MEETING OF OCTOBER 13, 1925

The Executive Committee met in Chicago on Tuesday, October 13, 1925. Present, Dr. W. L. Noble, Mr. Merle J. Trees, and Professor J. M. White, Supervising Architect.

President Kinley reported his inability to be present but transmitted to the Committee the Supervising Architect's recommendations on the award of contracts for the setting of the two new boilers in the Boiler House and for a storm water sewer from Sixth and Armory Streets south and east a distance of about 1100 feet. The bids and recommendations were as follows:

For the setting of the two new boilers:

National Power Construction Co., Chicago.....	\$3,675.00
John Bennett, Urbana.....	3,870.00
Geo. Allen & Sons, Chicago.....	3,987.00
Nelson & Sons Co., Chicago.....	4,000.00
A. J. Bolan, St. Louis.....	4,250.00
English Brothers, Champaign.....	4,895.00

The Supervising Architect's recommendation was that the award be made to the low bidder, the National Power Construction Company, at their bid of \$3,675.

For the storm water sewer from Sixth and Armory Streets south and east a distance of about 1100 feet:

Christensen Brothers, Urbana.....	\$2,100.00
English Brothers, Champaign.....	4,868.00

The Supervising Architect recommended that the contract be awarded to the low bidder, Christensen Brothers Company, on the basis of their bid of \$2,100.

The Supervising Architect reported that the following bids had been received on the general contract for the enclosing of the bookstacks in the second unit of the Library buildings:

<i>Bidder</i>	<i>Bid</i>	<i>Alternate No. 1</i>	<i>Alternate No. 2</i>

Stoolman, the low bidder, on the basis of his bid of \$78,487, and also that Mr. Stoolman be allowed an extra of \$2,950 on his contract to cover an error in his bid due to an item of \$1,475 having been deducted instead of added.

Mr. White reported that these recommendations had all been presented to Mrs. Busey and that she had concurred in the recommendations.

The Executive Committee voted to award the three above contracts as recommended.

AGRICULTURAL MEMORIAL

Mr. Trees reported for the Committee on Agriculture a recommendation that the proposed plan for an Agricultural Memorial (Minutes, January 12, 1924, page 389) be not adopted, inasmuch as it is not in line with the general policy of the Board.

No action was taken on this matter.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEPARTMENT OF PUBLIC WELFARE

(1) A statement concerning the status of the relations of the University and the state Department of Public Welfare under the agreement of July, 1919.

Some developments in connection with the work of the Research and Educational Hospitals make it necessary in my opinion for the University to know just where it stands in the matter of its relationship to these hospitals. It is necessary particularly for us to know whether the original agreement, signed in 1919 by the Head of the Department of Public Welfare for the State, and myself for the Board of Trustees by their direction, is to be kept. If it is not to be kept it is necessary for us to know what is proposed in its place.

I bring up the matter now because I am informed that the heads of two of the divisions of the work of the Department of Public Welfare, namely the Institute of Juvenile Research and the Psychiatric Institute, have been instructed to move into the new hospitals. The agreement between the University and the Department of Public Welfare provides that the professional staff in charge of the work of the hospitals shall be drawn from the medical faculty of the University of Illinois. The heads of these two divisions of work are not appointed as such because of their connection with the faculty of the University of Illinois. It is necessary, then, for us to know whether the Director of Public Welfare can, under the agreement or in spite of it, put into this hospital lines of work in charge of people other than our professors of medicine. It seems to me that if he can do so conditions likely to lead to friction are at once established. Moreover, we do not know what our rights or privileges are.

I call your attention to the fact that the present Director of Public Welfare has informed me that he does not regard himself as bound by this agreement—the act of his predecessor. You will recall that soon after the present head of the Department came into office objection was made to the inclusion of the Illinois Charitable Eye and Ear Hospital in this group of Research and Educational Hospitals, although it was one of the group of hospitals specifically mentioned in the agreement and although appropriations had been made for the purpose of erecting a building for this hospital. As you know, the separate appropriations were finally pooled, including the University appropriation of \$300,000 for a clinical building and its later appropriation of \$500,000 for a research laboratory and library. We acquiesced in the oral proposal to omit the Eye and Ear Hospital (Minutes, April 12, 1922, page 187), but have never had in writing the acquiescence of the Head of the Department of Public Welfare.

It is evident that if two divisions of work whose staffs are independent of the University may be introduced into these hospitals, three may be so introduced, or four, or any number, and the agreement that the staff of these hospitals shall be drawn from the medical faculty of the University becomes of no effect. That will be a serious matter for the University College of Medicine. Therefore, I feel it my duty to lay the matter before you, to inform you that I have been unable to get a definite assurance of the exact relationship between the University and the Department of Public Welfare in connection with these hospitals and to ask, therefore, for instructions. In this connection I would call your attention to a letter recently received from Dean Davis in which he calls attention to the need for a larger number

of beds. He states that the University needs at least two hundred patients for proper instruction of medical students in the general hospital. He urges the need of a building to house the nurses and also a building for a training school for nurses. The University, he says, is now prepared to furnish at least a large part of the instruction necessary in such a school. A properly organized training school should materially diminish the expense of nursing. He points out that the building erected for the Children's Surgical Institute remains, up to the present, unequipped and unoccupied.

Dean D. J. Davis made a statement concerning this matter.

After discussion, on motion of Mr. Wham, this matter was referred to a special committee, consisting of Mr. Trees, Mr. Barr, and the President of the University, to confer with Governor Small and Director Jenkins and to report at the next meeting of the Board.

HESEL LAND

(2) The following recommendations:

1. I recommend that the Comptroller of the University be authorized and directed to offer Mr. J. F. Hessel of Champaign at once \$1,500 an acre for the forty-six and a fraction acres of land owned by him east of the Illinois Central track in the neighborhood of the Stadium.

On motion of Mr. Trees, this recommendation was concurred in.

2. I recommend that if Mr. Hessel refuses this offer condemnation proceedings be instituted by the University at once to secure this land. The land is needed in the work of the University. Our Experiment Station people need more land and this should be turned over to them for some of their purposes as soon as we get it. It will be needed also for purposes of physical education in so far as, and when, it is not in use for agricultural purposes and in the not distant future it will be needed for buildings. To permit it to be subdivided into city lots would block the necessary future development of the University since the value after subdivision and building would put it beyond the University's ability to purchase.

The Dean of the College of Agriculture and Director of the Experiment Station as well as his predecessor have both said that we need more land, the former estimating the amount necessary at a thousand acres and the latter five hundred acres. This land in connection with other recent purchases in that neighborhood would ease the situation somewhat.

On motion of Mr. Barr, the condemnation of this land was authorized.

On motion of Mrs. Grigsby, the President of the University was authorized to employ special legal counsel in this matter.

WAGES OF JANITORS

President Noble stated that representatives of the Building Service Employees International Union had requested a hearing concerning the wages of janitors employed by the University.

Mr. Carrothers, Mr. Nelson, and Mr. John Walker, who were introduced, made statements concerning this matter and retired.

On motion of Mr. Trees, this matter was referred to the President of the University for investigation and report.

The Board resumed its discussion of matters presented by the President of the University.

RESIGNATION OF DEAN EYCLESHYMER

- (3) The resignation of Dr. A. C. Eycleshymer of all his positions in the University.

On motion of Mrs. Evans, this resignation was accepted, to take effect January 1, 1926, and the President of the University was requested to express to Dr. Eycleshymer the regret and good wishes of the Board.

COLLEGE PLACE LOT 55

- (4) A letter from the Comptroller:

October 22, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

At the last meeting of the Board of Trustees on September 15th, authority was given for the purchase of Lot 55 in College Place from Maud C. Foster at a price of \$2,350. While not definitely stated in the minutes, the correspondence on the subject between Professor White's office and Mrs. Foster, and Professor White's letter of September 2nd to you, seems to indicate that the property would be sold at this price without any encumbrances for taxes and special assessments. On investigation, however, I found that special assessments amounting to \$37 and taxes amounting to \$10 were outstanding against this property. In taking the matter up with Mrs. Foster, I found that it was her understanding that the property would be conveyed at this price subject to unpaid taxes and assessments not yet due.

Lots 54 and 56 adjoining on the North and South were purchased for \$2,200 each, subject in both cases to current taxes and unpaid special assessments. It seems possible, however, that Mrs. Foster will not sell other than for a price of \$2,350, subject to the taxes and assessments referred to above. As the amount is small and the property essential for our purpose, I request authority to make the settlement on this basis if necessary.

Very truly yours,

LLOYD MOREY
Comptroller

I recommend approval.

On motion of Mr. Barr, the Comptroller was authorized to conclude this purchase for \$2350, plus taxes and assessments.

RADIO STATION

At this point, Mr. Trees made a report of progress on the new radio station and withdrew.

McKINLEY HOSPITAL BUILDING EXPENDITURES

- (5) The Comptroller, Mr. Morey, reports to me in substance, under date of October 19, as follows:

The cash receipts of the McKinley Hospital fund to September 30, 1925 (i. e., excluding the Booth bonds), were \$200,346.31. The total obligations entered into on account of the building to that date were \$213,282.16.

The furnishing and operating equipment of the hospital were to be paid for from the so-called School of Aeronautics Fund, a balance left in the treasury from the operation of the School of Military Aeronautics. The amount of this fund is \$20,445, of which about \$18,000 has already been expended.

It is evident from these figures that the cost of the building with equipment and furnishings will exceed the present cash receipts from Mr. Kinley's donation and the Aeronautics Fund. It seems to me that it would be proper and desirable to credit this latter fund with the interest which it has earned to the date of its expenditure for hospital purposes.

It seems to me inadvisable to sell the Booth Fisheries bonds at present. It seems to me better that these be held, the income therefrom to be turned into the general fund of the University, until such time as the receipts therefrom will have recouped the University for a loan of \$15,000 with interest at 2 percent annually, as recommended in the following paragraph, to meet the cost of building and equipment in so far as it exceeds the cash receipts of the McKinley donation at the time of the completion of the hospital payments; and it seems to me advisable further that after that event the Booth Fisheries bonds, or such securities as the Board may substitute for them after maturity, be held as an endowment fund for the hospital, the annual income to be used when necessary, with the specific approval of the Board, to meet deficits in the necessary expenditures of the hospital, if such deficits should occur.

If this plan commends itself to you I recommend that you rescind your action of July 14, 1924 (see minutes of that date, page 6), whereby you authorized the sale of the McKinley securities, so far as that action concerns the Booth Fisheries bonds.

I recommend further that the sum of \$15,000 be appropriated from the Reserve and Contingent Fund to be added to the cash in the McKinley Hospital Building Fund in order to meet the necessary expenditure of completing and equipping the building;

(a) That the Booth Fisheries bonds, in face value \$25,000, be kept as security for this loan, the annual interest payments on it being paid into the University treasury to liquidate the principal debt of \$15,000 above recommended, together with the interest thereon at 2 percent per annum.

(b) That when the above debt has been thus liquidated, the Booth Fisheries bonds shall be held as an endowment fund for the operation of the McKinley Students' Hospital.

I further recommend that the so-called Military Aeronautics Fund be credited with interest at 2 percent from the time of its receipt and that an appropriation of \$2,569.63 be made from the Reserve and Contingent Fund to the credit of this Military Aeronautics Fund and used, like the principal, under your authority towards the equipment of the McKinley Hospital.

On motion of Mrs. Ickes, the action of July 14, 1924, authorizing the sale of the Booth Fisheries bonds, was rescinded.

On motion of Mrs. Ickes, an appropriation of \$15,000 was made from the Reserve and Contingent fund for the McKinley Hospital. The vote was as follows: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Trees.

On motion of Mrs. Evans, the recommendation concerning the treatment of the Booth bonds was adopted.

On motion of Mr. Wham, an appropriation of \$2,569.63 was made from the Reserve and Contingent fund as interest on the Military Aeronautics fund, to be used for equipment for the McKinley Hospital. The vote was as follows: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Trees.

PROPOSED CONCRETE BASEBALL GRAND STAND ON ILLINOIS FIELD

(6) I submit the following letter from Mr. Roseberry and Judge Harker, respectively Clerk and Secretary of the Board of Directors of the Athletic Association:

October 19, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

At the regular monthly meeting of the Board of Directors of the Athletic Association of the University of Illinois, the following motion was favorably acted upon:

"Judge Harker moved that the Board of Directors of the Athletic Association of the University of Illinois request the Board of Trustees of the University of Illinois to grant to the Athletic Association the privilege of building a concrete baseball grand stand on Illinois Field.

Seconded by E. I. Burke and carried."

Will you kindly present this matter to the Board of Trustees of the University for action? It is understood of course that the Athletic Association will meet the expense of erecting this concrete stand.

Very sincerely yours,

C. J. ROSEBERRY

Clerk of the Board

O. A. HARKER

Secretary of the Board

On motion of Mrs. Grigsby, this matter was referred to the Committee on Buildings and Grounds for investigation and report as soon as possible.

BIDS ON MEN'S GYMNASIUM ADDITION

(7) In accordance with instructions given at the last meeting of the Board, the Supervising Architect asked for and has received bids on the Men's Gymnasium addition revised in accordance with certain changes in the specifications.

<i>Bidders</i>	<i>Former Bid</i>	<i>Amount Deducted</i>	<i>Net</i>
English Brothers	\$197,998	\$36,000	\$161,998
A. W. Stoolman.....	199,987	26,400	173,587

The Supervising Architect recommends that this contract be awarded to English Brothers on the basis of their bid of \$161,998 and I join in the recommendation.

Mr. Barr offered a motion that this recommendation be concurred in.

Mrs. Evans offered as a substitute a motion that all bids be rejected and new bids be advertised for. The substitute motion was lost, and the original motion to concur was adopted.

At this point President Noble, being called from the room, requested Mr. Wham to act as chairman, and Mr. Wham presided during the rest of the afternoon.

**SPECIAL ASSESSMENT NOTICE—URBANA
LIGHTING SYSTEM**

(8) The Supervising Architect sends me a special assessment notice showing the University's assessment on account of the Urbana Southern Ornamental Lighting System, to be \$1,148.21, plus interest, and recommends that the University agree to the assessment.

I concur and so recommend.

On motion of Mrs. Busey, this assessment was accepted.

BOND FOR MUSEUM ARTICLES IMPORTED

(16) A recommendation that the following resolution be adopted.

RESOLVED: That Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary of the Board of Trustees of the University of Illinois, be and hereby are authorized to execute a bond in the name of the Board of Trustees of the University of Illinois to the United States of America in the sum of Five Hundred Dollars (\$500) covering articles being imported for exhibition in the Museum of European Culture at the University of Illinois, described in entry No. 6469 of the port of New York, as a guarantee that these articles will not be sold or offered for sale.

On motion of Dr. Noble, this resolution was adopted.

OSTEOPATHIC PRACTICE AND MCKINLEY HOSPITAL

(17) Each member of your Board received some time last month a copy of a letter from McCormick, Kirkland, Patterson & Fleming, Attorneys, through Mr. Louis Caldwell, presenting an agreement concerning the regulations adopted by the Board setting a standard for admission to practice in the McKinley Hospital. Our Legal Counsel informs me that the Board is within its rights in this matter and I recommend, therefore, that the Legal Counsel be authorized to inform Mr. Caldwell that the Board does not think it well to change the standard which it has set up in this matter.

On motion of Mrs. Ickes, this recommendation was adopted.

MURAL DECORATIONS IN THE LIBRARY

(18) The Supervising Architect informs me that Mr. Charles A. Platt and Mr. Barry Faulkner were at the University on Friday and Saturday, the 16th and 17th, for conference on the plans for the new Architectural building and the mural decorations in the Library. He reports some definite progress on the former.

Agreeing with Mr. Platt, Professor White recommends that Mr. Barry Faulkner be engaged to do the mural painting in the new Library and that Mr. Faulkner is willing to accept the commission for the remuneration provided in your appropriation—namely \$8,000—plus his necessary traveling expenses which according to Professor White, will probably mean two trips. Professor White quotes Mr. Faulkner to the effect that it will take at least eight months to complete our work.

On motion of Dr. Noble, this matter was referred to the Committee on Buildings and Grounds for investigation and report.

**INSPECTION OF STUDENT ROOMING HOUSES AND
CONDITIONS OF LIVING**

(19) I request an appropriation of \$500 from the Reserve and Contingent Fund in order to make an inquiry into the conditions of living, lodging, and other conditions among our students.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Trees.

**REQUEST OF Y. M. C. A. COMMITTEE TO PURCHASE
DAVENPORT HOUSE**

(20) A committee consisting of Mr. Roger Zombro, Mr. A. M. Burke, and Mr. Louis B. King, representing the Board of Directors of the Y. M. C. A. asked informally whether the Board would consider selling the Davenport property in order that they might build on that corner, their intention being to purchase the sorority house at the corner of Daniel and Wright streets.

On motion of Mrs. Busey, the President of the University was directed to inform the committee that the Davenport House is not for sale.

At this point, Mrs. Grigsby withdrew.

CAHOKIA MOUNDS

(21) Some weeks ago Professor Warren K. Moorehead, who directed for the University certain explorations of the Cahokia Mounds near East St. Louis, wrote me stating that the Baltimore and Ohio Railroad has bought land south of the main group of these mounds, including Mound 66. Professor Moorehead states that he and other authorities think this is an Indian burial mound and suggests that if the Railroad intends to level this mound the University should endeavor to secure any relics that it may contain.

Inasmuch as action may be taken suddenly and the University will lose this opportunity if it is not prepared, I request that the sum of \$1,000 be appropriated from the Reserve and Contingent Fund to be expended under authority and direction of the President of the University for expenses connected with securing from Cahokia mound No. 66 such relics, photographs or other educational exhibits as may be possible under the circumstances, if the Railroad cuts into it.

On motion of Mrs. Ickes, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Grigsby, Mr. Trees.

ALLOWANCE OF PRESIDENT JAMES

(23) The Comptroller asks directions as to the "disposition of the monthly allowance of President James for the month of June and for any subsequent time that it is to be paid." I recommend that the June installment be paid and that payments cease with that.

On motion of Mr. Barr, this recommendation was approved.

SALARY OF MR. C. E. JANVRIN

(24) A recommendation that the portion of the salary of Mr. C. E. Janvrin, Librarian of the Natural History library, assumed by the University be \$1,400 instead of \$1,200, effective September 1, 1925.

On motion of Mrs. Evans, this recommendation was concurred in.

**HEAD OF DEPARTMENT OF OBSTETRICS
AND GYNECOLOGY**

(25) Dean D. J. Davis of the College of Medicine recommends that Dr. Charles S. Bacon be appointed temporarily as head of the Department of Obstetrics and Gynecology on one-half time, with salary at the rate of \$5,000 a year, until Dr. Falls can join us, or some one else if he finally decides not to come.

I concur in this recommendation.

On motion of Mrs. Ickes, this recommendation was adopted.

APPOINTMENT OF DR. ROBERT W. KEETON

(26) Dean Davis, on the recommendation of Dr. Williamson, asks the appointment of Dr. Robert W. Keeton as Associate Professor of Medicine on half time at a salary of \$3,500 per year as of October 1, 1925—tenure indefinite.

BURRILL AVENUE A ONE-WAY STREET

(31) The Supervising Architect recommends that Burrill Avenue, from Green Street to Springfield Avenue, be made a one-way street with traffic from south to north only.

I recommend approval.

On motion of Mr. Noble, this recommendation was approved.

OFFER OF A PRIZE TO THE COLLEGE OF MEDICINE

(32) Dr. Frank Smithies has written Dean Davis offering to give each year one hundred dollars to be awarded as a prize to a student or faculty member in our College of Medicine who has submitted during the year the most useful piece of original work dealing with diseases of the alimentary tract. His letter provides that a committee shall be appointed by the Dean to serve for one year. He states that he will support this prize, which he wishes to be known as the William F. Beaumont Memorial Award, during his lifetime and that endeavor will be made to devise a method whereby after his death the award may continue indefinitely.

After careful consideration of this proposal and its conditions and in view of the Board regulation concerning scholarship and prize funds, I ask authority of the

Board to decline the offer as not being in accord with our general policy. Dean Davis also thinks it would be unwise for us to accept this gift.

On motion of Mr. Barr, the President of the University was authorized to decline this gift, with thanks.

CONTRACT FOR KUNZ CELL

(35) A recommendation that the following contract be authorized.

AGREEMENT

THIS MEMORANDUM OF AGREEMENT made and entered into thisday of....., 1925, by and between the BOARD OF TRUSTEES of the UNIVERSITY OF ILLINOIS, of Urbana, Illinois, a corporation, hereinafter called the "Licensor," and De FOREST PHONOFILMS, INC., of the City of New York and State of New York, a corporation, hereinafter called the "Licensee," WITNESSETH:—

THAT WHEREAS, the Licensor is the Owner of United States Letters Patent to Jacob Kunz, dated June 14, 1921, and numbered 1,381,474;

AND, WHEREAS, the Licensee desires an exclusive license to manufacture, use and sell devices for the reproduction of photographic sound waves which come within the claims of said letters patent.

NOW, THEREFORE, For and in consideration of One Dollar (\$1.00) and other good and valuable considerations, by each to the other in hand paid, receipt of which is hereby acknowledged, and in further consideration of the mutual covenants and agreements hereinafter contained, the parties hereto mutually covenant and agree as follows:—

1. The Licensor hereby grants unto the Licensee the sole and exclusive right to manufacture, use and sell devices for use exclusively in transforming the photographic record of sound waves into current variations corresponding thereto, during the remainder of the life of said letters patent.

2. The rights of the Licensee are specifically limited to the particular devices when used for the particular use specified, and shall not, by inference or otherwise, be interpreted to embrace other devices or other uses of the same device than the one use above set forth, all other devices and all other uses of the same or other devices being reserved unto the Licensor, including the right to make and sell the same device when used for other purposes.

3. The Licensor reserves unto itself the right to make, or have made for it and to use for research work or to sell to others for research work only, any and all devices coming within the claims of said letters patent whether same be embraced within the terms of this license or not.

4. The Licensee agrees to pay unto the Licensor, as royalty, the sum of Two Dollars (\$2.00) for each and every device manufactured and used or manufactured and sold by it under the terms of this agreement.

5. The Licensee shall have the right, if it so desires, to have the devices manufactured by others for it.

6. The Licensee agrees to keep a careful and accurate account of the number of devices embraced within the terms of this agreement which are manufactured by or for it, of the number used by it and of the number sold by it, said account to be kept in permanent record form and to be open to inspection by the Licensor or its designee at any and all reasonable times.

7. For the purpose of accounting, the year shall be divided into quarterly periods beginning on the first days of January, April, July, and October of each year. The Licensee shall prepare and deliver to the Licensor, within fifteen (15) days after the close of each quarterly period, a complete report, sworn to if requested by the Licensor, setting forth the total number of devices manufactured by or for it under this license during the immediately preceding quarter and also the number of such devices used or sold by it during said period. Payment in full for all royalties due for such period shall accompany each such report.

8. In case the field of the Licensee hereunder is invaded by an infringer of said letters patent during the life of this agreement, the Licensor agrees that it will, upon the written request of the Licensee and at the Licensee's sole expense, bring such suit or suits against such infringer or infringers as the said Licensor may deem advisable. In case such suit or suits are started, the Licensee shall, if the Licensor requests, enter into good and sufficient bond approved by the Licensor to protect the Licensor against all costs and damages arising from said suit.

9. Every device made and sold hereunder shall bear such patent markings as are required by section 4900 of the Revised Statutes of the United States and shall also bear such restrictions as to use as shall fully comply with the terms of this agreement and as such shall be approved, from time to time, by the Licensor.

10. The Licensee agrees to use all reasonable efforts to promote the manufacture, use and sale of the devices licensed hereunder and agrees that, for failure to do so or for failure to supply any and all reasonable demands for said devices, the Licensor shall have the right to terminate this license.

11. The Licensor shall have the right to terminate this agreement if the Licensee shall fail or refuse to comply fully with the terms hereof. In case the Licensor desires to terminate this agreement because of any default of the Licensee, the Licensor shall serve notice in writing upon the Licensee stating the character of such default and its intention to terminate this agreement. The Licensee shall then have thirty (30) days within which to comply with the terms of this agreement and in case of its failure to do so, this agreement shall become *ipso facto* terminated.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their proper officers in their official capacities and their corporate seals hereunto attached at Urbana, Illinois, the day and year first above written.
