Joseph Clifton Brown, A.M., Principal of the Training School.

INSTRUCTORS.

Daisy Luana Blaisdell, A.M., Instructor in German.
Henri Jacobus van den Berg, Instructor in Piano.
Edgar Thomas Lanham, Instructor in Forge Shop.
Albert Austin Harding, Instructor in Wind Instruments and Director of the University Military Band.
Mary Minerva Wetmore, Instructor in Art and Design.
Harry Frederick Godeke, B.S., Instructor in Mechanical Engineering.
George Wellington Pickels, Jr., B.C.E., C.E., Instructor in Civil Engineering.
John Giffin Thompson, Ph.D., Instructor in Economics.
Frank Walker Reed, Ph.D., Instructor in Astronomy.
Clarence Eugene Noerenberg, B.S., A.E., Instructor in Theoretical and Applied Mechanics.
Charles Allyn Williams, Ph.D., Instructor in German.
Robert Edwin Kennedy, Instructor in Foundry.
William Horace Rayner, B.S., Instructor in Civil Engineering.
John Lyon Rich, Ph.D., Instructor in Geology.
Raymond Earl Davis, B.S., Instructor in Civil Engineering.
Armin Hajman Koller, Ph.D., Instructor in German.
Joseph Howard Beard, A.M., M.D., Instructor in Physiology.
Edward Wilson Chittenden, Ph.D., Instructor in Mathematics.
William Wells Denton, Ph.D., Instructor in Mathematics.
Marvin Edward Jahr, A.B., Instructor in Farm Mechanics.
Joseph Mitchell Kellogg, M.Arch., Instructor in Architectural Design.
Edson Wilfred Morphy, Instructor in Violin.
Chester Otis Reed, B.S., Instructor in Farm Mechanics.
Edna Almeda Treat, B.Mus., Instructor in Piano.
Ethel Bond, A.B., B.L.S., Instructor in Library Economy and Assistant in charge of the collections in Library Economy.
Edwin John Manley, Instructor in Swimming.
Heber Dignam Nasmyth, Instructor in Voice.
Clarissa Rinaker, Ph.D., Instructor in English.
Harley Jones VanCleave, Ph.D., Instructor in Zoology.
Henry John Broderson, Ph.D., Instructor in Chemistry.
Mervin James Curl, A.M., Instructor in English.
Easley Stephen Jones, A.M., Instructor in English.
Walter Byron McDougall, Ph.D., Instructor in Botany.
Queen Lois Shepherd, Ph.D., Instructor in Philosophy.
Rufus Crane, A.B., B.S., Instructor in General Engineering Drawing.
Verna Brooks, A.B., Instructor in Physical Training for Women.
Elmer Tyron Ebersol, A.B., B.S., Instructor in Crop Production.
Roy Newton Fargo, B.S., Instructor in Physical Training for Men and Director of the Men's Gymnasium.
Forest Addison Fisher, B.S., Instructor in Soil Physics.
Georgia Elizabeth Fleming, B.S., Instructor in Textiles.

Stella Mary Hague, Ph.D., Instructor in Botany.
Barney S. Radcliffe, M.S., Instructor in Ceramic Engineering.
Gustav H. Radebaugh, Instructor in Machine Work.
Hiram Thompson Scovill, A.B., Instructor in Accountancy.
Grace Esther Stevens, A.B., Instructor in Household Science.
Harry William Waterfall, B.S., Instructor in Machine Design.
Harold Eaton Babbitt, B.S., Instructor in Municipal and Sanitary Engineering.
Harry Gardner, M.S., Instructor in Theoretical and Applied Mechanics.
Alexander Vallance, M.E., Instructor in Theoretical and Applied Mechanics.
Charles Earl Bradbury, B.P., Instructor in Art and Design.
Roger Sherman Loomis, B.Lit., A.M., Tutor in English.
Charles Henry Hecker, Ph.D., Instructor in Chemistry.
Arthur Grenville Eldredge, Instructor in Photography and Director of the Photographic Laboratories.
Gustave Adolph Gross, Instructor in Pattern Making.
Robert Douglas Glasgow, Ph.D., Instructor in Entomology.
Alexander Green, Ph.D., Instructor in German.
Earle Stanley Alden, A.M., Instructor in English.
Mamie Bunch, A.B., Instructor in Household Science, in charge of Extension Work.
Alfred Copeland Callen, M.S., E.M., Instructor in Mining Engineering.
Lynn Harold Harris, Ph.D., Instructor in English.
Harold Newcomb Hillebrand, Ph.D., Instructor in English.
Horatio Sprague McDewell, B.S., M.E., Instructor in Mechanical Engineering.
Harrison McJohnston, A.M., Instructor in Business English and Salesmanship.
Clyde Ross Newell, Ph.B., M.S., Instructor in Farm Mechanics.
Hubert Leonard Olin, Ph.D., Instructor in Chemistry.
Edith Griffith Osmond, A.B., B.S., Instructor in Physical Training for Women.
George Wallace Sears, Ph.D., Instructor in Chemistry.
Joel Andrew Sperry, Ph.D., Instructor in Bacteriology.
Russel McCulloch Story, A.M., Instructor in Political Science.
Ralph Earle Tieje, A.M., Instructor in English.
Frederick Calkins Torrance, M.E., Instructor in Mechanical Engineering.
Robert Calvin Whitford, A.M., Instructor in English.
Anna Waller Williams, A.M., Instructor in Household Science.
Arthur Edward Williams, B.S., Instructor in Ceramic Engineering.
John Williams Davis, M.E., Instructor in Electrical Engineering.
Ralph Stanley Fanning, B.Arch., Instructor in Architectural Design.
Jessie Yereance Cann, Ph. D., Instructor in Chemistry.
William Sidney Wolfe, M.S., Instructor in Architectural Engineering.
Edwin Frank, B.S., Instructor in Mechanical Engineering.
James Burton Andrews, B.S., Instructor in Animal Husbandry.
Carl Sawyer Downes, Ph.D., Instructor in English.
Greta Gray, A.M., Instructor in Household Science.
Margaret Beaumont Stanton, B.S., A.M., Instructor in Household Science.
William James Putnam, B.S., Instructor in Theoretical and Applied Mechanics.
Elmer Roberts, B.S., Instructor in Genetics.
James Harvey Hogue, Instructor in Foundry Practise.
Carl Rahn, Ph. D., Instructor in Psychology.
William B. Castenholz, A.M., C.P.A., Instructor in Accountancy and Comptroller.
Robert Eugene Cushman, A.B., Instructor in Political Science.
Frank L. Venning, Instructor in Landscape Design.
Orr Milton Allyn, B.S., Instructor in Crop Production.
Clarence Allen Atwell, B.S., Instructor in General Engineering Drawing.
William Sanford Brock, B.S., Instructor in Pomology.
Mamie Bunch, B.S., State Leader in Home Economics Extension.
Wilbur Jerome Carmichael, B.S., Instructor in Animal Husbandry.

Harvey Peach Corson, Ph.D., Instructor in Sanitary Chemistry and Chemist and Bacteriologist in the State Water Survey.*
Bertha Adeline Davis, Instructor in Voice.
Jeremiah Amos DeTurk, B.S., Instructor in Machine Shop Practice.
Lemuel Cross Dillenback, A.M., Instructor in Architectural Design.
Gideon Robert Forbes, B.S., M.L.A., Instructor in Art and Design.
James Henry Greene, M.S., State Leader in Junior Extension.
Allene Gregory, Ph.D., Instructor in English.
Alfred Joseph Gunderson, B.S., Instructor in Pomology.
Anna Lue Hughitt, Instructor in Physical Training for Women.
Sigurd Bernhard Hustvedt, Ph.D., Instructor in English.
Oliver Kamm, Ph. D., Instructor in Chemistry.
Earl Kilburn Kline, A. M., Instructor in German.
Charles Ivan Newlin, M.S., Instructor in Animal Husbandry.
Heinrich Waldemar Nordmeyer, Ph.D., Instructor in German.
William King Palmer, B.S., Instructor in Floriculture.
Hugh Wiley Puckett, Ph.D., Instructor in German.
Clarence Stanley Sale, B.S., Instructor in Civil Engineering.
William Eben Schultz, Ph.D., Instructor in English.
Roscoe Raymond Snapp, B.S., Instructor in Animal Husbandry.
William Macy Stanton, M.S., Instructor in Architecture.
James Garfield Stevens, Ph.D., Instructor in Sociology.
Charles Leslie Stewart, Ph.D., Instructor in Economics.
Francis Maurice VanTuyl, Ph.D., Instructor in Geology.
Levi Thomas Wilson, Ph.D., Instructor in Mathematics.
William Wodin Yapp, B.S., Instructor in Dairy Husbandry.
Edna Mosher, Ph.D., Instructor in Entomology.
Leona Hope, Instructor in Household Science.
Carl Victor Burger, B.Arch., Instructor in Drawing.
Ananias Charles Littleton, A.B., C.P.A., Instructor in Accountancy.
Frank Tatham Johnson, Instructor in Voice.
Mabelle Genevieve Wright, B.Mus., Instructor in Music.
Walter Rooke Evans, Instructor in Boxing and Wrestling.
Gerard van Rossen Hoogendijk, Ph.D., Instructor in Chemistry.
Arthur C. Harper, M.E., Instructor in Mechanical Engineering.

ASSISTANTS.

James Merion Duncan, Assistant in Pattern Making.
Sada Annis Harberger, A.M., Assistant in English.
Ruth Kelso, A.M., Assistant in English.
Elizabeth Parnham Brush, A.M., Assistant in History.

Clement Fischer, M.D., Instructor in Surgery.
John Hinchman Stokes, A.B., M.D., Instructor in Dermatology.
Walter H. Theobald, B.S., M.D., Instructor in Surgery (Laryngology, Rhinology, and Otology).

ASSISTANTS.

George Washington Post, Jr., B.S., A.M., M.D., Assistant in Clinical Surgery.
Robert Emmett Flannery, M.D., Assistant in Clinical Surgery.
Elmer W. Schnorr, M.D., Assistant in Clinical Surgery (Genito-Urinary).
Max Meyerovitz, M.D., Assistant in Clinical Surgery.
Harrison Willis Maltby, M.D., Assistant in Surgery (Orthopedic).
Frank J. Jirka, M.D., Assistant in Physical Diagnosis.
Karl Albert Meyer, M.D., Assistant in Clinical Surgery.
Frank Lee Stone, M.D., Assistant in Gynecology.
Mathilda Osborn Lichner, B.S., M.D., Assistant in Gynecology.
Lawrence Wells Whitmer, M.D., Assistant in Ophthalmology.
Edward F. Slavik, M.D., Assistant in Clinical Ophthalmology.
Grover Tracy, A.B., Assistant in Physiological Chemistry.
William Arthur Clark, A.M., M.D., Assistant in Surgery (Orthopedic).
Charles C. Clark, M.D., Assistant in Clinical Surgery.
Lyndon Harris, Assistant in Clinical Surgery.
Gilbert Martin Loewe, M.D., Assistant in Clinical Surgery (Genito-Urinary).
Rose Irene Sutter, M.D., Clinical Assistant in Ophthalmology.
Rachel Watkins, M.D., Assistant in Neurology.
Howard E. Curl, A.B., Assistant in Physiology.
John P. O'Neil, M.D., Assistant in Clinical Surgery (Genito-Urinary).
Clifford Cowdell Ellis, M.D., Clinical Assistant in Neurology.

STUDENT ASSISTANTS.

J. Craig Small, B.S., Student Assistant in Physiological Chemistry.
Albert C. D'Vorak, Student Assistant in Chemistry.
Ladislaw Stolfa, Student Assistant in Pharmacology and Therapeutics.
Leon Wade Martin, Student Assistant in Pharmacology and Therapeutics.
James Edward Featherston, Student Assistant in Pharmacology and Therapeutics.
Roy Davis Short, Student Assistant in Pharmacology and Therapeutics.

THE COLLEGE OF DENTISTRY.

(Harrison and Honore Streets, Chicago.)

FACULTY.

Edmund Janes James, Ph.D., LL.D., President of the University.
Frederick Brown Moorehead, A.B., D.D.S., M.D., Professor of Oral Surgery, Pathology, and Bacteriology.
Donald Mackay Gallie, D.D.S., Professor of Operative Dentistry and Operative Technics.
George Walter Dittmar, D.D.S., Professor of Prosthetic Dentistry and Prosthetic Technics.
Frederick Bogue Noyes, B.S., D.D.S., Professor of Orthodontia and Histology, and Secretary of the Faculty.
Edgar David Coolidge, D.D.S., Professor of Materia Medica and Therapeutics.
Albert Chauncey Eycleshymer, B.S., Ph.D., M.D., Professor of Anatomy.
George Peter Dreyer, A.B., Ph.D., Professor of Physiology.
David John Davis, B.S., M.D., Professor of Pathology.
William Henry Welker, A.C., Ph.D., Professor of Chemistry.
Elmer DeWitt Brothers, LL.B., Lecturer on Dental Jurisprudence.
Louis Schultz, D.D.S., M.D., Assistant Professor of Oral Surgery and Pathology.
Louis E. Bake, D.D.S., Assistant Professor of Operative Technics and Porcelain Art.
Solomon Perry Starr, D.D.S., Assistant Professor of Prosthetic Technics.
Frank Joseph Bernard, D.D.S., Instructor in Extracting.
John C. McGuire, D.D.S., Superintendent of the Infirmary and Instructor in Radiography.

Jacob Hyman Kaplan, D.D.S., Instructor in Operative and Prosthetic Dentistry.
Roy Lee Moodie, A.B., Ph.D., Instructor in Anatomy.
Clayton S. Smith, B.S., M.S., M.D., Instructor in Chemistry.
Elmer S. Riggs, A.B., A.M., Lecturer on Comparative Anatomy.
W. Ira Williams, D.D.S., Instructor in Operative and Prosthetic Dentistry.
Irwin Woodward Bach, M.S., M.D., Instructor in Bacteriology and Pathology.
Edward John Krejci, D.D.S., Instructor in Prosthetic Dentistry.
Milzor William Deist, D.D.S., Instructor in Operative and Prosthetic Dentistry.
Clifford Webb Wells, B.S., M.D., Instructor in Histology.
Edwin Paul Swatek, D.D.S., Assistant in Oral Surgery.
Grover Tracy, B.S., Assistant in Chemistry.
J. Craig Small, Student Assistant in Chemistry.
Howard E. Curl, A.B., Student Assistant in Physiology.

THE SCHOOL OF PHARMACY.

(Michigan Boulevard and Twelfth Street, Chicago.)

FACULTY.

Edmund Janes James, Ph.D., LL.D., President of the University.
William Baker Day, Ph.G., Professor of Materia Medica and Botany, Acting Dean, and Secretary.
Clyde Mason Snow, Ph.G., Assistant Professor of Pharmacy.
Bernard Fantus, M.D., Lecturer on Physiology.
Albert Henry Clark, B.S., Ph.G., Assistant Professor of Chemistry.
Edmund Norris Gathercoal, Ph.G., Instructor in Pharmacognosy.
Henry William Colson, Ph.C., Instructor in Chemistry.
Ben Lee Eicher, Ph.C., Instructor in Pharmacy.

THE AGRICULTURAL EXPERIMENT STATION.

Edmund Janes James, Ph.D., LL.D., President of the University.

STAFF.*

Eugene Davenport, M.Agr., LL.D., Director.
Cyril George Hopkins, Ph.D., Vice Director.
Thomas Jonathan Burrill, Ph.D., LL.D., Professor of Botany, Emeritus.
Stephen Alfred Forbes, Ph.D., Consulting Entomologist.
Donald McIntosh, V.S., Consulting Veterinarian.†
Henry Lewis Rietz, Ph.D., Statistician.
Roy Hansen, B.S., Assistant in Nitrogen Fixation Research.
Anna Cushman Glover, Secretary.
Florence E. Smith, Editorial Assistant.

IN AGRONOMY.

Cyril George Hopkins, Ph.D., Chief, Agronomy and Chemistry.
Jeremiah George Mosier, B.S., Chief, Soil Physics.
Louie Henrie Smith, Ph.D., Chief, Plant Breeding.
Robert Stewart, Ph.D., Associate Chief, Soil Fertility.
William Leonidas Burlison, Ph.D., Associate Chief, Crop Production.
Axel Ferdinand Gustafson, M.S., Assistant Chief, Soil Physics.
Ernest Van Alstine, B.S., Assistant Chief, Soils Laboratory.
Joseph Paul Aumer, B.S., Associate, Chemistry.
Frederick Charles Bauer, B.S., Associate, Soil Fertility.
Walter Byron Gernert, Ph.D., Associate, Plant Breeding.
Sidney Viel Holt, B.S., Associate, Soil Physics.
Ezekiel Edward Hoskins, B.S., Associate, Soil Fertility.

* The Station Staff includes only those scientific workers who have been recommended by the President and appointed by the Board of Trustees.
† Retired September 1, 1915. Deceased September 6, 1915

Clarence Chester Logan, B.S., Associate, Soils Extension.
Ward Hanson Sachs, B.S., Associate, Chemistry.
Henry Clyde Wheeler, B.S., Associate, Soil Physics.
John Ezra Whitchurch, B.S., Associate, Soil Fertility.
Albert Lemuel Whiting, Ph.D., Associate, Soil Biology.
Wilbur Roy Leighty, B.S., First Assistant, Chemistry.
Frank William Garrett, B.S., First Assistant, Soil Fertility.
Frederick Martin William Wascher, B.S., First Assistant, Soil Physics.
Forrest Addison Fisher, B.S., First Assistant, Soil Physics.
Orr Milton Allyn, B.S., First Assistant, Crop Production.
Edward Harvey Walworth, B.S., Assistant, Crop Production..
Edward Fritchoff Torgerson, B.S., Assistant, Soil Physics.
Howard John Snider, B.S., Assistant, Soil Fertility.
Warren Rippey Schoonover, B.S., Assistant, Soil Biology.
Harry Charles Gilkerson, B.S., Assistant, Soil Fertility.
George Edward Gentle, B.S., Assistant, Soil Physics.
Harrison Fred Theodore Fahrenkopf, B. S., Assistant, Soil Fertility.
Orland I. Ellis, B.S., Assistant, Soil Physics.
Robert William Dickenson, B.S., First Assistant, Soil Physics.
Henry August de Werff, B.S., Assistant, Soil Physics.
Clinton B. Clevenger, M.S., Assistant, Chemistry.
Frank Archibald Wyatt, Ph.D., Assistant, Soil Fertility.
Arthur Maxwell Brunson, B.S., Assistant, Plant Breeding.
Friedel Chapin Richey, B.S., Assistant, Soil Physics.
Alfred Thorpe Morison, B.S., Assistant, Crop Production.

IN ANIMAL HUSBANDRY.

Herbert Windsor Mumford, B.S., Chief.
Harry Sands Grindley, D.Sc., Chief, Animal Nutrition.
Walter Castella Coffey, M.S., Chief, Sheep Husbandry.
John A. Detlefsen, D.Sc., Assistant Chief, Genetics.
Henry Perly Rusk, M.S.A., Assistant Chief, Beef Cattle.
James Lloyd Edmonds, B.S., Assistant Chief, Horse Husbandry.
Walter Frederick Handschin, B.S., Assistant Chief, Farm Management.
Walter Edward Joseph, Ph.D., Associate, Animal Husbandry.
Sleeter Bull, M.S., Associate, Animal Nutrition.
Harold Hanson Mitchell, Ph.D., Associate, Animal Nutrition.
William Herschel Smith, M.S., Associate, Animal Husbandry Extension.
Wilbur Jerome Carmichael, B.S., First Assistant, Animal Husbandry.
James Burton Andrews, B.S., First Assistant, Animal Husbandry.
Elmer Roberts, B.S., First Assistant, Genetics.
Charles Ivan Newlin, M.S., First Assistant, Animal Husbandry.
Roscoe Raymond Snapp, B.S., First Assistant, Animal Husbandry.
Mary Helen Keith, B.S., A.M., Assistant, Animal Nutrition.
Claude Harper, B.S., Assistant, Animal Husbandry.
Roy Harold Wilcox, B.S., Assistant, Animal Husbandry.
James Wilbur Whisenand, B.S., Assistant, Animal Husbandry.
Earl Kirkwood Augustus, B.S., Assistant, Animal Husbandry.
Maynard Elmer Slater, B.S., Assistant, Animal Nutrition.
Joseph Rossiter Ziesenheim, B.S., Assistant, Animal Nutrition.
John Benjamin Rice, B.S., Assistant, Animal Husbandry.
Lawrence Emerson Thorne, B.S., Assistant, Agricultural Statistics and Genetics.
William Garfield Kammlade, B. S., Assistant, Animal Husbandry.

IN DAIRY HUSBANDRY.

Harry Alexis Harding, Ph.D., Chief, Dairy Bacteriology.
Wilber John Fraser, M.S., Chief, Dairy Farming.*
Nelson William Hepburn, M.S., Assistant Chief, Dairy Manufactures.
Martin John Prucha, Ph.D., Assistant Chief, Dairy Bacteriology.
LeRoy Lang, M.S., Associate, Dairy Manufactures.
William Truman Crandall, M.S., Associate, Milk Production.

* Absent on leave.

Ray Stillman Hulce, M.S., Associate, Milk Production.
Harrison August Ruehe, B.S., Associate, Dairy Manufactures.
Edward Frederick Kohmann, Ph.D., Associate, Dairy Chemistry.
Frank Ashmore Pearson, B.S.A., First Assistant, Dairy Husbandry.
William Wodin Yapp, M.S., First Assistant, Dairy Husbandry.
Harry Montgomery Weeter, A.B., Assistant, Dairy Husbandry.
Frank Turner, B.S., Assistant, Dairy Husbandry.
William Barbour Nevens, B.S., Assistant, Dairy Husbandry.
Paul William Allen, M.S., Assistant, Dairy Bacteriology.
Harold Kirk Rulison, B.S., Assistant, Dairy Husbandry.
William Harold Chambers, B.S., Assistant, Dairy Bacteriology.
Leighton J. True, B.S., Assistant, Dairy Manufactures.
Harold Gosser, B.S., Assistant, Dairy Husbandry.

IN HORTICULTURE.

Joseph Cullen Blair, M.S.A., Chief, Horticulture.
Charles Spencer Crandall, M.S., Chief Plant Breeding.
John William Lloyd, M.S., Chief, Olericulture.*
Herman Bernard Dorner, M.S., Assistant Chief, Floriculture.
Bethel Stewart Pickett, M.S., Assistant Chief, Pomology.
Ernest Winfield Bailey, M.S., Assistant Chief, Plant Breeding.
Oscar S. Watkins, B.S., Associate, Horticultural Chemistry.
Warren Albert Ruth, A.M., Associate, Horticultural Chemistry.
Charles Elmer Durst, M.S., Associate, Olericulture.
Simeon James Bole, A.M., Associate, Pomology.
John Joseph Gardner, M.S., Associate, Pomology.
Ira Dent Allison, B.S., Associate, Horticulture.
Fred Weaver Muncie, Ph.D., Associate, Floricultural Chemistry.
George Leo Peltier, Ph.D., Associate, Floricultural Pathology.
Alfred Joseph Gunderson, B.S., First Assistant, Pomology.
William Sanford Brock, B.S., A.B., Assistant, Pomology.
William King Palmer, B.S., First Assistant, Floriculture.
James Hutchinson, Assistant, Floriculture.
Howard Dexter Brown, B.S., Assistant, Olericulture.
August George Hecht, B.S., Assistant, Floriculture.
Duane Taylor Englis, A.M., Assistant, Floricultural Chemistry.
Edward George Lauterbach, B.S., Assistant, Floricultural Pathology.
Edward Albert Schwing, B.S., Assistant, Plant Breeding.
Julia Alberta Harper, A.B., Editorial Assistant.

THE ENGINEERING EXPERIMENT STATION.

Edmund Janes James, Ph.D., LL.D., President.

STAFF.

William Freeman Myrick Goss, M.S., D.Eng., Director.
Clarence Stanley Sale, B.S., Assistant to the Director.
The Heads of the Departments of the College of Engineering.

SPECIAL INVESTIGATORS.

Herbert Fisher Moore, M.M.E., Research Professor of Engineering Materials in the Department of Theoretical and Applied Mechanics.

Samuel Wilson Parr, M. S., Professor of Applied Chemistry in the Department of Chemistry.

Willis Appleford Slater, M.S., C.E., Research Assistant Professor of Applied Mechanics in the Department of Theoretical and Applied Mechanics.

Stephen Osgood Andros, A.B., B.S., E.M., Assistant Professor of Mining Research in the Department of Mining Engineering.†

Trygve D. Yensen, M.S., E.E., Research Assistant Professor of Electrical Engineering.

Alonzo Plumsted Kratz, M.S., Research Associate in the Department of Mechanical Engineering.

* Absent on leave.
† Resigned, November 30, 1915.

Harrison Frederick Gonnerman, M.S., First Assistant in the Department of Theoretical and Applied Mechanics.

Leroy Alonzo Wilson, M.E., M.M.E., First Assistant in the Department of Mechanical Engineering.

Otto Sternoff Beyer, Jr., M.E., First Assistant in the Department of Railway Engineering.

Harold Houghton Dunn, M.S., Assistant in the Department of Railway Engineering.

RESEARCH FELLOWS.

Jasper Owen Draffin, B.S., Theoretical and Applied Mechanics.
Walter Arthur Gatward, B.S., Electrical Engineering.
Lester Clyde Lichty, B.Sc., Mechanical Engineering.
William Penn Lukens, A.B., Mechanical Engineering.
Everett Gillham Young, B.S., Railway Engineering.
Harry Rheinhardt Fritz, E.E., Electrical Engineering.
Frank Allen Kirkpatrick, B.S., Ceramic Engineering.
Louis J. Larson, B.S., C.E., Theoretical and Applied Mechanics.
William Asbury Manuel, A.B., M.S., Chemistry.
Louis Aubrey Mylius, B.S., E.M., Mining Engineering.
Stetfan Fujita Tanabe, B.S., M.S., Physics.
Benito Rene Ordonez, B.S., Railway Engineering.
Richards Laurence Templin, B.S., Theoretical and Applied Mechanics.
Camillo Weiss, Graduate of Kaiserl. Koenigl. Technische Hochschule, Vienna, Civil Engineering.

THE STATE LABORATORY OF NATURAL HISTORY.

Edmund Janes James, Ph.D., LL.D., President.

STAFF.

Stephen Alfred Forbes, Ph.D., LL.D., Director.
Charles Arthur Hart, Systematic Entomologist.
Robert Earl Richardson, A. M., Biologist, in charge of Biological Station.
Victor Ernest Shelford, Ph.D., Biologist, in charge of Research Laboratories.
Mary Jane Snyder, Secretary.
Charles Edwin Janvrin, Ph.B., B.L.S., Librarian.

THE STATE ENTOMOLOGIST'S OFFICE.

STAFF.

Stephen Alfred Forbes, Ph.D., LL.D., State Entomologist.
Charles Arthur Hart, Systematic Entomologist.
Wesley Pillsbury Flint, Assistant for Central Illinois.
Lindley Malcolm Smith, B.S., Assistant for Southern Illinois.
David Kent MacMillan, B.S., Assistant for Northern Illinois.
Pressley Adams Glenn, A.M., Chief Horticultural Inspector.
John Russell Malloch, Illustrator and Custodian.

THE STATE WATER SURVEY.

Edmund Janes James, Ph.D., LL.D., President.

STAFF.

Edward Bartow, Ph.D., Director.
Samuel Wilson Parr, M.S., Consulting Chemist.
Arthur Newell Talbot, C.E., Consulting Engineer.
Paul Hansen, B.S., Engineer.
Wilfred Francis Langelier, M.S., Inspector.
Harry Peach Corson, Ph.D., Chemist and Bacteriologist.*
Ralph Hilscher, B.S., Assistant Engineer.*

* Resigned, December 1, 1915.

Floyd William Mohlman, M.S., Assistant Chemist.
Harry Foster Ferguson, B.S., Assistant Engineer.
Maurice Charles SjoBlom, B.S., Engineering Assistant.
John Francis Schnellbach, B.S., Engineering Assistant.
Arthur Norton Bennett, M.S., Assistant Chemist.
William Durrell Hatfield, B.S., Assistant Bacteriologist.

THE STATE GEOLOGICAL SURVEY.

COMMISSION.

Governor Edward F. Dunne, Chairman.
Professor T. C. Chamberlin, Ph.D., D.Sc., LL.D., Vice Chairman.
President Edmund Janes James, Ph.D., LL.D., Secretary.

STAFF.

Frank Walbridge DeWolf, B.S., Director, Urbana.

Edward Bartow, Ph.D., Consulting Chemist in Water Analysis, University of Illinois, Urbana.

Ulysses Sherman Grant, Ph.D., Consulting Geologist in Lead and Zinc Studies, Northwestern University, Evanston.

Samuel Wilson Parr, M.S., Consulting Chemist in Coal Investigations, University of Illinois, Urbana.

Charles Wesley Rolfe, M.S., Consulting Geologist in Clay Investigations, University of Illinois, Urbana.

Albert Victor Bleininger, B.S., Consulting Ceramist, University of Illinois, Urbana.

Rollin D. Salisbury, A.M., LL.D., Consulting Geologist in Preparation of Educational Series, University of Chicago, Chicago.

PROCEEDINGS OF THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS FOR THE YEAR ENDING JUNE 30, 1915.

MEETING OF JULY 11, 1914.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 10.00 a. m., on Saturday, July 11, 1914, pursuant to the following notice which was sent out by the Secretary on July 3, 1914:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Blackstone Hotel, in Chicago, on Saturday, July 11, 1914, at 10.00 a. m., to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson. President James was present, and, also, during the morning session, Prof. J. M. White, Supervising Architect, and Mr. James B. Dibelka, State Architect.

MINUTES APPROVED.

The Secretary presented the minutes of the quarterly meeting of June 9, 1914, and of the adjourned sessions of June 15 and 16, 1914. On motion of Mrs. Henrotin, the minutes were approved as printed above on pages 753 to 786, inclusive. (Report, 1914.)

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters presented by President James:

LABORATORY FEES.

(1) A letter from Dr. Kendric C. Babcock, Secretary of the Council of Administration, concerning laboratory fees:

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: At a special Council meeting held on June 19, 1914, it was voted to recommend to the Board of Trustees the approval of the following new laboratory fees and changes in laboratory fees:

Architecture.

Architecture 16	$1 00	Architecture 45	$1 50
Architecture 32	1 00	Architecture 46	1 50

Architectural Engineering.

Architecture 31	$1 00	Architecture 46	$1 50
Architecture 43	1 00	Architecture 47	1 50
Architecture 44	1 00	Architecture 48	1 50
Architecture 45	1 50	Architecture 68	1 50

Bacteriology.

Zoology.

Zoology 11....(instead of $1.50)	$3 00	Zoology 22.....	$2 00

All of these proposed changes have been carefully gone over by the head of each department concerned and the deans of the respective colleges, and seem to be fully warranted in each case. The amounts proposed are those necessary to cover the actual cost of materials furnished to and used up by the individual student in his laboratory work.

Sincerely yours,

KENDRIC C. BABCOCK,
Secretary, Council of Administration.

On the recommendation of President James and on motion of Mrs. Busey, the new laboratory fees and changes in fees were approved as recommended.

APPOINTMENT TO THE ADVISORY BOARD OF THE SCHOOL OF PHARMACY.

(2) A letter from Mr. W. B. Day, as Secretary of the Illinois Pharmaceutical Association, stating that at the annual meeting of the association the list of the following persons was chosen from which one is to be appointed as a member of the Advisory Board of the School of Pharmacy to fill the vacancy caused by the expiration of the term of Mr. E. H. Ladish, of Chicago, whose term expires June 30, 1914, viz:

George F. Shreve, Jacksonville.
J. C. Wheatcroft, Grayville.
B. A. C. Hoelzer, Chicago.

As the southern portion of the State is not represented on the Advisory Board at the present time, and as Mr. Wheatcroft is highly recommended. I nominate J. C. Wheatcroft, of Grayville, Ill., as a member of the Advisory Board of the School of Pharmacy of the University of Illinois, for the term of five years, to fill the vacancy caused by the expiration of the term of Mr. E. H. Ladish.

On motion of Mrs. Evans, Mr. J. C. Wheatcroft, of Grayville, was appointed as recommended.

OFFERS OF LAND.

(3) Three communications offering to sell to the University land in Urbana and Champaign in the vicinity of the University:

PROPERTY NEAR ATHLETIC ASSOCIATION LOTS.

I. A communication from Walter B. Riley, of Champaign, Ill., relative to the possible sale of a tract of land in Champaign, formerly owned by James R. Scott, and bounded by Daniel, First, and Davidson Streets, and the Illinois Central right of way. Mr. Riley states that the tract of land contains twenty-one acres plus. In computing this acreage, all of Daniel and First Streets have been excluded, but the streets and alleys south of Daniel and west of First have been included, except that portion of Davidson Street formerly a portion of the tract of land purchased by the Athletic Association.

There are fifty-one lots within this area which can be purchased for $47,350 more or less. About twenty lots within this acreage are owned by other people.

PROPERTY OPPOSITE NATURAL HISTORY BUILDING.

II. A proposition, dated June 9, from Mary A. Brown to convey to the University the property on the northeast corner of Mathews Avenue and Illinois Street in Urbana, including the vacant corner lot, the house adjacent to the lot, owned by her son, and the two houses between the said corner and the University Club property, being 120 feet on Mathews Avenue and 198 feet on Illinois Street, for the sum of $25,000. There are mortgages on the properties aggregating $12,000, which may remain or be renewed if desired.

PROPERTY AT GREEN AND WRIGHT STREETS.

III. A communication from Otis M. Green, Esq., Urbana, Ill., offering for sale property at the southwest corner of Wright and Green Streets in the city of Champaign, having approximately a frontage of 125 feet on Wright Street and 174½ feet on Green Street, with a suggestion that this property may be obtained for the sum of $15,000.

All these offers were referred to the Finance Committee for consideration and report.

DESIGN FOR EDUCATION BUILDING APPROVED.

(4) The design for the building for the School of Education.

At this point, the Supervising Architect introduced Mr. James B. Dibelka, State Architect, who presented the merits of the design submitted by him. The style of this design is an adaptation of the English collegiate gothic.

On motion of Mrs. Henrctin, the general design of the building submitted by the State Architect was approved.

RELATIONS OF THE UNIVERSITY WITH THE STATE ARCHITECT.

At the request of President James, the Supervising Architect made a statement concerning the relations existing between the University and the State Architect, to the effect that under the present system it is impossible to prepare plans for buildings in advance of appropriations. The Auditor of Public accounts has ruled that the State Architect may collect fees only on the basis of contracts actually awarded. If a branch of the State Architect's office could be installed at the University, the preliminary plans for proposed buildings could be prepared here at less expense than at present, and the cost could be deducted from the State Architect's commissions. All such plans would be submitted to the State Architect for approval and would bear his name.

Mr. Dibelka said that he desired to cooperate with the University in every possible way, and that he was in favor of some arrangement similar to the one outlined by Prof. White.

On motion of Dr. Montgomery, President Abbott was requested to appoint a committete* to act with the Supervising Architect and the State Architect in formulating the terms of a plan for cooperation with the State Architect, and to report the plan to the board.

BUDGET AND BUILDING POLICY.

President James made the following statement concerning the policy of the University with respect to the budget and the letting of contracts for new buildings:

The process of budget making for the present biennium has been an extremely difficult one, owing to a number of peculiar circumstances. Aside from the usual, somewhat insistent, demands from the various departments for increase in their allowances, which is always with us, a change in the method of keeping the funds of the University compels a continual readjustment of budget proposals. Under the interpretation of the Supreme Court in this State, money in the State treasury on the 30th day of September, following the close of the biennium, reverts to the treasury and must be reappropriated if the various institutions are to have the benefit of it. This compels us to adjust our budget so that the appropriations granted by the Legislature can be used up within the biennium. The board can no longer appropriate the sum of $100,000 for a building and hold that sum in the treasury until the building is completed and paid for, as any balance in the hands of the State Treasurer would revert on the 30th day of September, no matter what contracts the board might have entered into. This may necessitate, as a consequence, for example, the starting of two or three buildings which the University needs, instead of the completion of one, with the money which may be set aside for this purpose, owing to the impossibility of finishing a building within the time.

The ever increasing regulation of University affairs by the State Civil Service Commission makes it difficult to adopt and maintain an efficient system of business and clerical administration. The dependence of the University upon the office of the State Architect for preparing plans has introduced another embarrassing and retarding element in the making and execution of building plans.

Our present appropriation bill is quite different in form from any preceding one and the uncertainty as to the interpretation which the State Auditor and State Treasurer might put upon its provisions proved a still further source of embarrassment. The unexpectedly large appropriations for the purchase of land during the biennium has been another serious difficulty in the way of providing for pressing necessities for equipment and increase of force in the various departments.

I am at the present time therefore able to present only a part of the budget for the coming year—that relating to the appointment of members of the instructional staff. As soon as the Registrar has completed the classification of positions under the Civil Service Law, I shall be able to submit the clerical and administrative budget. The expense budget must, to a certain extent, wait upon the determination of these two.

The Trustees have adopted a general building program as follows:

Addition to the Chemistry Building	$250,000
Administration Building	125,000
School of Education Building	120,000
Engineering and Ceramics Building	120,000
Woman's Residence Hall	100,000
Total	$715,000

* President Abbott later announced the following committee: The Finance Committee and the Supervising Architect.

This is a total of $715,000 besides the appropriations for the Armory, the Botanical Laboratory, the Vivarium, Insectary, and Pond for the Department of Zoology, the extension to the Heating, Lighting, and Power Plant, the small Observatory and the Storehouse, all in addition to the various building projects for the Agricultural College and Experiment Station.

It is quite evident that no one of the larger buildings can be completed during the coming year, owing to the physical impossibility of preparing the plans, calling for bids, awarding contracts, and constructing the building.

I would suggest therefore that the board authorize the preparation of plans for the above buildings based on the sums indicated and that the board then appropriate for the year 1914-15 such sums for one or more of these buildings as can probably be properly spent up to July 1, 1915; these sums would be determined by the amount available for building after the salary budget and expense budget have been approved. I would further suggest that contracts be let for the entire buildings as far as practicable.

The adoption of the mill tax by the Legislature was undoubtedly intended to enable the Trustees to carry out a well-considered building program, over a series of years, and this is the only way in which such a program can be pursued.

The board discussed this matter at some length, but took no action.

At 12.20 p. m., the board took a recess, for luncheon, until 1.30 p. m.

Afternoon Session.

When the board reconvened after luncheon, the same members were present as during the morning session.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James continued the presentation of matters for the consideratаion of the board.

PAYMENT ON MORTGAGE, COLLEGE OF MEDICINE.

(5) A letter from Prof. G. E. Frazer, Comptroller, requesting the board's approval of his act in making a payment of $10,000 on the principal of notes issued by the College of Physicians and Surgeons and held by the Chicago Board of Education, secured by a mortgage on the medical property, occupied and owned by the University of Illinois in the city of Chicago, together with semi-annual interest at the rate of 5 per cent on $66,000, amounting to $1,650—a total payment of $11,650 due July 1, 1914.

On the recommendation of President James and on motion of Dr. Montgomery, the action of the Comptroller was approved.

LEASE OF PHARMACY BUILDING.

(6) A recommendation from Mr. W. B. Day, Actuary of the School of Pharmacy, that the Board of Trustees take a two-year lease on the quarters occupied by the University of Illinois School of Pharmacy, at the present rental, from April 30, 1915. The present lease runs until that time. The owners decline to give a lease for another year from May 1, 1915, at the same annual rental, but will give a two-year lease on the same terms, from the same date, running to April 30, 1917. They demand an increase of $1,000 a year in the rental if it is to be only for one year from April 30, 1915.

On motion of Mrs. Busey, the Comptroller was authorized to take a lease of the building occupied by the School of Pharmacy for two years from April 30, 1915, at the present rental of $6,000 a year, with the condition that the University may give up the property at the end of one year from April 30, 1915, upon payment of $1,000 to make the annual rental $7,000 for the year ending April 30, 1916.

PRICE OF LOT FOR SCHOOL OF PHARMACY.

In this connection, President Abbott reported concerning the lot for the School of Pharmacy, the purchase of which was authorized by the board at the meeting of April 22, 1914, (see page 670) that the owner of the lot had died and that as the administrators of the estate had set the price at $60,000, it was impossible to proceed with the purchase.

TYPHOID FEVER SITUATION.

(7) A report of an investigation of certain cases of typhoid fever in Urbana and Champaign during the past spring, prepared by H. P. Corson of the Illinois Water Survey and Dr. J. Howard Beard, Instructor in the Department of Physiology, and submitted by Dean Thomas A. Clark.

On motion of Mrs. Henrotin, this report was received for record, to be printed separately for distribution.

ADDITIONAL COMPANIES IN CADET CORPS.

(8) A recommendation from Major F. D. Webster, Professor of Military Science, that the four additional companies in the military cadet regiment, authorized by the action of the board on June 9, 1914, be constituted into an extra battalion.

This will make a brigade for the University of Illinois. It will necessitate seven new military scholarships, in addition to the twelve scholarships created on June 9, 1914, (see page 760, Report, 1914).

On motion of Mrs. Evans, the President of the University was authorized to arrange for the organization of the Cadet Corps as a brigade, to appoint the additional officers required, and to assign military scholarships to the appointees.

ENDOWED SCHOLARSHIPS IN THE COLLEGE OF MEDICINE.

(9) A letter from Mrs. William G. Willard of the Woman's Board of Missions of the Interior (Congregational), 19 South LaSalle Street, Chicago, offering the sum of $1,000 to the Trustees of the University of Illinois, if they will establish a scholarship in the College of Medicine of the University of Illinois which shall provide for the tuition of a student under training for the foreign missionary service in connection with the Woman's Foreign Board of Missions of the Interior.

On the recommendation of President James and on motion of Dr. Montgomery, the President of the University was requested to express the appreciation of the board for the interest shown by the Women's Board of Missions of the Interior, and to state that the Board of Trustees regrets that the acceptance of this endowment, not adequate for the support of a scholarship, involves a precedent that the University can not now establish.

ENLISTMENT OF INSTRUCTORS IN THE NATIONAL GUARD.

(10) A letter from Mr. W. J. Carmichael, Assistant in Animal Husbandry, concerning the propriety of enlisting in the Illinois National Guard.

On motion of Mrs. Henrotin, it was voted that the board deems such enlistments by the members of the instructional and administrative force of the University both proper and desirable, and that the President of the University has authority to extend the vacation time of any member of the staff by the amount of time such member may be called upon to be absent for duty in the National Guard.

DEPOSIT FEE FOR KEYS.

(11) A recommendation from James M. White, Supervising Architect, concerning an amendment to the regulation established by the Board of Trustees March 5, 1913, requiring that 50 cents be deposited for each key issued for every building, room, or desk. (See page 182, Report, 1914.) The matter of issuing keys to the University buildings is a difficult and sometimes annoying item of University administration. We have tried various plans and I have finally vested the authority to issue keys to the University buildings, to call them in, and keep track of where they are, in the office of the Supervising Architect. He requests that the regulation of the board on the subject be amended to read: "A deposit of 50 cents shall be charged for each outside door key issued by the University, except to employees in the Operating Department."

On the recommendation of President James and on motion of Mr. Hoit, it was voted that a deposit of 50 cents should be required for every outside door key, except in the case of employees in the Operating Department.

USE OF SWIMMING POOL BY WOMEN EMPLOYEES.

(12) A request from Miss Marjorie H. Gage, transmitted by Miss Verna C. Brooks, Acting Director of Physical Training for Women, that the women employees of the University shall be permitted to use the swimming pool in the Woman's Gymnasium.

On motion of Mrs. Evans, it was voted that such permission be extended so far as is consistent with the interests of the students, under such regulations as may be adopted by the Director of Physical Training for Women, approved by the President of the University.

STREET CAR LINE EAST OF FORESTRY.

(13) A communication from Hon. W. B. McKinley, transmitted by the Supervising Architect, withdrawing the request of the Urbana Railway, Gas, and Electric Company for permission to construct a street car track on Lincoln Avenue along the parking east of the Forestry. (See page 761, Report, 1914.)

No action was taken concerning this matter.

OPENING OF STREET THROUGH PHARMACY LOT.

(14) A statement calling the attention of the Board of Trustees to the report of President Abbott concerning the opening of the alley through the lot belonging

to the School of Pharmacy, and Mr. Abbott's recommendation that the lot be offered for sale. (See page 758, Report, 1914.)

No action was taken concerning this matter.

UNIVERSITY COMMITTEE ON ACCOUNTANCY.

(15) A letter from the University Committee on Accountancy:

URBANA, ILL., *May 30, 1914.*

President Edmund J. James, University of Illinois.

DEAR MR. PRESIDENT: At a meeting of the University Committee on Accountancy held May 23, 1914, the following resolutions were adopted for the consideration of the President and the Board of Trustees:

I. The Committee on Accountancy recommends that the following paragraph be added to the University regulations on examinations in accountancy, with the understanding that it shall be numbered "Paragraph 2" and that the other paragraphs shall be renumbered accordingly:

"Paragraph 2.—For admission to the accountancy examinations, the University will accept as evidence of the completion of a four-years' high school course or its equivalent:

(a) A certificate of graduation from a four-year high school in Illinois or in any state with similar standards of high school education.

(b) Credentials from principals or superintendents of four-year public high schools or accreditable private secondary schools showing the completion of fifteen units of high school work.

(c) A certificate of admission to any college requiring a four-year high school course and listed by the United States Commissioner of Education in his annual report as a college.

(d) A certificate of graduation from any state normal school in the United States.

(e) A certificate showing that the applicant has passed examinations on the subject matter of a four-year high school course under the supervision and direction of educational bodies or individuals whose certificate would be accepted for admission to the University of Illinois.

(f) The passing of examinations set for admission to the accountancy examination by the University itself.

II. The Committee on Accountancy recommends that Paragraph I of the University Regulations be amended so that the last two lines shall read: "Consisting of the Registrar and two other members of the University staff, to be appointed by the President."

III. The committee recommends that the regulations on the subject of the examinations be amended by the insertion of a new paragraph, to be designated as Paragraph 3, to read as follows: "That the Registrar of the University be authorized to admit applicants for the C. P. A. examinations without fee to the entrance examinations conducted by the Registrar at the College of Medicine of the University in the fall of each year; and be authorized further to conduct within the three weeks preceding each C. P. A. examination a set of examinations in high school subjects to which applicants for the C. P. A. examination may be admitted without fee."

Very sincerely yours,

MAURICE H. ROBINSON,
Secretary, C. P. A. Committee.

It seems to me that the above recommendations are good, except the last. I do not see why the University should be holding examinations free of charge for people who are not students, and have no intention of becoming students of the University. The conduct of examinations is an expensive matter. I would suggest that the recommendation of the University committee be approved, except that the last one be amended to read: "That the Registrar of the University be authorized to admit applicants for the C. P. A. examinations to the entrance examinations conducted by the Registrar at the College of Medicine of the University in the fall of each year, upon the payment of a fee of $5; and be authorized further to conduct within three weeks preceding each examination, a set of examinations in high school subjects to which applicants for the C. P. A. examination may be admitted upon the payment of a fee of $5."

On the recommendation of President James and on motion of Dr. Montgomery, the recommendations of the committee were approved, with the provision that a fee of five dollars ($5) should be charged each candidate for examinations under Paragraph III.

CONSOLIDATION OF FUNDS.

(16) Letters from Prof. George E. Frazer, Comptroller, concerning the consolidation of the funds as treated in the reports of the Comtproller:

May 12, 1914.

President Edmund J. James, University of Illinois.

DEAR SIR: In connection with my letter of April 24, 1914, concerning the amendment of present board regulations as to University funds, I desire to recommend that, if the Board of Trustees approves the proposed plan of discontinuing the Medicine and Pharmacy Funds, the Comptroller be authorized to transfer to the General Fund balances existing in the Medicine and Pharmacy Funds, providing that a sufficient balance be left in the Medicine Fund and in the Pharmacy Fund to cover all outstanding warrants against the funds.

I recommend further that all cash held on account of Trust Funds be transferred from the General Fund into a Trusts Fund on July 1, 1914.

Very truly yours,

GEORGE E. FRAZER, *Comptroller.*

President Edmund J. James, University of Illinois.

DEAR SIR: It will be a great convenience to me if the Board of Trustees, at their meeting of June 9, will take action on the following matters:

(1) Sub-paragraph 2 of Paragraph M of section 34 of the statutes of the University is hereby amended so as to read as follows:

"The University Treasurer and Comptroller shall account for all moneys in the hands of the University Treasurer under three funds, which shall be known as the "General University Fund," the "Agricultural Experiment Station Fund," and the "Trusts Fund."

(2) The University Treasurer and Comptroller are authorized, on June 15, 1914, to transfer to the "General Funds" any balances existing in the College of Medicine Fund, and the School of Pharmacy Fund, providing that a sufficient cash balance be left in the College of Medicine Fund and the School of Pharmacy Fund, to cover all warrants outstanding against those funds as at June 15, 1914.

Very truly yours,

GEORGE E. FRAZER, *Comptroller.*

On the recommendation of President James and on motion of Mrs. Evans, the consolidation of funds was authorized as requested by the Comptroller.

LABORATORY IN OLD STOCK JUDGING ROOM.

(17) A request from the Department of Animal Husbandry, approved by the Dean of the College of Agriculture and the Supervising Architect, for an appropriation of $5,000, or so much thereof as may be necessary, for the construction and finishing of a new laboratory for students in the Animal Husbandry Chemical Courses. This laboratory is to be constructed in the old stock judging room in the Agricultural Building. The cost of construction is to be charged to the Agricultural Funds, and divided between the Animal Husbandry and Dairy Departments, in accordance with the plan to be submitted later.

On the recommendation of President James and on motion of Mr. Hoit, the sum of five thousand dollars, or so much thereof as may be required, was appropriated for the construction of laboratories for students in Animal Husbandry and Dairy Husbandry in the old stock judging room in the Agricultural Building. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

REQUEST FOR LAND FOR THE DEPARTMENT OF HORTICULTURE.

(18) A request from Prof. J. C. Blair, head of the Department of Horticulture and acting for Dean Davenport in the latter's absence, that the Board of Trustees should take definite action assigning the 320 acre block of land recently purchased by the University, and lying east of Lincoln Avenue, to the use of the Department of Horticulture, with the understanding that the permanent field laboratories of this department be condensed upon this block of land, and as rapidly as possible its plantings be removed from the present site west of Wright Street.

This request was received for record, and the President of the University was requested to bring the matter up at the next meeting of the board.

BILL FOR TRANSPORTATION OF VISITORS.

(19) A statement concerning the entertainment of visitors to the University:

The question of entertainment of visitors at the University of Illinois has been a difficult and annoying one. It will be remembered that the Board of Trustees directed the appointment of a committee (see page 402, Report, 1914) to consider this question, but the committee has not yet made any report.

I appointed a committee consisting of Dean Kinley, Dean Davenport, Dean Richards, and the Comptroller during the past year to see if they could make a satisfactory formulation of a reasonable policy in this respect. They have not yet made their report.

Some of the men responsible for University administration seem to think that when a man shows interest enough in the University of Illinois to visit the institution, he should receive free transportation and free entertainment in the hotel. It is evident that the general adoption of such a principle would lead to such a large expenditure under this head as would not meet the approval of the People of the State. On the other hand, it is certainly reasonable and proper that the University should undertake to provide for certain expenses of this sort.

I have received a letter from Prof. J. C. Blair, acting in place of Dean E. Davenport, who is on his vacation, enclosing and endorsing a communication from Mr. Fred H. Rankin, head of the Department of Agricultural Extension. This communication calls attention to the fact that he found it necessary to provide transportation for certain alumni of the institution who wished to visit the agricultural plots. That he had used his own private car for this purpose as far as it would go, and there being other demand for such opportunities he had hired an auto and herewith presented the bill. The whole question is a difficult one and calls for some definite formulation of policy on the part of the Board of Trustees in order that individual officials shall know exactly what they are authorized to do.

On the recommendation of President James and on motion of Mrs. Busey, it was voted that, pending further action by the Board of Trustees, the Comptroller should in the future pay bills for the transportation and entertainment of visitors and guests at the University only when such

visitors and guests shall have rendered a definite service to the University, which fact shall appear in the voucher.

PURCHASE OF AUTOMOBILE TRUCK.

(20) A request from Prof. J. C. Blair, head of the Department of Horticulture, for the purchase of an automobile truck, for field work, at a cost of $1,313.

This matter was discussed at some length, but action was deferred until later.

ADDITIONAL APPROPRIATION FOR PIPE ORGAN.

(21) A recommendation from the Supervising Architect that an additional appropriation of $700 be made for the purpose of placing in the new organ, ordered for the Auditorium, a 32-foot pedal stop. This stop consists of a 32-foot acoustic base made up of 32 metal pipes and wind chest. It should be made a part of the completed organ and, unless put in at this time, it will cost considerably more to put it in place, owing to the necessity of removing the grill and probably of removing other pipes.

This recommendation was approved and the appropriataion was made by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

SALARY BUDGET.

(22) The salary budget of the instructional staff of the University for the academic year 1914-15, as follows:

(NOTE.—All appointments date from September 1, 1914, unless otherwise explicitly noted: "Indef."=on indefinite tenure; "C. S."=Civil Service appointment.)

APPROVAL OF SALARY BUDGET.

On motion of Mrs. Henrotin, it was voted to approve the salary budget in full as presented by the President of the University. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

AUTHORITY TO ACCEPT RESIGNATIONS AND FILL VACANCIES.

(23) A request that the President of the University be authorized to accept at his discretion such resignations in the instructional, scientific, and administrative staff as may be presented during the vacation, and that he be authorized to fill, within the budget allowances, such vacancies as may occur during the vacation because of resignation or declination.

The foregoing authority was given as requested.

PROVISIONAL EXPENSE BUDGET.

(24) A recommendation that appropriations be made for the three months beginning July 1, 1914, or until a new budget shall have been submitted and approved, on the basis of the appropriations made in the budget of 1913-14, subject to the approval of the President of the University.

This recommendation was approved by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

BUDGETS, COLLEGES OF MEDICINE AND DENTISTRY AND SCHOOL OF PHARMACY.

(25) A report of the Committee on the College of Medicine and School of Pharmacy approving the recommendations presented to the committee by President James, as follows:

The effort has been made during the past year to organize on a satisfactory basis the laboratory years, the so-called Junior College of the Medical School. Good progress has been made in this direction, but still much remains to be done. The funds available will not be more than sufficient to complete this reorganization of the Junior College. It is therefore suggested that for the coming year the clinical years, or the Senior College, be organized and administered very much as during the past year. It will be possible to make important changes in this department only when additional funds are available. It is in view of this fact that I am making the following recommendations:

1. That the President of the University be given authority to appoint a Dean of the College of Medicine for the academic year 1914-15, without salary.
2. That Adolph Gehrmann be appointed Professor of Hygiene for the academic year 1914-15, without salary.
3. That Charles Sumner Bacon be appointed Professor of Obstetrics and Gynecology, and head of the combined department for the academic year 1914-15, without salary.
4. That the President of the University be authorized to reappoint the other members of the instructional and administrative staff of the College of Medicine for the academic year 1914-15 on the same terms as for the past year, except as

indicated below, so far as the requirements of the College of Medicine may make necessary; provided that a definite notice be sent to all appointees in the Senior College, calling attention to the fact that the Trustees will probably reorganize the clinical faculty during the coming year, and that appointment for the year 1914-15 does not imply that a reappointment will be made.

5. That the sum of $100,000, in addition to the fees received from students and other special sources of revenue of the College of Medicine, be appropriated for the support of the College of Medicine for the year 1914-15, and that the President of the University be authorized to assign the funds among the various departments as circumstances may make necessary.

APPOINTMENTS, COLLEGE OF MEDICINE.

6. That authority be given to the President of the University to make the following appointments in the College of Medicine:

President Abbott reported that the Supervising Architect recommended the purchase of an automobile truck for general use.

On motion of Mrs. Henrotin, the Supervising Architect was authorized to arrange for the rental of an automobile truck for general University use, at a cost of fifty dollars for one month, and if the machine proves satisfactory to purchase it at a price not to exceed four hundred fifty dollars, the month's rental to apply on the purchase price. The appropriation was made by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

MEETING OF THE COMMITTEE ON BUILDINGS AND GROUNDS.

President Abbott presented for record the following report of a meeting of the Committee on Buildings and Grounds:

A meeting of the Committee on Buildings and Grounds was held at Urbana, July 9, 1914.

Present: Mr. Abbott, Mrs. Busey, Mrs. Evans, and Mr. Moore.

The committee considered the request of Mr. McKinley for permission to lay a car track on the parking on the west side of Lincoln Avenue, and the request from the Golf Club for larger links, but deferred action in both cases.

The following contracts for boiler house equipment, the award of which was referred to the committee, with power, were placed as follows:

CHAIN GRATE STOKERS.

Proposals were received from the Green Engineering Company, the Babcock and Wilcox Company, the LaClede-Christy Clay Products Company, and the S. and S. Automatic Stoker Company.

The contract was awarded to the Green Engineering Company, on the basis of their proposal of $2,896.

BOILER FEED PUMP.

Proposals were received from the Worthington Pump Company, the Deane Bros. Steam Pump Company, the American Pump Company, the Blake-Knowles Pump Company, the McMasters-Carr Supply Company, and the Pratt Iron Works Company.

The contract was awarded to the Worthington Pump Company on the basis of their proposal of $550.

COAL AND ASH HANDLING EQUIPMENT.

Proposals were received from the Link-Belt Company, the Webster Manufacturing Company, the Jeffries Manufacturing Company, the Robins Conveying Belt Company, and the R. H. Beaumont Company.

The contract was awarded to the Link-Belt Company on the basis of their proposal of $5,129.

COAL BUNKERS, ASH BUNKERS, COAL RECLAIMING HOPPERS, AND STEEL SUPPORTS FOR ASH BUNKERS.

Proposals were received from the Burr Company, the Link-Belt Company, and the Brown Hoisting Machinery Company (for coal and ash bunkers).

The contract was awarded to the Burr Company on the basis of their proposal of $2,010.

FEEDWATER METER.

Proposals were received from the Hoppes Manufacturing Company, the Yarnall-Waring Company, the Harrison Safety Boiler Works, and the Builders Iron Foundry.

The contract was awarded to the Hoppes Manufacturing Company on the basis of their proposal of $690.

AUTOMATIC WEIGHING SCALES FOR COAL—FOUR SETS.

Proposals were received from the Richardson Scale Company and the R. H. Beaumont Company.

The contract was awarded to the Richardson Scale Company on the basis of their proposal of $820 for the four sets.

The total amount of contracts awarded for the above equipment is $12,095.

W. L. ABBOTT,
Chairman, Committee on Buildings and Grounds.

MR. MOORE ELECTED PRESIDENT PRO TEMPORE.

President Abbott announced that he expected to be absent from his office and from the country for at least six weeks beginning July 12, 1914, and requested the board to appoint Mr. A. F. Moore to act as President of the board during Mr. Abbott's absence. On motion of Mrs. Evans, the following resolution was adopted:

WHEREAS, W. L. Abbott, President of the Board of Trustees, has signified his intention to be absent from his office and the State for the period of six weeks immediately following the 11th day of July, 1914.

Be it Resolved, That Allen F. Moore, a duly elected and qualified member of this Board of Trustees, be, and he is hereby, appointed to act as President of this board from July 12, 1914, to August 31, 1914, and during the absence of said W. L. Abbott from the State, with full power to do all things pertaining to the business of the University which the said W. L. Abbott as President of the board may now lawfully do.

At this point, President Abbott, being called from the room, asked Dr. Montgomery to take the chairmanship of the meeting, which he retained until the final adjournment although President Abbott returned to the meeting immediately.

At this point also, Mrs. Busey withdrew.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James presented the following matters for the consideration of the board:

CONDEMNATION OF LAND FOR WOMEN'S RESIDENCE HALLS.

(1) A statement concerning the purchase of the lots as a site for the Women's Residence Hall:

At the meeting of the board held June 9, 1914, it was voted that the board express its preference for the Nevada Street site for the Woman's Residence Hall, and that the Finance Committee be directed to secure options for the purchase of lots 23, 24, and 25 on the south side of Nevada Street between Mathews Avenue and Lincoln Avenue. It has been found very difficult to secure options on these lots at any reasonable price.

I therefore recommend that the Counsel of the University be authorized and directed to initiate proceedings for the condemnation of lots 23, 24, and 25, in the Forestry Heights Addition to the city of Urbana. These lots are located on the south side of Nevada Street between Goodwin Avenue and Gregory Place extended. These lots are owned, I understand, by Prof. H. L. Rietz, Mr. C. W. Walcott, and Mrs. Walton.

On motion of Mr. Hoit, the foregoing recommendation was approved. The vote was as follows: Ayes, Mr. Abbott, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Miss Watson; no, Mr. Trevett; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Meeker, Mr. Moore.

EXPENSE BILL OF PRESIDENT JAMES.

(2) The bill of the President of the University for traveling expenses incurred in the performance of his official duties from July 1, 1910, to July 1, 1914.

This bill was referred to the Finance Committee with authority to audit and to order payment. The vote was as follows: Ayes, Mr. Abbott, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Meeker, Mr. Moore.

At this point, Mrs. Busey returned to the meeting.

COMPTROLLER'S REPORT OF EXPENDITURES.

(3) A special report from Prof. George E. Frazer, Comptroller, showing the receipts and expenditures of the University for the year ending June 30, 1914.

This report was received, to be printed in the minutes:

July 9, 1914.

President Edmund J. James, University of Illinois.

DEAR SIR: I have the honor to hand you herewith a summary of the receipts and disbursements of the University of Illinois for the year ending June 30, 1914. Disbursements are shown in detail under the allotments made by the Board of Trustees. Disbursements under any particular allotment include transfer charges from storerooms.

The report handed you herewith is a summary of the receipt and disbursement data that will appear in the formal annual report.

Very truly yours,

GEORGE F. FRAZER, *Comptroller.*

ADDITIONAL LEAVE OF ABSENCE ASKED FOR DEAN GOSS.

(4) A statement concerning an extension of leave of absence for Dean W. F. M. Goss:

Prof. W. F. M. Goss, Dean of the College of Engineering of the University of Illinois, was granted leave of absence, without salary, by the Board of Trustees from the 1st of July, 1913, until June 30, 1914, to take up some work with the committee of the Chicago Association of Commerce. The task which he undertook at that time has not yet been completed, and he has preferred a request for a further leave of absence, without salary, until February 1, 1915.

There are grave inconveniences arising from such an extended leave of absence, and yet it seems to be impracticable for Prof. Goss to give up the work which he now has in hand until it is completed.

On motion of Mr. Abbott, it was voted that the President of the University be authorized to grant such leave of absence to Dean Goss if, in his judgment, it is consistent with the interests of the University.

On the recommendation of Prof. White, approved by President James, and on motion of Mr. Hoit, it was voted:

(1) That the general contract for both the Administration Building and the addition to the Chemical Laboratory be awarded to the low bidders, Messrs. Freeman & Brooks, at a contract price of two hundred ninety-four thousand six hundred fifty-three dollars ($294,653), this price being based on the completion of the two buildings by October 1, 1915, gypsum tile to be used in both buildings and domestic marble to be used in the Administration Building.

(2) That a bonus of one thousand four dollars ($1,004) be paid to Messrs. Freeman & Brooks in case the Administration Building is finished by July 1, 1915.

(3) That the other contracts be awarded to the low bidder in each case, as follows:

The contract for plumbing in the Administration Building to the Reliable Plumbing & Heating Company, of Champaign, Ill., at $4,464.

The contract for plumbing in the Chemical Laboratory, to the Carson-Payson Company, of Danville, Ill., at $12,826.

The contract for heating and ventilating in the Administration Building, to the New York Blower Company, of Chicago, Ill., at $10,500.

The contract for heating and ventilating in the Chemical Laboratory, to the Industrial Heating and Engineering Company, of Milwaukee, Wis., at $17,031.

The contract for the electrical work in both buildings, to the Marrs-Tanner Company, of Danville, Ill., at $13,520.

(4) That the sum of two hundred thousand dollars ($200,000) be appropriated to cover payments on these contracts up to July 1, 1915.

This motion was passed, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

PERMISSION TO SUBLET CONTRACT ON THE ADMINISTRATION BUILDING.

At this point the following letter was delivered to the Acting President of the board:

CHAMPAIGN, ILL., *August 14, 1914.*

Board of Trustees, University of Illinois, Urbana, Ill.

GENTLEMEN: We wish to be given the privilege of subletting the general contract for building the Administration Building of the University of Illinois to English Bros., of this city.

Respectfully yours,

FREEMAN & BROOKS.
WRIGHT F. JACKSON.

After discussion, and on motion of Dr. Montgomery, it was voted to grant to Messrs. Freeman & Brooks the privilege of subletting the general contract for the Administration Building to English Brothers of Champaign.

AGREEMENT WITH THE STATE ARCHITECT.

The Finance Committee reported that the following agreement with the State Architect had been formulated and had been signed by Mr. Dibelka, and recommended the approval of this agreement:

This agreement between James B. Dibelka, State Architect, and the Board of Trustees of the University of Illinois, entered into this..... day of July, 1914, is for the purpose of expediting the preparation of plans for buildings to be erected by the State on the University Campus under the following conditions:

First—The Board of Trustees agree that a branch of the State Architect's office may be opened on the University Campus in conjunction with the office of the Supervising Architect.

Second—That the State Architect may have the architectural work for University buildings done in said office at cost, the University meeting the current expenses and deducting the expenditures from the legal commission due the State Architect.

Third—That the employment of men and the general conduct of the office shall be under the direct control of the Supervising Architect.

Fourth—That plans and specifications prepared under this agreement shall be subject at all times to the criticism of the State Architect, and when approved by him shall bear his name as architect and be stamped with his seal.

Fifth—That the cost of the work shall be the actual time and material, including cost of preliminary drawings, but exclusive of overhead office expense and superintendence of work under construction.

Sixth—The Board of Trustees guarantee that the expenses will in no case where the entire architectural services are furnished by the branch office exceed 2 per cent on the contract price.

Seventh—The contract price upon which the commission is based is understood to be the total cost of the building ready to receive the furniture and furnishings.

(Signed) JAMES B. DIBELKA.

On motion of Mr. Montgomery, it was voted to approve the foregoing agreement.

PAYMENT OF STATE ARCHITECT'S BILL.

Prof. James M. White, Supervising Architect, presented a bill from the State Architect, for his work on the plans of the Administration Building and the addition to the Chemistry Laboratory, contracts for which have just been awarded, amounting to eight thousand eight hundred twenty-four dollars and eighty-five cents ($8,824.85), and recommended that this bill be paid except for the sum of five hundred dollars ($500), to be retained pending the further advancement of the work on these contracts.

On motion of Superintendent Blair, this recommendation of the Supervising Architect's was approved, and an appropriation of eight thousand three hundred twenty-four dollars and eighty-five cents ($8,324.85) was made for the partial payment of this bill; the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

PROPOSED GIFT BY CAPT. SMITH.

President James presented the following letter from Capt. Thomas J. Smith, of Champaign, proposing to convey to the Trustees of the University of Illinois certain property, on condition that the Trustees erect within two years from this date, upon the Campus, a building for the use of the Music Department of the University, to cost at least $215,000, and on the further condition of the payment to Capt. Thomas J. Smith of a five per cent annuity on $215,000, payable semi-annually while he shall live, and at the same rate to his executors after his death for a period of six months:

[Capt. Smith's Letter.]

CHAMPAIGN, ILL., *July 1st, 1914.*

To the Board of Trustees of the University of Illinois.

DEAR SIR: Looking to the final execution of my desire to cause the erection of a building on the Campus of the University of Illinois for the Musical School of the University, as outlined in my letter to you of the 8th ultimo, I desire now to make you the following proposition, to wit:

I propose to convey to the trustees of the University the following described property, to wit:

The southwest quarter and the west half of the southeast quarter of section twenty-six (26), township twenty (20) north, range ten (10) east of the Third Principal Meridian, two hundred and forty acres, valued at two hundred twenty-five dollars ($225) per acre $54,000

This farm is in first class condition, with residence, barn, and other buildings—very productive—in Stanton Township, three and one-half miles north of St. Joseph, Ill.

All that part of the north half of section twenty-three (23), township twenty-two (22) north, range nine (9) east of the Third Principal Meridian, which lies west of the Illinois Central Railroad right of way, two hundred fourteen (214) acres, worth two hundred fifty dollars ($250) per acre 53,000

This farm is two and one-half miles north of Rantoul, and it joins the Illinois Central right of way and Kankakee and Urbana Interurban line.

The northwest quarter, and the south half of the northeast quarter, of section thirty-one (31), township twenty-two (22) north, range eight (8) east of the Third Principal Meridian, two hundred forty (240) acres (less Illinois Central right of way), worth three hundred dollars ($300) per acre 72,000

This farm, forty (40) acres of which lies in the corporate limits of the town of Fisher, Ill., is in as good condition as any farm in the United States.

The east half of the southwest quarter of section fourteen (14), township nineteen (19) north, range eight (8) east of the Third Principal Meridian, worth four hundred fifty dollars ($450) per acre 36,000

This tract adjoins the corporate limits of the city of Champaign. On the southwest the land adjoining has heretofore sold for five hundred dollars ($500) per acre.

Making a total of $215,000

All the above land is in Champaign County in the best state of cultivation.

The condition I would attach upon the conveyance of the above-described land is the erection of a building upon the Campus of the University of Illinois, to cost two hundred fifteen thousand dollars ($215,000), such building to be erected within two years from this date, and the payment to me of five per cent on two hundred fifteen thousand dollars ($215,000), payable semi-annually while I shall live, and at the same rate to my executors after my death for a period of six months.

The object I have in making the foregoing proposition is to have erected such building as a memorial to the memory of my deceased wife, who was a lover of music and a steadfast friend of the University.

While I do not make it a condition, yet after the erection of such building, I would be greatly pleased if the board would grant a free scholarship to four girls annually who may seek a musical education but who are unable to pay the customary charges for instruction in music in such music school.

THOMAS J. SMITH.

President James stated that he was in receipt from the Legal Counsel of the University of an opinion to the effect that the Board of Trustees might accept from Capt. Thomas J. Smith $215,000 in money for the erection of a Music Building and in consideration thereof obligate itself to pay him semi-annually during his life, and to his executors after his death for a period of six months, an income based upon the sum of $215,000, at a reasonable and current rate of interest; also, that if the board may accept the money gift under such conditions it may accept a grant of farm lands under similar conditions; and, further, that the annuity should be based upon a reasonable estimate of the value of the land—not such a value as the land would bring in cash upon a forced sale, but that which a prudent and intelligent man acquainted with land values would place upon it after considering its present and prospective worth.

At this point Capt. Smith withdrew. After some discussion of his proposition he was invited to return and was heard in regard to his purpose and wishes in making this offer to the University. He then again retired.

On motion of Superintendent Blair, it was voted to refer this matter to the Finance Committee, with the request that they work out, in conference with Capt. Smith, a form of agreement upon which this gift may be accepted, and report the same to the board for action.

Upon motion of Superintendent Blair, it was voted further that when the board adjourned it should adjourn to meet at the call of the President of the board for the purpose of considering the agreement with Capt. Smith to be formulated by the Finance Committee.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James presented the following matters for consideration:

OFFER FOR ACRE PROPERTY IN CHICAGO.

(1) A letter from Mr. W. B. Day, Actuary of the School of Pharmacy, dated July 24, 1914, stating that Mr. Martin Griglak, 1903 West Forty-seventh Street, Chicago, had recently made an offer of three thousand dollars ($3,000) for the acre property belonging to the University, situated between Forty-seventh and Forty-eighth Streets and adjoining Fairfield Avenue in the city of Chicago. Mr. Day is of the opinion that Mr. Griglak's offer is as good a one as we shall have for several years to come. The property has not increased rapidly in value of late, and from all present indications is not likely to increase greatly for years to come. The University, moreover, is facing at the present time the probability of having to pay large special assessments when Fairfield Avenue is opened, to the opening of which the University has already given its consent.

On motion of Mrs. Evans, Mr. Griglak's proposition was referred to the Finance Committee of the board for consideration and report.

APPROPRIATION FOR GREGORY MEMORIAL PAMPHLET.

(2) A request from Dr. T. J. Burrill, Chairman of the Gregory Memorial Committee, for an appropriation of three hundred fifty dollars ($350), to defray the expenses of printing and distributing eleven thousand copies of the Gregory Memorial pamphlet; these expenses being estimated as follows: Printing, two hundred thirty-nine dollars and fifty cents ($239.50); engraving, twenty-five dollars and thirty cents ($25.30); addressing and postage, seventy-five dollars ($75); incidentals ten dollars and twenty cents ($10.20); total, three hundred fifty dollars ($350).

On motion of Mr. Trevett, this request was approved, and an appropriation of three hundred fifty dollars ($350) was made for the purpose named, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr.

Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

APPOINTMENT OF DR. WHIPPLE.

(3) A recommendation that Dr. Guy Montrose Whipple, now of Cornell University, who at the last meeting of the board (page 49) was appointed Assistant Professor of Education but is unwilling to accept an appointment to this rank, be appointed instead Associate Professor of Education, for the same period and at the same salary as under the preceding action of the board, that is to say, for the term of two years from September 1, 1914, at a salary of twenty-seven hundred fifty dollars ($2,750) per annum.

On motion of Mrs. Evans, this recommendation was approved.

COMMITTEE ON ORGANIZATION AND EFFICIENCY.

(4) The following report on the work of the Committee on Organization and Efficiency:

At the meeting of the University Senate held on February 6, 1911, it was voted that the President of the University be authorized to appoint a committee representing the several colleges and schools to make a thorough investigation of the general question of the organization and efficiency of the University, with a view to drafting ultimately a constitution of the University of Illinois for submission to the Board of Trustees.

On March 7, 1911, the President appointed the following committee under this motion: Prof. A. N. Talbot, Prof. H. W. Mumford, Prof. J. H. Pettit, Associate Prof. H. L. Rietz, Prof. Frederick Green, Prof. E. R. Dewsnup, Prof. Julius Goebel, Director Charles Mills, Director P. L. Windsor, Prof. B. H. Bode, Prof. H. B. Ward, Associate Prof. W. A. Oldfather, Prof. F. M. Mann, Prof. E. S. Thurston, and Registrar C. M. McConn, Secretary ex officio.

The first meeting of the committee was held on March 13, 1911, at 8.00 p. m. in the Trustees' Room in the Natural History Building. Aside from the members of the committee and the President of the University, there were present Mr. W. L. Abbott, President of the Board of Trustees, and Mrs. Mary E. Busey, Mrs. Laura B. Evans, and Mr. F. L. Hatch, members of the Board of Trustees.

It was voted at this time that the meetings of the committee should be held on the second and fourth Monday of each month from 7.30 to 9.30 p. m. in the Trustees' Room in the Natural History Building.

Up to the present time seventy-two meetings of the committee have been held of from two to four hours in length. Five of these meetings were devoted to conference with representatives of other universities, Prof. J. M. Cattell of Columbia University, Prof. T. C. Chamberlin of the University of Chicago, Dr. H. C. Bumpus, Business Manager of the University of Wisconsin, Dr. C. R. Gregory of the University of Leipzig, and Dean C. H. Johnston of the University of Kansas. The first three of these gentlemen presented their views in formal addresses before the University Senate and met afterwards with the committee for discussion.

It is hoped that the committee will be able to complete a preliminary report to be submitted to the Senate and the various faculties early in the autumn. After a complete discussion of this preliminary report by the faculties and the Council of Administration, if the committee is able to agree upon any final report on the subject, the latter will be submitted to the Board of Trustees for consideration and such disposition made of it as they may see fit.

The foregoing report was received for record.

APPOINTMENTS.

(5) The following recommendations with reference to appointments:

(a) That Dr. W. F. Dodd be appointed Associate Professor of Political Science, at a salary of three thousand dollars ($3,000) per annum, beginning September 1, 1914. Under an action of the Board of Trustees already taken (on April 22, 1914, p. 671) Dr. Dodd has leave of absence for the second half of the coming academic year, without salary, to enable him to complete certain work which he has undertaken and which can be done only in the city of Washington.

(b) That Mr. John N. Pomeroy be appointed Professor of Law, for one year beginning September 1, 1914, at a salary of thirty-one hundred dollars ($3,100) for the year.

(c) That Mr. George F. Schwartz be appointed Assistant Professor of Music, for three years beginning September 1, 1914, at a salary of twenty-two hundred dollars ($2,200) per annum.

(d) That Mr. Ray T. Stull be appointed Acting Director of the Courses in Ceramics, for one year beginning September 1, 1914, at a salary of three thousand dollars ($3,000) for the year.

(e) That Mr. Charles E. Carpenter, now of the University of North Dakota, be appointed Assistant Professor of Law, for one year beginning September 1, 1914, at a salary of twenty-five hundred dollars ($2,500) for the year.

(f) That Dr. R. E. Hieronymus be appointed Community Adviser in the University of Illinois, for one year beginning September 1, 1914, at a salary of three thousand dollars ($3,000) for the year; salary to be divided equally between the budget of the Courses in Commerce and the budget of the Department of Agricultural Extension.

On motion of Superintendent Blair, the foregoing recommendations were approved, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

AGREEMENT WITH UNITED STATES DEPARTMENT OF AGRICULTURE CONCERNING EXTENSION WORK.

(6) The following correspondence relating to a proposed agreement between the United States Department of Agriculture at Washington and the University of Illinois concerning the extension work in Agriculture and Home Economics in the State of Illinois.

(a) A letter from Hon. D. F. Houston, Secretary of Agriculture, Washington, D. C.:

July 13, 1914.

Dr. Edmund J. James, President, University of Illinois, Urbana, Ill.

SIR: Your attention is called to previous correspondence suggesting that a specific understanding be arranged between the various state agricultural colleges, and the United States Department of Agriculture for the cooperative conduct of extension work in agriculture and home economics when Federal funds are involved. In line with such suggestion, there is handed you herewith for your consideration and signature, if approved, a memorandum of understanding which it is believed will meet the situation, and provide an efficient and economical administration of extension work.

Dr. A. C. True, Chairman of the States Relations Committee of this Department, and Prof. C. B. Smith, in charge of demonstrations, conferred with your Dean Davenport recently regarding extension work, at which time the details of this memorandum were discussed. Should it not be wholly clear to you, Dean Davenport may be able to further explain it. If this memorandum is agreeable to you, please sign the five copies inclosed and return to the department for execution here, upon which the memorandum will become effective and two copies will be returned to you for your file.

Very truly yours,

D. F. HOUSTON, *Secretary.*

(b) Memorandum of understanding between the University of Illinois and the United States Department of Agriculture regarding extension work in agriculture and home economics in the State of Illinois.

WHEREAS, The University of Illinois has, or may hereafter have, under its control Federal and State funds for extension work in agriculture and home economics, which are and may be supplemented by funds contributed for similar purposes by counties and other organizations and by individuals within said State, and the United States Department of Agriculture has, or may hereafter have, funds appropriated to it by Congress which can be spent for demonstration and other forms of extension work in the State of Illinois:

Therefore, with a view to securing economy and efficiency in the conduct of extension work in the State of Illinois, the President of the University of Illinois, acting subject to the approval of the Board of Trustees of said University, and the Secretary of Agriculture of the United States, hereby make the following memorandum of understanding with reference to cooperative relations between said University and the United States Department of Agriculture for the organization and conduct of extension work in agriculture and home economics in the State of Illinois:

I. The University of Illinois agrees:

(a) To organize and maintain in its College of Agriculture a definite and distinct administrative division for the management and conduct of extension work in agriculture and home economics, with a responsible leader, selected by the college, and satisfactory to the Department of Agriculture;

(b) To administer through such extension division thus organized any and all funds it has or may hereafter receive for such work from appropriations made by Congress or the State Legislature, by allotment from its Board of Trustees, or from any other source;

(c) To cooperate with the United States Department of Agriculture in all extension work in agriculture and home economics which said department is or shall be authorized by Congress to conduct in the State of Illinois.

II. The United States Department of Agriculture agrees:

(a) To establish and maintain in the Department of Agriculture a States Relations Committee, pending the authorization by Congress of a States Relations Service, which shall represent the department in the general supervision of all cooperative extension work in agriculture and home economics in which the department shall participate in the State of Illinois, and shall have charge of the department's business connected with the administration of all funds provided to the states under the Smith-Lever Act.

(b) To conduct in cooperation with the University of Illinois all demonstration and other forms of extension work in agriculture and home economics which the department is authorized by Congress to conduct in the State of Illinois.

III. The University of Illinois and the United States Department of Agriculture mutually agree:

(a) That, subject to the approval of the President of the University of Illinois and the Secretary of Agriculture, or their duly appointed representatives, the cooperative extension work in agriculture and home economics in the State of Illinois involving the use of direct Congressional appropriations to the Department of Agriculture shall be planned under the joint supervision of the Director of Extension Work of the College of Agriculture of the University of Illinois and the agriculturist in charge of demonstration work of the United States Department of Agriculture in the North and West; and that the approved plans for such cooperative extension work in the State of Illinois shall be executed through the extension division of the College of Agriculture of the University of Illinois in accordance with the terms of the individual project agreements;

(b) That all agents appointed for cooperative extension work in agriculture and home economics in the State of Illinois, under this memorandum and subsequent project agreements, involving the use of direct Congressional appropriations

to the Department of Agriculture, shall be joint representatives of the College of Agriculture of the University of Illinois and the United States Department of Agriculture, unless otherwise expressly provided in the project agreements; and the cooperation shall be plainly set forth in all publications or other printed matter issued and used in connection with said cooperative extension work by either the University of Illinois or the United States Department of Agriculture;

(c) That the plans for the use of the Smith-Lever Fund, except so far as this fund is employed in cooperative projects involving the use of department funds, shall be made by the extension division of the college but shall be subject to the approval of the Secretary of Agriculture in accordance with the terms of the Smith-Lever Act, and when so approved shall be executed by the extension division of said college;

(d) That the headquarters of the State organization contemplated in this memorandum be at the University of Illinois.

IV. This memorandum shall take effect when it is approved by the President of the University of Illinois and the Secretary of Agriculture of the United States and shall remain in force until it is expressly abrogated in writing by either one of the signers or his successor in office.

.....

Date..... *President, University of Illinois.*

.....

Date..... *Secretary of Agriculture.*

(c) The following letter from Dean Eugene Davenport in regard to the memorandum:

August 10, 1914.

President Edmund J. James, University of Illinois.

MY DEAR MR. PRESIDENT: I have read carefully the proposed memorandum of agreement between the University of Illinois and the United States Department of Agriculture. Prof. Mumford, Prof. Blair, and Mr. Jamison have also heard it. The memorandum follows accurately the points discussed with Dr. True, the representative of Secretary Houston, at the time of his visit here. We believe it is not only workable but entirely fair to both interests, and recommend its approval by the University of Illinois.

By the merest accident in Congressional legislation the state universities and the Federal department are equipped with independent funds for practically the same kind of work. If the department can cooperate on some such plan as is herein proposed the service can be rendered through a single organization. If not, each state will be served by separate organizations, one state and the other Federal, operating independently in an attempt to render lines of service that are practically identical. Surely if a method of cooperation can be found it will reduce expense, prevent confusion, and more than likely forestall misunderstandings.

Very truly yours,

E. DAVENPORT.

On motion of Mrs. Evans, the President of the University was authorized to sign the foregoing agreement with the United States Department of Agriculture, on behalf of the University.

INSURANCE PAYMENTS, COLLEGE OF MEDICINE.

(7) A letter from Mr. W. L. Abbott, President of the Board of Trustees, recommending the payment of certain bills from Mr. A. F. Musgrave, 332 South LaSalle Street, Chicago, for insurance adjustments, due to insurance policies which were in effect at the time when, or shortly before, the College of Physicians and Surgeons was taken over by the University. These bills are:

(1) A bill to Mr. Henry W. Cole, for money advanced for the University of Illinois, in payment of a fidelity and casualty bond, dated January 26, 1914, and extending to January 26, 1915	$ 5 00
(2) A bill to the Fidelity and Casualty Company of New York, for steam boiler liability, to the amount of $5,000, for one year from October 3, 1913	57 64
(3) A bill for additional premium on insurance on the College of Physicians and Surgeons, dated October 3, 1913	43 86
Total	$106 50

On motion of Dr. Montgomery, the insurance bills listed above were ordered paid, and an appropriation of one hundred six dollars and fifty cents ($106.50) was made for the purpose, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

REAL ESTATE EXEMPTED FROM TAXATION.

(8) A letter from Dean O. A. Harker, Legal Counsel of the University, reporting the removal of certain property acquired by the University from the tax assessment roll of Champaign County.

This letter was received to be printed in the minutes:

August 1, 1914.

President Edmund J. James, University of Illinois.

In re application to have real estate removed from assessment roll.

DEAR SIR: The Champaign County Board of Review has granted the application of the Board of Trustees to have removed from the tax assessment roll the following described real estate:

Lots 3, 4, parts of lot 2, and part of lot 1 in William M. Goodwin's Addition to the city of Urbana;

Lots 4, 5, and part of lot 6 in block 6 and parts of lots 1 and 2 in block 4 in the Urbana Railroad Company's Addition to Urbana;

Part of lot 2 in block 2 in Burpee, Curtis and Somer's Addition of out lots in Urbana;

Lots 3, 5, 6, 7, 8, and 9 in block 55 in the Seminary Addition to the city of Urbana;

Block 6 of J. S. Wright's Addition to the city of Champaign;

The south 52 rods of the east ½, southeast ¼, southeast ¼ of section 18, township 19 north, range 9 east of the Third Principal Meridian;

The northwest ¼, northwest ¼ of the southwest ¼, south ½, of the southwest ¼, and the northeast ¼ of the southwest ¼, of section 20, township 19 north, range 9 east of the Third Principal Meridian; and

Lot 2 of the south ½ of section 13, township 19 north, range 8 east of the Third Principal Meridian.

I have lodged the list of pieces of real estate furnished me by the Comptroller with the certificate of the board of review in the business office.

Sincerely yours,

O. A. HARKER, *Legal Counsel.*

AUTHORITY TO TELEGRAPH MONEY TO FACULTY MEMBERS IN EUROPE.

(9) A request for authority to telegraph funds to the State department, to be telegraphed to members of the faculty who are detained in Europe by war conditions, to enable them to secure passage home.

On motion of Mrs. Henrotin, this request was approved, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

NEW SITE DESIRED FOR THE OBSERVATORY.

(10) A summary of a communication from Dr. Joel Stebbins, Professor of Astronomy and Director of the Observatory, in regard to the necessity of a new site for the Observatory.

Prof. Stebbins states that when the site set apart by the Board of Trustees for the new building for the Department of Music is occupied by a building, the possibility of carrying on scientific work on the site of the present Observatory will be very greatly impaired. He urges, therefore, that the Trustees make provision at the present time for a site to which the present Observatory can be removed or on which a new Observatory may be erected. He has looked carefully over the available sites and states that the tract of thirteen acres known as the Augustus tract, recently purchased by the University, is the most desirable site now owned by the University. This tract is located west of Lincoln Avenue and directly east of the property owned by the Mount Hope Cemetery, south of the Forestry and north of the road running along the south side of the Cemetery. Prof. Stebbins is of the opinion that a very moderate provision for the needs of the Department of Astronomy will require at least as much ground as is contained in this tract.

It is necessary to get the main Observatory away from other buildings as far as possible and yet keep the whole plant as near the center of the University complex as possible.

He requests that this assignment be made at the present time, and that he be given authority to prepare and present general plans for an astronomical plant for the consideration of the Trustees.

No action was taken with reference to this matter.

LAND AT SPRING VALLEY FOR AGRICULTURAL EXPERIMENTATION.

(11) A letter from Dr. Eugene Davenport, Dean of the College of Agriculture and Director of the Agricultural Experiment Station, concerning the donation from certain citizens in Spring Valley of a field of seventeen acres of land to be used for experimental purposes.

August 14, 1914.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: There is before the University a proposition from a certain body of citizens in Spring Valley to donate to the University under deed a tract of land, approximately 17 acres in extent, in close proximity to a local high school, to be used for experimental purposes, under the condition that when its use for this purpose is abandoned by the University for a period longer than two years it shall revert as provided in the deed. I recommend that the proposition submitted by the Spring Valley people be accepted. This recommendation is based upon the fact that the field meets the conditions needed by the University in the carrying on of its soil investigations in the State. By this I mean that we need further representative fields on this particular type of soil and in that climatic region.

I may say, in general, that it early became evident that in order to secure reliable information about the various types of Illinois soils it would be necessary to conduct actual field experiments upon all the distinct types, and in the separate climatic regions of the State. Accordingly, by rental and otherwise, such experimental fields have been conducted from the beginning, growing steadily in number, until it now reaches thirty-eight fields, which are operated at an approximate total annual cost of one thousand dollars each, from which should be deducted the receipts which in some instances will cover the entire expense, in others not.

Manifestly they serve the community excellently well as demonstration fields, and we use them also for this purpose. This fact has led to the demand for the establishment of such fields far beyond what the interests of investigation would require, and the Experiment Station recommends the acceptance of such propositions only when the field is actually needed for experimental work.

Because these experimental fields serve the locality for demonstration purposes it has been the policy to favor such propositions as were made in connection with schools. Spring Valley comes, therefore, as an exceptionally good one, and I take great pleasure in recommending its acceptance.

I may perhaps add that inasmuch as more than half the State has been surveyed the probability is that we are nearing the end as to the number of experimental fields that will need to be established, though just what that limit might be it is impossible now to say. All of this is quite independent of what might some time be done in the way of demonstration. If, under the Smith-Lever Bill, for example, it should become the policy to establish demonstration fields in every county or township in the State, that would be an entirely different proposition.

It is to be noted in this connection that the University is free at any time to discontinue these experiments, and it goes without saying that when the work of the soil survey is finished, as some day it will be, then the question is sharply up as to what extent the experimental fields of this kind shall be continued. I am not saying that they should be abandoned at once, for no doubt they should be continued for some years to come.

Very truly yours,

E. DAVENPORT, *Director.*

[The description of the land referred to in the foregoing letter is as follows:

"A part of the west half of the southwest quarter of section thirty-four (34), in township sixteen (16) north, range eleven (11) east of the Fourth Principal Meridian, described as follows, to wit: Commencing at a point on the east line of the west half of the southwest quarter of said section thirty-four (34) one hundred fifty feet south of the northeast corner of the said west half of said southwest quarter section, and running thence west four hundred thirty-five and 92/100 (435.92) feet, thence south one hundred seventy-seven and 52/100 (177.52) feet, thence west one hundred thirty-three (133) feet, to a point which is three hundred twenty-seven and 52/100 (327.52) feet south of the northwest corner of Lot No. Two (2) in the southwest quarter of said section thirty-four (34), and thence south eleven hundred eighty and 61/100 (1,180.61) feet, thence east five hundred sixty-two and 92/100 (562.92) feet, and thence north to the point of beginning, containing seventeen and 93/1000 (17.093) acres, more or less; excepting and reserving, however, all of the underlying coal and fire-clay, together with the right to dig, mine, and remove the same, without entering upon or occupying any part of the surface of said premises; all of said lands being situated in the county of Bureau and State of Illinois."]

On motion of Superintendent Blair, the donation of the land described above and referred to in the foregoing letter of Dean Davenport was accepted under the conditions set forth.

LAND IN HENRY COUNTY FOR AGRICULTURAL EXPERIMENTATION.

(12) A similar proposition from Mr. Thomas McNamara of Kewanee, offering to the University a tract of twenty (20) acres near Kewanee in Henry County for use as an experimental farm, on the usual condition that the land is to revert to the donor in case for a period of two years it is unused by the University for experimental purposes; the said land being the north twenty (20) acres of the west half of the northwest quarter of section eighteen (18) in township fourteen (14) north, range five (5) east of the Fourth Principal Meridian.

On motion of Mr. Hoit, it was voted to accept the land described above on the condition stated.

LEAVE OF ABSENCE FOR PROF. PETTIT.

(13) A recommendation from Dr. Eugene Davenport, Dean of the College of Agriculture, that Prof. J. H. Pettit, who has been ill for some time, be granted a year's leave of absence, on half pay ($1,500), for the recovery of his health, with the understanding that his return to the University at the end of the year be conditioned upon a degree of recovery which is satisfactory to the University.

On motion of Mrs. Henrotin, this recommendation was approved.

ADVISORY COMMITTEE ON SOILS.

(14) The following letter from Dr. Eugene Davenport, Dean of the College of Agriculture, and Director of the Agricultural Experiment Station, with reference to the appointment of an Advisory Committee on Soils, in accordance with the plan for advisory committees recently adopted by the Board of Trustees (see Trustees' minutes, volume of 1912-1914, pages 538 and 691):

August 11, 1914.

Dr. Edmund J. James, President of the University.

MY DEAR PRESIDENT JAMES: I am in receipt of nominations from the Illinois Farmers' Institute for Soil Advisory Committees as follows:

Mr. Ralph Allen, Delavan.
Mr. J. P. Mason, Elgin.
Mr. C. V. Gregory, Chicago.
Mr. F. I. Mann, Gilman.
Mr. A. N. Abbott, Morrison.
Mr. H. E. Young, Chicago.
Mr. E. W. Burroughs, Edwardsville.
Mr. D. M. Marlin, Norris City.
Mr. Frank S. Haynes, Geneseo.
Mr. A. P. Grout, Winchester.

The first five names represent the personnel of the last committee, and my suggestion would be that those members be re-elected according to the plan adopted by the Board of Trustees, whereby one vacancy occurs each year. It would be a very great advantage if this committee could be appointed at once, because there are many questions in the soil work that ought to be discussed with this committee.

Respectfully submitted,

E. DAVENPORT, *Dean and Director.*

On motion of Dr. Montgomery, it was voted to approve Dean Davenport's recommendation in this matter, and to appoint Mr. Ralph Allen of Delavan, Mr. J. P. Mason of Elgin, Mr. C. V. Gregory of Chicago, Mr. F. I. Mann of Gilman, and Mr. A. N. Abbott of Morrison, as members of the Advisory Committee on Soils of the University of Illinois, for periods of five years, four years, three years, two years, and one year, respectively, in accordance with the plan of organization for this committee and similar committees adopted by the Board of Trustees on June 9, 1914.

CONSULTATION WITH PROF. MENDEL AUTHORIZED.

(15) A recommendation from Dr. Eugene Davenport, Dean of the College of Agriculture and Director of the Agricultural Experiment Station, that Dr. Lafayette B. Mendel, Professor in Yale University, be engaged to consult with the authorities of the Agricultural Experiment Station in regard to certain experiments in animal physiology which are now being made by the Department of Animal Husbandry, and that he be paid the sum of five hundred dollars ($500) to cover his honorarium and traveling expenses on account of each consultation visit made for this purpose, it being understood that he will not make more than two visits in any one year.

On motion of Superintendent Blair, this recommendation was approved, the vote being as follows: Ayes, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Montgomery, Mr. Moore, Mr. Trevett, Miss Watson; noes, none; absent, Mr. Abbott, Mrs. Busey, Mr. Dunne, Mr. Meeker.

PROPOSED EMPLOYMENT OF DR. BECK.

Mr. Trevett moved that Dr. Jean B. Beck be reappointed Assistant Professor of Romance Languages, for one year beginning September 1, 1914, at a salary of twenty-five hundred dollars ($2,500) for the year.

The Acting President of the board declared this motion out of order, as being contrary to section 5 of Article VI of the by-laws of the Board of Trustees.

On motion of Mr. Hoit, the board adjourned.

W. L. ABBOTT, *President.*

C. M. MCCONN, *Secretary pro tem.*

The following members were present: President Abbott, Superintendent Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Meeker, Mr. Moore. President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of August 14, 1914. On motion of Mrs. Evans, the minutes were approved as printed on pages 102-113 above.

REPORTS OF THE FINANCE COMMITTEE.

Chairman Allen F. Moore presented for the Finance Committee the following reports:

PROPOSED AGREEMENT WITH CAPT. T. J. SMITH.

(1) The text of the proposed agreement governing the donation of certain lands in Champaign County by Capt. Thomas J. Smith to provide for a building for the School of Music:

September 10, 1914.

Board of Trustees, University of Illinois, Urbana, Ill.

DEAR SIRS: The Finance Committee held a meeting in the office of Capt. J. R. Trevett on Thursday, September 10, 1914.

Present: Mr. Allen F. Moore, Chairman; Capt. J. R. Trevett, Mr. Otis W. Hoit, and President James.

The committee took up the consideration of the proposition made by Capt. Thomas J. Smith to present to the Trustees of the University of Illinois certain lands in Champaign County, from the proceeds of which a building for the use of the Department of Music might be erected on the Campus of the University of Illinois.

After consultation with Capt. Thomas J. Smith, the form of an agreement which is hereto appended was agreed to by Capt. Smith and the members of the committee.

We recommend, first, that the lands offered by Capt. Smith be accepted for the purpose indicated in the agreement. Second, that the proper officers of the board be authorized to execute the agreement relating to this matter which is hereto appended.

Signed by the members of the committee.

ALLEN F. MOORE.
O. W. HOIT.
J. R. TREVETT.

PROPOSED AGREEMENT BETWEEN THE TRUSTEES OF THE UNIVERSITY OF ILLINOIS AND CAPT. THOMAS J. SMITH OF CHAMPAIGN, ILL., IN THE MATTER OF THE ERECTION OF A BUILDING FOR THE MUSIC DEPARTMENTS OF THE UNIVERSITY.

This indenture made this ..... day of ..... in the year of our Lord One Thousand Nine Hundred and Fourteen, between Thomas J. Smith of Champaign County, State of Illinois, party of the first part, and the Board of Trustees of the University of Illinois, a corporation existing under and by virtue of the laws of the State of Illinois, party of the second part, Witnesseth:

I.

That, whereas the said Thomas J. Smith desires to make a free and voluntary contribution to be used in the erection of a building for the Departments of Music of the University of Illinois, and for that purpose has proposed to grant and convey to the party of the second part the following described real estate, situated in the county of Champaign, State of Illinois:

1. The southwest quarter and the west half of the southeast quarter of section twenty-six (26), township twenty (20), range ten (10) east of the Third Principal Meridian, being two hundred and forty (240) acres more or less.

2. All that part of the north half of section twenty-three (23), township twenty-two (22) north, range nine (9) east of the Third Principal Meridian, which lies west of the Illinois Central right of way, being two hundred and fourteen (214) acres, more or less.

3. The northwest quarter and south half of the northeast quarter of section thirty-one (31), township twenty-two (22) north, range eight (8), east of the Third Principal Meridian, less the Illinois Central right of way, being two hundred and forty (240) acres more or less.

4. The east half of the southwest quarter of section fourteen (14), township nineteen (19), range eight (8), east of the Third Principal Meridian, being eighty (80) acres more or less; and

II.

WHEREAS, The party of the second part desires to accept such voluntary contribution, and a conveyance to it of said lands; and

III.

WHEREAS, There is urgent need of a building for the Music Departments of the University of Illinois to be erected at a cost of not less than two hundred and fifteen thousand ($215,000) dollars; Witnesseth

1. That the party of the first part will immediately on the signing and delivery of this instrument in duplicate, convey by good and sufficient warranty deed to the party of the second part, all the lands above described, reserving the right of possession therein until the 1st day of March, 1915.

2. That the party of the second part will, on the delivery of said deed, instruct its Supervising Architect to draw plans and specifications for a building for the use of the Music Departments of the University of Illinois at a cost of not less than two hundred and fifteen thousand ($215,000) dollars.

3. That the party of the second part will cause to be erected on the Campus of said University such a building, in accordance with such plans and specifications, as soon as feasible.

4. That the party of the second part in consideration of such contribution will cause to be paid to the party of the first part, in the nature of an annuity, on the 1st day of September, 1915, the sum of three thousand two hundred and twenty-five ($3,225) dollars, and a like sum on the 1st days of March and September of each year thereafter during his natural life, and will pay to his executor or administrator for the six months immediately following the death of the party of the first part, a like sum of money.

5. That the party of the second part, in further consideration of such contribution, will grant annually in the University of Illinois four (4) free scholarships in the Music Departments for young women who may seek a musical education, but who are unable to pay the customary charges for instruction in music. The scholarships to be assigned by way of preference to candidates from Champaign County. In case there are no candidates from said county, they may be assigned to young women from other counties in Illinois.

In witness whereof, the party of the first part has hereto attached his signature, and the undersigned officers of the party of the second part, authorized by resolution of their Board of Trustees, have hereunto attached their signatures as official representatives of the party of the second part, at the city of Urbana, State of Illinois, on the ..... day of ....., 1914.

..... (SEAL)
Party of the first part.

.....
President of the Board of Trustees of the University of Illinois.

.....
Secretary of the Board of Trustees of the University of Illinois.
Party of the second part.

On motion of Mr. Meeker, it was voted to adopt the agreement proposed by Capt. Smith, and the President and the Secretary of the Board of Trustees were authorized to sign the agreement on the part of the University.* The

* At the request of President James, the Secretary of the board presented to Capt. Smith the agreement signed by the proper officers of the board. Capt. Smith signed the agreement on September 14 and delivered the deed, properly drawn, signed, and attested, to the Secretary on September 17. The Secretary filed the instrument for record in the Recorder's Office of Champaign County on the same day and received a certificate showing that it was recorded in book 158 of deeds on page 299. The following is a copy of the deed.

(COPY)

THIS INDENTURE WITNESSETH, that the Grantor, Thomas J. Smith, a widower, of the city of Champaign, in the county of Champaign, and State of Illinois, for and in consideration of the sum of one dollar in hand paid, and other good and valuable consideration,

CONVEYS AND WARRANTS to the Board of Trustees of the University of Illinois, of the county of Champaign and State of Illinois, the following described real estate, to wit:

The southwest quarter of the west half of the southeast quarter of section twenty-six (26), township twenty (20), range ten (10) east of the Third Principal Meridian, all that part of the north half of section twenty-three (23), township twenty-two (22) north, range nine (9) east of the Third Principal Meridian,

vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Meeker, Mr. Moore; noes, none; absent, Mrs. Busey, Mr. Dunne, Mr. Montgomery, Mr. Trevett, Miss Watson.

SALE OF ACRE PROPERTY IN CHICAGO.

(2) A report recommending the sale of the acre property belonging to the University and situated between Forty-seventh and Forty-eighth Streets in Chicago. (See page 107.)

To the Board of Trustees, University of Illinois, Urbana, Ill.

GENTLEMEN: The Finance Committee held a meeting in the office of Capt. J. R. Trevett Thursday morning, September 10, 1914.

Present: Mr. Allen F. Moore, Chairman; Capt. J. R. Trevett, Mr. Otis W. Hoit, President James.

The committee took up the consideration of the matter referred to them by the Board of Trustees relating to the desirability of selling the acre property belonging to the University of Illinois, lying between Forty-seventh and Forty-eighth Streets in the city of Chicago and adjoining Fairfield Avenue.

Mr. Martin Griglak, 1903 West Forty-seventh Street, Chicago, has made an offer of $3,000 for the entire tract.

This land came to the University at the time the latter took over the Illinois College of Pharmacy and has been held since that time. Mr. W. B. Day, Actuary of the School of Pharmacy, is of the opinion that it would be desirable to accept the offer of Mr. Griglak.

Mr. W. L. Abbott, President of the board, is also of the opinion that the board should consider offering the lot for sale at a price which real estate experts would consider to be reasonable. In his opinion the property is not immediately desirable, and it offers very little promise for the near future. If Fairfield Avenue is cut through, a proposition to which the University has given its consent, special assessments will probably be levied in the near future amounting to three or four thousand dollars.

After full consideration of the matter, the committee voted to recommend to the Board of Trustees that the lot of land owned by the University of Illinois between Forty-seventh and Forty-eighth Streets and between Rockwell Street and California Avenue in the city of Chicago be sold at a price not less than $3,000.

ALLEN F. MOORE.
O. W. HOIT.

On motion of Mr. Moore, the recommendation of the Finance Committee was adopted. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Meeker, Mr. Moore; noes, none; absent, Mrs. Busey, Mr. Dunne, Mr. Montgomery, Mr. Trevett, Miss Watson.

We are sending you herewith a copy of the report prepared by the Comptroller of the University, Mr. George E. Frazer, covering the quarter under audit.*

We have verified the cash receipts, disbursements, and cash balances (including petty funds) at June 30, 1914; the reconciliations between the accounts of the business office and the accounts of the University Treasurer and of the State Auditor of Public Accounts; and the appropriation balances of the budget of the Board of Trustees at June 30, 1914.

Subject to the foregoing, therefore,

WE HEREBY CERTIFY that the various schedules as contained in the report of the Comptroller correctly set forth the transactions of the quarter ended June 30, 1914, and that they are in accordance with the books.

Yours very truly,

UNITED STATES AUDIT CO.,
W. B. FLERSHEM, *Certified Public Accountant.*

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James presented the following matters for consideration:

TRUSTEESHIP OF ILLINOIS WOMAN'S COLLEGE.

(1) A statement concerning the acceptance of an appointment as Trustee of Illinois Woman's College.

I have been asked by the Trustees of the Illinois Woman's College at Jacksonville, Ill., to serve as a member of their board.

I have not felt at liberty to accept such appointments without consent of the Board of Trustees of the University of Illinois. I should be glad to know therefore if there is any objection to my accepting such an appointment. My father was one of the first trustees of the institution, and I have a personal reason therefor for desiring to accept the appointment, if there be no objection on the part of this board.

No action was taken in answer to this statement, but the sentiment of the board seemed to be entirely unanimous that it would be perfectly proper for the President to accept such appointment.

REGISTRATION IN THE SUMMER SESSION.

(2) A letter from C. M. McConn, Registrar of the University, reporting the statistics of registration in the Summer Session:

August 29, 1914.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The final registration in the Summer Session which ended on August 14, 1914, was:

Men, 589; women, 349; total, 938.

I add for comparison the figures for the past five years:

	Men.	Women.	Total.
1909	456	175	631
1910	463	214	677
1911	417	230	647
1912	430	210	640
1913	441	272	713
1914	589	349	938

I have analyzed the figures for the current year to show the basis of admission of the students enrolled in the Session:

	Men.	Women.	Total.
Able to matriculate	411	208	619
Admitted as conditioned freshmen with 13 to 14½ units	36	31	67
Admitted as special students (over 21 years of age)	142	108	250
Teachers not able to enter in any one of the above three ways admitted to courses which do not carry University credit	...	2	2
	589	349	938

Another analysis shows the proportion of the students of the Session of 1914 who have attended former Winter Sessions as compared with those who have attended in the Summer only:

	Men.	Women.	Total.
Students who have attended former Winter Sessions	377	155	532
Students who have attended in the Summer only	212	194	406

I am sending a copy of this letter to Dr. Bagley for his information.

Very respectfully yours,

C. M. MCCONN, *Registrar.*

This report was received for record.

*For the report of the Comptroller for this quarter, see page 84.

FIELDS FOR AGRICULTURAL EXPERIMENTATION.

(3) A list of agronomy experiment fields which have been donated to the University for the purpose of soil experimentation.

On the recommendation of President James and on motion of Mrs. Henrotin, it was voted to accept these fields and to authorize the Director of the Agricultural Experiment Station to conduct experiments upon them.

CURRICULUM OF THE COLLEGE OF MEDICINE.

(4) A report of the Committee on Curriculum of the College of Medicine.

In November, 1913, I appointed a committee of the faculty of the College of Medicine to draft a curriculum for the College of Medicine. This committee made its report, after long deliberation and careful consideration, which was approved by the Medical Faculty after full discussion, with certain amendments. I am submitting the amended report with a recommendation that it be approved.

REPORT OF THE COMMITTEE ON CURRICULUM OF THE COLLEGE OF MEDICINE.

Dr. Edmund Janes James, President, University of Illinois, Urbana, Ill.

SIR: The Committee on Curriculum appointed by you in November last has the honor to submit the following report:

The committee held its first meeting on November 21, 1913, and since then has held weekly meetings (except during the holidays). After extended discussion, the following plan was decided upon:

First—That twelve of the leading and representative medical colleges in the United States be selected for purposes of extended analysis. Those selected were:

Johns Hopkins.
Columbia.
Cornell.
University of Minnesota.
Harvard.
Leland Stanford.
University of Pennsylvania.
Western Reserve.
University of Michigan.
Rush Medical College.
Northwestern University.
University of Wisconsin.

Second—In addition to the above, the model curriculum of the Council on Medical Education of the A. M. A. was selected as a further basis for comparison. For the purpose of uniformity of tabulation, it was decided to make the analysis of the twelve above mentioned curricula in accordance with the outline used in the model curriculum of the American Medical Association.

Third—The twelve colleges were divided equally among the six members of the committee, and each member was instructed to prepare an analysis of the two institutions assigned to him, and to report at the next meeting.

Your committee respectfully calls attention to the fact that the recommendations made below are in no sense either untried or lacking in adequate endorsement. On the contrary, they represent, as nearly as your committee is able to judge, the consensus of practice in the institutions named, modified by the suggestions of the model curriculum. The Carnegie educational reports have also been carefully considered.

In the tabulation of the various schools and in the curriculum suggested by your committee it is assumed that the collegiate year consists of thirty-two net weeks of study.

I.

Recommended that all the work of the general curriculum be obligatory, and that the total number of hours required shall be approximately four thousand.

II.

Recommended that these hours be distributed as follows:

	Hours.
Bacteriology	160
Pathology (independent of Autopsies)*	256
Materia Medica, Toxicology, Pharmacology and Therapeutics	256
Anatomy	700
Physiology and Chemistry inclusive	528
Medicine, including Neurology, Psychiatry, Pediatrics, and Roentgenography	900
Neurology and Psychiatry 128 hours, 24 to be devoted to Psychiatry.	
Pediatrics 128	
Roentgenography 4	
Obstetrics and Gynecology, exclusive of Maternity work*	300
Obstetrics 200	
Gynecology 100	
Twelve cases in Maternity work to be considered as a minimum.	
Surgery and Surgical specialties not including Eye, Ear, Nose and Throat	600
Dermatology	90
Ophthalmology	60
Ear, Nose, Throat	60
Hygiene and Medical Jurisprudence	100
Total	4,010

The above hours include didactic, laboratory, clinical and dispensary hours, i. e., all work given in the branches of study in question.

* It will be noted that the four thousand ten hours do not include either obstetric cases or autopsies, since the number of these cannot be ascertained with accuracy. This is in accord with the practise in most institutions.

III.

Recommended that in addition to the above required work, a student, after his first year in this college, may, under proper safeguards, be allowed to take sixty-four additional hours of elective work in each year, and no more. This elective work may not be taken in more than two departments. For these elective courses no credit shall be allowed.

Inasmuch as under this plan no electives will be given in the Freshman year, the total number of hours of elective work possible for a student to take would be one hundred ninety-two, and this added to four thousand hours of required work gives a total of four thousand one hundred ninety-two, as the maximum number of hours which a student may be permitted to take, and amounting to thirty-three hours a week for thirty-two weeks each year.

IV.

Recommended that diseases of the chest and physical diagnosis, now taught as separate sub-departments in our College, be made a part of the general course in medicine, in accordance with the recommendations of the model curriculum and the general practice in other colleges.

V.

Recommended that the teaching of Roentgenography be given under the Department of Medicine.

VI.

Recommended that, whenever possible, the various departments shall so organize their work that the didactic instruction should not consume more than one-third of the total number of hours allotted to that subject, the remaining two-thirds being given over to clinical instruction, seminar work, demonstrations, laboratory work and exercises of a practical nature.

VII.

DISPENSARY.

(a) Recommended that dispensary instruction be given in both the Senior and Junior years.

(b) Recommended that the subjects of Medicine, Surgery, Orthopedics, Laryngology, Genito-Urinary diseases be given in the Junior year.

(c) Recommended that the subjects of Pediatrics, Dermatology, Neurology, Ophthalmology, Gynecology be taught in the Senior year.

(d) Recommended that the hours of the Dispensary be from 2.00 to 4.00 p. m. daily.

(e) Recommended that the period of dispensary instruction be two hours daily in the larger departments and one hour daily in the smaller departments.

(f) Recommended that for Dispensary purposes the class be divided into two sections, one section being in the Dispensary on Monday, Wednesday and Friday, and the other on Tuesday, Thursday and Saturday, and reversing the days in the Second Semester.

(g) Recommended that each department give a three weeks' service in each semester.

VIII.

SUMMER TERM.

(a) Recommended that a summer course be given to the incoming Senior Class, and to this class alone.

(b) Recommended that only such students be admitted to the summer term as may have maintained a scholarship average of eighty in the first two years.

IX.

EXTERNE SERVICE.

(a) Recommended that the college establish an Externe service in such hospitals as may, in the judgment of the faculty, permit direct supervision of the student's work by one or more members of the faculty.

This service is planned for that portion of the incoming Senior class whose members are studious, as demonstrated by their past scholarship record, and dependable, as indicated by their past record of attendance. It is therefore

(b) Recommended that only students who have taken the summer term, and who have maintained a scholarship average of eighty, and an attendance record of ninety up to the beginning of their Senior year, shall be admitted to this Externe service.

The student must have finished the Freshman, Sophomore, and Junior years and also about 380 hours of the Senior year which he may have completed during the Summer course. He will be required to do about 480 hours of the regularly scheduled Senior work at the college during the afternoon, making approximately 860 hours of Senior work. He will thus have completed his entire Senior work with the exception of about 200 hours.

In place of these hours, students who have complied with the above requirements will have the privilege of engaging in actual clinical work at various hospitals, four hours each day, or 768 hours during the 32 weeks of the Senior year.

Groups of students will be assigned to different hospitals in rotation for fixed periods of time.

The summer work can be so arranged that these students can give the entire morning to this work.

Each student's attendance will be systematically recorded and absences will be treated precisely as they would be were the students to absent himself from the regular classes.

X.

RECOMMENDATIONS FOR GRADING OF STUDENTS.

Definitions—Condition—60-70. Failure—below 60.

1. A student must receive a grade of 70 per cent to pass. If he falls below 70, but receives 60 or more, he may have one re-examination at the time specified for such re-examination, but at no other time. If he receives a grade of below 60 per cent, he must repeat the course of instruction in that subject.

2. No collegiate condition may be carried into the Sophomore year.

3. No Freshman condition may be carried into the Junior year.

4. No Sophomore condition may be carried into the Senior year.

5. No Junior condition may be carried into the second half of the Senior year.

6. No student may be a candidate for graduation who has conditions in subjects, the time of presentation of which amounts to more than 96 hours.

7. For students conditioned in the Freshman, Sophomore and Junior years, re-examinations will be held during the week prior to the opening of the next collegiate year. Students who fail in the re-examination in subjects given in the first Semester of the Senior year, totalling more than 48 hours, will not be permitted to go on with the work of the second Semester, but must repeat the subjects the following year. Such re-examinations will be held at a date not later than two weeks from the original examination.

8. There shall be a general examination held at the end of each semester, and each student shall be given a grade in each subject taken, whether didactic, clinical or laboratory, and whether the subject runs through the year or not.

9. A week shall be set apart at the end of the first semester, devoted exclusively to the mid-year examinations.

10. A standing faculty committee of five, composed of the Dean, and one representative from the instructional staff of each class may hear appeals, if in the judgment of the Dean there is substantial ground for such appeal. Their decision is to be final.

11. A student who has any failures standing against him may not be advanced to the next year without the permission of the committee.

APPENDIX.

MICROSCOPES.

Recommended that each student be required to have an individual microscope and that he be strongly urged to purchase it at the beginning of his Freshman year. The college will rent to students who do not purchase instruments, suitable instruments at a total rental of forty dollars, payable ten dollars per year in advance. If, at the end of four years, the student wishes to purchase the microscope, he may do so by paying the difference between forty dollars and the cost price. Each student will be required to furnish a suitable bond for the proper return of the instrument in good condition. Any injury above the ordinary wear and tear will be charged for at the actual cost of repair. The student will be given complete charge of the microscope during his entire college course.

Respectfully submitted,

CHARLES SPENCER WILLIAMSON, *Chairman.*

On the recommendation of President James and on motion of Mrs. Henrotin, the curriculum was adopted as printed above.

ADVANCED STANDING, COLLEGE OF MEDICINE.

(5) A formulation of the conditions on which advanced standing may be granted to students who enter the College of Medicine from other medical schools:

The University will accept scholarship and time credits for work done in medical colleges having standards equal to those of the College of Medicine of the University of Illinois, in so far as this work coincides with or is the full equivalent of the courses prescribed by the University.

Students presenting credentials from such medical colleges will be exempt from examination in so far as the credentials cover the work of the year or years for which the applicant seeks to be credited. Every such student must present a letter of honorable dismissal from and be eligible for promotion in the college in which he has pursued his medical studies and must comply with the requirements for such promotion in this institution.

On the recommendation of President James and on motion of Superintendent Blair, the requirements were adopted as printed above.

ASSIGNMENT OF LAND ON SOUTH FARM.

(6) A letter from Prof. J. M. White, Supervising Architect, concerning the location of a feeding plant and a reassignment of space among various interests on the South Farm:

URBANA, ILL., *September 10, 1914.*

President E. J. James, University of Illinois.

DEAR SIR: If the Animal Husbandry feeding plant is to be started this year, the location should be decided upon and I think all are agreed that the best location for it is on the northwest corner of the golf course.

This raises the question of the enlargement of the course, the consideration of which was referred to the Buildings and Grounds Committee for a report. We have for some time been considering the advisability of a reassignment of space on the South Farm in order to group the general buildings at a point as near the north Campus as possible. It seems that this can be best accomplished by extending Sixth Street through our property across the Cemetery to a point on the golf course about as indicated by the accompanying sketch, which also shows an east and west drive winding from a point near the present sheep barn to Lincoln Avenue. In locating this drive the object has been to make it possible to view all of the University South Farm activities by driving along it.

This is looking a good way into the future but the plan seems to meet with definite enough approval to begin working towards it. The suggestion is that the golf course be moved east so as to occupy practically the entire area bounded by the Sixth Street extension, the new drive, and the Cemetery, which will give an area of about seventy-five acres. This land cannot be immediately available but probably at least forty acres of it could be put into grass this fall and be available for golf within two years.

The feeding plant, if it should be started immediately on the site suggested, would probably have to have about five acres of land. This would temporarily cramp the golf course, but it does not seem possible to change to a new location without some inconvenience to all concerned. Without having the whole question discussed at the board meeting it has not seemed wise to investigate the possibility of extending Sixth Street across the Cemetery, but there is now a driveway through the Cemetery corresponding to the west half of Sixth Street and I hope that a lease can be obtained from the Cemetery Association.

There are some other problems connected with the project which it will take some little time to work out. The question should not be gone into without some assurance that the Board of Trustees will look favorably on the project. If you deem it feasible to start the feeding plant this fall, I suggest that you ask the board to set aside a location on the northwest corner of the golf course, conditioned upon the feasibility of the rest of the scheme outlined above and its acceptability to all parties concerned—with the understanding that it will probably require ten years to accomplish the scheme.

Yours truly,

JAMES M. WHITE.

On the recommendation of President James and on motion of Superintendent Blair, this matter was referred to the combined Committees on Agriculture and Buildings and Grounds for consideration and report.

SALE OF HOUSES ON ENGINEERING TRACT.

(7) A letter from Prof. J. M. White, Supervising Architect, concerning the sale of houses on the lots east of the Engineering Buildings and the temporary use of the land for additional tennis courts:

URBANA, ILL., *September 10, 1914.*

President E. J. James, University of Illinois.

DEAR SIR: In connection with the excavation for our new buildings we are securing some good clay for the construction of tennis courts. At the present time we also have a surplus supply of cinders for which we must find a place. This suggests the advisability of constructing more tennis courts, and the most desirable location is on the ground east of Goodwin Avenue purchased last summer. This is desirable because of its proximity to the Gymnasium and because the space it is proposed to use will probably not be required for any permanent buildings within the next five or six years.

The space suggested is that fronting on the street car right of way between the Gilbert property and Harvey Street, which gives room for five tennis courts, allowing 36 feet by 100 feet for each. Two more can be put in back of the Hull property to the south. There are three houses now on this site, two of which are bringing us in $18 a month, the third being occupied by Shorty Fay. One of these houses is in very fair condition. The other two are not creditable properties for us to retain. We probably can sell these houses for at least $400 and I expect to have bids in on them today.

The ground is below the street car level, and will require some filling for whatever purposes we need it. In connection with the construction of tennis courts we will make an average fill of about fifteen inches. The hauling of cinders and clay can be done now without any additional cost but after that is done the underdraining, rolling, and setting of back nets will probably involve a total expense of $600 for the seven courts. I do not see that we can meet this expense before next summer, but it may be that the Athletic Association can do something in the meantime. In any event I think it is worth while to make a start on these courts and I should like authority to proceed.

Yours very truly,

JAMES M. WHITE, *Supervising Architect.*

On the recommendation of President James and on motion of Mr. Hoit, the Supervising Architect was authorized to sell the houses and to cart in clay and cinders for the construction of tennis courts.

SALARY BUDGET, SUPERVISING ARCHITECT'S OFFICE.

(8) A letter from Prof. J. M. White, Supervising Architect, concerning the salary budget of his office:

URBANA, ILL., *September 10, 1914.*

President E. J. James, University of Illinois.

DEAR SIR: I enclose herewith a list of appointments which should be made on my office staff for the coming year, showing also how the salaries are to be

charged. All of the persons mentioned on the list with the exception of the three in the center of the sheet marked "previously appointed" should be appointed new. This list includes all of the persons who are not paid from the appropriation for labor.

This makes a salary schedule of $24,150 for my own office of which $6,780 is chargeable to operation and $17,370 to extension. The salary schedule including the office of Superintendent of Buildings and Grounds is $8,740, of which $6,580 is chargeable to operation and $2,160 to extension. The salary of all persons listed on the enclosed sheet aggregate $32,890, of which $13,360 is chargeable to operation and $19,530 to extension.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

SCHOOL OF PHARMACY LEASE.

(9) A letter from the Comptroller concerning the lease on the buildings occupied by the School of Pharmacy:

September 10, 1914.

President Edmund J. James, University of Illinois.

DEAR SIR: At a meeting of the Board of Trustees held on July 11, 1914, "the Comptroller was authorized to take a lease on the building occupied by the School of Pharmacy for two years from April 30, 1915, at the present rental of six thousand dollars per year, with the condition that the University may give up the property at the end of one year from April 30, 1915, upon payment of one thousand dollars to make the annual rental seven thousand dollars for the year ending April 30, 1916."

Under this authority of the Board of Trustees, I have signed a lease on behalf of the Board of Trustees for the present quarters of the School of Pharmacy (three and one-half upper floors of the building at the northwest corner of Twelfth Street and Michigan Avenue, with entrance from Twelfth Street) for the two years from May 1, 1915, to April 30, 1917, at a rental of five hundred dollars per month (six thousand dollars per year). The lease provides that the Board of Trustees shall have the privilege of terminating the lease at the end of the first year, April 30, 1916, by giving the owners four months' previous notice in writing of its intention so to do. There is to be no additional payment if the lease is terminated at the end of the first year.

Very truly yours,

GEORGE E. FRAZER, *Comptroller.*

Attention is called to the fact that the Comptroller secured better terms than we had hoped to do. I think he deserves credit for this successful negotiation.

This report was received for record.

ADVISORY COMMITTEES, COLLEGE OF AGRICULTURE.

(10) A communication from Dr. Eugene Davenport, Dean of the College of Agriculture, nominating the following Advisory Committees for the College of Agriculture:

Dairy Husbandry.

Charles Foss, Cedarville.
Joseph Newman, Elgin.
R. B. Swift, Libertyville.
F. G. Austin, Effingham.
J. P. Mason, Elgin.

Floriculture.

H. E. Smith, Danville.
J. C. Vaughan, Chicago.
W. N. Rudd, Morgan Park.
F. L. Washburn, Bloomington.
J. F. Ammann, Edwardsville.

Horticulture.

J. Mack Tanner, Flora.

W. S. Perrine, Centralia.

Farm Crops.

Charles Rowe, Jacksonville.
A. A. Hill, Casner.
A. C. Rice, Jacksonville.
H. J. Sconce, Sidell.

I have not yet received nominations from the Live Stock Breeders' Association. With this exception, and the one yet to be chosen for the Crop Committee, the list is now complete.

On the recommendation of President James and on motion of Mrs. Henrotin, the committees were appointed as nominated above.

ACTIVITIES UNDER THE LEVER BILL.

(11) A recommendation from the Dean of the College of Agriculture and Director of the Agricultural Experiment Station relating to the completion of the organization and the proposed projects for work under the Lever Bill.

An agent of the Department of Agriculture visited the University a few days ago for the double purpose of discussing projects under the Lever Bill and the methods of procedure in our cooperative work with the department. It appears that the Secretary of Agriculture is disposed to construe the Lever Bill rather strictly as a demonstration measure in agriculture and home economics, to the exclusion of instruction in all forms. This construction of the department we feel inclined not only to recognize but to uphold in the future, because it would leave all forms of our educational activity entirely free from their dominance. It also appears that it is highly desirable to devote a portion of the Lever money to extending the work of the county advisor and that by doing so we shall be able to cooperate in this, which is their distinctive work, even more thoroughly than if we should hold ourselves aloof from that particular line of work.

Another advantage in devoting some of the Lever money to the county advisory system is that under those conditions the Department of Agriculture will be bound to consider the funds raised by the various counties as constituting the State equivalent of the Federal appropriation. Inasmuch as the amounts raised by the counties from subscription and otherwise is far in excess of the amounts likely to arise from the Lever Funds, we should not, under those conditions, be obliged to ask the Legislature for specific appropriations on account of the Lever Bill. In this way we should effectually protect our mill tax and avoid the necessity of injuring the development of the University at any point by the necessity of asking for direct appropriation. All things considered, therefore, we deem it wise to devote a small portion of the funds this year, and more in the succeeding years, to this particular line of work.

Under our articles of cooperation with the Department of Agriculture, we would, as soon as the organization can be completed, take over the management of all the county advisory work. They require that this management should be centered in a State Leader. This State Leader may be appointed directly by the department to be quartered by us, in which case he will be a Civil Service appointee of theirs, or we may select the State Leader ourselves on the "half and half" basis. That is to say, they would pay half of the salary and estimated traveling

expenses of such an advisor, and we would pay the other half. I am, therefore, making the recommendation upon this basis, not only because it is more favorable to us financially, but because it will give us more complete control of the situation from the outset.

The Department of Agriculture is interested in two other lines of work besides that of the county demonstration agent, namely: what they call farm management demonstration, and what they call boys' and girls' club work.

Inasmuch as we have agreed to cooperate with the department in its work it seems but fair that we should accept all we can of the work in which they are interested. So far as the farm management demonstration feature is concerned, it can be made extremely useful because one of our purposes is to make out of the whole county advisor scheme a kind of laboratory in farm economics. This particular line of work, therefore, lends itself to the general purpose which we have in mind, and I am recommending that it be accepted as one of our projects. For the same reason I have mentioned before, I think we would better enter into this plan on the "half and half" basis, particularly for the sake of giving us the privilege of naming the man and of more thoroughly controlling the work.

I am including the project of boys' and girls' club work, not because I believe the work has yet justified itself or promises to do so, but because it is one of the things in which the department is interested, and because, if we do not enter into cooperation, they will withdraw from the State leaving a rather ugly situation for us to explain, and perhaps some ill feeling in certain quarters. Because of the shortness of funds, however, and because this particular line of work does not correspond with any which we are undertaking, I am recommending that we cooperate in this line without incurring expense. That is, that we give the welcome hand to their representative with such courtesies as we are able to extend.

The definite measures which I would, therefore, propose for the conduct of the work under the Lever Bill are as follows:

First—County demonstration agents located in the various counties of the State, so far as definite local organizations are completed and funds raised, locally, for the support of the demonstration work, and so far as the funds at our disposal will permit. For the present year only enough money could be available to enter into relations with the three counties of the State already organized, but not cooperating with the Department of Agriculture, whereby they might enjoy the franking privileges. Another year, with an additional fund, we should hope to take on additional counties, at $1,200 each.

Second—Departmental demonstrators to act as special advisors to county agents and to individuals or associations of farmers, so far as funds will permit and necessities arise. For the current year perhaps $500 to $800 apiece could be devoted to each department for part payment of one of its extension men.

Third—Demonstration work in household economics. This being one of the main features of the Lever Bill, it seems only fair to this great subject that a considerable portion of the money should go in this direction.

Fourth—Cooperative farm management demonstration work to the extent of one man to be employed jointly by the Department of Agriculture and the University of Illinois, work beginning when a suitable man can be found.

Fifth—Boys' and girls' club work to be carried on by the Department of Agriculture under the nonpaying cooperative plan, by which we should put no money into the enterprise.

By the provisions of the Lever Bill the following amounts are available, present and prospective. Inasmuch as the assignments are based upon the relative agricultural populations of the states, they may, of course, change somewhat before the 10-year period has been reached.

1914.	1915.	1916.	1917.	1918.	1919.
$10,000 00	$23,141 12	$36,282 24	$49,423 36	$62,564 48	$75,705 60

1920.	1921.	1922.	1923.	1924 and annually thereafter.
$88,846 72	$101,987 84	$115,128 96	$128,260 08	$141,411 20

PROPOSED BUDGET FOR LEVER FUND.

After much discussion, I beg to present the following budget for the nine months of the current fiscal year beginning October 1, 1914.

The total net amount available under the Lever Bill for the nine months remaining of the fiscal year is $10,000. I propose the following budget of expenditures and request appropriations accordingly:

For demonstration in household economics	$3,000
For State Leader, his assistant, office, and traveling expenses	3,500
Department specialists (one each from Agronomy, Animal Husbandry, Dairy Husbandry, and Horticulture) $500-$800 to each department*	3,200
County agents—three counties, $100 each to bring into cooperation and to insure the franking privileges†	300
	$10,000

STATE LEADER.

In my formal report I recommended the early election of a Vice Director to take immediate charge of the work under the Lever Bill. Under our cooperative arrangements with the Department of Agriculture in the county advisory work, however, they will demand that a State Leader be elected to give substantially his whole time to the work. This fact, together with our own enterprises in that

* If a suitable man can be found before the end of the year for farm demonstration work (Project No. 4) our half of his salary would be paid from this item, otherwise the full $800 could go to each department.

† These are the three counties now organized but not in cooperation with the United States Department of Agriculture.

field, makes the State Leader the man of influence from the first. I am, therefore, recommending that this place be filled by a competent man, who should also be *acting* Vice Director, postponing the election of a separate Vice Director until some future date.

We have discussed at great length the man best fitted for this position. We all agree that the man should have training in economics rather than that he should be a technician in any of the many branches of agricultural practice. This narrows the field at once amazingly, and it is not too much to say that it is impossible to find an ideal man. There are few in the United States fully fitted for this most difficult work and they are not available. On the principal of safety first, and with all the qualifications practicable to secure, we all agree that the best man to put into this critical position at this juncture is our Prof. Handschin. He has the best training in economics of any one at all available and has the advantage of being on the ground and knowing Illinois conditions. He is in thorough sympathy with the University's ideals and purposes, and is a mature man of unusual discretion, besides having had extensive and successful practice in actual farming. Those who know him best, believe much in his organizing ability, and if he is made acting Vice Director the opportunity still remains for filling the place of highest influence if a better man can be found later, of which, however, I have little hope.

Prof. Handschin is not a candidate for the position but he will take it if he is appointed because of his interest in the general field of agricultural economics, and his desire that the whole Lever work should be so conducted as to contribute to our knowledge of the economics of farm practices. I, therefore, recommend that Prof. Walter Frederick Handschin be appointed State Leader and acting Vice Director of the Lever Extension Fund, beginning October 1, 1914, or sooner if possible, at the rate of $3,000 per year, with the understanding that the Department of Agriculture will pay $2,000 of it, the University to pay the other $1,000, together with $1.000 of traveling expenses.

In making this recommendation, I desire to qualify it so that, if possible, it may be arranged for Prof. Handschin to devote one-fourth of his time to his present work in farm management, if not that he should give all his time to the county advisory work.

The Department of Agriculture believes that as soon as the number of counties have reached the neighborhood of fifteen, the State Leader should have an assistant. Inasmuch as we shall have seventeen counties upon our hands the coming year, and inasmuch as we hope to make arrangements so that Prof. Handschin may devote perhaps one-fourth of his time to teaching, I recommend that the appointment of an assistant be authorized, appointment to take place when the suitable candidate shall be found.

As the work of this assistant would be thrown somewhat with county agents, who are themselves mature and experienced men, and somewhat with counties still in the earlier stages of organization, it is clear that this man should be no boy, and I should like to recommend that we be able to pay him a salary of from $1,800 to $2,000 per year.

In order to undertake the farm management demonstration work in cooperation with the Department of Agriculture, I recommend that the President be authorized to appoint such demonstrator on the "half and half" basis as indicated above, and as soon as a suitable man can be found.

For the purpose of giving definiteness to the management of the demonstration work in household science, I recommend that Miss Mamie Bunch be appointed State Leader in household economics demonstration, on part time, and that $1,000 of her salary be charged to the Lever Funds.

On the recommendation of President James and on motion of Superintendent Blair, the recommendations outlined above were approved, to be put into effect when the funds appropriated under the Smith-Lever Bill come into the hands of the University.

LEGISLATIVE BUDGET COMMITTEE.

(12) A statement that the Legislative Reference Bureau had demanded that the University should submit a budget in detail under the law passed by the last Legislature requiring the departments of the State Government to submit such budgets.

I have called the attention of the board in charge of the Legislative Reference Bureau to the fact that the University of Illinois has never been included under the head of "a department of the State Government," although it is, of course, clearly a State institution.

I have also called the attention of the board to the fact that the Trustees have never submitted a budget of the sort asked for, and would find it difficult to do so under the circumstances under which the University must work.

The policy of the University has been to ask the Legislature for funds, and, after it has known what the grants are, to proceed to make a budget upon the basis of the money granted.

I also stated that the Trustees would ask for the appropriation of the proceeds of the Mill Tax Fund, and that they would make their budget upon the basis of the sum which this tax would yield.

This matter was discussed and the attitude of the President was approved.

THE NEED OF A UNIVERSITY HOSPITAL.

(13) A statement concerning the necessity of a University hospital.

It is perfectly apparent that no medical school worth the name can be conducted without a teaching hospital as one of its fundamental departments. At

present the University has no such hospital. It is dependent absolutely upon the good will of boards of directors and the medical staff of private hospitals, and upon such facilities as it may be able to obtain in the Cook County Hospital.

Such a condition, however, is entirely unsatisfactory, and the Trustees are now facing the necessity of providing an adequate teaching hospital or of seeing the medical school classed among the inferior schools of the country.

No action was taken in the matter.

FIRE IN THE COLLEGE OF MEDICINE BUILDING.

(14) An account from Mr. William H. Browne, Secretary of the College of Medicine, of a fire discovered in the curator's storeroom in the basement laboratory annex of the Medical Building. The fire was extinguished without any damage to speak of. The loss to stock is nominal and the injury to the building is slight.*

I desire, however, to call the attention of the Board of Trustees to the fact that the curator's storeroom is very much overcrowded with material which is to some extent inflammable.

I think it would probably be desirable to erect a small building to the west of the laboratory annex, say one story in height, in which the laboratory stores could be housed, so as to diminish the danger from fire in the main building.

No action was taken concerning this matter.

NEED OF A LOT FOR THE SCHOOL OF PHARMACY.

(15) A communication from W. B. Day, Acting Dean of the School of Pharmacy, concerning a proposed site for a new building for the School of Pharmacy.

I desire to urge very strongly upon the Board of Trustees the absolute necessity of providing a site for a building, and the erection of a suitable building for the School of Pharmacy. The quarters now occupied by the school at the corner of Michigan Avenue and Twelfth Street cannot be retained very long, as the owners of the building desire to tear it down.

It seems, moreover, desirable to remove the school to the West Side and bring it into immediate proximity with the Colleges of Medicine and Dentistry. The growth of the College of Dentistry is likely to be so rapid that it will need all the building now occupied by it.

The board will, therefore, find itself in the unpleasant situation of having a department without a local habitation or site, unless it provides a building for this purpose, and it is not too soon to procure a site. There are several available sites in the neighborhood. The one previously proposed is held at such a high figure that it would seem better to select a site which would cost somewhat less, and acquire the site facing Harrison Street, and east of the present college building, for the purposes of a hospital.

It was voted that the President of the board should investigate the question of sites and report to the board.

RESOLUTIONS CONCERNING MR. HARRY GILL.

The Secretary presented certain correspondence between the Secretary of the Illini Club of Chicago and President Abbott concerning resolutions of the Illini Club commending the work of Mr. Harry Gill as Instructor in Track Athletics.

The correspondence and resolutions were received to be filed.

APPOINTMENTS, COLLEGE OF MEDICINE.

The Secretary presented also for record the list of appointments to the faculty of the Senior College of the College of Medicine, made by the President of the University on September 4, 1914. These appointments, which carry no salary, are for the academic year beginning September 1, 1914, and ending August 31, 1915.

I. DEPARTMENT OF MEDICINE.

Charles Spencer Williamson, B.S., M.D., Professor and head of the Department of Medicine.

William Edward Quine, M.D., LL.D., *Emeritus* Professor of Medicine.

Maurice Louis Goodkind, M.D., Professor of Clinical Medicine.

Joseph McIntyre Patten, M. D., Professor of Clinical Medicine.

* The President of the board has since received the following letter from Secretary Browne:

September 17, 1914.

Mr. W. L. Abbott, President, Board of Trustees, University of Illinois, Chicago, Ill.

MY DEAR SIR: I was waited on last Saturday, the 12th inst., by Mr. J. Sherman Root, insurance adjuster, and the following settlement was agreed upon between us, regarding the damage from the recent fire in the curator's storeroom.

Glass	$10 00	Cabinet repair	$6 00
Painting and calcimining	24 00		
Pipe covering	10 00	Total	$60 00
Plaster	10 00		

This is ample compensation for what damage was done, and I am sure that payment will be made shortly. I have previously reported to you this fire, its probable cause and the damage done.

Yours very truly,

WILLIAM H. BROWNE, *Secretary.*

Frederick Tice, M.D., Professor of Diseases of the Chest and Clinical Medicine.
John Weatherson, C.E., M.D., Assistant Professor of Medicine. Recording Secretary of the Faculty.

H. E. CUNNINGHAM, *Secretary.*

MEETING OF THE EXECUTIVE COMMITTEE SEPTEMBER 11, 1914.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at Hotel LaSalle, in Chicago, on Friday, September 11, 1914, immediately following the adjournment of the meeting of the board held on that date.

There were present Mr. Abbott and Mr. Moore, members of the Executive Committee; Mr. Blair, Mrs. Evans, Mrs. Henrotin, and Mr. Hoit, members of the board, and President James.

PRINTING OF ANNUAL REPORTS.

President James presented and asked for authority to print the report of the Comptroller for the past year. He stated also that the President is preparing a report to the board which, with the Comptroller's and Registrar's reports, will cover the entire administration of the University.

On motion of Mr. Moore, President James was authorized to have these reports printed.

CHANGES IN AGRICULTURAL SALARY BUDGET.

President James presented a recommendation from the Dean of the College of Agriculture and Director of the Experiment Station for certain changes in the budget of the College of Agriculture and the Experiment Station as printed on pages 28 to 34.

(1) That the title of Mr. J. J. Gardner be changed from Instructor in Pomology in the College and Assistant in Pomology in the Station to Associate in Pomology in the College of Agriculture and the Agricultural Experiment Station, the error being due to an oversight in the office of the Dean.

(2) That the title of Mr. Fred W. Muncie be changed from First Assistant in Floriculture, Station, to First Assistant in Floricultural Chemistry in the Agricultural Experiment Station, a title which accurately expresses his work.

(3) That the title of Mr. I. D. Allison be Associate in Horticulture, College and Station, instead of Assistant in Horticulture, Station.

(4) That the salary of Mr. G. L. Peltier be advanced from $1,200 to $1,600 per year. The original recommendation was due to an oversight in not remembering that Mr. Peltier now goes on full time instead of half time as heretofore.

(5) That Miss Florence E. Smith be appointed Secretary to the Director of the Agricultural Experiment Station and Miss Hawgood, Secretary to the Dean of the College of Agriculture.

(6) That Mr. Elmer Roberts be appointed Instructor in Genetics in the College of Agriculture and First Assistant in Genetics in the Agricultural Experiment Station.

On motion of Mr. Moore, the changes were approved as recommended.

SALARY BUDGET, SUPERVISING ARCHITECT'S OFFICE.

President James presented a recommendation from Prof. J. M. White, Supervising Architect, that the following increases in the salaries of members of his office staff be made:

Name.	Title.	Salary.	
		Present.	Proposed.
Cevilla Carothers	Clerk	25c an hr.	$ 630
L. J. Towne	Superintendent of Construction	$2,100	2,400
G. E. Wright	Draftsman	1,500	1,680
W. H. Boyer*	Engineer	40c an hr.	1,140
L. C. Bernard*	Draftsman	35c an hr.	800
C. H. Haven	Foreman Plumber and Steamfitter	1,440	1,500
Ruth Murphey	Stenographer	29c an hr.	720

* Appointments to be for such part of a year as their services are needed.

On motion of Mr. Moore, the President of the University was authorized to make these increases if he should find it advisable.

The Executive Committee adjourned.

W. L. ABBOTT,
A. F. MOORE.

H. E. CUNNINGHAM, *Clerk.*

MEETING OF NOVEMBER 14, 1914.

A special meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 12.30 p. m., on Saturday, November 14, 1914, pursuant to the following notice which was sent out by the Secretary on November 6, 1914:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University, in Urbana, on Saturday, November 14, 1914, beginning at 12.30 p. m., to consider such matters as the committees of the board and the President of the University may submit, and such other business as may be duly presented.

When the board convened, the following members were present: Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Montgomery, Mr. Moore. Mr. Hoit came in a little later and recorded his vote on the actions already taken; and Mr. Dunne and Miss Watson joined the board during the recess.

Prof. J. M. White, Supervising Architect, and Judge O. A. Harker, Legal Counsel, were present during part of the meeting.

COMMITTEE ON RESOLUTIONS OF SYMPATHY FOR DR. JAMES.

The death of Mrs. James was announced and it was moved by Dr. Montgomery that President Abbott appoint a special committee to draft resolutions of sympathy for President James. The motion was carried. President Abbott appointed Dr. Montgomery and Superintendent Blair. The members of the committee retired for conference. On their return, Dr. Montgomery presented the following resolutions and moved their adoption. The resolutions were adopted unanimously, by a rising vote.

RESOLUTIONS.

WHEREAS, The Board of Trustees of the University of Illinois learn with sorrow of the death of Mrs. Anna Margarethe James, wife of the honored President of the University of Illinois, who for thirty-five years has been his companion and co-worker, a constant source of counsel, strength, and inspiration in the exacting duties of his high office; be it

Resolved, That the board offer to President James and the members of his family its sincere condolence in this their day of sorrow and express its hope that he and they may find that healing balm which comes down from the Mercy Seat.

MATTERS PRESENTED BY PRESIDENT ABBOTT.

President Abbott presented for Dean Eugene Davenport, who was acting for President James, the following matters for consideration:

IMPORTATION OF CHEMICALS.

(1) A request from Dr. W. A. Noyes, Director of the Chemistry Laboratory, endorsed by Dean K. C. Babcock, for authority to place an order for the importation of chemicals and appartus for the year 1915-16, with the recommendation that the desired authority be given.

Dean K. C. Babcock, College of Liberal Arts and Sciences.

DEAR DEAN BABCOCK: The Comptroller has called my attention to the advisability of placing our annual order for importation of chemicals and apparatus from Germany much earlier than usual this year. I would respectfully ask permission from the Board of Trustees to place an order for the importation of chemicals and apparatus to an amount not exceeding $18,000. In order to be prepared to stock the students' lockers in the new building, and also because of the probability of higher prices on account of the war. I am asking for permission to place a larger order than usual. Permission was given for an order not to exceed $12,000 last year.

We hope to place the order by the first of February, 1915. It is necessary to place the order a number of months in advance so as to have the goods delivered in time for the beginning of school work next fall. The bills, however, would be paid, for the most part, from our appropriation for the year 1915-16.

Yours respectfully,

W. A. NOYES, *Director.*

On motion of Mrs. Evans the recommendation was approved and the sum of $18,000 was appropriated for purchase of chemicals and apparatus. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit (recorded later), Mr. Montgomery, Mr. Moore; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Meeker, Mr. Trevett, Miss Watson.

OPTION ON BRONSON PROPERTY.

(2) A communication from Prof. J. M. White, Supervising Architect, concerning an option on the Bronson property in Urbana:

URBANA, ILL., *November 12, 1914.*

President E. J. James, University of Illinois.

DEAR SIR: Mr. George Bronson has handed me an option on the Mathews Avenue frontage between Illinois and California Streets, which option he said was requested by the Finance Committee.

He advised Mr. Moore that the option was ready and Mr. Moore told him to deliver it to Mr. Trevett and Mr. Trevett told him to turn it over to me. I have received it and have advised him that it will be brought to the attention of the board as soon as possible but that there was no chance whatever of the land being taken over before December 1, 1914, at which time the option expires.

The consideration is $25,000, which is practically $80 per front foot. He says that, if the Trustees will indicate this month their desire to close at the figure mentioned, the actual transfer of the property can be deferred. I advised him that it was my understanding that there would be no funds available for such a purpose before the first of next July.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

No action was taken concerning this matter.

ACQUISITION OF SITE FOR WOMAN'S DORMITORY.

(3) A statement from Judge O. A. Harker, Legal Counsel, concerning the petition to condemn lots 23, 24, and 25 in the Forestry Heights Addition to Urbana:

Board of Trustees of University of Illinois, v. Henry L. Rietz, Nellie C. Walton, and Charles W. Walcott. } Petition to condemn lots 23, 24, and 25, in Forestry Heights Addition to Urbana.

To President Edmund J. James, University of Illinois.

DEAR SIR: I beg to submit to you the following report concerning the above entitled cause:

Petition was presented to Judge William G. Spurgin, Judge of the County Court of Champaign County, Illinois, September 26, 1914, and he set the cause for hearing for the 19th of October, 1914. He ordered jury and defendants to be summoned for that date.

Hearing was had beginning on the 19th of October, which was concluded on October 22, resulting in a verdict fixing the value of each one of the three lots at thirty-five hundred dollars ($3,500). In view of the fact that the testimony of witnesses introduced by the property owners was for $4,000 for each lot, the assessment made is satisfactory. In this connection I desire to acknowledge very valuable aid from the Supervising Architect, Prof. James M. White.

The Counsel for the Board of Trustees announced to the court that it would accept the property and requested that time for payment of the compensation and the costs be extended until the 15th of December, 1914. The court granted the request, and, if the property is taken, the compensation and all costs attending the hearing must be paid on or before that date.

Respectfully submitted,

O. A. HARKER,
Legal Counsel for University of Illinois.

On motion of Mrs. Evans, the action of the University Counsel in announcing to the court that the board would accept the property at the price fixed by the jury was approved; and the Comptroller was authorized to pay the sum of thirty-five hundred dollars ($3,500) for each of the three lots to the respective parties, and the necessary court costs; and the Supervising Architect was directed to proceed with the preparation of plans for a Woman's Residence Hall to occupy the site of these lots. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit (recorded later), Mr. Montgomery, Mr. Moore; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Meeker, Mr. Trevett, Miss Watson.

BOND FOR MILITARY SUPPLIES.

The Secretary reported for record that, inasmuch as there was an immediate necessity for the execution of a bond covering property of the United States Government in the possession of the Military Department of the University, the members of the Executive Committee did communicate with one another and did unanimously approve, on October 21, 1914, the following resolution:

"Resolved, That Prof. George E. Frazer, Comptroller of the Board of Trustees, is authorized to secure a bond from the American Surety Company of New York in the amount of fifty thousand dollars, covering the ordnance and ordnance stores of the United States deposited with the Board of Trustees of the University of Illinois, and that the Comptroller is authorized to execute such bond in the form required by the Chief of Ordnance of the War Department of the United States Government."

On motion of Superintendent Blair, the action of the members of the Executive Committee was approved and made an act of the board. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit (recorded later), Mr. Montgomery, Mr. Moore; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Meeker, Mr. Trevett, Miss Watson.

At this point, Mr. Hoit joined the meeting, and, having heard the reading of the motions concerning the importation of chemicals, the appropriation for the purchase of lots for the Woman's Dormitory, and the execution of a bond for military supplies, recorded his vote in the affirmative in each instance.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of September 8, 1914, and of the adjourned session of September 11, 1914. The minutes were approved as printed on pages 114-135 above.

C. P. A. CERTIFICATES.

The Secretary presented also a report from Mr. C. M. McConn, Secretary of the University Committee on Accountancy, that the following persons had qualified for the degree of Certified Public Accountant, and that certificates would be issued:

Arthur T. Grossman and Stephen G. Crilly.

This report was received for record.

ADMISSION TO LIBRARY SCHOOL.

The Secretary presented also a report from Mr. C. M. McConn, Clerk of the University Senate:

The University Senate, at its meeting of October 5, 1914, voted to recommend to the Board of Trustees the following additional requirement for admission to the Library School, to take effect in September, 1915:

A reading knowledge of at least two modern foreign languages, one of which shall be either French or German.

At the request of Dr. Montgomery, action on this matter was deferred.

The board took a recess at 1.15 for luncheon. During the recess, Governor Dunne and Miss Watson joined the members of the board.

SETTLEMENT OF SUIT OF MISS BREE KELLY.

President Abbott reported that Miss Bree Kelly had obtained judgment of $750 and costs in a suit against the College of Physicians and Surgeons. This suit, which was for personal injuries claimed to have been caused by falling on an icy sidewalk, was tried in the Superior Court of Cook County, at the term beginning on the first Monday in July, 1914. Judge Harker stated that Miss Kelly had expressed her willingness to accept an immediate settlement of $500.

On motion of Governor Dunne, the Comptroller of the University was authorized to settle this suit for the sum of five hundred dollars ($500). The appropriation involved was made by the following vote: Aye, Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Dunne, Mrs. Evans, Mr. Hoit, Mr. Montgomery, Mr. Moore, Miss Watson; noes, none; absent, Mrs. Henrotin, Mr. Meeker, Mr. Trevett.

RELEASE OF HELLER MORTGAGE.

Judge Harker reported that the release of the Heller mortgage which was authorized by the board on December 19, 1912 (see report 1914, p. 146), had not been executed properly, and requested that the officers of the board be authorized to execute a new release.

On motion of Governor Dunne, the officers of the board were authorized to execute a release of the Heller mortgage deed of the date of April 9, 1870, and recorded in Book S, page 257, in the office of the Recorder of Champaign County. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Dunne, Mrs. Evans, Mr. Hoit, Mr. Montgomery, Mr. Moore, Miss Watson; noes, none; absent, Mrs. Henrotin, Mr. Meeker, Mr. Trevett.

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF DECEMBER 3, 1914.

A special meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Thursday, December 3, 1914, beginning at 12.30 p. m., pursuant to the following notice which was sent out by the Secretary on November 25, 1914:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois, in Urbana, on Thursday, December 3, 1914, beginning at 12.30 p. m., to consider such matters as the committees of the board and the President of the University may submit, and such other business as may be duly presented.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Governor Dunne, Mrs. Evans, Mr. Hoit. President James was present.

There being no quorum, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF DECEMBER 8, 1914.

The quarterly meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Tuesday, December 8, 1914, at 12.30 p. m.

When the board convened the following members were present: President Abbott, Superintendent Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Miss Watson. Mr. Meeker came in a little later and recorded his vote on the actions already taken.

President James was present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The regular order of business was suspended and the board proceeded immediately to the consideration of the following matters presented by President James:

PROPOSAL TO SEND A CADET REGIMENT TO SAN FRANCISCO.

(1) A letter signed by the Commandant of Cadets, Maj. F. D. Webster, and Joseph N. Greene, Colonel of the Cadet Corps, asking for permission to make an effort to raise money to take a picked regiment of 832 men, including the band of the University Corps of Cadets, to the Panama-Pacific Exposition at San Francisco:

URBANA, ILL., *November 22, 1914.*

To the Board of Trustees of the University of Illinois:

The Military Department respectfully petitions the Board of Trustees for permission to make every possible effort to raise money to take a picked regiment of 832 men, including the band of the University Corps of Cadets to the Panama Exposition at San Francisco. It is proposed to leave Champaign on June 19 at the close of the school year and to remain in San Francisco for a period of not less than two weeks or more than four weeks.

It is estimated that the approximate cost of such an undertaking would be $80,000. In order to raise this sum, it is proposed to assess each man who goes on the trip fifteen dollars, thereby raising the sum of $12,000. It is further proposed to raise the remaining amount from three possible sources, to wit: by a special act of the State Legislature, by possible aid from the United States Government, or by aid from the Illinois Commission for the Panama Fair Exposition.

Inasmuch as the State of Illinois must have an exhibit at the Fair, the Military Department is of the opinion that at this particular time a military exhibit would be especially appropriate. The part which college trained soldiers may play in the history of the country in the future may be a great one. The State would be splendidly represented by our Corps of Cadets.

This petition has precedent. The University Corps was sent to the St. Louis Exposition in 1904. The State Legislature of Missouri by a special act appropriated enough money to send the Missouri Corps of Cadets to the Jamestown Exposition.

The Military Department believes this undertaking would be a great good for both the University and the State of Illinois. It therefore petitions that permission be given so that the Military Department may attempt to raise the necessary money.

Respectfully submitted,

F. D. WEBSTER,
Major of Infantry, Commandant of Cadets.
JOS. N. GREENE,
Cadet Colonel.

The Counsel of Administration, after discussing the proposition carefully voted that while there would be no objection to such a trip in itself it would be undesirable to have a request for an appropriation for this purpose presented to the coming Legislature, useless to present it to the commission for the Panama Fair Exposition, and probably useless to present it to Congress.

On motion of Superintendent Blair, this matter was referred to the President of the University, with power to act.

REQUEST FOR FIELD GUNS FOR THE CADET CORPS.

(2) A letter from Maj. F. D. Webster, Professor of Military Science in the University, enclosing certain correspondence with the Adjutant General of the United States Army, in regard to the issue of field guns for the use of the Student Battery of Artillery:

November 17, 1914.

President E. J. James, University of Illinois.

SIR: I desire to invite your attention to enclosed letter and 2d endorsement thereon. I would be glad to have you consider this matter with a view to taking

up the scheme presented at some future time. This Government is now in great need of auxiliary troops to reinforce the Infantry already on hand in the National Guard.

Very respectfully,

F. D. WEBSTER,
Professor of Military Science.

URBANA, ILL., *October 21, 1914.*

From: Maj. F. D. Webster, Infantry; Professor of Military Science and Tactics.
To: The Adjutant General, United States Army, Washington, D. C.
Subject: Issue of late model of field guns to University of Illinois.

1. Referring to paragraph 26, G. O. 70, November 18, 1913, I request to know if the standing of the University of Illinois is, in the opinion of the Inspector, such as to warrant the issue of a later type of field gun for use of the student Battery of Artillery.

2. There are over 2,000 men in the student Infantry Brigade and a Battery of Field Artillery of sixty men proficient in foot battery work whose services should be utilized in learning the use of the later methods of field artillery fire.

3. If later model guns can be furnished more men can be made available for such duty.

4. The guns now on hand are the 3.2 inch B. L. Steel rifles, model 1885.

F. D. WEBSTER.

WAR DEPARTMENT, The A. G. O., *November 12, 1914.*

To Maj. F. D. Webster, Infantry; Professor of Military Science and Tactics, University of Illinois, Urbana, Ill.:

1. While the standard of military instruction at the University of Illinois, as determined by the last annual inspection, was very satisfactory, the 3-inch field artillery material cannot be supplied at the present time under the provision of General Orders No. 70, War Department, 1913. Attention is invited to the fact that where the authorities of a state can organize a *bona fide* battery of field artillery composed wholly or in part of students of a college or university it can be incorporated in the Militia of the state and placed upon the same status as to material, instruction, etc., as any other Militia Battery. It should be clearly understood that the purpose of the Militia Law is to organize and equip units that will be effective in time of war and that will be available for service when needed, in the same manner as organizations of the Regular Army.

2. Such batteries are liable to Federal inspection under section 14 of the Militia Law and will be under the Inspector-Instructors of the Regular Army on duty in districts. They must attend camp, conduct target practice and in general show a state of efficiency that warrants recognition by the Federal Government.

3. Two such batteries are now organized at the University of Minnesota. The state authorities of Indiana are now contemplating the organization of similar batteries.

4. The organization of a Militia Battery in the University of Illinois might be effected in the same manner, by the State authorities of Illinois with the approval and support of the University.

By order of the Secretary of War:

A. F. LAND, *Adjutant General.*

No action was taken on this matter.

REQUEST FOR CHANGE OF UNIFORM.

(3) A letter from the Professor of Military Science concerning a change in the uniform for the Cadet Brigade of the University of Illinois:

November 12, 1914.

President E. J. James, University of Illinois.

SIR: I have the honor to make the following recommendation regarding the Military Department, with the request that it be submitted to the Board of Trustees for its action at the earliest practicable date.

That a change of uniform be made from the present one to the Olive Drab Woolen Service, the same as is in use in the United States Army. This will consist of the following articles:

1—Cap, olive drab.
1—Breeches.
1—Trousers.
1—Coat.
1—Leggins, canvas.
1—Waist belt (web).
1—Shirt, olive drab.

The total cost of these is about $14 as against $16.20 required for the present uniform.

This uniform will be more comfortable than the present one and more serviceable in every way. The breeches with leggins will be worn for drill purposes and the trousers when appearing at cadet hops and for other social purposes.

This change will result in a mixed uniform for the first year, the sophomores wearing the present uniform and only the freshmen buying the new one. The sentiment of the cadets is almost unanimous in desiring this change.

The new two-year contract for 1915-16 and 1916-17 is to let in the Spring of 1915. The War Department attempts in no way to influence the University in regard to uniform.

Upon the recommendation of Director A. A. Harding, it is thought desirable and advisable to retain the present uniform for the band.

Very respectfully,

F. D. WEBSTER,
Major of Infantry, Professor of Military Science.

Consideration of this matter was deferred.

REPORT OF STATE LABORATORY OF NATURAL HISTORY.

(4) A letter from Prof. Stephen A. Forbes, Director of the State Laboratory of Natural History, transmitting the biennial report of the work of this department:

November 27, 1914.

President Edmund J. James, University of Illinois.

SIR: I have the honor to report concerning the operations of the State Laboratory of Natural History during the past two years, that, with the exception of the necessary routine work at the Urbana headquarters, they have been limited mainly to a continuation of our operations on the Illinois River and its tributary waters, now rapidly approaching a completion of our program.

A general survey of the chemistry and biology of the stream, reported for the upper river in article 10 of Volume IX of the Bulletins of this Laboratory, has now been carried on for the lower part of the river, from Peoria to the mouth, with special attention to the animal life of the shores and bottom of the river and of the lakes of its overflow land.

Mud samples were also obtained from these waters for chemical analysis, with a view especially to a classification of the bottom land lakes and streams in respect to their natural productivity. Studies have been made of the length of time during which aquatic animals or their eggs can survive when the land lies dry between overflow periods. For this purpose samples of the dirt collected from tracts which had been out of the water for various periods were put into jars of water and kept under normal conditions to see what aquatic animals and plants would reappear and multiply. It was a part of the object of this inquiry to test the practicability of a rotation of agriculture and fish culture, as recommendned by high European authority.

Samples of the water of the river have been collected and analyzed chemically every two weeks for an entire year from twelve stations along the course of the stream, together with other samples from the Mississippi River for comparison. The special object of this series is to trace down the stream the gradual transformation of the organic matters contained in the sewage contributions from the Chicago Drainage Canal and from the principal towns along the river banks, with a view to learning where they first become available as food for aquatic plants, and thus, in the end, for the maintenance of fishes.

Large collections of fish stomachs have been made and studied to give us details of the natural food of certain of our more important fishes, especially black bass, carp, and buffalo, and our more destructive water animals, particularly gars and cormorants. Similar studies have been made of the food of the smaller animals of the bottom, upon which fishes are largely dependent for their own maintenance.

Systematic and continuous observations have been carried on upon the breeding grounds of bass and carp with reference especially to the fate of the fry in our natural waters.

The practical disappearance of the buffalo from the Illinois River, formerly its most important food fish, has led to a study of the buffalo fisheries of the Mississippi River, particularly those at New Boston and Alton, in the hope that light might thus be thrown upon the Illinois River problem.

The data derived from these various investigations, together with others of the years preceding the present biennium, have now been tabulated and organized, preliminary to the preparation of reports upon their various topics; and the manuscripts of several such reports are well advanced towards completion.

An analysis and tabulation of all data of fish production of the Illinois River obtainable from the various statistical reports made from 1894 to the last United States Census of 1908, has been made by us with the idea primarily of comparing the productivity of the Illinois waters before and after the opening of the Chicago Drainage Canal in 1900. We have obtained additional data of this sort by a careful compilation and analysis of all shipments of fish from Havana, one of the principal shipping points on the Illinois, from 1908 to the present year.

We have been, during the past summer, working upon a program of cooperation with the Rivers and Lakes Commission and the State Game and Fish Commission, which has resulted in the engagement, by the Rivers and Lakes Commission, of Alvord and Burdick, a firm of eminent engineers, to make a general report upon the Illinois River, having in view all the interests concerned. We have collated and turned over to these engineers a considerable body of information concerning the river and its fisheries, and have translated for their use many foreign articles describing fisheries conditions and yields under various forms of management in the Old World. We have also made a general reconnaisance of the river, in their company, in our Station launch, on a trip from LaSalle to Grafton, at the mouth of the stream.

I have also endeavored to make our products and operations as useful as practicable to the Game and Fish Conservation Commission, have held several conferences with them at their request, and have made a special biological survey of the waters in the Spring Lake reclamation district as bearing upon propositions of the commissioners of that district for a transfer of a portion of their property to the State for fish production.

A similar service was done, at the request of the Rivers and Lakes Commission, in a thoroughgoing biological survey of the upper Fox River, with special reference to pollutions of that stream by towns along its banks of which complaint had been filed with the commission. Our collections were made at fifty-six stations from Dundee to Yorkville, and a preliminary report of the various pollutional conditions found, as illustrated by the plant and animal contents of the stream, was made to the commission September 19.

The Illinois River work has been in immediate charge, as heretofore, of Mr. R. E. Richardson, Biologist of the Laboratory.

The water analyses have been made by the Water Survey of the State under a cooperative arrangement by which the products of the work are available to both parties.

Other chemical determinations have been made at State Laboratory expense in the chemical laboratories of the University.

The biological station houseboat, or floating laboratory, which is the portable headquarters of all our Illinois River work, was rebuilt during the last winter at the expense of the University of Illinois, to which this property actually belongs. Our equipment for field work is consequently now in excellent condition.

At Urbana an important work has been in progress, in the determination and incorporation of large additions to our extensive insect collections, and a complete reorganization of the whole to bring it up to date. The time of the systematic entomologist of the Laboratory, Mr. C. A. Hart, is virtually all given to this work.

Our very large recent collections of aquatic animals and plants from the Illinois River region are an important addition to the permanent collections of the Laboratory, available not only for our own present studies but for detailed work by others for many years to come.

One family of insects (Chironomidae) whose aquatic larvae are particularly important as an element in the food of fishes, has been thoroughly worked up, and a monograph on the family prepared for publication by Mr. J. R. Malloch, an expert in this Department of Entomology, now permanently on my staff.

I have also improved the opportunity of establishing a new laboratory for exact research on aquatic animals at the University, where a newly appointed Professor of Animal Ecology has been engaged for part-time service on the State Laboratory staff in an investigation of special subjects requiring a fixed equipment of complex apparatus. He is now at work on the precise effects of contaminations due to gas-house wastes upon the various species of fishes exposed to them in our principal streams. Many subjects are now opened to us for the first time by the establishment of this new laboratory. There are also several important matters already in hand requiring further field work for their completion, and an active investigation of new problems must consequently be continued during the coming two years.

Our field and experimental work having now run far ahead of our report manuscripts, it is my intention to give the greater part of the time available during the coming year to the preparation and publication of bulletins making the results of our studies available to those interested. There is, in fact, in my hands a great accumulation of materials in various stages of preparation for publication, much of it obtained many years ago; and I would like it if my employments and responsibilities might be so adjusted that I could bring these matters to the point of final report and publication without further delay.

Respectfully yours,

STEPHEN A. FORBES.

This report was received for record.

LITIGATION AGAINST THE UNIVERSITY.

(5) A communication from Judge O. A. Harker, Counsel for the University, stating the present situation in regard to certain cases against the Board of Trustees of the University of Illinois, pending and undetermined in the courts.

November 25, 1914.

To President James and the Board of Trustees of the University of Illinois:

As Legal Counsel of the University, I beg leave to submit the following report as to cases against the Board of Trustees pending and undetermined in the courts:

WALTER J. NORTH, ADMINISTRATOR OF THE ESTATE OF JAMES W. NORTH, DECEASED V. THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS.

This case was brought before the Illinois Industrial Board under the Workmen's Compensation Act of 1913, to recover for the death of James W. North, which occurred on the 5th of December, 1913, by his falling through an elevator shaftway, at the College of Medicine, Chicago. North was employed as curator at a salary of $70 per month. The University denied its liability on the ground that North's death was attributable to no negligence of the University, and because the University had not elected to come under the provisions of the Workmen's Compensation Act. Upon the hearing, counsel for the respondent moved to dismiss the case upon the ground that the University was without the provisions of the act, never having so elected. The motion was overruled, and decision entered against the Board of Trustees requiring it to pay the representatives of the deceased $8.08 per week, commencing December 5, 1913, and continuing until such payments aggregate $3,360. Application was at once made to have the cause reviewed by the Supreme Court upon a writ of certiorari. The writ was obtained, but it cannot now be reviewed in that method because the Supreme Court has recently decided in another case that the provision of the act authorizing a review by certorari in that court is unconstitutional. We were therefore compelled to apply to the Circuit Court of Cook County for the writ, and the cause is there pending. If that court should decide against us, a writ of error will be prosecuted to the Supreme Court. It is highly important that this should be done because of the uncertainty concerning certain provisions of the Workmen's Compensation Act and the desirability of having the Supreme Court decide whether we are within its provisions without filing election to be within it.

MARIE SEEBACH V. BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS.

This is a suit pending in the Circuit Court of Champaign County brought by the plaintiff, a former student, who was dropped from the University for poor scholarship. It is an ex contractu action in which she complains of the refusal of the University authorities to allow her to continue as a student, and she seeks

a judgment of $10,000. It is defended upon the ground that the University was authorized in its discretion to discontinue the plaintiff's attendance as a student, she having failed to meet the requirements under established rules.

MARIE SEEBACH v. EDMUND J. JAMES, AND OTHERS.

This action is a tort action against President James and others, members of the Council of Administration, for wrongfully excluding the plaintiff as a student after she had been admitted as such and allowed for a certain length of time to pursue her studies. The special plea under which the case will be defended sets up certain rules adopted for the guidance of under-graduate students, the enforcement of which is necessary. The defense is the same as in the case last above mentioned. The power of the Council of Administration in its discretion to exclude poor students will be put to its test in this case.

GEORGE DOUGLAS v. THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS.

This is a suit pending in the Circuit Court of Champaign County, in which the plaintiff claims rent on 40 acres of land purchased from him by the Board of Trustees. He claims rent at the rate of $12 per acre under an agreement made with Prof. Blair, of the Department of Agriculture. Prof. Blair denies that any agreement to pay rent in the event of the purchase of Mr. Douglas' land was ever made by him. The suit is defended upon two grounds; first that no such contract as that set up by Mr. Douglas was ever made by Mr. Blair with him, and second, that Prof. Blair had no authority from the Board of Trustees to make any contract whatsoever with Mr. Douglas.

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS v. HENRY RIETZ, NELLIE WALTON, AND CHARLES W. WALCOTT.

This is a proceeding which was commenced before the County Judge of Champaign County to condemn lots 23, 24, and 25, in the Forestry Heights Addition to Urbana (property situated on Nevada Street) for university purposes. After a trial in which considerable evidence was heard as to the value of the lots, the jury returned a verdict fixing the compensation of each property owner at $3,500. The University announced its election to stand by the verdict and prayed for an order allowing it on the 15th day of December, 1914, to pay the compensation and the costs of the proceedings. On the payment of the amount and the costs on or before the 15th of December, the University will go into possession and ownership of the three lots.

DAVIS MCCONNOUGHEY v. BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS.

This was a petition for mandamus filed by the petitioner to compel the University authorities to admit him as a student, and allow him to pursue duties as such. His petition alleged that he reigstered as a Freshman in the College of Arts and Sciences in September, 1913; that he was dropped for poor work; that he was admitted again on probation at the Summer Session, 1914, and that he applied for admission in September, 1914, and was denied. The suit was begun immediately with the beginning of the school year and as it was important to have an early decision in the case reached, I waived want of service in time for the September term of the Circuit Court and interposed answer admitting the refusal to allow the petitioner to register and justifying it upon the ground that his work was so exceedingly poor and below that of an ordinary student that the general welfare of the University required that he be excluded. A jury was waived and a trial had before the Hon. Frank H. Boggs, presiding judge of the Circuit Court. The case is similar to the Seebach case, excepting that the method of procedure is different. Each involves the power of the University authorities in their discretion to exclude students because of poor scholarship. The court, after taking the case under advisement, rendered an opinion fully justifying the action of the Council of Administration in refusing to allow the petitioner to continue as a student. He holds that the University is invested with large discretionary power in carrying on its work of education, and the courts should not interfere except in case of abuse of that discretion.

The petitioner prayed for and obtained an appeal and the case is now pending in the Appellate Court at Springfield. I have the utmost confidence that the decision of Judge Boggs will be sustained.

Respectfully submitted,

O. A. HARKER, *Legal Counsel.*

PLYM FELLOWSHIP IN ARCHITECTURE.

(6) A letter from Francis J. Plym, President of the Kawneer Manufacturing Company, Niles, Mich., concerning the permanent endowment of the Francis J. Plym Fellowship.

October 26, 1914.

President Edmund J. James, University of Illinois, Urbana, Illinois.

MY DEAR DR. JAMES: In answer to your letter of the 15th of October, I was aware that the Fellowship had only been made for five years and this was the last year. I have thought this over a great deal and of course we are not definitely sure of anything, particularly our income, but as my business was going on, I assumed I would soon be justified in offering to the Trustees a sum of money, the interest of which would be sufficient to permanently endow a Fellowship for European study and travel. Until this time had arrived, I had fully intended to maintain the Fellowship as I had been doing, remitting to the Trustees at least $1,000 a year.

When I first suggested this endowment, I did not have the idea of continuing for only a few years and then discontinuing. Of course I had in mind the successful outcome of my business, the result of which would determine the continuation of this Fellowship. The indications are now, however, that there will be no omission. In case anything should happen to me, the estate would be such that the matter could be carried on without any interruption.

What I am aiming at through this Fellowship is this—to see the Department of Architecture developed into one of the best, if not the best, Architectural Colleges in this country and that it will indirectly aid the University and that, lastly, this scholarship will be helpful to the Department of Architecture and the University, as well as to the Fellow in his future work. If I am in a small measure successful in accomplishing these results, I shall be perfectly satisfied.

I did feel that probably the Fellows who had been abroad might be justified in asking for a certificate of some sort from the University, stating that they had completed this work in a satisfactory manner. I feel sure it would help the boys in their future work. As it is now, they have nothing apparent, to indicate this work was done, unless those who are interested might go to the University for reference.

Yours respectfully,

FRANCIS J. PLYM.

On the recommendation of President James and on motion of Mrs. Evans, this letter was received for record, and the President of the University was authorized to have an announcement of the Fellowship printed in the Annual Register.

LEASES OF THE FARM LANDS GIVEN BY CAPT. SMITH.

(7) A letter from the Comptroller concerning the leases filed with the Secretary of the Board of Trustees by Capt. Thomas J. Smith, covering the real estate which Capt. Smith recently presented to the University for the erection of a Music Building.

On the recommendation of President James and on motion of Superintendent Blair, this letter was referred to the Committee on Agriculture with the request for a recommendation upon the best policy to be pursued in handling these lands.

LABORATORY FEE IN ZOOLOGY.

(8) A letter from Dr. K. C. Babcock, Dean of the College of Liberal Arts and Sciences, endorsing a recommendation made by Prof. Henry B. Ward, that a laboratory fee of $2.50 be fixed for course 4 in Invertebrate Zoology which begins next semester.

On the recommendation of President James and on motion of Mr. Hoit, the recommendation of Dr. Babcock was approved and the fee was established.

PROFESSORSHIP IN AGRICULTURAL EDUCATION.

(9) A recommendation from the Dean of the College of Agriculture that the position of Professor of Agricultural Education be established in the College of Agriculture with the understanding that this Professor may be also classified as a member of the Faculty of the School of Education.

On the recommendation of President James and on motion of Miss Watson, this recommendation was approved and the position established.

PURCHASE AND RENTAL OF MICROSCOPES.

(10) A communication from the Secretary of the College of Medicine relating to the purchase and rental of microscopes in the College of Medicine:

PROPOSED REGULATIONS CONCERNING THE OWNERSHIP, SALE AND RENTAL OF MICROSCOPES.

Each student in the College of Medicine is required to own, or have the entire use of, a microscope of approximately the following description: hinged stand, with coarse and fine adjustments, triple nose-piece; substage condenser with iris diaphragm; oculars II and IV; objectives No. 3 (16 mm.) No. 6 (4 mm.), and 1/12 inch oil immersion. The conditions under which microscopes are purchased or rented are as follows:

1. The College of Medicine urges that each student purchase his own microscope. The University will act as the purchasing agent for the student, so as to secure to him the benefit of wholesale prices. Students desiring to purchase a microscope will leave a written order to that effect with the Secretary. Such order must be accompanied by a check covering the price of the microscope, $..... The Secretary undertakes to act as agent for the student in the purchase of the microscope.

2. The University will buy microscopes and sell them to students on an installment basis, if students so desire. The student desiring to buy a microscope on this basis must file a written order to that effect with the Secretary, accompanied by an initial deposit of ..... dollars. The student will be required to pay a further installment of ..... dollars at each subsequent registration. The balance due on the microscope becomes payable whenever the student discontinues his attendance at the college, either by graduation, dismissal, or otherwise. Each

microscope remains the property of the College of Medicine until all installments due on it have been paid. The student will be required to furnish a bond signed by two taxpayers of the State of Illinois acceptable to the Comptroller of the University.

3. Students may rent microscopes from the University by the payment of rental charges according to the following schedule:

Microscopes having double nosepiece, $2.50 a semester.

Microscopes having triple nosepiece and oil immersion lens, $4 a semester.

Microscopes rented to students must be returned to the Secretary, or to the Curator of the College, for inspection and repair at any time upon request. Microscopes rented to students must be returned by them in good condition at the close of each semester. The student will be required to furnish a bond signed by two taxpayers of the State of Illinois acceptable to the Comptroller of the University.

On the recommendation of President James and on motion of Superintendent Blair, the proposed regulations as to ownership, sale, and rental of microscopes in the College of Medicine were approved, and the Comptroller was authorized to put the proposed scheme into effect.

At this point, Mr. Meeker joined the members of the Board and, after hearing the reading of the actions previously taken, recorded his vote in the affirmative in each case.

PETITION FOR AN ACADEMIC COLLEGE IN CHICAGO.

(11) A petition to the Trustees and President of the University of Illinois from certain school teachers and others in the city of Chicago that the Trustees shall open an academic college, a branch of the University of Illinois, in the city of Chicago.

Mrs. Mary K. Plumb and Miss Eleanor M. Mahany appeared before the Trustees and presented a petition signed by 3,300 teachers in the Chicago schools, that the Trustees establish such a department in Chicago.

No action was taken on this subject.

EXHIBIT AT PANAMA-PACIFIC EXPOSITION.

(12) A request from Francis G. Blair, State Superintendent of Public Instruction, for an appropriation of $1,500 to provide for an exhibit of the University in the Education Department of the State of Illinois for the Panama-Pacific Exposition.

On the recommendation of President James and on motion of Mr. Meeker, this appropriation was made. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

HOSPITAL BILLS FOR OTTO KREIGLE.

(13) A recommendation from Prof. White that bills amounting to $288.50, for hospital services, etc., be paid for Otto Kreigle, an electrician in the employ of the University, who was injured by falling into the pit in the room where we ordinarily store the electric test car. An operation proved necessary, but Mr. Kreigle has since recovered and is back at work. He offers the following receipt to the Trustees:

Received from the Board of Trustees of the University of Illinois, the sum of $288.50, the amount agreed upon as settlement in full of all claims which I hold against the Board of Trustees of the University of Illinois for injuries received while in the employ of said board as electrician on the 9th day of September, 1914.

On motion of Mr. Meeker, the Comptroller was authorized to pay the hospital and other bills amounting to $288.50, for Mr. Kreigle. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

ROOM FOR SALE OF ICE CREAM.

(14) A letter from Prof. H. A. Harding, head of the Department of Dairy Husbandry, recommending that an enclosed balcony be placed over the low masonry structure in the angle between the dairy wing and the west central division of the Agricultural Building which formerly contained the stock pavilion, thus providing a room for the retail sale of ice cream made by the Dairy Department in the course of its experimental work. The plan is approved by Dean Davenport and the blue print submitted by Prof. White shows the estimated cost of the work to be $870. It is proposed to provide for the expense out of Dairy Funds.

On the recommendation of President James and on motion of Mr. Meeker, the sum of $870 was appropriated as requested, provided the agricultural budget and the dairy appropriation when approved can provide for the expense. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

LEAVE OF ABSENCE FOR DR. WHITING.

(15) A recommendation from Dean Davenport that sick leave of absence, with pay, be granted to Dr. A. L. Whiting, until the close of the present semester, unless he should find himself able to return sooner to his University work.

On motion of Superintendent Blair, this recommendation was approved. The vote was as follows. Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

DIRECTORY OF MATRICULANTS.

(16) A report of the present status of the Matriculants' or University of Illinois Directory.

The directory will contain the names of all former students and of all persons who have ever been connected with the Faculty and Staff of Administration, approximately 25,000, supplying information as to the years of residence at the University, degrees, occupation, and present address. Names will be arranged alphabetically and geographically—in the latter case, grouped by cities and states. The directory will contain about twelve hundred pages. Three thousand copies of this book may be printed for about $4,500.

On motion of Mr. Meeker, the price of the directory was fixed at $1.50 a volume, and the Comptroller of the University was authorized to let the contract for the printing of 3,000 copies of the volume as soon as the copy is ready. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

LAWES MEMORIAL, ROTHAMSTED EXPERIMENT STATION.

(17) A letter from the Dean of the College of Agriculture recommending that the sum of $500 be appropriated from the receipts of the Experiment Station as a contribution to the building of the Lawes Memorial at Rothamsted, England, in consideration of which a complete set of the Rothamsted Memoirs will be presented to the library of the University of Illinois.

On the recommendation of President James and on motion of Mr. Hoit, the sum of $500 was appropriated for the Lawes Memorial. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Meeker, Miss Watson; noes, none; absent, Mr. Dunne, Mrs. Henrotin, Mr. Montgomery, Mr. Moore, Mr. Trevett.

REQUEST FOR BIRD PRESERVE.

(18) A letter from Prof. Ward, enclosing one from Prof. Smith, in regard to the necessity for a bird preserve near the University:

URBANA, ILL., *October 21, 1914.*

MY DEAR PRESIDENT JAMES: During the past few years there has been much discussion concerning the difficulties encountered by this department in giving instruction that involves field work by virtue of the destruction of natural growth in the surrounding country. I am sending you herewith a letter from Prof. Smith. This was written last spring when he was trying to do instructional work in the course in ornithology. I talked it over with you informally at that time.

Feeling it was possible for him to be overinfluenced by trivial difficulties at the time the course started, I laid it aside and requested him to let me know later how the matter looked. There has been since then sufficient time for any temporary feeling of inconvenience to disappear and for us to get a definite view of the permanent conditions as they exist after the changes on which he comments. He feels that the situation is no better than he thought it was at that time and in some respects is even worse than it seemed to him then.

The number of birds available for study was far smaller last spring, during the summer, and this fall than it ever has been before. The situation is serious because the demand for instruction in this line is real and is increasing. The high school teacher is expected to know the birds and to give instruction to students in ornithology. Much emphasis is laid upon bird study in the work of elementary grades and no textbook in nature study can be used or no course be properly given without spending considerable time on this phase of the topic. It is hardly necessary to add that birds are now regarded as important agents in reducing and holding in check the insect enemies of our crops and gardens. The farmer and gardener has come to look upon them as his friends and allies and to consider that teaching in our schools is far from adequate when proper attention is not devoted to them.

Some way or other the University must protect its possibilities of instruction in this direction. If the patch of woodland northeast of the town were to be destroyed or to be opened to the ravages of hogs there would be no point within any reasonable distance at all for the study of bird-life. It is because I fear this condition which would result in the total elimination of our bird study, that I am writing you again about this matter. I think the letter of Prof. Smith is so clear and conservative that it ought to be kept and that at some convenient time the matter ought to be given definite consideration in providing for University facilities. Would it not be a good thing for Prof. Smith to discuss the matter at some time before the Board of Trustees for example?

Very sincerely yours,

HENRY B. WARD.

[Prof. Smith's Letter.]

March 16, 1914.

DEAR PROF. WARD: I wish to call attention to the fact that the very last accessible places which furnished conditions attractive to the majority of the birds that come during the earlier part of the season have now been "cleaned up" and made valueless for the work with a bird class. Houses have taken the place of bushes on the Reasoner place and the hedges have been destroyed and now the Cemetery has been renovated by the complete destruction of all the hedges, brush patches, and neglected corners which furnished the only conditions attractive to many varieties of birds that were formerly abundant here but can no longer be found in places within reach of bird classes.

With a wonderful increase in the interest in bird life throughout the State and country it seems strange that the University which is so progressive in many lines should be so utterly lacking in interest in this direction.

Four or five acres adjacent to the Forest or including part of it could be easily planted with shrubbery and trees that would supply food and protection to many of our earlier visitors and be of great advantage to our bird classes.

There have not been less than 50 students annually in these classes for a number of years and, as many of them teach in the schools of the State later on, the benefit resulting in this important phase of conservation activities in the State is hardly likely to be overestimated.

Unless something is done very soon to improve conditions for field work here or to provide transportation to suitable places our attempts to give courses in bird work will be largely farcical.

Very truly,

F. SMITH.

On motion of Superintendent Blair, these letters were received for record and the matter was referred to Mrs. Busey and the Committee on Agriculture for consideration and report.

REQUEST FOR ORGANIZATION OF A TROOP OF CAVALRY.

(19) A letter from Mr. J. D. White, Captain of the First Cavalry, commanding Troop B, endorsed by Maj. F. D. Webster, Professor of Military Science, concerning the organization of a troop of Cavalry in connection with the University Cadet Brigade:

URBANA, ILL., *December 1, 1914.*

President Edmund J. James, University of Illinois, Urbana, Ill.

SIR: I have been informed that a number of universities have, at the suggestion of the War Department, organized troops of cavalry or batteries of artillery of the National Guard of their respective states. In doing this they extend their military training to include mounted as well as dismounted work.

As there are no vacancies in the Illinois National Guard for mounted organizations I wish to suggest that Troop B, 1st Cavalry, Illinois National Guard, be taken in by the University. The students who wish can enlist and be furnished with all clothing and equipment by the State. Those who do not care to enlist, but who wish mounted training, could no doubt be taken care of in some manner.

The only expense to the University or State would be to furnish horses to drill with, and as the troop would drill at night the horses could be used by the Military Department of the University during the day. The troop is now composed of more than 50 per cent students of the University, and arrangements can be made to make the organization almost completely a University body.

The University would have the services of this troop on occasions of ceremony, cadets could use the equipment for mounted drill, if so desired, and it would give many students who are interested in mounted work a chance to get a more extended training. The regiment of which this troop is a part is composed of twelve troops and is commanded by Col. Milton J. Foreman of Chicago, and is considered one of the best mounted organizations in the organized militia. I have spoken to Col. Foreman regarding this subject and he expressed himself as being highly pleased with the proposition, and is very anxious to have it carried through.

One of the officers of the troop, Wilber J. Carmichael, is a member of the University Faculty, and was a Major in the University Regiment during his student days.

I would also request authority to use the Stock Judging Pavilion for the mounted drill of Troop B one night a week, if it can be conveniently arranged. For the present we may be able to rent horses for this purpose but funds would only be available for about one mounted drill each month. It is also thought that the organization of a riding club might be advisable.

Should you look with favor on this letter I will be glad to go further into the matter with you, in conjunction with the Commandant.

Very respectfully,

J. D. WHITE,
Captain 1st Cavalry; Commanding Troop B.

[First Endorsement.]

Military Department, December 2, 1914. Respectfully transmitted to President James. I heartily concur in the suggestions of Capt. White and hope they can be carried out.

F. D. WEBSTER.
Major of Infantry, Professor of Military Science.

This communication was received for record and referred to the President of the University for consideration and report.

MINNESOTA LAND CONTRACT.

(20) A letter from the Comptroller announcing that the last payment on the northeast quarter of the northwest quarter of section 4 (containing 39.91 acres) and the southeast quarter of the northwest quarter of section 4 (containing 40 acres) in the county of Kandiyohi, in the state of Minnesota, had been received, amounting to $128.40.

This last payment, like the others, must be turned into the State Treasury, and will become part of the endowment fund of the University of Illinois, on which interest is paid by the State under the act of 1897.

On motion of Superintendent Blair, this payment was accepted, and the President and Secretary of the Board of Trustees were authorized to execute a deed to this property.

REQUEST FOR ASSIGNMENT OF LAND.

(21) A letter from the Dean of the College of Agriculture in regard to the assignment among the various University interests of the 320-acre tract of land lying east of the South Farm, and which was recently purchased.

This communication was referred to the Committee on Agriculture for consideration and report.

LEAVE OF ABSENCE FOR PROF. MUMFORD.

(22) A request from Prof. Herbert W. Mumford for leave of absence on half pay for the purpose of advanced study for one year beginning September 1, 1915, in accordance with the statutes of the University on that subject.

On motion of Mrs. Busey, this application was granted, provided the President of the University can make satisfactory arrangements for Prof. Mumford's work during this absence.

APPOINTMENT OF PROFESSOR KUNO MEYER.

(23) A recommendation that the President of the University be authorized to appoint Dr. Kuno Meyer visiting Professor of Celtic Languages and Literature, for the second semester of the academic year 1914-15; his remuneration to be charged to the appropriation for the salary of Prof. Frechet who was detained in France by the outbreak of the present war.

On motion of Superintendent Blair, this recommendation was approved.

MARGARET LANGE JAMES LOAN FUND.

(24) A letter from the President of the University to the Board of Trustees concerning the endowment of a student's loan fund for young women, to be called the Margaret Lange James Loan Fund:

URBANA, ILL., *December 8, 1914.*

To the Board of Trustees of the University of Illinois:

You are probably aware that Mrs. James was very much interested in the welfare of the students of the University of Illinois, and that she concerned herself much with personal and individual, as well as general, cases and problems. She was especially interested in helping to increase the facilities, opportunities, and privileges for young women. She expressed to me, some years ago, a desire that we should provide for the nucleus of a loan fund for students, preferably women, to which other people might be invited to contribute.

In accordance with her wishes, therefore, I am making to you the following proposition.

I will present to the Trustees of the University of Illinois the sum of $5,000 to be loaned at the rate of five per cent per annum to students, preferably women, who have completed two full years of work in the University of Illinois, and who, by their character, intellectual capacity, and physical vigor give distinct promise of rendering valuable service to their day and generation—this fund to be known as the Margaret Lange James Student Loan Fund.

This offer is made on the condition that the Board of Trustees on their part will agree:

1. To maintain the principal of this fund intact.
2. To pay semi-annually the sum of $125, during the term of her natural life, to my daughter, Helen Dickson James.
3. To add after her death the income of the fund to the principal.

I recommend that this proposition be referred to the Finance Committee of the board for consideration and report.

EDMUND J. JAMES.

On motion of Superintendent Blair, this offer was referred to the Finance Committee for consideration and acceptance.

POLICY CONCERNING INCOME AND BUDGET.

(25) The following statement:

It will be necessary for the Board of Trustees to decide shortly as to what policy they will adopt concerning the requests from the Legislature at the coming session for the support of the University.

I recommend that the Trustees ask the Legislature to appropriate the proceeds of the mill tax in a lump sum to the Trustees of the University of Illinois, for the maintenance and extension of the University.

The following buildings have been approved by the Board of Trustees in the order in which they are placed and with the sums indicated, the latter including in some cases the estimate of the cost of furnishing, made by the Supervising Architect.

1. Chemical Laboratory	$300,000
2. Addition to the Commerce Building	150,000
3. Vivarium and Insectary	50,000
4. Addition to Natural History Building	75,000
5. Building for the School of Education	150,000
6. Building for engineering and Ceramics, including reconstruction of mechanical engineering laboratory and extension of mining engineering laboratory, completion of the Transportation Building, etc.	225,000
7. Woman's Residence Hall	110,000
8. Music Building (chiefly provided for by Capt. Smith's gift)	250,000
Total	$1,310,000

In addition to these buildings, the University should provide for a section of the new Library Building ($250,000), for the beginning of a new plant for the College of Agriculture and Experiment Station ($250,000), for a School of Pharmacy Building ($100,000), and for teaching hospital ($250,000), to be completed as soon as it is possible to obtain the necessary funds.

No action was taken in this matter.

EXHIBITS AT PANAMA-PACIFIC EXPOSITION.

(26) A statement of the arrangements that have been made for the various exhibits of the University at the Panama-Pacific Exposition, including:

1. An exhibit to be placed in the exhibit of the Bureau of Agriculture of the Federal Government.
2. An exhibit of the College of Agriculture in the Illinois exhibit under the care of the Illinois Commission.
3. An exhibit of the University Library in the exhibit of the American Library Association.
4. An exhibit of photographs in the exhibit of the United States Bureau of Education.
5. An exhibit of a model of the University grounds and buildings in the educational exhibit of the State of Illinois.

No action was taken concerning this statement.

DEDICATION OF ORGAN IN AUDITORIUM.

(27) A statement that the organ for the Auditorium had been finally placed in position and dedicated for use on December 3, 1914, with a concert by Prof. Charles Heinroth, of the Carnegie Institute at Pittsburg.

The organ seems to be satisfactory, although there are some difficulties in the way of its functioning, owing to the dampness of the air in the basement of the Auditorium. An effort is making to adjust this difficulty at the present time.

No action was taken in this matter.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meetings of November 14, 1914, and December 3, 1914. On motion of Mr. Hoit, the minutes were approved as printed above on pages 136-154-155, inclusive.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented for record the following list of appointments made by President James to fill vacancies in positions provided for in the budget:

Briggs, Evelyn L., Stenographer in the Office of the Comptroller, at a salary of fifty-five dollars ($55) a month, beginning November 1, 1914, subject to the rules of the Civil Service Commission. (November 28, 1914.*)

Carothers, H. C., Student Assistant in Anatomy in the College of Medicine, for the first semester of the academic year 1914-15, to give nine hours service a week, at a salary of seventy-five dollars ($75) for the semester. (November 20, 1914.)

Dame, Louis, Student Assistant in Anatomy in the College of Medicine, for the first semester of the academic year 1914-15, to give six hours service a week, at a salary of fifty dollars ($50) for the semester. (November 20, 1914.)

MEETING OF JANUARY 22, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, at 9.00 a. m., on Friday, January 22, 1915, pursuant to the following notice which was sent out by the Secretary on January 16, 1915:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois on Friday, January 22, 1915, in the Trustees' Room, at the University, at Urbana, beginning at 9.00 a. m., to consider such business as the President of the University and the committees of the board may present.

When the board convened, the following members were present: President Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Trevett, Miss Watson. Mr. James K. Hopkins, the new President of the State Board of Agriculture, was present and took his seat with the Board of Trustees as a member ex officio.

Mr. Robert F. Carr and Mr. Robert R. Ward, members elect, were present by invitation and sat with the board during the entire day.

President James was present.

NEEDS OF DEPARTMENTS PRESENTED.

The regular order of business was suspended, and President James introduced the following members of the Faculty of the University, who presented, in the order in which their names appear, the needs of their respective colleges and departments for the coming biennium: Dean K. C. Babcock, the College of Liberal Arts and Sciences; Prof. W. A. Noyes, the Department of Chemistry; Prof. W. C. Bagley, the Department of Education and the School of Education; Prof. S. P. Sherman, the Department of English; Prof. William Trelease, the Department of Botany; Dean Eugene Davenport, the College of Agriculture; Prof. F. H. Rankin, the Department of Agricultural Extension; Prof. H. A. Harding, the Department of Dairy Husbandry; Prof. Isabel Bevier, the Department of Household Science; Prof. C. G. Hopkins, the Department of Agronomy.

At this point, the board took a recess, for luncheon, at 12.15 p. m.

Afternoon Session.

When the board reconvened after luncheon, the same members were present as during the morning session.

PRESENTATION OF DEPARTMENTAL NEEDS CONTINUED.

The presentation of departmental needs was continued in the following order:

Dean C. R. Richards, the College of Engineering and the Engineering Experiment Station; Prof. I. O. Baker, the Department of Civil Engineering; Dean David Kinley, the Courses in Commerce and the Graduate School; Prof. E. B. Greene, and Librarian P. L. Windsor, the Library; Dean O. A. Harker, the College of Law; Director J. L. Erb, the School of Music; Assistant Librarian F. K. W. Drury, the Campus Theater; Prof. A. S. Pease, the Museum of Classical Art and Archeology; Maj. F. D. Webster, the Department of Military Science; Director G. A. Huff, the Department of Physical Training.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the quarterly meeting of December 8, 1914. On motion of Mrs. Evans, the minutes were approved as printed above on pages 156 to 167, inclusive.

COMPTROLLER'S REPORT.

The Secretary presented for record the report of Prof. George E. Frazer, Comptroller, for the quarter ending December 31, 1914:

January 7, 1915.

Hon. W. L. Abbott, President, Board of Trustees, University of Illinois.

DEAR SIR: I have the honor to hand you herewith a report of my accounts as Comptroller, for the three months ending December 31, 1914.

Very truly yours,

GEORGE E. FRAZER, *Comptroller.*

MATTERS PRESENTED BY PRESIDENT JAMES.

The board proceeded to the consideration of the following matters presented by President James:

MARGARET LANGE JAMES LOAN FUND.

(1) The following statement:

At the last meeting of the Board of Trustees I presented a letter, addressed to the Board of Trustees, offering to give the sum of $5,000 to the University of Illinois to serve as a nucleus for a students' loan fund to be known as the Margaret Lange James Student Loan Fund (see page 165).

I have prepared a proposed deed of gift, which I have submitted to the Counsel of the University, with a request for his opinion as to the power of the board to accept such a gift on the conditions indicated. I herewith submit the proposed deed of gift and the opinion of Judge Harker:

[Judge Harker's Opinion.]

January 22, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Complying with your request for legal advice as to whether the Board of Trustees of the University has power to enter into a contract in accordance with a proposed deed of gift for the establishment of a students' loan fund in the University as outlined by the document submitted to me, I am pleased to report that I can see no legal objection to the Board of Trustees so contracting. In the limited time allowed me, I am unable to make an exhaustive search as to whether the questions involved, or those kindred to them have been passed upon by courts of last resort in any of the states. I very seriously doubt my ability to find a kindred case for the reason that the provisions imposed in the organic law of the University are not paralleled by a similar act in any of the states.

It will be observed that the Board of Trustees, under the organic act of 1867, is given very large powers when undertaking to perform the main functions contemplated by the act. There is nothing in subsequent legislation curtailing its powers. In deciding upon the validity of a proposed act or agreement, we must look to the general purpose and intention of the Legislature in establishing the University. The board is justified in doing any act and in entering into any contract not *expressly* prohibited which may carry out the legislative intent. The State, recognizing that the welfare, prosperity, and happiness of its future citizens will be in large measure secured through their established university, placed its development and control in a Board of Trustees empowered to enter into all contracts by which the purpose can be accomplished. The doors are thrown open to all of the youth of the State to the end that they may receive instruction in higher education, and thereby become better and more useful citizens. The more of the youth of the State that can receive such instruction, the greater the interest to the State, and more completely will be fulfilled the purpose of the Legislature in establishing it. In that view it is unfortunate that worthy young men and young women expecting to become permanent residents of the State should be denied the privilege of the University because of poverty. That was the controlling idea in the establishment of the free school system in Illinois. There is a certain harmony between our free school system and the University in that respect that has been observed by all of us. What possible legal objection, therefore, can there be to the board accepting a gift of this character and undertaking to carry out the terms imposed? I confess I can see none.

I call attention to the contract by which the Snyder Loan Fund was created. This proposed gift is along the same lines and embodies all of its essential features. I see that the committee to which was referred the proposition of Prof. Snyder in 1899 was composed of three men educated to the law, Dr. Draper, Capt. Smith, and the Hon. Alfred Bayliss. The committee had the matter under consideration for three months, and I am told consulted with and were influenced by the late George Gere, as to the legal aspects of the matter. Mr. Gere was recognized as one of the ablest and most cautious lawyers in the State of Illinois.

Sincerely yours,

O. A. HARKER.

[Proposed Deed of Gift.]

THIS INDENTURE made and entered into this ..... day of ....., 1915, by and between Edmund J. James of the city of Urbana in the State of Illinois, party of the first part, and the Board of Trustees of the University of Illinois of the State of Illinois, party of the second part.

WITNESSETH: That the said first party, in consideration of the covenants and agreements hereinafter contained, and of the sum of one dollar ($1) to him paid, doth covenant and promise that he will convey, give, and deliver to the Treasurer of the second party, for the custody and control of the second party, the sum of five thousand dollars ($5,000) in cash, to be used by second party in the establishment of a students' loan fund in said University, to be forever known as the Margaret Lange James Student Loan Fund; the purpose of which shall be to aid in the maintenance and education of deserving and meritorious students of said University, preferably women, who have completed two full years of work in the University of Illinois and who by their character, intellectual capacity, and physical vigor give distinct promise of rendering valuable service to their day and generation. The said first party reserving to his daughter, Helen Dickson James, during the term of her natural life, the payment from the second party of an annual interest of 5 per cent per annum upon said sum of five thousand dollars ($5,000), payable semi-annually.

And the said second party, in pursuance of its resolution taken and entered of record at its meeting, January 22, 1915, and by authority of law, hereby covenants and agrees to and with the first party to receive, by its Treasurer, from him, the said first party, the said sum of five thousand dollars ($5,000), in manner and form above named; and it further agrees that it will establish within said University a loan fund, to be known as the Margaret Lange James Student Loan Fund, the purpose of which fund shall be to aid deserving students, members of said University. And that said sum of money shall be attached to said loan fund and remain a perpetual fund not to be diverted nor diminished, but shall be loaned from time to time in suitable sums to deserving students who are in good standing, as members of said University, preferably women, and who have completed two full years of work in the University, and who by their character, intellectual capacity and physical vigor give distinct promise of rendering valuable service to their day and generation. The loans shall be made in such amounts, by the second party, upon such reasonable and uniform terms as may hereafter be fixed by said party, for the government thereof. But such loans shall only be made as aids to such students in completing their education at said University, upon the recommendation of the Council of Administration of said University, or other similar body representing the faculty, provided:

That should any considerable sum of said funds at any time be not in demand for such purpose, and if the number of persons of the above description, applying for such loans shall not be sufficient to employ the said fund, such fund, or portions of it, may be otherwise invested, or applied to other educational purposes; but in no case shall such use stand in the way of giving the aid above provided for when proper candidates apply therefor, and in all cases the interest derived from said fund under such conditions shall be added to the principal or used for the general purposes of this fund. Provided, further:

That if at any time conditions in the University should so change that, in the opinion of the faculty and the Board of Trustees of said institution, the interests of the University and its students would not be promoted by such application of said fund, the said fund may be used for other educational purposes for the benefit of the University of Illinois and its students, upon the recommendation of the faculty, the approval of the Board of Trustees of the University of Illinois, and the endorsement of the Governor of the State of Illinois.

Said second party further covenants and agrees to and with the first party that it will pay to his daughter Helen Dickson James during her natural life interest upon said sum of five thousand dollars at the rate of 5 per cent per annum, to be paid semi-annually on the first days of March and September of each year at the office of its Treasurer; but at the death of said Helen Dickson James such payments shall cease and all obligations of said second party herein assumed, except the administration of the trust above named, shall be at an end.

IN WITNESS WHEREOF, The said Edmund J. James has hereunto set his hand and seal, and the said University of Illinois, by its President of the Board of Trustees, has affixed its name, and by its Secretary has affixed the seal, on the day above written.

.....

I should like to call attention to one provision of this gift. In studying the history of endowments, I have noticed that many endowments become futile because of fundamental changes in conditions of life in the community from one generation to another. It is quite conceivable, if the dream of our socialist friends is ever realized, that the State of Illinois will some time in the future pay all the expenses of students who wish to carry on their studies at the University of Illinois, and when these great state universities will become great civil academies, supported by the people in the same way, and for the same general reason as the great military and naval academies. In such a case a fund of this sort would become largely useless. And there are other contingencies which might bring about the same result. I have, therefore, provided that if at any time conditions in the University of Illinois should so change, that in the opinion of the faculty and the Board of Trustees of said institution, the interests of the University and its students would not be promoted by such application of this fund, the said fund may be used for other educational purposes for the benefit of the University of Illinois and its students; asking only that before such diversion of the fund be made, a recommendation to that effect shall be made by the faculty, receive the approval of the Board of Trustees of the University of Illinois and the endorsement of the Governor of the State. This will leave the board, in all the years to come, perfectly free to handle this fund for some other purpose, if at any time the objects which the fund is intended to promote have been secured by other means.

After this matter had been discussed at some length, President Abbott requested Mr. Hoit to take the chair, and, after speaking in favor of accepting this gift, moved that the gift be accepted with thanks. Mrs. Evans seconded the motion. The vote was as follows: Ayes, Mr. Abbott, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Hopkins, Miss Watson; noes, Mr. Trevett; not voting, Mrs. Busey; absent, Mr. Blair, Mr. Dunne, Mr. Meeker, Mr. Moore.

At this point, Mrs. Busey left the meeting.

VOTE OF SYMPATHY FOR PROF. SHATTUCK.

The serious illness of Prof. S. W. Shattuck, for many years Comptroller of the University, having been reported to the board, President James was requested, on motion of Mr. Abbott, to extend to Prof. Shattuck the friendly greetings of the board and to express its wish for his speedy recovery.

EXTENSION OF LEAVE FOR DEAN GOSS.

President James continued the presentation of matters for the consideration of the board:

(2) Dean W. F. M. Goss, who was given leave of absence, without salary, from his position as Dean of the College of Engineering a year ago last June, and who expected confidently to return at the beginning of the next semester, finds it impossible to complete, by that time, the work which he undertook with the Chicago Committee on the Electrification of Railway Terminals. He hereby presents his resignation as Dean of the College of Engineering, expressing, however, a willingness to return on the same terms as before, if the Trustees desire him to do so, at the beginning of the coming academic year. I recommend that a further extension of the leave of absence, without salary, be made to Dean Goss until August 31, 1915.

On motion of Mr. Trevett, the leave of absence of Dean Goss was extended, without salary, until August 31, 1915.

EXTENSION OF LEAVE FOR PROF. FAIRLIE.

(3) Prof. Fairlie has been on leave of absence, without pay, for some months, assisting the Legislative Commission on Economy and Efficiency at Springfield. It looks now very much as if they would desire his services for the rest of the year, and I recommend that the President of the University be given authority to grant Prof. Fairlie leave of absence, without pay, until August 31, 1915.

On motion of Mr. Trevett, this recommendation was approved.

RESIGNATION OF MR. O. E. STAPLES, BURSAR.

(4) The resignation of Mr. O. E. Staples, Bursar:

SOUTH BEND, IND., *December 18, 1914.*

President E. J. James, University of Illinois.

DEAR SIR: On account of ill health I resign my position at the University of Illinois.

O. E. STAPLES.

A letter has been received by me, addressed to the Board of Trustees, from the Champaign Chamber of Commerce, containing certain resolutions, recommending that the Board of Trustees of the University of Illinois give Mr. Staples leave of absence for a year.

On motion of Mr. Trevett, seconded by Mr. Hopkins, the recommendation of the Champaign Chamber of Commerce was received to be filed, and the resignation of Mr. Staples was accepted, as of December 1, 1914.

PLYM FELLOWSHIP EXTENDED.

(5) Since the last meeting of the board, Mr. Francis J. Plym has sent a check for $1,000 to the Treasurer of the University to provide for the Francis J. Plym Fellowship in Architecture for the academic year 1915-16. This makes in all $6,000 which Mr. Plym has contributed to the maintenance of this Fellowship.

I recommend that the thanks of the board be extended to Mr. Plym for his liberality in the matter of the Plym Fellowship.

On motion, this recommendation was approved.

RESIGNATION OF THE COMPTROLLER.

(6) The resignation of Mr. George E. Frazer, Professor of Public Accounting and Comptroller:

URBANA, ILL., *January 1, 1915.*

President Edmund J. James, University of Illinois.

DEAR SIR: For personal reasons, I tender you herewith my resignation as Professor of Public Accounting and Comptroller, my resignation to take effect at the pleasure of the Board of Trustees. I am, of course, willing to carry on the work until other provision can be made for the work.

Very truly yours,

GEORGE E. FRAZER.

Mr. Frazer has become engaged to my daughter, Helen Dickson James. He shares my view that such a personal relation between the Comptroller of the University and the President of the University is not desirable, and is therefore presenting his resignation.

I desire to say that I selected Mr. Frazer to nominate to the board for the difficult position which he holds from a list of some twenty-five men who had been highly recommended to me by different people in various sections of the country. Mr. Frazer has done excellent work and is an extremely promising man in his field, but I think his resignation should be accepted.

No action was taken on this matter.

The board adjourned, at 6.35 p. m.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF JANUARY 30, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at Hotel LaSalle, in the city of Chicago, at 10.00 a. m., on Saturday, January 30, 1915, pursuant to the following notice which was sent out by the Secretary on January 25, 1915:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at Hotel LaSalle, in Chicago, on Saturday, January 30, 1915, at 10.00 a. m., to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Superintendent Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson.

During a part of the day, Prof. J. M. White, Supervising Architect, Dean W. B. Day, of the School of Pharmacy, and Dean F. B. Moorehead, of the College of Dentistry, were present.

President James was present.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of January 22, 1915. On motion of Mrs. Henrotin, the minutes were approved as printed above on pages 168 to 187, inclusive.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded to the consideration of the following matters presented by President James:

APPOINTMENT OF PROF. GEORGE N. COFFEY.

(1) A recommendation from the Dean of the College of Agriculture that Dr. George N. Coffey, of Wooster, Ohio, be appointed Assistant State Leader in the Lever Fund work for one year, at a salary of $2,800 a year, salary and work to begin when he reports for duty.

On the recommendation of President James and on motion of Mrs. Evans, the appointment of Dr. G. N. Coffey was made as recommended. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

ADJUSTMENT OF WORK IN THE COMPTROLLER'S OFFICE.

(2) A letter from the Comptroller concerning the adjustment which he was compelled to make in his office on account of the retirement of Mr. O. E. Staples on December 1, 1914:

December 21, 1914.

President Edmund J. James, University of Illinois.

DEAR SIR: Mr. O. E. Staples, Bursar, has resigned his position as of December 1, 1914. As Bursar, Mr. Staples was bonded in the sum of twenty thousand dollars, and had charge of the collection and auditing of the cash receipts of the University; the receipts into and disbursements from petty cash funds; and the financial transactions with respect to University trust funds.

Routine matters and bookkeeping in connection with the work formerly handled by Mr. Staples has been assigned, as from December 1, to Mr. M. E. Thompson, Clerk. The responsibility for the supervision of the work and for the handling of the cash involved has been assigned to Mr. L. E. Knorr, Assistant Comptroller. A bond in the amount of twenty thousand dollars for one year from December 1, 1914, in favor of the Board of Trustees of the University of Illinois, has been signed by Mr. Knorr, as principal, and by the Aetna Accident and Liability Company of Hartford, Conn., as surety. The premium on this bond, amounting to fifty dollars, has been paid by the University.

In all of these particulars, I have acted under the general authority delegated to me by the Board of Trustees and the President. The bond secured covering the transactions of Mr. Knorr has been filed with the Secretary of the board, and should doubtless be reported to the Finance Committee of the board. I submit this to you without a recommendation. Your attention is called to the fact that

the bonding of the cash officer of the business office is customarily considered at the annual meeting of the Board of Trustees.

Very truly yours,

GEO. E. FRAZER.

On the recommendation of President James and on motion of Mr. Hoit, the action of the Comptroller and the payment of the premium of fifty dollars on Mr. Knorr's bond was approved, by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

CONTINUATION OF SALARY TO PROF. PETTIT'S WIDOW.

(3) The following statement:

Since the quarterly meeting of the board, Prof. James H. Pettit, who was on leave of absence for the present year on half pay, has died, and the Dean of the College of Agriculture has sent in a recommendation that his half-pay salary be continued to his widow until the close of the present academic year, August 31, 1915.

On the recommendation of President James and on motion of Superintendent Blair, the Comptroller was authorized to continue the payment of Prof. Pettit's half-pay salary to his widow until the end of the present academic year. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

SETTLEMENT OF SUIT OF GEORGE DOUGLAS.

(4) A letter from the Counsel of the University in the matter of the suit of George Douglas versus the Board of Trustees of the University of Illinois (see page 160), and a letter from the Comptroller enclosing a copy of a receipt signed by Mr. George Douglas, under date of January 21, 1915:

January 22, 1915.

In re: George Douglas v. Board of Trustees of the University of Illinois.

President Edmund J. James, University of Illinois.

DEAR SIR: On the twenty-first of this month, in accordance with agreement before then made between the counsel for the plaintiff and the counsel for the defendant, and with advice to you, the above entitled cause was dismissed at the cost of the plaintiff and I delivered him a warrant for $200, and took back in return a receipt of all claim set up by him by reason of an alleged contract with Prof. Blair for the renting of forty acres of land subsequently purchased from him by the Board of Trustees.

I beg leave to inform you also that at the same time a certain suit commenced by Douglas against Prof. Blair to recover on the alleged contract with him was dismissed at the cost of the plaintiff. It is now a closed incident.

Sincerely yours,

O. A. HARKER, *Legal Counsel.*

[Mr. Frazer's Letter.]

January 26, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: For your information and files, I hand you herewith copy of a receipt signed by Mr. George Douglas under date of January 21, 1915. The receipt has been filed by me with the Secretary of the Board of Trustees.

Very truly yours,

GEO. E. FRAZER.

State of Illinois, } ss. In Circuit Court.
Champaign County, } To January Term, A. D. 1915.

George Douglas }
v. } No. 10526.
University of Illinois. }

I hereby acknowledge receipt, this day, of two hundred dollars ($200), paid me in voucher delivered by Hon. O. A. Harker, attorney for the defendant in the above entitled cause, which said sum is hereby accepted in full settlement of the cause of action stated in the declaration in said cause, and especially in release of all claims under an alleged lease of the real estate sold by me to the University of Illinois during the year 1913, entered into between me and Prof. J. C. Blair, for all rentals due under said lease.

The above sum is accepted as a settlement of the balance due under said alleged lease, having heretofore received fifty-five dollars ($55) in grain, and having, for the purpose of a compromise settlement, accepted the said balance of two hundred dollars ($200) in release of my claims for rental.

Dated this 21st day of January, A. D. 1915.

GEORGE DOUGLAS.

On the recommendation of President James and on motion of Superintendent Blair, the report of the Legal Counsel was received for record and the payment of two hundred dollars in settlement of the case was approved, by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

MEDICAL MISSIONARY SCHOLARSHIPS.

(5) The following statement:

The Trustees, when they took over the property of the College of Physicians and Surgeons, accepted certain obligations in the matter of scholarships with the Woman's Board of Missions of the Interior. Under this agreement the University was bound to furnish certain free scholarships in the College of Medicine, and in case they were not used in any given year, to continue them for succeeding years. We have had some difficulty in making a satisfactory arrangement with the Woman's Board of Missions, but we finally made an agreement which wipes out all obligations on the part of the College of Physicians and Surgeons and on the part of the University. Under this arrangement the University will grant one two-year scholarship in the College of Medicine, or two one-year scholarships, and with that grant all obligations toward the Woman's Board of Missions (Congregational) will have been fulfilled.

On motion of Mrs. Henrotin, the arrangement in settlement of the medical missionary scholarships was approved.

SALE OF PHARMACY LOT REPORTED.

(6) A letter from the President of the board concerning the sale of the acre property in the city of Chicago between Forty-seventh and Forty-eighth Streets and Rockwell Street and California Avenue, which came to the University when the School of Pharmacy was taken over, and which the board, on September 8, 1914 (page 116) voted to sell at a price not less than three thousand dollars. According to this letter from the President of the board, the pharmacy property has been sold for $3,500 net and checks for that amount from Mr. R. J. Schlesinger were forwarded to the Treasurer through the Comptroller on January 12, 1915.*

It is understood that this fund belongs in a certain sense to the School of Pharmacy and may be employed in the purchase of other property to be used for the School of Pharmacy.

I am informed that the University still owns the following lots acquired through the School of Pharmacy: Lots four and five, in block five, of McBride, Spencer, and Underwood Sub-Division, east of Archer Avenue, in the east one-half of the northwest quarter of section 1, township 38 north, range 13 east of the Third Principal Meridian.

This report was received for record.

REQUIREMENTS FOR ADMISSION.

(7) Certain recommendations of the University Senate.

(a) Requirements for admission to the undergraduate colleges:

December 8, 1914.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The University Senate at its meeting of December 7, 1914, adopted the following recommendations to the Board of Trustees, proposing certain minor modifications of our scheme of entrance requirements:

CERTAIN MODERN LANGUAGES ACCEPTED.

1. That 1 or 2 units (36 or 72 weeks) in Polish, Swedish, Norwegian, and Italian be added to List B of our present entrance requirements, with the proviso that credit in these subjects will not be accepted in satisfaction of the minimum foreign language requirements of the College of Liberal Arts and Sciences or the School of Music.

DRAWING.

2. That drawing (art and design), 18 weeks or 36 weeks, ½ unit or 1 unit, and mechanical drawing, 18 weeks or 36 weeks, ½ unit or 1 unit, be substituted in List C of our entrance requirements for the present specification of drawing, 18 weeks or 36 weeks, ½ unit or 1 unit.

Sincerely yours,

C. M. MCCONN, *Clerk of the Senate.*

On the recommendation of President James and on motion of Superintendent Blair, the above recommendations were concurred in.

---

* The President and Secretary of the board, on January 7, 1915, signed and delivered the following deed, accompanied by a duly certified copy of the action of the board authorizing the sale of this property:

[COPY OF DEED]

THIS INDENTURE WITNESSETH, That the grantor, the Board of Trustees of the University of Illinois, of the State of Illinois, for and in consideration of the sum of thirty-five hundred ($3500) dollars, in hand paid, conveys and quit-claims to Rudolph J. Schlesinger and Emily Schlesinger, his wife, of the city of Chicago, county of Cook, and State of Illinois, not as tenants in common but as joint tenants, all interest in the following described real estate, to-wit:

The west half of the east half on the northwest quarter of the northwest quarter of the northeast quarter of section twelve (12) township thirty-eight (38), north, range thirteen (13) east of the Third Principal Meridian, situated in the city of Chicago, county of Cook, and State of Illinois.

IN TESTIMONY WHEREOF, We have signed these presents as the President and Secretary of the Board of Trustees of the University of Illinois, and have affixed the corporate seal hereto.

Dated this seventh day of January, A. D. 1915.

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS.

By W. L. ABBOTT, *President.*

[SEAL.] By H. E. CUNNINGHAM, *Secretary.*

ADMISSION TO THE GRADUATE SCHOOL.

(b) Requirements for admission to the Graduate School:

December 10, 1914.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The University Senate, at its meeting of December 7, 1914, voted to recommend to the Board of Trustees the adoption of the following regulations in regard to admission to the Graduate School:

1. Admission to the Graduate School may be granted to graduates of institutions whose requirements for the bachelor's degree are substantially equivalent to those of the University of Illinois, and to applicants from other institutions approved by the Executive Faculty as hereinafter provided. *Admission to the Graduate School does not, however, imply admission to candidacy for an advanced degree.*

2. A graduate of an institution meeting the requirements prescribed below in paragraph 3, may be admitted to the Graduate School, provided he satisfies the Dean and the departments concerned that he will be able to proceed to the master's degree in a period not exceeding two years.

3. (a) The college shall require four years' work of collegiate grade for graduation, based upon an entrance requirement of at least fourteen standard high school units.

(b) If conditioned students are admitted, they shall not be allowed to proceed beyond the sophomore year, without removing their conditions.

(c) The college shall maintain at least six departments in liberal arts and sciences, each having at least one Professor giving his entire time to the college work of his department.

(d) The minimum educational attainment of college Professors shall be equivalent to graduation from a college of high grade and graduate work equivalent at least to that required for a master's degree from the University of Illinois.

(e) The college shall have a productive endowment sufficient to yield a net annual income of at least $10,000 available for instructional purposes in the college. If the institution offers courses in addition to the usual liberal arts course, it shall have a correspondingly larger annual income.

(f) The college shall have library and laboratory equipment sufficient to meet fully the needs of the courses announced.

(g) In addition to the foregoing specific requirements, so far as possible the general standing of the college shall be considered, including: the character of its curriculum, the efficiency of its instruction, the number of hours of instruction required of the members of its faculty, the size of the classes, the general standards for graduation, its conservatism in granting degrees based upon work done *in absentia*, the success of its graduates in the Graduate School of this University and elsewhere, etc.

4. Unless otherwise specially permitted, a student enrolled in the Graduate School must take each semester at least one course accepted by the Executive Faculty for credit in his major subject.

5. A student of mature age who satisfies the Dean and the department concerned of his ability to pursue graduate work in a given line may be enrolled in particular graduate courses, and permitted to carry on such study or investigation under the direction of a department of the University as the department shall recommend and the Executive Faculty approve.

Very respectfully yours,

C. M. MCCONN, *Clerk of the Senate.*

On the recommendation of President James and on motion of Mrs. Busey, the above requirements were adopted as recommended by the University Senate.

REGULATIONS FOR THE ADMINISTRATION OF THE MARGARET LANGE JAMES STUDENT LOAN FUND.

(8) At the last meeting of the board the proposal of the President of the University to give to the Trustees the sum of $5,000 as a nucleus for a student loan fund, to be known as the Margaret Lange James Loan Fund, was accepted. The form of contract was submitted at the time, with an opinion of the University Counsel, Judge O. A. Harker, that it was in satisfactory form. It was printed in the minutes of the last meeting of the board (page 185) and is now before the members of the board for final action.

I recommend:

First—That this document be received and approved by the Board of Trustees, and that, upon receipt of the sum of $5,000 by the Comptroller of the University, the President and the Secretary of the board be authorized to sign in duplicate the said contract, on the part of the Board of Trustees of the University of Illinois, and that one copy be given to the President of the University, and the other be filed with the Secretary of the board and duly recorded.

Second—That this fund be hereby constituted and the Comptroller and Treasurer of the University be authorized and instructed to keep a separate account with such fund in their books.

Third—That the Council of Administration shall be authorized to receive applications for loans to deserving students from this fund as soon as it shall have been paid in.

Fourth—That the Council of Administration shall be requested to formulate plans for the management of the fund, and to suggest the conditions upon which the fund shall be loaned, so far as security therefor is concerned or otherwise, and to make recommendations to the board upon this subject.

Fifth—That if said fund shall accumulate in the Treasury to any extent, the Finance Committee shall report to the board what, in its judgment, shall be done in the premises.

I have indicated in the deed of gift my willingness to have the Board of Trustees use this fund for some other purpose than that for which it is given whenever in the opinion of the University Faculty, approved by the board, and endorsed by the Governor, it shall appear that the purpose for which it was given is being fully met by other means.

I should like to have it understood, however, that when the fund is converted to some other use it shall be a use as nearly similar to that for which it has been given as may be wise.

On motion of Mrs. Evans, the above recommendations in regard to the Margaret Lange James Student Loan Fund were approved and adopted.

ADDITIONAL GIFT FOR MARGARET LANGE JAMES LOAN FUND.

(9) Announcement of a gift of $500 from Homer Allison Stillwell, Vice President of Butler Brothers Company of Chicago, as a contribution to the Margaret Lange James Loan Fund. Mr. Stillwell was a student in the College of Literature and Science of the University of Illinois from 1878 to 1880.

On the recommendation of President James and on motion of Superintendent Blair, this gift was accepted and credited to this loan fund, and the President of the University was requested to convey the thanks of the board to Mr. Stillwell.

MEDICAL EXAMINER FOR CIVIL SERVICE EMPLOYEES.

(10) A recommendation from Mr. C. M. McConn, Registrar, who has been in charge of our intercourse with the State Civil Service Commission, that Dr. J. H. Beard, Instructor in Physiology in the University, be appointed medical examiner for classified employees to conduct the physical examinations involved in the local examination of laborers and domestics, under the arrangement with the Civil Service Commission, beginning February 1, 1915, and continuing until further notice, and that he be given a compensation at the rate of $25 a month for this service.

On the recommendation of President James and on motion of Mrs. Evans, the recommendation of the Registrar was concurred in. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

COMMENCEMENT EXERCISES, COLLEGES OF MEDICINE AND DENTISTRY, TO BE HELD AT URBANA.

(11) A request for an expression of the opinion of the board on the question as to whether it would not be well to hold the commencement exercises for the Colleges of Medicine and Dentistry at Urbana in connection with the commencement of the Urbana departments.

On motion of Superintendent Blair, the President of the University was authorized to hold the commencement exercises of the Colleges of Medicine and Dentistry at the same time as those of the Urbana departments and in Urbana, if suitable arrangements can be made, and, in case this is done, to give the diplomas to students in Chicago entitled to them, who for any reason cannot be present in Urbana on that date.

CHANGE OF MILITARY UNIFORM AUTHORIZED.

(12) A recommendation from Maj. F. D. Webster, Military Commandant, that a change be made in the uniform for the Corps of Cadets, in accordance with the suggestions printed in the minutes of the meeting of December 8, 1914 (page 164). It will be remembered that the discussion of this matter was deferred because of some remarks which the Governor and the Adjutant General made in regard to the undesirability of such a change.

Maj. Webster, however, has received a letter from the Adjutant General in which he states very definitely that neither he nor the Governor wishes to have any remarks which they have made construed as bearing any opposition on their part to what may be deemed by those directly in authority as the best interests of the service. The Major desires to repeat his recommendation.

On the recommendation of President James and on motion of Mrs. Busey, the change in uniform was approved and the Commandant was authorized to take the initial steps necessary to make such a change, in accordance with the plan above referred to.

PROPOSAL TO PAY STUDENTS' EXPENSES AT MILITARY CAMP.

(13) A recommendation from the Commandant that the board appropriate a sum of money to pay the expenses of selected students in the Cadet Brigade who should attend the summer instruction military camps for a period of five or six weeks. It is estimated that $50 a person would be sufficient, and that the attendance would not exceed one hundred men.

The board discussed this matter at some length, but took no action.

PAYMENT OF INTEREST, COLLEGE OF MEDICINE.

(14) A statement from Prof. George E. Frazer, Comptroller, dated December 24, 1914, that he is forwarding University warrants in full payment of interest due on the mortgage, bonds, and notes issued by the College of Physicians and Surgeons, due January 1, 1915:

December 24, 1914.

President Edmund J. James, University of Illinois.

DEAR SIR: I enclose copies of letters addressed to the Secretary of the Chicago Board of Education, to the Chicago Savings Bank and Trust Company, and to Dr. Frank B. Earle. You will note from this correspondence that I am to-day forwarding University warrants in full payment of interest due on the mortgage bonds and notes issued by the College of Physicians and Surgeons.

Very truly yours,

GEO. E. FRAZER.

Please acknowledge receipt of this payment.

Very truly yours,

GEORGE E. FRAZER, *Comptroller.*

This statement was received for record.

FINAL SETTLEMENT OF LAST LAND CONTRACT.

(15) A statement that the Comptroller is in receipt of a draft in the amount of $481.50, being full payment of balance due on principal and interest on the land contract between the Board of Trustees and Henry A. Lia, of Brooten, Minn.

January 13, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: I am in receipt of a draft in the amount of $481.50, being full payment of balance due on principal and interest on the land contract between the Board of Trustees and Henry A. Lia, of Brooten, Minn. I recommend that the Board of Trustees authorize the President and the Secretary of the board to execute a warranty deed conveying to Henry A. Lia the northwest quarter of the southeast quarter of Section No. 4, in Township No. 123 north, Range No. 36 west, of the Fifth Principal Meridian, being forty acres situated in the county of Pope, and state of Minnesota.

From the payment made by Mr. Lia, the sum of $31.50 will be credited to the general fund of the University, as interest received from land contracts; and the sum of $450 will be transmitted to the State Auditor of Public Accounts as an addition to the endowment fund of the University of Illinois.

This transaction will close the last of the land contracts, and furnishes the last receipt to be credited to the endowment fund of the University of Illinois under existing conditions.

Very truly yours,

GEORGE E. FRAZER.

On motion of Mr. Hoit, the action of the Comptroller in assigning the funds received from this contract was approved and the President and the Secretary of the board were authorized to execute a warranty deed conveying the property described above to Mr. Henry A. Lia.

At this point, the board took a recess for luncheon.

Afternoon Session.

When the board reconvened after luncheon, the same members were present as during the morning session.

Prof. James M. White, Supervising Architect, was in attendance and presented the following statements:

COAL CONTRACTS.

The following bids were received in response to the Comptroller's advertisement for bids for our supply of coal from October 15, 1914, to October 15, 1915:

RELATIVE VALUES OF BIDS SUBMITTED FOR UNIVERSITY COAL SUPPLY FOR 1914-1915.

Name of firm.	Delivery.	Standard ash.	Quoted price a ton.	Price corrected for ash.	B. T. U. standard.	Cost in cents.
Mueller Lumber Co	Wabash	11	$2 05	$1 93	11,300	9.06
Collieries Sales Co	Big Four	11.6	1 78	1 68	11,500	7.31
Christian County Coal Co	Wabash	13	1 33	1 25	10,200	6.13
R. E. Gannon	Wabash	16	1 50	1 48	10,300	7.19
David Rutter & Co	Traction	17	1 25	1 25	10,000	6.25
Electric Coal Co	Traction	17	1 30	1 30	9,300	7.00
Edwards & Bradford Lumber Co.	Wabash	12.65	1 45	1 37	11,700	5.85

NOTE—Bid from Edwards & Bradford Lumber Co. submitted after October 20, 1915.

The Christian County Coal Company were the low bidders but their proposition was contingent upon the Illinois Traction System establishing a switching rate of ten cents a ton from the Wabash tracks to our boiler house. Negotiations with reference to this rate delayed the awarding of the contract and in the meantime coal was purchased upon the open market. It finally seemed unwise to accept any of the bids and on December 16 all bids received October 10 were rejected as shown in the following letter:

DEAR SIRS: Inasmuch as the Institution has delayed action on the coal contract such a long time, it has been decided, in fairness to bidders, that all bids should be rejected.

The University expects to purchase its coal for the ensuing year on the open market, or in small contracts placed with several people. In case you are interested in supplying any part of our needs, we will be pleased to receive proposals from you.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*
By H. D. OBERDORFER.

On November a contract was entered into with the Sharon Coal Company for their entire output of screenings at $1.10 a ton delivered at the boiler house, and on December 22 a contract was entered into with the Electric Coal Company of Danville to furnish the balance of our requirements for the year at $1.25 a ton delivered at the boiler house, which is five cents a ton lower than their bid on our coal supply for the entire year, and which, taken in conjunction with the bid from the Sharon Coal Company, will make our coal for the year cost us less than it would have cost us on the basis of any bid received.

The entire report submitted on the coal contracts for the current year was referred to the Committee on Buildings and Grounds for consideration and report.

BUILDING PLANS AND POLICY.

The Supervising Architect called attention to the need for additional land; reported upon the progress of the Chemistry and Administration Buildings; gave the status of the plans for the Education Building, Women's Residence Hall, and Ceramics Building.

In connection with the Education Building, the advisability of using the Gothic design as submitted by the State Architect was discussed at some length; and in connection with the Women's Residence Hall, the policy of fixing the rentals high enough to secure a return on the investment was discussed.

The Supervising Architect presented plans for the Memorial Music Building, the estimate on the completed cost of which was $350,000. The policy of erecting so expensive a building and the possibility of erecting only part of the building contemplated in the plans were discussed.

Other general building needs were discussed, and among the grounds and service plant betterments special stress was laid on the need for additional wells and reservoir capacity, data being presented to show that it

was necessary for all of the wells to work constantly to seventy-five per cent of their test efficiency in order to meet the daily demands.

In connection with the operation budget, a detailed statement of the pay roll for December, 1914, was submitted, showing the number of employees in each class and the hourly wage rate received by each. The total number on the pay roll for the month was 214 and the total amount of pay roll was $11,417.88.

NEEDS OF THE SCHOOL OF PHARMACY PRESENTED.

Prof. W. B. Day, Acting Dean of the School of Pharmacy, presented the needs of the School of Pharmacy for the coming biennium. In connection with the budget, Dean Day discussed the availability of certain buildings on the West Side, near the College of Medicine, which had been offered for sale to the University for the uses of the School of Pharmacy.

NEEDS OF THE COLLEGE OF DENTISTRY PRESENTED.

Dr. F. B. Moorehead, Dean of the College of Dentistry, presented the needs of the College of Dentistry for the coming biennium. Dr. Moorehead emphasized the need of providing scientifically trained dentists to carry on the work of teaching and investigation in this field.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The following matters were presented by President James.

POLICY OF LEASING SMITH LANDS.

(1) A letter from Prof. George E. Frazer, Comptroller, concerning certain leases of the lands given to the Board of Trustees by Capt. Smith:

January 18, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Under date of October 23, 1914, I wrote to you calling your attention to the lands acquired by gift from Capt. Thomas J. Smith, and the desirability of arranging new leases for such lands for the year beginning January 1, 1915. At the meeting of the Board of Trustees on December 8, 1914, this matter was referred by the board to the Committee on Agriculture, with the request for a recommendation upon the best policy to be pursued in handling these lands.

The lease on the 240 acres in section 26 of township 20, between Capt. Smith and C. J. Foltz, of Philo, expired on January 1, 1915. This lease provided for the payment of rent to the amount of one-half the crop. The receipts of Capt. Smith on this 240-acre farm amounted, for 1914, to $1,884.53, or $7.85 per acre.

The present tenant on the 80 acres near the Country Club is leasing the land on an oral continuation of a written lease that expired January 1, 1911. The understanding between Capt. Smith and Russell Arbuckle, of Champaign, the tenant, provides for rent to be paid to the extent of one-half the crop. During 1914, Capt. Smith received from this 80-acre farm $1,227.31, and expended $20 as his share of the threshing expenses on it. This 80 acres netted Capt. Smith $15.22 per acre.

The 240-acre farm near Fisher was leased by Capt. Smith to George E. Jones, of Fisher, payment to be made on the basis of one-half of the crop. On August 24, 1912, Capt. Smith extended this lease to January 1, 1918. The deed of Capt. Smith conveying this farm to the University specifically provides that the grant is subject to tenants' leases. (Minutes of the Board of Trustees, for September 8, 1914, note on page 115.) I understand, however, that Mr. Jones is willing to make a new agreement with the Board of Trustees, if the board wishes to cancel the present lease. This 240-acre farm yielded a crop of corn in 1914 estimated at 32 bushels per acre. The share of Capt. Smith on this estimate would be 16 bushels per acre, which, at a selling price of 65 cents per bushel, would net $10.40 per acre. These estimates are given as the corn has not yet been sold.

The 214-acre farm in Ludlow Township was leased by Capt. Smith to David A. Howard under a lease which expired January 1, 1913. Mr. Howard is now occupying the land under an oral understanding with Capt. Smith that the payment of rent is to be one-half the crop. The corn from this farm has not been sold, but it is estimated at 35 bushels per acre. Under this estimate, Capt. Smith will receive 17½ bushels per acre, which, at 65 cents per bushel, will yield $11.38 per acre for the year 1914.

The tenants on these four farms are desirous of completing their arrangements for the year 1915. Capt. Smith recommends that the present tenants be retained, and each of the present tenants is willing to enter into a new lease with the Board of Trustees on a share of the crop basis. Dean Davenport and members of the Agricultural College Faculty tell me that this is the usual basis for renting land in this vicinity. I suggest, therefore, that the occupancy of these farms may be settled for the present year by leasing the farms to present tenants on a share of the crop basis. Written leases should be secured, providing for rotation of crops, removal of obnoxious weeds, and care and delivery of crops. If leases are arranged on the share basis, provision should also be made for the appointment of some one from the staff of the University to inspect the operation of the farms under the leases, and for the disposal of crops.

Very truly yours,

GEO. E. FRAZER, *Comptroller.*

The matter of leasing for the coming year the land which was given by Capt. Smith was referred to the Committee on Agriculture, with power to act, the chairman of the Committee on Agriculture to have authority to act in case it should not be possible to get a quorum immediately.

FINAL REPORT, ACQUISITION OF LAND ON NEVADA STREET.

(2) A report of the Legal Counsel and the Comptroller concerning the condemnation and acquisition of lots 23, 24, and 25 in Forestry Heights Addition to Urbana.

[Report.]

December 11, 1914.

The Board of Trustees of the University of Illinois
v.
Henry L. Rietz, Nellie G. Walton, and Charles W. Walcott.

Petition to condemn lots 23, 24, and 25, in Forestry Heights Addition to Urbana.

President Edmund J. James, University of Illinois.

DEAR SIR: The Legal Counsel and the Comptroller beg to submit the following reports as to the disposition made of the above entitled case. The action now reported has been taken in compliance with the vote of the Board of Trustees at their meeting on November 14, 1914 (minutes of the Board of Trustees, page 137):

The Legal Counsel prepared an order which has been accepted and approved by Judge William G. Spurgin, judge of the County Court of Champaign County. Under this order, the Board of Trustees secures the right to enter the lots described and use them in perpetuity for educational purposes.

In addition to this order, the Comptroller has secured warranty deeds from each of the parties running to the Board of Trustees. The form of these deeds has been approved by the Legal Counsel, and the deeds have been recorded in the office of the County Recorder of Champaign County. The abstracts have been brought down to date, including the transfer to the Board of Trustees, and have been filed with the Secretary of the board.

The Comptroller has made the following payments:

Mrs. Nellie G. Walton.	
Lot 24, Forestry Heights Addition	$3,500 00
Mr. A. B. Gray, special collector:	
Paving tax assessments against lot 24, assumed and paid by the University	43 79
Dr. H. L. Rietz.	
Lot 23, Forestry Heights Addition	3,500 00
For abstract, and to equalize the payment made to Mrs. Walton	43 79
Mr. and Mrs. C. W. Walcott.	
Lot 25, Forestry Heights Addition	3,500 00
For abstract, and to equalize the payment made to Mrs. Walton	43 79

In the case of each lot, the University has also assumed the payment of the taxes levied in 1914, and due in 1915.

The Comptroller has paid the court costs involved in the case, amounting to $85. A receipt in full has been obtained from Mr. Fred Hess, County Clerk, and a copy of that receipt is enclosed herewith.

Respectfully submitted,

O. A. HARKER, *Legal Counsel.*
GEO. E. FRAZER, *Comptroller.*

[Receipt.]

Received from George E. Frazer, Comptroller of the Board of Trustees of the University of Illinois the sum of eighty-five ($85) dollars, in full payment of court costs, including fees, in the case of the Board of Trustees of the University of Illinois versus Rietz, Walton, and Walcott.

FRED HESS, *County Clerk.*

This report was received for record.

ACCEPTANCE OF THE ORGAN.

(3) A letter from Prof. James M. White, concerning the completion of the organ:

URBANA, ILL., *January 22, 1915.*

President Edmund J. James, University of Illinois.

DEAR SIR: Casavant Brothers completed the installation of the organ in the Auditorium in November, and they have been paid all but one thousand dollars ($1,000) on the contract price.

The specifications have been complied with, and the entire work has been performed in a highly commendable manner.

A few minor mechanical defects have developed, partly due to the changing humidity in the building, and partly to defects in design. These are not serious, however, and I recommend that the organ be accepted and the final payment be authorized. I will not issue the final certificate until I am satisfied that the builders have fully met their obligations.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

Letters have also been received from Mr. Charles H. Mills and Mr. J. Lawrence Erb, who, after careful examination of the instrument, unite in certifying that the Casavant Brothers have complied, so far as the general construction of the organ is concerned, with the specifications; that in their opinion the workmanship is first class; and that when the final touches are put on the organ the Trustees will have a very satisfactory instrument.

On motion of Superintendent Blair, the organ was accepted and the final payment authorized as soon as the Supervising Architect has certified to the Comptroller that various minor mechanical defects have been fully remedied.

CHANGES IN COURSE IN PHARMACY.

(4) A letter from W. B. Day, Acting Dean of the School of Pharmacy, recommending certain changes in the course in the School of Pharmacy:

CHICAGO, *December 30, 1914.*

President Edmund J. James, University of Illinois.

DEAR PRESIDENT JAMES: At a meeting of the Faculty of the University of Illinois School of Pharmacy held yesterday the following recommendations were made to you for changes in the courses in the School of Pharmacy:

First—It was recommended that beginning with the session of 1916-17 the shorter course leading to the degree of Graduate in Pharmacy be lengthened by adding one month to each school year so as to close the course late in May instead of late in April, as at present.

Second—It was recommended that beginning with the session of 1916-17 the longer course leading to the degree of Pharmaceutical Chemist be increased to three years, the first two years to be identical with the shorter course and the third year to comprise five days a week of instruction for a period of eight months.

The effect of these recommendations, if adopted, will be to increase the amount of instruction given in the shorter course about fifteen per cent, while leaving the longer course approximately as at present in the number of hours of instruction but spreading this instruction over three years instead of two and, thereby, meeting the requirements established by the New York Board of Regents for the Pharmaceutical Chemist degree, which are based upon a three-year course. We believe that it will be an improvement in the longer course in other respects to give this greater time to it even though the actual hours of instruction are not materially increased. It will also enable a better adjustment of the studies so as to base the third year's work upon the work of the first two years and to permit us to select the brightest students in the two-year course and encourage them to take this third year's work.

Third—It was further recommended that the schedules of the shorter course be so adjusted and rearranged as to avoid the necessity for holding classes on Saturday, while retaining the same number of hours of instruction per week as at present given. This revision of the weekly schedule to go into effect next session.

In explanation of this last recommendation, I would say that we have found it to be at times a serious disadvantage to hold classes on Saturday, particularly Saturday afternoons, as it is a departure from the established usage of schools generally—a departure which is not necessary under present conditions.

Fourth—It was recommended that the proposed eight-months year beginning with 1916-17 be divided into two semesters in conformity with the general custom.

We hope that these changes will have your approval and if it is necessary that they be acted upon by the Board of Trustees that you will bring them before the Board of Trustees with your favorable recommendation.

Very respectfully yours,

W. B. DAY, *Acting Dean.*

On the motion of Superintendent Blair, these recommendations were referred to the Committee on the College of Medicine and the School of Pharmacy for consideration and report.

ELECTION OF MR. G. C. OUTTEN TO ADVISORY COMMITTEE ON CROPS.

(5) A letter from Director of the Agricultural Experiment Station submitting the names of Mr. S. W. Strong of Urbana and Mr. G. C. Outten of Mt. Zion as nominees by Mr. Victor DeWein, Secretary of the Illinois Grain Dealers' Association, to complete the Advisory Committee on Crops; the Board of Trustees under its regulations to select one.

On motion of Mr. Hoit, Mr. G. C. Outten of Mt. Zion was appointed a member of the Advisory Committee on Crops.

ADDITIONAL ASSISTANTS IN MILITARY SCIENCE.

(6) Owing to the unexpectedly large increase in the numbers of the Cadet Brigade the present year, it was found necessary to appoint ten assistants in Military Science, at a salary of $100 each a year, instead of eight authorized by the budget of last summer.

On motion of Miss Watson, the action of the President of the University in appointing two additional assistants in Military Science was approved and the appropriation involved was made by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

CERTIFICATES OF HONORS FOR SCHOLARSHIP.

(7) A recommendation from the Council of Administration that the Registrar be authorized to provide a certificate indicating the granting of preliminary honors and final honors to students for high scholarship. The printing of these engraved certificates would cost about $77, including the plates from which future certificates might be printed.

On the recommendation of President James and on motion of Superintendent Blair, the Registrar was authorized to provide certificates for students who shall earn honors. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

GIFT TO ROTHAMSTED EXPERIMENT STATION ACKNOWLEDGED.

(8) A statement from the Dean of the College of Agriculture that the contribution of the University of Illinois to the building of the Lawes Memorial at the Rothamsted Agricultural Experiment Station in England has been greatly appreciated, and that a full series of the publications of the Station is now on its way for the University Library.

This report was received for record.

BUREAU OF MILITARY INFORMATION AND ADVERTISING.

(9) A recommendation from Col. Joseph N. Greene, Colonel and Brigade Commander of the University Brigade, concerning the establishment of a Bureau of Military Information and Advertising. The recommendation is endorsed by the Military Commandant:

January 18, 1915.

From: Cadet Colonel J. N. Greene, Commanding the Cadet Brigade.
To: Commandant of Cadets, University of Illinois.
Subject: Recommendation for the establishment of a Bureau of Military Information and Advertising.

In order that the Military Department of the University of Illinois may better be advertised in the University community and in order that the members of the University and its community may better be educated in those matters pertaining to the Federal and State Military and Naval policies, I have the honor to make the following recommendation:

There shall be established in conjunction with the Military Department of the University of Illinois a bureau of information which shall be officially known as "The Division of Military Information." The object of this bureau will be to compile all data concerning:

a. The strength of the Regular Army of the United States; the organization and its distribution; the regulations governing the Army.

b. The strength of the United States in number of ships and officers and men; the maintenance of the ships and their distribution; the regulations governing the Navy.

c. The strength and organization of the National Guards of the several states; and the laws governing the Illinois National Guard; the requirements of the War Department in respect to the Guard.

d. The same as "c" for the Naval Reserve of the several states and of Illinois in particular.

e. All proposed and enacted Military and Naval Laws in the Federal Congress and the State of Illinois Legislature.

f. The proposed and enacted laws in respect to the establishment of reserve armies; summer instruction camps; and all other legislation pertaining to the Army and Navy.

g. The strength and maintenance of Corps of Cadets by the United States and the several states of the Union.

h. The strength and distribution of the armies and navies of foreign "world powers."

i. The relations existing between the "Boy Scouts" of the several nations and the armies and navies of these nations.

j. The military policies of the several nations.

k. All other information relating to the Army and Navy of the United States that is of importance.

This division to be conducted, under the supervision of the Commandant of Cadets, by the following:

a. A "Chief" of the bureau who must be a Senior Officer of the University Corps of Cadets, in good scholastic standing and with good moral habits.

b. Two assistants to the Chief who shall be Junior Officers of the Cadet Corps and who satisfy the requirements made of the Chief.

c. Not more than six clerks who shall be Sophomore noncommissioned officers of the Corps of Cadets and who satisfy the requirements made of the Chief.

These officers of the bureau are to be chosen in the following manner: From the Sophomore noncommissioned officers applying for the positions as clerks the Commandant shall select the six who have shown by their previous military or naval training that they are qualified to fill the office or who by examination given by the Commandant on such subjects as he shall consider pertinent shall prove capable of filling the office; the two Junior assistants of the Chief shall be chosen at the end of each school year, their selection to be based upon the service rendered by them during the term of clerk. At the end of each school year the Chief of the Bureau will be chosen from the Junior assistants, the selection being based upon the service rendered while in the capacity of Junior assistant. The selection shall be made by the Commandant of Cadets and the then active Chief. For the remainder of the year 1914-15 a Chief shall be appointed by the Commandant; and likewise the Commandant shall determine by competitive examination those two men best fitted to be Junior assistants; and further, the Commandant shall also determine by similar examination those six Sophomores who are best fitted to act as clerks.

The Chief of the Bureau shall be personally responsible to the Commandant for the proper administration of the bureau. Together with the Commandant he shall disseminate such information as is required by the press of the University and its community and shall aid the Commandant in the advertising of summer camps of the War Department and shall similarly advertise any other measures of the United States Government taken by it to increase the efficiency of the Army and Navy or to inform the people of the country upon military affairs. Through the bureau he shall be required to answer all questions from all sources pertaining to any or all data compiled as hithertofore required.

The Junior assistants and the Clerks shall do all such work pertaining to the maintenance of the bureau as the Commandant and the Chief shall direct.

In consideration of his services the Chief shall receive the sum of ten dollars ($10) per month for the nine months of the school year.

In consideration of their services each Junior assistant shall receive the sum of four dollars ($4) per month for the nine months of the school year.

The Clerks shall receive no compensation for their services.

The salaries of the different officers of the bureau shall be paid out of the general funds appropriated by the University for the use of the Military Department and charged to the account of "clerical help."

The headquarters of the bureau shall be in the office of the Military Department where and by which the necessary equipment shall be furnished them.

The bureau shall in no way support any political party.

Jos. N. GREENE,
Colonel and Brigade Commander.

MILITARY DEPARTMENT, *January 20, 1915.*

President E. J. James, University of Illinois.

DEAR SIR: This scheme advocated by Col. Greene is, I think, a very good one. Please consider it and if you think it practicable, give me authority to start it the coming semester.

The amount of money necessary to finance it the balance of the year would be about $56, which can be paid out of the appropriation for clerical work.

Very respectfully,

F. D. WEBSTER,
Major of Infantry and Professor of Military Science.

On the recommendation of President James and on motion of Miss Watson, the Commandant was authorized to organize this bureau and the sum of fifty-six dollars was appropriated therefor. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Miss Watson; noes, none; absent, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Moore, Mr. Trevett.

At this point Mrs. Busey withdrew.

SALE OF TELEPHONE STOCK.

(10) A letter from the Comptroller announcing the sale of the last of the Michigan State Telephone Company stocks and bonds:

January 21, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: The Board of Trustees, at the meeting held on June 25, 1913, authorized me to sell for $25, the $25 certificate of the Michigan State Telephone Company common voting stock scrip, owned by the University. I beg to advise you that I have sold this scrip to N. W. Harris and Company of Boston, and that their draft for $25 in payment has been deposited with the University Treasurer, and credited to the principal of the Edward Snyder Loan Fund.

This sale completes the disposal of approximately $3,600 of Michigan State Telephone Company stocks and bonds, in which a portion of the Snyder Loan Fund was invested in 1900.

Very truly yours,

GEO. E. FRAZER.

STATE AUDITOR'S AUDIT OF UNIVERSITY ACCOUNTS.

(11) A letter from the Comptroller enclosing a letter concerning the audit of the University accounts made at the instance of the State Auditor by the United States Audit Company:

January 21, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: For your information, I hand you herewith a copy of the letter in the report addressed to the State Auditor by the United States Audit Company, under date of January 18. You will remember that the State Auditor employed the United States Audit Company to make an audit of the accounts of the University for the fifteen months ending September 30, 1914.

The report of the United States Audit Company is very satisfactory to me. In the first place, the auditors call attention to our detailed analysis of receipts and disbursements, and state that our records of receipts and disbursements "have been kept in an accurate and efficient manner, and a great improvement has been made over the system in use at the time of last audit for your office, April, 1913."

In the second place, the auditors call attention to the need for better accounting on our part as to the inventories of University property. I have gone over the inventory question from all possible angles, and have come to the conclusion that our present inventory methods are satisfactory, providing we can find time and

opportunity to check our book records of property with the actual property. We have planned the work of the business office for the remaining months of the present fiscal year so as to permit of some time being given to verification of inventories.

Very truly yours,

GEO. E. FRAZER.

[Audit Report.]

January 18, 1915.

Hon. James J. Brady, Auditor of Public Accounts, Springfield, Ill.

DEAR SIR: In accordance with your instructions, I have audited the books and accounts of the University of Illinois at Urbana, Ill., for the fifteen months ended September 30, 1914.

Owing to the fact that the fiscal year of the University ends on June 30, 1914, I have audited that period, and have also verified the cash receipts and disbursements for the three months ended September 30, 1914.

A summary of the transactions of the year ended June 30, 1914, is as follows:

Cash receipts (Exhibit "AA")	$ 531,703 45	
Add: State appropriation income (amount expended)	2,278,715 86	
		*$2,810,419 21
Cash disbursements (Exhibit "BB")		2,819,297 81
Excess of disbursements over receipts		8,878 50

The disbursements for the year resulted in an increase in net worth, as shown by comparative balance sheet (Exhibit "A") of $641,828.88.

I estimate the cost of maintaining the University during the year as follows:

Disbursements	$2,819,297 81
Deduct: Increase in net worth	641,828 88
Estimated cost	$2,177,468 93

This amount represents the cost of ordinary maintenance, and does not take into consideration the acquisition of land, construction of new buildings, or purchase of equipment.

The system of accounting in this institution gives very detailed analysis of the receipts and disbursements. There is also in force a method of recording liabilities against appropriations, which acts as a preventive against overdrafts. A transfer ledger is also used, which records inter-department transactions and requisitions from stores. In this manner the cost of each department of the University is accurately shown in full detail.

Owing to the amount of time at my disposal, I have audited the balance sheet at June 30, 1914, as it would require considerable time to construct a balance sheet at September 30, 1914.

The method of recording additions and deductions from balance sheet assets during the year ended June 30, 1914, could be much improved. I believe that a general ledger, recording assets and liabilities, should be installed. All additions to assets should be susceptible to audit by reference to the duplicate vouchers on file. Equipment discarded or otherwise disposed of, depreciation and any other deductions from capital assets should be credited to the proper asset account and charged to surplus, and there should be sufficient supporting data referring to same to properly verify transactions. Inventories of supplies should be taken on uniform inventory sheets, and detailed sufficiently, where possible, to admit of a comparison with the vouchers on file.

Considering the many thousands of items handled by the University, and the variety thereof, the records of the cash receipts and disbursements have been kept in an accurate and efficient manner, and a great improvement has been made over the system in use at the time of last audit for your office, April, 1913.

The receipts of the University are used, together with the State appropriations, for the payment of ordinary expenses and acquisitions of new property. A budget control over expenditures is in force, the Board of Trustees of the University basing their appropriations on the estimated current receipts and the State appropriations.

Duplicate vouchers are on file for all disbursements.

I verified the cash receipts and cash balances, and reconciled the appropriation balances with the amounts as shown by your office, both on June 30, 1914, and September 30, 1914.

I submit herewith various statements, which contain full details of the cash receipts and disbursements, together with comments on my verification of the assets and liabilities at June 30, 1914.

Yours very truly,

HENRY L. HERTZ,
President, United States Audit Co.

WHITNEY B. FLERSHEM,
Certified Public Accountant.

AUTHORITY TO ACCEPT GIFTS FOR MARGARET LANGE JAMES LOAN FUND.

(12) A request from Miss Martha J. Kyle, Acting Dean of Women, on behalf of certain young women of the University, that the Comptroller of the University be authorized to accept contributions and subscriptions received by them in trust for the Margaret Lange James Loan Fund.

On motion of Mrs. Evans, this request was granted.

* Should be $2,810,419.31—an error of 10 cents.

CLASSIFICATION OF EMPLOYEES OF THE AGRICULTURAL EXPERIMENT STATION.

(13) A letter from the Dean of the College of Agriculture and Director of the Agricultural Experiment Station, submitting a proposed classification of employees of the Experiment Station not under direct Trustee appointment:

[CLASSIFICATION OF EMPLOYEES OF THE EXPERIMENT STATION NOT UNDER OFFICIAL APPOINTMENT.]

Your committee appointed to consider the classification of service embracing miscellaneous positions not of official appointment and the adjustment of wages pertaining thereto, begs to place before the departments' conference the following suggestion as a scheme of classification:

Employees of the Experiment Station, not under official appointment, may be considered as belonging to the following classes in accordance with the explanations following:

FARM FOREMAN.

There may be in each department a farm foreman to which position is attached a considerable amount of responsibility. Besides having the immediate supervision of the field work, this foreman may be made responsible for the selection of the laborers, the keeping of accounts, and, under direction of the department, of the disposal of products. He may also be given the duty of policing the grounds. Wages $65 to $85 per month.

HERDSMAN, SHEPHERD, ETC.

In certain departments there may be employed herdsmen who are charged with the care of animals. They should be men of experience in their respective lines. According to experience, ability, and responsibility, the wages may vary from $60 to $85 per month.

GREENHOUSE OR LABORATORY ATTENDANT.

These positions will probably be recruited ordinarily from the ranks of laborer or janitor. Through contact with a certain special line of service these men become proficient in such special lines. The wages may vary from $50 to $70 per month.

SCIENTIFIC HELPER.

There may be three classes of scientific helpers according to qualifications as follows:

Class I.—Employees coming into the work who have had neither experience in the particular line of work of their employment nor training that would particularly fit them for it may be placed in Class I. Wages may vary from $40 to $60 per month.

Class II.—Employees in this class must have had at least two years of experience in the special line of work of their employment or have had equivalent training that would peculiarly fit them for the work. Wages may vary from $60 to $85 per month.

Class III.—Employees in order to be eligible to this class must have had education beyond the high school besides possessing other special qualifications. Wages may vary from $85 to $100 per month.

WORKMAN OR TEAMSTER.

Provisions for regulating the pay of this class are already in force as made previously by a special committee.

MISCELLANEOUS EMPLOYEES.

There are a number of different kinds of employment so special in their nature as to scarcely permit of a classification. Each case will have to be dealt with by itself.

On the recommendation of President James and on motion of Mr. Hoit, this classification of employees was approved.

POLICY GOVERNING ELECTION OF TREASURER.

(14) The board at the annual meeting, March 11, 1913, voted that it would not reelect a University Treasurer to succeed himself. It will be necessary, therefore, for the board at its next annual meeting (March 9, 1915) to select another Treasurer.

Mr. Busey, who has been Treasurer for the past term, has performed his duties in an eminently acceptable manner, and has made things as convenient as possible for the routine administration of the University.

In selecting a new Treasurer, I think it would be well for the board to attempt to secure, if possible, a somewhat larger rate of interest on daily balances. The Treasurers of the University for many years past, possibly from the beginning, have paid from 2 to 2½ per cent, computed biennially, upon the daily balances in their hands. Mr. Busey likewise promised on April 4, 1913, to pay to the University 2 per cent on daily balances. This sum has amounted to a very gratifying addition to the financial resources of the University. Under the present arrangement, by which the appropriations made by the Legislature are kept in the State Treasury instead of being handed over to the University Treasurer, the income from this source will be, of course, relatively small, but it is still eminently worth having. The University of Wisconsin seems to be able to get 2½ per cent on daily balances. The city of Chicago receives from the banks 3 per cent on all funds on deposit more than thirty days, and there would seem to be no reason why the

University of Illinois could not obtain as much as Wisconsin or Chicago.* In addition to the use of the money in his hands the Treasurer of the University has been receiving under action of the Finance Committee (to whom the decision has been referred with power to act) fifty dollars a month for office expenses. It would seem proper to save this sum to the University under the new arrangement. The following table showing the balances in the hands of the University Treasurer on the thirtieth day of each month during the present biennium will indicate in general the way in which the funds change from month to month:

MONTHLY BALANCES IN HANDS OF UNIVERSITY TREASURER.

April 30, 1913	$736,907 88	March 31	$347,926 80
May 31	585,584 58	April 30	325,736 33
June 30	425,548 11	May 31	280,326 80
July 31	306,100 25	June 30	211,052 30
August 31	234,849 81	July 31	151,418 78
September 30	267,834 65	August 31	132,651 94
October 31	276,726 72	September 30	212,811 44
November 30	262,936 65	October 31	236,020 38
December 31	259,790 92	November 30	234,783 54
January 31, 1914	266,655 30	December 31	201,083 46
February 28	333,108 20	January 31, 1915	221,554 78

I recommend that this matter be referred to the Finance Committee for consideration and report.

No action was taken concerning this matter

REQUESTED PURCHASES FOR CLASSICAL MUSEUM.

(15) Two requests from Prof. Arthur S. Pease, Curator of the Museum of Classical Art and Archeology:

1. That the University authorize the purchase of the Jacobstahl collection of archeological objects which has been offered to the University by Paul Gottschalk, bookseller, of Berlin. This is a very valuable collection of antiquities which we really ought to have in our museum of archeological objects. It would form a most valuable element in the means of instruction in our courses in history, art, and archeology.

2. That the University purchase a Babylonian clay cylinder tablet, giving an account of the building of Babylon by King Nebuchadnezzar. It has been offered to the University for sale by Dr. Edgar J. Banks for the sum of $315. It would be valuable for purposes of instruction in history, archeology, and semitics.

No action was taken on these requests.

REQUESTED PURCHASE OF PRINTING PRESS FOR MUSEUM.

(16) A request from Prof. N. C. Brooks, Curator of the Museum of European Culture, endorsed by the Curator of the Museum of Classical Archeology, and approved by the Supervising Architect, for the installation of a small printing press to cost about $100 for the purpose of printing museum labels.

No action was taken on this matter.

CHARGE FOR USE OF MORROW HALL.

(17) A recommendation from the Supervising Architect:

"That a charge of seven dollars and a half ($7.50) be made for the use of Morrow Hall for musicals and similar entertainments, this charge to cover lighting, heating, janitor service for ordinary cleaning, police duty, and the use of such palms and ferns as the Supervising Architect and the Superintendent of Grounds deem advisable, all extra work, such as wiring, decorating, special lighting effects, and the like, to be charged for in addition, in proportion to the labor and material required."

On motion of Mr. Hoit, this recommendation was concurred in.

DR. E. A. CORCORAN DROPPED FROM MEDICAL FACULTY.

(18) A statement from Dr. D. A. K. Steele, Senior Dean of the College of Medicine, that he had been obliged to drop the name of Dr. Edward A. Corcoran, Instructor in Medicine in the Junior year in the College of Medicine, for inattention to duty and lack of interest in his work.

On the recommendation of President James and on motion of Mr. Hoit, the action of Dean Steele, was approved.

AUTHORITY TO NOMINATE GRADUATE SCHOLARS AND FELLOWS.

(19) A request from the Dean of the Graduate School, Dr. David Kinley, that he be authorized to nominate the scholars and fellows for the coming year with stipendia aggregating $25,000.

On the recommendation of President James and on motion of Mr. Hoit, authority was given as requested.

* Since writing the above I have been informed that the University of Wisconsin has received during the last year on local deposits of petty cash the sum of 3.85 per cent instead of 2½ per cent. The University of Missouri received 3 per cent; the Ohio State University 2.5 per cent; the University of Cincinnati 2.5 per cent; the Michigan Agricultural College 2.5 per cent. These sums are generally computed quarterly or for even shorter periods.

GIFT TO B'NAI B'RITH LIBRARY FUND.

(20) A statement of the Comptroller that he has received a gift of $50 from Mr. Isaac Kuhn for the use of the B'nai B'rith Library Fund in the Library of the University of Illinois.

On motion of Mr. Hoit, this gift was accepted and the President of the University was requested to extend the thanks of the board to Mr. Kuhn.

INTER-UNIVERSITY COMMITTEE TO PREPARE MATERIAL FOR STATE CONSTITUTIONAL CONVENTION.

(21) Last year an appropriation of $100 was made for the use of the Constitutional Committee (page 736, Report, 1914). No part of this fund has yet been used, but it lapsed on the 30th day of June. The committee is now desirous of incurring certain expenses for typewriting, etc., in the preparation of their report. If there is no objection, I shall take it for granted that this appropriation is continued for this purpose.

No action was taken concerning this matter.

EMERGENCY BILL TO SECURE SMITH-LEVER FUNDS.

(22) A recommendation that the President of the University be given authority to secure the introduction of an emergency bill into the Legislature providing for the appropriation of the $10,000 which should come to the State under the Lever Fund during the present year.

No action was taken on this matter.

USE OF SWIMMING POOL IN WOMAN'S GYMNASIUM.

Mrs. Evans reported for the Committee on Students' Welfare, to whom had been referred a request that the swimming pool in the Woman's Gymnasium be opened to the wives and children of members of the Faculty (page 737, Report, 1914), that the committee regretted that the accommodations in the Woman's Building were too limited to permit of the granting of this request.

This report was received for record.

APPOINTMENT TO COMMITTEE ON AGRICULTURE.

The Secretary presented for record the following letter from the President of the board:

January 31, 1915.

Mr. H. E. Cunningham, Secretary, University of Illinois.

DEAR SIR: Please note that I have appointed Hon. J. K. Hopkins to fill the vacancy on the Committee on Agriculture, caused by the retirement of Dr. Montgomery.

Yours truly,

W. L. ABBOTT.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary also presented for record the following list of appointments made by President James to fill vacancies:

Welden, N. A., Assistant in Gross Anatomy in the College of Medicine, to give six hours' service a week, for the second semester of the current academic year, at a remuneration of fifty dollars ($50) for the semester. (January 28, 1915.)

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

* The date in parenthesis is the date on which the appointment was made by the President of the University.

MEETING OF MARCH 2, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12.30 p. m., on Tuesday, March 2, 1915, pursuant to the following notice which was sent out by the Secretary on February 17, 1915:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Blackstone Hotel, in Chicago, on Tuesday, March 2, 1915, at 12.30 p. m., to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Moore, Miss Watson.

During a part of the afternoon, Professors D. A. K. Steele, G. P. Dreyer, Casey A. Wood, C. S. Williamson, and C. S. Bacon, of the College of Medicine, were present.

President James was present.

President Abbott requested Mr. Allen F. Moore, whose term expires on March 9, to take the chair. Mr. Moore presided throughout the afternoon.

APPROVAL OF MINUTES.

The Secretary presented the minutes of the meeting of January 30, 1915. On motion of Mr. Abbott, the minutes were approved in the form printed above on pages 188 to 203, inclusive.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented for record the following list of appointments made by President James to fill vacancies:

Stone, Charles H., Loan Assistant in the Library, on one-half time, at a salary of thirty-seven and one-half dollars ($37.50) a month, beginning February 3, 1915, or as soon as he reports for duty, and continuing until August 31, 1915. (February 3, 1915.)

Tark, Leo A., Student Assistant in Experimental Medicine, beginning February 8, 1915, and continuing to June 16, 1915, at the rate of thirty cents (.30) an hour for service not to exceed twelve hours a week. (February 9, 1915.)

Westlund, Albert F., Assistant in General Engineering Drawing, beginning when he reports for duty and continuing until June 1, 1915, at a salary of one hundred dollars ($100) a month. (February 12, 1915.)

Wilcox, Roy H., Assistant in Animal Husbandry in the College of Agriculture and the Agricultural Experiment Station, beginning February 1, 1915, and continuing until August 31, 1915, with a salary at the rate of one thousand dollars ($1,000) a year. (February 2, 1915.)

Wright, George E., Draftsman in the Office of the Supervising Architect, on temporary appointment, beginning February 1, 1915, and continuing until further notice, with salary at the rate of one hundred forty dollars ($140) a month; this appointment superseding his previous appointment at the rate of one hundred twenty-five dollars ($125) a month. (February 15, 1915.)

RATE OF INTEREST ON TREASURER'S BALANCES.

Mr. Hoit presented for the Finance Committee a request from Treasurer M. W. Busey that he be released from his obligation to pay interest on daily balances in his hands [see Report of 1914, p. 206], with the recommendation from the committee that the rate of interest to be paid by the Treasurer on daily balances during the biennium just ending be fixed at one per cent.

Miss Watson offered the motion that the recommendation of the Finance Committee be concurred in. The matter was discussed at some length. Mrs. Henrotin moved as a substitute that the matter be referred to the new Finance Committee. The substitute motion was adopted.

TREASURER'S REPORT.

Mr. Hoit also presented for the Finance Committee the Treasurer's report for the quarter ending December 31, 1914. This report was received for record.

Respectfully submitted,

M. W. BUSEY, *Treasurer.*

BUDGET, 1914-15.

President James presented the budget of the University for the fiscal year beginning June 1, 1914, and ending June 30, 1915, with the following prefactory statement:

The budget for the present year has been delayed much beyond the usual time, as was the budget for last year, because, among other things, of the uncertainty as to the interpretation which State officials might place upon the wording of the appropriation bills; and also because of the possible demand of the State Auditor upon the Treasurer of the University that the income of the University derived from student fees, Federal appropriations, gifts, etc., should be turned into the State treasury.

The form of the appropriation bill for this biennium was very different from that of preceding bills, and in such cases there is always an uncertain element until, by daily application of the law, definite meaning has been assigned to the various terms used. If the Trustees had been compelled by the decision of the court to allow the call of the State Auditor for the funds in the hands of the University Treasurer, it would have been impossible to make up a budget for the present year without a very great deficit.

The balance of $21,273.74 indicated in the budget as submitted to the board [page 209] is what I should call a bookkeeper's balance pure and simple. It is ascertained by setting over against the total estimated income of the University during the year, the total estimated expenditure and taking the difference. This would be a true balance if all the income of the University were at the disposal of the Trustees to expend at their discretion, but as a matter of fact the funds are, in many cases, limited to certain purposes. The Hatch Fund, for example, is limited to the Agricultural Experiment Station; the appropriation for the veterinary clinic to that same purpose.

As a result of this legal distribution of the funds the year's financial operations will show larger surpluses in some accounts than the balance above indicated, while other accounts will show overdrafts.

The passage of the law providing a mill tax for the support of the University has made it possible for the Trustees to plan for expenditures which have not yet been provided for by appropriations. This is especially true in the case of buildings.

The budget contains, for bookkeeping purposes, the items for the State Water Survey and the Miners' and Mechanics' Institutes, though the expenses for these departments of work are provided for by special appropriation.

The Board of Trustees found it necessary to expend a larger sum upon the extension and equipment of the heat, light, and power plant than had been originally contemplated, and this reduced the proposed expenditures for other purposes; as, for example, the vivarium, which has not yet advanced beyond the plans.

The increase in the expense of the Military Department has been most marked, owing to the increasing number in the regiment, the desire to make better provision for the department, and the charging to this department of certain items which belong properly to this account, but which have formerly been charged to other accounts.

We have been compelled to propose a reduction in the appropriation for the museums from $15,000 to $7,500, but it is hoped that we may be able to make this partially good before the end of the year. It is very desirable that much more money should be spent in making collections in various departments and making those collections which we already have more available for students and faculty.

Speaking generally, the budget for the present year is essentially the same as that for the past year.

BUDGET.

PRESENTATION OF NEEDS, COLLEGE OF MEDICINE.

During the reading of the budget, Professors Steele, Dreyer, Wood, Williamson, and Bacon, of the Faculty of the College of Medicine, who had been asked by President James to present the needs of the College of Medicine, were introduced. Each one set forth the needs of his own department and also the general need of better library, clinical, and hospital facilities.

At this point, Superintendent Blair withdrew.

APPROVAL OF THE BUDGET.

After discussion of provisions of the budget, and upon motion of Miss Watson, the budget was approved and the President of the University was authorized to make transfers of funds from one department to another when necessary to meet overdrafts, in order to keep the total expenditure within the total income shown in the budget. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Moore, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Meeker, Mr. Trevett.

On motion of Mrs. Henrotin, the board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF MARCH 9, 1915.

The annual meeting of the Board of Trustees of the University of Illinois was called to meet in the Trustees' Room, at the University, in Urbana, at 12.30 p. m., on Tuesday, March 9, 1915.

When the board convened, all the members were present, namely, Mr. Abbott, Superintendent Blair, Mrs. Busey, Mr. Carr, Governor Dunne, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Hopkins, Mr. Trevett, Mr. Ward, Miss Watson.

President James was present.

MINUTES PRESENTED.

The Secretary presented the minutes of the special meeting of March 2, 1915, in the form of galley proof, the time between the special meeting and the annual meeting having been too short to permit of the presentation of the minutes in printed form.

On motion of Mrs. Busey, the consideration of the minutes for approval or disapproval was deferred until all the members of the board could be supplied with printed copies.

ELECTION OF PRESIDENT OF THE BOARD.

The election of officers being next in order, the Secretary called for nominations for the position of President of the Board of Trustees for the ensuing year.

Mr. Hoit nominated Mr. Abbott.

Governor Dunne nominated Mr. Carr.

Mr. Carr asked to have his name withdrawn, seconded the nomination of Mr. Abbott, and moved that the Secretary be instructed to cast the ballot of the board for Mr. Abbott as President. As there was objection, the Chair declared the motion out of order. There being no further nominations, it was voted, on motion of Governor Dunne, that the nominations be closed and that the election proceed by ballot.

The board then proceeded to the ballot for the office of the President of the board. The Secretary acted as teller. The vote stood as follows: Mr. Abbott, 7; Mr. Carr, 3; Mr. Hoit, 1. Mr. Abbott was declared elected, and having expressed his appreciation of the honor conferred upon him, resumed the chair.

ELECTION OF SECRETARY.

On motion of Mrs. Busey, Mr. Harrison E. Cunningham was reelected Secretary of the Board of Trustees for the ensuing year.

NOMINATIONS FOR TREASURER.

Nominations for the office of Treasurer of the University for the ensuing biennium were next called for.

Mr. Hopkins nominated Mr. H. S. Capron, of Champaign.

Mrs. Henrotin nominated Mr. T. B. Webber, of Urbana.

RATE OF INTEREST ON TREASURER'S BALANCES.

Mr. Blair moved that the following condition be imposed on the election of the Treasurer, namely, that he shall pay interest on daily balances at the rate of two per cent, such interest to be credited monthly.

Mrs. Busey having raised the question of order, the President of the board ruled that, if there were no objection, the matter could be considered at this time.

The roll was called and Mr. Blair's motion was passed by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Carr, Mr. Dunne, Mrs.

Evans, Mrs. Henrotin, Mr. Hoit, Mr. Hopkins, Mr. Trevett, Mr. Ward, Miss Watson; noes, none.

ALLOWANCE TO TREASURER FOR CLERK HIRE.

Mr. Carr moved that the board reserve the right to discontinue the allowance of fifty dollars a month to the Treasurer for clerk hire. The motion was passed by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Carr, Mr. Dunne, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Hopkins, Mr. Trevett, Mr. Ward, Miss Watson; noes, none.

AMOUNT OF TREASURER'S BOND.

Mrs. Busey moved that the amount of the Treasurer's bond be fixed at one million dollars. The motion was adopted by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mrs. Busey, Mr. Carr, Mr. Dunne, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Hopkins, Mr. Trevett, Mr. Ward, Miss Watson; noes, none.

ELECTION OF TREASURER.

The board then proceeded to the ballot for the office of Treasurer. The President requested Mrs. Henrotin and Mr. Carr to serve as tellers. The ballot was announced as follows: Mr. Capron, 7; Mr. Webber, 5; and Mr. Capron was declared elected.

ELECTION OF MEMBERS OF THE EXECUTIVE COMMITTEE.

The President then called for nominations for two members of the Executive Committee, to constitute with the President of the board (as chairman) the Executive Committee for the ensuing year.

Mrs. Henrotin nominated Mr. Carr.

Mr. Blair nominated Mr. Hoit.

On motion the nominations were closed and the board voted to elect Mr. Carr and Mr. Hoit members of the Executive Committee for the ensuing year, and they were declared elected.

ELECTION OF THE PRESIDENT OF THE UNIVERSITY.

The next business in order being the election of the President of the University for the ensuing biennium, Mr. Blair nominated Dr. Edmund J. James, to serve at his present compensation.

On motion of Mr. Hopkins, the Secretary was instructed to cast the unanimous ballot of the board for Dr. James as President. The ballot was cast, Dr. James was declared elected, and Superintendent Blair was requested to escort the President-elect to the chair and to introduce him to the board.

President James expressed his appreciation of the honor bestowed on him.

TREASURER'S BOND.

On motion of Mrs. Busey, the Finance Committee was directed to see that the Treasurer secure a satisfactory bond in the amount of one million dollars and to report the same to the board for approval.

AUTHORITY TO RECEIVE MONEYS.

On motion of Mr. Blair, the following resolution was passed:

Resolved, That the Treasurer of the Board of Trustees of the University of Illinois is hereby authorized to receive and receipt for all moneys and to endorse all orders, drafts, and checks, due and payable to the said Board of Trustees, or to the said University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the said Board of Trustees, or to the said University of Illinois, on account of the Agricultural Experiment Station of the said University.

TIME OF EVENING SESSION FIXED.

It was voted that the evening session of the meeting should be held at the Inman Hotel, in Champaign, beginning at 7.30 p. m.

At this point, Mr. Abbott, being called from the room, requested Mrs. Busey to take the chair. Mrs. Busey presided for the remainder of the afternoon.

ASSIGNMENT OF LAND NEAR SOUTH FARM.

President James presented a communication from Dr. Eugene Davenport, Dean of the College of Agriculture and Director of the Agricultural Experiment Station, asking that the 320 acre tract known as the Busey, Pell, McCullough, and Douglas tracts, recently purchased, lying east of the South Farm and south of the roadway running along the south side of the Cemetery, be assigned to the Department of Horticulture, in accordance with a plan submitted, for the ultimate use of the work in horticulture, reserving, until further action by the board, the south eighty for other interests.

On motion of Superintendent Blair, the following resolution was adopted:

Resolved, That the 320 acre tract known as the Busey, Pell, McCullough, and Douglas tracts, recently purchased, be assigned in general for the ultimate use of the work in horticulture, in accordance with the plan submitted, and until further action by the board, the use of the south eighty acres to be reserved for other interests—provided that all portions of the 240 acres thus assigned which may not be immediately needed for the work in horticulture shall, so far as possible, be open to the use of other departments. Furthermore, be it

Resolved, That it is the opinion of the Board of Trustees that with the addition of his acreage to the University of Illinois, no additional land should be hired for the use of the College of Agriculture, or the Agricultural Experiment Station, or any department thereof, except what may be absolutely necessary for some temporary or peculiar purpose, such as meadow or pasture land immediately needed. It is further understood that the land now occupied elsewhere by the Department of Horticulture, excepting the ground occupied by the new Floriculture and Horticulture Buildings and the space immediately about them, shall be vacated as rapidly as possible for the use of other departments of the University.

At this point the board took a recess until 7.30 p. m.

Evening Session.

When the board convened for the evening session, at the Inman Hotel, in Champaign, the following members were present: President Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mr. Hoit, Mrs. Henrotin, Mr. Ward, Miss Watson.

During a part of the evening, Prof. J. M. White, Supervising Architect, was present.

President James was present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The board proceeded immediately to the consideration of the following matters presented by President James:

LEASE AND OPTION, ROLAND PROPERTY.

(1) A letter from Mr. Anton Roland offering to rent to the University a tract of ground owned by him, situated in William Williamson's Addition, in Champaign, and also offering an option for purchase of this property for the period of two years:

CHAMPAIGN, ILL., *March 8, 1915.*

Prof. James M. White, Supervising Architect, University of Illinois, Champaign, Ill.

DEAR SIR: Referring to our negotiations for the rental by the University of Illinois of the tract of ground owned by me situated in Wm. Williamson's Addition: The west half (W. ½) of the southwest quarter (SW. ¼) of section eighteen (18) township nineteen (19) north, range nine (9) east of the Third Principal Meridian, Champaign, Ill.; located between Fourth Street and First Street in the city of Champaign and lying south of the corporation line of said city, containing thirty-two and one-half (32½) acres, I have to say that I will lease this tract to the University of Illinois for a period of two years at an annual rental of seven hundred ($700) dollars, payable on July 1, 1915, and on July 1, 1916.

In consideration of the payment to me of this annual rental I will give to the Board of Trustees of the University of Illinois the option to purchase the 32½ acres owned by me described as herein before at the sum of fifty thousand dollars ($50,000) and I agree to convey same on the payment to me of that sum; giving therefor good merchantable title free and clear of all incumbrance.

Yours truly,

ANTON ROLAND.

Mrs. Busey moved that the matter be referred to the Finance Committee with power to act.

Mrs. Henrotin moved to amend by substituting for the words "Finance Committee" a special committee composed of Mr. Carr, Mr. Trevett, and Prof. White.* The amendment was accepted and the motion was passed by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

REGULATIONS, MARGARET LANGE JAMES LOAN FUND.

(2) A draft of the proposed regulations for the administration of the Margaret Lange James Student Loan Fund recommended by the Council of Administration:

UNIVERSITY OF ILLINOIS.

MARGARET LANGE JAMES LOAN FUND.

The Comptroller of the University shall make loans to students from the Margaret Lange James Loan Fund in accordance with the recommendations of the Council of Administration approved by the Finance Committee of the Board of Trustees.

The recommendations of the Council shall be subject to the terms of the gift and to whatever regulations may be adopted by the Board of Trustees for this purpose.

Applications shall be upon a blank form provided for the purpose, properly filled out, and no recommendation for a loan shall be made without the favorable endorsement of the Council of Administration, recorded in its minutes and endorsed on the application blank.

For each loan a note of hand shall be taken, drawn for the full amount with interest at 5 per cent per annum, payable semi-annually.

The maximum time limit for which notes may be drawn shall be for two years from the 30th day of June next following the student's regular time of graduation.

Bank discount shall be charged up for the balance of time ensuing until the 30th day of June next following the date of the note, and interest thereafter shall be paid semi-annually. Interest at 7 per cent will be charged on all notes not paid at maturity.

TO WHOM LOANS MAY BE MADE.

Loans may be made to matriculated students, preferably to women, who have been in residence at the University at least one year, who have attained at least junior standing, and who are at the time they make application students in residence at this University, who have declared their intention to graduate.

In recommending loans only students of promise and good scholastic standing will be considered, and, other things being equal, preference will be given to those students who are the farthest along in their University work.

A loan will not be recommended for any student who is believed to be financially or morally delinquent in any respect.

* The special committee made the following report on March 19, 1915:

To the President of the University of Illinois.

SIR: We, the undersigned, Robert F. Carr, J. R. Trevett, and James M. White, being the special committee appointed by the Board of Trustees of the University of Illinois at its meeting held March 9, 1915, with power to act in the premises, hereby authorize the Comptroller of the University to lease from Anton Roland the tract of ground owned by him situated in William Williamson's sub-division of the west one-half of the southwest quarter of section eighteen (18), township nineteen (19) north, range nine (9) east of the Third Principal Meridian, including:

1. The south five acres of lot nine (9)
2. Lot eleven[1] (11)
3. Lot twelve[2] (12)
4. The south part of lot ten (10)

of said sub-division, containing 3.73 acres more or less; it being the intention to lease that portion of lot ten lying and being directly west of and adjoining the south five acres of lot nine of the sub-division herein named, and that the north line of the said south five acres of said lot nine shall continue and be extended through the said lot ten to First Street and shall constitute and be the north line of the said tract, containing thirty-two and one-half acres more or less, for a period of three years from March 1, 1915, at an annual rental of seven hundred dollars ($700), payable quarterly, beginning June 1, 1915. Provided that in consideration of said payment of this annual rental said Anton Roland will give the Board of Trustees of the University of Illinois the option to purchase the thirty-two and one-half acres more or less owned by him, as hereinbefore described, at the sum of fifty thousand dollars ($50,000), and that he will agree to convey the same to the University on the payment to him of that sum, giving therefor good merchantable title free and clear of all incumbrance.

Provided further that said option may be foreclosed at any time during this period.

Provided further that the said rent payment shall cease on the date when the option is foreclosed and the purchase money paid.

If Mr. Roland will not let the property on the above terms for three years, the Comptroller may lease for two years or two and one-half years.

ROBERT F. CARR
JOHN R. TREVETT
JAMES M. WHITE
Committee.

[1] Lot 11 contains 6.62 acres, more or less.
[2] Lot 12 contains 17 acres, more or less.

Applicants for loans are expected to offer security other than their own signatures, and no member of the Faculty or other person directly connected with the University will be accepted as security for any student loan.

Information given by applicants will be considered confidential on the part of the University authorities.

Application for loans must be addressed to the chairman of the Committee on Student Loan Funds, University of Illinois, Champaign, or Urbana, Ill.

RESIGNATION OF COMPTROLLER AND READJUSTMENT OF THE BUSINESS OFFICE.

(3) The following statement concerning the business office:

Since the last meeting of the board, the Comptroller of the University, Mr. George E. Frazer, whose resignation was submitted January 1, 1915, (see page 187), has found an excellent opening elsewhere, and has requested to be relieved of his work. I have accepted his resignation, therefore, subject to the approval of the board.

I have made a temporary adjustment in the work of the office by putting Mr. L. E. Knorr, Assistant Comptroller, in charge of the work of the office as Acting Comptroller; and he has made the further adjustments in the work of the Bursar and the Purchasing Agent made necessary by the resignation of Mr. Staples and the death of Mr. Hay.

These latter positions are Civil Service positions and if the organization of the office is to be kept as at present they must be filled by certification from the State Civil Service Commission.

On motion of Mrs Evans, the action of President James, in adjusting the work of the business office, was approved.

On motion of Mrs. Busey, the resignation of the Comptroller was accepted.

DELEGATION OF SIGNING WARRANTS.

(4) A recommendation that President W. L. Abbott and Secretary H. E. Cunningham be authorized to delegate to Mr. L. E. Knorr, Acting Comptroller, the signing of their names as President and Secretary of the board, respectively, to vouchers drawn against the Auditor of Public Accounts.

On motion of Mr. Hoit, this recommendation was concurred in.

BRONSON PROPERTY OFFERED.

(5) A letter from Mr. G. D. Bronson relating to certain property which he would like to sell to the University of Illinois:

URBANA, ILL., *February 11, 1915.*

Dr. Edmund J. James, President, University of Illinois, Urbana, Ill.

DEAR SIR: I wish to offer for the consideration of the Board of Trustees of the University of Illinois, and yourself, the purchase of the Mathews Avenue frontage of block one of the Bronson Addition at a price of $25,000.

This property has a frontage on Mathews Avenue of 314 feet and a depth of 120 feet with an extension east of 64 feet in width and a depth of 153½ feet.

A plat of the property accompanies this letter, the land offered being outlined in red.

The property is worth even more than we are offering it for to the Trustees, but we feel that a sale to one person and with one transaction is more desirable than to sell by single lot; hence the above offer.

I have been told that until after July 1 the Trustees will be somewhat handicapped by a shortage of funds for available use.

With that in view we are willing to give the Trustees a contract for purchase of the property, and they can have until September to complete the deal if they want that long a time.

We can furnish a complete, merchantable abstract of title.

I have a power of attorney from the other parties interested authorizing me to sell the property to the best advantage, make what arrangements are necessary, and sign any preliminary papers that are required.

This looks like a very fair proposition and I hope you will take advantage of the offer.

Awaiting your reply, I am

Very truly yours,

G. D. BRONSON.

On the recommendation of President James and on motion of Mr. Carr, this offer was referred to the Finance Committee for consideration and report.

LEASING OF SMITH LANDS.

(6) A letter from the Comptroller relating to the leasing of the farm properties recently given to the University by Capt. Thomas J. Smith:

February 13, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Acting under authority from the chairman of the Committee on Agriculture of the Board of Trustees (see minutes Board of Trustees, meeting of January 30, 1915, pages 195-6), I have executed the following leases for the year from March 1, 1915, to March 1, 1916, on the farm properties given to the University by Capt. T. J. Smith:

To: Russell Arbuckle, of near the city of Champaign.

The east one-half of the southwest quarter of section 14, township 19, north, range 8, east of the Third Principal Meridian, in the county of Champaign and State of Illinois.

To: C. J. Foltz, of St. Joseph.

The southwest quarter and the west half of the southeast quarter, in section 26, township 20, range 10, east of the Third Principal Meridian, in Stanton Township, Champaign County, Illinois.

To: David A. Howard, of Rantoul.

All that part of the north half of section 23, township 22, north, range 9, east of the Third Principal Meridian, which lies west of the Illinois Central Railroad, situated in Ludlow Township, Champaign County, Illinois.

To: George E. Jones, of Fisher.

The northwest quarter and the south half of the northeast quarter; section 31, township 22, north, range 8, east of the Third Principal Meridian, situated in the county of Champaign and State of Illinois.

I hand you copies of the leases herewith. Signed copies of the leases are on file with the Secretary of the board and in my own office.

You will note that each lease provides for the approval of farm operations by an agent appointed by the President of the University. I recommend that such an agent be appointed as soon as possible, and that the tenants be notified.

Very truly yours,

GEO. E. FRAZER.

As it was necessary to appoint an agent to represent the University for the approval of farm operations, I have named Prof. Jeremiah George Mosier as such agent.

On motion of Mr. Hoit, the Comptroller's letter was received for record, and the appointment of Prof. Mosier was approved.

ERROR IN DEED TO SMITH LANDS.

(7) The following statement:

It appears that in a certain deed executed by Capt. Thomas J. Smith to the Board of Trustees of the University of Illinois, dated September 17, 1914, one acre of ground not then owned by Capt. Thomas J. Smith was included. The lot is really owned by Margaret Lynch and Alice Lynch, and is situated in the southwest corner of the northwest quarter of section 31, township 22 north, range 8 east of the Third Principal Meridian. The Counsel of the University recommends that the board authorize the delivery to Margaret Lynch and Alice Lynch of a quit-claim deed to the piece of land thus particularly described, and recommends the adoption of the following resolution:

WHEREAS, In a certain deed executed by Thomas J. Smith to the Board of Trustees, on the 17th day of September, 1914, conveying the northwest quarter (NW. ¼), and the south half (S. ½) of the northeast quarter (NE. ¼), of section thirty-one (31), township twenty-two (22) north, range eight (8), east of the Third Principal Meridian, a mistake was made in that it included one acre of ground not then owned by Thomas J. Smith, but owned by Margaret Lynch and Alice Lynch, situated in the southwest corner of the northwest quarter (NW. ¼) of said section, and particularly described as follows: Commencing at the southwest corner of the northwest quarter (NW. ¼) of section thirty-one (31) township twenty-two (22) north, range eight (8) east of the Third Principal Meridian, thence east two hundred (200) feet, thence north two hundred eighty-one and eight-tenths (281.8) feet, thence west two hundred (200) feet, to the west line of said section thirty-one (31), thence south to the point of beginning; be it

Resolved, That the President of the board be instructed to execute and deliver to Margaret Lynch and Alice Lynch a quit-claim deed to the piece or parcel of land thus particularly described.

On the recommendation of President James and on motion of Mrs. Henrotin, the resolution was adopted, by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

APPOINTMENT OF MR. C. M. DELANY AND MR. JAMES HALL AS EXAMINERS IN ACCOUNTANCY.

(8) A recommendation from the Committee on Accountancy that Mr. Clarence Martin DeLany be appointed to membership on the Board of Examiners in Accountancy to fill the unexpired term, ending June 30, 1916, of Mr. Peter White, who died on December 17, 1914. A further recommendation from the committee that Mr. James Hall, Chicago manager for Marwick, Mitchell, and Company, 189 LaSalle Street, Chicago, be appointed for the term of three years beginning July 1, 1914, as a member of the Board of Examiners in Accountancy, in place of Mr. Seatree, whose term expired on June 30, 1914.

On the recommendation of President James and on motion of Mrs. Evans, Mr. Delany and Mr. Hall were appointed as recommended.

INCREASES IN SALARIES IN BUSINESS OFFICE.

(9) A recommendation from the Acting Comptroller, Mr. L. E. Knorr, that, owing to the readjustment in the Comptroller's office and the increase of responsibility upon Mr. Alfred Steitz and Mr. M. E. Thompson, the salaries of Mr. Thompson and Mr. Steitz be advanced, from March 1, 1915, to $100 a month each.

On the recommendation of President James and on motion of Mrs. Henrotin, the salaries of Mr. Steitz and Mr. Thompson were increased to $100 a month each, from March 1, 1915. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

ADDITIONAL FELLOWSHIPS, ENGINEERING EXPERIMENT STATION.

(10) A request from the Dean of the College of Engineering that four additional research fellowships be created in the Engineering Experiment Station with a stipendium of $500 a year each, this in view of the fact that the Department of Mining Engineering has been created since the present number was fixed at ten, that the Department of Ceramics will be transferred to the College of Engineering for the coming year, and that two research fellows in the Experiment Station should be appointed for each of these departments.

On the recommendation of President James and on motion of Mr. Carr, the four additional fellowships were created and the President of the University was authorized to nominate candidates for the same. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

EXTENSION WORK IN HOME ECONOMICS.

(11) A recommendation from Dr. Eugene Davenport, Dean of the College of Agriculture and Director of the Agricultural Experiment Station, that Miss Isabel Bevier be appointed Vice Director of Extension Work in Home Economics, and that Miss Mamie Bunch be appointed State Leader for Demonstration Work in Home Economics under the Lever Bill. If this is done Miss Bunch will employ half her time in that work, and half her salary will be paid from the Lever Funds. Both appointments are to date from March 1, 1915, to June 30, 1916.

On the recommendation of President James and on motion of Mrs. Evans, these appointments were made.

RENEWAL OF LEASE, MT. HOPE CEMETERY ASSOCIATION.

(12) A letter from the Comptroller announcing that he has signed a lease for four acres, lying in the northeast corner of the tract of land owned by the Mt.

Hope Cemetery Association, from March 1, 1915, to March 1, 1916, at an annual rental of $60. This land is to be used by the Department of Agronomy.

This statement was received for record.

IMPORT ORDERS, COLLEGE OF MEDICINE.

(13) A request from Mr. W. H. Browne, Secretary of the College of Medicine, for permission to place import orders for the various departments in the College of Medicine for the academic year 1915-16 to the amount of $6,850.

On the recommendation of President James and on motion of Mrs. Henrotin, authority to place import orders for the College of Medicine, to the amount of $6,850, was granted, by the following vote: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

ORCHESTRA CONCERTS TO BE CONTINUED.

(14) A request from Mr. J. L. Erb, Director of the School of Music, for authority to arrange for a series of orchestra concerts during the year 1915-16 similar to those of the present and past years. This involves an appropriation for the academic year 1915-16 of $5,000 for orchestra concerts, and the granting of authority to the Comptroller to make contracts with orchestras to that amount.

On the recommendation of President James and on motion of Mr. Carr, the Director of the School of Music was authorized to arrange for orchestra concerts for 1915-16 and the Comptroller was authorized to make the necessary contracts to the amount of $5,000. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett.

At this point, Miss Watson withdrew.

APPROPRIATIONS FOR PRINTING THE SPECULUM REGALE.

(15) A recommendation from Dr. David Kinley, Dean of the Graduate School, that the University undertake to issue an edition of 150 copies of the *Speculum Regale* at an estimated cost of $2,200. It is proposed to put a price of $15 a volume upon the 150 copies. Fifty-four copies have already been ordered at $15 a volume, making $810. Subscriptions have been made to the amount of $388, of which $295 has been paid. There will be ninety-six copies left and undisposed of from the sale of which the balance of $1,100 may be met.

In the opinion of Dr. Kinley this is a scholarly undertaking, and one which the University may well undertake on its merits in the interest of linguistics. The manuscript, which is a facsimile, is important historically as well as linguistically. It would seem likely to add to the scientific reputation of the University.

On the recommendation of President James and on motion of Mr. Carr, the sum of $2,200 was appropriated from Graduate School Funds for printing the *Speculum Regale*. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

APPROPRIATION BILLS.

(16) A recommendation that the President of the University be authorized to secure the introduction of the necessary appropriation bills into the present session of the General Assembly.

On motion of Mr. Carr, it was voted that such authority be given, and that it is the sentiment of the board that the entire proceeds of the mill tax should be appropriated in a lump sum to the Board of Trustees of the University of Illinois for the support and development of the University.

OFFER OF LAND IN CHAMPAIGN.

(17) An offer from Mr. F. M. Vanneman of Urbana, Ill., to sell certain lots in the city of Champaign to the University.

On the recommendation of President James this offer was referred to the Finance Committee for consideration and report.

LEAVE OF ABSENCE FOR PROF. SCHMIDT.

(18) A request from Prof. E. C. Schmidt for leave of absence for a period of three or four weeks to undergo certain medical treatment which, in the opinion of his physician, should be taken at this time.

On the recommendation of President James and on motion of Mrs. Busey, this request was granted.

LEAVE OF ABSENCE FOR PROF. TRELEASE.

(19) A request from Prof. William Trelease for leave of absence until the 1st of May. Dr. Trelease's physician thinks that he should spend the next few weeks

in a warmer climate, and he would like to undertake a scientific trip to Guatemala where he would be able to do certain important work in connection with investigations which the Department of Botany now has in hand.

On the recommendation of President James and on motion of Mr. Carr, this request was granted.

NEED OF LOT FOR SCHOOL OF PHARMACY.

(20) A statement as to the possibility and necessity of the purchase of a site for the School of Pharmacy Building, with an urgent request that this matter be given immediate attention, as it will not be long until the School of Pharmacy will be out of house and home unless some provision be made for it.

On motion of Mrs. Busey, this matter was referred to the Finance Committee for consideration and report.

LABORATORY FEE IN PHOTOGRAPHY.

(21) A recommendation from the Council of Administration that a laboratory fee of $8 be established for the course known as Photography I, given for the first time during the present semester, to cover the cost of chemicals and other materials used by students in the course.

On motion of Mr. Hoit, this recommendation was approved.

PAYMENT OF HOSPITAL BILL OF MR. E. C. LEWIS.

(22) A request from Prof. J. M. White that the University pay certain bills, amounting to $37.75, incurred by Mr. E. C. Lewis for medical and hospital service while recovering from an injury received in the service of the University, and occasioned by a crowbar falling from a platform and striking him on the shoulder.

On the recommendation of President James and on motion of Mr. Ward, the payment of this bill was authorized, provided Mr. Lewis will sign a waiver of all other rights and claims resulting from this injury. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

REQUEST FOR ALLOWANCE FOR MRS. J. W. NORTH.

(23) A letter from Mr. Marshall E. Gallion, attorney at law, 109 North Dearborn Street, Chicago, asking that the University make an allowance for the support of Mrs. James W. North, whose husband was killed by accident while in the service of the University in the College of Medicine (see Report for 1914, p. 670).

No action was taken on this subject.

PROPOSED COMMITTEE ON CAMPUS PLANS AND ARCHITECTURE.

(24) A letter from Mr. Henry Bacon, 101 Park Avenue, New York, an alumnus of the University, suggesting that a council of three architects be appointed to criticize the general plan of the extension of the buildings of the University, and the design of individual buildings; also a letter from the Supervising Architect, Mr. White, approving in general the suggestion, although making other and additional suggestions in regard to the constitution of such a council.

No action was taken on this matter.

WATER PURIFICATION PLANT.

(25) A letter from Prof. Edward Bartow, Director of the State Water Survey, suggesting that a purification plant be established to treat the University water.

On motion of Mrs. Evans, this request was referred to the Supervising Architect for report.

COMMITTEE ON CONTRACTS FOR CADET UNIFORMS.

(26) A letter from the Military Commandant, Maj. F. D. Webster, requesting that a committee be appointed to open bids and award contracts for the cadet uniforms required in 1915-16; with the recommendation that the President of the Board of Trustees, the Comptroller of the University, and the Military Commandant constitute such committee.

On motion of Mr. Hoit, this recommendation was concurred in.

CHANGES IN CONTRACTS, CHEMISTRY AND ADMINISTRATION BUILDINGS.

(27) A letter from the Supervising Architect requesting authority to make certain changes in the contracts for the Chemistry and Administration Buildings:

URBANA, ILL., *March 8, 1915.*

President E. J. James, University of Illinois.

DEAR SIR: I wish to submit as a matter of record the following list of changes in the contracts for the Chemistry and Administration Buildings and to recommend the authorization of same:

For the Administration Building these changes include, besides miscellaneous items, the additional cost of foundations necessitated by the encountering of quicksand at certain places, also the changing of the roof covering from slate to tile in order to match the Commerce Building, and the providing of certain struc-

tural steel work in the end walls to carry the floors at such time in the future as it becomes necessary to tear out these walls to construct the completed building.

For the Chemistry Building the changes represent, in addition to miscellaneous minor items, the cost of extra foundation work, of underpinning the walls of the old building and of additional experimental wiring requested by the Chemistry Department.

A STATEMENT OF THE ADDITIONS TO AND DEDUCTIONS FROM CONTRACTS FOR CHEMISTRY AND ADMINISTRATION BUILDINGS AS AT MARCH 1, 1915.

Chemistry Building.

	Additions.	Deductions.
General contract	$2,197 52	$625 25

Total	$3,214 92	$1,820 25
Net additions	1,394 67	

Administration Building.

	Additions.	Deductions.
General contract	$1,920 42	$281 00
Plumbing contract	.....	16 35
Total	$1,920 42	$297 35
Net additions	1,623 07	

I am receiving bids for an ornamental iron canopy for the main entrance to the Administration Building necessitated by the architectural treatment of the west elevation and should like to be authorized to let the contract for this work at a sum not to exceed $2,000.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

On motion of Mr. Hoit, the additions to the contracts for the Chemistry and Administration Buildings, amounting to $1,394.67 and $1,623.07, respectively, were approved and the Supervising Architect was authorized to let a contract for an iron canopy for the main entrance of the Administration Building at a cost of not more than $2,000. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

SALARY OF THE SECRETARY OF THE BOARD.

(28) A recommendation that the salary of Mr. Harrison E. Cunningham as Secretary of the board be fixed at $500 a year, dating from March 1, 1914.

On motion of Mrs. Evans, this recommendation was concurred in. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

ADVISORY COMMITTEE, LIVE STOCK SECTION.

(29) A letter from Dr. Eugene Davenport, stating that the following nominations have been made by the Live Stock Breeders' Association for membership in the Live Stock Advisory Committee of the College of Agriculture, of whom five are to be appointed:

Mr. A. W. Bragg, Tuscola.
Mr. F. E. Drury, Jacksonville.
Mr. Joseph Fulkerson, Jerseyville.
Mr. P. S. Haner, Taylorville.
Mr. M. P. Lantz, Carlock.
Mr. C. J. McMasters, Altona.
Mr. N. C. Meharry, Tolono.
Mr. Ira G. Sharp, Sharpsburg.
Mr. E. C. Stone, Peoria.
Mr. W. W. Wright, Toulon.

On motion of Mrs. Henrotin, the following persons were appointed members of the Live Stock Advisory Committee of the College of Agriculture: Mr. C. J. McMasters, Altona; Mr. Joseph Fulkerson, Jerseyville; Mr. M. P. Lantz, Carlock; Mr. F. E. Drury, Jacksonville.

APPOINTMENT OF MISS GLOVER AND MISS SMITH.

(30) A request from Dr. Eugene Davenport, Dean of the College of Agriculture and Director of the Agricultural Experiment Station, that Miss Anna C. Glover be appointed Secretary of the Agricultural Experiment Station and Publication Manager at a salary of $1,500 a year from March 1, 1915; and that Miss Florence E. Smith be appointed Chief Editorial Assistant in the Agricultural Experiment Station at a salary of $1,200 a year from March 1, 1915.

On the recommendation of President James and on motion of Mr. Carr, these appointments were made as requested. The vote was as follows: Ayes, Mr. Abbott, Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward; noes, none; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

PLANS FOR CERAMICS AND EDUCATION BUILDINGS.

(31) A statement that it is necessary for the Trustees to proceed with the authorization for the erection of new buildings or meet much delay upon the work, with great inconvenience to the departments concerned.

On motion of Mr. Carr, the Supervising Architect was instructed to call for bids on the plans for the School of Education Building and for the Engineering and Ceramics Building.

HOUSE JOINT RESOLUTION, LEVER BILL.

(32) A copy of House Joint Resolution No. 3, relating to the so-called Lever Bill work, adopted by the House of Representatives of the State of Illinois, March 3, 1915, concurred in by the Senate, March 4, 1915:

HOUSE JOINT RESOLUTION NO. 3.

JOINT RESOLUTION FOR GIVING THE STATE'S ASSENT TO THE ACT OF CONGRESS OF MAY 8, 1914.

WHEREAS, The Congress of the United States has passed an act approved by the President, May 8, 1914, entitled "An Act to provide for the cooperative agricultural extension work, between the agricultural colleges in the several states, receiving the benefits of the act of Congress approved July 2, 1862, and of acts supplementary thereto, and the United States Department of Agriculture," and,

WHEREAS, It is provided in section 3 of the act aforesaid, that the grants of money authorized by this act shall be paid annually "to each state which shall by action of its legislature assent to the provisions of this act," therefore, be it

Resolved, By the House of Representatives, the Senate concurring therein, that the assent of the Legislature of the State of Illinois be and is hereby given to the provisions and requirements of said act, and that the Trustees of the University of Illinois be, and they are hereby authorized and empowered to receive the grants of money appropriated under said act, and to organize and conduct agricultural extension work which shall be carried on in connection with the College of Agriculture of the University of Illinois, in accordance with the terms and conditions expressed in the act of Congress aforesaid.

Adopted by the House March 3, 1915.

DAVID E. SHANAHAN,
Speaker of the House of Representatives.

B. H. MCCANN,
Clerk of the House of Representatives.

Concurred in by the Senate March 4, 1915.

BARRATT O'HARA,
President of the Senate.

A. E. EDEN,
Secretary of the Senate.

Filed March 9, 1915.

LEWIS G. STEVENSON.
Secretary of State.

This report was received for record.

APPLICATION FOR POSITIONS IN BUSINESS OFFICE.

(33) A statement that there have been several applications for the positions of Purchasing Agent, Bursar, and Comptroller, which will be presented to the board as soon as the board decides to take up the matter of filling these positions.

No action was taken in this matter.

PAYMENT OF CARFARE OF SENIORS IN MEDICINE AND DENTISTRY WHO ATTEND COMMENCEMENT IN URBANA.

(34) The board voted on January 30, 1915, to hold the commencement exercises for the Colleges of Medicine and Dentistry at Urbana in connection with the commencement of the Urbana departments (see page 192). There will be about one hundred twenty-five students graduated from these colleges in June.

On motion of Mr. Carr, President James was authorized to pay the railway fare (from Chicago to Champaign and return) of students graduating from the Colleges of Medicine and Dentistry in June, and the sum of $650, or so much thereof as may be necessary, was appropriated for this purpose. The vote was as follows: Ayes, Mr. Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit; noes, Mrs. Busey, Mr. Ward; absent, Mr. Blair, Mr. Dunne, Mr. Hopkins, Mr. Trevett, Miss Watson.

DEMAND OF STATE AUDITOR FOR UNIVERSITY FUNDS.

(35) The State Auditor of Public Accounts asked the Trustees of the University of Illinois, on November 6, 1913, to turn over to the State Treasurer the funds in their possession arising from fees of students, gifts, Federal Government receipts and all other sources. The Trustees did not comply with his demand. The Auditor gives formal notice, however, in his last report (Report, 1914, page XII), that on the 30th day of June next he will demand that the University turn over all receipts on and after that date from all sources whatever.

This will make a very serious complication for the University if the Auditor insists upon it and is upheld by the judgment of the courts in his view that the law requires this.

The Counsel of the University insists that the State Auditor has no authority to issue such a call. You will find on page 664 of the report of the board for

1914 (meeting of December 13, 1913), a letter from the Counsel of the University on this subject.

This is a serious matter and should receive the careful attention of the board. I am referring it, therefore, to you at the present time for your consideration and action.

After full discussion, no action was taken on this matter.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary presented for record the following list of appointments made by President James to fill vacancies:

Alexander, Lilla M., Cataloger in the Library, at a salary of seventy dollars ($70) a month, beginning March 1, 1915, and continuing until August 31, 1915, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment at the rate of sixty-five dollars a month. (February 17, 1915.)*

Hanford, A. C., Assistant in Political Science, on one-half time, for the second semester of the current academic year, at a salary of four hundred dollars ($400) for the semester; this appointment superseding his former appointment at two hundred fifty dollars a semester. (March 4, 1915.)

Haven, C. H., Foreman Plumber and Steamfitter in the Supervising Architect's office, at a salary of one hundred twenty-five dollars ($125) a month, beginning February 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding his former appointment at one hundred twenty dollars. (February 8, 1915.)

Hayward, Nellie, Clerk in the Department of Dairy Husbandry, at a salary of sixty dollars ($60) a month, beginning March 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment at fifty dollars. (February 22, 1915.)

Sinnock, Julia, Stenographer in the Office of the Supervising Architect, at a salary of sixty dollars ($60) a month, beginning January 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding her former appointment at fifty dollars. (February 8, 1915.)

Towne, L. J., Superintendent of Construction, at a salary of two hundred dollars ($200) a month, beginning February 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission; this appointment superseding his former appointment at one hundred seventy-five dollars. (February 8, 1915.)

The board adjourned, at 11.30 p. m.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

* The date in parenthesis is the date on which the appoinment was made by the President of the University.

MEETING OF APRIL 21, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Wednesday, April 21, 1915, pursuant to the following notice which was sent out by the Secretary on April 15, 1915:

Upon the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois in the Trustees' Room, at the University, in Urbana, on Wednesday, April 21, 1915, at 10.00 a. m., to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

There being no quorum present, the board adjourned to meet at the University, in Urbana, at 10.00 a. m., on Tuesday, April 27, 1915.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Adjourned Session, April 27, 1915.

When the board convened at 10.30 a. m., on Tuesday, April 27, 1915, pursuant to adjournment, the following members were present: Mrs. Busey, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Trevett, Miss Watson.

President James was present.

In the absence of Mr. Abbott, and on motion of Mr. Hoit, Mr. Carr was elected chairman of the meeting.

MINUTES APPROVED.

The Secretary presented the minutes of the meetings of March 2 and 9, 1915, which, on motion of Mrs. Henrotin, were approved as printed above on pages 204 to 229, inclusive.

THE MILL TAX FUND.

President James presented the following statement concerning the mill tax fund:

Four years ago after a discussion extending over ten years or more the Legislature of Illinois passed a law called the Mill Tax Law providing that a tax of one mill per dollar of assessed valuation of the property of the State should be levied and collected each year for the support and maintenance of the University of Illinois.

Four considerations led to the adoption of this plan:

1. The unsatisfactory experience of this State up to that time growing out of the more or less haphazard character of the appropriations made for the University.

2. The experience of other states like Michigan, Wisconsin, Minnesota, Iowa, California, etc., all of which by long and costly trial had found out that if they wished to develop a strong state university it would be necessary to take the institution out of politics by giving to it a permanent revenue beyond the reach of temporary and occasional accidents of legislative action.

3. The conviction that the People of the State would get much more for their money if the Trustees of the University were able to estimate with some degree of accuracy the amount of money likely to be at their disposal for the maintenance and development of the University.

4. The belief that by some regular and automatic action a steady increase should accrue to the funds of the University corresponding to the growth of the commonwealth in population and resources and to the ever increasing demands made upon the University for service to the public.

The Mill Tax Law passed by the Legislature in 1911 will secure these ends if it be maintained.

The tax produced $2,250,000 per annum for the biennium closing June 30, 1915.

It will produce $2,500,000 per annum for the biennium beginning July 1, 1915.

The University needs every dollar of this sum in order to do the increasing work which the State has imposed upon it.

Four forms of attack upon this system of providing for the University have been made or are making in this Legislature:

1. Bills to repeal the law altogether.
2. Bills reducing the rate of the tax from one to one-half or three-fourths mill.
3. Bills imposing charges on the mill tax fund which do not properly belong there.
4. Bills to appropriate only a part of the total sum provided by the tax.

Of these, the first three will doubtless be defeated in the Legislature.

The fourth form of attack—i. e. of refusing to appropriate the full amount of the fund, is the most subtile and dangerous one and the most injurious to all the interests of the State represented in the University.

The full amount provided by the tax is intended for the University. The University needs every dollar of it. The fund can not be legally used for any other purpose.

The effect of refusing to appropriate this money will be: to deprive the University of needed funds; to violate the spirit of the law now upon the statute books; to pile up money in the State Treasury which can be used for no other purpose; and worst of all pave the way for a repeal of the law two years from this date on the ground that the University fund has a large unused balance in it.

It is perfectly proper, of course, for the Legislature to repeal the Mill Tax Law at any time when in the opinion of that body the interests of the State would be advanced by such action.

But it should be done openly and above board with the issue clearly drawn so that every member of the Legislature and every citizen of the State can understand fully what is going on; and then only after full discussion in the Legislature and in the State so that at least as much thought and consideration shall be given to the question of repeal as was given to the passage of the law.

The proposition to leave a large unappropriated balance in the fund is a most insidious and dangerous attack on the whole plan—all the more dangerous when it is favored on the ostensible score of economy.

There is no doubt what the permanent will of the People of the State is on this subject when they once understand the issue.

The repeal of the Mill Tax Law or the practical nullification of it by refusing to appropriate in full the proceeds of the tax will affect profoundly and injuriously every interest of the commonwealth represented in the University and that means the interests of higher education in every department: Agriculture, Engineering, Business, Teaching, Pharmacy, Dentistry, Medicine, and Law.

The Trustees will expend this money along essentially the same lines as during the last biennium, developing the various departments to their highest degree of usefulness; adding the necessary buildings, providing necessary equipment, improving the teaching force, and caring more fully for the physical, moral, and intellectual welfare of the young people commended to their care—now more than 6,000 in number.

If any citizen wishes to know in detail what the Trustees did with the funds of the last biennium a copy of the last Comptroller's report will be sent on request.

The Trustees are asking for the proceeds of the mill tax as the law contemplates—neither more nor less—and that this money be appropriated in a lump sum or in the form already approved by the last Legislature.

AUDIT REPORT.

Mr. Hoit presented, for the Finance Committee, the report of the United States Audit Company for the quarter ending December 31, 1914. This report was received for record.

January 27, 1915.

Hon. Allen F. Moore, Chairman, Finance Committee, Board of Trustees, University of Illinois.

DEAR SIR: Following your instructions, we have audited the books and accounts of the University of Illinois at Urbana, Ill., for the second quarter of the fiscal year, ended December 31, 1914.

We are sending you herewith a copy of the report prepared by the Comptroller of the University, Mr. George E. Frazer, covering the quarter under audit.

We have verified the cash receipts, disbursements, and balances as shown on the quarterly report, with the exception of the petty cash funds of the College of Medicine, School of Pharmacy, and Agricultural Experiment Station, totaling $1,150.

The total disbursements as per disbursement ledger were $150 in excess of the amount shown by the warrant register. This difference is being investigated by the business office.

Subject to the foregoing remarks, therefore,

We hereby certify that the various schedules as contained in the report of the Comptroller correctly set forth the transactions of the quarter ended December 31, 1914, and that they are in accordance with the books.

Yours very truly,

UNITED STATES AUDIT CO.,
W. B. FLERSHEM,
Certified Public Accountant.

MEETING OF THE FINANCE COMMITTEE, APRIL 9, 1915.

Mr. Hoit presented also the report of the meeting of the Finance Committee held April 9, 1915.

A meeting of the Finance Committee was held in the Trustees' Room, at the University, in Urbana, on Friday, April 9, 1915, beginning at 3.00 p. m. Mr. Hoit, Chairman, and Mrs. Henrotin, Mr. Hopkins, and Capt. Trevett, members of the committee, were present. Vice President Kinley was present, and, during a part of the afternoon, the retiring Treasurer, Mr. M. W. Busey. Mr. H. E. Cunningham acted as Clerk.

The committee proceeded to the consideration of the following matters referred to it by the board:

RATE OF INTEREST ON TREASURER'S BALANCES, 1913-15.

The Clerk read certain correspondence between Treasurer Busey and Mr. Allen F. Moore, former Chairman of the Finance Committee, concerning the rate of interest to be paid on the average daily balances in the hands of the Treasurer, during the biennium just ending.

Treasurer Busey made a statement to the effect that he would suffer financial loss if he were required to pay the two per cent interest, because the funds were tied up by reason of the demands of the Auditor of Public Accounts, during the greater part of his term and the total amount of interest he had been able to collect during the rest of the term did not amount to two per cent on the balances in his hands during the entire term.

Vice President Kinley stated that President James had requested him to call the attention of the committee to two points in this connection; namely, (1) that the budget for the current fiscal year had been made up on the supposition that the two per cent interest would be received [see Minutes, March 2, 1915, page 205]; and (2) the rates of interest received by other institutions [see Minutes, January 30, 1915, page 201].

After discussion of the whole question, the committee voted, on motion of Mr. Hopkins, to recommend to the board that Treasurer Busey be asked to pay interest at the rate of one per cent on the average daily balances in his hands during his term.

TREASURER'S BOND.

Mr. Hoit presented the following letter and the bond furnished by Treasurer-elect H. S. Capron:

[Mr. Capron's Letter.]

Mr. W. L. Abbott, President, Board of Trustees, University of Illinois.

DEAR MR. ABBOTT: I am enclosing herewith bond in the amount of one million ($1,000,000) dollars, executed by me and my sureties covering my responsibility as Treasurer of the University of Illinois for the period for which I was elected on the 9th day of March, 1915.

For your information I have to advise that the guarantors represent a responsibility of about $4,000,000. So that you may know the responsibility of those signing the bond other than those connected with this bank. I have to say that W. S. Van Doren is the owner of 327 acres in Piatt County, Illinois, worth $200 per acre; 640 acres in Pocahontas County, Iowa, worth $150 per acre and 678 acres in Missouri worth $30,000; personal property in the amount of more than $50,000. Harry Grove owns 420 acres in Champaign County considered worth over $200 per acre. Gerd Ehler owns 400 acres within a short distance from the corporation limits of Champaign, worth $250 an acre as well as large acreage in Iowa, Michigan and North Dakota. W. W. Ehler is the owner of 480 acres in Champaign County

worth over $200 an acre, as well as acreage in Iowa and North Dakota. All are men of highest credit and responsibility.

The Harris responsibility represents at least three million dollars.

Trusting that the bond may be acceptable to the board, I am

Yours respectfully,

H. S. CAPRON.

[BOND.]

Know all men by these presents, that we, Hazen S. Capron, as principal, and Margaret B. Capron, B. F. Harris, May M. Harris, N. M. Harris, Mary B. Harris, Melissa M. Harris, W. S. Van Doren, Harry Grove, Gerd Ehler and W. W. Ehler, as sureties, are held and firmly bound unto the Board of Trustees of the University of Illinois, of Urbana, in the county of Champaign, State of Illinois, in the sum of one million dollars ($1,000,000) good and lawful money of the United States, for the payment of which, well and truly to be made, we bind ourselves and our heirs, executors and administrators, jointly, severally and firmly by these presents.

Witness our hands and seals this 18th day of March, A. D. 1915.

The consideration of this obligation is such that whereas the above bounden Hazen S. Capron was on the 9th day of March, A. D. 1915, duly elected to the office of Treasurer of the University of Illinois, for a period ending on the 9th day of March, A. D. 1917, or until his successor shall be appointed and qualified, and is about to assume the duties of said office.

Now, if the said Hazen S. Capron shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such Treasurer during his term of office, and at the expiration of his term of office shall pay over to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities or any other property received by him as such Treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office or any other person appointed to receive the same, the property, books, papers, and other things in his hands belonging to said office, and shall, at the expiration of his term of office, or oftener, if thereunto requested by the Board of Trustees of said University of Illinois, render a just and true account of his doings as such Treasurer, then this obligation to be null and void; otherwise to remain in full force, effect and virtue.

On motion of Mr. Hopkins, the committee voted to recommend that Mr. Capron's bond be accepted.

OFFER OF BRONSON PROPERTY.

The committee took no action concerning the offer of the Bronson property at $25,000. (Minutes, March 9, 1915, page 223.)

PROPERTY IN CHAMPAIGN.

On motion of Capt. Trevett, the committee voted to recommend that the board authorize Mr. F. M. Vanneman to secure options for the purchase of certain land in Champaign. (Minutes, March 9, 1915, page 225.)

APPROPRIATION BILL.

Vice President Kinley presented, for President James, a memorandum on the bill to be introduced into the General Assembly now in session.

[MEMORANDUM FOR THE BOARD OF TRUSTEES IN RE UNIVERSITY APPROPRIATION BILL.]

In the memorandum which I laid before you March 5, 1913, concerning the appropriation bill, which was the first to be passed on the basis of the proceeds of

the mill tax for the support of the University (see p. 187 of the 27th report of the Board of Trustees of the University of Illinois for the two years ending June 30, 1914), I stated that the State Auditor had informed us that the tax had been levied for 1912 on a total State assessment of $2,343,673,232, and that if the mill tax were fully collected it would yield in round numbers $2,343,673.23. Deducting from that sum four per cent of the amount for costs of collection, ordinary abatements, including errors, insolvencies, forfeitures, commissions, etc., the sum we might expect to realize would be $2,249,926.

It was upon the basis of this estimate for both years that the bill was finally passed by the Legislature appropriating the sum of $2,250,000 per annum from the proceeds of the mill tax.

According to the last report of the Auditor of Public Accounts dated December 31, 1914, the net amount realized and paid to the State Treasury on the tax levy of 1912 was $2,267,004.17 (see statement No. 18, page 125).

This sum was available for the use of the University July 1, 1913, to cover the fiscal year beginning July 1, 1913, and ending June 30, 1914.

At the time the report was made by the Auditor, it was not certain what the total assessed valuation of the property of the State for taxable purposes would amount to for the year 1913, and the Legislature appropriated for that year the same sum as for the preceding—namely, $2,250,000, or for the biennium $4,500,000.

The total assessment of State property, however, for the year 1913, rose to $2,422,361,952, and the mill tax if fully collected would have amounted to $2,422,361. Making the same deduction as for the preceding year, the amount due the University under the mill tax would have been $2,325,467, or $75,000 more than was appropriated, which with the $17,004 yielded by the mill tax for the first year more than was appropriated, would make a balance in the Treasury unappropriated on June 30, 1915, of $92,471. According to the Auditor's report, above referred to, for December 31, 1914, statement No. 21, the amount charged to the mill tax, which I take it included the back taxes, as well as the mill tax due on the assessed valuation, amounted to $2,451,888.66; but the amount collected was only $2,241,637.62 as stated in that report, representing a deficiency of $210,251 on collections of the year, or a sum less than the amount appropriated for the year by $8,363.

This was balanced, however, by the $17,000 produced by the mill tax fund in excess of the appropriation for the preceding year, so that if there had been no collections later than the date given in the Auditor's report we should have come out with about $8,000 balance in the amount yielded by the mill tax for the biennium in excess of our estimate.

The sum of $2,422,361, which would have been yielded by the tax levy of 1913 if it had all been collected, was available for the use of the University from July 1, 1914, to June 30, 1915, and that is the basis upon which we have been running for the fiscal year which closes June 30, 1915.

From later statements from the Auditor's office, it appears that much of this money which was deficient when the statement (No. 21, page 131) was made, has been paid in. From a letter received from him dated March 31, 1915, it appears that on March 1 the unexpended appropriations of the mill tax fund amounted to $723,993.91. The amount of the University fund on hand in the Treasury at that date was $934,473.96. There will be, therefore, in the mill tax fund on June 30, 1915, an unappropriated balance of $210,480.05 from the tax levies of 1912 and 1913.

The tax levy for the year 1914 was based on a total equalized assessment of $2,455,745,799. The mill tax therefore would yield, not counting cost of collection, $2,455,745 for the fiscal year beginning July 1, 1915. Deducting four per cent as before, we may reasonably expect the sum of $2,357,516 from the yield of the mill tax for the said academic year.

The total equalized assessment rose from $2,343,673,232 in 1912 to $2,422,361,952 in 1913, and to $2,455,745,799 in 1914, i. e., it rose about $80,000,000 in round numbers from 1912 to 1913, and $35,000,000 from 1913 to 1914.

Under date of March 31, 1915, the Auditor writes, "It is impossible at the present time to estimate what the assessment rolls for 1915, 1916, 1917 will amount to. But I will be greatly disappointed if as a result of the quadrennial assessment on lands and lots, which commences to-morrow, the total assessment of the State is not increased from three to five hundred million dollars. At all events I think it would be safe to count on $2,700,000 for 1915, and for the ensuing two years the increase as evidenced by past assessments would be from ten to forty million dollars each year. Taking an assessment of $2,700,000, it would be safe to say that the University mill tax would net $2,575,000 per annum (from 1915 on)." If we should count only four per cent, the mill tax would yield for the fiscal year beginning July 1, 1916, the sum of $2,592,000.

Taking the estimate then for the yield of the mill tax for the fiscal year beginning July 1, 1915, at $2,357,516, and for the fiscal year beginning July 1, 1916, at $2,592,000, the total expected yield of the mill tax for the biennium would be $4,949,516, which with the $210,000 estimated by the Auditors as likely to be in the Treasury unappropriated on June 30, 1915, makes a total of $5,159,516.

I am proposing to our representatives, therefore, to introduce a bill exactly similar to that passed by the last Legislature, except that in accordance with the vote of the board, I have asked that the appropriation be made in a lump sum, and that the unappropriated balance on hand July 1, 1915, be appropriated for the work of the first year, and the same reads as follows:

A BILL

For an Act making appropriations for the University of Illinois.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That there be and is hereby appropriated to the University of Illinois for the biennium beginning July 1, 1915, the sum of five million one hundred and fifty-nine thousand five hundred and sixteen dollars ($5,159,516), pay-

able out of the money paid into the State Treasury and set apart as a fund for the use and maintenance of the University of Illinois, in accordance with an act entitled: "An Act to provide by State tax for a fund for the support and maintenance of the University of Illinois," approved June 10, 1911, in force July 1, 1911, payable as follows:

For maintenance, equipment, general operating expense, purchase of land and erection of buildings, two million five hundred and seventy-nine thousand seven hundred and fifty-eight dollars ($2,579,758) per annum.

SECTION 2. The appropriations made herein shall be paid only out of moneys paid into the State Treasury and set apart for the use and maintenance of the University of Illinois in accordance with the provisions entitled "An Act to provide by State tax for a fund for the support and maintenance of the University of Illinois," approved June 10, 1911, in force July 1, 1911.

The Auditor of Public Accounts is hereby authorized and directed to draw his warrants from time to time upon the State Treasurer for amounts expended or bills then due, from the sums herein appropriated, payable severally to the persons named, upon the presentation of itemized vouchers therefor, certified to by the President and Secretary of the Board of Trustees of the University of Illinois, with the corporate seal of the University attached thereto.

P. S.—If we accept the Auditor's estimate of $2,575,000, instead of my estimate of $2,592,000 for the year beginning July 1, 1916, the total to be appropriated will be $5,142,516, and the annual sum will be $2,571,258.

On motion of Capt. Trevett, the committee voted to approve the general scheme of the bill as prepared by President James.

EMPLOYMENT OF AUDIT COMPANY.

The chairman was authorized to employ the United States Audit Co. to make the regular quarterly audits of the accounts of the University.

The committee adjourned.

H. E. CUNNINGHAM, *Clerk.*

The report was considered by sections.

TREASURER'S BOND APPROVED.

On motion of Mr. Hoit, the bond of Mr. Capron as Treasurer was accepted and approved, and the Secretary was instructed to notify Mr. Busey that Mr. Capron has been elected and qualified as Treasurer and to request Mr. Busey to turn over to Mr. Capron all funds, books, and securities belonging to the University and in his possession, accepting therefor Mr. Capron's receipt as Treasurer.

RATE OF INTEREST ON TREASURER'S BALANCES.

Mrs. Henrotin moved that action on the recommendation concerning the rate of interest to be paid by Mr. Busey be deferred.

Mrs. Busey moved as a substitute that the recommendation of the Finance Committee that the rate be fixed at one per cent be concurred in.

This matter was dicussed at length. President James advised very strongly that this action be not taken.

At this point Mr. Trevett withdrew, the absence of a quorum having been noted, the board adjourned.

Meeting of the Executive Committee, April 27, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Tuesday, April 27, 1915, immediately following the adjournment of the meeting of the Board of Trustees on the same date.

Mr. Carr and Mr. Hoit, members of the Executive Committee, and Mrs. Busey, Mrs. Evans, Mrs. Henrotin, and Miss Watson, members of the board, and President James, were present. Mr. Hoit acted as Chairman during the forenoon.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The Executive Committee proceeded to the consideration of the following matters presented by President James:

DISCONTINUANCE OF INCOME TAX, P. & S. BONDS.

(1) A letter from Mr. L. E. Knorr, Acting Comptroller, enclosing a copy of a letter from Judge O. A. Harker, Legal Counsel, and a copy of a letter from the Comptroller to Dr. F. B. Earle, stating that the University will decline to advance the normal income tax of one per cent on account of interest paid to the holders of the 1901 issue of bonds of the College of Physicians and Surgeons of Chicago:

April 19, 1915.

Dr. David Kinley, Vice President, University of Illinois.

DEAR SIR: You will recall that, under the Federal Income Tax Law, we are depositing with the Trustees of the two bond issues of the College of Physicians and Surgeons an amount representing one per cent of the total bond interest paid. From this deposit is paid the normal income tax of one per cent of those bond holders not exempt under the income tax law.

The reason that this deposit seemed necessary was probably the fact that the bonds of the 1912 bond issue specifically provided that bond interest was to be paid to bond holders free from any deductions on account of taxes, etc. However, examination of the bonds of the 1901 bond issue amounting to $109,000, as well as examination of the trust deed securing this issue, failed to disclose any provision requiring the College of Physicians and Surgeons to guarantee payment of interest against deductions.

I, therefore, submitted a copy of the trust deed, as well as a bond of the 1901 issue, to Judge Harker for an opinion as to whether or not the University was required to make this deposit of one per cent to cover the normal income tax. I am enclosing herewith a copy of the opinion received from Judge Harker to the effect that the University is not required to make this deposit. I am enclosing also a copy of a letter to Dr. Frank B. Earle, trustee for this bond issue, notifying him that the University will no longer make a deposit to care for this normal income tax.

Unless, therefore, there is objection, we will continue to pay the normal income tax on the 1912 bond issue amounting to $36 per year, but will discontinue to pay the normal income tax on the 1901 bond issue amounting to $65.40 per year.

Very truly yours,

L. E. KNORR, *Acting Comptroller.*

On motion of Mr. Carr, the action of the Comptroller was approved.

LEASE OF McCULLOUGH LAND.

(2) A letter from the Acting Comptroller concerning the leasing from Mr. John McCullough of forty acres of land:

March 22, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Under authority of the Board of Trustees, I have leased from John McCullough forty acres of land for the period from April 1, 1915, to November 15, 1915, at a rental for the entire period of $500, payable on or before July 10, 1915. The land is described as the southwest quarter of section 29, township 19, north of range 9, east of the Third Principal Meridian. It is to be used by the Department of Animal Husbandry for grazing purposes.

Very truly yours,

L. E. KNORR, *Acting Comptroller.*

On motion of Mr. Carr, the action of the Comptroller was approved.

APPOINTMENT TO COMMITTEE ON CERAMICS.

(3) A letter from Mr. A. E. Huckins, Secretary of the Illinois Clay Manufacturers' Association, stating that the association had nominated Mr. Eben Rogers, of Alton, Ill., for membership on the Advisory Committee on Ceramics, in place of Mr. D. V. Purington, deceased.

On motion of Mr. Carr, Mr. Eben Rogers was appointed a member of the Advisory Committee on Ceramics for the term of one year.

BOOK ORDERS FOR 1915-16.

(4) A request from Librarian P. L. Windsor that he be given authority to place orders immediately for the purchase of books to be delivered after July 1, 1915, at a cost of not more than $15,000, the amount to be charged against the book appropriation for the fiscal year 1915-16; and that similar authority be given for the purchase of books for the library of the College of Medicine, at a cost of not more than $1,000.

On motion of Mr. Carr, the Librarian was authorized to order books as requested and the sum of $16,000 was appropriated for this purpose.

UNIVERSITIES COMMITTEE ON MEDICAL EDUCATION.

(5) A communication from a committee, of which Dr. Frank Billings was Chairman, concerning certain proposed action in cooperation with Northwestern University, University of Chicago, and Loyola University of Chicago, in the matter of medical education in the State of Illinois.

A self-constituted committee, calling itself the Universities Committee on Medical Education, which I was invited to join, has held certain meetings in Chicago to discuss the possibility of improvements in medical education in the State of Illinois.

I did not accept membership on this committee, and have not attended any of its meetings. They propose certain cooperative action among the four universities: Northwestern University, University of Chicago, Loyola University, and the University of Illinois.

April 9, 1915.

President Edmund James, University of Illinois, Urbana, Ill.

DEAR SIR: We, the undersigned Executive Committee of the Universities Committee on Medical Education, respectfully submit the enclosed material for the consideration of your organization.

The points upon which the various organizations are asked to agree are contained in Formal Resolutions I, II, III, IV, and V. We are including, however, the minutes of the preliminary conference at which the Universities Committee was

suggested, and also the first meeting of the authorized Universities Committee of fifteen members.

Will you kindly obtain early consideration of these resolutions, and submit your reply to the Secretary, Dr. Franklin H. Martin, Room 1308, 30 North Michigan Avenue, in order that it may be considered at the next meeting of the committtee to be held on April 29, 1915.

It will be desirable, too, that formal action on the part of your board be obtained in approving the personnel of the men appointed by your President to represent you on the Universities Committee of fifteen.

Respectfully submitted,

FRANK BILLINGS, *Chairman.*
ARTHUR DEAN BEVAN.
W. A. EVANS.
A. J. OCHSNER.
FRANKLIN H. MARTIN, *Secretary.*

In order to facilitate the consideration of the matter by the Board of Trustees, the President of the board asked the Attorney General of the State for his opinion as to the authority of the Board of Trustees of the University of Illinois to enter into any such arrangement. The letter is herewith appended, with the opinion of the Attorney General.

URBANA, ILL., *April 12, 1915.*

Hon. Patrick J. Lucey, Attorney General, Springfield, Ill.

DEAR SIR: By direction of the President of the Board of Trustees of the University of Illinois, I am writing in the absence of President James on account of illness, to ask if you will kindly give your opinion as to the legal rights of, and limitations upon, the University in connection with a proposed agreement between four university medical schools, of which it is suggested that the University of Illinois Medical School be one; whereby the matters contained in the formal resolutions described below shall be a ground of common action for the four universities. At a recent meeting of some representatives from these different institutions, President James not being present, the formal resolutions herewith enclosed were adopted. You will see from an inspection of these formal resolutions that it is proposed that the universities concerned, including the State University, shall agree to act in unison with the other universities on fixing a minimum standard:

1. Of preliminary educational requirements for admission.
2. Of educational requirements and length of period of study for graduation.

It is proposed further that the universities may agree:

1. To influence the State Legislature to authorize the State Board of Health to maintain a standard of admittance to practice in conformity with the standards of the universities.
2. To cooperate in directing the graduate medical teaching of Cook County, that it may be under the educational influence and control of the universities.

These proposed agreements are set forth in greater detail in the attached paper, marked Exhibit A.

The questions on which the President of the Board of Trustees requests your opinion for the guidance of the board are as follows:

1. Is it within the power of the University of Illinois as a State institution, under its charter, to make an agreement with other institutions as to requirements of admission, or requirements of graduation, thus in effect giving to the other institutions, parties to the agreement, a voice in determining admission to and graduation from the University of Illinois.
2. Is it within the province and right of the University of Illinois, a State institution, through its officers to agree with others to influence, or try to influence, the Legislature in matters relating to medical education?
3. Is it within the province or right of the University of Illinois to influence, or try to influence, the State Legislature to require or authorize the State Board of Health to maintain a standard of admission to the practice of medicine in conformity with the requirements of the universities, parties to the agreement?

Trusting that you may find it possible to oblige the University with your opinion at an early date, I am

Respectfully yours,

DAVID KINLEY, *Vice President.*

[EXHIBIT A.]

Arrangements which it is proposed shall be entered into by the University of Chicago, Northwestern University, Loyola University, and the University of Illinois.

1. To fix a minimum standard of preliminary educational requirements for admission as follows:

Resolved, That this committee recommend for adoption by the medical departments of the four universities represented, that the minimum requirement for admission to each of their respective medical departments, beginning with the academic year 1915, shall be:

(a) A standard four-year high school course, or its equivalent;

(b) Two years of college work which shall include one year's study each of chemistry, physics, and biology as agreed to by the American Medical Association and the Association of American Medical Colleges.

2. With reference to requirements for graduation from medical schools:

"That each (university) agree upon the four-year medical curriculum for their medical departments, beginning with the academic year 1915, as agreed to by the American Medical Association and the Association of American Medical Colleges."

3. With reference to influencing the State Board of Health:

"That the universities agree to unite in an effort to secure one year as a hospital interne, as a requirement of the State Board of Health for license to practice in Illinois after 1920."

Further, that the universities shall attempt to secure legislation which will authorize the State Board of Health to make a standard of license to practice in Illinois which shall be in conformity with the standards adopted by the universities.

April 17, 1915.

Education: School Officers.

Re Board of Trustees of University of Illinois.

Hon. David Kinley, Vice President, University of Illinois, Urbana, Ill.

DEAR SIR: Your communication of the 12th instant with a copy of the main features of an agreement which it is proposed shall be entered into by the Trustees of the University of Illinois with the governing authorities of three other universities, all of which universities are private corporations, has been received.

This proposed agreement relates to the Medical Departments of the University of Illinois, a public corporation governed by State officers elected by the People, and the Medical Departments of the University of Chicago, the Northwestern University, and the Loyola University, private corporations governed by corporation-chosen trustees or directors, and provides for the joint action of these different governing bodies for substantially the following purposes: '(1) To fix a minimum standard of preliminary educational requirements for admission to the medical schools of the universities in this State; (2) to fix uniform requirements for graduation from medical schools; (3) to secure a requirement by the State Board of Health that service for one year as a hospital interne will be necessary for a license to practice medicine in Illinois after 1920; (4) to influence the Legislature to authorize the State Board of Health to maintain a standard of admittance to practice medicine in conformity with the standards of the medical schools of the universities of the State.

Upon this statement you request my opinion upon the three following questions:

(1) Is it within the power of the University of Illinois as a State institution, under its charter, to make an agreement with other institutions as to requirements of admission, or requirements of graduation, thus in effect giving to the other institutions, parties to the agreement, a voice in determining admission to and graduation from the University of Illinois?

(2) Is it within the province or right of the University of Illinois, a State institution, through its officers to agree with others to influence, or try to influence, the Legislature in matters relating to medical education?

(3) Is it within the province or right of the University of Illinois to influence, or try to influence, the State Legislature to require or authorize the State Board of Health to maintain a standard of admission to the practice of medicine, in conformity with the requirements of the universities, parties to the agreement?

In reply to your first question I will say that the Trustees of the University of Illinois are State officers, and are now elected by the People of the State. [Hurd's Stat. 1913, p. 2471, chap. 144, pars. 17-18.] These officers were created by the act establishing the institution now called the University of Illinois [Hurd's Stat. 1913, p. 2471, chap. 144, par. 16] a public corporation with power to regulate and control such University. All the powers of said Trustees were defined in the act providing for the organization of this institution. Their general powers as a corporate body are defined in the first section of this act to be found in the public laws of Illinois [Sess. Laws of 1867, p. 123] in the following language:

"That it shall be the duty of the Governor of this State within ten days from the passage of this act, to appoint five trustees, resident in each of the judicial grand divisions of this State, who, together with one additional trustee, resident in each of the congressional districts of this State, to be appointed in like manner, with their associates and successors, shall be a body corporate and politic, to be styled 'The Board of Trustees of the Illinois Industrial University'; and by that name and style shall have perpetual succession, have power to contract and be contracted with, to sue and be sued, to plead and be impleaded, to acquire, hold, and convey real and personal property; to have and use a common seal, and to alter the same at pleasure; to make and establish by-laws, and to alter or repeal the same as they shall deem necessary for the management or government, *in all its various departments and relations*, of the Illinois Industrial University, for the organization and endowment of which provision is made by this act, said appointments to be subject to approval or rejection by the Senate at its next regular session thereafter, and the appointees to be and they are hereby authorized to act as Trustees as aforesaid, until their successors shall be appointed by the Governor, and such appointment shall be approved by the Senate."

The powers of said trustees with reference to the conduct of said University, the methods of teaching therein, the requirements for admission of students and for the issuing of certificates of attainments to students, however, are defined and limited by sections 7, 8, 9, and 10 of this same act to be found on pages 125, 126, and 127 of the Public Laws of 1867. These sections provide, among other things, that the Board of Trustees may accept the endowment of voluntary professorships or departments in the University, and at any regular meeting of the board may prescribe rules and regulations in relation to such endowments and declare on what general principles they may be admitted, and provides further that they shall, as far as practicable, arrange all the regular and more important courses of study and lectures in the University so that the students may pass through and attend upon them during the six autumn and winter months, and be left to return to their several practical arts and industries at home during the six spring and summer months of the year, or to remain in the University and pursue such optional studies or industrial avocations as such students may elect; provides further that no student shall at any time be allowed to remain in or about the University in idleness or without full mental or industrial occupation; and provides further that no student shall be admitted to instruction in any of the departments of the University who shall not have attained to the age of fifteen years, and who shall not previously undergo a satisfactory examination in each of the branches ordi-

narily taught in the common schools of the State. Said sections further provide that scholarships, under certain conditions, may be issued to the pupils of the common schools in the State, and beyond the limitations of these several sections the power is granted to the Board of Trustees of the Industrial University to prescribe by rules and regulations at a regular meeting of the board the requirements for admission of pupils and the requirements under which they may be allowed to graduate.

The act by which the name of the institution was changed from the Illinois Industrial University to the University of Illinois gave to the University of Illinois the same powers as were formerly legally exercised by the Illinois Industrial University. See par. 16, chap. 144, Hurd's Stats., 1913, p. 2471.

The act of 1873 to be found in paragraphs 17 and 18 of chapter 144, Hurd's Revised Statutes, 1913, page 2471, which changed the method of choosing the Trustees from appointment by the Governor to election by the People, also by the last seven lines in paragraph 18 changed or added to the power of the Trustees in the following language:

"Said Board of Trustees may appoint an Executive Committee of three chosen out of their own number, which committee, when said board is not in session, shall have the management and control of the University and its affairs, and for that purpose shall have and exercise all the powers which are necessary and proper for such object, except in so far as the board may reserve such powers to itself, and any powers granted at any time by said board to such Executive Committee, the board may at any time revoke."

It will be noted that this section of the law limits the membership of this Executive Committee to members of the Board of Trustees duly elected by the People.

By paragraphs 170 to 175, inclusive, of chapter 122, Hurd's Revised Statutes, 1913, page 2215-16, a change was made as to scholarships provided for in section 9 of the original organic act, but expressly provides, in paragraph 174 of this chapter, that these scholarships shall not be available to students in the professional schools and colleges of the University.

There are other statutes which authorize the creation of other departments of the University, as is done by the act of 1909, authorizing the creation of a Mining Engineering Department of the University, but I am unable to find any statute, other than those above cited, which grants or affects the grant of any power to the Board of Trustees of the University of Illinois or to the University of Illinois itself which must act by and through such trustees.

It is a well settled principle of law that public officers can legally exercise only such powers as are expressly granted to them by the law creating such office, and, in addition thereto, such implied powers as are reasonably necessary for the proper and complete performance of the duty or power expressly enjoined or granted, and all laws granting powers to public officers are to be strictly construed. See *City of Chicago* v. *Hannon,* 115 Ill. App., 183, and *Diederich* v. *Rose,* 228 Ill., 610.

I am unable to find where any law expressly gives power to the Trustees of the University of Illinois to appoint or substitute, by contract or otherwise, persons other than three of the duly elected Trustees of said University to regulate or fix the requirements for admission to the University or any school or college which is a part thereof. This power cannot be implied, because such implication is negatived by the provision authorizing the appointment of an Executive Committee of three Trustees to control the University when the board is not in session, and by another provision in paragraph 18 of chapter 144 above cited, which provides for the filling of vacancies in the Board of Trustees by the appointment of the Governor.

The right to contract and to be contracted with given to the said Board of Trustees by section 1 of the organic act above quoted must of necessity be limited to contracts relating to the control of the University within the express or implied powers of the said Board of Trustees which are granted by the other sections of the act as above cited. It certainly does not extend to an unlimited power of general contract without reference to the subject matters over which the board is given powers, and hence does not extend to the making of any contract not within such powers expressly or impliedly given. Hence the power of delegating, by contract or otherwise, the authority of the Board of Trustees of the University of Illinois, which is given to that board by this statute, to wit, to regulate and fix the terms of admission and graduation of students in the various colleges and schools of said University, to persons other than Trustees, not being expressly or impliedly given by law, it would seem that the Board of Trustees of said University would not have the authority to make or enter into a contract which directly or indirectly would in effect substitute or delegate this power or a part thereof to the control or discretion of the governing boards or bodies of other universities.

In reply to your second question, I will say that the effect of the contract referred to in this question is to accomplish exactly the purposes which in my answer to your first question is held not to be within the power of the Board of Trustees of the University of Illinois, because the Legislature may from time to time change and alter the powers of the Board of Trustees of this University, and may from time to time change the requirements necessary to acquire medical education in that University. The General Assembly is the source of the existence of said University, and is the source of all its powers. It has no power except as the same has been expressly or impliedly given by the General Assembly of Illinois. The power may now be given to the Board of Trustees to fix these requirements, and this Board of Trustees may desire that the Legislature fix different requirements than are desired by the governing bodies of the other universities, yet this contract, if valid, would require common or joint action of the governing bodies of the University of Illinois with the governing bodies of the other three universities in procuring the Legislature to fix requirements that meet the views or judgments of the other universities, which contract would be delegating

the powers of discretion and judgment to this Board of Trustees of the University of Illinois to the representatives of four different Boards of Trustees.

This answer does not consider the question of public policy involved in bringing together by contract three private corporations with a public corporation acting as a public officer, in influencing another branch of the State Government, in the matter of making laws affecting the whole people, and upon this question it is not necessary, in the conclusion I have reached, to express an opinion.

In reply to your third question I will say that it is in principle the same as the first and second questions, and differs only in the fact that it relates to a contract which would require the University of Illinois to join private corporations in an effort to influence legislation, to control the State Board of Health, another agency of the State Government empowered by the General Assembly to fix the standards of admission to practice medicine in this State, and would again be delegating the powers of the Board of Trustees of the University of Illinois to a body composed, in part of others than such trustees, and would not come within any power expressly or impliedly given by law to the Board of Trustees of the University of Illinois.

As I said before, the question of the validity of a contract on the part of a public officer with private persons or corporations to unite in seeking to influence the General Assembly in the matter of legislating concerning the power of another public officer would necessarily enter into this part of the contract which you submit, but in view of the fact that it is my opinion that the contract is *ultra vires* so far as the University of Illinois is concerned, for the reasons above set forth I refrain from discussing such question.

For the reasons above set forth, it is my opinion that each of the three questions you submit should be answered in the negative.

Very respectfully,

P. J. LUCEY, *Attorney General.*

In view of the opinion of the Attorney General, I recommend that the President of the University be authorized to inform the committee that the University of Illinois is not permitted by law to enter into such an agreement as is proposed.

On motion of Mr. Carr, the recommendation of President James was approved.

LEASE OF ROLAND TRACT.

(6) A letter from the Acting Comptroller reporting the leasing of the Roland tract in Champaign [see page 220].

March 27, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: As authorized by the special committee consisting of Mr. Carr, Mr. Trevett, and Prof. White, appointed by the Board of Trustees on March 9, 1915, I have leased from Mr. Anton Roland thirty-two and one-half acres owned by him, situated in William Williamson's Subdivision in Champaign. This lease is dated March 15, 1915, and runs for two years. Rent at the rate of $700 per annum is to be paid quarterly.

I have also secured from Mr. Roland an option for the purchase of this property at any time within two years. The purchase price is to be $50,000.

If the Board of Trustees so desires, the lease and option provide that Mr. Roland will extend the said lease and option from March 15, 1917, to July 15, 1917, upon receiving written notice from the Board of Trustees on or before October 15, 1916, that it will exercise its option to purchase. This provides for the Board of Trustees the opportunity of paying for this land, should it desire to purchase, from the funds available for the biennium 1917-19.

Yours very truly,

L. E. KNORR, *Acting Comptroller.*

This report was received for record.

FACULTY IN THE COLLEGE OF MEDICINE.

(7) A recommendation that, for purposes of recommending students for graduation from the College of Medicine, the faculty of that college shall consist of all persons of the rank of Assistant Professor and above who have given definite courses of instruction in the College of Medicine during the academic year 1914-15.

On motion of Mr. Carr, this recommendation was approved.

LEAVE OF ABSENCE FOR PROF. FRASER.

(8) A request from Prof. W. J. Fraser of the Department of Dairy Husbandry for a year's leave of absence. This request, which is endorsed by Prof. H. A. Harding, is approved by Dean Davenport in the following letter:

March 19, 1915.

President Edmund J. James, University of Illinois.

MY DEAR PRESIDENT JAMES: I am transmitting from the head of the Dairy Department, Dr. Harding, Prof. Fraser's request for a year's leave of absence on half pay to begin September 1, 1915. Prof. Fraser has served the University faithfully for more than twenty years. This is the first real opportunity he has had for getting away, and I hope it may be afforded. I only wish the rules of the University permitted an accumulation of this privilege—of which Prof. Fraser has never been able to avail himself—in such a way that he might go on full salary, but I suppose that is impossible. I, therefore, forward this request and the endorsement of Dr. Harding without further comment than is involved in the statement of my deep appreciation of Prof. Fraser's long and faithful service to us.

Very truly yours,

E. DAVENPORT.

On motion of Mr. Carr, President James was authorized to grant leave of absence on half-pay to Prof. W. J. Fraser for the year beginning September 1, 1915, provided suitable arrangements can be made for his work.

ACOUSTICS OF THE AUDITORIUM.

(9) A report from Prof. F. R. Watson on curing the acoustic defects in the Auditorium:

URBANA, ILL., *March 16, 1915.*

Prof. J. M. White, Supervising Architect.

DEAR SIR: The following report on the acoustics of the University Auditorium gives an account not only of the final cure but also a summary of the entire investigation.

The Auditorium is a large structure with its inner surface made up almost entirely of curved walls. Because of its large size and concreted walls with small absorbing power, it was afflicted with both a reverberation and echoes. This unfortunate condition proved beneficial in the respect that it allowed tests of faulty acoustics to be made under exceptionally good conditions. A systematic investigation, avoiding "cut and try" methods of cure, was inaugurated first to ascertain what the acoustical defects were, and then to investigate the methods of cure and apply them to correct the troubles.

Sabine has shown in his classical experiments on architectural acoustics that a reverberation may be corrected by installing sound absorbing materials. Calculations and experiments were made by Sabine's method to determine the amount of material necessary to reduce the reverberation in the Auditorium to a satisfactory point. The main problem, however, was to find the echoes and eliminate them.

The location of walls producing echoes was attempted by a number of methods and finally solved by using an arc light reflector as source of sound. The arc gave forth an intense hissing sound that traveled with the light so that an observer could see where the sound struck and thus locate the echoes. A complete diagnosis of the action of sound was made by this apparatus.

Experiments to improve the acoustics were then carried on in accordance with the results of the diagnosis. Sounding boards of various kinds were tested, the most successful one being of parabolic shape. This was not satisfactory as a permanent arrangement since it was suited for only a single speaker in a fixed position. Canvases were hung in various positions to determine the effect of cutting off certain walls from the action of sound. Absorbing materials were also hung at critical points suggested by the analysis. The provisional cure was brought about when four large canvases were hung in the dome. For the first time speakers could talk with comparative ease without suffering great annoyance from echoes.

From the acoustical standpoint the Auditorium was then in fairly satisfactory shape. The canvas curtains, however, were very unsightly and did not accord with the architectural features of the room. Steps were then taken to find an arrangement that would satisfy both the acoustical and architectural requirements. Calculations were made by Sabine's method to determine the amount of hairfelt necessary to cure the reverberation. Unfortunately this amount was not sufficient to cover all the walls producing echoes. It was desirable to eliminate the echoes but it was risky to install too much absorbing material and make the Auditorium too dead for sound.

In the face of this difficulty it was decided to carry on further experiments before attempting the final cure. One of the large curved walls was covered with vertical strips of hairfelt 30 inches wide placed 30 inches apart with bare wall space between them. This arrangement had several advantages. It maintained the curvature of the wall and used only half the material necessary to cover the surface completely. Also, it was theoretically more effective in breaking up the incident sound because the portions of the waves striking the felt strips were strongly absorbed and changed in phase. The results obtained were encouraging though not as marked in diminishing the echoes as anticipated. Another wall was therefore padded in a similar way except that the felt strips were installed one foot out from the surface. This would allow the felt to act on both the incident and reflected waves and thus more thoroughly modify the regularity of the sound. The dome surface was also treated, the felt being mounted in radial strips placed 18 inches from the ceiling at the edge of the skylight and gradually nearing the wall until it touched at the crown of the arches.

The material used was Akustikos felt developed by the Johns-Manville Company under the direction of Prof. Sabine. The felt has excellent sound absorbing qualities and, in addition, is fireproof and vermin proof. It is installed by a special process and covered with a rep of suitable color so that it presents a final satisfactory appearance. The Johns-Manville Company agreed to install their felt at cost price because of the advertisement that would come to them in curing with their material the notoriously bad acoustics of the Auditorium.

I have been interested in making an estimate of the amount of money saved on the installation. According to Sabine's method we should have installed 6,300 square feet of the Akustikos felt. The usual charge made by the Johns-Manville Company for this felt is from 40 cents to $1.00 or more per square foot depending on the difficulty of installing the material and the amount of expert investigation of the problem. A conservative estimate for the Auditorium, which was not only an unusual case acoustically but also one in which the installation of material would be difficult, would be 75 cents per square foot, or a total cost of $4.725.

Now we saved in two ways. We obtained the felt and expert labor of installation at cost price, and also, by mounting the material out from the walls so that

its absorbing power was nearly doubled, we used only 3,315 square feet of felt instead of 6,300 square feet. We paid the Johns-Manville Company $1,135.28 for materials and labor. To this should be added $1,400 for the cost of scaffolding and wooden ribs constructed for mounting the felt, a total of $2,535.28, or a saving of at least $2,186.72. The likelihood is that we should have paid $1 per square foot for the felt, thus making the saving somewhere between $3,000 and $4,000, instead of the conservative estimate as shown.

Other changes were made in the Auditorium. A pipe organ was installed, the lighting system was changed, and the interior was redecorated. All of these modifications affected the acoustics and were considered when calculating the amount of hairfelt to be used.

The results obtained have been generally satisfactory. The remodeled Auditorium has been used almost continuously under varied conditions for music and speaking and has been found to have acceptable acoustics. A speaker with a moderate voice can be heard and understood by auditors in the most distant seats. According to experts, the music of the pipe organ is satisfactorily rendered. The room is suited also for orchestra music although for this case the carpet is removed from the stage so as to provide a sounding board for the instruments. The reverberation is not excessive even when no audience is present so that rehearsals may be conducted under favorable conditions. Several instances of echoes have been reported but these do not appear to prevent the words of the speaker being understood.

While the best evidence for the improved conditions was furnished by the favorable opinion of auditors, it was deemed desirable to get additional information by experiment. Accordingly, the time of reverberation was determined experimentally by Sabine's method and proved to have the acceptable value of 1.81 seconds with an average audience of 1,200 people. Calculations showed that the absorbing power of the hairfelt was increased by mounting it out from the walls. Echoes were tested by the arc light reflector. The padded walls diminished the sound to such an extent that they produced little trouble, but several unpadded walls of comparatively small area produced echoes under particular conditions. For instance, when the speaker faces such a wall so that the auditor can see the profile of his face, an echo is perceptible. This is because the sound passing directly to the auditor is diminished while that reflected from the wall is augmented.

Aside from these weak echoes the acoustics appear to be satisfactory. It may be well to consider the future possibility of padding the pendentives in the dome. I call attention again to the desirability of placing a cork carpet, or similar material, in the front lobby and on the stairs leading to the balcony.

Respectfully submitted,

F. R. WATSON, *Assistant Professor of Physics.*

STATE LEADER IN JUNIOR EXTENSION.

(10) A recommendation that Mr. James H. Greene, of LaGrange, Ind., be appointed State Leader in Junior Extension (boys' and girls' club work) in cooperation with the United States Department of Agriculture, under the terms of our articles of agreement with that department, at a salary of $1,800 a year, on twelve months' basis, for a term of two years beginning July 1, 1915. The understanding with the Department of Agriculture at present provides that the department shall pay one-half the salary and expenses.

On motion of Mr. Carr, this appointment was made.

AUTHORITY TO CONFER DEGREES IN PHARMACY.

(11) A request for authority to confer the degree of Graduate in Pharmacy (Ph.G.) on the following persons recommended by the Faculty of the School of Pharmacy:

Richard Joel Anderson.
Samuel Leon Baker.
Mike Robert Bianco.
Frederick Evenson Boehm.
Marshall Theodore Brekke.
Walter Otto Buckrucker.
Guy Brooks Davis.
Ray Robbins Davis.
Grover Oliver Drais.
Harry Leo Eberly.
Roy Fred Fraser.
Victor Leo Geispitz.
Louis Andrew Gorham.
Louis Leo Haffner.
Ralph Hawthorne.
Michael Jacobson.
George William Jindrich.
Archie Kirkwood Johnson.
Joseph John Kakacek.
Rudolph Henry Krebs.
Theodore August Joseph Leckband.
Charles James Lesko.
Stephen Edward Malkewicz.
Bates A. Marriott.
Philip Aloysius Masterson.
Franklin Christopher Mueller.
Frank Charles Niemeyer.
Oswald Edward Fred Obermiller.
Joseph Winfred Raycraft.
Robert Charles Reed.
Harold Franklin Seeger.
Bayard Edwin Simmons.
Ernest Lee Slinkard.
Clifford Ross Spalding.
August Ferdinand Stahl, Jr.
Stewart Strain.
Roy William Woelffer.
Lawson Jacob Cooke, (Class '13).
Fred Lehman Leib (Class of '14).
Lillian Vorsanger, (Class of '12).

On motion of Mr. Carr, authority to confer degrees in Pharmacy was granted.

At this point, the Executive Committee took a recess, for luncheon, until 2.00 p. m.

Afternoon Session, April 27, 1915.

When the Executive Committee resumed its session, after luncheon, all the members of the committee were present, namely, Mr. Abbott, Mr. Carr, and Mr. Hoit; also Mrs. Busey, Mrs. Evans, and Miss Watson, members of the board, and President James. During a part of the afternoon, Prof. J. M. White, Supervising Architect, was present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The committee continued its consideration of matters presented by President James.

REQUIREMENTS FOR ADMISSION.

(12) A recommendation of the University Senate that the following changes in the requirements for admission, Lists B and C as outlined on pages 71 and 72 of the Annual Register for 1914-15, be made:

DOMESTIC SCIENCE.

That the item in List C which now reads "Domestic Science, 36 weeks, 1 unit" be amended to read "Domestic Science, 36 to 72 weeks, 1 to 2 units."

PHYSICS.

That the item in List B which now reads "Physics, 36 weeks, 1 unit" be amended to read "Physics, 36 to 72 weeks, 1 to 2 units."

SPANISH.

That the item in List B which now reads "Spanish, 36 to 72 weeks, 1 to 2 units" be amended to read "Spanish, 36 to 144 weeks, 1 to 4 units."

The effect of these changes is to permit a high school student to elect a larger amount of work in these subjects and to receive correspondingly greater credit for admission to the University.

On motion of Mr. Hoit, this recommendation was approved.

RESIGNATION OF PROF. I. O. BAKER.

(13) A letter from Dr. Ira O. Baker, Professor of Civil Engineering, resigning his position as head of the Department of Civil Engineering, with a request that he be allowed to continue as Professor of Civil Engineering at his present salary.

On motion of Mr. Carr, Prof. Baker's resignation as head of the department was accepted, with the understanding that he is to continue as Professor of Civil Engineering at his present salary.

RESOLUTIONS CONCERNING DR. BAKER.

On motion of Mr. Hoit, the following resolutions were adopted:

WHEREAS, Dr. Ira Osborn Baker has served the University continuously for forty-one years as Instructor, Assistant Professor, and Professor of Civil Engineering, and thirty-seven years as head of the Department of Civil Engineering; and

WHEREAS, Dr. Baker's resignation as head of the Department of Civil Engineering has just been received and accepted; therefore, be it

Resolved, That the President and the Board of Trustees of the University of Illinois express to Dr. Baker their appreciation of the notable service that he has rendered the Department of Civil Engineering, the College of Engineering, the University, and the engineering profession through his development of a great department, his interest in education, and his contributions to the literature of Civil Engineering.

APPOINTMENT OF MR. F. H. NEWELL.

(14) A recommendation from Prof. C. R. Richards, Acting Dean of the College of Engineering, endorsed by Dean W. F. M. Goss, that Mr. Frederick Haynes Newell be appointed Professor of Civil Engineering and head of the Department of Civil Engineering at a salary of $5,000 a year, beginning as soon as he may report for duty.

On motion of Mr. Carr, Mr. Newell was appointed.

COMBINED COURSE IN LIBERAL ARTS AND LAW.

(15) A recommendation from the University Senate concerning the combined course in Liberal Arts and Law. The Senate recommends:

First—A student who has senior standing in the College of Liberal Arts and Sciences may take and count the first full year of law work for 30 hours of credit toward the A.B. degree, or, if he takes and successfully carries less than the full amount, it shall be counted only hour for hour toward the A.B. degree. If the bulk of the student's work in any semester is in law, he shall register in the College of Law. The College of Liberal Arts and Sciences shall not recommend for the A.B. degree any student who has not been one year in residence at the University.

Second—That law work, when taken as above, may be offered as a minor at the election of the student, under the proposed new requirements of the College of Liberal Arts and Sciences for the degree of Bachelor of Arts.

Third—That the present requirement, that candidates for the degree of Doctor of Law who are pursuing the combined course in literature and law shall take at least four hours' work in history or social science during the fourth year, be abrogated.

These recommendations were approved.

COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION.

(16) A recommendation of the University Senate concerning the organization of the new College of Commerce and Business Administration. The Senate recommends:

1. That such a college be opened next autumn under the name of the College of Commerce and Business Administration.

That the different lines of work in said college now included under the Administrative Department of Economics be divided into separate departments as follows:

a. Department of Economics, Finance, and Statistics.

b. Department of Business Organization and Operation. (This would include the work in business law, accountancy, salesmanship, and advertising).

c. Department of Transportation.

3. That programs of study be offered in the following lines:

a. Mercantile Business.

b. Banking.

c. Insurance.

d. Accounting.

e. Railway Traffic and Accounting.

f. Railway Transportation.

g. Foreign Commerce.

h. Salesmanship and Superintendence in Engineering and Business Houses. (In cooperation with the College of Engineering.)

i. Farm Organization and Management. (In cooperation with the College of Agriculture.)

j. Commercial Secretaryships.

k. Commercial Teaching.

l. Business and Law. (In cooperation with the College of Law.)

4. That for admission to the new College of Commerce and Business Administration the entrance requirements for any of the other colleges of the University be accepted.

5. That the courses in the Department of Economics, Finance, and Statistics which are of a general educational character shall be educationally classified in the College of Liberal Arts and Sciences also, and open as major or minor subjects, or free electives.

6. That the degree of Bachelor of Science be given to students completing any one of the courses in this college: provided that students now taking business courses in the University be graduated with the degree to which they would be at present entitled if they pursue the courses now outlined or a substantial equivalent.

On motion of Mr. Carr, these recommendations were approved.

WOMEN'S RESIDENCE HALL.

(7) Provisional plans for the proposed Residence Hall for women.

Prof. J. M. White, Supervising Architect, explained the plans in detail. These plans were discussed at length. On motion of Mr. Carr, the general scheme embodied in the plans was approved, and the Supervising Architect was directed to proceed with detailed plans.

SMITH-LEVER FUND.

(18) A request from the Acting Comptroller for authority to establish a new fund in the books of the University, to be known as the Smith-Lever Fund.

April 13, 1915.

Dr. David Kinley, Vice President, University of Illinois.

DEAR SIR: The regulations prescribed by the Department of Agriculture concerning the manner in which disbursements of Lever Funds are to be accounted for and audited seem to make necessary the establishment of a distinct fund. The department informs me that the Lever Funds will be subject to the same inspection as are the Hatch and Adams Funds. The department objected, however, to the inclusion of the Lever Funds with the Hatch and Adams Funds under our present United States Agricultural Experiment Station Fund. The only alternative seems, therefore, to be the creation of a new fund.

I recommended that the Board of Trustees authorize the establishment of a new fund to be known as the "Smith-Lever Fund." All receipts and disbursements under the so-called Smith-Lever Agricultural Extension Act are to be accounted for under this fund.

Yours very truly,

L. E. KNORR, *Acting Comptroller.*

On motion of Mr. Carr, this request was granted.

ADMISSION TO C. P. A. EXAMINATIONS.

(19) A recommendation from the University Committee on Accountancy suggesting an amendment to the regulation adopted on July 11, 1914 [page 10], concerning the requirements for admission to the C. P. A. examinations. The commitee recommends that the words "or individuals" in paragraph (e) be stricken out, so that the paragraph shall read:

"A certificate showing that the applicant has passed examinations on the subject-matter of a four-year high school course, under the supervision and direction of educational bodies whose certificate would be accepted for admission to the University of Illinois."

On motion of Mr. Hoit, this recommendation was approved.

PLYM FELLOWSHIP AWARDED.

(20) A recommendation from Acting Dean C. R. Richards that Mr. A. R. Brandner, who has been nominated by the committee on the Francis J. Plym Fellowship in Architecture, be awarded the Plym Fellowship for the year 1915-16, in accordance with the usual regulations governing this fellowship.

On motion of Mr. Hoit, the Plym Fellowship was awarded to Mr. Brandner.

SETTLEMENT FOR ADDITION TO LIBRARY BUILDING.

(21) A recommendation from Prof. J. M. White, Supervising Architect, that a final settlement be made with Mr. A. W. Stoolman, contractor for the addition to the Library Building, upon the basis of a payment of $289.42.

On motion of Mr. Hoit, this recommendation was approved and the necessary appropriation was made.

FIXED INDEBTEDNESS, COLLEGE OF MEDICINE.

(22) A statement from the Acting Comptroller concerning the fixed indebtedness secured by the properties of the College of Medicine and Dentistry.

March 16, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: For your convenience, the enclosed schedule shows in condensed form the fixed indebtedness secured by our Medical and Dental properties, as well as the amounts which presumably will be paid by the University of Illinois during the remainder of the present fiscal year and during the fiscal years 1915-16 and 1916-17.

It should be noted that, while no installment of the amount due to the Chicago Board of Education is due this fiscal year, the entire principal amount of $56,000 is due on July 1, 1916. If this principal is met at that time, the entire amount necessary to meet the obligations on account of this fixed indebtedness during the biennium 1915-17 will be $79,358.84.

Inasmuch as the bonds state that interest shall be paid to the holders of the bonds, free from any deductions on account of taxes, etc., it is necessary for the University to deposit, on account of the Normal Income Tax, an amount equal to one per cent of the interest paid. Approximately fifty per cent of this income tax deposit is returned to the University.

Of the total bond interest paid, the amount of $528 is returned to the University on account of bonds held by it.

The item "charges of fiscal agents" consists of a charge of one-fourth of one per cent on account of payment of coupons, and a charge of one-eighth of one per cent for reporting to the Federal Government under the Income Tax Law.

Yours very truly,

L. E. KNORR, *Acting Comptroller.*

STREET CAR LINE ON LINCOLN AVENUE.

(23) A request from the Urbana and Champaign Railway, Gas, and Electric Company that the University assist in obtaining a franchise for a street car track on Lincoln Avenue, by signing the petition to the Honorable Mayor and City Council of the city of Urbana, to grant to the said Urbana and Champaign Railway, Gas, and Electric Company, the right, license, and franchise to build, construct, operate, and maintain a street railway on Lincoln Avenue running in the parking on the west side of Lincoln Avenue from the north edge of the Forestry of the University of Illinois to Pennsylvania Avenue on the south.

On motion of Mr. Hoit, this request was referred to the Committee on Buildings and Grounds for consideration and report.

DRAFT OF ADDRESS TO THE GENERAL ASSEMBLY.

(24) The draft of an address to the General Assembly in regard to the requests of the board for appropriations for the coming biennium, to be presented by the President of the University.

On motion of Mr. Carr, the address was approved and President James was authorized to present it to the General Assembly.

EXPENSES OF CADETS AT SUMMER CAMP.

(25) A request from Maj. F. D. Webster, Commandant, that the University pay the expenses of certain cadets, not to exceed twelve, to be selected by the Commandant, to enable them to attend the Summer Military Camp at Ludington, Mich. The expense involved is about $50 each.

No action was taken concerning this matter.

ORGANIZATION OF ADDITIONAL BATTALION OF CADETS.

(26) A request from Maj. F. D. Webster, Commandant, for authority to organize another Battalion of Cadets.

April 24, 1915.

President E. J. James, University of Illinois.

SIR: I desire to make the following recommendations to be placed before the Board of Trustees at its next meeting:

1. That I be authorized to make another Battalion in the Corps of Cadets next year, making two complete regiments of twelve companies each.
2. That I be authorized to organize a company of Engineers in addition to the Battery and Signal Company, now a part of the military organization. This can readily be done with the excellent material at hand among the students of the Engineering College who are members of the Corps of Cadets.
3. That I be authorized to organize a Hospital Company or detachment which is necessary to a brigade organization, and will enable us to have proper instruction in first aid, and camp and field sanitation.
4. That for this purpose the following additional scholarships for officers be authorized:

Infantry	17
Engineers	4
Hospital Company	3
Total	24

This number will be necessary to officer the organizations recommended.

Very respectfully,

F. D. WEBSTER,
Major of Infantry, Professor of Military Science.

On motion of Mr. Carr, the request of the Commandant was granted, and the necessary appropriation was made.

INVITATION TO AMERICAN CHEMICAL SOCIETY.

(27) A letter from Prof. W. A. Noyes concerning an invitation to the American Chemical Society to meet at the University during the year 1915-16.

April 26, 1915.

President E. J. James, University of Illinois.

DEAR PRESIDENT JAMES: The staff of the Department of Chemistry wish to invite the American Chemical Society to meet here during the spring of 1916, probably at the time of the Easter vacation, and to make this the occasion for the dedication of the addition to the Chemical Laboratory. Such a meeting would probably bring to us from 400 to 500 chemists from outside of the University circle, and would give us an attendance at the dedication exercises which could be secured in no other way. If the invitation is extended, we should hope that the Trustees of the University would feel disposed to appropriate for the occasion an amount similar to that which has been appropriated for the dedication exercises of other buildings of like importance. It seems desirable that the invitation should be sent to the secretary of the society soon and I would respectfully request the Trustees of the University to extend such an invitation at the present time. The question of the appropriation which could be made for the occasion might be taken up later when you can give it more careful consideration.

Very respectfully,

W. A. NOYES.

On motion of Mr. Carr, President James was authorized to extend such an invitation to the American Chemical Society.

FURNISHINGS FOR ADMINISTRATION BUILDING.

(28) A request from Prof. J. M. White, Supervising Architect, for authority to proceed with the purchase of the furnishings for the Administration Building at a total cost, for furniture, light fixtures, shades, window screens, linoleum, et cetera, of not more than $15,000. The expenditures prior to July 1 can be paid out of the appropriation already made for the building.

On motion of Mr. Carr, Prof. White was authorized to purchase the necessary furnishings for the Administration Building, and the sum of $15,000 was appropriated therefor.

MR. W. B. CASTENHOLZ APPOINTED COMPTROLLER.

(29) A recommendation that the President of the University be authorized to appoint Mr. W. B. Castenholz to be Instructor in Accounting and Comptroller of the University, at a salary of $250 per month, until further notice.

Mr. Castenholz took his bachelor's degree at the University of Indiana and the degree of master of arts from the University of Wisconsin in 1903. He has had experience as a teacher in high schools. He was for five years secretary-treasurer of the Chippewa Falls Furniture Company, and in that capacity had complete charge of all accounting, cost work, office details, credits, and collections. He was for half a year public accountant and auditor with Marwick, Mitchell, and Company, and three years with Lybrand, Ross Brothers, and Montgomery at their Chicago office. He was also one and one-half years auditor of the American Milling Company, Peoria, Ill., in complete charge of accounting and cost work, office system, etc. Mr. Castenholz comes with unusually good recommendations from the University of Wisconsin and from the companies with which he has worked.

On motion of Mr. Carr, this recommendation was approved.

PAYMENT OF EXPENSES OF MEMBERS OF FACULTY IN MEDICINE WHO ATTEND COMMENCEMENT IN URBANA.

(30) A request from Dr. D. A. K. Steele, Senior Dean of the College of Medicine, that an appropriation be made for the transportation of those members of the Faculty of the College of Medicine who may attend the Commencement exercises in Urbana on June 16.

On motion of Mr. Carr, the sum of $250 was appropriated, to make a total of $900 available to meet the expenses of students and Faculty of the Colleges of Medicine and Dentistry who may attend Commencement in Urbana [see page 192].

USE OF AUDITORIUM BY STATE TEACHERS' ASSOCIATION.

(31) A request from the East Central Illinois Branch of the State Teachers' Association for the use of the Auditorium October 15 and 16, 1915, without fee.

This request was granted.

CALL EXTENDED TO PROF. L. D. COFFMAN.

(32) A communication from Prof. W. C. Bagley, Director of the School of Education, stating that Prof. Lotus D. Coffman had received a call to the University of Minnesota at a considerably higher salary than he has at the University of Illinois. Prof. Bagley states that he desires to have his own work in the University diminished and that he would be willing to accept a corresponding diminution in salary, and suggests that an arrangement might be made whereby Dr. Coffman would assume part of the work of the Director of the School of Education, in which case some adjustment in salary might be made, so that we could retain Dr. Coffman's services.

On motion of Mr. Carr, President James was authorized to make such arrangement with Prof. Bagley and Prof. Coffman as he might find advisable.

MEMORIAL TO PROF. FECHET.

(33) A request from a committee constituted in 1911 to propose plans and raise subscriptions to establish a memorial to the former Military Commandant, Col. E. G. Fechét. This committee, consisting of Dean T. A. Clark, Prof. N. A. Wells, Serg. F. W. Post, Capt. J. R. Trevett, three officers of the Cadet Corps, and Prof. S. A. Forbes, selected a portrait medallion with a suitable inscription, raised the funds from members of the University and citizens of the community, and contracted with a sculptor, Leonard Crunnel of Chicago, for the medallion. The memorial will take the form of a bronze tablet, 30 by 40 inches, bearing the following inscription:

Edmund Gustave Fechét. Lieutenant Colonel, U. S. A.
Soldier of the Civil and Indian Wars.
Professor of Military Science, University of Illinois, 1900-10.

On motion of Mr. Carr, the Fechét memorial tablet was accepted with thanks, to be placed in the Armory at a place selected by the Supervising Architect, and to be unveiled with appropriate ceremonies during Commencement.

AUTHORITY TO DELEGATE SIGNING OF WARRANTS.

(34) A recommendation that the President of the board, Mr. W. L. Abbott, be authorized to delegate to Mr. L. E. Knorr, Assistant Comptroller, the signing of his name as President to University warrants, such authority to take effect as of March 9, 1915.

On motion of Mr. Carr, this recommendation was approved.

STANDING COMMITTEES, 1915-16.

The Secretary of the board presented for record the following list of the Standing Committees of the board appointed by President Abbott for the year 1915-16:

BUILDINGS AND GROUNDS.

William M. Abbott, Chairman; Mary E. Busey, Robert F. Carr, Laura B. Evans, Robert R. Ward.

FINANCE.

Otis W. Hoit, Chairman; Ellen M. Henrotin, J. K. Hopkins, John R. Trevett, Robert R. Ward.

ENGINEERING.

John R. Trevett, Chairman; Robert F. Carr, William L. Abbott.

AGRICULTURE.

James K. Hopkins, Chairman; Otis W. Hoit, John R. Trevett.

COLLEGE OF MEDICINE AND SCHOOL OF PHARMACY.

Laura B. Evans, Chairman; William L. Abbott, Otis W. Hoit.

STUDENTS' WELFARE.

Ellen M. Henrotin, Chairman; Mary E. Busey, Laura B. Evans, Florence E. Watson.

INSTRUCTION.

Francis G. Blair, Chairman; Robert R. Ward, Florence E. Watson.

LIBRARY.

Mary E. Busey, Chairman; Ellen M. Henrotin, Florence E. Watson.

GRADUATE SCHOLARS AND FELLOWS, 1915-16.

The Secretary presented also for record the following list of scholars and fellows in the Graduate School appointed by the President and Vice President of the University for the academic year 1915-16:

Agronomy	William A. Albrecht, fellowship	$350 00
Animal Husbandry	W. G. Kammlade, scholarship	250 00
	Julius E. Nordby, scholarship	250 00
	D. W. Williams, scholarship	250 00
Bacteriology	L. V. Burton, traveling fellowship	500 00
Botany	John A. Elliott, fellowship	400 00
	Elizabeth H. Fleeson, scholarship	250 00
	Ernest M. R. Lamkey, fellowship	350 00
	Walter S. Reeves, scholarship	250 00
Chemistry	Theodore R. Ball, fellowship	400 00
	St. Elmo Brady, fellowship	400 00
	E. M. A. Chandler, fellowship	300 00
	Edgar W. Engle, fellowship	400 00

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

* The date in parenthesis is the date on which the appointment was made by the President of the University.

[1] Appointment made by Vice President Kinley.

MEETING OF MAY 22, 1915.

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in the city of Chicago, at 12.00 m., on Saturday, May 22, 1915, pursuant to the following notice which was sent out by the Secretary on May 15, 1915:

On the call of the President, Mr. W. L. Abbott, there will be a special meeting of the Board of Trustees of the University of Illinois at the Blackstone Hotel, in Chicago, at 12 o'clock noon, on Saturday, May 22, 1915, to consider such matters as the committees of the board and the President of the University may submit, and such other matters as may be duly presented.

When the board convened, the following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson.

President James was present, and, during a part of the afternoon, Mr. W. B. Castenholz, Comptroller.

RESOLUTIONS CONCERNING MR. J. K. HOPKINS.

The death of Mr. James K. Hopkins, President of the State Board of Agriculture, and a member of the board, ex officio, having been announced, the following resolution was adopted on motion of Mrs. Evans:

WHEREAS, The Board of Trustees of the University of Illinois has learned of the death of Mr. James K. Hopkins, President of the State Board of Agriculture and ex officio a member of the Board of Trustees, be it

Resolved, That the board express its sincere regret at this great loss to the interests of education and of agriculture in the State of Illinois, and that the board tender its sympathy to the members of the bereaved family.

President Abbott and Mr. Hoit were appointed a committee to represent the board at the funeral of Mr. Hopkins on Sunday.

MINUTES APPROVED.

The Secretary presented the minutes of the meeting of April 21, 1915, and of the adjourned session of April 27, 1915, and also for record the minutes of the meeting of the Executive Committee of April 27, 1915. On motion of Mrs. Evans, the minutes were approved and received for record as printed above on pages 230 to 271, inclusive.

COMPTROLLER INTRODUCED.

The President of the University presented Mr. W. B. Castenholz, recently elected Comptroller of the University, who indicated briefly certain ways in which he thought the system of accounting of the University could be improved, and announced that he would shortly submit a detailed plan for the consideration of the board.

At this point, Mr. Abbott, being called from the room, asked Mrs. Henrotin to preside over the meeting.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James presented the following matters for the consideration of the board:

PARTIAL PAYMENT FROM J. R. WALSH ESTATE.

(1) Letters from the Comptroller and from the University Counsel relating to the judgment against the John R. Walsh estate:

May 7, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: We this day received from Judge Harker a check [for $5,064.20] as indicated in my acknowledgment to him. This is in part payment of a judgment against the John R. Walsh estate, because of rents to the University of Illinois from the now defunct Ft. Dearborn Medical School. I have taken the liberty of crediting this receipt to our general fund.

Very truly yours,

W. B. CASTENHOLZ.

May 24, 1915.

In re Claim against the estate of John R. Walsh.

President Edmund J. James, University of Illinois.

DEAR SIR: I beg to report with reference to the above matter that a dividend of 40 per cent has been authorized by the Probate Court of Cook County on the judgment which the University recovered against the Walsh estate on January 24, 1913, for $11,372.16. This judgment was recovered on a claim against the estate by reason of Mr. Walsh being guarantor on a lease executed by the Board of Trustees to the Dearborn Medical College. The judgment was recovered before Judge Cummings, after something of a contest with other creditors.

I have received the dividend in the shape of a check for $5,064.20, which I have turned over to the Comptroller of the University.

I am unable at this time to express any great confidence in a further collection of this claim. There is some pending litigation and some uncollected claims of doubtful character. The local attorney associated with me in the trial of the cause expresses the opinion that there will not be any considerable collection of the claims now in the hands of the administratrix, due the estate.

Respectfully submitted,

O. A. HARKER, *Legal Counsel.*

These letters were received for record.

At this point, Mr. Abbott returned and resumed the chair.

COMPANY OF ENGINEERS IN BRIGADE.

(2) A letter from Maj. F. D. Webster, Professor of Military Science, enclosing a communication from the Cadet Colonel and Brigade Commander, Joseph N. Greene, concerning the formation of a Company of Engineers in the Cadet Brigade.

April 28, 1915.

President E. J. James, University of Illinois.

DEAR SIR: I am enclosing you a letter written by Cadet Col. J. N. Greene after consultation with myself and members of the Engineering Faculty. His suggestion is in line with my own recommendation for the establishment of an Engineer Company next year but goes more into detail.

My idea is ultimately to make this a Company of Engineer Militia like the Battery in order to get the full equipment for engineers issued by the War Department to such companies in the State. The organization of an Engineer Company will assist the State in organizing its auxiliary units and will help us along the lines of training in field engineering and topographical work.

It will increase the interest in military work at the University and probably help toward the establishment of the degree of B.S. in Military Science and Tactics.

These suggestions are respectfully offered for your consideration.

Very respectfully,

F. D. WEBSTER,
Major of Infantry, Professor of Military Science.

April 27, 1915.

From: Cadet Colonel Commanding the Brigade.
to: Commandant of Cadets, University of Illinois.
Subject: Formation of a Company of Engineers.

1. I have the honor to recommend that there be formed at the University of Illinois a pioneer Company of Engineers to be attached to the Cadet Brigade.

2. The members of this company would be undergraduates of the College of Engineering, Departments of Mechanical, Civil, and Electrical Engineering. In order that the men of this company might be better equipped and trained for the work required of them each man should have had at least one semester's work in infantry drill.

3. To secure the maximum benefit for both the Military Department and the men of the company the following plan of selection is suggested:

(a) Each man shall have shown that he is a practical engineer and that he has maintained an average for the preceding semester of at least 80 per cent.

(b) The Faculty of the College of Engineering shall recommend to the Military Department at the beginning of each semester such men as they feel fill the above requirements. Their names shall be arranged on the list in order of their estimated ability.

(c) The Commandant of Cadets shall then select from the list the names of a sufficient number to fill the ranks of the company. In this selection the nominee's ability in the school of infantry should be carefully considered.

(d) Promotions and assignments after the first recommendations shall be made by the Commandant of Cadets as provided by the regulations of the University.

4. The Commandant of Cadets and the Dean or Assistant Dean of the College of Engineering shall confer and arrange a schedule of lectures which shall be delivered by such members of the Engineering Faculty who volunteer to instruct the members of the Company upon those types of work which are usually taken up by Engineer Companies.

5. The organization of the company shall be as follows:

1 Captain.	1 Quartermaster Sergeant.
2 First Lieutenants.	4 Sergeants.
1 Second Lieutenant.	8 Corporals.
1 First Sergeant.	54 Privates.

6. The officers of the company shall be appointed as provided by the regulations of the University.

7. It is recommended that the Board of Trustees of the University provide at this time the four additional scholarships required by the establishment of this

company, the said scholarships to be available at the beginning of the school year 1915-16. It is believed that the organization of the company will be greatly facilitated and that the departments concerned will have a better opportunity to select men if the scholarships are provided for before the close of the present school year.

8. There will be no additional expense in the way of uniforms as the Army regulations prescribe the same uniform for engineers as for the infantry. A small amount of money should be included in the Military Department budget for the school year 1915-16 for the construction of a "spar bridge" of one type or another.

JOS. N. GREENE,
Cadet Colonel and Brigade Commander.

The above proposition seems to me easily practicable and most desirable.

H. W. MILLER,
Assistant Dean, College of Engineering.

On motion of Miss Watson, the plan of organizing a Company of Engineers was approved as outlined above. The President of the University was requested to discuss with the Commandant the advisability of requiring sophomore standing for admission to this company.

STATUS OF LOAN FUNDS.

(3) A communication from the Comptroller indicating the statuts of the resources of the several loan funds of the University:

May 21, 1915.

President Edmund J. James, University of Illinois.

DEAR SIR: Herewith are handed you the statements of the resources of the several loan funds of the University.

On April 24, 1913, the Comptroller was authorized to employ the collection department of R. G. Dun and Company in the collection of delinquent fees and delinquent loans from the Snyder Loan Fund (Minutes, 1913, p. 301). The enclosed statements are intended to show not only the resources of the several funds, but also the percentage of notes and interest past due.

You will note that the notes of C. M. Morris and Paul Van der Vort are in the hands of Judge Harker for collection. He states that collection is being forced as rapidly as may be.

Very truly yours,

W. B. CASTENHOLZ. *Comptroller.*

PROPOSED COLLEGE OF ARCHITECTURE.

(4) A letter from the American Institute of Architects, addressed to the President and Board of Directors of the University of Illinois, concerning the proper organization of a School of Architecture, urging that Architectural Schools should be governed by an independent faculty. I assume this means that our Architectural Department should be a College of Architecture, instead of a department of the College of Engineering.

This communication was received and placed on file.

APPOINTMENT OF MR. ROBERT STEWART.

(5) A recommendation that Dr. Robert Stewart be appointed Associate Professor of Soil Fertility in the College of Agriculture and Associate Chief in Soil Fertility in the Agricultural Experiment Station, at a salary of $3,000 a year, to begin September 1, 1915. This is to fill the vacancy created by the death of Dr. Pettit. Dr. Stewart is a graduate of the Agricultural College of Utah. He has pursued graduate studies at the University of Chicago and the University of Illinois, having taken the degree of Doctor of Philosophy in Agronomy at the University of Illinois in 1909.

On motion of Mr. Hoit, this appointment was made.

APPOINTMENT OF MR. R. E. CUSHMAN.

(6) A recommendation that Mr. Robert E. Cushman be appointed Instructor in Political Science for the academic year beginning September 1, 1915, at a salary of $1,200 a year. This appointment is made to fill the vacancy caused by the resignation of Prof. Walter F. Dodd. It may be necessary to make another appointment in order to take care of this work satisfactorily.

On motion of Miss Watson, this appointment was made.

APPOINTMENT OF DR. R. D. CARMICHAEL.

(7) A recommendation that Dr. Robert D. Carmichael, now Associate Professor of Mathematics at the University of Indiana, be appointed Assistant Professor of Mathematics for a term of three years, beginning September 1, 1915, at a salary of $2,500 a year.

On motion of Mr. Carr, this appointment was made.

APPOINTMENT OF MR. GILBERT GUSLER.

(8) A recommendation that Mr. Gilbert Gusler, now Assistant Professor of Animal Husbandry in Ohio State University, be appointed Associate in Animal Husbandry in the College of Agriculture, beginning September 1, 1915, at a salary of $1,800 for 10 months' service.

On motion of Mrs. Evans, this appointment was made.

LEAVE OF ABSENCE FOR PROF. LLOYD.

(9) A request from Prof. John W. Lloyd, endorsed by Prof. Blair and Dean Davenport, for leave of absence for one year on half pay.

On the recommendation of President James and on motion of Mr. Carr, the President of the University was authorized to grant leave of absence on half pay to Prof. J. W. Lloyd for the year beginning September 1, 1915, provided suitable arrangements can be made for his work.

APPOINTMENT OF DR. H. B. LEWIS.

(10) A recommendation that Dr. Howard B. Lewis, now Instructor in Physiological Chemistry in the Medical Department of the University of Pennsylvania, be appointed Associate in Physiological Chemistry for two years, beginning September 1, 1915, at a salary of $2,200 a year.

On motion of Mr. Hoit, this appointment was made.

APPOINTMENT OF MR. G. F. WHICHER.

(11) A recommendation that Mr. George F. Whicher be appointed Instructor in English for the year beginning September 1, 1915, at a salary of $1,400 a year.

On motion of Mr. Carr, this appointment was made.

APPOINTMENT OF DR. KENNETH McKENZIE.

(12) A recommendation that Dr. Kenneth McKenzie of Yale University be appointed Professor of Romance Languages at a salary of $4,000 a year, work, and salary to begin September 1, 1915; and that he be appointed head of the department until further notice.

On motion of Mr. Carr, this appointment was made.

CHARGE FOR CHAIRS AT BAND CONCERTS.

(13) A recommendation from Mr. A. A. Harding, Director of the University Military Bands, approved by Prof. J. L. Erb and Prof. James M. White, that the Director of the Bands be given the use of the University's folding chairs at the twilight concerts given by the band, and that he be permitted to make a charge of ten cents a chair during each concert, the proceeds to be deposited in the band treasury to meet band expenses.

On motion of Mrs. Evans, this recommendation was concurred in.

APPROPRIATION FOR MISSISSIPPI VALLEY HISTORICAL REVIEW.

(14) A request from Prof. Clarence W. Alvord of the Department of History, that the University continue for the year 1915-16 the subscription of $100 in support of the *Mississippi Valley Historical Review*. This periodical is edited by Dr. Alvord. It is a valuable publication, and the location of its editorial department at the University is a distinct advantage to our Department of History and to our students and professors.

On motion of Mr. Carr, the sum of $100 was appropriated as requested. The vote was as follows: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

APPOINTMENT OF MR. H. W. PUCKETT.

(15) A recommendation that the President of the University be given authority to appoint Mr. H. W. Puckett Instructor in German for one year, beginning September 1, 1915, at a salary of $1,400 a year.

On motion of Mrs. Henrotin, authority to make this appointment was given.

PORTRAIT OF PROF. I. O. BAKER PRESENTED.

(16) A letter from Prof. Ira O. Baker concerning the presentation of a portrait of himself to the University:

URBANA, ILL., *May 21, 1915.*

Dr. Edmund J. James, President, University of Illinois.

DEAR PRESIDENT JAMES: Two or three times since my resignation as head of the Department of Civil Engineering was offered, Dean Goss has urged me to have my portrait painted for the University; and therefore a few weeks ago, after the negotiations for my successor were practically completed, I secured Mr. Merton Grenhagen of Chicago to paint my portrait. A short time ago it was completed, and I invited a considerable number of my friends to view it; and it seemed to give satisfaction. I recently sent the picture to the O'Brien Art Galleries, 334 Michigan Avenue, Chicago, to be framed, and I am told that the picture is now framed and awaits my order.

I write to say that I shall be pleased if the University will accept this portrait, and make such disposition of it as seems best. I prefer that there shall be no formalities connected with the matter.

With highest regards I beg to remain,

Yours very respectfully,

IRA O. BAKER.

On motion of Mr. Carr, the President of the University was authorized to accept this portrait on behalf of the University, and to extend to Prof. Baker on behalf of the Trustees their cordial thanks for this valuable gift.

RESIGNATION OF PROF. L. D. COFFMAN.

(17) The resignation of Prof. L. D. Coffman, of the Department of Education, to take effect September 1, 1915.

On the recommendation of President James and on motion of Miss Watson, this resignation was accepted.

BUST OF PROF. EDWARD SNYDER PRESENTED.

(18) A statement that Mr. Lorado Taft has offered to present to the University of Illinois a bust of Prof. Edward Snyder in marble.

On motion of Mrs. Evans, the President of the University was authorized to accept this gift on behalf of the Trustees, and to express to Mr. Taft their cordial appreciation for this handsome gift.

CHANGE IN TELEPHONE SYSTEM.

(19) A letter from Prof. J. M. White concerning a change in equipment of the telephone station, involving an expenditure of $2,000.

On motion of Mr. Carr, this matter was referred to President Abbott, with power to act. The vote was as follows: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

TRANSFER OF AGRICULTURAL FUNDS.

(20) A recommendation from the Dean of the College of Agriculture that $4,425 be transferred from the State Station soil receipts fund to the appropriations for the Department of Horticulture.

On motion of Mr. Hoit, this recommendation was concurred in, by the following vote: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

STATUS OF APPROPRIATION BILLS.

(21) A statement concerning the status of the University appropriation bills in the General Assembly, with a request for instructions in the matter of presenting an itemized bill.

This question was discussed at some length, and it was decided to leave the matter of the form of the appropriation bills to the discretion of the President of the University.

SEMICENTENNIAL OF THE UNIVERSITY.

(22) The following statement:

In March, 1918, three years from last March, will occur the fiftieth anniversary of the opening of the University of Illinois. In the same year will occur the hundredth anniversary of the admission of Illinois to the Union.

It is in my opinion highly desirable that the University of Illinois should prepare to celebrate in a worthy way this important anniversary. The institution has grown in these fifty years from a mere project and a mere promise into a great University.

The University owes it to itself and to the People of Illinois to call attention to what the State has done for the institution, and to what the institution has done for the State.

At this time I should like to have the Board of Trustees express its opinion as to whether it is desirable to mark this anniversary by exercises of a fitting kind. If so, I shall ask the Senate to appoint a committee to prepare a general plan for the consideration of the board.

It was the opinion of the board that such a celebration should be held.

TREASURER'S REPORT.

Mr. Hoit presented for the Finance Committee reports of Treasurer M. W. Busey for the quarter ending March 31, 1915, and for the month of April, 1915, up to the time of transfer of funds to Treasurer H. S. Capron.

These reports were received for record.

AUDIT OF TREASURER'S ACCOUNTS.

On the motion of Mr. Hoit, the Finance Committee was directed to have the usual audit made of the accounts of the retiring Treasurer, Mr. M. W. Busey.

COMMITTEE ON BUILDINGS AND GROUNDS.

Mr. Abbott presented the following report of the meeting of the Committee on Buildings and Grounds held May 19, 1915:

A meeting of the Committee on Buildings and Grounds was held in the Trustees' Room, at the University, in Urbana, on Wednesday, May 19, 1915.

Mr. W. L. Abbott, Mr. R. F. Carr, and Mrs. Laura B. Evans, members of the committee, and Prof. C. R. Richards, Prof. S. W. Parr, Mr. H. D. Oberdorfer, and Mr. G. B. Rice were present.

The committee took up the consideration of the deterioration of the boilers in the University plant, of what action should be taken to prevent further deterioration of the boilers, and of what was necessary in the way of repairs.

The discussion developed the fact that the University is located in a territory in which the deep-well water supply has been found to be very destructive to boilers and in which numerous cases of boiler failure have been recorded. The condition of the University boilers at this time was found to be very serious. Extensive repairs have been made to the boilers in the old boiler house, and it is known that additional repairs to at least one boiler are necessary. The condition of the boilers in the old boiler house is uncertain, but it is feared that an examination will reveal serious defects. In the new boiler house, two 500 horsepower boilers which have been in use only three years are so badly injured that it is not considered advisable to operate them further until extensive repairs are made.

In view of these facts, your committee recommends:

1. That a temporary treatment for the boiler feed water which will prevent further injury to the boilers be made.

2. That plans be prepared at once for permanent equipment for the treatment of the feed water.

3. That an appropriation of $4,000, or as much thereof as may be necessary, be made to replace the four drums of boilers No. 1 and No. 2 with new drums.

Mr. Oberdorfer presented for the information of the committee a report made by Prof. Edward Bartow, on request of Prof. White (see minutes, March 9, 1915, page 226), concerning a plant for the purification of the University water supply.

Mr. Oberdorfer presented a report of complaints of unsteady lights in the libraries, with a request that a Tirrill regulator be purchased at a cost of $500.

The committee recommends that such a regulator be purchased and installed.

Mr. Oberdorfer presented also a request from the Supervising Architect that a sump pump be added to the pumping station at a cost of $134. The committee recommends that such a pump be installed.

The committee took up the consideration of the request of the Urbana and Champaign Railway, Gas, and Electric Company for permission to run a street-car track along the parking east of the Forestry, on Lincoln Avenue (minutes, April 27, 1915, page 246). Upon inspection of the ground, the committee found that the damage incidental to the construction of the track, and the necessary trimming of the trees, did not threaten to be serious. The committee found no particular objection to the granting of the permission requested.

The committee adjourned.

H. E. CUNNINGHAM, *Clerk.*

APPROPRIATION FOR REPAIR OF BOILERS.

On motion of Mr. Carr, the recommendation concerning the repair of boilers was approved and the sum of $4,000, or so much thereof as may be required, was appropriated for this purpose. The vote was as follows: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

PURCHASE OF TIRRILL REGULATOR.

On motion of Mr. Carr, the sum of $500 was appropriated for the purchase of a Tirrill regulator. The vote was as follows: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none. absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

PURCHASE OF SUMP PUMP.

On motion of Mr. Carr, the sum of $134 was appropriated for the purchase of a sump pump. The vote was as follows: Ayes, President Abbott, Mr. Carr, Mrs. Evans, Mrs. Henrotin, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mr. Blair, Mrs. Busey, Mr. Dunne, Mr. Trevett.

STREET CAR LINE ON LINCOLN AVENUE.

The matter of permission to construct a street-car line on Lincoln Avenue was discussed at some length. In this connection President James presented the following letter from Prof. J. M. White, Supervising Architect:

May 21, 1915.

President E. J. James, University of Illinois.

DEAR SIR: From my point of view there are two objections to the granting of the Urbana-Champaign Railway's request for permission to lay tracks on the west side of Lincoln Avenue, along the University's frontage.

The immediate objection is the damage which would result to the trees on the last block to the south. The low-growing branches would have to be trimmed off for the entire length of the block, which would injure their appearance for three or four years.

The second objection is that the street-car line, as proposed, might very seriously interfere with some desirable future development of the Forestry. The

Forestry has practically served the scientific purposes for which it was planted, and its future use we shall probably be called upon to decide in the near future. It seems to me that it is very undesirable to take any step now which may interfere with a development which may prove to be the best when considered from the standpoint of all other conditions. If permission is given to lay the track on the street, we shall have no control over it, nor shall we have any recourse, if we find it objectionable to the University's interests to have it there.

Under these conditions it seems to me unwise to grant the request.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

Action on this matter was deferred until a personal conference can be had with Mr. McKinley.

APPOINTMENT MADE BY PRESIDENT JAMES.

The Secretary presented for record the following appointment made by President James on May 11, 1915:

Taft, Mary E., University Secretary in the Department of Animal Husbandry, at a salary of sixty-five dollars ($65) a month, beginning July 1, 1915, and continuing until further notice, subject to the rules of the Civil Service Commission.

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

MEETING OF JUNE 8, 1915.

The quarterly meeting of the Board of Trustees of the University of Illinois was held in the Trustees' Room, at the University, in Urbana, on Tuesday, June 8, 1915, at 10.00 a. m.

There being no quorum, the board adjourned to meet at the University, in Urbana, on Monday, June 14, 1915, at 2.00 p. m.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, June 8, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Tuesday, June 8, 1915, immediately following the adjournment of the quarterly meeting of the Board of Trustees on the same date.

President Abbott and Mr. Hoit, members of the Executive Committee, Mrs. Evans, a member of the board, President James, Mr. W. B. Castenholz, Comptroller, Prof. J. M. White, Supervising Architect, and Mr. L. J. Towne, Superintendent of Construction, were present

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The Executive Committee proceeded to the consideration of the following matters presented by President James:

SUMMER CAMP.

(1) The following statement:

For some years several departments of the University, including Zoology, Botany, Geology, and Engineering, have had under consideration the question of the possibility of securing a site favorably located for field work in connection with courses of instruction. The Military Commandant has, moreover, urged repeatedly that a site be provided for a summer camp for military instruction.

Some attempts have been made at different times to furnish field instruction in various subjects, notably in Botany and Zoology, at Havana in connection with the Illinois Natural History Survey.

Prof. I. O. Baker presented elaborate reports to the board on March 11, 1913 (Report, 1914, page 196), and on January 22, 1915 (Minutes, page 242), showing the necessity of a summer camp for students in Civil Engineering, calling attention to the fact that other institutions had felt the same need and had provided for it in some instances, notably Harvard, Yale, Columbia, and the Massachusetts Institute of Technology, in a very liberal way. Prof. Baker examined several sites on the eastern shore of Lake Michigan, and made certain recommendations to the board which received careful consideration, but upon which, for various reasons, action was not taken.

I suggested to some of the men interested in this work that a site on the Illinois River, perhaps near the State Park at Starved Rock, might be suitable for our purpose. Prof. Baker made an examination and decided it was possible to find a site in that locality which would serve the purpose of the University. Later, Professors Baker, White, and Richards, and subsequently Prof. Newell, made a further examination of this district, and joined in a recommendation that a summer camp be established somewhere in the region. They have received some encouragement that the people of LaSalle would be interested in helping to realize the project.

On June 3 and 4, I visited the locality and had a conference with several gentlemen, including Mr. F. W. Matthiessen, of Deer Park, Capt. G. P. Blow, President of the Matthiessen & Hegeler Zinz Co., Mr. G. A. Wilson, President of the LaSalle National Bank, and Mr. R. W. Thompson, Executive Secretary of the LaSalle Commercial Association, all of whom were deeply interested in the project.

I walked over the entire region which had been visited by Professors Baker, White, Richards, and Newell, from the west end of the State Park to the mouth of the Big Vermilion River. I found a site which seemed to me very satisfactory, and which would serve all the different purposes in an admirable way.

I recommend that the President of the University be authorized to make the statement that if the people of LaSalle, or other interested persons, will give the

University a satisfactory site and one hundred thousand dollars for the erection of buildings and improvements on the site given, the University will locate a summer school on this site, in which shall be taught certain branches of engineering and such other subjects as circumstances may make feasible or desirable.

On motion of Mr. Hoit, this recommendation was approved.

WORK IN MILITARY SCIENCE COMMENDED.

(2) A letter from Maj. General Leonard Wood, ranking officer of the United States Army, relating to the work in Military Science:

June 3, 1915.

President E. J. James, University of Illinois, Urbana, Ill.

MY DEAR PRESIDENT JAMES: I wish to express to you my appreciation of the splendid work which is being done under your direction at the University of Illinois in the way of preparing the youth of our country to discharge not only their civil, but also their military obligations. I have never been more interested anywhere than with the work which you are doing and the wisdom and foresight with which expenditures have been made with an eye to the future. If every Land Grant college had proceeded with equal sincerity and loyalty to the spirit of the Endowment Act, with its obligation for military training, we should be far better prepared than we are for national defense in the way of trained men, and our people would have a much fuller conception of their obligations to the State from the soldier standpoint than at present.

I sincerely hope you will continue to receive the support and approval of the State authorities in the future, as you have in the past, and that the great University under your charge will continue to show to the universities of sister states what can be done by well directed effort.

It was an inspiring sight to see the two regiments, and I feel convinced that every man who has had military training will leave the University all the better for it, not only physically but morally and from the standpoint of a better appreciation of the duties of citizenship.

With kindest regards,

Sincerely yours,

LEONARD WOOD.

CHANGE IN THE SYSTEM OF ACCOUNTING.

(3) A request from Mr. W. B. Castenholz, Comptroller, for authority to install a system of double-entry accounts in the business office.

Mr. Castenholz was present and supported his request.

On motion of Mr. Hoit, the Comptroller was authorized to install a system of double-entry accounts.

AUTHORITY TO CONFER DEGREES.

(4) A request for authority to confer degrees on persons recommended by the several colleges and schools of the University and by the University Senate.*

This authority was granted.

UNIVERSITY HISTORIAN.

(6) A recommendation that the President of the University be authorized to appoint Mr. Allan Nevins University Historian for the two years beginning July 1, 1915, or as soon thereafter as he may report for duty, at a salary of $2,600 a year. The intention is that Mr. Nevins, during this time, shall prepare for publication and see through the press a history of the University during the first fifty years of its existence, and shall do such other work of historical kind as may be assigned to him by the President of the University.

This recommendation was approved.

REPORT OF ADVISER OF FOREIGN STUDENTS.

(7) A report from Dr. A. R. Seymour, Adviser of Foreign Students:

May 29, 1915.

President James, Natural History Building.

DEAR PRESIDENT JAMES: The college year is soon to close and I wish to make you a report of my year's work as Adviser of Foreign Students. The number of foreign students is somewhat larger than last year, and the quality of their work has improved, since they have come better prepared. Improved advisory assistance has been valuable, especially in the College of Agriculture, where a special committee is appointed to assist them. I have given more personal attention than ever before to the many details of the problem of scholarship of the foreign students, and the question of the ready and efficient use of English has received particular attention.

The European war gave rise to difficult financial problems in a number of instances and some foreigners were compelled to withdraw or make special arrangements to obtain money here. For weeks the problem of our Chinese students was a trying one when their country was passing through its crisis in its relations with Japan. Financial troubles threatened them and worry impaired the health of some, since the international negotiations augured ill for them. The Mexicans too have had great difficulty in receiving money from home, and they have been forced to work their way here, or else borrow money from friends. From a financial standpoint it has been a most trying year for foreign students.

The registration of students for the first semester is distributed as follows:

Country.	Total registration.	Finished semester work.	Average grade.
China (including Hawaiian Chinese and U. S. A. Chinese)	70	60	80.45
Japan	18	18	82.85
India	13	12	83.43
South Africa	5	5	89.29
Germany	3	3	88.83
Canada	8	7	87.86
Norway	2	2	87.79
Philippines	2	2	85.63
England	4	4	85.35
Turkey	4	4	85.35
Russia	8	8	84.49
Persia	2	2	82.43
Austria	2	2	80.23
Sweden	2	2	79.38
Bulgaria	4	4	75.99
Brazil	7	6	74.95
Chile	3	2	74.87
Mexico	4	4	74.36
Jamaica	3	3	71.38
Argentina	2	.....	.....
Porto Rico	2	1	92.85
Cuba	2	1	76.45
Denmark	1	1	93.50
Australia	1	1	93.41
Hawaii (not Chinese)	1	1	90.70
Panama	1	1	80.62
Italy	1	1	66.53
Total	174	156	(Average) 81.75

The registration for the second semester is:

China (including Hawaii)	60	Turkey	4	Sweden	2
Japan	17	Bulgaria	4	Porto Rico	2
India	14	Germany	3	Panama	1
Canada	8	Persia	2	Hawaii	1
Brazil	7	Philippines	2	Australia	1
Russia	6	Jamaica	2	Norway	1
South Africa	6	Cuba	2	Denmark	1
England	5	Austria	2	Italy	1

An important part of my work as Adviser is done in conjunction with the Registrar. It has been arranged that all foreign students on entering the Uni-

versity must first see me for an estimate of their entrance credits and to enable me to get in touch with them at once for general assistance in orienting themselves. My estimate of entrance credits, together with the original documents and their translations are sent to the Registrar's office. At times Mr. McConn and I have to consult about cases of unusual difficulty and when proper credentials have not been brought provisional registration may be given until they can be obtained.

Foreign students have many problems here that American students do not have and it is these matters which receive a great deal of my attention. Again much of my work is like that of the Dean of Men and it is more intensive along certain lines. Such efforts aid materially in making the foreigners compare well with our native students physically, morally, and in scholarship.

On matters of discipline I sometimes advise with the Dean of Men. Problems concerning their relations with landladies, business men, and professors are handled in a way to clear up misunderstandings that have arisen and cause greater mutual consideration and respect.

The problem of using English correctly and readily presents some difficulties. If I think that a man's English is not up to a working standard when he enters, he is required to have a private tutor and these tutors report to me regularly on the student's progress. Again if his work in courses shows poor control of English he is required to have a tutor. There has always been considerable difficulty in this matter, but I feel that we are now in a position to handle it better next year. I may ask for a special regulation of the University concerning foreigners who are weak in English, in case my own persuasive powers prove insufficient to induce them to have tutors when recommended. The special section in Rhetoric for many reasons has proved of great assistance to the foreigners and I am recommending to Prof. Scott that we have a second section next year to accommodate all those needing it.

The scholarship report of the first semester given earlier in this report is, I believe, very satisfactory, on taking into consideration the linguistic difficulties of quite a few. The general average of 81.75 is higher than that of the men in the University as given out by Dean Warnock. The statistics of the foreigners include four women and also the graduate students. Deducting the graduate students it leaves the average practically the same as that of undergraduate men. I expect that this semester's grades will be even better.

It may be of interest to you to know that the scholarship average of the Cosmopolitan Club, which is composed so largely of foreigners, is 84.37. I believe this is higher than that of any Greek letter fraternity, though I do not recall their averages exactly. Of the fifty-six student members of the organization, fifteen have averages in the nineties.

It has been quite difficult to handle some of the delicate personal problems of the foreigners at my present office which I share with another man, and I am delighted at the prospect of having next year an office wholly for the Adviser's work; and it will be particularly helpful to have it near other administration offices. The new office will enable me to handle more easily many matters which I have previously found it wise to deal with elsewhere.

The work of the Adviser requires from four to five hours daily, which of course makes it practically impossible to find any time for research work. However, I feel that it is a kind of service to the University which is well worth while, and it helps to maintain higher university standards.

Trusting that this report may be of interest to you, I remain,

Yours sincerely,

ARTHUR R. SEYMOUR.

This report was received for record.

APPROPRIATION FOR CATALOGING.

(8) A request from Librarian P. L. Windsor for the approval of the following budget, involving a total appropriation of $2.049.96, for temporary summer assistance in the work of cataloging, which has fallen behind. All the appointees but the last one are students:

On motion of Mr. Hoit, the above budget was approved.

FEES IN THE COLLEGE OF MEDICINE.

(9) A recommendation from Mr. W. H. Browne, Secretary of the College of Medicine, that the following schedule of fees for instruction in the College of Medicine be adopted: Freshman year, $155; Sophomore year, $160; Junior year, $150; Senior year, $165. The charge for the Senior year includes the diploma fee ($5), never previously charged.

On motion of Mr. Hoit, this recommendation was approved.

NOTICE OF PAVING ASSESSMENT.

(10) A notice from Mr. F. A. Coggeshall, Commissioner, that the University should pay a special assessment to construct a concrete sidewalk along block 6 of the J. S. Wright Addition to the city of Champaign (the site of the Vivarium).

This matter was referred to the Comptroller.

REQUIREMENTS FOR GRADUATION.

(11) Certain recommendations from the University Senate relating to the courses in Chemistry, Chemical Engineering, and Music:

June 8, 1915.

Dr. Edmund J. James, President.

DEAR MR. PRESIDENT: The University Senate at its meeting of June 7, 1915, voted to make the following recommendations to the Board of Trustees with reference to changes in requirements for graduation:

CHEMISTRY AND CHEMICAL ENGINEERING.

That the requirements for the degree of Bachelor of Science in Chemistry and Chemical Engineering be restated as follows, with the stipulation that the total number of hours required for graduation in each course shall not exceed the present requirements, namely, 136 hours in the course in Chemistry and 137 hours in the course in Chemical Engineering.

Attention is called to one feature of the new course in chemistry. In the third and fourth years, five "group options" are offered. If a student elects certain of these options, he will be expected to carry as high as 140 hours, but those above 136 would be essentially in the nature of voluntary electives. "The first option, A, is intended for those students who wish to place chief emphasis upon the funda-

mental branches of chemistry as a science and for those students who desire a combination of subjects not outlined in the other four groups. * * *. At least 12 hours of the electives under Option A must be in chemistry. In all the groups except B, 10 hours of the electives must be taken outside of the department and must include a course in economics. The groups are: A, general; B, electro-chemical; C, industrial; D, food and sanitation; E, physiological."

Also, that the following new language requirement be approved for the course in chemistry: Preliminary preparation in German or French equivalent to two years of high-school work, or one year of university work. The total language requirement for graduation, including courses offered for entrance, would thus be the equivalent of two years of university German and one year of university French.

MUSIC.

That the wording of the requirements for graduation in music should read, "Candidates for the degree of Bachelor of Music must offer credit for 130 semester hours, including the prescribed subjects named below, together with a satisfactory public recital in the major subject, during the second semester of the senior year, and an acceptable thesis on a topic related to music." Further, that the minor subject be carried at least two years, and in any event the work of the freshman year be completed in the minor subject.

Very respectfully yours,

C. M. McCONN, *Clerk of the Senate.*

On motion of Mr. Hoit, the recommendations of the University Senate were approved.

APPOINTMENT OF DR. R. W. ROGERS.

(12) A recommendation that the President of the University be given authority to appoint Dr. Robert William Rogers Professor of History at a salary of $5,000 a year, beginning September 1, 1915. It is proposed to assign to Prof. Rogers the field of the history of the near East, including Egypt, Palestine, Assyria, Babylonia, Asia Minor, and in general the history of the eastern end of the Mediterranean basin previous to the rise of Greece. Dr. Rogers will be expected also to give such courses in Semitics as the requirements of his work in history will permit. He will for the present be made head of the Department of Semitics, to do such work in this field as may be assigned to him by the President of the University.

On motion of Mr. Hoit, this recommendation was approved.

APPOINTMENTS MADE BY THE PRESIDENT OF THE UNIVERSITY.

The Secretary of the board presented for record the following list of appointments made by President James:

Kramer, Morris, Technician in Gross Anatomy in the College of Medicine, at a salary of fifty-five dollars ($55) a month, beginning May 1, 1915, and continuing until further notice. (May 7, 1915.)*

Krudwig, Edna, Technician in Pathology in the College of Medicine, at a salary of forty dollars ($40) a month, for the months of June and July, 1915. (May 29, 1915.)

The Executive Committee adjourned.

W. L. ABBOTT, *Chairman.*

H. E. CUNNINGHAM, *Clerk.*

Adjourned Session, June 14, 1915.

Pursuant to the adjournment taken at the session of June 8, 1915, the Board of Trustees of the University of Illinois convened at the University, in Urbana, on Monday, June 14, 1915, at 2.00 p. m.

The following members were present: Mr. Carr, Mrs. Evans, Mr. Hoit, Mr. Ward.

President James and Prof. James M. White, Supervising Architect, were also present.

There being no quorum, the board adjourned to meet at the University at 9.00 a. m., on Tuesday, June 15, 1915.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, June 14, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Monday, June 14, 1915, immediately following the adjournment of the meeting of the board on the same day.

* The date in parenthesis is the date on which the appointment was made by the President of the University.

There were present Mr. Carr and Mr. Hoit, members of the Executive Committee, Mrs. Evans, and Mr. Ward, members of the board, President James, and Prof. J. M. White, Supervising Architect.

Mr. Fred L. Hatch, a former member of the board and of the Executive Committee, sat with the committee during the afternoon.

On motion of Mr. Carr, Mr. Hoit was elected chairman of the meeting.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

President James presented the following matters for consideration:

AUTHORITY TO MAKE APPOINTMENTS.

(1) A request for authority to make the following new appointments:

APPOINTMENT OF DR. W. F. GEPHART.

(a) Dr. William F. Gephart, of Washington University, Professor of Insurance, to be appointed Dean of the College of Commerce and Administration for one year from September 1, 1915, at a salary of $4,000 a year.

APPOINTMENT OF DR. W. L. BURLISON.

(b) Dr. W. L. Burlison, Associate Professor of Crop Production in the College of Agriculture and Associate Chief in Crop Production in the Agricultural Experiment Station, for three years beginning September 1, 1915, at a salary of $2,800 a year.

APPOINTMENT OF MR. F. A. WYATT.

(c) Mr. F. A. Wyatt, Assistant in Soil Fertility in the College of Agriculture and the Agricultural Experiment Station, for one year beginning September 1, 1915, at a salary of $1,200 a year.

APPOINTMENT OF MR. G. E. FORBES.

(d) Mr. G. E. Forbes, Instructor in Art and Design, for ten months beginning September 1, 1915, at a salary of $1,500.

APPOINTMENT OF MR. E. F. KOHMANN.

(e) Mr. E. F. Kohmann, Dairy Chemist with the rank of Associate in the Department of Dairy Husbandry of the Agricultural Experiment Station, at a salary of $2,000 a year for two years beginning August 1, 1915, or as soon thereafter as he may report for duty.

On motion of Mr. Carr, these appointments were authorized.

COMMITTEE ON DISCIPLINE IN SUMMER SESSION.

(2) A request for authority to appoint a committee to represent the Council of Administration during the summer session and to act under the authority given to the Council by the rules of the board.

On motion of Mr. Carr, authority to appoint such a committee was granted.

CONTRACTS FOR NEW BUILDINGS.

(3) The matter of bids on the construction of the Education, Ceramics, and Vivarium Buildings.

This matter was discussed at some length, but action was deferred until a meeting of the board could be held.

The Executive Committee adjourned.

O. W. HOIT, *Chairman of the Meeting.*

H. E. CUNNINGHAM, *Clerk.*

Adjourned Session of June 15, 1915.

When the board convened at 9.00 a. m., on Tuesday, June 15, 1915, pursuant to the adjournment taken on Monday, June 14, 1915, the following members were present: President Abbott, Mr. Blair, Mr. Carr, Mrs. Evans, Mr. Hoit, Mr. Ward, and Miss Watson.

President James and Prof. J. M. White were present.

MATTERS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY.

The regular order of business was set aside and the board proceeded to the consideration of the following matters presented by President James:

COMPLETION OF DRIVEWAY PAVEMENT.

(1) A letter from Prof. J. M. White, Supervising Architect, recommending the appropriation of $1,800 to complete the paving of the driveway between Engineering Hall and the Physics Building:

June 14, 1915.

President James, University of Illinois.

DEAR SIR: I desire to recommend the completion of the pavement on the driveway between the Engineering Hall and Physics Building. Our pavement now stops just south of the bridge. I desire to continue the same type of pavement north to the street car tracks, and to continue a 10-foot brick drive from there to Springfield Avenue. The cost of this pavement will be $1,800. We have a balance of $1,050 in our pavement and walks appropriation for this biennium which is available for the purpose. I desire the authorization of the work and the appropriation of the additional sum of $750.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

On motion of Mr. Carr, this recommendation was approved and the appropriation made, by the following vote: Ayes, Mr. Abbott, Mr. Blair, Mr. Carr, Mrs. Evans, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mrs. Busey, Mr. Dunne, Mrs. Henrotin, Mr. Trevett.

APPROPRIATION FOR Y. M. C. A. HANDBOOK.

(2) A request from the General Secretary of the Young Men's Christian Association for the usual grant in aid of the publication of the Students' Handbook issued by the University Young Men's and Young Women's Christian Associations.

It is proposed to issue this handbook in an edition of 4,500 copies, one being sent to each student who indicates a desire to enter the University and to each student who asks for it after the opening of the year.

On motion of Mr. Ward, the sum of $300 was appropriated toward the expense of publishing the Students' Handbook. The vote was as follows: Ayes, Mr. Abbott, Mr. Blair, Mr. Carr, Mrs. Evans, Mr. Hoit, Mr. Ward, Miss Watson; noes, none; absent, Mrs. Busey, Mr. Dunne, Mrs. Henrotin, Mr. Trevett.

COMPLETION OF NATURAL HISTORY AND TRANSPORTATION BUILDINGS.

(3) A recommendation that the Supervising Architect be directed to proceed as rapidly as possible with the preparation of plans for the completion of the Natural History and Transportation Buildings.

On motion of Mr. Carr, this recommendation was approved.

PLANS FOR NEW LIBRARY BUILDING.

(4) A recommendation that the Supervising Architect be directed to proceed with the preparation of preliminary plans for the new Library Building, to be located on the land at the south end of Wright Street, the building to have its north and south axis on the center line of Wright Street prolonged and its east and west axis on the prolongation of the east and west axis of the Armory, as approved by the board on March 10, 1914 [Report, 1914, page 725].

On motion of Mrs. Evans this recommendation was approved.

BIDS ON NEW BUILDINGS.

The matter of bids on the Education, Ceramics, and Vivarium Buildings, which had been considered previously on June 8 and 14, was brought up again.

President James presented the following letter from the Supervising Architect, Prof. J. M. White, and called attention to the fact that the approval of these recommendations would simply give authority to proceed with the erection and equipment of these buildings at a cost not to exceed the sums indicated, but that, as it would take some time to complete the buildings, all the money would not be tied up, but the necessary portions would be supplied from time to time from the general funds of the University.

June 14, 1915.

President James, University of Illinois.

DEAR SIR: Page "1" of the accompanying schedules shows the estimated cost of completing the School of Education, Ceramics, and Vivarium Buildings. I recommend that appropriations be made at this time covering the estimated expenditures involved in completing the buildings, and also that the specific contracts be awarded for the School of Education Building as shown on Page "2," for the Ceramics Building as shown on Page "3," and for the Vivarium Building as shown on Page "4."

It is desirable that these buildings be ready for occupancy for the second half of the coming school year, and I therefore believe that we are fully justified in providing the bonus and penalty clause in the contracts, which if the entire possible bonus is earned, will increase the cost of the buildings by $3,650, which is about 1 7/10 per cent of the contract price.

Yours truly,

JAMES M. WHITE, *Supervising Architect.*

After discussing this matter at some length, the board took a recess until 2.30 p. m.

Afternoon Session, June 15, 1915.

When the board convened after the recess, the following members were present: President Abbott, Mr. Carr, Mrs. Evans, Mr. Hoit, Mr. Ward, Miss Watson.

President James, Prof. J. M. White, Supervising Architect, and Prof. W. C. Bagley, Director of the School of Education, were present.

BIDS ON NEW BUILDINGS.

The board resumed the consideration of the bids on the Education, Ceramics, and Vivarium Buildings.

PLANS FOR EDUCATION BUILDING REJECTED.

On motion of Mr. Hoit, the matter of the approval of the design of the Education Building [Minutes, July 11, 1914, page 4] was reconsidered.

Professors Bagley and White were heard in the connection.

The action for the approval of the plans for the Education Building in the collegiate gothic style of architecture was lost.

On motion of Mr. Hoit, the Supervising Architect was directed to prepare new plans for the Education Building.

On motion of Mr. Ward, all bids on the Education Building and all combined bids on the three buildings were rejected.

APPROVAL OF MINUTES.

The Secretary presented for approval the minutes of the meeting of May 22, 1915, which, on motion of Mrs. Evans, were approved as printed above on pages 272 to 286, inclusive.

The board adjourned until 4 p. m. on Wednesday, June 16, 1915.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*

Meeting of the Executive Committee, June 15, 1915.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Tuesday, June 15, 1915, immediately following the adjournment of the meeting of the board on the same date.

All the members of the Executive Committee, namely, Mr. Abbott, Mr. Carr, and Mr. Hoit, were present; also Mrs. Evans, Mr. Ward, and Miss Watson, members of the board.

President James and Prof. J. M. White were present.

BIDS ON NEW BUILDINGS.

The Executive Committee took up the discussion of the bids on the Ceramics and Vivarium Buildings.

CERAMICS BUILDING.

On motion of Mr. Hoit the recommendation of Prof. White was concurred in and the bid of Mr. A. W. Stoolman, the low bidder, was accepted and the general contract was awarded to Mr. Stoolman for $78,530; the contract to provide for a bonus or penalty of $30 a day for completion before or delay beyond the term of 8 months, with a maximum bonus or penalty of $1,800.

HEATING, PLUMBING, AND WIRING, CERAMICS BUILDING.

On motion of Mr. Hoit, the contracts for heating, plumbing, and wiring for the Ceramics Building were awarded to the low bidders in each case, as follows: Heating contract, New York Blower Company, $8,629; plumbing, Daily & O'Brien, $2,875; wiring, Hatfield Electric Company, $2,534.

TILE ROOF, TERRA COTTA, FACE BRICK, ETC.

On motion of Mr. Hoit, the Supervising Architect was authorized to place contracts for tile roof, terra cotta, face brick, mechanical equipment, furniture, etc., for the Ceramics Building within the amounts contained in the schedule on page 3 of the Supervising Architect's recommendations.

GENERAL APPROPRIATION, CERAMICS BUILDING.

On motion of Mr. Carr, the sum of one hundred twenty-eight thousand dollars ($128,000) was appropriated for the construction and equipment of the Ceramics Building.

VIVARIUM BUILDING.

On motion of Mr. Carr, the recommendation of the Supervising Architect was concurred in and the general contract for the Vivarium Building was awarded to Mr. A. W. Stoolman, the low bidder, on the basis of completion in five months, for $28,952; the contract to contain a clause providing a bonus or penalty of $10 a day with a maximum of $300.

HEATING, PLUMBING, AND WIRING, VIVARIUM.

On motion of Mr. Hoit, the contracts for heating, plumbing, and wiring for the Vivarium Building were awarded to the low bidders in each case, as follows: Heating, Daily & O'Brien, $2,850; plumbing, Reliable Plumbing and Heating Co., $1,510; wiring, Lake City Electric Company, $671.

GREENHOUSES AND EXPERIMENTAL EQUIPMENT, VIVARIUM.

On motion of Mr. Carr, the Supervising Architect was authorized to award contracts for greenhouses, experimental wiring, and experimental plumbing for the Vivarium within the amounts provided in the schedule on page 4 of the Supervising Architect's recommendations.

GENERAL APPROPRIATION, VIVARIUM.

On motion of Mr. Hoit, the sum of seventy thousand dollars ($70,000) was appropriated for the completion and equipment of the buildings and grounds of the Vivarium.

The Executive Committee adjourned.

THE PROFESSIONAL DEGREES IN ENGINEERING.

The Degree of Master of Architecture.

Mortimer Burnham Cleveland, B.S., 1908.

The Degree of Civil Engineer.

Rodney Linton Bell, B.S., 1909.
Raymond Clark Pierce, B.S., 1908.
Seymour Standish, B.S., 1910.

The Degree of Electrical Engineer.

John Dudley Ball, B.S., 1907.
Townsend Foster Dodd, B.S., 1907.
Percy McClure Richards, B.S., 1909.

The Degree of Mechanical Engineer.

Charles Elliott Sargent, B.S., 1886.

HONORS.

The Secretary reported also for record that the following honors have been awarded by the University for excellence in scholarship:

THE DEGREE OF A.B. WITH HONORS.

IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES.

Mildred Lean Coburn, in German.
Elizabeth Genevieve Fuller, in English.
Alta Green, in English.
Gertrude Halushka, in History.
Walter Wilson Jennings, in History.
Hadden Spurgeon Kirk, in History.
Ray Orion Wyland, in Psychology.

SPECIAL HONORS.

IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES.

Amelia Lucinda Kellogg, in Botany.
Everett Robert Brunskill, in Chemical Engineering.
Charles Francis Geiger, in Ceramic Engineering.
Frank A. Hoerner, in Psychology.
Sidney Marion Hull, in Chemistry.
Silas Carl Linbarger, in Ceramic Engineering.
Edwin Whitaker Mattoon, in Zoology.
Forrest Hamilton Murray, in Mathematics.

IN THE COLLEGE OF ENGINEERING.

Alden Knowlton Fogg.
Ralph Green.
Edward Allen James.
Peter Jacob Nilsen.
George William Watts.
Edward Allen Williford.
Clyde Charles Younglove.

IN THE COLLEGE OF AGRICULTURE.

Maynard Elmer Slater.

FINAL HONORS.

IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES.

Mary Elizabeth Collom.
Lillian Dora Dole.
Charles Francis Geiger.
Vera Ople Gossett.
Lois Myrtle Harris.
Frank A. Hoerner.
Carrie Lucile McColley.
Margaret Mildred Mehlhop.
Forrest Hamilton Murray.
Roe Niver.
Edith Anna Swank.
Ruth Elizabeth Young.

IN THE COLLEGE OF ENGINEERING.

Harold Emery Austin.
Irl Reuben Cline.
Henry Dubin.
Alden Knowlton Fogg.
Frank Alfred Forty.
Ralph Green.
Arthur Hagener.
Roy Harrison Haslund.
Max Holmburger, Jr.
Edward Allen James.
Frederick August Kuhs Marx.
John Harold Miller.
Peter Jacob Nilsen.
Frederick William Panhorst.
Harry Barrett Rogers.
Walter Henry Simon.
Perry Jerome Sweeny.
Milo Cornelius Taylor.
George William Watts.
Edward Allen Williford.

IN THE COLLEGE OF AGRICULTURE.

Chalmers Woodruff Crawford.
Ethel Mary Dole.
Julian Lounsbury Fish.
Noble Parker Hollister.
Izora Lee.
Nathan Meltz.
Helen Sinclair Morrison.
Maynard Elmer Slater.
Victor Elwin Spencer.
Laurence Emerson Thorne.
Carle Capron Walker.

IN THE COLLEGE OF LAW.

Wesley Erett Cummins.
Glenn Ratcliffe.

IN THE LIBRARY SCHOOL.

Mabel Louise Conat.

IN THE SCHOOL OF MUSIC.

Helen Louise Madden.

THE FRANCIS JOHN PLYM FELLOWSHIP IN ARCHITECTURE.

Alexander Rudolph Brandner, 1913.

THE B'NAI B'RITH PRIZES.

First Prize for Upperclassmen.

Isaac Siegel.

Freshman Prize.

Anita Libman.

THE BRYAN PRIZE ESSAY.

Denna Frank Fleming.

THE PHI BETA KAPPA PRIZE.

Walter Wilson Jennings.

CONFERENCE MEDAL FOR EXCELLENCE IN SCHOLARSHIP AND ATHLETICS FOR THE YEAR 1915.

Edward Allan Williford.

COMMISSIONS IN THE ILLINOIS NATIONAL GUARD.

The Secretary reported also for record that the following officers of the University Corps of Cadets have received commissions in the Illinois National Guard:

Joseph Nathaniel Greene.
Augustus Henry Grunewald.
Walter Clark Armstrong.
Edward Charles Elles.
Ernest Howard Pool.
Roy Richard Zipprodt.
Irl Reuben Cline.
Arthur Herman Huisken.
Clarence Arthur Nebel.
Maynard Elmer Slater.
Clifford Firoved Hood.
Lloyd Dunaway Knapp.
Gerald Darfield Stopp.
George Howland Butler.
Ralph Leroy Herman.
August Matthew Barreau.
Edward Allen James.
Lawrence Henry Dunham.
Benjamin Harrison Decker.
Eugene Robert Paul Rall.
Wesley Kayler Norris.
Laurence Emerson Thorne.
John Harold Miller.
George Durfee Griswold.
Roe Niver.
Loren Cushing Bow.
Maurice Elon Hoit.
Essel Ray Dillavou.
Samuel Sylvester Davis.
Harold Edward Barden.
George William Haan.

THE UNIVERSITY GOLD MEDAL.

William Franklin Campbell.

THE HAZELTON GOLD MEDAL.

Oliver Galbraith Brain.

The board adjourned.

W. L. ABBOTT, *President.*

H. E. CUNNINGHAM, *Secretary.*
