architect be authorized to have the work done.

LIGHTNING RODS ON THE AUDITORIUM AND REPAIRS.

On recommendation of Supervising Architect, Professor White, and on motion of Mr. Lehman, it was voted that the bids of Carl Bajohr of \$137.00 for rods on the Auditorium and repairs on the rods on other buildings be accepted.

REPAIRS IN HOUSEHOLD SCIENCE DEPARTMENT.

It was voted to appropriate \$150.00 from funds of the Agricultural College for repairs in the household science department.

BIDS FOR FLORICULTURAL GREENHOUSES.

The Supervising Architect, Professor White, presented the following schedule of bids for the heating, plumbing and gas, and the electrical work on the Floriculture greenhouse.

	Marrs Tanner Co	394 70	254 00	
	Champaign Gas & Elec. Supply Co ..	286 00	195 00	
	Total			\$2,766 05

It was voted to accept the bid of Johnson Brothers for the heating, \$2,212.00; of the Reliable Plumbing and Heating Company for the plumbing and gas, \$294.25; and of Bateman-Penter Company for the electrical work, \$259.80.

AUDITORIUM.

On motion of Mrs. Evans it was ordered that a settlement be made on account of the Auditorium with Mr. Blackall, English Brothers, and the Champaign Gas and Electrical Supply Company.

REPORT OF ACTION BY EXECUTIVE COMMITTEE.

Mr. Pillsbury, Clerk, reported that action had been taken at the meeting of the Executive Committee held June 20, 1908, at which Messrs. Abbott and Lehman were present, as presented in connection with the minutes of the board meeting of June 20, 1908, on page 501 to 505, inclusive.

The board adjourned.

W. L. PILLSBURY,

Secretary.

W. L. ABBOTT,

President.

INDEX.

	PAGE.
Abbott, W. L., elected President of Board of Trustees	98, 423
Abraham, M., appointed associate professor in physics	440
Abrams, D. A., appointed assistant in Engineering Experiment Station	147
Made associate in same	458
Academy, faculty of	XXII
Accountancy, fees	137
Law, changes	110
Report	72, 137, 496
Adams fund, expenditure of	35, 71
Advisory Committees of College of Agriculture, powers and duties	160, 169
Recommend lines of work	10, 11
Advisory Board of School of Pharmacy	67, 391
Agg, T. R., appointed instructor in mechanics	147
Agricultural buildings, changes in	404, 421
Agricultural Experiment Station, expenses of men at work on experiments away from the University	442
Funds assigned for	155, 492, 493, 513
House and barn on south farm for dairy experiments	158, 166
Leasing and purchasing lands	396, 417, 420
Staff of	XXIII
Albright, C. C., appointed instructor in civil engineering	503
Alexander, Mrs. Carrie T., elected member of Board of Trustees	76
Allen, H. F., appointed associate in classics	368
Allison, H., appointed assistant in animal husbandry in College of Agriculture and Agricultural Experiment Station	148
Made instructor in animal husbandry in College of Agriculture and assist- ant in same in Agricultural Experiment Station	457
<i>Alumni Quarterly</i> , appropriation for	89, 111
Room for	500, 509
Alumni Record	21, 46
Alvord, C. W., made assistant professor in history	144
American Mathematical Society, appropriation towards printing transactions	100
Appointments for following year to be made at March meeting	156
Appropriations, annual for departments	154, 504
Appropriations, State, to be asked for	26, 47
Made	132
Architect for new buildings	133, 161, 169, 362, 416
Armour scholarships, University will not compete for them	35
Art and design department, organization	6
Art objects, distribution of	498
Assistant dean of College of Engineering	367
Of College of Literature and Arts	500
Of Undergraduates	451
Athletics in the University	73, 419
Attorney General, see Stead, W. H.	
Audit report	51, 84, 400
Auditor of Public Accounts, requisitions on	103, 136
Auditorium—	
Report of progress by architect	2
Electric wiring	25
Report of progress by architect	63
Extras ordered	104
Chairs for	136, 173
Tinting walls	143, 160

	PAGE.
Auditorium concluded—	
Electric fixtures	173
Tunnel and sewer	375
Closing out contracts	391, 425
Auditorium dressing rooms, etc.	415
Architect's fees	446
Expenses	446
Amount of contracts	446
Plans for dedication	72
Use of building for other than University purposes	381, 382
Acoustics	477
Aumer, J. P., appointed assistant in chemistry in Agricultural Experiment Station	477
Bagg, R. M., appointed instructor in geology	442, 453
Bagley, W. C., appointed Professor in education	425
Baker, Professor I. O., leave of absence	458
Baird, J. W., made assistant professor in psychology	146
Baldwin, Jessie, appointed assistant in botany	500
Baldwin, Dr. L. B., arrears of rent	95, 44
Balke, C. W., appointed associate in chemistry	36
Band instruments, purchase	382, 38
Banking, instruction in	3
Barnhart, J. M., appointed assistant in animal husbandry in College of Agriculture and same in Agricultural Experiment Station	1
Made assistant in dairy department	4
Barrett, J. T., appointed assistant in botany in Agricultural Experiment Station	14
Barto, D. O., appointed instructor in secondary school agriculture	14
Bartow, E., report on State Water Survey	7
Baseball grand stand	80
Bates, M. C., appointed instructor in rhetoric and English	140
Bayley, W. S., appointed associate professor in geology	144
Beal, A. C., appointed instructor in floriculture in College of Agriculture and first assistant in same in Agricultural Experiment Station	144
Made first assistant in floriculture in Agricultural Experiment Station	365
Bedford, M. H., appointed assistant in chemical laboratory	418
Bell Telephone Exchange, connection with	63, 80
Bench, A. R., appointed instructor in mechanical engineering	146
Bennett, Stella, appointed catalog assistant in library	148
Birdsall, L., appointed assistant chemist in State Water Survey	149
Black, C. M., appointed instructor in general engineering drawing	71
Blackall, C. H., fees and expenses as architect of Auditorium	445
See Auditorium.	
Blair, Professor J. C., plan for a park including the Forestry	10
Blaisdell, Daisy L., appointed instructor in German	146
Bleining, A. V., appointed assistant professor in ceramics	80
Board of Trustees	IV
Election of officers	76, 98, 423, 442
Meetings, see Table of Contents.	
Powers as to agricultural funds	160
As to State Entomologist's funds	380
Boice, L. A., appointed clerk in Registrar's office	149
Boiler inspection and insurance	435
Boiler plant extension	461, 511
Bonds for cadet rifles, etc.	35, 400
Borger, R. L., appointed instructor in mathematics	151, 453
Bradford, Bernice M., appointed assistant in public speaking	151
Bradford, W. C., appointed assistant in machine shop	397
Brand, R. E., appointed assistant in dairy husbandry in College of Agriculture and same in Agricultural Experiment Station	458
Breckenridge, Professor L. P., appointed Director of Engineering Experiment Station	144, 45
Breneman, B. W., asks for two year leave of absence	8
Resignation	11
Breneman, Mrs. Mae E., appointed instructor in voice	14
Briscoe, C. F., appointed instructor in botany	14
Bronson block, purchase of	172
Brooks, I. S., appointed assistant in olericulture	458
Brooks, J. P., appointed associate professor in civil engineering	144
Put in charge of civil engineering department for 1908-9	492
Brooks, Professor N. C., granted leave of absence	31
Bryant, J. M., made associate in electrical engineering	145
Bullard, S. A., resolutions concerning	77
Burns, D., appointed assistant in chemistry	71
Burrill, Professor T. J., appointed Vice President	144, 452
Gold medal in honor of	438
Busey, Caroline, appointed laboratory assistant in household science	417
Busey, F. L., appointed first assistant in mechanical engineering in Engineering Experiment Station	4
Business Manager, see Shattuck, Professor S. W.	

	PAGE.
Business Office, organization	406
By-laws of Board of Trustees, revision	414
Cadet uniforms, bids received and contract, 1907	112, 138
Calhoun, Helen V., appointed order assistant in library	148
Calvin, J. W., appointed assistant in chemistry in Agricultural Experiment Station	498
Carnegie Foundation open to state universities	448, 449
Carpenter, F. W., appointed instructor in zoölogy	147
Made associate in zoölogy	514
Carscallen, G. E., appointed assistant in mathematics	151
Carter, L. H., circumstances of his death	369
Casper, S., appointed instructor in foundry	146
Center, O. D., appointed instructor in crop production in College of Agriculture and first assistant in same in Agricultural Experiment Station	148
Central Union Telephone Co., contract with	80
Ceramics, origin of, see Lunettes.	
Certificates to teach	131, 472
C. P. A. Board of Examiners, members appointed	61, 90, 138, 496
C. P. A. Committee reports	137, 496, 510
C. P. A. diplomas granted	72, 137, 496
Revocation of diploma	419, 462, 510
C. P. A. law, change in	110
Interpretation of waiver clause	65
Interpretation of "place of business"	66
C. P. A. regulations amended	65, 137
Champaign Chamber of Commerce asks for access to names of students' parents	2
Asks to have official address of University Urbana-Champaign	2
Chapin, W. S., appointed clinical assistant in physiological chemistry	442
Chase, W. A., appointed on Board of Examiners in accountancy	496
Chemicals, authority to order	438
Chemistry of flesh, investigation	63
Chiles, J. A., appointed instructor in German	146
Civil engineering department, administration 1908-9	492
Clark, C. R., appointed associate in architecture	455
Clark, Mary H., appointed catalog reviser in library school	443
Clark, S. C., appointed instructor in chemistry	147
Clark, Professor T. A., appointed Dean of Undergraduates	142, 452
Clark, W. A., appointed instructor in physiology	147
Class of 1908 memorial	395, 424, 465
Clay, Marcia B., appointed assistant in library	103
Coal contracts, 1906-7, 25; 1907-8, 161, 172, 387; 1908-9	511
Coffey, W. C., appointed associate in sheep husbandry in College of Agriculture and first assistant in same in Agricultural Experiment Station	145
Cole, J. A., appointed superintendent of construction on physics and natural history buildings	512
Coleman, C. B., appointed assistant in dairy husbandry in University and assistant in same in Agricultural Experiment Station	151
Made instructor in same in College of Agriculture and first assistant in same in Agricultural Experiment Station	457
College of Agriculture, funds assigned, 1907-8, 155; 1908-9	492, 493
Powers of Advisory Committees	160
College of Dentistry, budget, 1907-8, 153; 1908-9	491
Degrees conferred, 1907, 105, 114; 1908	464
Faculty of	XXI
College of Engineering and Engineering Experiment Station, funds assigned, 1907-8, 153; 1908-9	490
Degrees conferred, 1907, 113; 1908	473
Faculty of	XVII
Financial statement, 1906-7, 112; 1907-8	513
Purchases for	24
College of Physicians and Surgeons, report by President Steele of list of stockholders and stock holds and as treasurer for 1905-6 and 1906-7	124
Terminating contract with	45, 46, 49, 50
College of Veterinary Science	46, 50, 381
Collins, Vida L., appointed assistant in English	501
Colvin, S. S., made professor of psychology	144
Made Acting Director of School of Education	392
Commissions in Illinois National Guard	131, 473
Committee reports, form and signatures	366
Committees, standing, see Standing Committees.	
Comptroller, see Shattuck, Professor S. W.	
Condemnation of land	72
Conrey, G., appointed graduate assistant in chemistry	502
Cook, F. L., appointed instructor in military science	149
Cook, Dr. G. W., appointed Dean of the College of Dentistry	144
Cook, J. B., appointed assistant in forge shop	368
Cooke, A. B., appointed assistant in mechanical engineering in Engineering Experiment Station	147

	PAGE.
Cooley, Mary E., appointed clerk in mechanical engineering department	384
Coss, J., appointed assistant in chemistry	454
Coxon, O., application for C. P. A. diploma	30
Craig, D. M., appointed assistant in general engineering drawing	71
Crandall, C. S., made associate professor in pomology in College of Agriculture and chief in plant breeding in Agricultural Experiment Station	144
Crane, F. R., appointed instructor in farm mechanics	148
Crathorne, A. R., appointed instructor in mathematics	147
Made associate in mathematics	453
Curtis, Florence R., appointed instructor in library science	443
Daehler, A. H., appointed assistant in English	502
Dairy business of dairy department, investigation ordered	416, 475, 476
Dairy experiments, site for house and barn	166
Dairy operations in other countries, investigation of	388, 395
Daniels, Mrs. Eunice D., appointed Head of Woman's Hall and Adviser of Women	21
Davenport, Professor E., appointed Dean of College of Agriculture and Director of Agricultural Experiment Station	144, 452
Davis, C. G., appointed instructor in German	146
Davis, G. T., appointed assistant in chemistry	147
Davison, Anna M., appointed assistant in woman's gymnasium	71
Day, W. B., Actuary School of Pharmacy, salary	13
Dean of Women	61, 98, 160
Deans' reports, transmission of	108
Degrees conferred	102, 105, 113, 114, 124, 444, 461, 464, 466, 473
Degrees, honorary, conferred at commencements	109, 447, 477
Dehn, W. M., appointed instructor in chemistry	147
DeMotte, Ruby, appointed assistant in botany	147
Denio, H. W., appointed cataloger of Dittenberg library	443
Denny, Christina, appointed reviser in library	103
Denton, W. W., appointed assistant in mathematics	151
Deposits in laboratory courses	474, 514
Deputy sheriffs appointed	365
Derby, Grace, appointed reference assistant	12
Derick, C. G., appointed research and lecture assistant to Director of Chemical Laboratory	77, 103
Also assistant in chemistry	454
Dewsnup, E. R., appointed professor in railway administration	136
Dexter, Professor E. G., leave of absence	158
Dick, C. R., appointed instructor in general engineering drawing	147
Dietrich, W., appointed assistant professor in swine husbandry in College of Agriculture and chief assistant in same in Agricultural Experiment Station	144
Dirks, H. B., appointed instructor in mechanical engineering	147
Dittenberg library, purchase	366
Dodd, E. L., appointed instructor in mathematics	21
Dorner, H. B., appointed instructor in floriculture	440
Drew, Celia A., appointed instructor in English in Academy	149, 456
Drury, F. K. W., appointed acting librarian and assistant professor in library science	133
Made assistant librarian	455
Duncan, J. C., appointed assistant professor in accounting	479
Duncan, J., appointed assistant in wood shop	146
Dunipace, J. E., appointed assistant in chemistry	147
Dunkin, W. V., appointed instructor in machine design	146
Dynamometer car, operation on Illinois Traction System	387, 414
Use of may be granted to railways	477
Easter recess	89
Eidinger, P. F., appointed assistant in geology	147
Egan, J. E., appointed graduate assistant in chemistry	454
Elan, A. M., appointed assistant in general engineering drawing	503
Election of officers	76, 98, 423, 442
Electric plant, examination	362, 397
Elevator in University Hall	135, 160, 165
Emmett, A. D., appointed research assistant in Laboratory of Physiological Chemistry	384
Emmons, C. W., appointed assistant in mathematics	147
Enger, M. L., appointed instructor in theoretical and applied mechanics	151
Engineering Experiment Station, budget	159, 459
Fellowships	68, 366, 502
Staff of	XXV
Engstrom, R. V., appointed associate in theoretical and applied mechanics	163
Eno, A. L., appointed instructor in rhetoric	146
Ernest, T. R., appointed assistant in chemistry	147
Made graduate assistant in chemistry	454
Everett, E. J., report of committee	30
Executive Committee, election	76, 423
Meetings	135, 420, 501
Reports	46, 420, 516

	PAGE.
Farm land purchase	49, 113, 375
Farm Mechanics building	11
Fawcett, Mary E., appointed assistant in rhetoric	146
Feehet, Colonel E. G., detail as professor in military science	499
Fees, payable in advance	440
For Graduate School students	158, 441
For students not in residence	111
For visitors in classes	388
Rebates	399
Feind, Frances M., appointed loan desk assistant	148
Fellows appointed	366, 385, 438, 443, 443, 501, 502
Fellowships in Engineering Experiment Station	68
Fence for experiment plats	475, 476
For forestry and horticulture lots	10, 11, 166, 173, 362, 366, 475
Financial reports from student organizations	383
Field Museum, donation of lunettes	492
Financial statements	175, 517
Fire apparatus, etc., inspection	397, 511
Fire escape on Pharmacy building	435
On University Hall	419, 461, 509
Fleming, V. R., appointed instructor in theoretical and applied mechanics	384, 455
Flickinger, R. C., appointed associate in classics	136
Fisher, O. S., appointed assistant in soil fertility in College of Agriculture and assistant in same in Agricultural Experiment Station	457
Floriculture	156, 474
See Greenhouses.	
Floyd, May E., appointed instructor in piano	368
Folsom, J. W., appointed assistant professor in entomology	453
Forbes, Winifred, appointed instructor in violin and theory of music	148
Forbes, S. A., Director of State Laboratory of Natural History, reports	29, 157, 393
Forbes, Professor S. A., granted release from duties as professor of zoölogy from June 1, to September 1, 1907	29
Salary, distribution of, for year 1907-8	136
Ford, Sue W., appointed clerk in office of Dean of College of Engineering	149
Ford, T. B., appointed first assistant in applied chemistry in Engineering Experiment Station	147
Forestry, see Fencing.	
Forrest, Elizabeth, appointed reference assistant in library	385
Forsyth, C. H., appointed assistant in mathematics	453
Forsyth, W. K., appointed to Advisory Board of School of Pharmacy	67
Fortier, E. J., appointed associate in French	384
Funds from appropriations assigned	153, 389, 493
Receipts from expenditures of agricultural funds must also be assigned before used	493
Gaines, W. L., appointed assistant in dairy husbandry	477
Gale, W. H., appointed to Advisory Board on School of Pharmacy	391
Garland, C. M., appointed instructor in mechanical engineering	146
Garner, J. W., made professor in political science	144
Gas, cost of	95
Gaut, Rose L., appointed assistant in woman's gymnasium	149
Gearhart, O. L., appointed assistant in blue-printing and photography	150
Geological Survey, State and United States, coöperation with	6
Gibbons, C. B., appointed assistant in general engineering drawing	147
Made instructor in same	365
Gibbs, Charlotte M., appointed instructor in textiles	148
Giese, H. W., appointed to Advisory Board of School of Pharmacy	67
Gilbert, B., appointed professor in law	134
Gilbert, J. P., appointed instructor in biology in Academy	5
Gill, F. W., appointed first analyst in Laboratory of Physiological Chemistry	152
Gill, H., appointed director of track athletics	149
Gleason, H. A., appointed instructor in botany	147
Godeke, H. F., appointed instructor in mechanical engineering laboratory	146, 454
Goebel, J. F., appointed professor in German and head of department of Germanics	452
Gold medal for winner of cadet drill	392
Goldberg, Rose W., appointed order assistant in library	443
Goldthwaite, N. E., appointed research assistant in household science	479
Golf Club given permission to build a club house	441
Gore, A., appointed instructor in mathematics in Academy	149
Gorsline, E. E., appointed research assistant in chemistry	454
Gross, A. O., appointed assistant in zoölogy	453
Goss, W. F. M., appointed Dean of College of Engineering	137
Leave of absence	159
Installation proceedings printed	426
Goulding, P. S., appointed catalog librarian	12

	PAGE.
Graduate School, funds assigned	367, 438, 498
Organization	133
Opening	415, 426
Qualifications of instructors in major courses	389
Students, fees for tuition and in laboratory courses	158, 441
Theses printed	389
Gray, H. W., appointed instructor in mechanics	21
Greene, Bessie R., appointed assistant in zoölogy	453
Greene, Professor E. B., appointed Dean of College of Literature and Arts	144, 452
Greenhouses for floriculture	160, 166, 441, 448, 474, 515
Greenough, C. M., appointed professor in English	110
Gregory, A. N., appointed assistant in agricultural chemistry	148
Gregory, S. S., appointed to Board of Examiners in Accountancy	90
Grindley, Professor H. S., made Director of Laboratory of Physiological Chemistry	80
See Nutrition of human beings.	
Grounds, see University Grounds.	
Guild, T. H., appointed associate in English	144
Gustafson, A. F., appointed assistant in soil physics in Agricultural Experiment Station	151
Made assistant in same in College of Agriculture and Agricultural Experiment Station	457
Habermeyer, G. C., appointed instructor in municipal and sanitary engineering	384
Hachmeister, H. W., appointed instructor in aquatics	149
Hake, H. G., appointed assistant in electrical engineering	368
Hall, L. D., appointed associate in animal husbandry in College of Agriculture and assistant chief in Agricultural Experiment Station	145
Halliday, E. M., appointed instructor in rhetoric	21
Made associate in English	110
Hamsher, F., resignation	4
Hana, L. G., appointed assistant director of physical training	149
Harbarger, Lida, appointed assistant in English	368
Harding, A. A., appointed director of the band and instructor in band instruments	149
Harker, Professor O. A., appointed Dean of College of Law	144, 452
Opinions as counsel of the Board	72, 140
Harris, E. C., appointed clerk and bookkeeper in Business Office	149, 459
Hatch, F., member of the Board	76
Haugan, H. A., treasurer	76
Bond	76, 103, 115
Given authority to receive moneys, etc.	103
Reports	14, 33, 82, 116, 360, 398, 426, 480
Hawk, P. B., appointed professor of physiological chemistry in College of Science and assistant chief in same in Agricultural Experiment Station ..	151
Hay, N., appointed purchasing agent	101, 144, 514
Bond	420
Hayden, C. C., appointed associate in dairy husbandry in College of Agriculture and assistant in Agricultural Experiment Station	145
Hayes, E. C., appointed professor in sociology	163
Heat, light, and power plant, additional equipment	423, 461, 462
Hegnauer, L., appointed assistant in crop production in College of Agriculture and same in Agricultural Experiment Station	148
Made instructor in same in College of Agriculture and assistant in Agricultural Experiment Station	457
Heide, S., appointed instructor in general engineering drawing	365
Hellmann, C. A., appointed assistant in physics	147
Hemmeon, J. C., appointed instructor in economics	71
Hepburn, N. W., appointed assistant in dairy manufactures in College of Agriculture and same in Agricultural Experiment Station	151
Herrick, B. R., appointed assistant in chemistry in Agricultural Experiment Station	71
Heuse, E. O., appointed assistant in chemistry	147
Hill, A. J., appointed instructor in mathematics in Academy	152
Hillmer, W. C., appointed assistant in German	21
Holmes, W. B., appointed associate in chemistry	368
Home Telephone Co., asks to cross Campus	240
Contract with	61
Honors for scholarship	130, 472
Hope, E. W., appointed instructor in classics	21
Hope, H., appointed assistant in ceramics	151
Houchens, Josie B., appointed loan desk assistant	148
Made general assistant	385
Hcusehold science department rooms and equipment	415, 421
House laboratory for	499
Houston, P. H., appointed instructor in English	146
Howe, Bertha I., appointed instructor in music	148
Howe, P. E., appointed assistant analyst in Laboratory of Physiological Chemistry	384

PAGE.

Howe, R. B., appointed assistant in pomology in the Agricultural Experiment Station	148
Hume, A. N., appointed associate in crop production in College of Agriculture and assistant chief in Agricultural Experiment Station	145
Huff, G. A., appointed Director of Physical Training department	496
Resignation	101, 110
Hummel, A. A., appointed assistant in botany	147
Hutchins, Margaret, appointed reference assistant in library	503
Illinois State Laboratory of Natural History, printing its bulletins	363
See Forbes, S. A., Director.	
Illinois State Teachers' Association asks for establishment of a practice school for training of high school teachers	69
Illinois Traction System refuses operation of railway test car	387, 414
Imbert, L., appointed assistant in Romance languages	502
Inventory, 1906, 43; 1907	413
Isham, Helen, appointed instructor in chemistry	367
Jackson, Fanny R., appointed instructor in public documents and periodical assistant in library	148
Jackson, G. R., appointed assistant in English	502
James, President E. J., annual address	436, 437
Reflected	77
Salary	81
Tour to inspect veterinary colleges and research laboratories	96, 437
See Reports of Deans.	
James, L. V., appointed assistant in electrical engineering	384
Jones, Florence N., appointed instructor in Romance languages	146
Jones, G., appointed instructor in chemistry	454
Jones, H. S. V., appointed associate in English	144
Jones, Isabel, appointed instructor in art and design	146
Jordan, J. C., appointed assistant in English	501
<i>Journal of Germanic Philology</i> taken over by the University	440, 460
Jutton, Emma R., appointed loan desk librarian	148
Kadesh, V. H., appointed assistant in chemistry	72
Karsten, G. E., notice of his death	425
Kean, H. P., appointed assistant in astronomy	21
Made assistant in mathematics	147
Keeler, G. C., appointed instructor in history and science in Academy	152
Kelley, C. F., appointed instructor in art and architecture	502
Kelley, T. L., appointed clerk in College of Science	71
Kemp, Professor G. T.,	422, 438, 448, 460
Resignation	460, 500, 512
Kerrick, L. H., elected President of Board of Trustees	76
His death	97
Minute in his memory	98
Kidder, A. F., appointed assistant in soil physics	148
Kinley, Professor D., appointed Dean of Graduate School	144, 452
Knapp, W. A., appointed assistant in civil engineering	367
Knight, L. I., appointed assistant in botany	502
Knight, Luther, appointed Graduate Assistant in Chemistry	491
Knirk, C. F., appointed student assistant in geology	147
Kollock, Lily G., appointed Dean of Women	160, 384, 452
Kratz, A. P., appointed assistant in physics	443
Kuhlmann, F., appointed instructor in psychology	136
Kyle, Martha J., appointed instructor in rhetoric	146
Laboratory charges, rules for	440, 514
Laboratory of Physiological Chemistry	79
Lafin, Mrs. Jennie, appointed clerk in office of Dean of College of Literature and Arts	149
Lake, Assistant Professor E. J., made acting head of art and design department	6
Leave of absence	418
Land, leasing for Agricultural Experiment Station	396, 476
Purchases for Agricultural Experiment Station	105, 166, 396, 417, 420
For farm	113, 138
Lane, F., appointed assistant in men's gymnasium	152
Made instructor in same	457
Lanham, E. T., appointed instructor in forge shop	146
Larson, L. M., appointed associate in history	110
Made assistant professor in same	453
Lawrence, E. V., appointed instructor in art and design	6
Also instructor in military science	152
Lawrence, F. L., appointed Director of the School of Music	144
Laws regarding University, printing	414
Lee, A. E., appointed assistant clerk in President's Office	149, 459
Lee, C. E., appointed assistant professor in dairy manufactures in College of Agriculture and assistant chief in Agricultural Experiment Station	144

	PAGE.
Legislative appropriations assigned	158, 509
Lehman, L. L., elected member of the Board	76
Leonard, Edith, appointed curator of library and collections in architectural department	368
Lessing, O. E., appointed associate professor in German	110
Library, administration of and of funds	446, 479
Open Sunday afternoons	58, 99
Room needed	392
Lightning rods	424, 443, 515
Lincoln, Assistant Professor A. T., resignation	496
Lincoln, Mrs. Jeannette C., appointed Director of woman's gymnasium	149, 457
Logan, C. C., appointed assistant in soil physics in Agricultural Experiment Station	457
Lumbrick, A., appointed assistant in crop production in College of Agriculture and same in Agricultural Experiment Station	457
Lunettes donated by Field Museum	492
Placing same	492
Lytle, E. B., appointed instructor in mathematics	453
McClellan, J. H., appointed associate in zoölogy	151
Made assistant professor of histology and embryology in charge of department of physiology	500
McCobb, Lois D., appointed instructor in voice	367
McConn, C. M., appointed Acting Principal of the Academy	4, 149, 456
McCurdy, R. M., appointed order clerk in the library	136
McDonald, L., appointed assistant in civil engineering	503
McGowney, D. O., appointed instructor in law	110
McIntosh, Professor D., appointed veterinarian of the Agricultural Experiment Station	458
McIntyre, Catherine McM., appointed Secretary in College of Agriculture	149, 458
McLean, Alexander, death and resolutions in his memory	377
McMaster, C. L., appointed instructor in general engineering drawing	147
Made associate in general engineering drawing in charge of department	365
Appointed assistant to Dean of Undergraduates	503
McNeal, W. J., appointed assistant chief in bacteriology in Laboratory of Physiological Chemistry	152
Major, H. F., appointed assistant in landscape gardening	477
Malcolm, C. W., appointed assistant professor in structural engineering	144
Marquis, F. W., appointed first assistant in railway engineering in Engineering Experiment Station	151
Matthews, R. M., appointed assistant in mathematics	147
Mattill, H. A., appointed assistant in chemistry	72
Mears, B., appointed instructor in chemistry	454
Meats, bulletin on methods of roasting	31
Michigan Telephone Co., bonds and stock	46
Military department, additional companies	496
Additional officers	415
Medal for winner of competitive drill	392
Medical examiner for the regiment	4, 31, 61
Miller, G. A., appointed professor of mathematics	144
Mills, C. H., appointed Director of School of Music	452
Minnick, J. H., appointed assistant in mathematics	453
Money lost, refunding	368
Moore, H. F., appointed assistant professor in theoretical and applied mechanics	151
Moore, J. R., appointed assistant in economics	477
Morrow, Jessie B., appointed assistant in household science	148
Morrow, J. A., appointed Superintendent of Buildings	150, 459
Morton, D. W., appointed chief clerk in President's office	459
Morton, Sarah D., appointed instructor in piano	367
Moulton, Gertrude, appointed instructor in physical training for women	367, 368, 457
Mount Hope Cemetery, water and drainage for	26
Mumford, Professor, H. W., visit to beef-producing countries	415, 418, 421
Murdock, H. E., appointed instructor in theoretical and applied mechanics	21
Music Lovers' Calendar	12, 112
Myers, C. H., appointed assistant in chemistry in Agricultural Experiment Station	148
Names of students to be entered in full in records and documents	103
Nash, C. A., appointed graduate assistant in chemistry	454
Nason, Sabra, appointed assistant in library	72
Natural History building, new, appropriation	133
Bids for erection	506, 508, 511, 512
Plans	423
Site	162
Neikirk, L. I., appointed instructor in mathematics	147
Nelson, E. K., appointed assistant in chemistry in Agricultural Experiment Station	77, 103, 148
Nightingale, H. F., appointed instructor in Academy	149

INDEX.

745

	PAGE.
Norris, Mae I., appointed instructor in piano	148
Norton, E. L., appointed instructor in education	21
Noyes, W. A., offered professorship in chemistry and headship of chemistry department	20, 28
Nuckolls, Elizabeth, appointed assistant in physical training for women	152
Nutrition of human beings, investigation of problems	29, 100, 106, 135, 362, 385
Contributions for	100
Nuttall, J. F., appointed graduate assistant in chemistry	367
Made assistant in chemistry	454
Oathout, C. H., appointed assistant in soil fertility in Agricultural Experiment Station	151
Obrecht, R. C., appointed associate in horse husbandry in College of Agriculture and assistant chief in same in Agricultural Experiment Station	145
Officers of Administration and Instruction	VII
Olmsted, G. C., appointed instructor in military science	149
Oratorical prizes	514
Origin of Ceramics, see Lunettes.	
Otis, R. B., appointed instructor in general engineering drawing	147
Owen, A. L., appointed assistant in Romance languages	502
Paddock, Alice, appointed order assistant in library	443, 455
Paetow, L. J., appointed associate in history	163
Paine, E. B., appointed assistant professor in electrical engineering	161
Palmer, G. M., appointed instructor in English in Academy	149
Park, J. B., appointed assistant in chemistry in Agricultural Experiment Station	498
Parker, L. G., appointed associate in civil engineering	144
Parr, Rosalie, appointed assistant in chemistry	72
Patton, Adah, appointed cataloger in library	443, 456
Paul, Assistant Professor H. G., leave of absence	101
Pease, T. C., appointed assistant in history	501
Perry, Winifred A., appointed assistant in English	501
Peters, A. W., appointed associate in zoölogy	145
Pettit, J. H., appointed assistant professor in soil fertility in College of Agriculture and assistant chief in same in Agricultural Experiment Station	144
Leave of absence	363, 498
Pharmaceutical Chemistry, see School of Pharmacy.	
Phillips, W. C., appointed instructor in English	368
Physics Laboratory building, commission on	89, 104
Site	162, 362, 513
Plans	422
Assignment of funds	426, 512
Bids	506, 507, 512
Location	513
Physiological Chemistry, see Laboratory of.	
Pickels, G. W., Jr., appointed instructor in surveying	367
Pickett, B. S., appointed instructor in pomology in College of Agriculture and first assistant in same in Agricultural Experiment Station	148
Pickett, Professor C. C., resignation	134
Pillsbury, W. L., reelected Secretary of Board of Trustees and Registrar	76, 423
Reports of students' fees	13, 89, 161, 399, 426
Pincomb, Helena M., appointed assistant in household science	151
Made instructor in household science for secondary schools	458, 477
Ponzer, E. W., appointed instructor in mathematics	147
Poor, C. M., appointed instructor in German	368
Porter, F. M., appointed assistant in general engineering drawing	365, 368
Made instructor in same	455
Post, F., appointed armorer and administrative assistant in military department	456
Postal Telegraph-Cable Co., station in a University building	24
Powell, Burt E., appointed private secretary to the President	459
Powell, T. R., appointed associate in political science	465
Practice school	69, 134
Provine, L. H., appointed instructor in architecture	429
Quine, W. E., appointed Dean of College of Medicine	144, 452
Railway Engineering department	70
Rankin, F. H., appointed Superintendent of Agricultural College Extension with rank of assistant professor	144
Readhimer, J. E., appointed superintendent of soil experiment fields	148
Reckitt, E., appointed to Board of Examiners under C. P. A. law	61
Redenbaugh, W. A., appointed instructor in chemistry	147
Reed, F. W., appointed instructor in astronomy	384
Reed, Lois A., appointed catalog assistant in library	103, 148
Registrar, see Pillsbury, W. L.	
Reports of Board of Trustees, Secretary to dispose of surplus	98
Reports of Deans, see Deans' reports.	

	PAGE.
Requisitions on Auditor of Public Accounts	103
Return of Ulysses, see Lunettes.	
Richey, J. J., appointed instructor in general engineering drawing	367
Roark, R. C., appointed graduate assistant in chemistry	368
Roberts, S. S., appointed assistant professor in civil engineering	492
Robinson, W. R., appointed first assistant in theoretical and applied mechanics in Engineering Experiment Station	147
Rogers, J. S., appointed graduate assistant in chemistry	368
Royce, Bertha M., appointed instructor in library economy	12
Rutt, R. W., appointed secretary and assistant to the Director of the Engineering Experiment Station	147
Salt-peter in curing meats, see Nutrition of human beings.	
Sanborn, B. A., appointed assistant professor in civil engineering	492
Sandifur, C., appointed instructor in Academy	149
Sanitary Science in College of Science	77
Sargent, Charles E., presents a gas engine	393
Scholars appointed	385, 439, 501, 502
Scholarships, additional military department	496
For Filipino students	24, 400, 477
For Summer Session students	365
Special granted	12, 365
Schoolcraft, Professor H. L., leave of absence	68
School of Education, organization	134
School of pharmacy, Advisory Board appointments	67, 391
Budget, 1907-8, 164; 1908-9	478
Degrees for graduates	102, 444
Faculty of	XXII
Pharmaceutical chemistry course offered	164
Quarters, new	388
Taxes	441
Schulz, W. F., appointed assistant professor in physics	465
Schulzke, W. H., appointed instructor in military science	152
Schwartz, G. E., appointed instructor in violin	149
Scott, F. W., appointed associate in English	453
Scott, Margaret A., appointed instructor in French and German in Academy	149
Scroggin, D. L., appointed instructor in machine shop	146
Sears, S. F., appointed instructor in rhetoric	146
Secretary, see Pillsbury, W. L.	
Seymour, A., appointed associate in Spanish	144
Sharp, Professor Katharine L., resignation	101
Shattuck, Professor S. W., comptroller	76, 442
Reports	15, 38, 90, 112, 369, 407, 429, 482
On farm land purchase	113, 138
On Snyder Fund	20, 375
On telephone bonds and stock	12, 46
Sherman, S. P., appointed associate in English	101
Made assistant professor in English	452
Shire horses, purchase	415
Sisam, C. H., appointed instructor in mathematics	21
Made associate in same	145
Leave of absence	465
Slippy, R. B., appointed instructor in civil engineering	21
Smith, Mrs. Constance B., appointed instructor in sight singing and ear training	148
Smith, G. M., appointed instructor in chemistry	147
Smith, J. E., appointed instructor in civil engineering	174, 368
Smith, K. G., appointed in Engineering Experiment Station extension with rank of assistant professor	458
Snider, E. Q., appointed instructor in mathematics in the Academy	149
Snodgrass, J. M., appointed in Engineering Experiment Station with rank of associate in mechanical engineering	418
South farm line fence dispute	13, 396, 448, 475
Spalding, C. W., suit by, for accounting	5
Spray, Edith L., appointed loan desk assistant in library	385, 456
Committees, standing	99, 399, 423
Stanley, O. O., appointed instructor in physiology	12
Staples, O. E., chief clerk	76, 442
Bond	27, 76
State Entomologist's funds	160, 165, 360, 380
State Entomologist's Office, staff of	XXVI
State Geological Survey, staff of	XXVII
State Laboratory of Natural History, see Forbes, S. A.	
Staff of	XXVI
State Water Survey, budget	382, 499
Report	77
Staff of	XXVI
To cooperate with United States Geological Survey, et al	6

	PAGE
Stead, W. H., Attorney General, opinions—	
C. P. A. Waiver clause	65
"Place of Business"	65
Joint resolution permitting railway across University grounds	168
Powers of Agricultural Advisory Committees	169
Steele, Ava D., appointed instructor in English in Academy	149
Steele, Dr. D. A. K., President of College of Physicians and Surgeons, reports stock and bond holders	124
Stempel, W. H., appointed instructor in physics	147
Stevenson, O., appointed assistant in electrical engineering	367
Stiffler, W. W., appointed assistant in physics	147
Stocham, E. K., appointed graduate assistant in chemistry	502
Students, Summaries of	XXVIII
Students' organizations to make financial reports	383
Stuhlmann, O., Jr., appointed assistant in physics	151
Stull, R. T., appointed instructor in ceramics	384
Summer Session, attendance counted as regular	364
Summer Sessions—	
1906, report	21, 45
1907, appropriations, 23, 50; report	364
1908, appropriation	154
Supervising architect, position created	107
Fees	165
Swezey, Anne D., appointed binding assistant in library	148
Swift, Elizabeth A., appointed Secretary in Engineering Experiment Station	149
Switzer, J. A., appointed instructor in theoretical and applied mechanics....	502
Tarflinger, J., appointed assistant in foundry	368
Tawney, J., appointed associate in philosophy	363
Telephone pay station in a University building	63
Tennis grounds to be cared for	158
Theses for doctor's degree to be printed	389
Thomas, F. W., appointed instructor in Latin and Greek in Academy	149
Thompson, C. M., appointed instructor in mathematics in Academy	368
Thompson, J. G., appointed instructor in economics	367
Thompson, M. E., appointed clerk in Business Office	23, 149, 459
Tietje, A. G., appointed assistant in English	501
Towles, J. K., appointed instructor in economics	452
Townsend, Professor E. J., appointed Dean of College of Science	144, 452
Treasurers, see E. G. Keith and H. A. Haugan.	
Trowbridge, P. F., appointed assistant professor in chemistry	144
Truman, J. M., resignation	67, 80
Tuberculosis in dairy herds	493
Tuition fees, see Fees.	
Turner, Professor J. B., biography of	35
Ulysses, return of, see Lunettes.	
University business, methods of transaction, see Business Office	406
Fortieth anniversary	438
Grounds, See Urbana and Champaign Railway.	
University halls, use of	32, 381, 382
Post office address	2
Statutes, revision	414
University Studies, appropriation	31, 366, 504
Urbana and Champaign Railway, Gas & Electric Co., conditions of granting permission to cross the South Campus	73, 131, 135, 140, 159, 161, 167
Poles on Green street	381
See Illinois Traction Co.	
Van Alstine, E., appointed assistant in chemistry	148
Van Doren, appointed assistant in rhetoric	146
Van Meter, Anna R., appointed assistant professor in household science....	458
Vawter, J. T., appointed instructor in architectural construction	368
Vernier, C. J., appointed instructor in law	136
Veterinary College and Research Laboratory	46, 96, 381, 437
Visitors in classes, fees	338
Voigt, Lida E., clerk in office of Dean of Graduate School	384
Voodry, Mrs. Anna J., will	479
Wade, G. R., appointed instructor in voice in charge of vocal department of Music School	367
Wahlin, G. E., appointed instructor in mathematics	503
Walks	424, 443, 461
Wardall, Ruth, appointed instructor in household science	148
Warrants	518
Washburn, W. F., appointed graduate assistant in chemistry	503
Water Supply, examination of	2
Water Survey, budget, 1907-8, 382; 1908-9	499
Coöperation with Geological Survey	6

	PAGE.
Watson, F. R., appointed assistant Dean in College of Engineering	367
Weeks, R. A., appointed professor in Romance languages and head of department	452
Wegeman, C., appointed instructor in geology	21
Weinrich, G. L., appointed clerk in office of Purchasing Agent	459
Wetmore, Mary M., appointed instructor in art and design	72
Whipp, F. D., report to Governor Deneen on University expenses	406
White, Anna D., appointed assistant cataloger	12
White, E. A., appointed assistant in farm mechanics	457
White, Professor J. M., appointed Supervising Architect	144, 452
White, Marion B., appointed instructor in mathematics	147
Whittemore, W. L., appointed instructor in mechanics	21
Made associate in municipal and sanitary engineering	145
Whitten, J. ., appointed professor in floriculture	441
Wiehr, J., appointed assistant in German	21
Made instructor in same	146
Wilczynski, E. J., appointed associate professor in mathematics	136
Wiley, C. C., appointed instructor in civil engineering	21
Wilkins, A. C., appointed clerk in office of Water Survey	443
Williams, Edith, appointed assistant in woman's gymnasium	71
Williams, E. H., appointed instructor in physics	147
Williams, H. C., appointed instructor in military science	149
Willis, C., appointed instructor in soil physics in College of Agriculture and first assistant in same in Agricultural Experiment Station	148
Willson, F. G., appointed instructor in electrical engineering	146
Wilson, A. S., appointed Director of Library School	368
Made assistant director of same	456
Wilson, J. G., appointed clerk in President's office	23
Made chief clerk in same	149
Woman's Building, open Sunday	59, 99
Revision of rules for	1, 31, 59, 414
Wood, G. M., appointed clerk in mechanical engineering department	149
Young, J. W., appointed assistant professor in mathematics	465
Y. M. C. A., light, heat, and water for	441, 461, 511
Ystgard, A., appointed first assistant in chemistry in Agricultural Experiment Station	148
Zeitlin, J., appointed instructor in English	368
