PROCEEDINGS OF THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS FOR THE YEAR ENDING JUNE 30, 1916.

MEETING OF JULY 14, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12.00 m., on Wednesday, July 14, 1915, pursuant to the following notice which was sent out by the Secretary on July 9, 1915:

By order of the President of the Board of Trustees, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in the city of Chicago, on Wednesday, July 14, 1915, beginning at 12.00 noon, to consider such matters as the committees of the board and the President of the University may submit and such matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, and Miss Watson. Mr. Len Small, of Kankakee, newly elected President of the State Board of Agriculture, was introduced and took his seat with the board.

President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of June 8, 1915, and of the adjourned sessions of June 14, 15, and 16; also the minutes of the meetings of the Executive Committee of June 8, 14, and 15.

On motion of Mrs. Henrotin, the minutes were approved and received for record as printed above on pages 287 to 312.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters presented by President James:

SUMMER CAMP.

(1) The following statement:

In accordance with authority given me by the board at the meeting on June 8 [page 288], I made a proposition to certain gentlemen representing the LaSalle Commercial Association concerning the acquisition of a summer camp, with buildings and equipment, near Deer Park, Ill.

The proposition was not accepted, as the influential men concerned in the work of the association considered that it involved too large a contribution on the part of the local people to what in their opinion is after all essentially a State matter.

The project rests, therefore, for the present. I have been much impressed, however, with the desirability of locating as soon as possible such a summer camp as the Trustees have been discussing for some time past. I hope that something may be done in the premises at no distant date.

This statement was received for record.

APPOINTMENT OF DEAN OF COLLEGE OF COMMERCE.

(2) A request for authority to appoint Dr. Nathan Austin Weston Acting Dean of the College of Commerce and Business Administration for one year from September 1, 1915, or until a Dean may be appointed. In accordance with the authority given me by the board at the meeting on June 14 [page 298], I asked Dr. William F. Gephart, of Washington University, whether he would accept the deanship of this college. Owing to a miscarriage in the mails, my letter did not reach him until he had started on his summer vacation, and until after the last meeting of the board of trustees of Washington University. He did not feel that it would be fair to accept the position without any chance to give fair notice to his own board.

On motion of Mr. Hoit, authority to make this appointment was given.

PURCHASE OF GILBERT PROPERTY.

(3) A letter from the Supervising Architect concerning the purchase of lots 1, 2, and 3, in block 6 of the Urbana Railroad Company's Addition to Urbana:

URBANA, ILL., *July 13, 1915.*

President E. J. James, University of Illinois.

DEAR SIR: I recommend that lots 1, 2 and 3 [in block 6] in the Urbana Railroad Company's Addition [to Urbana], each lot being 66 feet by 132 feet, be purchased from Mr. J. P. Gilbert at a cost of $10,000 plus three paving assessments which amount to $146.58. There is a $2,000 mortgage on the property which the University should assume, so that the present payment would be $8,000.

This property has a frontage of 132 feet on Goodwin Avenue and 198 feet along the Illinois Traction right of way. There are two houses located on the property. The value of the property may be estimated as follows:

132 feet on Goodwin Avenue at $30 a foot	$3,960 00
66 feet north frontage at $15 a foot	990 00
The house on the corner lot	1,500 00
The house on the south lot	3,700 00
Total	$10,150 00

In 1912 the University acquired the block across the street west of this property extending from Goodwin to Mathews Avenue. The frontage on Mathews and Goodwin Avenues was at that time figured at $34 (see report of W. F. M. Goss in board minutes of July 5, 1912). It therefore seems reasonable at this time to figure the frontage at $30.

The entire block purchased in 1912 contains practically the same area that we will own between Goodwin and Harvey, providing we acquire the Gilbert corner. The 1912 purchase included six houses and the purchases between Goodwin and Harvey include eight houses. The gross cost per square foot of the 1912 purchase was thirty-two cents. The gross cost for the block between Goodwin and Harvey, including the Gilbert property, will be thirty-three and four-tenths cents, but the eight houses represent a greater value than the six houses purchased with the block between Mathews and Goodwin Avenues.

There still remains a small vacant lot on the west side of Harvey Street which we have not acquired and the area of which has not been included in the above figures.

We now own the entire frontage on the east side of Harvey Street between the street car track and the Boneyard, with the exception of the Behrens property, on which we have an option of $2,400. The lot is 60 feet by 132 feet with a fairly good cottage on it. The gross price per square foot for this property on this basis would be twenty-eight cents and I hope we may also acquire it.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

On the recommendation of President James and on motion of Miss Watson, the Comptroller was authorized to purchase lots 1, 2, and 3 of block 6 in the Urbana Railroad Company's Addition to Urbana. The appropriation involved was made by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

ORGANIZATION OF PRACTISE SCHOOL.

(4) A recommendation from Dr. William C. Bagley, Director of the School; approved by Professors L. D. Coffman, H. A. Hollister, Charles H. Johnston, Dean David Kinley, and Dean Kendric C. Babcock:

URBANA, ILL., *May 29, 1915.*

President E. J. James, Natural History Building.

DEAR MR. PRESIDENT: In view of the fact that the organization of the training school staff will come up for discussion and decision during the coming academic year, and inasmuch as certain questions regarding the administration of the school should be definitely settled before any appointments are considered, I beg to make the following recommendations:

(1) The primary purpose of the school should be definitely understood by all connected with it to be the provision of facilities for observation and practise teaching. While it is desirable to utilize the school for certain other purposes (for example, the testing of new methods and devices of teaching and administration), these should always be looked upon as subordinate to the primary purpose and should at no time and in no way interfere unduly with the fulfillment of this primary purpose.

(2) The nature and purpose of the training school consequently necessitate a thoroughgoing centralization of responsibility and of authority. The Director of the School of Education, as responsible to the administration of the University for the efficiency of the training-school, and as directly and individually responsible for the primary work of the school (the observation and practise teaching), should be the center of its administration.

(3) Associated with the Director of the School of Education and constituting an Advisory Administrative Committee should be the Dean of the College of Liberal Arts and Sciences, the High School Visitor, the Professor of Education in charge of school administration, the Professor of Secondary Education, and the principal of the training school. Policies related to the internal administration and government of the training school should be determined by the Director of the School of Education after discussion and conference in this committee. Any member or members of the Advisory Committee, however, should have the right to appeal from the decision of the Director of the School of Education, either to

the Council of Administration or to a Council Committee of which the Dean of the College of Liberal Arts and Sciences should be chairman and of which no member of the Department of Education should be a member.

(4) The members of the Department of Education, the members of other departments assigned to specific duties in connection with the training school, the principal of the training school, and the supervisors of practise teaching should constitute a training school staff which should meet not less frequently than once in two weeks for the discussion of both administrative and teaching problems; administrative policies recommended by this staff should be referred to the Director and the Advisory Committee.

(5) The specific duties of the principal of the training school and of the various supervisors should be determined by the Director after conference with the Advisory Committee, subject to the approval of the Dean of the College of Liberal Arts and Sciences, the Dean of the Graduate School, if questions of graduate study are involved, and the President of the University.

Respectfully yours,

W. C. BAGLEY,
Director of the School of Education.

We concur in the above recommendations.

L. D. COFFMAN.
H. A. HOLLISTER.
K. C. BABCOCK.

I am in hearty accord with some of the above recommendations. I do not, however, believe in the principle of university government expressed in section 2, nor that it is best under local conditions, nor do I think the second statement therein consistent with the terms of my employment as Professor of Secondary Education. I am, however, willing to accept this new interpretation of my duties and responsibilities and endeavor to cooperate in every way possible.

CHARLES HUGHES JOHNSTON.

On the recommendation of President James and on motion of Mrs. Evans, the plan proposed by Prof. Bagley was approved, subject to the authority of the President of the University and the Board of Trustees.

REPORTS OF GRADES OF STUDENTS.

(5) A recommendation of the Council of Administration concerning the amendment of No. XII of the Statutes of the University:

July 7, 1915.

Dr. Edmund J. James, 340 Natural History Hall.

DEAR MR. PRESIDENT: The Council of Administration at its meeting of July 2, 1915, voted to recommend to the Board of Trustees the amendment of Statute No. XII (pages 38 and 39 of the edition of December 29, 1908) by the addition to paragraph (d) of the words "except as provided in paragraph (e)," and the addition of a new paragraph (e), giving the following reading for these two paragraphs:

"(d) Within three days after semester examinations any student may secure from his instructor an exact statement of his standing for the semester, except as provided in paragraph (e)."

"(e) Reports upon thesis or seminar courses may be made either at the end of each semester, or at the end of the year (and not at the end of the first semester) at the discretion of the instructor in charge of the course."

Sincerely yours,

C. M. MCCONN, *Secretary pro tem.*

On motion of Mr. Small, this recommendation was concurred in.

APPOINTMENT OF DIRECTOR OF PHYSICAL TRAINING FOR WOMEN.

(6) A request for authority to appoint Miss Louise Freer, of Mount Vernon, Iowa, Director of Physical Training for Women, for one year, beginning September 1, 1915, at a salary of $1,400 a year, in place of Miss Gertrude E. Moulton, resigned.

On motion of Mrs. Evans, authority to make this appointment was given.

LIABILITY FOR INJURIES TO EMPLOYEES.

(7) The following statement:

The question has arisen several times in the history of the University, whether the institution is liable for injuries to its employees received during their employment. It is said that two or three people obtained the passage of special laws from the last Legislature granting them damages for such injuries, in one case at any rate, in the opinion of the persons in immediate charge of the work, without any justice whatever.

It was proposed by one member of the Legislature to attach a rider to the University appropriation bill insisting that the Trustees should pay all claims for damages made by students or employees. This was defeated both in the committee and again when it was offered on the floor of the House. The general sentiment of the Legislature seemed to be that the University should in some way provide for accident insurance, and should meet the expense out of the regular appropriation of the University.

The University now has a case before the Appellate Court of the State to determine the liability of the University in this matter. I have asked the Counsel of the University to prepare a brief on the subject which follows:

[Judge Harker's Opinion.]

July 3, 1915.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: Complying with your request that I should express my views in writing concerning the liability of the University to University employees, students, and others, I am pleased to submit to you the following:

No liability for negligence is cast upon the University by reason of any rule at common law, any provision of the original charter, or by any provision contained in any amendment to the charter, or legislation directly applying to the University. If there is now any liability for injuries sustained by employees for negligence, it must be by virtue of the Workmen's Compensation Act of 1913. That act is rather a crude piece of legislation, and some provisions have already been held unconstitutional by our Supreme Court. In view of the fact that the legislation is entirely new and is crude in some of its provisions, it is a little difficult to determine exactly what the obligations of the University are to its employees.

The first section provides "That any employer in this State may elect to provide and pay compensation for accidental injuries sustained by any employee arising out of and in the course of the employment according to the provisions of this act, and thereby relieve himself from any liability for the recovery of damages, except as herein provided." The section also provides that election shall be accomplished by the employer filing notice of such election with the Industrial Board. The Industrial Board is a body of three men appointed by the Governor of the State to administer the provisions of the act. An employer who has elected to come within the provisions of the act shall remain therein until the 1st of the following January and thereafter unless he shall, sixty days prior to that date, file notice with the Industrial Board of his election to withdraw from the act and post notices of his withdrawal. The second section of the act provides that every employer engaged in any of the occupations, enterprises, or businesses enumerated below shall be conclusively presumed to have filed notice of his election unless he shall file a notice in writing to the contrary, and shall also furnish his employees, personally, or post at a conspicuous place in his plant, copy of his notice to provide and pay compensation, etc.:

"1. The building, maintaining, repairing, or demolishing of any structure;
2. Construction, excavating, or electrical work;
3. Carriage by land or water and loading or unloading in connection therewith;
4. The operation of any warehouse or general or terminal storehouse;
5. Mining, surface mining, or quarrying;
6. Any enterprise in which explosive materials are manufactured, handled, or used in dangerous quantities;
7. In any enterprise wherein molten metal, or explosive or injurious gases or vapors or inflammable vapors or fluids or corrosive acids are manufactured, used, generated, stored, or conveyed in dangerous quantities;
8. In any enterprise in which statutory or municipal ordinance regulations are now or shall hereafter be imposed for the regulation, guarding, use, or the placing of machinery or appliances, or for the protection and safeguarding of the employees or the public therein; each of which occupations, enterprises, or businesses are hereby declared to be extra-hazardous."

There has been considerable difference of opinion as to the meaning which should be attached to the words "employer engaged in any of the following occupations, enterprises, or businesses." When the act first went into effect, there were a number of lawyers who were of the opinion that anyone engaged in a business that required him to do any of the things mentioned in the eight particular kinds of work was within the act without having filed an election as provided in section 1. In other words, it was maintained by some that a farmer or merchant, or the keeper of a hotel who had occasion in his business to do any of the things enumerated within the eight lines mentioned, came within the provisions of the act. I have been informed that the Attorney General's office once promulgated such an opinion. Circuit judges in different parts of the State, however, held in case of farmers and merchants that they were not within the intention of the Legislature. In other words, they held that in order to bring an employer within the provisions of the act, his occupation, enterprise, or business would have to be extra-hazardous, and the main occupation or business as specified in section 3 of the act.

Perhaps I cannot give you a better understanding of my views concerning the liability of the University as an employer than by stating our points of contention in the case of Walter J. North, Administrator of the estate of James W. North v. The Board of Trustees of the University of Illinois, now pending in the First Appellate Court District.

James W. North, employed as a Curator at the College of Medicine, at a salary of $70 per month, came to his death on the 5th of December, 1913, by falling through an elevator shaftway from the fourth floor of the Medical College Building to the basement. Among the duties of North was that of moving cadavers from floor to floor. The evidence taken at the coroner's inquest and also upon the trial before the Arbitration Committee of the Industrial Board showed that it was the custom of North to receive cadavers from the expressman in the basement, at the alley, and distribute them as needed on the different floors. When the school was through with the cadavers, they were gathered up and taken by the Curator, by way of the elevator, to the alley, where they were again taken by the expressman. No one was present when North met his death. He was found at the bottom of the elevator shaftway, dead, with a table and a cadaver over him. The elevator was flush with the fifth floor. The door opening into the shaftway at the fourth floor was open. The supposition is that he ran the elevator to the fifth floor, and then engaged in gathering together cadavers that had been used, for the purpose of taking them to the basement. In his work he went to the fourth floor, and in getting a cadaver ready, moved to the shaftway, and forgetting that he had left the elevator at the fifth floor, opened the door and stepped into the shaftway.

On the 19th of December, 1913, the administrator filed statement with the Industrial Board, which body notified the University and requested it to name a representative on the Committee of Arbitration.

I appeared before the board and insisted that it had not jurisdiction of the case for the reason that the University had never elected to come within the provisions of the act. I declined to name a representative. Thereupon the board named Peter D. Carey as the representative of the University on the Board of Arbitration. The law provides that the Arbitrating Committee shall be named in the manner following: one member of the Industrial Board, one member to be selected by the injured employee, and one by the employer.

After being notified of the selection of Carey the case was set for hearing on March 17, 1914. I appeared on that day, but the case was not tried because of the absence of the attorney for the administrator. After two or three continuations, the trial was commenced on the 25th of June. Before the case was tried I filed a protest against a hearing, and a motion to dismiss for the following reasons: (1) That the Workmen's Compensation Act did not apply to the University; (2) that the University had never elected to pay compensation as provided by the first section of the act; and (3) that it was not engaged in any of the occupations, enterprises, or businesses enumerated in paragraph (b) of section 3 of the act. There was no controversy as to the manner in which North met his death, and it was admitted by the University that he was in its employ at the time, but we made it clear by the testimony of Mr. Abbott that the University was not engaged in either of the eight lines of employment mentioned above, except as incidental to its business of furnishing instruction and education to students. We made it clear that it was doing none of those things in a commercial sense, and while it did handle some dangerous agencies, it did so only as it was necessary to fulfill its mission of education. On the 29th of June, 1914, the Arbitrating Committee made its report, holding that the administrator of North's estate was entitled to receive from the Board of Trustees the sum of $8.75 per week, for a period of 384 weeks from the 5th day of December, 1913. At a hearing before the Industrial Board, the decision of the committee was approved. Paragraph (f) of section 19 of the act provides that the Supreme Court shall have power to review the questions of law involved in a decision of the Industrial Board by certiorari or mandamus. Under this section we applied to the Supreme Court for a writ of certiorari, but the same was subsequently dismissed, the Supreme Court holding that the provision for review by the Supreme Court was unconstitutional. We were forced, therefore, to sue out a writ of certiorari from the Circuit Court of Cook County, and the entire case before the Arbitration Committee and Industrial Board was presented before that court. The Circuit Court declined to quash the proceedings and we were compelled to prosecute an appeal to the Appellate Court, where the case is now pending. In the printed brief we have filed before the Appellate Court, we contend:

I.

"The Illinois Workmen's Compensation Act of 1913 does not apply to the University of Illinois and, therefore, the Industrial Board of Illinois is without jurisdiction in the premises."

II.

"The University has never elected to provide compensation for accidental injuries to employees according to the act."

III.

"The University is not engaged in any of the occupations, enterprises, or businesses enumerated in paragraph (b) of section 3 of the act."

Under the first point of contention, we insist that the term "employment" should be constructed as excluding the Board of Trustees of the University, and cite as authorities Agler v. Michigan Agricultural College, 5 N. C. C. A., 897. We also cite Weinberg v. The Regents of University, 97 Mich., 246, and Sterling v. Regents of University, 110 Mich., 369, in support of the view that "state," as used in section 4 of the act, cannot be construed so as to include a state university operating under a special charter. We are supported in our second contention by Miller v. Pillsbury, 164 Calif., 199. Of course, there are no authorities to be cited under our third contention.

As to the other matter concerning which you desired my views, I will say that I do not think it would be wise for the Board of Trustees to establish a fixed rate of compensation for employees, but that each case should be dealt with separately. I can see no objection to the Board of Trustees continuing an injured man in its service, although he may be badly disabled, at such compensation as may be agreed upon, even though such a man would not be employed in the first instance. I can see no objection to the University providing medical attention, nursing, and support during such time as he may be confined.

When the Supreme Court shall pronounce its views in the North case, then we will have a better understanding of what action it is wise to take. I am inclined to the opinion that if the Supreme Court holds we are within the provisions of the act, that we should either file our election to come within its provisions, or take insurance for all employees.

Respectfully submitted,

O. A. HARKER.

No action was taken concerning this matter.

CASE OF MR. E. C. LEWIS.

(8) Mr. E. C. Lewis received an injury while in the employ of the University, about January 21, 1915. One of the workmen while on a platform in the power plant dropped a crowbar, hitting Mr. Lewis on the right shoulder.

Two weeks' sick leave on half time was allowed Mr. Lewis.

Bills to the extent of $173.75 have been presented to Mr. Lewis, as follows:

Dr. O. O. Stanley	$ 31 00
Burnham Hospital	6 75
O. H. Glimstedt	136 00

If the University will pay Mr. Lewis this amount, he will agree to reimburse the institution for all payments and expense made on account of this injury in case he should appeal to the Legislature and a larger sum be allowed him; or he is willing to accept the sum of $500 in lieu of all further claims.

On motion of Mr. Small, the President of the University was authorized to make a staisfactory adjustment with Mr. Lewis on either basis, as he may think best.

USE OF ROOMS.

(9) The following statement:

The Council of Administration receives many requests for the use of University buildings. Some of these are rather embarrassing. After repeated consideration of this question, the Council adopted, at its meeting of July 2, the following recommendations to govern the use of rooms in University buildings:

1. The use of the University rooms shall not be permitted for any entertainment or gathering of any kind for which an admission fee is required, which is given or held or advertised under the auspices of individuals or organizations not officially connected with the University.

2. A University room shall not be granted to individuals or organizations not officially connected with the University for any purpose which, although in accord with the general purpose of the University, is of such a character, or occurs at such a time, that it is likely to interfere with the work, either specific or general, of the University or of any department of the University. (An illustration of this would be an effort to secure a concert without fee or charge to the University, but occurring at a time when it might interfere with the concerts proposed by the School of Music, or might endanger their financial success.)

3. The use of University buildings shall not be permitted for the advocacy of partisan politics or for political meetings other than those of student political clubs.

4. Applications for the use of University rooms shall be made to the Supervising Architect, and his recommendation on each application shall go to the Council of Administration for action."

The last Legislature passed a law relative to the authority of school boards to grant the use of rooms in public school buildings. This law, described as Senate Bill 221, reads in paragraph ten:

"To have the control and supervision of all public school houses in their district, and to grant the temporary use of them when not occupied by schools or religious meetings and Sunday schools, for evening schools and literary societies, and for such other meetings as the directors may deem proper. (This would include political meetings, voting booths, etc.)

"They have the further authority to grant the use of the assembly halls and classrooms when not otherwise needed, including light, heat, and attendants, for such lectures, concerts, and other educational and social interests, free of cost, but but under such provisions and control as they may see fit to impose; to conduct or provide for the conducting of recreational, social, and civic activities in the school buildings under their control, and to pay for services in connection with such conducting out of the school funds of their respective cities, towns, or districts."

We may not infer that authority given to school boards is by that simple fact given to the Board of Trustees of the University of Illinois; but the principle in these cases is the same and the passage of this law marks an increasingly liberal spirit in the administration of public buildings.

On motion of Mr. Small, the Council of Administration was given authority to permit the use of University rooms by outside parties, or for other than strictly University purposes, in accordance with the rules and regulations adopted by the Council; but the Council was advised to exercise this authority in the liberal spirit of Senate Bill 221 referred to above.

APPOINTMENT OF MR. S. J. TEMPLE.

(10) A request for authority to appoint Mr. Seth J. Temple, of Davenport, Iowa, Professor of Architecture and head of the Department of Architecture, at a salary of $5,000 a year, work and salary to begin September 1, 1915, or as soon thereafter as he reports for duty.

On motion of Mr. Carr, authority to make this appoinment was given.

UNIVERSITY GIVEN HIGH RANK IN MILITARY WORK.

(11) The following statement:

The War Department telegraphed the University of Illinois under date of June 17, as follows:

"Institution under your charge designated distinguished college this year."

This means that the University, on account of its excellence in military drill, was put in the group of distinguished colleges as classified by the War Department.

This statement was received for record.

CARL MARTIN JAMES COLLECTION.

(12) The following statement:

I have in mind to present a collection of books, numbering one thousand volumes, more or less, relating to statistics and similar subjects to the Library of the University, on the following conditions:

(1) That the collection be known as the Carl Martin James Collection, in memory of my son, born August 22, 1881, died December 31, 1885.

(2) That the collection be listed with other collections in the Annual Register.

(3) That each volume be appropriately marked by a book plate as belonging to this collection.

(4) That any volume in the collection may be exchanged for other volumes if it should turn out that the University Library has duplicates, but in case of exchange, the volume received shall be marked in a similar manner as belonging to this collection.

Mr. P. L. Windsor, the University Librarian, recommends that the collection be accepted on these terms.

On motion of Mr. Carr, this collection was accepted on the terms indicated, and the hearty thanks of the board were extended to President James for the gift.

PROMOTION OF PROF. W. A. OLDFATHER.

(13) A recommendation that Dr. William A. Oldfather be promoted from the rank of Associate Professor of the Classics to that of Professor of the Classics.

On motion of Mrs. Evans, this recommendation was approved.

PROMOTION OF PROF. J. D. FITZ-GERALD.

(14) A recommendation that Dr. John D. Fitz-Gerald be promoted from the rank of Assistant Professor of the Romance Languages to that of Professor of Spanish.

On motion of Mr. Carr, this recommendation was approved.

LEAVE OF ABSENCE FOR PROF. W. S. ROBERTSON.

(15) A request from Assistant Prof. William S. Robertson of the Department of History for leave of absence during the academic year 1916-17 on half pay in accordance with the regulations of the University.

On motion of Mr. Hoit, this request was granted, on condition that suitable arrangements can be made for Prof. Robertson's work during his absence.

ADVISORY COMMITTEE, SCHOOL OF PHARMACY.

(16) A statement that the Illinois Pharmaceutical Association has nominated Mr. E. A. Sell, of Springfield, Mr. F. H. Kroh, of Anna, and Mr. F. M. Mares, of Chicago, for the vacancy caused by the expiration of the term of Mr. Fritz Lueder, of Peoria, as a member of the Advisory Board of the School of Pharmacy.

On motion of Mrs. Henrotin, Mr. E. A. Sell, of Springfield, was appointed a member of the Advisory Board of the School of Pharmacy, for the term of five years.

APPROPRIATION BILL, 1915-17.

(17) A certified copy of an act making appropriations for the University of Illinois, passed by the last General Assembly. This is the general act which gives the sum of five million dollars. I have not yet received the other acts; namely, the one appropriating the interest on the endowment fund of the University, and the other appropriating the various sums which may be paid into the State Treasury by the Federal Government for the use of the University of Illinois. They will be submitted when certified copies have been received.

This bill appropriates the sum of five million dollars with the provision that the payments are to be made from the proceeds of the mill tax.

There are still great differences of opinion as to whether the mill tax will produce for the biennium beginning July 1, 1915, the full sum of five million dollars. If it does not produce the amount, of course the University appropriation will be confined to the amount which is produced, and in the preparation of our budget we must keep that fact in mind.

[AN ACT MAKING APPROPRIATIONS FOR THE UNIVERSITY OF ILLINOIS.]

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That there be and is hereby appropriated to the University of Illinois for the biennium beginning July 1, 1915, the sum of five million dollars ($5,000,000), payable out of moneys paid into the State Treasury and set apart as a fund for the use and maintenance of the University of Illinois, in accordance with an act entitled, "An Act to provide by State tax for a fund for the support and maintenance of the University of Illinois," approved June 20, 1911, in force July 1, 1911, payable as follows:

I. For purchase of lands, erection of buildings, equipment, reconstruction, repairs, and betterments (including chemical laboratory, addition to Commerce Building, School of Education Building, Woman's Residence Hall, Ceramics Building, addition to Transportation Building, Railway Electrical Laboratory, horticultural field house, addition to Natural History Building, addition to Mining Engineering Laboratory), nine hundred thousand dollars.. $ 900,000

II. Expenses of administration offices (including Board of Trustees', President's office, Comptroller's office, Registrar's office, Council of Administration, University Senate, etc.,) one hundred and fifty-seven thousand dollars	$ 157,000
III. Expenses of general departments (including Library Staff, Military, Physical Training, Supervision and Discipline, University exercises, publications, museums, etc.), two hundred and thirty thousand dollars	230,000
IV. Expense of instructional work in the various schools and colleges, (including purchase of apparatus, maps, charts, and books for the library), two million five hundred and sixty-three thousand dollars	2,563,000
V. Expense of Research and Scientific Departments (including the Agricultural and Engineering Experiment Stations), two hundred thousand dollars	200,000
VI. Expense, maintenance, and operation of physical plant, (including repairs, betterments, extensions, janitor service, care and policing of grounds, and operation of heating, lighting, and power plant), four hundred and fifty thousand dollars	450,000
VII. General and contingent fund to provide for increases of salary, additions to staff, emergencies, incidental and general purposes), five hundred thousand dollars	500,000
Grand total	$5,000,000

SEC. 2. The appropriations made herein shall be paid only out of moneys paid into the State Treasury and set apart for the use and maintenance of the University of Illinois in accordance with the provisions of an act entitled, "An Act to provide by State tax for a fund for the support and maintenance of the University of Illinois," approved June 10, 1911, in force July 1, 1911.

The Auditor of Public Accounts is hereby authorized and directed to draw his warrants from time to time upon the State Treasurer for amounts expended for bills then due from the sums herein appropriated, payable severally to the persons named upon the presentation of itemized vouchers therefor, certified to by the President and Secretary of the Board of Trustees of the University of Illinois, with the corporate seal of the University attached thereto.

DAVID E. SHANAHAN,
Speaker, House of Representatives.
BARRATT O'HARA,
President of the Senate.

Approved June 28, 1915.

E. F. DUNNE,
Governor.

Filed June 28, 1915.
LEWIS G. STEVENSON,
Secretary of State.

This statement was received for record.

RESOLUTIONS CONCERNING MUSIC BUILDING.

(18) The following statement and resolutions:

I have been requested by Capt. Thomas J. Smith, of Champaign, to suggest the passage of the following resolutions:

WHEREAS, Thomas J. Smith, of the city of Champaign, a former member of the Board of Trustees of the University of Illinois, on September 14, 1915, did convey to the Board of Trustees of the University of Illinois seven hundred and sixty-nine and nineteen one-hundredths acres of land lying within the county of Champaign and State of Illinois, with an estimated value of two hundred and fifteen thousand dollars, as a free and voluntary contribution to be used in the erection of a building on the Campus of the University of Illinois for the promotion of the musical interests of said University, which conveyance has been accepted for the purpose aforesaid, in pursuance of a contract made and entered into on said date by and between Thomas J. Smith and the Board of Trustees of the University; and

WHEREAS, The University of Illinois in and by the terms of the contract agreed with Thomas J. Smith that on the delivery of said conveyance to the Board of Trustees it would instruct its Supervising Architect to draw plans and specifications for a building for the promotion of the musical interests of the University at a cost of not less than two hundred and fifteen thousand dollars and that the Board of Trustees would cause to be erected on the Campus of the University such a building in accordance with such plans and specifications as soon as feasible.

THEREFORE, Be it ordered by the Board of Trustees of the University of Illinois, that the Supervising Architect be authorized and instructed to submit, as soon as convenient, to the Board of Trustees for its consideration, plans and specifications for such a building for the promotion of the musical interests of the University.

On motion of Mr. Small, this resolution was adopted.

EMPLOYEES PERMITTED TO ATTEND CLASSES.

(19) A recommendation from the Council of Administration concerning permission to employees of the University to attend classes as visitors:

June 30, 1915.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The Council of Administration at its meeting of June 29, 1915, voted to recommend to the Board of Trustees the adoption of the following recommendation:

"Permission to attend classes regularly as visitors only may be granted without fee to persons [other than registered students] in the [regular] employ of the University on the recommendation of the head of the department in which the employee is at work, with the consent of the instructor in the course, and with the approval of the Dean of the College in which the course is given."

The existing rules permit the granting of visitors' permits to registered students without fee, and to persons not connected with the University, on the payment of a fee of $7.50 for each course to be visited. There has been no explicit regulation covering the case of members of the faculty and other employees. The foregoing regulation embodies, however, what has been the practise for many years. It should perhaps be pointed out that where a stenographer visits a course in English, or a herdsman visits a course in Animal Husbandry, or a member of the faculty visits some course given in his department or in an allied department, or a course in Foreign Language, it is usually done for the purpose of increasing the efficiency of the employee in the work which he is doing for the University, and that such visiting in proper cases is of advantage to the institution as well as to the individuals concerned.

Sincerely yours,

KENDRIC C. BABCOCK,
Secretary, Council of Administration.

On motion of Mrs. Evans, this recommendation was concurred in.

LABORATORY FEES.

(20) A recommendation from the Council of Administration concerning certain changes in laboratory fees:

July 1, 1915.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The Council of Administration at its meeting of June 29, 1915, voted to recommend to the Board of Trustees the changes in laboratory fees which are mentioned in the enclosed list.

It will be noted that these changes are all slight as to amount and there are about as many proposed omissions and reductions as additions and increases. No change of principle or policy is involved, but merely small adjustments which changes in courses or the experience of the departments during the past year has shown to be desirable.

Very truly yours,

KENDRIC C. BABCOCK,
Secretary, Council of Administration.

[LABORATORY FEES CHANGED OR DISCONTINUED.]

Architecture 6a, $1.50, to be omitted, course discontinued.
Architecture 6b, $1.50 to be omitted, course discontinued.
Architecture 10, $1, to be omitted, course discontinued.

Railway Engineering 11, $2, course discontinued.
T. & A. M. 5, $2, to be discontinued.
T. & A. M. 15, to be changed from $2 to $1.
T. & A. M. 16, to be changed from $2 to $1.

On motion of Mr. Carr, the changes in fees embodied in this schedule were authorized.

ENTERTAINMENT OF VISITORS.

(21) Presentation of certain recommendations by the Council of Administration relating to the entertainment of visitors; namely,

(1) That a sum of money be set aside by the Board of Trustees in the budget annually for the entertainment of general University guests; that is, for people for whom the University may properly incur expense of appropriate entertainment.

(2) That this money be expended only on the written authority of the President of the University in the case of each guest.

(3) That a sum of money be set aside by the Board of Trustees for entertainment in the annual budget of each department, division, or college, whose work involves this class of expenditure, and for which such department, division, or college may properly incur the expense of appropriate entertainment.

(4) That when an individual or a group visits the University for the purpose of rendering a service of some kind to a particular department, division, or college of the University, or when guests in the catagories mentioned in the footnote* come to inspect a particular department, division, or college of the University, their expenses of entertainment, properly certified and approved by the head of such department, division, or college, be paid out of the fund allotted to such department, division, or college, for that purpose.

(5) That the University purchase an auto carriage for University use only, under the Supervising Architect, according to procedure approved by the Board of Trustees.

(6) No officer or employee of the University shall incur expense in the name of the University for lodging or meals of any visitor to the University without the written approval of the President of the University, or some general University officer designated by him.

No action was taken on this matter.

REGISTRATION OF DELINQUENTS FORBIDDEN.

(22) A recommendation of the Council of Administration concerning the collection of unpaid fees and charges:

June 19, 1915.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The Council of Administration at a special meeting held on June 19, 1915, voted to recommend to the Board of Trustees the adoption of the following regulation, having for its object to assist the business office in the collection of unpaid fees and charges:

"A student who is in debt to the University at the end of any semester shall not be permitted to register in the University again and shall not be entitled to receive an official statement of his credits from the Registrar until his indebtedness has been discharged."

Sincerely yours,

K. C. BABCOCK,
Secretary, Council of Administration.

On motion of Mrs. Henrotin, this recommendation was approved.

D. C. GREENE COLLECTION.

(23) A statement from the University Librarian, Mr. Phineas L. Windsor, that Prof. Evarts B. Greene has presented to the University Library two hundred and nineteen volumes of books and newspapers relating to Japan, which formed a part of the library of his father, Dr. D. C. Greene, long a resident of Japan.

---

*1. Representatives of institutions or scientific bodies who come as delegates to meetings of associations invited here by the University, either for its own purpose or for the promotion of some educational or scientific purpose in which the University is interested.

2. Persons who come without special invitation to learn from the University methods of improving public or private life or business in the lines in which they are occupied. This is a kind of extension work. It now includes farmers, business men, engineers, etc.

3. Persons who come to visit the University with official or semi-official authority to study or inspect the methods of the University, such as members of the Legislature, representatives of the Federal Government, and of foreign governments and institutions, delegates from civic or commercial organizations, etc.

On motion of Mr. Hoit, this gift was accepted, the collection to be known as the D. C. Greene Collection, and the President of the University was instructed to convey a formal expression of thanks, on behalf of the board, for the gift.

COURSE IN DENTISTRY EXTENDED.

(24) A recommendation that the University administration be authorized to announce that the course in Dentistry in the College of Dentistry will be extended from three years to four years, beginning with the autumn of 1917.

On motion of Mr. Carr, this recommendation was approved.

INVESTMENT OF THE BRYAN FUND.

(25) A recommendation from the Comptroller that the Bryan Fund, amounting to two hundred and fifty dollars, be regularly invested in some income-producing security.

On motion of Mrs. Evans, this recommendation was referred to the Finance Committee with power to act and to select a suitable investment, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

LAPSING OF STATE APPROPRIATIONS.

(26) A statement that according to the State Auditor the Attorney General had ruled that any portion of the four million, five hundred thousand dollars appropriated by the General Assembly for the use and maintenance of the University for the biennium beginning July 1, 1913, which had not been actually expended on June 30, 1915, had lapsed.

I submit the opinion of the Counsel of the University on this matter:

[Judge Harker's Opinion.]

July 9, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: I am informed by you and the Assistant Comptroller that the Attorney General of the State has rendered an opinion to the effect that that part of the $4,500,000 appropriation made by the General Assembly for the use and maintenance of the University for the biennium beginning July 1, 1913, not expended by the first of the present month, has lapsed. You request my opinion upon this question.

I am sorry that I have not a copy of the Attorney General's opinion. I should like to have that in order to see his views concerning the application of the decision of our Supreme Court in the cases I will cite.

Section 18 of article 4 of the State Constitution contains the following provisions: "Each General Assembly shall provide for all appropriations necessary for the ordinary and contingent expenses of the government until the expiration of the first fiscal quarter after the adjournment of the next regular session; * * * and all appropriations, general or special, requiring money to be paid out of the State Treasury from funds belonging to the State, shall end with such fiscal quarter." A construction of this provision, so far as it relates to the lapsing of unappropriated funds, came before the Supreme Court in The People ex rel. v. Lippincott, State Auditor, 64 Ill., 256. That was an original case by mandamus to compel the State Auditor to issue his warrant upon the State Treasury for the price of printed volumes of reports of the Supreme Court. The statute in force at that time required the reporter to publish and deliver to the Secretary of State a certain number of reports and authorized him to receive his compensation thereof by a warrant drawn upon the Treasury. The Auditor refused to issue the warrant upon the ground that the fiscal quarter within which the warrant should be issued had expired, and the real question, therefore, was—when did the fiscal quarter expire?

The Supreme Court held that under a proper construction of the Constitution, the time intended to be fixed when all old or standing appropriations should cease was at the end of the fiscal quarter after the adjournment of the second regular session of the General Assembly held after the adoption of the Constitution. The writ was awarded. That holding was followed in People v. Lippincott, State Auditor, 72 Ill., 578, and the case of People v. Needles, Auditor, 96 Ill., 575. In the last mentioned case, it was held that the end of the fiscal quarter was the 30th of September.

The last expression of the Supreme Court upon the question is to be found in the case of The People v. Swigert et al., 107 Ill., 500. That was an application for a peremptory writ of mandamus in the Supreme Court brought by the captain of a militia company against the Auditor and the Treasurer to compel the issuing and payment of a warrant for $579.24. Although the mandamus was denied in that case, the Supreme Court approved its previous holding and used the following language: "By a well settled construction of this provision of the Constitution, all appropriations, whether general or special, when otherwise unlimited, will continue in force and be available for the purpose for which they were made until the expiration of the first fiscal quarter after the adjournment of the next regular session of the Legislature, at which time all appropriations must lapse, and cease to be of any validity."

Although I have not the opinion of the Attorney General, I surmise that he bases his conclusion upon the words appearing in the University appropriation act of June 24, 1913, which reads as follows: "That there be and is hereby appro-

priated to the University of Illinois for the biennium beginning July 1, 1913," etc. I confess that I am unable to see how the language employed is sufficient to justify an opinion that the authorities cited do not apply. When the Legislature passed the appropriation act of 1913, they did so in view of the decision of the Supreme Court that appropriations for State institutions would not lapse until the end of the first fiscal quarter succeeding the next General Assembly, to wit, September 30, 1915. It is hardly conceivable that they would make an appropriation of $1,300,000 for the purchase of land and construction of buildings with the idea that if the buildings were not completed by the 1st of July, 1915, such portion as had not already been expended should lapse. Until I receive further light upon the question, I am constrained to the view that none of the appropriation of 1913 can be considered as lapsing until the 30th of the next September.

Sincerely yours,

O. A. HARKER.

Since receiving the statement, which, if acted upon in the strict sense, would have cost the University about $100,000, I have received assurance from the State Auditor's office that vouchers covering services actually rendered and material actually furnished before June 30, 1915, would be honored.

This statement was received for record.

BUILDING PLANS.

(27) A report of the Supervising Architect on the condition of the building projects:

July 12, 1915.

President E. J. James, University of Illinois.

DEAR SIR: I desire to submit a brief report on the progress which I am making with the plans for prospective buildings.

I am still at work on the detail drawings for the Vivarium and the Ceramics Building. The Vivarium foundation is up to grade and the Ceramics excavation is under way. Plans for the Women's Residence Hall are progressing satisfactorily and revised studies have been made for the Education Building on the basis of a rather different program than that submitted by the Department of Education two years ago. This has involved an entire restudy of the plan as well as the exterior so that I have not been able to make as rapid progress as I had anticipated, but I am convinced that the results are going to justify the action of the board at its last meeting in rejecting the design upon which bids had been received.

The large amount of detail work connected with the furniture for the Chemical Laboratory has made it impossible to make any further studies for either the Smith Memorial Building or the Library, but work will begin at once upon a model of the Music School at the same scale as the buildings in the model now on exhibition at San Francisco. I believe that we can study the effect of the grouping of the buildings around the Auditorium with very much more certainty in model form than from our drawings.

I am planning to start work in about two weeks upon the addition to the Transportation Building, and upon the addition to the Natural History Building. The proposed assignment of space in the Transportation Building assigns the first and second floors of the addition to the Department of Mechanical Engineering and Machine Design, and the upper floor to General Engineering Drawing. This will free space in the Engineering Building greatly needed for the Department of Architecture. The assignment of space in the Natural History Building addition provides that botany shall occupy the basement and the next two floors and that the top floor shall be utilized as an addition to the museum. I trust that construction work on these two additions and upon the Residence Hall and School of Education Building may be started this fall.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

This statement was received for record.

OFFERS TO SELL REAL ESTATE.

(28) Certain offers to sell real estate to the University.

(1) An offer from A. H. Havard to sell his residence property, located at 1207 Stoughton Street, Urbana, for the sum of four thousand dollars.

(2) An offer from Schaefer and Dolan to sell for a reasonable consideration lots 1, 2, and 3 of the Joseph Nelson Addition to Urbana, being the three lots just east of and in the same block with the University Wood Shop Building.

No action was taken, but the general sentiment of the board seemed to be that no land should be purchased during the present biennium except that which was absolutely necessary for buildings or for carrying out other necessary plans of the University.

CLINICAL BUILDING.

(29) A recommendation that the University acquire a site for a Clinical Building for the use of the College of Medicine and proceed to the erection of such a building as soon as possible.

On motion of Miss Watson, this recommendation was approved, and the Committee on Buildings and Grounds was requested to canvass suitable sites and make a recommendation upon the same.

PURCHASE OF ROLAND PROPERTY.

(30) A recommendation that the University foreclose its option on the Roland property, now leased by the University [see page 240], and described as follows:

Thirty-two and one-half (32½) acres, more or less, situated in William Williamson's Subdivision of the west half (W. ½) of the southwest quarter (SW. ¼),

of section eighteen (18), township nineteen (19) north, range nine (9) east of the Third Principal Meridian, Champaign County, Illinois, and more particularly described as follows: The south five (5) acres of lot nine (9); lot eleven (11), containing six and sixty-two one-hundredths (6.62) acres, more or less; lot twelve (12), containing seventeen (17) acres, more or less; the south part of lot ten (10), containing three and seventy-three one-hundredths (3.73) acres, more or less, namely, that portion of lot ten (10) lying and being directly west of and joining the south five (5) acres of lot nine (9), so that the north line of the said south five (5) acres of lot nine (9) shall continue and be extended through the said lot ten (10) to First Street, and constitute and be the north line of said tract herein conveyed.

On motion of Mr. Carr, this recommendation was approved and the Comptroller of the University was authorized to proceed to the acquisition of this property and the payment of the amount of fifty thousand dollars, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

AUTHORITY TO DELEGATE SIGNING OF WARRANTS.

(31) A request from the Comptroller that he be designated instead of Mr. Lloyd Morey, Auditor, to sign the names of the President and Secretary of the board to vouchers drawn against the Auditor of Public Accounts.

On motion of Mr. Hoit, Mr. W. L. Abbott, President, and Mr. H. E. Cunningham, Secretary of the board, were authorized to delegate to Mr. W. B. Castenholz, Comptroller, authority to sign their names as President and Secretary, respectively, to vouchers drawn against the Auditor of Public Accounts. This is in addition to the authority to delegate such signing to Mr. L. E. Knorr, Assistant Comptroller (page 222).

EXPERIMENT FIELD IN SPARTA.

(32) A letter from Prof. C. G. Hopkins recommending the acceptance of a deed for twenty acres of land for use as an experiment field, adjoining the grounds of the township high school located near the city of Sparta:

July 13, 1915.

President E. J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: In the absence of Director Davenport, I am transmitting directly to you the enclosed deed, transferring twenty acres of land from Thomas G. Dean to the Board of Trustees of the University of Illinois, and I beg to recommend that this be accepted for use as an experiment field. I may state that this land has been carefully examined by Prof. Mosier and myself, and we are agreed that it is suitable and especially well located for the purpose. It adjoins the grounds of the township high school, and is within easy walking distance of the railroad station at Sparta. It is representative of an important type of soil upon which we have no soil experiment field. The question of establishing a field on this land was submitted to our State Advisory Committee on Soil Investigations at their last meeting, and the committee approves of this location. I may add that we are already operating an experiment field on rented land, for which we pay an annual rental, on the farm of W. E. Braden, about seven miles from Sparta, and about five miles from Cutler, the nearest railroad station, and it is our opinion that, after the experiment field is established at Sparta and operated for a sufficient length of time to show instructive results, we should discontinue the operation of the rented field above referred to. I have consulted with Director Davenport regarding this matter, and he approves of this plan.

I am hopeful that final action may be taken regarding the acceptance of this field at an early date, because, if we are to operate the field next year, we should begin our preparation this month or early next month, in order to have the land in proper condition for seeding certain crops this fall.

From the attached letter, you will note that the taxes, which have been levied against the land for the current year, will be paid by the local people.

With deep respect, I am,

Very truly yours,

CYRIL G. HOPKINS.

On motion of Mr. Small, the recommendation of Prof. Hopkins was approved.

RETIRING ALLOWANCE FOR PROF. McINTOSH.

(33) A recommendation that Prof. Donald McIntosh, for thirty years Professor of Veterinary Science in the University, be retired, and that a retiring allowance of $1,650 a year be granted to him.

On motion of Mr. Carr, this recommendation was approved, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

PROVISIONAL EXPENSE BUDGET.

(34) A recommendation that appropriations be made for three months beginning July 1, 1915, or until a new budget shall have been submitted and approved, on the basis of the appropriation made in the budget for 1914-15, subject to the approval of the President of the University.

On motion of Mr. Hoit, this recommendation was approved, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

INTEREST ON DAILY BALANCES, 1913-15.

Mr. Hoit brought up the recommendation of the Finance Committee made on April 9, 1915, and presented to the board on April 27, 1915 (see minutes, April 27, page 235), concerning the rate of interest to be paid by Treasurer M. W. Busey on daily balances.

On motion of Mr. Carr, the recommendation of the Finance Committee was not concurred in, and the Comptroller was instructed to collect interest from Mr. Busey at the rate of two per cent per annum, on average daily balances, according to the agreement with Mr. Busey at the time of his election (see Report, University of Illinois, 1914, page 206).

TREASURER'S ALLOWANCE FOR CLERK HIRE DISCONTINUED.

Mr. Hoit presented for the Finance Committee a request from Treasurer Hazen S. Capron for an allowance of fifty dollars a month for clerk-hire.

On motion of Mrs. Henrotin, the practise of allowing the Treasurer this sum was discontinued as of April 30, 1915, in accordance with the right reserved by unanimous vote of the board at the time of the Treasurer's election (see page 219).

TREASURER'S REPORT.

Mr. Hoit also presented for the Finance Committee the report of Treasurer H. S. Capron for the two months ending June 30, 1915. This report was received for record:

HAZEN S. CAPRON, TREASURER, IN ACCOUNT WITH THE UNIVERSITY OF ILLINOIS FOR THE QUARTER ENDED JUNE 30, 1915.

SUMMARY.

	Balance May 1.	Deposits May 1, to June 30.	Warrants paid May 1. to June 30.	Balance June 30.
General fund	$274,884 74	$57,979 99	$115,390 92	$217,473 81
United States Agricultural Experiment Station Fund	10,607 84	77 30	6,432 52	4,252 62

Trusts fund	1,741 30	1,557 56	3,298 86
Total	$63,668 83	$68,184 56	$131,853 39

APPOINTMENTS TO COMMITTEES.

President Abbott announced the appointment of Mr. Small as chairman of the Committee on Agriculture and member of the Finance Committee, in place of Mr. Hopkins.

STATE TREASURER ASKED TO CREDIT INTEREST.

President James brought up the question of the propriety of asking the State Treasurer to credit interest at two per cent on the average daily balances of the mill-tax fund in his hands.

On motion of Mr. Hoit, the Legal Counsel was instructed to request the State Treasurer to credit to the mill-tax fund the interest derived from the fund.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented for record the following list of appointments made by President James:

Callen, A. C., Assistant in the Department of Mining Engineering for a period not to exceed six weeks, with a remuneration at the rate of one hundred dollars ($100) a month and an allowance for expenses not to exceed one hundred dollars ($100) a month, beginning July 1, 1915. (July 6, 1915.)*

Gaffney, Carl, Technician in the Department of Experimental Medicine, beginning July 1, 1915, and continuing until October 1, 1915, with a salary at the rate of seventy dollars ($70) a month. (June 24, 1915.)

Glimstedt, O. H., a member of the Staff of the Summer Session, in the Department of Physical Training for Men, with a remuneration of one hundred fifty dollars ($150) for the session. (July 12, 1915.)

Hursch, Ralph K., Special Investigator of Problems connected with Gypsum Products, in the Department of Ceramics, for the month of July, 1915, at a salary of one hundred dollars ($100) for the month. (June 29, 1915.)

Kirkpatrick, Frank A., Research Fellow in the Engineering Experiment Station, for two years beginning September 1, 1915, with a stipendium of five hundred dollars ($500) a year. (June 19, 1915.)

Krejci, E. J., Instructor in Operative and Prosthetic Dentistry, for one year beginning July 1, 1915, or as soon thereafter as he may report for duty, at a salary of one hundred dollars ($100) a month. (Jully 6, 1915.)

McComis, S. J., Stipendiary in Education for the academic year 1915-16, with a stipendium of one hundred dollars ($100) for the year. (July 7, 1915.)

Sarton, George A. L., Lecturer on the History of Science in the Summer Session, beginning June 28, 1915, and continuing until August 13, 1915, with a remuneration of four hundred dollars ($400) for the period. (June 29, 1915.)

Schute, T. H., Stipendiary in Education for the academic year 1915-16, with a stipendium of one hundred dollars ($100) for the year. (July 7, 1915.)

Smith, Constance B., Dean of Women for the Summer Session of 1915, with a remuneration of one hundred dollars ($100) for the service. (July 6, 1915.)

Spindler, George W., Teaching Fellow in the Department of Germanic Languages, for the academic year 1915-16, with a stipendium of five hundred dollars ($500) for the year. (July 7, 1915.)

Tanabe, Stetfan F., Research Fellow in the Engineering Experiment Station, for two years beginning September 1, 1915, with a stipendium of five hundred dollars ($500) a year. (June 19, 1915.)

True, Leighton J., Assistant in Dairy Manufactures in the College of Agriculture and the Agricultural Experiment Station, for one year beginning September 1, 1915, at a salary of one thousand dollars ($1,000) a year. (July 1, 1915.)

Whitson, Anna V., University Secretary in the Office of the President, at a salary of seventy-five dollars ($75) a month, beginning July 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (June 29, 1915.)

Williams, Arthur E., Special Investigator of Problems connected with Glass, in the Department of Ceramics, for the months of July and August, 1915, at a salary of one hundred dollars ($100) a month. (June 29, 1915.)

Young, E. G., Research Fellow in the Engineering Experiment Station to conduct special scientific work in the Department of Railway Engineering during the months of July and August, 1915, at a salary of sixty-five dollars ($65) a month. (July 1, 1915.)

On motion of Mrs. Henrotin, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

* The date in parenthesis is the date on which the appointment was made by the President of the University.

MEETING OF AUGUST 4, 1915.

A special meeting of the Boards of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12.00 m., on Wednesday, August 4, 1915, pursuant to the following notice which was sent out by the Secretary on July 27, 1915:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois, at the Blackstone Hotel, in Chicago, on Wednesday, August 4, 1915, beginning at 12 o'clock noon, to consider such matters as the committees of the board and the President of the University shall submit, and such other matters as may be duly presented.

The following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson.

President James was present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The regular order of business was suspended and the board proceeded immediately to the consideration of the following matters submitted by President James:

INVESTMENT OF PLYM FELLOWSHIP STIPEND.

(1) A letter from Mr. Francis J. Plym in the matter of the funds now on deposit in the University Treasury to the credit of the Francis J. Plym Fellowship in Architecture:

NILES, MICH., *July 28, 1915.*

Dr. Edmund J. James, President, University of Illinois, Urbana, Ill.

MY DEAR DR. JAMES: Replying to your letter of July 12, which was received during my absence, I hardly think it would be necessary for you to return the funds which I now have on deposit for the University. I do believe, however, that this money should be doing some work.

In other words, I think it should be earning some interest and that this interest should be used by the Architectural Department in making some small prizes that might be used in furthering the work of the department. That would please me more than anything else.

During the year, possibly $5, $10, or $20 prizes for certain small designs would add a good deal of stimulation to the students in the department and I am exceedingly anxious to advance the interests of the Architectural Department.

Yours respectfully,

FRANCIS J. PLYM.

There is on deposit now in the University Treasury the sum of $2,000 which Mr. Plym has paid in for this fellowship, $1,000 for the present year, and $1,000 for the coming year. In both cases, owing to the war conditions in Europe, it has seemed wise to the department not to encourage any student to take advantage of this fellowship.

On motion of Mr. Carr, the President of the board was requested to invest the Plym Fellowship funds temporarily, the income to be used in providing prizes in architecture subject to the approval of the President of the University, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Ecans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

PAYMENT OF INTEREST, 1913-15.

(2) A letter from the Comptroller in the matter of the sum due from Mr. Busey for interest on University balances:

July 29, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: I am this day in receipt of a check from Mr. Busey for $11,929.91, being the interest at two per cent due the University of Illinois on the average daily balances from April 7, 1913, to April 29, 1915. I shall acknowledge receipt of this check to Mr. Busey as part payment on an entire charge that we have against Mr. Busey, amounting to $12,108.86, composed of the $11,929.91 above mentioned and $178.95 which is interest on the said $11,929.91 for three months from April 29 to July 29, 1915, at the rate of six per cent.

Yours truly,

W. B. CASTENHOLZ, *Comptroller.*

On motion of Mr. Carr, the payment of $11,929.91 was accepted in full discharge of the obligation of Mr. Busey in this matter.

BILL OF STATE ARCHITECT FOR EDUCATION BUILDING.

(3) A bill from Mr. James B. Dibelka, State Architect, for $860.82, on account of expenses incurred in the preparation of the plans for the Education Building, same being part payment of two and one-half per cent on the contract price allowed by statute.

On motion of Mr. Hoit, this bill was ordered paid, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

COMMUNICATION FROM DR. P. S. BARTO.

(4) A communication from Dr. P. S. Barto to the President of the University.

On motion of Mrs. Henrotin this communication was referred to the Executive Committee for consideration.

STRIKE ON CHEMISTRY BUILDING.

(5) The following statement:

On July 19, 1915, certain union plumbers employed by the plumbing contractors, the Carson-Payson Company, on the addition to the Chemistry Building, walked out of the building on the ground that nonunion steamfitters were employed upon the job. Shortly after, Mr. F. J. Kennedy, National organizer of the Plumbers and Steamfitters Union, arrived to conduct the strike and stated that they proposed to involve the building in a general strike unless the nonunion steamfitters left the building and union steamfitters took their place. On July 22 the carpenters and electricians were called out of the building by the National officers of their respective organizations. An attempt was made to satisfy the unions but it was unsuccessful.

Mr. Frank J. Kennedy, General Organizer of the United Association of Plumbers and Steam Fitters of the United States and Canada, Mr. Olander, and Mr. John Fitzpatrick, President of the Chicago Federation of Labor, were present and addressed the board.

After full discussion, on motion of Mrs. Henrotin this matter was referred to a special committee to be named by President Abbott,* with power to act.

BUDGET, 1915-16.

(6) The Budget of the University for the year beginning July 1, 1915, introduced by the following statement:

The total estimated income for the year is $3,061,377.80; estimated expenditure, $3,058,634.74, leaving a balance of $2,743.06. Special attention should be called to the fact that the estimated income from the mill tax was based upon the estimate provided by the State Auditor, and that it will be less than one-half of the five million dollars appropriated by the Legislature to the University for the biennium; the total receipts being estimated at $2,332,958.51, a sum less than half of the total appropriation by $167,041.49. The balance from the tax levies of 1912 and 1913 in the Treasury of the State to the credit of the Mill Tax Fund, but unappropriated on June 30, 1915, was $91,912.44, which added to the estimated proceeds from the 1914 levy would make a total of $2,424,870.95 as the total estimated income of the University from the Mill Tax Fund available for the fiscal year beginning July 1, 1915.

The budget submitted includes in its land purchase and building scheme only the land already purchased and the buildings already contracted for, the sum necessary to meet these expenditures being $469,647.

The sum indicated as income; namely, $3,061,377.80, is the total sum available from the income of the present fiscal year for the expenses within that year, including the balance in the hands of the Treasurer of the University and in the State Treasury from the preceding year's operations on July 1, 1915.

If the board, therefore, should authorize any additional expenditures beyond those indicated in the present budget, it would be necessary either:

(1) To defer the payment of the bills rendered for such expenditure until after July 30, 1916, or,

(2) In order to pay these bills to borrow money at the bank to anticipate the revenue of the coming fiscal year, a device common to many State departments, or,

(3) Draw on any unused balances in the items allowed for in this budget, or,

(4) Draw on the income from the 1915 tax levy which begins to accumulate in the State Treasury from April 1, 1916.

The Board of Trustees is between Scylla and Charybdis in the conduct of its financial affairs, owing to the impossibility of adjusting its expenditures exactly to its income or adapting the income exactly to the expenditure.

If the board appropriates, for instance, the sum of $250,000 for a building, makes a contract for the erection of the building, and locks up the fund until the building is finished, things will come out even only if the building is completed within the time planned. If, owing to any accident, strikes, or difficulty in getting

* President Abbott later appointed the following committee: Mr. Ward, Mr. Carr, Mr. Hoit, and Mr. Abbott.

materials, or difficulty of agreeing upon details in the building, the time for the completion of the building is postponed beyond the end of the biennium, the sum set apart for the erection of the building still in the State Treasury would lapse under the interpretation which the State Auditor has given us as to the term for which the University appropriation has been made.

Again the board, if it approves this budget, will authorize the expenditure of $50,000 in the purchase of books. Many of these books are not immediately obtainable, and even if the order were already placed it may not be possible to have them on the shelves within the fiscal year, and some of them, especially the rate books, might not be in our possession until after the close of the biennium. If the board attempts to reserve a fund in the State Treasury to meet the payment for the books when they arrive, its purpose will be thwarted by the fact that the fund lapses under the interpretation above named. This is also true of the apparatus and equipment of various kinds which require a long time for manufacture or preparation.

As a result, if the board is to expend all its revenue wisely, it must authorize a larger expenditure than the sum at its disposal for the given year. There is always a chance, of course, in this process of adjustment that for a time the expenditures authorized will exceed the available income and authorities are not altogether agreed as to the best method of financing such a situation. Some of the other universities, like most towns and cities, in their authorization of expenditures habitually exceed the sums available and provide for adjustment if necessary by borrowing money to anticipate the revenue of the succeeding year.

The appropriation bill provides for five million dollars for the biennium and does not divide it into annual installments. Consequently all the money which is in the State Treasury to the credit of this fund is available at any time for proper expenditures to be charged to this fund up to the limit of the appropriation.

By the last of May or 1st of June, 1916, there will be a very considerable sum in the Treasury available under the terms of the bill for University purposes, out of the levy of 1915. It is perfectly proper, in my opinion, for the board to draw upon this fund to meet current bills, and thus anticipate the revenue for the next year.

On the other hand, there is, of course, a certain risk involved in this policy. If the State Auditor should rule that the funds available for any given year are only those which proceed from a corresponding tax levy, there would be a distinct deficit in the financial obligations of the University for the present year in case any expenditures are authorized above those provided for in this budget.

If the board, then, should construct other buildings than those here provided for; namely, those for which contracts have been already signed, or purchase any more land than that already purchased, it would face a distinct deficit in case any such ruling should be made.

On the other hand, if it does not take this risk it is running what is, to my mind, an even more serious risk of finding at the end of the second year that certain funds still in the State Treasury unexpended will be declared lapsed under the ruling of the Auditor as already given.

I should, therefore, advise the board to proceed with the preparation of plans for the erection of the buildings given in the supplementary list; namely:

(1)	The Woman's Residence Hall	$110,000
(2)	The School of Education Building	140,000
(3)	The Smith Music Building	215,000
(4)	Addition to Natural History Building	75,000
(5)	Addition to Transportation Building	30,000
(6)	Agricultural Buildings	76,000
(7)	Medicine and Pharmacy	100,000
	Total	$746,000

Of this sum total, I should think one-third might be met out of the revenue of the second year of the biennium. The other two-thirds would have to be carried over into the first year of the following biennium, July 1, 1917-June 30, 1919.

It is to be noted, also, that great care must be exercised in assigning the expenditures authorized by the Board to the various State and Federal funds, in order to forestall serious complications arising from the too early or too late exhaustion of such funds. This is specifically the duty of the Comptroller. Prof. Shattuck handled this most admirably. I did it the best I could the past year, during the confusion incident to change of Comptrollers. I trust the new Comptroller will soon be able to do this work, himself.

PART I. EXPENSE BUDGET.

SUMMARY.

A. Total estimated income	$3,061,377 80
B. Total estimated expenditure	3,059,734 74
Balance	$1,643 06

INCOME.

I. Federal Sources.			
1. Endowment fund		$32,400 00	
2. Morrill Fund		25,000 00	
3. Nelson Fund		25,000 00	
4. Hatch Fund		15,000 00	
5. Adams Fund		15,000 00	
6. Smith-Lever Fund		36,282 00	
Total, Federal sources			$148,682 00

INCOME—Concluded.

II. State Appropriations of Receipts from the Mill Tax.*			
7. Land, buildings, equipment, repairs		$ 436,500 00	
8. Administrative offices		76,145 00	
9. General departments		111,550 00	
10. Instruction, books, etc.		1,243,055 00	
11. Research and Scientific Departments		97,000 00	
12. Operation and maintenance of physical plant		218,250 00	
13. General and contingent		242,370 95	
Total, from State mill tax receipts			$2,424,870 95
III. Interest on Daily Bank Balances.			
14. Interest			4,500 00
IV. Departmental Sales.			
15. College of Agriculture and Experiment Station—			
a. College—			
(1) Agronomy	$ 950 00		
(2) Animal Husbandry	8,000 00		
(3) Dairy Husbandry	48,700 00		
(4) Horticulture	650 00		
(5) Household Science	14,400 00		
Total sales, college		$72,700 00	
b. Station—			
(1) Agronomy	$10,800 00		
(2) Animal Husbandry	10,600 00		
(3) Dairy Husbandry	8,000 00

Total sales, station		31,200 00	
Total sales, college and Station		$103,900 00	
16. College of Engineering and Engineering Experiment Station		2,800 00	
17. Physical plant		10,000 00	
18. College of Medicine (dispensary, drug room, etc.)		1,000 00	
19. College of Dentistry (infirmary, etc.)		6,000 00	
20. Miscellaneous—			
a. Blueprinting and photography	$ 900 00		
b. Library fines	200 00		
c. Orchestral concerts	4,000 00		
d. *Journal of English and Germanic Philology*	750 00		
Total, miscellaneous		5,850 00	
Total, departmental sales			129,550 00
V. Student Fees.			
21. Urbana departments		$170,000 00	
22. Medicine		34,000 00	
23. Dentistry		15,000 00	
24. Pharmacy		14,300 00	
Total, student fees			233,300 00
VI. Balance, July 1, 1915.			
25. Restricted as to use—			
a. State appropriations of 1912-13	$15,042 13		
b. Trust funds	7,938 43		
c. Land, buildings, and equipment, 1914-15	20,407 51		
d. United States Agricultural Experiment Station	647 09		
Total, restricted as to use		$44,035 16	
26. Available for any purpose		84,378 12	
Deduct: Balance available for trust fund purposes only		7,938 43	
Total, balance			120,474 85
Grand total, income			$3,061,377 80

* NOTE.—Of $5,000,000 appropriated by the Forty-ninth General Assembly to the University of Illinois for the biennium 1915-17 out of the receipts from the mill tax levies of 1914 and 1915, it appears probable that only $2,424,870.95 will be realized from the levy of 1914 and the balance on hand July 1, 1915, from the levies of 1912 and 1913. As this sum is only 48½ per cent of the $5,000,000 appro-

priated for the biennium, the sums included in items 7 to 13 *supra* represent each 48½ per cent of the respective amounts appropriated to the University for these purposes for the biennium.

The sum of $2,424,870.95 is determined as follows:

Equalized value of all property in Illinois for the year 1914. (Report of State Auditor Dec. 1, 1914, p. 416)	$2,455,745,799 00
Amount of 1914 levy on account of the University mill tax	2,455,745 80
Less 5 per cent for abatements in collection	122,787 29
Estimated receipts from 1914 levy	$2,332,958 51
Balance from 1912 and 1913 tax levies	91,912 44
Total estimated income of University from mill tax fund available for the fiscal year beginning July 1, 1915	$2,424,870 95

EXPENDITURES.

SUMMARY OF EXPENDITURES.

	Salaries.	Expense and equipment.	Total.
1. and 2. Land and buildings	.....	$469,647 00	$469,647 00

Alexander D. MacGillivray, Associate Professor (Indef.)	3,000 00
Justus W. Folsom, Assistant Professor (Indef.)	2,500 00
Robert D. Glasgow, Instructor (10 months)	1,400 00
————, Vice Peterson, Assistant (10 months)	600 00
C. C. Hamilton, Graduate Assistant (10 months)	300 00
————, Graduate Assistant (10 months)	300 00
Total	$9,100 00

Geology.

Charles W. Rolfe, Professor (Indef.)	3,000 00
William S. Bayley, Professor (Indef.)	3,000 00
Thomas E. Savage, Associate Professor (Indef.)	2,700 00
John L. Rich, Instructor (10 months)	1,700 00
Francis M. Van Tpyl, Instructor (10 months)	1,200 00
Clarence S. Ross, Assistant (10 months)	600 00
Henry M. DuBois, Assistant (10 months)	600 00
Mason K. Read, Assistant (10 months)	500 00
Luther E. Kennedy, Assistant (10 months)	400 00
Total	$13,700 00

German.

Julius Goebel, Professor (1 year)	3,750 00
Otto E. Lessing, Professor (Indef.)	3,500 00
George T. Flom, Associate Professor of Scandinavian (Indef.)	2,800 00
Neil C. Brooks, Assistant Professor (Indef.), and Curator of the Museum of European Culture (1 year)	2,500 00
Leonard Bloomfield, Assistant Professor of Comparative Philology and German (3 years from Sept. 1, 1913)	2,000 00
J. E. Gillet, Associate in German and Comparative Literature (2 years from Sept. 1, 1915)	1,600 00
Daisy L. Blaisdell, Instructor (10 months)	1,100 00
C. A. Williams, Instructor (10 months)	1,500 00
Armin H. Koller, Instructor (10 months)	1,500 00
Alexander Green, Instructor (10 months)	1,500 00
H. W. Puckett, Instructor (10 months)	1,500 00
Heinrich Waldemar Nordmeyer, Instructor (10 months)	1,300 00
Earl K. Kline, Instructor (10 months)	1,200 00
Total	$25,750 00

History.

Evarts B. Greene, Professor (Indef.)	5,000 00
Laurence M. Larson, Professor (Indef.)	3,200 00
Clarence W. Alvord, Professor, half time (Indef.)	1,750 00
Albert H. Lybyer, Associate Professor (Indef.)	2,800 00
William S. Robertson, Assistant Professor (Indef.)	2,500 00
Paul V. B. Jones, Associate (2 years from Sept. 1, 1914)	1,800 00
Theodore C. Pease, Associate (3 years from Sept. 1, 1914)	1,500 00
Arthur C. Cole, Associate (2 years from Sept. 1, 1915)	1,800 00

* Total salary $2,000. Balance, ($1,750) under Office of Dean of Women.

Elizabeth P. Brush, Assistant (10 months)	$1,000 00
J. E. Miller, Assistant, two-thirds time (10 months)	600 00
————, Secretary, half time (10 months)	400 00
Total	$22,350 00
Mathematics.	
Edgar J. Townsend, Professor (Indef.)	4,000 00
George A. Miller, Professor (Indef.)	3,500 00
Henry L. Rietz,* Professor of Mathematical Statistics (Indef.), and Statistician in the Agricultural Experiment Station (Indef.)	1,900 00
James B. Shaw, Associate Professor (Indef.)	3,000 00
Arnold Emch, Assistant Professor (3 years from Sept. 1, 1913)	2,250 00
Charles H. Sisam, Assistant Professor (3 years from Sept. 1, 1914)	2,200 00
R. D. Carmichael, Assistant Professor (3 years from Sept. 1, 1915)	2,500 00
Arthur R. Crathorne, Associate (2 years from Sept. 1, 1914)	2,000 00
Ernest B. Lytle, Associate (2 years from Sept. 1, 1914)	1,800 00
Robert L. Borger, Associate (1 year from Sept. 1, 1915)	1,500 00
Gustaf E. Wahlin, Associate (2 years from Sept. 1, 1915)	1,500 00
Aubrey J. Kempner, Associate (2 years from Sept. 1, 1915)	1,600 00
William W. Denton, Instructor (10 months)	1,400 00
Edward W. Chittenden, Instructor (10 months)	1,400 00
L. T. Wilson, Instructor (10 months)	1,200 00
Robert H. Marshall, Assistant (10 months)	600 00
Guy W. Smith, Assistant (10 months)	600 00
William H. Wilson, Assistant (10 months)	600 00
Raymond Borden, Assistant (10 months)	600 00
Hobart D. Frary, Assistant (10 months)	600 00
William E. Roth, Assistant (10 months)	600 00
Charles F. Green, Graduate Assistant (10 months)	300 00
John S. Beekley, Graduate Assistant (10 months)	300 00
Total	$35,950 00
Philosophy.	
Arthur H. Daniels, Professor (Indef.)	4,000 00
Boyd H. Bode, Professor (Indef.)	3,500 00
Queen L. Shepherd, Instructor (10 months)	1,300 00
Carl Haessler, Assistant (10 months)	1,000 00
Total	$9,800 00
Physiology.	
William E. Burge, Assistant Professor (3 years from Sept. 1, 1915)	2,600 00
Joseph Howard Beard, Instructor (1 year)	1,400 00
————, Vice Neill, Assistant	500 00
Total	$4,500 00
Political Science.	
James W. Garner, Professor (Indef.)	4,000 00
John A. Fairlie, Professor (Indef.)	3,500 00
John M. Mathews, Assistant Professor (3 years from Sept. 1, 1915)	2,100 00
Russell M. Story, Instructor (10 months)	1,800 00
Robert E. Cushman, Instructor (10 months)	1,200 00
Total	$12,600 00
Psychology.	
Madison Bentley, Professor (Indef.)	3,250 00
Christian A. Rucksmith, Associate (2 years from Sept. 1, 1915)	1,800 00
Carl Rahn, Instructor (10 months)	1,500 00
————, Assistant (10 months)	500 00
Sophie Rogers, Graduate Assistant (10 months)	350 00
————, Mechanician (C. S.)	1,000 00
Total	$8,400 00
Romance Languages.	
Kenneth McKenzie, Professor of Romance Languages (Indef.) and Head of Department (1 year)	4,000 00
Thomas E. Oliver, Professor (Indef.)	3,000 00
John D. Fitz-Gerald, Professor (Indef.)	3,000 00
David H. Carnahan, Associate Professor (Indef.)	2,700 00
David S. Blondheim, Assistant Professor (3 years from Sept. 1, 1913)	2,000 00
Arthur R. Seymour, Associate (2 years from Sept. 1, 1915) and Adviser to Foreign Students (1 year)†	2,000 00
Olin H. Moore, Associate (2 years from Sept. 1, 1915)	1,700 00
Charles S. Carry, Assistant (10 months)	1,200 00
Lewis Allen, Assistant (10 months)	1,000 00
James Kessler, Assistant (10 months)	1,000 00
Rafael Soto, Assistant (10 months)	1,000 00
Eric R. Dawson, Assistant (10 months)	1,000 00
Garibaldi Laguardia, Assistant (10 months)	1,000 00
Herbert K. Stone, Assistant (10 months)	1,000 00
Total	$25,600 00

* Total salary $3,100. Balance $(1,200) under Agricultural Experiment Station.
† Salary as Adviser $500 additional.

Sociology.	
Edward C. Hayes, Professor (Indef.)	$3,300 00
James Garfield Stevens, Instructor (10 months)	1,500 00
Gordon Watkins, Assistant (10 months)	500 00
Total	$5,300 00
Zoology.	
Henry B. Ward, Professor (Indef.)	5,000 00
Frank Smith, Professor of Systematic Zoology (Indef.), and Curator of the Museum of Natural History (1 year)	3,000 00
J. Sterling Kingsley, Professor (Indef.)	3,500 00
Charles Zeleny, Professor (Indef.)	3,000 00
Victor E. Shelford, Assistant Professor, part time (3 years) from Sept. 1, 1914)	2,000 00
Harley J. Van Cleave, Instructor (10 months)	1,400 00
————, Vice Marshall, Instructor (10 months)	1,200 00
Henry G. May, Research Assistant (10 months)	600 00
Bessie R. Green, Assistant (10 months)	600 00
Jesse L. Conel, Assistant (10 months)	600 00
Harry V. Heimburger, Assistant (10 months)	600 00
E. B. Powers, Assistant (10 months)	600 00
Thomas B. Magath, Graduate Assistant (10 months)	350 00
George M. Higgins, Graduate Assistant (10 months)	350 00
Rachel Baumgartner, Graduate Assistant (10 months)	350 00
J. E. Kindred, Graduate Assistant (10 months)	300 00
Robert H. Kingman, Graduate Assistant (10 months)	350 00
————, Scientific Artist (10 months)	1,000 00
————, Technician and Storekeeper (10 months)	1,000 00
————, Stenographer (C. S.)	400 00
Total	$26,200 00
Grand total of salaries, College of Liberal Arts and Sciences	$405,090 00

COLLEGE OF COMMERCE.

N. A. Weston, Acting Dean (1 year) and Assistant Professor of Economics (Indef.)	$3,250 00
M. H. Robinson, Professor of Industry and Transportation (Indef.)	3,000 00
E. R. Dewsnup, Professor of Railway Administration (Indef.)	3,000 00
E. L. Bogart, Professor of Economics (Indef.)	3,500 00
Simon Litman, Assistant Professor of Economics (Indef.)	2,500 00
R. E. Heilman, Assistant Professor of Economics (3 years from Sept. 1, 1914)	2,600 00
L. E. Young, Assistant Professor of Business Organization (2 years from Sept. 1, 1915)	3,000 00
C. M. Thompson, Associate in Economics (2 years from Sept. 1, 1914)	2,500 00
W. B. Castenholz, Instructor in Accountancy and Comptroller (1 year)—salary ($3,000) under business office	.....
J. G. Thompson, Instructor in Economics (10 months)	2,000 00
W. A. Chase, Lecturer on Accountancy (10 months)	2,400 00
H. T. Scovill, Instructor in Accountancy (10 months)	2,200 00
————, Instructor in Accountancy	2,000 00
C. L. Stewart, Instructor in Economics (10 months)	1,800 00
H. McJohnston, Instructor in Business English and Salesmanship (10 months)	2,000 00
W. H. Dreesen, Assistant in Economics (half time 10 months)	600 00
E. L. McKenna, Assistant in Economics (half time 10 months)	600 00
G. B. McMillen, Assistant in Economics (half time 10 months)	500 00
————, Assistant in Elementary Law	250 00
Student Assistance	300 00
R. E. Hieronymus,* Community Adviser (1 year from Sept. 1, 1915)	1,500 00
————, Stenographer (C. S.)	600 00
Total, College of Commerce	$40,100 00

COLLEGE OF ENGINEERING.

Office of the Dean.	
William F. M. Goss, Dean of the College of Engineering, Director of the School of Railway Engineering and Administration, Director of the Engineering Experiment Station (1 year), and Professor of Railway Engineering (Indef.)	$6,000 00
Harry W. Miller,† Assistant Dean of the College of Engineering (1 year), and Assistant Professor of General Engineering Drawing (3 years from Sept. 1, 1913)	.....
L. Mae Manspeaker, Secretary to the Dean (C. S.)	1,200 00
Sara M. Slater, Stenographer (C. S.)	780 00
Myrtle E. Heater, Stenographer (C. S.)	780 00
Marie A. Gordon, Stenographer (C. S.)	720 00
Anne Ross, Stenographer (C. S.)	660 00
Total, office of the Dean	$10,140 00

* Total salary $3,000. Balance under Agricultural Extension.
† Salary under general engineering drawing.

Architecture.

Loring H. Provine, Professor of Architectural Engineering (Indef.), and Acting Head of the Department of Architecture (1 year)	$3,500 00
Nathan C. Ricker, Professor of Architecture (Indef.)	3,500 00
James M. White,* Professor of Architectural Engineering (Indef.), and Supervising Architect (1 year)	.....
Newton A. Wells, Professor of Architectural Decoration (Indef.)	2,500 00
Percy Ash, Assistant Professor of Architectural Design (3 years from Sept. 1, 1915)	2,500 00
William C. Titcomb, Assistant Professor of Architecture (3 years from Sept. 1, 1913)	2,100 00
Charles R. Clark, Assistant Professor of Architectural Construction (3 years from Sept. 1, 1915)	2,200 00
Robert T. Jones, Associate in Architecture (2 years from Sept. 1, 1915)	1,800 00
Angelo B. M. Corrubia, Associate in Architectural Design (2 years from Sept. 1, 1915)	1,800 00
William M. Hekking, Associate in Free-hand Drawing (2 years from Sept. 1, 1915)	1,800 00
Joseph M. Kellogg, Instructor in Architectural Design (10 months)	1,500 00
————, Vice Burton, Instructor in Architecture (10 months)	1,500 00
Ralph S. Fanning, Instructor in Architectural Design (10 months)	1,200 00
William S. Wolfe, Instructor in Architectural Engineering (10 months)	1,200 00
William M. Stanton, Instructor in Architectural Design (10 months)	1,200 00
Ralph E. Muehlman, Assistant in Architectural Design (10 months)	1,400 00
Winifred Fehrenkamp, Lecturer in the Library School and Architectural Librarian (12 months)	1,000 00
Jeanette E. Craigmile, Clerk (C. S.)	600 00
Total, Architecture	$31,300 00

Ceramic Engineering.

————, Vice Stull, Professor of Ceramic Engineering and Head of the Department	3,500 00
Ralph K. Hursh, Associate in Ceramic Engineering (2 years from Sept. 1, 1915)	1,800 00
Barney S. Radcliffe, Instructor in Ceramic Engineering (10 months)	1,500 00
A. E. Williams, Instructor in Ceramic Engineering (10 months)	1,500 00
R. R. Danielson, Assistant in Ceramic Engineering (10 months)	1,000 00
————, Half time Assistant in Ceramic Engineering (10 months)	400 00
Total, Ceramic Engineering	$9,700 00

Civil Engineering.

Frederick H. Newell, Professor of Civil Engineering in charge of the Department (Indef.)	5,000 00
Ira O. Baker, Professor of Civil Engineering (Indef.)	4,000 00
Charles A. Ellis, Professor of Structural Engineering (Indef.)	3,000 00
Allen B. McDaniel, Assistant Professor of Civil Engineering ,3 years from Sept. 1, 1914)	2,750 00
Wilbur M. Wilson, Assistant Professor of Structural Engineer (3 years from Sept. 1, 1915)	2,500 00
James E. Smith, Assistant Professor of Civil Engineering (3 years from Sept. 1, 1913)	1,800 00
Carroll C. Wiley, Associate in Civil Engineering (2 years from Sept. 1, 1915)	1,700 00
Neal B. Garver, Associate in Civil Engineering (2 years from Sept. 1, 1915)	1,700 00
George W. Pickels, Instructor in Civil Engineering (10 months)	1,500 00
William H. Rayner, Instructor in Civil Engineering (10 months)	1,400 00
Raymond E. Davis, Instructor in Civil Engineering (10 months)	1,400 00
C. Stanley Sale,† Instructor in Civil Engineering and Assistant to the Director of the Engineering Experiment Station (1 year)	1,500 00
Benjamin L. Bowling, Assistant in Cement Laboratory (12 months)	1,000 00
Louise A. Lietz, Clerk (C. S.)	540 00
Total, Civil Engineering	$29,790 00

Electrical Engineering.

Ellery B. Paine, Professor of Electrical Engineering (Indef.), and Acting Head of the Department (1 year)	3,500 00
Morgan Brooks, Professor of Electrical Engineering (Indef.)	3,000 00
Edward H. Waldo, Assistant Professor of Electrical Engineering (Indef.)	2,000 00
Philip S. Biegler, Assistant Professor of Electrical Engineering (3 years from Sept. 1, 1915)	2,200 00
Leonard V. James, Associate in Electrical Engineering (2 years from Sept. 1, 1915)	1,800 00
Ira W. Fisk, Associate in Electrical Engineering (2 years from Sept. 1, 1915)	1,800 00
Charles R. Moore, Associate in Electrical Engineering (2 years from Sept. 1, 1915)	1,700 00

* Salary ($5,000) under office of the Supervising Architect.
† Total salary $3,000. Balance under Engineering Experiment Station.

Abner R. Knight, Associate in Electrical Engineering (2 years from Sept. 1, 1915)	$1,700 00
John W. Davis, Instructor in Electrical Engineering (10 months)	1,400 00
Walter S. Goodspeed, Mechanician (C. S.)	1,080 00
Eleanor M. Glenn, Clerk (C. S.)	660 00
Total, Electrical Engineering	$20,840 00
General Engineering Drawing.	
Harry W. Miller, Assistant Professor of General Engineering Drawing (3 years from Sept. 1, 1913), and Assistant Dean of the College of Engineering (1 year)	2,400 00
Robert K. Steward, Associate in General Engineering Drawing (2 years from Sept. 1, 1915)	2,000 00
Francis M. Porter, Associate in General Engineering Drawing (2 years from Sept. 1, 1915)	1,600 00
Harvey H. Jordan, Associate in General Engineering Drawing (2 years from Sept. 1, 1915)	1,600 00
Rufus Crane, Instructor in General Engineering Drawing (10 months)	1,000 00
Albert F. Westlund, Instructor in General Engineering Drawing (10 months)	1,000 00
Clarence A. Atwell, Instructor in General Engineering Drawing (10 months)	1,000 00
Robert E. Murphy, half-time Assistant in General Engineering Drawing (10 months)	300 00
Total, General Engineering Drawing	$10,900 00
Mechanical Engineering.	
Charles R. Richards, Professor of Mechanical Engineering, in charge of the department (Indef.)	5,500 00
George A. Goodenough, Professor of Thermodynamics (Indef.)	3,500 00
Louis A. Harding, Professor of Experimental Mechanical Engineering (Indef.)	3,500 00
Bruce W. Benedict, Director of Shop Laboratories (Indef.)	3,500 00
Oscar A. Leutwiler, Professor of Machine Design (Indef.)	3,000 00
Arthur C. Willard, Assistant Professor of Heating and Ventilation (3 years from Sept. 1, 1913)	2,700 00
John A. Dent, Associate in Mechanical Engineering (2 years from Sept. 1, 1915)	1,800 00
Arthur B. Domonoske, Instructor in Machine Design (10 months)	1,600 00
Harry W. Waterfall, Instructor in Machine Design (10 months)	1,600 00
Harry F. Godeke, Instructor in Mechanical Engineering (10 months)	1,400 00
Frederick C. Torrance, Instructor in Mechanical Engineering (10 months)	1,200 00
Edwin Frank, Instructor in Mechanical Engineering (10 months)	1,300 00
Horatio S. McDewell, Instructor in Mechanical Engineering (10 months)	1,300 00
Edgar T. Lanham, Instructor in Forge Work (10 months)	1,200 00
Robert E. Kennedy, Instructor in Foundry Practise (10 months)	1,500 00
Gustav H. Radebaugh, Instructor in Machine Shop Practise (10 months)	1,500 00
Gustave A. Gross, Instructor in Pattern Making (10 months)	1,500 00
J. Harvey Hogue, Instructor in Foundry Practise (10 months)	1,200 00
Jeremiah A. DeTurk, Instructor in Machine Shop Practice (10 months)	1,300 00
James M. Duncan, Assistant in Pattern Making (10 months)	900 00
Peter J. Rebman, Assistant in Forge Work (10 months)	900 00
John A. Frisk, Assistant in Mechanical Engineering, and Mechanician in Mechanical Engineering Laboratory (12 months)	1,100 00
W. E. Alley, Mechanician in Mechanical Engineering Laboratory (C. S.)	1,200 00
J. O. Lonius, Mechanician in the Shop Laboratories (C. S.)	1,080 00
B. L. Winchester, Toolroom Attendant in Mechanical Engineering Laboratory (C. S.)	650 00
———, Toolroom Attendant in Machine Shop (C. S.)	600 00
———, Toolroom Attendant in Wood Shop (C. S.)	600 00
———, Vice Postlewait, Clerk (C. S.)	600 00
Total, Mechanical Engineering	$47,730 00
Mining Engineering.	
Harry H. Stoek, Professor of Mining Engineering, in charge of the department (Indef.)	5,000 00
Elmer A. Holbrook, Assistant Professor of Mining Engineering (3 years from Sept. 1, 1913)	2,750 00
Stephen O. Andros,* Assistant Professor of Mining Research (1 year from Sept. 1, 1915)	.....
Alfred C. Callen, Instructor in Mining Engineering (10 months)	1,500 00
———, Mechanician in the Department of Mining Engineering (C. S.)	900 00
Florence A. Nyberg, Clerk (C. S.)	660 00
Total	$10,810 00

* Salary under Coal Mining Investigations.

Municipal and Sanitary Engineering and Theoretical and Applied Mechanics.

Arthur N. Talbot, Professor of Municipal and Sanitary Engineering; in charge of Theoretical and Applied Mechanics (Indef.)	$5,000 00
Melvin L. Enger, Assistant Professor of Mechanics and Hydraulics (3 years from Sept. 1, 1915)	2,500 00
Paul Hansen,* Associate in Sanitary Engineering (1 year)	.....
Fred B. Seely, Associate in Theoretical and Applied Mechanics (2 years from Sept. 1, 1915)	2,000 00
Virgil R. Fleming, Associate in Theoretical and Applied Mechanics (2 years from Sept. 1, 1915)	1,800 00
George P. Boomsliter, Associate in Theoretical and Applied Mechanics (2 years from Sept. 1, 1915)	1,800 00
Newton E. Ensign, Associate in Theoretical and Applied Mechanics (2 years from Sept. 1, 1915)	1,700 00
Clarence E. Noerenberg, Instructor in Theoretical and Applied Mechanics (10 months)	1,700 00
Harold E. Babbitt, Instructor in Municipal and Sanitary Engineering (10 months)	1,600 00
Harry Gardner, Instructor in Theoretical and Applied Mechanics (10 months)	1,500 00
Alexander Vallance, Instructor in Theoretical and Applied Mechanics (10 months)	1,500 00
William J. Putnam, Instructor in Theoretical and Applied Mechanics (10 months)	1,300 00
Robert Pergande, Mechanician in the Laboratory of Applied Mechanics (C. S.)	1,140 00
Kenneth Hathaway, Clerk in the Departments of Municipal and Sanitary Engineering and Theoretical and Applied Mechanics (C. S.)	660 00
Total, Municipal and Sanitary Engineering and Theoretical and Applied Mechanics	$24,200 00

Physics.

Albert P. Carman, Professor (Indef.)	$5,000 00
Charles T. Knipp, Associate Professor of Experimental Electricity (Indef.)	3,000 00
Floyd R. Watson, Associate Professor of Experimental Physics (Indef.)	3,000 00
Jakob Kunz, Associate Professor of Mathematical Physics (Indef.)	2,750 00
William F. Schulz, Assistant Professor of Physics (Indef.)	2,200 00
Elmer H. Williams, Associate in Physics (3 years from Sept. 1, 1914)	1,800 00
Oscar A. Randolph, Assistant in Physics (10 months)	1,100 00
William H. Hyslop, Assistant in Physics (10 months)	1,000 00
Earle H. Warner, Assistant in Physics (10 months)	1,050 00
Sebastian Karrer, Assistant in Physics (10 months)	800 00
Jonas B. Nathanson, Assistant in Physics (10 months)	800 00
Charles F. Hill, Assistant in Physics (10 months)	750 00
Paul L. Bayley, part-time Assistant in Physics (10 months)	500 00
Charles S. Frazel, part-time Assistant in Physics (10 months)	500 00
———, part-time Assistant in Physics (10 months)	500 00
James B. Hays, Mechanician and Instrument-maker (C. S.)	1,200 00
———, Assistant Mechanician (C. S.)	840 00
Henry T. Wyninger, Storekeeper (C. S.)	720 00
Della M. Rogers, Clerk (C. S.)	600 00
Total, Physics	$28,110 00

Railway Engineering.

Edward C. Schmidt, Professor of Railway Engineering (Indef.)	4,500 00
John M. Snodgrass, Assistant Professor of Railway Mechanical Engineering (3 years from Sept. 1, 1914)	2,500 00
Alonzo M. Buck, Assistant Professor of Railway Electrical Engineering (3 years from Sept. 1, 1915)	2,000 00
Arthur F. Comstock, Associate in Railway Civil Engineering (2 years from Sept. 1, 1915)	2,000 00
Milton Ressler, Mechanician (C. S.)	960 00
———, Laboratory Attendant (C. S.)	720 00
Bertha G. States, Clerk (C. S.)	660 00
Total, Railway Engineering	$13,340 00

ENGINEERING EXPERIMENT STATION.

William F. M. Goss,† Director of the Engineering Experiment Station (1 year)	.....
C. Stanley Sale,‡ Assistant to the Director and Instructor in Civil Engineering (1 year)	$1,500 00
Herbert F. Moore, Research Professor of Engineering Materials in the Department of Theoretical and Applied Mechanics (Indef.)	3,000 00

* Salary under State Water Survey.
† For salary see Office of the Dean.
‡ Total salary $3,000; balance ($1,500) under department of civil engineering.

Samuel W. Parr,* Professor of Applied Chemistry in the Department of Chemistry (Indef.)	$2,000 00
Willis A. Slater, Research Assistant Professor of Applied Mechanics (3 years from Sept. 1, 1915)	2,000 00
Alonzo P. Kratz, Research Associate in the Department of Mechanical Engineering (2 years from Sept. 1, 1915)	1,800 00
Robert B. Keller, First Assistant in the Department of Railway Engineering (12 months)	2,000 00
Trygve D. Yensen, First Assistant in the Department of Electrical Engineering (12 months)	1,800 00
Harrison F. Gonnerman, First Assistant in the Department of Theoretical and Applied Mechanics (12 months)	1,800 00
Harold H. Dunn, Assistant in the Department of Railway Engineering (12 months)	1,600 00
Leroy A. Wilson, First Assistant in the Department of Mechanical Engineering (12 months)	1,500 00
————, Stenographer in the Engineering Experiment Station, vice Humrichouse (C. S.)	600 00
Total, Engineering Experiment Station	$19,600 00

COAL MINING INVESTIGATIONS.

Stephen O. Andros, Assistant Professor of Mining Research (1 year from Sept. 1, 1915)	$2,400 00
Ethel M. Walsh, Stenographer for the Coal Mining Investigations (C. S.)	600 00
Total, coal mining investigations	$3,000 00
Total, salaries, College of Engineering, Engineering Experiment Station, and coal mining investigations	$259,460 00

COLLEGE OF AGRICULTURE AND AGRICULTURAL EXPERIMENT STATION.

Administration.

Eugene Davenport, Dean of the College, Director of the Station, and Director of Agricultural Extension Service (1 year), and Professor of Thremmatology, College (Indef.)	$6,000 00
Henry L. Rietz,† Statistican, Experiment Station (Indef.)	1,200 00
Walter F. Handschin,‡ Vice Director of Extension Service, State Leader of County Advisers, rank of Assistant Professor (three-fourths time, 3 years from Sept. 1, 1915)	1,125 00
George N. Coffey,§ Assistant State Leader (1 year)	1,400 00
Roy Hansen, Assistant, Nitrogen Fixation Research, Station (1 year)	1,200 00
Anna C. Glover, Secretary, Experiment Station	1,500 00
Florence E. Smith, Chief Editorial Assistant, Station (C. S.)	1,200 00
Jeanette C. Devine, Secretary to Dean and Director, College and Station (C. S.), beginning August 1, 1915	840 00
Total	$14,465 00

Agronomy.

Cyril G. Hopkins, Professor of Agronomy, College, Chief in Agronomy and Chemistry, Station (Indef.), and Vice Director, Station (1 year)	5,500 00
Jeremiah G. Mosier, Professor of Soil Physics, College, and Chief in Soil Physics, Station (Indef.)	4,000 00
Louie Henrie Smith, Professor of Plant Breeding, College, and Chief in Plant Breeding, Station (Indef.)	3,500 00
————, Vice Pettit, Professor of Soil Fertility, College, and Chief in Soil Fertility, Station	3,000 00
————, Vice Hegnauer, Professor of Crop Production, College, and Chief in Crop Production, Station	2,800 00
Axel F. Gustafson, Assistant Professor of Soil Physics, College, and Assistant Chief in Soil Physics, Station (2 years from Sept. 1, 1915)	2,400 00
Ernest Van Alstine, Assistant Chief in charge of Soils Laboratory, Station, rank, Assistant Professor (3 years from Sept. 1, 1915)	2,500 00
Joseph P. Aumer, Associate in Chemistry, Station (1 year)	1,800 00
Frederick C. Bauer, Associate in Soil Fertility, College and Station (1 year)	2,100 00
Ira W. Dickerson, Associate in Farm Mechanics, College (2 years from Sept. 1, 1915)	1,800 00
Karl J. T. Ekblaw, Associate in Farm Mechanics, College, (2 years from Sept. 1, 1915)	1,800 00
Walter B. Gernert, Associate in Plant Breeding, College and Station (2 years from Sept. 1, 1915)	2,100 00
Sidney V. Holt, Associate in Soil Physics, Station (2 years from Sept. 1, 1915)	2,000 00
Ezekiel E. Hoskins, Associate in Soil Fertility, Station (1 year)	2,000 00
Clarence C. Logan, Associate in Soils Extension, Station (1 year)	1,800 00

* Total salary $4,000; balance ($2,000) under department of chemistry.
† Balance of salary ($1,900) under Mathematics.
‡ Total salary $3,000; balance paid from agronomy and Smith-Lever funds.
§ Total salary $2,800; balance paid from U. S. Department of Agriculture and Smith-Lever funds.

Ward H. Sachs, Associate in Chemistry, Station (1 year)	$1,800 00
Henry C. Wheeler, Associate in Soil Physics, Station (2 years from Sept. 1, 1915)	2,000 00
John E. Whitchurch, Associate in Soil Fertility, Station, (2 years from Sept. 1, 1915)	1,800 00
Albert L. Whiting, Associate in Soil Biology, College and Station (2 years from Sept. 1, 1915)	2,100 00
————, Vice Burlison, Associate in Crop Production, College and Station (part time)	1,400 00
————, Vice Stewart, Associate in Soil Physics, College and Station	1,800 00
Wilber R. Leighty, First Assistant in Chemistry, Station (1 year)	1,600 00
Marvin E. Jahr, Instructor in Farm Mechanics, College (1 year)	1,600 00
Frank W. Garrett, First Assistant in Soil Fertility, Station (1 year)	1,600 00
Elmer T. Ebersol, Instructor in Crop Production, College (1 year)	1,200 00
Frederick M. W. Wascher, First Assistant in Soil Physics, Station (1 year)	1,600 00
Chester O. Reed, Instructor in Farm Mechanics, College (1 year)	1,600 00
Clyde R. Newell, Instructor in Farm Mechanics, College (1 year)	1,400 00
Forrest A. Fisher, Instructor in Soil Physics, College, and First Assistant in Soil Physics, Station (1 year)	1,600 00
Orr Allyn, Instructor in Crop Production, College, and First Assistant in Crop Production, Station (1 year)	1,400 00
Edward H. Walworth, Assistant in Crop Production, College and Station (1 year)	1,200 00
Edward F. Torgerson, Assistant in Soil Physics, Station (1 year)	1,000 00
Howard J. Snider, Assistant in Soil Fertility, College and Station (1 year)	1,200 00
Warren R. Schoonover, Assistant in Soil Fertility, College and Assistant in Soil Biology, Station (1 year)	1,200 00
Harry C. Gilkerson, Assistant in Soil Fertility, College and Station (1 year)	1,200 00
George E. Gentle, Assistant in Soil Physics, Station (1 year)	1,200 00
Harrison F. T. Fahrnkopf, Assistant in Soil Fertility, College and Station (1 year)	1,200 00
Orland I. Ellis, Assistant in Soil Physics, Station (1 year)	1,200 00
Robert W. Dickenson, First Assistant in Soil Physics, Station (1 year)	1,400 00
Henry A. deWerff, Assistant in Soil Physics, Station (1 year)	1,000 00
Clinton B. Clevenger, Assistant in Chemistry, Station (1 year)	1,200 00
————, Vice Fisher, Assistant in Soil Fertility, College and Station	840 00
Arthur M. Brunson, Assistant in Plant Breeding, Station (1 year)	1,200 00
Friedel C. Richey, Assistant in Soil Physics, College and Station (12 months)	840 00
Alfred T. Morison, Assistant in Crop Production, College and Station (12 months)	840 00
————, Vice Binding, Assistant in Chemistry, Station	840 00
————, Assistant in Soil Physics, Station	840 00
————, Vice Niederman, Assistant in Chemistry, Station	840 00
Emma L. Custer, Chief Clerk and Bookkeeper (C. S.)	900 00
Vera M. Davis, Stenographer (C. S.)	660 00
Verna Manley, Stenographer (C. S.)	600 00
William A. McIntire, Record Clerk (C. S.)	600 00
Mary B. McMillan, Stenographer (C. S.)	600 00
Mary W. Millar, Clerk (C. S.)	840 00
Sybil Nagle, Stenographer (C. S.)	660 00
————, Assistant Artist (C. S.)	720 00
Emma Rohweder, Stenographer (C. S.)	540 00
Daniel Vaubel, Stenographer (C. S.)	840 00
Total, Agronomy	$89,800 00

Animal Husbandry.

Herbert W. Mumford, Professor of Animal Husbandry, College, and Chief in Animal Husbandry, Station (Indef.)	5,000 00
Walter C. Coffey, Professor of Sheep Husbandry, College, and Chief in Sheep Husbandry, Station (Indef.)	3,500 00
Harry S. Grindley, Professor of Animal Nutrition, College, and Chief in Animal Nutrition, Station (Indef.)	4,000 00
————, Vice McIntosh, Professor of Veterinary Science, College	2,500 00
John A. Detlefsen, Assistant Professor of Genetics, College, and Assistant Chief in Genetics, Station (3 years from Sept. 1, 1915)	2,700 00
James L. Edmonds, Assistant Professor of Horse Husbandry, College, and Assistant Chief in Horse Husbandry, Station (3 years from Sept. 1, 1913)	2,800 00
Henry P. Rusk, Assistant Professor of Cattle Husbandry, College, and Assistant Chief in Cattle Husbandry, Station (3 years from Sept. 1, 1913)	2,800 00
Walter F. Handschin,* Assistant Professor of Farm Management in Animal Husbandry, College, and Assistant Chief in Farm Management in Animal Husbandry, Station, (3 years from Sept. 1, 1915)	750 00

* See also under Administration.

————, Vice Hall, Assistant Professor of Animal Husbandry, College, and Assistant Chief in Animal Husbandry, Station	$2,500 00
D. O. Barto, Associate in Animal Husbandry, College (2 years from Sept. 1, 1915)	2,400 00
Sleeter Bull, Associate in Animal Nutrition, College and Station (2 years from Sept. 1, 1915)	1,800 00
Walter E. Joseph, Associate in Animal Husbandry, College and Station (1 year)	1,800 00
Harold H. Mitchell, Associate in Animal Nutrition, College and Station (2 years from Sept. 1, 1915)	1,800 00
William H. Smith, Associate in Animal Husbandry Extension, College and Station (2 years from Sept. 1, 1915)	2,000 00
James B. Andrews, Instructor in Animal Husbandry, College, and First Assistant in Animal Husbandry, Station (1 year)	1,400 00
Elmer Roberts, Instructor in Genetics, College, and First Assistant in Genetics, Station (12 months, two-thirds time)	1,000 00
Wilbur J. Carmichael, Instructor in Animal Husbandry, College, and First Assistant in Animal Husbandry, Station (12 months)	1,700 00
Charles I. Newlin, Instructor in Animal Husbandry, College, and First Assistant in Animal Husbandry, Station (12 months)	1,400 00
————, Vice Yoke, Instructor in Animal Husbandry, College, and First Assistant in Animal Husbandry, Station (12 months)	1,400 00
Roscoe R. Snapp, Instructor in Animal Husbandry, College, and First Assistant in Animal Husbandry, Station (12 months)	1,700 00
Claude Harper, Assistant in Animal Husbandry, College and Station (12 months)	1,000 00
Mary H. Keith, Assistant in Animal Nutrition, Station (12 months)	1,300 00
Roy H. Wilcox, Assistant in Animal Husbandry, College and Station (three-fourths time, 12 months)	1,200 00
James W. Whisenand, Assistant in Animal Husbandry, College and Station (12 months)	1,200 00
Earl K. Augustus, Assistant in Animal Husbandry, College and Station (12 months)	1,000 00
M. E. Slater, Assistant in Animal Nutrition, College and Station (12 months)	1,000 00
Joseph R. Zeisenheim, Assistant in Animal Nutrition, College and Station (half time, 12 months)	500 00
William A. K. Morkel, Assistant in Animal Husbandry, College (one-third time, 12 months)	300 00
Lawrence E. Thorne, Assistant in Agricultural Statistics and Genetics, College and Station (half time, 12 months)	600 00
William G. Kammlade, Assistant in Animal Husbandry, College and Station (half time, 12 months)	500 00
————, Assistant (12 months)	840 00
————, Assistant (half time, 12 months)	500 00
Martha E. Taft, University Secretary (C. S.)	840 00
————, University Secretary (C. S.)	900 00
Jessie R. Beedles, Stenographer (C. S.)	780 00
Evalena Bowen, Stenographer (C. S.)	840 00
Mabel Halliday, Stenographer (C. S.)	720 00
Bess Riggs, Stenographer (C. S.)	540 00
Hazel Rock, Stenographer (C. S.)	660 00
Total, Animal Husbandry	$60,170 00

Dairy Husbandry.

Harry A. Harding, Professor of Dairy Bacteriology, College, and Chief in Dairy Bacteriology, Station (Indef.)	5,000 00
Wilber J. Fraser,* Professor of Dairy Farming, College, and Chief in Dairy Farming, Station (Indef.)	1,750 00
Martin J. Prucha, Assistant Professor of Dairy Bacteriology, College, and Assistant Chief in Dairy Bacteriology, Station (3 years from Sept. 1, 1913)	2,500 00
Nelson W. Hepburn, Assistant Professor of Dairy Manufactures, College, and Assistant Chief in Dairy Manufactures, Station (3 years from Sept. 1, 1913)	2,500 00
————, Assistant Professor of Dairy Chemistry, College, and Assistant Chief in Dairy Chemistry, Station	2,800 00
————, Assistant Professor of Dairy Physiology, College, and Assistant Chief in Dairy Physiology, Station	2,800 00
William T. Crandall, Associate in Milk Production, College and Station (2 years from Sept. 1, 1915)	1,800 00
Leroy Lang, Associate in Dairy Manufactures, College and Station (2 years from Sept. 1, 1915)	2,400 00
Edward F. Kohmann, Associate in Dairy Chemistry, College and Station (2 years from Sept. 1, 1915)	2,000 00
Ray S. Hulce, Associate in Milk Production, College and Station (2 years from Sept. 1, 1915)	1,800 00
Harrison A. Ruehe, Associate in Dairy Manufactures, College and Station (2 years from Sept. 1, 1915)	1,800 00
Frank A. Pearson, First Assistant in Dairy Husbandry, Station (12 months)	1,600 00
————, Vice Keller, Instructor in Dairy Manufactures, College (12 months)	1,400 00

* On leave of absence on half salary.

William B. Nevins, Assistant in Dairy Husbandry, College and Station (12 months)	$1,000 00
Frank B. Turner, Assistant in Dairy Husbandry, Station (12 months)	1,000 00
Harry M. Weeter, Assistant in Dairy Husbandry, Station (half time, 12 months)	700 00
William W. Yapp, Instructor in Dairy Husbandry, College, and First Assistant in Dairy Husbandry, Station (12 months)	1,400 00
Paul W. Allen, Assistant in Dairy Bacteriology, College and Station two-thirds time, 12 months)	1,000 00
Leighton J. True, Assistant in Dairy Manufactures, College and Station (12 months)	1,000 00
Harold Kirk Rulison, Assistant in Dairy Husbandry, Station (12 months)	900 00
William Harold Chambers, Assistant in Dairy Bacteriology, Station half time, 12 months)	450 00
Hazel Clemence, University Secretary (C. S.)	840 00
Helen A. Peters, Editorial Assistant (C. S.)	780 00
————, Vice White, Stenographer (C. S.)	840 00
————, Vice Becker, Stenographer (C. S.)	600 00
Nellie Hayward, Saleswoman in Creamery (C. S.)	720 00
Alice Probst, Typist (C. S.)	600 00
————, Vice Campbell, Typist (C. S.)	600 00
————, Typist (C. S.)	540 00
Total, Dairy Husbandry	$43,120 00

Horticulture.

Joseph C. Blair, Professor of Horticulture, College, and Chief in Horticulture, Station (Indef.)	5,000 00
Charles S. Crandall, Professor of Pomology, College and Chief in Plant Breeding, Station (Indef.)	3,500 00
John W. Lloyd,* Professor of Olericulture, College, and Chief in Olericulture, Station (Indef.)	1,750 00
Charles M. Robinson, Professor of Civic Design, College (part time, 1 year)	1,800 00
Herman B. Dorner, Assistant Professor of Floriculture, College, and Assistant Chief in Floriculture, Station (3 years from Sept. 1, 1915)	3,000 00
Wilhelm Miller, Assistant Professor of Landscape Horticulture, College (12 months)	3,000 00
Bethel S. Pickett, Assistant Professor of Pomology, College, and Assistant Chief in Pomology, Station (3 years from Sept. 1, 1915)	3,200 00
Ralph R. Root, Assistant Professor of Landscape Gardening, College (3 years from Sept. 1, 1915)	2,800 00
Ira D. Allison, Associate in Horticulture, College and Station (1 year)	1,800 00
Ernest W. Bailey, Assistant Professor of Pomology, College, and Assistant Chief in Plant Breeding, Station (2 years from Sept. 1, 1915)	2,400 00
Simeon J. Bole, Associate in Pomology, College and Station (1 year)	1,800 00
Charles E. Durst, Associate in Olericulture, College and Station (1 year)	2,100 00
John J. Gardner, Associate in Pomology, College and Station (1 year)	2,000 00
Warren A. Ruth, Associate in Horticultural Chemistry, Station half time, (1 year)	1,000 00
Oscar S. Watkins, Associate in Horticultural Chemistry, College and Station (2 years from Sept. 1, 1915)	2,400 00
Frederick N. Evans, Associate in Landscape Gardening, College (1 year)	1,800 00
George L. Peltier, Associate in Pathological Floriculture, Station (2 years from Sept. 1, 1915)	1,600 00
Alfred J. Gunderson, Instructor in Pomology, College and First Assistant in Pomology, Station (12 months)	1,600 00
Fred W. Muncie, Associate in Floricultural Chemistry, Station (2 years from Sept. 1, 1915)	1,500 00
Frank A. C. Smith, Associate in Landscape Design, College (1 year)	1,800 00
Frank L. Venning, Instructor in Landscape Design, College (12 months)	1,200 00
————, Vice Thomas Bregger, First Assistant in Plant Breeding, Station	1,400 00
L. D. Tilton, Assistant in Landscape Extension, College (12 months)	1,000 00
Howard D. Brown, Assistant in Olericulture, College and Station (12 months)	1,000 00
August G. Hecht, Assistant in Floriculture, College and Station (12 months)	1,000 00
James Hutchinson, Assistant in Floriculture, Station (12 months)	1,400 00
Arthur S. Colby, Assistant in Pomology, College (two-thirds time, 12 months)	1,000 00
Duane T. Englis, Assistant in Floricultural Chemistry, College and Station (half-time, 12 months)	720 00
E. G. Lauterbach, Assistant in Pathological Floriculture, Station (half-time, 12 months)	400 00

* On leave of absence on half salary.

William S. Brock, Instructor in Pomology, College, and First Assistant in Pomology, Station (12 months)	$1,000 00
William K. Palmer, Instructor in Floriculture, College, and First Assistant in Floriculture, Station (12 months)	1,000 00
Edward A. Schwing, Assistant in Plant Breeding, Station (12 months)	840 00
————, Vice Blaney, Assistant in Landscape Extension, College	1,400 00
————, Vice Miles, Assistant in Floriculture, College and Station (half-time, 12 months)	500 00
————, Editorial Assistant (C. S.)	900 00
Mildred E. Buckles, Stenographer (C. S.)	780 00
Hazel W. Cover, Stenographer (C. S.)	780 00
Lawrence D. Lahr, Stenographer and Record Keeper (C. S.)	720 00
Hazel Rhoades, Stenographer and Record Keeper (C. S.)	780 00
————, Stenographer and Record Keeper (C. S.)	600 00
————, Stenographer (C. S.)	540 00
Total, Horticulture	$64,810 00

Household Science.

Isabel Bevier, Professor of Household Science (Indef.), Director of the courses in Household Science (1 year), College	3,500 00
Nellie E. Goldthwaite, Assistant Professor of Household Science, College (3 years from Sept. 1, 1914)	2,500 00
Ruth Wheeler, Assistant Professor of Household Science, College (2 years from Sept. 1, 1915)	2,000 00
Cora E. Gray, Associate in Household Science, College (2 years from Sept. 1, 1915)	1,500 00
Lurene Seymour, Associate in Household Science, College (2 years from Sept. 1, 1915)	2,000 00
Mamie Bunch,* State Leader in Home Economics Demonstration, College, and in charge of Household Science Extension (1 year)	1,000 00
Florence Harrison, Associate in Household Science and Director of the Lunch Room, College (2 years from Sept. 1, 1915)	1,500 00
Maude E. Parsons, Associate in Household Science, College (2 years from Sept. 1, 1915)	1,700 00
Georgia Fleming, Instructor in Textiles, College (12 months)	1,200 00
Greta Gray, Instructor in Household Science, College (12 months)	1,300 00
Margaret B. Stanton, Instructor in Household Science, College (12 months)	1,400 00
Grace E. Stevens, Instructor in Household Science, College (12 months)	1,400 00
Anna W. Williams, Instructor in Household Science, College (12 months)	1,200 00
Olive Percival,* Assistant in Home Economics Extension Service (12 months)	600 00
Fanny Brooks,† Assistant in Home Economics Demonstration Service (12 months)	.....
————, Vice Bernice Wilson, Lunch Room Attendant (half-time)	600 00
————,‡ Assistant in Home Economics Demonstration Service	.....
Bessie E. Packard, Office Assistant (C. S.)	900 00
Total, Household Science	$24,300 00

Agricultural Extension.

Fred H. Rankin, Superintendent of Agricultural College Extension, College (Indef.), and Assistant to the Dean, College (1 year)	3,500 00
R. E. Hieronymus,§ Community Adviser (1 year)	1,500 00
Aretas W. Nolan, Assistant Professor of Agricultural Extension, College (Indef.)	2,400 00
Albert W. Jamison, Assistant Superintendent of Agricultural College Extension, College, rank of Assistant Professor, (3 years from Sept. 1, 1915)	2,500 00
J. H. Checkley, Assistant in Agricultural Extension, College (12 months)	1,400 00
————,** Associate in Junior Extension (Boys' and Girls' club work)	900 00
Edith Lillian Jay, Stenographer (C. S.)	660 00
Total, Agricultural Extension	$12,860 00

Veterinary Science.

Donald McIntosh (retiring allowance)	1,650 00
Total, College of Agriculture and Agricultural Experiment Station	$311,175 00

* Total salary $2,000; receives $1,000 from Lever fund.
† Total salary $1,200; receives $600 from Lever fund.
‡ Salary of $1,200 paid from Lever fund.
§ Jointly with College of Commerce: total salary $3,000.
** Total salary $1,800 to $2,400; one-half paid by U. S. Department of Agriculture.

COLLEGE OF LAW.

Oliver A. Harker,* Dean (1 year), Professor (Indef.), and Legal Counsel (1 year)	$4,000 00
Frederick Green, Professor (Indef.)	3,750 00
Edward H. Decker, Professor (Indef.), Acting Librarian (1 year)	3,500 00
John N. Pomeroy, Professor (1 year)	3,100 00
Chester G. Vernier, Professor (Indef.)	3,750 00
William G. Hale, Professor (Indef.), Secretary of the Faculty (1 year)	3,500 00
Charles E. Carpenter, Assistant Professor (1 year)	2,500 00
Total	$24,100 00

GRADUATE SCHOOL.

David Kinley, Vice President, Dean of the Graduate School (1 year), and Professor of Economics (Indef.). (Salary as Vice President $1,000 additional)	$6,000 00
————, Research Assistant in Dean's office (10 months)	600 00
————, Research Assistant for Professor Noyes (10 months)	900 00
————, Research Assistant for Professor Washburn (11 months)	660 00
Lida E. Voight, Clerk and Stenographer (C. S.)	1,200 00
Total, Graduate School	$9,360 00

LIBRARY SCHOOL.

Phineas L. Windsor, Director of the Library and Library School (1 year) (salary under Library)	.....
Frances Simpson, Assistant Professor of Library Economy (Indef.), and Assistant Director (1 year)	$2,200 00
Florence R. Curtis, Associate in Library Economy (2 years from Sept. 1, 1915)	1,700 00
Ernest J. Reece, Associate in Library Economy (2 years from Sept. 1, 1915)	1,800 00
Ethel Bond, Instructor in Library Economy and Catalog Reviser (1 year)	1,200 00
Emma Felsenthal, Instructor in Library Economy and Reference Assistant (1 year) (salary under Library)	.....
Edna Lyman Scott, Special Lecturer on Children's Literature (5 weeks)	250 00
Alma M. Penrose, Reviser and Assistant (9 months from Sept. 1, 1915)	675 00
Salaries of Summer Session, 1916	650 00
Total, Library School	$8,475 00

SCHOOL OF MUSIC.

John Lawrence Erb, Director and University Organist (1 year)	$3,000 00
George F. Schwartz, Assistant Professor (3 years from Sept. 1, 1914)	2,200 00
Constance Barlow-Smith, Assistant Professor (3 years from Sept. 1, 1913)	2,000 00
H. J. van den Berg, Instructor (10 months)	1,800 00
A. A. Harding,† Instructor (1 year)	1,000 00
H. D. Nasmyth, Instructor (10 months)	1,700 00
E. W. Morphy, Instructor (10 months)	1,700 00
Edna A. Treat, Instructor (10 months)	1,000 00
————, Vice Townsend, Instructor (10 months)	1,200 00
————, Vice Kirkup, Instructor (10 months)	1,000 00
————, Vice Simon, Instructor (10 months)	1,000 00
Total	$17,600 00

SCHOOL OF PHARMACY.

W. B. Day, Acting Dean and Actuary (1 year)	$1,300 00
W. B. Day, Professor of Materia Medica and Botany (1 year)	1,200 00
C. M. Snow, Assistant Professor (1 year)	1,800 00
A. H. Clark, Assistant Professor (1 year)	1,800 00
E. N. Gathercoal, Instructor (1 year)	1,300 00
B. L. Eicher, Instructor (1 year)	1,000 00
H. W. Colson, Instructor (1 year)	1,000 00
Bernard Fantus, Lecturer (1 year)	200 00
Four Student Assistants at $75 each	300 00
M. Scanlon, Stenographer (C. S.)	840 00
Total	$10,740 00

THE LIBRARY.

Administration.

Phineas L. Windsor, Director of the Library and Library School (1 year)	$3,800 00
————, General Assistant (C. S.)	900 00

c. Equipment of quarters in new Chemistry Building with bookcases, chemical balances, blast lamps, steam baths, incubators, refrigerators, autoclaves and other equipment	750 00
d. Overdraft, 1914-15	488 96
e. Miscellaneous	1,958 92
Total, expenditure	$29,677 88

BUILDINGS AUTHORIZED OR RECOMMENDED TO BE BUILT OUT OF INCOME OF 1916-17.

1. Women's Residence Hall	$110.000 00
2. School of Education	140,000 00
3. Smith Music Building	215,000 00
4. Addition to Natural History Hall	75,000 00
5. Addition to Transportation Building	30,000 00
6. Agricultural Building	76.000 00
7. Medicine and Pharmacy	100,000 00
Total	$746,000 00

On motion of Mrs. Henrotin, the Budget was approved as presented. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward. Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

AUTHORITY TO ACCEPT RESIGNATIONS AND FILL VACANCIES.

(7) A request that the President of the University be authorized to accept at his discretion such resignations in the instructional, scientific, and administrative staff as may be presented during the vacation, and that he be authorized to fill, within the budget allowance, such vacancies as may occur during the vacation because of resignations or declination.

On motion of Mr. Carr, the foregoing authority was given as requested.

GIFT OF BOOKS BY MR. W. C. CHITTY.

(8) An announcement of a gift of books from Mr. William C. Chitty, a member of the class of 1886.

On motion of Mrs. Evans, this collection was accepted and the President of the University was requested to convey to Mr. Chitty an expression of the thanks of the board for the gift.

PRESIDENT'S BILL FOR TRAVELING EXPENSES.

(9) The bill of the President of the University for traveling expenses incurred in the performance of his official duties from July 1, 1910, to July 1, 1915.

On motion of Mrs. Henrotin, this bill was referred to the Executive Committee with power to audit and order payment. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

BALANCES REAPPROPRIATED.

(10) A recommendation that the unexpended balances of the appropriations for the year 1914-15 be reappropriated to the same uses for 1915-16, subject to the approval of the President of the University.

On motion of Mr. Carr, this recommendation was approved, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

PURCHASE OF BOOKS.

(11) Two recommendations from the University Librarian:

1. That a collection of books on American History made by Mr. H. A. Rattermann, of Cincinnati, Ohio, be purchased for the University Library. The sum necessary, which is estimated at $7,000, more or less, is provided for in the appropriation for the purchase of books made in the budget.

2. That the sum of $5,000 be set aside from the amount appropriated for the purchase of books in the budget for the purpose of adding to the collection relating to the Romance Languages and Literature.

On motion of Mr. Hoit, these recommendations were approved.

SALE OF SMITH LANDS.

(12) A recommendation that the Comptroller of the University be authorized to sell one or more of the tracts of land presented by Capt. Thomas J. Smith to the University [pages 106, 114, and 774] for the purpose of providing for the erection of a Music Building upon the Campus, provided that no tracts be sold for less than the valuation placed upon them by Capt. Smith in his gift to the University.

On motion of Mrs. Henrotin, the Comptroller was authorized to sell any portion of the Smith lands for which he could obtain a price equal to the valuation submitted by the donor [page 106]. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

COMMITTEE ON SITE, CLINICAL BUILDING.

(13) A statement from the President that, unless there were objection, he proposed to appoint a committee of members of the Medical Faculty to prepare a report on the possible or desirable sites for the Clinical Building for the use of the College of Medicine authorized by the board at its meeting on July 14, 1915 [page 778]. The committee will also be asked to make suggestions as to the type of building and the report will be presented to the Committee on Buildings and Grounds for its consideration.

No action was taken in this matter.

PURCHASE OF ROLAND TRACT.

14. A letter from the Comptroller announcing the purchase of the Roland Tract:

July 27, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: I this day issued the warrant for $50,000 to Mr. Anton Roland for the thirty-two and one-half acres of land on which the University had an option.* I have satisfied myself that there are no encumbrances of any kind against the title and had my opinion in this matter strengthened by the examination made by Prof. Carpenter. We have the warranty deed as well as the insurance covering the dwelling and barn. We did not have to pay any premiums for the unexpired portion of the insurance policies.

We have further asked Mr. Roland to have all of the various tracts, included in three separate abstracts of title, merged into one abstract of title. This will be done at Mr. Roland's expense. Prof. Carpenter seemed to be of the opinion that, unless this be done, the University might have considerable expense in case of a desire to sell a section of the land which might be described in more than one abstract. Mr. Roland will submit this new abstract within a few days.

Yours truly,

W. B. CASTENHOLZ, *Comptroller.*

This letter was received for record.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of July 14, 1915. On motion of Mrs. Evans, the minutes were approved as printed on pages 767 to 781.

AUDIT REPORT.

Mr. Hoit presented for the Finance Committee the report of the United States Audit Company on the accounts of the University for the quarter ending June 30, 1915.

This report was received for record.

* See pp. 220, 778.

July 24, 1915.

Hon. Otis W. Hoit, Chairman, Finance Committee, Board of Trustees, University of Illinois.

DEAR SIR: Following instructions, we have audited the books and accounts of the University of Illinois at Urbana, Ill., for the fourth quarter of the fiscal year, ended June 30, 1915.

We are sending you herewith a copy of the report prepared by the Comptroller of the University, Mr. W. B. Castenholz, covering the quarter under audit.

We have verified the cash receipts, disbursements, and balances, as shown in the quarterly report, including all petty cash funds; and

WE HEREBY CERTIFY That the various schedules as contained in the report of the Comptroller correctly set forth the transactions for the quarter ended June 30, 1915, and that they are in accordance with the books.

Yours very truly,

UNITED STATES AUDIT CO.,
WHITNEY B. FLERSHEM,
Certified Public Accountant.

REPORT OF BUSINESS OFFICE.

Mr. Hoit also presented for the Finance Committee the report of the business office for the quarter ending June 30, 1915.

This report was received for record.

July 15, 1915.

Hon. W. L. Abbott, President, Board of Trustees, University of Illinois.

DEAR SIR: I take pleasure in handing you herewith, report of the accounts of the business office, as at the close of the quarter ended June 30, 1915.

Under separate cover you will find lists of warrants drawn against the University Treasurer, and lists of vouchers certified to the State Auditor.

Yours very truly,

W. B. CASTENHOLZ, *Comptroller.*

SCHEDULE 1.

SUMMARY OF RECEIPTS AND DISBURSEMENTS FOR THE TWELVE MONTHS ENDING JUNE 30, 1915

SCHEDULE 2—Concluded.

Miscellaneous—Concluded.		
Nelson Fund	$25,000 00	
Nelson Fund	25,000 00	
Orchestra concerts	4,098 00	
Office supply stores	410 30	
Physical Training—men	2 24	
Political Science salaries	300 00	
Postage stores	242 46	
President's office	1 25	
Printograph	132 28	
Salary refund	77 50	
Speculum Regale	15 00	
Student Associations	4 00	
Summer Session 1914	85 50	
Towel fund	1 67	
University Studies	99 38	
Water survey salaries	300 00	
Weekly Calendar	4 25	
Water survey	213 92	
		$264,793 04
School of Pharmacy		17,289 56
General fund		$495,852 75
Smith-Lever Fund		$ 10,000 00
Trust fund		36,189 19
UNITED STATES AGRICULTURAL EXPERIMENT STATION.		
Adams Fund	$15,000 00	
Adams Fund receipts	485 75	
Hatch Fund	15,000 00	
		30,485 75
SUMMARY.		
General University		495,852 75
Smith-Lever Fund		10,000 00
Trust fund		36,189 19
United States Agricultural Experiment Station		30,485 75
		$572,527 69

SCHEDULE 3.

STATEMENT OF APPROPRIATIONS AS AT JUNE 30, 1915.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented for record the following list of appointments made by President James:

Larson, Lewis G., Research Fellow in the Engineering Experiment Station for a period of two years beginning September 1, 1915, with an annual stipend of five hundred dollars ($500). (July 30, 1915.)*

Lewis, H. B., Fellow in Pharmaceutical Chemistry for ten months beginning September 1, 1915. (July 29, 1915.)

Nebel, Merle N., Fellow in Geology for the academic year beginning September 1, 1915, with a stipend of three hundred fifty dollars ($350). (July 20, 1915.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

O'Connor, Ethel L., Scholar in German for the academic year beginning September 1, 1915, with a stipend of two hundred fifty dollars ($250). (July 20, 1915.)

Peters, Helen Augusta, Editorial Assistant in the Department of Dairy Husbandry, beginning August 1, 1915, and continuing until further notice, at a salary of sixty-five dollars a month ($65), subject to the rules of the Civil Service Commission. (July 24, 1915.)

On motion of Mr. Carr, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF SEPTEMBER 14, 1915.

The quarterly meeting of the Board of Trustees of the University of Illinois was held in the Trustees' Room, in the Administration Building, at the University, at Urbana, at 2.00 p. m., on Tuesday, September 14, 1915.

As there was no quorum, the board adjourned to meet in the office of the State Superintendent of Public Instruction, in the State House, at Springfield, at 10.00 a. m., on Thursday, September 23, 1915.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Adjourned Session, September 23, 1915.

Pursuant to the adjournment taken at the session of September 14, 1915, the Board of Trustees of the University of Illinois met in the office of the State Superintendent of Public Instruction, at Springfield, at 10.00 a. m., on Thursday, September 23, 1915.

The following members were present: Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit.

President James and Prof. J. M. White, Supervising Architect, were present.

There being no quorum, the board adjourned to meet at 2.00 p. m., on the same day in the office of the President of the State Board of Agriculture, at the State Fair Grounds, in Springfield.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, September 23, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the office of the State Superintendent of Public Instruction, at 10.00 a. m., on Thursday, September 23, 1915, immediately following the adjournment of the meeting of the board on the same date.

All the members of the Executive Committee were present, namely, Mr. Abbott, Mr. Carr, and Mr. Hoit; also Mrs. Busey, Mrs. Evans, and Mrs. Henrotin, members of the board, and President James and Supervising Architect J. M. White.

SITE OF GENETICS LABORATORY.

On request of President James, Prof. White presented the matter of the plans and site of the Genetics Laboratory Building.

On motion of Mr. Carr, the committee selected a site south of the present driveway and east of the horse barns on the south campus, the exact location to be selected by the Supervising Architect, subject to the approval of the President of the University.

PLANS OF GENETICS LABORATORY.

On motion of Mr. Hoit, the plans of the Genetics Laboratory Building were approved.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

Afternoon Session, September 23, 1915.

When the board convened at the State Fair Grounds, in Springfield, on the afternoon of Thursday, September 23, 1915, the following members were present: Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson.

President James and Prof. J. M. White, Supervising Architect, were present.

The board adjourned to meet in the Trustees' Room, at the University, in Urbana, at 2.00 p. m., on Monday, September 27, 1915 at 2.00 p. m.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Adjourned Session, September 27, 1915.

Pursuant to the adjournment taken at the afternoon session of September 23, 1915, the Board of Trustees of the University of Illinois met in the Trustees' Room, at the University, in Urbana, on Monday, September 27, 1915, at 2.00 p. m.

The following members were present: Mr. Abbott, Mrs. Evans, Mrs. Henrotin, Miss Watson.

President James was present, and, also during a part of the session, Miss Martha J. Kyle, Acting Dean of Women, and Mr. H. D. Oberdorfer, Assistant to the Supervising Architect.

RECORDS OF COMMITTEE MEETINGS.

The Secretary presented for record the following minutes of meetings of the Executive Committee held on August 17 and 28, and September 7, 1915; also the minutes of a meeting of the Committee on Buildings and Grounds held on August 28, 1915; and also the minutes of meetings of the Committee on the College of Medicine held on August 17 and September 7, 1915.

EXECUTIVE COMMITTEE MEETING, AUGUST 17, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at Hotel La Salle, in Chicago, at 1.00 p. m., on Tuesday, August 17, 1915.

Mr. W. L. Abbott, Chairman, and Mr. O. W. Hoit, member of the committee, and President James were present.

The President of the University presented the following matters for consideration:

APPOINTMENT OF DR. R. G. PEARCE.

(1) A recommendation that Dr. Roy G. Pearce, now at Western Reserve University, be appointed Assistant Professor of Physiology in the College of Medicine for three years beginning September 1, 1915, or as soon thereafter as he reports for duty, with salary at the rate of twenty-seven hundred and fifty dollars a year.

This recommendation was approved.

SALARY OF PROF. J. M. MATHEWS.

(2) Owing to a clerical mistake in the budget [page 797] the salary of Assistant Prof. J. M. Mathews of the Department of Political Science was fixed at twenty-one hundred dollars a year. It was intended that the recommendation should be twenty-three hundred dollars a year for the term of his appointment.

The salary of Dr. Mathews was fixed at twenty-three hundred dollars a year for the term of his appointment.

PURCHASE OF AUTOMOBILE.

(3) A request from the College of Agriculture for the purchase from Agricultural Funds of a seven passenger automobile, at a cost of about fifteen hundred dollars, to be in charge of the Department of Agricultural Extension and to be used for three purposes:

1. To transport members of the faculty who have University business to the South Farm and other distant points.
2. To facilitate the handling of visitors on the grounds.
3. To be available in case of necessity for other University purposes, all subject to the direction of the President of the University.

This request was granted and the corresponding appropriation made.

APPROPRIATION FOR SUMMER SESSION.

(4) A recommendation that the appropriation for the Summer Session of the present year be increased by five hundred dollars to meet unexpected expenditures, including three hundred dollars for administrative services—one hundred and fifty dollars for Mr. Miller, and one hundred and fifty dollars for Prof. W. C. Bagley.

This appropriation was made.

APPOINTMENT OF MR. H. F. HARRINGTON.

(5) A recommendation that Mr. H. F. Harrington, now Assistant Professor of Journalism in the University of Kansas, be appointed Associate in Journalism for the term of two years from September 1, 1915, at a salary of two thousand dollars a year.

This appointment was made.

EQUIPMENT FOR COURSES IN JOURNALISM.

(6) A request for an appropriation of twenty-five hundred dollars, or so much thereof as may be necessary, to provide equipment for the courses in journalism.

This request was granted and the appropriation made to include such items of equipment as may be requested by the Department of Journalism and approved by the President of the University.

BUDGETS, COLLEGES OF MEDICINE AND DENTISTRY.

(7) The itemized budget for salaries and expenses of the College of Dentistry and the College of Medicine within the limits set by the budget already approved; namely, two hundred thousand dollars.

BUDGET OF THE COLLEGE OF MEDICINE OF THE UNIVERSITY OF ILLINOIS FOR THE FISCAL YEAR BEGINNING JULY 1, 1915.

SALARY BUDGET OF THE COLLEGE OF DENTISTRY OF THE UNIVERSITY OF ILLINOIS, JULY 1, 1915, TO JUNE 30, 1916; SALARIES TO BEGIN SEPTEMBER 1, UNLESS OTHERWISE INDICATED.

	Salary.
Oral Surgery, Pathology, and Bacteriology.	
Frederick B. Moorehead, Professor	$1,000 00
Louis Schultz, Assistant Professor	500 00
Frank J. Bernard, Instructor in Extracting	300 00
————, Instructor	100 00
Edwin P. Swatek, Assistant (without salary)	.....
Anna Bolan, Clinical Nurse (C. S.), half-time, (half-time also in Infirmary), $32.50 a month	325 00
Operative Dentistry and Operative Technics.	
D. M. Gallie, Professor	1,000 00
Louis E. Bake, Assistant Professor	600 00
E. J. Krejci, Instructor in Operative Dentistry and Therapeutics, half-time, (half-time also in Infirmary). (From July 1, 1915)	600 00
M. W. Deist, Instructor in Operative and Prosthetic Dentistry, half-time	500 00
W. Ira Williams, Instructor (Porcelain Art)	150 00
Prosthetic Dentistry and Prosthetic Technics.	
G. W. Dittmar, Professor	1,000 00
S. P. Starr, Assistant Professor	600 00
J. H. Kaplan, Instructor, half-time, (half-time also in Infirmary)	750 00
Histology.	
F. B. Noyes, Professor, half-time (half-time also in Orthodontia)	750 00
————, Instructor	600 00
————, Student Assistant	100 00
Orthodontia.	
F. B. Noyes, Professor, half-time (half-time also in Histology)	750 00
Research Laboratory.	
F. B. Moorehead and F. B. Noyes, Directors	.....
Dr. Kaethe Dewey, Research Assistant, $100 a month, beginning Oct. 1, 1915	900 00
Materia Medica and Therapeutics.	
E. D. Coolidge, Professor	1,000 00
Arthur G. Nauman, Instructor, (without salary)	.....
Jurisprudence.	
Elmer D. Brothers, Lecturer	100 00
Comparative Anatomy.	
Elmer S. Riggs, Lecturer	150 00
Infirmary.	
John C. McGuire, Superintendent and Instructor in Radiography	2,400 00
M. W. Deist, Instructor, half-time (half-time also in Operative Dentistry)	500 00
J. H. Kaplan, Instructor, half-time (half-time also in Prosthetic Dentistry	750 00
E. J. Krejci, Instructor, half-time (half-time also in Operative Dentistry and Operative Technics)	600 00
Maud Gubbins, Clerk (C. S.), $65 per month	650 00
Mary Morehead, Clerk (C. S.), $40 per month	400 00
Anna Bolan, Nurse (C. S.), half-time (half-time also in Oral Surgery), $32.50 per month	325 00
Administration.	
Frederick B. Moorehead, Dean	2,000 00
Georgina Tomek, Clerk (C. S.), $65 per month	650 00

COLLEGE OF DENTISTRY EXPENSE ACCOUNT FOR THE ACADEMIC YEAR BEGINNING JULY 1, 1915.

I. Department of Oral Surgery.		
Equipment and supplies		$ 500 00
II. Department of Operative Dentistry and Operative Technics.		
Equipment and supplies		300 00
III. Department of Prosthetic Dentistry and Prosthetic Technics.		
Equipment and supplies		750 00
IV. Department of Histology.		
Equipment and supplies		400 00
V. Department of Orthodontia.		
Equipment and supplies		250 00
VI. Research Laboratory.		
Equipment and supplies		1,000 00
VII. Materia Medica and Therapeutics.		
Equipment and supplies		400 00
VIII. Infirmary.		
Equipment and supplies—		
General supplies	$4,000 00	
Electrical engines (20)	2,000 00	
Chairs (5)	1,000 00	
Total		7,000 00

IX. Department of Radiography.		
Equipment and supplies		$1,200 00
X. Administration.		
Expense and equipment—		
Advertising	$1,500 00	
Printing	600 00	
Laundry	500 00	
Stamps, etc.	600 00	
Equipment	250 00	
Traveling expenses	150 00	
Total, expense and equipment		3,600 00
Grand total		$15,400 00

The President of the University was authorized to arrange the details of the budget as to salaries and expenses of the College of Medicine and the College of Dentistry within the limits set by the budget.

BELGIAN RELIEF COMMISSION.

(8) A request from the Belgian Relief Commission that the University of Illinois send some member of its staff to help distribute relief among the Belgians.

Prof. Thomas E. Oliver is willing to undertake this task. It will be necessary, if the Trustees are willing that this should be done, to give him leave of absence until the beginning of the second semester of the academic year 1915-16, that is until February 9, 1916.

This is an unusual opportunity for a member of the Department of Romance Languages. The commission consists of the American Commission for Relief in Belgium, the Spanish Commission for Relief in Belgium, and the Belgian National Committee of Aid and Sustenance. The honorary chairmen are the Spanish Ambassador in London, the Spanish Minister in Brussels, and the American Ambassadors in Brussels, The Hague, London, Berlin, and Paris. Herbert C. Hoover, the chairman of the commission, is a distinguished engineer with offices in London, New York, and San Francisco. The Vice Chairman is Linden W. Bates, another distinguished engineer of New York and London. The bankers are The National City Bank and the Guarantee Trust Company of New York.

The request was made from the London office of the commission, who say that they are in need of five or six men from the United States for the Belgian staff of this commission.

Leave of absence was granted to Prof. Thomas E. Oliver for this service.

APPOINTMENT OF DR. B. E. POWELL.

(9) A recommendation that Dr. Burt E. Powell be appointed for one year from September 1, 1915, to be Editor of the University Press Bulletin, Director of the Information Office, and University Historian, at a salary of twenty-five hundred dollars a year.

This appointment was made.

FUNDS FOR SMITH MUSIC BUILDING.

(10) It will be remembered that Capt. Thomas J. Smith presented certain farms to the University from the proceeds of the sale of which a Music Building was to be erected on the Campus for the use of the University, and authority was given to the Comptroller to sell such of these farms as he may be able to sell at a price not less than the value set upon them by Capt. Smith [page 106].

It may not be possible to sell these farms at such a price in time to permit the erection of this building within the present biennium. Capt. Smith is naturally very desirous of seeing this building erected at as early a date as possible. He would very much like to see it dedicated by February, 1917, the fiftieth anniversary of his marriage to Mrs. Smith, in whose honor the building is erected. We need this building very much to enable us to develop in a more worthy way our musical work. I think it would be feasible to borrow upon these farms a sum sufficient to erect at least a wing of this building by the time suggested by Capt. Smith.

The Executive Committee approved the general idea and the President of the University was authorized to see what arrangements can be made to carry out the project and to present the same for the consideration of the Board of Trustees.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*
O. W. HOIT.

EXECUTIVE COMMITTEE MEETING, AUGUST 28, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, on Saturday, August 28, 1915.

Mr. W. L. Abbott, Chairman, and Mr. Hoit, member of the committee, Mrs. Busey and Mrs. Evans, members of the board, President James, and Prof. J. M. White, Supervising Architect, were present.

APPROVAL OF SIGNING SECRETARY'S NAME.

The following resolution was adopted:

WHEREAS, It became necessary for Mr. H. E. Cunningham, Secretary of the Board of Trustees, to authorize Mr. W. B. Castenholz, Comptroller, to sign his name to University Warrant No. 13 in the trust funds' account, the Executive Committee hereby approves said action and signature on said University Warrant No. 13, in the trust funds' account.

AUTHORITY TO SIGN WARRANTS.

Mr. Abbott stated that he had given the Comptroller of the University, Mr. W. B. Castenholz, authority to sign his name as President of the Board of Trustees to all warrants drawn on the University Treasurer from August 15 to September 15, 1915. This action of Mr. Abbott was approved.

APPOINTMENT OF PROF. A. V. BLEININGER.

On nomination of President James, Mr. A. V. Bleininger was appointed Professor of Ceramic Engineering and Head of the Department of Ceramic Engineering for the term of five months, from September 1, 1915, to February 1, 1916, at a salary of five hundred dollars a month.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*
O. W. HOIT.

EXECUTIVE COMMITTEE MEETING, SEPTEMBER 7, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the office of Mr. W. L. Abbott, in Chicago, on Tuesday, September 7, 1915.

All the members of the Executive Committee were present; namely, Mr. W. L. Abbott, Chairman, Mr. R. F. Carr, and Mr. O. W. Hoit. Mrs. Laura B. Evans, a member of the board, and President James were present.

SITE FOR THE SCHOOL OF PHARMACY.

The question of the purchase of certain property in the city of Chicago for the use of the School of Pharmacy was carefully considered in conjunction with the report of the Committee on the College of Medicine, which was to the effect that this property should be purchased if it can be bought for what the Board would consider a reasonable figure. Letters from W. B. Day, Acting Dean of the School of Pharmacy of the University of Illinois, indicating that in his opinion the building under consideration could be made usable for the School of Pharmacy by the addition of a structure for the laboratories; a letter from Prof. J. M. White concerning the physical condition of the building with an estimate of the cost of putting it in order for use by the School of Pharmacy; and a letter from Mr. N. Rooneberg, Industrial Engineer, expressing the opinion that the building is throughout in a good state of preservation, were presented.

On motion of Mr. Carr, Mr. Alexander Prussing was authorized to ascertain whether the holders of the first mortgage on this property would accept an offer of fifteen thousand dollars for their rights in the property, provided these rights carried with them the power to give a satisfactory deed, and to report the result of this inquiry to President Abbott.

PRESIDENT'S BILL FOR TRAVELING EXPENSES.

The Chairman of the committee, Mr. Abbott, presented the bill for the sum of $4,141.28, for traveling expenses incurred by the President of the University in the course of conducting University business from July 1, 1910, to June 30, 1915, which had been referred to the Executive Committee with power to audit and, if found correct, to order payment [page 810].

After examination and audit, the bill was approved and ordered paid.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*
R. F. CARR.
O. W. HOIT.

BUILDINGS AND GROUNDS COMMITTEE MEETING, AUGUST 28, 1915.

A meeting of the Committee on Buildings and Grounds was held in the Trustees' Room, at the University, in Urbana, on Saturday, August 28, 1915.

Mr. W. L. Abbott, Chairman, Mrs. Mary E. Busey, and Mrs. Laura B. Evans, members of the committee were present; also Mr. O. W. Hoit, a member of the board, President James, and Prof. J. M. White, Supervising Architect.

After a careful inspection of sites proposed for new agricultural buildings and an inspection of the progress achieved in the erection of the Ceramics and Vivarium Buildings, the committee took up the following items of business:

ACCEPTANCE OF ADMINISTRATION BUILDING.

A recommendation from the Supervising Architect that the Administration Building be accepted as of the date of July 15, 1915, so far as English Brothers' contracts are concerned, and that the bonus earned by English Brothers, of one thousand and fifty dollars, be paid.

After Mr. English was heard upon the subject, a recommendation was made and referred to the Board of Trustees for final action.

SYSTEM OF ROADWAYS AND PAVEMENTS.

The committee heard Prof. F. H. Newell upon the desirability of making a comprehensive plan for the roadways and pavements of the University and adopting the method of constructing different portions of these roads and pavements of varying construction so that the students in the Department of Civil Engineering might have specimens of various kinds of road construction near at hand for purposes of study.

No action was taken upon this matter.

UNIVERSITY WATER SYSTEM.

Mr. Paul Hansen, Engineer of the State Water Survey, was heard upon the subject of the University water system. He presented a report prepared by Director Edward Bartow and himself containing a study of the needs of the University for water at present, with an estimate of the need for a number of years to come and with certain recommendations.

No action was taken on this matter.

EXTENSION OF TIME, CERAMICS BUILDING.

Mr. A. W. Stoolman, contractor for the Ceramics Building, was heard in regard to a request for an extension of time.

No action was taken on this matter.

FEEDING PLANT.

The Supervising Architect presented a provisional plan for the new feeding plant, with a recommendation that it be located on the back farm on a line east and west from the front of the sheep barn and about two-thirds of the way from the sheep barn to the farm house located on the top of the hill.

The location and the general plan were approved.

AGRONOMY BARN.

The Supervising Architect presented a plan for an agronomy barn, to cost about five thousand dollars, and to be located on or near the site of the present barn on the back farm at the end of the street running into the agronomy fields from the north.

The general plan and the location were approved.

GENETICS BUILDING.

The Supervising Architect presented plans for a Genetics Building, with a recommendation that it be located on the back Campus immediately south of the agronomy plots, extending from Mathews Avenue about 120 feet west.

No action was taken on this recommendation.

W. L. ABBOTT, *Chairman.*
MARY E. BUSEY.
LAURA B. EVANS.

COMMITTEE ON COLLEGE OF MEDICINE, AUGUST 17, 1915.

A meeting of the Committee on the College of Medicine and School of Pharmacy was held at Hotel La Salle, in Chicago, on Tuesday, August 17, 1915.

Mr. W. L. Abbott and Mr. O. W. Hoit, members of the committee, and President James were present. The Chairman, Mrs. Laura B. Evans, telegraphed at the last moment that she could not be present.

SITE FOR CLINICAL AND PHARMACY BUILDINGS.

The questions of a sutable site for the Clinical Building and a suitable property for the use of the School of Pharmacy were discussed at length. Messrs. Abbott and Hoit subsequently inspected various possible sites for the proposed Clinical Building for the College of Medicine and also various possible properties for the use of the School of Pharmacy.

No action was taken upon these subjects.

DEANSHIP, COLLEGE OF MEDICINE.

The question of the deanship of the College of Medicine for the coming year was also discussed, and the matter was referred with power to act to the President of the University under the authority already granted by the Board of Trustees.

BUDGET, COLLEGES OF MEDICINE AND DENTISTRY.

The President of the University presented the budget for the Colleges of Medicine and Dentistry, which was referred to the Executive Committee with recommendation that it be approved.

W. L. ABBOTT, *Chairman pro tempore.*
O. W. HOIT.

COMMITTEE ON COLLEGE OF MEDICINE, SEPTEMBER 7, 1915.

A meeting of the Committee on the College of Medicine and School of Pharmacy was held in the office of Mr. W. L. Abbott, in Chicago, on Tuesday, September 7, 1915.

All the members of the committee were present; namely, Mrs. Laura B. Evans, Chairman, Mr. W. L. Abbott, and Mr. O. W. Hoit. President James, Acting Dean W. B. Day, and Mr. Alexander Prussing, of the firm of McKey and Poague, were present.

SITE FOR SCHOOL OF PHARMACY.

President James presented a letter from Mr. Alexander Prussing, dated July 15, 1915, saying that in all probability certain property could be acquired by the purchase of the master's certificate which was issued at the time of the foreclosure of a mortgage on the property. The mortgage amounts to something like twenty thousand dollars.

This is the property which has been recommended to the Board of Trustees as a suitable one for housing the School of Pharmacy.

Messrs. Abbott and Hoit examined the property on occasion of the previous meeting of the Committee on the College of Medicine held at Hotel La Salle, on Tuesday, August 17, 1915. A letter was presented from Prof. J. M. White, expressing his opinion as to the condition of the building, and also a copy of a letter from Mr. N. Rooneberg, Industrial Engineer, concerning the structural condition of the building, in which he states that he found the building throughout in a good state of preservation.

After full consideration of the subject, on motion of Mr. Hoit, the committee recommended the purchase of this property if it can be bought for what the Board of Trustees would consider a reasonable figure.

The committee adjourned.

MRS. LAURA B. EVANS, *Chairman.*
W. L. ABBOTT.
O. W. HOIT.

MATTERS PRESENTED BY PRESIDENT JAMES.

The President of the University presented the following matters for consideration:

MORTGAGE, COLLEGE OF MEDICINE.

(1) A statement concerning the extension of the mortgage for $56,000 held on the College of Medicine property by the Board of Education of Chicago.

No action was taken concerning this matter.

SITE FOR SCHOOL OF PHARMACY.

(2) A letter from Mr. Alexander Prussing concerning the purchase of a site for the School of Pharmacy, and a statement concerning other property that might be available.

No action was taken in this matter.

WOMEN'S RESIDENCE HALL.

(3) A statement concerning the plans for the Women's Residence Hall.

Miss Martha J. Kyle, Acting Dean of Women, addressed the board concerning certain detailed changes in the plans.

Mr. H. D. Oberdorfer addressed the board concerning the possible changes that might be required by building-line restrictions obtaining on Nevada Street. It was the opinion of the members of the board that the depth of the building should not be lessened.

PROTEST AGAINST STREET RAILWAY ON LINCOLN AVENUE.

(4) A protest signed by certain property owners on Lincoln Avenue in Urbana against the proposed location of an extension of the street railway southward on Lincoln Avenue [pages 246, 285].

No action was taken in this matter.

NOMINATION FOR BOARD OF EXAMINERS IN ACCOUNTANCY.

(5) The nomination of Mr. Nathan William MacChesney, of Chicago, for membership on the Board of Examiners in Accountancy for three years ending June 30, 1918, in place of Mr. Marquis Eaton, whose term has expired.

No action was taken on this matter.

AMERICAN GAME PROTECTIVE ASSOCIATION.

(6) A request from the American Game Protective Association that the University join them in furtherance of the work for the protection of game birds.

No action was taken on this matter.

PROPOSED BATTERY OF ARTILLERY.

(7) A statement concerning the proposed battery of artillery to be organized in connection with the University Brigade [page 156].

No action was taken concerning this matter.

PLANS FOR WOMEN'S RESIDENCE HALL.

(8) A letter from Prof. J. M. White, Supervising Architect, concerning the necessity of proceeding with the plans of the Women's Residence Hall.

No action was taken on this matter.

APPOINTMENTS, COLLEGE OF MEDICINE.

The Secretary presented for record the following list of appointments to the faculty of the Senior College of the College of Medicine, made by President James on September 18, 1915. All appointments are for the term of one year from September 1, 1915, without salary.

DEPARTMENT OF DERMATOLOGY.

Frederick G. Harris, M.D., Assistant Professor of Dermatology and Venereal Diseases and Acting Head of the Department of Dermatology.
William A. Pusey, A.M., M.D., Professor, *Emeritus*.
Philip F. Schaffner, M.D., Instructor.

DEPARTMENT OF HYGIENE AND MEDICAL JURISPRUDENCE.

Adolph Gehrmann, M.D., Professor and Head of the Department of Hygiene.
Elmer D. Brothers, M.S., LL.B., Lecturer on Medical Jurisprudence.
Matthew Mills, LL.B., Alternate Lecturer on Medical Jurisprudence.

DEPARTMENT OF MEDICINE.

DIVISION OF INTERNAL MEDICINE.

Charles S. Williamson, B.S., M.D., Professor and Head of the Department of Medicine.
William E. Quine, M.D., LL.D., Professor of Medicine, *Emeritus*.
Maurice L. Goodkind, M.D., Professor of Clinical Medicine.
Joseph M. Patton, M.D., Professor of Clinical Medicine.
Frederick Tice, M.D., Professor of Diseases of the Chest and Clinical Medicine.
John Weatherson, C.E., M.D., Assistant Professor of Medicine; Recording Secretary of the Faculty.
Edward L. Heintz, Ph.G., M.D., Assistant Professor of Medicine and Clinical Medicine.
Maurice Lewison, M.D., Assistant Professor of Physical Diagnosis.
Ernest S. Moore, Ph.B., M.D., Associate in Clinical Medicine.
Robert Mosser, M.D., Associate in Clinical Medicine.
Robert W. Morris, A.B., M.D., Instructor in Medicine (Senior year).
Waldemar Eberhardt, B.S., M.D., Instructor in Medicine (Senior year).
Edward F. Fox, M.D., Instructor in Medicine (Senior year).
George J. Lorch, Ph.G., M.D., Instructor in Medicine (Junior year).
Frank Chauvet, M.D., Instructor in Physical Diagnosis.
Paul B. Welch, M.D., Instructor in Clinical Medicine.
Robert A. Crawford, M.D., Instructor in Clinical Medicine.
Carl H. Bartling, M.D., Instructor in Clinical Medicine.
Louis Rudolph, M.D., Instructor in Physical Diagnosis.
F. Raymond Crooks, M.D., Instructor in Medicine (Junior year).
Solomon Strouse, A.B., M.D., Instructor in Clinical Medicine.
Walter B. Metcalf, M.D., Instructor in Clinical Medicine.
Franklin S. Wilson, M.D., Instructor in Clinical Medicine.
Phillip M. Dale, M.D., Instructor in Clinical Medicine.
A. W. Burke, M.D., Instructor in Medicine.
John M. Krasa, M.D., Instructor in Medicine.
Robert L. Furby, M.D., Instructor in Medicine.
Frank J. Jirka, M.D., Assistant in Physical Diagnosis.

DIVISION OF PEDIATRICS.

Julius H. Hess, M.D., Associate Professor of Pediatrics and Head of the Division of Pediatrics.
Emanuel O. Benson, A.B., M.D., Assistant Professor of Pediatrics and Clinical Pediatrics.
Edward K. Armstrong, M.D., Instructor in Pediatrics.
Henry E. Irish, M.D., Instructor in Pediatrics.
Abraham Levinson, M.D., Instructor in Pediatrics.
Joseph S. Cohn, M.D., Instructor in Pediatrics.
Maurice L. Blatt, M.D., Instructor in Pediatrics.
Jacob C. Krafft, M.D., Instructor in Pediatrics.

DIVISION OF NEUROLOGY.

L. Harrison Mettler, A.M., M.D., Professor and Head of the Division of Neurology and Clinical Neurology.
Isador B. Diamond, M.D., Instructor in Neurology.
Edward F. Leonard, M.D., Instructor in Neurology.
Carl J. S. Rydin, M.D., Instructor in Neurology.

DIVISION OF PSYCHIATRY.

Oscar A. King, M.D., Professor of Neurology and Psychiatry, *Emeritus*.
Haim I. Davis, M.D., Assistant Professor of Clinical Psychiatry and Head of the Division of Psychiatry.

DIVISION OF ROENTGENOLOGY.

Adolph Hartung, M.D., Instructor in Radiology.

DIVISION OF HISTORY OF MEDICINE.

Bernard J. Cigrand, M.S., D.D.S., Lecturer.

DEPARTMENT OF OBSTETRICS AND GYNECOLOGY.

DIVISION OF OBSTETRICS.

Charles S. Bacon, Ph.B., M.D., Professor and Head of the Department of Obstetrics and Gynecology.
Henry P. Newman, A.M., M.D., Professor of Gynecology, *Emeritus*.
Henry T. Byford, A.M., M.D., Professor of Gynecology, *Emeritus*.
Rachelle S. Yarros, M.D., Associate Professor of Obstetrics and Clinical Obstetrics.
Cecil V. Bachelle, M.S., M.D., Assistant Professor of Obstetrics.
Otto H. Rohrlack, Ph.G., M.D., Assistant Professor of Obstetrics and Clinical Obstetrics.
Richard C. Steffen, M.D., Instructor in Obstetrics.
John W. Birk, M.D., Instructor in Obstetrics.
Annie E. Barron-Harrison, M.D., Instructor in Obstetrics.
Charles Newberger, M.D., Instructor in Obstetrics.
Walter C. Hammond, M.D., Instructor in Obstetrics.
Edward M. Heacock, M.D., Instructor in Obstetrics.
Frederick H. Falls, B.S., M.D., Research Fellow and Instructor in Obstetrics.

DIVISION OF GYNECOLOGY.

Channing W. Barrett, M.D., Professor of Gynecology and Clinical Gynecology, and Head of the Division of Gynecology.
Mary G. McEwen, M.S., M.D., Assistant Professor of Clinical Gynecology.
John M. Lang, M.D., Assistant Professor of Clinical Gynecology.
Egan W. Fischmann, M.D., Instructor in Gynecology.
Albert J. Scoenberg, M.D., Instructor in Gynecology.
Wesley J. Woolston, M.D., Instructor in Gynecology.
F. Lee Stone, M.D., Assistant in Gynecology.
Mathilda O. Lichner, B.S., M.D., Assistant in Gynecology.

DEPARTMENT OF OPHTHALMOLOGY.

Casey A. Wood, A.M., M.D., Professor and Head of the Department of Ophthalmology.
William E. Gamble, B.S., M.D., Associate Professor of Clinical Ophthalmology.
John B. Loring, M.D., Assistant Professor of Clinical Ophthalmology.
Ephraim K. Findlay, M.D., Assistant Professor of Clinical Ophthalmology.
Charles C. Clement, M.D., Instructor in Ophthalmology.
Frederick D. Vreeland, M.D., Instructor in Ophthalmology.
George W. Woodnick, M.D., Instructor in Clinical Ophthalmology.
William B. West, M.D., Instructor in Clinical Ophthalmology.
Helen Carncross, M.D., Instructor in Clinical Ophthalmology.
Lawrence W. Whitmer, M.D., Assistant in Clinical Ophthalmology.
Edward F. Slavik, M.D., Assistant in Clinical Ophthalmology.

DEPARTMENT OF SURGERY.

DIVISION OF GENERAL SURGERY.

Daniel A. K. Steele, M.D., LL.D., Senior Dean; Professor and Head of the Department of Surgery and Clinical Surgery.
Thomas A. Davis, M.D., Clinical Professor of Surgery.
William M. Harsha, A.B., M.D., Professor of Surgery and Clinical Surgery.
Albert J. Ochsner, B.S., M.D., Professor of Surgery and Clinical Surgery.
Daniel N. Eisendrath, A.B., M.D., Professor of Surgery and Clinical Surgery (Genito-Urinary).
Charles Davison, M.D., Professor of Surgery and Clinical Surgery.
Albert E. Halstead, M.D., Professor of Surgery and Clinical Surgery.
Charles E. Humiston, M.D., Associate Professor of Clinical Surgery.
Nelson M. Percy, M.D., Associate Professor of Clinical Surgery.
Frederick G. Dyas, M.D., Assistant Professor of Surgery and Clinical Surgery.
George F. Thompson, B.S., M.D., Assistant Professor of Surgery and Clinical Surgery.
Frank D. Moore, M.D., Assistant Professor of Surgery and Clinical Surgery.
Victor L. Schrager, M.D., Associate in Surgery (Senior year).
John R. Harger, B.S., M.D., Associate in Surgery and Minor Surgery.
Charles H. Phifer, M.D., Instructor in Surgery (Senior year).
Howard O. Shafer, M.D., Instructor in Surgery (Senior year).
Henry L. Baker, M.D., Instructor in Surgery (Senior year).
George L. Davenport, M.D., Instructor in Surgery (Senior year).
Arrie Bamberger, M.D., Instructor in Minor Surgery.
Raymond W. McNealy, M.D., Instructor in Surgery (Senior year).
Oscar E. Nadeau, B.S., M.D., Instructor in Surgery (Surgical Pathology, Senior year).

Archie J. Graham, M.D., Instructor in Surgery.
George W. Post, Jr., A.M., M.D., Assistant in Clinical Surgery.
Charles C. Clark, M.D., Assistant in Clinical Surgery.
Robert E. Flannery, M.D., Assistant in Clinical Surgery.
Max Meyerovitz, M.D., Assistant in Clinical Surgery.
Karl A. Meyer, M.D., Assistant in Clinical Surgery.
Lyndon Harris, M.D., Assistant in Clinical Surgery.

DIVISION OF ORTHOPEDIC SURGERY.

John L. Porter, M.D., Professor of Orthopedic Surgery and Head of Division of Orthopedic Surgery.
Charles M. Jacobs, M.D., Associate Professor of Clinical Surgery (Orthopedic).
David Alexander, M.D., Instructor.
William A. Clark, M.D., Assistant.
Harrison W. Maltby, M.D., Assistant.

DIVISION OF GENITO-URINARY SURGERY.

Daniel N. Eisendrath, A.B., M.D., Professor of Surgery and Clinical Surgery (Genito-Urinary).
George F. S. Cary, M.D., Assistant Professor.
Charles M. McKenna, M.D., Instructor.
Elmer W. Schnoor, M.D., Assistant.
Harry J. Smejkal, M.D., Instructor.

DIVISION OF OPERATIVE SURGERY.

William Fuller, M.D., Associate Professor.
William C. Smith, M.D., Instructor.

DIVISION OF LARYNGOLOGY, RHINOLOGY, AND OTOLOGY.

Norval Pierce, M.D., Professor of Surgery (Laryngology, Rhinology, and Otology).
John A. Cavanaugh, M.D., Associate.
Lillian E. Taylor, M.D., Instructor.
Eugene Bermingham, M.D., Instructor.
Edward F. Carrighan, M.D., Instructor.

APPOINTMENTS TO FILL VACANCIES.

The Secretary presented also for record the following list of appointments made by President James to fill vacancies:

Adler, Leon, Student Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ten dollars ($10) a month. (September 23, 1915.)*

Baldwin, F. M., Assistant in Zoology, for 10 months beginning September 1, 1915, at a salary of one hundred dollars ($100) a month. (September 23, 1915.)

Blackburn, F. J., Assistant in Home Economics Extension, in charge of demonstration work, for one year beginning September 1, 1915, at a salary of twelve hundred dollars ($1,200) a year. (September 20, 1915.)

Boelio, L. N., Technician in Microscopic Anatomy, for 10 months beginning September 1, 1915, at a salary of eighty dollars ($80) a month. (September 21, 1915.)

Boughton, T. H., Associate in Pathology, for one year beginning September 1, 1915, at a salary of eighteen hundred dollars ($1,800) a year. (September 13, 1915.)

Branch, Nellie U., Cataloger in the Library, on one-half time, for seven months beginning February 1, 1916, at a salary of thirty-two and one-half dollars ($32.50) a month; this appointment superseding her former appointment for 12 months. (August 24, 1915.)

Broday, Esther, Typist in the Department of Anatomy of the College of Medicine, at a salary of fifty-five dollars ($55) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 21, 1915.)

Brown, J. B., Graduate Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of thirty dollars ($30) a month. (September 11, 1915.)

Buchanan, H. C., Assistant Mechanician in the Department of Physics, at a salary of seventy dollars ($70) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (August 20, 1915.)

Burger, C. V., Instructor in Architectural Design for 10 months beginning September 1, 1915, at a salary of one hundred twenty dollars ($120) a month. (August 23, 1915.)

Burlison, W. L., Associate Professor of Crop Production in the College of Agriculture and Associate Chief in Crop Production in the Agricultural Experiment Station, for three years beginning September 1, 1915, at a salary of twenty-eight hundred dollars ($2,800) a year. (September 20, 1915.)

Burmeister, W. H., Assistant Professor of Pathology, on one-half time, for one year beginning October 1, 1915, at a salary of two thousand dollars ($2,000) a year. (September 13, 1915.)

Case, H. C. N., Assistant in Farm Management Demonstration in the College of Agriculture, in cooperation with the United States Department of Agriculture, for one year beginning August 16, 1915, at a salary of eighteen hundred dollars ($1,800) a year. (August 9, 1915.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

Castle, Ora B., Stenographer in the Information Office, at a salary of fifty-five dollars ($55) a month, beginning July 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 1, 1915.)

Copley, Beatrice V., Assistant in English, on one-half time, for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (September 1, 1915.)

Cramer, Morris, Technician in Gross Anatomy, for 10 months beginning September 1, 1915, at a salary of sixty dollars ($60) a month. (September 21, 1915.)

Curl, H. E., Assistant in Physiology in the College of Medicine, for 9 months beginning October 1, 1915, at a salary of five hundred dollars ($500) for the period. (September 14, 1915.)

Davis, Bertha, Instructor in Voice, for 10 months beginning September 1, 1915, at a salary of one hundred dollars ($100) a month. (September 11, 1915.)

Dillenback, L. C., Instructor in Architectural Design, for 10 months beginning September 1, 1915, at a salary of one hundred twenty dollars ($120) a month. (August 30, 1915.)

Evans, W. E., Instructor in Wrestling and Boxing, for 10 months beginning September 1, 1915, at a salary of ninety dollars ($90) a month. (September 18, 1915.)

Eycleshymer, A. C., Dean of the Junior College of the College of Medicine, without salary, for one year beginning September 1, 1915, or until his successor is appointed. (September 9, 1915.)

Fantus, Bernard, Professor of Pharmacology and Therapeutics, on one-half time for one year beginning September 1, 1915, at a salary of two thousand dollars ($2,000) a year. (September 13, 1915.)

Fink, Madge, Assistant Recorder in the Registrar's Office, at a salary of seventy dollars ($70) a month, beginning September 1, 1915, or as soon thereafter as she may report for duty, and continuing until further notice, subject to the rules of the Civil Service Commission. (August 16, 1915.)

Foster, Frederick, Clerk in the office of the Dean of Men, at a salary of fifty dollars ($50) a month, beginning September 3, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 9, 1915.)

French, H. E., Student Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ten dollars ($10) a month. (September 23, 1915.)

Fritz, H. R., Research Fellow in the Engineering Experiment Station, for two years beginning September 1, 1915, with a stipendium of five hundred dollars ($500) a year. (August 27, 1915.)

Gaffney, Carl, Technician in Bacteriology in the College of Medicine, on one-half time for 10 months beginning October 1, 1915, at a salary of thirty dollars ($30) a month. (September 20, 1915.)

Gauger, J. F., Secretary in the Office of the Department of History, on one-half time, for 10 months beginning September 1, 1915, or as soon as he reports for duty, at a salary of forty dollars ($40) a month. (August 24, 1915.)

Gere, R. C., Clerk in the Business Office, at a salary of forty-five dollars ($45) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

Geyer, Helen F., Stenographer in the Department of Chemistry, at a salary of fifty dollars ($50) a month, beginning September 15, 1915, or as soon thereafter as she may report for duty, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 7, 1915.)

Gosser, Harold, Assistant in Dairy Husbandry in the College of Agriculture and the Agricultural Experiment Station, for one year beginning September 15, 1915, at a salary of nine hundred dollars ($900) a year. (September 21, 1915.)

Hahn, F. C., Student Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ten dollars ($10) a month. (September 8, 1915.)

Harper, Julia, Editorial Assistant in the Department of Horticulture, at a salary of nine hundred dollars ($900) a year, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 10, 1915.)

Hemenway, Margaret, Student Assistant in Physical Training for Women, beginning September 1, 1915, and continuing until further notice, but not longer than 10 months, at a salary of twenty dollars ($20) a month. (September 18, 1915.)

Hicks, John F. G., Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (September 20, 1915.)

Hope, Leona, Instructor in Household Science, for one year beginning September 1, 1915, at a salary of fifteen hundred dollars ($1,500) a year. (August 13, 1915.)

Johnson, F. T., Instructor in Voice, for 10 months beginning September 1, 1915, at a salary of one hundred ten dollars ($110) a month. (September 10, 1915.)

Johnson, L. C., Research Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ninety dollars ($90) a month. (August 30, 1915.)

Jones, T. S., Artist in the Department of Anatomy of the College of Medicine, for one year beginning September 1, 1915, at a salary of one thousand dollars ($1,000) a year. (September 21, 1915.)

Kile, Jessie J., Research Assistant in the Illinois Survey, for 12 months beginning September 1, 1915, at a salary of eighty dollars ($80) a month. (August 30, 1915.)

Kohmann, E. F., Associate in Dairy Chemistry in the College of Agriculture and Agricultural Experiment Station, for two years beginning September 1, 1915, at a salary of two thousand dollars ($2,000) a year. (September 20, 1915.)

Lehmann, R. J., Stenographer in the Department of Military Science, at a salary of fifty dollars ($50) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 13, 1915.)

Linder, Grace, Assistant in Household Science Demonstration Work, for one year beginning September 1. 1915, at a salary of twelve hundred dollars ($1,200) a year. (September 10, 1915.)

Littleton, A. C., Instructor in Accountancy, for 10 months beginning September 1, 1915, at a salary of one hundred fifty dollars ($150) a month. (August 24, 1915.)

Love, Irene L., Stenographer in the Business Office, at a salary of fifty dollars ($50) a month, beginning September 1, 1915, or as soon thereafter as she may report for duty, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 7, 1915.)

Lundquist, August, Technician in the Department of Experimental Medicine, for 12 months beginning October 1, 1915, at a salary of seventy dollars ($70) a month. (September 22, 1915.)

Martin, Ada N., Secretary in the Office of the Dean of Women, at a salary of sixty-six and two-thirds dollars ($66.66) a month, beginning when she reports for duty and continuing until further notice. (September 1, 1915.)

Millar, R. W., Student Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ten dollars ($10) a month. (September 20, 1915.)

Miller, Eva G., Scientific Assistant and Cataloger in the Museum of Natural History, for one year beginning September 1, 1915, at a salary of eight hundred dollars ($800) a year. (August 20, 1915.)

Miller, J. E., Assistant in History, on two-thirds time, for 10 months beginning September 1, 1915, at a salary of sixty dollars ($60) a month. (August 10, 1915.)

Moodie, R. L., Associate in Anatomy for one year beginning September 1, 1915, at a salary of two thousand dollars ($2,000) a year. (September 13, 1915.)

Moore, J. J., Associate in Pathology, for one year beginning October 1, 1915, at a salary of eighteen hundred dollars ($1,800) a year. (September 13, 1915.)

Morris, Caroline, Assistant in Physical Training for Women, for 10 months beginning September 1, 1915, at a salary of eighty dollars ($80) a month. (September 13, 1915.)

Mosher, Edna, Instructor in Entomology, for 10 months beginning September 1, 1915, at a salary of one hundred dollars ($100) a month. (August 11, 1915.)

Mylius, L. A., Research Fellow in the Engineering Experiment Station, for two years beginning September 1, 1915, with a stipendium of five hundred dollars ($500) a year. (August 21, 1915.)

Neill, Alma J., Assistant in Physiology, for 10 months beginning September 1, 1915, at a salary of sixty dollars ($60) a month. (August 16, 1915.)

Olewine, J. H., Graduate Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of thirty dollars ($30) a month. (September 20, 1915.)

Oliver, Flossie M., Typist in the Department of Dairy Husbandry, at a salary of fifty dollars ($50) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 8, 1915.)

Rice, J. B., Assistant in Animal Husbandry in the College of Agriculture and Agricultural Experiment Station, for one year beginning September 1, 1915, at a salary of nine hundred dollars ($900) a year. (August 30, 1915.)

Robinson, R. P., Assistant in Classics, to render four hours service a week, and Research Assistant for Prof. W. A. Oldfather, on one-fourth time, at a total salary of six hundred dollars ($600) for the academic year 1915-16. (September 9, 1915.)

Robinson, W. K., Assistant in Bacteriology, for 9 months beginning October 1, 1915, at a salary of sixty dollars ($60) a month. (September 23, 1915.)

Romeiser, Alvin, Assistant in Physical Training in charge of Fencing for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (September 18, 1915.)

vanRossen, Gerard, Instructor in Chemistry, for 10 months beginning September 1, 1915, at a salary of one hundred twenty ($120) a month. (September 20, 1915.)

Shaklee, A. O., Assistant Professor of Pharmacology in the College of Medicine for one year beginning September 1, 1915, at a salary of two thousand dollars ($2,000) a year. (September 14, 1915.)

Shulters, J. R., Assistant in Romance Languages, for the first semester of the academic year 1915-16, at a salary of eighty dollars ($80) a month. (August 30, 1915.)

Sinnock, Julia E., Stenographer in the Office of the Supervising Architect, at a salary of sixty-five dollars ($65) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment at $60 a month. (August 21, 1915.)

Small, J. C., Student Assistant in Physiological Chemistry, in the College of Medicine, on one-half time, for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (September 13, 1915.)

Smith, C. S., Instructor in Physiological Chemistry in the College of Medicine, for 10 months beginning September 13, 1915, at a salary of two hundred dollars ($200) a month. (September 13, 1915.)

Steele, D. A. K., Dean of the Senior College of the College of Medicine, without salary, beginning September 1, 1915, and continuing for one year or until his successor may be appointed. (September 9, 1915.)

Tanner, F. W., Assistant in Bacteriology for 10 months beginning September 1, 1915, at a salary of one hundred twenty dollars ($120) a month; this appointment superseding his former appointment on one-half time. (September 18, 1915.)

Thurber, C. N., Assistant in English, on one-half time, for the academic year 1915-16, at a salary of six hundred dollars ($600) a year; this appointment superseding his former appointment at five hundred dollars. (September 27, 1915.)

Tracy, Grover, Assistant in Physiological Chemistry in the College of Medicine for 10 months beginning September 1, 1915, at a salary of one hundred dollars ($100) a month. (September 13, 1915.)

Vandenboom, Leona M., Stenographer in the Department of Mechanical Engineering, at a salary of fifty dollars ($50) a month, beginning September 1, 1915,

and continuing until further notice, subject to the rules of the Civil Service Commission. (September 13, 1915.)

Walker, Q. F., Research Assistant in the Office of the Dean of the Graduate School, for 10 months beginning September 1, 1915, at a salary of sixty dollars ($60) a month. (Auguts 30, 1915.)

Watson, Jane C., Assistant in Romance Languages, on part time, for the first semester of the academic year 1915-16, at a salary of one hundred fifty dollars ($150) for the semester. (September 27, 1915.)

Weedon, Amy G., Technician in the Department of Pathology, for 12 months beginning September 1, 1915, at a salary of seventy dollars ($70) a month. (September 18, 1915.)

Weiland, H. J., Research Assistant in Chemistry, for 11 months beginning September 1, 1915, at a salary of sixty dollars ($60) a month. (August 30, 1915.)

Weireck, R. B., Assistant in English, for 10 months beginning September 1, 1915, at a salary of one hundred twenty dollars ($120) a month. (September 10, 1915.)

Wells, C. W., Instructor in Histology in the College of Dentistry, for the year beginning October 1, 1915, at a salary of six hundred dollars ($600) for the year. (September 20, 1915.)

Wichmann, Gerold, Assistant in Psychology, for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (September 18, 1915.)

Williamson, Paul, Mechanician in the Department of Chemistry, at a salary of eighty-three and one-third dollars ($83.33) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (August 31, 1915.)

Wright, Mabelle J., Instructor in Piano, for 10 months beginning September 1, 1915, at a salary of one hundred dollars ($100) a month. (September 11, 1915.)

Wyatt, F. A., Assistant in Soil Fertility in the College of Agriculture and the Agricultural Experiment Station, for one year beginning September 1, 1915, at a salary of twelve hundred dollars ($1,200) a year. (September 20, 1915.)

Young, Esther, Assistant in Botany, for 10 months beginning September 1, 1915, at a salary of fifty dollars ($50) a month. (August 25, 1915.)

Zelle, Carl, Student Assistant in Chemistry, for 10 months beginning September 1, 1915, at a salary of ten dollars ($10) a month. (September 23, 1915.)

Zipprodt, Ella S., Stenographer in the Engineering Experiment Station, at a salary of fifty dollars ($50) a month, beginning August 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 22, 1915.)

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF OCTOBER 14, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Thursday, October 14, 1915, at 12 o'clock noon, pursuant to the following notice which was sent out by the Secretary on October 5, 1915:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois, at the Blackstone Hotel, in Chicago, on Thursday, October 14, 1915, at 12 o'clock noon, to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Small, Miss Watson.

President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meetings of August 4, 1915, and September 14, 1915, and of the adjourned sessions of September 23 and 27, 1915. On motion of Mr. Carr the minutes were approved as printed above on pages 782 to 844 inclusive.

MATTERS PRESENTED BY PRESIDENT JAMES.

The board proceeded to the consideration of the following matters presented by the President of the University.

FINAL PLANS FOR THE WOMEN'S RESIDENCE HALL.

(1) For the Supervising Architect I submit the final plans for the Women's Residence Hall. Of course minor changes such as the location of the range in the kitchen and the location of the dishwashers' sites may be made from time to time, but aside from these the plans represent the final views of the Supervising Architect.

They have been submitted to everyone who might be supposed to have an interest or an expert judgment in the matter and have met their approval.

The only other important matter connected with the location and erection of the Women's Residence Hall is the exact placing of the building upon the site.

The deeds to lots Nos. 24, 25, and 26 in the Forestry Heights Addition show these lots to be 147.4 feet deep. The atlas of Champaign County shows these same lots to be 146.9 feet deep. The fence on the south line, as at present established, is 146.7 feet from the property line and 147.7 feet from the sidewalk.

A covenant in the warranty deed conveying the property to the owners from whom the University acquired it is as follows:

"As a part of the consideration of the conveyance, the grantee agrees that no residence house shall be built upon either lot for a less value than twenty-five hundred dollars ($2,500); said house shall not be located nearer than forty feet from the front of the lots."

If the University desires to locate the Women's Residence Hall in conformity with this covenant and to place the very front line of the building on this "forty foot building line," then the Residence Hall will overlap the south end of this lot by 4 feet 8 inches, this location being based on the assumption that the deeds are correct. If, however, the atlas of Champaign County is correct and the deeds are not, in so far as the dimension of the depth of the lot is concerned, then the building, if placed on the forty-foot building line, will overlap the south end of these lots by 5 feet 4 inches. Assuming that the building will be placed on this forty-foot building line, then the south line of the building will be approximately 22 feet from the north line of the agricultural plots. The north line of the agricultural plots is approximately 174 feet from the north line of the property and the building from its north line to its south line is 112 feet 1 inch.

As the University has no funds for the erection of this building during the present year it will be necessary in letting the bids to make the condition that no bills will be due and payable until after July 1, 1916.

It is believed that there will be no difficulty in securing bids from responsible contractors based on that condition, provided the Trustees would be willing to pay one-half of one per cent a month interest on certificates issued prior to July 1, 1916, and it is possible that they will be willing to carry the contract without interest. It will probably not be possible to have plans ready for bidders before January 1 or February 1, but if the bids could be let at that time it would enable the contractors to get their material all together so that as soon as the frost is out of the ground they might proceed with the erection of the new building.

On motion of Mrs. Evans the plans were approved and the Supervising Architect was instructed to proceed with the preparation of detailed drawings, with the idea of calling for bids as soon as possible, to secure the erection of the building at the earliest possible date.

REGISTRATION FIGURES.

(2) A report of the Registrar on the registration in the University, as of October 1, 1915, in the Colleges and Schools at Urbana and in the School of Pharmacy, and of October 9, 1915, in the Colleges of Medicine and Dentistry.

LOCATION OF GENETICS LABORATORY.

(3) A letter from the Supervising Architect concerning the location of the Genetics Laboratory:

October 11, 1915.

President Edmund J. James.

SIR: It is proposed to locate the south line of the Genetics Building approximately 137 feet north of the north line of the Farm Mechanics Building and the east line of the Genetics Building 33 feet west of the west line of the Farm Mechanics Building. The long axis of this new building will be parallel with the axis of Mathews Avenue and the north building line will be on the line of the stables which now face the road, running east and west at the south end of Mathews Avenue prolonged.

We are enclosing a sketch which will doubtless make the matter more clear.

Yours very truly,

JAMES M. WHITE, *Supervising Architect.*

The plans for this building were approved at the meeting of the Executive Committee held September 23, 1915 [page 828]. At the same meeting the Executive Committee selected a site south of the present driveway in front and east of the Horse Barns on the south Campus, the exact location to be selected by the Supervising Architect, subject to the approval of the President of the University. The proposed site is a good one and I therefore approve it.

This report was received for record.

EXTENSION OF MORTGAGE AND NOTE.

(4) A statement concerning the extension of the note for fifty-six thousand dollars held by the board of education of the city of Chicago from the College of Physicians and Surgeons, and secured by a mortgage upon the medical property of the University of Illinois in the city of Chicago.

The balance of fifty-six thousand dollars upon this note falls due on July 1, 1916. As the Trustees will have no money which can be conveniently used for paying this note at that time, I recommend that it be extended for the period of five years, namely to July 1, 1921, at which time certain bonds also secured by mortgage upon the College of Medicine property fall due.

I recommend that the Board of Trustees of the University of Illinois accept the proposition of the board of education of the city of Chicago, as stated in the following agreement, and that the President and Secretary of the board be authorized to append their signatures to the same on behalf of the Trustees of the University of Illinois:

AGREEMENT.

"WHEREAS, On July 1, in the year of our Lord, one thousand nine hundred and one (A. D. 1901), The College of Physicians and Surgeons of Chicago, a corporation organized and doing business under the laws of the State of Illinois, of the city of Chicago, county of Cook and State of Illinois, being indebted to the board of education of the city of Chicago in the sum of eighty-six thousand dollars ($86,000) for part of the purchase money for the premises hereinafter described, as evidence of its said indebtedness executed its promissory note, bearing date July 1, A. D. 1901, payable to the order of the board of Education of the city of Chicago, and due five (5) years after its date, with interest at the rate of five (5) per cent per annum, payable semi-annually, to wit, on the first day of January and July in each year, the several installments of interest being evidenced by ten (10) interest notes, dated July 1, A. D. 1901, all of said principal and interest notes being without grace and bearing interest after maturity at the highest rate which it was then lawful to contract for, and all of said principal and interest payments being made payable in gold coin of the United States, of the present standard of weight and fineness, all at the office of the said board of education of the city of Chicago, in the city of Chicago, Ill.

AND To secure the payment of said notes, the said the college of physicians and surgeons of Chicago executed a certain purchase money trust deed, of even date with said notes, to wit, July 1, A. D. 1901, under and by virtue of which it, the said the college of physicians and surgeons of Chicago, conveyed to Lewis E. Larson of the city of Chicago, county of Cook and State of Illinois, as trustee, the following described property situated in the city of Chicago, county of Cook and State of Illinois, to wit:

Lots one (1) to seven (7), inclusive, in block twenty-three (23); also, sublots one (1) to seven (7), inclusive, of lots nineteen (19) to twenty-five (25), inclusive, in block twenty-three (23); and the vacated alley running north and south through said block twenty-three (23), in Ashland Second Addition to Chicago, in the west half of the northeast quarter of section eighteen (18), township thirty-nine (39), north, range fourteen (14), east of the Third Principal Meridian, together with all and singular the tenements, hereditaments and appurtenances thereunto belonging or appetraining, and the rents, issues and profits thereof; and all gas and electric light fixtures, engines, boilers, furnaces, ranges, heating apparatus, and all fixtures in, or that shall be placed in, any building now or hereafter standing on said land; and also, all the estate, right, title and interest of the said party of the first part of, in and to said premises.

SAID trust deed was recorded in the recorder's office of Cook County, Illinois, on the first day of July, A. D. 1901, at two o'clock p. m., in book 7185 of records, at page 517, as Document No. 3121149; and

WHEREAS, The said principal note became due and payable, according to its tenor and effect, on the 1st day of July, A. D. 1906; and

WHEREAS, At the request of the college of physicians and surgeons of Chicago, the said board of education of the city of Chicago, by agreement duly executed June 20, A. D. 1906, duly extended the time of payment of said note until July 1, A. D. 1911; and

WHEREAS, The said promissory note and the extension thereof duly became due, according to the tenor and effect of said promissory note and extension, on, to wit, the 1st day of July, A. D. 1911, and the said the college of physicians and surgeons of Chicago having requested the board of education of the city of Chicago to make a further extension of time of payment of said principal note for a period of five (5) years, said board of education of the city of Chicago at its regular meeting held on, to wit, June 28, A. D. 1911, agreed to extend the said time of payment for a period of five (5) years from July 1, A. D. 1911, and by its written agreement with said the college of physicians and surgeons of Chicago, dated July 19, A. D. 1911, did extend said time until July 1, A. D. 1916, upon the conditions, promises and agreements contained and specified in said written agreement; and

WHEREAS, The Board of Trustees of the University of Illinois, a corporation organized and existing under the laws of Illinois, having acquired title to said premises above described, through conveyance from the college of physicians and

surgeons of Chicago, subject to the lien of said trust deed and indebtedness, and the sum of thirty thousand dollars ($30,000) on the principal of said debt having been paid, and all interest that has accrued on said debt up to July 1, A. D. 1915, having been fully paid, and the Trustees of said University of Illinois having requested the board of education of the city of Chicago, as legal holder of said notes and indebtedness, to extend the time for payment of the remaining sum of fifty-six thousand dollars ($56,000) of the principal thereof until July 1, A. D. 1921; said board of education of the city of Chicago now proposes and agrees to grant said request and extend the time of payment of said principal sum of fifty-six thousand dollars ($56,000) to July 1, A. D. 1921, upon the express condition that said Board of Trustees of the University of Illinois shall agree and does agree by its acceptance of this proposal through its executive officers to pay said principal sum of fifty-six thousand dollars ($56,000) on July 1, A. D. 1921, and to pay all interest accruing thereon semi-annually as provided by said principal note for eighty-six thousand dollars ($86,000) and said trust deed at the rate of five per cent (5%) per annum on said principal sum until maturity thereof as hereby extended, and seven per cent (7%) per annum after such maturity until paid, and on each of said semi-annual interest installments after maturity thereof at the rate of seven per cent (7%) per annum until paid; and to keep, observe and perform all of the covenants, provisions and terms of said trust deed therein specified to be kept, observed and performed by said the college of physicians and surgeons of Chicago: *Provided, however,* that the entire amount of said debt with accrued interest thereon may be prepaid at any time by said Board of Trustees of the University of Illinois after giving thirty (30) days' notice in writing of its intention so to do to the said board of education of the city of Chicago.

This proposal is upon the express understanding and with the agreement to be confirmed by the acceptance of this proposal by said Board of Trustees of the University of Illinois that all of the provisions, stipulations, powers and covenants in said principal note and in said trust deed and in said written agreement of July 19, A. D. 1911, contained shall stand and remain unchanged and in full force and effect for and during the extended period of five (5) years herein contemplated, and thereafter until said indebtedness is fully paid, excepting the provision therein as to the time of payment of said principal debt, which is to be considered as changed in accordance with this proposal upon the acceptance thereof by said Board of Trustees of the University of Illinois.

IN WITNESS WHEREOF, The said board of education of the city of Chicago has caused to be affixed hereto at Chicago, Ill., the signature of its president, attested by its secretary, on the.....day of....., A. D. 1915; and the Board of Trustees of the University of Illinois, has caused to be affixed hereto at Urbana, Ill., its corporate seal, and the signature of its President attested by its Secretary, in evidence of its acceptance of this proposal, on the.....day of....., A. D. 1915.

BOARD OF EDUCATION OF THE CITY OF CHICAGO,
By ....., *President.*

Attest ....., *Secretary.*

Approved as to legal form.
.....
Attorney.
Approved as to legal form.
O. A. HARKER,
Counsel for the Board of Trustees of the University of Illinois."

On motion of Mr. Small, this extension of the loan was authorized, and the President and Secretary of the board were authorized to append their signatures on behalf of the Board of Trustees to the above agreement.

SITE FOR THE SCHOOL OF PHARMACY.

(5) A statement concerning the purchase of a site for the School of Pharmacy.

Alexander Prussing, for McKey and Poague, real-estate agents, in a communication to the President of the board on September 29, 1915, states that he thinks that the property which has been under consideration as a possible site for the School of Pharmacy might be obtained for the sum of fifteen thousand dollars, with the addition of six hundred twelve dollars and fifty cents to pay the cost of guaranteeing the title, attorney's fees, and commissions. He states further that if it would be possible to leave the offer open for another week he might get a definite reply.

No action was taken concerning this matter.

SITE FOR CLINICAL BUILDING.

(6) The following statement:

The matter of selecting a site for the Clinical Building was referred to the Committee on Buildings and Grounds [page 778]. In order to assist the committee in its deliberations I appointed the following committee of the Faculty of the College of Medicine to make preliminary studies on the site and plans of the Clinical Building: C. S. Bacon, Chairman; D. A. K. Steele; C. S. Williamson; Charles Davison; D. J. Davis; W. H. Browne. I have received from this committee a report recommending unanimously the purchase of the Marquette School site, a lot approximately 289 feet long by 126 feet wide, bounded by Wood, Congress and Harrison Streets, and an alley on the west. This property is owned by the

board of education of the city of Chicago and that board is desirous of changing the location of the school.

I recommend that this site be acquired if possible and as soon as possible by the University for the use of the Medical Departments of the University which are located in Chicago. I wish to take this occasion again to emphasize the necessity of acquiring a site for a Clinical Building at the earliest possible moment.

On motion of Mrs. Henrotin, the President of the Board of Trustees was authorized to secure an option on this property if possible.

BOARD OF EXAMINERS IN ACCOUNTANCY.

(7) The University Committee on Accountancy recommends that Mr. Nathan William MacChesney of Chicago be appointed a member of the Board of Examiners in Accountancy for a term of three years ending July 1, 1918, in place of Mr. Marquis Eaton, whose term has expired.

On motion of Mr. Carr, this recommendation was approved.

PROTECTION OF GAME.

(8) A request from the American Game Protective and Propagation Association that the University join it in furtherance of the work for the protection of game birds. On the recommendation of Dean Eugene Davenport of the College of Agriculture and Prof. Stephen A. Forbes, Director of the State Laboratory of Natural History, I recommend that this association be permitted to add the name of the Board of Trustees of the University of Illinois to the list of organizations which are in favor of sustaining the Federal Migratory Bird Law.

On motion of Mr. Carr, this recommendation was approved.

PROPOSED BATTERY OF ARTILLERY.

(9) A statement in regard to the proposed battery of field artillery.

The Professor of Military Science, Maj. F. D. Webster, is very anxious that the University should organize a battery of field artillery as a part of the University military organization. Such a battery would be a part of the National Guard and would go into camp each year with the batteries of the regular army. The equipment, valued at $125,000, would be the same as that of the regular army, and would be furnished by the Federal Government and the State. Thirty-two horses are furnished each battery of organized militia, and complete equipment is provided for each enlisted man and forage and expense for the care of the horses by the State.

Maj. Webster, in a letter dated September 14, 1915, estimates that it would be necessary for the University to provide one gun shed with store-rooms, etc., 50 by 100 feet, estimated cost fifteen thousand dollars, one stable for thirty-two horses, estimated cost five thousand dollars, heating and lighting equipment and maintenance, estimated cost five thousand dollars; total, twenty-five thousand dollars. The annual expense for heating and lighting would be about twenty-five hundred dollars.

It is proposed to admit certain members of the Faculty to membership in this battery. This seems to be a very desirable arrangement indeed. There is one such battery organized at Purdue, where an arrangement has been made with the Governor of the State by which the battery shall not be called into actual service as a part of the National Guard except in extreme cases.

No action was taken on this subject.

LABORATORY FEES.

(10) The Council of Administration at its meeting of September 14, 1915, voted to recommend to the board that the laboratory fee in the new six-hour course in qualitative analysis (Chemistry 3a) be fixed at eight dollars; and that the fee in Chemistry 111 be made two dollars a credit hour up to a maximum of ten dollars.

On motion of Mr. Carr, this recommendation was approved.

AUTHORITY FOR TRANSFER OF FUNDS.

(11) A letter from the Comptroller of the University in regard to the transfer of moneys in the hands of the University Treasurer:

October 11, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: In my opinion, the Board of Trustees should give authority to the Comptroller to transfer moneys from one fund to another fund in the hands of the University Treasurer, as demanded by the exigencies which constantly arise in the business office.

Such authority in no way interferes with the liability of the University Treasurer to the Board of Trustees or the University. The transfers in no way interfere with the stipulations covered in the bond he has given the University as a matter of good faith and protection.

The power to order transfers of moneys from one fund to another should be given the Comptroller because in most instances in which such transfers must be made board action could not be waited for. To illustrate:

At the beginning of the present fiscal year, expenses chargeable to the Smith-Lever Funds arose at once. At the same time there were no funds out of which to pay these expenses since the proceeds from the United States Government were not received. Such expenses, of course, include certain salaries and other items that must be paid, and could not be held up for board action; funds must at once

be provided for the proper disbursements of such items. The Smith-Lever receipts may not reach the University Treasurer until possibly a month or two after the beginning of our fiscal year. Under such conditions, it was, of course, imperative that immediate action be taken to provide funds for expenses chargeable to the Smith-Lever income. Such action was taken at the beginning of this fiscal year.

We recently requested the Treasurer to transfer $5,000 from general funds to trust funds. This was on account of military suits. Fees collected on account of military suits are held as a trust fund, inasmuch as the money is paid directly to the firm furnishing the suits, or, in some instances, refunded to the student if he is excused from military drill. In any event, the total amount collected is paid out and the money, therefore, is in the nature of a trust fund. Now, fees on account of military suits are collected at the same time as other fees, these collections being made at various stations about the Campus. On registration days, the collections vary from $35,000 to $45,000 per day, or $90,000 for the two days. It is not advisable to keep this amount of money on hand, and deposits are, therefore, made on registration days at frequent intervals. The stubs evidencing the items for which the cash has been received are not returned into the business office from the various stations nor checked up for a couple of days. These stubs contain both general as well as military fees, that is to say, money received on account of general fund and on account of trust fund. It would be impossible at the time such deposit is made to state how much of the deposit is for general fund and how much for trust fund. The information giving this separation is not available until after the deposits have been made. This office could not afford to retain the collections during registration days in the vaults at our disposal. That would be absolutely unsafe. Consequently, there is no recourse for us except in asking transfers from the general fund to a trust fund on account of fees collected for military suits.

The above two instances will probably show you the necessity for quick action in the matter of transfers. In fact, no transfers can be anticipated and all transfers must be made on short notice. This condition really makes it almost necessary to empower the Comptroller to authorize the transfers referred to.

Yours truly,

W. B. CASTENHOLZ, *Comptroller.*

On motion of Mr. Carr, authority was granted to the Comptroller to direct the Treasurer to transfer moneys from one fund to another, provided that no change be made in the trust funds without permission of the Board of Trustees nor in other funds without the approval of the President of the board.

EMPLOYMENT OF AUDIT COMPANY.

(12) A request from the Comptroller for the appointment of a firm of certified public accountants to audit the books of the University:

September 29, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Will you kindly advise me whether the firm of certified public accountants that is to audit the books of the University has been selected by the Finance Committee. The by-laws provide that an audit shall be made at the end of each quarter; the period of audit now contracted for ends March 31, 1916.

I should like to submit the names of the following firms to the Finance Committee. I am quite sure that any of them would give the University the very highest class of service, and, in fact, service which might be of actual benefit to our office in the way of accounting organization and suggestions. The firms that I have especially in mind are: Lybrand, Ross Brothers, and Montgomery, Chicago, Ill.; Clinton H. Scovell and Company, Chicago, Ill.; Anderson, DeLany, and Company, Chicago, Ill.

I think the University should secure certified pulbic accountants who stand for the highest kind of professional ethics and whose reputations are absolutely without blemish. Any of the above concerns can measure up to such a standard.

Very truly yours,

W. B. CASTENHOLZ, *Comptroller.*

This request was referred to the Finance Committee with power to act.

CASES FOR COLLECTIONS IN ENTOMOLOGY.

(13) A request from Prof. Stephen A. Forbes for an appropriation of five thousand dollars to provide fire-proof and dust-proof cases for the collections in entomology:

October 6, 1915.

President Edmund J. James.

DEAR DR. JAMES: The proposed transfer this semester of the State collection of insects from a room in the old and combustible part of the Natural History Building to one in the new fireproof part naturally brings up the subject of the accommodation, improvement, and utilization of these collections, with special reference to the University interest. The product of forty years' work of the State Entomologist's Office and the Natural History Survey, they have become very large—probably the most valuable State collection in America. They are unusually useful for scientific purposes because I have from the beginning preserved and put on permanent record data of time, place, and precise condition for each collection. Much of the material is, indeed, the product of breeding-cage work, and valuable, consequently, for life-history studies.

We have now in round numbers about 337,000 pinned specimens of insects, 22,200 bottle and vials of alcoholic specimens, and 5,000 microscope slides. From five to ten per cent of these specimens belong to economic species, and are useful in the work of the State Entomologist's Office, but the remainder is of value chiefly

to the specialist and the advanced student of entomology. The collections as they stand are the basis of practically all the high-grade and graduate work of our University Department of Entomology but they could be made very much more useful for this purpose if properly housed and completely classified. There is no other large collection within the reach of our students—a point in which the University of Illinois is at a disadvantage as compared with most eastern institutions, which have large museum and other public as well as private collections accessible to them.

It is my wish to make all this material as available and useful to the University work as is the State Laboratory Library, of which all concerned have the same use as if it belonged to the University proper. To this end it has seemed to me that I should ask that the University would, if practicable, provide the new room with first-class modern insect drawers and cases for the protection of this delicate material, so disposed as to make it easily accessible to those interested; and I have obtained from the United States National Museums, in Washington, descriptions, structural drawings, and prices of the most approved and modern forms of drawers and cases used in that Museum.

I find that for our present collections, with some reasonable allowance for the accessions of the next few years, we should need one thousand drawers at three dollars each, and twenty cases to contain them, at fifty dollars each, a total of four thousand dollars. Additional shelved cases for the alcoholics, tables for assistants, students and the like, would probably bring the cost of furnishing the room to five thousand dollars, and I venture to hope that the Trustees may find it proper and possible to make an appropriation of this amount for this purpose. It is important that this be done at once, if practicable; and I am writing the manufacturers of the National Museum drawers and cases to learn how much time would be needed to make this furniture after an order is placed.

Respectfully yours,

STEPHEN A. FORBES.

On motion of Mr. Small, the sum of five thousand dollars, or so much thereof as may be necessary, was appropriated for the purposes outlined above. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hoit, Mr. Trevett, Mr. Ward.

ADDITIONAL WATER SUPPLY.

(14) The following statement:

Among the items that it was intended to provide for in the budget under the head of physical plant extension was the sinking of two wells to provide an additional water supply. The following letter from the Supervising Architect explains itself:

October 12, 1915.

President James.

DEAR SIR: We have two propositions for additional deep wells, one from the Layne & Bowler Co., and the other a general proposition from several concerns for wells similar to those which we now have in use.

The Layne & Bowler proposition is one based on a charge of $19 per gallon for each gallon of water pumped per minute, based on measurements taken at the end of a thirty-day pumping period. This system is a new and untried one for this part of the country, and in view of this, we asked the company if they would agree to give us bond for satisfactory operation of the well and pump. This bond is to hold for one year, and the final payment is to be based on the operation of the well at the end of that period. The whole proposition has been taken up in detail with Prof. Talbot, and he concurs in the following:

It is recommended that the contract for additional water supply be let to the Layne & Bowler Company, on the terms such as would be outlined in a ocntract at a rate of $19 per gallon with a minimum of fifty gallons per minute, provided this contract includes all the stipulations that seem necessary to the Supervising Architect. It is further recommended that, if this company will not comply with the recommendations, the University sink two deep wells of the type now in use.

Yours very truly,

JAMES M. WHITE, *Supervising Architect.*
By H. D. OBERDORFER.

On motion of Mrs. Henrotin, the recommendation contained in the above letter was approved.

EQUIPMENT FOR PHYSIOLOGY LABORATORY.

(15) A request from Prof. W. E. Burge of the Department of Physiology for an appropriation of sixteen hundred and seventy-five dollars, or as much thereof as may be necessary, for additional equipment in the Department of Physiology, required by the large increase in registration in this department during the last two years.

On motion of Mr. Carr, the President of the University was authorized to order the purchase of equipment for this purpose, at a cost of not more than sixteen hundred and seventy-five dollars. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hoit, Mr. Trevett, Mr. Ward.

USE OF ARMORY FOR PHYSICAL TRAINING.

(16) A request from Mr. George A. Huff, Director of Physical Training, for permission to use a portion of the New Armory for basketball games and practise:

October 11, 1915.

President Edmund J. James, University of Illinois.

MY DEAR SIR: I respectfully ask for permission for the use of a portion of the New Armory for basketball games and practise. If this permission is granted, some changes in the building would be required.

It would be necessary to have a wood floor across one end of the Armory extending eighty feet from the end wall. A portion of the permanent balcony, which is designed for the Armory, should be built on each side of the Armory extending from between eighty and one hundred feet from the end of the Armory. The remainder of the seating would be taken care of by movable bleacher seats. This permanent balcony would really be a great help at Commencement time and as a reviewing stand for military functions, or similar affairs.

It would also be necessary to make some changes in the concrete floors which are now in the Armory in order that we could still have the sixth of a mile running track.

Enclosed please find a plan showing the Armory as it is now and one showing it as it would be if these changes are made.

It would be necessary for us to have the use of this 80-foot strip each afternoon in the week during the drill hour for four months of the year, viz., December, January, February, and March. There would be nothing, however, to interfere with the use of the entire building on special occasions, as all stands could be removed, if necessary.

Yours very truly,

GEO. A. HUFF, *Director of Physical Training.*

This matter was fully discussed in its various aspects but no action was taken.

STORES FUND.

(17) A letter from the Comptroller asking for the creation of a stores fund of twenty-five thousand dollars in the hands of the University Treasurer:

October 12, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: I wish hereby to respectfully request board action creating out of general funds in the hands of the University Treasurer a stores fund of $25,000.

The business office now buys supplies in large quantities at wholesale prices and keeps these on hand subject to departmental requisitions. The present arrangements of funds at Springfield makes it impossible to pay the original purchase bill out of State appropriations, because we cannot know in advance what departments will use the supplies, in what amounts they will be used or for what purpose. Consequently, the original purchase bills cannot be certified to the Auditor of Public Accounts against any of the State funds. And again, even if such certification were possible, it would not be desirable because the delay on the part of the State in paying such bills would deny us the right of earning the cash discounts.

We have, however, made arrangements with the State Auditor whereby he has agreed to reimburse the University out of State funds for withdrawals out of funds in the hands of the University Treasurer. These reimbursements are made as the departmental requisitions for stores are submitted to the State Auditor. Only under such conditions, can he charge the proper State funds.

Under present conditions, our books present the inventory of all supplies in the extremely ridiculous status of an overdraft. This status is induced by the following entries that must now be made. All purchases are charged as disbursements to the various supply accounts, for which there are no appropriations. As the supplies are furnished to the departments, the stores requisitions are sent to Springfield and a warrant is made out there for the amount of departmental stores withdrawn. These warrants when received by the business office, are then credited in the nature of an appropriation account to the stores account. The result is, naturally, an overdraft, since the volume of purchases exceeds the amounts received from Springfield for departmental purchases.

This whole defect can be solved by the creation of a stores fund to be set up in the accounts of the University Treasurer. This stores fund should be approximately equal to the amount of stock on hand. In other words, we are requesting the creation of a trust fund for supply purposes. This amount, which should be $25,000 will, of course, be inflexible and will be ample to meet at all times the needs of the University for its purchases of storeroom supplies. The fund would be operated practically like a petty cash fund on the imprest system. By this I mean that either the entire amount of the fund would have to be on hand or the sum of the cash in the fund plus any un-reimbursed items would equal the total of the fund. Out of this fund, all purchases would be made and the warrants from the State Auditor for the supplies as used would be the reimbursing agencies.

The present duplication in records would be eliminated by the adoption of the above outlined method. There is now, of course, a double showing of disbursements; first, the purchase of the material for the stores room; and second, the disbursement charged to the department for the stores used. We also must show the reimbursements for stores used under receipts.

The entire present plan runs counter to every approved idea in accounting procedure. It makes impossible the carrying on our general ledger of a perpetual inventory account, which is extremely desirable as a means of control over the actual inventories in the various supply rooms. If a fund of this kind is created, we can run the inventory and stores system in a logical manner, setting up the inventory as a regular asset in our general ledger and charging departments on the basis of the stores requisitions monthly, crediting, of course, the inventory

account. In this way, all duplication will be avoided, the embarrassment of stating an asset as an overdraft will be eliminated and our general scheme of double entry bookkeeping and general ledger control will be fostered.

I sincerely trust the board will authorize the creation of a trust fund for stores purposes, so that our records may appear less absurd and absolutely accurate.

Yours truly,

W. B. CASTENHOLZ, *Comptroller.*

On motion of Mrs. Evans, the recommendation of the Comptroller was referred to the Finance Committee with power to act.

At this point, Mr. Small withdrew.

EXPERIMENTAL GAS PLANT IN OLD BOILER HOUSE.

(18) A letter from Dean W. F. M. Goss enclosing one from Prof. S. W. Parr concerning investigations involving the low temperature distillation of coal, and further provision for prosecuting these investigations.

October 13, 1915.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: Prof. S. W. Parr has for a number of years been engaged under the auspices of the Engineering Experiment Station in important investigations involving the low temperature distillation of coal. His work in this field has attracted wide attention and has been generally commended. The progress of his work has now brought him to a point where the next step must involve apparatus of such size as will permit the handling of considerable quantities of fuel: The design and construction of this apparatus and the cost of attendants incident to its operation are matters which the Engineering Experiment Station is not prepared to meet.

In this emergency an outside agency, the American Tar Products Company, has proposed to cooperate with the Engineering Experiment Station to the extent of supplying such funds and materials as are necessary to extend the scale of Prof. Parr's work. They propose doing this without abridging in the least the station's control over the results obtained; their interest, as I understand it, being solely that of parties who will benefit by such progress in the art as the station may be instrumental in bringing about.

Prof. Parr's letter to me with reference to the subject, constituting a much more elaborate statement of facts, is hereunto attached.

I would ask:

1. That I be authorized to approve the proposed plan of cooperation upon the receipt of documentary evidence which will serve to confirm my present understanding of the matter as above set forth.

2. That the Supervising Architect be authorized to cooperate with the Director of the Engineering Experiment Station and with Prof. Parr in making available for this work such floor space as may be necessary in the old boiler plant or elsewhere as conditions may suggest.

It is understood that the approval of these proposals will not involve the University in expenditures in excess of those which are covered by existing budgets.

Respectfully submitted,

W. F. M. Goss.

October 13, 1915.

Dean W. F. M. Goss, 300 Engineering Building.

DEAR SIR: The work on low temperature distillation of coal which has been carried on under my supervision for something over ten years has reached the status which is fairly indicated in bulletins Nos. 24, 60, and 79 of the Engineering Experiment Station.

During the last academic year with the more elaborate apparatus furnished by the station, and with the diligent and effective work of Mr. Layng in connection therewith, there were developed additional facts of more than ordinary significance.

The chief item in these later experiments indicates the possibility of the control to a large extent of the yield of creosoles or tar acids which are of fundamental importance in the wood-preservation industry. The importance of this phase of the work could easily be shown equal to the main interest involved in the earlier investigations; namely, the production of a smokeless fuel. However, the demonstration at the present time and with the apparatus at hand is more nearly that of a laboratory process, and in order to prove up its possibilities, it is necessary to continue these experiments on a sufficiently enlarged scale to establish the practicability of this method of increasing the yield of creosoting material for wood preservation purposes.

From my own standpoint, I thoroughly believe in the importance of continuing this work to the extent that I would urge the establishment of the semi-commercial plant indicated, even though the expense involved may be considerable. However, during the last year these experiments have appealed to the American Tar Products Company of Chicago to the extent that they are willing to cooperate with us in such a way as to insure the continuance of these experiments. Their relation to this work as I understand it may be briefly outlined as follows:

The main purpose on the part of the American Tar Products Company is to promote the establishment of an industry which will supply to them the tar products required in their business, which calls for large quantities of creosote oils.

They do not claim any prerogative in the matter of publication of the results obtained. It is their purpose to meet the expenses involved in preparation of detail drawings, construction and erection of the equipment, cost of materials, coal used and city gas so far as that may be needed, cost of labor and the salary of a man to supervise the construction and operation of the plant.

All the work of designing, construction and operation will be under my general supervision.

The housing of the plant and the supplying of steam, water, air, and power, would be presumably supplied by the University.

The plans so far considered have had in mind the operation of such a plant for a year, but it should be possible, if circumstances make it desirable, to continue the work for two years in order to secure the greatest possible illustrative data from the experiment.

I would ask for such formal approval as you may deem necessary in the way of endorsement of this general plan of cooperation on the part of the American Tar Products Company, and the providing of suitable location and accessories for carrying on the work as outlined.

Very truly yours,

S. W. PARR,
Professor of Applied Chemistry.

On motion of Mr. Carr, the recommendation of Dean Goss was approved.

USE OF THE WOMAN'S BUILDING FOR STUDENT PARTIES.

(19) The following statement:

The Council of Administration at its meeting of October 12, 1915, passed the following resolution:

That the Council of Administration recommend to the Board of Trustees that the use of the Woman's Building be granted for annual parties given by recognized groups of women students under regulations to be formulated by the Dean of Women and approved by the Council of Administration, subject to the following provisions:

1. That a reasonable fee be paid for the use of the building in each case.
2. That such parties are to give way to any general University function on twenty-four hours' notice.
3. That no decorations shall be used at such parties except those furnished by the Supervising Architect with the approval of the Dean of Women.

After considerable discussion, and on motion of Mrs. Henrotin, this matter was referred to the Committee on Students' Welfare for consideration and report.

COURSE IN CHEMICAL ENGINEERING.

(20) A statement that Dean W. F. M. Goss considers that the course in chemical engineering now administered by the College of Liberal Arts and Sciences should be transferred to the College of Engineering and that students pursuing courses leading to the degree of bachelor of science in chemical engineering should be registered in the College of Engineering.

No action was taken in this matter.

HAMMER'S ATELIERS FOR SCIENTIFIC MODELS.

(21) The following statement:

The firm founded by Joseph Hammer for the preparation of scientific models has organized a plastic studio at the University of Munich in Germany. It has also organized a similar studio in Chicago and has asked for the use of a room in one of the Medical Buildings as a work shop. In return for the use of the room, with heat and light, it undertakes to permit the Professors of the University to utilize any of its scientific models for instruction purposes in the College.

It is recommended by the Junior Faculty of the College of Medicine that the small room in the north end of the top floor of the Annex to the Dentistry Building be assigned for this purpose without rent to Hammer's Ateliers until further notice.

On motion of Mrs. Evans, this recommendation was approved.

REPORT ON SUMMER SESSION.

(22) A report on the summer session by Director W. C. Bagley. The Director recommends that a larger sum be appropriated for the support of the summer session. He is also in favor of making more adequate provision for systematic work and more ample provision for graduate courses.

No action was taken on this matter.

FURNITURE AND FIXTURES FUND.

(23) A recommendation that the sum appropriated for the erection and equipment of the new Chemistry Laboratory in the budget adopted for the present year be reduced from two hundred and fifteen thousand dollars to two hundred and eight thousand dollars, and that the difference of seven thousand dollars be assigned to the furniture and fixtures fund for the present year.

On motion of Mr. Carr, this recommendation was approved.

SMITH MEMORIAL BUILDING.

(24) A request from the Supervising Architect for authority to employ Mr. C. H. Blackall as consulting architect in preparing the plans for the Smith Memorial Building. According to a letter to Prof. White dated September 17, 1915, Mr. Blackall is willing to undertake this work of preparing drawings for the Music Hall part of the building and its approaches. He thinks, however, he should have the responsibility for preparing these plans entire. His charge for this service

would be estimated at four times the draftsman's wages; in addition to which, however, he would put in a bill for traveling expenses for such times as he should come to Champaign for conference and study, plus a charge of ten dollars a day for the time he was absent on such trips from his Boston office.

No action was taken on this request.

BIDS ON FURNITURE FOR CHEMISTRY BUILDING.

(25) A list of bids on furniture for the Chemistry Building, submitted by the Supervising Architect:

Firm.	A	B	C	D	E	Total.
Walrus Manufacturing Co.....	$3,915 12	$16,815 18	$26,149 23	$23,166 12	$2,692 40	*$ 72,738 05

* Accepted figures, $72,740 95.

No action was taken in this matter.

REPORT, COMMITTEE ON STUDENTS' WELFARE.

Mrs. Henrotin presented a report from the Committee on Students' Welfare. This report was received and placed on file.

APPOINTMENTS TO FILL VACANCIES.

The Secretary presented for record the following list of appointments made by President James:

Bell, Norma, Clerk in the Catalog Department of the Library, on one-half time, for eleven months, beginning October 1, 1915, at a salary of twenty-seven and one-half dollars ($27.50) a month. (October 7, 1915.)*

Bollman, Minnie J., Cataloger in the Library, at a salary of seventy dollars ($70) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

Carroll, W. F., Beneficiary of the Rea Scholarship Fund in the College of Medicine for the academic year 1915-16, with a stipendium of sixty dollars ($60) payable in two installments, one at the end of each semester. (October 13, 1915.)

Culver, H. B., Instructor in Experimental Medicine, for twelve months, beginning October 1, 1915, at a salary of twelve hundred dollars ($1,200) a year. (October 5, 1915.)

D'Vorak, A. C., Student Assistant in Chemistry in the College of Medicine, on one-half time, for ten months beginning October 1, 1915, at a salary of five hundred dollars ($500) for the year. (October 13, 1915.)

Falls, F. H., Instructor in Obstetrics and Pathology for twelve months beginning October 1, 1915, at a salary of twelve hundred dollars ($1,200) a year. (October 6, 1915.)

Hill, Fanny W., Reviser and Assistant in the Library School, for nine months beginning September 20, 1915, at a salary of seventy-five dollars ($75) a month. (October 7, 1915.)

Jones, Orah, Stenographer in the State Water Survey, at a salary of fifty-five dollars ($55) a month, beginning October 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 28, 1915.)

Kile, Laura L., Stenographer in the President's Office, at a salary of seventy dollars ($70) a month for three-fourths time, beginning October 1, 1915. (October 12, 1915.)

Laguardia, C. J. B., Assistant in Romance Languages, for nine months beginning October 1, 1915, at a salary of one hundred dollars ($100) a month. (October 6, 1915.)

Lampert, Max, Beneficiary of the Rea Scholarship Fund in the College of Medicine for the academic year 1915-16, with a stipendium of sixty dollars ($60) payable in two installments, one at the end of each semester. (October 13, 1915.)

McElroy, Mildred, Library Assistant, at a salary of sixty-five dollars ($65) a month, beginning September 14, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

McGraw, Katherine L., Library Assistant, at a salary of sixty-five dollars ($65) a month, beginning September 8, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

Nadeau, O. E., Instructor in Surgery, for one year beginning October 1, 1915, at a salary of six hundred dollars ($600) a year. (October 6, 1915.)

Nickoley, Edward F., Assistant in Accountancy, on one-half time, for nine months beginning September 20, 1915, at a salary of sixty-six and two-thirds dollars ($66.66 2/3) a month. (October 13, 1915.)

Norwood, L. H., Beneficiary of the Rea Scholarship Fund in the College of Medicine for the academic year 1915-16, with a stipendium of sixty dollars ($60) payable in two installments, one at the end of each semester. (October 13, 1915.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

Paul, Katherine H., Scientific Artist in the Department of Zoology, for eight and one-third months beginning October 1, 1915, at a salary of one hundred twenty dollars ($120) a month; this appointment subject to revocation for unsatisfactory work. (October 4, 1915.)

Roberts, Nellie R., Library Assistant in English, at a salary of seventy-five dollars ($75) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

Romero, Newman, Catalog Typist in the Library, for nine months beginning October 1, 1915, at a salary of twenty-seven and one-half dollars ($27.50) a month. (October 7, 1915.)

Runyan, C. E., Clerk in the Library, for eleven months, beginning October 1, 1915, at a salary of thirty dollars ($30) a month. (October 7, 1915.)

Schmidt, Robert, Storekeeper and Technician in the Department of Zoology, at a salary of seventy-five dollars ($75) a month, for the term of nine months beginning October 1, 1915, or as soon as he may report for duty; this appointment subject to revocation for unsatisfactory work. (September 29, 1915.)

Seletz, Abraham, Beneficiary of the Rea Scholarship Fund in the College of Medicine for the academic year 1915-16, with a stipendium of sixty dollars ($60) payable in two installments, one at the end of each semester. (October 13, 1915.)

Shelton, Wilma L., Library Assistant, at a salary of sixty-five dollars ($65) a month, beginning September 20, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

Stevenson, F. L., Clerk in the Catalog Department of the Library, on one-half time, for eleven months beginning October 1, 1915, at a salary of twenty-seven and one-half dollars ($27.50) a month. (October 7, 1915.)

Stokes, J. H., Instructor in the Dispensary, in the Department of Dermatology, for the year beginning October 1, 1915, without salary. (October 12, 1915.)

Voss, Esther K., Technician in Pathology, at a salary of forty dollars ($40) a month, beginning October 1, 1915, and continuing until further notice, but in no case beyond September 30, 1916; this appointment subject to revocation for unsatisfactory work. (October 4, 1915.)

Weston, Jessie B., General Assistant in the Library, at a salary of seventy-five dollars ($75) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (September 6, 1915.)

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF OCTOBER 30, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, on Saturday, October 30, 1915, beginning at 10 o'clock a. m.

President Abbott and Mr. Carr, members of the committee and Mrs. Evans, Mrs. Henrotin, Mr. Ward, and Miss Watson, members of the board were present. Vice President David Kinley, Maj. F. D. Webster, and Prof. J. M. White were present.

Vice President Kinley presented the following recommendations on behalf of President James.

BATTERY OF ARTILLERY.

(1) A recommendation that the Board of Trustees approve the suggestion of Adjutant General Frank S. Dickson that a Battery of Field Artillery of the National Guard be authorized at the University of Illinois, and that the President of the University be authorized to take such steps as may be necessary to put the plan into immediate effect.

Maj. Webster explained this matter in detail.

On motion of Mr. Carr, this recommendation was approved.

LEAVE OF ABSENSE FOR PROF. S. O. ANDROS.

(2) A recommendation that the Board of Trustees approve the recommendation of Dean W. F. M. Goss that a leave of absence for the month of November, without salary, be granted to Mr. S. O. Andros, Assistant Professor of Mining Research in the Engineering Experiment Station.

On motion of Mr. Carr, this recommendation was approved.

APPROPRIATION, COLLEGE OF MEDICINE.

(3) A recommendation that eleven hundred and forty dollars ($1,140) of the unassigned funds of the College of Medicine be added to the sums allotted the Departments of Anatomy and Chemistry of the College of Medicine for the purchase of cadavers, and for equipment and repair, respectively, to be expended under the direction of the President, provided he is satisfied, after further inquiry, that the additional expenditures are justified.

On motion of Mr. Carr, this recommendation was approved.

SETTLEMENT FOR ADMINISTRATION BUILDING.

Prof. White presented the matter of settlement with English Brothers for the general contract for the Administration Building.

On motion of Mr. Carr, the recommendation of the Committee on Buildings and Grounds, that a bonus of $1,050 be paid English Brothers for the completion of the building on July 15 instead of September 1, 1915, as provided for in the contract, was concurred in.

The Executive Committee Adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

MEETING OF DECEMBER 14, 1915.

The quarterly meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, on Tuesday, December 14, 1915, at 12.00 m.

The following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson.

President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of October 14, 1915. On motion of Mr. Carr, the minutes were approved as printed above on pages 845 to 857, inclusive.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters presented by President James:

SAFEGUARDING OF COLLECTIONS.

(1) The following statement:

A recent defalcation by the cashier of a neighboring university caused me to examine again the system employed by the University of Illinois to safeguard the funds collected by the institution. In response to my request, the Comptroller has submitted a communication of several pages covering the points involved. I recommend that this communication be referred to the Finance Committee for consideration and report.

This recommendation was concurred in.

REGISTRATION, NOVEMBER 1, 1915.

(2) A report of the Registrar showing the comparative registration in the University on November 1, 1915, and November 1, 1914.

This report was received for record.

COMPARATIVE REGISTRATION, NOV. 1, 1914, AND NOV. 1, 1915.

APPARATUS FOR ANATOMY.

(3) A request from the Department of Zoology, approved by Dean K. C. Babcock, for an appropriation of $700 for the purchase of equipment necessary to carry on Courses 1 and 2 in Human Anatomy.

On motion of Mrs. Evans, the sum of seven hundred dollars, or so much thereof as may be necessary, was appropriated for the purchase of equipment as requested above. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

ALBERT P. GROUT.

(4) Announcement of the death of Albert P. Grout, formerly a member of the Board of Trustees.

Mr. Hoit and Mrs. Evans were appointed a committee to draft resolutions to be sent to the surviving members of the family, to be printed in the minutes, and to be given to the press.

CONFERENCE OF COLLEGE PRESIDENTS.

(5) A request for authority to hold a conference of the college presidents of the State to consider the relations of the colleges with the University; and for an appropriation of $250 to pay the traveling expenses of the persons invited and the other expenses of the conference.

On motion of Mrs. Henrotin, authority to call such a conference was granted and the sum of two hundred fifty dollars, or so much thereof as may be necessary, was appropriated for this purpose. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

SENATE COMMITTEES ENLARGED.

(6) A recommendation from the University Senate that the statute (University of Illinois Statutes, 1908, page 35, IV, 1 and 2) concerning the standing committees of the Senate be amended to provide for seven members (instead of five) of the Committee on Educational Policy and the Committee on the Library.

On motion of Mr. Carr, this recommendation was approved.

AUTOMOBILE FOR THE OPERATING DEPARTMENT.

(7) A request from the Operating Department for the purchase of a five-passenger Ford which has been rented for some time for the use of that department. The machine is a second-hand car that has been run two hundred fifty miles, and is in excellent condition. It is equipped with shock absorbers and all accessories and cost when new $465. The amount already paid for rental ($235) may be applied on the purchase of the car; the appropriation of the balance ($175) is now requested.

On motion of Mrs. Evans, the sum of one hundred seventy-five dollars was appropriated for the purchase of this automobile. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

RESOLUTIONS, ILLINOIS SOCIETY OF ARCHITECTS.

(8) Resolutions passed in November by the Illinois Society of Architects to the following effect:

"That it be the sense of the Illinois Society of Architects that the School of Architecture be taken out of the College of Engineering and be given its proper place in the curriculum."

No action was taken in this matter.

EXAMINATION IN ENGLISH LITERATURE.

(9) A recommendation from the University Senate that the item "English literature, 2 units" be omitted from the list of examinations required of applicants for admission who present 15 units from accredited high schools, but who are not graduates of such schools.

On motion of Mr. Carr, this recommendation was concurred in.

THE CURRICULUM IN MUSIC.

(10) A recommendation from the University Senate that the following changes be made in the curriculum of the School of Music:

1. That the number of credit hours in the major subject be made four instead of six each semester for two lessons a week.
2. That the minor subject be required for each of the four years.
3. That Education to be required in the second semester of either the junior or the senior year.

On motion of Miss Watson, these changes were authorized.

SIX-YEAR CURRICULUM IN SCIENCE AND DENTISTRY.

(11) A recommendation from the University Senate that a six-year curriculum in Science and Dentistry be established, the first three years to be taken at Urbana and the last three in Chicago, the graduate to receive the degrees of Bachelor of Science and Doctor of Dental Surgery at the end of the six years.

On motion of Miss Watson, this curriculum was authorized.

LEAVE OF ABSENCE FOR MR. O. S. WATKINS.

(12) A request from Prof. J. C. Blair, endorsed by Dean Davenport, that Mr. O. S. Watkins, of the Department of Horticulture, be granted leave of absence on full pay for four months. Mr. Watkins has been connected with the University for about ten years but has seldom taken a vacation. In view of the fact that he is in ill health, this request does not seem to be unreasonable.

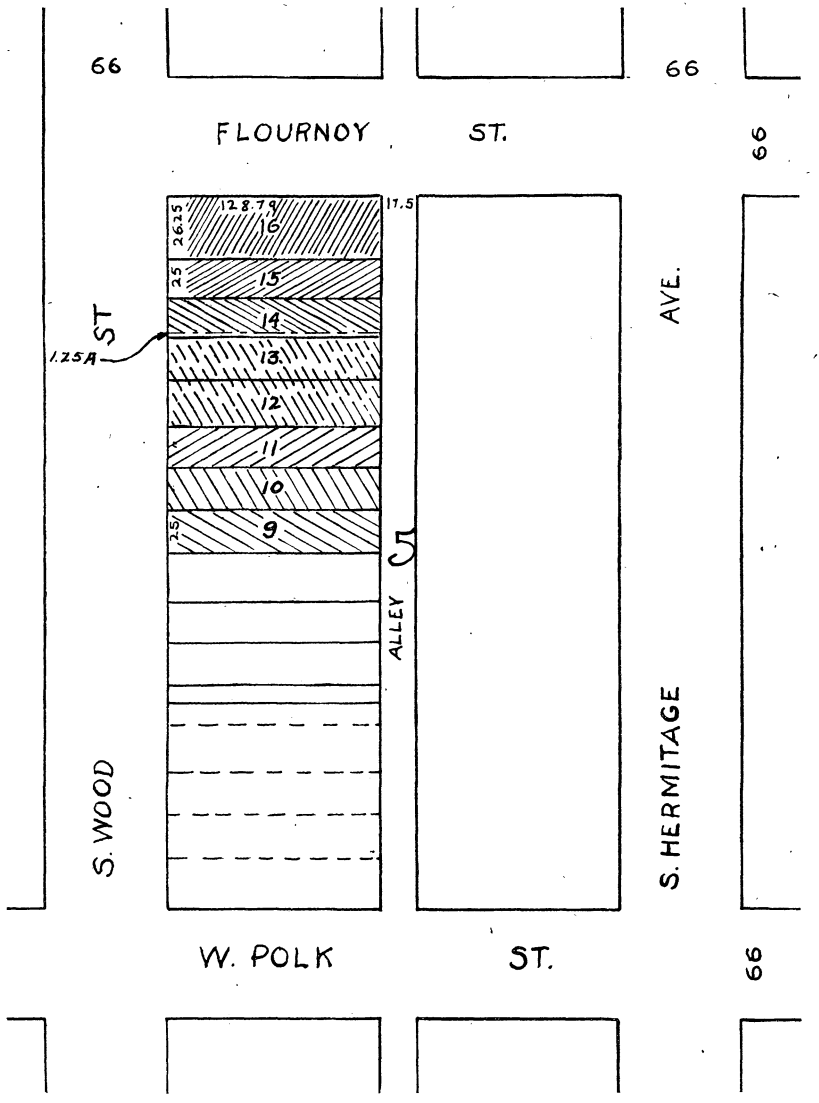
On motion of Mr. Carr, this request was granted.

SITE FOR SCHOOL OF PHARMACY.

(13) A recommendation that the following properties in Chicago be purchased to provide adequate housing facilities and also for extension of buildings to take care of the School of Pharmacy and such other departments as may be located on this property:

1. The lot at the southeast corner of South Wood and Flournoy Streets. 75 123.79 feet, with a four-story brick building occupied by the Jenner Medical College, including the properties numbered 701, 703, and 705 South Wood Street. Price, $16,100 and certain expenses for commission, abstract, and guarantee of title.

2. The property immediately south of No. 1, being a lot 51.25 by 123.79 feet, with a three-story building formerly occupied by the Chicago Homeopathic Hospital and later by the Detention Hospital; the building is number 711 South Wood Street. Price, $9,240 and expenses for commission, abstract, and guarantee of title.



3. The property immediately south of No. 2, being 75 by 123.79 feet, with three small buildings numbered 713, 717, and 719 South Wood Street. Price, $10,250 and expenses for commission, abstract, and guarantee of title.

I think the second and third properties should be obtained for a smaller sum, altho they will be worth to the University the price named. I estimate that it will cost about $25,000 to put the buildings in satisfactory condition for use. This will make approximately $60,000. The property is all needed at the present time. Its acquisition will enable the University to put in a hothouse and an experimental plot for growing medicinal plants—both of which are needed for the work in pharmacy.

It appears that the Executive Committee purchased the Jenner Medical School property last week, subject to the approval of the board. I recommend that this action be approved, and that the President of the board be authorized to purchase the other properties within the prices named above.

On motion of Mr. Carr, the action of the Executive Committee in purchasing the Jenner property was approved and the sum of $16,600 was appropriated to pay for this property. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

On motion of Mr. Hoit, the President of the board was authorized to purchase the second and third properties* recommended at the prices named.

Lots purchased for the School of Pharmacy.

The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

* The legal description of all three properties is given in the following letter:

CHICAGO, DECEMBER 18, 1915.

Dr. Edmund J. James, Urbana-Champaign, Illinois.

DEAR DOCTOR: Complying with your request of yesterday, we enclose plat, the colored sections of which show the three properties under contract of purchase, as follows:

Jenner property (as we have usually referred to it), No. 701-707 South Wood Street, held by Hering Medical College and Hospital, known and described as lots 15 and 16 and the North 23.75 feet of lot 14 in Carpenter's Resub of the West ½ of block 5 in the Assessor's Division of the East ½ of the Southeast

RUSH MEDICAL COLLEGE.

(14) The following statement:

It has been suggested that the President of the University meet with the trustees of the Rush Medical College to discuss the medical situation in the city of Chicago, with a view to a possible consolidation of Rush Medical College and our College of Medicine.

I think it would be well to hold such a conference, and I advise the Trustees to accept the property of Rush Medical College, if an offer should be made to that effect, with the understanding that it should be devoted to the purposes of medical research and education.

The Board of Trustees two years ago (report, 1914, page 747) indicated its willingness to do this. I recommend that it express its opinion upon this subject at the present time.

On motion of Mrs. Evans, Chairman of the Committee on the College of Medicine, the action of the board taken on April 22, 1914, concerning the consolidation of Rush Medical College with the University of Illinois was reaffirmed, and the President of the University was authorized to negotiate the terms of such consolidation and to submit the terms to the board for consideration and action.

APPOINTMENT OF PROFESSOR EMMEL.

(15) A recommendation that Dr. Victor E. Emmel, of Washington University Medical School, be appointed Assistant Professor of Anatomy in the College of Medicine for a term of three years, beginning September 1, 1916, at a salary of twenty-seven hundred and fifty dollars a year; and that he be appointed Assistant Professor of Anatomy from January 1, 1916, to August 31, 1916, at a salary of thirteen hundred dollars for the period. The salary to be paid from funds assigned to the College of Medicine.

On motion of Mrs. Evans, this appointment was made.

SMITH MUSIC BUILDING.

(16) The following statement:

Capt. Thomas J. Smith, it will be remembered, presented to the Trustees of the University of Illinois seven hundred and seventy acres, more or less, of farm lands in Champaign County, the proceeds of the sale of which were to be used in the erection of a Music Building. The Trustees agreed to erect a building on the Campus for this purpose as soon as feasible, at a cost of not less than two hundred fifteen thousand dollars. Capt. Smith is desirous of seeing this building erected at the earliest possible date.

I recommend that these farms be put into the hands of Mr. Bruce Henderson, real estate agent, for sale, at a price not less than the valuation placed on these farms by Capt. Smith. Mr. Henderson is willing to list these farms, advertise them, and do the best he can to sell them, provided they are listed exclusively with him for the term of one year from December 1, 1915, with the understanding that if he sells these farms during that period, or any portion of them, he shall be paid a commission of two dollars an acre on all acres sold. Mr. Henderson should report to the Board of Trustees any *bona fide* offer made for any of the farms for the consideration of the board.

I recommend further that the Supervising Architect be directed to proceed with the preparation of plans for the erection of a wing of this building, and that if the farms, or some portion of them, cannot be sold in time to meet the necessary expenses connected with the erection of such a building as may be approved by the board, a loan shall be placed on these farms to the extent which may be necessary to carry on the construction of this building.

I am informed by Mr. Matthew W. Busey and Mr. Henderson that it will be feasible in their opinion for the Trustees to place a loan on the average of one hundred dollars an acre on these lands. Such a loan would provide seventy thousand dollars. The University would, of course, have to provide the additional money which might be necessary for the completion of the wing of the building from other funds, to be reimbursed by the subsequent sale of the lands.

Prof. White's preliminary plan involves the erection of one wing for the sum of one hundred seventy thousand dollars, and this wing would be usable for the purposes of the School of Music from the day of completion.

Aside from Capt. Smith's wishes in this matter, which certainly ought to receive the very greatest consideration, the University is in great need of this building for the work of its School of Music.

¼ of section 18 township 39 north, range 14 east of the third Principal Meridian in Cook County, Illinois. This ground is occupied by 3 story and basement building. Price $16,100. Lot size 75 by 123.79 feet.

Old Detention Hospital (as we have usually referred to it), No. 709-711 South Wood Street, held by Chicago Homeopathic Hospital, known and described as lots 12, 13 and the south 1.25 feet of lot 14 in the Resub of the west ½ of block 5, etc. This ground is occupied by 3 story and basement brick building Price $9,240. Lot size 51.25 by 123.79 feet.

Prehler property, No. 715, 717, 719 South Wood Street, 3 2-story frame buildings, held by Adam Prehler, known and described as lots 9, 10, and 11 in the block and sub above mentioned. Price $10,250 plus cost of continuing guarantee policy (about $50 or $75). Lot size 75 by 123.79 feet.

We congratulate you for having been able to secure these properties at the very low prices paid. We consider them an unusual bargin.

Lease of your space Michigan Avenue and Twelfth Street requires 4 months written notice if you wish to terminate. Kindly send us this notice to arrive before January 1, 1916.

Yours truly

McKEY & POAGUE

By ALEXANDER PRUSSING.

On motion of Mr. Carr, the matter of the sale or mortgaging of the Smith lands was referred to the Finance Committee with power to act. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson;* noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

On motion of Mrs. Evans, the Supervising Architect was instructed to proceed with the preparation of plans for the Music Building and was authorized to consult with Mr. C. H. Blackall concerning these plans.

PROMOTION OF PROFESSOR T. D. YENSEN.

(17) A recommendation from Dean W. F. M. Goss of the College of Engineering, approved by the heads of the departments in the Engineering Experiment Station, that in recognition of his significant service in the development of engineering research, Mr. Trygve D. Yensen be promoted to be Research Assistant Professor of Electrical Engineering in the Engineering Experiment Station, at a salary of twenty-four hundred dollars a year, beginning January 1, 1916.

Mr. Yensen seems to have done some rather remarkable work in his investigation of the magnetic properties of iron and iron alloys. The first part of his problem was to develop a method of producing pure iron as a basis for the investigation. After experimenting with the methods used by previous investigators, a new one was finally perfected, consisting in melting electrolytically refined iron in a vacuum. The iron produced by this method was far purer than any iron previously produced by fusion, the iron containing only 0.02 to 0.03 per cent impurities.

The magnetic properties of the vacuum fused iron proved as remarkable as its purity. Its maximum permeability was found to be about 20,000, which is from two to three times as high as the best magnetic iron or iron alloy previously produced. By alloying the pure iron with certain percentages of silicon, even better results were obtained, the maximum permeability being raised to above 50,000.

By making use of this alloy it will be possible to cut in two the amount of material needed for electrical machinery, such as transformers, and at the same time to minimize greatly the losses that occur continuously as long as the machine is in operation.

On motion of Mrs. Henrotin, the promotion of Mr. Yensen was made according to the recommendation, and the congratulations of the board were extended to Mr. Yensen on his achievement. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

REPORTABLE DISEASES.

(18) A recommendation from the Council of Administration that the following regulation proposed by Dr. J. H. Beard on the subject of reportable diseases be adopted:

"It shall be the duty of every member of the faculty and every employee of the University of Illinois on whose premises there resides any person suffering from or suspected to be suffering from or afflicted with any of the diseases enumerated in this section (hereafter referred to as 'reportable diseases') immediately to report the same in writing or by telephone followed by a written report to an official designated by the President of the University."

REPORTABLE DISEASES.

List of the Illinois State Board of Health.

Tuberculosis (any form).	Rocky Mountain Spotted Fever.	Continued Fever (over 7 days).
Diphtheria (membranous croup).	Cerebrospinal Fever.	Smallpox.
Typhoid and Paratyphoid Fever.	Measles.	Chickenpox.
Scarlet Fever (scarlet rash).	Whooping Cough.	Typhus Fever.
Scarlatina.	Malaria.	Leprosy.
Dysentery (amebic or bacillary).	Hookworm Disease.	Rabies.
Acute Infantile Paralysis.	Pellagra.	Tetanus.
Epidemic Meningitis.	Bubonic Plague.	Glanders.
Septic Sore Throat.	Asiatic Cholera.	Anthrax.
Ophthalmia Neonatorum.	Puerperal Fever.	Trichinosis.
	Actinomycosis.	Trachoma.
	Yellow Fever.	Mumps.

As the wording of this regulation is taken from the general rules for the control of communicable diseases adopted by the Illinois State Board of Health, February 16, 1915, and as it requires of the faculty and employees of the University no publicity or inconvenience not demanded by the Illinois State Board of Health under the penalty of fine and imprisonment, I recommend that it be approved.

On motion of Mr. Carr, this regulation was adopted.

---

* Miss Watson later requested the Secretary to append a footnote stating that her vote was conditioned on the legality of the borrowing of money by the Board of Trustees.

EXAMINATION FOR DIPHTHERIA AND TYPHOID FEVER.

(19) A joint recommendation from Dean T. A. Clark and Registrar C. M. McConn, concerning a regulation as to examinations of persons connected with the University in cases of diphtheria and typhoid fever:

SUGGESTED REGULATIONS.

Concerning the bacteriological examination of persons connected with the University:

1. Diphtheria: Examination for the release of persons who have been in the same house or in contact with any person infected with diphtheria: two negative cultures in succession taken at intervals of not less than twenty-four hours.

Examination for the release of persons who are convalescent or those who may harbor the diphtheria organism without showing the usual clinical signs: Three negative cultures in succession at intervals of not less than twenty-four hours for all persons connected with the University; but persons connected with the University whose duties require them to handle food or vessels used in the cooking or serving of food should not be permitted to take up their work until at least four consecutive negative cultures taken at intervals of not less than twenty-four hours have been obtained.

2. Typhoid Fever: Persons convalescent from typhoid fever should be released after two consecutive negative examinations of both urine and stools. These examinations should be taken at intervals of not less than one week. Persons whose duties bring them in contact with food or the handling of vessels used in cooking or serving food should be required to submit to four consecutive examinations of this nature; these examinations to be made at intervals of not less than two weeks. Furthermore, these examinations should not begin until after the person has left the hospital.

The suggestions regarding typhoid fever quoted above are based on the practise of the Massachusetts State Board of Health. Ledingham of the Leicester Institute of London recommends even more examinations than have been suggested. The Massachusetts State Board of Health, however, feels that the above scheme is satisfactory and is both safe and practical.

Diphtheria and typhoid fever seem to be the only two diseases to which it is necessary to make any special reference.

Bacteriological examination of sputum for tuberculosis and Widal tests for typhoid can be made in the laboratory satisfactorily upon request.

On motion of Mr. Carr, these regulations were adopted, and the President of the University was authorized to employ some member of the staff to carry on the work of the bacteriological examinations until further notice at a stipendium of twenty-five dollars a month. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

A this point, President Abbott, being called from the room, requested Mr. Carr to take the chair. His vote on the next questions (20 and 21), was given when he returned to the meeting.

MEDICAL EXAMINATION OF STUDENTS.

(20) A request from Prof. T. A. Clark, Dean of Men, that he be authorized in case he deems it necessary to send students to Dr. J. H. Beard for medical examination.

On motion of Mrs. Evans, this authority was given, and the President of the University was authorized to approve vouchers for a reasonable fee to Dr. Beard for such examinations, and to assign and equip a room for the office of the examiner. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

PRACTISE ORGAN.

(21) A request from Director J. L. Erb, of the School of Music, that a practise organ be purchased for the use of students. It is proposed to charge students who wish to use this practise organ a reasonable fee. We have found it hard to carry on our organ courses because students find difficulty in getting the use of organs, which, in a locality like Urbana-Champaign, are limited to the churches.

On motion of Mrs. Henrotin, the President of the University was authorized to direct the purchase of a practise organ at a price not to exceed one thousand dollars. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

A this point, President Abbott returned to the meeting and recorded his vote in the affirmative concerning the medical examination of students and the purchase of a practise organ.

SUBSIDY FOR PSYCHOLOGICAL REVIEW.

(22) A request from Prof. Madison Bentley for a contribution of one hundred dollars a year to the support of the Psychological Review publications.

The President of the University was given authority to make such an assignment of funds for the present year in case it seems to him wise.

CURRICULUM IN PHARMACEUTICAL CHEMISTRY LENGTHENED.

(23) A recommendation from Prof. W. B. Day, Acting Dean of the School of Pharmacy, that the curriculum for the degree of Pharmaceutical Chemist be lengthened to three years, beginning September 1, 1916, for all students beginning the course at that time.

On motion of Miss Watson, this recommendation was approved.

APPOINTMENT OF PROF. BLACKWELDER.

(24) A request for authority to appoint Elliott Blackwelder of the University of Wisconsin to be Professor of Geology and head of the Department of Geology, at a salary of four thousand dollars a year, beginning on February 1 or September 1, 1916, as may seem best.

On motion of Mrs. Evans, the President of the University was authorized to make this appointment.

DETAIL OF MAJ. R. W. MEARNS.

(25) The following communication has been received from Maj. General H. L. Scott, Chief of Staff:

SPECIAL ORDERS, No. 286.

WAR DEPARTMENT, WASHINGTON, *December 9, 1915.*

Extract.

By direction of the President, Maj. Robert W. Mearns, 12th Infantry, is detailed as Professor of Military Science and Tactics at the University of Illinois, Urbana, Ill., to take effect January 22, 1916. Maj. Mearns will proceed to Urbana and report in person on that date to the President of the University for duty. The travel directed is necessary in the military service.

By order of the Secretary of War,

H. L. SCOTT,
Major General, Chief of Staff.

Official:
H. P. MCCAIN,
The Adjutant General.

This statement was received for record.

BUILDING PROGRAM.

(26) A statement from Prof. J. M. White, Supervising Architect, concerning the building program:

VIVARIUM.

1. The Vivarium Building is practically completed, and it is recommended that the board authorize a final settlement with the general contractor. He will not finish his contract until a week after the date set, but he is entitled to an extension because of minor changes in the building, and it is recommended that this extension of time be granted.

On motion of Mr. Hoit, an extension of one week was granted to the general contractor on the Vivarium Building for the completion of his contract, and the Supervising Architect was authorized to make a final settlement with the general contractor.

CERAMICS.

2. The Ceramics Building is now under roof and plastering will begin in about one week. The contract date for the completion of this building is February 19, and it is probable that it will be ready by that time.

CHEMISTRY.

3. The Chemistry Building will be ready for use in parts for the second semester of the present academic year. Freeman and Brooks, the general contractors, think now that they will have their work done by January 1, 1916. The supply of the furniture is progressing satisfactorily, and the contractor will probably begin its installation in two weeks.

GENETICS.

4. The Genetics Building is under roof and all materials necessary for its completion are on hand, so that it should be ready for use in about a month.

CATTLE FEEDING PLANT.

5. The first two silos of this plant are now completed, which is all the work in connection with this building that was planned for this autumn.

WOMEN'S RESIDENCE HALL.

6. The plans for the Women's Residence Hall have already been approved by the board, and are being rapidly put into shape for calling for bids. Some slight changes have been made, so that the plan now conforms to the lot dimensions permitting the building to be set back forty feet from the street line, and still keep the rear wall on the south property line. Request is made for authority to receive

bids on the Women's Residence Hall at the earliest possible date at which the plans can be completed. It is believed that contractors can be found who will be willing to start this building early in the spring and wait until the 1st of July for their first payment.

On motion of Miss Watson, this recommendation was approved and the Supervising Architect was authorized to receive bids for the construction of the Women's Residence Hall at the earliest practicable time.

EDUCATION.

7. A revised design for the School of Education Building is herewith submitted for approval. The plan is practically the same as the one formerly approved, but it is expanded a little in size to give more roomy corridors and an increased glass area. The design is a simple attempt to group the large window areas and still leave piers which are sufficiently substantial to support the floors and roof. The glass area now provided is one-fourth of the floor area, which is the maximum requirement in the case of school buildings. In most designs it is not possible to obtain over one-fifth and in a number of the rooms in the former plan even so much was not possible. This design is more economical than the former one, but because of the increase in size of the building it will not cost any less and may cost a little more, if present indications with reference to the rise in the price of materials prove true. The floor area has been increased about one-eighth.

On motion of Mr. Carr, the Supervising Architect was requested to present other designs for the exterior of the School of Education Building, and he was authorized to secure the assistance of a firm of competent architects in preparing the new plans. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

NATURAL HISTORY.

8. Plans are herewith submitted for the completion of the Natural History Building. The space in this addition through the first three floors is to be assigned to the Department of Botany, the upper floor being used as an addition to the present Museum. These plans present a full solution of the problem, and meet with the approval of the departments concerned. The actual working drawings have not been begun, but if the design can be approved, work upon them can be carried on immediately. The building is to be absolutely fire-proof which is very necessary because it is the connecting link between the old building, which is of the ordinary type, and the south building, which has a nonfire-proof roof. No outside entrances seem to be necessary in the addition, because all people coming into the building from the east must come via either Green or Illinois Streets, and the present entrances are entirely convenient and adequate for these approaches.

On motion of Mr. Carr, these plans were approved and the Supervising Architect was authorized to proceed with the elaboration of working drawings, so as to be prepared to call for bids as soon as the funds are available.

GALLERY IN GYMNASIUM ANNEX.

9. Plans have been prepared for a gallery in the Gymnasium Annex (the old Armory) which will extend out into the room eleven feet on all four sides, and be supported on a row of steel columns or girders under the front edge. It will be high enough to permit the use of the present portable bleachers, and therefore will give a seating capacity of some four thousand people around a basketball court. Separate exits directly to the outside will have to be provided at the east and west ends and at the north side. According to a statement from Mr. George A. Huff, the Athletic Association is willing to pay the entire expense of constructing the balcony.

On motion of Mrs. Evans, these plans were approved and the Supervising Architect was authorized to proceed with the construction of the balcony; the Athletic Association to pay all expenses of construction.

STORAGE FOR BATTERY F EQUIPMENT.

10. Maj. Webster has submitted a plan for the building of an enclosure in the southwest corner of the Armory which will be divided by walls and covered over with a ceiling to provide separate rooms for the temporary storage of the different kinds of equipment for Battery F. The floor area covered will be 880 feet, and the partitions will be ten feet high. The cost of the enclosure will be about one thousand dollars, and the racks for the equipment, aside from the lockers, which it is understood are to be furnished by the Adjutant General of the State, will be about eight hundred dollars.

On motion of Mr. Carr, this plan was approved, and the sum of $1,800 was appropriated for this purpose, by the following vote: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Small, Mr. Trevett.

11. A general plan has been approved by the board to construct a Horticulture Building on the site of the new fields assigned to horticulture east of Lincoln Avenue. If arrangements can be made without inconveniencing the Department of Horticulture, it seems likely that the present Horticulture Building east of the Armory might very properly be used as a building to store the equipment of

Battery F, to stable the horses, and to provide headquarters for the battery, if this building will be accepted by the Military Department of the State.

On motion of Mr. Hoit, the President of the University was authorized to utilize the present Horticulture Building for such purposes if satisfactory arrangements can be made for the interests now housed in it.

CHANGES IN DENTAL BUILDING.

(27) The following statement:

Owing to the unexpected increase in attendance in the freshman classes of the Colleges of Medicine and Dentistry, it will be necessary to make some additional provision for the Department of Anatomy. It is recommended that a suitable freight elevator be constructed in the Dental Building, and that a room for the storage of the cadavers be constructed in the basement of the building, and that some additional improvements be made in the dissecting room.

On motion of Mrs. Henrotin, this recommendation was approved and the sum of twenty-five hundred dollars, or so much thereof as may be necessary, was assigned for this purpose from the sum appropriated for the Colleges of Medicine and Dentistry.

DEPOSIT OF FREIGHT LOCOMOTIVE.

(28) The following letter from Dean W. F. M. Goss in regard to the deposit of a locomotive by the Illinois Central Railroad Company:

December 13, 1915.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: As a result of conferences between Mr. W. L. Park, Vice President of the Illinois Central Railroad Company, and Prof. Edward C. Schmidt of our Department of Railway Engineering, there has been deposited with the University of Illinois by the Illinois Central Railroad Company for such use as the University may care to make of it, a Mogul freight locomotive designated in the records of the railroad company as of the 401 class. The engine was selected from among those in service on the road, has since been put through their shops in order that it might reach our laboratory in first-class condition, and has now been received at the laboratory.

It is our purpose to have this locomotive serve in the routine work of the laboratory during intervals when for various reasons a modern engine may not be immediately available.

You will, I know, appreciate the fine spirit of cooperation which has been shown by Mr. Park in this matter.

Respectfully submitted,

W. F. M. Goss.

On motion of Mr. Carr, this was accepted and the thanks of the board were extended to Prof. Goss and Prof. Schmidt for their successful negotiations in this matter, and to Mr. W. L. Park, Vice President of the Illinois Central Railroad Company, and the other officials of the Illinois Central, for their action in this matter.

COMMITTEE ON EXTENSION OF THE COLLEGE OF ENGINEERING.

(29) A recommendation that the President of the University be authorized to appoint a committee to work out a general plan for the plant extension of the College of Engineering.

On motion of Mrs. Evans, this recommendation was concurred in.

COMMISSION ON CAMPUS PLANS.

(30) The following statement:

It seems very desirable that the board should make provision for a more systematic and thoro consideration of the Campus plans of the University. The board authorized the creation of a commission some time ago, of which Mr. Burnham was Chairman, and Messrs. Blackall, Zimmerman, and White were the other members. Mr. Burnham has since died, and Mr. Zimmerman has given place to Mr. Dibelka, the State Architect. The commission, therefore, has practically come to an end.

There are three general plans which may be followed in a comprehensive policy relating to this matter:

1. A commission of eminent architects may be appointed to consider such plans as may be referred to them by the Supervising Architect, or the State Architect, or others who might be interested, similar to the Burnham commission mentioned above.

2. A firm of competent architects may be employed to work out such plans, to be submitted to the Board of Trustees for their consideration.

3. A competition may be instituted, open to the architects of the world, for the most satisfactory plan.

All these plans have been followed by one or another of our American universities. The most successful one of the third type was that inaugurated by the University of California at a cost of two hundred and fifty thousand dollars, which sum was provided by a gift of Mrs. Hearst.

I think it is very desirable that the board should give early attention to this important matter. We must go ahead with our building. We cannot otherwise take care of the students who come to the University. On the other hand, there is at present no well defined plan which has been approved by the Board of Trustees for

insuring the best architectural and artistic results from the expenditure of the considerable sum of money which will go into buildings in the next generation.

No action was taken in this matter.

APPOINTMENTS TO FILL VACANCIES.

The Secretary presented for record the following list of appointments made by President James:

Banks, M. F., Assistant in General Engineering Drawing, at a salary of eighty dollars ($80) a month, beginning November 1, 1915, and continuing until June 30, 1916. (October 22, 1915.)*

Barnes, Mary G., Assistant in the Seminar Libraries in Lincoln Hall, at a salary of sixty-five dollars ($65) a month, beginning November 1, 1915, and continuing until August 31, 1916, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Bartling, C. H., Instructor in Medicine, for the academic year 1915-16, without salary. (October 21, 1915.)

Beyer, O. S., First Assistant in Railway Engineering in the Engineering Experiment Station, with salary at the rate of one hundred sixty-six and two-thirds dollars ($166,66 2/3) a month, beginning when he reports for duty and continuing until August 31, 1916. (November 30, 1915.)

Bles, V. A., Clinical Assistant in Neurology in the Dispensary, for the academic year 1915-16, without salary. (November 24, 1915.)

Boyd, Emma, General Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning October 4, 1915, and continuing until August 4, 1916, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Coogan, Jane, Stenographer in the Department of Botany, at a salary of fifty dollars ($50) a month, beginning October 25, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 10, 1915.)

Cordell, Della G., Binding Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning September 17, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Crawford, R. A., Instructor in Medicine for the academic year 1915-16, without salary. (October 21, 1915.).

Day, Nelle, Stenographer in the State Water Survey, at a salary of fifty dollars ($50) a month, beginning November 10, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 22, 1915.)

Deveneau, G. A., Library Assistant in Agriculture, at a salary of eighty-three and one-third dollars ($83.33 1/3) a month, beginning November 26, 1915, or as soon as he may report for duty, and continuing until August 31, 1916, subject to the rules of the Civil Service Commission. (November 26, 1915.)

Devine, Jeanette, Stenographer in the Registrar's Office, at a salary of fifty dollars ($50) a month, beginning November 8, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 13, 1915.)

Doyle, Katherine, Catalog Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning September 20, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Ellis, C. C., Clinical Assistant in Neurology, for the academic year 1915-16, without salary. (October 26, 1915.)

Featherston, J. E., Student Assistant in Pharmacology and Therapeutics, to give three hours service a week during the academic year 1915-16, with an honorarium of fifty dollars ($50) for the year. (November 11, 1915.)

Fischer, Clement, Instructor in Surgery in the Dispensary, for the academic year 1915-16, without salary. (October 19, 1915.)

French, Bertram, Catalog Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning September 17, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Geiger, C. F., Assistant in Ceramic Engineering, on one-half time, at a salary of forty dollars ($40) a month, beginning when he reports for duty and continuing until June 30, 1916. (November 10, 1915.)

Gift, L. H., Assistant Chief of the Division of Military Information, at a salary of four dollars ($4) a month, for eight months, beginning October 1, 1915. (October 20, 1915.)

Hammitt, Susan, Stenographer in the Office of the Dean of the College of Liberal Arts and Sciences, at a salary of fifty dollars ($50) a month, beginning September 22, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Hengstenberg, P. M., Technician in the College of Medicine, for nine months beginning October 1, 1915, at a salary of seventy-five dollars ($75) a month. (October 22, 1915.)

Hughes, Mary, Library Clerk in the College of Medicine, at a salary of fifty dollars ($50) a month, beginning September 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 26, 1915.)

Hyatt, E. G., Laborer in the College of Medicine, at a salary of forty dollars ($40) a month, beginning October 1, 1915, and continuing until further notice, but in no case beyond June 30, 1916, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Lamkins, L. E., Chief of the Division of Military Information, for eight months beginning October 1, 1915, at a salary of ten dollars ($10) a month. (October 20, 1915.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

Lewis, J. T., Assistant Chief of the Division of Military Information, for eight months beginning October 1, 1915, at a salary of four dollars ($4) a month. (October 20, 1915.)

Lichtenberger, Cleo, Catalog Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning September 20, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Loewe, G. M., Clinical Assistant in Genito-Urinary Surgery in the Dispensary, for the academic year 1915-16, without salary. (October 22, 1915.)

Martin, L. W., Student Assistant in Pharmacology and Therapeutics, to render three hours' service a week for the academic year 1915-16, with an honorarium of fifty dollars ($50) for the year. (October 28, 1915.)

Meachum, Leola B., Typist in the Department of Dairy Husbandry and in the Office of the Dean of the College of Agriculture, at a salary of forty-five dollars ($45) a month, beginning November 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 3, 1915.)

Messer, Florence, Typist in the Department of Pharmacology in the College of Medicine, at a salary of forty dollars ($40) a month, beginning October 11, 1915, and continuing until further notice, but in no case more than eight months, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Mickle, F. L., Assistant Chemist in the State Water Survey, at a salary of seventy dollars ($70) a month, beginning December 1, 1915, and continuing until further notice. (November 26, 1915.)

O'Neil, J. P., Clinical Assistant in Genito-Urinary Surgery in the Dispensary, for the academic year 1915-16, without salary. (October 26, 1915.)

Outland, L. C., Laborer in the Department of Chemistry in the College of Medicine, at a salary of forty dollars ($40) a month, beginning November 1, 1915, and continuing until further notice, but in no case later than June 30, 1916, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Parelczyk, Joseph, Technician in Experimental Medicine, at a salary of forty-five dollars ($45) a month, beginning November 24, 1915, and continuing until June 30, 1916, subject to giving continued satisfaction to the University authorities. (November 23, 1915.)

Peterson, Miss F. W., Typist in the Department of Chemistry in the College of Medicine, at a salary of forty dollars ($40) a month, beginning October 12, 1915, and continuing until further notice, but in no case longer than eight months, subject to the rules of the Civil Service Commission. (October 22, 1915.)

Rang, C. K., Clerk in the Moot Court of the College of Law, for the academic year 1915-16, at a salary of fifty dollars ($50) a semester. (October 22, 1915.)

Short, R. D., Student Assistant in Pharmacology and Therapeutics, to render three hours' service a week for the academic year 1915-16, with an honorarium of fifty dollars ($50) for the year. (October 28, 1915.)

Sparks, Marian, Library Assistant in Chemistry, at a salary of seventy dollars ($70) a month, beginning December 1, 1915, and continuing until further notice, but in no case beyond August 31, 1916, subject to the rules of the Civil Service Commission. (November 26, 1915.)

Stites, Katherine, Catalog Assistant in the Library, at a salary of sixty-five dollars ($65) a month, beginning September 17, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Stolfa, Ladislaw, Student Assistant in Pharmacology and Therapeutics, to render three hours' service a week for the academic year 1915-16, with an honorarium of fifty dollars ($50) for the year. (October 28, 1915.)

Sutter, Rose J., Clinical Assistant in Ophthalmology in the Dispensary, for the academic year 1915-16, without salary. (October 21, 1915.)

Taylor, S. C., Assistant in Chemistry, for eight and one-half months beginning October 16, 1915, at a salary of eighty dollars ($80) a month. (October 19, 1915.)

Theobald, W. H., Instructor in Laryngology, Rhinology, and Otology in the Dispensary, for the academic year 1915-16, without salary. (November 24, 1915.)

Vanderbeek, H. J., Labor Assistant in the Department of Mining Engineering, at a salary of seventy-five dollars ($75) a month, beginning October 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (October 16, 1915.)

Watkins, Rachel, Assistant in Neurology, for the academic year 1915-16, without salary. (October 12, 1915.)

Welch, P. B., Instructor in Medicine, for the academic year 1915-16, without salary. (October 21, 1915.)

Ziegler, Maurice, Bookkeeper in the Business Office, at a salary of seventy-five dollars ($75) a month, beginning November 19, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 23, 1915.)

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF JANUARY 11, 1916.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Tuesday, January 11, 1916, at 12 o'clock noon, pursuant to the following notice which was sent out by the Secretary on January 4, 1916:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois, at the Blackstone Hotel, in Chicago, on Tuesday, January 11, 1916, at 12 o'clock noon, to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mr. Ward, Miss Watson.

President James was present.

As there was no quorum, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, January 11, 1916.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Tuesday, January 11, 1916, immediately following the meeting of the Board of Trustees on the same date.

Mr. Abbott, Chairman, and Mr. Carr, a member of the committee, were present; also Mrs. Busey, Mrs. Evans, Mr. Ward, and Miss Watson, members of the board.

President James was present, also, during a part of the afternoon, Judge O. A. Harker, Legal Counsel, and Prof. J. M. White, Supervising Architect.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The committee proceeded to the consideration of the following matters presented by President James:

REVISED PLANS FOR EDUCATION BUILDING.

(1) Revised plans for the building for the School of Education.

Prof. White explained these plans.

No action was taken.

APPROPRIATION FOR CHEMISTRY LABORATORY.

(2) A request from the Supervising Architect for an additional appropriation of $6,000 for the construction of the addition to the Chemistry Laboratory, and the reconstruction of the old part, to provide for instruction in the second semester.

On motion of Mr. Carr, this appropriation was made.

APPROPRIATION FOR VIVARIUM.

(3) A request from the Supervising Architect for the further appropriation of $8,000 for equipment and furniture for the Vivarium. The board appropriated $70,000 (June 15, 1915, page 302) for the building, but this year's budget carries only $50,000, and it is now proposed to expend $58,000 out of this year's funds.

On motion of Mr. Carr, this appropriation was made.

RUSH MEDICAL COLLEGE.

(4) Correspondence with Dr. Frank Billings, Dean of Rush Medical College.

On motion of Mr. Carr, and after the reading of this correspondence and of Judge Harker's opinion which follows, the reply of President James to Dr. Billings was approved.

(Dr. Billings to President James.)

December 22, 1915.

President Edmund J. James, University of Illinois.

DEAR PRESIDENT JAMES: I succeeded in having a resolution passed by the Board of Trustees of the College for the appointment of an official committee which will confer with you in reference to the proposed union of Rush Medical College with the University of Illinois.

The committee has just been appointed by President J. J. Glessner and consists of three of the trustees, Judge Jesse A. Baldwin, chairman, Charles L. Hutchinson, A. A. Sprague, 2d, and two members of the faculty, Dr. Arthur Dean Bevan and me. Mr. Glessner will act ex officio as member of the committee.

It is my desire to get at things at an early date and as a preliminary, will you please write me a letter making me as definite statements as you can upon the following points in reference to the University of Illinois:

First—The amount of money appropriated for the University Medical School for the biennium beginning July 1, 1915. In this to make a statement as to whether in addition to the money for the administration of the Medical School there is any additional sum for the purchase of ground and the erection of buildings in Chicago.

Second—The present organization of the University Medical School as to the appointment of permanent teachers and this to include not only the fundamental years, but also the clinical years. This second statement to include also the methods which you would follow for the appointment of a new faculty in the clinical departments.

Third—A statement as to the preliminary requirements of students admitted to medicine and this to include a statement as to the status of the students now in the Medical Department of the University.

Fourth—A statement as to the erection of Clinical Buildings in Chicago, should Rush Medical College be taken over by the University of Illinois.

Fifth—What action would be necessary on the part of the Board of Trustees of Rush Medical College in reference to the property of the school should Rush Medical College be taken over by the University.

Sixth—Please make statements as to the present faculty of Rush Medical College in the Clinical Department as to resignation from present positions and how you would propose to form a new clinical faculty.

Seventh—Please make a statement as to how the Presbyterian Hospital, the Home for Crippled Destitute Children, and other hospitals now affiliated with Rush Medical College would be connected with the University of Illinois in the event of a union of Rush Medical College with the University of Illinois. Would it be in the power of the Trustees of the University to make contracts with these affiliated hospitals and carry them on in the same way that we have done in past years?

Please add anything else that you may think essential points of consideration by the committee of Rush Medical College.

I have wondered whether the law in reference to the transfer of the property of Rush Medical College by the trustees to the University of Illinois would be in any way modified in the opinion of attorneys as to the legality of such transfer when it is known that the Rush Medical College holds a special charter from the State. As you know, the charter of Rush Medical College makes the Governor and Secretary of State ex officio members of the Board of Trustees and Rush Medical College is empowered to grant any degree whatever in addition to the medical degree. Probably the charter of Rush Medical College was granted by an act of the Legislature and in all probability the Legislature could enact a measure which would make the transfer of the property to the University legal.

Would you consult the Attorney General of the State in reference to this point?

I should like to have an answer as early as possible because I believe that we should strike while the iron is hot.

Very sincerely yours,

FRANK BILLINGS.

(President James to Dr. Billings.)

URBANA, ILL., *January 6, 1915.*

Dr. Frank Billings, 122 South Michigan Boulevard, Chicago.

MY DEAR MR. BILLINGS: In answer to your letter of December 22, asking certain definite questions concerning the College of Medicine of the University of Illinois, I beg to make the following reply:

In answer to your first question I may say that the Legislature does not appropriate any money directly for the University College of Medicine, nor does it for any other single department of the University. The Trustees of the University approve from year to year a budget for the different colleges of the institution, and the annual report of the Comptroller shows the amount of money actually spent for different departments.

I have directed that the Comptroller should forward to you a copy of his report for the year ending June 30, 1915, and also for the year ending June 30, 1914. From these two reports you can get an accurate statement under the head of the Colleges of Medicine and Dentistry of the amount of money spent for these departments during those two years.

The Departments of Medicine and Dentistry are housed together in the same buildings, and the instruction to dental students in certain subjects is given in the same laboratories as to medical students. Thus there is a certain consolidation of accounts. According to the last report of the Comptroller—that for the year ending June 30, 1915 (see page 52, "The Disbursements for the Colleges of Medicine and Dentistry for the two years 1914-14 and 1914-15")—the sum of three hundred and sixty-eight thousand four hundred and seventeen dollars ($368.417) in round numbers, was expended upon these two colleges. Of this sum, forty-six thousand nine hundred and eight dollars ($46,908) were spent in the payment to the Chicago School Board of certain mortgages on the property owned by the University and used for its medical school, and in payment of interest on certain bonds secured

by mortgages on these buildings, leaving for the actual support of the schools the sum of three hundred and twenty-one thousand five hundred and nine dollars ($321,509) for the biennium. Of this a considerable sum was expended, as you will see from the list on that page, for the equipment of the different departments.

Aside from these, the University of Illinois conducts a School of Pharmacy in the city of Chicago which is located at present at Twelfth Street and Michigan Avenue, but which will be transferred to a new site recently acquired at the southwest corner of Wood and Flournoy Streets on the east side of Cook County Hospital.

For the present year, from July 1, 1915, to June 30, 1916, the board appropriated on August 4, 1915, the sum of two hundred thousand dollars ($200,000) for the support of the Colleges of Medicine and Dentistry, as you will see from the minutes of the Board of Trustees, page 540, sub-head 13, a copy of which I am sending you. I am also sending you a copy of the minutes of the Board of Trustees for September 27, 1915, in which, on pages 609 to 618, you will find an itemization of these budget funds. There is an unassigned balance which will be used in improving the equipment in the buildings.

In addition to this sum of two hundred thousand dollars ($200,000) for the support of the Colleges of Medicine and Dentistry, the University appropriated the sum of twenty-five thousand dollars ($25,000) in round numbers, for the support of the School of Pharmacy, and, as noted above, it has just purchased a site and buildings for the housing of the School of Pharmacy in the immediate neighborhood of the Cook County Hospital, at a cost of thirty-five thousand dollars ($35,000) and has appropriated the sum of twenty-five thousand dollars ($25,000) for reconstructing these buildings, and bringing them up to date in condition and equipment, so that the total appropriation for the present year for Medicine, Dentistry, and Pharmacy is two hundred and eighty-five thousand dollars ($285,000).

The board has also voted to acquire a site and erect a Clinical Building for the use of the Clinical Departments of the College of Medicine. The site has, however, not been as yet acquired, nor have the plans been drawn up for the building.

In answer to your second question, I may say that the Board of Trustees have made indefinite, that is, permanent, appointments in the College of Medicine as follows: Dr. Albert C. Eycleshymer, Professor of Anatomy; Dr. David J. Davis, Director of the Laboratory of Experimental Medicine; Dr. George P. Dreyer, Professor of Physiology. The following have been appointed for the definite terms: Dr. William H. Welker, Assistant Professor of Physiological Chemistry; Dr. Victor E. Emmel, Assistant Professor of Anatomy; Dr. William H. Burmeister, part-time Assistant Professor of Pathology; Dr. Alfred O. Shaklee, Assistant Professor of Pharmacology; Dr. Bernard Fantus, part-time Professor of Pharmacology.

All other appointments in the College of Medicine, both in the Junior College and in the Senior College, are for one year, and the terms of all professors expire on or before August 31, 1916. Special notice has been given to each member of the clinical staff that, inasmuch as it will be necessary to reconstruct the faculty in the immediate future, owing to the decrease in the number of students, etc., all terms will expire at the end of the present academic year, as indciated above.

The Board of Trustees has been looking for a head for the Department of Pharmacology, and a head for the Department of Pathology, and as soon as satisfactory men are found, they will doubtless be put upon indefinite, that is, permanent, appointment.

The Trustees have also been looking for sometime for a Dean for the College of Medicine. When such a man is appointed, he will be expected to recommend suitable candidates for the clinical and other positions.

According to the by-laws of the Board of Trustees, the President of the University makes all nominations for positions under the board. If the Board of Trustees is not satisfied with his nominations, they ask him to make others.

The President of the University expects, in his turn, the Dean of the College to make nominations. If they are not satisfactory, the Dean is expected to make others, until a suitable faculty has been selected by common consent. The Dean is expected of course to consult heads of departments for nominations in their respective fields.

As to your third question, viz., requirements for admission, no students have been admitted either last year or the present year to the College of Medicine of the University of Illinois who have not completed two full years of college work including certain prescribed work in physics, chemistry, biology, French, and German, corresponding to the standard accepted by most of the first class medical schools in the country.

The students in the present junior class were admitted with one year of college work. Those in the senior class, with high school graduation.

The class graduating in June of the present year, 1916, is the last class with high-school requirement. The class of next year will have had one year of college work, and all after that two full years of college work.

The class graduating in June of the present year, 1916, is the last class with high-school requirement. The class of next year will have had one year of college work, and all after that two full years of college work.

In answer to your fourth question, I may say that if the Rush Medical College should become a part of the University of Illinois, I do not suppose it would be necessary to proceed immediately with the erection of a Clinical Building. The buildings which Rush Medical College has, plus those which the University of Illinois has, would, I should think, serve the purpose for the time being, though of course the Trustees would expect at an early date to proceed with the erection of a modern Clinical Building. The Trustees have been considering the Marquette School site, but the board of education of the city of Chicago is not yet ready

to vacate that site. They have tried to secure a portion of it for the Clinical Building, but did not succeed.

In answer to your fifth question, I think the only action which would be necessary on the part of the Board of Trustees of Rush Medical College in reference to the property of the school, would be to deed the entire property with all privileges, franchises, contracts, etc., to the Trustees of the University of Illinois. With this, of course, should go to the working contracts with the Presbyterian and other hospitals. I presume that after the Board of Trustees of Rush Medical College had deeded the property to the University they could practically close the corporation of Rush Medical College by resigning their positions as Trustees and giving up the charter.

In insisting on a complete passing of the property and privileges, I am only concerned to do what may be necessary in order to get adequate state support for the Medical Department. The University of Illinois could not, of course, spend any money on property or an enterprise which did not belong completely to the State.

In answer to your sixth question, in case the Trustees of the University of Illinois should take over Rush Medical College property, it would be necessary, I take it, for the resignations of the members of the present staff to accompany such action. This is the practical situation with the members of the present clinical staff of the University of Illinois.

I have indicated above the plan which will be pursued in forming a new clinical faculty; namely, I should nominate to the Board of Trustees of the University of Illinois a Dean of the Medical College, and on his appointment he would proceed to make nominations to me for the positions on the staff.

In answer to your seventh question, the Counsel of the University informs me that it is entirely within the power of the Board of Trustees of the University of Illinois to make contracts with the Presbyterian Hospital, the Home for Destitute Crippled Children, and other hospitals now affiliated with Rush Medical College, and carry them out in the same way in which Rush Medical College has been carrying them out in past years.

The powers of the Board of Trustees of the University of Illinois, as conferred by the law creating the institution, are very comprehensive, with full power to make contracts in furtherance of the purposes for which the University exists.

The question as to the method by which a corporation, organized not for profit, may pass out of existence has not, I presume, been decided by the Supreme Court of the State of Illinois; but in a somewhat similar case the Supreme Court of California held that it was perfectly proper and in harmony with the principles of public policy for a private institution to pass over to the State University its property for the uses for which the property was given to the corporation.

I should think that in deeding the property of Rush Medical College to the Trustees of Illinois, the statement should be made that inasmuch as the Trustees of the Rush Medical College desire to make more effective the purpose for which property has been given it and the corporation organized, namely, the promotion of medical research and education, they have decided to deed to the Trustees of the University of Illinois in trust, to use for the promotion of medical research and education, the property now owned by the corporation.

I may say further that in case the Trustees of Rush Medical College should pass over the property, franchises, contracts, etc., of Rush Medical College to the Trustees of the University of Illinois for the advance of medical education, I should be willing to recommend to the Trustees of the University of Illinois, that, in addition to the appropriations made for the support of the school at the present time, the sum of fifty thousand dollars ($50,000) per annum be appropriated for the support of the work of the clinical years, and that this sum of fifty thousand dollars ($50,000) per annum should be in addition to the sum received from fees of students in the junior and senior years of the Medical School.

I take it that the fees of students belonging to the junior and senior classes, would, in case of consolidation, amount to some thirty-five thousand dollars ($35,000) per annum. To this would be added the sum of fifty thousand dollars ($50,000) per annum, i. e., the income at five per cent on a million dollars.

I am also sure that this sum would be only a beginning. The University will surely develop its Medical School as it has its Schools of Agriculture and Engineering. In ten years the University of Illinois will be spending, in my opinion, a million dollars per annum on medical education and research.

I don't know that there is anything further that I could say which would be of interest or value, except that I should like to call attention to the fact that there is no doubt that the State, in the Mississippi Valley at any rate, will be the controlling feature in medical education and research. The State medical schools are destined to be, speaking generally, the great medical schools. There is a peculiar propriety in asking the State to support medical education and research, inasmuch as the chief benefit accrues to the members of society as a whole through the improving conditions of public health.

I believe that a union of Rush Medical College with the University of Illinois at the present time would promote in the most efficient way the advance of medical research and medical education in the city of Chicago, the State of Illinois, and the whole Mississippi Valley. By such a union, we could accomplish in the next five years in this important department of social effort more than can be accomplished in twenty-five years without such union.

Faithfully yours,

EDMUND J. JAMES.

JUDGE HARKER'S OPINION.

Judge Harker read the following opinion concerning the powers of the boards of trustees of Rush Medical College and of the University of Illinois in this matter.

[STATEMENT.]

On March 2, 1837, the Rush Medical College was organized with seventeen individual names constituting, as a body politic and corporate, the "Trustees of the Rush Medical College." The charter stated that the object of the corporation was to promote the general interests of medical education and to qualify young men to engage in the profession of medicine and surgery. The location of the college was fixed in Cook County. It was provided that in that corporate name the trustees mentioned and their successors should have perpetual succession. It was provided that vacancies occurring from resignation, death or dismissal should be filled by the remaining trustees.

The corporation was given power, "to make contracts; to sue and be sued; to plead and be impleaded; to grant and receive by its corporate name; to accept and acquire, purchase and sell, property, real, personal, or mixed, and in all lawful ways to use, employ, manage, dispose of such property, and all moneys belonging to the corporation, in such manner as should seem to the Trustees best adapted to promote the objects for which the corporation was formed." It was provided in case of donation, devise, or bequest, that the Trustees should accept the same and apply them in conformity with the conditions of the donor. Various amendments of the charter were made prior to the adoption of the present State Constitution, but they do not materially affect the question concerning which the President and the Board of Trustees of the University are interested.

The college has been in operation since its establishment under the special act mentioned. I am asked whether if the Trustees of Rush Medical College desire to transfer all of its property, real and personal, to the Board of Trustees of the University of Illinois, in consideration that the property be devoted to the interests of medical education, and that the works be carried on in Cook County as contemplated by the articles of incorporation, they can legally do so; the Board of Trustees of the University of Illinois being willing to accept the property and devote it to the purposes involved in the consideration. The questions submitted for consideration are—

1. May the Trustees of Rush Medical College legally make such transfer?
2. May the Board of Trustees of the University of Illinois legally accept the property and perform the trust involved?

OPINION.

The power of the Trustees of Rush Medical College to do this thing contemplated is not entirely free from doubt. The corporation is eleemosynary in character and exists by virtue of a special charter that could not be granted under our present State Constitution.

In obedience to the constitutional requirement that the General Assembly should provide by general law for the organization of corporations thereafter to be created, an act was passed in 1872 providing for corporate organizations and charters thru the office of the Secretary of State. They were divided into two general classes—corporations for pecuniary profit and corporations not for pecuniary profit. Many corporations then existing under special laws, passed before the adoption of the Constitution, continued to operate under the terms of their special charters. The Rush Medical College was so continued, although the Legislature in 1874 passed an act enabling colleges, academies and other institutions of learning which had been incorporated under special laws, to incorporate under the provisions of the general law of 1872. Under its special charter, it has received large donations, made, so I am advised, for the purpose of enabling it to carry on the educational work undertaken. It now owns an equipment and property which its Trustees may desire to transfer to the Board of Trustees of the University, under the belief that the purpose and mission of the college will thereby be more completely fulfilled. Have they the legal right to do so?

The question is a new one in Illinois. I am not advised that it, or one closely resembling it, has ever been presented to any of our courts. In one form or another, it has been considered in Massachusetts, South Carolina, Tennessee and California.

The President and Fellows of Harvard College desired to transfer to an organization, designated as the Society for Promoting Theological Education, certain funds which they held in trust for the benefit of a divinity school attached to Harvard College. They filed a bill in equity, praying for leave to make the transfer. As grounds for the prayer, it was alleged that it had become apparent to the complainants that the college and theological school could not be conveniently managed by one and the same corporation; that the exercise of the trusts of the public charity for a divinity school is in high degree inconsistent with and injurious to the due execution of another and prior trust vested in them as Trustees of the college; that the united management of the two institutions was also injurious to the divinity school, and that the Trustees of the college could not so acceptably fulfil the intents and purposes of the donors of that charity as the same might be fulfilled by other Trustees, and by a separate institution, wholly disconnected from the college.

But the Massachusetts Supreme Court held that a chancery court could not permit the withdrawal of funds given by individuals to the Corporation of Harvard College in trust for the promotion of theological education at the college and for the benefit of a divinity school attached to the college, and intrust them to an independent board of trustees, to be applied to the support of a divinity school not connected with the college. 3 Gray's Reports, 280. Opinion delivered in 1855.

"The Trustees of the Greenville Academies" was a South Carolina corporation owning lands and buildings, secured by private donation, where schools were successfully maintained for a number of years. But the establishment of a male academy at Greenville under the supervision of the Baptist Convention of South Carolina, with a staff of able and learned professors, so affected the attendance and patronage of the other institution as to make it apparent to a majority of the trustees that it could no longer be successfully conducted. To induce the Baptist Convention to locate a female seminary at Greenville, a majority of the trustees, over the objection and against the protest of a minority, proposed to transfer to the Baptist Convention the Academy lands "for the purpose of endowing a female college, on condition that the said Baptist Convention would forever keep up in the village of Greenville both a male and female school, where all the branches usually learned in a male and female academy shall be taught by competent and able teachers, and which shall be open to the whole community."

A petition for authority to make the transfer was accordingly presented to the court. It was vigorously opposed by a minority of the trustees. The court granted the petition and ordered the transfer, with the condition that the trusts declared in the deeds of the donors be executed by the substituted trustees. On appeal, the Court of Errors held that the transfer was legally allowable, but that an order of court allowing it was not necessary. The doctrine announced was in effect that if conditions were such that the academies could no longer be successfully conducted, the petitioners required no aid or authority from a court to make the transfer but could make it on their own motion, and that the act of a majority of the trustees in the matter was the act of the corporation. Ex Parte, The Trustees of the Greenville Academies, 7 S. C. Eq. Rep., 471. Opinion delivered in 1854.

The Grant Memorial University was a Tennessee corporation, which had received its property thru private donation. From lack of sufficient resources, it was unable to carry on its work satisfactorily. In 1892, it conveyed its property to the Freedman's Aid and Southern Educational Society, with the understanding that it would be conveyed by the grantee to the new U. S. Grant University, another educational corporation, whenever the latter should become financially able to carry on both schools. At the same time, the Grant Memorial University transferred its franchises, powers and privileges to the U. S. Grant University. Certain obligations were assumed at the time by the Freedman's Aid and Southern Educational Society and the U. S. Grant University, which it was afterwards claimed were not fulfilled. Accordingly, a bill was filed in the chancery court to enforce the contracts or, in the alternative, to cancel the contracts and have the property reconveyed and restored to the Grant Memorial University.

The court sustained a demurrer to the petition, holding that the Grant Memorial University was not entitled to a decree, either for the enforcement of the contracts or for a cancellation of them, and also that it was not entitled to a return of the property. On appeal, the Supreme Court of Tennessee held that where an educational corporation conveys and transfers its franchises, powers and privileges to another educational merger corporation, and conveys all its properties to an educational aid or auxiliary corporation, with the provision and agreement that the property is to be conveyed by the said auxiliary corporation to the educational merger corporation when it shall be financially able to operate and carry on the school, and upon its refunding to the auxiliary corporation the money expended in payment of its debts and delivers the possession of the property to the merger corporation, the conveying corporation, by such conveyance, worked a dissolution and terminated its existence, and could not maintain a suit for a return of the property.

It will be observed that the exact question presented here was not in issue when the case was being reviewed by the Supreme Court of Tennessee. It seems to have been conceded by counsel on both sides, and consequently by the court, that there was nothing wrong in the Grant Memorial University surrendering its property, franchises and privileges to another educational institution. The case is valuable only as indicating the views of counsels on both sides of that controversy.

The College of California, incorporated in 1855 as a College of Science and Letters, acquired by gift and purchase various tracts of land, and also receive quite a number of donations of money from individuals. The trustees of the college were desirous to establish and carry on a university adequate to the necessities of the state, but finding that they were unable to do so because of insufficient resources, and being desirous of inducing the state of California to establish a state university, in 1867 proposed to convey to the state 160 acres of land for a site for the state university. The legislature, in 1868, passed an act creating and organizing the University of California, to be located upon the 160 acres of land mentioned, and the land was conveyed to the state of California. The regents of the university took immediate possession of the 160 acres, which I may say is the present site of the University of California, and expended eight or nine thousand dollars in improving the land and preparing it for the buildings. Some question arose as to the power of the trustees of the College of California to make the conveyance. The regents suspended any more expenditures and a suit to quiet title was commenced in the superior court. A judgment was rendered sustaining the action of the trustees of the College of California, and confirming the title in the state. The case is in many respects like the one under consideration. The court held that, in the absence of any statutory authority for dissolution, the trustees had the right to dissolve and make such disposition of the property of the college as would enable the state to carry on a state university.

It will be seen that this opinion was delivered in 1869, eleven years after the decision in the Harvard College case. They are diametrically opposed on principle. There is perfect harmony between the courts of California and South Carolina on the question. The Harvard College case, so far as I am advised, is not supported by any other American decision. Of course it is impossible to express a decided opinion in the absence of a holding in our own State. It seems to me, however,

that the decision in the California case is sound, and would be followed by our Supreme Court should the question come before it.

No violence is done to the purpose of the original incorporators by a transfer of the property belonging to the Rush Medical College to the Board of Trustees of the University of Illinois. The object for which the corporation was created may be better conserved by this proposed action than for the college and its property to remain under the management of the Rush Medical College trustees. Neither does the proposed act do violence to the purpose for which donations were made to Rush Medical College. If the public interest are better subserved by dissolving this corporation and turning its property over to the Board of Trustees of the State University, that should be the controlling influence for a correct decision by our Supreme Court.

There is no doubt of the power of the Board of Trustees of the University to accept this property.

Respectfully submitted,

O. A. HARKER,
Legal Counsel University of Illinois.

DESCRIPTION OF LOCOMOTIVE.

(5) A letter from Prof. Edward C. Schmidt, describing the locomotive recently deposited at the University by the Illinois Central Railroad Company:

URBANA, ILL., *January 6, 1916.*

President E. J. James, Administration Building.

MY DEAR PRESIDENT JAMES: Dr. Phelps has asked that I send you the following information concerning the locomotive which was recently placed on deposit at the University by the Illinois Central Railroad to be used for experimental purposes:

The locomotive was built by the Rogers Locomotive Works in 1893. The locomotive alone weighs 126,000 pounds, and its tender, 80,000 pounds, making a total weight of 206,000 pounds. The locomotive comes to us in excellent condition, and I should judge that the repairs which were made upon it immediately before it was delivered cost the Illinois Central road about $2,000. In view of these facts, I believe that its present selling price may be very conservatively estimated at $6,000.

Possibly the following additional data may also be of some use to you in this connection:

Type of locomotive—Mogul (2-6-0).
Diameter of cylinders—19 inches.
Stroke—26 inches.
Diameter of driving wheels—56½ inches.
Tractive force—23,300 pounds.
Total heating surface—1,532 square feet.
Grate area—26 square feet.

Very truly yours,

EDWARD C. SCHMIDT.

This letter was received for record.

ORDER FOR CHEMICAL APPARATUS.

(6) A request from Prof. W. A. Noyes, Director of the Chemistry Laboratory, endorsed by the Dean of the College of Liberal Arts and Sciences, for permission to place orders to an amount not to exceed $10,000 for glassware, hardware, porcelain, rubber goods, and other supplies, to be delivered by September 1, 1916, and to be paid for from the appropriation for the Department of Chemistry for the fiscal year beginning July 1, 1916.

On motion of Mr. Carr, this purchase was authorized.

McKEY AND POAGUE'S BILLS FOR PHARMACY SITE.

(7) A letter from Alexander Prussing for McKey and Poague, relating to the purchase of certain property on South Wood Street by the University; also a letter from Alexander Prussing, for McKey and Poague, enclosing a statement of the account of the Board of Trustees with McKey and Poague in the matter of purchasing certain properties:

January 5, 1916.

Hon. W. L. Abbott, 72 West Adams Street, Chicago.

DEAR SIR: Pursuant to your instructions, we have filed for record today the deeds to 707 and 709 South Wood Street (Old Detention Hospital) and 701 to 705 South Wood Street (Jenner Medical College) and have given instructions to the Chicago Title and Trust Company to guarantee titles to the above described properties and to the Prehler property, 713 to 719 South Wood Street in the grantors the dates of record of the deeds from them to the Board of Trustees of the University of Illinois.

We have taken possession for you of the various properties and have notified all of the tenants of your ownership.

The guarantee policies should be completed by the 10th instant when we will render our account. All the buildings are insured against loss by fire.

Yours truly,

McKEY AND POAGUE.
By ALEXANDER PRUSSING.

January 11, 1916.

Hon. W. L. Abbott, 72 West Adams Street, Chicago.

DEAR SIR: Enclosed are statements [of] account [of] purchases of buildings and ground [at the] southeast corner [of] South Wood and Flournoy Streets which

we think explain themselves and which show a balance to our credit of $121.99 for which we shall be pleased to have the remittance of the Board of Trustees of the University of Illinois.

Kindly advise to whom we shall deliver the title papers, insurance policies, and other documents which have come into our possession for you, and oblige.

Yours truly,

McKEY AND POAGUE.
By ALEXANDER PRUSSING.
January 11, 1916.

The Board of Trustees of the University of Illinois in account with McKey & Poague, Re Purchase of 701 to 705 South Wood Street, Chicago, being a 4-story and basement brick building situated on lots 14, 15, and 16 in Carpenter's Resubdivision of the west half of block 5 in Hadduck's Subdivision into blocks 4, 5, and 17 of that part of the east half of the southeast quarter of section 18, T. 39 N., R. 14 E. of Third Principal Meridian set off to said Hadduck by Superior Court.

On motion of Mr. Carr, the Comptroller was authorized and instructed to pay to McKey & Poague the balance of $121.99 still due.

ENGINE PRESENTED TO MUSEUM.

(8) A letter from Mr. Samuel Insull, President of the Commonwealth Edison Company, to Dean W. F. M. Goss, announcing the presentation to the University by the Commonwealth Edison Company of a 600-horsepower vertical triple-expansion engine:

CHICAGO, ILL., *December 20, 1915.*

Dean W. F. M. Goss, Dean of the College of Engineering, Urbana, Ill.

MY DEAR DEAN GOSS: Learning of your purpose to establish at the University an Engineering Museum in which shall be preserved significant exhibits of machinery which in its day was typical of the highest development in its branch of the mechanical arts, and of your desire in furtherance of this purpose, to secure one of the old engine units from the Harrison Street Station of the Commonwealth Edison Company, I take pleasure in presenting to the University of Illinois, on behalf of this company, for this Museum, a vertical triple-expansion, engine, with its direct-connected generators and their equipment of transformers, regulators, etc.

This engine, which was one of ten similar units, has a normal rating of 600 horsepower and was built in the year 1893 by the Southwark Foundry and Machine Company, of Philadelphia, Pa. It was erected during the winter of 1893-4 in the above-mentioned power house of the then Chicago Edison Company.

Direct-connected to the engine, one on each side, were two 200-kilowatt, 150-volt direct-current generators, built by the General Electric Company. The Chicago Edison Company later replaced these generators with the present double-current machines, which were among the first of this type of generators built. The unit was put into service on August 1, 1894.

The large size and efficiency of its generating units (as these units were at that time regarded) made the Harrison Street Station quite celebrated for its modern equipment and great aggregation of power; but so rapid has been the increase in the size and efficiency of steam prime movers, accentuated in recent years by the advent of the steam turbine, that within ten years from the time these engines were put into service they passed out of use, because they were considered small, inefficient, and inadequate.

This equipment, of which a complete list accompanies this letter, will, at your request, be dismantled, crated, loaded free on board cars and shipped to you at Urbana, where it may, I hope, be of historical value in your Museum.

Yours truly,

SAMUEL INSULL, *President.*

On motion of Mr. Carr, this gift was accepted and the thanks of the board were extended to Mr. Insull and the Commonwealth Edison Company.

CHANGES IN DENTAL BUILDING.

(9) A request for a further assignment of $1,500 from the appropriation for the College of Medicine and Dentistry to make certain changes and improvements in the dental building.

On motion of Mr. Carr, this appropriation was made.

PATENTS ON DISCOVERIES.

(10) A letter from Mr. C. W. Miles, of Cincinnati, Ohio, concerning the wisdom of taking out patents on discoveries made in University laboratories:

CINCINNATI, OHIO, *December 31, 1915.*

Hon. E. J. James, President, University of Illinois, Urbana, Ill.

DEAR SIR: My attention was called recently by a newspaper item to recent development in iron alloys having improved magnetic properties by your Engineering Experiment Station, which subject is of interest to me.

The article referred to further stated that no patents would be taken, but that the discovery would be given to the public, which is a law point that has interested me for some time past.

I have no personal interest as to whether this invention is patented or not, but my past experience and knowledge of manufacturing and commercial methods convinces me that you can not thus effectively donate discoveries to the public, that the real inventor of merit is in fact stepping aside to make room for a less worthy individual.

In my opinion the preferable course would be to protect such discoveries by patent, and thereafter license desirable parties, or those qualifying to produce the product properly, either with or without royalty, and thereby to employ the patent to exercise a supervision over the manufacture in the interests of the public in general, and protect the public against inferior product, and to attain other desirable results.

The late Prof. Robert Kennedy Duncan, of Pittsburgh, Pa., appears to me to have had a clear conception of the points involved in this subject, and I herewith attach a copy of a quotation which I find in my files taken from one of his works entitled "Chemical Problems of Today." It is my recollection that there is additional matter on this subject in his works.

I would therefore respectfully suggest that it might be well to carefully reconsider this matter before finally deciding not to obtain patents upon important developments in the arts.

Very truly yours,

C. W. MILES.

[Extract from "Some Chemical Problems of Today" by Robert Kennedy Duncan, Director of Industrial Research and Professor of Industrial Chemistry at the University of Pittsburgh and at the University of Kansas.—Harvard Bros., Pub. 1911.]

"It is not generally understood, as it should be, that the results of scientific investigation can go to the people only through the industrialists. We often hear it stated that some man eminent in science has 'given' his results to the people. This is, in nearly every instance, nonsense. No man can 'give' his results to the people. Take, for example, Roentgen's discovery of theX-rays, upon which, of course, he took out no patents. Did he 'give' these X-rays to the people? Not at all. The X-rays could go into medical practice only by the use of X-ray bulbs, and these X-ray bulbs were manufactured and improved by certain corporations, through whose factories they went to the people. These corporations, naturally and not at all improperly, placed on these X-ray bulbs all that that trade would bear. The fact that Roentgen, for example, took no money for his research simply added that much to the corporations concerned; his generosity did not make the slightest difference in what people paid. But let us understand that industrialists may come and industrialists may go, but that every new, significant fact hangs on forever, as a permanent gift to the human race in its struggle for that unknown goal toward which it is proceeding."

On motion of Mr. Carr, the President of the University was authorized to instruct Mr. Trygve D. Yensen to take out a patent on the discoveries recently made by him and to assign the patent to the University.

INCOME FROM SMITH FARMS.

(11) A letter from Prof. J. G. Mosier, concerning the income from the Smith farms:

January 8, 1916.

President E. J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: I am sending you a statement of the Smith farms for the quarter ending December 31, 1915. Since the last statement, repairs have been made to the corn crib and one or two-outbuildings on the St. Joseph farm, and 80 posts and 160 rods of barbed wire have been secured for the Ludlow farm.

The corn, with the exception of about 100 bushels, has been sold at the St. Joseph farm at 61 cents per bushel. The corn on the other farm is in the crib.

Very sincerely yours,

J. G. MOSIER.

EXPENSES AND RECEIPTS ON ACCOUNT OF SMITH FARMS, OCT. 1, 1915, TO JAN. 1, 1916.

EXPENSES.

Howard-Ludlow Farm.		
Barbed wire	$ 6 00	
Posts	24 00	
		$30 00
Foltz-St. Joseph Farm.		
Nails	$ 2 60	
Lumber	25 21	
Alfred Cole, labor	17 50	
		45 31
Arbuckle-Champaign Farm.		
Russell Arbuckle, threshing oats		50 82
General.		
Home Telephone Company		10
Total expense		$ 126 23

RECEIPTS.

Foltz-St. Joseph Farm.	
1,889 bushels corn	1,152 29
Pasture rent	100 00
Total receipts	$1,252 29

This report was received for record.

ASSISTANT PROFESSOR OF HOUSEHOLD SCIENCE.

(12) A request for authority to appoint a successor to Dr. N. E. Goldthwaite, Assistant Professor of Household Science, at a salary not to exceed that paid Dr. Goldthwaite.

On motion of Mr. Carr, this authority was given to the President of the University.

HEAD OF DEPARTMENT OF CERAMIC ENGINEERING.

(13) A request for authority to appoint a Professor and head of the Department of Ceramic Engineering. We have not succeeded in finding a satisfactory man to fill the important position which Prof. Bleininger left vacant when he went to Washington. Prof. Bleininger returned to take charge of this work for the first semester of the present academic year, but has found it impossible to remain with the University longer.

On motion of Mr. Carr, this authority was granted.

PROF. OLIVER'S LEAVE EXTENDED.

(14) A request from the Belgium Relief Commission that the University give Prof. T. E. Oliver permission to remain for the rest of the academic year in the service of the commission. The commission states that his work is quite necessary and very satisfactory.

On motion of Mr. Carr, authority was given to the President of the University to extend Prof. Oliver's leave of absence until August 31, 1916.

SUMMER GRADUATE WORK IN MEDICINE.

(15) A request from the instructors in the Junior College of the College of Medicine for permission to offer during the summer advanced instruction in the subjects taught in the Junior College. They state that this can be done for no additional expense beyond the income from the student fees.

On motion of Mr. Carr, the President of the University was authorized to announce such instruction, and to take the necessary steps to organize the work.

APPOINTMENTS TO FILL VACANCIES.

The Secretary of the board presented for record the following list of appointments to fill vacancies made by President James:

Bates, Margaret M., Library Clerk in the College of Medicine, at a salary of fifty dollars ($50) a month, beginning as soon as she reports for duty and continuing until further notice, subject to the rules of the Civil Service Commission. (January 8, 1916.)*

Bauer, Clifford, Clerk in the Business Office, at a salary of forty-five dollars ($45) a month, beginning December 7, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (January 4, 1916.)

Ferguson, H. F., Assistant Engineer in the State Water Survey, at a salary of one hundred twenty-five dollars ($125) a month for six months beginning January 1, 1915; this appointment superseding his former appointment at ninety dollars a month. (December 23, 1915.)

Harper, A. C., Instructor in Machine Design, at a salary of one hundred fifty dollars ($150) a month for five months beginning February 1, 1915. (January 6, 1916.)

Hayes, Margaret L., University Stenographer, Rank II, in the Department of Mechanical Engineering, at a salary of fifty dollars ($50) a month, beginning December 20, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment in the Library. (December 24, 1915.)

Hunt, O. L., Clerk and Messenger in the Registrar's Office, at a salary of forty dollars ($40) a month, beginning December 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (December 9, 1915.)

Luther, Ida, Stenographer in the Office of the School of Education, at a salary of fifty dollars ($50) a month, beginning December 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (December 9, 1915.)

McMillen, Mary B., University Stenographer, Rank II, in the Department of Agronomy, at a salary of sixty dollars ($60) a month, beginning December 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission, this appointment superseding her previous appointment at fifty dollars a month. (December 9, 1915.)

Rogers, Sophie, Graduate Assistant in Psychology for five months ending January 30, 1916, at a stipend of fifty dollars ($50) a month; this appointment superseding her previous appointment at thirty-five dollars a month. (December 16, 1915.)

Ruehl, Henrietta, Assistant in the Office of the Senior Dean of the College of Medicine and Assistant Nurse in the Dispensary, at a salary of sixty dollars ($60)

* The date in parenthesis is the date on which the appointment was made by the President of the University

a month, beginning December 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (November 30, 1915.)

Sawyer, Lester E., Storekeeper in the Business Office, at a salary of sixty dollars ($60) a month, beginning December 16, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission. (January 4, 1916.)

Schneilbach, J. F., Assistant Engineer in the State Water Survey, at a salary of one hundred dollars ($100) a month, for six months beginning January 1, 1916; this appointment superseding his previous appointment at seventy-five dollars a month. (December 23, 1915.)

Shulters, J. R., Assistant in Romance Languages, for five months beginning February 1, 1916, at a salary of eighty dollars ($80) a month. (December 22, 1915.)

Sperry, J. A., to make Bacteriological Examinations for students and Civil Service employees, at a compensation of twenty-five dollars ($25) a month, beginning November 1, 1915, and continuing until further notice. (January 4, 1916.)

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

MEETING OF FEBRUARY 8, 1916.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12 o'clock noon, on Tuesday, February 8, 1916, pursuant to the following notice which was sent out by the Secretary on January 31, 1916:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Blackstone Hotel in Chicago, on Tuesday, February 8, 1916, at 12 o'clock noon, to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson.

President James was present; also Prof. J. M. White, Supervising Architect, and, during a part of the afternoon, Dr. T. W. Brophy, Dean of the Chicago College of Dental Surgery.

MINUTES APPROVED.

The Secretary presented the minutes of the meetings of the Executive Committee held on October 30, 1915, and January 11, 1916, and of the meetings of the board held on December 14, 1915, and January 11, 1916. On motion of Mrs. Henrotin, the minutes were approved and received for record as printed on pages 858 to 882, inclusive.

MATTERS SUBMITTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters submitted by President James:

CHICAGO COLLEGE OF DENTAL SURGERY.

(1) A request from the Dean of the Chicago College of Dental Surgery for information concerning the terms on which a union of this college with the University might be effected.

Dr. Brophy, the Dean of the College, who was present, made a statement concerning the College and retired.

On motion of Mrs. Henrotin, this matter was referred to the President of the board, the President of the University, and the Committee on the College of Medicine for investigation and report.

MILITARY TRAINING IN LAND GRANT COLLEGES.

(2) A draft of a proposed address before the Committee on Military Affairs of the House of Representatives of the United States, concerning the development of military training at the land-grant colleges.

On motion of Mr. Small, the President of the University was authorized to present this address in the name of the board.

LEAVE OF ABSENCE FOR PROF. S. P. SHERMAN.

(3) A request from Prof. S. P. Sherman, of the Department of English, approved by Dean K. C. Babcock, for leave of absence on half pay for the academic year 1916-17, for the purpose of continuing his studies and completing certain literary work.

On motion of Miss Watson, the President of the University was authorized to grant this request, provided satisfactory arrangements are made for Prof. Sherman's work during his absence.

LEAVE OF ABSENCE FOR PROF. A. S. PEASE.

(4) A request from Prof. A. S. Pease, of the Department of the Classics, approved by Dean K. C. Babcock, for leave of absence on half pay for the academic year 1916-17, for the purpose of continuing his studies and completing certain literary work.

On motion of Mrs. Henrotin, the President of the University was authorized to grant this request, provided satisfactory arrangements are made for Prof. Pease's work during his absence.

READJUSTMENT OF PROF. BAGLEY'S WORK.

(5) A request from Prof. W. C. Bagley, Director of the School of Education, for a readjustment of his work and salary during the second semester of the present academic year, similar to the arrangement which was made last year, whereby he may be released from the undergraduate work and some of the routine details of the office, but may continue as head of the Department of Education, directing its policy and carrying on his regular work with graduate students; and in view of this readjustment relinquish half of his salary for the second semester of the present academic year, amounting to $1,375.

On motion of Mr. Carr, authority was given to the President of the University to make such a readjustment.

TESTS OF CAR WHEELS.

(6) A letter from Dean W. F. M. Goss, enclosing a proposal from the Association of Manufacturers of Chilled Car Wheels to cooperate with the Engineering Experiment Station in the study of the proper design of such wheels; and also a letter from George W. Lyndon, President of the Association, approving the plan:

January 22, 1916.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: Progress in the art of railroading is continually developing new questions affecting the weight and the contour of chilled iron car wheels. Changing methods in manufacture also operate to affect the strength of such wheels. The importance of securing proper design and proper methods of manufacture for such wheels may be judged by the fact that there are now in operation in this country approximately twenty million freight-car wheels, and that the demand for renewals alone involves the manufacture of not less than two and one-half million wheels a year.

With these facts in mind, the Association of Manufacturers of Chilled Car Wheels, as represented by Mr. George W. Lyndon, President and Treasurer, has agreed to cooperate with the Engineering Experiment Station in a study of questions fundamental to the proper design of such wheels. To this end the association has set apart a considerable sum of money for the use of the Engineering Experiment Station under the following conditions:

1. That the Engineering Experiment Station will undertake an investigation concerning the stresses and behavior of chilled iron car wheels under prescribed conditions, the details of the work to be determined by the Station in conference with the Association's Consulting Engineer, Mr. F. K. Vial.

That all results secured from such an investigation shall be the property of the Experiment Station. They may be published as Station bulletins or otherwise, as from time to time may be determined by the Director. Prior to any publication, however, the intention of the Director shall be formally communicated to the Association of Manufacturers of Chilled Car Wheels in order that said association may at all times be informed as to the purpose of the Station. The results also shall at all times be open to the inspection of the representatives of the Association of Manufacturers of Chilled Car Wheels, who may be assumed to act in an advisory capacity to the Station.

3. That the funds of the Association of Manufacturers of Chilled Car Wheels are to be drawn on for all costs of labor and supplies arising from the proposed investigation. If equipment is required in excess of that already available to the Station, it will be provided at the expense of the association. The Station will supply the time of members of its staff for the direction of the work, and the use of such facilities as it may already possess.

4. That on the approval of these proposals the Association of Manufacturers of Chilled Car Wheels will at once transmit to the business office of the University the sum of $500 as an initial deposit, and each month thereafter will transmit such sum or sums as may be called for by estimate of the costs of the investigation for the month next succeeding. Funds thus supplied are to constitute a credit on which the Director of the Engineering Experiment Station may from time to time draw to cover the costs of the proposed work. It will be the purpose to maintain, during the lifetime of this agreement, a balance in this account entirely sufficient to meet all charges that will need to be made against it.

5. That this arrangement will continue in effect until cancelled through the definite action of one or both of the parties in interest.

The Association of Manufacturers of Chilled Car Wheels has been influenced in making its proposal through its appreciation of the contributions already made by the Engineering Experiment Station in the field of railway equipment. Work already done by our Department of Railway Engineering and by our Department of Theoretical and Applied Mechanics constitutes the foundation for that which is now proposed. Prof. Talbot and Prof. Schmidt are already in touch with the problem, and its fuller development will be under their general direction. The cooperation proposed guarantees to the Station the strongest possible assistance in the developmnt of an investigation of great importance to the public weal.

This statement as formulated has been accepted by Mr. George W. Lyndon, President of the Association of Manufacturers of Chilled Car Wheels, as certified to by his letter to me submitted herewith.

I hope that you also will approve the arrangement.

I have the honor to be

Very truly yours,

W. F. M. Goss.

January 26, 1916.

Dean W. F. M. Goss, University of Illinois.

MY DEAR DEAN GOSS: I have received and have very carefully studied the draft of your letter to your President, Mr. Edmund Janes James, under date of January 22, and am pleased to advise that the arrangement as contained therein is entirely satisfactory.

Permit me to assure you of our hearty cooperation, and in passing may I say that I am strongly of the belief that the results will justify the work involved and prove of mutual benefit to your University, our association, and the public at large.

I am very glad indeed to enclose you herewith the check of the association for $500 for the purpose of preliminary expenses, in compliance with paragraph four of the agreement referred to.

Very sincerely yours,

GEO. W. LYNDON, *President.*

On motion of Mr. Carr, this plan of cooperation was approved and the President of the University was authorized to make such provisions as may be necessary to carry it out.

REMOVAL OF FRAME HOUSES ON PHARMACY LOT.

(7) A request for permission to make certain repairs on the building belonging to the University at 713 South Wood Street in Chicago.

On motion of Mrs. Henrotin, in view of the fact that the three small houses on the lots recently purchased for the School of Pharmacy are in bad state to repair and it would cost more to repair them than it would be worth, the Supervising Architect was instructed to remove the buildings from the lots either by selling the houses as they are, for purposes of removal, or by wrecking them, as may seem best, as soon as present leases permit.

TESTS OF ILLINOIS COALS.

(8) A letter from the Dean of the College of Engineering concerning a proposed arrangement for cooperation between Mr. A. T. Hert of Louisville, Ky., as represented by Mr. E. B. Fulks of Chicago, and the Engineering Experiment Station, for the purpose of investigating the behavior of Illinois coal under certain predetermined conditions.

January 18, 1916.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: Under date of October 13, 1915, I submitted a progress report concerning a proposed cooperative arrangement which was then under consideration by the Engineering Experiment Station and certain outside interests. (See Minutes of the Board of Trustees for October 14, 1915, page 854.) I am now able to present a full statement to the proposal, which is as follows:

For several years the Engineering Experiment Station, through the activities of Prof. S. W. Parr, has concerned itself with the behavior of Illinois coal under predetermined conditions. The coking of coal at low temperatures and the properties of the by-products resulting from coking are matters which have been subjects of extensive experimental study. These investigations have been in the nature of pioneer work, and the results have attracted wide attention among coal operators and the representatives of by-product industries.

Prof. Parr's experiments thus far have dealt with comparatively small quantities of materials, and accepting the limitations which have thus been imposed, his work has reached a conclusion. He has, however, been anxious to continue his investigations by the use of apparatus sufficiently extensive to permit determinations on a commercial basis, but it has not seemed practicable for the Engineering Experiment Station to supply the funds necessary for such a process.

In view of these facts, it is with the greatest satisfaction I announce the completion of a cooperative arrangement, whereby the funds necessary for a continuance of Prof. Parr's work are to be supplied.

Mr. A. T. Hert of Louisville, as represented by Mr. E. B. Fulks of Chicago, has agreed to act as the cooperating agency. The purpose is to install at the University a plant of sufficient size to permit the attainment of desired results, and to operate the plant thus installed in a series of experiments, the extent of which cannot now be determined. This work is to proceed under the following conditions:

1. That the Engineering Experiment Station will undertake to provide a site for the installation of the plant, and will direct in all matters concerning its installation and the subsequent experiments which are to be conducted in connection therewith, acting at all times in conference with representatives of Mr. A. T. Hert, who thus far have been designated as Mr. E. B. Fulks, Mr. A. L. Kuehn, and Mr. F. Puening, who are Mr. Hert's advisers on all technical matters.

2. That all results secured from such an investigation shall be the property of the Engineering Experiment Station. They may be published as Station bulletins or otherwise, as from time to time may be determined by the Director. The results also shall at all times be open to the inspection and use of the representatives of Mr. Hert, who may be assumed to act in an advisory capacity to the Station.

3. That the funds to be supplied by Mr. Hert are to be drawn on for all costs of labor and supplies arising from the proposed investigation. Such equipment as may be required in excess of that now available to the Station is to be provided at Mr. Hert's expense. The Station will supply the time of members of its staff for the direction of the work, and the use of such facilities as it may already possess.

4. That Mr. Hert will at once cause to be transmitted to the business office of the University the sum of $500 as an initial deposit, and each month thereafter

will cause to be transmitted such sum or sums as may be called for by estimates of the cost of the investigation for the month next succeeding. Funds thus supplied are to constitute a credit on which the Director of the Engineering Experiment Station may from time to time draw to cover the costs of the proposed work. It will be the purpose to maintain during the lifetime of this agreement a balance in this account of approximately $500. Reports of expenditures and of the condition of the account will be made to Mr. Hert from time to time.

5. That this agreement is to continue in effect until cancelled through the definite action of one or both of the parties in interest.

This statement as formulated has the approval of Prof. Parr and has been accepted by Mr. E. B. Fulks, acting for Mr. A. T. Hert, as will appear from the accompanying letter.

I hope that you also will approve the arrangement.

I have the honor to be,

Very truly yours,

W. F. M. Goss.

January 21, 1916.

Professor W. F. M. Goss, Dean of the College of Engineering.

MY DEAR PROFEESSOR GOSS: I am in receipt of your letter of January 18 enclosing a copy of a draft of a letter which you propose sending to President James, outlining the plan of our proposed experimental work.

This outline meets entirely with my approval, since it describes exactly what we agreed on during our recent visit with you.

I am advised that already a check for $500 as first payment has been sent to the University through Prof. Parr.

Very truly yours,

E. B. FULKS, *Vice President.*

On motion of Mr. Carr, this plan of cooperation was approved and the President of the University was authorized to make such arrangements as may be necessary to carry out the plan.

CIVIL SERVICE EXAMINATIONS.

(9) A letter from the Dean of the College of Agriculture protesting against the extent to which the State Civil Service Commission is calling on members of the Agricultural College staff to prepare papers for civil service examinations and to correct the papers of candidates written in answer to those questions.

No action was taken in this matter.

FIELD EXPENSES IN AGRONOMY.

(10) A letter from the Dean of the College of Agriculture transmitting one from Dr. Cyril G. Hopkins describing the method of determining the personal expenses of field parties engaged in the soil survey.

January 13, 1916.

President E. J. James, University of Illinois.

MY DEAR MR. PRESIDENT: I am sending for information and record in the President's office the enclosed communication from Dr. Hopkins, head of the Agronomy Department. He states briefly the outcome of a general conference held in my office on the subject of personal expenses of field parties, and while it was the general opinion of the conference that no change in practise should be recommended, yet it seemed to me extremely important that a record should be made of the fact that the whole matter has been seriously canvassed and of the reasons for continuing the present practise. From what I know of the matter I am convinced that this present practise is, all things considered, the cheapest and the best, though I feel it is important that there should be on record in our administrative offices sufficient statements to show that the matter has been seriously considered and that we have not drifted into loose methods of doing business.

We maintain the general principle that every man employed by the University must have a headquarters somewhere, and kept up at his own expense. In the case of men who are continuously in the field, they maintain such headquarters at outside points such as Carbondale, Dixon, etc. Men on the soil survey represent a peculiar class, being a part of the time at the University and a part of the time away. You will see by Dr. Hopkins' statement that in practise they find it necessary to maintain some kind of headquarters here continuously, and while they doubtless profit financially by having their expenses paid while in the field, it is also true that these expenses are very moderate, can easily be checked up between parties, and if we should require them to pay these expenses themselves as if they were here we should then create an injustice unless we correspondingly raised their salary. All things considered, therefore, it seems best to continue the present practise, which is both economical, comfortable, and safe, being careful to place upon our records from time to time the reasons for so doing. It is with this thought in mind that this letter is forwarded to your office.

Very truly yours,

E. DAVENPORT.

January 10, 1916.

Doctor Eugene Davenport, Director Agricultural Experiment Station.

DEAR DEAN DAVENPORT: In accordance with our recent conversation, following a conference attended by most of the men holding the more responsible positions in the Agronomy Department, at which you were able to be present only part of the time, I am writing you in order to furnish you more complete information in regard to the expenses of our field men, especially in connection with the soil survey.

As is the general custom of the University, the traveling and living expenses of our soil survey men have been paid, except when they are located at the University during the winter season. The fact that the soil survey men have been obliged to move frequently, holding their headquarters, as a rule, at one place only from a few days to perhaps two or three weeks, has rendered any other procedure apparently out of consideration. Even when they have maintained headquarters at one place for three or four weeks or possibly longer, they have often found it necessary to stay over night occasionally at other points in order to avoid driving too great distances.

Two conditions have arisen which I think should be called to your attention, although I doubt if they should modify our practise, unless there should seem to be some administrative reason for so doing.

First, we have found that it is more economical and entirely feasible to substitute automobiles almost entirely for horse livery. This is in part owing to the increasing cost and difficulty of securing horse livery, in part to the decreasing efficiency of the horse liveries which we are able to secure, and, in part, to the reduced cost for the purchase and maintenance of automobiles. In many places the taxi or automobile livery has almost entirely replaced the horse liveries not only in the larger cities but even in the country towns. For the field season of 1914 we made considerable use of automobile liveries, which were hired in place of horse liveries, and, in the beginning of our field work in 1915, we purchased two Ford touring cars, the final net cost of which was $460 each. These proved so satisfactory that later in the season we purchased three additional cars at the same price so that all of our five soil survey parties have been provided with Ford cars. Even if we allow $200 depreciation on each machine during the season, the expense of livery was reduced from about $2,550 to $1,585, thus making a saving of nearly a thousand dollars. Probably the expense for operation, repairs, etc., will be greater the second season than the first, but it seems also probable that $200 is more than we shall need to allow for depreciation. In addition to this direct saving, we also save on the time of the men in the field, because they can travel to and from their work so much more quickly in the automobiles than with horse livery, even tho they are able to work a larger area without moving headquarters. Even the frequent moving of headquarters from one place to another involves considerable loss of time.

With the use of automobiles we now maintain headquarters at one point sometimes for three months or more, and this might suggest that we should modify our practise and expect the men to pay their own living expenses while so long located at one point. I find, however, that it is a regular custom for all of our more responsible soil survey men to maintain a home in Champaign or Urbana. Even the unmarried men find it necessary to rent a room thruout the year in order to have place to leave their personal effects which they cannot take with them on the soil survey, and a place to live not only during the winter season but sometimes when they are called in or kept at the University for teaching or other purposes more or less at different times during the summer season. Thus, some of our soil survey men work in the field only during the three summer months, while others may work from April 1 to September, others from June to December 1, and still others during the entire field season. I should like to emphasize the fact that our field parties seem to strive conscientiously to keep their living expenses at the minimum, consistent with living in decent and cleanly places, having wholesome food, which is necessary not only to enable them to do the work but also to preserve good health. As a general average, the living expenses amount to $9 a week per man. This includes lodging and board, but it does not include laundry, an item which we have never included in such expenses. I find that the corresponding living expenses for single men employed at the University is about $7 a week, so that, counting the average full field season, the annual financial saving to the men in the field is about $150 in comparison with those employed continuously at the University. In other words, on this basis, the field men should be able to save $150 more during the year than laboratory men receiving the same salary. However, there are other considerations, which in the judgment of Prof. Mosier, myself, and others most familiar with the work, probably fully counterbalance this apparent advantage. Thus, the men at the University normally work eight hours a day with four hours on Saturday, while the soil survey men normally work ten hours a day, including Saturday, and, as an average, they also work at least an hour each evening in copying field notes, transferring soil maps, making reports, etc. The field men are much exposed and I am convinced that they endeavor conscientiously to use their time to the best advantage for the sake of the work. As a rule they work in parties of four. Although more or less scattered during the day, they will meet at least by twos at lunch time, and the four will regularly be together at night, in order to compare and check up the work accomplished. I also find that men who have had experience in our soil survey work but who are now employed continuously at the University prefer to remain at the University rather than to go back into the field work, even with the possibility of saving $150 more from the year's employment. I do not mean that the soil survey men are dissatisfied with their work, but I believe that the present remuneration is about as satisfactorily balanced as it could well be.

The second point grows out of the fact that some of our soil survey men have married, and in some cases they find it possible and most satisfactory to arrange to do light housekeeping at the headquarters of the party, even though they remain there only a few months. I feel that such arrangements are by no means objectionable but rather to be encouraged, for it permits some sort of approach to home life. However, it complicates somewhat the financial accounts, in that in such instances the man boards with his wife and the only method we have found of handling the matter is to ask him to take a receipt from his wife and turn it in as a subvoucher exactly the same as though he were boarding at a hotel. It may even

be arranged that the entire party of four men boards with the wife of one of them, and this may be altogether the most satisfactory arrangement which it is possible to make and highly approved by every man in the party. Under such conditions they can arrange to have their breakfasts as early as they desire in the morning, and, if they return later than usual after the day's work, they still find supper waiting for them, which is not always the case at public eating houses in small towns. It may be kept in mind that we have four or five soil survey parties that work in different parts of the State, and of course comparisons are always possible in regard to the expenses of these different parties. It is safe to say that such arrangements for light housekeeping by the young married men tend to increase efficiency with no increase in expense.

We have considered a number of other possible methods of handling the finances in connection with the expenses of the soil survey men, but we are convinced that no other method would prove so satisfactory or so economical. In all cases, the head man of the soil survey party is made responsible for all expenses incurred, which we believe tends towards both efficiency and harmony because it concentrates authority and responsibility upon the most experienced and mature men of the party.

Unless there is some administrative objection, we shall continue to follow the general plan as outlined above.

Very truly yours,

CYRIL G. HOPKINS.

This report was received for record.

FEES FOR GRADUATE WORK IN MEDICINE.

(11) A statement that unless the board should direct otherwise, the fees for the graduate work in medicine in Chicago during the summer session should be fixed at the same rate as in other departments of the Graduate School.

No action was taken in this matter.

TESTS OF RAILWAY FUELS.

(12) A letter from the Dean of the College of Engineering concerning a proposed cooperation between the Engineering Experiment Station and the International Railway Fuel Association:

February 1, 1916.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: The Department of Railway Engineering under the direction of Prof. E. C. Schmidt has proposed to utilize its Locomotive Laboratory in a research to determine the relative values of different grades of Illinois coal when used in locomotive service. I believe that the proposed research is an important one, and I have already approved the proposal as an activity which may properly be undertaken under the auspices of the Engineering Experiment Station.

The International Railway Fuel Association as represented by its Executive Committee and by its Secretary, Mr. C. G. Hall, in conference with Prof. Schmidt, has agreed to cooperate with him in the work which he has proposed. A formal statement of their proposal is set forth in a letter transmitted to Prof. Schmidt by the secretary of the association, Mr. C. G. Hall, under date of January 19, 1916, which is as follows:

"Referring to your letter January 14,

"At a meeting of our Executive Committee at Hotel Sherman, Monday, January 17, a resolution was passed instructing the Secretary to write you to the effect that the International Railway Fuel Association wishes to cooperate with the Engineering Experiment Station of the University of Illinois in carrying out an investigation of the relative value of various grades of coal from the same mine for locomotive service.

"It was further resolved that in expectation that the University of Illinois shall make this part of its research work, same to be extensive and thoro, the International Railway Fuel Association will continue in the future to cooperate with the University so far as it may be possible in carrying on this work.

"That it is the intention of the International Railway Fuel Association at this time to contribute or provide

(a) $1,450 already subscribed;

(b) A locomotive;

(c) Such additional funds as may be procured or appropriated by the association;

(d) As many observers up to the number of seven as may be procured from various railways in order that the program already laid down by our committee in charge of fuel tests may be proceeded with immediately.

"Our executive committee has authorized the secretary to say that the coal for the immediate tests will be drawn from one of the coal districts of the State of Illinois.

"We trust that the University will consider this proposition favorably and I will be pleased to have you write me outlining the manner in which the University will cooperate with us in this work."

You will note that this proposal on the part of the International Railway Fuel Association is to aid the University in pushing more rapidly than it could otherwise do, an investigation, the general character of which has already been deemed suitable as an Engineering Experiment Station activity, and to place the investigation on a higher plane than the University unaided could do, by supplying a locomotive especially suited to the purposes of the research.

The Engineering Experiment Station reserves all its rights. The results obtained will be the property of the Station and will be available for publication as Station bulletins or otherwise, as may from time to time be determined. The

Engineering Experiment Station will, however, aid the association in the preparation for its proceedings of such a report of the cooperative work as may be mutually agreed to by Prof. Schmidt and Secretary Hall.

On the receipt of assurances that these several proposals are satisfactory, the International Railway Fuel Association will make available for the purpose of the proposed work such funds as it now has in hand and such other funds as it may hereafter collect for this purpose. These funds will be handled through the business office of the University, subject to the usual procedure of that office.

The delegation of observers from several railways in Chicago to aid in this work in the Locomotive Laboratory is a matter that will be arranged directly by Prof. Schmidt in conference with the secretary of the association.

I recommend that this cooperative arrangement be approved.

I have the honor to be,

Very truly yours,

W. F. M. Goss.

On motion of Mr. Hoit, this plan was approved.

RESIGNATION OF PROF. L. A. HARDING.

(13) A statement that the resignation of Prof. L. A. Harding, Professor of Experimental Mechanical Engineering, had been accepted, to be effective February 7, 1916. Prof. Harding found that certain outside interests demanded his attention to such an extent that he felt it would be unfair to attempt to carry on his University work and give them attention also.

This statement was received for record.

SMITH MUSIC BUILDING.

(14) A letter from Capt. Thomas J. Smith concerning the erection of the building for the School of Music, and requesting an opportunity to meet with the board on the occasion of their next meeting in Urbana.

It was voted that Capt. Smith be invited to meet with the board at the annual meeting in Urbana (March 14, 1916).

POWER TO SELL OR MORTGAGE SMITH LANDS.

(15) An opinion by the Legal Counsel of the University as to the power of the University to sell or mortgage the land given by Capt. Thomas J. Smith for the purpose of securing the erection of a building to house the musical interests of the University:

January 29, 1916.

President Edmund J. James, University of Illinois.

DEAR PRESIDENT JAMES: In reply to your request concerning the disposition of the lands conveyed by Capt. Smith to the Board of Trustees, I am pleased to report as follows:

POWER TO SELL.

There is no doubt about the power of the Board of Trustees to sell this land and devote the proceeds to the purposes contemplated by the grant of Capt. Smith. It would have no power to sell the land and divert the proceeds to some other purpose without first having used an appropriation from money obtained from some other sources for the erection of a Music Building. The power to convey the land now and use the proceeds for that purpose, or to use the money from some other fund in the erection of a Music Building and then sell the lands for the purpose of reimbursing that fund may be exercised without first obtaining authority from the Legislature.

POWER TO MORTGAGE.

The clause contained in the first section of the organic act, that "The Board of Trustees of the Illinois Industrial University shall be a body corporate and politic, and by that name and style shall have perpetual succession, have power to contract and be contracted with, to sue and be sued, to plead and be impleaded, to acquire, hold, and convey real and personal property" is sufficiently broad in my opinion to authorize the Trustees to mortgage the lands obtained from Capt. Smith, provided the purpose of making the mortgage is to raise funds out of which to erect the Music Building. The resolution authorizing the mortgage to be made should specifically declare that the purpose is to use the money borrowed toward the erection of the Music Building, and to avoid any danger of future complications, I should advise that the fund, when obtained, be kept distinct from other funds, and checked out only as the building is being constructed. I think, too, it would be wise to have the resolution prefaced by a "Whereas," reciting the fact that Capt. Smith has made conveyance as a gift, etc.

Respectfully submitted,

O. A. HARKER, *Legal Counsel.*

This statement was received for record.

LEAVE OF ABSENCE FOR MR. J. S. TOMLINSON.

(16) A request from Mr. J. S. Tomlinson, Cashier in the College of Medicine, for leave of absence for one year, without salary. Mr. Tomlinson has found it necessary to go south for his health. The Civil Service Commission has agreed to permit the Trustees to grant this leave of absence.

On motion of Miss Watson, this leave of absence was granted.

COLLEGE PLACE LOTS.

(17) A letter from Miss Fanny B. Sherfy, of Champaign, asking for information concerning the possible purchase of lots in College Place by the University.

This land is bounded on the west by First Street, on the north by Armory Avenue, and on the east by Fourth Street. Miss Sherfy states that various rumors about the possible utilization of these lots by the University make it difficult to sell the lots.

No action was taken in this matter.

ORDERS FOR BOOKS FOR THE LIBRARY.

(18) A request from Mr. P. L. Windsor, Director of the University Library, for authority to place orders immediately for the purchase of books for the University Library to be delivered after July 1, 1916, at a cost of not more than sixteen thousand dollars, the amount to be charged against the book appropriation for the fiscal year 1916-17, and that similar authority be given for the purchase of books for the Library of the College of Medicine at a cost of not more than one thousand dollars, this amount to be charged against the medical appropriation for the fiscal year 1916-17. This is a request similar to one approved by the board during 1914 and also in 1915. It is necessary to give these orders now if we hope to have the books on hand for use next year.

On motion of Mrs. Evans, this request was granted. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

BUILDING PROGRAM AND POLICY.

(19) A statement calling attention to the fact that if the proposed changes in the building for the School of Education should be carried out, it would mean that the board would spend much more in the construction of this building than it had been planning to do, and that inasmuch as our funds are strictly limited this would mean that certain very necessary additional building schemes would have to be postponed. It is very desirable, indeed necessary, that the Natural History Building be completed at the earliest possible date so as to provide proper accommodations for the Department of Botany and the other departments in the building which are steadily increasing. It is also necessary to make certain important changes in the engineering plant amounting altogether to upwards of one hundred thousand dollars, and it is difficult to see where these funds are coming from if we undertake to expend such a large additional sum on the School of Education during the present biennium or the next biennium.

The pressing items in the College of Engineering Building budget are:

(a) Reconstruction and rearrangement of the equipment of the Mechanical Engineering Laboratory at an estimated cost of $30,000.

(b) A temporary building for an Industrial Museum. We are likely to get some very important gifts for our Industrial Museum during the present year and the coming year in addition to those we have already received and for which we must provide some housing. It will cost $10,000 or more to meet this need.

(c) The completion of the Transportation Building at an estimated cost of $33,000.

(d) An extension of the Mining Engineering Laboratory by the construction of an additional wing at an estimated cost of $15,000.

The pressure for additional space in our Department of Architecture is very great and this can only be satisfied by making the additions suggested above so as to take care of the Mechanical Engineering and other departments by certain comprehensive readjustments of space.

No action was taken in this matter.

REPAIRS ON PHARMACY BUILDINGS.

(20) A recommendation that the sum of fifteen thousand dollars be appropriated for the necessary repairs to the buildings recently purchased at the corner of South Wood and Flournoy Streets in Chicago, to make them available for use by the School of Pharmacy.

On motion of Mrs. Evans, this appropriation was made. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

DOCUMENTS PERTAINING TO THE PHARMACY LOTS.

(21) A list of documents filed with the Secretary of the board pertaining to the lots recently purchased in Chicago at the corner of South Wood and Flournoy Streets:

"List of Documents pertaining to Lots in Chicago Purchased for School of Pharmacy, University of Illinois, December, 1915.

P 1—DEED: Adam Prehler to the Board of Trustees of the University of Illinois, for lots 9, 10, and 11 in Carpenter's resubdivision of the west half of block 5 in Hadduck's subdivision into blocks 4, 5, and 17 of that part of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian set off to said Hadduck in partition of said tract by order of Superior Court of Chicago, July 7, 1859, in Cook County, Illinois.—Dated December 27, 1915. No. 5778849; book 13716; page 169.

P 2—WARRANTY DEED: Chicago Title and Trust Company, as receiver of Chicago Hoemopathic Hospital, to the Board of Trustees of the University of Illinois, for lots 12, 13, and the south one and three-twelfths feet of lot 14 in the resubdi-

vision of the west half of block 5, in the assessor's division of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian, in Cook County, Illinois.—Dated December 30, 1915. No. 5781561; book 13671; page 323.

P 3—SPECIAL WARRANTY DEED: William O. and Josephine Green to the Board of Trustees of the University of Illinois, for lots 14, 15, and 16, in Carpenter's resubdivision of the west half of block 5 in assessor's division of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian.—Dated December 30, 1915. No. 5781703; book 13671; page 328.

P 3a—MASTER'S DEED: Wirt E. Humphrey, Master in Chancery of the Superior Court of Cook County, to William O. Green, for lots numbered 14, 15, and 16 in Carpenter's resubdivision of the west half of block number 5 in assessor's division of the east half of the southeast quarter of section No. 18, township No. 39 north, range 14 east of the Third Principal Meridian, together with the rents, issues, and profits thereof, and all buildings and improvements on said premises or on any part thereof.—Dated December 24, 1915. No. 5781702; book 13569; page 357.

P 4—TITLE GUARANTEE POLICY No. 348470. From the Chicago Title and Trust Company to the Board of Trustees of the University of Illinois, for lots 9 to 16 inclusive in Carpenter's resubdivision of the west half of block 5 in Hadduck's subdivision into blocks 4, 5, and 17 of that part of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian, set off to said Hadduck in partition of said tract by order of Superior Court of Chicago, July 7, 1859, in Cook County, Illinois.—Dated January 5, 1916, —amount $35,000.

P 5—ABSTRACT OF TITLE to lots 14, 15, and 16 in Carpenter's resubdivision of the west half of block 5 in the assessor's division in section 18/39/14, Cook County, Illinois.—Dated (last entry) September 13, 1913.

P 6—WARRANTY DEED: Albert D. and May B. Gibbs to Adam Prehler, for lots 9 and 10 in the resubdivision of the west half of block 5 of the assessor's division of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian.—Dated March 11, 1905.

P 7—WARRANTY DEED: Melanie Nifnecker and Emil Nifnecker to Adam Prehler, for lot 11 in Carpenter's resubdivision of the west half of block 5 in Hadduck's subdivision into blocks 4, 5, and 17 of that part of east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian, set off to said Hadduck in partition of said tract by order of Superior Court of Chicago, July 7, 1859, in Cook County, Illinois.—Dated November 24, 1905.

P 8—DEED OF TRUST: Chicago Homeopathic Hospital to Samuel J. Lumbard. Lots numbered 12 and 13 and the south 1 3/12 feet of lot 14 in Carpenter's resubdivision of the west half of the block 5 in the assessor's division of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian, situated in the county of Cook, in the State of Illinois.—Amount of encumbrance named, $6,500; accompanied by four notes for $500 each and one note for $4,500.—Dated March 26, 1908; released by deed, December 30, 1915.

P 8a 1, 2, 3, 4—THREE NOTES, each for $500, and one note for $4,500, Chicago Homeopathic Hospital to its own order at the office of Samuel J. Lumbard. Dated March 26, 1908. Terms 2, 3, and 4 years respectively for the $500 notes, and 5 years for the $4,500 note. Interest at 6 per cent. Each note cancelled and marked "Paid, December 30, 1915."

P 9—DEED OF TRUST: Chicago Homeopathic Hospital to Jeanette Lacy. Lots 12 and 13 and the south 1 3/12 feet of lot 14 in Carpenter's resubdivision of the west half of block 5 in the assessor's division of the east half of the southeast quarter of section 18, township 39 north, range 14 east of the Third Principal Meridian, subject, however, to a trust deed dated March 26, 1908, and recorded March 30, 1908, as document no. 4879468 to Samuel J. Lumbard to secure an indebtedness of $6,500.—Dated April 13, 1911; amount $6,500; accompanied by thirteen promissory notes each for $500 and one note for $100, all enumerated in the deed; term, 7 years, with interest at 3 per cent payable annually and 3 per cent after maturity. Perforated "Canceled."

P 9a 1-14 (incl.)—THIRTEEN NOTES each for $500 and one for $100 as enumerated in Document P 9 above. Each perforated "Canceled."

P 10 a, b, c—RECEIPTS, water supply, lots 713, 717, 719 South Wood Street, semi-annual period May 1, 1915, to November 1, 1915; net amounts $2.63, $3.94, and $5.63 (less .37) each perforated "Paid."

P 11 a, b, c—BILLS from McKey & Poague for purchase of 701-705, 709-711, and 713-717-719 South Wood Street respectively, being the properties deeded in Documents P 1, P 2, and P 3. Dated January 11, 1916; amounts $16,280, $9,251.25, and $10,407.66 respectively.

P 12 a, b, c—LETTERS from McKey & Poague and copy of affidavits of President Abbott concerning the exemption of above properties from taxation. Affidavits endorsed with receipt, January 17, 1916, by M. K. Sheridan, Secretary."

SUMMER SESSION SALARY BUDGET.

(22) The salary budget for the Summer Session of 1916, carrying with it an assignment of twenty-three thousand two hundred and twenty-five dollars:

Department and name.	
Agriculture.	
Nolan, Aretas W., Assistant Professor	$300 00
Burlison, William L., Associate Professor	200 00
Ekblaw, Karl J. T., Associate	225 00
Colby, Arthur S., Assistant	200 00
Bull, Sleeter, Associate	125 00

Department and name.	
Gusler, Gilbert, Associate	$125 00
Roberts, Elmer, Instructor	75 00
Total	$1,250 00
Art and Design.	
Lake, Edward J., Assistant Professor	300 00
Total	$300 00
Botany.	
Stevens, Frank L., Professor	500 00
Beach, Walter S., Assistant	150 00
Total	$650 00
Chemistry.	
Balke, Clarence W., Professor	500 00
Derick, Clarence G., Assistant Professor	350 00
Beal, George D., Associate	250 00
Hopkins, B. S., Associate	250 00
Lewis, Howard B., Associate	250 00
Sears, George W., Instructor	225 00
Hecker, Charles H., Instructor	225 00
Johnson, Laurence C., Instructor	225 00
Engle, E. W., Instructor	200 00
Rowland, Floyd E., Assistant	100 00
Total	$2,575 00
Classics.	
Oldfather, William A., Professor	400 00
Canter, Howard V., Assistant Professor	300 00
Total	$700 00
Economics.	
Litman, Simon, Assistant Professor	300 00
Thompson, Charles M., Associate	300 00
Scovill, Hiram T., Instructor	225 00
Stewart, Charles L., Instructor	225 00
Total	$1,050 00
Education.	
Johnston, Charles H., Professor	500 00
Whipple, Guy M., Professor	500 00
———	500 00
Hoke, Kremer J.	400 00
Miller, Wilford S., Assistant	225 00
Rhoton, A. L.	100 00
———	275 00
Total	$2,500 00
English.	
Upham, Alfred H., Professor	500 00
Paul, Harry G., Assistant Professor	300 00
Jones, Harry S. V., Assistant Professor	300 00
Woolbert, Charles H., Associate	250 00
Boyer, Clarence V., Associate	250 00
Hillebrand, Harold N., Instructor	225 00
Tieje, Ralph E., Instructor	112 50
Sutcliffe, Emerson G., Assistant	112 50
Total	$2,050 00
Entomology.	
———	450 00
Total	$450 00
French.	
Carnahan, David H., Associate Professor	100 00
Moore, Olin H., Associate	250 00
Carry, Charles S., Assistant	150 00
Total	$500 00
German.	
Bloomfield, Leonard, Assistant Professor	300 00
Gillet, Joseph E., Associate	250 00
Green, Alexander, Instructor	225 00
Puckett, Hugh W., Instructor	225 00
Kline, Earl K., Instructor	225 00
Total	$1,225 00

Department and name.	
History.	
Anderson, Frank M., Professor (see Political Science)	$300 00
Laprade, William T., Professor	350 00
Cole, Arthur C., Associate	250 00
Total	$900 00
Household Science.	
MacKinnon, Jean	250 00
Hope, Leona	225 00
Fleming, Georgia	225 00
Total	$700 00
Manual Training.	
Park, Joseph C., Director Industrial Education, Oswego State Normal School, Oswego, N. Y.	400 00
Griffin, Fred	250 00
Duncan, James M., Assistant	150 00
Total	$800 00
Mathematics.	
Townsend, Edgar J., Professor	500 00
Crathorne, Arthur R., Associate	250 00
Chittenden, Edward W., Instructor	225 00
Frary, Hobart D., Assistant	150 00
Total	$1,125 00
Mechanics, Theoretical and Applied.	
Ensign, Newton E., Associate	250 00
Seely, Fred B., Associate	250 00
Vallance, Alex, Instructor	225 00
Total	$725 00
Music.	
Erb, John L., Director, School of Music	500 00
———,	150 00
Total	$650 00
Physical Training (Men—for six weeks service).	
Huff, George A.	375 00
Gill, Harry L.	300 00
Jones, Ralph R.	300 00
Zuppke, Robert C.	300 00
Mauthe, O. C., Director of Physical Education, Stout Institute, Menomonie, Wis.	300 00
Fargo, Roy N., Director Men's Gymnasium	225 00
Glimstedt, Olaf H., Assistant	150 00
Traveling expenses for Mr. Mauthe	50 00
Total	$2,000 00
Physical Training (Women).	
Brooks, Verna, Instructor	225 00
Total	$225 00
Physics.	
Knipp, Charles T., Assistant Professor	400 00
Williams, Elmer H., Associate	250 00
Warner, Earl H., Assistant	200 00
Bayley, Paul L., Assistant	150 00
Frazel, Charles S., Assistant	100 00
Booth, H. T.	100 00
Total	$1,200 00
Political Science.	
Mathews, John M., Assistant Professor	300 00
Anderson, Frank M., Professor (see History)	200 00
Total	$500 00
Sociology.	
Lichtenberger, James P., Professor	500 00
Total	$500 00
Spanish.	
Laguardia, Cincinnati J. B., Assistant	200 00
Total	$200 00
Zoology.	
Shelford, Victor E., Assistant Professor	300 00
Instructor or 2 Assistants at $75 each	150 00
Total	$450 00
Total	$23,225 00

On motion of Mrs. Henrotin, this budget was approved.

At this point, President Abbott, being called from the room, requested Mrs. Evans to preside over the meeting.

POLICY OF DISPENSING WITH GENERAL CONTRACTORS.

(23) A letter from the Supervising Architect enclosing a report prepared by Mr. L. J. Towne arguing in favor of dispensing with general contractors on our building work.

February 5, 1916.

President E. J. James, University of Illinois.

DEAR SIR: I am enclosing a report prepared by Mr. Towne which is his argument for our dispensing with general contractors on our building work. It seems to me that this matter is of enough importance to present to the Board of Trustees for their opinion.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

January 31, 1916.

Prof. J. M. White, Supervising Architect.

DEAR SIR: I am of the opinion that the time has come for the University to take over the work of the general contractor in the construction of University buildings, and I wish to present a few facts in support of this position.

As you are aware, there is a definite movement in this direction among architects in this country, for reasons which I will attempt to present below. You are also aware that there has been a tendency on our part during the last three years to take over more and more of the responsibility for the building construction until we now have on the Chemistry Building six, and on the Ceramics Building seven contractors in addition to the general contractor.

Table I, attached, shows the proportion of the total cost of the last four buildings constructed on the Campus executed by the general contractor's own forces, first, including material furnished by him, and second, exclusive of such material. You will note that only 40 per cent of the total cost of the buildings in general is borne by the general contractor himself, including material furnished by him, and only 16½ per cent exclusive of such material. This is presented simply to indicate that the change proposed would not affect a very large proportion of the total cost of the building.

The following are in brief the main arguments for the elimination of the general contractor:

1. The general contract method of construction is undoubtedly a survival of former conditions not now obtaining, when it was customary for one contractor to execute almost all of the work in connection with the building with his own forces. At the present time, due to the high degree of specialization which exists in various building trades, there have arisen many capable contractors dealing only with certain branches of building work, until even the general contractors have come to realize in a great many cases that they can sublet work at a profit to subcontractors. This has resulted in their gradually dropping off various parts of the work until at the present time only the masonry and carpentry work is commonly executed by the general contractor's own forces.

2. The elimination of the general contractor gives the architect a greater flexibility in the development of his plans and specifications for the building. The awarding of a general contract makes it necessary to plan in advance to the minutest detail work which will not be executed for months after the awarding of the contract, which often does not allow sufficient time for the proper study of the design. Then after a change is proposed after awarding the contract, it is usually impossible to get an adjustment of the cost favorable to the owner, It is also necessary to attempt to determine in advance, by securing advice from the contractors or otherwise, the relative cost of alternate methods of construction. This we sometimes attempt to obviate by the taking of alternate bids, but I think we are all agreed that such alternate bids are very difficult to secure in such a way that they can be used advantageously. Where the architects can let subcontracts for the various branches of the work bids can be taken directly on different types of construction and contracts can be let as the work proceeds, allowing additional time for the study of details of finish which will not be required during the first months of construction.

3. The plan proposed will give a better and much more direct control of various trades working in a building than where such control has to be obtained through the general contractor. In talking with subcontractors, it is their universal statement to me that they would much prefer to deal directly with the architect than with the general contractor. In fact, even at present, a great deal of the work of our superintendent on a building is done directly with the subcontractors. Some time ago, I determined that owing to the fact that the responsibility was entirely with the general contractor we ought not to do this, but ought to take up all matters directly through him. We started out on this policy but I find that we are gradually working back to the other method because of its manifestly greater efficiency. At the same time it often causes difficulty in adjusting matters with the general contractor.

4. The University is much better able to finance a piece of construction work than the average contractor. Payments to subcontractors can be made frequently and promptly, thereby relieving them from interests charges which are often a very heavy item to a small contractor. Material bills can be discounted promptly.

5. There are certain financial savings inherent in this matter of executing work, as follows:

(1) By splitting the work up among the larger number of contractors, the necessity for a bond from any one contractor is considerably reduced and dis-

cretion can be used in requiring or not requiring same, at a considerable saving, amounting at a maximum to 1 per cent of the general contract.

(2) The general contractor's overhead expense amounting to 3 per cent to 5 per cent is eliminated as well as profit amounting to 5 per cent to 10 per cent. This saving is partly offset by whatever increase in the architect's overhead expense is made necessary to handle the larger number of contractors. In the case of our organization I do not believe such an increase would exceed 2 per cent of the cost of the building.

The following are the main arguments against the elimination of the general contractor:

1. Such a method makes the total cost of a building a little more uncertain at the outset than under the present method, because of the fact that it is undesirable to take bids on all branches of the work at the same time, or to hold up the earlier parts of construction work until plans and specifications can be prepared for all details of finish.

Referring again to Table I, it is evident that the total of the variable item, namely, the general contractor's labor cost, is only about 16½ per cent of the total cost of the building, assuming that we can estimate the cost of materials as accurately as he can. It is therefore evident that so far as the total cost of the building is concerned, the variable items can be estimated with sufficient accuracy, although this may involve the addition of an experienced estimator to our force at certain times in the year.

2. There is a possibility of our having difficulty in finding responsible subcontractors for masonry and carpentry work. So far as I know, there is only one local mason contractor, and one local carpenter contractor, with whom we would care to deal on University work. However, there are in Indianapolis, Danville, Decatur, Peoria, etc., firms which would be glad of any opportunity to figure on these independent branches with the further possibility that the local general contractors might be willing to take one or more branches at the exclusion of the remainder.

3. The execution of construction work by the method outlined undoubtedly requires a higher grade of superintendence than where the responsibility is fixed on one general contractor. It would be necessary to strengthen our organization on this respect, at, of course, an increased overhead cost referred to above. Aside from the additional cost, there can be no argument on this point.

In conclusion, the whole matter, to my mind, reduces itself to this. Where the architect's organization is capable of handling the work in the manner outlined and where capable subcontractors can be secured, the general contractor has no logical place in a building project.

Yours truly,

L. J. TOWNE, *Superintendent of Construction.*

TABLE I.

PROPORTION OF TOTAL COST OF UNIVERSITY BUILDINGS ACTUALLY BORNE BY GENERAL CONTRACTOR.

	Administration.	Chemistry.	Vivarium.	Ceramics.	Average.
Total cost, including equipment	$160,000	$350,000	$70,000	$128,000	.....
Total cost building	140,000	260,000	50,000	118.000	.....
General contract	106,000	189,000	29,000	82,000	.....
Labor and material executed by general contractor's own forces, excluding subcontractors	76,000	133,000	19,000	37,000	.....
Labor and material, per cent of general contract	72%	51%	65%	70%	65%
Labor and material, per cent of total cost	48%	38%	27%	45%	40%
Labor executed by general contractor's own forces, excluding subcontractors and material orders	21,000	51,000	8,000	21,000	.....
Labor by general contractor, per cent of general contract	20%	27%	28%	26%	25%
Labor by general contractor, per cent of total cost	12½%	14½%	11½%	16½%	14%
General contractor's bond and insurance	1,500	4,026	860	1,375	.....

No action was taken in this matter.

At this point, President Abbott returned and resumed the chair.

TRANSFER OF FORESTRY PLANTATION.

(24) A recommendation that the President of the University be authorized to transfer the care and control of the Forestry Plantation, lying west of Lincoln Avenue, from the Department of Horticulture to the Department of Buildings and Grounds, and that this plantation be merged into a park; with the understanding that any changes made in the forestry at present, such as cutting down or remov-

ing trees, be done only after consultation with and approval of the Department of Horticulture. This recommendation is based on the following communication from Dr. T. J. Burrill to Prof. J. C. Blair, after conference with him and the Department of Buildings and Grounds.

February 3, 1916.

Prof. J. C. Blair, Urbana, Illinois.

MY DEAR SIR: In view of the sleet injury to the trees in the University forest plantation, you ask in yours of the 2d instant for my opinion as to what should be done, having prominently in mind the future policy to be pursued in regard to the plantation.

In the first place, it may be well to recall the original purpose of this experiment with such facts in its history as seem to bear upon the present inquiry. It should be remembered that fifty years ago this was a new country, largely prairie, with multitudes of untried problems facing the early land owners and managers. The importation of wood of any kind had scarcely begun and the facilities existing gave small promise of what has since taken place. The supplies of coal were little known and its use little appreciated. The railroad engines commonly burned wood. By far the larger proportion of household heat especially in the kitchens (and often there was none other) came from the same fuel. Kitchen stoves especially adapted for coal were hardly known until at least a decade later. Good building timber was scarce and the home supply was rapidly disappearing with every prospect of an increase in price. On the other hand the country was speedily settling up. Increasing calls were made for construction timber as well as for wood for many purposes now supplied by iron, brick, cement, etc. It did not require any great vision to impress the necessity of making provision for future needs. And then good land was cheap. The usual returns from agricultural crops were poor. Corn rarely sold for more than twenty-five cents a bushel and had been so low with such poor market that it was burned instead of wood in the cook stoves. If timber was to be needed anywhere and could be grown to profit anywhere it would seem to thoughtful people of the time to be in Illinois.

This is, in brief, the general condition of things when the first steps were taken by the University authorities in regard to this plantation experiment. In support of these statements I wish to refer to the first report of the Board of Trustees issued in 1868, pp. 276-278. Here Mr. D. C. Scofield of Freeport, Ill., estimates the value of an acre planted to larch and pine after 75 or 80 years to be no less than $10,000, while it would more than pay its way from near the beginning. Or better, see in the second Report, 1869, pp. 352-358, the lecture given by Mr. O. B. Galusha, one of the first Board of Trustees and a member of the committee on whose report the forest plantation was originated. The address was one of the first series of agricultural lectures given at the University by leading experts and authorities in January, 1869. Its character may be surmised by the concluding paragraph which should be read with the understanding that the planting of trees is the deciding influence. It reads: "Here, then, brother farmers and farmer students in this University, we have two pictures presented to us. In one we look into the future and see wide-spread desolation—an extended treeless country, visited by destructive storms, by severe droughts, with its streams dried up, and food for man and beast in such scarcity that the poor can scarcely obtain a supply. In the other we see a charming landscape, a rich, fertile country, a population enjoying all the blessings which flow from peace and unity. Which will you choose? Will we take warning in time and arouse ourselves to action in an enterprise which promises such rich results?"

To get at still more directly the purpose in the minds of those chiefly responsible for the experiment, it would be well to read the report of the Committee on Horticulture found in the volume last cited, pp. 46-52. In this, forest planting takes the first and most emphasized place with those for fruits, shelter, and ornament following. A paragraph such as the following indicates why: "Timber for railroad ties, culverts, cars, roadways and buildings, fencing, vineyard stakes, hop poles, stanchions for coal banks, soft wood, like white willow and the poplars for berry boxes, crates and staves, hoop poles, wagon and carriage material, agricultural implements, and the uniform wants of the age, make up a demand of most surprising magnitude, that will add to our rural industry an importance that the most sanguine have not hitherto dreamed of."

The recommendations of this report were adopted and an appropriation from the State Legislature was later secured (March, 1869) to carry them into execution, thus indicating that others besides the members of this committee considered the project a greatly important one.

No time was lost in making a beginning. Many thousand forest tree seedlings small in size were purchased that spring and put into a nursery from which the first were transferred to the permanent grounds two years later (1871). Others from the same source or grown in the meantime from seed followed year by year for about three years and then at longer intervals. Hence the main parts of the plantation are 42 to 45 years old. There is about twenty acres of it. From the beginning the trees have had much better care than such tree plantations commonly receive, at greatly more cost than was originally estimated. Plainly, we see things now, mistakes of several kinds have been made, but they have been brought out in the experiment rather than due to faulty planning or execution. With the information and skill existent forty-five years ago and later for the new problems as they arose, it can hardly be said anything better in the way of results can now be figured out. As a rule the trees have lived and prospered except as conditions, most of which could not have been foreseen, proved unfavorable.

But the showing today is a far cry from the early anticipations as somewhat sketched above. Taken as a whole and basing estimates solely on timber values, I do not believe the area is worth much more today than is an adjoining equal

area of open land. That is, the receipts from harvested wood would probably not be more than the expense of clearing and putting into shape for other crops. For certain blocks this would not be true, notably that containing the European larch, and, if we were near a natural market, for that of the green ash. There are lessons to be learned now of abundant value and doubtless more if extension of time is permitted, but in my mind the experiment has gone fully far enough now to make it indisputably plain that forest trees cannot be grown for ordinary timber to a comparative profit on Illinois farm land suitable for agricultural purposes. If conditions and outlook for use had continued as counted forty to fifty years ago, the anticipations were entirely too rosy. This with the changes in requirements for fuel and construction timber make things widely different now.

It is true that time sufficient for usual forest harvests has not elapsed; the trees are not much more than half the age usually specified for a crop, but with the light we now have there can never be anything like financial results equal to those from proper farm management of the land—the whole area considered.

We may as well accept this lesson now. The test of varieties for such soil and conditions to date ought also to be considered well made, as ought also the distances for planting and the general management of an artificial forest. The time from the beginning so nearly reaches fifty years that under ordinary circumstances it would probably be advisable to let the more general period round out before drawing conclusions and more especially before terminating the experiment. But a crisis has come in the serious damage from sleet and the formidable expenditure required to reshape the trees for further timber growth. It would therefore seem to be good policy to decide now rather than a half dozen years later what the future of the plantation is to be and to be guided in the repair proceedings by this decision.

Now the forest has served a very useful purpose aside from the timber experiment, a purpose not originally contemplated at all; namely, a unique, phenomenally interesting, instructive, and enjoyable recreation equipment on the Campus. It would never have been so planned or so located for this purpose, but it happens that in both respects it is very fortunately adapted for an increasingly important service of this kind. The area in its present condition is certainly worth more for its direct interest and benefit than it would possibly have yielded in commercial timber. Its use, heretofore, as an educative and pleasure park is a good basis for prophecy if from now on that is made the main feature and purpose of the twenty acres. There would necessarily be some change in management but even so the original interest need not wholly be lost. The trees would go on in development and things can be shaped so that the timber experiment may be in part continued tho altogether secondary to the other use.

I believe the time has come to make this change in policy and purpose and submit the foregoing reasons without trying now to answer further your specific questions. I sincerely trust, however, that this main problem will have careful and wise consideration. A mistake may easily be made but perhaps never rectified. Anybody could destroy in a few hours the earnest painstaking work of forty years. Better let things be as they are a year or more, nowithstanding the eye-sore condition, than to adopt too hastily an incorrect decision. Even if the change of policy is made, the change of treatment should be slow in practical execution in order to secure the best final results.

Hoping that this may at least do no harm to a vital interest, one of far-reaching, century-long, influence and importance, I am

Very truly yours,

T. J. BURRILL.

On motion of Mr. Small this authority was given.

APPARATUS FOR MOVING TREES.

(25) A request from Prof. James M. White, Supervising Architect, for an appropriation of five hundred dollars for the purchase of a tree-moving equipment.

On motion of Mr. Small, this appropriation was made. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett, Mr. Ward.

COST OF EXTRAS ON NEW BUILDINGS.

(26) A report from the Supervising Architect giving an analysis of extra charges for work on the construction of the Administration, Chemistry, Vivarium, and Ceramics Buildings.

"The attached table was prepared in order to indicate the general causes for the increase in the cost of most of our buildings on the Campus over the contract prices, by from 1 per cent to 3 per cent. Any attempt to classify such extras is certain to be more or less arbitrary, and the various groups grade into one another without any hard and fast lines of separation. After some study, I adopted the following analysis as representing a fair distribution of the various items:

(1) *Errors in Plan:* Under this heading are included all extras which are caused by actual mistakes in drafting or specification work, the rectification of which involved the changing of construction but which would not have added anything to the cost of the building had same been discovered before the preparation of bids. In other words, this represents an actual waste of funds caused by some inaccuracy in drafting or insufficient study of the problem, so that the contractor was inevitably led into wrong constructions.

(2) *Omissions in Plan:* In this class are placed those errors in plan and specification which, while they involved extra work to rectify, cannot properly be considered as waste, because of the fact that extra work or material not shown on the plan, and which the contractor had not, presumably, figured in his bid, had to be furnished. In other words, while the extra work was caused by mistakes in the plan, the University received full value for the expenditure.

(3) *Unforeseen Conditions:* In this class are placed such extras as extra foundation work caused by conditions which could not be determined until the excavation had been made.

(4) *Changes by the Supervising Architect:* In this class are placed those extras which resulted from the continued study which the plans received during construction, and all of which represent an actual betterment in, or addition to, the building.

The distinction between classes 2 and 4 is simply that items in class 2 were in the mind of the designer but were not provided in the plan; while items in class 4 resulted as stated, from more extensive study of the plan as the work progressed.

(5) *Changes by Occupants:* In this class are placed extras caused by requests for changes in plan by the persons who are to occupy the building.

(6) *Errors of Superintendence:* In this class are placed extras which might have been obviated by a more careful control of the work by the University Superintendent on the building.

A study of this table will undoubtedly reveal, first, the importance of the utmost care in the preparation and checking of drawings and specifications, but it will also reveal as indicated by the proportion of orders falling into classes 3, 4 and 5, the fact that it is impossible to avoid a considerable amount of extra work and that same should be provided for by an allowance of a sum not less than 2 per cent of the total amount of contracts in making the estimate for the proposed building."

This report was received for record.

ANALYSIS OF EXTRA WORK AUTHORIZED ON ADMINISTRATION, CHEMISTRY' VIVARIUM AND CERAMICS BUILDINGS.

Building.	Contract cost including extras.	1 Errors in plan.		2 Omissions in plan.		3 Unforseen conditions.		4 Changes by architect.		5 Changes by occupants.		6 Errors of superintendent.		Per cent total extras.	Per cent total extras less column 3.

NOTES—The figures for the Administration and Vivarium Buildings are complete. Final settlement has not been made on the Chemistry and Ceramics Buildings but the figures given will not be materially altered.

Percentages are based on total contract cost of building and include all branches.

ROOMS IN WOMEN'S DORMITORY.

(27) A letter from Prof. J. M. White, Supervising Architect, calling attention to the fact that if the University is to fix a reasonable price for board and lodging in the new Residence Hall for Women it will be necessary to make some readjustments in the rooms so that a larger number of young women can be accommodated in the building, or else the building will probably be operated at a loss, compelling the use of money from the general fund to pay the expenses of operation.

This matter was discussed at some length. The evident feeling of the board was that some of the single rooms should be replaced by double rooms so as to provide for at least one hundred girls in the building. The matter was referred to a committee consisting of Mrs. Evans and Miss Watson, it being undertsood that if, in conference with the Supervising Architect, they should find it feasible to modify the design for this purpose without redesigning the whole building, they should instruct the Supervising Architect to make the necessary changes.

BUILDING PLANS.

Prof. J. M. White, Supervising Architect, presented plans and sketches of new buildings as follows:

EDUCATION BUILDING.

A revised sketch of the exterior of the new building for the School of Education.

LIBRARY.

A preliminary sketch of the new Library to be located just south of the terminus of Wright Street, with its north and south axis on the center line of Wright Street prolonged and its east and west axis on the prolongation of the east and west axis of the Armory, as approved by the board on March 10, 1914 [Report, 1914, page 725].

MUSIC BUILDING.

A sketch of the proposed Smith Memorial Building for the School of Music.

GREGORY MEMORIAL BUILDING.

A sketch of the Gregory Memorial Building, showing its relation to the possible architectural scheme of development of the University.

All these plans and sketches were discussed fully, but no action was taken.

AUDIT REPORT.

Mr. Hoit presented for the Finance Committee the report of the United States Audit Company for the quarter ending December 31, 1915.

This report was received for record.

Hon. Otis W. Hoit, Chairman, Finance Committee.

DEAR SIR: Following instructions, we have audited the books and accounts of the University of Illinois at Urbana, Ill., for the second quarter of the fiscal year, ended December 31, 1915.

We are sending you herewith a copy of the report prepared by the Comptroller of the University, Mr. W. B. Castenholz, covering the first two quarters of the fiscal year.

We have verified the cash receipts, disbursements and balances shown in the report, with the exception of the petty cash funds of the College of Medicine and the School of Pharmacy, amounting respectively, to $300 and $250.

Subject to the foregoing remarks,

WE HEREBY CERTIFY That the various schedules as contained in the report of the Comptroller correctly set forth the transactions of the quarter ended December 31, 1915, and that they are in accordance with the books.

Yours very truly,

UNITED STATES AUDIT CO.,
WHITNEY B. FLERSHEM,
Certified Public Accountant.

SALE OF SMITH FARMS.

Mr. Hoit reported that the Finance Committee had voted to place the Smith farms in the hands of Mr. Bruce Henderson for sale at a price not less than Capt. Smith's valuation, according to the action taken December 14, 1915 [pages 863-864], whereby this matter was referred to the committee with power to act.

COMPTROLLER'S REPORT.

The Secretary presented for record the report of Mr. W. B. Castenholz, Comptroller, for the six months ending December 31, 1915.

January 12, 1916.

Mr. W. L. Abbott, President, Board of Trustees.

DEAR SIR: I have the honor to submit herewith the quarterly statement covering the financial operations of the University of Illinois for the six months ended December 31, 1915.

Yours very truly,

W. B. CASTENHOLZ, *Comptroller.*

SCHEDULE 1.

SUMMARY OF RECEIPTS AND DISBURSEMENTS AS AT DEC. 31, 1915.

	Balance July 1, 1915.	Receipts Schedule 2.	State revenue.	Total.
University Treasurer—				
General	$*94,122 41	$383,853 77	.....	$477,976 18

APPOINTMENTS TO FILL VACANCIES.

The Secretary presented also for record the following list of appointments made by President James:

Baker, H. T., Instructor in English, for five months beginning February 1, 1916, at a salary of one hundred twenty dollars ($120) a month. (February 1, 1916.)*

Bixby, Madeline, Assistant Chemist in the State Water Survey, at a salary of sixty dollars ($60) a month, beginning as soon as she reports for duty and continuing not longer than until August 1, 1916. (February 5, 1916.)

Craig, Florence M., Loan Assistant in the Library, on one-third time, at a salary of twenty-one dollars and sixty-six cents ($21.66) a month, beginning February 14, 1916, and ending June 15, 1916. (February 5, 1916.)

Cuerdon, Fay, Stenographer in the Department of Animal Husbandry, at a salary of fifty dollars ($50) a month, beginning February 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (January 27, 1916.)

Curtiss, George, Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Emmett, A. D., Assistant Chief in Animal Nutrition in the Agricultural Experiment Station for twelve months beginning September 1, 1915, at a salary of two thousand dollars ($2,000) a year. (January 25, 1916.)

French, H. E., Graduate Assistant in Chemistry, for five months beginning February 1, 1916, at a salary of thirty dollars ($30) a month. (January 29, 1916.)

Graham, A. J., in charge of the Course in Operative Surgery given to the Sophomore Class in the second semester of the current academic year, without salary. (January 27, 1916.)

Gross, C. R., Assistant in Bacteriology for five months beginning February 1, 1916, at a salary of sixty dollars ($60) a month. (January 27, 1916.)

Hathorne, W. S., Student Assistant in Chemistry, for six months beginning January 1, 1916, at a salary of ten dollars ($10) a month. (January 29, 1916.)

Hultman, O. N., Student Assistant in Chemistry, for five months beginning February 1, 1916, at a salary of ten dollars ($10) a month. (January 26, 1916.)

Johnson, L. C., Instructor in Chemistry, for five months beginning February 1, 1916, at a salary of one hundred twenty dollars ($120) a month. (January 27, 1916.)

Kasten, W. H., Assistant in Military Science for five months, beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Lamkins, L. E., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Langelier, W. F., Assistant in Sanitary Chemistry, for six months beginning January 1, 1916, without salary. (January 29, 1916.)

Little, R. F., Lecturer on Elementary Law in the College of Commerce and Business Administration, for five months beginning February 1, 1916, at a salary of fifty dollars ($50) a month. (January 27, 1916.)

McCumber, C. W., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Mason, R. S., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Miller, D. E., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Norton, Bertha L., Clerk in the Library, at a salary of forty dollars ($40) a month, beginning January 17, 1916, and continuing until August 31, 1916, subject to the rules of the Civil Service Commission. (January 29, 1916.)

Pittinger, B. F., Lecturer on Education, for five months beginning February 1, 1916, at a salary of two hundred forty dollars ($240) a month. (January 25, 1916.)

Robinson, R. E., Instructor in Mechanical Engineering, from February 7, 1916, to June 30, 1916, with salary at the rate of one hundred twenty dollars ($120) a month. (February 2, 1916.)

Rumry, Florence, Typist in the Department of Pharmacology of the College of Medicine, at a salary of forty dollars ($40) a month, beginning January 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (January 11, 1916.)

Shelby, Edwin, Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Steinmayer, R. A. J., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Taylor, N. O., Student Assistant in Chemistry, for five months beginning February 1, 1916, at a salary of ten dollars ($10) a month. (January 26, 1916.)

Thomas, R. R., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Troster, O. J., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

Tyacke, Dorothy, Secretary to the State Leader of County Demonstration Work, at a salary of seventy-five dollars ($75) a month, beginning November 1, 1915, and continuing until further notice. (January 17, 1916.)

Van Natter, F. M., Assistant in Military Science, for five months beginning February 1, 1916, at a salary of twenty dollars ($20) a month. (February 4, 1916.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

Whitecarver, R. L., Stenographer in the Department of Military Science, at a salary of fifty dollars ($50) a month, beginning January 13, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (January 22, 1916.)

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF MARCH 14, 1916.

The annual meeting of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, on Tuesday, March 14, 1916, beginning at 2.00 p. m.

The following members were present: President Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson.

President James was present; also, during a part of the afternoon, Capt. Thomas J. Smith, a former member and president of the board, and Prof. J. M. White, Supervising Architect.

MINUTES APPROVED.

The Secretary presented the minutes of the meeting of February 8, 1916. On motion of Mrs. Henrotin, the minutes were approved as printed on pages 883 to 912, inclusive.

ELECTION OF THE PRESIDENT OF THE BOARD.

The Secretary, being called to the chair, called for nominations for the office of President of the Board of Trustees for the ensuing year.

Mrs. Evans nominated Mr. Abbott.

Mr. Abbott nominated Mr. Carr.

Mrs. Busey nominated Mr. Hoit. Mr. Hoit declined the nomination.

On motion of Mr. Blair, the nominations were closed, and the board proceeded to the ballot. The Secretary appointed Mr. Blair and Miss Watson to act as tellers. The tellers announced the vote as follows: Mr. Abbott, 7; Mr. Carr, 1. Mr. Abbott, having been declared elected, resumed the chair.

ELECTION OF SECRETARY.

On motion of Mrs. Busey, Mr. Harrison E. Cunningham was reelected Secretary of the Board of Trustees for the ensuing year.

TELEGRAM OF SYMPATHY TO MR. CARR.

On motion of Mrs. Evans, the Secretary sent to Mr. Robert F. Carr a telegram expressing the sympathy of the board with Mr. Carr in his illness, and their hope for his speedy recovery.

ELECTION OF MEMBERS OF THE EXECUTIVE COMMITTEE.

Mrs. Busey nominated Mr. Robert F. Carr and Mr. Otis W. Hoit to constitute with the President of the board (as chairman) the Executive Committee of the Board of Trustees for the ensuing year.

On motion of Mrs. Evans, the nominations were closed and the board voted to elect Mr. Carr and Mr. Hoit members of the Executive Committee for the ensuing year, and they were declared elected.

AUTHORITY TO RECEIVE MONEYS.

On motion of Mr. Small, the following resolution was adopted:

Resolved, That the Treasurer of the Board of Trustees of the University of Illinois is hereby authorized to receive and receipt for all moneys and to endorse all orders, drafts, and checks, due and payable to the Board of Trustees, or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees, or to the University of Illinois, on account of the Agricultural Experiment Station or of the cooperative extension service in agriculture and home economics undertaken by the University of Illinois and the United States Department of Agriculture under the Smith-Lever Act.

AUTHORITY TO DELEGATE SIGNING OF VOUCHERS AND WARRANTS.

On motion of Mr. Blair, the following resolution was adopted:

Resolved, That Mr. W. L. Abbott, President of the Board of Trustees, and Mr. H. E. Cunningham, Secretary of the Board of Trustees, are authorized to delegate the signing of their names as President and Secretary, respectively, on vouchers drawn on the Auditor of Public Accounts of the State of Illinois, to Mr. W. B. Castenholz, Comptroller, and Mr. L. E. Knorr, Assistant Comptroller.

WARRANTS ON UNIVERSITY TREASURER.

On motion of Mr. Hoit, the following resolution was adopted:

Resolved, That Mr. W. L. Abbott, President of the Board of Trustees, is authorized to delegate the signing of his name as President on warrants drawn on the Treasurer of the Board of Trustees of the University of Illinois to Mr. L. E. Knorr, Assistant Comptroller.

MATTERS SUBMITTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters submitted by President James:

APPOINTMENT OF PROF. BLACKWELDER.

(1) Announcement of the appointment and acceptance of Dr. Elliot Blackwelder, as Professor of Geology, at a salary of $4,000 a year, beginning September 1, 1916. This appointment was authorized December 14, 1915 (see page 866).

This statement was received for record.

MR. C. M. DELANY APPOINTED EXAMINER IN ACCOUNTANCY.

(2) A recommendation from the University Committee on Accountancy that Mr. C. M. DeLany, of the firm of Anderson, DeLany, and Company, Certified Public Accountants, of Chicago, be appointed a member of the Board of Examiners in Accountancy for a term of three years beginning July 1, 1916.

On motion of Mr. Blair, this recommendation was approved.

APPOINTMENT OF MISS LORINDA PERRY.

(3) A recommendation from Prof. Isabel Bevier, endorsed by the Dean of the College of Agriculture, that Miss Lorinda Perry, of Rockford, Ill., be appointed Associate in Household Science for a term of two years at a salary of eighteen hundred dollars a year, beginning September 1, 1916.

On motion of Mr. Hoit, this appointment was made.

RECOMMENDATIONS OF THE UNIVERSITY SENATE.

(4) Two recommendations made by the University Senate at a meeting held February 14, 1916:

FOUR-YEAR COURSE IN PUBLIC-SCHOOL MUSIC.

(a) That the present two-year curriculum in public-school music leading to a certificate be abolished, and that instead the students in public-school music take a four-year curriculum, of which the first three years shall be identical with the present curriculum leading to the bachelor's degree, while, in the fourth year, Music 25 (Public-School Music) shall be substituted for the practical major; also that voice be required throughout the four years of this curriculum as either a major or a minor; this curriculum to lead to the degree of Bachelor of Music.

THREE UNITS IN AGRICULTURE FOR ADMISSION.

(b) That the statement of entrance requirements be amended by changing the first item in List C as printed on page 72 of the Annual Register for 1914-15 to read: *Agriculture, 36 to 108 weeks, 1 to 3 units,* in place of *Agriculture, 36 to 72 weeks, 1 to 2 units.*

On motion of Mr. Blair, these recommendations of the Senate were approved.

CIVIL SERVICE EXAMINATIONS.

(5) A letter from the State Civil Service Commission expressing its appreciation of the assistance which various members of the Faculty of the University have rendered to the commission in its work:

SPRINGFIELD, ILL., *March 1, 1916.*

Mr. E. J. James, President, University of Illinois.

DEAR SIR: During the past few months the commission has called upon the University for assistance an unusual number of times.

I wish to take this opportunity to express to you the appreciation of the commission for the prompt action taken on all these requests and the very valuable assistance which has been given by numerous members of the University Faculty. The University has cooperated in a most valuable way in the work of this commission.

Very truly,

STATE CIVIL SERVICE COMMISSION,
By W. R. ROBINSON, *Secretary.*

This letter was received for record.

APPROPRIATION FOR PHYSICAL TRAINING FOR WOMEN.

(6) A recommendation that an additional appropriation of two hundred dollars be made for the expenses of the Department of Physical Training for Women for the present fiscal year.

On motion of Mrs. Evans, this appropriation was made. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

GRADUATE FELLOWSHIPS AND SCHOLARSHIPS.

(7) A recommendation that the sum of twenty-five thousand dollars be appropriated for scholarships and fellowships in the Graduate School for the academic year 1916-17, and that the President of the University be authorized to appoint to these positions such persons as may be recommended by the Executive Faculty of the Graduate School.

On motion of Mr. Small, this appropriation was made and authority was given as requested. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

MILL TAX ASSESSMENTS.

(8) The following letter from Judge O. A. Harker concerning the assessment of the University mill tax:

February 29, 1916.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: Complying with your request of a few days ago, I will report that I have conferred with the county clerk concerning the spread of the mill tax for the support of the University on the tax collector's books, and that he has read to me the mandate received from the State Auditor. The mandate is couched in the same language as that agreed upon by Mr. Eubanks and myself, immediately after the Mill Tax Law went into effect.

You will remember that you requested me to go to Springfield a year or two ago for a conference with the Auditor's office concerning the mandate, and the one then agreed upon has been in use ever since, as I am informed. The State tax levies for this county are not spread upon the tax collector's books in detail, but are extended *en masse*, but the tax will be collected just the same. All that will be required from us is to see that the amount collected shall be set aside for the use of the University, and remain there until appropriated by act of the General Assembly, as contemplated by the act of June 10, 1911. If you so desire, I will, at the proper time, confer with the State Treasurer, with a request that that be done.

Yours truly,

O. A. HARKER, *Legal Counsel.*

This letter was received for record.

FEES FOR USE OF PRACTISE ORGAN.

(9) A recommendation that a rate of twenty dollars be fixed as the full semester's charge for practise on the University practise organ for one hour a day; ten dollars for one-half of a semester; seven dollars for one-third of a semester or two hours a week for the full semester; six dollars for one-fourth of a semester; and for shorter periods at the flat rate of twenty-five cents an hour.

On motion of Mr. Hoit, this recommendation was concurred in.

HISTORY OF THE UNIVERSITY.

(10) The following statement:

Preparatory to the celebration of the fiftieth anniversary of the founding of the University, I have been making arrangements, under authority given me by the board [April 10, 1912, see Report, 1912, p. 586; also see Minutes for September 27, 1915, page 835] for the preparation of a comprehensive history of the University, and also of a single volume history. Dr. B. E. Powell is now at work on the preparation of the manuscript of the larger work.

The Oxford Press, publishers of a series of histories of American colleges and universities, have been persuaded to include in their series one volume on the University of Illinois. Mr. Joseph Allan Nevins, a graduate of the University (1912) and at present one of the editorial writers on the New York Evening Post, has agreed to prepare this history for the Oxford Press series. He is acceptable to the Oxford people. For his remuneration for this work he relies on the royalties which the publishers will pay, but he desires the University to advance certain sums for expenses amounting to two hundred and seventy-five dollars, this sum to be returned to the University from the first returns in royalties paid by the Oxford Press; also that the University shall defray his traveling expenses (not to exceed one hundred dollars) from New York to Urbana to check up his work by records which can be obtained only here; and that the University shall pay the freight and express charges on books or manuscripts which may be sent to him from the University for use in the preparation of this book.

On motion of Miss Watson, this arrangement was approved and the sum of four hundred dollars, or so much thereof as may be required, was appropriated for this purpose. The vote was as follows: Ayes, Mr. Abbott, Mr.

Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

APPOINTMENT OF PROF. C. M. YOUNG.

(11) A recommendation that the President of the University be given authority to appoint Mr. Clinton M. Young to be Assistant Professor of Mining Research at a salary of twenty-four hundred dollars a year, beginning when he may report for duty and terminating July 1, 1917, in place of Prof. S. O. Andros, resigned.

On motion of Mr. Blair, this appointment was authorized.

LEAVE OF ABSENCE FOR PROF. GREEN.

(12) A request from Prof. Frederick Green of the College of Law for leave of absence on half-pay for the academic year 1916-17, under the general rules of the University.

On motion of Mrs. Busey, the President of the University was authorized to grant this request, provided satisfactory arrangements are made for Prof. Green's work during his absence.

SMITH SCHOLARSHIPS IN MUSIC.

(13) The following statement:

When Capt. Thomas J. Smith conveyed to the Board of Trustees certain farm lands from the proceeds of which a building for the use of the School of Music might be erected, he requested that four free scholarships be granted annually in the School of Music for "young women who may seek a musical education but who are unable to pay the customary charges for instruction in music." He indicated also a preference that these scholarships should be assigned to candidates from Champaign County, or, in default of candidates from this county, to young women from other counties in Illinois. The Registrar of the University has drafted the following regulations concerning these scholarships, in accordance with the rules governing other scholarships and embodying Capt. Smith's wishes in regard to the manner of their assignment.

REGULATIONS.

1. These scholarships shall be good for one year and shall exempt their holders during this period from matriculation, incidental, and music fees.

2. A person who during her year of tenure of one of these scholarships shall make an average grade of 85 in all subjects shall be eligible for reappointment to it for a second year, and on the same basis may be reappointed for a third year and a fourth year.

3. Each applicant for original appointment to one of these scholarships shall present a recommendation from a principal of a high school accredited to the University of Illinois, certifying that she is a graduate of the said high school, that she is a student of ability and promise, and that in the judgment of the principal of the high school she is unable to pay the customary charges for instruction in music.

4. Each applicant for original appointment to one of these scholarships shall pass the University entrance examinations in the following subjects: English composition and rhetoric, 1 unit; algebra, 1 unit; Latin or French or German, 2 units; music, 2 units; these examinations to be taken with the regular fall entrance examinations of the University. The scholarships shall be awarded to the candidates from Champaign County who make the highest average grade in these four examinations. In case the number of successful candidates from Champaign County is fewer than the number of available scholarships, the remaining scholarships shall be awarded to the candidates from other counties in Illinois having the highest average grade in these four examinations. But no scholarship shall be awarded to any candidate who fails to make a passing grade (70) in any one of the four subjects of the examination.

5. A candidate for original appointment must also satisfy in full the entrance requirements of the School of Music as stated in the University catalog, and must matriculate in that school for the fall semester immediately succeeding the examination.

6. No person who has attended the University of Illinois shall be eligible for original appointment to one of these scholarships.

On motion of Miss Watson, these regulations were approved.

UNIVERSITY OF ILLINOIS DIRECTORY.

(14) The following statement:

The University of Illinois Directory, on which we have been working for some two and one-half years, is now ready to send to press. It will contain about 35,000 names of persons who have been connected with the University as students, faculty members, administrative officers, and Trustees. The book will contain a concise biography of each person, with degrees, institutions attended, chief positions held, present address, and occupation. Names will be listed alphabetically and geographically.

It is recommended that the contract be assigned to the Pantagraph Printing and Stationery Company of Bloomington, Ill., the lowest bidder, in accordance with the contract herewith submitted. The cost for four thousand copies is estimated to be $4,534.38, exclusive of author's corrections.

On motion of Mr. Small, the Comptroller was authorized to award this contract to the Pantagraph Printing and Stationery Company, and the sum

of five thousand dollars, or as much thereof as may be necessary, was appropriated for the printing of this volume. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

PAYMENT OF HOSPITAL BILLS FOR MR. H. O. FREY.

(15) The following statement:

Mr. H. O. Frey, a sophomore in the University, was injured by an explosion of a detonating cap while engaged in military drill with the telegraphing squad of the signal company of the University Brigade on October 21, 1915. His leg was injured to such an extent as to require medical attention. Mr. Frey was in the hospital for a while. He requests that hospital and physician's expenses ($117.95) be reimbursed him.

On motion of Mrs. Evans, the Comptroller was authorized to pay Mr. Frey the sum of $117.95. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

LEAVE OF ABSENCE FOR MEMBERS OF STAFF IN ARTILLERY COMPANY.

(16) A letter from Prof. B. W. Benedict, Captain of Battery F, Field Artillery, National Guard of Illinois, saying that he had been asked whether this battery was ready for service in case the Governor should call it out, and also whether the batterymen would enlist for service in case a request to that effect should be made.

Mr. Benedict desires to know what arrangement the University is willing to make in the case of those officers and men who are on the instructional or administrative staff of the University.

On motion of Mr. Blair, the President of the University was authorized to grant leave of absence with full pay (less the amount of salary paid by the United States Government), to those members of the staff of the University who may enlist for service in connection with membership in Battery F of Field Artillery of the Illinois National Guard, for a period not longer than until August 31, 1916, with the understanding that such enlistment shall not prejudice their chances for continuing in the service of the University. Miss Watson requested to be recorded as voting "No" on the question of granting full pay.

APPROPRIATIONS FOR CHEMISTRY AND BACTERIOLOGY.

(17) A request from Prof. W. A. Noyes, Director of the Chemistry Laboratory, for an additional appropriation of two thousand dollars for the use of the Department of Chemistry for the remainder of the present fiscal year. Also a request for an additional appropriation of five hundred dollars for the use of the division of bacteriology in the Department of Botany.

A considerable portion of the supplies ordered last year from foreign countries for the use of the University laboratories did not finally reach us and it was found necessary from time to time during the year to order from dealers in America apparatus and chemicals to take the place of the foreign orders. This has meant an increased expense for this item which was not contemplated in the budget.

On motion of Mr. Hoit, the President of the University was authorized to make these appropriations. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Small, Miss Watson; noes, none; absent, Mr. Carr, Mr. Dunne, Mr. Trevett, Mr. Ward.

SMITH MUSIC BUILDING.

(18) The following statement:

We have been considering with great care during the past months the preparation of plans and the ways and means of securing the erection of the Music Building contemplated by the gift of lands by Capt. Thomas J. Smith. I have asked the Supervising Architect to present at this time for the consideration of the board the plans for a building, and I have asked Capt. Smith also to be present during this consideration.

The Trustees have authorized the sale of the lands given by Capt. Smith, provided the price which he set on them can be obtained [pp. 114, 899]. The board has also authorized the listing of these lands for sale by Mr. Bruce Henderson, of Champaign, with the request that any reasonable offer for the lands shall be submitted for the consideration of the board.

If the board proceeds with the erection of this building it will be necessary to sell some of these lands or place mortgages on them or to defray the entire expense from other funds within the control of the Trustees. This will necessitate a postponement of other desirable and necessary building schemes until this one is completed.

I recommend that the board approve the plans in general as presented by the Supervising Architect and direct him to proceed as rapidly as feasible with the preparation of the detailed drawings, to be submitted to the board for approval.

Prof. White presented the plans of a building to cost about two hundred and fifty thousand dollars and to be located on the site immediately east of the Auditorium.

Capt. Smith made a statement of his wishes concerning the proposed building and the development of the School of Music.

On motion of Mrs. Busey, the recommendation of the President of the University was approved.

PLANS FOR LIBRARY BUILDING.

(19) Plans for the new Library Building to be erected on the east and west axis of the Armory and the north and south axis of the center of Wright Street, prolonged.

Prof. White explained these plans and indicated the manner in which the building could be erected by sections and the portion of the building which should be erected first.

This matter was discussed at length, but no action was taken.

EDUCATION BUILDING.

(20) A sketch of the exterior of the building for the School of Education, prepared by Holabird, Roach, and Company of Chicago.

Prof. White explained this sketch and the plans. No action was taken.

HORTICULTURE BUILDING.

(21) Plans for a proposed building for the Department of Horticulture, to be located east of Lincoln Avenue and south of Maple Street, in Urbana.

Prof. White explained these plans. No action was taken.

At this point, Mrs. Henrotin withdrew.

WOMEN'S RESIDENCE HALL.

(22) A report of the Supervising Architect concerning the plans for the Women's Residence Hall.

Mrs. Evans presented the following report of a special committee consisting of Mrs. Evans and Miss Watson, appointed February 8, 1916 [page 898]:

Your committee appointed at the last board meeting following the discussion of the advisability of arranging to house more girls in the Residence Hall met at the University the following day and found it feasible to make certain modifications which seemed to be in accordance with the desire of the members of the board as expressed at the meeting.

The plan was arranged to provide for 89 single rooms in addition to the suite for the matron, the maids' rooms, and the hospital suite. The modified plan provides 28 double rooms and 44 single rooms, accommodating 100 persons in addition to the matron's suite and six rooms on the top floor for the maids. Many of the double rooms are corner rooms having two windows and the double rooms which are not on the corner have more than one window each. This arrangement of the plan made it possible to shorten the wings of the building so that now the lot is not crowded.

The main dining room has been reduced in size so that it is best to use it exclusively for the girls in the house. An additional dining room is provided in the east wing for outsiders but will be served from the same kitchen. There is an independent outside entrance to this dining room so that those patronizing it cannot obtain access to the Residence Hall proper.

This report was received for record.

HIGH SCHOOL CONFERENCE.

(23) A statement concerning the High School Conference:

This conference meets annually at the University on Thursday evening, Friday, and Saturday of the week-end before Thanksgiving. The government of the conference is effected by committees rather than by elective officers. The general committee is composed of:

1. The Executive Committee of seven members, appointed by the President of the University, to oversee the use of funds appropriated by the Board of Trustees for financing the conference.

2. The chairmen of the Executive Committees of the various sections, fourteen in number, as an advisory body.

The proceedings of the conference are printed at the expense of the University. Committee members called to meet at other times than the dates of the conference are paid the necessary hotel and traveling expenses. Chairmen of committees or committee members who are called on to incur expenses in preparing work, telephoning or telegraphing, or for postage and stationery, are entiled to reimbursement for the same. All persons preparing papers or reports for actual meetings and presenting the same at the sessions of these sections are reimbursed for their railroad fare, provided further that only four persons for each annual session of the section, may be thus reimbursed.

It is the opinion of those in charge of this conference that it is one of the most valuable services rendered the teaching force of the State of Illinois. The boards of education of many high schools permit their teachers to attend this meeting without deduction from their pay. Many school boards defray in whole

or part the expenses of the teachers while attending this conference. The expense account of the last conference is printed herewith. It represents in a general way the annual expenditures:

EXPENDITURES, 1915.

Traveling expense	$506 98
Clerical work	58 55
Printing	54 25
Office expense	1 88
Refreshments at reception	75 00
	$696 66
Publication of report (estimated)	725 00

This conference is a unique educational enterprise and people have visited it from nearly every state in the Union to study its organization and work. Prof. H. A. Hollister, High School Visitor, deserves chiefly the credit for elaboration of the plans and the successful organization and administration of the conference.

Superintendent Blair stated in connection with this report that he regarded this conference as a most important element in the educational work of the State and hoped that it would be made more and more efficient.

PROPOSED BUILDING FOR AGRICULTURE.

(24) A letter from the Dean of the College of Agriculture as to the necessity of more space for that college.

Edmund Janes James, President, University of Illinois.

DEAR SIR: I have the honor to report at this time upon the conditions that surround the agricultural work of the University with respect to space for office, laboratory, classroom, library, museum, and other similar facilities for the work of instruction and research—conditions that unless relieved will slowly but surely block the work of the institution.

Within a few months the next Legislature will be in session and well before that time definite plans of some character should be determined for relief.

It will then have been six years since we asked for the sum of $337,000 for an addition to the Agriculture Building in order to provide space for the anticipated increase in attendance. However, the great need for funds at that time for the further support of the College, and the conclusion of the University that the agricultural plant should not permanently occupy its present position led to a withdrawal of the request for additional space in spite of the threatened conditions.

Since that time the registration has increased from 691 to 1,255, an average of over 100 a year. The faculty has increased from 74 to 153 and the graduating class from 51 to 191, a truly alarming (!) and disproportionate increase for the short space of five years.

It would have been impossible to care for the increase, particularly in the upper classes, except for a chain of circumstances that combined to relieve congestion, among which are the following:

1. Roofing the court of the Agriculture Building added some ten thousand square feet of space, about half of which is available for classrooms, the remainder serving for library, reading room, packing, and storage.

2. The Floriculture Building recently erected cares completely for the floricultural interests, and the plant for olericulture is equally effective.

3. The Stock Judging Pavilion relieved a space of 40 by 60 feet in the Agriculture Building (fully absorbed by moving Dr. Grindley's work from the Chemistry Building) and provided some half-dozen offices. While the tanbark arena is not suitable for general class purposes, yet it has been pressed into this service, accommodating as many as three classes at a time.

4. The Genetics Building, of so-called temporary construction, has been built this year. It relieves one room in the Agriculture Building, but its chief function is to provide adequate space for work in genetics, a subject much in demand, yet impossible to properly handle under the present restricted conditions.

5. The Academy has been abolished and the conditions under which special students are received have been greatly restricted, being now the same as for other colleges in the University, all of which has been accomplished without the addition of two-year courses, special courses, or any other device to provide instruction of secondary grade.

6. All elective privilege has been taken away from the freshmen, putting them into larger bodies with set courses, reserving the most expensive and space-consuming courses for upper classmen.

7. In addition, all junior and senior courses have been made elective, a procedure absolutely necessary in order to prevent the blocking of graduation of many men by lack of laboratory space in required courses. Without this device we should have been obliged before this to change the requirements so as to throw a larger proportion of instruction into nonagricultural departments or make graduation impossible for a considerable number of men.

8. Besides these devices to economize money and space, there has been a settled policy of the College Faculty to keep numbers down by refusing admission to transfers not in good standing; by urging all who have not lived at least a full year upon a farm to drop out not later than the sophomore year and get this experience before completing their course; and by frankly advising many individuals of mediocre academic ability not to continue in college, but to stop with one year and go at once to work.

That all this has been exceedingly effective is shown by comparative registrations. Up to six years ago Illinois led all the colleges, with a registration of 683, surpassing Cornell, its closest competitor, by 150. Now, however, New York, has 1,600 regular students, or 350 more than Illinois, besides some 1,250 two-year and short course men, or nearly 3,000 in all. It would have been impossible to care for such numbers here. Whether they would have presented themselves under conditions similar to those at Cornell is, of course, problematical.

What is positive cause for alarm is the fact that we are at the end of our resources for economizing space. We have gone to the limit in saving space by control of elective courses nor can we go much farther in urging students to drop their work, even temporarily. A good many courses are already closed before registration is complete. Even seniors are beginning to find it difficult, not merely to get what they want, but to get anything that will be accepted for graduation, and the time is right at hand when the University must adopt comprehensive measures for providing, not a little, but a large amount of new space in which to care for the students certain to present themselves. Even so, it will be exceedingly difficult to do this promptly enough to meet conditions adequately.

There is already a widespread feeling over the State that we are unable to take proper care of agricultural students. However, the increase of one hundred a year shows no signs of abatement, but rather of acceleration. To permanently discourage this normal increase by inadequate facilities would be most unfortunate.

More and more students are doing their earlier work elsewhere and presenting themselves with two or three years of advanced standing. The marvelous increase in the graduating class, almost quadrupled in five years, with all that it means in increased demands on us, are startling facts whose significance cannot be ignored.

Additional buildings, such as the Horticulture Building, feeding plants, barns, and so forth, will be without effect at the point in question, and we have arrived at the time when constructive and comprehensive steps must be taken and publicly announced for the relief of the situation.

Two years ago I pointed out approaching conditions and I can only say that all I feared then has transpired, and there is now no alternative but to provide at the earliest possible date at least double the space now available, or to turn away students, before another biennium has passed.

Inasmuch as no more relief is in sight through miscellaneous agricultural buildings and inasmuch as we cannot rely upon such as the Chemistry Building for other than temporary relief, the question of a new building is squarely before us, with the alternative of turning away students.

Our offices are now scattered in ten different University buildings, three-fourths of a mile between extremes. Only two classrooms remain in the old Agriculture Building, exclusive of the Court. The work is scattered and extremely difficult of administration. Many of the faculty are destitute of comfortable quarters in which to work. My own office is lighted by artificial light entirely. The students are becoming restless—in short, the college is suffering and is bound to suffer more before relief can possibly be afforded, even by the most prompt and effective action.

I do not believe the State would for a moment justify the University in limiting registration and turning away students, but I understand perfectly well that adequate space cannot be provided out of the mill tax. Everybody has seen the time approaching when this condition would have to be faced and accordingly, by permission of the Trustees, some preliminary studies have been made as to space that would be required when the college has in all probability assumed its stable condition as to numbers.

I have been at some pains to ascertain the judgment of students, faculty members, and citizens outside as to what in their opinion that number would be within twenty years or thereabouts. The estimates range from twenty-five hundred to three thousand, and I have no doubt that these numbers will be upon us if the University continues its policy of freely offering undergraduate work in agriculture. Not only that, the graduate work will increase, as will also that of research. Tho the subject is going into the high schools and smaller colleges, yet in the opinion of those best qualified to judge, this fact will in no wise operate to the relief of the University either in numbers of students or the grade of instruction demanded.

The increasing interest in farming, the impulse for higher education among country people, and the call for teachers of this subject in secondary schools, all point to increased demands, particularly when we recall that this is the only institution of strictly collegiate grade in one of the largest and most populous farming states in the Union.

Not only that, the system of county advisers, already on a national basis, is certain to result in increased demands upon the Experiment Station, if not in the number of questions submitted for solution; certainly in their character and difficulty. For all these reasons, too, the demands upon us for graduate work are certain to increase.

Everything considered, the new plant should provide not less than three times the space of the present Agriculture Building. Even so, it would not much more than double the space now available when we consider the outlying territory at present occupied.

Such a building, of three hundred thousand square feet, of fireproof construction, such as is now being erected by the University, would cost, according to the architect's estimate $1,600,000, and by the time the furniture, fixtures, and laboratory equipment are provided it is a $2,000,000 proposition, under the closest kind of estimate. Anything less than this will come short of the needs in respect either to space or to the permanency of construction so much needed in a building receiving the hard usage which this structure will receive.

There is no relief in building separately for different departments or interests —indeed, a single building is more economical because in that way we combine

library and museum interests and avoid the duplication of large classrooms which can be used in common by different departments.

There is no hope that such a building can be provided either now or ever out of the mill tax revenue. Furthermore, the College cannot wait ten years for relief. It cannot wait five years without some substantial relief, but naturally if such a building were under process of construction that fact in itself would do much to allay restlessness and encourage both students and faculty by the prospect of better things. If, however, such a building is to be looked to as a means of relief it must be provided in some form by the coming Legislature. The policy must be announced early and a campaign started before election. For that reason I am asking at this time that the Trustees take the matter into serious consideration and determine whether in their judgment such a campaign should be opened.

Two years ago the feeling was general that such a campaign was inadvisable. Whether it is now advisable is for the Trustees to determine, but I have given abundant evidence that the problem can no longer be ignored. The alternative is, of course, to postpone the issue by providing the College with additional space of temporary construction, which I assume can be provided within the mill tax, but it will require not less than one hundred thousand square feet, half of which should be provided as soon as it can be constructed.

I think I am speaking for all my associates when I say that the faculty is not strenuous about an entirely new plant at this time. Naturally we should prefer to go on with our work and leave our successors the task of planning and erecting so comprehensive a plant as the College of Agriculture will shortly need. None of us has an ambition to devote the next three or four years to the details of building space and erection and yet we are desirous above all things to do that which is best for the College and the University.

In discussing the matter with the representative farmers I find them in every case opposed to the policy of temporary construction, or of temporizing with the situation in any way. They point out, and correctly, that to equip the College now with temporary buildings is not to solve the problem, but only to postpone it, and, so far as I have discussed the matter, without exception these men are ready to go to work for funds for a comprehensive plant if, in the judgment of the Trustees, it is wise to do so, considering all the interests of the University.

Upon this point, of course, I am not a competent judge. Two years ago I had the feeling that if such a campaign were to be inaugurated it should be not only for the Agriculture Building but for the Library Building also, upon the general proposition that the Trustees cannot operate a great University and at the same time build the plant out of the proceeds of the mill tax, and I am not sure yet but this would be the best procedure, proposing a bond issue rather than an appropriation, upon the ground of distributing the cost equally among those who are to be benefited.

However, I am convinced now that it is entirely safe to launch a campaign for an agricultural building alone without regard to any other, though I am sure that at the outset it would have to appear that this is not the only building which the Trustees will be unable to provide without outside help. My work on the budget committee has convinced me that if the University is to grow as it ought to grow, in quality as well as in quantity, the entire mill tax will be absorbed in operating expenses within the space of two or, at the most, three bienniums, unless the basis of taxation is changed.

As I have already indicated nobody covets the task of conducting such a campaign and yet everybody involved so far as I know is entirely willing to undertake it as being the only adequate solution of our problem. Above all things we dread to see a condition of dry rot developing in the heart of our work in agriculture.

One phase of the situation I may perhaps with profit emphasize at this point. There is yet in the State outside in good working order the original body of men who placed the College of Agriculture upon its feet. Not only that, the members of the faculty who worked with them and with whom they feel acquainted are all still with us, and the old working combination can be quickly revived for an aggressive campaign.

Naturally, such a condition will not longer continue and there will probably never again be a time when the machinery for such a campaign is as complete or the forces inside and out as nearly intact and as well acquainted as now. Several of the "Old Guard" have dropped out already, two of them this year. In the natural order of events greater changes in our faculty will occur in the next few years than have occurred in those of the past and undoubtedly the conditions for a successful campaign, so far as its promoters are concerned, will never again be duplicated. Back of it all we now have a President and a Board of Trustees who understand agriculture and its meaning in this State as perhaps it may not be understood by their successors.

For the first time in such a campaign we would have a large body of active students and alumni who thoroughly understand the needs of the College in this respect, and who are in a position, through their organizations and their journal, the Illinois Agriculturist, to promote the enterprise from the students' standpoint, an influence I am satisfied which would be felt in the State with no little effect.

I have discussed the matter repeatedly and at length with my associates, particularly the heads of departments, and we agree perfectly as to the gravity of the situation and as to the way out. I have therefore no hesitation in making definite recommendations.

All things considered, I am clear in recommending:

1. That the University authorize a campaign for a $2,000,000 Agriculture Building to be erected from funds outside of the mill tax, either under a State appropriation or a bond issue, as circumstances seem to advise.

2. That this authorization be given at the earliest possible moment to the end that time, which is a large factor in our success, may be used to the best advantage and the campaign be gotten well on its feet before the fall elections.

3. That if this course seems impracticable the Trustees definitely announce their policy of caring for our needs as they arise by temporary construction, of which we should have 50,000 square feet as soon as it can be erected, and as much more in the immediate future.

It may be argued that we must not ask what the State may be unwilling to give. My answer is that we have no responsibility at that point. It is for the Legislature, not the University, to decide what the State will do.

Nor are we responsible for the conditions that confront us. They have been created by the people who evidently intend to send their sons and daughters to the University of Illinois for an education.

We have but one responsibility in the premises and that is to let the facts be known, with a definite proposition for an adequate solution of the situation. If the State refuses to act we are absolved, and may do any thing, even to refusing students; otherwise, we assume a responsibility that is theirs, not ours.

Very respectfully submitted,

E. DAVENPORT, *Dean and Director.*

This communication was received for record.

At this point Mr. Blair withdrew.

STANDING COMMITTEES, 1916-17.

The list of standing committees of the board, reappointed by President Abbott on March 16, 1916,* is printed here in accordance with Article IV, section 5, of the by-laws of the board:

Buildings and Grounds.

William L. Abbott, Chairman; Mary E. Busey, Robert F. Carr, Laura B. Evans, Robert R. Ward.

Finance.

Otis W. Hoit, Chairman; Ellen M. Henrotin, Len Small, John R. Trevett, Robert R Ward.

Engineering.

John R. Trevett, Chairman; Robert F. Carr, William L. Abbott.

Agriculture.

Len Small, Chairman; Otis W. Hoit, John R. Trevett.

College of Medicine and School of Pharmacy.

Laura B. Evans, Chairman; William L. Abbott, Otis W. Hoit.

Students' Welfare.

Ellen M. Henrotin, Chairman; Mary E. Busey, Laura B. Evans, Florence E. Watson.

Instruction.

Francis G. Blair, Chairman; Robert R. Ward, Florence E. Watson.

Library.

Mary E. Busey, Chairman; Ellen M. Henrotin, Florence E. Watson.

THE REGISTRAR'S REPORT OF FEES PAYABLE FIRST SEMESTER, 1915-16.

The Secretary of the board presented for record the report of fees payable during the first semester for the academic year 1915-16, as compiled by the Registrar, Mr. C. M. McConn:

Matriculation Fees—			
1507 @ $10	$15,070 00	.....	.....
Refund 106 @ $10	.....	$1,060 00	.....
Total, matriculation fees	$15,070 00	$1,060 00	$14,010 00
Incidental Fees—			
3983 @ $12	47,796 00	.....	.....
2 @ $6 (one-half)	12 00	.....	.....
Refund 148 @ $12	.....	1,776 00	.....
Refund 38 @ $6 (one-half)	.....	228 00	.....
Total, incidental fees	$47,808 00	$2,004 00	$45,804 00
Tuition Fees—			
449 @ $7.50	3,367 50	.....	.....
Refund 105 @ $7.50	.....	787 50	.....
Refund 13 @ $3.75 (one-half)	.....	48 75	.....
81 @ $25.00 (Law)	2,025 00	.....	.....
5 @ $12.50 (Law, one-half)	62 50	.....	.....
Refund 1 @ $25	.....	25 00	.....
9 @ $5 (courses, Law)	45 00	.....	.....
Total, tuition fees	$5,500 00	$861 25	$4,638 75
Total, general fees	$68,378 00	$3,925 25	$64,404 75

* The Secretary received the following letter on March 17, 1916:

Mr. H. E. Cunningham, Secretary, Board of Trustees.

DEAR SIR: Answering your letter of March 15, in reference to the board committees for the ensuing year, will say that these committees will be constituted just as they were last year, and I will ask you to so advise the members of the board.

Very truly yours,

W. L. ABBOTT.

Music Fees—			
83 @ $8.50	$705 50	.....	.....
1 @ $4.25 (one-half)	4 25	.....	.....

APPOINTMENTS TO FILL VACANCIES.

The Secretary presented also for record the following list of appointments made by President James:

Anderegg,* F. O., Research Assistant in Chemistry, beginning as soon as he reports for duty and continuing until June 30, 1916, at a salary of ninety dollars ($90) a month. (February 12, 1916.)†

Baldwin, F. M., Assistant in Zoology in the Summer Session of 1916, at a remuneration of one hundred fifty dollars ($150) for the session. (March 7, 1916.)

Berninger, Harriet, Assistant in Education in the Summer Session of 1916, at a remuneration of two hundred dollars ($200) for the session. (March 7, 1916.)

Bond, Ethel, Instructor in the Summer Session of the Library School of 1916, at a remuneration of two hundred dollars ($200) for the session. (February 15, 1916.)

Choisser, R. M., Student Assistant in Anatomy in the College of Medicine, to give six hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Cloud, Eva, Lecturer in the Summer Session of the Library School for 1916, for one week, at a remuneration of forty-five dollars ($45) for the week. (February 15, 1916.)

Crown, Astrid E., University Stenographer, Rank 2, in the Office of the Purchasing Agent of the College of Medicine, at a salary of fifty dollars ($50) a

* Appointment made by Vice President Kinley.

† The date in parenthesis is the date on which the appointment was made by the President to the Vice President of the University.

month, beginning March 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (March 6, 1916.)

Folsom, J. W., Instructor in Entomology in the Summer Session of 1916, at a remuneration of three hundred dollars ($300) for the session. (March 7, 1916.)

Fontaine, E. O., Shelf Assistant in the Library, at a salary of forty-two and one-half dollars ($42.50) a month, beginning February 1, 1916, and ending August 31, 1916; this appointment superseding his former appointment at thirty-six dollars a month. (February 16, 1916.)

Glasgow, R. D., Instructor in Entomology in the Summer Session of 1916, at a remuneration of two hundred twenty-five dollars ($225) for the session. (March 7, 1916.)

Jennings, W. W., Assistant in Economics, on one-half time, beginning February 7, 1916, and ending June 30, 1916, at a salary of three hundred dollars ($300) for the semester; this appointment superseding his former appointment as Scholar in History. (February 15, 1916.)

Keener, H. A., Student Assistant in Anatomy in the College of Medicine, to give six hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Klein, Gordon, Shelf Assistant in the Library, on one-half time, at a salary of twenty-seven and one-half dollars ($27.50) a month, beginning February 1, 1916, and ending August 31, 1916; this appointment superseding his former appointment on one-third time. (February 16, 1916.)

Lahners, Thomas, Student Assistant in Anatomy in the College of Medicine, to give ten hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Newlin, W. B., Shelf Assistant in the Library, on one-half time, beginning February 1, 1916, and ending August 31, 1916, at a salary of twenty-seven and one-half dollars ($27.50) a month. (February 16, 1916.)

Orcut, A. H., Student Assistant in Anatomy in the College of Medicine, to give six hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Priem, H. W., Student Assistant in Anatomy in the College of Medicine, to give six hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Reece, E. J., Instructor in the Summer Session of the Library School of 1916, at a remuneration of two hundred twenty-five dollars ($225) for the session. (February 15, 1916.)

Steinberg, M. E., Student Assistant in Anatomy in the College of Medicine, to give six hours service a week for sixteen weeks, at a remuneration of fifty cents (.50) an hour. (February 21, 1916.)

Strauch, H. H., Assistant in Physiological Chemistry in the College of Medicine, beginning when he reports for duty and ending August 31, 1916, at a salary of eighty-three and one-third dollars ($83.33) a month. (March 8, 1916.)

Thompson,* Alice A., Cataloger in the Library, at a salary of sixty-five dollars ($65) a month, beginning January 17, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (February 9, 1916.)

Wallace, Cora E., Assistant in Music in the Summer Session of 1916, at a remuneration of one hundred fifty dollars ($150) for the session. (March 7, 1916.)

Zipprodt, Ella, Stenographer in the Department of Botany, at a salary of fifty dollars ($50) a month, beginning March 13, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment in the Engineering Experiment Station. (March 9, 1916.)

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

* Appointment made by Vice President Kinley.

MEETING OF APRIL 19, 1916.

A special meeting of the Board of Trustees of the University of Illinois was held in the Trustees' Room of the Administration Building, at the University, at Urbana, on Wednesday, April 19, 1916, pursuant to the following notice which was sent out by the Secretary on April 7, 1916:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois, in the Trustees' Room, at Urbana, on Wednesday, April 19, 1916, at 10.00 a. m., to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson.

President James was present.

There being no quorum, the board adjourned to meet at 12 o'clock noon on Wednesday, April 26, 1916, at the Blackstone Hotel, in Chicago.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, April 19, 1916.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, at 10.00 a. m., on Wednesday, April 19, 1916, immediately following the adjournment of the Board of Trustees on the same day.

Mr. Abbott, Chairman, and Mr. Hoit, member of the committee, were present; also Mrs. Busey, Mrs. Evans, Mrs. Henrotin, and Miss Watson, members of the board.

President James was present.

MATTERS SUBMITTED BY PRESIDENT JAMES.

The Executive Committee proceeded to the consideration of the following matters presented by the President of the University:

LEAVE OF ABSENCE FOR PROF. J. W. LLOYD EXTENDED.

(1) A request for an extension of leave of absence from the University for another year by Prof. J. W. Lloyd, who has been on leave during the past year on half pay, while carrying on studies at the University of California.

On motion of Mr. Hoit, the President of the University was authorized to extend Prof. Lloyd's leave of absence without pay for the academic year 1916-17, in case suitable arrangements can be made for his work.

LEAVE OF ABSENCE FOR MR. E. E. HOSKINS.

(2) A recommendation from Prof. C. G. Hopkins, endorsed by Dean Davenport, that Mr. E. E. Hoskins be given leave of absence until the termination of his present appointment, August 31, 1916, on account of illness.

On motion of Mr. Hoit, leave of absence was granted to Mr. Hoskins for this period, with half pay.

CHANGES IN LABORATORY FEES.

(3) A letter from Dean T. A. Clark, Secretary of the Council of Administration, concerning certain changes in fees:

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The Council of Administration at its meeting of January 11, 1916, voted to recommend to the Board of Trustees the approval of the following changes in laboratory fees:

Geology 1, $2.25 (in place of $1).
Geology 10, $1 (in place of $1.50).
Zoology 14a-b, 15a-b, none (in place of $1 an hour for each course).
Zoology 25, $3 (new).
Zoology 26, $3 (new).

Human Anatomy 1 (Zoology 7), $5 (new).
Human Anatomy 2, $5 (new).
Yours very truly,

THOMAS A. CLARK,
Secretary, Council of Administration.

On motion of Mr. Hoit, these fees were approved.

ADVISORY BOARD, RAILWAY INDUSTRIES OF ILLINOIS.

(4) A request from Dean W. F. M. Goss, of the College of Engineering, that the Trustees authorize the appointment of an Advisory Board of the College of Engineering for the Railway Industries of Illinois, and that the following persons be appointed members of this board:

Mr. W. A. Gardner, President of the Chicago & Northwestern R. R.
Mr. Hale Holden, President of the Chicago, Burlington & Quincy R. R.
Mr. W. G. Bierd, President of the Chicago and Alton R. R.
Mr. W. B. Storey, Vice President of the Santa Fe R. R.
Mr. C. H. Markham, President of the Illinois Central R. R.

On motion of Mr. Hoit, the President of the University was authorized to establish this board, and the persons nominated above were appointed for a term of three years.

ADMISSION AND GRADUATION, COLLEGE OF LIBERAL ARTS AND SCIENCES.

(5) Certain recommendations from the University Senate concerning changes in the requirements for admission to and graduation from the College of Liberal Arts and Sciences:

April 5, 1916.

President Edmund J. James.

DEAR MR. PRESIDENT: The University Senate, at its meeting of April 3, 1916, approved the following recommendations of the faculty of the College of Liberal Arts and Sciences with reference to changes in the graduation and admission requirements of that College.

CREDIT FOR COURSES OFFERED IN OTHER COLLEGES AND SCHOOLS.

I. That the following be substituted for paragraph 3, page 135, of the Annual Register for 1915-16:

3. A limited amount of credit towards the A.B. degree may be secured for courses offered in other colleges and schools of this University as follows:

COLLEGE OF AGRICULTURE.

Agricultural Extension 1 (High School Agriculture); Agronomy 9 (Soil Physics), 11 (Soil Biology), 12 (Soil Fertility), 22 (Plant Breeding); Animal Husbandry 7 and 31 (Animal Nutrition), 30 (Genetics); Dairy Husbandry 11, 12a-12b (Dairy Bacteriology); Horticulture 9 (Forestry), 12 (Horticultural Evolution), 36 (History of Landscape Gardening), 37a (Civic Design), 42 (Landscape Design).

The total credit allowed in courses in agriculture may not exceed 14 hours.

Students taking their major in entomology may take 20 hours in the above courses in agriculture, with the addition of Agronomy 7 and 25, and Horticulture 1a, 1b, 2, 3, 6, and 7.

COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION.

Accountancy 1a-1b (Principles of Accounting), 13 (Municipal Accounting); Business Organization 1 (Business Organization), 9 (Commercial and Civic Organizations); Business Law 1a-1b (Commercial Law—no credit given to students in the combined arts-law curriculum); Economics, all courses except 9, 14, 15, 32, 34; Transportation 1 (U. S. Transportation System), 2 (Transportation Policy).

The total credit allowed for courses in commerce may not exceed 40 hours.

COLLEGE OF ENGINEERING.

Architecture 13, 14, 15, 16 (History of Architecture), 31, 32 (Architectural Drawing); Civil Engineering 27 and 28 or 33 and 34 (Surveying), 94 (Highway Administration); Drawing, General Engineering 1 (Elements of Drafting), 2 (Descriptive Geometry); Electrical Engineering 4 and 64 or 8 and 68; Mechanical Engineering, 11, 12 (Thermodynamics), 30 (Mechanics of Machinery); Mechanics, Theoretical and Applied, all courses.

The total credit allowed in engineering courses may not exceed 24 hours.

COLLEGE OF LAW.

A student who has senior standing in the College of Liberal Arts and Sciences may take and count the first full year of law work for thirty hours of credit toward the A.B. degree, or, if he takes and successfully carries less than the full amount, it shall be counted only hour for hour toward the A.B. degree.

Law 14 (Carriers), 24 (Municipal Corporations), 28 (Insurance), and 34 (Public Utilities) are open to students doing major work in political science or economics who have had a previous course in law or political science involving the study of cases.

Courses in law may not be taken before the senior year by students enrolled in this college, and in no case may the total credit allowed toward graduation exceed 30 hours.

LIBRARY SCHOOL.

Library Science 2a-2b, or 12 (Reference), 7 (History of Libraries), 9 (Bookmaking), 13a-13b (Public Documents).

SCHOOL OF MUSIC.

The total credit allowed for courses in music may not exceed 16 hours. At least one-half of the credit must be taken in courses in the history and theory of music (1-14 inclusive). Credit may be allowed in practical music (for courses exclusive of courses open to freshmen, provided the student shall have previously obtained credit for music courses 3 and 4 or their equivalent) to an amount not to exceed one-half of the total allowed to any student. No credit will be allowed for courses in public school music.

PHYSICAL TRAINING.

Not to exceed 5 semester hours for men and 7 semester hours for women.

Courses not included under paragraph 3 above may not be counted for the degree of A.B., except by special permission of the Dean of the College.

MAJOR SUBJECTS.

II. That the following be added to the paragraph on major subjects on page 134 of the Annual Register for 1915-16:

At least 5 hours of the work accepted for a major must have been done in residence at this University and must be included within the maximum credits allowed in any division.

REQUIREMENTS FOR THE DEGREE OF BACHELOR OF SCIENCE.

III. That the following be substituted for the paragraph entitled "Requirements for the Degree of Bachelor of Science" at the bottom of page 135 of the Annual Register for 1915-16:

H. Optional Degree of Bachelor of Science. Students who do major work in one of the subjects in Groups IV or V, or in Household Science, on petition and recommendation of the faculty may be graduated with the degree of Bachelor of Science instead of Bachelor of Arts.

ENTRANCE REQUIREMENTS.

IV. That the first six-point paragraph under the heading "Additional Prescriptions for Individual Curriculums" on page 73 of the Annual Register for 1915-16 be amended to read as follows:

For the College of Liberal Arts and Sciences for the general curriculum in Liberal Arts and Sciences, the curriculums in Journalism, Household Science, and Medicine, and the curriculum preliminary to law—Latin, Greek, French, German, or Spanish (both units in the same language).....2 units;

and that the second six-point paragraph under the same heading, and the corresponding paragraphs under the headings "Academic Electives" on page 74 and "Summary by Courses" on page 75, be omitted.

Very respectfully yours,

C. M. McConn, *Clerk of the Senate.*

On motion of Mr. Hoit, the above recommendations were approved.

RECONSTRUCTION OF MECHANICAL ENGINEERING LABORATORY.

(6) A request from the Dean of the College of Engineering that thirty thousand dollars be appropriated for construction and reconstructions necessary to improve the Mechanical Engineering Laboratory. This will include a mezzanine floor and the moving and resetting of a great deal of the machinery. It will put the laboratory in condition to serve the purposes of the University for a number of years. The Dean of the College of Engineering regards this as the most necessary and immediate appropriation for the improvement of the plant.

[ESTIMATE OF THE COST.]

Excavation	$1,330 00	Steam and water piping	$2,000 00
Steel	6,713 00	Painting	1,000 00
Removing old foundations	1,409 00		$27,943 00
Concrete floors and foundations	8,116 00	Add 10 per cent	2,800 00
General changes in building	4,875 00		$30,743 00
Moving and erecting machinery	2,500 00		

On motion of Mr. Hoit, the reconstruction and rearrangement of the equipment of the Mechanical Engineering Laboratory was authorized and the sum of thirty thousand dollars, or so much thereof as may be necessary, was appropriated for this purpose.

PRINTING OF BIENNIAL REPORT.

(7) The State Superintendent of Printing, Mr. J. F. Higgins, has informed the Secretary of the board that he is expecting the University to pay for the printing of the next biennial report, to be published in the summer of 1916. This is a fundamental change in our method of printing the report of the Board of Trustees to the Governor of the State. Up to the present time, the Board of Trustees, through the Secretary of the board, has transmitted its regular report to the Governor and it has been printed by the State Printer and distributed in accordance with the law providing for its printing. My own opinion is that the next report, namely, that for the two years ending June 30, 1916, should be printed in the same way. The Governor of the State has authority to determine this matter.

On motion of Mr. Hoit, it was voted that the Governor of the State be requested to authorize the printing of the report of the Board of Trustees

in the same style as hitherto and that the expense be defrayed from public funds as provided by law. In the interests of economy, it was voted also to accept an edition of two thousand copies of the report instead of the four thousand copies supplied in former years.

RELATIONS WITH ILLINOIS NATIONAL GUARD.

(8) A letter from Adjutant General F. S. Dickson concerning the legal effects of a declaration by the Governor that the University of Illinois is a post of the Illinois National Guard:

March 31, 1916.

Hon. Edmund J. James, University of Illinois, Urbana, Ill.

MY DEAR MR. PRESIDENT: Your letter of some time ago with reference to your possible desire to request the Governor under the provision of the Statute to declare the University of Illinois a Post of the Illinois National Guard, comes to my attention on my return from considerable absence in Washington.

I note that you desire, before taking any action in this matter, information as to what particular obligation toward the Illinois National Guard such action would impose on you or on the University. As a matter of fact, I cannot see that it would impose any additional duty or obligation than that which now exists. The declaration of the Governor constituting the University of Illinois as a Military Post would not carry with it the inclusion of its military student body in the Organized Militia of the State as recognized by the War Department. It would not, in my judgment, impose any obligation of service in the National Guard as that can only be had by direct enlistment of the individual men in such service, which enlistment establishes a contractual relation between the individual and the State. The effect, therefore, would appear to be more moral than physical, and would carry practically only a degree of supervision without interference with administration, etc.

Yours very truly,

F. S. DICKSON.

No action was taken in this matter.

AMERICAN INSTITUTE OF ARCHITECTS MEDAL.

(9) An offer by the American Institute of Architects of a student medal to be awarded by the Faculty of the University to the member of the graduating class whose record for the course in architecture is the best.

On motion of Mr. Hoit, this offer was accepted, and the President of the University was authorized to express the thanks of the University to the American Institute of Architects.

ANCIENT ORDER OF HIBERNIANS ST. PATRICK'S DAY PRIZE.

(10) A gift from the Ancient Order of Hibernians. Mr. James F. O'Donnell, Editor of the *Bloomington Bulletin*, has sent to the University a check for fifty dollars, as a gift from Division One of the Ancient Order of Hibernians, to be used as a prize to be awarded for the best essay written by an undergraduate or graduate student in the University on a subject connected with ancient Irish literature, history, or archeology. It is hoped that a fund of one thousand dollars may be established from the interest of which such a prize may be made permanent. I recommend that this money be accepted and that the President of the University be authorized to tender a formal expression of the thanks of the board for the gift; that the prize be announced for the present year, and, in case the requisite funds are forthcoming regularly, that it be continued.

I suggest the following rules for the assignment of the prize:

1. The prize shall be known as the St. Patrick's Day Prize of the Ancient Order of Hibernians.
2. The prize shall be awarded yearly, if the requisite funds are provided by the Ancient Order of Hibernians, for the best essay written by an undergraduate or graduate student in the University of Illinois on a subject connected with ancient Irish literature, history, or archeology.
3. The essay must consist of not less than five thousand words and must be submitted in the form required for an honor thesis for the A.B. degree, with modified title page.
4. The complete file of the essays shall be kept in the Library of the University of Illinois.
5. The prize shall be regularly awarded on the day before St. Patrick's Day (in the year 1916 on June 1). Essays must be in the hands of the President of the University on or before March 1 of each year (in the year 1916 on or before May 17).
6. The judges shall be appointed by the President of the University of Illinois.
7. In case no one of the essays submitted proves to be of sufficient merit, the judges may withhold the prize and the money shall be allowed to accumulate toward a fund for the establishment of a scholarship in Irish literature.

On motion of Mr. Hoit, these recommendations were approved.

SENATE REPORT ON NEW LIBRARY.

(11) At a meeting of the University Senate on April 3, 1916, the Senate Committee on the University Library presented an extended report on the proposed new

Library Building. After a full presentation of the subject by the Chairman of the Library Committee, Prof. A. H. Daniels, and a full discussion, the Senate passed the following motion unanimously:

1. That the Senate approve, as a recommendation to the Board of Trustees, the tentative plans for the proposed new Library Building submitted by the Library Committee.

2. That the Board of Trustees be requested to make an appropriation sufficient to begin the construction of a working section of the building at the earliest possible date.

The University Senate in April, 1912, appointed a special committee to consider and report on the general problems involved in the development of a University Library. The committee presented a partial report at a special meeting of the Senate on January 6, 1913. After a careful study of the possible sites for the new building, it was recommended that the one at the south end of Wright Street be chosen. This site received the endorsement of the Supervising Architect, the State Architect, Mr. Zimmerman, and Mr. Blackall, of Boston, who were members of the Advisory Committee on the Campus. The subject was then presented to the Board of Trustees and referred to the Library Committee of the Board. Finally, on March 10, 1914, the Library Committee of the board reported that the need of a new University Library Building was most pressing, that the University should proceed as rapidly as possible with the planning and erection of such a building, and that the only satisfactory site was the land lying at the south end of Wright Street, with the building having its north and south axis on the center of Wright Street prolonged, and its east and west axis on the east and west axis of the Armory prolonged.

After further deliberation, at a meeting of the Board of Trustees held June 15, 1915, the Supervising Architect was directed to proceed with the preparation of plans for the new Library Building.

These are the plans which the Senate has unanimously endorsed and which are herewith submitted. The Senate is of the opinion that a collection of at least one million volumes should be made as rapidly as possible, and to do this within a reasonable time an appropriation of one hundred thousand dollars a year for the purchase of books is necessary. The Senate also calls attention to the fact that at the present rate of increase all available space for books will be occupied within the next two years.

On motion of Mr. Hoit, this matter was referred to the Library Committee of the Board for consideration and report.

PLANS FOR PHARMACY GREENHOUSE.

(12) A letter from Mr. E. N. Gathercoal, Instructor in Pharmacognosy in the School of Pharmacy, presenting plans for a greenhouse and botanical garden at the new location of the School of Pharmacy. It is hoped to erect a greenhouse 15 by 50 feet in size, to be placed against the south wall of the Laboratory Building and to enclose the garden at the front, the south side, and the rear, including the whole rear alley line, so that the plants grown may be suitably protected. The estimate of the cost of the greenhouse is $1,800; and of the fence from $1,000 to $1,500, according to whether the ground should be enclosed entirely by an iron fence or by one partly of iron and partly of wood.

No action was taken on this matter.

JENNER MEDICAL COLLEGE.

(13) At the earnest solicitation of Dr. MacKellar, Dean of the Jenner Medical College, which was a tenant of one of the buildings purchased recently by the University, I have authorized the Jenner Medical College to remain in the building till May 10, instead of being required to leave on April 30. This will enable the Jenner Medical College to secure other accommodations without unduly inconveniencing them.

No action was taken on this matter.

BUILDING PROGRAM FOR FIVE YEARS.

(14) A letter from the Supervising Architect making suggestions as to a building program for a period of five years:

President Edmund J. James, 355 Administration Building.

DEAR SIR: I enclose as accurate a draft as I can now prepare of our building needs for the next five years.

The erection of the Residence Hall and the School of Education Building does not release any space for instructional purposes. The reconstruction of the Mechanical Laboratory and the completion of the Transportation Building will provide for housing the Mechanical Engineering Department in those buildings and give the space they now occupy in Engineering Hall to architecture. The completion of the Natural History Building will give relief to the Department of Botany and the Museum and permit the moving of the Museum material from the top floor of the Physics Building, permitting some expansion of the present Sound Laboratory. The Horticulture Field Laboratory will take the place of the building which has been assigned to Battery F and will provide more adequately for the work of the Department of Horticulture, but none of the work on the present Campus will be transferred to the new building. The erection of the cattle feeding plant will permit the removal of the barns on the south side of the parade grounds

and will more adequately provide for the work of the Department of Animal Husbandry, but will not provide relief in any other quarters. The building for the School of Music will free a few desirable rooms in University Hall, but the main relief must come from the erection of the Library Building, which should be ready for occupancy four years from next fall. The College of Law can then be moved to the present Library Building and their building be available for the College of Agriculture or for the Department of Journalism, or for any other purpose which may at the time prove most urgent.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

A FIVE-YEAR BUILDING PROGRAM—PRELIMINARY DRAFT.

1. COMPLETION OF BUILDINGS NOW UNDER WAY.

CHEMISTRY BUILDING.

Balance on equipment less portion charged to State Water Survey		$27,681 38
Alterations to lecture room and connections to old buildings not included in appropriation of $6,000		1,250 00
Balance due Mr. Dibelka		889 03
Library stacks and furniture		1,500 00
Necessary alterations to old building to provide classrooms, etc		2,500 00
Incidentals		1,179 59
For desirable additional alterations in old building		10,000 00
Total		$45,000 00

VIVARIUM.

Walks, fence, pond, aquaria, and refrigeration		15,000 00

CERAMICS BUILDING.

Laboratory furniture	$6,000 00	
Screens and awnings	200 00	
Walks and drives	500 00	
Balance due Mr. Dibelka	189 37	
Total	$6,889 37	
Available from appropriation	4,000 00	
Additional appropriation required		2,889 37
Total to complete present buildings		$62,889 37

II. NEW BUILDINGS.

Women's Residence Hall, exclusive of heat, light, and water lines		$145,000 00
Education Building, 625,000 cubic feet at 24 cents (furnished)		150,000 00
Music School		250,000 00
Transportation Building, 188,760 cubic feet at 19 cents		35,800 00
M. E. Laboratory (Prof. Richards's estimate)		30,000 00
Natural History Building—		
264,880 cubic feet at 30 cents	$53,000 00	
Special furnishings	17,000 00	
		70,000 00
Horticulture Field Laboratory—		
Main Building, 405,200 cubic feet at 20 cents	$81,000 00[1]	
Storage Building, 120,000 cubic feet at 12 cents	14,400 00[2]	
Barn, 127,776 cubic feet at 8 cents	10,300 00[3]	
Heating plant	5,000 00	
Refrigeration (25 tons)	10,000 00	
		120,700 00
Feeding plant		50,000 00
Power plant—		
Building	$30,000 00	
Boilers and setting	24,000 00	
Stack	10,000 00	
Auxiliary equipment	16,000 00	
		80,000 00
Chicago departments (estimated)		200,000 00
Service Building		30,000 00
Library, first unit (estimated)		750,000 00
Total, new buildings		$1,911,500 00

III. OTHER CONSTRUCTIONS.

General equipment at $20,000 a year		$100,000 00
1913-14	$16,500 00	
1914-15	19,356 00	

[1] Assumes a Laboratory Building fairly finished and with moderate amount of equipment.
[2] Assumes fireproof building with cement floors and unplastered walls.
[3] Based on cost of Beef Cattle Barn and Horticulture Barn.

Physical plant extension—		
Heat, light, water, etc. at $20 a year		$100,000 00
1913-14	$59,000 00[1]	
1914-15	34,000 00[1]	
Road and ground improvement at $15,000[2]		75,000 00
1913-14	$ 5,500 00	
1914-15 (including Campus lighting)	10,000 00	
Building remodeling at $20,000 a year		100,000 00
1913-14	$25,600 00	
1914-15	13,500 00	
Total, other constructions		$375,000 00

SUMMARY.

To complete present building	$ 63,000 00	
New buildings	1,911,500 00	
Other constructions	375,000 00	
Temporary buildings for College of Agriculture	50,000 00	
Total		$2,399,500 00
Less receipts from Smith land		150,000 00
Net for five years		$2,249,500 00
Total per year		$449,900 00

Estimated increase in operating expense for physical plant at end of five-year period, $100,000.

This report was received for record.

FURTHER LEAVE OF ABSENCE FOR MR. O. S. WATKINS.

(15) Mr. O. S. Watkins was given leave of absence until April 1 on full pay in order to recover from an attack of illness [page 861]. There is some difference of opinion as to what the University ought to do in the premises. I am not at present willing to make any recommendation, but am willing to assume authority, if the board gives it to me, of making an adjustment in the matter.

On motion of Mr. Hoit, the President of the University was authorized to make such adjustment in the matter of leave of absence given Mr. O. S. Watkins as in his judgment may seem wise, provided that the leave of absence granted shall not extend beyond September 1, 1916.

NAVAL CONSULTING BOARD.

(16) Dean W. F. M. Goss has been asked to serve as a member of the Board of Directors of the Organization of Industrial Preparedness for the State of Illinois, and as Associate Member of the National Naval Consulting Board.

On motion of Mr. Hoit, the President of the University was authorized to permit Dean Goss to serve on these boards.

INDUSTRIAL MUSEUM.

(17) A letter from Dean Goss asking that authority be given to construct a section of the Industrial Museum which shall take care of the various gifts made to the Engineering Museum of the University. It is believed that a section costing ten thousand dollars will take care of such matters as are immediately pressing.

No action was taken on this matter but the sentiment of the members present seemed to be in favor of erecting such a building in case any considerable gift should be made to the University which should require such housing.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

Adjourned Session, April 26, 1916.

When the Board of Trustees of the University of Illinois met at the Blackstone Hotel, in Chicago, on Wednesday, April 26, 1916, at 12 o'clock noon, pursuant to the adjournment taken on April 19, 1916, the following members were present: President Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Small, Miss Watson.

Vice President Kinley was present.

---

[1] These figures include heat tunnels and main conduit serving the south campus and are much higher than the estimated average work required for the past five years.

[2] Roads $10,000 a year, walks and general improvements $5,000 a year, making a total of $15,000.

GRADUATES OF THE SCHOOL OF PHARMACY.

Vice President Kinley presented the following list of candidates for the degree of Graduate in Pharmacy, approved by the faculty of the School of Pharmacy, and recommended that he be authorized to confer these degrees at the commencement exercises on this afternoon.

Fannie Lillian Aron.
William Beckman.
Asher Holland Bogard.
Joseph C. Butts.
Robert Claus.
Dante Cortesi.
Raymond James Crist.
Raymond Anderson Curlee.
Charles Elmer Davidson.
Everett William Dewey.
William John Friedl.
Harry Gasen.
Frank William Graham.
Robert Lee Greenwood.
Walter John Kostka.
David Lofgren.
Benjamin Lowis.
Israel Mawrence.
Leonard Quartetti.
Robert Bruce Ritzman.
Ernest Christian Schultz.
James William Templeton.
Ralph Rickey Thoroman.
Edwin Joseph Underriner.
Leland Vale.
Robie Rolland Weaver.
Werner Fred Wilhelm.
Guy Vernon Whitney.
Edward A. F. Borucki (Class of '15).
William Stuhlmann Bucke (Class of '15).
Richard William Goltermann (Class of '15).
Sylvester Henry Hojnacki (Class of '15).
Hubert Spangler Huston (Class of '14).
Oscar William Johnson (Class of '15).
Edward Joseph Kral (Class of '15).
Joseph Benjamin Kvasnicka (Class of '15).
Francis A. Pankau (Class of '14).
Edwin Robert Riemer (Class of '15).
Frank Joseph Vondrasek (Class of '14).

On motion of Mr. Small, this recommendation was approved unanimously, subject to the approval of the board at a later meeting.

On motion of Miss Watson, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF MAY 27, 1916.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12.00 m., on Saturday, May 27, 1916, pursuant to the following notice which was sent out by the Secretary on May 20, 1916:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Blackstone Hotel, in Chicago, on Saturday, May 27, 1916, at 12 o'clock noon, to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson.

President James was present, and also, during a part of the afternoon, Prof. J. M. White, Supervising Architect.

MINUTES APPROVED.

The Secretary presented the minutes of the meetings of March 14 and April 19-26, 1916.

On motion of Mrs. Henrotin, the minutes were approved as printed on pages 929 to 936 above.

MATTERS SUBMITTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters submitted by President James:

PLANS FOR SMITH MUSIC BUILDING.

(1) The revised plans for the Smith Music Building, calling for a complete building to be erected at a cost of $250,000.

Prof. White explained these plans in detail.

On motion of Mrs. Evans, these plans were approved and the Supervising Architect was instructed to proceed with the preparation of working drawings and specifications. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett.

PLANS AND DESIGN OF EDUCATION BUILDING.

(2) A new set of interior plans for the Education Building; and also a sketch of the exterior prepared by Holabird and Roche.

Prof. White explained the details of these plans and of the design.

On motion of Mrs. Busey, the new plans prepared by the Supervising Architect were substituted for those previously approved by the board, and the design of the exterior prepared by Holabird and Roche was approved; and the Supervising Architect was instructed to proceed to the construction of the first wing of this building, The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett.

PLANS FOR FEEDING PLANT AND HORTICULTURE LABORATORY.

(3) A report of progress on the plans for the feeding plant and the Horticulture Laboratory.

No action was taken on this matter.

SETTLEMENT FOR CHEMISTRY BUILDING DELAYED.

(4) A presentation of the matters connected with the final settlement with the various contractors on the Chemistry Building.

Prof. J. M. White made a complete statement covering the claims made for extras, damages, etc., by Freeman and Brooks, the general contractors. No action was taken on this matter.

HIBBARD GIFT OF OLD COINS.

(5) A statement that Mr. William G. Hibbard, Jr., had presented to the University a collection of 318 coins. Of these, 39 Greek and Roman coins have been assigned to the custody of the Curator of the Classical Museum, Prof. A. S. Pease; and 279 to the Curator of the Museum of European Culture, Prof. N. C. Brooks.

On motion of Mrs. Busey, this gift was accepted and the thanks of the board were extended to Mr. Hibbard for his generosity.

PAVEMENT ON HEALEY STREET.

(6) The following statement:

An ordinance has been passed by the City Council of Champaign for the paving of Healy Street which runs along the south side of the University property on which the Vivarium is located, between First Street and Wright Street. The Board of Local Improvements of the City of Champaign wishes to know whether the Trustees will authorize it to spread the assessment against the University for this improvement, which will cost $1,634.25. The assessments are distributed over a period of ten years with interest at 5 per cent.

On motion of Mr. Carr, authority was given to the President of the University to authorize the Board of Local Improvements to spread this assessment against the University. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett.

VISITORS' PERMITS FOR TEACHERS.

(7) A recommendation from Director William C. Bagley, of the School of Education, that teachers engaged in the public schools of the cities of the State who extend to the University opportunities for research and investigation, be admitted to University classes as visitors without fee, provided that a recommendation for such exemption from fees be made by the Director of the School of Education in each individual case; the exemption shall be for a definite time; and that the same be approved by the President of the University.

On motion of Miss Watson, this recommendation was approved.

APPROPRIATION FOR COUNCIL OF ADMINISTRATION.

(8) A request from the Secretary of the Council of Administration for an additional appropriation of $100 for expenses incurred by the Council during the present fiscal year.

On motion of Mr. Carr, this appropriation was made. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett.

RESIGNATIONS ACCEPTED.

(9) A statement that the following resignations had been presented and accepted subject to the approval of the board:

1. Prof. Clarence W. Balke, as Professor of Inorganic Chemistry, to take effect September 1, 1916.
2. Mr. G. B. Rice, as Lecturer on the Installation and Operation of the Mechanical Equipment of Buildings and Mechanical Engineer in the Office of the Supervising Architect, to take effect not later than April 28, 1916.
3. Dr. Alfred O. Shaklee, as Assistant Professor of Pharmacology in the College of Medicine, to take effect August 31, 1916.

On motion of Mr. Carr, these resignations were accepted.

TYPHOID FEVER INOCULATION.

(10) The following statement:

On December 8, 1915, Dr. H. A. Harding, Professor of Dairy Husbandry, presented a communication from Dean Eugene Davenport relating to the danger of the transmission of typhoid fever to members of the staff and the community through employees of the University engaged in handling food products, closing with a request that the University should provide facilities for the immunization from typhoid fever of those members of its force who come in direct contact with food substances, particularly dairy products, provided they voluntarily accept such treatment. At my request, Mr. C. M. McConn asked the Secretary of the State Board of Health whether in his opinion examiners on the staff of the University, acting as agents of the State Civil Service Commission in conducting examinations for the positions of laborer at the University, would have the right to refuse to certify a man or a woman as physically fit for employment in positions involving the handling of food products unless he or she has been inoculated against typhoid fever. In answer to this communication, the Secretary of the State Board of Health, Dr. C. St. Clair Drake, under date of March 16, 1916, replied that while he did not believe the examiners would have the right to refuse to certify persons in

the absence of a rule of the Board of Trustees of the University requiring immunization, it was the opinion of the State Board of Health that a rule making vaccination against smallpox and immunization against typhoid fever a prerequisite for employment at the State University is very desirable.

Judge O. A. Harker, the Counsel of the University, expressed the opinion, in answer to a direct inquiry, that the Board of Trustees of the University would be within its rights in establishing a regulation requiring employees handling food products to be immunized against typhoid fever. Mr. McConn, in conference with Prof. Harding, Prof. Isabel Bevier, of the Department of Household Science, and Dr. J. H. Beard, our Medical Examiner, recommend the following rule to the Board of Trustees for their adoption; namely:

Employees of the University of Illinois whose duties require them to handle food products shall be required to be immunized against typhoid fever.

On motion of Mrs. Evans, this rule was adopted.

CHANGES IN THE CURRICULUMS IN PHARMACY.

(11) A recommendation from Mr. W. B. Day, Acting Dean of the School of Pharmacy, that certain changes be made in the curriculums in the School of Pharmacy; first, that the shorter curriculum be lengthened to two years of eight months each, instead of two years of seven months each, as at present; and second, that the longer curriculum be extended to three years of eight months each, instead of two years of nine months each, as at present, to take effect for the coming academic year, 1916-17.

On motion of Mrs. Evans, these recommendations were approved to take effect when directed by the President of the University.

RESIGNATION OF MRS. CONSTANCE BARLOW-SMITH.

(12) A letter from Director J. L. Erb, presenting the resignation of Mrs. Constance Barlow-Smith from her position as Assistant Professor of Music. Mrs. Smith has done most faithful and excellent service for the University for 13 years, 1903-1916.

It is with regret that I must recommend the acceptance of this resignation. I know that the members of her family have been urging her persistently for the past four or five years to give up this work.

On motion of Mrs. Busey, this resignation was accepted, and it was voted that a statement of the gratitude of the Board of Trustees for her services, and regret that she is leaving, be sent to Mrs. Smith.

LEAVE OF ABSENCE FOR DEAN KINLEY.

(13) A request from Dean David Kinley for leave of absence from the University from June 17, 1916, until the beginning of the second week of October, 1916, to enable him to make a trip to South America to secure cooperation in the preparation of monographs on matters of economic policy of common interest to the American Republics, the work to be carried out under the auspices of the Carnegie Endowment, which will pay his expenses, but allows him no remuneration.

On motion of Miss Watson, this request was granted.

FURNITURE FOR CERAMICS BUILDING.

(14) A request from the Supervising Architect for an appropriation to complete the furniture and equipment of the Ceramics Building, amounting to $6,280.

On motion of Mr. Carr, this appropriation was made, by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett.

GIFTS OF ENGINEERING APPARATUS.

(15) A statement that the Crane Company, of Chicago, has presented to the Department of Mechanical Engineering a complete exhibit of sectional valves, steam taps, etc., the value of which is estimated at $500.

The Babcock and Wilcox Company, of Bayonne, New Jersey, has presented to the Department of Mechanical Engineering a test drill for experimental purposes, the value of which is estimated at $150.

On motion of Miss Watson, these gifts were accepted and the thanks of the Trustees were extended to these companies.

On motion of Mrs. Henrotin, the Secretary was instructed to provide a suitable book in which all gifts to the University should be recorded.

CONSTANCE BARLOW-SMITH COLLECTION.

(16) An announcement that Mrs. Constance Barlow-Smith proposes to present to the University a collection of musical scores, manuscript, books, and portraits, which will be of interest not only to students in music but also to other students in the University.

On motion of Mrs. Evans, this gift was accepted with thanks; this collection to be known as the Constance Barlow-Smith Collection.

RESIGNATION OF PROF. T. D. YENSEN PRESENTED.

(17) A statement that Mr. Trygve D. Yensen has presented his resignation as Research Assistant Professor of Engineering, to take effect August 31, 1916. The acceptance of this resignation involves certain points of University policy. Mr. Yensen has tried to take out a patent on certain discoveries which he made in the University laboratories by the use of materials and the aid of men connected with these laboratories. The Director of the Engineering Experiment Station has protested against this action, but Mr. Yensen does not share his view on the subject.

I have suggested to Mr. Yensen that he appear before the Board of Trustees and present his view.

No action was taken on this matter.

EMPLOYERS' LIABILITY.

(18) The following statement:

The University has had difficulties arising from time to time from injuries received by its employees while in its service. These complaints have in some instances been taken to the Legislature, and the persons injured have received through legislative grants considerable sums of money.

One person claiming to be in the employ of the University was killed by falling down an elevator shaft. The case is before the State board for the adjustment of such matters at the present time, and has been carried into the courts in order to determine what the present State law relating to compensation for injuries really implies.

There was a feeling in the last Legislature that some arrangement should be made by which the University could properly treat such cases.

I appointed a committee, consisting of Registrar C. M. McConn, Chairman, Dean O. A. Harker. Prof. R. E. Heilman, Mr. H. D. Oberdorfer, and Prof. J. A. Fairlie to discuss this whole subject and present a report for the action of the board. This report was made on March 21, and includes the following points:

1. That the University recognize its responsibility in this matter by choosing to come under the State Workmen's Compensation Act, rather than by attempting to establish any independent plan of its own.

2. That if the University comes under such act, it should insure its liability thereunder in a casualty company.

3. That in taking out casualty insurance for the benefit of its employees it should at the same time insure its students against accidental injuries incurred in laboratories or shops or in the course of instruction in military science.

4. That the appropriation bill submitted to the next General Assembly contain, among the items for which the appropriations are made, the following:

"Compensation for injuries to employees or students."

No action was taken on this matter.

CLINICAL BUILDING.

(19) A statement that the committee of the faculty of the College of Medicine appointed by the President of the University to consider the location of the proposed Clinical Building, recommended unanimously at their meeting on April 27, 1916, the purchase of the property situated at the northeast corner of Honore and Harrison Streets in Chicago, being approximately 126 feet frontage on Harrison, and 75 feet on Honore.

No action was taken on this matter.

RETIRING ALLOWANCE FOR MRS. DONALD McINTOSH.

(20) A recommendation that a retiring allowance of $825 a year, beginning September 1, 1915, be granted to Mrs. Donald McIntosh. A retiring allowance was granted to Prof. Donald McIntosh to take effect September 1, 1916 (see page 779, meeting of July 14, 1915). This was to be computed on the same basis as that adopted by the Carnegie Foundation for the Advancement of Teaching. That system includes, besides the retiring allowance for the professor, a similar allowance to his widow of half that paid to the professor. As this was not explicitly stated, however, at the time of the action of the board, last July, I feel that it should be brought up again for definite action. The matter should have been presented at the time of Dr. McIntosh's death in September last, but was overlooked.

Mr. Carr offered the motion that the recommendation be approved.

During the discussion of this matter, Mrs. Busey and Miss Watson withdrew, and, the lack of a quorum having been noted, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Executive Committee Meeting, May 27, 1916.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Blackstone Hotel, in Chicago, on Saturday, May 27, 1916, immediately after the adjournment of the meeting of the Board of Trustees on the same day. All the members of the Executive Committee were present, namely, Mr. W. L. Abbott, Chairman, Mr. R. F. Carr, and Mr. O. W. Hoit; also Mrs. Laura B. Evans, Mrs. Ellen M. Henrotin, and Mr. R. R. Ward, members of the board.

President James was present.

MATTERS SUBMITTED BY THE PRESIDENT OF THE UNIVERSITY.

The Committee considered the following matters submitted by President James:

RETIRING ALLOWANCE FOR MRS. DONALD McINTOSH.

(1) A recommendation that a retiring allowance of $825 a year be granted to Mrs. Donald McIntosh (see page 940 above).

On motion of Mr. Carr, this recommendation was concurred in.

At this point, Mr. Carr withdrew.

PRINT SHOP, COLLEGE OF MEDICINE.

(2) A recommendation that the print shop conducted in connection with the College of Medicine be located in the basement of the Dental Building, and that suitable provision be made in the southwest corner of the basement for housing the outfit. The estimated cost is $1,000.

This recommendation was approved and the corresponding appropriation made.

AMANDA K. CASAD COLLECTION.

(3) The following statement:

I have in mind to present to the University of Illinois a collection of books, numbering about 1,500, relating to history, economics, politics, and education, on the following conditions:

1. That the collection be known as the Amanda K. Casad* Collection in memory of my mother, to whose inspiration I owe whatever interest I have had in these subjects.
2. That the collection be listed with the other special collections in the Library in the Annual Register or other suitable annual publications of the University.
3. That each volume be appropriately marked by a book-plate as belonging to this collection.
4. That any volume in the collection may be exchanged for another volume if it should turn out that the University Library has duplicates, but, in case of exchange, the volume received shall be marked in a similar manner as belonging to this collection.

The University Librarian recommended that this gift be accepted on the terms indicated.

This gift was accepted on the terms indicated and the President of the board was requested to extend the thanks of the board to President James for his generosity.

COMMITTEE ON UNIVERSITY PRESS.

(4) The following statement:

Different departments in the University have urged at different times for some years past the desirability of establishing at the University a University press which should publish the various documents, circulars, pamphlets, books, etc., issued by the University from time to time; and that in connection with this press there be established a print shop to do the work of the printing.

Some time ago, in answer to a request from several departments of the University, I appointed a committee, consisting of Mr. H. E. Cunningham, chairman, Mr. F. W. Scott, Mr. C. S. Sale, Mr. W. B. Castenholz, and Mr. H. F. Harrington, to consider the matter of establishing a printing press for the University. In a report submitted May 6, 1916, they recommend that the University establish and organize a University press equipped and arranged to fulfill a three-fold function:

1. To provide a laboratory for the training and instruction of students in the Curriculum in Journalism.
2. To handle all University printing, including publications of every description, and supplies.
3. To make possible the establishing of a publishing department for issuing and distributing on a commercial basis various scientific publications containing information of interest and value to the public.

The committee finds that a building adequate to accommodate the printing and binding plant, laboratory for the Curriculum in Journalism, publishing department quarters, offices for the student publications, and necessary class-rooms, will cost about $75,000; that the necessary equipment for the printing establishment will cost $25,000; and that the furniture and fixtures will cost $10,000; the total cost being about $110,000 for the initial plant.

No action was taken on this matter.

PURCHASE OF MANUSCRIPTS FOR LIBRARY.

(5) A recommendation from the Committee on Apportionment of Library Funds that the University purchase about 1,250 pages of manuscripts, nearly all unpublished, dealing with the period of 1570 to 1770, and illustrating the relations of Venice and the Ottoman Empire, and Venice and her Levantine posses-

* Born August 18, 1827, at Lebanon, Ill.; died September 23, 1878, at Evanston, Ill.; daughter of Rev. Dr. Anthony Wayne Casad, of Lebanon, Ill., wife of Rev. Colin Dew James, born January 15, 1808, Randolph County, Va.; died January 30, 1888, Bonita, Kan.; for fifty years member of the Illinois Conference of the Methodist Episcopal Church.

sions, with descriptions of life in the various portions of the Levant, at a cost of $2,255, to be charged to the appropriation for the Library for the year 1916-17.

This recommendation was approved.

GIFT OF FOURTEENTH CENTURY MANUSCRIPT.

(6) The following statement:

I take pleasure in presenting to the University an illuminated parchment manuscript which Dr. Frank W. Gunsaulus presented to me as a personal gift some time ago. This manuscript dates from sometime in the Fourteenth Century, according to Dr. Pease's estimate. It contains 66 folios, with red and blue initials and larger decorations in different colors. The manuscript contains Latin translations of several works of Aristotle.

I have had the volume bound at my own expense, and authorized the University Librarian to place for the titles:

Aristotelis Ethica Aliaque.

This gift was accepted with thanks.

PLYM FELLOWSHIP AWARDED.

(7) An announcement from Prof. L. H. Provine that the Committee on the Plym Fellowship has voted unanimously to award the first place in this competition to Mr. Roger C. Kirchoff, of Milwaukee, and to award the second place to Mr. Charles F. Morley, of Houston, Texas. In case Mr. Kirchoff fails to qualify for the fellowship, Mr. Morley will be his alternate.

These awards were approved.

GIFT OF ARISTOTLE'S ETHICS.

(8) The following statement:

I have presented to the University Library a copy of Aristotle's Ethics, translated into Latin by Aretino. This book is extremely rare and beautifully printed in the elegant type used by the first printer in Bologna, Azzoguida. It was printed by Rugerius and Bertochus, Bologna, between 1474 and 1476. It is an important volume from the very early Bologna press, of which only a few copies are known. The rarity is indicated by the fact that there is no copy even in the Bodleian Library or any of the French public libraries. There are a few marginal manuscript notes. It is a fine, large, unwashed copy, bound in French dark blue morocco, gilt, by Gruel.

This gift from the President of the University was accepted with thanks.

APPROPRIATION FOR JOB PRESS.

(9) A request from the Comptroller that a job press with a complete font of type be purchased for use in his office. The estimated cost is $1,000.

This request was granted.

REQUEST THAT FORESTRY BE RENAMED.

(10) A letter from the Students' Agricultural Club of the University requesting that the University Forestry be named Burrill Forestry, and that the club be permitted to place a tablet in memory of Dr. Burrill on the west gate of the park.

No action was taken on this matter.

APPROPRIATION FOR DEAN OF MEN.

(11) A request from the Dean of Men for an additional appropriation of $300 for the expense of his office until the close of the present fiscal year.

This request was granted.

CROCKERLAND EXPEDITION.

(12) A statement concerning the present status of the Crockerland Expedition to the Arctic regions, to which the University has contributed, and from which, as a return for its contributions, it expects to receive a large consignment of material for its Geology and Natural History Museums.

No action was taken.

PROFESSOR FRASER'S LEAVE EXTENDED.

(13) A request from Prof. Wilber J. Fraser for a leave of absence without pay for the first semester of the academic year beginning September 1, 1916.

The President of the University was given permission to extend Prof. Fraser's leave of absence.

REPORT, JOURNAL OF ENGLISH AND GERMANIC PHILOLOGY.

(14) A summary of the report from Mr. H. E. Cunningham as Business Manager of the Journal of English and Germanic Philology published by the University under the auspices of the Graduate School, for the fiscal year ending June 30, 1916. This report shows a subscription and exchange list of 393, with cash receipts of $873.28; exchange credits amounting to $117, and bills receivable amounting to $296.70. The total cost of publication for the year has been less than $1,475.

This report was received for record.

REPORT OF BUDGET COMMITTEE.

(15) The following statement:

I desire to call the attention of the Board of Trustees to the fact that it will be quite impossible to carry out the building program which the board has discussed and approved in a general way within a reasonable time without appropriations in excess of the revenue likely to be produced by the mill tax; that is, if the other reasonable demands of the University budget as to increase of salaries of the professors, increase of the staff, and increase of the equipment, are met.

I held a conference with the deans of the schools requiring the largest appropriation for equipment and additions to staff and increase in salaries, and they join in a petition to the board to request the next Legislature for a special one-half mill tax for the period of five years to be used exclusively for additions to the plant.

No action was taken.

RESOLUTIONS CONCERNING DR. T. J. BURRILL.

The Secretary presented the following report of a special committee consisting of President Abbott and Mr. Hoit appointed to prepare resolutions concerning Dr. Thomas J. Burrill:

WHEREAS, In the death of Thomas Jonathan Burrill, Professor of Botany, *Emeritus*, in the University of Illinois, a member of the first faculty of the University and for nearly fifty years associated intimately with the work of teaching and administration in the University as professor, acting regent, dean, and vice president, we have lost a great teacher, a great administrator, a great scientist, and a great man, be it

Resolved, By the Board of Trustees of the University of Illinois, that this note of our appreciation of Dr. Burrill be communicated to Mrs. Burrill and spread on the minutes of the board; and that suitable memorial exercises be held during the coming Commencement.

GRADUATE SCHOLARS AND FELLOWS, 1916-17.

The Secretary presented for record the following list of scholars and fellows in the Graduate School appointed by the President of the University for the academic year 1916-17:

Agronomy	William A. Albrecht, fellowship	$400 00
	G. H. Collings, fellowship	300 00
	Alva E. McCoy, scholarship	250 00
	Ernest R. Schulz, scholarship	250 00
Animal Husbandry	Worth A. Allison, scholarship	250 00
	Clarence S. Anderson, scholarship	250 00
	Alvin T. Fishman, scholarship	250 00
	Horace A. Shonle, scholarship	250 00
Botany	Harold D. Clayberg, fellowship	350 00
	Roy L. Mayhew, scholarship	250 00
Chemistry	Silas A. Braley, fellowship	400 00
	Edward M. A. Chandler, fellowship	400 00
	Edward H. Cox, fellowship	300 00
	Ralph H. Dean, scholarship	250 00
	Robert M. Hill, scholarship	250 00
	Olav A. Hougen, scholarship	250 00
	Franklin F. Sherwood, fellowship	300 00
	Linton M. Smith, scholarship	250 00
	Allen E. Stearn, fellowship	300 00
	Edward Wichers, fellowship	400 00
Classics	Miriam C. Akers, scholarship	250 00
	Dorothy L. Cuthbert, scholarship	250 00
	Ethel R. Murray, scholarship	250 00
	Adolph F. Pauli, scholarship	250 00
	Gladys Roberts, scholarship	250 00
	Rachel L. Sargent, scholarship	250 00
Economics	Ethel L. Bedient, scholarship	250 00
	Clare E. Griffin, fellowship	400 00
	Paul K. Knight, scholarship	250 00
	Kenneth D. Ross, scholarship	250 00
	Charles J. Stowell, fellowship	400 00
Education	Leslie R. Marston, scholarship	250 00
	Leland G. Osborn, scholarship	250 00
	Gerald S. Tebbe, scholarship	250 00
Engineering (Architecture)	William L. Parish, scholarship	250 00
English	George K. Brady, scholarship	250 00
	Delmar G. Cooke, fellowship	400 00
	Frank W. Clippinger, scholarship	250 00
	Alice M. Doane, scholarship	250 00
	Elizabeth L. Fullenwider, scholarship	250 00
	Marcus S. Goldman, scholarship	250 00
	Helen D. James, scholarship	250 00
	Albert Keiser, fellowship	300 00
	Mac E. Leach, scholarship	250 00
	Ralph E. Tieje, fellowship	400 00

Entomology	Henry G. M. Crawford, scholarship	$250 00
	Clyde C. Hamilton, fellowship	300 00
	Willis J. Nolan, scholarship	250 00
	Lewis B. Ripley, fellowship	300 00
	Herbert F. Seifert, scholarship	250 00
	G. N. Wolcott, fellowship	350 00
	Hachiro Yuasa, scholarship	250 00
	Merle L. Nebel, fellowship	400 00
Geology	Margaret L. Goldsmith, scholarship	250 00
German	Clara L. Haessler, fellowship	350 00
	Helena M. Ulrici, scholarship	250 00
History	Louise B. Dunbar, scholarship	250 00
	Elmo P. Hohman, scholarship	250 00
	Jacob A. Hofto, fellowship	400 00
	Franklin C. Palm, fellowship	350 00
	Walter W. Jennings, fellowship	350 00
	Robert R. Russell, fellowship	400 00
	Katherine Schoepperle, fellowship	300 00
Horticulture	Charlton P. Lothrop, scholarship	250 00
	Newton L. Partridge, fellowship	350 00
Household Science	Hilda M. Croll, scholarship	250 00
	Rhoda Fahnestock, scholarship	250 00
	Marguerite E. Gauger, scholarship	250 00
Mathematics	Harold S. Card, scholarship	250 00
	John E. Dotterer, scholarship	250 00
	Hobart D. Frary, fellowship	350 00
	Dwight F. Heath, scholarship	250 00
	Temple R. Hollcroft, fellowship	350 00
	Charles M. Huffer, scholarship	250 00
	Louis E. Mensenkamp, scholarship	250 00
	William H. Wilson, fellowship	400 00
	M. G. Smith, fellowship	350 00
	Dale S. Young, scholarship	250 00
Physics	Sylvan J. Crooker, fellowship	400 00
	Lars A. Welo, fellowship	400 00
	Sebastian Karrer, fellowship	400 00
	B. R. Stephenson, scholarship	250 00
Physiology	Charles M. Ross, scholarship	250 00
Political Science	A. Ernest Mahannah, fellowship	300 00
	Courtland M. Yount, fellowship	350 00
Romance Languages	Otho W. Allen, fellowship	350 00
	George L. Doty, scholarship	250 00
	Constance W. Ferguson, scholarship	250 00
Sociology	Earl C. MacInnes, scholarship	250 00
Zoology	Elizabeth Bodfish, scholarship	250 00
	Ernest C. Faust, fellowship	400 00
	Ruth Higley, fellowship	350 00
	Thomas B. Magath, fellowship	450 00
	Arthur R. Cooper	Honorary fellowship

RESEARCH FELLOWSHIPS IN THE ENGINEERING EXPERIMENT STATION.

Ernest E. Charlton—Research fellowship (September 1, 1916-June 30, 1918), $500 a year.

Bernard Pepinsky—Research fellowship (September 1, 1916-June 30, 1918), $500 a year.

Edward A. Roberts—Research fellowship (September 1, 1916-June 30, 1918), $500 a year.

Harold P. Vail—Research fellowship (September 1, 1916-June 30, 1918), $500 a year.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented also for record the following list of appointments made by President James to fill vacancies:

Bernhard, F. J., to give three hours' service a week in the Clinic of the College of Dentistry, beginning January 1, 1916, and continuing until June 30, 1916, at a total remuneration of four hundred dollars ($400); this appointment superseding his former appointment at $300. (April 7, 1916.)*

Boswell, H. C.,† Tool-room Attendant in the Machine Shop, at a salary of fifty dollars ($50) a month, beginning April 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (April 11, 1916.)

Bramwell, C. H., Instructor in Operative and Prosthetic Dentistry, for two months beginning April 10, 1916, at a salary of sixty dollars ($60) a month. (April 8, 1916.)

Byland, T. C., Tool-room Attendant in the Wood Shop, at a salary of fifty dollars ($50) a month, beginning April 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (March 24, 1916.)

Burns, Byron, University Stenographer, Rank II, in the Department of Military Science, at a salary of fifty dollars ($50) a month, beginning April 18, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (April 28, 1916.)

* The date in parenthesis is the date on which the appointment was made by the President of the University.

† Appointment made by Vice President Kinley.

Cook, Dorothy E., Reviser and Assistant in the Summer Session of the Library School, from June 19, 1916, to July 28, 1916, at a compensation of eighty-five dollars ($85) for the period. (May 23, 1916.)

Cross, S. H., Instructor in German for ten months beginning September 1, 1916, at a salary of one hundred twenty dollars ($120) a month. (May 1, 1916.)

Dole, R. B., Acting Engineer in the State Water Survey, for two months beginning May 1, 1916, at a salary of three hundred thirty-three and one-third dollars ($333.33 1/3) a month. (May 1, 1916.)

Edwards, M. R., Graduate Assistant in Bacteriology, for five months beginning February 1, 1916, at a salary of thirty dollars ($30) a month. (March 24, 1916.)

Feeney, E. L., Technician in the Colleges of Medicine and Dentistry, on a monthly basis beginning April 1, 1916, at a salary of seventy-five dollars ($75) a month. (May 16, 1916.)

Fernsemer, O. F. W., Instructor in German, for ten months beginning September 1, 1916, at a salary of one hundred fifty dollars ($150) a month. (May 1, 1916.)

Grimson, J. S., Instructor in Operative and Prosthetic Dentistry, for two months beginning April 10, 1916, at a salary of sixty dollars ($60) a month. (April 8, 1916.)

Heffner, R. M. S., Assistant in German, on part time, for ten months beginning September 1, 1916, at a salary of fifty dollars ($50) a month. (May 1, 1916.)

Jones, Sadie, Stenographer in the Engineering Experiment Station, at a salary of fifty dollars ($50) a month, beginning March 27, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (March 27, 1916.)

Lindholm, Karin J., Clerk in the Catalog Department of the Library, on one-half time, beginning April 21, 1916, and ending August 31, 1916, at a salary of twenty-seven and one-half dollars ($27.50) a month. (April 22, 1916.)

McDonald, Effie L., Technician in the Department of Experimental Medicine and Bacteriology, beginning when she reports for duty and continuing until June 30, 1916, at a salary of seventy dollars ($70) a month. (April 21, 1916.)

Mohlman, F. W., Instructor in Sanitary Chemistry, for the academic year beginning September 1, 1916, without salary. (April 22, 1916.)

Nickerson, A. J., Tool-room Attendant in the Mechanical Engineering Laboratory, at a salary of fifty-four and one-sixth dollars ($54.16 2-3) a month, beginning May 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (May 14, 1916.)

Stout, J. E., Instructor in Education in the Summer Session of 1916, with a stipend of four hundred fifty dollars ($450) for the session. (May 9, 1916.)

Whitson, Anna V., University Stenographer, Grade III, in the President's Office, at a salary of one hundred dollars ($100) a month, beginning April 1, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment at $75 a month. (April 6, 1916.)

Young, C. M., Assistant Professor of Mining Research, beginning when he may report for duty and continuing until July 1, 1917, at a salary of twenty-four hundred dollars ($2,400) a year. (March 23, 1916.)

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

MEETING OF JUNE 13, 1916.

The quarterly meeting of the Board of Trustees of the University of Illinois was held in the Trustees' room, at the University, in Urbana, at 9.00 a. m., on Tuesday, June 13, 1916.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Mr. Carr, Mrs. Henrotin, Mr. Hoit.

President James was present; also, during a portion of the day, Capt. T. J. Smith, Mayor Browder, of Urbana, and Prof. J. M. White.

As there was no quorum, a recess until 9.30 a. m. was taken.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Executive Committee Meeting, June 13, 1916.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Trustees' room, at the University, on the morning of Tuesday, June 13, 1916, during the recess taken by the meeting of the Board of Trustees on the same date.

All the members of the Executive Committee were present, namely, Mr. W. L. Abbott, Chairman, Mr. R. F. Carr, and Mr. O. W. Hoit; also Mrs. Mary E. Busey and Mrs. Ellen M. Henrotin, members of the board.

President James was present.

MATTERS SUBMITTED BY PRESIDENT JAMES.

The Executive Committee considered the following matters submitted by the President of the University:

DEGREES FOR MR. J. L. ROBINSON AND MR. H. L. MUELLER.

(1) A recommendation from the Council of Administration, acting for the University Senate, that the degree of Bachelor of Laws be conferred on John Lester Robinson; and that the degree of Bachelor of Science in Chemistry be conferred on Harry Louis Mueller at the coming commencement. These students were in good standing in their respective courses, and would have completed all their requirements for graduation with this year's class and would have been recommended regularly for their degrees, had they not been compelled to withdraw from the University in April on account of illness. There is very little hope that either of these men will recover.

On motion of Mr. Carr, the President of the University was authorized to confer these degrees.

DEGREE FOR MR. G. S. HUNT.

(2) A recommendation that the President of the University be authorized to confer the degree of Doctor of Medicine on Gerald Charles Hunt, of Des Moines, Iowa. His work was not complete at the time the recommendations were made by the Senate, but it can be completed during the Summer Session. As his failure to complete his work was in part the fault of the University, it is recommended that the President of the University be authorized to give Mr. Hunt his diploma when he shall have completed his work.

On motion of Mr. Hoit, the President of the University was authorized to confer this degree on receipt of satisfactory evidence of the completion of Mr. Hunt's work.

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

Session After Recess, June 13, 1916.

When the Board of Trustees of the University of Illinois convened after the recess at 9.30 a. m., on Tuesday, June 13, 1916, the following members were present: President Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson.

President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of May 27, 1916. On motion of Mr. Carr, the minutes were approved as printed on pages 795 to 811 above.

COLLEGE PLACE LOTS.

President James introduced Mayor O. L. Browder, of Urbana, who made a statement concerning the desire of the owners of the College Place lots in Champaign, west of the Armory, to sell the property to the University. Mayor Browder stated that the reported intention of the University to extend its campus in this direction was a hindrance to the sale of this property to anyone else.

The Executive Commitee was directed to look over this property at once and to make a report at the next meeting of the board.

AUTHORITY TO CONFER DEGREES.

On motion of Mrs. Busey, the President of the University was authorized to confer degrees on the candidates properly certified by the several colleges and schools of the University and by the University Senate.*

MATTERS PRESENTED BY PRESIDENT JAMES.

The board proceeded to the consideration of the following matters submitted by the President of the University:

CARNEGIE PENSION FOR MRS. BURRILL.

(1) A letter from the Carnegie Foundation concerning the pension of Mrs. T. J. Burrill:

June 6, 1916.

President Edmund J. James, University of Illinois, Urbana, Ill.

MY DEAR PRESIDENT JAMES: I have the honor to inform you that, at the meeting of the Executive Committee held on June 2d, Mrs. Sarah Helen Alexander Burrill was, upon your recommendation and in accordance with the rules of the Foundation, granted a pension of $1,600 to become effective on May 15, 1916, on the termination of Professor Burrill's allowance thirty days after his death.

Yours very truly,

HENRY S. PRITCHETT.

This letter was received for record.

UNIVERSITY OF ILLINOIS DIRECTORY.

(2) A recommendation that the sum of $1,200 be paid to Dr. V. V. Phelps for extra work in connection with the publication of the *University of Illinois Directory* during the past three years.

On motion of Mr. Hoit, this recommendation was approved. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett, Mr. Ward.

FELLOWSHIP IN OLD IRISH.

(3) A telegram from Justice John P. McGoorty, of Chicago, that the Committee of the Irish Fellowship Club, on the Irish Fellowship Foundation, guarantees a fund of $1,200 for Gaelic research work in the University of Illinois for the coming year. This accompanies a letter to the same effect to Dr. Gertrude Schoepperle, and the suggestion is made that this sum be used to pay a salary of $1,000 to Mr. J. H. Lloyd, of Dublin, Ireland, for the coming year, as Fellow in Gaelic at the University of Illinois; and that $200, or so much thereof as may be necessary, be reserved to cover his traveling expenses to Urbana, the balance being used to purchase books and materials necessary in his work which should belong to the University after he is through with them. In case Mr. Lloyd does not accept, some other person will be chosen.

On motion of Miss Watson, this gift from the Irish Fellowship Foundation was accepted with thanks, and the President of the University was authorized to offer the fellowship in Gaelic to Mr. J. H. Lloyd. The vote

* For list of degrees, see page 950.

was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett, Mr. Ward.

RECOMMENDATIONS OF THE UNIVERSITY SENATE.

(4) A recommendation from the University Senate that certain changes be made in requirements for admission, as given on pages 74 to 75 of the Annual Register, that the professional degree of Mining Engineering (M.E.) be changed to Engineer of Mines (E.M.), and that the proposed new requirements for graduation from the College of Commerce and Business Administration be approved.

On motion of Mr. Carr, this recommendation was approved.

OLIVER BAINBRIDGE EXPEDITION.

(5) A letter from Mr. Oliver Bainbridge, concerning the Bainbridge Expedition to the Southern Seas.

On motion of Mrs. Evans, the President of the University was authorized to permit Oliver Bainbridge to collect specimens in the South Sea Islands and present the same to the University of Illinois, with the understanding that this does not involve expenditure on the part of the University.

CONTRACTS, WOMEN'S RESIDENCE HALL.

(6) A report from the Supervising Architect, Prof. James M. White, enclosing a schedule of the bids received for the construction of the Women's Residence Hall, with certain recommendations:

President E. J. James, 355 Administration Building.

DEAR SIR: I enclose a schedule of the bids received for the construction of the Women's Residence Hall and recommend that contracts be awarded to the low bidders as follows:

A. W. Stoolman, Champaign, general contract, on the basis of completion July 1, 1917	$105,650 00
Callon Bros., Indianapolis, heating and plumbing	21,500 00
R. Haas Electric Mfg. Co., Springfield, electric wiring	2,599 00
Total of general contracts	$129,749 00

The other items necessary for the completion of the building are as follows:

Preparation of plans and superintendence	6,000 00
Elevator, water softener, refrigeration, and other mechanical equipment	9,160 00
Furniture and fixtures	14,191 00
Grounds	900 00
Total including general contracts	$160,000 00
Possible additions and extras on the general contracts (about 3%)	4,000 00
Total	$164,000 00

I recommend that the entire sum be appropriated for the building and that $100,000 of it be included in the budget for 1916-17.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

[SCHEDULE OF BIDS.]

GENERAL CONTRACT.

	7 mo. time.	12 mo. time.
A. W. Stoolman, Champaign	$107,150 00	$105,650 00
Balkin Construction Co., Chicago	113,558 00	
English Bros., Champaign	118,990 00	113,990 00
King & Butcher, Champaign	122,984 00	116,984 00
C. E. Carson Co., Chicago	128,500 00	
Clarke Construction Co., Danville	128,519 00	
J. L. Simmons Co., Chicago	141,961 00	
W. M. Allen Son & Co., Peoria	143,900 00	

PLUMBING.

Callon Brothers, Indianapolis*	$14,000 00

Henry Newgard, Chicago	3,073 00
I. W. Schwartz, Urbana	3,350 00
F. E. Newberry Electric Co., St. Louis	3,500 00

At this point, the board took a recess until 4.00 p. m.

Afternoon Session, June 13, 1916.

When the board convened at 4.00 p. m., on Tuesday, June 13, 1916, after the recess, the same members were present as during the morning session.

The board considered the following matters submitted by the President of the University:

RESIGNATION OF JUDGE O. A. HARKER AS DEAN.

(1) A letter from Judge Oliver A. Harker, resigning his position as Dean of the College of Law, to take effect as soon as his successor may be appointed.

On motion of Mrs. Busey, this resignation was accepted with an expression of regret and appreciation; and it was voted that Judge Harker be continued as Professor of Law, devoting his time to the Moot Court, the Practise Court courses, and such other work as may be assigned to him, and that he shall continue as Legal Counsel of the University, the salary for these various duties being five thousand dollars a year.

PLANS FOR SMITH MUSIC BUILDING APPROVED.

(2) The revised plans for the Tina Weedon Smith Memorial Music Building.

Prof. White explained these plans and proposed that the building be located east of the Auditorium and just south of Nevada Street extended, with the east facade facing Mathews Avenue.

Capt. T. J. Smith, who was present, expressed his approval of the plans and the site.

On motion of Mr. Hoit, the plans and location were approved.

EDUCATION BUILDING.

(3) A report of progress on the plans for the Education Building.

No action was taken in this matter.

CONTRACTS, WOMEN'S RESIDENCE HALL.

(4) A protest from the Reliable Heating and Plumbing Company against the letting of the contract for plumbing and heating of the Women's Residence Hall to the firm of Callon Brothers on the ground that their combined bid was not in the form demanded by the specifications.

Prof. White called attention to the fact that a clause in the specifications reserved to the University the right to waive any formality of wording or arrangement in connection with the bids.

On motion of Mrs. Evans, the contracts for the Women's Residence Hall were awarded and appropriations were made as recommended by Prof. White (see page 948). The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett, Mr. Ward.

STORES FUND.

Mr. Hoit presented a recommendation of the Finance Committee that a Stores Fund of $35,000 be established in the books of the Comptroller (see page 853).

On motion of Mr. Carr, this recommendation was adopted, by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Small, Mr. Trevett, Mr. Ward.

EMPLOYMENT OF AUDIT COMPANY.

Mr. Hoit also presented for the Finance Committee the matter of securing a firm to audit the accounts of the University quarterly during the coming year.

On motion of Mrs. Henrotin, this matter was referred to the Finance Committee with power to act.

APPOINTMENTS BY PRESIDENT JAMES.

The Secretary presented for record the following list of appointments made by the President of the University:

Booth, H. T., Assistant in Physics for ten months beginning September 1, 1916, at a salary of seventy-five dollars ($75) a month. (June 7, 1916.)*

Gibson, Helen E., Secretary in the Department of Dairy Husbandry, at a salary of sixty-five dollars ($65) a month, beginning July 1, 1916, or as soon thereafter as she may report for duty, and continuing until further notice, subject to the rules of the Civil Service Commission. (June 1, 1916.)

Lillethun, Myrtle, Stenographer in the Registrar's Office, at a salary of fifty dollars ($50) a month, beginning May 17, 1916, and continuing until further notice, subject to the rules of the Civil Service Commission. (May 1, 1916.)

Nelson, R. A., Assistant in Physics, on part time, for ten months beginning September 1, 1916, at a salary of fifty dollars ($50) a month. (June 7, 1916.)

Newman, Margaret, University Stenographer, Rank I, in the Library, at a salary of forty dollars ($40) a month, beginning June 1, 1916, or as soon thereafter as she may report for duty, subject to the rules of the Civil Service Commission. (June 5, 1916.)

Pike, C. E., Assistant in Physics, on part time, for ten months beginning September 1, 1916, at a salary of fifty dollars ($50) a month. (June 7, 1916.)

Quick, R. S., Research Fellow in the Engineering Experiment Station, for two years beginning September 1, 1916, with a stipend of five hundred dollars ($500) a year. (June 2, 1916.)

Shewhart, W. A., Assistant in Physics, for ten months beginning September 1, 1916, at a salary of eighty dollars ($80) a month. (June 7, 1916.)

Teare, J. L., Scholar in Political Science, for ten months beginning September 1, 1916, with a stipendium of twenty-five dollars ($25) a month. (June 6, 1916.)

LIST OF DEGREES CONFERRED.

The Secretary presented for record the following list of degrees to be conferred at the Forty-fifth Annual Commencement:

SUMMARY OF DEGREES.

Degrees in the Graduate School—				
A.M.	52	E.M.	1	
M.S.	53	Ph.D.	33	
C.E.	10			
E.E.	5	Total		159
M.E.	5			
Baccalaureate Degrees—				
A.B., College of Liberal Arts and Sciences	228	B.S., College of Engineering	223	
B.S., College of Liberal Arts and Sciences	21	B.S., College of Agriculture	189	
A.B., College of Commerce and Business Administration	69	B. Mus., School of Music	7	
		Total		737
Degrees in Law—				
LL.B			21	
J.D.			4	
Total				25
Degrees in Library Science—				
B.L.S.				11
Total, colleges and schools at Urbana				932
Degrees in Medicine—				
B.S.			12	
M.D.			109	
Total				121
Degrees in Dentistry—				
D.D.S.				32
Degrees in Pharmacy—				
Ph.G.			39	
Ph.C.			2	
Total				41
Total, departments in Chicago				194
Total, all departments				1,126

* The date in parenthesis is the date on which the appointment was made by the President of the University.

MEMBER OF THE CLASS OF 1882 WHO RECEIVED CERTIFICATE OF GRADUATION, AND UPON WHOM IS NOW CONFERRED THE DEGREE OF BACHELOR OF SCIENCE (IN AGRICULTURE).

William Goss Curtiss.

THE SCHOOL OF MUSIC.

THE DEGREE OF BACHELOR OF MUSIC.
(With Thesis.)

Clara Elizabeth Davis.
Lucy Belle Hill.
Florence May Jervis.
Ollive Myrtle Meneley.
Mary Agnes Murphy.
Mabel Louise Ruehe.
Albert Austin Harding.

THE COLLEGE OF LAW.

THE DEGREE OF BACHELOR OF LAWS.

Elliott Billman.
Olen Robert Clements, A.B. 1914.
Walter Thomas Day.
John William Freels.
James Harman Gilbert.
Donald Ashway Grossman.
William Ward Hart.
Ray David Henson.
Joseph Howard Hinshaw, A.B. 1913.
Charles Francis Hough, Jr.
Robert Jarnagin.
Fred Hanford Kelly.
Ralph Kenshalo.
Roland John Klingler.
Wilbur Edward Krebs.
Joseph Dayle Lawyer.
Carl King Rang, A.B. 1914.
John Lester Robinson.
Thomas Lenor Ruth.
Lew R. Sarett, A.B., Beloit College, 1911.
Joe Whitnel.

THE DEGREE OF DOCTOR OF LAW.

Nuel Dinsmore Belnap, A.B. 1914.
Frank Bonner Leonard, Jr., A.B. 1912.
Frank Clifton Slater, A.B. 1914.
Frank Sewall Stroheker, A.B. 1915.

THE LIBRARY SCHOOL.

THE DEGREE OF BACHELOR OF LIBRARY SCIENCE.
(Without Thesis.)

Elsie Louise Baechtold, A.B., Grinnell College, 1911.
Susan True Benson, A.B., Missouri Wesleyan College, 1909.
Jessie Elizabeth Bishop, A.B., Smith College, 1911.
Nelle Uree Branch, A.B., 1907.
Mary Gladys Burwash, A.B., 1913.
Marian Leatherman, A.B., Cornell University, 1907.
Marguerite Mitchell, A.B., Ohio State University, 1915.
Beatrice Prall, A.B., University of Arkansas, 1911.
Charles Holmes Stone, B.S., A.M., University of Georgia, 1912, 1913.
Alta Caroline Swigart, A.B., 1910.
Margaret Stuart Williams, A.B., University of Texas, 1912.

THE COLLEGE OF MEDICINE.

The Degree of Bachelor of Science.

Richard Elseph Anderson.
Fred Elton Carpenter.
Schuyler Opp Cotton.
Benjamin Quincy Dysart.
James Edward Fetherston.
Leo Vincent Gates.
George Koptik.
Raymond John Mercey.
Thomas Benton Murphy.
George William Schelm.
Edward Frank Sladek.
Guy Leon Wagoner.

The Degree of Doctor of Medicine and Surgery.

C. George Appelle.
Robert Irving Barickman.
Edwin Judge Barnett.
Hannah Jane Beatty.
J. Francis Bennett.
Clifford Edward Bergin.
Alick Bernstein.
Franklin Carlisle Bivings.
Warren Caldwell Blim.
Pliny Russell Blodgett, B.S.
Bernard Joseph Bolka.
Rollo Preston Bourbon.
Roy Melson Bowell.
Lewis Edwin Joel Browne.
Edward Arthur Brucker.
Wesley Morgan Burling.
Manley Joseph Capron.
William Franklin Carroll.
Albert Brockway Carstensen.
Emmet Francis Casey.
Alger Arthur Clark.
Blaine Wilson Claypool.
Horace R. Cobb.
Michael Milton Cody.
James Swaney Cooper, B.S.
Ward Cooper.
Schuyler Opp Cotton.
Aubrey James Cross.
Agnes Beulah Cushman.
Lloyd David Cutting.
Maurice Doktorsky.
William Holmes Dyer.
Fred Elwell Earel.
Charles Patt Eck, Ph.C., Ph.G.
David Eisenberg.
Lynn Wickwire Elston, B.S.
Arthur Morgan Evans.
Boyd Franklin Eye, Jr.
Marion Shelley Fink.
Victor Finsand.
Alexander William Fordyce.
Sophia Henrietta Frederickson.
L. Vincent Gates.
Russell Adams Gilmore.
Harold Mortimer Glover, A.B.
John Gervase Goggin.
Benjamin Goldberg.
Victor Hugo Hasek.
Grace Maude Hawthorne, R.N.
Placido Ramos Vasquez Hommel.
Arshavid Ignatius.
William Israelson.
Clarence August Jacobsen.
Leo Jacob Jacobson.
Walter John Jaracz.
Daniel William Jeffries.
Harry Katz.
Ralph King.
Ralph Glenn Kline.
Herman Carl Koch.
Bernard J. Kulasavicz.
Helen Pearl Kutzenberger.
Max Lampert.
Henry Robert Leibinger.

Jacob Paskind.
Ralph Waldo Peterson.
Harry Michael Peterson.
Ralph Harrison Pino.
Victor Piro.
William Bowker Preston.
William Raim.
Henry Benjamin Raman.
John Lestrange Rock, B.S., A.B.
Samuel Joy Rowland.
Nathan Samuel Schiff.
Abraham Seletz.
James Melvin Severson.
Roy Davis Short.
Willis Irving Silverstein.
Lloyd Emerson Smith.
Arthur Kern Spiering.
Jacob Stern.
Louis Henry Stern.
Ladislav Stolfa.
Samuel Jack Taub.
Ian Davis Tiedeman.
Russell R. Tomlin.
Charles Lewis Tomsu.
Joel Edwin Toothaker.
Mardiros Bedros Vart.
Athol Horatio Wedge.
Harry Hults Wilson.
Marcus Bryed Wilson.
Paul Jacob Wolf.

THE COLLEGE OF DENTISTRY.

The Degree of Doctor of Dental Surgery.

Herbert Ralph Alden.
Harold Hannum Berman.
Nathan M. Bernstein.
Luther Lincoln Blaine.
Mahrice Irwin Blair.
Thomas Chew Bonney.
Edward Joseph Bostick.
Harold Scribner Condit.
William Arthur Cusick, Jr.
Robert Jesse Dixson.
Harry M. Harnick.
Kiyoshi Horiuchu.
Robert I. Humphrey.
Jacob Jesser.
Ernest Garfield Johnson.
Earl E. Johnson.
Lawrence Martin Koch.
Louis Bernard Kousnetz.
Andrew Arthur Litscher.
Louis C. Lowenthal.
Louis Francis Meier.
Charles J. McCornell.
Leo Orloff.
Harold L. Playman.
Allgot G. Person.
Henry Reiseman.
Camille Marie Richter.
Noah Webster Schlussel.
Victor Hugo Sears.
Pepper Wheeler Smith.
Roscoe Winters Upp.
Maxwell T. Wood.

THE SCHOOL OF PHARMACY.*

The Degree of Pharmaceutical Chemist.

(Conferred May 27, 1916, in Chicago.)

Anthony Di Cosola.
Albert Alvin Ortmann.

THE GRADUATE SCHOOL.

The Degree of Master of Arts.

In Botany.

Robert Leslie Davis, A.B., University of Nebraska, 1914.
John Marvin LeCato, A.B., University of Michigan, 1913.
Rose Smith, A.B., 1911.

* For list of persons on whom the degree of Graduate in Pharmacy was conferred on April 26, 1916, in Chicago, see page 936.

In Chemistry.

Edman Greenfield, A.B., University of Kansas, 1914.
Carl Shipp Marvel, A.B., Illinois Wesleyan University, 1915.
Ernest Henry Vollweiber, A.B., Miami University, 1914.

In Classics.

Mary Viola Bruner, A.B., 1913.
Mary Elizabeth Colcord, A.B., Greenville College, 1910.
Michal Velma Jamison, A.B., Northwestern University, 1912.
Margaret Olmsted, A.B., Augustana College, 1915.
Mary Luella Trowbridge, A.B., 1915.

In Economics.

William Henry Dreesen, A.B., Greenville College, 1907.
Maurice Elzin Murphy, A.B., Indiana University, 1913.

In Education.

Jeanette Morrison Engle, A.B., 1915.
Theodore Spafford Henry, A.B., Hedding College, 1913.
Ottis Hoskinson, A.B., Union Christian College, 1900.
Mary Hazel Melrose, A.B., 1910.
John Breen Phillips, A.B., 1912.
Tenjes Henry Schutte, A.B., 1912.

In Entomology.

James Lowell Hypes.

In History.

Daisy Dean Dryden, A.B., University of Kansas, 1905.
Walter Wilson Jennings, A.B., 1915.
Kathryn Maddock, A.B., Rockford College, 1915.
Laura McAllister Moore, A.B., Indiana University, 1892.
Helen Katherine Schoepperle, A.B., 1915.
Helen Dale Story, A.B., Monmouth College, 1912.
Mabel Gregory Walker, A.B., 1909.

In Mathematics.

William Henry Cullum, Jr., A.B., Albion College, 1915.
Mary Belle Davis, A.B., 1901.
Kate Lackey.
Robert Haskel Marshall, A.B., 1914.
Merlin Grant Smith, A.B., Greenville College, 1915.

In Modern Languages.

(In English.)

Clyde Byron Beck, A.B., Earlham College, 1906.
Levette Jay Davidson, A.B., Eureka College, 1915.
Effie Marguerite Morgan, A.B., James Millikin University, 1913.
James Manley Phelps, A.B., Northwestern University, 1912.
Edith Irene Sendenburgh, A.B., 1913.
Thomas Blaine Stanley, A.B., Earlham College, 1913.
Annette Steele, A.B., Transylvania University, 1911.
Merle Arthur Sweney, A.B., Hedding College, 1913.

(In German.)

Olive Caroline Harris, A.B., Hedding College, 1915.
Ethel Louise O'Connor, A.B., Herring College, 1915.

(In Romance Languages.)

Otho William Allen, A.B., 1915.

In Philosophy.

Harry Amsterdam, A.B., Lake Forest College, 1915.

In Physics.

Charles Francis Hill, A.B., 1914.
Eleanor Frances Seiler, A.B., A.M., University of Denver, 1913, 1914.

In Political Science.

A. Ernest Mahannah, A.B., Fairmount College, 1914.

In Sociology.

William Morland Graham, B.S., McKendree College, 1913.
Carrie Patton Clark, A.B., Northwestern University, 1909.

In Zoology.

Rachel Ann Baumgartner, A.B., University of Kansas, 1912.
Lillian Dora Dole, A.B., 1915.
George Marsh Higgins, B.S., Knox College, 1914.

THE DEGREE OF MASTER OF SCIENCE.

In Agronomy.

M. Reece Edwards.
Trennace Flowerree, B.S., 1913.
Warren Rippey Schoonover, B.S., Occidental College, 1913.

In Animal Husbandry.

Wilbur Jerome Carmichael, B.S., 1913.
James Bruce Henderson, B.S., 1916.
William Algernon Kingsmill Morkel, A.B., 1915.
Julius Edward Nordby, B.S., University of Idaho, 1915.
James Wilbur Whisenand, B.S., University of Nebraska, 1914.
David Willard Williams, B.S., Ohio State University, 1915.

In Architecture.

La Force Bailey, B.S., 1915.

In Ceramic Engineering.

Ralph Raymond Danielson, B.S., 1914.
Frank Allen Kirkpatrick, B.S., 1914.
Arthur Edward Williams, B.S., 1910.

In Chemistry.

Don Warren Bissell, B.S., New Hampshire College, 1914.
Frederick North Crawford, B.S., Wesleyan University, 1908.
Carl Nathan Davidson, A.B., Lawrence College, 1914.
Edward Adelbert Doisy, A.B., 1914.
Frank F. Footitt, A.B., Albion College, 1914.
Jay Thomas Ford, A.B., DePauw University, 1914.
William Durrell Hatfield, B.S., Illinois College, 1914.
John Frederick Gross Hicks, B.S., University of Pennsylvania, 1906.
Walter Gerald Karr, B.S., Alfred University, 1913.
Henry Rhodes Lee, A.B., Carroll College, 1914.
Harold Alvin Levey, B.E., Tulane University, 1911.
Stewart Dent Marquis, A.B., Lake Forest College, 1911.
Robbins Russel, B.S., Illinois College, 1914.
Albert Durand Shepard, B.S., South Dakota State College, 1914.
Nim Chi Shum, B.S., 1914.
Terrence Onas Westhafer, A.B., University of Oklahoma, 1914.

In Civil Engineering.

Kaimin Kay Feng, B.S., 1915.
Kozaburo Mise, C.E., Tokyo Imperial University, 1911.
Jackson Heath Wilkinson, B.S., 1915.
James Fook Omm Yapp, B.S., 1915.

In Dairy Bacteriology.

Harrison August Ruehe, B.S., 1911.

In Electrical Engineering.

Carl Shipman Breese, B.S., Kansas State Agricultural College, 1912.
Walter Arthur Gatward, B.S., Washington State College, 1913.
Tane Kawamoto.

In Entomology.

Clyde Carney Hamilton, B.S., Kansas State Agricultural College, 1913.
Joseph Lyonel King, B.S., Ohio State University, 1914.
Lewis Bradford Ripley, B.S., Trinity College, 1915.

In Geology.

Mason Kent Read, B.S., Denison University, 1914.

In Horticulture.

James Alfred Crawford, B.S., Cornell University, 1915.

In Household Science.

Marie Breese Miller, B.S., Ohio State University, 1911.

In Mechanical Engineering.

Lester Clyde Lichty, B.S., University of Nebraska, 1913.
William Penn Lukens, A.B., Swarthmore College, 1913.
Walter Jacob Wohlenberg, B.S., University of Nebraska, 1910.

In Pathology and Bacteriology (Medicine).

Frederick Howard Falls, B.S., University of Chicago, 1908, M.D., Rush Medical College, 1910.

In Physics.

Harry Tyler Booth, B.S., Carleton College, 1915.

In Railway Mechanical Engineering.

Everett Gillham Young, B.S., 1913.

In Theoretical and Applied Mechanics.

Andrew John Albert Anderson, B.S., Lewis Institute, 1913, B.S., M.S., 1915.
Raymond Earl Davis, B.S., C.E., University of Maine, 1911, 1914.
Jasper Owen Draffin, B.S., University of Vermont, 1913.

PROFESSIONAL DEGREES IN ENGINEERING.

The Degree of Civil Engineer.

Levi Patten Atwood, B.S., 1894.
Edwin Walker Buxton, B.S., 1907.
Byron Kemp Coghlan, B.S., 1908.
Charles Edmund DeLeuw, B.S., 1912.
Arthur Ludvig Enger, B.S., 1911.
Howard Charles Haungs, B.S., 1907.
George Martin Aloysius Ilg, B.S., 1909.
Harry Ashton Roberts, B.S., 1902.
Benjamin Bruce Shaw, B.S., 1911.
Milton Frederick Stein, B.S., 1909.

The Degree of Electrical Engineer.

Edgar Dwight Doyle, B.S., 1910.
Frederick John Foersterling, B.S., 1911.
Ralph Mayo Gaston, B.S., 1903.
Harry Forest Geist, B.S., 1912.
Rudolph McDermet, B.S., M.S., 1912, 1914.

The Degree of Mechanical Engineer.

Clarence Boyle, Jr., B.S., 1910.
Perry John Freeman, B.S., 1907.
Harry Frederick Godeke, B.S., 1905.
Kenneth Gardner Smith, A.B., University of Chicago, 1896, B.S., 1905.
Arthur Otto Spierling, B.S., 1910.

The Degree of Engineer of Mines.

Elmer Allen Holbrook, B.S., Massachusetts Institute of Technology, 1904.

THE DEGREE OF DOCTOR OF PHILOSOPHY.

In Bacteriology.

Fred Wilbur Tanner, B.S., Wesleyan University, 1912, M.S., 1914.

In Botany.

John Asbury Elliott, A.B., Fairmount College, 1913, A.M., University of Kansas, 1914.
Ernest Michael Rudolph Lamkey, A.B., A.M., 1913, 1914.
Rosalie Mary Parr, A.B., A.M., 1906, 1911.
Harry Dwight Waggoner, A.B., A.M., 1909, 1914.

In Chemistry.

Theodore Rolly Ball, B.S., Drake University, 1908, M.S., 1914.
St. Elmo Brady, A.B., Fisk University, 1908, A.M., 1914.
Karl Adolf Clark, A.B., A.M., McMaster University, 1910, 1912.
Paul Marshall Dean, A.B., A.M., University of Colorado, 1908, 1911.
Edgar Wallace Engle, B.S., Drury College, 1912, M.S., 1914.
Duane Taylor Englis, A.B., Eureka College, 1912, A.M., 1914.
Ray Washington Hess, A.B., Morningside College, 1912, A.M., 1914.
Thomas Ernest Layng, A.B., A.M., McMaster University, 1909, 1912.
Harry Fletcher Lewis, B.S., M.S., Wesleyan University, 1912, 1913.
Floyd William Mohlman, B.S., M.S., 1912, 1914.
John Carl Ross, A.B., University of the Cape of Good Hope, 1911, M.S., 1915.
Clarence Scholl, B.S., M.S., 1913, 1914.

In Economics.

Fred Emerson Clark, A.B., Albion College, 1912, A.M., 1913.
Frederic Arthur Russell, A.B., A.M., Albion College, 1908, 1909.

In Education.

Joseph Henry Johnston, A.B., A.M., University of North Carolina, 1910, 1914.

In Entomology.

Philip Garman, B.S., Kentucky State University, 1913, M.S., 1914.
Anna Grace Newell, A.B., Smith College, 1900, 1908.
Alvah Peterson, B.S., Knox College, 1911, A.M., 1913.

In Engineering.

Harold Malcolm Westergaard, B.S., Royal Engineering College, Copenhagen, 1911.

In History

Wayne Edson Stevens, A.B., Knox College, 1913, A.M., 1914.

In Modern Languages.

(In German.)

George Washington Spindler, A.B., A.M., Indiana University, 1900, 1908.

In Philosophy.

Ethel Ernestine Sabin, A.B., A.M., University of Wisconsin, 1908, 1914.

In Physics.

Jonas Bernard Nathanson, A.B., Ohio State University, 1912, A.M., 1913.
Oscar Alan Randolph, B.S., Missouri School of Mines, 1911, M.S., 1913.

In Political Science.

Niels Henriksen Debel, A.B., A.M., University of Nebraska, 1913, 1914.

In Psychology.

Helen Clark, A.B., Vassar College, 1913.

In Zoology.

Jesse LeRoy Conel, A.B., James Millikin University, 1912, A.M., 1913.
Horace Wesley Stunkard, B.S., Coe College, 1912, A.M., 1914.

HONORS.

The Secretary reported also for record that the following honors have been awarded by the University for excellence in scholarship:

THE DEGREE OF A. B. WITH HONORS.

IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES.

Edward Corbyn Obert Beatty, in History.
Ben Conrad Berg, in History.
Miriam Rebecca Fasold, in Economics.
Dwight Frederick Heath, in Mathematics.

Olive Dean Hormel, in English.
Ruth Ellen Lancaster, in History.
Mac E. Leach, in English.
Adolph Frederick Pauli, in Classics.
Agnes Wright, in History.

IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION.

Kenneth Dwight Ross.

SPECIAL HONORS.

IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES.

In Chemical Engineering.

Sidney Dale Kirkpatrick.

In Chemistry.

Chester William Lenzing. Horace Abbott Shonle. Walter Joseph Tilton.

IN THE COLLEGE OF ENGINEERING.

Eugene Carl Hamill. Adolph Lincoln Nelson. Frank Rosenberg.

IN THE COLLEGE OF AGRICULTURE.

In Botany.

Louis Jacob Greengard.

FINAL HONORS.

IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION.

Walter Earl Baker.
Paul Kenneth Knight.
John Lester Ludwig.
Leo Gay McAfee.
Elliott Strong Miller.
Kenneth Dwight Ross.

IN THE COLLEGE OF ENGINEERING.

Clarence Louis Bentz.
Thomas Henry Burrell.
Clarence Todd Grant.
Eugene Carl Hamill.
Arnold Carl Holinger.
Willis Wilkinson Hubbard.
Frank Sumner Hunt.
Charles Harold Jackman.
Cornelius Walter Koebele.
Leroy William Ledgerwood.
Earl Emanuel Libman.
Leo Joseph Mattingly.
Leslie Sherman Morrill.
Adolph Lincoln Nelson.
William Love Parish.
Eric Frederick Pihlgard.
George W. Renwick.
Frank Rosenberg.
Don Buel Schuler.
James Crear Stirton.
Albert Getten Stone.
Arthur Charles Zimmermann.

IN THE COLLEGE OF AGRICULTURE.

Edwin Adams Bebb.
Forrest Bebb.
Earl Vivian Bruington.
Alvin Texas Fishman.
John Ray Gilkey.
Louis Jacob Greengard.
Leonard B. Hiebel.
Sherman Ingels.
Leo Charles Jez.
William Stanton Ladd.
Charlton Page Lathrop.
Ellena Lee.
Alexander Paul Macdonald, Jr.
Benjamin Harrison Questel.
Ernest Rudolf Schulz.
Arthur Truman Semple.
Wilbur Mills Sutherland.
Clair Joel Thomas.
Oliver John Troster.

IN THE COLLEGE OF LAW.

Nuel Dinsmore Belnap. Fred Hanford Kelly.

IN THE LIBRARY SCHOOL.

Jessie Elizabeth Bishop.

IN THE SCHOOL OF MUSIC.

Mabel Louise Ruehe.

THE FRANCIS JOHN PLYM FELLOWSHIP IN ARCHITECTURE.

Roger Charles Kirchhoff, 1913.

AMERICAN INSTITUTE OF ARCHITECTS MEDAL.

Carol Aaron Klein.

THE B'NAI B'RITH PRIZE.

Charlotte B. Goldberg.

THE PHI BETA KAPPA PRIZE.

Edward Corbyn Obert Beatty.

Honorable Mention.

Elmo Paul Hohman. Kenneth Dwight Ross.

THE ST. PATRICK'S DAY PRIZE.
Minnie Lucile Needham.

CONFERENCE MEDAL FOR EXCELLENCE IN SCHOLARSHIP AND ATHLETICS FOR THE YEAR 1916.
Emil Paul Hohman.

COMMISSIONS IN THE ILLINOIS NATIONAL GUARD.

The Secretary reported also for record that the following officers of the University Cadet Brigade have received commissions in the Illinois National Guard:

Edwin Shelby, Jr.
Francis M. Van Natter.
Lloyd E. Lamkins.
Ralph R. Thomas.
Oliver J. Troster.
Ross S. Mason.
George Curtiss.
Reinhard A. J. Steinmayer.
Daniel E. Miller.
Charles W. McCumber.
Charles N. Owen.
William H. Kasten.
Oliver C. K. Hutchinson.
Edgar C. Swartwout.
Edward C. O. Beatty.
Kenneth C. Bell.
Alwin G. Steinmayer.
Leslie S. Morrill.
Dudley W. Crane.
Clyde J. North.
John H. Gage.
Eric F. Pihlgard.
Hans P. Greison.
Maurice C. Johnson.
Dwight F. Heath.
Walter W. Shelden.
Leslie R. Lumley.
Waldern H. Hough.
Russell W. Millar.
Chester G. Hadden.
Warren P. Beaubien.
Russell D. Barnes.
Leal W. Reese.
Harry W. MacKechnie.
Albert G. Stone.
John G. Eppinger.
Carson G. Jennings.
Siegfried N. Vibelius.
George A. Geib.
Kenneth B. Bush.
Charles L. Ritts.

THE UNIVERSITY GOLD MEDAL.
Charles Fairman.

THE HAZELTON GOLD MEDAL.
Walter John Risley, Jr.

The board took a recess until 9.30 a. m., on Wednesday, June 14, 1916.

Morning Session, June 14, 1916.

When the board convened on Wednesday, June 14, 1916, after the recess taken on June 13, the same members were present as on the previous day.

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

CASH STATEMENT OF THE UNIVERSITY OF ILLINOIS, FOR THE TWELVE MONTHS ENDED JUNE 30, 1916.
