

# **MEETING OF THE BOARD OF TRUSTEES**

**OF THE**

# **UNIVERSITY OF ILLINOIS**

---

**June 11, 1932**

The June meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a.m. on Saturday, June 11, 1932.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams. President Chase was present.

## **MINUTES APPROVED**

The Secretary presented the minutes of the meeting of May 11, 1932.

On motion of Dr. Noble, the minutes were approved as printed on pages 589 to 602 above.

**USE OF OLD MEDICAL BUILDING BY GOODWILL INDUSTRIES**

Mr. Armstrong reported, for the Committee on Buildings and Grounds and Dr. Noble, a recommendation that permission be granted to the Goodwill Industries to use the old medical building, without expense to the University, and that the proper officers be authorized to execute a suitable lease, providing that the University shall be able to regain possession of the property at any time after the expiration of two years, on giving due notice; and that any changes in the building must be approved in advance.

On motion of Mr. Trees, this recommendation was adopted.

**MATTERS PRESENTED BY PRESIDENT CHASE**

The Board considered the following matters presented by President Chase.

**PAYMENT TO ARTHUR HALL FOR LEGAL SERVICES**

(1) A letter from the University Counsel concerning the payment to Mr. Arthur Hall, attorney, for his services in connection with the administration of the Carter-Pennell Trust.

May 18, 1932

*President H. W. Chase, 355 Administration*

MY DEAR PRESIDENT CHASE:

I have read the copy of your letter of May 16 to Mr. Morey which you sent to my office. I have also examined the action of the Board on page 571 of its Minutes under date of April 20, 1932. I note that the Board ordered the Hall attorney fees to be paid out of the Reserve and Contingent Fund.

I wonder if I may call your attention to something in this connection, although you do not ask for any suggestions from me on it? I am volunteering these suggestions because it occurs to me that conceivably the matter may some time take on an importance not at this moment obvious.

In the first place, the only reason for employing Mr. Hall was and is that the Carter trust deed specified that Mr. Hall should be retained in connection with the administration of the trust. Nothing has come up in connection with the trust estate which the Legal Counsel for the University could not and should not have handled alone and unaided. It would seem, therefore, from that standpoint alone that his professional fees should be a charge upon this estate or trust and not upon the general or any special funds belonging to the University.

I raise another point which is perhaps more important. The Board of Trustees in administering these various trust funds is really acting in the capacity of a conventional trustee of an ordinary conventional trust. That is to say, it is acting in the capacity of an ordinary natural or corporate person that undertakes to serve as a trustee under a trust deed. In my judgment, therefore, any expenses incurred by the trustee in the performance of its duties are a lawful charge against the trust estate and not against anybody else or any other fund. I therefore suggest that as a matter of law it is exceedingly questionable whether the Board has the right to pay out of its general funds attorney fees in connection with the administration of a trust estate, and this more particularly when the trust deed specifies what counsel shall be employed.

The point I am endeavoring to make is that these various trust estates which the Board undertakes to administer should be self-sustaining, and I do not believe that the Board should draw upon public funds in its custody for the purpose of meeting disbursements properly chargeable against a trust estate or trust fund.

Cordially yours,

SVENBJORN JOHNSON  
*Counsel*

On motion of Mr. Trees, the action of April 20, 1932 (Minutes, page 571), on this matter was reconsidered.

On motion of Mr. Trees, the original recommendation of President Chase, that the payment for the services be charged one-half to the Carter-Pennell fund and one-half to the other trust funds of the University, was approved, on the ground that all trust funds of the University were benefited by the results of Mr. Hall's work. This action was taken by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Hopkins, Mr. Williams.

#### **RELEASE OF AGRICULTURAL EXPERIMENT FIELDS**

(2) A report that the agricultural experiment fields at Spring Valley, LaMoille, and Palestine have been released and the deeds conveying these properties back to the donors recorded; and that the cancelation of the lease held by the University on the experimental field at Odin has been accepted by the owner.

This report was received for record.

#### **APPOINTMENT TO PLYM SCHOLARSHIP**

(3) A recommendation from the Plym Committee that Mr. James E. Branch, instructor in the Department of Architecture, and a graduate student in the University, be appointed to the Ninth Plym Foreign Scholarship in Architectural Engineering and Mr. A. O. Myers, a graduate of the Class of 1930, as alternate in case Mr. Branch is unable to accept.

This recommendation was adopted.

#### **APPOINTMENTS TO ALLERTON TRAVELING SCHOLARSHIPS**

(4) A report that Messrs. Thaddeus Glaza and Henry P. Tideman have been appointed to the two Allerton American Traveling Scholarships for the summer of 1932.

This report was received for record.

#### **APPOINTMENT OF EDWARD B. MCGUINN TO BOARD OF EXAMINERS IN ACCOUNTANCY**

(5) A recommendation from the Committee on Accountancy that Mr. Edward B. McGuinn, resident partner of Haskins and Sells of Chicago, be appointed a member of the Board of Examiners in Accountancy for three years beginning July 1, 1932.

On motion of Dr. Noble, this appointment was made.

#### **ADMISSION OF HIGH-SCHOOL GRADUATES WITH SUPERIOR SCHOLARSHIP RECORDS**

(6) The University Senate recommends the adoption of the following special provision for the admission to the University of high-school graduates with superior scholarship records:

The Registrar is authorized to admit, without adhering to the usual subject requirements, graduates of accredited secondary schools whose general scholarship rank is in the upper ten per cent of their graduating class. Such graduates need present only such specific high-school courses as are prerequisite to University courses in the curriculum they desire to enter.

On motion of Mr. Trees, this recommendation was approved.

#### **APPROPRIATION FOR DENTAL BUILDING BONDS**

(7) A report from the Comptroller that an appropriation of \$48,400 should be made from the Reserve and Contingent Fund to retire the bonds outstanding against the College of Dentistry building in Chicago which mature on July 1, 1932. There is no State appropriation against which this item can be charged.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Hopkins, Mr. Williams.

**APPROPRIATION FOR LEGAL SERVICES IN CONNECTION  
WITH ISSUE OF TAX WARRANTS**

(8) A report from the Comptroller that the purchase by the First National Bank of Chicago of \$600,000 of tax anticipation warrants issued by the State of Illinois against the University of Illinois Fund required the approval of the securities by Chapman and Cutler, attorneys. Payment for these services must be made by the State or the University. Inasmuch as the State officers who authorize the issue of warrants cannot legally pay for such services out of State funds, it will be necessary for the University to meet the expense. The amount involved is \$400.

I recommend that an appropriation of \$400 be made from the Reserve and Contingent Fund to meet this expense and that the Comptroller be authorized to make this payment to Chapman and Cutler.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emerson, Mrs. Hopkins, Mr. Williams.

**PROPOSAL CONCERNING THE BOND OF H. S. CAPRON,  
FORMER TREASURER**

(9) A proposal from the Principal and Sureties on the bond of Hazen S. Capron, former Treasurer of the Board of Trustees.

Judge Johnson made a statement concerning this matter.

Mr. Trees offered the following resolution and moved its adoption:

*WHEREAS*, the following, being the Principal and the Sureties on the bond of Hazen S. Capron as Treasurer of the Board of Trustees of the University of Illinois, which bond was delivered to the Board of Trustees and approved by it on April 8, 1931, namely, Hazen S. Capron, Principal, and N. M. Harris, B. B. Harris, Julia Harris Dodds, and Barbara H. Dobbins, Sureties, have made the following proposal to-wit:

"To the Board of Trustees of the University of Illinois:

"We are very much interested in the movement, which already has made substantial progress, to re-open the First National Bank. As is well known, the bank cannot re-open without the co-operation of its depositors. An audit of the Treasurer's account carried for the University of Illinois in the First National Bank of Champaign shows a balance due on said account of \$92,571.18, after crediting thereon the amount reported as the proceeds of the sale of the collateral securities which were furnished by the bank for the purpose of securing this account. We, the undersigned, being the principal and sureties on the bond of the Treasurer of the University, executed by us on February 28, 1931, and approved by you on April 8, 1931, propose the following:

"That you defer action to recover on the aforementioned bond the amount due thereunder until such time, not to exceed three years from date, as a fair opportunity shall have been had to realize the maximum reasonably possible on the balance of the assets of the First National Bank which, under the plan of reorganization, will be held in trust and will, after the loan to the Reconstruction Finance Corporation has been paid, be available to pay a dividend on 40% of the deposits of the general depositors, including that of Hazen S. Capron as your Treasurer, as outlined in the attached Creditors' Agreement. All depositors are being requested to sign this Creditors' Agreement and hundreds have already done so.

"It is understood and agreed by us that if you assent to this proposal, and authorize the signing of the Creditors' Agreement aforesaid, the Treasurer's bond, and our liability thereunder, will continue in full force and effect, and that our obligations thereunder will remain in full force wholly unaffected by this grant of extension of time to your Treasurer and to us to account fully for all moneys received by him as such official; it being understood that any dividends received by you from the assets of the First National Bank of Champaign, held in trust pursuant to the Creditors' Agreement aforesaid, shall be applied in reduction of our liability on said bond."

*AND WHEREAS*, the foregoing proposal was delivered to the Board of Trustees on June 9, 1932:

*NOW, THEREFORE, BE IT RESOLVED* by the Board of Trustees of the University of Illinois that the Board will interpose no objection to the execution of the Creditors' Agreement, referred to in the foregoing proposal, by Hazen S. Capron, and/or such person or persons as may be required, and the Board, without prejudice to its legal rights as against any and all persons under the Treasurer's bond, except as herein expressly waived, agrees that Hazen S. Capron, and/or the President and Secretary of the Board of Trustees of the University of Illinois, if the signature of the latter be required in order to expedite the reorganization, be, and they are hereby, authorized to execute the Creditors' Agreement, but only and solely in order that it be possible to proceed with the plan for the reorganization of the First National Bank and the re-opening of the same.

*BE IT FURTHER RESOLVED* that this assent and authorization are made upon the further condition and with the further understanding that the action of the Board in assenting to this proposal and in authorizing the signing of the Creditors' Agreement aforesaid, does not in any manner affect the rights of the Board to proceed against the Principal and the Sureties on the Treasurer's bond and to enforce any and all its rights on account of any failure on the Treasurer's part in the performance of his duties and until he has fully accounted as such Treasurer, otherwise than to postpone proceedings under said bond in order to enable the receiver in charge of the First National Bank of Champaign, or any and all persons duly authorized thereto, to realize as much as possible on the assets trusted in accordance with the plan of reorganization, and to apply the amount so realized in reduction of the amount due from said First National Bank to Hazen S. Capron as Treasurer of the Board of Trustees of the University of Illinois; and it is further understood that the obligation of the Sureties and of the Principal to pay whatever balance remains unpaid after the proceeds, if any, of the assets of the suspended Bank, received by the receiver or the private trustees for this purpose, pursuant to the Creditors' Agreement and the plan of reorganization, have been received by the Board of Trustees of the University of Illinois and applied in reduction of the amount found to be due from Hazen S. Capron as Treasurer of the Board of Trustees of the University of Illinois, will continue in full force against the Principal and his Sureties aforesaid.

*BE IT FURTHER RESOLVED* that this assent and authorization shall not become effective until the Principal and the Sureties above named have, in writing, indicated their agreement with and concurrence in the stipulations and conditions of this resolution, and filed the same with the Secretary of the Board.

The resolution given above was adopted by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Hopkins, Mr. Williams.

#### REPORT ON STATUS OF PETTY CASH FUNDS IN FIRST NATIONAL BANK OF CHAMPAIGN

(10) When the First National Bank of Champaign closed on January 16, 1932, there was a balance in the Bursar's and others' petty cash fund, carried on the books of the bank as "The Business Office, University of Illinois Petty Cash Fund," of \$14,545.01; and in the petty cash fund of the Dairy Department for use in the operation of the Creamery, carried on the books of the bank as "The University of Illinois Creamery Fund," a balance of \$1,027.15. These moneys were on deposit under the rules of the Board authorizing the Treasurer and the Comptroller to select depositories for petty cash funds. The selection of this bank was made by Mr. Hazen S. Capron, former Treasurer, and Mr. Lloyd Morey, Comptroller, in accordance with that rule. These deposits are not a part of the general funds of the University for which Mr. Capron as Treasurer was responsible.

If the bank is not reorganized the University will be obliged to wait for dividends on these deposits at such times and to such extent as such dividends are possible out of the liquidation of the assets of the bank. It is proposed to reorganize the bank whereby sixty per cent of all deposits will become available at once and the remaining forty per cent will be paid from time to time as additional assets of the bank are converted into cash. The Comptroller and University Counsel believe that nothing will be lost to the University and considerable will be gained if the bank is reorganized. This can be accomplished only by the cooperation of depositors, particularly those having large balances, and they recommend that the Board of Trustees consent to and authorize its officers to execute a creditors' agreement with the First National Bank of Champaign under the provisions of which forty per cent of the University of Illinois petty cash funds will be allowed to remain in trust to be paid out from time to time as certain assets of that bank are realized upon under its proposed reorganization.

Mr. Barr offered the following resolution and moved its adoption:

*WHEREAS*, a plan has been formulated for the re-opening and reorganization of the First National Bank of Champaign, which suspended banking operations on January 16, 1932, which plan contemplates that depositors shall receive for immediate use 60% of their deposits and that 40% thereof shall be evidenced by participation certificates, to be issued by the liquidating trustees named in the Creditors' Agreement, such certificates to be retired in whole or in part, out of the proceeds of certain assets of the suspended bank which are to be held and liquidated by the trustees for the benefit of all depositors; and

*WHEREAS*, the University of Illinois had on deposit in said Bank, exclusive of the amount deposited therein in the account of the Treasurer of the University of Illinois, the sum of \$14,545.01 and carried on the books of the Bank in the name of "Business Office, U. of I. Petty Cash," and \$1,027.15, carried on the books of the Bank in the name of "U. of I. Creamery;" and

*WHEREAS*, it is the desire of the Board of Trustees of the University of Illinois, in common with other depositors, to cooperate in the effort to re-open the Bank; and

*WHEREAS*, it appears probable that fully as much will be realized on the claim of the University of Illinois as a general depositor in said Bank, if the plan of reorganization succeeds, as would be the case in the course of ordinary liquidation;

*NOW, THEREFORE, BE IT RESOLVED* that Edward E. Barrett, President, and Harrison E. Cunningham, Secretary, in the name and in behalf of the Board of Trustees of the University of Illinois, be, and they are hereby, authorized to execute the Creditors' Agreement which all depositors are asked to execute in consummation of the plan of reorganization, and to do whatever may be needful to protect the rights and interests of the Board of Trustees of the University of Illinois as a depositor, in the suspended Bank, and to cooperate, consistently with such protection, with those who are endeavoring to re-open or reorganize the Bank.

The resolution given above was adopted by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Hopkins, Mr. Williams.

#### **REQUIREMENTS FOR GRADUATION IN COLLEGE OF ENGINEERING AND SCHOOL OF JOURNALISM**

(11) The University Senate recommends that, effective September 1, 1932, the total number of semester hours required for graduation in Engineering and Journalism be as follows:

College of Engineering, 136 semester hours and the prescribed courses in Military and Physical Education.

School of Journalism, 120 semester hours and the prescribed courses in Military and Physical Education.

On motion of Mr. Armstrong, these requirements were adopted.

**CHANGE IN CURRICULUM OF COLLEGE OF DENTISTRY**

(12) A recommendation from the University Senate that the course in Technical Drawing (80 clock hours) in the curriculum in Dentistry be discontinued.

On motion of Dr. Noble, this recommendation was adopted.

**REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF DENTISTRY**

(13) A report that the College of Dentistry has been authorized to defer until October, 1933, the new requirements for admission to that division which were to go into effect in October, 1932.

On motion of Mrs. Grigsby, this report was received for record.

At this point, Mr. Williams took his place with the Board.

**INSTRUCTION IN HYGIENE**

(14) The University Senate recommends:

1. That there be offered a general two-hour one-semester course in hygiene and that it be given in each semester.

2. That this proposed two-hour course in hygiene for one semester be required of all freshman students except those who are able to pass a proficiency examination.

On motion of Mr. Barr, these recommendations were adopted.

**SCHOOL OF PHYSICAL EDUCATION**

(15) The University Senate recommends the establishment of a School of Physical Education with the following departments (with heads or chairmen) and functions:

1. Department of Physical Education for Men
  - Professional Curriculum in Physical Education
  - Required Physical Education
  - Faculty Recreation
  - Intramural Athletics
  - Intercollegiate Athletics
2. Department of Physical Education for Women
  - Professional Curriculum in Physical Education
  - Required Physical Education
  - Faculty Recreation
  - Intramural Sports
3. Department of Health Service
  - Health Education
  - Health Examination and Advice
  - Campus Sanitation

Requirements for admission and graduation:

1. The requirements for admission to the School of Physical Education shall be the same as the general requirements for admission to the University.
2. A total of 126 semester hours and the prescribed courses in Military shall be required for graduation.
3. The degree of Bachelor of Science in Physical Education shall be awarded students who successfully complete the curricula of the School.

On motion of Dr. Noble, these recommendations were adopted.

**FEES TO BE CHARGED MEMBERS OF THE UNIVERSITY  
STAFF AND THE STAFFS OF ALLIED SURVEYS,  
LABORATORIES, AND HOSPITALS**

(16) A recommendation that the following regulations governing the payment of fees for undergraduate, professional, and graduate work by members of the University staff and of the staffs of allied surveys, laboratories, and hospitals be adopted:

All persons on University appointment or on appointment in allied surveys and laboratories in Urbana and the research and educational hospitals in Chicago eligible for admission to University work, may be permitted to attend University classes for credit, on condition that they register and pay either the

regular incidental fees in the college in which they are registered, or, at their election, fees assessed as follows:

(a) For undergraduate and professional work in the colleges and schools at Urbana, \$2.50 a credit hour;

(b) For undergraduate work in the Colleges of Medicine, Dentistry, and Pharmacy, such a proportion of the regular tuition fees as the work taken in any year of the curriculum bears to the total clock hours required for that year;

(c) For graduate work at Urbana or Chicago at the rate of \$10 a unit. Provided, however, that persons on scholarship or fellowship appointment in the Graduate School shall be exempted from the payment of such fees.

All persons shall pay the matriculation fee and the usual laboratory fees in courses in which there are such fees.

The operation of the foregoing rules shall become effective for all persons who fall within their scope in September, 1932, with the exception that for the persons falling within the classification which is now exempt from the payment of fees in the Graduate School (other than persons on scholarship or fellowship appointment) they shall become effective in September, 1933.

The committee recommends further that the foregoing statements shall supersede all previous rules on this subject and particularly the following:

"Any person in the regular employ of the University who is able to meet the entrance requirements or is old enough to register as an unclassified student, may be permitted to attend University classes for credit, provided he registers and pays a fee of \$7.50 for each study each semester."

"No tuition or incidental fee is charged for graduate courses to scholars, fellows, or members of the corps of instruction or the staffs of the University libraries or of the scientific bureaus or experiment stations, who are appointed by the Board of Trustees, nor for undergraduate courses on their study-lists if approved by the heads of the departments and by the Dean of the School as necessary or desirable for the proper completion of the work for the degree. Otherwise graduate students who take undergraduate courses must pay the proper undergraduate fee."

On motion of Mr. Williams, these regulations were adopted.

#### **FEES TO BE CHARGED TEACHERS OF THE PUBLIC SCHOOLS SYSTEMS THAT RENDER SERVICE TO THE COLLEGE OF EDUCATION**

(17) A recommendation that the following provision governing fees for University work to be charged teachers in public school systems of the State which render service to the College of Education be adopted:

Superintendents, principals, and teachers, employed in public school systems of this State which have entered into agreements with the University to render special services to the College of Education, when admitted to instruction in the University during the terms of such agreements, shall pay fees computed on the basis established for persons on University appointment.

On motion of Mr. Barr, this recommendation was adopted.

#### **ASSIGNMENT OF PATENT COVERING IMPROVEMENTS IN INSECTICIDES AND FUNGICIDES**

(18) A report of the assignment of patent covering certain improvements in insecticides and fungicides by Mr. Wesley P. Flint to the Board of Trustees of the University. (This assignment is registered in the United States Patent Office, Liber R 152, page 612. The serial number of application is 527,357.)

This report was received for record.

#### **APPROVAL OF VARIOUS PURCHASES**

(19) A report of the approval of the following purchases, amounting to \$1,000 or over, since the last report was made to the Board:

1. Uniforms for advanced R.O.T.C. students for the academic year 1932-33 from DeMoulin Bros. and Company, Greenville.

2. Laboratory glassware, burners, and similar equipment for use during the year 1932-33 from the following firms:

E. H. Sargent and Company.....	\$1 503 37
Central Scientific Company.....	134 02
Chicago Apparatus Company.....	78 10
Owens Illinois Glass Company.....	46 10
W. M. Welch Scientific Company.....	132 80
Rascher and Betzold.....	617 80
A. Daigger and Company.....	217 80
Anaconda Wire Company.....	14 75
Wilkens Anderson Company.....	163 97
Schaar and Company.....	1 542 83
Goodrich Rubber Company.....	110 22

on the basis of quotations secured from all concerns interested in supplying such equipment. The orders were placed on the basis of the lowest price in each case, quality and suitability of material considered.

3. Test rails for the Department of Theoretical and Applied Mechanics from the Colorado Fuel and Iron Company and the Inland Steel Company in accordance with the plan for the cooperative investigation of test rails. The cost will be charged to the special fund for this investigation.

This report was received for record.

#### CLASS OF 1907 LOAN FUND

(20) On December 15, 1931 (Minutes, page 494), the Board authorized the Comptroller to accept subscriptions to a student loan fund which the Class of 1907 planned to raise for presentation to the University at its twenty-fifth reunion in June, 1932, and to hold such funds subject to further action by this class. The formal offer of this fund will be made by the class today, and I recommend its acceptance. Subscriptions to the fund total about \$4,500, of which slightly over \$3,000 in cash has been received.

One of the contributions to this fund is a hundred dollar five per cent debenture bond of the Associated Gas and Electric Company, due October 1, 1968, received from Mr. R. L. Baker with the suggestion that it be held until it may be sold at an advantageous price. The bond is registered and has been transferred to the Comptroller who requests authority to accept it for the purpose indicated and to have it transferred to the Board of Trustees.

This fund was accepted and the Comptroller was given authority as requested.

#### PORTRAIT OF DEAN EMERITUS EUGENE DAVENPORT

(21) A recommendation that a portrait of Dean Emeritus Eugene Davenport which will be formally presented to the University at its unveiling this afternoon be accepted. This portrait is by Mr. Sidney E. Dickinson, N.A., of New York, and has been made possible by subscriptions of alumni, present and former members of the College of Agriculture, colleagues in other institutions, personal friends and associates, and various citizens of Illinois.

This portrait was accepted as recommended.

#### GIFTS TO THE UNIVERSITY

(22) The following report of gifts received by the University since the last report:

From Dr. Fred C. Zapffe, of Chicago, a gift of 171 volumes of medical books and a collection of surgical instruments to the College of Medicine.

From the Pan-American Union in Washington a collection of 62 volumes, 382 unbound volumes, and 384 pamphlets in the general field of Latin American literature, history, and affairs.

From Eli Lilly and Company the sum of \$1,000 for research work in physiological chemistry at the College of Medicine.

From the American Bridge Company, \$204, and the Universal Atlas Cement Company, \$238.48, for the cooperative investigation of reinforced concrete arches.

From Mrs. Pearl Silberman, of 6940 Crandon Avenue, Chicago, a large piece of Dresden china for the Museum of European Culture, in memory of her

daughter Cyrille Silberman, of the Class of 1931, who died on September 15, 1931.

From the Electrical Engineering Show of 1932 an addition of \$600 to the Electrical Engineering Loan Fund.

From the graduating class of 1932 in the School of Pharmacy \$53.85 as a contribution to the Ebert Loan Fund.

This report was received for record.

#### LEAVE OF ABSENCE FOR DR. JAMES R. BLAYNEY

(23) A report that Dr. James R. Blayney, Professor of Pathology and Therapeutics in the College of Dentistry, has been given leave of absence on account of his health from June 15 to September 15 with pay.

On motion of Dr. Noble, this action was approved.

#### LEAVE OF ABSENCE FOR PROFESSOR A. S. COLBY

(24) A request from Dr. A. S. Colby, Professor of Pomology in the College of Agriculture, that he be given a leave of absence on half pay from September 1, 1932, to February 1, 1933. This request is endorsed by the Head of the Department and the Dean of the College and will involve no additional expense to the University. I recommend approval.

On motion of Mr. Armstrong, this leave was granted.

#### DATE OF JULY MEETING

On motion of Mr. Barr, it was voted to hold the July meeting at 10 o'clock a.m. on Wednesday, July 13, 1932, at the Blackstone Hotel, in Chicago.
