

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 20, 1933

The December meeting of the Board of Trustees of the University of Illinois was held at the College of Medicine, in Chicago, at 10 o'clock a.m. on Wednesday, December 20, 1933.

The following members were present: Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees.

Acting President Daniels was present; also, during part of the day, Judge Johnson, University Counsel.

In the absence of President Barrett, Mr. Karraker was elected Chairman.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 10, 1933.

On motion of Mr. Armstrong, the minutes were approved as printed on pages 409 to 416 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

DEGREE OF BACHELOR OF SCIENCE IN PUBLIC SCHOOL MUSIC

(1) A recommendation from the University Senate that the title of the degree in public school music be changed from Bachelor of Science in Public School Music Education to Bachelor of Science in Public School Music.

On motion of Mrs. Hopkins, this recommendation was adopted.

SPECIAL SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

(2) A recommendation from the University Senate that the special scholarship requirement for non-Illinois students, adopted by the Board of Trustees on February 8, 1922 (Minutes, page 153), be discontinued.

The Acting President was requested to present further information on this matter at the next meeting of the Board.

PURCHASE OF KYMOGRAPHS

(3) A recommendation that an appropriation of \$500 be made from the Reserve and Contingent Fund for the purchase of Kymographs for the Department of Physiology.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Mr. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

BIOGRAPHY OF PRESIDENT ANDREW SLOAN DRAPER

(4) Some years ago President Kinley suggested to Mr. Harlan H. Horner, Assistant Commissioner of Education of the State of New York, that he write a biography of former President Andrew Sloan Draper. On February 13, 1920 (Minutes, page 135), the Board approved the general policy of publishing biographies of former presidents of the University. Mr. Horner was on the staff of the University during President Draper's administration and served as his secretary for many years, both here and after he became Commissioner of Education of the State of New York. Mr. Horner has been working on this biography during his free time and recently spent a week at the University going through letter files and other documents of the Draper administration. He expects to finish the manuscript by January 1, 1934.

The Director of the University Press estimates that the manuscript will make a book of about three hundred pages and it will cost approximately \$1,800 to print and distribute an edition of one thousand copies. Any receipts from the sale of this book will accrue to the general fund.

I recommend that publication of this biography be authorized and that an appropriation of \$1,800, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this publication was authorized, the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Mr. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

APPROPRIATION FOR LIBRARY

(5) A recommendation that an appropriation of \$5,000 be made from the Reserve and Contingent Fund to the University Library—\$2,800 for the General Library and \$2,200 for the College of Medicine Library—to meet an emergency situation. Many of the important periodicals which the University subscribes for regularly, and which the faculty find necessary to keep up in their scientific and scholarly work, are foreign publications. The fall in value of the United States dollar in terms of foreign exchange has increased the cost to the Library of many of these publications. Some of them have been dropped in an effort to keep within the budget, but unless additional funds are available it will be necessary to resort to further cancellations of subscriptions to foreign periodicals, particularly in the field of medicine, which the Library cannot afford to lose from the standpoint of its usefulness to scientific research and productive scholarship. This is an item which cannot be deferred in the interests of economy because it is always much more expensive, and sometimes very difficult, to secure back numbers of journals to complete sets than it is to keep up subscriptions.

On motion of Mr. Blair, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Br. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

DEATH BENEFIT—PROFESSOR N. A. WESTON

(6) A report of the death on November 29, 1933, of Dr. N. A. Weston, Professor of Economics, who has served on the faculty since September 1, 1893. The Comptroller has paid his designated beneficiary the sum of \$2,780, which was the death benefit payable under the rules of the Board and the terms of his employment.

On motion of Mr. Barr, this action was approved.

ASSIGNMENT OF DR. DAVID KINLEY TO ACADEMIC DUTY

(7) A report that Dr. David Kinley, President and Professor of Economics, *Emeritus*, has been asked to return to active duty to the extent of conducting the graduate courses in economics formerly taught by the late Professor N. A. Weston, until the department can make other provision for such work. This arrangement was made in accordance with the rules of the Board which provide for the recall of retired members of the staff to active service, and I request confirmation of my action.

On motion of Mr. Armstrong, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR WALTER L. ROOSA

(8) A recommendation from the Dean of the College of Fine and Applied Arts and the Director of the School of Music that Assistant Professor Walter L. Roosa of the School of Music be given sabbatical leave of absence on one-half pay, under the rules, for one year beginning September 1, 1934. This will involve no additional expense to the University as his work will be carried on at a cost not to exceed the other one-half of his salary.

I concur in this recommendation.

On motion of Mrs. Hopkins, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR ALBERT BACHEM

(9) A recommendation from the Dean of the College of Medicine, that Dr. Albert Bachem, Professor of Bio-Physics, be given sabbatical leave of absence on one-half pay for six months beginning February 1, 1934. This will involve no additional expense to the University, as the department will arrange to

carry on his work during the second half of the year by using the other half of his salary during that period.

I recommend approval.

On motion of Mrs. Freeman, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR RUTH A. WARDALL

(10) A report that Professor Ruth A. Wardall, Head of the Department of Home Economics, has been given sick leave of absence with pay from November 27 until classes are resumed on January 3. In the meantime members of the department are looking after her work.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR H. C. M. CASE

(11) On October 13, 1933 (Minutes, page 396), a report was made that Professor H. C. M. Case of the Department of Farm Organization and Management was given approximately four months leave of absence without pay so that he might perform certain services for the Federal Farm Credit Administration. He has requested to have this leave extend to September 1, 1934, without pay, in order that he may continue. Arrangements can be made to carry on his teaching work and part of his research work in his absence by employing temporary assistance. This will involve no expense to the University since he will be on leave without pay.

I recommend that this leave be granted.

On motion of Mr. Barr, this extension of leave was granted.

BEQUEST OF WILLIAM ROGERSON BRADLEY

(12) A request from Mrs. Helen Byers Bradley, executrix of the will of William R. Bradley, who has bequeathed the sum of \$5,000 to the University of Illinois Bands, for permission to defer the payment of the bequest, which will be due December 24, 1933, for a period not to exceed six months. To make the payment at this time would require liquidating a number of investments at a considerable loss to the estate, and she is hoping that within a few months it will be possible to dispose of them without a great loss.

On motion of Mr. Blair, this extension was granted.

URBANA-CHAMPAIGN SANITARY DISTRICT SEWER

(13) A report that the Urbana-Champaign Sanitary District was given permission to lay a ten-inch sanitary sewer on the University grounds bordering the east side of Wright street from Green Street to the main sewer north of the Boneyard. This sewer is an auxiliary to the sanitary sewer already on the campus, the laying of which was authorized by the Board of Trustees in 1924.

This report was received for record.

WHEAT ALLOTMENT CONTRACT WITH UNITED STATES DEPARTMENT OF AGRICULTURE

(14) A report that the University has entered into a wheat allotment contract with the United States Department of Agriculture covering land near Benton, Illinois, known as the Martin Farm and acquired by the University through foreclosure of a mortgage on that farm held as an investment.

This will involve a reduction of acreage, but an allowance will be received from the Government to offset in part or in full the reduced income. The contract covers the crop years of 1934 and 1935.

On motion of Mr. Barr, this action was confirmed.

AGREEMENT WITH J. C. VANCE FOR STRAWBERRY EXPERIMENTS

(15) A report of the approval of an agreement between the Agricultural Experiment Station and Mr. J. C. Vance, of Vermilion, Illinois, for the utilization

of land on his farm and his services to carry on strawberry experiments under the direction of the Department of Horticulture for a period of two years beginning January 1, 1934, at a cost not to exceed \$250 a year.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

REPORT OF PURCHASES

(17) The following report of purchases authorized by the President since the last report:

From the H. C. Stone Lumber Company, of Peoria, Illinois, one car of yellow pine lumber for the physical plant stock at a cost of \$1,151.51, on the basis of competitive quotations. This company quoted the lowest price for the quality of lumber desired.

This report was received for record.

HERMAN ELICH PRIZE IN CHEMISTRY

(18) A report that Mr. Leo L. Mrazek, of the Class of 1897 of the College of Pharmacy, has withdrawn his offer of an annual prize of \$25 to the senior student who attained the highest average in chemistry, which he has been giving for a number of years; and that Mr. Herman Elich, of the Class of 1896 of the College of Pharmacy, has volunteered to offer it in his place.

This report was received for record.

GIFTS TO THE UNIVERSITY

(19) The following report of gifts received by the University since the last report:

Chicago Bridge and Iron Works, Hollup Corporation, and the Illinois Steel Company, jointly, approximately \$500 in cash and test specimens having a value of approximately \$1,000, for a preliminary study of welded joints for steel frames in large buildings, the fund to be known as the "Trust Fund for the Investigation of Welded Joints." The investigation is being planned in cooperation with the members of the Research Committee of the American Welding Society.

Utilities Research Commission, Inc., \$1,000 received on November 23, 1933, and \$500 received on June 15, 1933, a total of \$1,500, to be used for the investigation of stack gases; these payments are contributions in excess of the stipulations of the original agreement.

Mr. Robert Allerton of Monticello, \$800 for the continuation of the American Traveling Scholarships in Architecture during the current year.

American Society for Testing Materials, \$250 for the continuation of the investigation of cast iron pipe.

Woman's Athletic Association, \$200 for the Woman's Athletic Association Loan Fund. (Original gift accepted by the Board of Trustees on September 28, 1932, Minutes, page 104).

(Some of these items have been reported to the Board previously, but the above is a complete list of the equipment donated by this Company from time to time.)

This report was received for record.

CIVIL WORKS ADMINISTRATION PROJECTS

(20) A statement concerning the possibility of cooperation with the Civil Works Administration by providing projects for work on the grounds of the University.

Mr. E. L. Stouffer, Assistant Supervising Architect, made a statement concerning the work which could be done.

On motion of Mr. Trees, the Board approved as a general policy, that the President of the University should cooperate with the Civil Works Administration in carrying out their program, as far as possible, keeping in mind the desirability of providing employment for needy students.

SERVICE CHARGE ON DEFERRED FEES

(21) A recommendation from the Comptroller that there be authorized a service charge of ten per cent of the amount of all fees assessed and not paid at the time of registration, the maximum charge in any case not to exceed five dollars a semester, and the fee so paid not to be subject to refund.

On motion of Mr. Trees, this charge was authorized on condition that the service charge be refunded in case the total amount of fees assessed is paid within ten days of the time of registration and that no University officer shall have authority to waive the assessment of the service charge.

USE OF UNIVERSITY PREMISES AND FACILITIES

(22) A recommendation that the following regulations be adopted by the Board of Trustees to govern the use of University premises and facilities:

Subject to the approval of the proper University authorities, University premises and facilities may be used:

A. For meetings of student and faculty organizations recognized by the University—

1. In no case may an admission fee be charged for any meeting on University premises except by special permission of the office designated by the Board of Trustees as general custodian of buildings; said permission will be given only:
 - (a) To student organizations when the proceeds from such gatherings go into the treasury of the organization concerned, the funds of which are expended according to University rules under the supervision and with the approval of the proper University authorities;
 - (b) To other student organizations when the fee to be charged is for the sole purpose of paying the expenses of said meetings.
2. When an admission fee is collected for a meeting held on University premises, the University will charge a Physical Plant rental fee in accordance with the following schedule:

Architecture Building	\$15
Auditorium	15 ¹
Gymnasium, New:	
Concerts, dances until 12 p.m.	30

For the use of all other buildings the fee shall be determined by the general custodian of buildings and based upon the expense to the University.	

B. For meetings of non-sectarian organizations whose activities are of an educational nature or of professional interest to the members of the staff or

¹Includes one dress rehearsal; an additional charge of \$1.50 each will be made for all other rehearsals.

the general student body; and for non-sectarian meetings of a non-local character of public or educational significance—

1. A University room shall not be granted to individuals or organizations for any purpose which, although in accord with the general purposes of the University, is of such a character or occurs at such a time or in such circumstances that it is likely to interfere with the work, either specific or general, of the University or any department of the University.
 2. Reservations from outside organizations will not be approved until all major University events have been scheduled.
 3. In no case may an admission fee be charged except upon permission previously obtained and then only to raise funds to offset expenses of said meeting.
- C. Use of property of non-University organizations by the University must first be approved by the office designated as general custodian of buildings and then only when a fee is paid for such use.
- D. The recreational facilities of the University are reserved for the use of students, members of the staff, and members of the staffs of organizations affiliated with the University or housed in University buildings. Permission for the use of recreational facilities by other individuals may be granted by the officer in charge upon prior authorization by the President on such terms and conditions as the President may prescribe, and subject to the regulations of the Board of Trustees. Permission for the use of University premises or recreational facilities shall not be granted in any case where interference with the use thereof for University purposes may result. Unauthorized use of University premises or facilities will be considered as trespass.

On motion of Mr. Trees, these regulations were adopted.

FEES FOR RECREATIONAL FACILITIES

(23) A report that on recommendation of the Director of the School of Physical Education and in accordance with the authority given the President of the University in such matters by action of the Board on April 20, 1932 (Minutes, page 566), the following fees have been established for the use of University recreational facilities by persons who are not officially connected with the University as students or members of the staff and who have received official permission to use such facilities:

This report was received for record.

PROBLEMS ARISING FROM THE REPEAL OF THE EIGHTEENTH AMENDMENT

(24) In response to request, I have issued the following statement:

December 19, 1933

The University Committee on Student Discipline has expressed the wish that I make a public statement concerning the position of the University with respect to the use of intoxicating liquors by students while in attendance at the University. Neither the adoption nor the repeal of the Eighteenth Amendment made any change in the attitude of the University towards temperance and every type of misconduct growing out of the use of intoxicants. It has never

sanctioned and it does not now sanction the serving of alcoholic beverages in any form at fraternity and sorority houses, student dances, or student social functions. No official action has been taken by the University which would suggest either that there has been, or that there should be, the slightest relaxation of the University's attitude on this point.

On the basis of the philosophy that few things are inherently evil except as we choose to surrender our mastery over them, the University will continue to uphold the ideals of moderation and of self-control. We believe that the evils which may arise from the legality of traffic in alcoholic beverages can be most effectively resisted by the fundamental virtues of self-respect and self-control. Students guilty of disorderly conduct as a result of indulgence in alcoholic beverages must be prepared to accept the consequences, no matter how embarrassing to themselves or painful to their parents who make serious sacrifices to maintain them here. In no other way can the University keep its self-respect, retain the confidence of the people of the state, and preserve the traditional ideals of manhood and womanhood to which the institution has been devoted since its inception.

This report was received for record.

PIPE-JOINT COMPOUND

(25) A statement concerning the negotiations with the Berry Asphalt Company looking to the development of a discovery by Mr. Grant of a non-shrinking bituminous compound for sealing joints in iron pipe.

Judge Johnson outlined the stipulations to be covered in a contract. Mr. Grant made a statement.

On motion of Mr. Armstrong, the University Counsel was authorized to negotiate and draft such a contract and to present it to the Board for approval.

PUBLICATION OF PAPER ON CERAMICS

(26) Dean Willard has requested the approval of the release for publication of a manuscript by Mr. W. R. Morgan presenting the results obtained under a cooperative research agreement with the Clay Products Association.

On motion of Mr. Blair, this publication was authorized.

HOCKENYOS PATENT ABANDONED

Judge Johnson reported that the Patent Office had rejected the claim of Mr. G. Hockenyos for a patent on a discovery of a means of processing dried blood albumen.

On motion of Mr. Armstrong, it was voted to discontinue the effort to obtain a patent on this discovery.

BABBITT PATENT ABANDONED

Judge Johnson reported on the status of the invention by Professor H. E. Babbitt of a method of handling sewage (Minutes, page 413).

On motion of Mr. Barr, it was voted to discontinue the effort to obtain a patent on this discovery.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, reported a recommendation that \$1,545 of trust funds be invested in Southwestern Bell Telephone Company first and refunding 5 per cent bonds due in 1954, at the market (approximately 105).

On motion of Mr. Trees, this purchase was authorized.

KAISER AND GOURDIER INTEREST PAID

Mr. Trees, for the Finance Committee, reported for record that the interest on the Kaiser and Gourdiere mortgages (see page 381) was paid in November.

SHELTON NOTES

Mr. Trees made a statement concerning an offer to settle the Shelton notes, received as a part of the Babcock Trust.

On motion of Mr. Barr, the Finance Committee was authorized to make the best possible settlement for these notes.

RELATION OF UNIVERSITY TO ATHLETIC ASSOCIATION

Mr. Trees, for the special committee appointed to consider the relation of the University to the Athletic Association, made a report of progress.

BUSINESS ORGANIZATION

Mr. Trees, for the special committee on the business organization of the University, made a report of progress.

DATE OF JANUARY MEETING

On motion of Mr. Trees, it was voted to hold the January meeting in Chicago on January 23, 1934.
