June 9, 1926

*President David Kinley, University of Illinois*

DEAR PRESIDENT KINLEY:

Having straightened up the final details of our work as members of the Band Overcoat committee, appointed by the Alumni Association to solicit funds to purchase overcoats for the band men, we now take pleasure, on behalf of alumni and other friends of the University, in presenting to the University of Illinois 204 band overcoats. These were purchased with funds contributed by alumni and other citizens. The total amount received was \$6,326.85. All of this money except \$9.26 was spent for band overcoats and for expenses connected with soliciting the money. The \$9.26 remaining has been turned over to the band fund.

Sincerely yours,

(10) Mr. William H. Browne, of the College of Medicine, reports the loss of certain equipment from the Research and Educational Hospitals by theft.

I have asked the Comptroller to inquire into the matter of taking out burglary insurance on certain equipment in this building and ask authority to take out insurance.

On motion of Dr. Noble, this matter was referred to the President of the University with power to act.

### AMENDMENTS TO RETIRING ALLOWANCE SYSTEM

(11) The following communication:

1. Paragraph 3 provides "as to all members of the faculty, and educational, administrative, and mechanical staff who have been in the service of the University of Illinois for fifteen or more years"—and so forth. The question is raised whether the fifteen years' minimum period of service required to make a person of sixty-five eligible for retiring allowance must be continuous. My opinion is that the interests of the University, for which this system was established, will be best promoted by interpreting the phrase to mean "fifteen or more years, at least the last ten of which shall have been continuous," and I so recommend. I recommend that this interpretation apply to individuals going on retirement September 1 next.

2. The question is asked whether in computing the retiring allowance any regard shall be had for the fact that a person retiring on a professorship held for five years or more previous to retiring, may have held, for example, a deanship or other office with a higher salary than he has been receiving during the five years preceding retirement.

3. Paragraph 4 provides that all rights and claims of the staff under the retiring allowance system cease with the termination of service "whether such termination is voluntary or otherwise." Under this provision people on term appointment might lose such claims as they had to a retiring allowance by the mere expiration of their term without action on their part or the part of the Board. I suggest that there be added to paragraph 4 the following: "For purposes of this scheme of retiring allowances, members of the faculty or staff employed in successive academic years or other term appointment shall be held to be in continuous employment even though their cash compensation is paid in or for less than twelve months of any academic year."

4. Paragraph 3 (b) provides that "upon retirement there shall be paid to the member retiring, during his life, an amount equal to 25% of the average cash portion of compensation which has been paid to him during the last five years prior to retirement"—and so forth. I recommend that the following sentences be added to this paragraph at the end: "In case a member of the staff retired under these rules has been on leave of absence on half pay under the University regulations in any one of the five years preceding his retirement or part of any one of said five years the full salary rate for the year of absence shall be taken in computing the average of the cash compensation of the five years on the basis of which the allowance is determined. In the case of a member who has been absent in any one of the five years preceding retirement, or part of any one of said five years, without salary, absence having been with the approval of the Board of Trustees, the salary received for the year preceding the year of absence shall be the amount used for the cash compensation in the year of absence for the purpose of computing the average cash compensation for five years."

On motion of Dr. Noble, these matters were referred to the Finance Committee for consideration and report on Monday.

### NEEDS OF THE COLLEGE OF MEDICINE

(12) A request that Dean Davis be heard on the budgetary needs of the College of Medicine for the next biennium.

This request was granted, and Dean Davis was heard.

### AMENDMENT TO SCHOLARSHIP REGULATIONS

(13) I recommend that the President of the University be authorized to extend the period of any undergraduate scholarship established by the Board so that it may run for a maximum of six years when extension is requested on the ground either of absence to earn money to meet the expenses of schooling, as now; or of serious illness necessitating the absence of the scholarship holder—the term "serious illness" being interpreted to mean such illness as incapacitates the individual concerned for

a period long enough to make it impossible for him to finish the work of at least the semester in which he becomes ill, provided that the individual concerned shall return to his work at the University as soon as health permits.

On motion of Mrs. Ickes, this amendment was adopted.

#### REPORT OF PROGRESS ON THE NUTRITION INVESTIGATION

(14) Following action taken by the Board at the February meeting, two meetings of the Nutrition Commission have been held—March 13 and April 10—to consider the publication of Volume II and the Summary giving the conclusions of the Commission.

The Commission strongly recommends that Volume II of the Report be published in full as edited by Dr. MacNeal in order to complete satisfactorily the publication of the records of the investigation as originally planned. The Commission has not yet decided whether to recommend the publication of a Volume VI, a pamphlet giving the Conclusions of the Commission.

This report was received for record.

#### PETITION FOR A JUNIOR HIGH SCHOOL IN CONNECTION WITH THE UNIVERSITY HIGH SCHOOL

(15) A petition has been submitted to me, signed by thirty-eight citizens of Urbana who are parents of children eligible for enrollment in a junior high school in September, asking that the University open and maintain a junior high school in connection with the University High School. I recommend that the petitioners be informed that the Board does not see its way clear to comply with their request.

On motion of Dr. Noble, this recommendation was concurred in.

#### GIFT OF MANUSCRIPT RECORDS FROM COLONEL NODINE POST, G. A. R.

(16) Mr. Walter Price, Adjutant General of the Colonel Nodine Post, No. 140, G. A. R., Department of Illinois, has presented the University with six volumes of the manuscript records of the Post. I have accepted this gift under the rules of the Board.

This report was received for record.

#### RECOMMENDATION CONCERNING RETIREMENTS

(17) Under the rules of your Board concerning retiring allowances the following members of the staff are due for retirement beginning September 1 next:

HERBERT J. BARTON	Professor of Classics
C. S. CRANDALL	Professor of Horticulture
JULIUS GOEBEL	Professor of German
O. A. HARKER	Professor of Law and Legal Counsel
H. A. HOLLISTER	Professor of Education and High School Visitor
W. A. NOYES	Professor of Chemistry
S. W. PARR	Professor of Chemistry
FRANK SMITH	Professor of Zoology
A. N. TALBOT	Professor of Municipal and Sanitary Engineering, in charge of Theoretical and Applied Mechanics
WILLIAM TRELEASE	Professor of Botany
C. A. DUNSETH	Carpenter, Physical Plant
F. CRATHORNE	Carpenter, Physical Plant
MRS. FRANCES MCCLUGEN	Domestic, Physical Plant
J. F. PURKINS	Laborer, Physical Plant
W. J. ENGLE	Herdsmen, Animal Husbandry
W. A. MCINTIRE	Clerk, Agronomy

Of the above, Professors Barton, Goebel, Noyes, Talbot, Hollister, Mr. W. A. McIntire and Mr. C. A. Dunseth have intimated a desire to continue at least another year in their present work. After the best consideration I can give the matter, I am of the opinion that the best interests of the University require the retirement of all in the list who have reached the age of sixty-eight whose principal work, or a large part of it, is teaching. Therefore, I am not able to acquiesce in the requests by those in such positions.

I recommend that Professor H. A. Hollister be continued one year more as High School Visitor. My reason for recommending his request to you is that I feel the need of his services for one year more to carry through to completion the experiment of cooperative high school inspection which we have been making for the past two or three years with the Superintendent of Public Instruction. I feel the need of at least one more year's trial of this experiment before concluding what to recommend to your Board as our policy in the matter. To turn the work over to a new man before the experiment is concluded would vitiate the experiment.

The continuance of Mr. C. A. Dunseth is recommended by Professor White. He states that Mr. Dunseth is in good physical health and rendering full and loyal service to the University in the Physical Plant division, Mr. Dunseth being a carpenter.

I concur in Professor White's recommendation.

Mr. W. A. McIntire is a clerk in Agronomy whose duty is to keep the records of the weather service. He is entirely competent to continue this work for another year and I recommend his continuance.

With reference to Professor Goebel and Professor Barton certain questions have been raised which go to the policy which your Board wishes to follow in the interpretation of the provisions of the retiring allowance scheme. In the case of Professor Goebel, moreover, the question is raised whether in the past few years he has been treated fairly in the matter of salary and whether his retiring allowance, therefore, is as large as it should be. I recommend that your Board appoint a committee to inquire into the whole matter, to determine whether there is any ground for thinking that a mistake has been made in this case, and if so, what means your Board will adopt to repair it. I would recommend also that this committee consider the question raised in Professor Barton's case.

I would call your attention especially also to the case of Andrew Tornquist. Mr. Tornquist has been in the service of the University a total of eighteen years, eight and two-thirds months. The longest period of continuous service, however, is from September 1, 1908, to October 1, 1917, a period of nine years, one month. Mr. Tornquist then left the University service for a period of seven months, re-entering it May 1, 1918, and continuing until now. It should be added that from May 1, 1918, to February 1, 1919, he was employed in the School of Military Aeronautics. I include this work as University service.

On motion of Mr. Armstrong, Professor Hollister was continued for one year from September 1, 1926, as High School Visitor.

On motion of Mrs. Ickes, Mr. C. A. Dunseth was continued for one year from September 1, 1926, as carpenter.

On motion of Mr. Wham, Mr. W. A. McIntire was continued for one year from September 1, 1926, as clerk in agronomy.

On motion of Dr. Noble, the President of the Board was directed to appoint a special committee to inquire into the amounts of the retiring allowances for Professor H. J. Barton, Professor Julius Goebel, and Professor O. A. Harker. President Trees appointed Mr. Wham, Dr. Noble, and Mrs. Evans to serve on this committee.

**DEATH BENEFIT FOR ERIC FROBERG**

(18) Mr. Eric Froberg, Head Janitor at the College of Medicine, died May 16. He had been in the service of the University for seventeen years, and had designated as his beneficiary under our rules Mrs. Ethel Englejohn. I recommend that an appropriation of \$750 be made from the Reserve and Contingent fund and that the Comptroller be authorized to pay this amount to Mrs. Englejohn.

This recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

**IN MEMORY OF CAPTAIN JOHN R. TREVETT**

Mrs. Busey presented the following resolutions, which were unanimously adopted.

*Resolved*, That the Board hereby expresses to his family its heartfelt sympathy in the loss of their husband and father, and that this testimony of its appreciation and sorrow be spread upon the minutes, and a copy sent to the surviving members of his family.

DEAR PRESIDENT KINLEY:

In accordance with the general authorization to proceed with the Radio Building which was given by the Board at its last meeting, the general contract has been awarded to Mr. Charles F. Asman of Champaign, for \$10,276; and the heating contract has been awarded to the Reliable Plumbing & Heating Company for the sum of \$942.70.

I have already sent you the list of bids on the general contract.

Owing to the fact that the plumbers and steamfitters were on a strike at the time we took the general bids, we received only two bids on the heating work, which were as follows:

Contractor Bidding	Bid	Deduction	Net Bid
Reliable Plumbing & Heating Company	\$1,560	\$617.30	\$ 942.70

**COOPERATIVE INVESTIGATIONS IN ENGINEERING  
EXPERIMENT STATION**

(25) The following letter from Dean Ketchum:

304 Engineering Hall  
June 8, 1926

*President David Kinley, 355 Administration Building*

DEAR PRESIDENT KINLEY:

The Utilities Research Committee (representing the Commonwealth Edison Company, the Peoples Gas Light and Coke Company, Public Service Company of Northern Illinois, Middle West Utilities Company, Chicago Rapid Transit Company, and Chicago North Shore and Milwaukee Railroad Company), has made the following appropriations for the two-year period covering June 1, 1926, to May 31, 1928:

Investigation of boiler feed water treatment.....	\$6,500
Investigation of refractories.....	7,500
Investigation of ageing of porcelain.....	7,500
Investigation of car axle failures.....	6,500
Investigation of impact in steel structures.....	9,000
Investigation of methods of testing high-voltage cables.....	3,000
	<hr/>
	\$40,000

These amounts are to cover a two-year period, although it is probable in some cases that the work will have been completed and the expenditures made in less time. It will be entirely agreeable to the Utilities Research Committee to have the agreement between the Board of Trustees of the University of Illinois and the Utilities Research Committee, dated May 22, 1924, extended by an interchange of letters in which the new subjects and appropriations are substituted for those mentioned in the original agreement.

I wish to recommend that the above appropriations be accepted and authority be given to complete the details of the agreement as above outlined.

Very truly yours,

M. S. KETCHUM

I recommend that these funds be accepted and that authority be granted to extend the agreement referred to.

On motion of Mr. Armstrong, these recommendations were approved.

**ADDITIONAL GIFT FROM CHEMICAL FOUNDATION**

(26) I report for record the receipt of an additional gift of \$1000 from the Chemical Foundation for sewage research. This gift is given under the same conditions as the original grant of \$1000 received in April and reported to the Board on May 16, 1925.

This report was received for record.

**REQUEST FOR COMPENSATION FOR ACCIDENT TO STUDENT**

(27) A young woman student in one of the athletic classes, Miss Rosemary Huntoon, was injured by having another student fall on her face. Her father asks the University to pay a doctor's bill of \$52.

**TUTORING OF STUDENTS**

(28) I recommend that the following regulation be referred to the Committee on Instruction:

No member of the staff of the University may tutor for money any University students in any work they are carrying as students of the University.

On motion of Mr. Armstrong, this matter was referred to the Committee on Instruction for consideration and report.

At this point, Mrs. Busey withdrew.

**AUTOMOBILE FOR AGRICULTURAL EXTENSION**

(36) Professor White recommends that

1. The University purchase a seven-passenger Nash sedan to take the place of the Nash touring car for use in Agricultural Extension, the new car to be used for extension and general University purposes.

2. Instead of turning in the old car, for which an allowance of \$350 would be made, it be transferred to the Physical Plant operating department.

**AMENDMENT OF RULES ON RETIRING ALLOWANCES**

Mr. Armstrong, for the Finance Committee, recommended that the rules on retiring allowances and death benefits be amended to be effective at once, as recommended by the President of the University (see page 634) with the exception that the amendment to Paragraph 3 shall read "at least the last seven years of which shall have been continuous." The amended paragraphs read as follows:

3. As to all members of the faculty, and educational, administrative, and mechanical staff who have been in the service of the University of Illinois for fifteen or more years, at least the last seven years of which shall have been continuous, and

who shall be in the employment of, and active service for the University at the time for retirement as hereinafter provided, a part of the compensation for their services shall be paid in the value of retiring allowances to be provided or secured for, or paid to, them by the Board of Trustees, in the following amounts and under the following conditions, to-wit: . . . . .

(b) Upon retirement there shall be paid to the member retiring, during his life, an amount equal to twenty-five per cent of the average cash portion of compensation which has been paid to him during the last five years prior to retirement, together with one per cent of such average amount additional for each year of his service at the University of Illinois; the maximum payment, however, not to exceed one-half of such average amount. Provided, however, that no retiring allowance shall be paid in excess of \$6,000 per year to a President of the University, \$4,000 to a dean, and \$3,000 to other members. In case a member of the staff retired under these rules has been on leave of absence on half pay under the University regulations in any one of the five years preceding his retirement, or for part of any one of the five years, the full salary rate for the year of absence shall be taken in computing the average of the cash compensation of the five years on the basis of which the allowance is determined. In the case of a member who has been absent in any one of the five years, or part of any one of said five years, without salary, absence having been with the approval of the Board of Trustees, the salary received for the year preceding the year of absence shall be the amount used for the cash compensation in the year of absence for the purpose of computing the average cash compensation for the five years. . . . .

4. As the additional compensation in death benefits and retiring allowances herein provided is to be paid to secure the stability and permanency of said faculty and staff; therefore, all rights and claims of any member of said faculty and staff in or to death and disability benefits and retiring allowances, are forfeited, and shall cease, with the termination of service of such member for the University, whether such termination is voluntary or otherwise. For the purposes of this scheme of retiring allowances, members of the faculty or staff employed in successive academic years or on other term appointment shall be held to be in continuous employment even though their cash compensation is paid in or for less than twelve months of any academic year.

On motion of Dr. Noble, these amendments were approved and adopted.

Mr. Wham, for the committee to consider the amount of allowance for Professors Barton, Goebel, and Harker, announced that a report would be made at the July meeting.

On motion of Mr. Barr, the recommendation of the President of the University that certain persons be retired on allowance as of September 1, 1926 (see page 635), was adopted.

#### REGULATION OF TUTORING

Mrs. Grigsby, for the Committee on Instruction, announced that the Committee expected to make a report on the proposed regulation on tutoring at the July meeting.

#### MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

#### APPOINTMENT OF MRS. ETHEL C. WATERBURY

(1) A recommendation that Mrs. Ethel C. Waterbury be appointed Social Director of the Woman's Residence Hall during the summer session of 1926 at a compensa-

tion of \$130 for the session, and Chaperone of the Woman's Residence Hall Annex, from September, 1926, to June, 1927, at a compensation of \$400 for the period.

On motion of Mrs. Evans, this recommendation was concurred in.

#### **ELECTRIC WIRING FOR ARMORY**

(2) A statement concerning the bids on the electric wiring for the Armory Addition and the Library Stack room (pages 640, 641):

On Saturday I submitted recommendations from the Supervising Architect concerning the award of contracts for the electrical work in the additions to the Armory and the Library. These contracts were awarded to the Marrs-Tanner Electric Company. The Supervising Architect has sent me a letter today in which he states that by some oversight one of the bids, that of the Hatfield Electric Company of Indianapolis, duly submitted in accordance with the specifications for the submission of bids on this work, was overlooked when the bids were opened in his office on the afternoon of the 12th. This bid is \$6718 for the Library wiring and \$7580 for the Armory, with deduction of 2½ percent if both bids are accepted. Professor White further states that the bid of the Hatfield Company was mailed, according to the post mark, at 8:00 p. m., June 9. He further states that the Hatfield bid was received and recorded in his office on June 10. The certified check for \$430 enclosed in the letter was certified by the Merchants' National Bank of Indianapolis on June 9. He then states, "The bid was mislaid in my office and not opened with the other bids at two o'clock on the afternoon of the 12th. The bids in both cases are over \$1000 lower than the low bid as listed when the other bids were opened." Professor White further says, "I called Mr. Tanner of the Marrs-Tanner Electric Company, on long distance on Saturday evening, as he was present when the bids were opened, and explained the situation to him."

Professor White recommends that the vote of the Board on Saturday awarding the contracts for the electrical work for the additions to the Armory and Library be reconsidered and rescinded and that the award be made to the Hatfield Electric Company as being the lowest bidder. Professor White says that he will inform all the bidders of this incident, so that all may understand it.

The error is regrettable, but the procedure recommended by Professor White seems to me proper and I concur in his recommendation with the proviso that the facts be set forth in the Minutes as I have given them above and that all interested be duly informed.

On motion of Mrs. Evans, the action of June 12 (page 640, paragraph 29) was rescinded.

On motion of Mrs. Ickes, and in view of the fact that the records in the Supervising Architect's office show the receipt of this bid regularly and in due time, the contract for the electrical wiring for the addition to the Armory was awarded to the Hatfield Electric Company, the low bidders.

#### **ELECTRIC WIRING FOR LIBRARY**

On motion of Mrs. Evans, the action of June 12 (page 641, paragraph 32) was rescinded.

On motion of Mr. Armstrong, and in view of the fact that the records in the Supervising Architect's office show that the bid from the Hatfield Electric Company was received regularly and in due time, the contract for the electrical wiring for the Library Stack Room was awarded to the Hatfield Company, the low bidders.

#### **BUDGETARY NEEDS FOR NEXT BIENNIUM**

(3) A request for a hearing of Director A. M. Shelton and the Directors of the State Scientific Surveys, and of the Deans of the colleges and the Directors of the schools of the University with respect to the budgetary needs for the next biennium.

Directors Shelton, Buswell, Forbes, and Leighton presented the need of a building to house the State Water Survey, the State Natural History Survey, and the State Geological Survey.
