

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 30, 1936

The September meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10:30 o'clock a.m. (Eastern Standard Time), on Wednesday, September 30, 1936.

The following members were present: President Karraker, Mr. Barr, Mr. Barrett, Mr. Mayer, Mrs. Plumb, Mr. Williams.

President Willard was present; also Mr. Janata, Professor Morey, Judge Johnson, and Mr. Havens.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 10, 1936; and, for record, of a meeting of the Executive Committee of July 21, 1936.

On motion of Mr. Barrett, the minutes were approved and received for record as printed on pages 1 to 22 above.

MEETINGS OF THE EXECUTIVE COMMITTEE

The Secretary presented for record the minutes of meetings of the Executive Committee held on August 4 and 18, and September 1, 1936.

EXECUTIVE COMMITTEE MEETING, AUGUST 4, 1936

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the office of Edward E. Barrett, Chicago, on the fourth day of August, 1936, at 10 o'clock a.m., for the purpose of passing on bids for equipment for the Mining and Metallurgical Laboratory.

Those present were: O. M. Karraker, Chairman, and Edward E. Barrett. Absent: Dr. Karl A. Meyer.

At the meeting of the Board of Trustees on April 18 (Minutes, pages 626-628), bids were received on the Addition to the Mining and Metallurgical Laboratory.

Due to the fact that the total of the low bids exceeded the amount of funds available, no action was taken on the bids for laboratory equipment. Subsequently the budget for the Addition was revised and the equipment schedule was cut down. The Kewaunee Manufacturing Company, the original low bidder in this work, has agreed to accept the order for the laboratory equipment in accordance with the reduced schedule on the same unit price basis plus \$40 for installation charges, or a total of \$1,705.95. The base bid on the original schedule of equipment was \$8,747.83. Director Havens states that in view of the limited time available, and because he feels that the price quoted by the Kewaunee Manufacturing Company is a very fair offer, he recommends that the contract be awarded to them on their base bid of \$8,747.83 less a contract change order in the amount of \$7,041.88 to reduce their contract to the net amount of \$1,705.95.

On motion of Mr. Karraker, concurred in by Mr. Barrett, the recommendation of the Director of Physical Plant was approved and the contract awarded to the Kewaunee Manufacturing Company at a total price of \$1,705.95.

There being no other business, the Committee adjourned.

O. M. KARRAKER, *Chairman*
EDWARD E. BARRETT

EXECUTIVE COMMITTEE MEETING, AUGUST 18, 1936

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the office of Edward E. Barrett, Chicago, on the eighteenth day of August, 1936.

Those present were: O. M. Karraker, Chairman, and Edward E. Barrett. Absent: Dr. Karl A. Meyer.

Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. E. L. Stouffer, Architect, were also present.

The meeting was called for the purpose of canvassing bids for the Scale House, authorized by the Board of Trustees at their meeting July 10, 1936 (Minutes, page 3); also, to canvass bids for the Physics Laboratory elevator.

The following bids for the Scale House were received:

<i>Bidders</i>	<i>Original Bid</i>	<i>Deduction</i>	<i>Net Bid</i>
George L. Bennett.....	\$11 487	\$3 100	\$ 8 387
T. J. Corkery.....	10 834	2 176	8 658
English Bros.....	10 597	1 600	8 997
John Felmley Co.....	12 700	12 700

On motion of Mr. Barrett, the contract for the Scale House was awarded to George L. Bennett of Champaign.

The following bids for the Physics Laboratory elevator were received:

<i>Bidders</i>	<i>Base Bid</i>	<i>Deduction</i>
Haughton Elevator Co.....	3 800	...
Montgomery Elevator Co.....	3 021	\$162
Otis Elevator Co.....	3 360	605
Warner Elevator Co.....	3 264	...

On motion of Mr. Barrett, the contract for the elevator was awarded to the Otis Elevator Company at their base bid of \$3,360 less \$605 under their alternate bid for introducing an internal gear between the worm gear and rope traction drum.

There being no further business, the meeting adjourned.

O. M. KARRAKER, *Chairman*
EDWARD E. BARRETT

EXECUTIVE COMMITTEE MEETING, SEPTEMBER 1, 1936

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University Club, Chicago, on the first day of September, 1936, for the purpose of considering the acquisition of property in Urbana adjoining one of the cooperative houses for women on Springfield Avenue, which was being offered for sale by the investment company holding the mortgage on the property.

Those present were: O. M. Karraker, Chairman, and Edward E. Barrett. Absent: Dr. Karl A. Meyer.

Mr. Oscar G. Mayer, member of the Board, Mr. Charles S. Havens, Director of the Physical Plant Department, and Mr. H. M. Edwards, Purchasing Agent, were also present.

Inasmuch as the growth of the University requires additional facilities for housing the women students, and inasmuch as the property offered for sale adjoins one of our cooperative houses for women and has a good house on the property suitable for housing purposes, it was deemed advisable to secure an option for its purchase.

Therefore, on motion of Mr. Barrett, which was carried, an option was secured on this property (1206 West Springfield Avenue, Urbana, Illinois) for forty-five (45) days at a purchase price of \$5,500, by payment at this time of \$500 for the option, and an appropriation of \$500 was made from the General Reserve Fund for that purpose, the final purchase to be subject to the approval of the Board of Trustees of the University at the next regular meeting of the Board.

There being no other business, the meeting was adjourned.

O. M. KARRAKER, *Chairman*
EDWARD E. BARRETT

On motion of Mr. Barr, the purchase of the property at 1206 West Springfield Avenue, Urbana, was authorized, and the appropriation of \$5,000 was made from the General Reserve Fund, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Karraker, Mr. Mayer, Mrs. Plumb, Mr. Williams; no, none; absent, Mrs. Freeman, Mr. Horner, Dr. Meyer, Mr. Pogue, Mr. Wieland.

TRIBUTE TO GOVERNOR LEN SMALL

Mr. Barr presented the following resolution, which, on his motion, was unanimously adopted.

The Board of Trustees of the University of Illinois records with profound sorrow the death on May 17, 1936, of the Honorable Len Small, former Governor of Illinois and a former member of the Board.

Governor Small served as a member of the Board of Trustees for ten years, first from 1915 to 1917 when, as President of the State Board of Agriculture, he was by virtue of that office also a member of the Board of Trustees of the University, and later, from 1921 to 1929, when he was Governor of the State.

The Board wishes to record its deep appreciation of the services of its former colleague, to the State as Governor, and to the University as a member of its governing body. He always manifested a deep interest in the University not only in his official capacity but as a private citizen and particularly as one interested in the agriculture of Illinois.

In recording this tribute to Governor Small, the members of the Board of Trustees direct their Secretary to send a copy of this resolution to his family as an expression of their sorrow and sympathy with them in their loss.

TRIBUTE TO OTIS WILLIS HOIT

Mr. Barrett presented the following resolution, which, on his motion, was unanimously adopted.

The members of the Board of Trustees record with deep sorrow the death on August 18, 1936, of a distinguished alumnus of the University of Illinois and a former member of the Board, the Honorable Otis Willis Hoit.

Mr. Hoit served as a member of the Board of Trustees from 1910 to 1923. At various times he served as Chairman of the Finance Committee and the Committee on Agriculture as well as a member of several other committees of the Board. His faithful and efficient work as a member of the Board and his unselfish devotion to the institution are well known to many alumni and other friends of the University. He was also one of the outstanding agricultural leaders of his generation and did much to promote the progress of that industry and the welfare of its people. His long, active life, his deep sense of public responsibility, and his keen interest in problems of public welfare are a precious heritage to his family and an inspiring example to his fellow citizens.

In recording this tribute to a former colleague, the members of the Board of Trustees direct their Secretary to send a copy of this resolution to the family of Mr. Hoit as an expression of the sorrow of the Board and its sympathy with them in their loss.

TRIBUTE TO JAMES ELDER ARMSTRONG

Mrs. Plumb presented the following resolution, which, on her motion, was unanimously adopted.

The members of the Board of Trustees record with profound sorrow the death on September 13, 1936, of a former member and President of the Board of Trustees and a distinguished educator, the Honorable James Elder Armstrong.

Mr. Armstrong, an alumnus of the University of Illinois, served as a member of its faculty, and later, from 1893 to 1899, as a member of the Board of Trustees. He was President of the Board from 1896 to 1897. His entire life was devoted to public education. For thirty-seven years, until his retirement from active service, he was Principal of the Englewood High School of Chicago. As an alumnus, as well as a former member of the Board of Trustees, he was always keenly interested in the development of the University of Illinois. He was indeed one of the distinguished school men of the State and even after his retirement from service he manifested an active interest in the problems of the public schools and gave freely of his advice and counsel.

In recording this tribute to the memory of a distinguished educator and a former colleague, the members of the Board of Trustees direct their Secretary to send a copy of this resolution to the members of the family of Mr. Armstrong as an expression of the sorrow of the Board and the sympathy of its members with them in their loss.

EXTRAMURAL INSTRUCTION

Mr. Barr, for the Committee on General Policy, made a report of progress on the consideration of the matters of extramural instruction, and the relation of the University to the Chicago Medical Park, and asked for more time to present a final report.

This request was granted.

SPACE IN NEW MEDICAL BUILDING

Mr. Barr, for the Committee on General Policy, presented a report of progress on the consideration of the assignment of space in the New Medical Building (see Minutes, June 29, 1936, page 885) and a recommendation that the Board take this matter up at a special session,

to be called as soon as possible, when representatives of all the interests involved may be heard.

On motion of Mr. Barr, this recommendation was adopted.

COURSE IN PUBLIC FINANCE AND TAXATION

President Karraker presented a letter from Colonel Knowlton L. Ames, Jr., Director of the State Department of Finance, on the matter of establishing a general course in public finance and taxation.

On motion of Mr. Barr, the President of the University was requested to express to Colonel Ames the Board's sympathetic appreciation of his interest.

At this point, Dr. Meyer took his place with the Board.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

LEAVE OF ABSENCE FOR DIRECTOR GEORGE HUFF

(1) A recommendation that Director George Huff of the School of Physical Education be given a leave of absence with full pay for one year from September 1, 1936, or until such prior time as he is able to return to active service. Director Huff's health makes it necessary for him to be absent for a time. He has not requested leave on these terms, but this recommendation is being made in view of his many years of service to the University.

The Board of Directors of the Athletic Association has also approved a leave of absence for Director Huff under similar conditions so far as his responsibilities to the Athletic Association are concerned.

On motion of Mr. Barrett, this leave was granted as recommended.

ACTING DIRECTOR OF THE SCHOOL OF PHYSICAL EDUCATION AND ACTING DIRECTOR OF INTERCOLLEGIATE ATHLETICS

(2) A recommendation that the following acting appointments be approved to provide for the work of Director George Huff during his absence from active service:

1. Professor Seward C. Staley of the Department of Physical Education, Acting Director of the School of Physical Education beginning September 1, 1936, and continuing until further notice.

2. Mr. Wendell S. Wilson, Assistant Professor of Physical Education and a member of the coaching staff, Acting Director of Intercollegiate Athletics beginning September 1, 1936, and continuing until further notice. The Board of Directors of the Athletic Association has approved this appointment.

The Board of Directors of the Athletic Association has also voted that the Acting Director of the School of Physical Education and the Acting Director of Intercollegiate Athletics shall serve *ex-officio* as members of the Board during this service.

No changes in the salaries of these men are being proposed at this time.

On motion of Mr. Williams, this recommendation was approved, and the Board of Directors of the Athletic Association was requested to amend the by-laws of the Association to provide for the membership on that Board of both the Director of the School of Physical Education and the Director of Intercollegiate Athletics.¹

LEAVE OF ABSENCE FOR DEAN M. T. MCCLURE

(3) Dean M. T. McClure, of the College of Liberal Arts and Sciences, has requested a leave of absence from October 1, 1936, to January 1, 1937, on account of his health. I recommend that this leave be granted with full pay, provided

¹See action of October 26, 1936, page 79.

that any additional expense to the University due to his absence and to the temporary provision for the administration of the College shall be deducted from his salary.

I recommend further that the Executive Committee of the College of Liberal Arts and Sciences, with Professor A. B. Coble designated as Acting Chairman, be authorized to administer the affairs of the College during Dean McClure's absence.

On motion of Mrs. Plumb, this leave was granted, and the Executive Committee of the College of Liberal Arts and Sciences was authorized to administer its affairs as recommended.

LEAVE OF ABSENCE FOR PROFESSOR GEORGE F. SCHWARTZ

(4) A recommendation from the Dean of the College of Fine and Applied Arts that Professor George F. Schwartz, of the School of Music, be given a leave of absence on account of his health for one year beginning September 1, 1936, on part pay. In redistributing the teaching load of the School of Music to provide for the work of Professor Schwartz during his absence, it will be necessary for the School of Music to appoint an additional assistant at a salary of \$1,350 for the year. Professor Schwartz's salary is \$3,750. Consequently the Dean recommends that Professor Schwartz be given a leave of absence with a salary of \$2,400 for the year. This arrangement will enable the School of Music to carry on his work without additional expense to the University.

On motion of Mr. Barrett, this leave was granted as recommended.

LEAVE OF ABSENCE FOR PROFESSOR CHARLES ZELNY

(5) Professor Charles Zeleny, Head of the Department of Zoology, has been on leave of absence on account of his health since December 10, 1935. During the balance of the first semester of 1935-1936 he was on leave with full pay; from February 1 to August 31, 1936, he was on leave with full pay with a reservation that any additional expense incurred by the Department in providing for his work during his absence would be deducted from his salary.

Dean McClure recommends that his leave of absence be continued under the same conditions until February 1, 1937, and I concur in his recommendation.

On motion of Mr. Barr, this leave was granted as recommended.

LEAVE OF ABSENCE FOR DR. M. S. GOLDMAN

(6) A report that Dr. M. S. Goldman, Assistant Professor of English, has been given a leave of absence without pay for one year beginning September 1, 1936, to enable him to accept an appointment as Visiting Professor at Stephens College, Columbia, Missouri. I request confirmation of this action.

On motion of Mrs. Plumb, the action of the President of the University in granting this leave of absence was confirmed.

LEAVES OF ABSENCE GRANTED MEMBERS OF THE STAFF

(7) A report that leaves of absence have been granted the following members of the staff for the periods and under the conditions indicated in each case:

1. Dr. E. Muriel Poggi, Associate in Geography, the first semester of 1936-1937 (from September 1, 1936, to February 1, 1937), on one-half pay, on account of ill health. Miss Poggi has been a member of the faculty since 1926. An appointment has been made in her place for the first semester which will involve an additional expense of \$312.50 to the University.

2. Dr. A. L. Sawyer, Assistant Professor of Medicine, one year from September 1, 1936, without pay, to enable him to engage in professional study.

3. Mrs. Margaret Milliken, Assistant in the Department of Pathology, Bacteriology, and Public Health, from September 15 to October 1, 1936, without pay, an extension of her regular vacation, on account of the health of her parents.

4. Paul David, employee in the College of Dentistry, three months sick leave with pay from September 24, 1936. Other employees are doing his work so that there is no additional expense to the University.

On motion of Mr. Mayer, this report was received for record and the actions of the President of the University were confirmed.

RESIGNATIONS OF MEMBERS OF THE STAFF

(8) A report of the acceptance of the following resignations of members of the staff of professorial rank:

1. Dr. Maurice B. Visscher, Professor of Physiology and Head of the Department in the Colleges of Medicine and Dentistry, who has accepted a position at the University of Minnesota—resignation effective September 1, 1936.

2. Dr. W. V. Howard, Associate Professor of Geology, who has accepted a position with an engineering firm in Tulsa, Oklahoma—resignation effective September 16, 1936.

3. F. W. Stubbs, Assistant Professor of Civil Engineering, who has accepted a position as Professor and Head of the Department of Civil Engineering at Rhode Island State College—resignation effective September 1, 1936.

This report was received for record.

LECTURES BY PROFESSOR A. H. LYBYER

(9) Professor A. H. Lybyer, of the Department of History, who is on leave of absence during the first semester of 1936-1937, has been invited to give lectures on peace in nine cities from Omaha to Denver between January 10 and 20, 1937, under the auspices of the Emergency Peace Campaign. Since the purposes for which sabbatical leaves are granted do not include such activities, Professor Lybyer has inquired if the University would have any objection to his giving the lectures.

On motion of Mr. Barr, Professor Lybyer was granted permission to give these lectures.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(10) A recommendation from the Committee on Accountancy that Mr. Erwin T. Gilruth of Chicago be appointed the law member of the Board Examiners in Accountancy for three years beginning July 1, 1936, vice Mr. Edwin C. Austin, whose term has expired.

On motion of Mr. Barr, this appointment was made as recommended.

E. A. WALLACE MEMORIAL SCHOLARSHIP

(11) A report that Howard White and Richard Gordon have been appointed beneficiaries of the E. A. Wallace Memorial Scholarship Fund at the University of Illinois for the year 1936-1937 on nomination of the Board of Education of Havana, Illinois, as provided in the terms of the bequest establishing this Scholarship Fund.

This report was received for record.

TUITION FEES IN THE COLLEGE OF DENTISTRY

(12) At the meeting of the Board of Trustees on May 27, 1936 (Minutes, page 658), certain recommendations from the Committee on General Policy relating to tuition fees in the Colleges of Medicine and Dentistry were adopted by the Board. The recommendation of the Committee relating to the tuition fees in the College of Dentistry was not final, since the Committee had asked the Dean to give further consideration to the amount of the basic tuition fee.

Subsequently, the Dean recommended that the basic tuition fee be \$150 a year for residents of Illinois and \$225 a year for non-residents (payable \$75 and \$112.50 respectively each semester), the laboratory fees, which are subject to revision from time to time according to the cost of laboratory materials and other incidental expenses, to be added to the basic fee.

No formal action on the establishment of the basic fee has been taken by the Board, and I therefore recommend the establishment of these fees as recommended.

On motion of Mr. Barr, these fees were authorized as recommended.

LABORATORY FEES IN THE COLLEGE OF DENTISTRY

(13) A recommendation from the Dean of the College of Dentistry, concurred in by the Comptroller and the Provost, that the following schedule of laboratory and infirmary fees in the College of Dentistry be established, effective September 1, 1936, for all new students entering the College of Dentistry in 1936-1937 and subsequent years.

These fees are in addition to the tuition fees of \$150 a year for residents of Illinois, and \$225 a year for non-residents, which have been established for new students effective September 1, 1936. All former students will continue to pay the tuition and laboratory fees previously in effect, namely, a total of \$200 for tuition and laboratory fees for residents of Illinois, and \$300 for non-residents.

Since the College of Dentistry opened prior to this Board meeting, it was necessary to establish these fees in advance of the meeting. In the absence of the President, the Provost of the University authorized these fees, subject to confirmation by the Board of Trustees.

On motion of Mr. Barrett, these fees were authorized as recommended.

**FEES FOR PART-TIME WORK IN THE COLLEGES OF
MEDICINE AND DENTISTRY**

(14) On July 26, 1935 (Minutes, page 371), the Board approved a schedule of fees for part-time students in the Chicago Departments. On May 27, 1936 (Minutes, page 657), the Board revised the basic tuition fees for full-time students in the Colleges of Dentistry and Medicine effective September 1, 1936, and applicable to all new students entering that year and subsequent years. This makes necessary a revision of the schedule of fees for partial programs of work in those two divisions. Accordingly, the Registrar recommends the establishment of the following schedule, effective September 1, 1936, applicable to all new students entering the Colleges of Medicine and Dentistry after that date and registering for partial programs of work:

1. For courses of the first or second year—twenty-five cents per clock hour plus full laboratory fees in the courses for which they are registered.

2. For courses of the third and fourth years—twenty cents per clock hour plus full laboratory fees in courses for which they are registered, and an additional fifteen cents per clock hour for courses involving dispensary or infirmary.

In no case will a part-time student be assessed a larger fee than the regular fees for full-time work.

The schedule of fees for part-time students in the Chicago Departments, approved on July 26, 1935, will apply to all former students who may register for partial programs of work in the future. It will also apply to part-time work in the College of Pharmacy in the cases of both former and new students, since no change has been made in the basic tuition fee of that College.

Since this Board meeting has been held after the opening of the Colleges of Medicine and Dentistry, these fees have already been established, subject to confirmation by the Board of Trustees which is hereby requested.

On motion of Mr. Barrett, these fees were authorized and the action of the President of the University was confirmed.

APPROPRIATION FOR MINOR IMPROVEMENTS

(15) A recommendation that an appropriation of \$5,000 be made from the General Reserve Fund to the Physical Plant Department for minor improvements for 1936-1937. The budget for 1935-1936 included an item of \$12,000 for this purpose but no such provision is made in the budget for the current year.

On motion of Mr. Mayer, this appropriation was made, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

APPROPRIATION FOR RADIO STATION

(16) The Director of the Physical Plant Department has received bids on the construction of the new transmitter house and equipment for the Radio Station. Bids on the erection of the towers were previously received and submitted to the Executive Committee which authorized the award of the contract. The placing of this contract, however, was deferred until bids were received on the remainder of the work. The total cost of the project, including legal fees covering the services of the University's Washington attorney from March 5 to September 5, 1936, and an allowance of \$1,000 for contingencies, will be approximately \$25,000, whereas the appropriation made for this work, based on preliminary estimates made two years ago, was \$20,000.

Consequently, an additional assignment of \$5,000 from the General Reserve Fund will be necessary to complete the work. If the Board desires to make this appropriation it should also act upon the following bids received on the general work, plumbing, heating, and electric wiring:

Other firms which were notified but which did not request drawings included George A. Zirhut, Champaign; J. Ray Gallagher, Urbana; Johnson Bros. Plumbing & Heating Co., Champaign; A. W. Murray Co., Hoopeston; Northwestern Heating & Plumbing Co., Evanston; John P. Shields, Bloomington; and Walsh & Clancy, Champaign.

³Award to Truscon Steel Company, with deductions for alternates 1 and 3, authorized September 26, 1936.

Director Havens presented the schedules of bids and recommended that awards be made to the lowest bidders in each case.

On motion of Mr. Williams, the appropriation was made as recommended, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

On motion of Mr. Williams, contracts were awarded to the lowest bidders as recommended.

OPERATION OF MOTOR VEHICLES BY STUDENTS

(17) The University restricts the use of automobiles and other motor vehicles by undergraduate students in the departments in Urbana and Champaign to cases of demonstrated necessity or special convenience. The Committee on Student Affairs, which administers this regulation, has recommended that certain safety measures applying to the operation of student automobiles be adopted and the Committee has been authorized to put into effect the following program:

1. Inspection of student cars, as a check upon their mechanical condition, by the Illinois State Highway Police. This inspection will be made without cost to the University. Students whose cars are not considered in good mechanical condition will not be permitted to operate them.

2. Physical examinations of applicants for motor vehicle permits by the Health Service Station to determine their physical fitness to operate cars.

I request that the authorization of this program be confirmed.

On motion of Mr. Barr, the action of the President of the University in authorizing these regulations was confirmed.

FINANCING OF STUDENT CENTER BUILDING

(18) The following report from the Directors of the University of Illinois Foundation on a campaign to raise funds for the construction of a Student Center Building:

(a) If a Federal grant of \$450,000 is obtained, the Foundation recommends that a fund-raising agency be employed and that a campaign be made at once to raise \$350,000 by subscription and \$450,000 by the sale of bonds.

(b) If no Federal aid can be obtained, the Foundation recommends that further consideration be given to the time of beginning a campaign for funds.

This report was received for record.

At this point, Mr. Barr withdrew.

ALUMNI EMERGENCY LOAN FUND

(19) On April 20, 1932, the Board accepted the sum of \$4,000 from the Alumni Fund Board to be used as an emergency student loan fund. Interest has been collected on such loans and added to the fund, so that at this date it amounts to approximately \$4,800, consisting of about \$1,000 in cash and \$3,800 in outstanding notes.

When the fund was turned over to the University, it was with the understanding that the sum might be recalled if conditions demanded. In the meantime the Alumni Fund Board has turned its assets over to the University of Illinois Foundation. The Foundation expects to need the money represented by the loan fund in the near future, and has requested that, as rapidly as practicable, it be turned back.

I recommend that the Comptroller be authorized to return to the University of Illinois Foundation the sum now on hand in the Alumni Emergency Loan Fund, and additional sums when collected on outstanding notes of the fund.

On motion of Mr. Barrett, the Comptroller was authorized to return to the University of Illinois Foundation the part of this fund now on hand, and such additional sums that may come in by the payment of existing loans.

EMERGENCY LOAN FUNDS

(20) Officers of the University having to do with student loans report that they are handicapped because of the lack of funds for emergency, short-time loans of small amounts. The withdrawal of the Alumni Emergency Fund will increase the difficulties in this respect. The regular loan funds are used for larger loans repayable after graduation, and requiring time for careful investigation and approval by several officers. At present the demand for such loans is much less than the amount available for lending in the various funds. The provisions of several of the funds are such that the Board could authorize the use of surplus balances for emergency loans.

I recommend that a sum not to exceed \$10,000 be set aside from various loan funds in which the conditions of the gifts so permit, to be used for emergency loans to students to be repaid within the University year in which made, in amounts not in excess of \$50 each, without security, with interest at 4% until maturity and 7% thereafter, such loans to be made by the Comptroller on the approval of the Dean of Men or the Dean of Women.

On motion of Mrs. Plumb, the fund was set up and the Comptroller was authorized to make such loans, subject to the above rules, from existing loan funds that may be available.

APPROPRIATION FOR EQUIPMENT FOR COLLEGE OF EDUCATION

(21) A recommendation that an assignment of \$400 be made from the General Reserve Fund to the College of Education for the purchase of dictating and transcribing equipment.

On motion of Mrs. Plumb, this appropriation was made, by the following vote: Aye, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr.

Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mr. Barr, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

APPROPRIATION FOR UNIVERSITY BAND EQUIPMENT

(22) A recommendation that an assignment of \$1,500 be made from the General Reserve Fund for the purchase of instruments for the University Bands.

On motion of Dr. Meyer, this appropriation was made, by the following vote: Aye, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mr. Barr, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

APPROPRIATION FOR UNIVERSITY HIGH SCHOOL

(23) The University High School has been authorized to collect a fee of \$1.00 a year for clean towel service from pupils registered in Physical Education classes. The income from this fee is to be appropriated to the high school to cover the cost of the towel service, but was not included in the budget for 1936-1937. Accordingly, I recommend that an assignment of \$200 be made from the General Reserve Fund to the University High School for this purpose.

On motion of Mrs. Plumb, this appropriation was made, by the following vote: Aye, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mr. Barr, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

APPROPRIATION TO DEPARTMENT OF AGRONOMY

(24) A recommendation that an appropriation of \$1,825 be made for the following purposes to the Department of Agronomy, from the unappropriated balance in the funds of that Department resulting from receipts in excess of budget estimates in its farming operations during preceding years:

- | | |
|--|------------|
| 1. Publication of bulletin reporting development in the production of hybrid corn..... | \$ 500 00 |
| 2. Installation of equipment in Agronomy Seed House..... | 1 325 24 |
| <i>Total</i> | \$1 825 24 |

On motion of Dr. Meyer, this appropriation was made, by the following vote: Aye, Mr. Barrett, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Williams; no, none; absent, Mr. Barr, Mrs. Freeman, Mr. Horner, Mr. Pogue, Mr. Wieland.

APPROPRIATION FOR SCALE HOUSE

(25) At the meeting of the Board on July 10, 1936 (Minutes, page 3), the construction of a Scale House for the College of Agriculture was authorized at a cost not to exceed \$14,000, with the understanding that the cost would be met from the balance of \$4,200 in the appropriation for Minor Agricultural Buildings, plus \$9,800 from the unappropriated income of the Department of Animal Husbandry.

The Dean of the College of Agriculture has approved the assignment from the unappropriated income of the Department of Animal Husbandry of such an amount as may be necessary, but not to exceed \$10,000, to cover the balance of the cost. Consequently, no assignment from the General Reserve Fund will be needed, as the minutes of the meeting of July 10, 1936, indicate the cost of this building will be covered by the balance of \$4,200 in the Minor Agricultural Buildings Account, plus an assignment of \$9,800 from the unappropriated income of the Department of Animal Husbandry.

This report was received for record.

ADJUSTMENT IN ATHLETIC ASSOCIATION BUDGET

(26) A report that the Board of Directors of the Athletic Association has authorized the purchase of twelve turnstiles for the Stadium at a price of \$79.50

each, f.o.b. Cleveland, Ohio, and that an assignment for this purchase has been made from the reserve fund of the Association.

On motion of Dr. Meyer, this action was confirmed.

REQUESTS OF LABOR UNIONS FOR INCREASES IN WAGE SCALES OF THE UNIVERSITY EMPLOYEES IN BUILDING CRAFTS

(27) The Director of the Physical Plant Department reports that it has recently been necessary to meet certain union wage scales in the Chicago Departments which would involve an annual increase of approximately \$9,360 in the operation of that Department if the maintenance program on the former standard were continued. Since additional funds could not be provided, it has been necessary to operate on a somewhat reduced program in the Chicago Departments. The Director reports that he is facing the same problem in the Urbana Departments. The Building Trades Council of Champaign and Urbana has requested an increase in the wage scales of all affiliated crafts to the standard of the 1930-1932 agreement, effective November 1, 1936. This would involve an increase of approximately twenty-five per cent over the present wage scales of University employees in those crafts. To determine the effect of these increases upon the University budget, the Director has made the following estimates, based upon the 1935-1936 expenditures of his Department:

- | | |
|--|-------------|
| 1. The additional annual cost to the University will be approximately..... | \$32 565 00 |
| 2. The additional annual cost to the Physical Plant Department will be approximately..... | 21 334 00 |
| 3. If in effect only eight months, the additional cost to the University will be approximately..... | 21 710 00 |
| 4. If in effect only eight months, the additional cost to the Physical Plant Department will be approximately..... | 14 222 00 |

It is also necessary to consider the effect of such a change on other employees not members of labor unions. Blanket increases among a limited group will naturally cause dissension among other employees who probably need even more help because their present wage scales are lower. In addition to this contingency increases in the prices of materials and the cost of utilities are reducing the amount of work which can be done by the Physical Plant Department under its existing appropriation.

It has been the policy of the University to pay the prevailing local wages. The Director of the Physical Plant Department recommends that as a matter of policy the University defer action on the notice of the Building Trades Council until some decision has been reached by the Council and the Champaign County Builders League, an association of contractors. Since the University employs more local union men than all of the other contractors, any previous action on the part of the University would definitely affect the decision on the proposal of the unions.

This report was received for record.

PURCHASE OF COAL

Mr. Mayer, for the special committee to consider the purchase of coal (Minutes, October 26, 1935, page 452), reported that as a result of investigations by Professor D. R. Mitchell and members of the staff of the Physical Plant Department and the Purchasing Agent's Office, the specifications for coal to be purchased for the Power Plant have been revised.

On motion of Mr. Mayer, this report was accepted and the special committee was discharged.

EXTENSION OF BOYDEN MORTGAGE

Mr. Mayer presented a recommendation of the Finance Committee that the Board of Trustees authorize a consent to the extension of the

second mortgage of Lois A. and John H. Boyden on 160 acres of land in Champaign County (which is among the securities given to the University as a part of the Babcock Endowment), provided that the makers of the mortgage make some payment before this extension is granted. The mortgage, when received by the University, was for \$6,440.46 and it has been reduced by realization on certain collateral in the amount of \$1,000, leaving a present balance of \$5,440.46. There is also accrued and unpaid interest on this mortgage amounting to \$1,925.52.

The holders of a \$16,000 first mortgage have agreed to an extension of that mortgage for five years, with payments of \$2,000 required during that period, and they are asking the University to agree to the extension of the second mortgage. The alternative would be foreclosure, in which case the value of the second mortgage might disappear.

The Finance Committee recommends that this mortgage be extended, if some payment on the principal be made.

On motion of Mr. Mayer, this recommendation was concurred in.

PURCHASE OF SECURITIES

Mr. Mayer reported that on recommendation of the Finance Committee, and with the approval of the members of the Executive Committee, the Comptroller has purchased the following securities for the investment of University endowment funds which became available for reinvestment as the result of the call of various securities previously owned:

\$5,000 Southwestern Gas & Electric Company 1st mortgage D 4%, due 1960, at 104. Yield 3.75.

\$2,000 Portland General Electric 1st mortgage 5%, due 1950, at 106 $\frac{1}{4}$. Yield 4.4.

\$2,000 Portland General Electric 1st mortgage 5%, due 1950, at 106 $\frac{1}{2}$. Yield 4.37.

The Comptroller reports that there still remains about \$6,000 of uninvested cash in endowment funds and he is endeavoring to conclude further purchases from the list approved by the Finance Committee as soon as possible.

On motion of Mr. Barrett, the purchase of securities was approved as reported.

RENEWAL OF POPE MORTGAGE

Mr. Mayer, for the Finance Committee, presented a report of the renewal for three years from October 1, 1936, of a first mortgage on 400 acres of land near Benton, Illinois, executed by B. W. Pope and others, amounting to \$2,500 with interest at 6 per cent, which matures September 30, 1936. The mortgage is one of the University's endowment investments and when acquired was for \$5,000, since when it has been reduced to \$2,500. It is a high-class loan and has never been delinquent.

This action was taken on the recommendation of the Finance Committee and with the approval of the Executive Committee.

On motion of Mr. Mayer, this action was approved.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed its consideration of matters presented by the President of the University.

ASSIGNMENT OF LAND TO NATURAL HISTORY SURVEY

(28) The Natural History Survey needs land on which to conduct a project in tree pathology. The Dean of the College of Agriculture recommends the temporary assignment, effective at the end of the present crop season, of such part as may be needed, or all, of the 4.77 acres lying east of the Illinois Central Railroad north of St. Mary's Cemetery. This is an irregular area, 257.89 feet wide at the south end, 45.91 feet wide at the north end, and approximately 1,330 feet long.

I recommend that this land be assigned to the Natural History Survey for an indefinite period on condition that the Survey will formally agree in advance that the land will be relinquished whenever it is needed by the University either for the use of the College of Agriculture or for any other division.

On motion of Mr. Barrett, this assignment was made as recommended.

AGREEMENT WITH AMERICAN CYANAMID AND CHEMICAL CORPORATION FOR INDUSTRIAL INVESTIGATION

(29) A request from the Dean of the College of Agriculture for the authorization of an agreement between the University and the Illinois State Natural History Survey Division, as parties of the first part, and the American Cyanamid and Chemical Corporation, party of the second part, for a study of the effect on greenhouse plants of heavy dosages of calcium cyanide for short periods of time, in fumigation for control of mealybug (citri), and thrips, to be conducted by the Agricultural Experiment Station and the Natural History Survey.

The agreement, which has already been executed by the Corporation, is not drawn for any definite period but will become effective when executed by the University, and the Corporation has agreed to provide \$300 to carry on the investigation. The agreement conforms in all respects to other similar agreements and has been approved by the University Counsel.

I recommend approval.

On motion of Mr. Barrett, the execution of this agreement was authorized.

AGREEMENT WITH CONDON BROTHERS SEEDSMEN FOR INTRODUCTION OF IMPROVED VARIETIES OF TOMATOES

(30) A report that the Comptroller and Secretary of the Board were authorized to execute for the University an agreement with the Condon Brothers Seedsmen, of Rockford, Illinois, whereby that company will cooperate with the Agricultural Experiment Station in the growing and distribution of certain prescribed, improved varieties of tomatoes. This is similar to an agreement with the Vaughan's Seed Store, Incorporated, of Chicago, authorized by the Board in April, 1935 (Minutes, page 184).

On motion of Mr. Barrett, the execution of this agreement was approved.

EXTENSION OF AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(31) A report of the extension of the following agreements for cooperative investigations:

1. American Society of Heating and Ventilating Engineers for an investigation of heating and ventilating, extended for one year from August 1, 1936, on the same terms as those previously in effect, with no financial obligations on the part of the Society stipulated.

2. Naval Research Laboratory for a continuation of the fellowship for research work on lead storage batteries in the Department of Chemistry. This was originally authorized by the Board on September 11, 1934 (Minutes, page

24), and renewed on July 26, 1935 (Minutes, page 365). The Naval Research Laboratory proposes to pay the sum of \$1,000 to cover the expense of this research work during the year 1936-1937.

3. The Canton Stamping and Enameling Company, an investigation of vitreous enamels by the Engineering Experiment Station, extended for one year from September 1, 1936, on the same terms as the original contract.

On motion of Mr. Williams, the extension of these agreements was approved.

AGREEMENT FOR BACTERIOLOGICAL INVESTIGATION OF SEMI-ACID CANNED FOODS

(32) On June 29, 1936 (Minutes, page 793), the Board authorized an agreement with the American Canning Company for a cooperative bacteriological investigation of semi-acid canned foods by the Department of Bacteriology for one year beginning September 1, 1936, the company agreeing to contribute \$1,400 to cover the expenses.

The company states that the concern which recent Federal legislation has caused the canning industry makes it desirable to postpone the initiation of the research until later.

On motion of Mr. Williams, the postponement of this agreement was authorized.

INTERPRETATION OF AGREEMENT WITH STATE DEPARTMENT OF PUBLIC WELFARE FOR THE OPERATION OF THE RESEARCH AND EDUCATIONAL HOSPITALS

(33) The agreement between the Board of Trustees of the University and the State Department of Public Welfare (Minutes, April 20, 1932, page 562) relating to the operation of the Research and Educational Hospitals, provides for a standing committee of representatives of the Department and the University to deal with problems of management of the hospitals. At a meeting of this joint committee held in Springfield on September 10, 1936, the following resolution was adopted as an interpretation of the agreement between the Board of Trustees and the Department:

Resolved, that the articles of agreement heretofore drawn up between the Department of Public Welfare and the University of Illinois College of Medicine, under an Act of the General Assembly of Illinois, for the joint administration of the institution known as the Illinois Research and Educational Hospitals, located at 1819 West Polk Street, Chicago, are understood to invest in the Department of Public Welfare the administration of the unit of the Research and Educational Hospitals known as the Illinois Surgical Institute for Crippled Children, created by an Act of the General Assembly in 1911, and that it is understood and agreed by this joint committee of management that the admittance of patients to the Surgical Institute for Crippled Children shall be controlled by the Department of Public Welfare. This resolution has been prepared to comply with regulations of the United States Department of Labor governing the allocation of federal funds to the various states for the extension of work for handicapped children.

This interpretation is submitted to the Board of Trustees for its approval.

On motion of Mr. Barrett, this resolution was adopted with the following reservation:

Whereas, as a condition of receiving Federal aid it is necessary that the control of the Surgical Institute for Crippled Children be in one agency, when such Federal aid is no longer forthcoming, or such condition is waived by the Federal Government, this resolution as an amendment of Article I, Section 2 of the Agreement between the Board of Trustees of the University and the State Department of

Public Welfare, approved on *March 11, 1932* (Minutes, April 20, 1932, page 562), shall be of no force or effect.

PURCHASE OF PROPERTY ON SOUTH GOODWIN AVENUE

(34) On July 10, 1936 (Minutes, page 2), the Board authorized the purchase of the property at 203 South Goodwin Avenue, Urbana, at a price of not to exceed \$6,500, and an assignment of this amount was made from the General Reserve Fund. The Director of the Physical Plant Department reports that this property has been purchased for \$6,000, the University to pay the 1936 taxes which amount to approximately \$100, and the title is now in the University.

This report was received for record and the unused portion of the appropriation was lapsed into the General Reserve Fund.

PAVING PROJECTS IN URBANA

(35) To supplement the report presented at the meeting on July 10, 1936 (Minutes, page 2), the Director of the Physical Plant Department submits the following estimates of the costs of paving projects which are under consideration by the City of Urbana:

	<i>Total Cost</i>	<i>University's Share</i>
Repaving Nevada from Lincoln to Mathews Avenue.	\$25 000 00	\$ 5 000 00
Repaving Springfield Avenue from Wright to Goodwin and Romine from Springfield to Main Street.	27 000 00	18 000 00

This report was received for record.

AGREEMENT WITH ILLINOIS POWER AND LIGHT CORPORATION FOR GAS SERVICE

(36) The University is purchasing gas from the Illinois Power and Light Corporation under an industrial rate authorized by the Board of Trustees on September 26, 1933 (Minutes, page 375). This rate has resulted in a material saving in the cost of gas for use in the various laboratories compared with the previous cost of this service.

The Illinois Power and Light Corporation has submitted a new proposal for rates on the industrial meters. The present and proposed rates are as follows:

Present Gas Rate

First 1000 therms in any month.	8.0¢
Second 1000 therms in any month.	4.0¢
All over 2000 therms in any month.	3.5¢
Annual minimum charge per meter.	\$1000

Proposed Gas Rate

First 500 therms in any month.	10.0¢
Next 9,500 therms in any month.	3.5¢
Next 10,000 therms in any month.	2.5¢
All over 20,000 therms in any month.	2.0¢
Monthly minimum charge per meter.	\$75 (\$900 a year)

The advantage of the proposed rates is that the annual minimum charge is reduced. The Physical Plant Department plans to add the Old Agricultural Building and the Addition to the Mining and Metallurgical Laboratory to the industrial meters, thus increasing the industrial load with the possibility of eliminating the premium the University is now paying to meet the annual charge. Although the saving will probably be small, the Director of the Physical Plant Department believes that it is to the University's advantage to accept the new proposal and he so recommends.

On motion of Mr. Barrett, this proposal was accepted.

**ISSUE OF BONDS FOR MEDICAL AND DENTAL COLLEGE
LABORATORIES BUILDING**

(37) A report that on August 14, 1936, the loan and bond issue for the construction of the second unit of the Medical and Dental College Laboratories Building, known also as the Medical and Dental College Building Trust, was closed and the proceeds of the bond issue were received by the Treasurer of the University of Illinois Foundation. The total amount received was \$1,096,212.56, consisting of \$1,091,000 principal on the bond issue and \$5,212.56 accrued interest. The former was credited to Construction Fund "B" under the trust agreement and is available for the construction of the building. The latter amount (\$5,212.56) was credited to the Bond Fund to be used in paying the first interest installment.

This report was received for record.

**CONTRACT CHANGE ORDERS FOR MEDICAL AND
DENTAL BUILDING**

(38) In accordance with the authorization of the Board on July 10, 1936 (Minutes, page 4), the Chairman of the Committee on Buildings and Grounds has approved certain contract change orders on work on the Medical and Dental Building, as specified below, and the following resolution is offered to ratify said actions.

On motion of Mrs. Plumb, the following resolution was adopted.

Be it resolved, that the Board of Trustees of the University of Illinois hereby ratifies and confirms the action of the Chairman of its Committee on Buildings and Grounds in approving the recommendations of the Physical Plant Department and the President of the University for the following change orders in contracts for the construction of the second unit of the Medical and Dental College Laboratories Building: General contract, orders No. 10 to 16, inclusive; Plumbing contract, orders No. 7 to 13, inclusive; Heating contract, orders No. 3 to 6, inclusive; Ventilating contract, orders No. 2 to 4, inclusive; Electrical contract, orders No. 3 to 5, inclusive.

2. Pyrex laboratory glassware, 129 cases, for the General Chemical Store-room at a price of approximately \$2,400. This is a non-competitive item since the Corning Glass Works is the only manufacturer of this type of glassware and it is sold through jobbers at prices fixed by the manufacturer; also, the lowest price applies to orders for lots of 100 or more cases.

3. 500 barrels Portland Cement in paper sacks, for the Physical Plant Department's stock, from the Alpha Coal & Materials Company, Champaign, the low bidder, at a price of \$2.23 net per barrel, or a total cost of \$1,115.

4. 200 to 250 experimental lambs for the Department of Animal Husbandry from the Chicago Producers Commission Association at a price of from \$1,200 to \$1,400.

REPORT OF COMPENSATION OF UNIVERSITY EMPLOYEES FOR ACCIDENTS

(51) A report from the Comptroller on the procedure in dealing with cases of accidents to University employees and the status of such cases now pending before the State Court of Claims.

September 29, 1936

President A. C. Willard, 355 Administration (W)

DEAR PRESIDENT WILLARD:

I believe the Board and yourself should know that we have never yet been able to secure payment of any bills on account of accidents suffered by University employees since the passage of special legislation at the last regular session of the General Assembly.

Prior to January 1933 the University, through a special committee, acted on and paid approved claims in such cases. Beginning with January 1933, at the direction of the Board, such cases were referred to the State Court of Claims. The Court reviewed a number of cases and set down a general policy to be followed and then suggested that the University act on future cases itself. This procedure was in effect from January 1933 to June 1935 inclusive.

The policy laid down by the Court, however, excluded from the benefits of the Workmen's Compensation Act a number of our employees. For that reason a considerable number of claims arising between January 1933 and June 1935 have not been paid. Some of them, therefore, are over three years old.

The legislation secured at the last General Assembly provided that all employees of the University, when engaged in any duties other than those strictly non-hazardous would be eligible to benefits of the Act. It further provided that all cases of this kind would be reviewed by the State Court of Claims. The University asked that it be allowed to pass on minor cases but the Governor insisted that this provision be eliminated. Immediately following the passage of the Act, the University began to submit these cases to the Court. The Court, however, has postponed action from time to time, asking for new information or filing in new form, with the result that no case has yet been passed on by it since July 1, 1935. We now have pending before the Court 67 cases, involving bills due local doctors, hospitals, as well as individual employees. All of these parties are justly irritated by the delay and employees are worried as to what might be the result in case they have a serious accident. In accordance with your action during the summer we are now endeavoring to handle minor cases without engaging outside service. However, the old cases are still pending and it is impossible to predict when they will be cleared up.

Cordially yours,

LLOYD MOREY, *Secretary*
University Committee on Accident
Compensation for Employees
